

[Demo] NLP Dataset for Customer Service Automation

Company Type	Car Dealerships
Inquiry Category	Service and maintenance inquiries
Inquiry Sub-Category	General service inquiries
Description	Customers have questions about different services offered by the dealership, such as brake repairs, engine diagnostics, or transmission servicing.
Data Size	6,491 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Car Dealership" customer inquiry. (Purchased data will not be masked.)

Are there any additional ____ for ____ the problem is ____ be more ____ anticipated?
____ an additional ____ when an ____ complicated ____ is discovered ____ an ____ test?
____ the ____ more ____ problem with the ____ of my ____ it cost ____?
Do you have ____ additional ____ if ____ issue ____ my ____ complicated than ____?
____ have ____ more ____ an in-depth ____ my car than ____ thought?
When ____ already complicated ____ is ____ engine diagnostic tests, ____ additional ____?
____ motor ____ charges when there ____ complex findings?
____ extra charges for ____ findings?
Do additional costs ____ when ____ initially ____ becomes ____ complicated ____ diagnostics?
Is there an ____ engine diagnostics ____ turns ____ to be more ____?
If ____ discovers ____ more challenging problem relating to ____ motor of my ____ it ____?
____ I pay ____ for ____ diagnostics ____ the ____ is ____ complicated than ____?
____ problem ____ to ____ complicated ____ will I ____ charged additional for engine diagnostics?
Should additional ____ engine diagnostics ____ issue is ____ than anticipated?
If ____ already complex ____ engine diagnostic ____ do ____ charges apply?
____ the diagnostic ____ a ____ are there ____ costs?
____ you have ____ additional fees for diagnostic ____ the ____ with my ____ more ____ than ____ thought?
____ charges for ____ diagnostics when there are ____ problems ____ anticipated?
____ there ____ for ____ engine issues?
If ____ greater ____ my car's engine ____ expect any extra charges?
____ there ____ extra cost for ____ if it ____ out the ____ complicated than ____?
____ a diagnostic identifies a ____ motor ____ is ____?
If ____ turns ____ more ____ there will ____ an extra ____ for ____ diagnostics.
If ____ problem ____ found ____ more ____ than expected ____ additional charges ____ engine diagnostics.
Is there ____ for intricate ____ problems ____?
____ there ____ specific charge ____ when ____ diagnostics ____ a more complex problem ____?
Should I pay an extra fee ____ the ____ finds ____ car?
If your ____ my car's ____ issue ____ I expect more charges?
____ you have ____ fee ____ issue with my ____ engine is more complicated ____?
If ____ discovers a more ____ relating ____ motor of ____ automobile, ____ this incur additional ____?

_____ issue is more complex than _____ will _____ for _____ diagnostics?

_____ there _____ additional expenses _____ during _____ intricate engine _____?

If the problem _____ my _____ engine _____ complicated _____ thought, do _____ more _____ diagnostic services?

Is there _____ engine _____ that _____ the problem exceeds initial _____?

Is _____ any extra fees _____ if _____ becomes _____ complicated than _____?

_____ are _____ additional _____ be incurred for engine diagnostics?

_____ engine diagnoses show _____ problem _____ expectations, _____ there an added _____?

_____ I have to _____ for an in-depth _____ my _____ beyond _____ thought?

_____ fees _____ be _____ if engine issues _____.

If engine _____ are there extra _____ for _____?

_____ there _____ additional _____ for _____ tests if _____ issue with my _____ engine is more _____?

Is there _____ for engine _____ it _____ out to _____ than anticipated?

Is there _____ if _____ complex?

_____ engine issue _____ more _____ will there _____ extra fees?

_____ my _____ engine _____ more complicated _____ do you _____ any more charges for diagnostic services?

Is _____ an extra fee _____ detecting the engine _____?

_____ charge _____ engine _____ if the problem _____ found to be more _____?

Will _____ motor diagnoses come _____ additional _____?

_____ there _____ cost for _____ engine diagnosis beyond _____ discussed?

If the _____ be more complex than _____ will there _____ engine diagnostics?

_____ I have _____ pay more for _____ diagnostics if _____ the issue is _____ than _____?

If the _____ turns _____ be more _____ than _____ there will be _____ diagnostics.

_____ turns out to be _____ extra fees are _____?

_____ I need _____ engine diagnostics _____ it _____ out _____ issue is more complicated than _____?

Do you _____ fees for diagnostic _____ the _____ car's _____ is more _____ previously thought?

Should _____ issue _____ complex than anticipated, will charges be _____ work?

_____ diagnosis of intricate _____ problems subject to _____?

_____ the _____ out to be _____ complicated _____ expected will _____ extra _____ engine diagnostics?

_____ be spending more money _____ an _____ diagnostic _____ my _____ thought?

Is _____ any extra _____ for _____ diagnostics _____ turns _____ be _____ complicated?

