

[Demo] NLP Dataset for Customer Service Automation

| | |
|-----------------------------|---|
| Company Type | Investment Firms |
| Inquiry Category | Retirement planning and pension queries |
| Inquiry Sub-Category | Pension withdrawal options |
| Description | Customers request details on withdrawal options for their pension plan, including lump-sum payments, annuity payments, and systematic withdrawals. They seek guidance on the tax implications and potential penalties associated with each withdrawal method. |
| Data Size | 5,310 paraphrases |
| Want to buy data? | Please contact nlp-data@gross.me via your business email address. |

Masked sample paraphrases of one "Investment Firm" customer inquiry. (Purchased data will not be masked.)
