

[Demo] NLP Dataset for Customer Service Automation

| | |
|-----------------------------|--|
| Company Type | Credit Card Companies |
| Inquiry Category | Security and identity theft concerns |
| Inquiry Sub-Category | Credit card fraud prevention |
| Description | Customers inquire about fraud prevention measures implemented by the credit card company, seeking reassurance and information on additional security measures to safeguard their accounts. |
| Data Size | 5,963 paraphrases |
| Want to buy data? | Please contact nlp-data@gross.me via your business email address. |

Masked sample paraphrases of one "Credit Card Company" customer inquiry. (Purchased data will not be masked.)

Do ____ two-factor authentication ____ added ____?

Two-step ____ is ____ extra ____?

Is ____ possible ____ keep me ____ two-factor ____?

____ to use another verification step?

Is ____ an option ____ safety?

____ for ____ verification for safety?

____ you help ____ with ____?

Can ____ 2 factor to ____?

Is 2FA ____ levels ____ security?

Is ____ improved protection?

____ use ____ security on ____ account?

Did ____ give ____ increase ____?

____ possible to ____ for better security?

Can ____ a ____ verification?

____ possible to use ____ verification ____ better ____?

Is ____ a ____ an extra ____ of ____ using ____ verification?

____ two-step verification be ____ safety?

____ my account ____ reinforced ____ two-factor ____?

What ____ for safety?

____ am wondering if my ____ be ____ with ____.

Is ____ have 2FA for added ____?

Is there ____ verify?

____ secure to ____ sign-in?

____ available for more security?

Is ____ possible to ____ with ____?

____ it possible ____ offer ____ 2-factor ____?

____ there an ____ double check that you ____?

____ my account ____ two-factor authenticating?

_____ 2FA _____ improve protection?

Do you _____ that 2FA _____ account _____?

Are _____ to _____ security?

_____ additional _____ protection available with 2FA?

_____ you _____ double-check _____?

Do _____ for me?

Does _____ include _____ additional _____ protection?

_____ give _____ security to _____ myself?

_____ I get additional _____ with _____.

Can _____ security to _____ my account _____?

There is _____ is it 2FA?

Can an extra layer _____ security _____ verification?

_____ you _____ measures?

Is _____ layer of _____ using 2FA?

Is _____ to have _____ for additional _____?

_____ possible _____ my _____ to _____ reinforced with _____ Authentication.

Can _____ verification _____ added safety?

Is _____ an _____ to _____ safety?

Can _____ security on _____ enabled?

Will I get _____ with _____?

_____ an _____ layer of _____ be added _____ verification?

Do _____ an additional _____ of _____ with _____?

_____ it _____ additional _____ through dual _____?

Did _____ offer _____ safety _____?

Can _____ get extra assurance _____?

_____ good idea _____ give _____ two-factor auth?

Can I _____ for better protection _____ account?

Does _____ provide _____ factor _____?

Is 2FA _____ extra _____?

_____ service _____ added security _____ verification?

Is _____ for _____?

Do _____ the _____ for safety?

_____ 2FA to enhance _____?

_____ it possible to _____ two-factor security for _____ protection _____?

Do _____ support _____?

_____ system have 2-step _____?

_____ you _____ two-step _____ measures?

Should _____ increase protection?

_____ get 2FA to _____?

_____ to givein' _____ auth?

_____ option of _____ check for enhanced _____?

You get _____ factor _____?

