

[Demo] NLP Dataset for Customer Service Automation

Company Type	Cable and Satellite TV Providers
Inquiry Category	Installation and set-up assistance
Inquiry Sub-Category	Remote control programming
Description	Customers may need help programming their remote control to work with their TV, cable box, or other devices.
Data Size	5,118 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Cable and Satellite TV Provider" customer inquiry. (Purchased data will not be masked.)

___ you ___ instructions ___ need be ___ during programming process?

___ you know ___ need to ___ entered ___ programming process?

___ complete ___ which codes must be inserted?

Do ___ know ___ programming ___?

Do ___ know how to use ___ during ___?

What ___ are ___ be ___ programming?

___ coding ___ during ___ programming stage?

___ any instructions for ___ codes?

___ codes ___ enter ___ my programming?

___ you have any ___ for ___ programming stages?

Do ___ know ___ codes need to be ___ the ___?

Is ___ for entering codes while programming?

Do you know ___ to enter ___?

Is it possible ___ codes ___ programming procedures?

Do you ___ what ___ be ___ program development?

___ which codes need to be ___ the ___ stage?

Can ___ us ___ on ___ codes ___ required?

Can ___ give ___ details about ___ required ___?

Can you ___ me ___?

Do you ___ instructions as ___ codes ___ be inputted?

During ___ which codes should ___?

I ___ help ___ the ___ for ___

Do ___ instructions to ___?

___ there are instructions for code ___ programming

___ have ___ to say ___ programming codes?

What ___ need ___ be ___ while ___?

___ you ___ to ___ about programming input ___?

___ pointers on ___ needed ___ programming.

What ___ used for code ___ a ___?

___ know the guidelines you give for ___.

Do you have _____ instructions on _____ input _____?

Do you _____ the _____ that _____ to use _____ process?

Possible _____ input codes?

Is _____ guidance _____ required codes _____ the _____ procedures?

_____ you _____ requirements for _____?

_____ list _____ code _____ during programming?

Did you have a _____ pushin' _____ codes _____?

Is _____ instruction _____ are _____ for the program?

What _____ guidelines _____ for _____ programming _____?

What is _____ programming codes.

How can I _____ the necessary _____ for _____ the _____?

Can you _____ instructions on _____ to _____ specific _____?

_____ your help with _____ necessary codes _____.

_____ tell _____ which _____ codes must be _____?

_____ know _____ you _____ give _____ any help with the _____ for programming.

What _____ you have _____ in _____ while programming?

What _____ I _____ during programming?

I _____ to _____ if _____ have _____ codes while programming.

Which _____ be _____ during program _____?

What codes should _____ program _____?

_____ there any _____ guidance _____ the programming stage?

Is _____ guide for pushin' _____ programming?

Can _____ guidelines _____ the _____ programming?

_____ there any _____ on _____ codes _____ the program?

Can you _____ some _____ codes?

I _____ there _____ any instructions _____ code entry _____.

_____ instructions _____ to use to _____ the program?

_____ there a _____ of code _____?

Can you _____ give us any _____ on _____ for _____ process?

What _____ the guidelines _____ into the _____ procedure?

Do _____ codes used in _____?

Is there an instruction _____ enter _____ in a _____?

_____ me what codes _____ while programming?

_____ need _____ on _____ are needed for _____.

_____ there any _____ on _____ codes _____ input _____ programming process?

_____ you know _____ which _____ should be inputted?

_____ inform me _____ coding steps?

_____ you know a _____ programming _____?

_____ any instructions _____ which _____ you need _____ input?

Is _____ an _____ to enter codes during _____?

_____ want _____ what codes _____ punch _____ while programming.

_____ you _____ entering _____ in programming?

How _____ codes _____ program?

_____ you have any _____ for _____ programming?

How _____ codes _____ programming?

_____ me _____ the codes needed _____.

_____ any specific _____ for _____ codes?

Can _____ tell me _____ be inputted _____ programming process?

Which _____ to be _____ during _____ programming _____?

Is there _____ about _____ use in _____ complete _____ program?

