

[Demo] NLP Dataset for Customer Service Automation

Company Type	Electricity Suppliers
Inquiry Category	New service connection requests
Inquiry Sub-Category	Alternative energy options
Description	Customers express interest in exploring alternative energy options, such as solar or wind power, and seek information on the feasibility, benefits, and processes involved in connecting these sources to the electricity grid.
Data Size	13,486 paraphrases

Masked sample paraphrases of one "Electricity Supplier" customer inquiry. (Purchased data will not be masked.)

How can _____ is suitable for generating its own _____ renewables such _____ or _____ power?
_____ if _____ property _____ renewable energy?
_____ possible to _____ if _____ solaw/wind options _____ us generate _____ own _____?
Is it _____ to generate renewable _____ like _____?
_____ would _____ if wind _____ power is feasible _____ my location.
_____ it _____ give guidance on assessing the suitability _____ for _____ renewable _____ from _____ or wind turbine?
_____ know _____ my property _____ make _____ using renewable sources?
Is my _____ to _____ energy?
_____ it possible _____ you to _____ own _____ solar/wind?
_____ my property suitable for _____ like solar _____?
_____ I determine if my property _____ energy?
_____ don't know _____ solar/wind _____ place.
How _____ out _____ my property _____ solar or wind _____ for electricity _____?
I would like _____ if _____ solar/wind power _____ would work _____.
_____ wonder if _____ or _____ can be _____ for my _____.
_____ if solar/wind _____ works in my area?
_____ wondering if my _____ for _____ its _____ with _____ use of _____ or wind power.
_____ any _____ to check the _____ of renewable _____ on _____?
_____ my property _____ to _____ or wind for _____?
Can _____ help determine _____ supports solar and _____ energy?
Is _____ possible to use _____ from sun _____ wind _____?
Can the _____ from _____ wind _____ the place?
_____ possible to _____ out whether I can _____ renewable _____ premises?
_____ it possible to _____ electricity from solar _____ wind _____?
_____ for _____ property _____ make its own _____ using renewable _____?
Can _____ me _____ out _____ solar _____ wind _____ are feasible on my _____?
Can _____ tell me _____ my _____ suitable _____ its own _____ through renewable _____?
I _____ wondering if I can _____ like _____ on _____ generate electricity.

What _____ take _____ is capable of generating its _____ energy?

_____ the _____ of using solar _____ wind _____ home?

_____ find out _____ property is suitable _____ generating energy from _____?

Can I determine if my _____ renewable _____?

Can _____ out _____ power is feasible at my _____?

Is _____ a _____ to _____ if _____ can produce clean _____?

I was wondering _____ check the renewable _____ of _____ for _____.

_____ property suitable for _____ renewable _____ solar _____ wind?

I _____ could be used to _____ on _____.

_____ my property is capable of _____ its own renewable _____?

Is it _____ my _____ self-sustaining _____ through _____ and _____ renewable sources?

Is _____ property able _____ handle _____ or _____ its own _____?

_____ if _____ property can be used _____ clean energy from renewable _____.

I _____ site supports self sustaining energy _____ through renewable _____.

_____ curious _____ it's possible _____ renewable _____ from _____ sun or _____ on my _____.

_____ it possible to generate _____ own by _____?

_____ and _____ power _____ in _____ area?

_____ wondering _____ my property _____ or _____ ready.

_____ the _____ its own _____?

_____ are _____ to assess _____ renewable power _____ solar or wind _____ feasible _____ property.

_____ be used _____ electricity generation _____ sources like _____ or wind?

_____ can _____ to verify _____ of a _____ to use _____ sources?

_____ it _____ to _____ renewable _____ using _____ or wind _____ work for me?

_____ it _____ to assess _____ using _____ wind _____ be practical on my property?

_____ it possible _____ verify _____ property is capable _____ producing _____?

_____ I determine _____ can _____ renewable _____ on _____ premises?

I want _____ know _____ my property is _____ producing _____ sources.

Can you _____ me if _____ can _____ renewable _____ with _____ like solar/wind?

_____ if it is possible _____ renewable _____ from _____ winds _____ my land.

I need guidance _____ the _____ my _____ for _____ renewable _____ sources like solar _____.

Is it _____ to _____ the sun or _____?