_____ I use _____ security _____ login?

_____ it _____ to _____ verification for better _____?

_____ you _____ two-step _____?

_____ it possible _____ two-factor authorization _____ better _____?

_____ use 2FA to _____?

_____ two-factor security _____ you _____?

_____ it possible _____ account safety _____ with _____?

_____ have _____ assurance with two-factor _____?

_____ available _____ more security?
 _____ better security by _____ a second _____ step?
 Does _____ service provide added _____?
 Is _____ option for improved _____?
 _____ get _____ security through _____?
 Do _____ 2FA _____ protection?
 Do _____ safety measures?
 Is a _____?
 Did you _____ security?
 _____ an additional layer _____ defense _____ two-factor security?
 Two-factor _____ for _____?
 Does your _____ through dual _____?
 Is there _____ options _____ more _____?
 _____ 2FA offer _____ to _____ account safety _____?
 _____ for additional _____ like _____ authentication?
 _____ possible to _____ two-factor _____ for _____?
 Can _____ for security?
 Can _____ get additional _____ two-factor _____?
 _____ you want to enhance _____?
 _____ dual factor signing?
 _____ your service offer increased _____?
 Provide _____ login setup?
 Is _____ possible to _____ my account _____?
 _____ you _____ 2FA _____ enhance _____?
 _____ it possible _____ me a _____?
 Does _____ double verification?
 I'm _____ if _____ can _____ two-factor security _____.
 Do you support _____ layer _____ security?
 _____ you _____ two-step setup?
 _____ I _____ 2FA option?
 _____ available for _____ security?
 I _____ know if I _____ security with the _____.
 Is _____ possible to give _____ safety?
 Is _____?
 _____ more _____ with 2-factor _____?
 Are _____ able to provide _____ added _____?
 You have it _____?
 _____ service provide _____ security _____ dual _____?
 Do _____ the double _____?
 _____ 2FA _____ additional security?
 _____ to _____ verification for more safety?
 _____ it possible to make my _____ two-factor _____?
 Is it _____ have 2FA _____?
 _____ it possible to _____ for _____.
 Do _____ offer the _____ security _____?
 _____ possible to have two-factor _____ enhanced _____.
 _____ you provide _____ boost security?
 _____ extra security _____ two-factor _____?
 _____ there _____ to _____ two-factor auth _____ better security?
 _____ there _____ option _____ added safety _____?

Does _____ support _____ factor?
_____ to keep me _____ 2-factor accessories?
Do you provide _____ help _____?
_____ 2FA _____ for extra _____?
Can I add a _____ my _____?
_____ added _____ can I _____ step _____?
Is there _____ way to _____ security?
Do you _____ 2-factor auth?
Is _____ an _____ to _____ safety _____?
_____ your _____ the _____ factor?
_____ you provide _____ more _____?
Can I increase the _____ account with _____?
_____ 2FA _____ account security?
_____ there an option _____ enhanced security?
_____ extra assurances _____ verify?
Do _____ offer _____ added security?
Is there a _____ security _____ verification?
You _____ add _____ security _____ access.
With _____ option _____ I _____ security?
_____ there an extra _____ of defense _____?
Is _____ option for enhanced _____ a double _____?
_____ you _____ a two- step _____?
Is two-factor authentication _____ for _____?
_____ there _____ dual authenticating offered?
_____ a _____ step that _____ can use for _____ security?
_____ can I _____ double-layered _____?
You _____ security?
Could _____ be an _____ improve _____ measures?
_____ 2FA _____ for additional security?
Are _____ giving _____ to _____?
Can users _____ a second _____ to _____ more _____?
_____ give 2FA?
_____ additional layer _____ protection _____ in 2FA?
You _____ have _____ security.
Are _____ to _____ two-factor verification _____ added _____?
Do _____ the two-factor _____?
_____ provide 2FA _____ improve your _____?
Are you using _____ security?
_____ an _____ for double check _____?
Say _____ more security: _____?
Is _____ double _____ protection?
Is it possible _____ offer an _____ enhanced _____ with _____?
Is _____ two-factor _____ option _____?
_____ you _____ two-factor-authentication _____ security?
For _____ can _____ use _____ authentication?
_____ you have a _____ here.
_____ provide _____ increase protection?
Can _____ reinforced with _____?
Should _____ option for double _____?
_____ to give two-factor security _____ enhanced _____?

