

[Demo] NLP Dataset for Customer Service Automation

Company Type	Mobile Network Operators
Inquiry Category	Network coverage and signal issues
Inquiry Sub-Category	Network congestion
Description	Customers notice network slowdowns during peak hours or in crowded areas, experiencing slow data speeds or difficulty in connecting calls, and seek information on network capacity upgrades or alternative solutions to alleviate the congestion.
Data Size	5,137 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Mobile Network Operator" customer inquiry. (Purchased data will not be masked.)

Is _____ causing slow _____?
_____ leading _____ slower data speeds?
_____ there _____ a correlation between _____ and _____ jam?
_____ slow _____ due _____ jams?
_____ speeds due to _____?
Is it _____ that _____ blocking _____?
Slow uploads _____ to the _____.
_____ is slowing _____ my _____.
_____ congestion _____ my _____?
The crowded net is _____.
Data _____ is being _____ congestion.
Is _____ transfer _____ of limited bandwidth?
_____ might be the _____ of _____.
_____ may be _____ consequence of _____ signals.
_____ flow _____ being _____ by _____.
_____ speeds _____ affected by congestion _____ network.
Is _____ speeds _____ to network _____?
Is _____ congestion _____ sign _____ slower _____?
Do you _____ my data?
_____ congestion may _____ slow _____.
_____ congestion might _____ causing _____ data _____.
Data flow _____ be slowing _____.
_____ congestion _____ data speeds?
Network _____ speed.
network _____ speed
_____ jammed network _____ rates.
Was _____ congested web that you _____ a _____ slowdown?
_____ the _____ problem _____ network traffic?

Slow speeds _____ network congestion.
 _____ be _____ by traffic on your _____.

Is _____ data _____ because _____?

Slow data is _____ to _____ of network _____.

slow _____ network congestion

Data gets slower _____.

Does your network have _____?

_____ overload could be _____ sluggishness.

Is data _____ because _____?

Slow download _____ may _____ due _____ a _____ signals.

Data _____ slower _____ the _____ congestion
 _____ downs _____ due to network _____?

The _____ could be _____ to _____.

Did _____ the data?

_____ speeds might be _____ congestion.

Does congestion affect _____?

Is _____ networks _____ flow?

Is crowded _____ making _____?

_____ net _____ of congestion.

Slow speeds could _____ on _____.

_____ data problem is _____ network _____.

Network jams _____ data _____ down.

Is network congestion _____ reason _____?

Network overload could be _____.

There are _____ flow.

Do _____ this _____ because of crowding?

_____ speed _____ by network congestion.

_____ it because of _____ data _____ slow?

_____ are affecting _____ jams.

_____ if _____ infrastructure _____ causing _____ uploads.

_____ slow _____ of network _____.

_____ crowded, Internet _____?

_____ and affecting data _____.

_____ it because _____ a congested _____ you experienced a _____?

Is _____ possible network _____ data speeds?

Slow _____ due to queueing _____.

_____ can cause data _____.

Data flow _____ being _____ networks.

Slow speeds may _____ to _____

_____ network _____ be contributing to _____.

congestion _____ slowing my _____.

_____ jams can _____ slowdowns.

The crowded _____ is _____.

_____ speeds possible _____ congestion?

Network _____ may _____ to be _____.

The network _____ jammed _____ data _____.

_____ data flow _____ because _____ networks _____?

Network busy _____ the _____ internet.

congestion is _____ data

Will _____ correlation between _____ and network jam?

