

[Demo] NLP Dataset for Customer Service Automation

Company Type	Home Repair and Maintenance Companies
Inquiry Category	Exterior lighting fixture replacement
Inquiry Sub-Category	Maintenance and troubleshooting
Description	Customers inquire about maintenance requirements for their new exterior lighting fixtures, including cleaning tips, bulb replacement procedures, and troubleshooting common issues like flickering or faulty wiring.
Data Size	8,542 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Home Repair and Maintenance Company" customer inquiry. (Purchased data will not be masked.)

_____ can _____ tell if _____ faulty motion _____ the _____ operation of our new _____ light _____?

_____ porch _____ indication that the _____ detector is malfunctioning?

Are _____ to tell _____ erratic behavior _____ our _____ lighting stems _____ movement detectors?

_____ the _____ operation _____ new porch lighting _____ to a _____ sensor _____?

_____ the _____ because of the faulty motion _____?

_____ porch light's _____ could _____ caused _____ malfunctioning motion sensor.

_____ do _____ know if a _____ sensor is _____ porch light _____?

Is the _____ due to _____ motion sensor.

_____ the inconsistent _____ the _____ correlate with _____ malfunctioning motion _____?

Do _____ know if _____ enhanced outdoor lighting is _____ to _____ detector?

_____ that _____ motion sensor on _____ light is unreliable?

Is _____ an issue with _____ porch light _____ due _____ sensor?

_____ dumb motion _____ messing _____ our new porch _____?

Can we determine _____ the _____ porch light upgrade _____ because of the malfunctioning _____?

Is the porch light _____ linked _____ faulty _____?

I want to _____ a _____ motion sensor that's making _____ porch _____.

What are _____ signs of a _____ sensor impacting _____ patio _____?

_____ porch _____ variable _____ might _____ a result _____ a faulty _____.

Is it _____ that _____ faulty _____ sensor is causing _____ of _____ upgrade?

Is there any sign that _____ behavior _____ the _____ enhanced _____ may be _____ to a _____?

Does _____ porch light malfunction _____ a _____?

Does _____ how to tell _____ a _____ Motion _____ to blame for sporadic _____ light fixture?

The _____ installed porch light enhancement _____ linked _____ an unreliable _____ sensor.

Does a _____ motion _____ indicate an _____ porch light?

_____ am wondering _____ an _____ detector _____ to _____ the _____ light failure.

How can _____ a _____ is _____ the new porch light _____?

I wonder _____ inconsistent operation _____ sensors _____ the porch light _____.

Do _____ know _____ erratic _____ from our outdoor _____ stems _____ flawed movement _____?

_____ light's variable performance _____ from a faulty _____?
 _____ there any _____ inactive _____ in operating _____ newly enhanced exterior _____ to a _____ motion _____?
 _____ porch light _____ a _____ with a motion _____?
 What signs point _____ broken motion _____ our _____ light _____?
 The _____ light might _____ malfunctioning _____ to _____ bad _____.
 _____ can _____ tell _____ the porch light upgrade _____ being disrupted by _____?
 _____ porch light's inconsistent operation _____ a _____ motion _____?
 _____ it possible for the erratic behavior from our _____ outdoor _____ to _____?
 _____ you _____ if the unreliable performance of _____ light _____ due to _____?
 Is _____ malfunctioning _____ sensor _____ reason for _____ of _____ porch light?
 _____ an inconsistent behavior of _____ porch _____ upgrade is _____ by a _____ motion sensor.
 Is the _____ due _____ a _____ motion sensor?
 Our _____ porch lamp setup might be _____ by _____.
 _____ may be the cause of the _____ performance of _____.
 Is _____ any way _____ an inactive _____ in operating the _____ related to _____ broken motion sensor?
 The inconsistency in the _____ porch _____ be _____ result _____ malfunctioning motion _____.
 _____ we have problems with _____ light due _____ motion _____?
 _____ of _____ new porch _____ may _____ related _____ a malfunctioning motion _____.
 _____ our _____ patio _____ may be due to _____ broken motion sensor.
 Is the _____ sensor _____ problem?
 _____ can I tell if _____ porch _____ disrupted because _____ a _____ sensor?
 _____ inconsistency exhibited by our _____ installed porch light enhancement might _____ an _____.
 _____ the _____ light be _____ to _____ malfunctioning _____ sensor?
 The _____ performance of our _____ light _____ attributed to _____ sensor.
 Is there a correlation _____ an inactive behavior _____ the newly _____ motion _____ unit?
 _____ sensor to blame _____ the erratic _____ the _____ porch light?
 Our porch light _____ of _____ faulty motion sensor?
 Is there _____ way to _____ of _____ front yard light is _____ to a _____ movement-detecting _____?
 The inconsistency _____ the recently _____ porch _____ enhancement _____ related to _____ motion _____.
 Is _____ broken sensor causing _____ to _____?
 _____ a broken _____ sensor _____ the performance of _____ patio light _____.
 _____ in the upgraded porch _____ system _____ to a _____ sensor?
 _____ an unreliable motion sensor _____ blame _____ inconsistency exhibited _____ enhancement?
 _____ the _____ updated porch light _____ to _____ motion _____?
 _____ it _____ the _____ our porch lighting is due _____ a _____ motion _____?
 _____ operation in the _____ light related to _____ damaged motion _____?
 _____ tell me _____ malfunctioning motion sensor or _____ is a problem _____ our porch _____?
 _____ an unreliable _____ in _____ porch _____ a sign _____ motion _____ is _____?
 Is _____ porch light _____ a malfunctioning motion _____?
 _____ know _____ a _____ to blame for the _____ of a newly _____ light fixture?
 How _____ I _____ if the inconsistent _____ light upgrade _____ caused by _____ faulty _____ sensor?
 _____ you _____ me if _____ a _____ motion _____ or _____ it's the fault of _____ recently _____?
 _____ we experiencing _____ with our _____ a _____ motion sensor?
 Do _____ know if _____ our _____ lighting is related _____ the flawed _____ detector?
 Is _____ an _____ motion _____ that explains _____ light _____ differently?
 Is _____ malfunctioning _____ for the erratic _____ of _____ upgraded _____ light?
 Could the porch light's _____ by _____ sensor?
 _____ the _____ light inconsistent _____ of the _____ motion _____?
 Can _____ tell _____ it's _____ malfunctioning motion _____ if it's _____ porch light?
 Is a _____ sensor to blame _____ the inconsistent _____ of _____?

_____ behavior _____ lighting system be blamed for an _____ detector?
_____ motion sensor a problem _____ light upgrade?
Is _____ new _____ up by _____ motion sensor?
_____ a _____ to _____ faulty motion _____ is _____ problems with the _____ lighting system or something _____?
Is _____ that _____ erratic operation _____ porch light _____ be caused by a _____?
_____ unreliable _____ sensor _____ cause of the inconsistent porch _____?
_____ porch light _____ stem _____ a _____ sensor?
_____ the _____ bad _____ porch light upgrade?
_____ fancy _____ porch light work with _____ detector?
_____ the _____ lamp messing itself up _____ dumb _____ sensor?
_____ I tell _____ an unreliable _____ detector is _____ porch light _____ working?
_____ the new porch light _____ due to _____?
Is it _____ that _____ unit is _____ the irregular operation _____ our porch lighting?
_____ exhibited _____ the recently _____ porch _____ could be linked _____ unreliable motion _____.
Is _____ a _____ motion sensor _____ light's erratic _____?
Our _____ light upgrade _____ messed _____ by _____ unreliable motion _____.
Is _____ possible _____ malfunctioning motion _____ causes an erratic _____ in our _____?
_____ motion sensor to blame _____ the inconsistent behavior of the _____?
Is _____ a correlation between _____ functioning of our _____ malfunctioning _____ device?
A malfunctioning _____ might _____ to blame for _____ the _____ porch light _____.
_____ light acting _____ due _____ some faulty _____ detector?
How _____ I find out _____ is disrupting _____ light upgrade?
_____ it possible _____ bad Motion _____ be _____ blame for _____ intermittent _____ of a newly enhanced _____?
_____ our porch light upgrade _____ due _____ sensor?
How _____ I figure out if _____ new _____ is _____ faulty motion _____?
Is _____ caused by _____ faulty _____ detector?
_____ there a _____ to know if _____ system _____ malfunctioning because _____ a _____ motion sensor or _____?
Is that _____ up our _____ porch light?
Is _____ unreliable _____ sensor _____ explain _____ our porch light _____ different _____?
_____ you _____ me figure _____ faulty _____ sensor _____ causing the _____ of our porch light?
Is _____ motion _____ the cause _____ inconsistent _____ of _____ porch light upgrade?
_____ a _____ motion _____ cause _____ inconsistent _____ of _____ upgraded _____ light?
We _____ know _____ shoddy _____ sensor _____ messing with _____ porch light _____.
Is it _____ that _____ unreliable _____ sensor _____ our _____ light _____ inconsistently?
_____ a faulty motion sensor is _____ the new porch _____ I tell?
_____ I _____ if the porch light _____ is _____ faulty _____ sensor?
_____ unreliable _____ the _____ lighting _____ that the motion detector is _____?
_____ the motion sensor _____ new _____ light _____.
Is the _____ by _____ broken sensor?
_____ new _____ lamp malfunctioning because _____ a _____ sensor?
Is _____ unreliable _____ the cause of the _____ not _____?
_____ light is malfunctioning due _____ a _____ sensor?
Is there a way _____ whether _____ faulty motion sensor _____ the porch _____ something else?
_____ a _____ confirm _____ inconsistent _____ our upgraded front yard light is _____ by a faulty _____ detecting _____?
Does a _____ have _____ to disrupt our _____ light _____?
Do _____ know _____ the erratic _____ from _____ is due _____ movement detectors?
_____ if _____ malfunctioning motion _____ the _____ behavior of our _____ porch _____ upgrade?
_____ want to _____ if a faulty _____ sensor _____ causing _____ unreliable _____ light.
Does the _____ porch light _____ have _____ chance _____ a faulty motion _____?
Is there _____ to _____ that the _____ of _____ upgraded front yard _____ is _____ a _____ movement detection _____?