_____ you _____ to _____ sign-in?
_____ I _____ security measure?
_____ security with _____?
_____ 2FA _____ even _____ security?
Is 2FA _____ to boost _____?
Two-factor _____ could be used _____.
_____ for added safety?
I _____ know if _____ do two-factor _____ for _____.
_____ two-factor _____ that protects?
_____ to _____ safe through 2-factor auth?
_____ have additional assurance _____ two-factor _____?
Is it _____ I _____ added _____ with 2FA?
_____ two-factor _____ for _____ security?
Does 2FA _____?
Do _____ a two-step _____?
_____ 2FA an _____ increase safety _____?
_____ with dual Authentication?
_____ possible to reinforce _____ with _____ Authentication?
Is it _____ for me _____ get added _____?
_____ possible that _____ two-factor security?
You _____ two-factor _____?
_____ that kind of _____ check _____?
_____ possible to use _____ for better _____?
Does _____ increase the _____?
_____ you _____ validation?
_____ it possible _____ add an _____ layer _____ via two-step _____?
Do you _____ use _____ two-factor _____?
Can _____ extra assurance _____ two-factor _____?
_____ better assurance _____ two-factor verify?
Do you _____ validation to _____?
_____ 2FA _____ another layer _____?
_____ system _____ security login?
Do you _____ option _____ boost account safety _____?
_____ use _____ security _____ further protect _____ account?
Is it _____ to be _____ with two-factor _____?
Is _____ an _____ for _____ boost _____ safety measures?
_____ for improved security?
_____ there _____ way _____ strengthen _____ with two-factor authentication?
Do _____ have twoFA _____?
You _____ two-factor _____ safety.
Is _____ of _____ available with _____.
Can _____ reinforced using two-factor _____?
_____ your service _____ verification?
Two-factor access _____ add _____.
_____ got _____ verification for _____?
_____ it possible _____ auth?
_____ offer two-step _____?
Are _____ to _____ security?
Are you _____ to _____ up _____?
Two-factor _____ be used to _____.

enhanced protection _____ with _____
_____ you want to add _____?
Is _____ possible _____ on two-factor _____ my account?
_____ have _____ verify for safety?
_____ assurance if _____ have _____ verify?
Do _____ provide twoFA _____?
_____ way _____ add another layer of security _____ verification?
Can I use _____ added _____?
_____ there _____ protection that _____ provided _____ 2FA?
_____ users use a _____ verification step to _____?
Can _____ a _____ verification step _____ want better _____?
Any _____ setup _____?
Enhanced security _____ two-factors _____?
_____ think 2FA can _____?
Do _____ support additional safety _____?
_____ factor security _____ be _____ protection.
_____ possible to _____ two-factor _____ to _____ my _____ safe?
Is _____ a way _____ give _____?
_____ security with 2FA _____?
Do _____ receive _____ with 2FA _____?
_____ talking _____ safety measures?
Is _____ an _____ layer _____ with _____?
Do _____ give _____ security?
Is _____ to _____ security for enhanced _____?
Do you have _____ with _____?
_____ for _____ please?
Is _____ available with _____ 2FA?
_____ would like to _____ if _____ is available for _____.
Is _____ more _____ under _____?
_____ 2FA _____ for _____ protection?
_____ service use _____ authentication?
For _____ security, _____ 2FA _____?
_____ i _____ two-factor _____ to _____ account?
_____ factor _____ for safety?
Is _____ that you _____ double _____ protection?
You _____ two-factor _____.
Is _____ to _____ me safe by _____?
Is it _____ my _____
_____ you _____ 2FA _____ security?
_____ wondering if _____ could _____ extra _____ two-factor verify.
Do you have _____ security?
_____ you support _____ with two-factor auth?
_____ service capable _____ dual _____ Authentication?
_____ account be secured _____ two-factor _____?
_____ you offer two-step _____ improve _____?
_____ two-factor login?
You've _____ two-factor _____ safety?
_____ possible _____ keep _____ safe with _____ auth?
_____ 2FA _____ an additional _____ of protection?
Is _____ available for _____?

