

[Demo] NLP Dataset for Customer Service Automation

Company Type	Auto Repair and Maintenance Shops
Inquiry Category	Fuel efficiency has significantly decreased
Inquiry Sub-Category	Dirty air filter
Description	Customers may ask about the impact of a dirty air filter on fuel economy and how frequently it should be cleaned or replaced to maintain optimal efficiency.
Data Size	5,059 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Auto Repair and Maintenance Shop" customer inquiry. (Purchased data will not be masked.)

Can a _____ filter _____ decreased _____?

_____ may _____ a connection _____ a _____ fuel _____ and a disrupted _____.

_____ a blocked _____ diminished efficiency?

_____ a blocked _____ filter _____ news _____ fuel _____?

Do you _____ if _____ Filters will _____ decrease in fuel _____?

There may _____ between _____ clogged air filter _____ economy.

Is it _____ efficient to _____ gas _____ of _____?

_____ it possible that _____ blocked air _____ fuel _____?

_____ blocked _____ in decreased fuel efficiency?

_____ obstructed _____ filter _____ cause of worsened _____ economy?

Clogged _____ make _____ worse.

There could _____ between _____ decreased _____ a clogged air Filters.

_____ a _____ ruin the _____ economy?

Do you think _____ dirty _____ can _____ mileage?

_____ dirty _____ filter _____ in less _____ mileage?

_____ the fuel economy _____ as _____ of an obstructed _____?

_____ a _____ air _____ will hurt your gas _____?

A blocked _____ will _____ fuel _____.

_____ an obstruction _____ air filter can cause a _____ fuel _____?

Is _____ dirty air _____ for _____?

The blocked filter _____ be _____.

_____ reduced due to plugged _____?

Fuel economy hampered _____?

Would _____ dirty air _____ affect _____?

_____ air _____ hurt gas _____?

_____ filter hamper the _____?

Is _____ air islogged _____ mpg is _____?

_____ connection could be made _____ a decreased _____ a clogged _____.

____ a ____ filter ____ your ____ mileage?
 Is it ____ that obstruction ____ air ____?
 Did a dirty ____ mileage?
 ____ might be ____ between a ____ economy ____ a ____ air filters.
 Fuel economy ____ by ____
 Can ____ blocked ____ harm ____ mileage?
 Is there an impact ____ blocked ____?
 Is it because ____ air islogged ____ gets ____?
 Does a ____ air ____ fuel ____?
 ____ dirty air filters cause ____?
 ____ by blocked filt'r
 ____ hampered by alogged ____.
 ____ you ____ a lycture ____ will cause a ____ in ____ economy?
 ____ worse if the air ____ isn't working?
 ____ air ____ can ____ fuel ____.
 ____ lycture air ____ may cause ____ decrease ____ economy.
 ____ a dirty ____ filter affects ____?
 Is ____ overall ____ consumption ____ by a ____ air ____?
 ____ possible that ____ clogged air ____ fuel economy?
 ____ economy ____ be affected by an ____ an air ____.
 ____ having a dirty ____ affect ____?
 ____ the ____ filters ____ efficiency?
 There may ____ a relationship ____ blocked ____ filter ____ decreased fuel ____.
 ____ a bad air filter ____ in ____ vehicle?
 ____ gas mileage could ____ build-up.
 Would ____ dirty ____ filters ____ use?
 ____ may be ____ between ____ fuel ____ and ____ blocked air filter.
 Do you think ____ filters will ____?
 ____ decreased fuel ____ linked to ____ blocked ____ filters.
 Will ____ efficiency ____ caused ____ a blocked ____ filter?
 ____ usage might ____ affected by ____.
 ____ possible thatlogged ____ the ____ worse?
 ____ filters ____ problem with gas ____?
 ____ blocked filters bad ____?
 Fuel efficiency could be ____.
 There ____ a connection between ____ fuel ____ and a ____ filters
 ____ a ____ airFILTER going to ____?
 ____ a ____ link between a decreased ____ economy ____ blocked air ____.
 ____ a blocked ____ affect ____?
 ____ could ____ by air clogs.
 A ____ filter ____ result ____ reduced gas mileage.
 ____ bad ____ cause a ____ economy?
 ____ might ____ a ____ between the fuel economy and ____.
 Does a clogged ____ filter make ____ efficiency?
 ____ a dirty ____ mean ____ mileage?
 A connection ____ be made ____ a ____ economy and ____ bad ____.
 ____ it ____ that dirty ____ filters ____ gas ____?
 Can a ____ vehicle less ____.
 ____ filters ____ bad ____ gas mileage?
 ____ fuel ____ if ____ air filter is bad?

Does a _____ gas mileage?

I wonder _____ is _____ for _____.

Does a dirty _____ efficiency?

Does a _____ result _____ decreased gas _____?

_____ there a chance _____ a _____ will affect _____ economy?

_____ per gallon be caused _____ filters?

Has a _____ reduced _____ mileage?

_____ connection _____ made _____ clogged _____ filters and lowered _____ economy.

Are you saying _____ a lycture _____ decrease in fuel _____?

The _____ will be hurt _____ a dirty _____.

_____ usage will _____ air clogged

_____ a dirty air Filter _____ reduced _____?

_____ it _____ that an obstruction of _____ air filter _____ cause _____?

_____ air _____ block _____ mileage?

_____ decrease in _____ economy _____ be _____ to a blocked _____.

Is the vehicle less fuel _____ because _____?

Does a _____ air filter make a _____?

_____ fuel economy _____ filt'r?

_____ possible _____ miles per gallon is caused _____ clogged _____?

Is _____ dirty _____ bad for _____?

There _____ a possibility of a _____ between _____ air filter and _____.

Fuel _____ may _____ lowered _____ air _____.

_____ a _____ air _____ a cause _____ fuel economy?

_____ a dirty _____ filter hurts _____ it?

Fuel _____ reduced by _____?

_____ air _____ affect my _____ use?

There _____ relationship _____ a decreased _____ and a blocked _____ filter.

_____ air filter _____ affect gas _____.

Is it _____ a lycture _____ will reduce _____?

Clogged air _____ worse _____.

_____ airfilter could _____ a _____ less fuel _____.

_____ dirty _____ filter affect my _____?

Is _____ air filter _____ the fuel economy.

_____ economy may be _____ blocking _____.

Can _____ air _____ have an effect _____ economy?

Can _____ a lycture air _____ will _____ a decline in _____?

_____ it _____ oflogged air _____ it makes _____?

_____ connection _____ be found between _____ economy and a clogged _____.

Worse _____ comes _____ filter _____ up?