Can ____ tell ____ the faulty ____ sensor is causing ____ the new porch ____?

Is ____ new lamp malfunctioning ____ faulty ____ sensor?

Is it possible that ____ motion ____ the ____ of ____ upgraded ____ light?

Is the motion ____ our new porch ____?

Does ____ new enhanced ____ show that the motion detector is ____?

Does an unreliable ____ detector have to ____ the ____ outdoor ____ system?

____ possible that ____ improved lighting setup is ____ affected ____ a ____ detector?

____ porch light ____ related to ____ faulty motion ____?

Have the ____ of the ____ been ____ a ____ motion detector?

____ I ____ if ____ faulty motion ____ is ____ our porch light ____?

Is ____ faulty ____ the ____ the porch ____ variable performance?

____ in the new porch ____ to ____ faulty ____ sensor?

Is the new porch ____ working ____ the ____ sensor?

Maybe the unreliable performance of ____ light ____ caused ____ faulty ____?

Is ____ a way ____ confirm that the inconsistent performance ____ our ____ yard ____ is caused ____ detecting ____?

I wonder ____ an unreliable motion ____ blame for ____ problem.

Is ____ that the ____ behavior ____ our ____ outdoor lighting is ____ detector?

____ porch ____ be ____ to a ____ with the motion ____.

____ a malfunctioning ____ sensor ____ the reason ____ inconsistent ____ operation?

I wonder if the unreliable performance ____ to ____ malfunctioning motion ____.

____ can I tell ____ a ____ motion ____ causing ____ operation of ____ new porch ____?

Is ____ a ____ sensor is to ____ for ____ irregular operation of the ____ lighting?

Is it possible ____ the ____ lighting is related to the ____ detectors?

Is ____ a ____ motion sensor is behind the ____ operation ____ light?

Do you know if ____ erratic ____ from our enhanced ____ to ____?

Is ____ possible ____ the irregular ____ of the porch ____ caused by ____?

____ a malfunctioning ____ sensor be ____ blame ____ porch ____ performance?

____ motion sensor affecting ____ upgrade to ____ porch ____?

Is our new ____ light upgrade ____ to ____ motion ____?

____ inconsistent operation ____ our new porch ____ is ____ to ____ faulty ____ how can I ____?

Is ____ malfunctioning ____ light a ____ a damaged ____?

____ the ____ our ____ lights due to a ____ sensor?

____ the porch light's issue ____ a ____ motion ____?

Is ____ unreliable ____ sensor the ____ porch ____ inconsistent?

Is ____ faulty ____ sensor causing ____ to ____ erratically?

The ____ performance ____ the enhanced ____ could ____ faulty motion detector.

Is ____ a ____ to ____ faulty ____ is ____ the ____ porch lighting system or something else altogether?

Is it possible ____ the ____ our ____ malfunctioning due ____ a ____ motion ____?

____ inconsistent operation of ____ correspond to ____ motion sensor?

____ an unreliable ____ in ____ new enhanced porch lighting ____ the motion ____?

Is ____ a ____ between ____ inconsistent ____ our porch illumination and ____ device?

____ our ____ inconsistent due to ____ faulty motion ____?

____ I ____ if an unreliable motion ____ is ____ for ____ light ____?

Does ____ faulty motion sensor have ____ potential ____ the ____ of ____ upgrade?

____ can ____ a ____ motion sensor is ____ inconsistent operation ____ our new porch ____ upgrade?

____ tell me ____ it's a ____ motion ____ the light ____ fail?

____ an ____ operation in our ____ lighting ____ that ____ motion detector ____?

____ it ____ that the ____ of our ____ lighting is due to ____ unit?

____ lamp might be ____ dumb motion sensor.

Is a ____ sensor ____ problems?

Is the ____ light ____ has a ____ motion ____?

Is the ____ a faulty motion sensor?

A shoddy ____ sensor ____ with our ____ installation.

____ a ____ sensor have ____ of ____ the new porch light ____?

I ____ know ____ the unreliable ____ of ____ upgraded porch light is due ____ sensor.

Is ____ possible ____ a malfunctioning ____ detector is causing ____ in ____?

The porch ____ possibly ____ due ____ a ____ motion sensor.

____ the ____ behavior from our enhanced outdoor lighting is due ____ movement ____?

____ the ____ porch light's ____ caused by ____ faulty ____ detector?

I ____ our new porch ____ malfunctioning because of ____ dumb ____.

A ____ motion sensor ____ be ____ cause of ____ operation ____ new ____ upgrade.

____ unreliable performance of ____ porch light ____ due ____ a ____ motion sensor?

It is ____ that ____ unreliable ____ messing up the ____.

I wonder ____ sensor is ____ with the light ____.

Is it possible that our porch ____ due ____ motion ____?

Is it ____ that ____ causing some ____ our outdoor lighting setup?

Is our ____ due ____ malfunctioning motion sensor?

____ broken ____ sensor could be ____ the ____ patio ____ improvement.

Our new ____ may be malfunctioning ____ to ____ motion ____.

Is ____ sensor ____ blame for ____ our ____ light works ____?

____ any ____ inactive ____ in operating ____ newly ____ exterior light could be ____ to ____ malfunctioning motion ____?

A ____ to ____ theIrregularities observed when using our recently installed ____ porch ____ system.

____ you know ____ the erratic ____ our enhanced ____ related to ____ movement detectors?

____ motion sensor putting ____ with our ____ light upgrade?

____ wondering ____ it's a ____ that's causing ____ recently improved porch light ____.

____ broken motion sensor impacting ____ performance ____ patio light improvement?

____ an unreliable ____ be to blame ____ porch light ____?

____ broken ____ sensor could ____ cause ____ the irregular performance ____ patio light ____.

____ motion sensor interfering with the upgrade ____?

____ you tell ____ it's ____ malfunctioning motion sensor that's causing our ____ porch ____ work ____?

____ light upgrade ____ up ____ of ____ unreliable motion sensor?

Our new porch ____ may ____ malfunctioning because of ____.

Is ____ motion detector ____ blame ____ light not ____?

The ____ operation ____ new ____ light ____ be due ____ a malfunctioning ____.

The ____ of ____ light enhancement could be ____ by ____ unreliable motion ____.

____ there a possibility ____ the ____ in the porch ____ due to ____ sensor?

Does the ____ of our ____ system ____ unreliable motion ____?

____ it possible ____ there are discrepancies ____ outdoor ____ because ____ a ____ detector?

Is an unreliable ____ porch light ____ inconsistently?

____ it possible a malfunctioning ____ erratic operation in ____ light?

Is our new porch ____ of ____ faulty ____?

____ an unreliable ____ sensor be to ____ appearance ____ recently ____ porch light enhancement?

Is the ____ our ____ installed ____ enhancement down to the ____ sensor?

Is the unreliable ____ the erratic behavior ____ lighting system?

There are ____ inactive ____ in operating the ____ enhanced exterior light ____ to a faulty ____.

____ there ____ fault in ____ light's motion ____?

Is ____ porch lamp ____ up ____ of the ____?

Is ____ motion sensor ____ porch ____ upgrade?

The porch ____ could be ____ by ____ sensor.

How ____ I ____ if a faulty ____ the ____ light upgrade?

_____ determine if the _____ of our new _____ upgrade is _____ a _____ motion sensor?

The inconsistency in _____ light's operation _____ be _____ result of _____ sensor.

Our porch light _____ malfunctioning, _____ that because of _____ ?

_____ it possible _____ our new _____ has a _____ motion _____ ?

Can _____ erratic _____ be blamed _____ a _____ motion sensor?

Is the _____ light _____ a faulty _____ sensor?

A faulty motion _____ can _____ proper functioning _____ new _____ light _____.

_____ new light _____ be _____ because of an unreliable _____ ?

Is there _____ light because of a broken _____ ?

_____ can I _____ light _____ is malfunctioning because of a faulty _____ ?

_____ malfunctioning _____ sensor _____ blame for the _____ issue?

_____ motion _____ be causing the _____ our porch light.

_____ porch light malfunctioning due _____ in its motion _____ ?

_____ it _____ that _____ outdoor _____ setup _____ perfect because of _____ motion detector?

TheIrregularities observed _____ the recently installed advanced _____ illumination _____ be _____ motion sensor.

_____ porch light system _____ to _____ motion sensor?

_____ light still acting up because _____ motion detector?

Is a faulty _____ possible to _____ functioning _____ our _____ light _____ ?

_____ the _____ light acting _____ due _____ faulty _____ detector?

_____ detector _____ be _____ with the porch light.

_____ malfunctioning _____ be the cause of _____ operation _____ our _____ porch _____ upgrade.

Is it _____ that the _____ of our new _____ light _____ caused _____ motion sensor?

_____ our _____ installed advanced porch illumination _____ the _____ sensor _____ malfunctioning.

_____ the _____ porch _____ due to a _____ motion Sensor?

Is _____ new _____ lighting _____ sign _____ the _____ is not working?

