

[Demo] NLP Dataset for Customer Service Automation

Company Type	Electricity Suppliers
Inquiry Category	Rebate eligibility criteria clarification
Inquiry Sub-Category	Rebate amounts and limitations
Description	Customers seek information on the specific rebate amounts for different appliances or measures, as well as any limitations on the number of rebates they can receive.
Data Size	5,774 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Electricity Supplier" customer inquiry. (Purchased data will not be masked.)

What ____ the rebate ____ and eligibility ____ for ____ heating/cooling ____ equipment?
Do ____ any ____ eligible conditions ____ specific ____ sums ____ efficient ____ systems?
What ____ cost ____ for efficient heating and ____?
What ____ rebates for ____?
Can you ____ me ____ rebate amounts ____ to energy ____?
____ don't ____ what's the deal with ____ eligibility ____ efficient heating ____ appliances.
What ____ the ____ eco-friendly ____ and air conditioning ____ what amount ____ as ____ rebate?
____ me about ____ rebates and qualifications ____ efficient systems?
Tell me ____ amount ____ the ____ for efficient ____.
What about the ____ energy-saving ____?
____ know ____ about eligible ____ and specific rebate sums ____?
Can ____ tell ____ more ____ eligible criteria ____ heating/cooling ____?
Can ____ energy-efficient heating and cooling systems?
____ the eligibility ____ energy efficient heating and ____?
I'd ____ more ____ available for energy-saving heating/cooling equipment
____ specific ____ amounts ____ criteria for energy ____ heating and cooling ____?
____ it ____ to provide ____ figures on ____ purchasing eco-friendly cooling ____ units?
____ to know if you ____ give ____ the rebate ____ corresponding amounts for ____ units.
I ____ to ____ rebate ____ for installing eco-friendly ____ and cooling equipment.
Do ____ have ____ information ____ conditions and specific rebate ____ for ____?
Eligibility for ____ heating or cooling ____ along ____ their ____ known.
Can ____ more ____ the incentives ____ eco-friendly heating and cooling ____?
Can ____ clarify who is ____ for ____ heating/cooling ____ values?
____ us about the eligible ____ cooling systems?
____ me ____ eligibility requirements ____ equipment and how ____ can earn ____.
What ____ the ____ criteria ____ for ____ efficient ____ systems?
____ are ____ specific rebates ____ to ____ or cooling ____?
Can you ____ about the ____ cooling systems?
____ criteria for obtaining ____ rebate on ____ equipment?

I _____ what _____ deal is _____ amount of rebate _____ criteria _____ efficient HVAC _____!
 _____ criteria _____ the _____ on _____ efficient heating/cooling systems?
 Can _____ give me _____ the rebates offered _____ eco-friendly _____ or _____ equipment?
 What are _____ eligibility criteria _____ systems?
 _____ about _____ for efficient heating/cooling devices.
 Is there _____ information on _____ heating _____ equipment?
 Can _____ give _____ competitive incentives for _____ eco-friendly heating/cooling _____?
 _____ criteria for heating/cooling _____?
 _____ you _____ me about the rebate amounts _____ installing _____ and _____ equipment _____?
 Can _____ and eligibility criteria _____ energy _____ heating and cooling systems?
 Is _____ any specific _____ on the _____ for _____?
 Can you _____ me about _____ allocated funds _____ equipment?
 Is there _____ information about the _____ for efficient _____?
 Can _____ specific amounts _____ eligibility _____ for _____ efficient heating and _____?
 _____ more about _____ incentives _____ for eco-friendly heating/cooling solutions?
 _____ I get _____ straight _____ how much _____ who _____ a _____ for energy-efficient heating/cooling systems _____?
 Can _____ give _____ details _____ the _____ for using _____ solutions?
 I would _____ know _____ eligibility _____ for _____ rebates that _____ available for _____ and _____ equipment.
 Is there more _____ about _____ offered _____ eco-friendly _____ solutions?
 _____ it _____ to provide precise figures _____ rebates _____ for _____ eco-friendly _____ heating _____?
 Is it _____ provide precise _____ on the _____ for _____ heating units?
 _____ are _____ to _____ eligibility for _____ heating and _____ systems?
 Please _____ much I can get as _____ installing _____ heating or _____.
 _____ it _____ to _____ on _____ for energy _____ cooling/heating systems?
 _____ criteria _____ obtaining a _____ on energy _____?
 _____ to know _____ qualifications _____ rebates for _____ efficient systems.
 Can _____ the _____ for cool/heating devices?
 _____ you _____ about _____ rebate amounts offered for _____ heating _____ equipment?
 _____ are _____ criteria for _____ and cooling equipment?
 _____ precise _____ given out _____ to use _____ and cooling _____
 Tell _____ the _____ for efficient cooling equipment
 _____ eligibility _____ is _____ for energy- _____ heating _____?
 _____ clarify cost _____ options for efficient _____ and _____.
 _____ to tell me about _____ specific _____ amounts _____ to _____ heating/cooling _____?
 _____ to know _____ the _____ requirements _____ the energy-saving heating/cooling _____
 _____ like to _____ the _____ the amounts and _____ criteria for efficient heating _____ cooling _____.
 Can _____ us more _____ the _____ for eco-friendly heating/cooling _____?
 Tell _____ requirements for the heating/cooling _____ earn the _____.
 _____ it possible to _____ qualifications and rebates _____ systems.
 _____ you aware _____ conditions and _____ rebate sums _____ HVAC _____?
 What types _____ are _____ energy-saving heating/cooling _____?
 _____ want _____ about the _____ criteria and _____ rebate _____ efficient equipment.
 _____ are used for _____ heating _____ rebates?
 Give _____ to _____ what's the _____ amounts and eligibility _____ for _____ heating _____ appliances?
 Are there details _____ rebate _____ and _____ funds _____ equipment?
 Is it possible _____ give _____ on _____ rebates _____ efficient _____ and _____?
 Tell me about _____ amounts and _____ cooling _____
 Is _____ a _____ and cooling equipment?
 What are _____ ACs and how much cashback can I _____?
 _____ the _____ of eco-friendly ACs, _____ how much _____ in cashback?

Is _____ to _____ me _____ on the qualifications _____ apply to _____ units?

Can _____ me anything _____ the rebates for _____?

Can _____ regarding the _____ offered _____ installing eco-friendly _____ or _____ equipment?

What _____ the eligibility criteria for _____ heating _____?

_____ the specific rebate _____ for _____ heating/cooling _____?

_____ information on the _____ incentives for eco-friendly _____ solutions?

Can you tell us about _____ for energy-efficient _____?

_____ needed for _____ energy-efficient _____ ventilating, and air conditioning systems, and how _____ money _____

Is _____ to specify the rebates and _____ energy efficient _____ and _____?

_____ know what _____ and specific rebate _____ for _____ and cooling systems?

Can you _____ me _____ qualifications _____ energy _____ heating, ventilating, _____ conditioning systems?

_____ criteria _____ used _____ eligibility _____ heating or cooling systems?

Is _____ a _____ and eligibility criteria for energy _____ cooling _____.

I _____ to _____ the requirements are _____ eco-friendly heating _____ air _____ offered as _____ rebate.

_____ the _____ when _____ comes _____ eco-friendly _____ and how _____ cash can I _____?

_____ me _____ much _____ rebate _____ to eligibility for _____ heating/cooling _____.

What _____ rules when it comes to _____ much _____ I _____ get?

Is it possible to tell _____ energy- efficient heating/cooling _____?

Can you _____ the _____ amounts _____ eligibility _____ our energy efficient _____ and _____?

Can you _____ me _____ about _____ rebates _____ and _____?

Is there _____ amount _____ energy _____ heating _____ cooling systems?

Can _____ the _____ values _____ eco-friendly heating _____ machines?

_____ specific amount or eligibility criteria _____ heating or _____ systems?

Can you _____ information about _____ offered _____ installing _____ heating or _____ my premises?

What are _____ rules _____ how much can _____ get _____ rewards?

_____ there anything _____ tell _____ about the _____ energy- _____ cooling systems?

I _____ deal with rebate amounts and eligibility criteria _____.

Which _____ heating system rebate _____ are _____?

What are _____ for _____ and air _____ options, and _____ much is offered _____?

_____ it possible _____ qualifications and _____ rebates _____ energy-efficient heating _____ systems?

What conditions _____ in order to _____ a rebates _____ and _____?

_____ to _____ what the _____ for the _____ heating _____ air conditioning _____ offered as a _____.

What _____ the amount _____ heating/cooling systems?

Which _____ criteria _____ to energy efficient _____?

_____ and eligibility criteria _____ heating or _____ should be _____.

How much _____ for a _____ on _____ and cooling _____?

_____ there _____ the _____ of the energy _____ heating/cooling system rebate?

_____ tell me the exact _____ the _____ for _____ eco-friendly _____ or cooling _____?

Tell _____ the _____ heating and _____ equipment.

