

[Demo] NLP Dataset for Customer Service Automation

Company Type	Mobile Network Operators
Inquiry Category	Network outages and service disruptions
Inquiry Sub-Category	Tower or infrastructure issues
Description	Customers may report network problems caused by tower malfunctions, power outages, or damaged infrastructure in their vicinity.
Data Size	10,193 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Mobile Network Operator" customer inquiry. (Purchased data will not be masked.)

_____ weak signal _____ because of _____ work being _____ on _____ phone _____?

Is _____ due to maintenance _____ on _____ nearby towers?

Cell mast _____ here can be _____ by _____.

_____ bars may _____ ongoing work on neighboring _____.

Is _____ weak _____ of work on nearby _____ phone _____?

_____ is _____ to _____ cell phone tower repairs.

_____ work being done _____ those _____?

Is it _____ towers _____ nearby?

_____ phone masts may _____ lack of signal.

Weak _____ signal _____ tower _____

_____ strength is _____ maintenance work?

Is a _____ between _____ strength _____ tower _____?

_____ work _____ nearby _____?

_____ between local mast _____ and low _____ power?

_____ signal due _____ nearby _____ maintenance _____?

Maintenance _____ cell phone masts _____ be the _____ signal.

_____ when mast is _____?

_____ cell phone masts could _____ this _____ signal.

Is there _____ tower upkeep?

_____ weakened because _____ ongoing maintenance activities near our _____?

_____ the _____ from work on _____ mast?

Is _____ weakness _____ to _____ the cell _____ masts?

A _____ may _____ from maintenance _____ towers.

Maintenance work _____ cell phone _____ could _____ the _____ for the _____.

_____ work _____ phone towers can cause a _____.

_____ the _____ related to tower _____?

Is _____ a problem with _____?

_____ maintenance work on cell _____ cause _____?

The _____ due _____ on cell towers.

_____ the cellphone mast _____ affect _____.

Is weak _____ to tower _____?

Bad _____ on _____ network, due _____ repairs _____ the _____
_____ weak because _____ tower maintenance.

_____ might _____ a _____ signal.

Is weak _____ linked _____ maintenance?

_____ weak _____ because _____ cell mast maintenance?

Weak _____ is _____ by cell _____.

_____ tower maintenance associated _____ strength?

_____ be caused by neighboring _____.

_____ phone network _____ to the _____ near the masts.

_____ cell _____ maintenance may cause _____.

Is the _____ caused _____ on the masts?

Maintenance on nearby _____ antenna _____ of reduced signal _____.

_____ mast _____ be related _____ signal _____ near here.

_____ fixes done soon _____ affect _____.

_____ in _____ due to _____?

Is _____ weak _____ due to the _____ being done _____?

_____ if _____ cellphone mast maintenance _____ poor _____?

There is _____ due to _____?

Is _____ strength _____ of _____ work near cell _____?

Is the weak _____ the _____ nearby cell phone masts?

Is the weakened network _____ due to _____ near _____?

_____ repairing _____ have _____ connection.

Is the _____ mast maintenance.

Terrible signal _____ tower maintenance.

Weak _____ possibly be _____ neighboring _____ upkeep.

_____ the _____ be attributed to _____?

Is the _____ due to _____ ongoing _____ activities near _____?

_____ this lack _____ signal _____ to _____?

Is _____ possible _____ poor signal _____ the result of _____ cellphone _____?

Is _____ signal _____ due _____ being done on _____ antennas?

Is _____ tower maintenance?

The signal _____ repair _____ on the towers.

The _____ weak _____ due _____ ongoing _____ on _____ towers.

_____ tower repairs causing _____?

There _____ signals _____ cell _____ maintenance.

_____ the _____ maintenance causing _____?

Maintenance _____ the reason for the _____ signal _____.

Did _____ tower upkeep _____ weak _____?

_____ work _____ cell towers _____ affect _____.

Is _____ low signal strength _____ work _____ nearby _____?

_____ there _____ mast _____ and low signal power?

_____ mast _____ be _____ for spotty signals.

_____ repairs _____ cause _____ signals.

Is weak _____ due to _____?

Sometimes a _____ caused by tower _____.

Is it _____ the _____ of _____ towers?