_____ need guidance on assessing _____ of my premises _____ energy from sources _____ solar _____ turbine.

_____ I _____ if _____ property _____ a good place _____ generate electricity _____ sources?

_____ like _____ know _____ my _____ ready for _____ and wind power.

_____ you help me figure _____ site supports _____ energy _____ renewable _____?

_____ done to _____ the _____ of a _____ in using renewable _____?

_____ capable of _____ renewable sources like solar or _____?

Can my property _____ resources?

How _____ I _____ if my property is apt for _____ green _____?

_____ can _____ my _____ suitable for generating its own _____ renewable energy sources?

_____ want to _____ can verify my _____ renewable _____ capacity.

I _____ to know if _____ wind _____ work on my _____.

_____ my _____ suitable _____ energy, _____ I determine it?

Is _____ possible to _____ your _____ or wind?

_____ possible for _____ to _____ me _____ panels _____ turbine installations _____ feasible on my property?

_____ I _____ my home can _____ renewable energy?

Is it possible _____ verify whether the use _____ elements like _____ or _____ on _____?

I need help _____ my _____ for solar _____ wind _____.

_____ to _____ my _____ produce its own renewable electricity.

I _____ to know _____ assess the aptness _____ generating _____ power.

Will renewable energy from ____ sun ____ winds ____ on ____?

____ renewable energy from ____ or winds onto my land?

Is ____ possible ____ my ____ solar or wind power in ____?

____ would like to find ____ my property ____ suitable for ____ energy from ____ sources ____ wind.

____ want to ____ my property ____ for producing clean energy ____ renewable ____.

Will clean energy from ____ be ____ on ____?

____ you tell ____ if ____ property ____ for generating ____ own ____ from ____ or wind?

____ to ____ if ____ land is ____ of generating ____ from ____ energy sources.

I want to know if my ____ is suitable ____ renewable ____ wind ____ solar.

____ it possible ____ sunlight ____ energy at my ____?

How ____ I find ____ my land has the ____ wind and solar?

____ to ____ if ____ for ____ energy ____ sources like solar panels or wind turbine.

____ out if ____ power suits my place?

Is ____ a way ____ wind energy ____ be ____ on one's ____ premises?

____ want ____ if my property ____ produce clean ____ renewable sources ____ solar.

____ I ____ my ____ supports ____ energy?

Would you like ____ know if renewables' ____?

Is ____ property good for renewable ____ or ____?

Is ____ possible ____ yourself using ____ and wind?

Can I ____ if ____ property ____ appropriate ____ wind ____ power?

____ possible ____ harness renewable ____ from ____ sun or ____ on ____ land?

I ____ if ____ can ____ viable here.

____ determine ____ feasibility of generating ____ or ____ at my home?

Is ____ possible to ____ windpower at ____?

Will using ____ energy from ____ generation ____ one's ____?

What ____ be the ____ way to ____ of my property for ____?

____ solar or wind ____ possible ____?

____ help me figure out ____ installing ____ solar ____ or wind ____ is ____?

____ if my ____ is ideal for ____ generation.

Is ____ possible to ____ the ____ clean ____ through renewable ____ as ____ and wind?

____ do I know if my property ____ use ____ energy ____ power?

What steps ____ take to ____ my house ____ its own ____?

Can ____ see ____ solar/wind ____ viable ____?

____ you looking for confirmation ____ the ____ of renewable ____?

____ you ____ if ____ property is ____ solar ____ wind power?

I ____ to know if ____ sustainable ____ on my premises.

Is ____ to ____ ways to harness renewable ____ wind on ____ land?

____ determine if ____ property ____ for wind and ____ power?

____ out ____ or ____ power ____ feasible in my area?

____ wondering if ____ solar ____ wind ____ of buying electricity.

____ there ____ way for me ____ check out ____ power ____ property?

____ want ____ know if anyone can help ____ my ____ renewable ____.

Is ____ property ____ ideal place ____ electricity?

Is ____ to ____ derive sustainable ____ from renewable sources?

____ can ____ to ____ if ____ property can ____ clean energy?

Can ____ me ____ if ____ property ____ suitable ____ generating ____ own electricity using renewable energy ____?

Will ____ be possible to ____ I can ____ renewable sources?

Is ____ electricity from ____ wind ____ on my property?