_____ with the upgraded porch light _____ a malfunctioning _____ sensor.

_____ the erratic _____ light _____ to a _____ motion sensor?

Is the _____ related to _____ motion detector?

Can _____ the _____ behavior of the porch light upgrade _____ by _____ malfunctioning _____ sensor?

_____ the porch _____ inconsistency _____ to _____ with _____ faulty _____ sensor?

_____ there any _____ to _____ if _____ behavior in operating the _____ light is _____ to _____ malfunctioning motion _____ ?

Is a faulty _____ sensor _____ the _____ of the _____ upgrade?

Can we determine if the inconsistent _____ of _____ porch _____ is _____ malfunctioning _____ ?

_____ inconsistent operation _____ the _____ light _____ a damaged _____ sensor?

_____ the _____ porch lights linked to a _____ ?

_____ the porch _____ be attributed to _____ sensor?

_____ porch _____ upgrade has _____ operation _____ to a _____ sensor.

We _____ up _____ upgrade with an unreliable motion _____.

_____ there a way to confirm _____ the inconsistent performance _____ our upgraded _____ light _____ a _____ device?

_____ it _____ irregular operation _____ our _____ can be traced _____ a malfunctioning motion sensor?

The inconsistent performance _____ related _____ a problematic motion sensor.

Is there a way to _____ motion sensor is causing _____ with _____ newly _____ porch _____ ?

_____ malfunctioning _____ be causing the _____ of _____ new porch light _____.

The porch _____ variable performance _____ have _____ a result _____ faulty _____.

Is the new porch light _____ a _____ device?

_____ using _____ installed _____ porch illumination system could _____ an malfunctioning motion sensor.

_____ the porch _____ due to an _____ detector?

_____ the porch _____ malfunctioning because of _____ motion _____ ?

Is the _____ of _____ porch _____ due to _____ sensor?

It's possible that _____ malfunctioning motion sensor is _____ the _____ observed _____ illumination system.
 _____ new enhanced porch lighting _____ the _____ is not _____?
 _____ we determine if _____ sensor _____ the inconsistent behavior _____ the _____ light _____?
 _____ to _____ a _____ sensor is causing unreliable _____ upgraded porch light.
 _____ there _____ to determine if the _____ motion _____ causing _____ the _____ system _____ something else
 altogether?
 Is there a _____ to tell if _____ Motion Sensor is to _____ performance _____ front-light _____?
 I _____ a _____ sensor is causing unreliable _____ of _____ porch light.
 _____ motion sensor making _____ light act strange?
 _____ the porch light malfunctioning _____ of _____ motion sensor?
 _____ it possible that _____ in our _____ lighting _____ because _____ motion detector?
 _____ a _____ sensor to blame for the inconsistent _____ porch _____?
 _____ unreliable _____ sensor to _____ for _____ inconsistent function _____ the _____ light?
 Is _____ unreliable _____ our enhanced porch lighting _____ sign that _____ malfunctioning?
 Is the porch lamp malfunctioning _____ motion _____?
 _____ it possible that _____ malfunctioning motion sensor causes the _____ of _____?
 Is it possible _____ in operating the newly _____ exterior light _____ be _____ a faulty _____?
 _____ detector faulty if _____ is an _____ operation _____ porch lighting?
 _____ it _____ that _____ motion sensor caused the erratic _____ in our _____?
 Is there _____ a malfunctioning _____ an _____ operation _____ our porch light?
 _____ making the new porch light _____?
 _____ new porch lamp malfunctioning _____ dumb _____ sensors?
 The inconsistent nature _____ our _____ porch _____ enhancement _____ be _____ to _____ sensor.
 _____ our porch light upgrade malfunctioning _____ sensor?
 _____ an _____ operation _____ porch lighting mean the _____ is faulty?
 How _____ I _____ if _____ light upgrade _____ disrupted by a _____ sensor?
 Is the porch _____ to a _____ sensor?
 Is the inconsistent _____ of _____ porch _____ motion sensor?
 Can you _____ malfunctioning _____ sensor is affecting our _____ porch _____?
 _____ signs _____ to a _____ sensor _____ the _____ of _____ light improvement?
 _____ possible that a _____ be to blame for the irregular operation of _____?
 _____ in the new _____ light's _____ be related to a _____.
 _____ we be _____ to determine if _____ behavior of _____ porch light upgrade _____ a _____ sensor?
 _____ there _____ motion sensor _____ inconsistent porch light enhancement?
 Can you help _____ if the malfunctioning _____ is _____ the _____ to _____?
 _____ the porch light's erratic _____ be linked _____ faulty _____?
 _____ you _____ if the _____ of our upgraded porch _____ a _____ motion sensor?
 Are _____ problems _____ porch _____ of a problem _____ motion sensor?
 _____ porch light acting _____ to the _____ detector?
 Is a _____ malfunctioning _____ to a _____?
 Does _____ motion sensor _____ the functioning _____ light upgrade?
 Maybe an _____ motion sensor _____ explain _____ porch _____ inconsistently?
 Perhaps the unreliable performance _____ our _____ caused _____ a _____ motion _____?
 Is _____ possible _____ faulty _____ sensor _____ blame _____ the irregular _____ of the _____ lighting?
 Is it _____ an _____ motion detector is _____ for _____ malfunctioning?
 _____ to _____ if _____ faulty motion _____ is _____ the unreliable _____ of _____ porch light.
 Maybe _____ unreliable performance of our _____ light is caused _____?
 _____ the motion sensor _____ upgrade to not work?
 _____ inconsistent _____ of our _____ porch _____ enhancement could be _____ an _____ motion _____.
 _____ our porch _____ a fault with the _____ sensor?
 _____ it _____ an _____ in the _____ light _____ by a malfunctioning _____ sensor?

____ it possible ____ irregular operation of ____ new ____ due to a ____ sensor unit?
 ____ porch ____ be malfunctioning due to ____ sensor.
 ____ there a chance ____ irregular operation ____ new porch lighting ____ due ____ a ____ sensor?
 Is ____ way ____ whether ____ faulty motion sensor ____ causing ____ with ____ porch lighting ____ something
 else?
 Can we ____ malfunctioning ____ sensor ____ to blame for ____ inconsistent behavior of ____ new ____ ?
 ____ it ____ malfunctioning motion ____ causing discrepancies in the ____ lighting ____ ?
 Does the ____ show that the ____ is ____ ?
 ____ an ____ motion ____ to blame for the ____ porch ____ ?
 Is the upgraded porch light ____ detector?
 ____ inconsistent ____ of ____ recently ____ light enhancement could ____ the result ____ unreliable ____ sensor.
 The ____ light ____ an issue ____ the motion ____ .
 Is ____ motion ____ messing up ____ light ____ ?
 Can ____ tell me ____ porch ____ is ____ because of ____ motion ____ ?
 ____ faulty ____ sensor is ____ the inconsistent ____ our new porch light upgrade.
 How ____ I ____ light upgrade is disrupted by ____ faulty ____ sensor?
 Is ____ porch light's ____ performance ____ faulty ____ detector?
 ____ it ____ motion detector is affecting our ____ setup?
 ____ there a ____ tell if ____ is ____ blame for the ____ performance of the ____ fixture?
 ____ in the ____ porch light's operation ____ caused ____ a ____ sensor.
 Is ____ porch light ____ a bad ____ sensor?
 It ____ be that the unreliable ____ of ____ to a ____ motion ____ .
 Is it ____ that a ____ Sensor ____ be to ____ the intermittent ____ newly enhanced ____ fixture?
 ____ motion sensor ____ the ____ of ____ of ____ new porch light upgrade.
 Is ____ performance of ____ caused by a motion ____ ?
 Is ____ motion sensor ____ is messing ____ our ____ upgrade?
 Is ____ porch ____ as a result ____ a ____ sensor?
 ____ problem ____ porch light due ____ a motion ____ ?
 Is it ____ that ____ inconsistent ____ light ____ is caused by a malfunctioning motion ____ ?
 ____ there any ____ behavior in ____ the newly enhanced ____ may be connected ____ a ____ motion ____ ?
 ____ there a ____ if the ____ sensor ____ causing problems with the ____ lighting ____ not?
 Is ____ inconsistent operation of ____ new ____ to ____ malfunctioning motion ____ ?
 How ____ tell ____ my new ____ upgrade is malfunctioning ____ motion sensor?
 It is ____ that an malfunctioning ____ sensor ____ to blame for ____ using ____ advanced ____ system.
 ____ unreliable operation ____ our enhanced ____ lighting a ____ that the motion ____ ?
 ____ new ____ lamp may ____ malfunctioning ____ of ____ motion sensor.
 I ____ like to know ____ new ____ is caused by a faulty motion sensor.
 Does anyone know how ____ tell ____ bad ____ is ____ performance of ____ newly enhanced ____ light
 fixture?
 ____ our porch light is ____ because ____ a faulty ____ detector?
 Maybe the ____ performance ____ porch light is ____ to ____ detector?
 ____ the ____ light's variable ____ result of the ____ motion ____ ?
 I ____ to ____ if ____ faulty motion sensor is ____ of ____ light.
 The ____ might ____ due ____ faulty motion sensor.
 Can ____ determine ____ the ____ behavior of the ____ caused ____ a malfunctioning ____ sensor?
 Is it possible ____ the malfunctioning ____ causes the ____ of ____ ?
 Can we determine ____ the new ____ light ____ malfunctioning motion ____ ?
 ____ inconsistent performance of the ____ light due to ____ problem ____ ?
 Is ____ possible to ____ erratic behavior ____ our ____ outdoor ____ stems from ____ movement ____ ?
 Can you help me ____ faulty motion ____ of the porch ____ ?
 ____ I determine if an ____ motion detector is ____ lights?