_____ on nearby _____ antenna _____ the reason _____ reduced signal _____.

_____ the weak signal _____ of the work _____ cell _____?

_____ a _____ of _____ signal strength?
 _____ the poor _____ is _____ to _____ work near _____ towers.
 _____ mast _____ might cause _____ signal.
 _____ upkeep _____ causing weak reception?
 Is _____ maintenance causes _____ signals?
 Is _____ weak because phone towers _____ nearby?
 Maintenance _____ low signal?
 Weak _____ is _____ by cell _____
 _____ weak signal is _____ cell _____ repairs.
 Weak _____ repairs?
 Is _____ signal _____ to _____ tower _____?
 _____ work _____ the cell _____ is _____ signal.
 Has _____ network coverage weakened because _____ near _____?
 weak service might _____ tower _____.
 Repairs _____ could _____ to blame for this _____ of _____.
 _____ mast maintenance _____ my _____ signals _____?
 Near by masts _____?
 _____ repair _____ be caused _____ signal _____.
 _____ poor _____ by tower repairs?
 _____ there low _____ from _____?
 Is this _____ due _____ work?
 Do _____ in a weak _____.
 Have ongoing _____ activities _____ coverage?
 Is _____ weak _____ due _____ maintenance?
 _____ be _____ by tower maintenance _____.
 _____ the _____ the tower result in _____ connection?
 Is _____ signals _____ of mast _____?
 _____ mast repair _____ to low signal _____?
 Is the _____ because _____ work on the cell _____?
 _____ poor signal is _____ to maintenance work near the _____.
 _____ has to do with _____ upkeep.
 Maintenance on _____ cell _____ the reason _____ low _____ strength.
 _____ low _____ be the _____ of ongoing maintenance?
 _____ the weak network _____ by _____ maintenance _____?
 My _____ coverage _____ due _____ tinkering, _____?
 _____ spotty _____ be _____ result _____ mast repairs.
 _____ nearby _____ in weak connectivity?
 _____ signal _____ attributable to _____ maintenance?
 _____ maintenance - _____?
 The _____ for _____ might _____ maintenance on nearby _____.
 _____ signal _____ due to the _____ on _____ mast?
 _____ poor signal may be _____ work near the _____.
 _____ questions _____ whether cell tower maintenance _____ weaker _____.
 Does the _____ signal _____ from work _____?
 _____ a _____ signal due _____ maintenance on _____ towers.
 repair works on _____ cause _____ weak _____.
 Maintenance near _____ towers _____ making _____ signal _____.
 _____ weak signal is caused _____ maintenance _____ cell _____.
 _____ signal _____ due to maintenance work _____ towers?
 _____ signal strength _____ work on the mast?

_____ have low connections.

_____ signal _____ from _____ maintenance work?

I _____ mast upkeep _____ making weak _____.

_____ masts may _____ reason for the low _____ strength.

_____ is _____ due _____ tower work.

_____ and weak _____ to tower repairs?

Is _____ maintenance _____ weakened signals?

Maintenance _____ towers may be _____ blame.

Poor _____ comes from _____.

_____ a weak _____ nearby tower maintenance work.

_____ signal was caused by _____.

_____ the _____ to the _____ work _____ the towers?

masts _____?

Did _____ repairs cause _____ connection _____ lousy _____?

Is it true _____ cell _____ signals?

_____ might _____ blame for _____ strength.

_____ neighboring _____ upkeep _____ weak _____?

Does poor signal _____ do _____ maintenance?

Is _____ signal _____ related _____ tower _____?

_____ work _____ neighboring _____ towers could be to _____ for _____ signal.

_____ cause _____ signal strength?

Is weak _____ related _____?

There is _____ weak signal due _____.

_____ a cell mast repair _____.

A _____ signal _____ be _____ by _____ cell towers.

_____ in cell tower _____ to maintenance?

_____ the signal _____ to _____ maintenance?

_____ phone _____ could be _____ the _____ of signal.

Cell tower _____ to blame _____ weak signal.

_____ near the masts _____ to blame for _____ bad signal _____.

_____ work on cell _____ a low signal.

_____ weak _____ come _____ maintenance work?

Does maintenance _____ low signal?

_____ signal is caused by _____.

There is a _____ due to _____ phone _____.

Is the _____ signal _____ due to _____ repairs?

_____ work on _____ may _____ to _____ for the low _____ strength.

Can the _____ cellular _____ to the _____?

Maintenance near cell _____ the _____.

_____ signal because of work _____ on cell _____ towers?

_____ cell phone tower _____ or _____ the _____ signal?

Is mast _____ affecting _____?

_____ the _____ signal weak due to _____ on _____?

masts _____ under _____?

Bad reception _____ be _____ nearby cellphone _____ maintenance.

_____ reception could _____ caused _____ mast upkeep.

I _____ if _____ mast upkeep _____.

_____ weaker signals caused _____?

_____ cell _____ maintenance may _____ signals.

Weak _____ vicinity _____ tower maintenance _____.

_____ near cell towers _____ poor _____.

Cell _____ be related _____ signal sucking.

Is _____ because _____ on _____ towers?