____ it ____ harness ____ renewable ____ from the sun or ____ my ____?

____ a way ____ if my ____ can use renewable ____ energy?

____ you seeking ____ home's suitability ____ renewable fuels?
 ____ it viable ____ my property ____ used ____ generation from renewable ____?
 ____ am ____ solar/wind ____ my place.
 ____ possible ____ generate electricity using ____ the site?
 Do ____ how ____ could check ____ see ____ installing a ____ system ____ work ____ me?
 ____ I ____ if wind ____ power works ____?
 I would ____ if ____ property ____ suitable for generating ____ own ____ sources.
 ____ anyone ____ me if my place ____ renewable energy ____?
 Can I ____ property can ____ solar ____ power to produce ____ own ____?
 ____ use ____ on site?
 Is ____ possible ____ my ____ handle solar ____ wind ____ it's ____ juice?
 ____ there a ____ to ____ if ____ or ____ is viable ____ one's own ____?
 Is there a ____ make ____ that ____ or wind ____ is feasible on ____?
 Is ____ to ____ using solar ____ wind?
 There ____ a way for me ____ out ____ or wind power ____ on ____.
 ____ can ____ determine if my land is capable of producing ____?
 ____ know ____ could ____ electricity using solar ____ wind.
 ____ you think ____ power with sun/wind ____ here?
 ____ use ____ options to ____ our own electricity ____ location?
 I want to know if ____ wind ____ can ____.
 I ____ if ____ could ____ electricity ____ solar/wind ____ site.
 How should I find out if ____ is ____ power ____ or ____ sources?
 I want ____ my ____ a ____ place to use ____.
 ____ feasibility check ____ see ____ with ____ can be ____ here.
 I want to know ____ is ready for ____ or ____.
 Are you ____ confirmation ____ suitability ____ renewable energy?
 Are ____ able to ____ the suitability of my premises ____ creating renewable energy from sources ____ solar ____?
 Are ____ property ____ for ____ wind ____?
 ____ should I assess ____ aptness of my ____ green ____ solar or ____?
 ____ I ____ on ____ to ____ electricity?
 ____ help me determine ____ installing ____ technologies, like ____ panels ____ wind turbine, ____?
 ____ can I ____ to check ____ renewable ____ on ____ property?
 I ____ to ____ if ____ property ____ make its ____ from ____ sources.
 I ____ to assess ____ aptness ____ green ____ through solar or wind.
 ____ property use ____ sources ____ energy ____ power?
 ____ you tell me ____ can use ____ property to ____ renewable electricity ____?
 ____ possible ____ assess if renewable ____ using ____ wind energy would be practical ____ my ____?
 How do ____ if ____ can use renewable ____?
 ____ I can generate ____ electricity on my ____ like ____ and solar.
 Do ____ want ____ on the home's ____?
 ____ to ____ me determine if I can ____ renewable electricity on-site at ____.
 Is ____ a way ____ confirm ____ can produce ____?
 Is ____ a ____ to ____ if my property ____ power for ____ own energy?
 Is it ____ use ____ sunlight at ____?
 ____ may ____ ways to assess a ____ for ____ production.
 How ____ my ____ can generate renewable electricity?
 Is ____ any information on how to harness ____?
 I ____ to know ____ wind ____ power is ____.
 Can my ____ be ____ ideal place ____ renewable ____?
 Is ____ possible to ____ electricity ____ renewable ____ like ____ and ____?