Is _____ to _____ information on the rebate qualifications and _____ to _____ energy-efficient _____?

_____ you tell me about _____ allocated funds for efficient _____?

_____ to know _____ amount _____ the rebate offered for _____ eco-friendly _____ equipment.

The _____ criteria for energy _____ heating/cooling _____ not _____.

_____ you give more _____ about the incentives _____ using _____?

What are the _____ for _____ ACs, _____ much cashback _____?

_____ sure _____ the _____ with rebate amounts and eligibility _____ for efficient _____ conditioning appliances.

_____ you able _____ give _____ on the rebates _____ energy _____ systems?

Tell me _____ requirements for which _____ systems _____ rebates.

_____ are available for energy efficient _____ and cooling _____?

What _____ rules for _____ and _____ much _____ I get _____ it?

_____ give me _____ regarding the rebate _____ or cooling equipment?

Is _____ possible to give _____ on _____ rebates for _____?

Can _____ who is eligible _____ the _____ incentives _____ heating/cooling _____?

I _____ to know _____ much _____ can get _____ a rebates for _____ energy _____ heating _____.

What rebate _____ and criteria are _____ for _____ efficient _____?

Can't I _____ straight _____ how _____ can get _____ for _____ efficient heating/cooling systems or equipment?

Explain how _____ I _____ as _____ rebates for installing _____ or cooling _____.

What _____ the _____ amounts _____ eligibility _____ for _____ efficient _____ systems?

Inform me of _____ rebate _____ gear!

Is it possible to provide _____ for purchasing _____ units?

_____ me about _____ amounts for efficient _____.

Can you both _____ the _____ of _____ eco-friendly _____?

Give it _____ me, what's _____ amounts and eligibility _____ heating and _____ appliances?

_____ eligibility criteria for energy efficient _____ systems _____ clear.

_____ want to know what _____ eligibility _____ for energy-saving heating/cooling _____.

What _____ the amounts and _____ rebates _____ energy efficient _____?

Tell _____ the _____ amounts _____ cooling _____ gear.

Give _____ to _____ the _____ with rebate _____ and _____ criteria for efficient _____ and _____ appliances?

I would _____ more _____ requirements _____ the _____ available _____ energy-saving heating/cooling equipment.

Can _____ tell me more _____ eligibility _____ efficient _____ and _____ equipment?

_____ you have any _____ the _____ for _____ equipment?

What qualifications _____ needed for _____ an energy _____ heating, _____ air conditioning _____ and _____ much _____ do _____

What _____ eligibility criteria for energy-efficient heating/cooling _____?

I _____ to know more about _____ heating/cooling _____.

What _____ is _____ the energy-saving heating or cooling _____?

_____ there a _____ to _____ qualifications _____ efficient temperature equipment?

Is _____ possible _____ assistance options _____ heating and _____ gear?

_____ a _____ criteria for the energy-efficient heating _____ cooling systems?

Tell me _____ for _____ cooling/heating _____.

What _____ energy efficient heating and cooling systems?

Is there any _____ on the _____ for _____ efficient _____?

Along _____ any conditions that _____ be _____ rebate figures for _____ efficient AC/heating units?

I would _____ know the _____ tied to _____ for efficient _____.

_____ me the amount _____ the _____ heating _____ cooling _____ I can get?

Is it _____ to _____ for _____ rebates for _____ heating _____ cooling systems?

_____ can _____ cashback if I install an _____ AC/furnace _____ or _____?

Is _____ you _____ tell me about _____ rebate qualifications _____ corresponding amounts _____?

_____ want to know _____ amount _____ eligibility criteria _____ energy _____ heating and _____.

I _____ know if there are _____ specific requirements that _____ to _____ in order to _____ an energy efficient _____

_____ anyone have _____ specific rebate _____ efficient heating and cooling systems?

Can you _____ know the _____ amount _____ criteria for _____ efficient _____ systems?

_____ are _____ eligibility criteria _____ systems _____ energy efficient?

Can _____ tell _____ specific _____ eligibility criteria for _____ and cooling _____?

Is there a list of _____ and _____?

_____ there _____ for energy efficient _____ and heating systems?

Is _____ for you to tell me _____ qualifications and amounts _____?

_____ terms _____ the energy-saving heating or _____ devices?

I don't know _____ eligibility _____ are for _____ equipment _____.

_____ conditions must _____ order _____ get a rebates _____ an _____ cooling equipment?

_____ to _____ requirements for the energy-saving heating/cooling equipment rebate.

Can you tell _____ more _____ efficient cooling and heating _____?

_____ apply _____ energy-saving _____ cooling devices?

I _____ know _____ amounts offered _____ a rebate for eco-friendly _____ air _____.

How _____ you know _____ eligible _____ and specific _____ HVAC systems?

_____ tell _____ energy-efficient heating and cooling?

_____ possible to give details _____ the _____ rebate _____ energy- _____ systems?

_____ tell me the specific amount _____ for _____ energy-efficient heating _____ system?

_____ possible to tell me _____ the qualifications _____ applicable to _____.

I would _____ what _____ are _____ eco-friendly heating or air _____ are _____ as a rebate.

_____ clarify the incentive _____ the eco-friendly heating/ _____?

I would _____ to _____ you _____ give me information _____ qualifications and _____ efficient units.

_____ specific _____ apply to energy-saving _____ cooling _____?

I _____ to _____ the _____ criteria and the _____ rebate _____ equipment.

_____ anything _____ me _____ the rebate qualifications _____ corresponding amounts _____ energy-efficient _____ units?

_____ are the _____ for _____ rebates _____ energy-efficient equipment?

_____ to energy-efficient heating systems?

_____ you _____ the incentive values for _____ heating _____?

Can _____ provide _____ specific amounts _____ heating and _____ systems?

Which _____ criteria _____ energy- efficient _____ systems?

_____ it _____ to give me information _____ the _____ and _____ the energy- efficient units?

What _____ criteria _____ eligibility _____ energy-saving heating _____ systems?

_____ amounts _____ for _____ on energy-efficient heating/cooling systems.

_____ you tell me about _____ amounts _____ are only _____ cooling equipment?

Is there any information _____ energy efficient _____ heating _____.

_____ it _____ the _____ and _____ an energy- efficient system?

Is it _____ specify _____ qualifications and _____ energy efficient heating and _____?

_____ it _____ me about _____ rebate qualifications and _____ for energy-efficient _____?

What _____ eligibility _____ heating and cooling systems?

Give _____ me _____ with rebate amounts _____ eligibility _____ for efficient heating and cooling _____?

_____ would like to _____ requirements for the rebates that are available _____.

_____ rebates apply _____ energy-saving heating and _____ devices?

Along with _____ need _____ be met, _____ are the exact _____ figures _____ efficient AC/heating _____?

What _____ rebate figures _____ energy-efficient AC/ _____ units assigned, _____ with any _____ need _____ be _____?

Is _____ any _____ on _____ for _____ and cooling equipment?

_____ there specific _____ on _____ rebates _____ heating/cooling equipment?

How much _____ you know about eligible _____ for efficient _____ systems?

What _____ the rebate _____ assigned, _____ that _____ be met, for energy _____ heating units?

What _____ available _____ heating/ cooling _____?

_____ if there _____ eligibility requirements for the energy-saving _____.

Do _____ have _____ eligible _____ for _____ and _____ systems?

Is it possible to specify _____ and qualifications _____?

What _____ the requirements _____ eco-friendly _____ options, and what _____ amounts offered as a _____?

What information do you have about _____ specific _____ sums _____ cooling _____?

What are the eligibility _____ and cooling _____?

Share precise payments _____ are _____ using _____ heating/cooling _____

Can _____ provide _____ with the amounts offered _____ heating or _____?

_____ me _____ rebates _____ heating/cooling gear!

What conditions must be met in _____ to _____ for _____ equipment?

I want to _____ rebates available _____ energy-saving heating/cooling equipment.

_____ obtaining a _____ energy- efficient heating/cooling _____?

What _____ and criteria _____ a rebate on _____ system?

Do you _____ and specific rebate sums for _____ conditioning systems?

_____ comes _____ eligibility of energy-saving _____ cooling systems, _____ the criteria?

I have _____ idea _____ rules _____ for energy-savin' ACs or _____.

What _____ of rebates for energy _____ heating/cooling _____?

_____ want to know about _____ for _____.

_____ criteria are available _____ efficient heating _____?

_____ you have any details about _____ rebates _____?

_____ for _____ to provide information _____ and _____ applicable to _____ heating and cooling units?

_____ like to _____ much _____ offered _____ a _____ for _____ heating _____ air conditioning _____.

I want to _____ is with _____ amounts _____ eligibility _____ HVAC appliances.

Tell me _____ rebate _____ for _____.

Are _____ of _____ specific rebate sums for _____ systems?

Please _____ me the specific _____ for energy efficient _____ systems.

I need to _____ available for _____ heating/cooling equipment.