Alogged _____ filters _____ fuel _____?

_____ it _____ that decreased _____ per gallon are _____ of _____?

Is _____ to _____ decreased _____ economy by blocking _____ air _____?

_____ dirty air filter _____ efficiency?

Is _____ filter _____?

_____ a bad _____ make _____ less _____ efficient?

Will _____ cause a _____ in fuel efficiency?

_____ blocked air _____ difference to _____?

Worse _____ might _____ a result of filter _____.

Worse _____ mileage _____ because _____ build up?

_____ affects fuel efficiency.

Will a blocked air _____ efficiency?
 _____ possible _____ filters hurt _____ mileage?
 My _____ consumption could _____ by a _____ filter.
 There might _____ fuel economy and _____ clogged air filters.
 Should _____ be _____ by _____ dirty air _____?
 Will _____ filter _____ to less gas _____?
 _____ filter _____ mileage?
 Is _____ that _____ can decrease mileage?
 Is it _____ air _____ efficiency?
 Does _____ dirty _____ fuel use?
 Can _____ filter have an effect on _____?
 _____ affected by alogged air _____.
 Will _____ be hurt _____ air _____?
 _____ a connection _____ the _____ fuel economy and a clogged _____.
 _____ between a blocked air _____ lowered fuel economy.
 Will _____ filters _____ a decrease _____?
 A _____ air filter _____ related _____ decreased fuel _____.
 There might _____ a clogged air _____ and _____ fuel _____.
 Is _____ filter affecting _____ mileage?
 Would _____ dirty _____ my fuel _____?
 _____ that _____ blockage _____ worse fuel economy?
 _____ be _____ correlation between the decreased _____ economy and the _____.
 _____ a _____ have _____ effect on fuel _____?
 _____ a _____ air filters _____ a _____ in fuel _____?
 Fuel efficiency _____ lowered _____ alogged _____.
 _____ efficiency may _____ by filter _____.
 _____ blocked air filter a _____ of _____ fuel _____?
 Is it _____ the choked _____ decrease the _____?
 _____ blocked _____ filters cause a _____ mileage?
 Can a dirty air _____?
 _____ blocked air filter _____ in _____ fuel _____?
 Is the air _____?
 _____ in miles per _____ due to _____ filters?
 _____ a dirty _____ fuel use?
 _____ a dirty _____ to hurt gas _____?
 _____ mileage _____ be _____ by a _____ filter.
 Is _____ fuel consumption affected _____ a _____ air _____?
 There could be a _____ between _____ decreased _____ and _____ blocked _____.
 Is blocking _____ filters _____ gas _____?
 Gas mileage _____ hurt _____ air filter.
 There _____ a relationship between _____ economy _____ a _____ air _____.
 _____ a bad _____ fuel efficiency.
 _____ use can _____ by _____ clog.
 _____ airfilter _____ the _____ fuel economy?
 _____ the fuel _____ worse _____ of _____ obstructed _____ filter?
 _____ a _____ air filters _____ reduced gas _____?
 Fuel _____ by _____ filt'r.
 _____ reduce gas mileage?
 _____ possibility _____ a _____ economy is _____ to a blocked air _____.
 Can _____ dirty air _____ mileage?

_____ air filter block _____ mileage?

_____ air making _____?

I wonder _____ the _____ bad for _____.

Will _____ blocked air _____ efficiency?

Air _____ may reduce _____?

_____ dirty airfilter _____ fuel use?

_____ bad _____ filter _____ in lost fuel _____?

Is _____ air _____ going to affect _____ use?

I _____ air _____ can hurt gas _____.

_____ can _____ MPG.

_____ a blocked _____ going _____ result in lower _____?

_____ it _____ airfilter _____ make the vehicle less _____ efficient?

Is _____ gas _____ my vehicle affected _____ blocked _____?

_____ it possible that an _____ obstruction will _____ fuel _____?

There could _____ the decreased _____ and blocked _____ filters.

Has a _____ air filter resulted _____?

Does _____ dirty _____ reduced _____ mileage?

_____ a _____ dirty air filter will _____ gas mileage.

_____ could be a _____ between _____ air _____ and lowered _____.

Will a blocked _____ lower _____?

Fuel _____ can _____ impacted _____ blocked _____.

_____ it possible that a _____ air filter will _____?

Can _____ air _____ reduce _____?

A dirty air _____ gas _____.

_____ the economy _____ hampered _____ filter?

_____ an _____ of _____ air filter causes worsened _____ economy?

Fuel _____ by _____ filt'r?

Will _____ dirty air _____ be bad _____?

Will _____ by blocked filt'r?

Does _____ air filter result _____ a _____ fuel _____?

_____ it _____ that _____ air filters will _____ gas _____?

There may _____ a _____ between decreased _____ economy and _____.

Can _____ obstruction _____ air filter cause _____ go downhill?

Will _____ air _____ harm _____ mileage?

_____ dirty _____ filter affect _____ mileage?

_____ a _____ airFILTER _____ difference in gas _____?

_____ air _____ fuel use?

_____ air filter _____ in decreased gas _____?

Is _____ by _____ obstruction in the air _____.

Does a _____ air _____ a negative _____ mileage?

_____ air _____ result in a reduction _____ efficiency?

_____ dirty air filter make _____ go _____?

_____ is _____ connection between a clogged _____ filters and _____.

Can _____ an impact _____ mileage from _____ filter?

Is _____ a _____ with _____ lowers fuel efficiency?

Can _____ air filter cause _____ to _____ efficient?

_____ dirty air _____ going to _____ decreased _____ consumption?

_____ dirty air Filter _____ efficiency?

_____ might _____ between a decreased _____ and a clogged air _____.

Does _____ dirty _____ filters result _____ gas _____?

Is a dirty air _____ consumption?

A _____ in fuel economy may be _____ filters.

Can a _____ make a vehicle _____?

_____ air filters can _____.

Is a blocked air _____ bad _____?

A _____ could _____ made between a blocked _____ fuel economy.

_____ efficiency is _____ by _____ filter _____?

_____ it possible _____ air filters _____ gas mileage?

There _____ a _____ decreased _____ economy and a blocked air _____.

_____ filters islogged lowers _____ efficiency.

_____ know if _____ filter _____ hurt gas mileage?

Does _____ filter result in _____ fuel efficiency?

_____ a blocked _____ filter make _____ fuel efficiency?

_____ filter _____ have an impact on _____ gas _____.

Do _____ air _____ affect my _____?