Information on codes ____ for ____ .
____ for pushing ____ codes ____ programming?
Are ____ any codes ____ need ____ be ____ ?
I need ____ to use ____ programming.
____ instructions on how to enter ____ ?
____ it say ____ to ____ entered during program ____ ?
What should I ____ codes?
____ you give specific guidelines ____ ?
Could ____ let ____ know how ____ necessary ____ ?
Which codes ____ during ____ programming?
____ it possible ____ give guidance on ____ required ____ during ____ ?
Do you ____ are ____ during the program?
____ you give ____ coding ____ for ____ ?
____ you have ____ for programmers ____ codes to ____ ?
I ____ help ____ codes to use ____ programming.
____ you have ____ of the ____ required ____ programming?
Does it specify what codes must ____ ?
____ there guidelines ____ the ____ ?
How to ____ on ____ use in the ____ ?
____ requirement ____ specific ____ for programming?
What codes ____ to ____ in ____ ?
Can you ____ us ____ the ____ be entered?
Tell ____ guide ____ programming ____ .
____ you ____ must be inserted into the ____ ?
____ can ____ enter while ____ ?
Is ____ any kind of guidance ____ required ____ ?
There ____ instructions on ____ codes ____ during the programming ____ .
____ would like ____ know ____ are instructions for ____ in ____ .
Can ____ any guidelines ____ entering codes in ____ ?
Can ____ tell ____ codes while coding?
Information about ____ for ____ are ____ .
Is it ____ some ____ on ____ the ____ codes during ____ procedures?
Is ____ for ____ to ____ during program development?
____ you ____ program ____ are needed?
____ enter the right ____ programming?
Is ____ stated ____ enter codes during ____ ?
____ to use while programming?
Tell me ____ entries ____ for ____ .
Do ____ where to ____ instructions for which codes ____ use ____ ?
____ codes required ____ programming?
____ instructions ____ input codes?
____ there ____ guidelines for ____ codes ____ programming?
____ you ____ give instructions about ____ codes?
Is ____ instruction on ____ to enter codes ____ programming ____ ?
____ instructions ____ you have ____ to input during the ____ ?
____ would ____ what guidelines you give for ____ while ____ .
____ you ____ any instructions ____ how to ____ certain codes ____ ?
____ know ____ codes required ____ programming process?
Can ____ let me ____ the ____ ?
Do ____ have ____ list of required ____ ?

Maybe _____ share the _____ directions?

Can you _____ any _____ with the necessary _____ programming?

_____ know _____ entering the right codes _____ programming.

Is it clear _____ codes _____ entered _____ development?

_____ you _____ me _____ for _____ codes while _____?

_____ there _____ codes to use during a programming _____?

Is there any instruction _____?

What _____ are used _____ in _____ programming procedure?

Do you _____ the codes that _____ program?

Do _____ codes _____ need _____ enter?

Do I _____ coding?

Which codes _____ entered _____ the _____ development?

_____ for _____ codes could _____ me?

I _____ entering _____ right _____ for programming

_____ you have _____ codes _____ need to enter _____ programming?

_____ you _____ codes are needed for the _____?

_____ you _____ a _____ codes for _____?

_____ a _____ for _____ through codes _____ programming.

_____ you _____ which codes should be _____?

_____ any _____ which _____ to use when programming?

_____ any instructions on how _____ during the programming _____?

_____ to know which _____ to _____ programming.

Instructions about programming _____ could _____?

_____ to know how to _____ the required _____ programming _____.

Exactly _____ are _____ programming?

Do _____ know what codes _____ be _____ during _____?

Do _____ have any instructions _____ which _____ input during _____?

_____ can _____ about _____ input codes?

What _____ can you _____ codes?

_____ codes to _____ while _____?

_____ any guidelines _____ which codes _____ for programming?

Is _____ to _____ instructions _____ which codes _____ during the _____ process?

_____ code _____ be _____ while programming?

Information on _____ needed _____ programming should _____.

Is there _____ should _____ entered during the _____ process?

_____ there an instruction _____ codes are _____ during _____?

Is there _____ for _____ entry _____ procedure?

_____ you give _____ how to _____ certain _____?

How _____ I _____ programming?

_____ an instruction on which _____ be entered _____ process?

_____ you give _____ guidelines _____ entering codes _____?

Is _____ specific instructions for _____ codes _____?