Repairs _____ cell _____ might _____ reason _____ the lack _____ signal.

_____ on nearby cell phone _____ may be the _____ for _____.

_____ the _____ coverage caused _____ activities near our area?

Maintenance _____ on _____

Is the weak _____ related _____ nearby _____?

Repairs _____ weak cellular strength.

_____ work _____ phone masts _____ have _____ the signal.

Is that weak signal because _____ the _____?

Bad _____ network, due _____ repairs?

_____ signal _____ work on cell towers.

Low _____ may _____ masts fix?

A _____ may _____ caused by _____ maintenance.

_____ there _____ reason poor _____ due _____ repairs?

_____ job close to here.

_____ signal _____ be _____ to nearby _____.

_____ nearby cellular antennas _____ be the _____ of _____ quality.

Is the _____ signal _____ of maintenance work _____ phone _____?

Is _____ a _____ mast _____ nearby?

_____ local _____ repairs cause _____ signals?

_____ bars may _____ because of _____ masts.

_____ it because _____ ongoing _____ on nearby cell _____?

Maintenance _____ cell phone towers _____ be _____ reason for _____ weak _____.

Is the _____ signal due _____ done on _____ towers _____?

_____ does tower upkeep affect _____?

_____ signals may _____ linked _____ servicing.

_____ signal because you're fixing _____ towers _____ me?

_____ repairs be blamed for _____?

Is _____ signal strength _____ on nearby towers?

Cell tower _____ cause _____ weak _____.

_____ may be to blame for _____ weak connection.

_____ a weak signal due to _____ on _____.

Maintenance work on cell _____ be _____ blame _____ current _____ signal.

_____ the network _____ of maintenance _____ us?

Is _____ related _____ work?

_____ mast maintenance make the _____?

_____ masts _____ are undergoing _____.

Is mast _____ to _____ strength?

_____ on phone _____?

_____ the weak signal _____ because _____ the _____ cell _____ masts?

Does tower _____ result _____ connection?

Repairs on cell _____ masts _____ to blame _____ of _____.

Bad _____ is linked _____ tower _____.

_____ is _____ to _____ maintenance

Is it _____ current poor _____ a _____ of the _____ near the _____?

_____ the weakness _____ mast _____?

_____ nearby mast _____ reception?

_____ cellphone towers is _____ a weak _____.

The weak ____ is ____ mast ____.
 ____ the ____ from ____ mast repairs?
 Is ____ by cell ____?
 Cell ____ job may ____ by ____ sucks.
 The weak ____ is related to ____ on _____.
 ____ cellphone towers is ____ signal.
 It is ____ that ____ is ____ result ____ being conducted on nearby ____ antennas.
 Weak signals ____?
 The ____ quality could ____ affected ____ done on nearby ____.
 Nearby antenna ____ signal ____?
 Is ____ maintenance ____ signal ____?
 ____ maintenance causing weak ____?
 Bad ____ due ____ near the ____?
 Is the ____ work ____ the towers?
 ____ current ____ a result ____ ongoing maintenance on neighboring ____ phone ____.
 ____ my ____ rubbish ____ mast upkeep?
 Do local ____ leads ____ power?
 Do tower upkeep ____?
 When phone ____ the blasted signal weak?
 My terrible coverage ____ due ____?
 The weak signal ____ be ____ to maintenance on _____.
 ____ be weak ____ tower maintenance.
 Are ____ reception ____ connection ____ repairs?
 Is ____ signal weak because of ____ on ____?
 ____ you ____ that cause a ____ in reception quality?
 It's ____ that the current ____ is ____ to ____ the ____ towers.
 ____ phone ____ can ____ a lack of signal.
 Maintenance ____ the nearby cell ____ masts ____ be ____ reason ____ strength.
 tower ____ be linked ____ service.
 ____ near you?
 ____ at ____ masts may ____ bars.
 ____ caused by the maintenance ____ the nearby cell phone ____?
 ____ maintenance cause my ____ be rubbish?
 A weak ____ caused by ____.
 ____ caused by ____ work?
 ____ the ____ network ____ to ongoing ____ our area?
 ____ weak phone ____ is ____ tower maintenance.
 Did mast ____ my ____ signals ____?
 ____ tower upkeep ____ a ____?
 ____ it possible that ____ poor ____ is ____ to ____ work ____ towers?
 Is ____ due to ____ nearby?
 Is ____ that ____ low ____ due to ____ nearby cell phone masts?
 ____ blasted ____ weak ____ they fixed ____ phone towers?
 ____ the ____ of maintenance work ____ towers?
 ____ on cellular ____ to ____ for ____ signal quality.
 Weak signal ____ maintenance ____?
 ____ mast ____ might be ____ to signal sucks.
 ____ repair may cause low ____.
 ____ cell tower may ____ signals.
 ____ tower ____ effect ____ connection?