_____ the event _____ the _____ up _____ more complex than originally thought, _____ any _____ costs _____ with _____ diagnostics?

Is there _____ new _____ for engine _____ the _____ complex _____ anticipated?

_____ going _____ me more money _____ my vehicle's diagnostic requires _____?

When _____ complicated _____ is _____ in _____ diagnostic _____ should _____ charges be _____?

Is there _____ fee _____ if the _____ is _____ than anticipated?

Will I _____ additional _____ an in-depth _____ my engine _____ what _____?

If the _____ discovers _____ more challenging _____ to _____ of _____ automobile, will this _____?

Is _____ an additional fee for Diagnosing _____ engine _____ it's _____ than we _____?

_____ have _____ pay _____ for an in-depth _____ on _____ than we _____?

Is it possible _____ costs _____ arise when _____ initially _____ matter becomes _____ in _____ diagnostics?

_____ an already _____ is found in _____ tests, _____ additional charges?

_____ there _____ additional charges for _____ issue turns out _____ complex than expected?

When _____ complicated matter _____ in _____ engine diagnostic _____ there _____ charges?

_____ problem _____ up being _____ complex than _____ you tell me _____ additional costs _____ with _____ diagnostics?

_____ the diagnosis identifies _____ greater _____ car's _____ issue, should I expect _____?

_____ there an _____ for diagnostic _____ the _____ with my car's engine is _____ complicated _____?

_____ the _____ more complicated _____ anticipated, will _____ be _____ diagnostic work?

If the _____ be _____ complicated than expected, _____ be charged extra _____?

Does _____ fees _____ if _____ issue is more _____?

Would uncovering a _____ concern _____ higher _____ vehicle _____ procedures?

Is there _____ for _____ problems?

_____ I have to pay _____ diagnosis finds a _____ problem _____ my _____?

_____ complicated _____ is _____ in an engine diagnostic _____ should additional _____ be _____?

Is _____ any _____ costs for _____ tests if _____ problem with _____ is _____?

_____ there _____ increase _____ engines _____ there are extensive discoveries?

_____ there additional charges _____ an _____ complicated matter discovered _____ engine _____?

Should I expect _____ charges _____ the event _____ car's _____ is more _____?

_____ there _____ charges _____ engine _____ turns out to be more complex?

_____ be more charges _____ if _____ more complex later?

_____ _____ for engine _____ if the problem is more complicated _____?

_____ diagnosis finds _____ more complicated _____ with my _____ do I _____ to _____?

If _____ ends up _____ more complex _____ initially _____ you give me _____ additional _____ associated _____ the _____?

If _____ is _____ complicated will extra _____ be _____?

_____ an _____ charge for _____ diagnostics _____ the problem _____ found to _____ complex?

_____ the issue with _____ engine is _____ originally thought, _____ you have _____ fees for _____ services?

Would higher _____ associated with _____ uncovering a surprisingly _____ concern?

Will _____ for _____ in-depth diagnostic _____ engine beyond what _____ assumed?

_____ issue _____ car's _____ is _____ than originally thought, do _____ have _____ fees _____ diagnostic services?

_____ you have extra fees _____ diagnostic _____ if the issue _____ more complicated _____ first _____?

_____ the problem _____ engine _____ found to _____ complex, _____ be _____ added fees for _____ tests?

_____ an _____ for diagnose the _____ if _____ a harder problem _____ thought?

_____ turns _____ be more _____ will I _____ to pay an extra fee _____ engine diagnostics?

_____ additional _____ for diagnostic _____ the _____ with my car's _____ is more _____ than _____ thought?

_____ there _____ expenses for _____ found during diagnosis?

_____ an already complicated _____ discovered _____ engine diagnostic test do _____?

If the _____ complicated than expected, _____ I _____ to pay _____ diagnostics.

Extra _____ might _____ engine issue becomes _____ complicated.

Is there _____ extra fees _____ if _____ turn _____ to be _____?

Can _____ give _____ any additional costs associated with engine _____ up _____ than thought?

_____ there be _____ for _____ the problem becomes more _____?

_____ diagnoses _____ added _____ when there are _____ findings?

_____ my _____ engine issue is _____ complex, _____ I _____ any additional charges?

When _____ complicated _____ engine diagnostic _____ should additional charges apply?

If my _____ found to _____ more _____ are _____ any _____ added for _____?

If the problem turns _____ more _____ than _____ I _____ charged more _____?

If the _____ a _____ problem _____ motor _____ my car, _____ it _____ more costs?

Will motor diagnoses _____ charges _____ complex _____?

_____ any _____ fees _____ if the issue with _____ car's engine _____ more _____ originally thought?

If the problem _____ found _____ more complex _____ there _____ more _____ for _____ diagnostics?

Is _____ costs when an initially _____ matter becomes _____ complicated _____ diagnostics?

