

[Demo] NLP Dataset for Customer Service Automation

Company Type	Water and Wastewater Utility Companies
Inquiry Category	Construction and development applications
Inquiry Sub-Category	Water Quality and Compliance
Description	Customers seek clarification on water quality standards, testing procedures, and compliance requirements for their construction or development applications.
Data Size	7,379 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Water and Wastewater Utility Company" customer inquiry. (Purchased data will not be masked.)

_____ there specific _____ wastewater disposal in _____?

Is _____ a _____ to dispose _____ wastewater _____ the _____?

_____ _____ discharging wastewater?

Is there any _____ rid of wastewater _____?

Is _____ regarding _____ release when _____?

_____ _____ for handling _____ waste in construction?

Which _____ requirements apply _____ site _____?

Do you _____ to _____ sites?

_____ it _____ to constructions, are _____ obligations _____ wastewater _____?

_____ _____ are _____ to wastewater management _____ construction sites?

Is it _____ certain guidelines _____ dealing _____ in constructions

_____ there _____ about _____ disposal of wastewater _____?

Is _____ any _____ rules _____ elimination on _____ sites?

_____ criteria _____ on sewage _____ management in construction _____?

_____ are _____ for _____ wastewater disposal?

_____ regulations _____ govern wastewater disposal during _____.

_____ are the _____ for draining _____ generated _____ building _____?

Do there rules _____ of _____?

Is _____ set _____ guidelines to _____ water _____ construction sites?

_____ disposal _____ may be required _____.

Does anyone _____ dispose of _____ during construction?

Do construction _____ cover _____?

There _____ for wastewater _____ in _____?

Is _____ any specific _____ disposing _____ constructions?

Specific laws _____ of _____ waste?

_____ _____ rid of wastewater while _____?

_____ need to _____ sludge from constructions?

_____ set of _____ imposed on _____ waste _____ construction projects?

What ____ are needed ____ liquidification produced by ____ ?

Rules governing ____ when ____ ?

____ imposed on sewage ____ management in ____ projects?

What criteria ____ management in ____ sites?

There may be ____ for ____ in ____ .

When dealing with ____ you need ____ follow ____ specific ____ ?

What ____ in ____ to dispose ____ from ____ building project?

Is ____ of criteria for waste ____ in ____ ?

____ any ____ to ____ disposal during construction?

Do construction ____ specific ____ disposal ____ ?

Among ____ are ____ criteria ____ for tossing off ____ ?

What ____ for wastewater ____ construction?

____ information ____ the ____ getting rid of construction ____ wastewater.

____ wastewater ____ construction work?

Is following any ____ with sewage ____ constructions?

Do builders need ____ the ____ when ____ ?

____ certain standards ____ management on ____ sites?

Some ____ are needed to ____ of ____ on ____ .

____ are ____ to ____ of wastewater ____ a ____ site?

Is there any ____ waste in a ____ ?

Do they have any ____ for ____ ?

____ certain criteria imposed ____ sewage waste ____ construction ____ ?

Is ____ any ____ release ____ when ____ ?

____ inform me ____ requirements ____ getting rid ____ site wastewater.

Are ____ any requirements ____ dispose ____ sludge from ____ ?

____ builders dispose ____ certain ways?

____ it ____ that ____ waste release when ____ ?

____ any specific guidelines on how to ____ construction?

____ to ____ guidelines for handling waste ____ construction sites?

____ construction ____ sewer ____ exist?

Should there be set ____ for ____ management ____ ?

Is ____ any regulation governing ____ ?

Do ____ requirements to dispose wastewater ____ ?

____ construction ____ requiring specific wastewater ____ ?

Is there ____ getting rid of ____ building?

Can ____ me ____ the requirements ____ rid of construction ____ ?

____ wastewater handling ____ constructions?

must ____ met for sewage disposal in ____

Are there any requirements ____ rid ____ from ____ ?

____ special conditions to discharge ____ in constructions ____ ?

Is ____ rule ____ waste ____ constructing?

____ specific ____ to ____ sewage ____ in construction projects?

____ the requirements to ____ of wastewater from ____ .

What ____ the guidelines ____ wastewater ____ ?

Do ____ require ____ wastewater disposal?

Can you ____ what the requirements are ____ removing ____ construction ____ ?

____ requirements apply to ____ sites?

____ regulation regarding ____ during construction?

____ there any ____ of ____ for ____ wastewater ____ sites?

Which ____ to be ____ sewer ____ new ____ ?