_____ it possible to determine _____ my _____ renewable energy.
 Is _____ assess whether my _____ the potential to _____ through renewable _____?
 Is there _____ way to _____ of _____ elements _____ or _____ on _____ premises?
 If _____ property can _____ its own green _____ or wind _____ is _____ see it?
 How _____ I _____ out if my property _____ for _____ sources?
 _____ I do to make sure _____ suitable for _____ its _____ energy?
 Will solar or _____ for _____ property?
 _____ it possible to _____ on my property using _____ sources like _____?
 _____ it possible _____ renewable energy _____?
 Is solar/wind _____ appropriate _____?
 Can _____ supports energy production using renewable sources?
 _____ it feasible to _____ or wind at _____?
 _____ do I _____ if _____ property can use _____ energy _____?
 _____ my property handle _____ and _____?
 _____ can I find _____ property is suitable _____ generating its own _____ or wind _____?
 Is _____ possible to _____ electricity with _____ power?
 Is there a _____ to _____ solar or wind _____ my house?
 Is it possible _____ my _____ its _____ renewable electricity with _____ like _____?
 _____ power compatible with _____?
 _____ like to know if _____ place _____ solar/wind.
 Can _____ be _____ or _____ power _____ my _____?
 Is it _____ determine _____ supports renewable energy?
 What can _____ verify _____ can provide clean energy?
 _____ property _____ power from the _____ wind?
 Is my property _____ place _____ generate _____ renewable _____?
 _____ I _____ property's aptness for _____ green _____ through solar or _____?
 I want to _____ if my _____ wind _____ produce its _____ electricity.
 Can _____ me determine _____ my site _____ renewable _____?
 Is there _____ way _____ a property's _____ potential?
 _____ can _____ find _____ my property _____ suitable _____ generating _____ electricity from _____ sources.
 There _____ to _____ out if _____ possible _____ harness renewable energy _____ land.
 _____ can I _____ to verify the suitability _____ on _____?
 _____ to harness sustainable energy through renewable sources on _____?
 How _____ I discover _____ my property is _____ for generating its _____?
 I _____ know _____ installing _____ power systems would work _____ in generating _____.
 Can _____ place _____ renewable _____ in _____ way?
 _____ want to _____ if my place is _____ place _____ solar/wind _____.
 _____ my property _____ with _____ power?
 Is _____ to _____ if using solar/wind _____ generate _____ own electricity efficiently?
 Can someone help me _____ if installing _____ solar _____ or wind _____ feasible _____ my _____?
 How do I _____ my _____ generate its _____ renewable _____?
 _____ want _____ know _____ power is feasible for my _____.
 _____ place _____ ideal for _____ energy.
 Can _____ if the _____ production through renewable sources?
 Is _____ possible to _____ if I _____ harness _____ on _____ premises?
 _____ I determine _____ my _____ for wind or _____?
 I would like _____ if _____ wind power can _____ on _____.
 _____ are _____ for _____ feasibility of _____ solar or wind _____ home.
 Is _____ if using solar/wind _____ can _____ us _____ our own electricity _____?
 _____ am wondering if there are _____ resources _____ to _____ determine _____ I can _____ on-site at _____.

_____ to know if my _____ is _____ for producing _____ energy from _____ sources like _____.
 _____ my property is _____ for solar _____ power.
 _____ my property good _____ electricity?
 Will _____ be _____ to determine if _____ can _____ energy on _____?
 _____ I _____ sun _____ for power _____ my property?
 _____ it possible _____ whether _____ power generation _____ solar _____ is practical _____ property?
 Is it _____ to know if _____ renewable _____?
 _____ to _____ solar or wind power is _____ in _____.
 I wonder _____ can handle _____ or wind _____?
 Can _____ solar power for its own _____?
 _____ possible to see _____ property _____ renewable energy?
 _____ determine _____ of my property for generating _____ from solar or _____?
 _____ want to _____ out if _____ or wind _____ my house.
 _____ possible _____ if renewable sources of energy _____ be _____ premises?
 I _____ to _____ if my property _____ fit _____ producing clean _____ from _____.
 Is _____ to assess _____ power _____ solar _____ wind would be practical _____ property?
 I want _____ solar _____ suits my place.
 Is it _____ solar/wind and juice up _____?
 Can _____ determine if using on-site _____ is feasible _____ my _____?
 Is _____ property _____ ideal location _____ electricity?
 How _____ know _____ land possesses the potential _____ producing _____ energy _____ sources?
 Can wind _____ come _____ mine _____?
 Is there _____ find _____ property can use _____ energy?
 Is _____ possible to harness _____ energy _____ winds on _____ land?
 Is _____ feasible to harness renewable _____ sun _____ on _____ land?
 I _____ know _____ there are any _____ available that _____ if I can _____ at our _____.
 Is _____ a _____ to _____ can produce clean energy?
 I _____ to know if _____ property _____ or wind _____.
 Can you help _____ determine if _____ sources _____ solar and wind?
 _____ my property _____ for _____ electricity from the _____?
 What _____ the feasibility of using solar _____?
 Is it possible to harness _____ or winds _____ land?
 How can _____ check _____ my property is _____?
 Is _____ a way _____ make _____ that _____ winds _____ for _____ energy on _____ own premises?
 Can _____ tell _____ if _____ property is compatible with _____ renewable _____?
 I need _____ know _____ or wind power _____.
 _____ you looking _____ confirmation _____ suitability for renewables?
 _____ my place _____ renewable energy _____?
 _____ my _____ renewable energy?
 Is _____ a good _____ to _____ solar power?
 _____ the property _____ for _____ using renewable _____?
 Is it possible _____ is _____ renewable energy _____?
 I _____ know if solar or wind _____ viable _____ my _____.
 How _____ if _____ or solar power _____ good for _____?
 _____ someone _____ me if _____ renewable _____ solar _____ wind _____ is feasible?
 _____ wonder if my _____ can handle _____ wind _____ its _____.
 Is it _____ to _____ solar or _____ possible?
 Is there a _____ if _____ like solar or winds _____ one's _____ premises _____?
 I want _____ know if wind or solar _____.
 _____ determine if _____ power works _____ my location?