Should there be _____ diagnostic _____ if the _____ with my _____ engine _____ more _____ than _____?

_____ the problem turns _____ more _____ will I be charged _____ engine _____?

Is _____ possible _____ incurred charges _____ diagnostics _____ arise _____ complications surpass _____ assumptions?

_____ costs be incurred _____ diagnosis discovers a more _____ problem _____ my vehicle?

_____ chance of _____ incurred charges _____ diagnostics when _____ initial assumptions are _____?

Is _____ engine diagnoses show that the _____ expectations?

Is there _____ fee _____ an engine _____ that _____ problem _____?

Is there _____ additional _____ diagnostic _____ the issue with my _____ proves _____ more _____ than anticipated?

Is _____ any additional _____ if _____ problem is more complex _____ anticipated?

_____ to pay more for diagnostics if _____ more complicated than expected?

_____ the _____ diagnostic _____ further investigation due _____ difficulties, _____ it _____ me _____?
 Is the _____ diagnosis _____ intricate _____ subject to _____?
 _____ diagnosis finds a more _____ with _____ engine, will I have _____?
 _____ charges _____ applied for _____ if it turns _____ be more _____ expected?
 If the problem becomes more _____ than _____ have to _____ diagnostics?
 _____ fees _____ be _____ if engine _____ complicated.
 _____ issue with my _____ engine _____ more complicated _____ are _____ charges for diagnostic tests?
 If _____ becomes more _____ than _____ will _____ apply _____ engine diagnostics?
 _____ fees if _____ engine _____ complicated.
 If _____ issue _____ more complicated will _____ fees?
 _____ the problem _____ complex than _____ there _____ charges for engine diagnostics.
 Should the issue with _____ vehicle's engine be _____ anticipated _____ additional charges for _____?
 _____ an already _____ matter is _____ an engine _____ should _____ charges _____?
 _____ there additional _____ if _____ are intricate _____?
 _____ issue is _____ will there be extra _____?
 Is _____ costs for extensive engine diagnosis beyond _____?
 _____ discover _____ more challenging problem _____ motor _____ my car, _____ will it _____ me more?
 Will there _____ tests _____ the issue with _____ vehicle's engine is more _____ anticipated?
 If the issue with _____ car's _____ is more complicated _____ you _____ for diagnostic services?
 Do I need to pay _____ the _____ a _____ issue _____?
 _____ there _____ charges _____ if _____ is found to be more complex?
 Can _____ be _____ incurred _____ engine diagnostics _____ the initial _____ exceeded?
 _____ problem _____ to be more _____ will I _____ charged more for _____ diagnostics?
 If the _____ than expected, _____ there _____ charges _____ engine diagnostics?
 Will _____ be _____ more _____ engine diagnostics _____ the problem _____ complicated than anticipated?
 _____ expenses for complicated engine _____ found during _____?
 Is _____ any additional charges for _____ if the _____ is _____ to _____ than _____?
 Do additional charges _____ there is a _____ discovered _____ an _____?
 Is _____ to a _____ complex problem with my _____ engine?
 _____ the issue with _____ vehicle's engine _____ to be more _____ than _____ more charges for _____?
 _____ the _____ with my engine _____ complex, _____ be added _____ for diagnostic _____?
 _____ you know _____ is _____ special fee when _____ during engine _____?
 If _____ diagnosis indicates a _____ my _____ engine issue, _____ expect _____ charges?
 When _____ identifies a complex _____ additional costs?
 _____ surprising _____ in increased costs for vehicle trouble-detection _____?
 _____ it _____ be charged more for engine _____ if _____ problem turns out to _____ complicated _____?
 _____ already complicated _____ in engine diagnostic _____ there be additional _____?
 When my _____ further investigation _____ compounding _____ will _____ cost me _____ money?
 _____ a diagnostic _____ complex _____ is _____ added costs?
 _____ the problem is _____ than expected, _____ there _____ additional _____ for engine _____?
 _____ the diagnosis shows a _____ complicated issue _____ have to pay _____?
 Is _____ additional _____ engine _____ complicated?
 If the _____ out to _____ more _____ will additional charges be _____ diagnostics?
 _____ I have to pay _____ for _____ diagnostics _____ turns _____ issue is _____?
 _____ diagnosis _____ a _____ challenging problem _____ the _____ my _____ will _____ be additional costs?
 _____ engine problems are _____ more _____ you _____ to _____ diagnostic?
 If _____ engine issue becomes _____ may _____ fees _____?
 _____ the _____ out _____ be more _____ than anticipated, _____ be more charges for _____?
 When an _____ turns out to be _____ complicated _____ diagnostics, _____ additional _____?
 _____ there _____ supplementary expenses _____ deviated from _____ assumed _____ when _____ automotive _____?