_____ speed suck _____ crowded _____?
_____ if this _____ is slow because _____?
_____ may be _____ of congestion.
Will _____ down _____ data?
_____ congested, _____ internet _____?
_____ congestion _____ data.
_____ network _____ data speeds?
Do _____ on _____ network affect _____?
_____ network _____ slowing down _____ data _____.
_____ causing _____ data speeds?
_____ be due _____ on networks.
_____ might _____ download speed.
_____ because of congestion?
_____ causing data _____?
_____ there _____ relationship _____ slow _____ network jams?
Is the _____ the _____ speeds?
There is network _____ slows _____.
_____ the _____ slowing _____ the data _____?
Is _____ to network _____?
_____ network _____ the _____ slow data?
_____ speeds _____ queueing on networks.
Slow speeds _____ be _____ problems.
_____ could _____ caused by congested _____?
Can crowded _____ slow _____?
_____ transfer _____ be delayed _____ limited _____.
Slow Uploads _____ be _____ by _____.
_____ jams _____ slower speeds.
Are _____ interfering with _____?
_____ networks affect _____?
Network _____ and _____ data _____.
Slow _____ have a correlation _____.
_____ speed _____ by network _____.
_____ data _____ due to congestion?
Does _____ your _____ speed.
Was it because of the congested _____?
Is _____ data speeds?
Data speed _____ affected _____.
_____ congested networks _____ data _____?
Is traffic _____ network affecting _____?
_____ network _____ cause data slowdowns.
Network _____ down.
Network congestion _____ slower data.
_____ the data speeds?
_____ internet _____ is busy?
_____ issues _____ the data _____
_____ crowded _____ effect data?
_____ affecting data _____?
_____ congestion impact your _____?
_____ data _____ because of _____ congestion.
_____ of network congestion?

Network congestion _____ speed.
 _____ is _____ slow data.
 _____ may _____ causing a data _____.
 _____ the crowded _____ data?
 High _____ traffic _____ be _____ slow browsing.
 Does a _____ impede _____?
 Is the _____ the _____?
 Slow _____ due _____ network _____?
 _____ slowing down _____ speeds.
 Is _____ data _____ slowed by _____?
 Slow _____ speed, _____ network _____?
 _____ net _____ cause speeds to _____.
 _____ congestion _____ affect data _____.
 _____ of the _____ network?
 _____ speed with network _____?
 _____ jams _____ be _____ of _____ slowdowns.
 _____ causes _____ slowdowns?
 Does crowded _____?
 Slow data _____ by a _____.
 _____ network issues slowing _____?
 _____ speeds slow because _____ network _____?
 Data _____ due _____ network _____
 Network _____ data speed?
 Data problems due _____.
 _____ crowded _____ is causing _____.
 Network _____ be _____ to _____ data.
 Is _____ congestion _____ cause _____ data?
 Is _____ possible _____ congested _____ data _____?
 _____ there traffic _____ slower _____?
 Could _____ overload _____ blame for _____?
 _____ is _____ for _____ speeds.
 _____ slowing the _____ speeds?
 Data _____ can _____ are congested.
 _____ is _____ my data.
 slow _____ and network _____?
 _____ data _____ could _____ by network _____.
 _____ download speeds are due _____?
 Is there _____ correlation _____ network _____ data?
 _____ impacted by _____ networks?
 _____ causing speeds to _____.
 _____ be to _____ for _____ slowing down.
 Are network problems _____?
 The _____ net _____ causing _____ suck.
 Data slowdowns because _____?
 _____ it possible to slow browsing _____ high _____?
 _____ issues slow _____ speeds
 _____ out _____ are slowing data _____.
 _____ of busy network
 _____ is _____ because _____ congested networks
 Is data _____ by limited _____?

Network ____ is ____ slow ____.

____ are ____ by ____ congestion.

____ may be a ____ of ____.

____ is impacted ____ congestion ____ your ____.

____ jams ____ data ____.

Is the slow ____ speeds ____ ____?

____ traffic may ____ the ____.

____ leads to ____ data.

____ are ____ data speed.

____ network ____ data?

Slow data ____ have ____ network ____.

____ speeds ____ from ____ congestion?

____ browsing may be ____ to ____ high ____.

Slow speeds ____ queueing on ____?

congestion ____ be ____ my ____.

Data ____ be ____ by your ____.

____ affected by a jammed ____.

There ____ problem with ____ due to ____.

Data ____ can be ____ congestion on ____.

____ flow slowed ____ networks?

____ cause data ____ slower.

Is ____ Internet ____ because ____ busy?

____ speeds ____ caused by queueing ____.

____ affected data?

There ____ slowing ____ speeds.

Is the ____ connections ____?

Is it ____ the ____ web ____ experience a flat-out ____?

____ could ____ to congestion.

Slow ____ due to ____ traffic.

____ you ____ network ____ is ____ data ____?

Data ____ be affected ____ the ____.

Data problems ____ to ____.

____ don't know if ____ slowing ____ data.

Slow ____ crowded ____?

____ is slow ____ busy ____?

____ am ____ if ____ is messing with ____ download ____.

Slow ____ is impacted ____.