Is _____ possible to give specifics on _____ rebates _____ and _____?

Can _____ of eligible criteria _____ heating/cooling _____?

_____ you _____ who is eligible _____ values in _____ eco-friendly _____ machines?

_____ mark, _____ with _____ amounts _____ eligibility criteria for _____ heating and _____?

Can you _____ me _____ about the _____ assistance _____ heating/cooling _____?

Is there a way to _____ on _____ cooling _____ heating _____?

Is _____ possible to clarify _____ cost _____ efficient heating/cooling _____?

Tell _____ eligibility requirements for _____ can earn a _____.

Along _____ qualify _____ specific rebates _____ to _____ heating or _____ devices?

_____ possible for _____ to _____ me _____ on the _____ and _____ for energy _____ units?

_____ possible for _____ to tell _____ the rebate _____ and corresponding _____ for _____ efficient _____?

_____ any eligible _____ or _____ sums for efficient HVAC _____?

Which _____ for _____ system rebate?

_____ there _____ for efficient heating/cooling _____?

_____ want to _____ offered for eco-friendly _____ or air conditioning _____ are _____.

What _____ incentives for energy-saving _____ cooling systems?

Can _____ and who is eligible _____ relation to _____ machines?

_____ you _____ the _____ of the eco-friendly _____ machines?

Tell _____ the eligibility requirements _____ which heating/cooling _____ be _____.

Is _____ give information _____ for energy efficient _____ systems?

_____ requirements when _____ comes to eco-friendly _____ air conditioning options, _____ amount is offered _____?

_____ wish _____ know _____ eligibility _____ for _____ heating/cooling equipment rebates.

_____ it to _____ what is _____ amounts and _____ for efficientHVAC appliances?

_____ like to _____ requirements _____ the energy-saving heating/cooling equipment _____.

_____ any _____ regarding the eligible conditions and _____ for _____ HVAC _____?

Tell me _____ money is tied to _____ criteria _____.

What _____ the _____ system rebates?

_____ it _____ to provide _____ specific amount and _____ for _____ efficient heating _____ systems?

Can _____ provide the _____ and eligibility criteria for _____ efficient _____?

How much _____ I _____ what are _____ for eco-friendly _____.

_____ both of you _____ the _____ values _____ heating/cooling _____?

What are their _____ heating _____ air _____ options, what _____ offered _____ rebates?

Tell _____ the _____ tied to eligibility _____ for _____ heating/ _____.

_____ it _____ to provide _____ figures on the rebates _____ cooling/heating _____?

Is _____ eligibility criteria for _____ energy-efficient _____ and cooling systems?

Is it _____ me information on _____ qualifications and _____ amounts _____ HVAC _____?

Clarify _____ assistance _____ for efficient _____

Is _____ can tell me about the _____ for _____ cooling _____?

I'd like to know more _____ and _____ equipment.

What specific _____ amounts are applicable _____ systems?

Is _____ to _____ specific amounts _____ criteria for _____ heating _____ systems?

_____ tell _____ the _____ amounts and eligibility criteria _____ energy-efficient _____ and _____?

I'd _____ to know the eligibility _____ the rebates _____ energy-saving _____

_____ with any _____ need _____ be met, _____ are the _____ rebate figures _____ energy-efficient AC/heating _____?

_____ to know _____ amount _____ that can _____ obtained _____ rebate when buying an _____ conditioning or heating system

I would _____ about the incentives offered _____ using _____ heating/cooling _____.

What are the _____ for eco-friendly _____ can _____ get in _____?

_____ you tell me about _____ amounts _____ installing _____ or _____ at my _____?

_____ are _____ exact rebate _____ for energy efficient _____ any _____ that _____ to be _____?

_____ give me the _____ of the _____ installing _____ heating or cooling _____?

_____ there any _____ on _____ heating _____ cooling _____?

Can _____ us more information on the _____ eco-friendly _____?

Do you know _____ there _____ rebates for _____ efficient _____?

What _____ specific incentives _____ energy-saving heating _____ devices?

_____ are _____ rebates _____ heating/cooling _____?

Can _____ explain _____ values for _____ machines?

Do _____ know _____ about _____ eligible _____ specific rebate sums _____ efficient HVAC _____?

_____ there _____ you can _____ me about the _____ for _____?

_____ to _____ the rebates _____ for energy efficient HVAC systems?

What are the rules _____ it _____ ACs _____ how _____ cashback _____ get?

_____ are available for energy- _____ heating _____?

_____ tell me _____ eligible criteria _____ rebates for heating/cooling _____?

I would like _____ on the _____ and amounts applicable to energy- efficient _____ units.

What _____ criteria _____ obtaining _____ rebate _____ efficient heating/cooling equipment?

_____ like _____ know _____ the _____ are _____ the energy-saving _____ equipment rebates.

Is there _____ information _____ incentives for _____ and cooling _____?

_____ addition to _____ conditions _____ need _____ what are _____ precise _____ figures assigned for energy-efficient _____?

_____ you give _____ amounts that are _____ for installing _____ heating _____ cooling _____?

What conditions must _____ met in order for _____ person to _____ a _____ and _____?

_____ I get _____ what qualifications _____ required _____ efficient temperature _____?

What is the criteria for _____ of _____?

How _____ I find _____ available _____ for _____ air conditioning and _____?

_____ there any _____ on _____ rebate _____ energy-efficient _____ systems?

I want _____ know the eligibility _____ heating/cooling _____.

_____ give me more _____ about _____ amounts for _____ eco-friendly heating _____ equipment?

Which _____ criteria are _____ an _____ system?

_____ you _____ the incentive values _____ machines, _____ is eligible?

Is _____ possible to _____ specifics on _____ heating/cooling _____?

_____ tell _____ about eligible criteria for heating and _____?

_____ there anything _____ me about _____ amounts applicable to energy-efficient _____ systems?

_____ know how much _____ can be _____ when _____ energy efficient air conditioning or heating _____

_____ know _____ eligibility requirements for _____ energy-saving _____ equipment incentives.

Can _____ tell _____ more about _____ incentives _____ using _____ and cooling _____?

Can _____ rebate eligibility and _____ funds for _____ heating and cooling _____?

_____ there _____ information _____ rebates for energy efficient _____?
 What _____ for _____ heating and _____ devices?
 The eligibility criteria _____ a _____ on _____ equipment are _____.
 _____ are _____ eligibility _____ for _____ energy-efficient heating/cooling systems?
 I want _____ eligibility _____ the _____ that are _____ energy-saving _____ and cooling equipment.
 Is _____ to _____ rebates _____ for the _____ air conditioning systems?
 _____ there specific amounts and _____ criteria _____ heating _____ systems?
 How can _____ for the _____ if I _____ energy-saving _____ heater/cooler?
 Can _____ me information about the _____ the _____ heating or _____ equipment?
 Tell _____ for _____ heating/cooling systems are eligible _____ rebates.
 _____ like to _____ for the rebates _____ energy-saving heating and _____ equipment.
 _____ the rebates for _____ heaters.
 _____ you can tell _____ the _____ efficient heating/cooling equipment?
 The eligibility _____ for _____ energy-saving _____ equipment are something _____ would _____.
 _____ possible to give me _____ on _____ specific _____ to energy-_____ heating/cooling _____?
 _____ with _____ that _____ to be met, _____ are the _____ rebate _____ efficient AC/ _____ units?
 Is _____ possible _____ give me information on _____ apply to _____ efficient _____ units?
 _____ like _____ know _____ amount _____ eligibility criteria for _____ efficient heating _____ cooling _____.
 Tell _____ the _____ for _____.
 _____ can get as a rebate if I _____ cooling appliances?
 What _____ are required for _____ energy-_____ ventilating, _____ conditioning systems, _____ what amount _____ available?
 Are _____ amounts _____ eligibility _____ for energy-efficient heating or _____?
 What is the _____ energy-saving _____?
 Can _____ the incentives for _____?
 _____ rebates apply _____ energy saving heating and _____?
 _____ the rules when it _____ eco-friendly _____ how much cash I _____?
 _____ it to _____ what's _____ with _____ and eligibility _____ for efficient HVAC _____?
 _____ it _____ explain eligibility _____ and _____ of _____ for _____ equipment?
 _____ want information on the _____ offered _____ a _____ for _____ heating _____ options.
 _____ eligibility _____ for which heating/cooling _____ can _____ a rebate.
 What amounts and _____ efficient heating/cooling systems?
 Is it _____ specify _____ rebates _____ qualifications _____ and cooling?
 I _____ to _____ more about _____ rebates _____ energy-saving heating/cooling _____
 _____ to _____ the _____ the energy-saving heating/cooling equipment rebates.
 Eligibility _____ for _____ on heating/cooling _____?
 _____ it possible _____ rebates _____ qualifications _____ heating and cooling _____.
 What _____ the eligibility _____ cooling _____?
 What criteria _____ determine _____ of _____ heating or cooling _____?
 _____ rebate _____ for heating/cooling gear.
 _____ of incentives apply _____ energy-saving _____ cooling devices?
 _____ you _____ who _____ eligible _____ heating and cooling _____?
 I _____ like _____ know _____ is _____ as a rebate _____ eco-friendly heating _____ conditioning _____.
 _____ possible _____ provide details on _____ specific _____ amounts for _____ efficient _____?
 _____ on the competitive _____ for eco-friendly heating/cooling solutions?
 _____ it _____ to get _____ refund and _____ for efficient _____?
 _____ clarify _____ is eligible for _____ in relation _____ machines?
 _____ what the deal _____ with rebate _____ criteria for efficient heating and air _____.
 I want to _____ the eligibility _____ for _____ equipment.
 Can _____ tell us _____ incentive _____ of _____ machines?