_____ there _____ fees _____ an _____ issue _____ out to be _____ ?
 _____ I _____ if it finds a bigger problem with _____ car's _____ ?
 If engine trouble _____ what _____ do we need _____ ?
 _____ more cost _____ engine _____ than we _____ discussed?
 _____ a complicated matter _____ discovered in an _____ apply?
 _____ additional charge _____ intricate _____ problems during diagnostics?
 Should the issue _____ vehicle's _____ become more complicated than _____ for _____ tests?
 _____ pay more _____ an in-depth _____ on my engine _____ we assumed at first?
 _____ it _____ out to _____ complicated, _____ may be _____ fee for engine _____.
 _____ issue _____ more complicated than _____ pay _____ for the _____ diagnostics?
 _____ turns out _____ be more complicated than _____ charged extra _____ the engine diagnostics?
 _____ the diagnosis _____ a more _____ with my _____ do _____ need to _____ ?
 Will _____ an _____ diagnostic _____ engine _____ what we assumed at first?
 Do _____ fees for _____ services _____ the _____ with _____ is more complex than thought?
 Is _____ additional _____ engines are caused by _____ during diagnosis?
 _____ it _____ out _____ issue is more complex than expected, _____ have to _____ more _____ ?
 _____ problem _____ more complicated _____ anticipated, _____ I be _____ for _____ diagnostics.
 _____ diagnosis uncover a more _____ problem with the _____ car, this _____ incur _____ ?
 _____ there an additional _____ an _____ diagnostic on _____ beyond what _____ first?
 _____ there _____ specific charge _____ the diagnostics _____ a more _____ problem _____ my vehicle's _____ ?
 _____ the additional costs _____ diagnosis _____ more challenging problem _____ my _____ motor?
 Would _____ an intricate concern _____ vehicle _____ costs?
 Is _____ cost me _____ money if _____ vehicle's _____ needs further _____ ?
 Extra _____ engine _____ out to _____ complicated?
 Would uncovering _____ concern _____ increased costs _____ vehicle trouble-detection _____ ?
 _____ I have _____ more for _____ engine _____ after _____ we first _____ ?
 Should _____ pay _____ if _____ diagnosis finds a _____ complex _____ car's _____ ?
 _____ more _____ diagnosis _____ a more complicated problem _____ my car's _____ ?
 _____ any added _____ for intricate _____ ?
 Can there be _____ incurred charges _____ engine _____ initial _____ are _____ ?
 _____ there _____ extra fee _____ the engine _____ a _____ we thought?
 Should _____ pay _____ engine diagnostics if it turns out _____ the issue _____ ?
 If _____ issue turns _____ be more _____ than _____ additional _____ engine diagnostics?
 _____ I _____ to pay more _____ engine diagnostics _____ is more _____ anticipated?
 _____ already complicated matter is _____ engine test, _____ charges apply?
 If an _____ is discovered _____ an engine diagnostic _____ charges be _____ ?
 _____ there _____ charge _____ engine _____ the problem is _____ complex?
 _____ the _____ my vehicle's engine _____ to be _____ anticipated would _____ additional charges for diagnostic _____ ?
 Is _____ for _____ engine problems?
 _____ there _____ engine _____ problem is found _____ be more complex?
 Would uncovering an _____ more _____ for vehicle trouble-detection _____ ?
 When my _____ diagnostic requires further investigation _____ me more?
 Is _____ a _____ for _____ if the issue is _____ than _____ ?
 _____ uncovering _____ complex _____ increased costs _____ trouble detection procedures?
 _____ there an added fee _____ the problem _____ is _____ to _____ more _____ ?
 Should the _____ with _____ be more complicated than _____ additional charges for diagnostic _____ ?
 What are _____ expenses _____ problems _____ during diagnosis?
 Do _____ have to _____ to diagnose the _____ it's _____ harder problem _____ thought?
 _____ there _____ extra fee _____ diagnosis _____ engine if _____ a harder _____ ?
 _____ engine _____ worse, _____ there be more money _____ ?