_____ be _____ to programming?

_____ you _____ instructions on _____ codes while programming?

_____ are the codes to _____?

_____ to _____ codes during _____?

_____ there a _____ through codes during _____?

During _____ should _____ enter?

Are there _____ which _____ to _____?

Instructions for _____ codes could _____.

Is _____ anything you _____ tell me about _____?

Do you know _____ enter the _____ into _____?

Is _____ possible _____ me _____ necessary coding steps?

Is _____ guide for them _____ push _____ during _____?

Information _____ entries _____ programming.

Inform _____ of code _____ needed _____.

_____ there instructions on which _____ to _____?

_____ you able _____ provide _____ of _____ codes _____ programming?

Can you _____ codes _____ need to setup?

_____ you _____ instructions _____ enter certain codes?

Is _____ guide for pushing through _____ during _____?

When _____ can you _____ requirements _____?

Is _____ possible to _____ guidance on the _____ programming _____ process?

Do _____ directions _____ which _____ to _____?

Would you be _____ to _____ instructions _____ input _____?

What are _____ that can be entered when _____ stage?

_____ coding _____ be _____ for _____ phase?

I want _____ if there _____ instructions _____ entry.

_____ any guidelines for programming _____?

I need _____ know _____ I need _____.

_____ I use _____ programming?

I need pointers _____ are _____ for programming

_____ instructions on _____ to use _____ the program?

_____ programming _____ me requirements for _____?

_____ there _____ shared in _____ programming _____?

Does anyone know _____ are needed in _____?

_____ there a guide _____ pushin' _____ codes _____?

What _____ be _____ during _____ development?

How to punch _____?

When _____ on _____ program's development _____ there _____ codes that _____ entered?

_____ do we _____ programming?

Is there _____ instruction on which _____ to use _____?

_____ entries that are needed _____ programming.

Required _____ entries _____ for programming.

Do _____ have any _____ how to _____?

_____ to use _____ programming?

There _____ codes that need _____ a programming _____.

Information _____ required _____ needed _____ programming.

How do I _____ which codes _____?

_____ should _____ enter when _____?

Which codes _____ used _____ programming?

_____ when to enter certain codes?

_____ give me directions _____ which _____ to _____?

Do you have _____ to input _____ codes?

Would you _____ sharing _____ code _____?

_____ there _____ guidance _____ coding during _____ stage?

_____ you have any _____ need to enter?

Can you _____ help with the necessary _____ during _____ process?

Is _____ any _____ for which codes to _____ programming _____?

_____ any preset codes to _____ on a _____?

Do ____ exist ____ the ____ in ____?

What ____ codes I ____ while ____?

Do you have ____ list ____ that ____ must ____ programming?

____ like to ____ the exact ____ entering ____ in your ____.

____ should I ____ in during ____?

____ anything you can ____ input codes?

Please tell ____ the ____ entries ____ for ____.

____ how to enter ____ required codes?

Can ____ any ____ necessary codes for programming?

____ there anything ____ could ____ me about the ____ codes ____?

Do ____ know ____ are needed in the ____?

Is there ____ which ____ use in ____ programming?

____ are needed ____ programming?

Has ____ guidelines ____ the programming ____?

____ for entering ____ while programming?

____ guidelines exist ____ entry in ____ procedure?

How can ____ plugging ____ the coding numbers?

Can anyone ____ codes ____ punch ____?

Is there ____ about which codes ____ enter ____?

____ there ____ necessary codes for programming?

____ specific codes that ____ needed for ____?

Which ____ to use ____?

____ know what codes need to ____ the ____ stages?

____ any guide ____ to push through ____ during ____?

____ should ____ instructions on ____ input ____ during ____ program.

____ found ____ which codes ____ enter?

____ you provide ____ which ____ should be ____?

____ please tell me the ____ codes ____ programming ____ the ____.

____ specific ____ required for ____?

How ____ know what ____ to punch ____ programming?

____ there ____ instruction regarding which codes ____ programming process?

How ____ out which ____ in a program?

____ which codes to put ____ the program?

____ codes ____ enter ____ programming?

Were ____ able to ____ on entering ____ codes?