Can you tell _____ criteria _____ HVAC equipment?

_____ tell _____ more about _____ competitive incentives _____ eco-friendly heating/cooling _____?

_____ any _____ on eligible energy-efficient heating _____ systems?

_____ are the requirements for eco-friendly _____ air _____ options, and _____ are _____ as _____?

Is _____ possible _____ give _____ the rebates _____ cooling/heating systems?

_____ there a way _____ the rebates for _____ efficient cooling _____ systems?

What are the conditions _____ be met _____ to _____ for environmental-friendly _____ cooling equipment?

_____ give _____ specific amount and eligibility _____ for the _____ efficient heating _____?

_____ you _____ me _____ specific _____ criteria for energy efficient heating _____ systems?

Where can _____ find _____ amounts and _____ energy efficient heating/cooling _____?

Please help _____ how much I _____ get _____ heating _____ cooling appliances.

Is it possible to _____ me _____ on _____ qualifications _____ energy-efficient heating and _____?

What are _____ rebates _____ energy-efficient _____ systems?

What _____ when _____ eco-friendly ACs, and _____ much can I _____ it?

Can _____ me the specific _____ efficient heating or cooling systems?

_____ you _____ and eligibility _____ efficient heating or cooling systems?

_____ and eligibility _____ heating or cooling systems?

Can _____ tell _____ what _____ amounts are for installing _____ cooling equipment on _____?

_____ possible _____ give _____ information _____ the _____ and _____ for energy-efficient heating, ventilating, _____ air _____ units?

Which _____ available for _____ efficient heating systems?

What _____ the eligibility _____ for _____?

_____ qualifications _____ needed _____ using energy-efficient _____ and air conditioning systems, _____ amount of _____ available?

Is _____ information about eligible _____ for efficient hvac systems?

What _____ criteria _____ available for _____?

_____ you clarify the _____ in _____ to _____ machines?

Tell me about _____ rebate details _____.

_____ about the deal with rebate _____ and _____ criteria for _____ appliances.

I would like to _____ the eligibility _____ equipment _____.

_____ are the _____ for _____ energy _____ heating/cooling equipment?

_____ tell _____ the _____ getting _____ rebate on energy-efficient heating/cooling equipment?

Along _____ qualified terms, what specific _____ apply _____ energy-saving _____ cooling _____?

_____ it possible _____ information _____ rebates for _____ cooling/ heating systems?

What _____ using energy-efficient heating, ventilating, _____ air _____ systems, and how _____ available?

What _____ amount _____ the _____ efficient heating/cooling systems?

_____ eligibility criteria for getting a _____ on _____.

What _____ are needed _____ energy _____ cooling systems, and _____ much _____ for them?

_____ rebates _____ energy-saving devices?

_____ for energy-saving heating and cooling _____?

_____ the _____ getting _____ rebates for energy efficient _____?

Is it possible _____ information on _____ the _____ applicable to energy-efficient _____?

What qualifications _____ needed for _____ HVAC _____ and what _____ rebates _____?

Is it possible _____ provide _____ applicable _____ efficient heating/cooling systems?

Can _____ provide _____ amounts _____ eligibility criteria for _____ efficient _____ systems?

Can you tell _____ the _____ values _____ heating/cooling _____?

Is it _____ give _____ figures _____ the _____ for acquiring eco-friendly _____?

Is _____ to specify the rebates _____ energy efficient heating _____ systems?

_____ there _____ amount _____ criteria for energy-efficient heating _____ cooling?

_____ the _____ with _____ amount of the rebate and eligibility criteria _____ appliances.

Can you tell _____ conditions _____ specific _____ for efficient HVAC _____?

Is there _____ info _____ energy-efficient heating _____ cooling _____?

____ want to know ____ specific ____ energy efficient ____ or cooling systems.
 ____ criteria are used ____ a ____ on energy-efficient ____ equipment?
 I ____ to know more ____ the ____ and ____ energy-saving heating/cooling equipment.
 Do you know ____ information ____ eligible conditions ____ specific ____ heating ____ systems?
 What ____ the rules when it ____ eco-friendly ____ of ____ can I get?
 Tell ____ about the ____ that ____ tied ____ eligibility criteria ____ heating/cooling ____
 ____ it possible ____ the ____ and the ____ energy ____ and cooling?
 ____ rebates ____ to heating ____ devices?
 What are ____ eco-friendly ____ or ____ options, what ____ is offered ____ rebates?
 ____ to know ____ give me information ____ the qualifications and ____ for the ____ efficient ____.
 What are ____ rules when it ____ eco-friendly ____ how ____ you ____?
 Tell ____ the ____ for ____ heating/cooling equipment ____ can earn ____ rebates ____.
 Is ____ give details ____ rebates for efficient ____ equipment?
 ____ eligibility criteria are there ____ energy ____?
 What qualifications are needed ____ heating, ____ and ____ conditioning systems, and ____ much ____ the ____ are ____?
 Can ____ me ____ about eligible criteria ____ and cooling ____?
 ____ any information ____ eligible ____ for ____ and cooling ____?
 ____ eligibility criteria ____ used ____ efficient ____ systems?
 What do ____ eligible ____ sums for efficient heating and ____ systems?
 ____ specific ____ criteria for ____ heating and cooling systems?
 ____ about ____ rebate ____ for energy-saving ____ or cooler.
 Can you clarify ____ heating/cooling ____ values and ____ is ____?
 Can you ____ more information ____ the ____ heating/cooling solutions?
 Will ____ incentives ____ eco-friendly ____ machines?
 ____ you have information on eligible ____ specific ____ sums ____ and ____ systems?
 ____ me about these ____ heating and cooling ____.
 Is it ____ to ____ the ____ qualifications and corresponding ____ energy ____ heating, ventilating, ____ conditioning units?
 ____ qualifications are required ____ efficient heating, ventilating, and ____ and what amount of ____?
 Can you ____ more ____ about competitive incentives ____ solutions?
 What conditions ____ be ____ in order ____ an environment-friendly ____ and cooling ____?
 ____ incentives ____ to ____ or ____ devices?
 ____ possible ____ information ____ and amounts ____ to energy- efficient HVAC units?
 The ____ for ____ efficient ____ systems are unclear.
 ____ get ____ refund, ____ qualifications are required for ____ temperature ____?
 ____ eligibility ____ for the rebates for energy-saving ____ something ____ like to ____ about.
 Are you ____ to ____ details ____ rebates for efficient ____?
 I need to ____ amount ____ the rebates ____ heating or cooling ____.
 ____ way to get details ____ the ____ efficient cooling ____ heating systems?
 ____ you ____ about ____ conditions and specific rebate ____ for efficient ____?
 Is there anything you ____ about the rebates ____ heating ____?
 ____ need to ____ how much I ____ get ____ installing energy efficient heating ____ cooling ____.
 How can energy-saving heating ____ cooling ____ eligible ____?
 ____ way to specify ____ and qualifications for energy-efficient HVAC ____?
 ____ you tell ____ the energy efficient heating/cooling ____ rebate?
 What are ____ exact rebate ____ for energy ____ AC/heating units, along ____ conditions that ____?
 Tell ____ how much is ____ efficient heating/cooling devices
 Can ____ tell ____ criteria for heating/cooling ____?
 ____ their ____ eco-friendly heating or ____ options, and what amount ____ as a ____?
 ____ you tell me ____ about ____ incentives ____ eco-friendly ____ solutions?

What _____ needed for _____ energy efficient heating, _____ air _____ systems, _____ what amount _____ are _____ there?

Is _____ me about _____ qualifications _____ amounts applicable _____ energy-efficient heating _____ cooling _____.

The _____ and _____ energy efficient heating _____ being discussed.

How _____ specific _____ applicable _____ heating/cooling systems?

_____ provide details about _____ rebates for efficient _____ equipment?

Can _____ give _____ more _____ about the rebates _____ heating/cooling _____?

_____ are the requirements _____ rebate on _____ heating/cooling equipment?

What _____ the amount _____ criteria for _____ energy-efficient heating/cooling _____?

_____ criteria is _____ for energy _____ heating _____ rebates?

What are _____ rebates _____?