Is _____ property able to _____ power?

Any _____ that my _____ is ideal _____ energy _____?

Should _____ of _____ energy _____ generation be considered _____ premises?

Is there a way _____ determine _____ power _____ using _____ or _____ be practical _____ property?

Can my _____ sun _____ wind for _____.

How can _____ if _____ land is suitable for generating _____ sources?

_____ if you _____ the suitability of my _____ for creating _____ energy from _____ such as solar panels or _____

Is _____ can do _____ determine if I can _____ renewable electricity _____ we _____?

I _____ I can harness _____ wind power, _____ of buying _____.

I _____ help _____ assessing _____ of my premises _____ from _____ like solar panels or _____ turbine.

_____ you _____ self-power with _____ done here?

Can you _____ if my property is perfect _____ its _____ renewable _____?

Can my property _____ sun _____ wind _____ power?

_____ it possible to _____ myself _____?

Does _____ make sense to harness _____ from _____ on my _____?

_____ wondering if _____ renewable electricity on my _____ with resources _____.

_____ solar or _____ power _____ for _____ my property?

Is _____ possible to juice up _____?

Is it _____ to _____ from sun/wind generation _____ one's _____.

_____ use _____ or wind _____ for my _____ power?

I'm wondering _____ my property _____ be _____ renewable _____.

Should _____ property _____ for _____ renewable electricity _____ or _____ power?

I would _____ to _____ solar _____ power _____ my place.

I want _____ can _____ harnessed on my land.

I was wondering if _____ wind power _____ buying electricity.

_____ you _____ me _____ my site supports _____ of _____ sources?

I want to _____ can produce _____ energy.

Is it _____ sun and wind _____ for _____?

_____ you tell me if _____ site _____ solar and _____?

The _____ a property in using _____ photovoltaic _____ be verified.

Is _____ possible _____ my _____ be ideal for _____ generation?

_____ my place _____ energy generation.

_____ would like to _____ if my own electricity _____ wind.

_____ it possible _____ renewable energy _____ my _____?

I _____ to _____ installing solar/wind _____ systems _____ well in _____ electricity at _____.

Can one use _____ energy _____ sun/wind _____?

_____ it _____ if installing a solar/wind power system _____?

How can _____ fit for producing clean energy _____ renewable sources?

Can _____ how _____ could check _____ solar/wind _____ systems _____ at home?

_____ do I know _____ my property _____ make _____?

Is _____ a _____ to find _____ if _____ is _____ solar _____ my property?

_____ I find _____ my _____ capable _____ generating its _____ through renewable sources?

Is _____ a way to _____ if solar or _____ a property?

I _____ to know _____ my _____ be _____ or solar _____.

_____ to know if solar _____ wind _____ used on my _____.

Is there _____ to _____ the _____ energy on my _____?

_____ my property _____ for _____ electricity _____ renewable _____?

How should _____ aptness _____ my property for solar _____ power _____?

_____ my _____ for generating renewable _____?

_____ wondering if _____ is viable _____.

_____ find _____ if _____ property _____ for _____ electricity from renewable energy sources?

_____ me _____ if _____ property has enough solar _____ power?

Does _____ if _____ electricity _____ via solar/wind can work _____ parcel-by-parcel _____?

I _____ whether my _____ is suitable for _____ clean _____ from renewable sources _____ wind _____.

Can _____ electricity _____ on the _____?

_____ for self-power _____ sun and wind _____?

_____ to generate electricity _____ on site?

_____ you know what _____ could _____ the solar/wind _____ systems work _____ me?

_____ possible to _____ solar/wind _____ juice up _____ home?

Can _____ me _____ assessment of _____ creating _____ from sources like solar panels?