____ do ____ find ____ codes to ____ during programming?

____ they ____ to ____ a guide for pushing through ____?

Can you ____ with the codes for ____?

____ directions to enter ____ a ____.

I was ____ if you ____ guidance ____ codes for ____.

____ want to know ____ you ____ entering codes while ____.

____ there ____ on which ____ enter ____ the programming process?

What codes ____ suggest ____ in ____ programming?

____ code must ____ in ____ development?

____ you able to ____ any ____ with the ____ codes ____?

____ need to ____ for ____ during programming stage?

What ____ the procedure ____ a program?

Is there ____ how to ____ in a programming ____?

____ there anything ____ tell me ____ codes for programming?

____ would ____ to know ____ you give for entering ____ during ____.

Can _____ us _____ information about _____ the _____?

Is there _____ that _____ the needed _____ seamless _____ installation?

I am wondering _____ you _____ for _____ programming.

Do you _____ guide _____ codes?

_____ like _____ know how to _____ right _____ for _____.

_____ an instruction regarding which _____ to _____ during _____?

_____ you _____ to do _____ enter programming _____?

What _____ a _____ through codes during _____?

_____ needed for programming

Are _____ familiar with a _____ in programming?

I would _____ what the _____ for _____ codes while _____.

Do you _____ enter the _____ codes _____ programming?

There are codes _____ be _____ when _____.

_____ there an instruction _____ are required _____ program?

Which _____ must _____ used in order _____ program?

Information _____ code _____ for programming.

_____ you give _____ for _____?

Do _____ have _____ about the codes that _____?

Is it possible to _____ me _____ when _____?

I _____ help entering _____ programming.

What is _____ entering _____ codes?

_____ codes are _____ programming?

Do you _____ instructions _____ programming?

_____ instructions _____ codes should be _____ into _____ program?

_____ me _____ to enter programming _____?

_____ for me to get _____ for coding _____ programming _____?

I need _____ in _____ for _____.

Is _____ preset _____ to _____ on a program?

_____ me _____ about the codes _____ to use?

Do _____ know the _____ that need _____ entered _____ the _____?

_____ codes that _____ to _____ during programming stages?

Do _____ mean _____ codes _____ entered during program _____?

Is there sharing _____ guidelines _____ programming _____?

Share _____ for programming _____.

I wanted to _____ exact guidelines _____ while _____.

Is _____ for _____ during programming _____?

I _____ wondering _____ could give _____ any _____ the necessary codes _____.

Someone _____ know _____ to _____ the _____ codes _____ programming.

What _____ input while _____?

Do _____ which codes you _____ to enter _____ programming _____?

Do _____ have _____ instructions about how _____ the _____?

Do _____ any information _____ codes for programming?

Is _____ for _____ in the programming stage?

_____ instructions on _____ codes _____ input?

Information on _____ entries _____ programming is _____.

Is there _____ regarding _____ to be entered?

Do you have _____ programming _____?

_____ be entered _____ the program _____?

Do you _____ when _____ are needed _____ the _____.

