

[Demo] NLP Dataset for Customer Service Automation

Company Type	Home Repair and Maintenance Companies
Inquiry Category	CCTV camera installation
Inquiry Sub-Category	CCTV camera pricing and packages
Description	Customers inquire about the cost of CCTV camera installation, including the packages available, to ensure they choose the right solution within their budget.
Data Size	5,069 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Home Repair and Maintenance Company" customer inquiry. (Purchased data will not be masked.)

Will upgrading from standard _____ cctvs require _____ compared _____ ?
 _____ upgrade of _____ definition _____ need more _____ HD cameras?
 _____ cost more _____ upgrade from standard cams _____ ?
 _____ there any _____ forUpgrading from analogue _____ high-definition _____ protocol _____ ?
 Will _____ be _____ to upgrade _____ standard cam _____ a HD or _____ ?
 _____ extra _____ be _____ a _____ HD/IP cameras when _____ from a _____ cctv?
 _____ you _____ me if it _____ more _____ from _____ analog _____ to _____ ?
 Are there _____ additional costs _____ replacing _____ with HD/IP _____ ?
 Does _____ upgrade _____ cctvs need _____ take more investment _____ HD/p _____ ?
 _____ money in HD/ip cameras when _____ to standard definition _____ cameras?
 Does _____ to _____ to _____ cameras than _____ upgrade _____ analog?
 Will extra money _____ better _____ cameras _____ upgrading from _____ standard _____ analog cctv to a _____ .
 _____ the upgrade from standard definition analog _____ HD/ip _____ ?
 _____ be invested for _____ better HD/ip _____ if _____ upgrade _____ definition cctv?
 Is _____ upgrade _____ cameras _____ expensive _____ the _____ a _____ definition analog system?
 _____ it _____ more _____ upgrade to high-definition _____ to _____ definition cameras?
 Is it _____ me _____ spend more _____ my old _____ CCTVs _____ HD/IP _____ ?
 _____ from standard definition _____ need more _____ than HD/p _____ ?
 Is _____ for shifting old analog cctvs _____ HD/ip _____ ?
 _____ from old _____ cameras to HD/IP cameras _____ extra expenses?
 _____ upgrade from standard _____ to HD/ip cameras _____ investment?
 _____ higher _____ in _____ to HD/ip cameras?
 _____ amount of money to _____ spent _____ from regular analog to HD _____ IP?
 Will there be _____ compared _____ the HD/ip _____ ?
 Will _____ money _____ invested _____ HD/IP _____ when _____ from a _____ definition _____ cctv?
 Do I _____ to spend _____ money _____ from regular analog _____ cameras?
 _____ money _____ for a _____ cameras _____ than _____ standard definition cctv?
 _____ any _____ costs _____ replace _____ analog systems with HD/IPS _____ ?

_____ there a higher initial _____ to HD _____ devices?
 Is _____ for a _____ of money to _____ spent _____ HD _____ when transitioning _____ to HD cameras?
 Will _____ need to spend more money _____ old CCTVs _____?
 _____ the _____ analog cctvs have to _____ more than _____ cameras?
 _____ money _____ spent on _____ Cameras upgrade compared _____ standard definition _____?
 Is the upgrade _____ analog cctvs worth _____ investment _____ HD/p _____?
 _____ it _____ allocate _____ resources for _____ camera networks instead of Upgrading _____ CCDTV _____?
 Can you _____ me if _____ takes more _____ move _____ analog _____ HD/ipTV?
 _____ it _____ for _____ investment to switch _____ cameras?
 _____ from standard _____ cctvs to HD/ip cameras _____ than _____ cameras.
 _____ it necessary to _____ the _____ in _____ to HD/ip _____?
 Does _____ cameras cost more _____ to analog?
 _____ cost _____ to move _____ cameras than it _____ upgrade?
 Will it cost me _____ a _____ analog _____?
 _____ extra money _____ spent for a _____ cameras _____ standard _____ cctvs?
 _____ cost _____ to _____ from non-HD cams?
 _____ old analog _____ may _____ more _____ changing _____ HD/ip _____.
 Will extra _____ be invested for a HD/SIP _____ compared _____?
 _____ it _____ money _____ spent _____ HD or IP alternatives when transitioning from _____ to HD?
 Does _____ upgrade from _____ to take more _____ than _____ cameras?
 Is it _____ have _____ larger _____ of money in _____ switch from _____ analog _____ IP?
 Is it _____ invest more in _____ from _____ cameras _____ HD/IPTV?
 Does the upgrade _____ analog _____ more than the _____ HD/ip _____?
 Does it _____ to upgrade old _____ to _____?
 Is there a _____ investment needed _____ order _____ HD/ip _____?
 _____ it necessary to _____ more money to upgrade _____?
 _____ upgrading old analog _____ more expensive than _____?
 Does _____ cost _____ to upgrade from _____ HD/IPS _____?
 _____ it _____ more to upgrade _____ cctvs to _____?
 When upgrading from _____ definition analog _____ there be _____ money _____ HD/IP cameras?
 _____ there _____ extra _____ associated _____ changing _____ a regular analog system _____ a _____ or _____?
 Is it more _____ to _____ HD/IP _____ than _____ upgrade _____ analog _____?
 _____ there any extra _____ associated _____ changing _____ to _____ tech cameras?
 _____ more to _____ cameras than _____ does _____ upgrade from analogue?
 _____ it _____ me _____ if I _____ to upgrade _____ cams?
 Will _____ be invested _____ a _____ when Upgrading from _____ definition analog cctv to _____.
 _____ it cost _____ more _____ non-HD analogue cameras?
 _____ it necessary to allocate _____ resources to install _____ camera _____ as opposed to _____?
 _____ a _____ financial commitment necessary in _____ to _____ over _____ advanced _____ other _____?
 Should _____ expect to _____ if I _____ conventional equipment to newer, _____ HD/IP _____?
 There _____ a question _____ going from _____ or IP cameras _____ cost _____.
 Is it _____ invest extra _____ to _____ standard definition cameras _____?
 Is _____ added _____ with _____ old _____ HD/ip cams?
 _____ it _____ the _____ to upgrade _____ standard _____ cctvs to _____ Cameras?
 Are there any _____ costs _____ with changing _____ cctvs _____?
 Is it necessary for _____ money _____ I switch _____ HD/IP cameras?
 _____ it _____ for a _____ of money _____ be _____ other _____ when transitioning _____ analog to digital?
 I wonder if I _____ to _____ my crummy analog _____ HD/IP _____.
 Will _____ HD _____ require more money _____ traditional analog cameras?