There may ____ slowing ____ speeds.

____ flow ____ down due to ____?

____ net causing ____ suck?

____ congestion is slowing ____.

Is ____ possible to experience ____ flat ____ crowded web?

Slow ____ speed, a ____?

____ are ____ issues affecting ____?

Is ____ internet ____ due ____ the ____?

____ download ____ likely caused ____ signals.

____ my data?

Isn't data ____ crowding?

____ may ____ affected ____ network congestion.

____ making connections slower?

_____ was jamming _____ and _____ rates.

There is _____ between _____ data and _____.

_____ slows _____ net.

Network _____ data.

There _____ a _____ problem due to _____.

_____ the _____ slow _____ crowding?

Is the _____ jams?

_____ congestion _____ data speed?

Data problem associated _____?

Network _____ be _____ blame for the _____.

Data problem _____?

It's because _____ net that _____.

_____ the cause of _____ slowdowns.

_____ it _____ of _____ congested _____ that you _____ out slowdown?

Network issues _____?

Data _____ affected _____ network _____

Is _____ making _____ connections _____?

_____ congestion responsible _____ data?

_____ the data speed _____ by _____ on _____?

_____ busy _____ internet?

There's _____ problem _____ network _____.

_____ is slowed _____ jams.

congestion _____ my _____

Is slow _____ a consequence _____?

Is _____ delayed because of _____

Is _____ messing _____ my _____?

_____ may _____ to a congested _____.

The network _____ down _____.

Is _____ traffic _____ connections?

Is _____ stalling _____?

Affected by _____ on _____?

_____ are caused by _____ congestion.

_____ congestion _____ flow _____ data.

Network _____ cause _____ delays.

_____ net _____ speed suck.

Slow _____ due to _____?

Can slow browsing _____ high network _____?

_____ that the impact of _____ networks _____ speeds?

Is _____ experience a slow down _____ a _____ web?

Slow _____ crowded network?

_____ congestion _____ down _____ data speeds?

slow _____ because network _____?

Data crawling _____ to _____?

_____ congestion _____ my _____?

Network _____ data _____ be slower.

_____ downloads _____ crushed?

Slow uploads _____ congested infrastructure.

_____ congestion _____ data _____.

Is the _____ to network _____?

Slow _____ the result _____ jams.

Slow ____ may ____ by crowded ____.
 ____ congestion ____ data speed?
 Data ____ congested networks.
 ____ there ____ a correlation between network ____ slow ____?
 ____ is ____ to network traffic
 ____ slowing ____ flow?
 Data rates ____ affected ____
 ____ be a ____ between slow ____ and network ____.
 Does ____ with network ____?
 Network ____ will ____ data ____ slower.
 ____ suck, ____ net ____ it?
 ____ congestion slowing ____ data ____?
 ____ download ____ be ____ to ____ signals.
 ____ overload ____ blame for sluggishness?
 ____ data problem ____ network traffic.
 ____ net ____ suck?
 ____ speeds due to ____?
 congested networks ____ slowing ____
 ____ network congestion ____ speeds?
 ____ it ____ slow internet due to congested ____?
 ____ problem due ____ the ____?
 ____ flow delayed because ____ congested ____.
 Data ____ because ____ traffic?
 There is any ____ slow ____ jam?
 ____ speeds due ____ in ____ network
 Slow speeds may ____ network ____.
 ____ there congestion ____ data speed?
 ____ influences data ____.
 ____ because network is ____?
 ____ speeds ____ due ____ network congestion.
 Network congestion ____ slowing ____.
 ____ speed on ____ congested ____?
 Is the ____ affecting ____?
 network jams may ____.
 ____ caused ____ network congestion?
 Is it ____ experience ____ flat ____ slowdown due ____ crowded ____?
 ____ because ____ network queueing?
 Is ____ because the ____ busy?
 Is ____ between network jams ____ data?
 ____ speeds ____ of network ____?
 ____ download ____ are possibly due ____.
 ____ slower than usual ____ of ____ lines.
 ____ be due ____ congested signals.
 Slow browsing is ____ traffic.
 ____ rates ____ due ____ jammed.
 Does ____ network affect ____?
 Slow ____ could ____ caused ____ queueing ____.
 The ____ is jammed ____ the ____.
 Does ____ make ____ slow?
 ____ can ____ slower ____ congestion.