_____ are the specific criteria for _____ units and _____?

Can _____ tell me about the _____?

Along with any conditions _____ to _____ what are the _____ rebate figures _____ energy _____ units?

Can you _____ about _____ rebate _____ offered _____ eco-friendly heating _____ equipment?

_____ the eligibility requirements _____ a rebates on _____ equipment?

What _____ criteria for _____ heating/cooling _____?

What _____ the _____ I _____ an energy-saving _____ unit _____ heater/cooler?

Can you _____ eligible _____ what _____ values are for _____ heating/cooling _____?

Inform me _____ tied _____ criteria _____ efficient heating/cooling devices.

Tell _____ the rebates and conditions _____.

Is _____ information on eligible energy-efficient _____ and _____?

What are the rules _____ comes _____ ACs _____ how _____ can _____ get _____?

Tell _____ rebate amounts for _____.

_____ conditions _____ met _____ order for one _____ get a rebates _____ heating _____ cooling _____?

The _____ and _____ efficient _____ systems are not known.

_____ are needed _____ using energy- _____ heating and cooling systems, _____ of _____ available?

I want _____ details _____ heaters or coolers.

Can you _____ the _____ amounts for installing eco-friendly heating _____ cooling _____ at _____?

I _____ to know _____ can give me information _____ qualifications and _____ for _____.

_____ amounts _____ eligibility _____ for _____ and _____ should be provided.

What _____ the _____ eco-friendly ACs, and _____ much can _____ in _____?

Share _____ payments _____ incentives towards using _____ heating/ _____ technologies

_____ know how _____ I can _____ as a _____ for _____ heating or _____ appliances?

_____ rebate terms _____ energy-saving _____ and cooling devices?

Are _____ rebate _____ applicable to energy _____ heating/cooling _____?

Is _____ information about _____ competitive incentives offered for _____ solutions?

Which _____ system rebates and eligibility _____?

What _____ used for _____ energy-saving _____ or cooling _____?

What _____ of incentives _____ to _____ or cooling _____?

_____ more details about _____ incentives offered _____ eco-friendly _____ solutions?

Can _____ clarify the incentive _____ the _____ machines?

What incentives are _____ energy-saving _____ systems?

_____ there anything you _____ tell _____ rebate qualifications and _____ amounts applicable _____ efficient _____?

_____ like _____ know what _____ are for _____ energy-saving _____ cooling equipment rebates.

Is _____ to get _____ refunds _____ for efficient temperature _____?

_____ me about _____ details _____ the _____ energy-saving heaters.

_____ any information _____ for efficient heating/cooling equipment?

Is _____ possible to _____ the rebates _____ qualifications _____ systems?

What is _____ the _____ on energy-efficient _____ systems?

Is it possible _____ and _____ energy efficient heating and _____.

_____ eligibility criteria _____ certain _____ systems?

Can _____ tell _____ about the eligible _____ and _____?

Let me _____ about _____ rebate _____ and coolers.

_____ give us more _____ about _____ criteria for _____?

Is _____ provide details about the rebates _____ energy-efficient cooling _____?

_____ me _____ eligibility requirements _____ the _____ can earn a _____.

_____ it to me _____ deal with rebate _____ and eligibility _____ efficient HVAC _____?

Is _____ information about _____ allocated funds for _____ HVAC _____?

_____ tell us about eligible _____ for _____?

Share precise _____ out _____ incentives _____ using _____ heating/ _____ technologies

Which eligibility _____ and energy-efficient heating _____?

Is it possible to give me _____ the _____ applicable _____?

Can _____ values of eco-friendly heating/cooling _____ who is _____?

_____ the requirements _____ heating or air _____ what are the amounts _____ as _____?

Is _____ to give me _____ about _____ installing eco-friendly heating _____ cooling equipment?

_____ tell me the _____ the rebate that _____ for installing _____ heating _____ cooling _____?

Is it _____ information on the _____ heating/cooling equipment?

Is it _____ to _____ the _____ and qualifications _____ systems?

What are the exact _____ for _____ AC/heating _____ along _____ conditions _____ need to be _____?

_____ love _____ know _____ eligibility requirements _____ energy-saving heating/cooling equipment _____.

Do _____ any _____ criteria for heating and cooling _____?

_____ you _____ me _____ the _____ for energy- _____ cooling _____ systems?

Is _____ to give details _____ for _____ efficient _____ systems?

What _____ efficient _____ ventilating, and air conditioning systems and _____ amount of rebates _____?

_____ me about the _____ the rebates _____ energy-saving _____.

What _____ the rebates on energy-efficient _____ cooling _____?

Can you _____ and eligibility criteria for _____ energy efficient heating _____?

What are _____ getting _____ rebate on _____ equipment?

What are the _____ figures for energy-efficient _____ units _____ along with any _____ that _____?

_____ me more about the incentives offered _____ using eco-friendly _____?

What _____ eligibility criteria _____ energy-efficient heating _____?

Do you _____ conditions and _____ sums are _____ heating and _____?

Is it possible to provide the _____ eligibility criteria for _____?

_____ it _____ rebates and qualifications for energy- _____ equipment?

Tell _____ about the _____ efficient heating/cooling _____.

What _____ for eco-friendly heating _____ conditioning _____ amount _____ offered as a _____?

_____ there information about rebate eligibility _____ allocated _____ efficient heating _____?

Eligibility criteria _____ obtaining _____ on energy efficient _____ and _____

_____ criteria _____ used for _____ heating _____ rebates?

_____ want _____ know _____ eligibility requirements _____ that are _____ for energy-saving heating/cooling _____

_____ the rebates for _____ heating/cooling _____ can be _____.

Is there any _____ funds _____ efficient _____ and cooling equipment?

_____ provide _____ of eligible criteria _____ heating/cooling systems?

Is _____ provide details of _____ rebates _____ energy _____ and heating _____?

_____ clarify the incentive values _____ the _____ heating/cooling machines?

_____ information _____ rebate _____ funds for efficient heating and _____ equipment?

_____ you _____ the incentives _____ heating/cooling _____?

Is there any information _____ specific amount _____ heating/cooling _____ rebates?

I _____ to know _____ much _____ rebate _____ are for installing _____ cooling _____.

_____ tell me about _____ rebates for efficient _____?

Tell _____ the rebates _____ for _____ heating _____.
 _____ is the _____ criterion for _____ heating and _____?
 _____ more about _____ incentives _____ are offered for using eco-friendly heating/cooling _____?
 Is it possible _____ explain _____ criteria and _____ for _____ heating _____?
 _____ possible _____ me information _____ qualifications and _____ heating and cooling units.
 I would _____ know more _____ the eligibility _____ equipment rebate.
 Can you tell _____ rebates for _____ cooling _____ heating _____?
 _____ must _____ met _____ order _____ to receive _____ for _____ eco-friendly heating and cooling system?
 Do you have any details _____ efficient _____?
 I _____ how _____ I _____ a rebates for installing _____ heating or _____.
 Can you tell _____ about _____ equipment rebate amounts?
 What _____ eco-friendly heating _____ air conditioning options, and _____ much _____ as a rebate?
 Is it _____ to _____ rebates _____ energy efficient _____ heating systems?
 _____ possible _____ provide _____ the rebates available for _____ eco-friendly cooling/heating _____?
 Tell me _____ the _____ only _____ or coolers.
 I would like _____ eligibility _____ for energy- efficient heating _____ systems.
 _____ is the _____ for _____ efficient _____ and _____ systems?
 Can _____ the _____ values _____ eco-friendly heating _____ cooling _____?
 _____ any information on _____ for _____ equipment?
 How _____ I can get _____ are _____ rules _____ ACs.
 _____ there any _____ on _____ for _____ cooling equipment?
 What are the _____ for _____?
 _____ amounts and _____ are used _____ heating/cooling _____?
 _____ information on _____ criteria and rebates for _____ cooling _____?
 Tell _____ requirements for which heating/cooling systems _____ a _____.
 What _____ eligibility _____ efficient heating and _____ systems?
 Along with _____ that _____ to be _____ what are the _____ figures specifically _____ for _____ AC/heating _____?
 _____ do the _____ for _____ heating/cooling systems _____?
 _____ would like to _____ about the eligibility _____ the _____ rebate.
 Which eligibility _____ offered for _____ efficient _____?
 Can you tell _____ about _____ competitive _____ eco-friendly heating _____ cooling solutions?
 Can _____ provide details _____ heating/cooling systems?
 _____ are _____ rules _____ eco-friendly ACs and how much _____ get?
 _____ there _____ information _____ the _____ to energy efficient heating _____ cooling systems?
 _____ want to _____ amounts _____ eligibility criteria _____ energy _____ heating and _____ systems.
 Can you tell _____ the _____ on _____?
 I would _____ to _____ the _____ requirements are _____ energy-saving heating/cooling equipment.
 Eligibility criteria and energy _____ heating _____
 _____ rebates apply to energy- saving _____ devices?
 _____ payments for using _____ heating/cooling _____ and _____ eligibility _____.
 _____ would _____ to know if _____ can give me information on _____ rebate _____ units.
 _____ conditions must be _____ receive a _____ green heating and cooling equipment?
 Tell _____ much the rebate _____ tied _____ criteria for _____ devices.
 _____ are the concessions for _____?
 I _____ to _____ the eligibility _____ and _____ efficientHVAC equipment.
 Can _____ us about the eligibility _____ for _____?
 The _____ rules for _____ ACs are _____ them.
 Tell me _____ requirements _____ and equipment _____ earn rebates.
 _____ needed _____ using energy _____ heating, _____ and _____ conditioning _____ and what amount of _____ out there?
 Can you clarify _____ values _____ ecofriendly heating/cooling _____?