Can you tell me _____ motion sensor _____ to not work?

Is _____ inconsistency _____ recently _____ porch light enhancement _____ to _____ unreliable motion _____?

Is the _____ light _____ of the _____ sensor?

The _____ might be _____ due to _____ faulty _____.

Is the inconsistent _____ our _____ to a malfunctioning _____ sensor?

Does anyone _____ bad _____ Sensor is _____ for _____ occasional performance _____ a newly _____ front-light _____?

_____ performance of the enhanced _____ light _____ be _____ motion detector.

_____ it possible _____ a _____ motion _____ porch light _____ operate erratically?

Is the _____ motion sensor _____ our _____ porch _____ malfunction?

Is the porch _____ by _____ faulty _____ sensor?

_____ motion _____ be to _____ for the porch _____ malfunctioning?

_____ don't _____ why a _____ motion sensor _____ be messing _____ light _____.

The porch light _____ might _____ being _____ with by _____.

_____ installed advanced porch illumination system, could _____ sensor be _____ blame?

Our _____ be malfunctioning _____ to _____ faulty motion _____.

_____ motion _____ messing with a _____?

Is our porch _____ because of _____ the _____ sensor?

Is there a _____ know _____ faulty motion sensor _____ causing _____ problems _____ the _____ something else?

Is _____ a _____ if the inconsistent performance of _____ front _____ light is _____ malfunctioning movement-detecting _____?

A faulty _____ sensor could _____ the new _____.

Is _____ a correlation _____ an unreliable motion _____ inconsistency exhibited by _____?

Can we figure _____ our _____ light _____ the _____ of _____ motion sensor?

Could a _____ detector _____ for _____ unreliable performance of our _____ porch _____?

_____ a _____ the _____ of the erratic operation in _____ porch _____?

Is _____ possible _____ a _____ is malfunctioning, causing _____ the outdoor _____?

_____ inconsistent _____ in the _____ light _____ a damaged motion _____?

Is there _____ porch light _____ a faulty sensor?

Is _____ light _____ by _____ faulty motion _____?

_____ we determine _____ a _____ sensor is _____ of our _____ porch light upgrade?

Is _____ possible that the _____ sensor _____ in _____ new _____?

Can I tell _____ inconsistent operation _____ the _____ porch _____ because of _____ sensor?

_____ faulty _____ could be to _____ unreliable performance _____ the enhanced _____ light.

_____ you help me _____ out _____ malfunctioning motion sensor is _____ malfunction?

_____ the _____ operation _____ enhanced _____ lighting mean the _____ detector is _____?

Is the new _____ lamp _____ to _____ dumb _____?

_____ you tell _____ if it's _____ that causes _____ recently _____ light to malfunction?

_____ may _____ the upgraded porch _____ system _____ to _____ motion sensor.

Is it _____ that _____ inactive behavior _____ newly _____ light might _____ related to a _____ motion _____?

Is _____ porch light's _____ a faulty detector?

Does the _____ light _____ come _____ faulty _____?

_____ that an _____ in the _____ porch light is _____ result of _____ malfunctioning _____ sensor?

_____ operation _____ new _____ light upgrade is related _____ motion sensor.

_____ new porch _____ be malfunctioning due _____ the dumb _____.

_____ light upgrade could be _____ faulty _____ sensor.

Does _____ inconsistent operation _____ upgraded _____ light _____ a damaged _____?

Is _____ porch _____ due to _____ malfunctioning _____ sensor?

_____ new light _____ malfunctioning due _____ motion sensor?

Is it possible _____ know _____ our enhanced outdoor lighting _____ from _____ detectors?

Our _____ light upgrade could be adversely _____ an _____.

_____ a _____ that _____ in _____ the newly _____ exterior light may _____ related to _____ motion sensor.

_____ light's issue _____ be _____ by _____ motion sensor.

_____ the _____ thing _____ up our _____?

Is _____ a correlation _____ the inconsistentness exhibited _____ porch _____ enhancement and an unreliable _____?

_____ a _____ motion sensor _____ for _____ performance of our _____ light?

_____ inconsistent _____ of _____ light could be due to _____ problematic _____.

The _____ nature of the _____ could be _____ an unreliable _____.

_____ tell me if the erratic _____ from _____ to flawed movement detectors?

There _____ some _____ an _____ behavior _____ operating the _____ enhanced _____ light _____ be connected to _____ motion sensor _____.

Is it possible _____ of the _____ porch lighting _____ caused _____ a _____ motion _____?

The porch _____ might be _____ due _____ a _____

Do _____ know _____ erratic behavior from our _____ from _____ detectors?

_____ the porch _____ behavior behind _____ faulty _____ sensor?

When using _____ installed _____ porch illumination system, _____ could _____ with _____ motion _____.

_____ like _____ know if _____ motion detector is _____ for the porch _____ not _____.

Can _____ the unreliable performance _____ porch _____ is _____ of a faulty motion _____?

_____ unreliable operation of _____ enhanced _____ lighting mean _____ is faulty?

Is _____ a _____ to _____ that the inconsistent performance of _____ front yard light is due _____?

_____ lamp malfunctioning _____ of _____ motion sensor?

Do our _____ light inconsistencies _____ malfunctioning _____ sensor?

Is the _____ of the porch _____ to faulty _____?

Are _____ unreliable performance of the _____ porch _____ by _____ faulty _____?

Are we _____ problems with _____ of a faulty _____?

Is the inconsistent _____ caused _____ motions _____ porch _____ enhancement?

The new porch _____ might be related _____ a _____.

The _____ light upgrade _____ disrupted by _____ motion _____.

Maybe _____ motion _____ porch light doesn't work well.

Should we know _____ erratic behavior _____ outdoor _____ from _____ movement _____?

Is the _____ sensor _____ the _____ porch _____?

_____ a new _____ and _____ the _____ sensor be malfunctioning?

I _____ know if the _____ performance of our _____ porch _____ due to a _____.

Is _____ porch light _____ due to its _____?

Is _____ any discrepancy between _____ porch _____ faulty _____ sensor?

Does _____ faulty _____ affect _____ of our new porch _____?

Is _____ sensor _____ our porch light malfunctioning?

_____ want _____ know _____ a _____ sensor _____ responsible for the unreliable performance _____ porch _____.

Can the _____ performance of the _____ be _____ to _____ problematic _____?

A _____ sensor _____ be _____ for the malfunctioning _____ light.

Are there _____ improved outdoor _____ because of a _____ detector?

_____ unreliable _____ sensor to blame _____ in our recently _____ porch _____ enhancement?

_____ you _____ me determine _____ performance of our porch _____ is _____ to _____ motion _____?

_____ that our _____ installed _____ light enhancement _____ to _____ unreliable motion sensor?

Can you _____ a faulty motion sensor is _____ our _____?

_____ possible _____ new _____ lighting setup is malfunctioning _____ to _____ faulty motion _____?

_____ you tell me if _____ upgraded _____ is the result _____ faulty motion sensor?

Is _____ operation _____ our _____ light due to _____ malfunctioning _____ sensor?

_____ wonder if the _____ is malfunctioning because _____ motion sensor?

_____ there _____ chance _____ the irregular operation _____ porch lighting _____ due _____ a _____ motion sensor _____?

_____ if the erratic behavior _____ our _____ lighting _____ from _____ flawed movement _____?

_____ sensor seem to be messing _____ our _____ light installation?

The porch _____ be malfunctioning because _____ the _____.
 Is _____ inconsistent _____ our _____ porch light connected to a _____?
 _____ anyone _____ to tell if _____ Motion _____ for the _____ of a _____ enhanced front-light fixture?
 _____ related _____ erratic behavior of the outdoor lighting system?
 _____ light's variable _____ the _____ of a _____ motion detector?
 _____ possible _____ malfunctioning _____ is to blame _____ the erratic operation _____ the _____ light?
 Could a _____ motion sensor be _____ blame _____ porch light?
 It could be _____ unreliable _____ our _____ caused _____ a _____ motion detector.
 _____ possible the _____ performance of our _____ caused _____ faulty motion detector?
 The inconsistent _____ of our _____ light _____ of a malfunctioning _____ sensor.
 _____ possible that our outdoor _____ setup _____ malfunctioning due _____ faulty _____?
 _____ an _____ motion _____ messing with _____ light upgrade?
 _____ new _____ light _____ is being disrupted by a _____ motion sensor?
 Is our porch _____ a malfunctioning motion _____?
 _____ possible _____ the _____ operation _____ the upgraded porch light is _____ to _____ sensor?
 _____ want to _____ if _____ the upgraded porch light is because _____ faulty _____ sensor.
 Can _____ figure out _____ unreliable _____ is _____ blame for the _____ failure?
 _____ the _____ motion _____ messing _____ our porch _____?
 _____ light is malfunctioning, _____ that _____ of the motion _____?
 Can a _____ sensor _____ the _____ functioning _____ the _____ porch light _____?
 Can _____ a problem with _____ motion sensor?
 _____ our _____ bling causing _____ operation _____ of _____ crappy _____ sensor?
 _____ a malfunctioning _____ the reason for an erratic _____ porch _____?
 Did the _____ the new porch _____?
 Please help me _____ if a _____ is causing _____ performance _____ upgraded _____ light.
 _____ the inconsistent _____ our _____ due to malfunctioning _____ sensor?
 Can _____ if a _____ sensor is _____ inconsistent operation of _____ porch _____ upgrade?
 _____ the _____ performance _____ by a _____ motion detector?
 Is _____ that _____ lights _____ are malfunctioning _____ to a _____ motion sensor?
 How _____ a _____ motion sensor _____ with our _____ installation?
 Is there a _____ malfunctioning motion sensor _____ blame _____ erratic operation of the _____?
 Do _____ issues with _____ porch light because _____ motion _____?
 _____ is a shoddy motion _____ that could _____ messing _____ fancy _____.
 _____ the _____ light malfunctioning because of a _____?
 _____ exhibited by our _____ light _____ could have been _____ by _____ motion sensor.
 When using _____ recently installed _____ could _____ a _____ motion sensor?
 Is _____ of the porch _____ caused by a _____?
 Can _____ if _____ new _____ light upgrade _____ by a _____ motion _____?
 _____ there a _____ motions sensors and _____ operation _____ the porch _____?
 Do we know _____ the _____ of our _____ upgrade is _____ a malfunctioning _____ sensor?
 A faulty _____ could _____ the reason for the _____ the _____.
 Is _____ between the unreliable _____ sensor _____ inconsistent porch light _____?
 _____ find out if _____ porch light _____ is _____ motions sensors?
 _____ it _____ a _____ motion sensor is _____ the erratic _____ porch light?
 Is it possible _____ a malfunctioning _____ sensor _____ the _____ operation _____ light?
 Does the _____ of _____ enhanced _____ the motion detector is malfunctioning?
 The unreliable performance _____ our _____ porch _____ a faulty motion _____.
 _____ our new porch light malfunctioning _____ sensor.
 The porch light's issue may _____ of a _____.
 There _____ some _____ is impacting the _____ patio light improvement.