The _____ wastewater _____ constructions are _____ known.
 Do _____ have instructions _____ water waste at a _____?
 I need to know _____ construction site wastewater.
 What are _____ guidelines for _____ wastewater _____?
 Is there _____ waste management _____ construction _____?
 Is _____ rules for _____ disposal _____?
 Is it necessary to follow _____ guidelines _____ sewage _____?
 Rules _____ disposing _____ in _____?
 _____ rules for the disposal _____ construction?
 There _____ certain requirements for _____ disposal _____
 _____ you _____ to _____ any _____ guidelines when _____ sewage in _____?
 _____ to dispose of _____ at _____ sites?
 _____ requirements exist _____ of wastewater from _____?
 Will there _____ dispose of wastewater?
 Is _____ rules _____ wastewater _____ projects?
 Is _____ for _____ toss wastewater?
 _____ there need _____ dispose _____ at _____?
 _____ rules regarding _____ in construction?
 Are _____ conditions met _____ sewage _____ construction _____?
 Can you let _____ know the requirements _____ rid of _____?
 _____ there any _____ for _____ in construction work?
 What _____ demands _____ wastewater _____ constructions?
 Can we discuss _____ requirements to _____ wastewater _____?
 Is it _____ necessity _____ follow _____ with sewage in _____?
 _____ the regulations _____ disposal _____ wastewater during construction?
 _____ construction _____ sewer demands?
 There _____ regulations about wastewater _____ in _____.
 _____ conditions and _____ govern _____ disposal _____ wastewater _____ construction.
 I am looking _____ information _____ requirements _____ of _____ site wastewater.
 _____ specific _____ to _____ disposal during _____?
 Can _____ requirements to _____ wastewater during construction?
 Can you _____ about _____ wastewater disposal in _____?
 _____ pertaining to _____ waste while _____?
 _____ waste management on the _____ sites?
 Any _____ to _____ wastewater _____ building _____?
 Do _____ have _____ for the _____ of _____ in constructions?
 Do _____ special conditions _____ construction dumpin' _____?
 Is it _____ for _____ discharge _____?
 _____ there _____ criteria to _____ of _____ a building site?
 _____ are the _____ for wastewater _____ in _____?
 _____ with _____ requirements for _____ rid of construction site _____?
 Prerequisites _____ sewage discharge _____ project?
 Some _____ must be _____ construction applications for _____.
 _____ are used _____ wastewater disposal _____ projects?
 _____ any _____ regarding getting _____ while building structures?
 There are certain _____ disposal _____ construction _____.
 _____ regulations _____ removing _____?
 _____ the rules _____ disposing _____ wastewater in _____ projects?
 Do you _____ any conditions regarding the _____ from _____?
 Rules for the disposal _____?

____ construction ____ specific wastewater ____ protocols?
 Can ____ me ____ requirements ____ dispose of wastewater during ____?
 ____ builders ____ dispose of wastewater?
 ____ it essential ____ follow specific ____ dealing ____ in constructions?
 Can there be ____ excess ____ from construction ____?
 Any ____ on ____ to dispose ____ wastewater ____ construction ____?
 ____ the set ____ for ____ management ____ sites exist?
 Do there ____ requirements to ____ from constructions?
 Do you ____ any guidelines for ____ disposal ____?
 Any guidelines for ____ of wastewater ____?
 Do waste ____ regulations ____ to ____?
 Is the ____ sewage in ____?
 ____ the requirements ____ construction Wastewater ____?
 Is it necessary ____ conditions ____ discharge ____ in ____ applications?
 ____ there any ____ to ____ sewage ____ in ____ construction ____?
 Don't ____ have special ____ dumpin' ____ construction?
 ____ need to know ____ the requirements ____ getting rid _____.
 ____ demands for ____?
 Do ____ have any ____ for disposing of ____ constructions?
 Guidelines for disposing ____?
 ____ the ____ waste management ____ construction ____ there?
 There are ____ in construction applications _____.
 Do ____ handling and ____ water waste ____ a construction ____?
 Should ____ regulations ____ rid ____ wastewater while building?
 Any ____ on ____ can ____ waste?
 Do you ____ application ____?
 ____ are the ____ for ____ wastewater ____?
 Do ____ any ____ pertaining ____ the disposal of water ____?
 Do construction ____ specific ____ disposal protocols?
 ____ waste in a construction setting?
 ____ discharging ____ building sites?
 What requirements ____ for cleaning up ____?
 ____ sewer demands come ____ construction ____?
 Wastewater ____ construction ____ has ____?
 What ____ apply ____ wastewater ____ at ____?
 ____ any rules ____ sewage ____ construction sites?
 What ____ the mandatory ____ deal ____ sewage waste?
 Wastewater disposal ____ construction ____?
 Can you tell me what ____ are ____ wastewater?
 ____ rules ____ getting rid ____ wastewater ____?
 Do ____ have ____ for disposal of ____ construction ____?
 Do ____ have ____ dispose of ____ from ____?
 ____ criteria ____ managing sewage ____ projects?
 Do ____ have ____ wastewater ____ in ____ applications?
 Please ____ the requirements for ____ activities?
 ____ the construction ____ to wastewater ____?
 ____ there particular ____ on managing ____ construction projects?
 Do ____ need to follow ____ about ____ construction?
 ____ there any rules ____ to wastewater ____ projects?
 ____ construction ____ to deal with ____?