The signal is ____ due ____.

Repairs ____ to ____ the weak cell ____.

____ be caused ____ nearby ____ mast maintenance.

____ this signal weak, ____ fix the ____ around ____?

____ upkeep cause ____ weak ____.

Maintenance ____ phone ____ may ____ blame ____ mobile issues.

Is the ____ due ____ tower ____?

It's possible that ____ poor signal ____ by ____ near ____ towers.

The ____ signal may be ____ to ongoing maintenance ____.

____ is ____ chance that the current poor ____ work ____ the cellphone ____.

____ it possible ____ low signal strength ____ maintenance?

____ be caused by ____ upkeep.

These poor signals ____ tower ____.

____ blasted ____ weak due ____ the ____ towers getting ____ nearby?

____ weak signal strength due to work being ____?

Are ____ signals caused ____ cell ____?

____ mast ____ job ____?

____ near the ____ weak ____?

Work ____ towers causing ____?

The repair ____ on ____ causing a weak ____.

____ poor ____ could ____ to cell tower ____.

____ is a weak ____ of nearby ____ tower ____ or ____.

____ is a ____ to ____ repair works on cell ____.

Is ____ a ____ from ____ repairing?

____ a problem for a ____?

____ the weakened signal ____ being caused ____ phone ____?

Is ____ result of repairs ____?

____ may be ____ cell tower ____.

Is the ____ of the ____?

Is ____ to local ____ repair?

Poor reception ____ be related ____ mast ____.

____ phone ____ may be ____ upkeep.

Is it ____ repairs ____ the ____?

____ weak ____ due ____ nearby cell phone ____ repairs or ____?

____ come from nearby mast ____.

Does repair ____ cellphones ____ reception?

____ phone ____ were rubbish ____ mast ____.

____ masts may cause mobile ____.

Maintenance on ____ could ____ the reason ____ signal strength.

I ____ if the mast ____ my ____ signals ____.

____ a ____ signal ____ to repairs ____ cell ____ nearby.

Do tower ____ in ____ weak ____?

Maintenance work ____ phone masts ____ be ____ for the ____ signal.

Does ____ upkeep result ____ connection

____ near here?

Is the ____ weak ____ to ____ towers ____ nearby?

____ a weakened ____ strength ____ by nearby ____ phone ____ undergoing ____?

Is ____ signal ____ from nearby ____?

Is the ____ weakened ____ maintenance ____ in ____ area?

Is ____ signals ____ by the cell tower ____?

____ work ____ nearby ____ towers?
 Maintenance ____ nearby ____ phone ____ could ____ weakened signal ____.
 Are cell ____ repairs ____ of ____ weak signal?
 ____ that ____ signal is a ____ maintenance work near ____ towers?
 ____ be due to ____ neighboring masts
 ____ may cause lousy ____ and ____.
 Is this ____ signal ____ fixing ____?
 Is the ____ connection?
 The weak ____ is ____ by ____ on ____ towers.
 ____ a ____ signal come ____ maintenance?
 There ____ a ____ signal ____ of ____ phone ____ or upgrades.
 There ____ maintenance near ____.
 mast maintenance ____ made ____ garbage.
 Maintenance work on ____ might be ____ the ____ signal ____.
 Are ____ to ____ tower servicing?
 ____ work on ____ may ____ low ____.
 Maintenance on ____ suspected ____ poor ____.
 ____ mast maintenance ____ poor reception?
 ____ poor strength ____ be ____ maintenance ____ nearby masts.
 ____ poor ____ Maintenance on masts.
 ____ weak ____ signal is a ____ of ____.
 ____ weaker signals ____ by cell ____.
 There could be poor reception ____ mast ____.
 The weak phone ____ due ____ upkeep.
 Maintenance work on ____ towers may ____ to blame ____ weak ____.
 Weak phone ____ might ____ caused ____.
 ____ on ____ cell towers might be ____ for ____ signal ____.
 ____ is a ____ related ____ on nearby cellphone ____.
 ____ work ____ might be the cause ____ low signal ____.
 ____ there ____ weak signal due ____ nearby cell ____ towers?
 ____ maintenance may ____ phone signals ____.
 ____ there a weak ____ because of ____?
 Maybe ____ reduced ____ quality ____ to maintenance being ____ nearby ____ antennas?
 Maintenance ____ on ____ cell towers may ____ blame.
 ____ low ____ could be ____ maintenance on nearby ____.
 I ____ wondering if my phone ____ because of ____.
 A weak ____ by tower ____.
 ____ a ____ the signal due ____ repairs.
 ____ is possible that the reduced ____ to the maintenance ____ nearby ____.
 ____ current weak signal due to ____ on nearby ____?
 Bad ____ due ____ repairs ____ the ____.
 ____ signal ____ by nearby cell ____ tower repairs or ____?
 Is there a ____ quality ____ of ____ nearby ____ phone towers?
 ____ mast repair ____ are ____.
 ____ lower bars ____ to work ____ the neighboring ____?
 ____ the ____ because phone ____ get fixed?
 The ____ signal might ____ to maintenance ____ nearby cell ____.
 ____ on nearby ____ related to the ____ signal.
 ____ the signal ____ cell tower maintenance?
 ____ due to the maintenance work ____ the nearby ____?

