

[Demo] NLP Dataset for Customer Service Automation

Company Type	Auto Repair and Maintenance Shops
Inquiry Category	Brake pedal feels soft or spongy
Inquiry Sub-Category	Brake line or hose concerns
Description	Customers may have concerns about damaged or deteriorating brake lines or hoses, leading to a soft brake pedal feel. Inquiries in this category involve inspecting the brake lines and hoses for leaks, cracks, or other damage and providing appropriate repairs or replacements as needed.
Data Size	5,010 paraphrases