_____ additional costs _____ the diagnosis _____ a more _____ the motor of _____ automobile?
 _____ there extra _____ issues _____ complicated?
 If my _____ is found _____ be _____ complex, _____ be _____ fees _____ testing?
 Is there _____ engine diagnosis shows that the _____ exceeds _____?
 _____ case the problem ends _____ being _____ originally thought, can you tell _____ about _____ costs associated _____?
 _____ additional charges _____ engine diagnostics _____ things don't go _____?
 Is there _____ incurred for _____ engine _____?
 Is there _____ charge _____ applies _____ more complex problem _____ vehicle's engine _____?
 _____ additional _____ if engine _____ turn _____?
 _____ any extra _____ when the _____ diagnosis _____ complex?
 Do I _____ to _____ more _____ engine _____ if it turns _____ is _____ than expected?
 _____ complex _____ with my _____ engine, should there be any _____?
 _____ turns _____ more complicated, _____ there _____ extra fees for engine _____?
 Should _____ be applied when _____ in _____ engine diagnostic test?
 _____ there _____ additional _____ for engine diagnostics if the _____ found _____ be _____ than _____?
 If my _____ is _____ to be _____ an _____ fee for _____ tests?
 _____ an issue turns _____ be more complex _____ there _____ additional charges _____ diagnostics?
 _____ the _____ challenging _____ with the motor of my _____ will _____ be additional _____?
 _____ added costs for intricate engine _____ found _____?
 _____ to diagnose the _____ case _____ a harder problem _____ we thought?
 _____ engine diagnoses show _____ the _____ is _____ an extra fee?
 Increased costs _____ trouble _____ procedures _____ result from _____ a _____ intricate _____.
 Can _____ be additional _____ for _____ the problem _____ to be _____ complex than _____?
 Is _____ additional fee _____ engine _____ the _____ is more _____ than _____?
 _____ extra fees _____ the _____ issues _____ complex?
 _____ problem with my _____ found to be more _____ there _____ added fee for _____?
 Is there _____ specific _____ diagnostics _____ more complex _____ with _____ engine?
 _____ a _____ in my car's engine issue, should _____ additional charges?
 If _____ problem with my engine is found _____ diagnostic tests?
 If an _____ turns into more _____ extra _____?
 If _____ problem ends up being more complex _____ thought, _____ tell _____ costs associated _____ diagnostics?
 _____ I _____ an extra fee _____ diagnostics _____ problem is _____ than expected?
 _____ the diagnosis find _____ more _____ to _____ motor of _____ will incur additional costs?
 _____ the issue is _____ complicated _____ expected, _____ I have _____ extra for _____?
 Is _____ an _____ for engine _____ the _____ out _____ be more complex than _____?
 _____ for an _____ diagnosis that _____ the problem _____ expectations?
 _____ I pay _____ if _____ a more complex _____ with _____ engine?
 _____ the _____ up being _____ than _____ thought, can _____ tell me of _____ supplementary _____ associated _____ diagnostics?
 _____ ends up _____ more complex than _____ thought, can you _____ me _____ costs _____ engine _____?
 _____ there an _____ fee if the _____ the problem _____?
 If _____ turns out _____ than anticipated, will _____ more for engine diagnostics?
 _____ any _____ for diagnostic tests _____ the issue _____ my _____ engine _____ complicated than anticipated?
 _____ it turns _____ to _____ complicated, _____ more _____ you _____ for engine diagnostics?
 _____ extra _____ to _____ the engine _____ a more _____ than we thought?
 _____ initial assessments show _____ the machinery, _____ more _____ be _____?
 _____ issue _____ my vehicle's engine _____ to be _____ than expected, _____ there be more charges _____?
 If _____ engine problem turns _____ anticipated, will I _____ charged more for engine _____?
 Extra fees may be _____ more complicated.
 _____ the _____ shows a more complicated issue _____ car's _____ I have _____?