_____ there _____ instructions _____ programming input codes you _____?

Do you ____ if ____ are ____ the program ____?
____ an instruction regarding what ____ to be ____?
Can you ____ codes need ____ be ____ during ____ process?
____ telling me a guide ____?
____ guidance do ____ need for ____ during ____?
Is there any ____ entering codes ____ programming procedures?
Do you have any ____ to ____ certain ____?
When ____ on ____ development stage do you ____ codes ____ enter?
Do ____ know if codes are ____ during ____?
Is ____ instructions ____ which codes ____?
____ are ____ for ____ in the program?
____ you ____ on ____ enter codes?
____ for you to ____ me ____ requirements ____ programming?
Are ____ specific codes ____?
____ about the guidelines regarding ____ entry?
Is there a ____ codes during the ____?
____ you have ____ which codes ____ enter during ____?
Can ____ tell ____ some ____?
What ____ when programming?
____ me ____ codes have to be ____?
I ____ guide for ____ through ____ programming
Are there ____ codes you ____ when programming?
____ you know ____ codes are used ____ programming ____?
____ have any ____ which ____ to enter?
____ guide ____ required coding steps for ____ installation?
____ you ____ instructions on ____ to ____ certain codes?
What types ____ codes must ____ program ____?
Do you ____ codes that ____ needed ____ program?
Do you ____ the codes that ____ be inputted ____?
Can ____ give us guidelines ____ codes ____?
____ should be ____ programming?
____ a list of codes ____ need ____?
____ any ____ on ____ the required codes ____ programming?
Do ____ know ____ code ____ used ____ the program process?
Is ____ any ____ on ____ input ____?
____ like to know ____ to enter ____ right codes ____.
____ me ____ instructions on ____ codes should be ____?
Can ____ tell ____ about ____ the ____?
There ____ be ____ for ____ in programming.
Could ____ programming input codes?
Inform about ____ that ____ needed ____.
Is ____ on ____ codes to use ____ the ____?
Is ____ a ____ that are ____ for programming?
I ____ know ____ exact ____ give ____ entering codes ____ programming.
Do ____ any directives explaining ____ codes ____?
What ____ I ____ to ____ programming?
____ entries ____ for programming ____.
____ any instructions on how to ____?
____ any ____ about ____ codes need to be ____?
Are ____ codes that need ____ be ____ when ____?

_____ there instructions _____ be used in _____ programming?
 During _____ process, do there any _____ to input?
 What guidelines _____ used to enter _____ programming _____?
 I would _____ if _____ could _____ me _____ exact _____ for _____ codes while _____.
 _____ on _____ development stage, is there _____ code to _____?
 _____ you have any instructions _____ how _____ codes in _____ stages?
 _____ is _____ procedure for entry _____ in _____?
 Do _____ for which codes _____ in _____ to _____ the _____?
 What _____ do _____ punch in while _____?
 Do you _____ instructions for _____ codes _____ during _____?
 _____ want _____ what _____ guidelines are for _____ while programming.
 _____ to get _____ plugging in coding numbers?
 How _____ guide on programming _____?
 Can you _____ are _____ to enter _____ working _____ a program?
 _____ want _____ I need to programming.
 _____ while programming
 Information _____ entries _____ for programming
 _____ are the codes _____ input _____?
 _____ it _____ to get _____ through codes during programming?
 Do _____ know _____ to enter _____ the _____ process?
 What _____ apply _____ the program?
 I _____ what _____ I should enter _____.
 Instructions _____ how _____ codes while _____
 _____ it say which codes _____?
 _____ you have _____ how _____ input certain _____ during _____?
 Is _____ possible to tell _____ how to _____ the _____ procedures?
 Is _____ code entry _____ programming?
 _____ instructions for programming _____ codes?
 Do _____ know _____ need to be entered _____?
 _____ you give me _____ entering _____ required _____?
 _____ you _____ how to enter the _____ in _____?
 _____ tell _____ entries needed for _____.
 _____ me coding requirements _____ am programming?
 Which _____ use during the program?
 _____ are _____ codes _____ use while _____?
 Do _____ know which _____ need _____ be _____ the _____?
 _____ there _____ which codes need to _____ entered?
 _____ procedure _____ code entry in a _____ procedure?
 _____ there an _____ which codes should be _____ in _____?
 Do _____ offer instructions _____ which _____ should _____?
 Is there _____ on which codes _____ be entered _____?
 Do _____ know _____ to _____ which _____ are needed in _____ process?
 _____ me the coding requirements _____?
 _____ on _____ codes in programming?
 _____ you _____ of _____ you _____ to enter when programming?
 Suggestions _____ I need to _____ programming?
 _____ know _____ input while programming?
 _____ there any _____ which _____ to use _____ programming?
 Do you _____ a _____ of _____ needed _____ for _____?
 _____ know _____ the program codes _____?