_____ will _____ filter _____ fuel economy?

Is _____ fuel _____ to an obstruction _____ the air _____?

I _____ a blocked _____ bad _____ MPG.

Is _____ filters _____ to lower _____?

A _____ can cause a decrease _____ economy.

The impact of _____ filters _____?

_____ is _____ possibility that a _____ fuel _____ is _____ to _____ filters.

A _____ be _____ to _____ clogged air filters.

_____ it possible a _____ airFILTER _____ make the _____ less _____?

Does a dirty _____ fuel _____?

_____ a _____ with the _____ that _____ the fuel economy?

Is it _____ blocked air filter _____ to _____ efficiency?

_____ the _____ filters affect _____?

There _____ be a _____ between a decreased _____ and _____ filters.

_____ a _____ air filter _____ to a _____ mileage?

Does _____ bad air _____ inefficiency?

_____ is _____ of a connection between _____ filters _____ fuel economy.

_____ my _____ mileage be _____ by _____ filter?

mpg _____ because _____ filter _____?

A _____ may _____ between _____ filters and _____ lower fuel economy.

Is _____ a problem _____ the _____ filters that _____ fuel _____?

There _____ a _____ between a _____ fuel _____ a clogged _____ filter.

Does a bad air _____ decrease _____ fuel _____?

Does _____ air Filter affect _____.

There is a _____ of _____ between _____ blocked air filter _____ fuel _____.

Should a _____ gas mileage?

_____ a bad air filter _____?

_____ it _____ filter blockage means worse _____?

Does _____ to reduced _____ mileage?

Is a _____ filter going to _____?

Is _____ blocked _____ to _____ fuelefficiency?

_____ a dirty _____ gas mileage?

_____ a _____ air _____ ruin _____ MPG?

_____ dirty _____ filter _____ mileage?

_____ is a _____ between a decreased fuel _____ and _____ air _____.

mpg ____ if ____ air ____ bad?

Does ____ filter cause ____ reduction ____ fuel efficiency?

____ air filters ____ mileage?

Fuel ____ adversely ____ filter?

____ may ____ between a ____ air filters ____ lowered fuel ____.

____ be a connection ____ a ____ air ____ and ____ lowered fuel ____.

____ much will ____ filter ____ gas mileage?

There could ____ a ____ fuel economy and ____ air ____.

____ a blocked air block ____?

____ air filter ____ fuel efficiency?

____ fuel ____ can ____ an obstruction of the air ____.

A decreased ____ can ____ linked ____ clogged air ____.

Problematic air filter ____?

Does a ____ air ____ fuel ____?

____ it possible that ____ can ____ the mpg?

____ a ____ air ____ bad ____ your fuel ____?

____ air filter hurt fuel ____?

Is it ____ that ____ lycture ____ filter will ____ a ____ fuel ____?

____ might ____ a connection between ____ economy ____ clogged air filters.

____ it ____ that ____ air makes ____ mileage ____?

____ an ____ an ____ filter lead ____ a worse ____ economy?

____ a dirty air ____?

____ a bad air filter ____ a ____?

____ blocked ____ reduce gas ____?

Do you think ____ air filter ____ gas ____?

Can ____ gas mileage?

____ fuel consumption ____ a dirty air filters?

____ possible that ____ make the vehicle less fuel ____?

____ dirty ____ result ____ gas mileage ____ reduced?

There ____ an impact ____ filters on ____.

____ a blocked ____ have ____ on fuel efficiency?

Does a ____ air ____ make ____ fuel efficiency?

There might be ____ relationship ____ decreased ____ economy ____ air ____.

Is ____ possible that ____ contribute ____ decreased ____ per ____.

Is it because ____ thelogged air ____?

Will a ____ fuel efficiency?

____ bad ____ hurt the ____ mileage?

____ bad ____ filter ____ bad ____ mileage.

There ____ be a ____ a blocked air ____ a lower ____.

Is ____ reduced ____ usage ____ to ____?

Do ____ think ____ dirty ____ filter ____ gas ____?

____ because ____ that mpg ____ worse?

There ____ be ____ relationship between a ____ fuel ____ blocked ____ filter.

Are clogged filters ____ miles ____ gallon?

I wonder ____ a ____ air filter ____ fuel ____.

Clogged ____ lower ____ efficiency?

____ link ____ a blocked ____ filters and a decreased fuel ____.

Would a dirty ____ use?

The fuel ____ be ____ a ____ air filter.

____ per ____ caused by ____ filters?

Gas mileage ____ be ____ air ____
 ____ a dirty air separator ____?
 ____ air ____ for fuel economy.
 ____ a ____ air ____ decrease in gas usage?
 ____ dirty ____ filters ____ mileage?
 The ____ of blocked ____ filters ____
 Will ____ air filter ____ the ____?
 ____ blocked filter ____ mileage.
 Is ____ that ____ filter blockage ____ MPG?
 Fuel ____ could be ____ filter ____.
 Is ____ a ____ between dirty ____ filters ____ gas ____?
 Do ____ filters results in ____?
 ____ is ____ by ____ filt'r?
 Will the ____ down ____ dirty ____?
 ____ blocked air ____ fuel efficiency
 ____ the ____ economy worse ____ the ____ filter ____ obstruction?
 ____ bad ____ vehicle less fuel efficient?
 Is ____ fuel economy affected by ____?
 ____ be ____ relationship between ____ lower fuel economy and ____ air ____.
 A blocked ____ may be ____ to ____ fuel ____.
 ____ my gas ____ be ____ the dirty ____?
 Fuel usage ____ affected ____ air ____.
 Can ____ me if ____ air ____ will affect ____ economy?
 ____ is ____ possibility that ____ economy is the result ____ air filters.
 ____ a dirty ____ for fuel ____?
 ____ bad ____ can ____ to be ____ fuel efficient.
 A ____ result ____ reduced gas mileage.
 ____ possible for blocked air ____ lower ____ mileage?
 Is it ____ air filters might ____ mileage?
 Fuel usage ____ impacted ____ clog.
 ____ a ____ air ____ affect gas ____?
 ____ fuel ____ be linked ____ intakes.
 Is there ____ correlation between ____ clogged ____ and decreased ____?
 ____ a ____ between ____ economy and blocked air filter.
 Does a ____ filter ____ efficiency?
 ____ be ____ connection between a decreased ____ and a ____ with the ____.
 ____ a blocked filter ____?
 Is ____ air ____ causing ____ decrease in mileage?
 ____ air filter ____.
 Is ____ fuel ____ by a clogged ____?
 ____ connection ____ made between a ____ air ____ a ____ fuel economy.
 The ____ economy can ____ blocked ____.
 Would ____ dirty ____ affect ____ fuel ____?
 There ____ be a relationship ____ decreased ____ and ____ air ____.
 ____ air ____ the ____ worse.
 ____ usage with plugged intakes?
 Do you ____ a ____ air ____ hurt ____?
 ____ it possible that the ____ are ____ clogged filters?
 Is ____ bad ____ bad ____ the ____ efficiency?
 Will ____ air filter ____ mileage?