Is _____ necessary _____ me _____ invest more _____ when _____ switch _____ systems to HD/IP _____?

Will _____ have to pay more _____ I _____ analog _____?

_____ spend _____ on HD/IP cameras _____ compared _____ standard definition cameras?

Do _____ more money to get _____ protocol cameras?

Can _____ if _____ move from _____ definition cameras _____ more investment?

_____ cost _____ to upgrade old _____ to HD/ip _____?

Is it _____ a higher _____ to _____ cameras instead _____ standard definition _____?

_____ it _____ for me to _____ money _____ I switch _____ analog _____ HD/IP _____?

_____ there an extra _____ to _____ cameras?

Upgrading old _____ will cost more _____ the _____ cams.

_____ standard definition analog _____ a _____ cameras will cost _____ money.

Will it _____ more _____ upgrade _____ non-HD _____ cams?

Is _____ necessary for a higher _____ switch over _____ an _____?

Does _____ standard definition analog _____ take more _____ HD/p _____?

Does _____ cost _____ to _____ HD/ip _____ does _____ upgrade to analog?

_____ necessary to invest _____ from _____ def _____ to HD/IPS cameras?

Does the Upgrading _____ definition analog cctvs _____ to take _____ money _____ the _____?

_____ the _____ analog to HD/ip cameras demand _____?

_____ for me _____ extra money for _____ upgrade _____ HD/IP cameras?

When _____ definition _____ cctv _____ an _____ camera, there will be _____ money _____.

Is there added expenses _____ from _____ high-definition _____ protocol _____?

Is _____ costly to upgrade old _____ HD/ip _____?

_____ be _____ if you _____ from standard _____ to _____ cameras.

_____ to _____ cams than to upgrade old cctvs?

Is it necessary _____ invest more _____ I _____ analog to _____ cameras?

_____ it necessary for a _____ financial commitment _____ over from _____ setup _____ advanced _____ or _____?

Is _____ changing _____ HD/IP cams?

_____ there _____ invested for _____ better HD/IP _____ upgrading _____ standard definition cctv?

Is _____ costing _____ upgrade from _____ internet protocol cameras?

When you upgrade from a _____ will _____ expensive with _____ options?

_____ the _____ from _____ definition analog _____ need _____ than _____ Cameras?

Will it take more _____ standard _____ cctvs _____ HD/ip cameras?

_____ from standard _____ analog cctvs need _____ than _____

_____ I have to _____ more for _____ from _____?

Do _____ spend more _____ to upgrade my _____ analog cams _____?

_____ I _____ to _____ money _____ from _____ old analog cams to _____ HD/IP _____?

Is _____ necessary for _____ financial commitment to _____ traditional _____ setup _____ HD or _____?

_____ there a _____ associated with _____ to HD/IP _____?

Will extra _____ invested for _____ cameras _____ from a _____ definition analog _____ higher definition.

_____ it be more _____ to _____ to HD _____ SIP?

Is there a need _____ extra _____ to HD _____ for upgrade _____?

_____ old analog cctvs can _____ HD/IP cams.

_____ there added _____ upgrade _____ an _____ a _____ or internet protocol _____ system?

_____ it _____ more money _____ traditional analog to _____ or _____ cameras?

Is _____ that upgrading to high-definition _____ than _____ definition ones?

Is higher costs involved _____ cams?

_____ the cost _____ from non-HD analog cams?

Will _____ money _____ invested _____ HD/SIP cameras _____ compared to _____ definition _____.

Is _____ upgrade _____ non-HD cams?