Data ____ is ____ down by _____.
 Slow ____ are ____ result ____ network ____?
 ____ can be caused ____ network ____.
 ____ data ____ network ____ may be ____.
 ____ is ____ problem due to the _____.
 ____ be slowing ____ speeds.
 There is ____ because ____ network ____.
 Is the data _____ jams?
 Slow speeds ____ to ____?
 ____ congestion might ____ the ____ speeds.
 ____ believed to cause ____ slowdowns.
 Network _____ be _____ for slowness.
 Is _____ data?
 Is ____ causing _____.
 _____ my data.
 Is crowded _____ data?
 ____ network ____ causing slower ____?
 ____ network _____ for slow data?
 ____ causes data ____ problems.
 Is a crowded _____?
 ____ jams may cause _____.
 Network ____ could ____ affecting the _____.
 ____ overload ____ cause ____?
 Does _____ data ____?
 Network _____ data ____ down.
 ____ congestion _____ the speed of _____.
 ____ it possible ____ experience flat-out slowdown ____ to ____?
 ____ could cause data _____.
 Slow _____ be _____ network jam.
 Network _____ contributing ____ sluggishness.
 Are ____ speeds _____ of ____ signals?
 ____ affecting data ____?
 The _____ could _____ of sluggishness.
 Slow ____ speeds may _____ network congestion.
 ____ jams are to _____ the _____?
 Slow ____ may _____ network jams
 Network ____ seem _____ slowdowns.
 _____ results ____ network congestion?
 _____ due to _____
 _____ there congestion causing _____?
 ____ speeds may be _____ network _____.
 ____ issues _____ speeds.
 ____ the data flow _____ networks?
 _____ due to crowded signals.
 Data rates are ____ by _____.
 _____ network congestion that ____ affecting _____.
 _____ creating slower ____?
 ____ overload _____ sluggishness?
 Is data _____ of _____ networks?
 Ain't the _____ of ____?

Does _____ network impact _____ ?

Slow downloads _____ possible _____ signals.

_____ blame for speeds suck.

Slow uploading _____ be a result _____.

Network _____ be _____ sluggishness.

_____ overload might _____ contributing to _____.

_____ a problem due _____ network _____.

I wonder if the _____ data.

Slow uploads _____ congested infrastructure.

_____ being hampered _____ limited bandwidth?

_____ affects data _____.

_____ could be _____ problem

_____ making the _____ slower?

Slow _____ speeds _____ associated with _____.

_____ because of network congestion.

_____ it possible _____ a slowdown due _____ crowded _____?

Is _____ slow _____ network congestion?

Slow speeds because _____ the _____?

_____ traffic _____ connections?

Slow _____ may _____ the _____ network _____.

_____ it _____ experience a flat out _____ because of _____?

_____ uploading _____ the result _____ congested _____.

_____ speed caused by _____?

_____ affecting _____ rates

Are _____ the data _____?

_____ to network traffic

_____ data flow?

_____ slow data speeds _____ congestion?

_____ you _____ congestion is slowing _____?

slow _____ are _____ congestion

_____ speeds are likely due _____.

_____ wi-fi _____ a traffic _____.

Network _____ suspected of _____.

_____ speeds due _____ congested signals?

_____ overload _____ be the cause _____.

_____ my _____ being _____ congestion?

Network _____ suspected _____ being the _____ of _____.

_____ data because _____ network _____?

The _____ congestion is _____ the _____.

_____ impede data _____?

Slow _____ to _____ jams.

_____ slow data _____ result _____?

_____ jams _____ have caused _____ data _____.

Is _____ slow _____ of _____?

Data _____ be hampered _____ networks.

Slow _____ related _____ network congestion.

Is slowing data _____ congestion?

The _____ may _____ causing _____.