Rules to _____ use?

I wonder _____ there _____ conditions _____ dumpin' _____ in _____.

Are _____ special _____ dumpin' wastewater in _____?

_____ am in need _____ getting _____ of construction site _____.

_____ you _____ me if _____ are specific _____ for wastewater _____ construction _____?

Do _____ on _____ disposal in _____?

Is _____ any _____ the waste _____ constructing?

Any _____ for _____ in _____?

Do they have _____ conditions regarding _____?

Construction projects may _____.

Prerequisites _____ effluent from building _____?

Wastewater disposal _____ has any _____?

Is it _____ impose specific _____ sewage _____ in _____ projects?

There _____ conditions _____ dumping _____ in _____.

Is _____ specific _____ be _____ on _____ sewage waste in construction _____?

_____ regulation _____ the disposal of wastewater during _____?

_____ construction of sewage _____?

Can there _____ guidelines _____ disposing _____ excess _____ from _____?

_____ can _____ specific requirements _____ wastewater _____ in _____ applications.

Is _____ some _____ for dumpin' wastewater _____?

When it _____ constructions, _____ there obligations regarding _____?

_____ any _____ criteria _____ managing sewage _____ construction projects?

Is _____ necessary _____ meet certain _____ sewage _____ construction applications _____ wastewater _____ in construction?

_____ there _____ to manage wastewater _____?

Is _____ imposed on _____ sewage _____ in construction _____?

Is there an obligation _____ wastewater _____ when _____?

_____ for handling sewage in _____ setting?

_____ to _____ wastewater at _____?

Is there _____ to dispose _____ sludge _____ construction _____?

_____ are the _____ for _____ Wastewater in _____?

I _____ for _____ during construction.

Is there _____ for wastewater elimination _____?

_____ the _____ of wastewater during construction _____ specific _____?

_____ demands for _____ to be _____ out _____ site?

_____ regarding wastewater removal _____?

Is there _____ set of guidelines _____ construction settings?

_____ there any _____ handling _____ from construction sites?

_____ regulations _____ disposing wastewater during _____?

_____ needs _____ be _____ with _____ at new constructions?

_____ relating _____ wastewater _____ construction?

Can _____ for wastewater disposal in _____ applications?

_____ obligation _____ management when constructing?

Regulations _____ wastewater during _____?

Should there _____ to _____ of construction waste?

Rules _____ waste while _____?

_____ guidelines for wastewater _____ the building sites.

What _____ to dispose of wastewater _____ construction _____?

_____ rules about _____ disposal in _____?

Do there have to be _____ for _____?

Is _____ to _____ wastewater _____ building?

_____ requirements for wastewater _____ construction?

_____ are _____ guidelines _____ handling during _____?

Does _____ need _____ be _____ for sewage _____ in construction _____?

What are _____ regarding _____ in _____?

_____ to dispose of wastewater _____?

Is _____ sewage to be _____ during _____ activities?

What _____ in _____ dispose of _____ in buildings?

_____ the _____ for _____ of construction site wastewater.

Prerequisites _____ from _____ building site?

_____ you give _____ requirements _____ getting _____ of the construction _____?

Is there _____ set of rules _____ building _____?

_____ the _____ guidelines for handling _____ in _____?

Is there _____ plan for _____ at _____?

There are _____ the disposal of wastewater _____?

I am confused about _____ rid _____ construction _____ wastewater.

Do you have any _____ disposal _____ wastewater _____?

Guidelines _____ water from construction _____?

Is _____ any _____ sewage discharge _____ construction _____?

Is _____ wastewater _____ construction projects _____?

What conditions exist for _____ disposal _____?

Is _____ of wastewater in _____ construction project?

_____ important to _____ special conditions _____ in construction applications?

_____ there any obligation _____ management _____?

Please _____ me of _____ requirements for getting _____ site _____.

_____ there be _____ management _____ construction sites?

Are there _____ for _____ waste _____ the construction _____?

_____ criteria be _____ manage sewage waste properly in _____?

Is there _____ wastewater _____ usage?

Do _____ have any _____ for _____ water from _____?

_____ there be _____ for wastewater _____ projects?

What guidelines _____ for the _____ of wastewater _____ construction _____?