What ____ the ways ____ programming ____?
 You ____ give instructions regarding _____.
 ____ codes need to ____ programming?
 Do you ____ should ____ the programming process?
 ____ have any ____ on ____ necessary ____ for programming?
 ____ programming, ____ should ____ inputted?
 I ____ codes are needed for ____.
 ____ me ____ about programming input ____?
 ____ any ____ on ____ codes to ____?
 Does anyone ____ for ____ through ____ during programming?
 Are ____ any ____ need ____ during programming?
 Do ____ any instructions ____ codes must be ____?
 What's ____ on ____ codes?
 What codes do ____ need ____?
 ____ on which codes to input ____ programming.
 What codes ____ I need ____ my ____?
 Do ____ have any ____ on ____ codes ____ during ____ programming ____?
 ____ codes ____ entered during programming ____?
 ____ you please give me ____ guidance ____ the ____ programming?
 ____ have any ____ on ____ to enter codes ____?
 Did ____ provide ____ programming ____ codes?
 What are ____ program?
 I want ____ need to ____ during programming.
 ____ there instructions for which ____ complete the ____?
 Which codes ____ programming?
 Can ____ guidelines for code ____?
 ____ instructions ____ which codes ____ be entered?
 ____ enter ____ the programming procedure?
 ____ are ____ guidelines for ____ programming ____?
 Code entry ____ the ____ what ____ guidelines?
 What ____ enter ____ programming?
 Can you give ____ specific ____?
 Are there ____ on ____?
 ____ must be entered ____ program development ____?
 Do you ____ instructions on ____ codes to ____?
 They need ____ guide ____ through ____ in ____.
 I ____ to know the exact ____ you ____ for ____
 ____ you ____ codes ____ for programming?
 ____ like to ____ instructions for entering codes ____ programming.
 Do you ____ the ____ you need ____ program?
 Do you ____ for ____ need to be ____?
 ____ should ____ punch ____ while programming?
 ____ any rule ____ inputting ____ while ____?
 ____ a guide for ____ through codes ____?
 ____ I enter ____ programming?
 Any ____ with the ____ programming during ____ process would ____.
 I'd ____ to ____ how to ____ codes ____.
 ____ regarding ____ could ____ given to you.
 ____ instructions for which codes ____ order ____ the program?
 ____ it say which ____ be ____ during program ____?

Do _____ the _____ you have to _____ programming?

_____ an instruction _____ which _____ to be _____ when programming?

instructions _____ codes

What code _____ be _____ program _____?

_____ do _____ out which _____ in a program?

Did _____ know _____ codes that you _____ during _____ program?

Can you _____ me _____ there are _____ programming?

Which codes must be _____ development _____?

_____ there _____ specific code _____ be entered _____ program _____?

When _____ what codes _____?

_____ know _____ specific guidelines for entering codes _____ programming.

Can _____ me instructions for _____?

_____ input codes could you _____?

_____ know when the _____ needed in _____ program?

Instructions on _____ codes to _____?

_____ are _____ guidelines _____ codes in _____ program?

_____ you know _____ to be _____ during programming?

_____ instructions for _____ codes are needed _____ process?

_____ you _____ entering codes during programming?

_____ there _____ of codes _____ programming?

Can you tell _____ for _____ while programming?

_____ are _____ guidelines for code entry in _____?

Do _____ codes need _____ be _____ during _____ programming stage?

What _____ inputted while _____?

Do you _____ any instructions on _____ during programming _____?

Do _____ codes you need to _____ during _____ programming _____?

_____ codes _____ entered during the _____ of the _____?

_____ there an _____ for which _____ to _____ programming _____?

_____ codes _____ use when _____?

_____ the _____ required for _____ programming process?

Do _____ a list _____ that _____ to be _____ to _____?

Is there any _____ entry _____ program?

_____ there an _____ regarding _____ to enter _____ a _____ process?

Which _____ be entered in the _____ of _____?

_____ you give _____ for _____ codes _____?

_____ any instructions regarding _____ codes?

Information on _____ entries _____.

_____ what _____ needed for programming.

Do _____ know _____ that _____ needed for the _____?

_____ help _____ entering _____ for programming.

Do you _____ instructions _____ programming?

Which _____ entered _____ program development?

_____ guide for pushing through codes _____?

_____ you could provide any guidance on _____ for _____.

Do _____ you have _____ enter _____ the program?

Do _____ codes to use during _____ process?

_____ offer a _____ programming codes?

_____ regarding programming _____?

_____ you _____ a _____ of _____ need to enter for _____?

There should _____ pushing through _____ during programming.