_____ might cause data _____ down.

_____ congestion may _____ data _____.

_____ responsible _____ slow data?
 Isn't _____ down my _____?
 Data _____ slower _____ to _____.
 Slow _____ when network _____?
 Slow download _____ be _____ the _____ signals.
 Is _____ traffic _____ connections _____?
 Slow _____ be a _____ congested _____.
 Does _____ mean _____ data?
 Slow _____ could _____ network congestion.
 Slow _____ to crowded _____?
 _____ crowded _____ slow data?
 _____ network _____ data.
 _____ are data _____ of _____ jams.
 How _____ congestion _____ data?
 Data _____ may be affected _____.
 Network congestion can be _____.
 Do _____ your network _____ speed?
 slow uploads _____ be _____ by _____.
 sluggishness _____ by _____ overload.
 _____ speed _____ network?
 _____ speeds _____ be _____ network jams.
 _____ be contributing _____ the slowness.
 Do crowded _____ data?
 The _____ congestion _____ speeds.
 _____ network _____ an _____ on _____ data?
 Congestion _____ down.
 _____ due to _____?
 Data slowdowns _____ caused _____?
 Is _____ data flow slowing _____ of _____?
 _____ jammed, effecting _____.
 Is _____ decreasing _____ speeds?
 _____ slowing _____ due to network issues.
 Is traffic _____ your _____?
 Slow speed _____ congested _____
 _____ are _____ to the congested _____
 _____ as _____ of network crowded?
 _____ crowded _____ causing speed _____.
 Is _____ congestion _____ data _____?
 Slow download _____ can _____ due _____.
 Slow _____ speeds _____ network _____.
 _____ issues _____ speeds
 _____ you think _____ network will _____ data speed?
 _____ data _____ slow _____ congested networks?
 Network _____ flow.
 Is crowded _____ the cause _____?
 _____ download _____ of crowded signals?
 _____ network congestion caused _____?
 Data flow may _____ to _____.
 _____ data speeds _____ from _____.
 _____ may _____ slowed by _____ networks.

_____ slower because of _____.

Are _____ issues _____ data _____?

Data slow down _____?

Slow data _____ may be _____.

_____ browsing _____ be the _____ of high _____.

Data problem _____?

_____ may _____ hampered _____ network congestion.

Slow data _____ attributed _____ congestion.

_____ jam can be related.

Network _____ contributing _____ sluggishness?

_____ congestion _____ slower data speeds.

_____ affected _____ network congestion?

_____ be the cause of _____.

_____ speed _____ with net _____?

_____ your _____ data speed?

_____ troubles _____ to _____ traffic?

Network _____ may _____ speed.

Is data _____ congested _____.

_____ slowing _____ data?

Are _____ data?

Busy lines are _____ data link.

_____ may _____ blame for lagging.

_____ crowded, _____ internet _____?

Network _____ Internet _____?

Data _____ affected _____ network congestion.

Network _____ can result _____.

Is there _____ network jam _____ data?

_____ network affecting slow _____?

Does a crowded _____ impact _____?

Slow download _____ are _____ to _____.

_____ networks slowing data _____?

_____ data because of _____?

_____ slow _____ of busy _____

_____ bad _____ of the _____?

Is _____ due _____ congestion.

Slow _____ speeds _____ to _____ congestion.

Data trouble _____ traffic?

Slow _____ speeds _____ to be _____ by network _____.

Network _____ is _____ to _____.

Is _____ delay in _____ transfer due _____ bandwidth?

Data speed can _____ by _____ your _____.

_____ causes data _____ be _____.

The _____ due _____ network jams?

Data _____ of _____ traffic?

_____ network crowded,?

Slow speeds _____ network jams.

_____ flow _____ be delayed by _____.

_____ can be delayed by _____

_____ network congestion?

_____ is possible _____ congestion is messing _____ download _____.

_____ download speed messed _____ congestion?

_____ data _____ network _____?

_____ is impacted _____ crowded _____.

Slow _____ due _____

Network overload _____ be _____?

There _____ data _____ by network _____.

Slow _____ speeds _____ network congestion.

Is _____ congestion causing _____ speeds?

Network _____ be _____ factor in _____.

_____ speed can be _____ Network _____.

_____ data _____ is due _____ network _____?

Slow _____ may be _____ to _____.

Do _____ slow _____ speeds?

_____ of the net _____ to suck.

Slow _____ may _____ by _____ network.

_____ slower _____ of network _____

_____ congestion is causing _____.

Internet _____ slow _____ the _____ is _____

Slow _____ are caused by _____ network.

Isn't _____ result _____ congestion?

_____ it because of _____ that you _____ a _____?

_____ crowded network messing _____?

_____ internet due to _____

Slow _____ might be _____ networks.

Slow _____ speeds _____ to congested _____

Was _____ because the _____ busy?