_____ there _____ added _____ if the problem _____ the engine is more _____?
 Should _____ issue turn out _____ than _____ will there be further _____?
 _____ the _____ finds a _____ complicated issue _____ car, will _____ need _____ more?
 _____ there an _____ diagnostic _____ the _____ with my car's _____ is more _____ than initially _____?
 If _____ ends _____ being more complex _____ thought, _____ you _____ costs associated with engine diagnostics?
 _____ fee for engine _____ that _____ the problem _____ expectations?
 When _____ straightforward _____ becomes more _____ in engine diagnostics, _____ arise?
 Will I need _____ an in-depth diagnostic _____ my _____ than _____?
 Wouldn't _____ an intricate _____ result in _____ costs _____ vehicle _____?
 _____ problem is _____ to be more complex _____ are _____ any charges _____?
 _____ you _____ me about any _____ associated _____ engine _____ problem _____ up being more complex than _____?
 _____ turn out to be _____ than _____ more charges be _____ diagnostic work?
 _____ charges that arise _____ intricate engine _____?
 _____ trouble is worse, _____ there _____ pay for diagnostic?
 If the problem _____ my engine _____ more complicated, are _____ added _____ diagnostic tests?
 _____ will _____ extra fees _____ diagnostics if the _____ turns out _____ more _____ than _____.
 Will an _____ my _____ cost _____ more _____ I thought?
 Should _____ with my vehicle's engine prove to be _____ anticipated, _____ be _____ diagnostic tests?
 Will _____ more for engine diagnostics _____ problem _____ more _____ than I _____?
 _____ are _____ if _____ engine issues _____ complicated.
 If the diagnosis finds a _____ engine, is _____ necessary _____ pay _____?
 _____ have _____ for _____ diagnostics _____ the problem is worse than _____?
 Should _____ issue _____ intricate than anticipated _____ more charges _____ diagnostic _____?
 Should the _____ my vehicle's engine prove to _____ more _____ are _____ for _____ testing?
 Is diagnosis of _____ subject _____ fees?
 Is _____ of the intricate problems identified after _____ initial inspection of _____?
 Will there _____ an _____ fee for _____ diagnostics _____ problem _____ more _____ expected?
 If the _____ complicated _____ expected, _____ I pay more for _____?
 _____ diagnoses _____ added _____ if there are complex _____?
 _____ there any _____ associated with _____ diagnostics _____ the problem _____ up _____ complex than originally _____?
 _____ the _____ diagnostics _____ out to be _____ there _____ extra fees?
 _____ you have extra _____ for diagnostic services if _____ issue _____ car's _____ complicated than _____?
 Should the diagnosis find a more _____ with _____ of _____ car, _____ additional _____?
 Would discovering an intricate concern _____ to _____ procedures?
 Can there be _____ for engine diagnostics _____ there _____ than _____?
 _____ an _____ complex matter _____ discovered in _____ diagnostic _____ additional charges _____?
 _____ to pay _____ for _____ diagnostics if _____ be more complicated than I thought?
 Is there _____ for _____ services if the issue with _____ car's _____ than previously _____?
 Is there _____ fee for engine diagnostics _____ to be _____?
 Should _____ issue with my _____ engine _____ more complicated _____ there _____ charges for diagnostic _____?
 If the _____ bigger issue with my _____ need to _____ more?
 Can you _____ if _____ are _____ additional costs associated with engine _____ the _____ up _____ than originally thought?
 Should I _____ supplementary charges _____ diagnosis shows _____ my _____ issue _____ complex?
 _____ there additional _____ for _____ engine _____ during _____?
 _____ an _____ cost _____ the _____ diagnosis is complex?
 _____ any _____ the engine diagnosis is difficult?
 Is _____ additional costs _____ when an initially assumed straightforward matter _____ engine _____?
 _____ be additional _____ for _____ diagnostics if _____ is found _____ complex than thought.
 Would uncovering _____ intricate _____ result in _____ costs _____ detection?
 _____ charges for intricate _____ during diagnostics?

Is there extra _____ the engine _____?

If _____ engine problem is _____ be _____ complex, _____ be any _____ fees _____ tests?

When an _____ complicated matter _____ in _____ engine _____ additional _____ apply?

Would discovering _____ surprisingly _____ in _____ costs for vehicle _____ procedures?

_____ is worse, _____ more _____ pay for diagnostic?

_____ there any added expenses found _____ intricate _____?

_____ would like to know _____ are any additional _____ with _____ if the _____ ends _____ being more _____ than _____.

_____ with my vehicle's engine _____ more complex, _____ there additional charges _____ diagnostic _____?

_____ the problem _____ out _____ complicated _____ will there be _____ fees for engine _____?

_____ it possible _____ to arise _____ a straightforward matter _____ more _____ diagnostics?

If _____ complicated than anticipated will _____ be charged more _____?

_____ I have _____ for engine diagnostics if _____ issue _____ than expected?

_____ going _____ cost _____ when _____ diagnostic needs more investigation?

If _____ greater complexity _____ my car's engine issue, should _____ be expecting _____?

_____ the _____ finds a _____ complex _____ car's _____ do I need _____ more?

There may be _____ charges _____ problems during _____.

_____ fees _____ intricate engine issues?

_____ the issue _____ car's engine _____ complicated than _____ thought, do _____ have _____ for diagnostic services?

_____ diagnosis lead _____ a _____ challenging _____ with _____ motor _____ car, or _____ it cost me _____?

Is _____ fee _____ diagnostic _____ the _____ with _____ car's _____ is more complicated than thought?

Will the _____ a _____ challenging problem _____ the _____ of _____ car, _____ will it _____ more?

If the _____ to _____ than expected, _____ I _____ to pay an _____ fee for engine _____?

_____ the _____ ends up _____ more complex than you initially thought, can _____ me _____ costs _____?

Can _____ more incurred _____ for _____ diagnostics when _____ assumptions _____ exceeded?

If _____ diagnostics turn out to _____ complicated, should _____ fees?

_____ an engine _____ shows the _____ initial _____ there _____ added fee?

Is there _____ engine _____ complex?

If the _____ is _____ more _____ do there _____ additional _____ for engine diagnostics?

If the _____ trouble _____ more do you need _____ diagnostic?

_____ are possible _____ engine problems.

_____ trouble is _____ more should _____ for diagnostic?

If _____ discovers a _____ motor of my automobile, will it _____ me more?

Will _____ be more costs _____ in-depth _____ on _____ we assumed?

_____ additional charges _____ diagnostic _____ the issue _____ vehicle's engine _____ to _____ more _____ than anticipated?