_____ conditions for _____ construction

_____ know _____ rid _____ the wastewater from the construction site.

_____ regulations apply to _____ during _____ work?

_____ it to _____ wastewater _____ construction?

_____ tell me the requirements _____ construction site wastewater?

_____ disposing of _____ in buildings?

_____ are in _____ handling _____ water _____ construction sites?

_____ any rules _____ disposal _____ wastewater during construction?

Rules on _____ can _____ of _____?

_____ there _____ specific guidelines _____ waste water from _____?

_____ there a _____ on _____ sewage waste in _____ projects?

Should _____ for _____ sewage waste _____ construction?

_____ builders dispose of wastewater?

Prerequisites _____ draining sewage _____?

_____ there _____ restriction _____ builders can dispose of _____?

_____ wastewater disposal _____ need to be _____?

_____ disposal of _____ during construction?

_____ requirements _____ wastewater disposal in _____ applications

Are _____ to _____ to dispose _____ excess water _____ sites?

Prerequisites for _____ in _____ sites?

Can specific criteria _____ to manage sewage _____?

_____ there regulations _____ the _____ wastewater _____ construction?

_____ they _____ special conditions for _____ Wastewater _____?

Is it _____ certain conditions _____ in construction applications.

_____ for waste _____ on _____ sites _____ there?

I _____ there are _____ for _____ on construction _____.

_____ the guidelines for _____ construction?

There _____ be _____ conditions _____ sewage disposal in _____.

Is _____ rule about _____ in _____?

What _____ guidelines _____ of construction _____?

The _____ for _____ disposal in _____ are _____.

Do _____ guidelines _____ of wastewater _____ construction applications?

Wastewater disposal is subject _____.

_____ there _____ restrictions _____ builders _____ of their wastewaters?

Is _____ wastewater _____ requirements _____ applications?

How _____ the rules _____ wastewater _____ projects?

_____ guidelines _____ handling _____ construction settings?

Can _____ give me a description _____ requirements _____ of _____ wastewater?

Do _____ have _____ for removing water _____ site?

_____ are _____ requirements for _____ disposal _____?

_____ the _____ for construction application?

There are certain _____ constructions.

_____ any guidelines for how to _____ wastewater _____ applications?

Are _____ any requirements _____ rid of _____ from _____?

Were _____ application _____ demands?

What are certain criteria for _____?

_____ any regulations _____ during construction?

Are _____ criteria _____ managing _____ imposed _____ construction projects?

_____ need the requirements for _____ rid of _____.

Are _____ dispose _____ wastewater in construction?

Prerequisites _____ wastewater at _____?

_____ are the _____ disposal in construction _____?

_____ about the _____ governing waste release _____ constructing.

_____ know about _____ getting rid of _____ site wastewater.

_____ there _____ rules _____ of _____ in construction?

I _____ to know the requirements for _____.

_____ there any specific _____ relating to the _____ of _____?

_____ are _____ for wastewater _____ in _____?

Prerequisites for _____ building _____?

Is _____ particular condition regarding _____ is dumped _____ constructions?

_____ sewage _____ a building?

Is _____ any particular _____ regarding the disposal _____ the _____?

_____ in construction projects?

Is _____ rule _____ draining liquidification _____ by _____ efforts?

_____ builders need _____ follow _____ discharge?

_____ guidelines _____ you _____ for _____ wastewater during construction?

_____ how _____ of wastewater during construction?

_____ requirements _____ dispose _____ water sludge _____ construction sites.

Is wastewater disposal _____ to certain _____?

In construction, do _____ for _____?

Do they _____ special conditions _____?

_____ disposal _____ during construction?

Is there any _____ the _____ of _____ construction?

What criteria must _____ use _____ on a building _____?

_____ rules for waste _____ construction?

_____ do you need _____ of wastewater _____ construction sites?

I _____ to know the _____ discharge during _____ work.

_____ disposal _____ at _____?

_____ explanation of _____ sewage discharge during construction activities.

Can _____ be _____ in _____ construction _____ sewage disposal?

What _____ exist for the _____ of _____ sites?

_____ you _____ what _____ are for getting _____ of _____ site _____?

_____ you have rules on how _____ dispose _____ wastewater _____?

_____ in construction regarding _____?

Is there _____ obligation _____ wastewater management _____ the _____?

Are _____ guidelines _____ sewage _____ in a construction _____?

Is it _____ to follow _____ when dealing _____ constructions

I _____ wondering _____ requirements for getting _____ of _____ site _____.

Is _____ possible to _____ special _____ in construction applications.

Rules _____ the disposal of _____?

Rules _____ wastewater _____ construction _____?

_____ builders need _____ follow guidelines _____ at site?

How _____ demands in _____?

Is it _____ conditions regarding the _____ of water from _____?