_____ congestion effecting _____ speeds?

Any _____ between _____ and network _____?

_____ congestion _____ dataspeed?

_____ flow is being _____ networks.

_____ may _____ congestion on your network

_____ slow _____ due to _____ signals?

_____ might be _____ due to _____.

_____ the _____ problem _____ of _____ traffic?

Slow _____ speeds may _____ from _____.

_____ a congested network?

_____ speeds _____ caused by _____ on the _____.

Network _____ possibly _____ sluggishness.

_____ speeds is caused by _____.

Network _____ possible _____ sluggishness.

_____ network congestion, _____ is _____.

_____ download _____ are caused _____ signals

_____ speeds _____ a _____ of congested signals.

Is _____ data slow _____ crowded _____?

_____ data _____ be a _____ congestion.

_____ data _____ to _____ jams.

_____ the cause of _____ data?

_____ issues _____ the data _____?

Is _____ slowing due _____ congested _____?

_____ speeds may be _____ congestion

_____ slowing down Data _____?

Network _____ effects _____.

Data _____ due to jammed _____.

_____ affect the _____ your data?

Network jammed, affecting _____.

network _____ slows _____.

_____ network impacted slow _____?

Can slow _____ be _____ network _____?

Network _____ data speeds

Slow _____ might be _____ infrastructure.

Data _____ are being affected _____.

Is network _____ speeds?

Is _____ transfer taking longer _____ limited _____?

_____ jams _____ cause _____ disruptions.

_____ problems _____ data speeds.

_____ is _____ due to network _____.

_____ congestion causing _____ speeds?

_____ networks _____ slower _____ flow?

The data _____ due _____.

Is _____ due to congestion?

_____ jams cause _____.

Data _____ be slowing _____ to _____.

_____ issues affect data _____?

_____ speeds _____ network jams?

_____ by congested networks.

_____ speeds are _____ network congestion

_____ be related to network _____.

I _____ slowing _____ my data.

Data speed _____ congestion?

_____ slow internet?

_____ congestion impact your _____?

Slow speeds _____ networks?

_____ due _____ network jams

_____ link on jammed _____

_____ affects dataspeed.

_____ crowded _____ be to _____ speeds suck.

_____ down my _____

_____ internet due _____ being _____.

_____ flow can _____ slowed _____ congested _____.

Is _____ congested networks?

Is _____ net _____ speed _____?

Data rates were affected _____.

Is it _____ that _____ experience a flat _____ slowdown?

Network _____ to the _____?

_____ was jammed, affecting the _____.

Slow _____ a network _____?

_____ net slows _____ due _____.

Network _____ could _____ down data _____.

_____ your _____ impacting data _____?

_____ speed _____ be _____ by _____ congestion.

_____ of network congestion
 _____ are _____ caused _____ network jams.
 Lagging _____ may _____ of congestion.
 _____ congestion has _____ linked _____ slow _____.
 Is _____ result of _____ on _____ network?
 Data _____ due _____ network _____?
 The _____ was _____ affecting data _____.
 _____ data _____ to crowded _____.
 _____ network jams _____ slower _____?
 _____ the _____ on speeds _____ of _____ networks?
 Is _____ crowded net _____ suck?
 Are the speeds _____ because _____?
 _____ data _____ be the _____ congestion.
 Do _____ think there is _____ between _____ and _____ jam?
 _____ crushed; sluggish _____?
 Slow Internet _____ network _____?
 Are _____ down the _____?
 congestion affects _____
 Slow speeds are _____ network _____.
 Network _____ can _____ the _____.
 _____ network _____ slower _____ speeds?
 Slow speeds may _____ queuing _____.
 _____ it _____ that _____ can slow browsing?
 Is _____ network _____?
 Slow _____ could _____ caused _____ crowding _____.
 _____ slow _____ data?
 Data _____ network congestion
 _____ rates _____ network jammed.
 _____ to _____ on the networks?
 _____ could _____ a result of the _____.
 _____ impact data _____?
 _____ traffic _____ connections _____?
 _____ crowded network _____?
 _____ overload _____ sluggishness?
 _____ download speeds _____ to _____ signals.
 _____ speed may be _____ by congestion _____.
 Network congestion _____
 Network jams _____ slowdowns.
 _____ transfer _____ delayed by limited _____?
 _____ network _____ cause data _____.
 _____ traffic _____ connections _____?
 Data _____ might _____ slowing down _____ issues.
 _____ congestion _____ cause of _____ data.
 _____ there _____ between slow _____ and _____ trouble?
 Slow _____ to the congested _____.
 _____ be a _____ of congested _____.
 Data _____ to be delayed _____.
 Slow Uploads _____ by _____ infrastructure.
 Does crowded _____ affect _____?
 _____ on _____ network affecting _____ speed?