A _____ filter may _____ to _____ fuel _____.
 There is _____ of a relationship _____ decreased fuel _____ blocked _____.
 _____ harmed by blocked _____?
 There _____ a possibility _____ clogged air _____ is _____ lowered fuel _____.
 _____ filter a _____ worse MPG?
 Fuel _____ be _____ blocked filter.
 Can _____ air _____ block _____?
 There _____ be _____ a clogged air filters and _____ economy.
 Is the _____ per gallon due _____ filters?
 Fuel efficiency _____ by _____ clogging.
 What impact _____ blocked _____ MPG?
 _____ a connection between _____ filters and _____ decrease in _____ economy.
 _____ that _____ of an _____ will make the _____ economy worse?
 _____ be _____ between _____ decreased fuel economy and _____ clogged air _____.
 _____ it possible _____ a blocked _____ filter _____ a decreased _____?
 _____ air _____ bad for _____
 Does _____ dirty air filter _____ efficient _____?
 Does _____ air _____ affect _____ efficiency?
 Will _____ be a _____ in _____ of _____ filters?
 Does _____ air _____ fuel efficiency?
 _____ a blocked _____ my gas _____?
 Will _____ filter lead _____ decreased _____ use?
 There _____ possible _____ a blocked _____ filter _____ the _____ fuel economy.
 _____ may _____ gas mileage.
 _____ a _____ filter bad _____ fuel _____?
 _____ you tell _____ if _____ lycture _____ decrease in fuel economy?
 Is a _____ air _____ to _____ efficiency?
 _____ possibility of a _____ the fuel economy _____ blocked air _____.
 There might _____ fuel economy and _____ blocked _____ filter.
 _____ dirty _____ filters cause _____ mileage?
 _____ a _____ filter affect _____ economy?
 There is a _____ air _____ and a _____ fuel _____.
 _____ filter block reduces _____?
 _____ a dirty _____ affect fuel _____.
 _____ air filter would _____ fuel _____.
 Would _____ air _____ my fuel _____?
 A _____ air filter could be _____.
 Can _____ air filters _____?
 Can a bad _____ filter make _____ fuel _____?
 Is it _____ obstruction _____ the _____ filter _____ a worse fuel _____?
 _____ a chance _____ the _____ fuel economy _____ related to _____ air _____.
 _____ link between _____ bad air _____ and a _____ fuel _____?
 The _____ fuel _____ may be _____ a _____ filter.
 mpg suffer _____ the _____ air _____?
 _____ filter _____ may reduce _____.
 A _____ air _____ hurt _____ mileage.
 Does a _____ the air filter _____?
 _____ air _____ for mileage?
 The air _____ be reducing _____.
 _____ dirty _____ will _____ gas mileage.

Will a _____ filter _____ fuel _____?

_____ lycture air filter _____ cause _____ decrease _____ fuel economy?

_____ air _____ fuel efficiency.

A _____ air _____ make the _____ less _____ efficient.

_____ miles _____ gallon due _____ clogged _____?

_____ a blocked air _____ fuel _____?

_____ a bad air filters _____.

Can dirty _____ hurt _____.

Can _____ bad _____ make a _____ less _____?

Would a dirty air _____ a _____ my _____?

_____ it possible that _____ contribute to decreased _____.

Is _____ gas _____ to _____ clogging?

_____ economy be _____ by _____ intake-filter?

_____ a _____ between the _____ economy and _____ clogged air filters.

_____ because of _____ air _____?

_____ a dirty air filter _____?

There _____ connection between a clogged air _____ a _____ fuel _____.

_____ an impeded air _____ for _____?

_____ be _____ relationship between decreased _____ blocked air filters.

_____ a _____ air _____ result _____ gas mileage?

_____ that the air _____ lowers the _____ efficiency?

Is _____ lower gas mileage?

_____ air filter cause fuel _____ go down?

_____ is _____ chance _____ a _____ a blocked air filters and _____ fuel _____.

Does _____ air _____ affect _____?

_____ blocked _____ filter _____ lower fuel _____?

Worse gas _____ of _____ build-up?

_____ be cut by _____ clog.

A _____ may _____ between a blocked _____ and _____ fuel _____.

_____ a _____ filters impact _____ usage?

Does _____ dirty _____ reduce gas _____.

_____ an obstruction _____ an air filter _____ fuel economy?

_____ blocked _____ may affect the _____.

Is _____ that filter _____ to worse _____?

_____ is a possibility of _____ between a decreased fuel _____ air _____.

Is _____ that filter blocking _____ MPG?

_____ because _____ Clogged _____ that the _____ gets worse?

Can _____ bad _____ cause a vehicle to _____?

Can _____ filters _____ interfered _____ lower _____ mileage?

_____ fuel use be affected _____ air filter?

Can a blocked _____ cause a decrease _____?

_____ want _____ know _____ a _____ air _____ can _____ a decrease _____ fuel _____.

Is _____ reduced due _____ intakes?

_____ may _____ a connection _____ blocked _____ filters and _____ decreased fuel _____.

Can _____ blocked _____ filter cause a decrease _____.

Will _____ a reduction in _____ efficiency because _____ filter?

_____ my _____ consumption impacted _____ a _____ air _____?

_____ fuel _____ caused _____ obstructed air filter?

_____ may _____ a connection _____ a _____ economy _____ clogged _____ filters.

_____ is a possible _____ decreased fuel _____ blocked air filters.

_____ air _____ gas mileage?

Does _____ filters make a _____ mileage?

_____ dirt can _____ MPG.

A _____ air filter _____ affect _____.

Air clog can _____.

_____ a _____ air filter lead to _____?

_____ fuel _____ be linked to _____ air filters.

_____ usage could be _____ air _____

Can blocked air _____?

Does a bad _____ fuel _____?

_____ a link between a _____ fuel _____ blocked air filters.

_____ may be _____ the _____ clogged

There is a possibility of a _____ filters _____ a decreased _____.

Clogged air _____ efficiency.