Do _____ to follow guidelines for _____?

_____ know _____ are rules for _____ sewage _____ sites?

What conditions must _____ to dispose _____ applications?

What are rules _____?

Do _____ apply _____ wastewater _____ during _____?

_____ are _____ rules for disposing _____?

Is _____ any _____ removing _____ a construction site?

In construction _____ specific _____ used to _____ waste?

What guidelines _____ liquidification _____ by building _____?

_____ we need _____ follow _____ specific _____ dealing with _____ constructions?

Are _____ certain criteria _____ on the building _____?

_____ there _____ the disposal _____ wastewater _____ construction?

Any _____ guidelines _____ during construction?

Prerequisites _____ discharge during _____?

Do they _____ special _____ dumpin' wastewater in _____?

What are _____ disposal _____ in _____?

Can there _____ to _____ at constructions?

Which _____ be followed _____ sewer _____ constructions?

_____ have any _____ for _____ water waste _____ construction site?

Is _____ specific _____ to _____ of _____ a building site?

_____ in _____ projects may have _____.

Do you _____ rules about _____ at construction _____?

Is there _____ for _____ elimination _____ building sites?

Is _____ rules on _____ wastewater in _____?

_____ wastewater during construction?

_____ are the _____ for _____ wastewater _____?

_____ they _____ conditions _____ dumping _____ in construction?

Prerequisites _____ sewage discharge _____ a _____?

_____ need guidelines for the _____ wastewater _____.

Is it _____ to _____ the _____ to _____ of wastewater _____?

_____ any demands for dumping wastewater _____ a _____?

_____ demands are for _____ disposal _____?

_____ it _____ construction regulations _____ wastewater disposal protocols?

_____ need _____ follow guidelines _____ wastewater disposal during _____?

Is it _____ for sewage to _____ applications?

Which _____ requirements require _____ at _____?

What _____ are in _____ disposal in construction _____?

_____ with sewage in _____ is it _____ any _____ guidelines?

_____ you _____ on _____ disposal during construction?

The _____ for disposing _____ wastewater _____ projects _____ unknown.

_____ there exist _____ waste _____ construction sites?

There are _____ conditions _____ need _____ met when _____ sewage _____ applications.

What _____ the _____ for construction _____.

_____ you _____ the _____ to dispose of wastewater _____?

Is _____ wastewater _____ required _____ regulations?

What are the _____ construction?

Is there _____ specific _____ deal with waste water _____?

_____ disposal requirements _____ to _____ construction sites

_____ the terms of _____ apply _____ projects?

Do _____ disposal protocols?

Do _____ on the _____ wastewater in construction _____?

I'm interested _____ knowing _____ for _____ rid _____ site wastewater.

_____ are wastewater disposal _____ in _____?

_____ there a set _____ guidelines _____ to _____ wastewater during _____?

How _____ disposing of wastewater in _____ projects?

Prerequisites for _____ when buildings _____?

Do _____ for _____ in construction _____?

_____ you know _____ to dispose _____ water _____ constructions?

Do _____ any _____ about disposing of _____ applications?

Are _____ when constructing?

_____ to _____ sites for wastewater?

Which _____ be _____ disposal in construction applications?

_____ looking for _____ the requirements for getting _____ construction site _____.

Do _____ have _____ dispose _____ wastewater _____?

_____ are guidelines _____ handling _____ water _____ construction _____?

Is _____ disposal _____ subject to _____?

Are there any _____ disposal _____ construction?

_____ required of _____ dealing with _____ waste?

Construction: _____ to discard _____?

Are _____ any _____ conditions _____ need to _____ when _____ construction applications?

_____ are the criteria to _____ waste _____ building _____?

_____ criteria _____ be _____ to _____ waste on _____ building site.

Can _____ have specific wastewater _____?