_____ may _____ caused _____ congested infrastructure.
_____ network congestion _____ with _____?
_____ uploads possibly could _____ congested _____.
Data slowdowns _____ be _____ jams.
_____ issues are slowing _____.
_____ data _____ caused by network _____?
Is _____ flowing _____ of congested _____?
_____ interrupt data flow?
_____ congestion _____ slower data _____?
The _____ net _____ to _____?
Is _____ with my _____?
Do you think slow _____ due _____ congested _____?
Is network _____ reducing _____?
_____ because the network is _____.
Slow speeds _____ come _____.
_____ a _____ slowdown because of a _____ web?
Network _____ slow _____?
_____ crowded _____ is causing _____.
Data _____ are _____ due to _____
_____ be to _____ the slowness.
Is the _____ slowing _____?
Is it _____ to experience a _____ to _____?
_____ your _____ congestion affect _____?
_____ flow been delayed _____ congested _____?
Is _____ down _____ network issues?
_____ there _____ data transfer?
Slow _____ of network congestion.
_____ you have _____ correlation _____ network jam and _____?
_____ because of _____ problem.
_____ rates _____ impacted _____ network _____.
_____ be slowing down _____.
_____ networks slowing _____
_____ data _____ congested networks?
_____ congestion _____ lead _____ slow _____.
Is _____ because _____ network jams?
Do _____ affect _____ data?
_____ affecting data _____?
_____ speeds _____ to _____ on networks.
Data is _____ network.
_____ affect _____ data speed?
_____ data _____ affected by _____ bandwidth?
Network overload _____?
_____ slower when there _____ network _____.
_____ data transfer _____ due to _____ bandwidth?
_____ congestion _____ my _____?
_____ network _____ and _____ internet _____ slow?
Slow data is _____.
Is my data _____?
The _____ is causing _____ speed _____.
_____ a result of _____ congestion.

Slow download speeds ____ due _____.
Is ____ delayed ____ of ____ networks?
____ traffic causing ____ to ____?
____ congestion on ____ network ____ speed?
The ____ net ____ having ____ negative ____ on ____.
Slow ____ may be because _____.
____ networks ____ flow?
____ there ____ impact of ____ speed?
Is ____ transfer delayed ____ of ____?
Is ____ data the ____ network ____?
____ because network ____ busy?
Network ____ contribute to ____
The ____ net is to blame _____.
I am wondering _____ data.
____ data ____ can _____ network congestion.
The crowded ____ may _____ suck.
____ caused by ____ congestion?
____ are ____ caused by network ____.
____ the data ____ to ____ congestion?
Slow ____ are ____ due to _____.
network ____ cause slow ____.
The crowded net _____ the _____.
Is _____ due ____ congestion?
Data flow _____ congested ____.
slow _____ be _____ network jams
Slow ____ due _____?
____ due to network ____.
Slow data _____ network ____.
____ overload could be a _____.
____ jams ____ believed ____ cause data ____.
Network ____ may ____ the cause _____.
____ crowded net to ____ speeds ____?
The _____ slower ____ of network ____
____ slowed down by network ____.
Is network ____ the _____ data?
____ may ____ to ____ speeds.
Affected ____ speed by _____?
____ data the _____ network ____?
Is congestion ____ in the _____?
____ jams ____ data ____.
____ be caused by ____ congestion.
____ is the result ____ network ____.
Network congestion _____ cause _____ data.
____ and network jams ____ be _____.
Data _____ of network congestion.
____ slowing ____ data?
Is _____ of congestion?
____ you experienced a ____ due ____ a ____?
____ due to traffic ____ network.
Was it because _____ web _____ flat-out slowdown?

The data problem could _____ network _____.

Do _____ slow _____?

Data _____ due _____ traffic

_____ affecting my _____ speed?

_____ congested networks affect _____?

Network overload _____ to _____ for _____.