_____ to know the specific amounts and _____ criteria for _____ cooling _____.

Can _____ tell me _____ rebates _____ and heating?

Do _____ have any _____ on eligible criteria _____?

_____ the amounts _____ to _____ criteria for efficient _____ devices.

I want _____ know about _____ rebates _____ energy-saving _____.

_____ the eligibility criteria for _____ cooling _____?

_____ want to _____ what their _____ are for the eco-friendly heating _____ air _____ options _____ rebate.

I would like _____ if _____ give _____ information _____ the qualifications _____ to energy efficient _____ units.

_____ me about the amounts _____ eligibility _____ for _____ and cooling _____.

_____ you _____ about eligible criteria _____ systems?

_____ information on the specific _____ the energy efficient _____ rebate?

_____ me _____ specific _____ and eligibility _____ for energy _____ heating and cooling _____?

What _____ and criteria for _____ systems?

_____ is the _____ heating _____ cooling systems?

What are the amounts _____ for _____ equipment?

What are _____ criteria for energy-efficient _____?

I _____ more _____ on how much _____ installing _____ efficient heating _____ cooling _____.

_____ give me information about the _____ applicable _____ energy-efficient HVAC units?

Is it possible to _____ on the _____ available for _____ eco-friendly _____?

Can _____ about the rebates _____ efficient _____?

_____ you provide _____ about _____ criteria for _____?

Can _____ the _____ criteria for an _____ efficient system?

_____ information _____ the incentives offered _____ using _____ heating/cooling solutions?

Specific _____ eligibility _____ for energy efficient _____ are needed.

Can _____ talk about _____ for _____ equipment?

_____ the eligibility requirements _____ the energy-saving _____ equipment subsidies.

_____ to _____ much money can be _____ as _____ rebate for the purchase of an _____ air _____ heating _____.

Let _____ know _____ the _____ tied _____ eligibility for efficient _____.

Share _____ payments _____ out _____ those _____ use cost-effective _____.

Is there any information _____ efficient _____ systems?

What are their requirements _____ heating or _____ options, _____ are the amounts _____ rebate?

_____ the deal _____ rebate _____ and _____ criteria for _____ heating _____ appliances?

Is _____ possible to _____ details on _____ for _____?

Tell _____ energy-saving _____ or coolers.

_____ eligibility for _____ energy-saving _____ or cooling devices?

What are eligibility _____?

_____ the _____ heating or cooling devices?

_____ are _____ for _____ and how _____ money can I _____?

_____ are the _____ for rebate _____ energy _____ systems?

_____ is it _____ eligibility _____ heating or cooling _____?

_____ you _____ rebate amounts _____ conditions _____ efficient _____ equipment?

Is there any _____ on the rebates _____?

Can _____ clarify who _____ eligible for the _____ relation _____ eco-friendly _____?

_____ you _____ description of the _____ heating/cooling equipment?

What about _____ for _____?

_____ is _____ criteria _____ rebates on _____ efficient _____ systems?

_____ you _____ me _____ the _____ for efficient heating _____?

I'd like to _____ amounts _____ for _____ heating _____ air conditioning options, _____.

_____ would like _____ know _____ requirements for _____ rebates available _____ energy-saving _____ equipment.

What _____ criteria for _____?

___ it possible ___ give details ___ the rebate for ___ ___ ?
___ there ___ information ___ efficient ___ and cooling equipment?
___ criteria ___ used for ___ energy-saving ___ and cooling ___?
Do you ___ on ___ conditions ___ sums for efficient ___ and cooling ___?
___ want to know what ___ rebates ___ energy-friendly ___.
Is it ___ me ___ the ___ and ___ for energy efficient HVAC units.
What ___ the ___ heating/cooling systems?
___ be ___ concessions ___ eco-friendly ___ installations.
Can ___ clarify the ___ for ___ machines and who ___?
What ___ the specific ___ energy-saving units ___ how ___ can ___?
___ you clarify ___ of ___ eco-friendly heating ___ cooling ___?
I'm curious about how ___ money ___ be ___ as ___ rebate when buying ___ conditioning or ___
___ criteria for ___ rebates on energy ___ heating/cooling systems?
___ it ___ to ___ a ___ and what ___ are required for ___?
___ anything you ___ tell me ___ specific rebate amounts for ___ efficient ___?
___ rebate ___ assigned for energy efficient AC/heating units, ___ with ___ conditions ___ need ___ met?
What is the ___ for an ___?
Is it possible to provide ___ available ___ eco-friendly cooling ___?
___ you provide ___ of eligible ___ for heating/ ___?
___ are ___ for eco-friendly ___ air conditioning ___ and ___ the amount ___ the rebate?
___ you ___ information about eligible conditions ___ rebate sums for ___?
___ requirements for ___ or ___ conditioning options, what ___ the amounts offered ___ a ___?
I ___ know about the eligibility requirements and the ___ heating/cooling ___.
___ me ___ for energy-saving heaters or coolers.
___ qualifications ___ required ___ energy efficient ___ cooling systems, and what ___ of ___ are ___?
Which specific ___ apply ___ heating ___ devices.
___ tell me more ___ Efficient heating/cooling equipment?
___ there any ___ on ___ specific ___ for energy-efficient ___ systems?
___ it ___ to give me information ___ the ___ to energy-efficient HVAC units?
What are the ___ for ___ energy efficient ___?
___ you give us ___ rebates ___ heating/cooling equipment?
___ the ___ figures assigned, ___ any ___ need ___ be ___ for energy-efficient AC/heating units?
Who ___ eligible for the incentive ___ machines?
What ___ eligibility criteria ___ heating/cooling ___?
Can you ___ me ___ for heating ___ systems?
___ clarify cost ___ options ___ heating/cooling ___?
Can you tell ___ about the ___ cooling ___?
___ it ___ to give ___ figures ___ available for ___ and heating units?
___ you have incentives ___ energy- ___ cooling systems?
___ you have ___ eligible conditions and specific ___ sums for ___?
___ it ___ to give precise figures ___ purchasing eco-friendly ___ and heating ___?
I would ___ to ___ about the ___ for ___ heating/cooling ___.
___ would ___ the ___ rebate ___ eligibility criteria for energy efficient heating ___ systems.
Eligibility ___ for obtaining a ___ on ___ efficient ___?
Is it ___ to give me ___ on the ___ to ___ efficient ___ and ___ conditioning ___?
___ sure ___ and rules are for energy-savin' ACs and ___.
Are there specific ___ energy efficient heating ___ systems?
Can you give us specific ___ for ___ cooling systems?
Can ___ us ___ the rebates for efficient heating ___?
___ obtaining a ___ on energy-efficient heating/cooling ___

_____ about _____ rebate amounts for heating _____ cooling _____.

_____ are rebates _____ systems?

_____ criteria for getting a rebates on energy _____?

_____ to _____ on the rebate qualifications _____ amounts applicable to energy-efficient _____?

_____ criteria _____ on energy efficient _____ systems are unknown.

rebates for _____?

_____ the rebates for _____ efficient heating/cooling systems?

_____ information _____ competitive _____ for using eco-friendly heating/cooling solutions?

_____ you tell me _____ amounts offered for installing _____ equipment at _____?

Do you have any _____ eligible _____ specific _____ for _____ heating _____ systems?

Do _____ know _____ and specific rebate sums _____ efficient heating _____ systems?

What qualifications are _____ energy- _____ heating, ventilating, and _____ systems, _____ what amount of _____

I _____ to be aware _____ the eligibility requirements _____ energy-saving _____.

Tell us _____ about _____ incentives _____ using _____ solutions.

What _____ of rebates apply _____ or cooling _____?

Is there any _____ the _____ amount _____ the energy-efficient _____?

_____ tell us _____ incentives offered for eco-friendly _____ and cooling _____?

Eligibility _____ for _____ a rebates _____ equipment?

_____ can _____ heating or cooling _____ a rebate?

_____ eligibility criteria _____ efficient heating/cooling equipment?

_____ me about _____ rebate _____ for efficient cooling _____.

_____ are the rebate _____ specifically assigned _____ energy _____ any _____ need to be met?

_____ are the _____ for heating _____ cooling _____?

Can _____ me about the _____ efficient heating/cooling gear?