_____ you _____ guidelines _____ the _____ of wastewater _____ construction _____?

____ do we ____ do to ____ of wastewater ____ construction ____?
 ____ rules ____ handling ____ in constructions?
 When ____ constructions, do ____ any ____ management obligations?
 Do you know ____ dispose ____ water sludge?
 ____ have ____ wastewater disposal protocols?
 ____ there any particular ____ regarding ____ of water ____?
 ____ know the ____ for ____ site wastewater?
 ____ are any regulations ____ disposal of ____ construction?
 Is there any special ____ for ____ rid of ____?
 ____ regulations about wastewater ____?
 ____ regulations require ____ disposal methods?
 Is there ____ regarding the ____ from construction?
 ____ follow to ____ of excess water from construction ____?
 Do you know what ____ water ____ from ____?
 Is ____ any ____ for ____ during construction?
 What ____ are ____ rid ____ construction site wastewater?
 ____ demands ____ up ____ a building site?
 ____ sanitary discharge ____ building ____?
 ____ regulations during ____?
 What are the ____ for ____ management ____?
 ____ on wastewater removal ____?
 Wastewater ____ to certain ____ in ____.
 ____ there any ____ of wastewater during ____?
 ____ are ____ rules ____ in buildings?
 Do ____ regulations ____ specific protocols ____?
 Did ____ have ____ conditions ____ construction ____?
 Is ____ for draining ____ produced ____ efforts?
 What ____ exist for draining liquidification produced ____?
 You ____ guidelines for ____ wastewater in ____?
 ____ you ____ in ____ for the disposal ____ from constructions?
 ____ for disposal of construction ____?
 Rules ____ the ____ of wastewater ____?
 ____ comes ____ any obligations regarding wastewater management?
 ____ you ____ guidelines for ____ Wastewater in Construction ____?
 Tell me about the ____ getting ____ site ____.
 Do ____ know ____ to ____ of water sludge from ____?
 Are ____ requirements ____ of wastewater during ____?
 ____ need ____ follow any guidelines ____ wastewater disposal ____?
 Is ____ regulations governing the ____ waste when ____?
 ____ there ____ rules regarding ____ in ____?
 ____ regulations ____ disposing ____?
 ____ there a requirement ____ sewage ____ in ____?
 ____ wastewater regulations ____ to building ____?
 ____ be ____ restrictions ____ how builders ____ dispose of ____ wastewater?
 What ____ it mandatory for ____ sewage waste?
 I want to ____ if ____ are guidelines ____ water ____ construction ____.
 ____ are ____ disposal stipulations?
 When ____ to ____ management at construction ____ which ____ apply?
 ____ regarding wastewater management ____ constructions?
 Should there ____ specific ____ for ____ in construction ____?

_____ of _____ for wastewater _____ at the building sites?

Is _____ any specific _____ disposal in construction _____?

_____ how to dispose _____ in construction _____?

_____ about disposing _____ while _____?

_____ to waste _____ buildin'?

What rules _____ liquidification made _____ efforts?

_____ conditions need _____ be met _____ construction _____ for _____.

_____ wastewater in construction projects?

_____ regulations apply to _____?

Is _____ any regulation regarding _____?

_____ criteria to _____ when _____ of excess _____ construction sites?

Prerequisites for sewage _____?

_____ there _____ getting _____ of wastewater from construction sites?

What guidelines _____ disposing _____ wastewater _____ construction?

Special _____ to _____ of wastewater while building.

What steps _____ to dispose of wastewater _____?

Is _____ disposal _____ during _____ subject to the _____?

Are there _____ guidelines for _____ construction?

Do specific _____ wastewater _____ building _____?

In construction _____ must certain _____ of sewage?

_____ there a set _____ rules for _____ sites?

Should we follow _____ guidelines when _____ in _____?

Which _____ requirements _____ site wastewater _____?

_____ there _____ specific _____ regarding _____ disposal _____ water from _____?

_____ construction to deal with _____?

Any restrictions _____ builders?

Did _____ know _____ are requirements _____ dispose _____ sludge _____ constructions?

What are _____ used _____ manage sewage _____ projects?

_____ take to dispose of _____ a _____ project?

_____ have rules about _____ sewage _____ sites?

_____ have requirements to dispose _____ wastewater _____ sites?

_____ there a set _____ for _____ waste management _____ sites?

Can _____ me _____ requirements _____ getting _____ wastewater _____ a construction site?

_____ compulsory _____ to discard wastewater?

_____ there _____ conditions _____ construction dumpin' _____?

_____ waste disposal _____ constructions?

Is there _____ guidelines on how _____ sewage _____ construction _____?

_____ there guidelines _____ sewage waste in _____ setting?

_____ guidelines for getting rid _____?

_____ for handling _____ a _____ environment?

_____ be certain rules _____ wastewater _____ building sites.

_____ conditions be _____ in construction _____ sewage disposal?

_____ requirements for _____ wastewater in _____?

Are _____ any guidelines for _____ sewage _____ environments?

Is _____ possible to _____ criteria _____ management on _____?

_____ rules for construction _____?

Specific criteria _____ wastewater _____ construction _____.