Does _____ have _____ additional charges for engine diagnostics _____ problem is _____?

Is there _____ added costs _____?

Should _____ into _____ than _____ there be additional charges for diagnostic _____?

_____ issue with _____ engine _____ to _____ than _____ should I pay more for diagnostic _____?

_____ issue with _____ car's engine _____ more _____ originally _____ there any additional _____ for diagnostic _____?

Should _____ a more _____ motor of my automobile, _____ this cost more?

_____ intricate concern going to _____ costs _____ detection procedures?

Should _____ of preliminary _____ challenging problems _____ the machinery, _____ be incurred?

Is _____ any additional costs _____ an extensive _____ beyond _____ first _____?

_____ it _____ out the _____ is _____ complicated than anticipated, _____ I _____ to _____ for engine _____?

_____ concern _____ in more costs for vehicle _____ detection?

Will _____ additional costs for _____ engine _____ we first _____?

Will _____ extra _____ for engine _____ the problem _____ more _____ than anticipated?

Should the _____ my _____ engine _____ be _____ than _____ there _____ additional charges for diagnostic tests?

If _____ issue with my _____ engine is _____ you _____ more for diagnostic services?

If _____ problem _____ out _____ will I be charged _____ fee for engine diagnostics?

_____ issue with _____ prove _____ more _____ than expected, _____ should _____ additional charges for diagnostic tests?

Should _____ diagnosis find _____ more _____ problem _____ to _____ motor of my car, this _____ _____ ?

_____ an intricate _____ in increased costs associated with _____ ?

Should _____ discover a _____ problem _____ the _____ automobile, it will cost _____ ?

In case _____ problem _____ more complex than _____ thought, can _____ me _____ additional _____ associated _____ engine _____ ?

_____ diagnosis _____ more _____ problem related _____ the _____ my car _____ to cost more?

_____ complicated _____ discovered _____ the engine diagnostic tests, should additional _____ be _____ ?

_____ already complicated matter is _____ in _____ diagnostic test, _____ additional _____ ?

Will _____ be _____ the problem becomes _____ complicated later?

_____ pay _____ the diagnosis _____ it finds a more complicated _____ with _____ ?

If the _____ up _____ more complex _____ can you _____ any _____ costs for _____ diagnostics?

If _____ engine is found to be _____ there any _____ ?

In case _____ ends up _____ more _____ than thought, _____ any _____ costs _____ with engine diagnostics?

_____ be _____ for check-up after _____ problem becomes more _____ ?

I want to _____ there are any _____ diagnostics _____ problem ends up _____ more complex than _____ .

If _____ found to be more _____ than first _____ there _____ additional _____ for _____ diagnostics.

I _____ like to _____ are _____ associated with engine diagnostics if the _____ more _____ than _____ thought.

When an _____ matter is found _____ engine _____ tests, _____ charges _____ ?

Do you _____ more _____ if _____ issue _____ my car's engine _____ more _____ than originally _____ ?

If your _____ shows _____ larger complexity in _____ should I _____ more _____ ?

Is there _____ fees _____ services _____ the issue _____ my car's _____ is _____ ?

Is _____ any _____ charge _____ engine problems _____ diagnostics?

Is _____ extra _____ if the diagnosis discovers a more _____ problem _____ motor of _____ ?

_____ diagnosis discovers a _____ car's _____ should I expect supplementary charges?

If the issue _____ more _____ anticipated, will _____ to pay _____ ?

Would _____ an _____ increase the costs associated _____ trouble _____ ?

If the issue turns out to _____ more complex than expected, _____ engine _____ ?

_____ need to pay more _____ engine diagnostics if _____ turns _____ the problem _____ anticipated?

If an engine _____ will fees _____ added?

I _____ know if I'll face additional _____ engine _____ .

_____ engine trouble _____ do they _____ to _____ for diagnostic?

_____ an _____ is more _____ will extra fees _____ ?

_____ assumed _____ more complicated in _____ diagnostics, will there be _____ costs?

If _____ problem _____ more complicated _____ will I _____ pay more for engine diagnostics?

If the problem _____ to be _____ complex _____ expected, will _____ for engine _____ .

_____ discovers a more _____ related to the motor of my _____ it _____ costs?

If the diagnosis _____ a _____ challenging problem _____ to the _____ the car, _____ additional _____ ?

Is _____ extra _____ if _____ issues _____ complicated?

If the _____ ends _____ being _____ complex than _____ thought, _____ me _____ costs associated with engine _____ .

If _____ diagnosis _____ a _____ problem with _____ motor _____ will there be additional _____ ?

If the _____ discovers a more challenging problem related _____ will _____ more?

_____ any more charges _____ engine _____ ?

_____ higher rates _____ trying to _____ challenging engine _____ ?

_____ expenses _____ during the diagnosis _____ intricate _____ ?

If _____ out _____ be more complicated, _____ extra _____ diagnostics?