_____ can _____ offered _____ dual authentication.

_____ it possible _____ enable two-factor security _____ enhanced protection _____ _____ ?

_____ security is _____ you _____ offer.

Should _____ give 2FA _____ ?

Could _____ give a _____ for _____ ?

Is it _____ to reinforce my _____ _____ ?

_____ you provide _____ increase security?

_____ option of 2FA?

Do _____ increase the protection?

_____ it _____ enable two-step verification _____ better safety?

_____ possible _____ use a _____ verification for added _____ ?

_____ it possible _____ an _____ assurance with two-factor _____ ?

Is _____ get _____ for added _____ .

Is a _____ ?

_____ you give _____ two-factor _____ for my _____ ?

Is _____ assurance _____ I _____ two-factor _____ ?

_____ you offer two-factor _____ added _____ ?

_____ use two-factor _____ more _____ ?

_____ you give _____ the _____ better?

_____ you _____ the _____ validation?

Does your _____ through double _____ ?

_____ it _____ to give _____ auth to _____ safe?

_____ want _____ if 2FA is _____ increase account _____ measures.

Can _____ account be _____ with _____ ?

_____ verification to improve _____ safety?

Can _____ be _____ verification?

Is _____ possible to _____ by _____ two-step verification?

_____ you _____ to boost _____ ?

_____ there _____ second verification step _____ security?

_____ enhance security?

Do _____ want to _____ protection _____ ?

_____ it possible _____ use _____ auth _____ more _____ ?

_____ security be used for _____ on my _____ ?

Are _____ two-factor verification _____ safety?

Is _____ a _____ idea _____ double _____ sign-in?

_____ there _____ option _____ increased security _____ double _____ ?

_____ it _____ keep _____ safe with a _____ ?

Is there _____ with _____ 2FA _____ ?

_____ for added protection?

_____ step _____ used _____ better security?

Are the two-step _____ for _____ ?

_____ like _____ know _____ I get added _____ with _____ .

_____ my account can be _____ with two-factor _____ .

_____ factor _____ offered or _____ ?

_____ service _____ dual _____ verification?

_____ more safety _____ two-step verification?

Is 2FA _____ way _____ safety _____ ?

_____ it possible _____ keep _____ two-factor access?

_____ like _____ know _____ there _____ an option _____ for added safety.

_____ it _____ your service offers _____ through dual _____ ?

Do you give _____?

_____ have two-step safety _____?

Is _____ possible _____ an extra layer _____ security _____ two-step _____.

_____ give 2FA to _____?

I want _____ know _____ do two _____ security _____ me.

Is _____ possible to _____ for _____?

Can I use _____ account _____?

_____ a _____ layer of _____ possible _____?

_____ you provide _____?

_____ two-factor authentication?

_____ it _____ have two-factor _____ more security?

_____ it _____ to _____ two-factor _____ on _____ account?

_____ it better to offer _____ authentication?

_____ you implementing _____ enhance _____?

Can _____ add two-factor security to my _____?

_____ available?

_____ it possible _____ have _____ double _____?

_____ possible _____ 2FA for extra _____?

_____ add two-factor security to _____?

Is two-factor _____ extra _____?

Do you _____ to _____ security?

Is _____ a _____ layer _____ protection _____?

Can I use _____ to _____?

_____ I get _____ security _____ account?

Is _____ available _____ enhanced _____?

_____ provide _____ option _____ double check _____?

I _____ like to know if _____ can _____ security _____.

Can _____ on me?

_____ the 2FA option _____ to _____?

_____ utilize _____ to enhance _____?

Can _____ have more _____ on my _____ security?

_____ you _____ two-step _____ increase security _____?

Is it _____ two-step _____?

You have _____ verification _____ safety?

_____ to have double check _____?

Can _____ add _____ to _____ my _____?

Is _____ security an option _____?

_____ do _____ to secure me?

_____ have 2FA _____ security

_____ there a way to add _____.

Do _____ have 2FA _____?

_____ a _____ layer of protection _____?

_____ safety measures _____?

Is _____ possible to _____ to keep _____ safe?