_____ are the _____ to _____ wastewater from _____?

_____ discharging sewage at _____?

_____ are requirements _____ wastewater _____?

____ you ____ conditions for the disposal of ____ water ____ ____ ?
 ____ you know ____ to dispose of ____ from ____ ?
 What's required ____ dealing ____ sewage ____ ?
 Rules for ____ removal ____ ?
 Is it necessary ____ guidelines ____ handling ____ constructions?
 Do ____ applications ____ requirements ____ disposal?
 Is there any ____ to ____ construction?
 Is ____ needed for sewage disposal ____ ?
 What are ____ for ____ in construction ____ ?
 ____ need to know the ____ sewage ____ during ____ .
 ____ are the guidelines ____ wastewater handling ____ construction ____ ____ ?
 ____ to ____ of wastewater during ____ ?
 ____ have specific requirements ____ applications?
 ____ rules ____ sewer disposal in ____ ?
 ____ demands for wastewater ____ building site?
 ____ me ____ the requirements ____ getting rid ____ construction ____ wastewater.
 For getting ____ wastewater ____ sites, what ____ exist?
 Wastewater ____ construction ____ be subject to ____ .
 ____ exist to ____ of ____ waste?
 Is ____ specific ____ for disposing of ____ from ____ ?
 What's ____ about ____ dealing with ____ ?
 ____ any regulations about wastewater ____ ?
 ____ there ____ about the ____ of wastewater ____ construction?
 ____ about ____ waste from ____ ?
 To ____ at a ____ site?
 ____ there ____ conditions ____ the disposal of ____ water from ____ ?
 Do ____ guidelines for ____ with ____ construction applications?
 Do ____ for ____ disposal ____ construction ____ ?
 Are there mandatory regulations ____ disposal of ____ ?
 Are there any ____ the disposal of ____ from ____ ?
 ____ possible to ____ special ____ when discharging sewage ____ ____ .
 ____ on ____ rid of wastewater while ____ ?
 Rules ____ getting ____ in buildings?
 ____ any rules ____ wastewater ____ construction projects?
 ____ are ____ demands for ____ disposal?
 Are there ____ rules ____ sewage ____ construction ____ ?
 ____ set ____ guidelines ____ wastewater handling during constructions?
 In ____ they special conditions ____ ?
 ____ have ____ conditions ____ water from ____ ?
 There are ____ chuckin' waste ____ ?
 Are there ____ for ____ disposal in ____ ?
 Is wastewater ____ during ____ subject ____ ?
 Do ____ have ____ for ____ wastewater ____ construction?
 What demands ____ disposal in ____ ?
 ____ are ____ conditions ____ wastewater disposal in ____ ?
 What is the ____ disposal in ____ ?
 Do I ____ to ____ particular guidelines when ____ in ____ ?
 There ____ regulations ____ the ____ of wastewater during ____ .
 Wastewater ____ during ____ be subject ____ specific ____ regulations.
 What ____ you have ____ rid ____ construction site ____ ?

_____ be _____ guidelines _____ handling waste _____ construction sites.

Is _____ regulations _____ of wastewater while _____ structures?

_____ are the _____ waste disposal _____?

When it _____ to _____ wastewater from _____ sites, what _____?

Do _____ have _____ at constructions?

_____ it possible _____ have _____ for dumpin' wastewater _____?

Do _____ rules _____ disposal?

_____ dealing with sewage waste?

Have _____ criteria _____ on construction sites?

_____ rules _____ disposing _____ in construction projects?

Will _____ be _____ wastewater in _____?

_____ a set _____ criteria to _____ disposing of _____ from construction _____?

_____ wastewater demands?

What _____ for _____ disposal _____ construction applications?

What rules _____ to _____ disposal of _____?

Do you have any _____ regarding _____ applications?

_____ you _____ about _____ requirement to dispose _____ sludge from _____?

Does construction _____ demand _____ wastewater _____?

How _____ guidelines for _____ waste _____ sites?

Do _____ specific _____ disposal?

Is _____ and how to dispose _____ from a building _____?

Specific _____ how to properly _____ waste?

_____ in construction _____ to _____ conditions?

Were there _____ discharge during _____?

Prerequisites _____ sewage during _____?

Prerequisites _____ discharge during _____?

What _____ the _____ wastewater disposal in _____?

_____ construction, is wastewater _____ subject to certain _____?

_____ there any special _____ for _____ rid _____ while _____?

_____ there _____ in place for wastewater _____?

_____ have mandatory _____ the disposal _____ wastewater.

Was _____ a _____ sewage _____ during construction _____?

Do you _____ guidelines _____ what to _____ with _____ construction _____?

Is _____ specific _____ the disposal _____ from constructions?

Which _____ Management _____ construction sites?

What _____ requirements _____ getting rid _____ site wastewater?

Is _____ set of _____ to dispose of _____ from _____ sites?

_____ any _____ rules regarding _____ rid of wastewater _____?

_____ there an obligation about _____ comes to _____?

What are _____ guidelines _____ handling _____?

Some _____ are imposed on _____ construction _____.

_____ there _____ disposal _____ in construction?

Is _____ particular _____ for wastewater _____ in construction _____?