How ____ I ____ the ____ malfunctioning motion ____ new porch light upgrade?

Is a ____ sensor ____ new light ____?

Is our porch ____ because ____ some ____ motion ____?

____ you know that a ____ sensor might be ____ installation?

The ____ light ____ might be malfunctioning ____ a ____ sensor.

Is the porch ____ operation due ____ sensor?

The improper ____ of ____ installed ____ porch illumination system could ____ of an malfunctioning ____.

____ possible ____ faulty motion sensor could ____ the ____ porch light ____?

____ inconsistent behavior ____ porch light upgrade ____ by a ____ motion ____?

____ porch ____ malfunctioning due ____ motion detector?

Is ____ erratic ____ from our outdoor ____ stems from having ____?

____ it ____ that ____ erratic behavior ____ our enhanced outdoor ____ is due ____ movement ____?

Can ____ if the inconsistent ____ our ____ porch ____ upgrade is caused ____ malfunctioning ____ sensor?

Are ____ tell whether ____ erratic behavior from our enhanced ____ movement detectors?

Is ____ possible that the inconsistent ____ of our new ____ upgrade ____ by a ____?

Is the ____ of ____ porch ____ caused by ____ malfunctioning motion ____?

How can I determine ____ is ____ operation of our porch ____ upgrade?

Is ____ variable performance ____ the porch ____ connected ____ detector?

____ stupid ____ messing up ____ porch light?

____ porch ____ malfunctioning ____ result ____ a broken sensor?

The erratic behavior ____ our ____ be the ____ unreliable motion detector.

Can ____ of our porch ____ be due ____ a ____ sensor?

____ malfunctioning ____ sensor ____ the issue ____ the ____ porch light.

Is ____ light ____ because of a faulty ____?

Is it ____ that the inconsistent behavior of ____ new porch ____ a ____ motion ____?

Is there a problem ____ porch ____ of a ____?

____ figure out ____ the ____ behavior of the ____ porch light ____ due to ____ sensor?

____ sensor have the potential to ____ with ____ porch light upgrade?

____ anyone know if ____ bad ____ Sensor is ____ for ____ of a newly enhanced ____?

Does ____ light seem to ____ malfunctioning due ____ a ____?

____ porch ____ from a faulty sensor?

____ possible ____ malfunctioning motion sensor causes ____ erratic operation ____ the upgraded ____?

____ upgrade being affected ____ unreliable motion sensor?

Does an ____ in porch ____ that ____ detector is ____?

____ the malfunctioning motion ____ be to ____ for ____ of ____ porch ____?

Is ____ a ____ to find ____ if the faulty motion ____ is causing ____ lighting ____ or something ____?

Are ____ experiencing ____ our porch light ____ faulty sensor?

Is it possible that ____ behavior ____ enhanced outdoor lighting ____ movement ____?

Is ____ confirm ____ the inconsistent performance of our upgraded ____ yard ____ malfunctioning movement detecting device?

Could the porch ____ malfunctioning due ____ sensor?

Is ____ motion sensor ____ responsible for the problems observed ____ using ____ porch ____ system?

____ using ____ recently ____ advanced porch ____ system, the ____ sensor may ____.

____ want ____ faulty ____ sensor is ____ the unreliable performance of ____ porch ____.

____ we ____ if the ____ related to a malfunctioning motion ____?

____ new porch lamp malfunctioning ____ malfunctioning motion ____?

Is ____ possible ____ malfunctioning motion sensor ____ to ____ the anomalies observed ____ using the ____ illumination ____?

____ light ____ to faulty motion sensor?

____ inconsistent operation in the porch ____ indicate a ____?

There are ____ an ____ the newly enhanced exterior light may be linked ____ a ____.

Is the inconsistent performance ____ the ____ porch ____ sensor?

The inconsistency ____ the new porch ____ be a ____ a malfunctioning ____.

Is a malfunctioning ____ the ____ for the ____ in ____ porch ____?

Is the porch ____ malfunctioning ____ of ____

____ there ____ to ____ if ____ faulty motion sensor is ____ issues ____ the newly ____ porch ____ something else?

Is there ____ porch light's ____ sensor?

Can I ____ if ____ unreliable ____ is to blame ____ the ____.

____ our porch ____ malfunctioning ____ dumb motion sensor?

____ the ____ with our ____ light upgrade?

____ our new ____ upgrade ____ an ____ motion sensor?

____ porch ____ upgrade ____ be disrupted by ____ motion sensor.

Is there a ____ inconsistent ____ of our ____ light ____ and ____ motion sensor?

Is the malfunctioning motion ____ of ____ the porch ____ upgrade?

Is it ____ that ____ upgraded ____ functions ____ because of an ____?

Is the ____ motion detector ____ the ____?

____ new ____ light's ____ may be due to a ____.

____ it possible ____ erratic ____ from ____ outdoor ____ be ____ by flawed movement ____?

____ inconsistent operation ____ the porch ____ at a damaged ____?

Is it ____ that ____ operation in our ____ light is ____ motion ____?

____ our porch ____ inconsistencies ____ to ____ faulty motion ____?

____ an ____ motion ____ blame for why our ____ light ____?

Is ____ malfunctioning because of a faulty ____?

Is there ____ know ____ sensor is causing problems with ____ lighting ____ something else altogether?

____ that ____ motion ____ the erratic ____ of our porch light?

Is ____ for ____ from ____ enhanced ____ be caused by flawed ____ detector?

Can we ____ if ____ light ____ is ____ a malfunctioning motion ____?

____ I determine if ____ detector is to blame ____ light ____?

____ is ____ that the ____ porch light ____ due to a ____ motion ____.

____ of ____ system could be to ____ for an unreliable motion ____.

____ possible that the ____ behavior of our ____ causes an ____ motion ____?

Is there ____ way ____ determine ____ faulty ____ sensor is causing the ____ with the newly upgraded ____

____?

____ porch light malfunctioning ____ motion sensors?

____ the porch ____ malfunctioning due ____ motion ____?

Is ____ new ____ unreliable ____ the faulty motion detector?

Is there ____ way to tell ____ Motion Sensor ____ to ____ for ____ intermittent ____ new ____ fixture?

____ performance ____ porch light ____ due ____ a faulty motion detector?

The ____ light ____ may ____ caused ____ motion sensor.

____ are the ____ that ____ broken ____ sensor ____ our patio light ____?

Does ____ light ____ a faulty motion sensor?

____ inconsistent operation of ____ porch ____ a faulty motion ____?

____ anyone know how to ____ a ____ Motion Sensor ____ for ____ intermittent performance of a ____?

Can I ____ if ____ causes ____ porch ____ to malfunction?

Is the ____ new porch ____ upgrade?

____ our new lamp ____ because ____ dumb motion ____?

____ a ____ motion sensor ____ the patio light improvement.

It is ____ an unreliable motion sensor ____ messing ____.

____ porch light ____ might be ____ by ____ shoddy motion ____.

____ operation ____ our ____ by a crappy motion sensor?

____ an unreliable ____ to blame ____ the porch ____ working?

Is the malfunctioning motion ____ to ____ operation of the ____?

How ____ I ____ if the new ____ is malfunctioning due ____ motion ____?

The inconsistent ____ our porch ____ by a problematic motion ____.

____ possible that ____ sensor is ____ the problems ____ using the recently installed advanced ____ illumination system?

Is ____ motion sensor causing issues ____ porch ____?

Is our porch lamp ____ bad ____?

____ the ____ performance ____ the upgraded ____ light due ____ the ____ sensor?

____ the ____ sensor ____ porch light ____ act up?

A ____ motion ____ is messing with ____?

____ that an unreliable ____ detector is ____ our improved ____ system?

Does a ____ motion ____ the function of ____ porch ____?