Is _____ a way _____ enhance _____ two-factor _____?

Are _____ mentioning two-step _____?

Is it possible _____ safety?

Are _____ steps _____?

_____ you give _____ security levels?

_____ have _____ authentication for _____ security?

____ it ____ good ____ offer ____ auth?
Could ____ double check for ____?
____ you trying to enhance ____?
Is there ____ security ____ offered?
Is ____ able ____ extra ____?
Are there ____ account?
Is ____ any way ____ protect ____ with two-factor ____?
____ want another layer of defense ____?
Is it ____ to add ____ security?
____ you ____ in ____ layer of ____ with two-factor ____?
Is ____ an additional protection ____?
____ of ____ added security?
Two-factor verification ____ for ____?
____ your service support ____?
Can you ____ me?
Do ____ have 2FA ____ enhance ____?
Do ____ provide ____ increased security?
Two-factor verification ____ for ____?
Can I use ____ extra ____?
____ 2FA to ____ security?
____ it possible to ____ me ____ two-factor ____?
Is ____ that increases ____ levels?
Do ____ a ____ layer ____ defense with two-factor ____?
____ I add ____ using two-step ____?
____ use two-factor ____ improve ____?
____ your service include ____ through ____?
So do ____ security?
____ more ____ in place ____ 2FA?
You ____ two-factor ____?
____ you ____ for increased ____ levels?
Is ____ with ____ factor authentication?
____ provide two-step ____.
____ your ____ make use ____ verification?
____ you ____ to ____ with ____ validation?
____ two-step safety measures ____?
____ possible for ____ better safety?
____ security to protect my ____?
____ your service offer ____ security ____?
Will ____ add security?
____ you ____ two-step verification ____ available?
Does 2FA have an ____?
____ for ____ have it?
____ an ____ to increase ____ measures?
____ 2FA enhance ____?
____ you get ____ verification ____?
Does ____ dual verification?
Would ____ additional layer of defense ____ two-factor ____?
____ added security ____ verification in your ____?
Is there ____ of protection ____.
Is ____ possible to ____ with two-factor ____?

_____ provide _____ validation?

_____ an _____ for _____ with 2FA?

Is it possible _____ an option _____ enhanced _____ checks?

_____ there extra security _____?

Can _____ more reassurance _____ verify?

Do you _____ that _____ security login?

Is it _____ to add _____ account _____ more protection?

Is there a _____ verification _____?

_____ a way _____ enable _____ security on my _____?

_____ it _____ your _____ offer added security through _____ verification?

_____ reinforce my account with _____?

_____ using 2FA to _____ security?

Is _____ anther _____ protection _____ 2FA?

_____ offer added _____ by two-factor _____?

Is _____ get two-factor auth to _____ my _____?

_____ have dual factor _____?

Can _____ security _____ my account?

Did your _____ added _____ through _____?

_____ possible _____ enable two-factor security for _____ my account?

_____ I _____ two-step _____ added safety?

_____ if I get _____ the 2FA option.

_____ 2FA _____ security?

Can _____ be _____ with _____ logins?

_____ could _____ used for _____ security.

_____ I _____ two-factorAuthentication _____ additional _____?

Is 2FA _____ to _____?

Are _____ verification _____ available _____ security?

Does your _____ dual _____?

_____ there _____ second verification _____ users _____ use?

Would _____ be _____ option for _____?

_____ two-factor security?

_____ certain you _____ for safety?

Does your system _____ with _____?

_____ give _____ verification for better safety?

_____ I _____ account reinforced _____ two-factor _____?

_____ allow _____ dual factor?

_____ it _____ enable _____ security for my _____.

_____ use two factor to _____?

Is there _____ with dual _____?

I wonder if I _____ extra _____.

Do _____ offer _____ security _____?

Can you do _____ keep my _____?

_____ your _____ allow _____ security login?

For _____ are _____ options available?

Enhanced _____ two-factoring _____?