_____ filters _____ an _____ on fuel _____?

Is it _____ air _____ the mpg _____?

_____ filter decreasing _____ efficiency?

Would _____ dirty _____ hurt _____?

There _____ a _____ that a _____ fuel _____ caused _____ a clogged _____.

A _____ airfilter _____ make _____ car _____.

_____ affect my overall fuel consumption.

Altered _____ economy can _____ by an _____ filter.

_____ blocked air _____ may affect _____.

Can _____ dirty _____ filter _____ mileage?

There may _____ between the _____ economy and _____ filter.

_____ air _____ fuel usage?

The _____ may be between _____ decreased _____ air filter.

_____ dirty air _____ my fuel _____?

Is it possible that _____ blocking _____?

_____ was wondering _____ a dirty air filter _____ affect _____.

Fuelefficiency _____ be cut _____ filter _____.

Will the _____ economy _____ affected by an _____ the _____?

Does _____ have an _____ on _____ mileage?

Fuel _____ is _____ by _____?

Is _____ dirty _____ filter bad _____?

Is _____ air filter _____ affect my _____ fuel _____?

_____ be _____ relationship between the lower fuel economy _____ the _____.

_____ it possible _____ air _____ affect _____ mileage?

_____ possibility _____ the decreased _____ is related to the _____ filters.

_____ lowered _____ usage _____ plugged intakes?

_____ may be _____ connection _____ a low fuel _____ and _____ clogged _____.

Fuel _____ impacted by blocked _____.

_____ a _____ filter that _____ cause a decrease _____ fuel economy?

_____ clog affecting _____ usage?

_____ it possible _____ bad airfilter _____ make _____ vehicle _____ efficient?

_____ alogged air _____ bad _____.

Will a _____ air _____ your _____?

_____ the mpg worse?

Do _____ filters result _____ a _____ in _____ mileage?

_____ a _____ filter lead _____ efficiency?

____ it ____ to ____ gas due to air ____?
 Does ____ filter result in ____ efficiency?
 ____ can ____ of an ____ filter affect fuel ____?
 ____ can ____ economy.
 ____ it ____ dirty ____ hurts gas mileage?
 Fuel ____ could ____ because ____ filt'r.
 Should ____ dirty air ____ reduced gas ____?
 Would ____ affect fuel ____?
 Is reduced ____ to plugged ____?
 Do dirty air ____?
 ____ dirty ____ filter ____ to ____ gas mileage?
 There may be a ____ between a ____ air filters.
 ____ dirty ____ hurt my fuel ____?
 What ____ will ____ air filters ____ MPG?
 Can ____ if a ____ air ____ to ____ a ____ in fuel economy?
 Fuel ____ a filter clog?
 Is ____ air filter ____ for ____?
 Can you ____ if a lycture ____ will ____ a ____ economy?
 Is ____ fuel economy ____ by ____ obstruction ____ filter?
 There could ____ connection ____ blocked ____ filters and ____ economy.
 ____ may be ____ filter clog.
 Can a ____ impact ____ gas ____?
 ____ possible ____ decreased ____ gallon are due to blocked ____?
 ____ gas ____ is ____ due to filter ____?
 Can the blocked air ____?
 ____ reduced fuel usage ____ plugged ____?
 A ____ filter ____ an ____ on ____ mileage.
 There ____ be ____ connection ____ air ____ a decreased fuel economy.
 ____ blocked air filter might be ____ economy.
 Is my ____ by ____ blocked ____?
 ____ air filter ____ fuel consumption?
 ____ connection between a ____ economy ____ a clogged air filters
 Does a ____ air filter ____?
 Alogged ____ Filter lowers ____?
 Will ____ be harmed ____ a ____ air ____?
 Will ____ dirty ____ cause ____ gas ____?
 ____ be hurt by ____ air ____.
 Does ____ impact of blocked ____ the ____?
 There might ____ a correlation ____ a ____ fuel economy ____ air ____.
 There ____ a possibility ____ connection between ____ clogged ____ filters and ____ reduced ____.
 ____ dirty air ____ an effect on ____?
 ____ air filter result ____ a ____ in mileage?
 Worse gas ____ result ____ filter build-up.
 ____ the ____ worse due to an ____ air ____?
 A ____ airfilter might ____ vehicle ____ fuel ____.
 I ____ if ____ dirty ____ my fuel consumption.
 ____ make a ____ in mileage?
 Fuel efficiency ____ cut by ____.
 ____ choked ilter ____ the ____?
 Is ____ filter going ____ decrease ____ consumption?

_____ affected _____ an obstruction of air filters?

_____ a _____ air filter _____ use?

Will _____ air _____ to _____ fuel _____?

_____ air filter _____ hurt _____ gas _____.

_____ could be _____ by _____ blocked _____.

Do you _____ if _____ lycture air filter will _____ a _____ _____ _____?

_____ a dirty airFILTER _____?

_____ be a connection between _____ economy _____ clogged air filter.

_____ if a bad _____ makes _____ vehicle less _____?

_____ the _____ filter _____ gas mileage?

Is _____ possible that _____ air filter _____ less fuel efficient?

_____ impact fuel efficiency.

_____ be a _____ decreased fuel economy and _____ clogged air _____.

_____ connection _____ clogged _____ a decreased fuel economy may _____ possible.

Can _____ air _____ decrease _____?

Fuel usage _____ air clogged.

_____ air filter _____ fuel efficiency?

_____ air _____ fuel efficiency.

_____ a _____ filter _____ bad _____ MPG?

Is _____ air filters _____ to _____ fuel _____?

_____ bad air _____ make _____ less fuel _____?

_____ is a _____ there is a _____ a decreased _____ and a _____ filters.

There may _____ a _____ a clogged _____ and a lowered _____.

_____ filter could lower _____ efficiency.

There might _____ a _____ between the _____ economy _____ air _____.

There _____ be _____ connection _____ decreased _____ and a clogged _____ filters.

Can _____ filter have a _____ on _____ gas _____?

_____ possible to lower _____ by blocking _____ filters?

_____ bad airfilter can _____ the _____ fuel _____

_____ blocked _____ Filters lower fuel _____?

_____ is a possibility _____ a link _____ a clogged _____ filters _____ economy.

_____ a _____ filter going to cause fuel efficiency _____?

Air _____ can _____ use.

_____ decreased _____ economy may be the result _____ clogged _____.

A _____ air _____ hurt _____ vehicle's _____ mileage.

Is _____ that _____ clogged air filter _____ decrease _____ fuel _____?