____ because of a fault with the motion ____?

____ know ____ erratic behavior ____ outdoor lighting is ____ to ____ movement detectors?

____ the porch light's ____ performance ____ to ____ detector?

____ an unreliable ____ to ____ for the ____ appearance ____ installed ____ light enhancement?

____ our porch ____ upgrade ____ due ____ a ____ motion ____?

____ malfunctioning ____ sensor ____ reason for the ____ of the porch ____?

The ____ of ____ porch ____ could ____ linked ____ malfunctioning motion sensor.

____ a way to ____ if ____ motion sensor ____ for ____ malfunctioning porch lighting system ____ something ____?

____ the ____ performance ____ our upgraded ____ light ____ to ____ malfunctioning ____ sensor?

Is ____ between the inconsistent porch ____ enhancement ____ motion sensor?

The inconsistency exhibited ____ our ____ porch ____ could ____ by an unreliable ____.

How can ____ find ____ if ____ porch ____ disrupted ____ a ____ motion sensor?

____ the new ____ lamp malfunctioning ____ dumb ____ sensor?

Does a faulty ____ have ____ to disrupt ____ porch ____?

____ a problematic motion sensor ____ our porch light?

Is ____ a way ____ out if ____ motion sensor ____ with ____ new porch lighting system ____ something ____?

____ we having problems ____ porch ____ of the ____ sensor?

The Irregularities observed ____ using our recently installed ____ porch ____ could be ____ result ____ an ____.

____ porch ____ may have ____ affected by ____ malfunctioning motion ____.

____ there a ____ to find out ____ the ____ sensor is causing ____ problems ____ new porch ____?

Does ____ unreliable ____ our ____ enhanced porch ____ mean the ____ detector ____?

____ I ____ you if ____ detector is ____ for the porch ____ malfunctioning?

Is ____ porch light ____ to ____ faulty ____ sensor?

____ porch light's variable performance ____ from ____ motion ____?

____ porch ____ issue could be ____ motion sensor.

____ an ____ behavior of our ____ upgrade ____ malfunctioning motion sensor?

____ unreliable ____ to blame for ____ of our porch light?

I ____ know ____ unreliable motion ____ is to blame ____ porch ____.

____ installation may be messed ____ by ____ motion sensor.

____ an malfunctioning ____ to ____ for ____ observed ____ our ____ installed advanced porch ____ system?

____ inconsistent operation ____ the porch light mean a ____?

The ____ light's inconsistent ____ due ____ a ____ motion sensor.

____ upgraded ____ lights may ____ with a ____ motion ____.

The ____ may ____ malfunctioning due to ____ motion ____.

____ the ____ light problem ____ a faulty ____ sensor?

Is ____ between the upgraded ____ lights and ____ sensor?

Is there ____ if ____ Sensor is to ____ for the occasional performance of a ____ front-light ____?

Is ____ a ____ sign ____ behavior ____ operating the ____ enhanced ____ related to a faulty motion ____?

_____ that _____ malfunctioning motion _____ be _____ for _____ irregular operation of our porch lighting?

A _____ motion sensor might _____ to blame for _____ inconsistent _____ light _____.

_____ can I _____ if the inconsistent _____ light is _____ to a faulty _____ sensor?

_____ it _____ that inactive _____ operating _____ newly enhanced exterior light may _____ to a _____?

Does _____ unreliable _____ of _____ porch lighting _____ that _____ motion detector _____?

_____ the unreliable _____ sensor messing _____ light _____?

_____ the inconsistent operation of _____ light _____ faulty motion _____?

How do _____ new porch light _____ a malfunctioning motion sensor?

_____ new _____ may be malfunctioning _____ broken sensor.

The _____ in _____ new _____ light's _____ the result of _____ malfunctioning _____ sensor.

Is _____ possible _____ inconsistent _____ of our _____ installed porch light enhancement _____ due _____ sensor?

Is _____ erratic operation _____ due _____ malfunctioning motion sensor?

_____ the _____ operation of _____ porch _____ there _____ a damaged _____ sensor?

Is _____ a _____ the _____ operation _____ our _____ porch lighting is due to _____ sensor?

Does _____ inconsistent _____ new porch light show _____ damaged _____?

Is _____ light upgrade messing up _____ an _____?

_____ determine whether the _____ our porch light is caused by _____ motion sensor?

_____ sensor _____ to blame for _____ porch light?

_____ you _____ me _____ it's _____ motion _____ that is causing _____ light _____ work _____?

_____ porch _____ inconsistent _____ may _____ the result _____ a _____ sensor.

I want to _____ a _____ sensor is the cause _____ unreliable _____ of _____ light.

_____ a malfunctioning motion _____ affect _____ of _____ new _____ upgrade?

The porch light _____ be malfunctioning _____ to _____.

Is _____ porch _____ because it _____ a bad motion _____?

_____ sign that _____ behavior _____ operating the newly enhanced _____ light may _____ to _____ malfunctioning _____ sensor?

Is _____ porch light _____ a motion _____?

_____ it that stupid motion _____ porch light?

Is _____ possible that _____ exhibited _____ recently installed _____ light _____ is due _____ unreliable _____ sensor?

_____ light upgrade malfunctioning _____ to an issue _____ the motion _____?

_____ the unreliable _____ of _____ enhanced porch _____ is caused _____ faulty _____ detector.

Our recently _____ advanced porch illumination system _____ by _____ motion sensor.

_____ inconsistent operation _____ new _____ light upgrade _____ due _____ a _____ motion sensor.

How can _____ determine _____ faulty motion _____ causing _____ operation of our _____ light upgrade?

Is _____ light _____ an _____ motion detector _____ to blame?

The inconsistent _____ new porch _____ may _____ result of _____ malfunctioning _____ sensor.

_____ the _____ performance _____ our enhanced _____ light _____ by _____ motion detector?

_____ a malfunctioning _____ sensor be blamed _____ porch _____?

_____ we _____ with _____ light due to a malfunctioning _____?

_____ our _____ malfunctioning _____ of faulty _____?

Is there _____ sign that _____ inactive _____ in _____ the _____ enhanced exterior _____ is related _____ unit?

I don't _____ if _____ is _____ unreliable performance _____ our _____ porch light.

_____ the _____ malfunctioning _____ it has a _____ sensor?

Is it _____ that _____ outdoor _____ setup is different _____ detector?

Irregularities observed _____ our recently _____ illumination _____ could be caused by a _____.

_____ it _____ that the malfunctioning _____ caused _____ in the porch _____?

_____ the _____ sensor unreliable and _____ the light _____?

Is it possible _____ lighting setup is confusing _____ to a _____?

_____ having _____ our upgraded _____ light because of _____ motion sensor?

_____ the _____ of _____ new porch lighting due _____ a _____ in the _____?

Do _____ a _____ motion _____ is _____ unreliable performance of our porch _____?

Is ____ porch ____ as a ____ a faulty motion ____?

The new porch ____ upgrade ____ be ____ motion sensor.

Does ____ the ____ suggest a damaged motion sensor?

Are there ____ behavior in ____ the newly enhanced exterior ____ be connected to ____ malfunctioning ____ sensor?

Does ____ in the ____ a damaged motion sensor?

____ there a way to ____ if the ____ of ____ upgraded ____ yard light ____ the result of ____?

It ____ possible ____ unreliable performance ____ porch ____ due to ____ motion detector.

Can ____ figure ____ if the inconsistent ____ of the ____ is ____ by a malfunctioning ____?

Is ____ porch light malfunctioning ____ to some ____?

____ to find out if the inconsistent ____ of ____ front ____ light is due ____ faulty movement ____?

Is there a ____ to ____ that ____ inconsistent performance ____ our upgraded ____ light is ____ to ____ detecting ____?

____ observed when ____ installed ____ porch illumination ____ may be ____ of an malfunctioning ____ sensor.

Is there a ____ to determine ____ the ____ motion ____ causing ____ the new porch ____ or ____ altogether?

Can ____ determine if the ____ light ____ was ____ motion sensor?

There ____ some ____ that ____ inactive behavior ____ operating the ____ enhanced ____ light may be ____ motion ____.

I ____ to know if ____ sensor is causing ____ the upgraded ____ light.

Maybe the ____ because of the dumb ____ sensor?

____ it ____ that a ____ motion ____ is ____ up ____ lighting setup?

____ there a way to ____ it's ____ faulty motion ____ that's causing issues ____ our ____ lighting ____

____ you ____ whether ____ erratic behavior ____ our ____ outdoor lighting is related ____ the ____?

____ problems ____ porch light ____ because ____ malfunctioning motion sensor?

____ the ____ sensor messing ____ the new porch ____?

Is ____ a ____ can be to ____ for ____ irregular operation of ____ new ____ lighting?

____ it ____ a malfunctioning motion sensor ____ cause an ____ porch light?

Is ____ a ____ to ____ if ____ malfunctioning motion sensor ____ the new porch ____ or something ____?

____ are ____ that an inactive ____ in operating ____ newly ____ connected to a malfunctioning motion ____.

The porch ____ malfunctioning ____ of a faulty ____.

Is ____ a problem ____ sensor ____ our porch ____?

____ an unreliable motion ____ the cause ____ function of our ____?

____ inconsistent performance of ____ upgraded porch ____ attributed ____ a ____ sensor?

____ are ____ that ____ motion sensor is impacting ____ patio light ____?

Can ____ determine if the inconsistent behavior ____ light upgrade ____ to the malfunctioning ____?

____ shoddy motion sensor ____ might ____ messing with the installation ____ porch ____.

Is ____ possible ____ sensor causes ____ operation of ____ porch light?

____ motion ____ ruining ____ new porch ____?

Is the new ____ upgrade ____ danger of ____ to ____ faulty ____?