_____ additional layer _____ protection _____ 2FA?

_____ shit, _____ you do two-factor _____?

do I _____ security _____?

_____ give _____ safety _____?

Extra security, _____?

_____ use two-factor _____ improve my _____?

Is it possible to _____ two-factor _____?

Do you _____ security _____?

Does _____ have dual _____?

_____ two-factoring _____ or no?

_____ security _____ access?

Can _____ if you _____ two-factor security?

Two-factor _____ for _____ it?

Is there _____ dual _____ or not?

Should _____ have _____ verification _____?

For extra _____ are _____ options _____?

_____ offer _____ double _____ option?

Service _____ better _____ login setup?

_____ possible to reinforce my account _____.

_____ use two _____ security for _____?

_____ authentication _____ for more _____?

Is _____ possible for me _____ get _____ with _____.

Is _____ security _____ dual _____?

Do you _____ safeguard _____?

Is _____ to add an additional _____ of _____ verification?

Is there _____ with _____ option?

_____ a _____ to enhance _____ with two-factor _____?

_____ know two-factor verification _____?

Two-factor _____ enhance _____.

_____ if you can do _____ keep me safe.

_____ provide _____ bolster protection?

_____ 2FA offered _____ more _____?

Two-factor security _____ you _____.

_____ my _____ be protected _____?

_____ two-step login setup _____ we _____?

_____ two-step _____ options for extra _____?

_____ there _____ way to _____ double checks?

_____ you _____ two _____ security?

Can _____ use _____ two-factorAuthentication?

Is _____ more _____ access?

Do _____ with two-factorAuthentication?

Is _____ for protection?

For _____ security _____ available?

Is _____ possible to _____ two-factor _____ more _____?

_____ two-factor verification for _____?

Give _____ step _____?

_____ I _____ two-factor security for _____ protection _____ my _____?

_____ you have _____ double check _____?

_____ you distribute _____ safety _____?

Do _____ raise security levels?

Is it _____ to allow _____ for _____?

Can _____ second _____ step?

_____ I _____ security _____ using 2FA?

_____ it _____ to _____ two-factor _____ security?

_____ service have _____ factorauthentication?

___ I get ___ security ___ 2FA ___?

___ my ___ strengthened with ___ security?

Do ___ support ___?

___ offer ___ two-factor authentication?

Can ___ add more ___ my ___ two-factor security?

___ be reinforced with ___.

___ I use the ___ on ___?

Is there ___ defense with two-factor ___?

___ I ___ verification steps ___ added ___?

___ to increase account safety ___?

Can you ___ assurance with ___?

Did ___ have ___ to ___ up ___?

___ available ___ added safety.

Are you saying ___ account ___?

Is ___ more ___ possible ___ authentication?

___ it be possible ___ enable two-step ___ safety?

___ 2FA an ___ for increased ___?

___ offer ___ through two-factor?

___ to grant two-factor security for ___ protection ___ account?

___ safety ___ the option of ___?

Are you ___ to give ___?

___ you ___ it ___ two-factor ___?

___ my account be ___ with ___?

Are ___ two-step safety ___?

Can ___ two ___ security ___ my ___?

Is ___ possible to ___ additional safety ___ like ___?

Do you ___ two-factor authentication ___?

Can you ___ for ___?

Is ___ to keep ___ giving me ___ security?

___ I ___ security for additional ___?

___ it ___ to ___ another layer of ___ two-step ___?

Would it be possible to ___ for ___?

___ you ___ that double ___?

___ it possible ___ an ___ for ___ check?

___ there ___ through two-factor authentication?

Does the ___ dual ___?

Does your ___ increase ___?

___ have ___ like 2FA?

Is 2FA a ___ measures?

Can ___ get reassurance ___?

___ you introducing ___ measures?

Do you accept an ___ of ___ with ___?

___ two-factor security ___ to ___?

___ I use ___ security ___ two-factor ___?

Is it ___ to keep ___ by ___ auth?

___ have added security ___ dual ___?

Do ___ offer ___ to help ___?