_____ could be worse if the _____.

There could be a relationship _____ the decreased fuel _____.

Fuel economy can _____ by _____.

_____ dirty air filter _____ hurt _____.

Clogged _____ could _____ bad for _____.

A decreased _____ economy could _____ related _____ clogged _____.

Will _____ air _____ lead _____ decreased _____?

_____ is a _____ the _____ fuel _____ related to _____ clogged _____ filters.

Can a bad air _____ make the _____?

_____ the _____ worse when _____ is not working?

_____ can _____ the _____ less fuel efficient.

A _____ filter _____ my _____ consumption.

_____ airFILTER affect _____ mileage?

_____ to know if dirty _____ gas mileage.

Is a ____ filter affecting ____?

A(filter) ____ muck ____ fuel ____?

Would ____ filter have an impact on ____?

Is ____ of ____ air filter ____ fuel economy.

Do you know if ____ air filter can ____ fuel ____?

Is a bad ____ for fuel ____?

____ obstruction of an air ____ a ____ of ____ problems?

____ you ____ a dirty air filter ____ gas consumption?

____ would a ____ air ____ affect ____ fuel ____?

Is ____ an ____ block that ____?

Is ____ that ____ filters ____ miles per gallon?

____ dirty ____ filters ____ in ____ mileage?

There could ____ a connection between a ____ filter ____ fuel ____.

Is ____ of an air filter causes a worse ____?

Is ____ for mileage?

Will ____ blocked air ____?

____ could be ____ decreased ____ and ____ blocked air filter.

____ will ____ economy ____ by ____ filt'r?

____ filter can ____ a ____ mileage.

How ____ dirty ____ affect ____ mileage?

____ be ____ between ____ reduced fuel economy and ____ clogged ____ filters.

I ____ filters can lower ____ mileage.

____ clogged ____ could ____ blame for lowered fuel ____.

Does a ____ harm gas ____?

____ connection ____ a decreased fuel economy ____ a blocked air ____.

____ a dirty air ____ result in ____?

____ air filters a ____ gas ____?

____ be ____ between lowered ____ and a blocked air ____.

____ a relationship between decreased fuel ____ air filter.

____ reduced fuel ____ by ____ clogged ____ filter?

____ a possibility that ____ is a ____ between a ____ and ____ economy.

Is ____ true that ____ means ____?

____ is a possibility that ____ decreased fuel economy ____ air ____.

Do ____ air filters ____ gas ____?

____ filters ____ fuel efficiency.

____ a ____ air ____ reduction in gas mileage?

____ a ____ between a ____ air filters ____ a ____ fuel economy.

There ____ a ____ a blocked air ____ lower ____ economy.

____ usage ____ be ____ air clogging.

Does a ____ air filter ____?

____ a blocked ____ the cause of ____ fuel ____?

____ air ____ make the car less ____?

____ a bad air filter ____ for fuel ____?

____ you know ____ a ____ filter will ____ economy?

Alogged ____ the efficiency.

There ____ the decreased fuel economy and a clogged ____.

I wondered if ____ dirty ____ my ____ use.

____ is ____ possibility ____ the decreased ____ is ____ to a ____ air ____.

Is ____ filter bad ____ efficient?

____ filter block ____ mileage?

_____ airFILTER _____ gas mileage?
_____ the reduced miles per _____ due to clogged _____?
_____ wondered if a dirty air filter _____.
Is _____ blocked _____ affecting _____?
Is a _____ filter _____ to _____ my _____ consumption?
_____ fuel _____ worse if _____ obstruction _____ the air filter?
The _____ air _____ can _____ the _____.
_____ air Filters hurt _____?
Can _____ bad _____ filter make _____ in fuel _____?
_____ air filter a cause _____ decreased fuel _____?
Will fuel efficiency _____ by a _____ filter?
Is blocked air _____ gas _____?
Would _____ filter _____ mileage?
_____ be made _____ blocked air filters _____ a lowered _____ economy.
Is _____ possible _____ decreased miles _____ gallon is _____ blocked _____?
Is _____ bad airfilter can make _____ less efficient?
_____ filters could _____ mileage.
Does _____ dirty _____ fuel _____?
_____ is _____ that _____ fuel economy is _____ the air filter.
The _____ be _____ fuel efficient if _____ is _____.
_____ filter _____ impact fuel efficiency?
_____ air filters _____ fuel _____?
_____ impact does blocked _____ filters _____ MPG?
_____ efficiency _____ gas _____ result of air clog?
_____ an air filter obstruction _____ worsened _____ economy?
_____ blocked _____ lower fuel efficiency?
Fuel _____ blocked filt'r?
_____ economy _____ be caused by _____ clogged _____ filter.
Is _____ that _____ air _____ reduces mileage?
Does a _____ air filter _____ less _____ efficient _____?
_____ a clogged _____ bad _____ the _____ efficiency?
Is _____ filter _____ news for _____ consumption?
_____ air filter make a _____ in fuel _____.
_____ a _____ filter have _____ effect on _____?
_____ a _____ air filter _____ to go down?
Is there a _____ with _____ filters that _____ cause _____?
_____ it _____ filters _____ to _____ miles per gallon?
_____ usage _____ because of _____ intakes?
_____ a blocked air _____ lead _____ lower _____ efficiency?
Does a dirty _____ to _____ gas _____?
_____ a _____ air filter _____ a car less _____.
_____ filters hurt _____ mileage?
Is the _____ bad _____ MPG?
Is an _____ of _____ bad _____ fuel _____?
_____ a dirty air filter cause _____ gas _____?
_____ air filter going to _____ less _____ use?
_____ air _____ affecting _____ use?
Fuel _____ affected _____ blocked _____.
_____ filters reduces fuel _____?
Is it _____ that _____ can decrease gas _____?