_____ give me _____ on the _____ amounts that _____ to energy-efficient HVAC _____?

_____ specific rebates _____ heating _____ cooling devices

_____ give _____ eligibility criteria _____ heating and cooling systems?

_____ you _____ about _____ criteria for _____ cooling systems?

_____ us _____ specific amount and eligibility _____ for energy efficient _____ systems?

Is _____ to give me _____ rebate qualifications _____ corresponding _____ for _____?

Tell me how the _____ are _____ eligibility _____ efficient _____.

_____ me about the _____ for cooling _____ heating _____.

I _____ to know more _____ the _____ eco-friendly _____ and cooling _____.

_____ the eligibility requirements for _____ a _____ heating/cooling equipment?

What are _____ for energy _____ system _____?

What are _____ for _____ heating/cooling _____?

_____ me what _____ rebates are for _____ equipment?

Can _____ tell _____ what the rebate _____ for _____ cooling equipment _____?

Is it _____ to give exact _____ available _____ acquiring _____ cooling _____ heating _____?

Can _____ tell _____ about _____ for _____ heating/cooling?

_____ you _____ amount _____ eligibility _____ for the energy efficient _____ cooling _____?

Tell _____ requirements for the _____ heating/cooling systems _____ can earn the _____.

Can _____ give us details _____ rebates _____ heating/cooling?

_____ are available for _____ cooling _____?

What _____ of rebates apply to _____ heating _____?

Clarify _____ for _____ heating/cooling gear.

_____ are eligibility criteria _____ for _____ efficient heating/cooling _____?

Let me know _____ tied _____ efficient heating/cooling devices

_____ it _____ to _____ qualifications _____ energy efficient heating _____ cooling systems?

Is _____ possible to give _____ the rebates _____ and _____ systems?

I'd like _____ eligibility _____ for the energy-saving _____ equipment _____.

Can you _____ the _____ for energy-efficient cooling and _____?

What about _____ for _____?

_____ about rebate details _____ energy-saving _____ coolers.

_____ specific rebate for _____ equipment?

_____ tell _____ much _____ can get _____ a _____ installing energy- _____ heating or cooling _____.

_____ amounts are applicable to _____?

Do _____ know if _____ eligible _____ and specific _____ HVAC systems?

I want to _____ about the _____ energy-saving _____ equipment rebates.

What _____ criteria _____ energy- efficient _____ systems _____ equipment?

What _____ obtaining _____ rebate on _____ efficient equipment?

_____ know how much _____ get as a _____ for _____ efficient _____ or cooling appliances.

_____ it possible _____ give _____ details _____ rebates for energy _____ systems?

Which incentives _____ heating _____ devices?

Can _____ tell _____ the rebates for energy _____ systems?

The specific _____ and _____ criteria for energy-efficient _____ or cooling _____.

_____ much can _____ get _____ for _____ energy-efficient _____ or cooling appliances?

_____ are _____ energy-saving heating/cooling systems?

_____ are _____ assigned _____ energy efficient _____ units, along with _____ conditions that _____ to be _____?

_____ conditions _____ be met in _____ to _____ rebates _____ an _____ and cooling _____?

Share _____ payments _____ the use of cost-effective heating/cooling _____

Can _____ about the _____ for energy _____ heating systems?

What is the criteria _____ for energy _____ systems?

_____ you tell _____ how much _____ rebate _____ are _____ heating _____ equipment?

_____ how _____ money _____ be obtained as a _____ purchase of an energy _____ conditioning _____ heating system

_____ needed _____ using energy-efficient _____ and air conditioning _____ and how _____ a rebate do _____

_____ anything you can _____ me _____ the rebates _____ energy-efficient cooling/ _____?

_____ any information on eligible conditions _____ specific _____ for _____ systems?

I _____ more about _____ requirements for the _____ saving heating/cooling _____.

Can you tell _____ amount _____ is available _____ installing eco-friendly heating _____ equipment?

_____ clarify incentive _____ for eco-friendly heating _____ machines?

_____ me _____ eligibility _____ for the heating/cooling _____ a rebate.

_____ is the amount _____ rebate _____ efficient _____ systems?

_____ are the exact rebates for energy _____ along with any _____ need _____?

_____ more information _____ incentives _____ using _____ heating/cooling solutions?

You might be _____ the _____ assistance _____ efficient _____ gear.

Can _____ me _____ rebates _____ energy-saving heating/cooling systems?

Eligibility _____ for _____ rebate _____ equipment?

_____ need to _____ the eligibility _____ are for _____ equipment.

_____ eligibility criteria for _____ energy _____ heating _____ systems?

_____ any specifics on the _____ for _____ heating/cooling _____?

Is _____ any _____ about rebates _____ cooling _____ heating systems?

_____ information _____ the _____ for energy efficient cooling systems?

_____ are _____ eligibility of energy-saving heating _____ systems?

_____ rules for energy-savin' ACs are not _____.

Is it possible _____ you _____ give _____ information on the _____ energy efficient units?

Which eligibility _____ are _____ energy efficient _____?

_____ me _____ about _____ rebate amounts _____ are only available _____ installing eco-friendly _____ cooling equipment?

I _____ know _____ the deal _____ with the rebate _____ and eligibility criteria _____.

I'd like _____ know more _____ the rebates _____ heating/cooling equipment.

_____ that are tied to _____ criteria for efficient heating/cooling _____.

_____ possible to specify _____ rebates _____ energy efficient cooling _____?

I _____ to know _____ the _____ requirements _____ energy-saving _____ equipment.

What about _____ energy-saving _____?

_____ are _____ for energy-efficient heating _____?

_____ is the amount _____ criteria _____ the _____ on _____ systems?

_____ the rebate amounts _____ rules _____ energy-savin' ACs?

Is it possible _____ rebates _____ cooling and heating systems?

_____ possible to _____ cost _____ for efficient _____ gear

Is it possible to _____ details _____ specific _____ applicable _____ efficient _____?

Give _____ cost-effective heating/cooling _____ specify eligibility rules.

Which _____ criteria _____ energy-efficient _____ system rebate?

_____ you _____ details _____ eligible _____ for the heating/cooling _____?

_____ and _____ for rebates _____ energy-efficient heating/cooling _____ are _____.

_____ the rebates for energy efficient systems?

Is _____ figures on _____ available for the _____ of eco-friendly units?

_____ it _____ provide details _____ the _____ for _____ cooling systems?

_____ money can _____ get and what are _____ rules _____ eco-friendly ACs.

What are _____ of _____ eco-friendly _____ options that are _____ as a _____?

_____ don't _____ what the deal is with _____ eligibility criteria for _____ and _____.

_____ like _____ know _____ requirements _____ for _____ or air conditioning options that _____ amounts _____ for.

Can you _____ about the _____ of _____ for installing _____ heating or _____?

I _____ know _____ amount of the _____ heating/cooling _____ rebate.

_____ it possible _____ rebates _____ efficient heating/cooling equipment?

What discounts _____ to _____ or _____?

_____ to get a rebate on energy-efficient _____ equipment?

_____ energy _____ heating/cooling systems, _____ are _____ eligibility _____?

Please _____ amount _____ for energy _____ heating or cooling systems.

_____ the eligibility _____ of the equipment _____ systems that _____ earn the _____.

_____ you _____ is _____ incentives _____ the eco-friendly heating/cooling machines?

Eligibility criteria for _____ rebate on energy _____ cooling _____?

Do _____ have _____ information _____ and _____ for efficient _____ and cooling systems?

_____ to give me information on _____ for energy-efficient HVAC units?

I'd _____ to know the _____ for _____ energy-saving _____ equipment.

_____ on the specific rebate amounts _____ apply _____ heating/cooling systems?

_____ it possible _____ you _____ me about the rebate qualifications _____ for _____ efficient _____ units.

_____ about _____ rebate _____ for _____ heating _____ cooling gear.

What _____ details of the rebate _____ for energy efficient AC/heating _____ with _____ to _____ met?

_____ are _____ criteria for _____ of _____ heating _____ cooling _____?

_____ are their _____ for eco-friendly heating or air conditioning _____ much _____ they _____ rebates?

_____ is _____ for eco-friendly _____ and their _____ values?

_____ like to _____ the requirements _____ for the eco-friendly heating _____ options that are _____ a _____.

Is it _____ to give me _____ and corresponding amounts for _____ units?

What _____ the financial _____ energy-saving _____?

_____ is the criteria _____ eligibility of _____ heating _____ cooling _____ with _____ rebates?

_____ amounts _____ criteria for _____ efficient heating and cooling _____.

What are _____ criteria for _____ cooling systems?

_____ any information on _____ conditions _____ specific rebate sums _____ to _____?

_____ would _____ to know more _____ eligibility _____ the _____ energy-saving heating/cooling equipment.

_____ can I get as _____ for _____ energy efficient _____ and _____?

_____ a _____ and eligibility criteria for _____ efficient _____ cooling system?

Tell me _____ the _____ amounts for _____ and _____.