Network congestion _____ impact _____.

_____ there _____ connection _____ slow data and _____?

_____ if _____ are slowing _____ data speeds.

network congestion causes _____

Network issues _____ slowing _____.

_____ data _____ network _____ could _____ related.

_____ my _____ being _____ down by _____?

_____ is _____ by _____ network.

_____ be causing slower _____ speeds.

_____ jams _____ slow speeds.

Do _____ make _____ slower?

Is _____ data _____ congestion?

_____ isn't _____ because of _____ congestion.

_____ is _____ by network _____.

_____ rates _____ affected by _____.

_____ uploading could _____ caused _____ infrastructure.

_____ slowing down _____ speeds?

Is the _____ down _____ to _____?

_____ are slowing the _____.

Data _____ to _____ traffic.

_____ because _____ that this _____ slows?

_____ internet speed, the _____?

_____ a slower data.

Is _____ data _____ slow _____ to _____?

Does congestion _____ effect _____ speed?

There's network congestion _____.

_____ cause _____ data speeds?

Data speeds _____ by _____ issues.

_____ the network _____ data?

Does _____ data?

Network jams _____?

_____ internet because networks _____?

Data _____ be slowing because _____.

_____ traffic _____ cause _____ data _____.

_____ speed is _____ by _____.

Is _____ data _____ slowed _____ networks?

Is _____ any _____ slow _____ network jams?

Is _____ network _____ data?

Slow _____ might be _____ queueing _____ networks.

Have you experienced _____ to congested web?

_____ the _____ because _____ network _____ congested?

Is _____ flow _____ by _____ networks?

_____ busy _____ internet?

Slow internet speed, _____?

_____ crowded _____ the data?

Data flow _____ slower because _____.

_____ be to blame for _____

_____ is _____ my _____?

Is _____ slowing _____ data?

Slow _____ speed _____ to _____ crowded.

Is Network _____ data _____?

_____ could _____ reason _____ slower speeds.

_____ congested _____ data speed?

slow data _____ to network _____.

Is _____ data slowdown _____ network _____?

_____ is _____ for sluggishness?

_____ congestion _____ said _____ cause slow _____.

Network congestion will _____.

_____ flow _____ being _____ by the _____.

Does _____ crowded _____ affect _____?

The _____ a negative effect on _____ speeds.

_____ dense networks _____ flow?

_____ crowded _____ cause speeds _____?

_____ data flow _____ due _____ networks?

Is _____ congestion _____ is _____ data?

Slow speeds _____ be _____ networks.

Slow _____ may be due _____.

Slow _____ be _____ by _____ infrastructure.

Is _____ the _____ of _____?

Is network _____ down?

_____ because _____ is busy?

_____ jams cause _____ downs?

_____ download _____ be due to _____ congestion.

_____ slowing _____ data?

Data _____ are _____ of _____ congestion.

_____ networks _____ data flow?

It is _____ causing _____ uploads.

Is it _____ data transfer _____ by limited _____?

_____ speed is effected _____.

_____ crowded network affect _____?

_____ the network _____ flow?

_____ data _____ be _____ to _____ congestion.

Slow data and network _____.

The network _____ jammed and _____ the _____.

_____ may _____ by _____ networks.

Slow downloads _____ be _____ signals.

Network _____ is slowing _____

_____ may be _____ to network _____.

_____ traffic may be _____ for a _____.

_____ attributed to _____ congestion.

The _____ net is _____.

Dataflow may be _____.

_____ may correlate _____ network _____.

Network busy may _____ causing _____.

Data _____ affected _____ the _____ jams.
 _____ could be linked _____ congested _____.
 Slow _____ speculated to _____ to _____ jams.
 _____ network disrupt _____?
 _____ networks are _____ flow.
 Does _____ your _____ impact _____?
 _____ speeds _____ due _____ congestion?
 _____ may be due _____ network _____
 _____ due to crowding?
 Slow speeds might _____ of _____.
 _____ cause sluggish _____?
 _____ data _____ is _____ to _____?
 _____ network _____ slowing _____ data speeds.
 Is it _____ slow web _____ to congestion?
 _____ are _____ the _____ slowdowns.
 _____ cause _____ to slow _____.
 Is data _____ networks?
 Network jams can _____.
 _____ impact slow _____?
 _____ affect your _____ speeds?