_____ the _____ be _____ to repairs?

_____ there _____ bandwidth from _____?

Is there _____ the nearby _____ cause poor reception?

_____ weak _____ may be caused _____ upkeep.

Maintenance _____ nearby cell towers _____ behind the _____ strength.

_____ come from the _____ work?

Mast _____ weak?

_____ reception poor _____ tower repairs?

Is the _____ strength _____ of nearby _____ phone _____ maintained?

Due _____ tower _____ and connection weak?

_____ is _____ on nearby _____ towers.

A weak signal _____ due _____ work _____ towers.

Are _____ tower repairs _____ upgrades to _____ blame for _____ signal?

_____ this signal weakness _____ to _____ towers _____ me?

Does _____ signal come _____ work?

_____ weak _____ linked _____ tower _____.

Is _____ caused by _____ maintenance?

_____ on _____ might be the reason _____ a _____ signal.

_____ the _____ coverage due to _____ maintenance _____ near _____?

Nearby _____ under _____.

Is this _____ due to _____ the _____?

_____ signal might be _____ phone towers _____ fixed up _____.

_____ fix _____ impacting _____?

Maintenance near _____ towers _____.

_____ any _____ tower maintenance _____ weak service?

Is _____ signal related _____ tower repairs or _____?

Is this _____ strength because _____ nearby _____?

_____ of signal _____ maintenance near _____.

_____ repairs _____ be _____ by signal _____.

Is _____ signal caused _____ fix _____ towers _____ me?

_____ the _____ due to _____ cell tower _____?

Is the _____ nearby cell phone _____ upgrades or _____?

_____ nearby _____ be under _____.

Is _____ due to _____ work _____ the towers?

_____ that _____ reduced signal _____ a result of maintenance _____ performed on _____ cellular _____.

_____ reduced because of maintenance on nearby _____.

The signal might _____ of _____ mast _____.

_____ the weak signal _____ maintenance?

The suspect for _____ maintenance on _____ masts.

_____ there _____ correlation _____ tower maintenance and weaker _____?

Poor _____ maintenance _____ cell towers.

Is poor signals _____ to _____?

Can _____ weakcellular _____ attributed _____ repairs?

Is _____ maintenance _____ weak?

Is weak service _____?

_____ caused _____ signal?

_____ cause low _____?

Repairs or upgrade of a _____ tower might _____ signal.

Weak signal _____ maintenance _____?

Is _____ weakness _____ network due _____ near our area?

The ____ signals ____ be ____ to cell _____.
 Is ____ a ____ tower updates?
 Is ____ signals ____ by the ____?
 ____ and connection ____ good because ____ tower repairs.
 ____ tower upkeep ____ a ____ connection?
 Maintenance near ____ weak signal.
 Bad reception ____ caused ____ nearby ____ mast _____.
 Bad signal on ____ nearby.
 Do ____ that your ____ sucks ____ tower renovations?
 ____ mast ____ causing low ____ power?
 Is it ____ of ____ work on ____?
 ____ of a ____ phone tower may be to ____ for _____.
 repair works ____ cause ____ signal.
 Will repairs ____ to blame ____ the ____?
 Maintenance ____ masts ____ suspect for poor _____.
 Could the ____ signal quality ____ maintenance being ____ nearby ____ antennas?
 ____ possible that ____ poor signal ____ to maintenance near the ____?
 Is the ____ signals ____ the ____?
 ____ the weakened signal strength ____ of the ____ maintenance?
 ____ this signal linked ____?
 Are ____ signals ____ by ____ tower ____?
 Is ____ to cell phone ____ repairs?
 ____ be ____ blame for ____ strength.
 Is weak reception ____ neighboring ____?
 Could ____ mast ____ reception?
 ____ reception ____ connection ____ be bad due to _____.
 ____ mast maintenance ____ signal
 ____ could be to ____ spotty signals.
 ____ be signal weak?
 mast ____ phone ____ rubbish?
 Is ____ possible for the ____ cellular strength ____ repairs?
 Is ____ spotty ____ caused by ____?
 ____ the signal ____ because of ____ work ____ phone towers?
 Masts ____ the ____ was ____?
 Are the weak ____ repairs?
 ____ tower ____ affect ____ weak ____?
 Is ____ current ____ due to ongoing ____ on ____?
 ____ possible ____ reduced signal quality ____ maintenance on nearby cellular _____.
 There is a lack ____ due ____ the masts.
 ____ weakened ____ coverage ____ by ____ activities?
 ____ weak ____ caused by ____ maintenance ____?
 ____ tower upkeep ____ weak ____?
 Is ____ signals ____ tower ____?
 ____ weak ____ fixing the towers around me?
 ____ signals might be spotty ____ to the _____.
 Do nearby ____ phone tower ____ or ____ the ____?
 Is the ____ related ____ upkeep?
 ____ strength could be caused ____ nearby cell ____ masts _____.
 ____ weak signals ____ mast repairs?
 Is it a low ____ strength ____ of ____?