____ you ____ a dirty ____ filter will ____ mileage?
 Does ____ air ____ fuel ____?
 ____ could ____ a connection ____ clogged air ____ and ____ decreased _____.
 ____ clogged air filter bad ____ economy?
 A ____ filter might ____ fuel ____.
 Does a ____ filter ____ efficiency?
 Can you ____ us ____ filter will affect ____ economy?
 There may be ____ connection ____ fuel economy ____ a blocked _____.
 Can ____ air ____ affect ____?
 Does ____ air ____ block reduce ____?
 Does a dirty ____ shorten ____?
 ____ use ____ less efficient ____ air clog?
 Can ____ me if a lycture ____ filter ____ result ____ decrease in ____?
 ____ dirty ____ filter affect ____?
 ____ fuel ____ by ____ filt'r?
 ____ be a connection ____ the ____ economy and the _____.
 ____ fuel economy may ____ blocked air filters.
 ____ efficiency could ____ affected by _____.
 There could ____ a connection ____ air ____ fuel economy.
 Clogged ____ efficiency
 Does ____ filter ____ your ____ efficiency.
 Is ____ obstruction ____ a air ____ fuel economy?
 Is dirt in ____ filter ____?
 Does ____ air Filters ____ to ____ efficiency
 A ____ make the ____ fuel efficient.
 ____ make a car ____ efficient.
 ____ a bad ____ make ____ car less ____ efficient?
 ____ a ____ filter ruin gas ____?
 dirty ____ hurt gas ____?
 ____ dirty ____ lead ____ reduced gas mileage.
 Is ____ that dirty ____ might hurt gas ____?
 A ____ between ____ and ____ decreased fuel economy ____ possible.
 ____ a bad ____ the car less ____ efficient?
 ____ me if ____ air filter ____ decrease the ____ economy?
 ____ there reduced ____ usage ____ to ____?
 Alogged ____ filter ____ affect _____.
 A ____ filter can affect ____ vehicle's _____.
 I ____ if ____ bad air ____ is ____ mileage.
 ____ economy diminished by ____?
 ____ it possible that ____ affect the ____ gallon?
 Is it possible that a ____ air ____ can cause ____?
 ____ the fuel ____ impacted ____ obstructed ____ filter?
 There might ____ relationship between the reduced ____ and the _____.
 The ____ can ____ by an obstruction ____ air filter.
 Is a dirty ____ filter ____ to ____?
 ____ possibility of ____ between the fuel ____ and a ____ air ____.
 Can you ____ if a lycture ____ fuel ____?
 ____ an obstruction ____ an air ____ bad for ____?
 ____ could ____ reduced by the _____.
 Is a ____ bad ____ fuel ____?

Is air clog _____?

Will _____ blocked filters _____ efficiency?

_____ lowers the efficiency _____ fuel.

Can fuel _____ hurt _____ filter?

Can _____ filter _____ fuel economy?

_____ dirty _____ filters damage _____?

Will the _____ dirty A- _____?

Is _____ a _____ of _____ per gallon?

Is _____ fuel _____ worse if the _____ functioning?

_____ a _____ air _____ to _____ fuel efficiency?

_____ a _____ air filter affect _____ fuel economy?

_____ gallon a result of clogged _____?

_____ air filter _____ reduced gas mileage.

Is it possible that _____ filter _____?

Is _____ filter going _____ lead to _____ gas _____?

_____ it possible for _____ bad air FILTER _____ the vehicle _____?

_____ like to _____ a lycture air _____ will cause _____ in fuel _____.

Does a _____ fuel efficiency?

Does _____ gas mileage?

_____ dirty air filter cut _____?

_____ clogged air _____ may be to _____ for the _____.

_____ be cut by _____ clogged.

Fuel economy takes _____ filter?

Is fuel _____ reduced _____ intakes?

Fuel _____ damaged by blocked _____.

_____ possible _____ choked ilter can _____ mpg?

_____ the _____ economy worse _____ obstruction of _____ air filter?

Is _____ fuel economy caused _____ a _____?

Do clogged _____ affect _____?

Worse _____ a result _____ filter _____?

There _____ a _____ fuel economy and _____ bad air filters.

_____ wonder _____ alogged _____ lowers _____ efficiency.

Does _____ air filter _____ impact _____ fuel efficiency?

_____ a _____ filter lead _____ lower _____ efficiency?

_____ filters _____ fuel efficiency.

Worse gas mileage is _____ of _____?

The _____ filter _____ might _____ mileage.

Is the _____ by _____ obstructing _____ filter?

_____ you _____ me _____ lycture air filter _____ hurt _____ economy?

_____ efficiency _____ be _____ by a _____.

Fuel economy may _____ hurt _____.

_____ a blocked _____ bad _____ the _____?

Does a _____ have _____ negative impact _____ fuel _____?

_____ blocked _____ less fuel efficiency?

A(filter) _____ muck _____ econ.

Would _____ filter _____ fuels use?

_____ is _____ by _____ gunk?

Is _____ a _____ between _____ of the _____ filter _____ worsened _____ economy?

_____ air filter likely _____ fuel efficiency?

_____ filter _____ may _____ mileage.

There _____ of _____ between _____ fuel economy _____ the clogged air _____.

There could be a _____ between _____ clogged air filters.

_____ air _____ block can _____ the _____.

_____ is the _____ the _____ filter _____ on mileage?

Would _____ dirty _____ make the _____ economy _____?

_____ a _____ air _____ gas usage?

Can you _____ if _____ lycture air _____ fuel economy?

Will _____ air _____ make _____ gas?

_____ alogged _____ fuel efficiency?

The _____ hurt _____ the blocked filt'r.

_____ reduced _____ tied to plugged _____?

Worse _____ mileage _____ filter _____?

_____ the _____ go _____ of _____ A-Filt?

Is _____ possible _____ filter blocking _____ worse _____?

Will _____ air filter _____ the _____?

Does _____ filter result _____ diminished _____ efficiency?

_____ air filter _____ my _____ consumption?

Is _____ a connection _____ an _____ filter and worsened _____ economy?

_____ blocked air filters _____?

_____ possible _____ air islogged _____ mpg worse?

_____ a _____ air filter _____ to cause _____ fuel _____?

_____ filter hurt gas mileage?

Is _____ air filter bad for _____ economy?

Does _____ filters make a difference _____?

The clogged air filters _____ to _____ for _____ fuel _____.

_____ clogged air _____ can _____ fuel _____.

Is the _____ miles per _____ a _____ of _____?

Fuel _____ lowered by _____ filters.

_____ is _____ chance that the decreased _____ related to a _____.

_____ you _____ how a _____ air _____ fuel economy?

_____ gas _____ caused by _____ filter build _____?

Can _____ tell _____ if a lycture _____ affect _____ economy?

_____ bad air _____ result _____ less efficient car?

_____ a bad _____ the vehicle _____?

The _____ fuel _____ related _____ a clogged _____ filter.

_____ dirty _____ to mileage?

_____ a _____ to _____ gas mileage?

Will a _____ air _____ fuel _____?

_____ it _____ that a clogged _____ filter reduces _____?

_____ is a _____ a _____ is linked _____ blocked air filters.

Fuel _____ hurt by _____?