_____ tell me _____ specific amounts _____ to energy _____ heating/cooling _____?

Is it _____ on the specific rebate _____ applicable _____ energy- efficient _____?

What are _____ qualifications for _____ energy efficient _____?

What are _____ apply to energy _____ and _____ devices?

_____ to _____ what the deal is _____ rebate amounts and eligibility criteria _____ heating _____.

I want _____ know _____ the incentives _____ for using _____.

_____ can we _____ cost assistance for _____?

What are _____ eligibility requirements to _____ a _____ efficient _____?

_____ figures on the rebates _____ acquiring eco-friendly cooling units?

Can _____ about cost assistance _____ efficient heating/cooling _____?

The amounts and criteria for the _____ on _____.

_____ want to _____ eligibility criteria _____ rebate _____ for efficient _____.

_____ tell _____ much _____ get _____ rebate for installing energy efficient heating _____ cooling _____.

Is it possible to give me _____ rebates for _____?

_____ are _____ criteria for energy-saving HVAC units and _____ much _____?

_____ more about the eligibility requirements for _____ heating/ cooling _____ rebates.

_____ mark, _____ deal _____ rebate _____ and eligibility criteria _____ efficient heating _____ cooling appliances?

_____ possible _____ details _____ rebate _____ and allocated _____ for efficient HVAC _____?

_____ possible _____ specify the _____ and _____ heating and cooling systems?

What is _____ on energy efficient _____ systems?

What conditions _____ in _____ to get _____ rebate for _____ and cooling _____?

Is _____ explain the eligibility _____ and _____ efficient HVAC equipment?

_____ want to know _____ give me _____ rebate _____ and _____ amounts applicable to energy efficient _____.

_____ there any _____ rebates for _____ systems?

I would like to _____ about the _____ for _____ energy-saving heating/cooling _____.

Is _____ possible for you to _____ me information _____ the _____ corresponding _____ energy-efficient HVAC _____?

I _____ like _____ the _____ offered _____ eco-friendly heating or air _____ their requirements.

The amounts and _____ energy _____ systems are _____ known.

Tell _____ the _____ requirements for _____ heating/cooling systems _____ rebate.

What _____ is _____ eligibility _____ energy saving _____ and cooling _____?

_____ the rules when it comes _____ eco-friendly ACs, _____ get?

What is the criteria _____ for _____ heating _____?

_____ their associated _____ what is _____ criteria for eligibility _____ energy-saving heating _____?

_____ it possible _____ give me information _____ and _____ to energy-efficient HVAC _____?

_____ tell _____ eligibility criteria for _____ heating and _____ equipment?

Tell _____ about the _____ requirements _____ equipment can _____ rebates.

_____ criteria and _____ are _____ efficient heating systems?

What about the _____ equipment?

What _____ the _____ for _____ efficient heating/cooling _____?

_____ would like to _____ the eligibility _____ the _____ heating and _____ rebates.

Can you _____ rebates are _____ heating and _____ equipment?

_____ the incentives _____ or cooling devices?

What are _____ assigned for energy _____ heating units, along with any _____ need _____ be _____?

_____ you provide more _____ incentives for _____ eco-friendly heating/cooling _____?

_____ you provide the specific amount _____ for _____ cooling systems?

_____ you tell _____ eligible criteria is for _____?

_____ to _____ what's the _____ with rebate amounts and _____ for efficient _____?

What are the amounts _____ energy-efficient _____ systems?

I would like ____ know ____ can ____ me ____ on ____ qualifications and ____ amounts for energy ____ ____ .
 ____ rebate applies to ____ or cooling ____ their terms?
 I want to ____ eligibility requirements ____ the rebates ____ are ____ equipment.
 Is it ____ to ____ precise figures on ____ rebates ____ for ____ purchase ____ units?
 ____ energy-saving heating/cooling systems, ____ rebates ____ ?
 What's the ____ rebate ____ eligibility criteria ____ efficient HVAC ____ ?
 What ____ the ____ the ____ on ____ heating/cooling systems?
 What ____ energy-efficient heating/cooling systems and equipment?
 ____ possible to provide ____ on the ____ energy- ____ cooling ____ systems?
 You should ____ assistance options ____ gear.
 Can you ____ about the competitive ____ for ____ solutions?
 Tell me the eligibility requirements ____ heating/cooling systems that ____ .
 ____ the deal ____ rebate amounts ____ for efficient ____ and ____ appliances?
 ____ are ____ eligibility criteria ____ specific ____ heating/cooling ____ ?
 I ____ know ____ I ____ a refund ____ qualifications for efficient ____ .
 Are ____ any ____ on the ____ energy ____ cooling and ____ ?
 Can ____ give ____ the ____ efficient heating and cooling ____ ?
 ____ apply ____ energy ____ heating or ____ devices?
 Is ____ any information ____ specific rebate ____ applicable to energy- ____ ?
 Is it ____ me information on the qualifications and ____ and cooling ____ .
 I want to ____ about the ____ energy-friendly ____ cooling ____ .
 ____ there ____ rebates ____ energy efficient ____ and heating systems?
 What are ____ requirements ____ or air ____ and how ____ offered as a ____ ?
 ____ you ____ conditions ____ specific ____ sums for efficient ____ systems?
 I ____ know ____ eligibility requirements ____ the ____ equipment rebate.
 Is ____ provide precise figures on ____ available for ____ units?
 ____ you tell ____ for heating/cooling systems?
 What are the ____ energy efficient AC/heating ____ conditions that need ____ be met?
 I ____ like ____ know what ____ for ____ eco-friendly ____ or air conditioning ____ that ____ amounts are ____ .
 ____ is the criteria for ____ heating or ____ ?
 Can ____ incentive ____ for eco-friendly heating/cooling machines.
 ____ like ____ know ____ the incentives ____ energy-saving heating/cooling equipment.
 ____ want ____ know ____ specific ____ applicable ____ efficient heating/cooling systems.
 I would ____ learn ____ the ____ for the energy-saving ____ equipment ____ .
 Is it ____ provide ____ on ____ qualifications ____ amounts ____ to energy-efficient ____ units.
 ____ the ____ eligibility ____ energy- saving ____ or cooling systems?
 Is it ____ to ____ me ____ qualifications ____ corresponding amounts ____ energy-efficient heating, ventilating, ____ conditioning ____
 ____ explain ____ much I ____ get as ____ for installing energy ____ cooling ____ .
 ____ possible to give ____ on the rebates for ____ heating ____ ?
 ____ explain ____ I can get ____ rebates ____ installing ____ efficient heating ____ cooling ____ .
 ____ specifically ____ heating or ____ devices?
 Can ____ about ____ funds for efficient heating ____ cooling equipment?
 ____ there ____ info on ____ heating and cooling ____ ?
 ____ you provide more ____ competitive incentives ____ heating/cooling solutions?
 ____ amounts ____ criteria for ____ heating and ____ can be provided.
 ____ more ____ on ____ competitive incentives ____ eco-friendly heating and ____ solutions?
 Inform me ____ amounts ____ and cooling gear.
 There are rebate ____ and eligibility rules ____ .
 Inform me ____ amounts for ____ gear.
 Is ____ possible ____ me ____ rebate qualifications and ____ amounts ____ energy efficient ____ ?

_____ the _____ eligibility _____ the _____ efficient heating and cooling _____?

Can _____ description of _____ eligibility criteria for _____ and cooling _____?

_____ possible to give specifics _____ the _____ for efficient _____?

What are _____ figures _____ AC/heating _____ along with _____ need to be _____?

_____ like _____ know the eligibility requirements _____ heating/cooling equipment _____.

Which _____ included in _____ energy efficient heating _____?

_____ the eligibility criteria for _____?

What is the _____ criteria _____ energy-saving _____ system?

Is _____ details _____ rebates for energy efficient _____ systems?

_____ it possible _____ specify the qualifications _____ for _____ systems?

_____ incentives for _____ heating _____ equipment?

What are _____ exact _____ figures assigned _____ energy efficient _____ units _____ need to be _____?

_____ are _____ eligibility criteria _____ energy-efficient _____?

The _____ and _____ energy-savin' ACs are _____ clear _____ me.

I want _____ the deal with rebate _____ and eligibility _____ and _____ appliances!

Is _____ possible _____ who is _____ eco-friendly heating/cooling machines?

_____ me the amount of the _____ installing eco-friendly _____ or _____?

_____ you give _____ allocated _____ for efficient heating and _____?

_____ rebates for _____ energy-saving gear?

_____ there a _____ and _____ Energy- Efficient HVAC _____?

What are the precise rebate _____ assigned _____ efficient _____ units _____ any conditions _____ met?

_____ want to know about _____ for energy _____.

_____ clarify the incentives for the eco-friendly _____?

Can you _____ the _____ amount and _____ energy-efficient heating _____ cooling _____?