The weak _____ to nearby _____ tower _____ or upgrades.

Is Tower _____ service?

Weak _____ may _____ down _____ tower _____.

_____ it _____ mast repairs _____ the _____ signals?

Do tower _____ a _____ connection?

Some poor _____ linked _____ cell tower _____.

_____ the reduced signal quality _____ of _____ on _____?

Is the _____ by _____ repair?

_____ are masts _____ under repair.

Does signal _____ cell _____ near _____?

Is the _____ caused _____ a _____?

_____ bars may _____ by _____ fix?

Mast upkeep could _____.

_____ repair _____ could be _____ here.

_____ work on _____ cause the weak signal.

_____ phone _____ get _____ up _____ so _____ the blasted _____ weak?

_____ it _____ to _____ maintenance _____ phone masts?

There _____ signal caused _____ cell _____ tower repairs or _____.

_____ may be a _____ repairs.

Maintenance _____ nearby _____ phone masts _____ be _____ is weak.

Mast _____ may _____ caused _____.

Nearby _____ are _____ signal _____.

_____ reception could _____ due to the _____.

_____ weak signal _____ tower maintenance work?

_____ low signal strength _____ work _____ nearby cells?

_____ the reduced signal _____ a _____ performed _____ nearby cellular antennas?

A _____ signal is _____ repair work _____ towers _____.

_____ it _____ repairs on _____ phone _____?

_____ may _____ been _____ by tower _____.

Maintenance on _____ cell phone _____ could _____ the _____ weak.

_____ signal have _____ do with _____ on cell _____ masts?

_____ mast _____ lead _____ low _____ power.

Masts maintenance, _____ signaling _____?

_____ work on _____ towers _____ signal?

_____ the cell _____ masts _____ be to blame _____ this lack _____.

_____ the masts caused the bad _____ network.

Problems _____ reception may _____ by _____ mast maintenance.

_____ near the masts _____ bad _____ on the phone _____.

_____ bars might _____ due to work _____.

Are _____ by maintenance?

Hey, is this _____ because you _____ fixing _____?

_____ poor signals be _____ servicing?

_____ work _____ towers may cause low _____.

Could _____ cellphone _____ poor reception?

_____ cell phone _____ could be the cause _____ signal _____.

_____ strength _____ to tower maintenance.

_____ work _____ towers could _____ the reason _____ low signal _____.

The weak signal _____ caused _____ cell phone _____ or _____.

Weak reception _____ related to _____.

_____ signal _____ due to _____ on nearby cell _____ masts?

_____ mast _____ may be due to signal _____.

_____ current weak _____ to _____ work on _____ towers.

_____ current weak signal _____ be due _____ work on neighboring _____.

_____ on nearby _____ towers _____ be _____.

The weak _____ might _____ nearby cell phone _____.

_____ weakened _____ by cell _____ maintenance?

Is _____ spotty due to _____?

_____ a cell mast _____ job close _____.

_____ there _____ weak _____ from mast _____?

_____ cell _____ poor signal.

There is a _____ on cell towers.

_____ on nearby antennas _____ blame _____ signal quality.

_____ poor reception _____ caused _____ nearby cellphone _____?

_____ weak _____ caused _____ maintenance work _____ neighboring _____ phone towers?

Maintenance _____ towers may _____ blame _____ low signal strength.

_____ due _____ repairs?

_____ mast _____ a cause _____ reception?

_____ rubbish because of mast _____?

_____ the _____ signal _____ cell mast _____?

_____ mast repair _____ is near _____.

_____ this signal _____ because you _____ towers _____ me?

_____ could _____ result of work at _____ masts.

Weak _____ strength _____ be caused by _____ masts _____ maintenance.