Do ___ for ___ protection?

___ offer additional security ___ two-factor ___?

Is ___ for ___ security.

_____ there _____ choice of _____ for _____ ?
_____ it _____ a two-step login setup _____ ?
_____ double protection?
_____ you including _____ safety _____ ?
Is it _____ to _____ a second verification _____ security.
_____ two-step _____ is _____ ?
Does _____ provide security through _____ ?
Can I _____ verification to _____ ?
_____ more security that can be _____ ?
_____ is _____ you _____ or not?
Can two-factor _____ to _____ my _____ ?
Is _____ possible to have two _____ for _____ ?
Is _____ any _____ the _____ option?
Does your _____ offer _____ ?
Is it _____ to _____ me safe _____ ?
There is _____ safety?
_____ get _____ two-factor verify?
Do I _____ ?
_____ allow _____ security?
Do _____ setup here?
_____ it possible _____ have enhanced _____ with _____ ?
_____ improve protection?
_____ you add more _____ access?
_____ account be reinforced _____ two-factor _____ ?
_____ necessary for safety?
Is _____ possible _____ do _____ security to _____ my _____ ?
Do you _____ added _____ with _____ ?
Can _____ use _____ for _____ ?
_____ double-confirming?
Enhanced _____ two-factor _____ or _____ ?
_____ wonder if _____ available _____ security.
_____ an additional layer of defense _____ auth?
_____ I get security with _____ .
Is _____ add security _____ verification?
Can _____ second _____ step be _____ to provide _____ ?
_____ I _____ assurance with _____ verify?
Is it _____ to _____ extra assurance _____ ?
Can I _____ second _____ to _____ account?
Does dual _____ to your _____ ?
_____ access _____ for _____ security?
Do _____ two-factor _____ for _____ security?
_____ you _____ a two-step _____ setup?
_____ there _____ way _____ enable _____ sign-in _____ ?
_____ two-factor _____ to protect my _____ ?
_____ there _____ level _____ protection _____ 2FA?
Can I use a _____ my _____ ?
_____ you _____ two-factor authentication _____ add _____ ?
Are _____ for better _____ ?
_____ you give me _____ me?
Will _____ service support _____ ?

_____ offer dual factor _____?

Does _____ dual factor?

Will _____ possible to enable two-step _____ safety?

_____ security _____ increased protection?

_____ an _____ double check security?

Do _____ with 2FA?

Can _____ protect me _____?

_____ I _____ two-factor security for _____?

_____ 2FA an _____ safety?

_____ I _____ security _____ my account?

_____ do _____ two-factor verification _____?

_____ for security?

Is 2FA _____ account _____?

Do you _____ with _____?

Can _____ two-step _____ to _____ safety?

Was _____ available _____ security?

I _____ get _____ with two-factor _____.

_____ verification for _____!

_____ use _____ second verification step _____ security.

_____ you _____ an _____ for _____ check?

Do _____ extra _____ 2FA?

Are _____ of _____ verification?

_____ it _____ account with two-factor authentication.

Do you give _____?

Do you _____ improve _____ protection?

Is there any _____ option?

_____ it possible _____ additional _____ of _____ with 2FA?

_____ it _____ to _____ an _____ double checks?

Is _____ more _____ verification?

_____ you _____ 2FA that _____?

_____ you have a two-step login _____ use?

Do you _____ to _____?

_____ you _____ 2FA _____ protection?

_____ 2FA enhance _____?

_____ it _____ to _____ to secure my shit.

_____ use two-factorAuthentication for better _____?

Can _____ allow _____ security _____ protection?

Does your system _____?

_____ two-factorauthorization available _____ better _____?

_____ your service _____ protections?

Does _____ service _____ dual _____ access?

Two-factor _____ you _____ it?

_____ want _____ support _____ authentication?

Do you _____ 2FA _____ your _____?

_____ I _____ security in _____ account?

Can my account _____ two-factor _____.

_____ dual factor authenticating?

_____ 2FA to provide _____?

Do _____ a _____?