Should the _____ preliminary assessments _____ machinery, will more fees _____ ?

_____ there an _____ fee _____ the engine _____ it _____ a harder _____ we _____ ?

_____ complicated _____ is discovered during _____ engine diagnostic test, _____ charges _____ ?

If _____ turns out _____ be _____ may _____ more _____ engine diagnostics.
 _____ the diagnosis _____ challenging problem with _____ motor _____ my _____ it will _____ costs?
 _____ the _____ more complicated _____ anticipated, _____ to pay more _____ the engine _____?
 _____ the _____ being more _____ than you originally _____ can _____ tell _____ costs associated _____ engine diagnostics?
 _____ engine _____ turns out to _____ complicated _____ expected, _____ I be charged more _____?
 _____ engine _____ what _____ do _____ need to pay _____ diagnostic?
 Do _____ for diagnostic _____ if the _____ my car's _____ is _____ complicated than originally _____?
 _____ there extra _____ engine issues _____ complicated?
 _____ may be _____ engine _____ become complicated.
 _____ trouble _____ worse, is _____ to pay for _____?
 _____ the engine diagnostics _____ out _____ more complicated, will _____ additional _____?
 Do I _____ to pay _____ engine diagnostics _____ it _____ issue is more _____ thought?
 Is _____ fees for _____ tests _____ problem _____ my engine is found to be _____?
 _____ you discover a _____ in my car's _____ should _____ expect _____ charges?
 _____ additional _____ if engine diagnoses show that _____ initial expectations?
 _____ there _____ added _____ intricate _____ problems found _____ the diagnosis?
 Is _____ a _____ charge for _____ with my vehicle's engine _____ found?
 _____ my _____ engine prove to be _____ complex than _____ there be additional charges for _____?
 _____ a _____ matter is discovered _____ an _____ do additional charges _____?
 Extra _____ may apply if _____ issue _____ more _____.
 _____ there _____ charge _____ when _____ show a more complex _____ with _____ vehicle's _____?
 _____ there additional charges for _____?
 Is there _____ surcharge _____ diagnostics _____ are intricate problems _____?
 When an _____ in _____ diagnostic tests, do _____ charges apply?
 Will _____ charges for diagnostic _____ if the issue _____ my _____ engine _____ complicated than _____?
 Is _____ fee _____ diagnostic _____ if the _____ problem is _____ later on?
 If _____ my _____ engine is _____ complicated than _____ thought, do _____ have any _____ for _____ services?
 Would _____ be supplementary expenses _____ deviated _____ initially assumed _____ faults?
 If _____ to _____ more _____ than _____ will I be _____ for Engine diagnostics?
 _____ an intricate _____ result _____ higher _____ for vehicle _____ procedures?
 Is there anything _____ for diagnostic _____ the engine _____?
 _____ is _____ expected, will I _____ more for engine diagnostics?
 _____ a specific charge _____ a more complex _____ with _____ is detected?
 _____ to _____ if there _____ additional costs _____ with engine _____ the problem _____ more _____ than thought.
 _____ there an _____ fee _____ the _____ of the _____ case it's a _____?
 _____ issue _____ my vehicle's engine prove to _____ than _____ can there _____ additional charges _____ tests?
 Will _____ additional costs _____ incurred _____ discovers _____ more _____ problem _____ the _____ of my car?
 _____ necessary to pay more _____ finds _____ issue _____ my car's engine?
 _____ an _____ becomes more complicated in engine diagnostics, can there _____?
 _____ have to pay _____ if the _____ shows _____ more _____ my car?
 If _____ diagnosis _____ that _____ car's engine issue _____ complicated, should I _____?
 Is _____ going _____ cost me _____ money _____ further investigation _____ compounding difficulties?
 When an _____ complicated _____ diagnostic test, do _____ additional charges apply?
 Is the _____ engine _____ subject to increased _____?
 Is _____ any added _____ when _____ more complicated _____ engine diagnostics?
 Is there _____ additional fees _____ it becomes _____ complex?
 Should the _____ a _____ challenging problem _____ the motor of _____ automobile, _____?
 _____ there _____ that apply when _____ problem with my _____ is revealed?
 _____ the _____ more _____ than _____ additional charges apply for _____ diagnostics?
 Should the issue _____ my _____ prove to _____ should _____ be additional charges for _____ tests?

____ there be additional charges ____ after the ____ appears ____ ?
 ____ problem ____ engine is ____ complex, are there ____ added ____ for the ____ ?
 Is ____ any ____ for diagnostic tests if the ____ my ____ later?
 ____ belief ____ exceeded during ____ diagnostics, are ____ fees involved?
 Can ____ charges for ____ tests ____ the ____ my vehicle's engine ____ complicated than anticipated?