_____ there any instructions _____ to _____?

Do you _____ what _____ be _____ the programming _____?

Can _____ give _____ guidance _____ codes?

_____ a set of _____ entering codes _____ programming?

Is there any _____ on _____ to _____ programming?

Code entry _____ is _____ that I'm _____.

_____ there a way to _____ guidance _____ entering _____ programming _____?

Can _____ me _____ which codes _____ use _____ programming?

_____ there _____ for programming input _____?

Is there any sort _____ for _____ stage?

What _____ the _____ entering code _____ program?

Can _____ help me out with _____ codes _____ the _____?

The _____ directions?

Is _____ any information _____ codes needed _____?

What _____ is needed _____?

_____ want _____ guide _____ pushin' _____ during programming.

_____ you give us _____ entering the _____ codes?

_____ know _____ to enter the _____?

Can you _____ us any _____ codes while _____?

I would _____ what _____ guidelines _____ for _____ codes _____ programming.

_____ be instructions about _____ codes _____ input _____ the programming _____.

_____ to know _____ to _____ during my programming.

Is _____ for _____ the programming _____?

_____ you have _____ instructions for _____?

Is there a guide _____ can _____ codes during _____?

_____ the codes that the _____ need _____ enter?

_____ the codes _____ order to complete the _____?

Do you _____ of codes you _____ enter _____ code?

Is there _____ guidance on how _____ the _____?

_____ you _____ to _____ codes _____ programming?

How about _____ guide _____?

_____ know _____ codes _____ to enter _____ the programming process?

_____ you _____ the programming code _____?

Do you _____ when codes _____ program?

_____ you talking _____ the programming _____?

_____ any specific _____ for entering _____ while _____?

Is _____ any _____ on entering _____ the _____ procedures?

_____ there _____ regarding which codes _____ entered _____ the programming process?

Is there any _____ give _____ entering _____ codes?

_____ the codes _____ you need to _____ during _____?

When _____ on a _____ development _____ there any _____ enter?

_____ you _____ any _____ that explain _____ codes _____ to _____ inputted?

_____ in need of _____ codes for programming.

What _____ codes _____ needed _____?

_____ you _____ to enter in the _____?

_____ on _____ that _____ for programming

Let _____ to punch in while programming _____.

_____ guidelines govern _____ entry _____ procedure?

_____ there any guidelines for _____?

_____ there specific _____ needed _____?

Could _____ about entering codes?
_____ you have _____ instructions _____ should be inputted?
_____ if you _____ me _____ the necessary codes for programming during _____.
_____ you know what _____ to _____ entered _____ programming?
Do you _____ regarding which _____ should be _____?
Can _____ on _____ enter specific codes _____ programming?
When _____ a _____ are there _____ preset codes _____ can enter?
_____ to be inputted _____ programming?
Are _____ instructions _____ which _____ to _____?
_____ for programming _____ codes?
_____ codes _____ while programming?
_____ information on code entries _____.
Is there _____ about _____ codes should _____ entered _____ the _____?
_____ there _____ for pushin' through _____ programming?
_____ any instruction _____ which _____ to be entered?
_____ give me directions on _____ codes to _____ the _____?
_____ I use _____ guidance for _____ programming _____?
_____ instructions on which codes _____ use _____ programming process?
Information on _____ entries needed _____
_____ there _____ particular _____ for programming?
_____ on code _____ needed _____ is _____
Can _____ provide _____ in the coding _____?
What _____ I need to _____ about _____ programming _____?
Is _____ possible _____ give some guidance _____ programming procedures?
_____ need to _____ guidelines for entering _____ programming.
Which _____ in a programming _____?
_____ you _____ codes need _____ be _____ in order to complete _____?
_____ instructions _____ provided _____ entering _____ during _____?
Is there _____ instruction _____ which _____ entered?
Do _____ have _____ on _____ to _____ for programming?
_____ you have _____ input codes?
_____ you know _____ you _____ to enter _____ program?
I need _____ know the exact _____ you _____ give _____.
Do you _____ a _____ required _____ programming?
What codes _____ punch _____ while _____?
Can _____ me which _____ entered?
Can _____ tell us _____ necessary _____?
Can you give _____ on what _____?
Do you _____ the codes _____ need _____ program?
I would _____ if there _____ on code entry.
Can _____ me _____ to enter _____ during _____?
_____ ideas about _____ programming codes?
Can you _____ me _____ codes need _____ inserted _____ order _____ complete _____?
_____ are the guidelines _____ code _____ in _____?
_____ there any guidelines about _____ in _____ programming _____?
_____ want _____ know _____ exact guidelines you would _____ for _____.
Questions about _____ use when _____.
Do _____ code used _____ programming?
_____ on _____ to _____ to program?
I'm curious _____ there _____ instructions _____ how _____

How ____ enter ____ program?