Do _____ get _____ protection with _____?

Is _____ for _____ to dual-verify _____?
_____ there _____ double check _____ security?
_____ you ready _____ verification _____ safety?
Is it _____ to do _____ security for _____?
Can _____ two-factor security _____ my _____?
_____ your service _____ verification?
_____ double check protection _____ that _____ have?
_____ you offer an option _____?
_____ there added _____ of 2FA?
Do _____ services _____ factor _____?
You _____ two factor _____ for _____?
Do _____ get _____ 2FA?
Do _____ check protection?
Are _____ do two-factor _____?
_____ factor _____ possible _____ better security?
_____ options _____ for security?
_____ 2FA to enhance _____?
Does _____ support _____?
Is it _____ two-factor security for _____ protection _____ account?
_____ I use _____ steps?
Is it possible to reinforce _____?
_____ use two-factor for _____?
_____ your _____ factor authentication?
_____ two-factor _____ work _____ protection?
_____ you _____ added _____ through _____ verification?
Do you use _____?
_____ 2FA to raise _____?
Are _____ willing _____ two _____ security?
_____ set _____ security on _____ account?
_____ double _____ protection _____ you _____?
_____ allow _____ security login?
Does your _____ support _____?
Are _____ options _____ boost _____ measures?
I _____ to know _____ is available _____ enhanced _____.
_____ possible for _____ account to _____ with _____ logon?
Can _____ use _____ verification _____ in _____ have better security?
Is it _____ sign-in?
2FA _____ enhance _____?
With two-factor verify _____ more _____?
_____ you have _____ setup here?
_____ your service _____ login?
Does _____ service _____ dual _____?
Is _____ possible to keep me _____ auth?
_____ account _____ strengthened with two-factor _____?
_____ I get _____ with a _____?
Are _____ two-factor _____ protection?
Can I use two _____?
_____ use _____ reinforce my account?
Can _____ use _____ for _____ security?
Enhanced _____ two-factor _____?

_____ be _____ with two-factor _____?

Is _____ account _____ two-factor _____?

Would you support _____ of _____ auth?

_____ we _____ additional layer _____ with two-factor auth?

Is _____ to _____ two-factor _____ to my account?

Does giving _____ increase _____?

_____ get added _____ 2FA

_____ it _____ for _____ account _____ be reinforced with _____?

Can you _____ auth _____ secure _____?

_____ dual factor features?

Can _____ two-factor security _____ enhanced _____ my account?

_____ more security offered by _____?

Do you _____?

Is _____ Authentication _____ for _____?

_____ 2FA an _____ boost _____ safety?

Is _____ two-factor security for enhanced _____ on my _____?

Is two-factor authentication _____?

Can _____ my _____ two factor _____?

Does your _____ access?

_____ authentication for added security?

_____ additional security _____ dual verification?

_____ if _____ two-factor security _____ protect my account.

Is it _____ for added _____?

You have _____ for _____?

Is it _____ me _____ two-factor for extra _____?

_____ giving _____ step _____ measures?

_____ safety, right?

_____ have two-step safety _____?

Is _____ additional layer _____ 2FA

_____ possible _____ reinforce my _____ two-factor authenticate.

Can I use _____ authentication _____?

_____ about adding more _____?

_____ two-factor security or _____.

_____ providing _____ protection?

_____ my _____ be _____ more than one _____?

Can _____ be reinforced _____ authentication?

_____ you grant _____ access?

_____ get added security with _____?

_____ make _____ offer double check _____?

Is it _____ to _____ using two-step _____?

_____ recommend 2FA?

With 2FA _____ do I _____?

Do _____ available _____ extra security?

_____ more security _____ 2-factor _____?

Can I _____ for enhanced _____ my account?

Can _____ do _____ my shit?

_____ your service _____ additional _____ dual _____?

Would _____ for double check?

Did _____ offer _____ Authentication _____ added _____?

_____ use _____ verification for added _____?

____ I get ____ assurance ____ using ____ ?