Is _____ due to _____ maintenance?

_____ signal _____ by nearby _____ tower maintenance.

Maintenance work _____ nearby cell phone _____ be _____ signal strength.

_____ activities near our area caused _____ weakened _____?

Is _____ caused _____ work being _____ on nearby _____ towers?

It _____ be the _____ upkeep.

_____ make my _____ signals terrible?

_____ low signal _____ due _____ on _____ cell towers?

Is the _____ signal _____ work on _____ towers _____?

_____ towers impacting _____?

Is the _____ because of work _____ phone _____?

_____ signal _____ to mast repairs?

_____ reception may _____ because _____ repairs.

The mast _____ the weak _____.

Is the _____ due to _____ nearby cell _____ towers?

The _____ seems _____ come _____ mast _____ work.

_____ caused by cell _____

_____ phone tower repairs _____ this weak signal?

Is _____ tower maintenance?

_____ the network _____ because _____ activities near our _____?

_____ signal is related to _____ nearby _____.

Is _____ weak _____ due to ongoing _____ neighboring _____?

_____ the _____ quality _____ to _____ on nearby cellular antennas?

_____ service _____ have to _____ tower _____.

_____ be _____ the mast upkeep.

Is _____ signal caused by _____?

_____ work on cell _____ low _____.

Maintenance _____ towers may _____ the _____ for _____ signal strength.
 Is _____ associated with _____ signal _____?
 Weak _____ due to the _____ neighboring masts.
 _____ mast repair job _____ could _____ caused by _____.
 There is _____ signal due to _____ maintenance
 Weak _____ be caused _____ maintenance _____ towers.
 Is _____ signal _____ work near the _____ towers?
 It _____ the current _____ signal is _____ of work _____ the _____.
 Is _____ weak signal _____ to _____ on _____ masts?
 Work _____ cell _____ could cause _____.
 There may be a _____ maintenance.
 The phone _____ signal because _____ repairs near _____.
 The _____ signals might be _____ by _____.
 Is _____ upkeep _____ mast causing _____ reception?
 _____ the signals spotty _____?
 Local mast _____ be to _____ the spotty _____.
 Is it _____ strength due _____ nearby _____ towers?
 _____ of nearby cellphone _____ could _____ poor _____.
 _____ signal may be the _____ of maintenance work _____ cellphone _____.
 _____ the weak signal _____ to the _____ getting _____?
 _____ maintenance causes _____ weak _____.
 Is _____ weaker signals due _____ cell _____?
 It _____ possible _____ the _____ quality is _____ to _____ on nearby _____.
 Are there _____ to _____ towers _____?
 _____ may _____ tower upkeep.
 _____ for _____ be maintenance on masts.
 _____ current _____ signal _____ be due _____ ongoing maintenance _____ cell phone _____.
 The _____ signals may _____ to _____.
 _____ cell phone masts _____?
 Is _____ signal caused _____ work on nearby _____?
 _____ mast _____ made my _____ rubbish?
 _____ a lack of signal due _____?
 _____ signal _____ because of work on nearby _____?
 Is _____ weak _____ due to _____?
 Maintenance _____ cell _____ masts _____ why _____ signal strength _____ low.
 Is the weak _____ to _____?
 _____ reception and connection may have been _____.
 _____ connection happen when _____ occur?
 Maintenance on nearby _____ could _____ of the _____ signal _____.
 Repairs _____ the _____ phone tower may _____ the weak signal.
 _____ nearby _____ masts _____ maintenance?
 Cell _____ mast repairs may _____ blame _____ lack _____ signal.
 I wonder _____ cell phone masts _____.
 _____ could _____ to neighboring _____ upkeep.
 _____ near _____ cell _____ may cause a _____.
 Is weak signal _____?
 Maintenance _____ masts might be to _____ signal strength.
 _____ maintenance _____ cause weakened _____.
 _____ poor _____ strength _____ to tower _____?
 Are _____ signal due to _____?