Can you _____ if my _____ for _____ its own _____ solar or wind _____?

_____ place produce renewable energy in a _____?

_____ or _____ come from _____ place?

I want _____ if _____ land has _____ potential to _____ green _____ sources _____ as wind and _____.

_____ know _____ my _____ is _____ candidate for _____ solar/wind gear.

_____ to _____ if my _____ a _____ candidate for solar/wind _____.

How _____ I confirm _____ land is _____ of _____ own _____ with _____ sources?

_____ figure out if my _____ solar or _____ powered?

_____ to know how to _____ of my _____ renewable energy from sources _____ solar _____ or wind _____.

_____ I _____ can be used for _____ energy?

Is _____ for solar or wind power _____ in _____?

_____ want _____ know if my property is good _____ generating _____ solar _____.

_____ solar or _____ for my _____?

If _____ home can _____ own _____ electricity, how _____ know?

Is _____ place ideal _____ from _____ sources?

_____ you help me figure _____ my _____ perfect for _____ from the _____ wind?

Can I _____ my _____ is _____ or solar power?

Can _____ me _____ if my _____ can use _____ or _____ power _____ its _____ electricity?

_____ need _____ power works at my place.

Is _____ possible to go _____ and _____ up _____?

_____ power fit my _____?

Is _____ ready for wind _____?

_____ it _____ to _____ using solar/wind on the _____?

Do you _____ I _____ do to _____ power systems would work _____ at _____?

I'm wondering if _____ to harness renewable energy _____ on _____.

_____ possible to use _____ or winds _____ for renewable energy?

Tell _____ or _____ right for my house.

Can anyone _____ on _____ of my property?

Can you help me determine _____ my _____ supports _____ and _____?

Does _____ sense to _____ renewable energy from the sun _____?

_____ I figure _____ if _____ or wind _____ is _____ my _____?

Can _____ solar _____ wind power _____ its own?

_____ to _____ if solar/wind _____ for my place.

Is _____ to assess if my _____ supports _____

_____ to _____ the _____ of _____ or wind power at _____.

_____ energy from sun/wind _____ possible _____ your premises?

_____ you _____ determine if _____ sustaining energy production?

How _____ my land _____ capable of _____ clean _____ renewable energy sources?

Are _____ on renewables' _____ at _____?

I would like _____ if there _____ any _____ available _____ evaluate whether _____ generate renewable _____.

How can _____ my house _____ generate _____ renewable electricity?

Can I determine if _____ a _____ choice _____ renewable _____?

Let _____ my _____ suitable for _____ or solar.

I want to _____ anyone can verify _____ renewable _____.

How _____ if my _____ produce _____ through renewable sources?

_____ to produce my own _____ or _____ power?

_____ want to _____ can _____ solar/wind on my property to _____.

Can I find _____ my property _____ compatible _____ wind _____?

Is _____ to use _____ or _____ power _____ location?

I would _____ to know if my _____ or _____.

If my home can generate _____ how _____ know?

_____ it _____ to _____ if _____ solaw _____ help us _____ electricity efficiently?

How _____ I know if my _____ the _____ produce _____ energy _____ wind _____?

_____ electricity _____ or _____ at mine place _____?

_____ anyone tell _____ much _____ electricity _____ property can _____?

Is _____ to _____ electricity by _____ solar/wind?

_____ I can _____ renewable energy on my premises?

Is my property _____ good place _____ the _____ wind?

_____ my property use _____ or _____ generating _____?

_____ it possible _____ know _____ solar/wind _____ suits my _____?

I want _____ using clean energy _____ generation _____ possible _____ premises.

Is there _____ to verify _____ solar or _____ is _____ on _____ premises?

_____ capable _____ clean energy through _____ sources such as _____ wind.

How can I _____ if _____ property _____ to _____ its _____ electricity using _____?

_____ want to know _____ solar/wind _____ my _____.

How _____ my _____ is _____ for generating green energy?

_____ wondering _____ I can use _____ and wind _____ property _____ generate electricity.

_____ to know _____ I _____ solar or wind _____.

_____ to know _____ my house _____ be _____ for _____ or solar.

What _____ should _____ find _____ my property is _____ for generating _____ power?

I want _____ if my _____ good _____ solar _____ wind _____.

I _____ on-site solar or wind power _____ used for _____.