____ are ____ signs ____ broken ____ sensor ____ the ____ of our patio light ____?

Is ____ light's performance due ____ a ____ detector?

____ the ____ porch ____ up ____ of ____ dumb motion sensor?

____ it possible ____ an ____ sensor is ____ blame for ____ inconsistent function of ____?

____ wonder ____ the unreliable ____ of the porch ____ is ____ to ____ motion ____.

Is ____ stupid ____ thingy ____ up our ____?

____ I determine if ____ motion ____ is responsible for ____ porch ____?

There are some ____ that a ____ sensor ____ the ____ our patio ____.

Is there a correlation between ____ unreliable ____ inconsistencies exhibited by ____ recently installed ____?

____ the porch ____ variable ____ result ____ a faulty motion ____?

Can I ____ porch ____ malfunctioning because ____ a ____ motion sensor?

____ malfunctioning motion ____ might ____ the inconsistent ____ the ____ porch ____ upgrade.

Does the inconsistent operation of ____ porch _____ a _____?

Is the _____ light upgrade _____ of ____ motion sensor?

____ our _____ inconsistency have ____ do with _____ motion sensor?

Is the porch ____ variable _____ to _____ motion ____?

I would like to ____ if a _____ sensor _____ inconsistent _____ our ____ porch ____ upgrade.

Is _____ operation of ____ porch _____ due ____ a _____ sensor?

_____ know ____ my ____ light ____ is being ____ by a faulty motion ____?

____ it possible that a ____ motion _____ erratic ____ in _____ light?

Is _____ that _____ from ____ enhanced outdoor ____ is a result ____ flawed _____?

How can I _____ porch _____ malfunctioning ____ to ____ malfunctioning motion sensor?

____ the ____ light's motion _____?

Is our _____ because of ____ faulty motion ____

Is there ____ unreliable _____ causes ____ porch light ____ work ____?

Is ____ faulty motion _____ our porch _____ work?

____ a ____ motion sensor _____ new ____ light upgrade to ____?

Is our ____ light _____ of _____ motion sensor?

Does _____ the porch light show a ____ motion ____?

_____ the ____ light _____ caused by an unreliable motion sensor.

Can the _____ to a ____ motion sensor?

____ malfunctioning ____ sensor ____ our ____ light act strange?

____ stupid motion ____ messing up our _____?

____ the _____ malfunctioning because ____ is a faulty _____?

Does an inconsistent ____ in ____ porch _____ a damaged _____?

Does anyone know ____ to ____ if a _____ Sensor is _____ intermittent ____ of _____ light fixture?

____ the _____ performance caused _____ faulty motion detector?

____ an inconsistent operation in _____ light _____ a damaged ____ sensor?

How can _____ if _____ motion ____ is disrupting our ____ light ____?

____ possible that an unreliable motion _____ the porch ____ malfunctioning?

Is there ____ flaw in ____ porch _____?

Is _____ light _____ of a ____ motion sensor?

Is the inconsistent ____ of _____ to a ____ sensor?

Are ____ porch _____ due ____ an ____ motion detector?

____ unreliable operation in our _____ lighting ____ that the _____ malfunctioning?

____ inconsistency ____ by our _____ porch light ____ could _____ consequence of an _____ sensor.

____ it _____ a _____ detector ____ messing ____ our lighting setup?

Does ____ inconsistent operation ____ our ____ light _____ faulty motion ____?

Is ____ porch _____ due to a rotten _____?

Is ____ possible ____ a _____ sensor causes _____ light ____ operate _____ erratic manner?

There might be ____ with the upgraded _____ motion sensor.

Does ____ faulty ____ sensor cause ____ porch _____?

How can ____ determine _____ porch light ____ is _____ a malfunctioning _____?

Is there ____ correlation _____ porch _____ and the unreliable ____ sensor?

____ malfunctioning _____ to _____ the new porch light's issue?

____ exhibited by our _____ porch light enhancement ____ be ____ to ____ unreliable _____.

Is _____ our new outdoor ____ setup ____ of a _____ detector?

____ chance ____ the irregular operation of ____ new porch _____ due to ____ malfunctioning _____ unit?

____ motion thing messing with ____ porch ____?

____ the ____ porch light _____ of ____ faulty motion ____?

____ unreliable ____ of ____ enhanced _____ may _____ by a ____ motion detector.

____ the unreliable ____ in our _____ that _____ detector is malfunctioning?

What signs _____ broken motion _____ our patio _____?
 _____ the _____ light malfunctioning due _____ broken sensor?
 Do you _____ erratic _____ from our _____ related _____ flawed movement detectors?
 Is _____ motion sensor _____ porch light _____?
 Is _____ possible that a _____ affecting _____ outdoor _____ setup?
 _____ a _____ to _____ if _____ faulty motion sensor _____ problems with _____ porch _____ or something else?
 _____ determine if the _____ upgrade _____ by the malfunctioning motion _____?
 _____ it _____ that _____ behavior from _____ outdoor lighting is _____ flawed _____ detector?
 Does our _____ malfunction _____ of _____ faulty _____?
 Someone _____ know why _____ motion _____ might _____ messing _____ our _____ light installation.
 Can you _____ if the malfunctioning _____ affecting _____ functioning _____ recently _____ porch light?
 The _____ issue could be _____ by a malfunctioning _____.
 Is the _____ erratic behavior behind _____ motion _____?
 The _____ performance of _____ porch light may _____ related _____ sensor.
 _____ our porch _____ come from _____ faulty _____ sensor?
 Is _____ light _____ a defect in the _____ sensor?
 _____ the inconsistent _____ of _____ of a malfunctioning motion _____?
 _____ I _____ the faulty motion sensor is _____ the _____ operation _____ upgrade?
 How can _____ a _____ motion _____ is _____ the _____ of our porch light _____?
 _____ in _____ new _____ light's operation _____ due _____ a _____ motion sensor.
 The _____ of _____ porch light _____ be _____ a _____ motion detector.
 _____ can I _____ the porch light _____ disrupted by _____ sensor?
 Is the _____ performance of _____ a _____ motion sensor?
 Does our _____ light _____ stem from _____?
 _____ know _____ if a bad Motion Sensor is _____ for _____ performance _____ a recently _____ light _____?
 The inconsistent _____ of the porch light _____ by _____ sensor.
 Is _____ porch light system _____ due to _____?
 Is the _____ light _____ due _____ a _____ motion _____?
 _____ new light upgrade _____ be _____ an _____ motion sensor.
 _____ there _____ way to know _____ the inconsistent _____ of our upgraded _____ faulty movement-
 detecting device?
 Can _____ me whether _____ is _____ the _____ performance of _____ porch light?
 I _____ know _____ a _____ causing the unreliable _____ of our new porch light.
 Is _____ upgraded porch light _____ because _____ motion _____?
 _____ recently _____ light _____ may have _____ affected by _____ unreliable _____ sensor.
 _____ a faulty _____ of _____ functioning of our _____ porch light _____?
 _____ if _____ motion sensor _____ causing the unreliable _____ the porch _____.
 Does the _____ operation _____ the _____ porch lighting _____ that _____ is _____?
 Is an unreliable _____ to _____ the _____ malfunction?
 Do _____ whether the _____ our enhanced _____ due to flawed movement _____?
 _____ the inconsistent _____ the upgraded _____ a _____ motion sensor?
 Can you _____ me _____ performance _____ our _____ is due to a faulty _____ sensor?
 Is the _____ inconsistency _____ to _____ malfunctioning motion _____?
 _____ a faulty motion sensor _____ functioning of _____ porch _____?
 _____ it possible _____ motion detector _____ causing discrepancies _____ outdoor _____ setup?
 _____ if _____ malfunctioning motion sensor _____ inconsistent _____ of our new _____ upgrade?
 _____ there an unreliable _____ sensor that might explain _____ porch _____?
 _____ are signs that a _____ sensor is _____ performance of _____ light _____
 _____ lights _____ to a malfunctioning motion sensor?
 Is _____ that an _____ in operating the _____ exterior _____ related to a _____ sensor?
 _____ porch light's _____ behavior _____ a _____ motion sensor?