The _____ poor _____ is _____ maintenance.
Is _____ service _____ tower _____?
_____ is there _____ lousy _____ maintenance _____?
_____ there a _____ between poor _____ and _____ tower _____?
Will _____ cellphone _____ maintenance cause _____?
_____ the _____ cellular strength related _____?
_____ weak signal _____ maintenance on nearby _____ towers?
_____ on cell phone masts _____ possibly _____ blame _____ signal strength.
_____ low _____ mast repairing?
_____ signal was _____ due _____ upkeep.
Tower _____ might _____ poor _____ and weak connection.
_____ weakness _____ work on the _____ phone masts?
Weak _____ signal _____ tower _____.
_____ a _____ repair _____ close to here.
Is _____ reduced _____ a result of the _____ maintained?
_____ that nearby cellphone _____ maintenance _____ cause _____ reception.
_____ on cell _____ be _____ blame for low _____ strength.
_____ weaker signals caused by _____?
_____ near _____ towers can _____.
There _____ a _____ due _____ nearby cell _____ repairs.
Is it _____ the low signal _____ is due _____?
_____ it _____ to tower _____?
Is _____ strength associated _____ upkeep?
_____ work _____ low signal?
_____ the _____ repair affecting the _____?
_____ signal, related _____ on _____ towers.
_____ cellphone _____ maintenance causing poor _____?
Is the weakened network _____ due _____ near _____?
Mast _____ a _____ connection.
_____ tower _____ the _____ connection?
_____ this weak signal _____ fixing them _____ me?
_____ towers nearby may cause a weak _____.
Cell _____ repair job _____ by _____ sucks?
Is a _____ by _____ updates?
Bad signal _____ phone network _____ the masts.
The weak signal was _____ repair works _____.
_____ here, signal sucks _____ cell _____.
Is the current _____ because _____ nearby towers?
_____ it because _____ repairs on _____?
Is the signal _____ the _____?
_____ is due _____ nearby maintenance.
Is _____ phone _____ weak _____ of _____ maintenance work?
_____ maintenance, _____ the signal _____?
_____ mast _____ may be _____ signals.
_____ likely _____ by tower upkeep.
Did mast _____ weak _____?
_____ possible that _____ current _____ is _____ of maintenance _____ the towers?
Poor _____ are linked _____ servicing?
Is _____ signal weak _____ phone _____ fixed nearby?
_____ nearby _____ towers?

The ____ repairs are making ____ ____ ____ .
 ____ ____ weakened network coverage ____ by ____ maintenance activities ____ ____ area?
 Is ____ possible that the ____ ____ the result ____ ____ the ____ towers?
 I ____ ____ if ____ ____ work is killing ____ ____ signal strength.
 Masts ____ can ____ signal ____ ____ ?
 ____ tower maintenance ____ ____ weaker ____ .
 ____ ____ maintaining nearby cell phone ____ that cause ____ drop ____ ____ ?
 ____ the weakened signal strength caused by ____ ____ ____ being ____ ?
 Is ____ ____ in the ____ ____ ____ mast repairs?
 The current ____ ____ might ____ ____ ____ ongoing ____ ____ neighboring cell phone towers.
 The weak ____ ____ may be ____ ____ ____ ____ .
 The ____ signal may be ____ ____ ____ of nearby cellphone ____ .
 Is ____ ____ signal ____ to ____ ____ nearby towers?
 ____ ____ a weak ____ due to ____ ____ tower maintenance.
 ____ work ____ nearby cell phone ____ ____ be ____ the ____ .
 Is ____ low ____ strength due to ____ ____ on cell ____ ____ ?
 ____ mast maintenance ____ ____ signals?
 ____ ____ ____ be ____ by signal sucks?
 Did the ____ ____ ____ phone ____ rubbish?
 ____ ____ ____ signal ____ to you fixing them towers ____ ____ ?
 Maintenance ____ ____ ____ ____ may ____ to blame for ____ poor signal.
 ____ connection might ____ ____ because ____ tower ____ .
 Are the signals ____ ____ ____ repairs?
 ____ ____ signal might ____ related to ____ ____ .
 ____ ____ local ____ repair the cause ____ the ____ signal ____ ?
 The ____ is bad ____ the ____ ____ ____ after tower ____ .
 ____ the ____ in ____ ____ by ____ cell tower maintenance?
 ____ ____ signal weak because you ____ the ____ ____ me?
 ____ wondered if ____ maintenance made my ____ signals ____ ____ .
 ____ on ____ phone masts might ____ ____ cause ____ low signal ____ .
 ____ the poor ____ due ____ ____ maintenance?
 ____ ____ phone ____ may have ____ ____ a lack of signal.
 ____ weak ____ ____ be due ____ ____ cell ____ ____ upgrades or repairs.
 weak ____ due ____ ____ near cell ____ ?
 The ____ ____ be ____ ____ to ____ maintenance.
 ____ ____ ____ that ____ reduced ____ ____ ____ caused by ____ on nearby cellular antennas.
 ____ ____ repair job ____ be related ____ ____ sucks.
 ____ ____ ____ be caused ____ neighboring mast upkeep.
 ____ ____ reduced signal ____ ____ ____ to maintenance being done on ____ cellular ____ ?
 ____ the ____ signal ____ of ____ work ____ ____ cell phone towers?
 Is ____ ____ ____ the signals ____ by tower ____ ?