_____ if _____ home _____ generate its _____ renewable electricity.

_____ possible _____ use renewable _____ wind _____ solar to generate _____?

_____ me figure _____ if _____ solar _____ or _____ turbine _____ doable on my _____?

_____ if my _____ is suitable _____ use of renewable _____?

How _____ property _____ use renewable energy _____ like solar or _____?

I wondered if _____ generate _____ using _____ or _____.

_____ it _____ to generate _____ electricity _____ either _____ or _____?

Do I _____ if _____ a candidate for _____ mojo?

I _____ to assess _____ aptness _____ property _____ green power _____ solar or _____.

_____ know _____ my property _____ appropriate for _____ renewable electricity _____ or _____?

_____ way _____ determine _____ renewable _____ using _____ wind would work for my property?

The site _____ used to _____ solar/wind.

_____ it _____ decide whether to use renewable energy _____?

_____ to assess if _____ power _____ using _____ or _____ be feasible?

_____ want _____ know if _____ suited for wind or _____.

Do _____ if my _____ is a _____ for using _____?

Can _____ me _____ out _____ property is _____ for generating _____ with renewable _____?

_____ there _____ way _____ see if a property _____ or wind _____ to produce _____ own _____?

Can _____ and wind _____ my property?

Is _____ possible _____ electricity on my _____ using _____ like solar _____?

Is _____ check the _____ of renewable energy on _____.

What _____ do _____ out _____ house _____ for generating its own _____ energy?

I'm wondering if you can _____ guidance on assessing _____ of _____ energy from sources _____ panels or _____

Can you _____ if my property is _____ for generating _____ own _____ renewable _____ sources?

Can you _____ determine _____ site supports self _____ production?

_____ you tell _____ if it is _____ harness renewable _____ from _____ sun or _____ on _____?

Will it _____ possible to _____ energy _____ sun/wind _____ premises?

_____ are _____ power generation using solar _____ wind _____ be practical.

I want _____ know _____ my _____ with wind and _____.

Is it _____ that my _____ its _____ electricity _____ renewable _____?

Is it possible _____ using solar/wind _____ can make _____ own _____ efficiently?

_____ it _____ electricity by _____ solar/wind on the _____?

_____ place to generate electricity _____ renewable sources?

I _____ if _____ is _____ for solar _____ wind _____.

Should my property _____ using renewable _____ sources?

Is it _____ to _____ the property _____ renewable _____?

I'm wondering if I _____ renewable _____ resources like _____.

_____ my _____ solar _____ wind power?

There are _____ for _____ green energy production.

_____ am wondering _____ solar _____ wind power _____ me.

Are _____ determine if _____ power _____ using _____ or _____ be _____ for my property?

How _____ I _____ my land is suitable _____ its _____ power from _____?

I want to know _____ I _____ like solar or wind _____ generate _____.

_____ it possible to _____ myself _____?

_____ to know _____ my land _____ suitable for _____ power through renewable _____ wind.

_____ to _____ if I can _____ energy on the _____?

_____ anyone _____ the verification of _____ renewable capacity of _____?

Can you help _____ out if _____ and wind to _____ electricity?

_____ need advice on _____ to determine _____ my _____ is _____ for _____ clean _____ sources.

Does it _____ sense _____ clean _____ sun/wind generation _____ one's _____?

_____ can I determine if my _____ suitable _____ generating its own _____ from _____ wind?

Do _____ know if _____ a good _____ to _____ solar/wind?

_____ wind or _____ feasible for _____ location?

_____ be able _____ determine if my _____ suitable for _____ solar _____?

Is _____ property _____ wind _____ solar power _____?

_____ property able to _____ electricity _____ renewable _____?

_____ find out if _____ power _____?

I _____ know if my property _____ for _____ solar power.

Where can _____ on my land's potential _____ renewable sources?

Can my _____ to _____ using renewable sources?

How are _____ know _____ property can be _____ renewable energy?

Does anyone _____ if clean electricity _____ is _____ parcel-by-parcel basis?

I _____ aptness _____ my property for _____ green _____ through wind _____ solar _____.

I want _____ know if my _____ handle _____ wind _____.

_____ it _____ to _____ juice up _____ home?

_____ my property _____ electricity using facilities _____ or wind?

Is there _____ way _____ house with solar/wind?

_____ if _____ or _____ power is feasible?

Can _____ determine _____ can _____ on my premises?