_____ air filters _____ fuel _____

_____ air filter _____ overall fuel consumption?

There is _____ connection _____ blocked _____ filters _____ a _____ fuel _____.

There _____ be _____ correlation _____ fuel economy _____ blocked _____ filters.

_____ a _____ affect fuel efficiency?

Fuel _____ may _____ by blocked _____.

Can a _____ cause _____ in _____ economy?

A _____ be _____ between a clogged _____ lowered _____ economy.

Is it _____ of _____ Clogged _____ the _____ is _____?

Is there ____ bad air ____ fuel ____?

____ air filter may ____ the decreased ____ economy.

Is dirty ____ filter ____ fuel ____?

Can a ____ with ____ air filter ____ a ____ economy?

____ a ____ between ____ filters and the lowered fuel economy.

____ efficiency could be ____ clog?

Does a ____ filter ____ an ____ gas mileage?

____ air ____ for fuel efficiency.

____ a blocking ____ affect fuel ____?

____ filter ____ for economy?

Does ____ filters ____ a reduced mileage?

____ filters possible to ____ gas ____?

Does ____ air ____ negative effect ____ gas mileage?

Does a blocked ____ filter ____ fuel efficiency?

Does ____ filters ____ gas ____?

Is ____ use of ____ to ____ intakes?

There ____ be ____ between the decreased ____ economy and ____ filters.

Is my ____ impacted ____ dirtied ____ filter?

Will ____ filter cause fuel ____ go down?

____ dirty air ____ might ____ gas ____.

____ dirty air filter ____ fuel ____?

Is the fuel ____ affected by ____?

Is a bad ____ filter a ____ lower ____?

____ a ____ air filter ____ reduction in ____ efficiency?

Fuel ____ be ____ by ____ filt'R.

Would ____ air filter ____ my ____?

Does ____ air filter result ____ mileage?

Does a dirty ____ filter ____?

____ bad air filter can ____ less fuel ____.

Worse gas mileage ____ result ____ up?

Does a ____ air ____ lead to ____?

Did the air ____?

Is it ____ a ____ makes the vehicle ____ fuel ____?

Is ____ that reduced miles per ____ is due ____?

____ possible ____ a blocked ____ filter to decrease ____?

Can ____ air filter cause ____ fuel economy?

Air Filter ____?

____ decreased ____ to the clogged filters?

____ of ____ filter ____ a fuel economy problem?

____ dirty air filter have ____ effect ____ efficiency?

Fuel ____ can ____ by ____ filt'r.

____ the ____ filter block have ____ on ____?

____ mileage will ____ hurt ____ air filter ____ dirty.

____ it possible ____ the fuel ____ be worsened ____ obstruction ____ air filter?

____ economy affected ____ filt'r?

Will ____ dirty ____ gas mileage?

Fuel ____ is ____ by blocked ____?

Is it possible ____ a bad ____ the ____ less ____?

There is ____ chance ____ connection between a blocked ____ fuel ____.

____ means ____ because of the filter ____ up?

Is it _____ the _____ the mpg?
_____ a blocked filter have an _____ my _____?
_____ it possible that blocking _____ MPG?
Fuel _____ by blocked _____?
_____ possible that a _____ airfilter could _____ less _____ efficient?
_____ dirty air _____ decrease gas _____?
_____ dirty air _____ the reason _____ decreased _____ consumption?
Does a _____ air _____ fuel _____?
Fuel efficiency _____ be cut _____.
Does a _____ filter affect _____?
A _____ affect gas mileage.
Is the _____ lowers _____ fuel _____?
Does a _____ cause _____ decrease _____ efficiency?
_____ filters can lower gas _____?
Worse _____ is possible due _____ up.
Is _____ affected _____ an obstruction of _____ Filter?
_____ the _____ filters _____ the _____ economy?
_____ efficiency _____ be cut by _____.
_____ hurt by _____?
I wonder _____ air filter will _____ less gas _____.
Is _____ filter going to _____ fuel use?
_____ air _____ affect your _____ mileage?
There _____ be _____ between a _____ air filters and _____ economy.
Will _____ efficiency _____ a _____ air filter?
_____ filter going to decrease fuel _____?
There _____ connection _____ a blocked air _____ and _____ fuel _____.
The fuel _____ be _____ blocked _____.
_____ economy _____ hurt by _____ filt'r?
_____ a _____ air _____ affect _____ mileage?
There _____ be _____ relationship _____ fuel economy _____ air filter.
Is _____ amount _____ miles _____ gallon decreased _____ filters?
Does _____ lower _____ mileage?
_____ filters _____ the mpg?
_____ be a connection between _____ decreased _____ and _____ air _____.
Will the _____ air _____ hurt _____?
gas mileage will _____ air _____
_____ a _____ lead _____ reduced fuel _____
_____ bad airFILTER _____ to _____ vehicle _____ fuel efficient?
Fuel _____ may _____ by filter _____.
_____ dirty _____ filter _____ to _____ my fuel use?
_____ wonder if _____ air _____ would _____ my fuel _____.
_____ air _____ can result in _____.
_____ a _____ air _____ lead _____ less fuel _____.
Can blocked _____ filters _____ reduction _____?
The _____ filter may be _____.
_____ economy worsened by an obstructed _____?
A _____ can make _____ vehicle less _____.
Gas _____ could be _____ by _____ filter.
A _____ may hurt _____ gas _____.
_____ can _____ affected by _____ clogged.

_____ there _____ problem with the air _____ cause decreased _____ ?

_____ link _____ clogged air filters and lowered _____ economy.

_____ air _____ for fuel economy?

filthy _____ may _____ poorer _____

Do air _____ usage?

Can _____ if _____ lycture _____ filter _____ lead to a _____ economy?

_____ a _____ harmful to fuel _____ ?

_____ is _____ there is a _____ blocked air _____ and the decreased _____ economy.

Can _____ fuel economy _____ an _____ in the air _____ ?

A blocked _____ may _____ associated _____ a decreased _____ .

Impact on MPG _____ ?

_____ decreased _____ can be _____ blocked air filters.

_____ blocked air filter could _____ .

The fuel _____ is lowered _____ .

Does a _____ affect _____ fuel _____ ?

The air filter _____ cause of _____ fuel _____ .

_____ be affected by _____ filt'r.

A dirty _____ could _____ consumption _____ go down.

Did air _____ MPG?

_____ a _____ air _____ my overall _____ use?

Can _____ if _____ lycture _____ cause a decrease in _____ economy?

_____ may be _____ connection between _____ decreased fuel _____ a _____ air _____ .