Was ____ programming codes?

____ there ____ codes ____ are needed for ____?

____ you have ____ on how ____ certain codes during ____ programming ____?

____ if ____ had any guidance ____ necessary ____ for programming.

____ done when entering ____ codes?

Do you ____ any ____ code to ____?

I need assistance ____ right ____.

Can you ____ information on ____ the ____ codes?

____ have instructions ____ should ____ inputted during programming stages?

____ curious ____ are instructions for ____

Can you inform ____ the ____?

Instructions on ____ to ____ codes ____?

____ which codes must be ____ in ____ complete the ____?

Do ____ know ____ are necessary during the ____?

____ is the ____ entering ____ in a ____ procedure?

Do you have any instructions ____ codes ____?

____ codes ____ you punch in ____?

Can I ____ directions for ____ of the ____?

____ want ____ know ____ need specific guidance ____ coding

____ a rule ____ codes while programming?

Do ____ for me when ____?

____ give instructions about ____ codes ____ be ____?

____ there ____ requirement ____ enter ____ during ____ program development?

____ follow when ____ codes ____ program?

I ____ the ____ guidelines that you ____ give ____ codes ____ programming.

What codes ____ be ____ the ____?

Can you ____ on ____ to ____ codes?

____ to punch in ____

____ I get guidance for ____?

____ there are ____ for code ____ during programming.

Can ____ give ____ on when to ____?

Is there instructions for ____ into ____ program?

____ me a ____ programming codes?

____ enter when programming?

Do ____ know ____ the ____ in programming?

____ that ____ which ____ be entered during ____ development?

____ a ____ about ____ the right ____ for ____.

When programming, ____ you have ____ necessary ____?

____ give ____ on entering the ____?

I'm ____ if ____ are instructions for ____ in ____.

____ there ____ instructions on ____ to ____?

Do ____ have a list ____ to ____ programming?

What is ____ for ____ programming?

What ____ the ____ you ____ programming?

____ are the ____ codes ____ programming?

____ have any ____ about how to ____ codes?

____ codes ____ be ____ the ____ development?

Can ____ give instructions ____ codes ____ needed ____ programming?

____ provide guidelines for ____ programming?

_____ there any rules to _____ when _____ codes _____ ?
_____ about code entries needed _____ .
Can _____ what coding is _____ ?
_____ I ask _____ specific _____ coding?
Is _____ any _____ for them _____ push _____ codes _____ programming?
_____ was _____ if you could help _____ necessary codes _____ .
_____ be entered _____ programming?
Required info on _____
Do you _____ codes are _____ program?
Do _____ have _____ coding when _____ ?
_____ which codes _____ be entered during _____ development?
Is _____ any specific _____ for _____ programming?
I want to _____ if there are _____ during _____ .
What _____ need _____ coding?
Which _____ to input _____ ?
Is there _____ for _____ during _____ ?
Can you _____ me if _____ is _____ guide _____ specifies _____ steps?
_____ instructions on which specific _____ be entered?
Do _____ codes _____ entered during _____ development?
Can _____ on _____ codes _____ required for _____ process?
Are there _____ which _____ entered?
_____ would like to _____ there _____ instructions for _____ .
Have _____ codes _____ need in _____ ?
Requires _____ on _____ needed for _____
_____ order to _____ the _____ codes _____ be inserted?
I was _____ could _____ me any _____ the _____ codes for _____ .
_____ should _____ used when _____ ?
Is _____ clear _____ codes must _____ during _____ ?
_____ I _____ specific _____ for my _____ ?
_____ on entering the required codes?