I'm _____ perfect for generating its own electricity _____ sources.

Can _____ me if _____ is ready _____ both _____ and _____ power?

_____ I find information about my _____ to _____ through _____ sources?

_____ possible _____ see if using solaw/wind _____ make us _____ own electricity _____?

I want _____ know _____ renewable technologies, _____ wind _____ is possible on my _____.

_____ possible to harness _____ or _____ power _____ home?

Is _____ land suitable _____ generating its _____ through _____ like solar _____?

Can _____ help _____ determine if my site _____ energy production _____?

Is _____ for solar or _____ power _____ be _____ location?

I'm _____ can generate renewable _____ on _____ property using _____ solar/wind.

_____ want _____ know _____ there's any _____ to _____ I can generate renewable _____ on-site.

Can anyone tell _____ my _____ is a good _____ for _____?

Can _____ used to _____ with renewable sources _____ or wind _____?

_____ want _____ if I can _____ solar _____ power instead of buying _____.

Can my property _____ used _____ electricity _____ sources?

I _____ to _____ if _____ is _____ for renewable _____.

_____ it possible _____ you to _____ yourself using _____?

I need _____ find _____ is _____ for _____ own electricity from renewable _____.

_____ to _____ if my property _____ suitable for _____ or _____ power?

Is it _____ clean _____ from sun/wind generation _____ the _____?

I don't _____ if _____ panels or _____ feasible on _____.

Is it _____ my own _____ to come _____ or _____?

_____ to know if _____ is compatible _____ energy.

Can _____ me _____ if my _____ is _____ solar or _____ power?

_____ know _____ my property is ideal for _____ with solar _____ power.

_____ can _____ check _____ property is _____ renewable energy?

_____ wondering if installing _____ systems _____ work _____ at _____.

Could _____ the _____ my property?

_____ possible _____ ways _____ harness renewable _____ the sun _____ winds _____ my land?

_____ know if my house is suitable _____ generating _____ green _____?

I am wondering if _____ able _____ generate _____ electricity on _____ property _____.

How should I _____ my _____ to _____ green power _____ solar or _____?

_____ find _____ if my house is suitable _____ generating _____ energy?

There _____ if renewable power _____ using solar or _____ work on _____ property.

_____ to _____ if wind or solar power _____ on my _____.

_____ it possible _____ see _____ could _____ generate our own electricity?

Is _____ to _____ clean _____ from _____ on someone's premises?

I need guidance _____ the viability _____ for _____ renewable _____ from _____ like solar panels or _____.

_____ want to know _____ will _____ wind or _____ compatible.

_____ property suitable _____ generating electricity using _____?

_____ want _____ know _____ my place is _____ good _____ using renewable _____.

_____ a _____ find _____ if _____ or _____ power _____ good on my property?

_____ you know _____ wind or _____ electricity _____ come _____ my _____?

_____ wondering _____ my _____ produce _____ energy.

_____ resources _____ to help evaluate _____ or _____ I can _____ electricity _____ at where we _____.

_____ okay for my _____ to _____ solar or _____?

How do _____ my house _____ produce renewable _____?

_____ it possible to check _____ power systems will _____ at _____?

Can _____ place _____ renewable energy _____ a way _____?

Is it ____ to ____ renewable electricity ____ using ____ solar/wind?

Is it ____ on-site ____ or wind ____ viable for power?

Can my property be ____ using renewable ____?

I would ____ my property is suitable ____ or ____.

How ____ determine the feasibility ____ utilizing solar ____ home?

____ anyone ____ me the renewable capacity ____ my ____ electricity?

____ should ____ do to ____ house is appropriate for generating ____?

____ know if ____ is capable ____ generating ____ power ____ renewable sources such as solar ____ wind.

____ it possible that my site supports self sustaining ____ and ____?

____ want ____ know if ____ property is suitable ____ renewable ____ wind power.

Is ____ determine if ____ or ____ are feasible?

What is ____ way ____ assess ____ is ____ for generating green ____?

I would ____ to ____ if ____ are ____ available ____ help me ____ if ____ can ____ electricity on-site.

____ there a way to ____ can ____ its ____ green ____ renewable sources?

Is ____ power ____ my location?

Is it possible to ____ the amount ____ energy ____?

Will on-site solar ____ power ____ for my ____?

What ____ I ____ to do ____ make sure ____ house ____ suitable ____ own green ____?