_____ are _____ for _____ disposal in _____.

_____ construction _____ impose specific _____ on _____ sewage _____?

Are there _____ disposing of _____ projects?

I _____ interested _____ the _____ release when constructing.

_____ we have guidelines to _____ of _____ building _____?

Is _____ follow specific guidelines when dealing _____ in _____?

The requirements _____ wastewater _____ are _____.

_____ the _____ disposal of wastewater _____ construction?

There _____ certain _____ waste management _____ sites.

_____ required of _____ sewage waste?

Is _____ any _____ wastewater management _____?

Is _____ for _____ disposal _____ construction applications?

Do _____ the disposal of wastewater _____ construction _____?

Is _____ necessary to _____ special _____ order to _____ sewage _____ construction _____?

Is _____ and how _____ dispose _____ from our building project?

_____ requirement for certain _____ disposal _____ in construction _____?

_____ there have to _____ wastewater _____ at building sites?

_____ waste disposal _____ to construction _____?

_____ laws _____ the _____ construction waste?

_____ for disposal of _____ during construction?

Which _____ to _____ management _____ construction?

_____ any _____ management obligations when it _____ to _____?

_____ there any _____ for handling waste _____ in _____?

_____ tell me about any specific _____ water from constructions?

_____ on getting rid _____ wastewater while building?

There _____ any _____ for _____ disposal of _____ during _____?

_____ there a standard _____ waste water _____ sites?

_____ there established _____ disposing of _____ water _____ construction _____?

Does there _____ established criteria _____ disposing _____ water from _____ sites?

_____ comes _____ constructions, are wastewater _____?

_____ construction to destroy wastewater?

_____ anyone have _____ for _____ removing water waste _____ construction site?

_____ the _____ regulations _____ wastewater _____ protocols?

Do construction _____ have _____ wastewater _____ protocols?

Do there _____ requirements for _____ disposal in _____?

_____ you _____ it's necessary to meet _____ conditions _____ discharge sewage _____?

_____ there _____ for handling sewage _____ construction setting?

_____ steps needed _____ dispose _____ in construction projects?

_____ regulations govern _____ of _____ in construction _____?

_____ for _____ to be discharged _____ a _____?

Is _____ set rules for _____ building sites?

_____ in construction applications _____ specific _____.

_____ are any _____ disposing wastewater in _____.

I am _____ if you can _____ the _____ during construction _____.

_____ the _____ for draining liquidification _____ the _____ efforts?

Possible requirements for _____ applications.

_____ it necessary to _____ discharge _____ in construction applications

Is it possible to _____ sewage _____ in construction _____?

Was it mandatory for _____?

Do _____ have _____ guidelines to _____ on a _____ site?

Prerequisites _____ discharge of _____ building _____?

What are _____ disposal in _____?

Is there any _____ for the _____ of _____?

Can _____ me _____ the requirements are for _____ of _____ wastewater?

_____ requirements _____ we _____ meet _____ get rid of wastewater _____ construction _____?

_____ there _____ governing _____ release _____ waste _____ building?

Are there _____ for _____ management on _____?

Is there ____ set ____ for waste ____ in ____?

Which ____ apply ____ management ____ construction site?

Do there any ____ for ____ construction sites?

____ to ____ building sites?

What are ____ guidelines ____ rid ____ wastewater ____ buildings?

____ this mean ____ sewer ____?

I ____ know ____ requirements for sewage ____ in ____ activities.

____ need to ____ there ____ for ____ of construction site wastewater.

____ of criteria for ____ management ____?

Is ____ any ____ conditions ____ to ____ water from constructions.

Is ____ mandatory for construction ____?

What ____ it ____ construction regarding sewage waste?

____ are the ____ construction wastewater ____?

____ it be necessary ____ dispose ____ constructions?

Can ____ tell ____ about ____ requirements to dispose ____ construction?

____ let ____ the ____ removing construction site wastewater?

Do ____ regulate the ____ wastewater ____ construction ____?

Is ____ any ____ wastewater disposal?

____ there any specific ____ for disposing ____ from ____.

Special conditions ____ construction?

____ have rules about the ____ of ____ applications?

____ it ____ explain the ____ for ____ during construction?

____ be ____ on ____ builders ____ of their wastewaters?

____ be ____ on ____ builders dispose of their ____?

____ are ____ guidelines for ____ construction?

Can ____ be guidelines ____ waste water ____ sites?

Do ____ for disposing of ____ projects?

____ are the ____ for ____ there are constructions?

Is there ____ in construction projects?

____ how ____ can dispose of ____?

What ____ exist ____ drain ____ produced ____ building ____?

They ____ conditions for ____ dumpin' ____.

Is ____ obligation towards wastewater management ____ comes ____?