____ broken motion sensor ____ be ____ cause ____ the irregular ____ of ____ ____ improvement.
 ____ you tell ____ ____ a ____ motion sensor ____ causing ____ broken ____ light?
 ____ ____ unreliable ____ of ____ ____ light is because of a ____ motion ____?
 ____ ____ unreliable ____ sensor ____ explain why ____ porch light is ____.
 Can ____ determine ____ the inconsistent ____ of ____ porch ____ upgrade ____ ____ ____ of a malfunctioning ____ sensor?
 Is there ____ way to ____ if ____ faulty ____ sensor ____ ____ porch ____ system ____ something else?
 ____ inconsistent ____ ____ our recently ____ porch light ____ could ____ ____ by an ____ sensor.
 ____ it possible ____ the ____ sensor caused ____ operation of the upgraded ____?
 Is ____ porch lamp ____ because of the ____ ____?
 Can ____ tell ____ ____ a ____ motion sensor ____ ____ our ____ light to ____ differently?
 ____ ____ any specific signs ____ ____ behavior ____ operating the newly enhanced ____ ____ ____ be related to ____ malfunctioning ____ sensor?
 ____ there a way ____ determine ____ the faulty motion ____ is ____ the ____ ____ lighting ____ or something ____?
 ____ we figure out if ____ ____ behavior ____ the ____ porch ____ is ____ result of ____ malfunctioning motion ____?
 Is ____ porch ____ ____ a bad ____ sensor?
 ____ that ____ motion thingy ____ our ____ light ____?
 ____ ____ how ____ ____ if a bad Motion Sensor ____ to blame ____ the sporadic performance ____ a ____ ____ light ____?
 ____ there a possibility that ____ faulty ____ detector is ____ inconsistencies ____ ____ outdoor ____?
 The irregular ____ ____ patio light ____ may be ____ to ____ ____ sensor.
 ____ there ____ sign that an inactive ____ ____ ____ newly ____ exterior light is ____ to ____ ____ motion sensor?
 ____ porch light ____ acting ____ ____ because ____ the ____ motion detector?
 Is there ____ ____ to determine if the faulty ____ sensor is ____ ____ for the ____ ____ ____ upgraded ____ lighting ____?
 ____ there a ____ between the ____ ____ by our ____ installed ____ light ____ ____ the unreliable ____ sensor?
 ____ inconsistent ____ ____ the porch light due ____ a ____ motion ____?
 A malfunctioning motion ____ could ____ to blame ____ ____ light's ____.
 ____ there problems ____ ____ light system due ____ a ____ ____ sensor?
 Do ____ ____ the ____ ____ from ____ enhanced outdoor lighting is ____ ____ flawed ____ detectors?
 Maybe a malfunctioning ____ sensor is behind ____ ____ ____ of ____ ____?
 Is ____ ____ way to ____ if the faulty motion ____ ____ the cause of ____ ____ lighting ____ ____?
 The porch light ____ may be ____ ____ ____ shoddy motion ____.
 Is ____ ____ ____ to ____ if ____ faulty motion sensor ____ causing ____ problems with ____ newly ____ porch ____ system?
 Is ____ ____ operation of the ____ ____ upgrade due ____ ____ ____ sensor?
 ____ ____ ____ sensor causing our porch ____ to malfunction?
 Does anyone know how ____ ____ ____ a bad ____ ____ ____ to blame for intermittent ____ ____ a recently ____ ____ ____?
 ____ there a ____ to ____ ____ a ____ Motion Sensor ____ ____ for intermittent ____ of a ____ ____ fixture?
 Is ____ light upgrade ____ ____ ____ by an unreliable ____ ____?
 ____ the ____ performance of ____ upgraded porch light due ____ a ____ ____ ____?
 ____ ____ the ____ that a ____ motion sensor is impacting ____ ____ patio ____?
 ____ you believe that ____ ____ ____ ____ enhanced ____ lighting is due ____ flawed movement ____?
 ____ it ____ that ____ new ____ light ____ is ____ ____ a malfunctioning motion ____?
 ____ the motion ____ ____ with ____ ____ of the porch ____?
 ____ malfunctioning motion sensor might ____ the ____ operation ____ ____ porch light ____.
 Is ____ irregular performance of ____ ____ ____ improvement due ____ a ____ motion ____?
 ____ the porch ____ ____ because of ____ fault with ____ ____?
 Is there a ____ ____ the irregular ____ of ____ ____ lighting ____ due to ____ ____ ____ sensor?
 ____ ____ performance ____ ____ porch light may ____ due to ____ ____ motion detector.
 ____ anyone know ____ to tell ____ a bad ____ Sensor is ____ ____ intermittent performance ____ ____ ____ front-light fixture?
 Is our porch ____ upgrade caused ____ ____ ____ sensor?
 ____ ____ ____ if ____ unreliable motion detector ____ ____ blame ____ the porch light ____?
 ____ a faulty ____ detector ____ to blame ____ ____ unreliable performance of ____ ____ ____?
 Is it ____ ____ the ____ ____ from our enhanced ____ ____ ____ from ____ flawed ____ detector?

Is it _____ erratic _____ outdoor lighting to _____ to flawed movement _____?
 _____ need _____ help determining _____ a faulty motion _____ causing _____ unreliable _____ upgraded porch light.

Is the _____ malfunctioning _____ porch _____?
 _____ have the _____ to affect our new _____ light upgrade?

Is the _____ performance _____ light caused by the _____?
 _____ is _____ a malfunctioning motion _____ is to blame _____ observed when using _____ recently installed _____.

Is _____ broken sensor _____ porch _____?
 _____ to know _____ malfunctioning motion _____ that's causing the light _____ work _____.
 _____ the inconsistent operation of _____ to the _____ motion _____?
 _____ an _____ behavior in operating _____ enhanced _____ light _____ a malfunctioning _____ sensor?
 _____ need help _____ a _____ motion sensor is _____ the _____ performance _____ upgraded porch _____.
 _____ unreliable _____ the enhanced porch light _____ the result _____ faulty _____ detector.
 _____ wonder if an _____ detector _____ to _____ the porch light _____.
 _____ porch lamp _____ due to _____ dumb motion _____?
 _____ if a faulty motion sensor _____ making _____ performance _____ our _____ light.

Do _____ if _____ erratic behavior from _____ stems from having _____ detectors?
 Are _____ any _____ signs that _____ inactive _____ in _____ exterior light _____ be _____ to a malfunctioning motion _____?
 _____ porch light's erratic _____ due to _____ malfunctioning motion _____.

Is it _____ lighting _____ because of _____ bad motion sensor?
 Is _____ to a malfunctioning motion sensor?
 _____ operation of our _____ lighting is due to a _____ the motion sensor?

Does the _____ in the _____ indicate a _____ motion _____?
 _____ the new _____ disrupted by an _____ motion _____?
 _____ porch light _____ a malfunctioning motion detector?

Is there a _____ that the erratic _____ our _____ porch light _____ due _____ malfunctioning _____?
 _____ the _____ in the new _____ light's _____ due _____ a _____ motion _____?

Our _____ porch _____ be malfunctioning due to some _____.
 _____ performance _____ our _____ patio light _____ may be _____ a broken _____ sensor.

Is our _____ lamp _____ because _____ a _____ sensor?
 Is _____ that _____ outdoor lighting _____ because of a faulty _____?
 _____ that our _____ porch _____ is _____ due to a _____ sensor?

Can _____ tell _____ if _____ malfunctioning motion _____ that's making _____ malfunction?
 Can _____ tell _____ if _____ the porch _____ is _____ result of a _____ motion sensor?
 _____ don't _____ why _____ sensor _____ messing _____ our porch light installation.
 _____ the _____ of the porch _____ is _____ result _____ faulty _____ detector?

Is the _____ the _____ operation due to _____ malfunctioning _____?
 Does _____ how to _____ if _____ Sensor _____ responsible for sporadic performance of _____ light fixture?
 Is _____ sensor causing _____ porch light _____ malfunction?
 _____ unreliable performance of _____ porch _____ be the result _____ motion _____?
 _____ stupid _____ messing up the porch _____?
 _____ malfunctioning with _____ porch light?
 _____ there an unreliable _____ sensor _____ might explain why _____ porch _____?

_____ sensor might _____ the new _____ light to _____.

Is the inconsistent _____ of _____ porch _____ because of _____ motion _____?
 Our _____ lamp might _____ to a dumb motion _____.
 _____ an _____ motion _____ the _____ our porch _____ doesn't work _____ same _____?

What signs _____ a broken motion sensor impacting _____ performance _____?
 Is the faulty _____ causing our _____ erratically?
 Is _____ indication _____ an _____ behavior _____ operating _____ newly enhanced exterior light _____ be _____ to a _____?

Is ____ motion ____ causing the ____ light ____ malfunctioning?
____ are indications that an ____ operating ____ newly enhanced exterior ____ may be ____ a malfunctioning ____.

Do you know ____ recognize if ____ erratic ____ from ____ enhanced outdoor ____ by flawed ____?

Is a ____ motion ____ the ____ erratic ____ in our ____ light?

Are ____ having issues ____ porch ____ to a ____ motion ____?
____ there a ____ a shoddy ____ is messing ____ our ____ installation?

Is ____ something wrong ____ porch light system due ____ sensor?

Is the ____ sensor ____ new porch light ____?
____ wonder ____ unreliable ____ why our porch ____ functions differently.

Is there ____ motion sensor ____ causes the inconsistent ____ of ____ new ____?

Is ____ stupid ____ thingy that ____ messing ____ porch light?

Is ____ motion ____ the ____ for ____ when using the ____ porch ____ system?

Can you ____ if ____ a ____ motion ____ if ____ recently improved porch ____?

Is ____ a link ____ unreliable ____ detector ____ the ____ light ____?
____ the motion ____ our ____ light ____?
____ our ____ because ____ has a faulty motion ____?
____ you tell me ____ a ____ motion sensor or if ____ an ____ porch light?

Is our ____ lamp ____ the dumb motion sensor?

Does ____ in operating our ____ point towards issues ____ to ____ function?
____ can ____ tell if ____ sensor is ____ with the ____ porch ____ upgrade?
____ porch light's unreliable ____ due to ____ faulty ____ detector.

Is ____ that ____ porch light ____ is ____ a malfunctioning ____ sensor?
____ motion sensor have ____ potential to disrupt the ____ light ____?

Is ____ a ____ to know ____ the inconsistent ____ the ____ front yard ____ is ____ a ____ movement- detecting ____?
____ a faulty motion ____ disrupt ____ functioning of ____ light ____?

Is the inconsistent ____ porch light ____ a malfunctioning motion ____?
____ possible that ____ motion sensor ____ to our ____ porch ____ enhancement?
____ the ____ due to ____ malfunction ____ its motion sensor?
____ inconsistent performance of ____ porch ____ might ____ to a ____ motion ____.
____ inconsistency ____ recently ____ enhancement may have ____ caused by an unreliable motion ____.
____ our ____ porch light upgrade malfunctioning ____ to ____ faulty ____?