_____ money be spent _____ upgrade _____ a _____ definition _____ to _____ better HD/IP _____?

Is Upgrading _____ definition _____ cctvs to _____ worth _____ money?
 _____ money can be _____ a _____ cameras upgrade compared to _____ .
 _____ I upgrade _____ will it _____ me more?
 Do _____ need _____ the upgrade of _____ security cameras to _____ ?
 Does upgrading _____ to _____ additional financial investment?
 Will _____ have _____ extra _____ upgrade from non-HD _____ ?
 _____ from _____ definition _____ cctvs need _____ investment _____ HD/p cameras.
 _____ it necessary _____ investment to switch _____ HD/IPS cameras?
 Does the _____ standard _____ analog _____ cameras _____ more investment?
 Will it _____ when _____ upgrade from a _____ cam to _____ ?
 _____ it more expensive _____ HD/IP _____ to upgrade _____ analog?
 _____ I need _____ to _____ traditional security _____ to _____ models?
 Is _____ invest more _____ order to _____ to HD/ip _____ ?
 Is it possible _____ are involved in _____ to _____ ?
 _____ an added cost for shifting _____ to _____ ?
 Is it necessary to _____ more money _____ switch _____ HD/IP _____ definition _____ ?
 _____ you tell _____ if _____ costs more _____ go from _____ HD/ipTV?
 Upgrading from a _____ analog _____ to _____ HD/IP _____ will _____ more _____ .
 _____ it _____ more _____ from standard-def to HD/IP cameras?
 Does _____ upgrade from standard definition cctvs _____ more _____ ?
 _____ the upgrade _____ analog _____ need to _____ more than HD _____ ?
 Is _____ necessary _____ on HD or IP cameras than _____ ?
 Does the Upgrading _____ definition _____ require more _____ than _____ cameras?
 _____ it _____ spend _____ switch _____ HD or IP _____ compared _____ analog cameras?
 Will there _____ need for extra _____ to the _____ ?
 _____ there _____ added cost with _____ to _____ cameras?
 Do you think _____ will cost _____ to _____ from _____ to _____ HD _____ ?
 Is _____ more expensive to upgrade my _____ HD/IP _____ ?

_____ necessary for _____ money to _____ spent when transitioning _____ to HD or _____?

_____ wondering if moving _____ standard _____ cameras _____ requires _____ investment.

How _____ cost to switch _____ HD _____ IP cameras compared _____ traditional _____?

_____ I upgrade _____ non- _____ will it cost me _____?

Will there be a need _____ investment _____ to _____?

Does _____ cost more _____ switch _____ cctvs _____ HD/IP _____?

_____ it _____ the _____ rise when _____ switch to HD/ip _____?

Is _____ more _____ to _____ old _____ to HD/ip _____?

_____ be a need for _____ HD cameras?

_____ have to _____ money _____ old analog cams to HD/IP?

Does _____ to _____ old _____ cctvs to HD/IP _____?

_____ have to _____ more money to _____ from _____ analog _____ cameras?

_____ any _____ expenses involved in _____ systems _____ HD/IP cameras?

Should _____ expect to _____ more _____ from conventional equipment _____ HD/IP?

Upgrading from a _____ definition _____ to a _____ HD/IP _____ require _____.

_____ from a _____ analog cctv _____ an _____ camera will require _____.

_____ it necessary for _____ to switch from analog to _____?

_____ upgrade _____ HD/ip _____ more expensive than the _____ analog?

Does the costs go up _____ you _____ HD/IP _____?

Is _____ for a larger amount of _____ to _____ or _____ alternatives?

_____ the _____ from standard _____ cctvs _____ take _____ than HD/ip cameras?

Will _____ upgrade _____ definition _____ cctvs _____ investment than _____ cameras?

TheUpgrading from _____ cctvs need _____ more money _____ cameras.

_____ it necessary to _____ from standard definition _____ cctvs _____?

Will extra _____ invested for _____ HD/ip cameras _____ from a _____ analogue _____?

_____ it _____ to replace _____ cctvs with _____ cams?

_____ cost _____ to upgrade from _____ to HD/IP _____?

_____ upgrade to standard definition analog cctvs need _____ take more _____?

Does the _____ from _____ definition _____ more money than _____ cameras?

_____ it _____ to spend _____ to go from _____ old analog _____ to _____?

_____ from standard _____ extra investment compared _____ HD/IP Cameras.

How much _____ switch from _____ or IP cameras?

_____ do _____ think _____ would cost _____ to HD/IP cameras?

Will ____ money ____ invested ____ a HD/SIP Cameras upgrade ____ cctvs?

Can ____ tell ____ it ____ more ____ to ____ standard analog ____ HD/IPTV?

Can you ____ me ____ it ____ more ____ to ____ standard ____ cameras to ____?

Is it ____ make ____ when you switch ____ HD/ip ____?

____ upgrade to a non-HD ____ me more?

Does the ____ from standard definition ____ HD/ip cameras?

____ take ____ investment ____ from ____ definition analog cctvs to HD/IP ____?

____ you think ____ HD ____ other ____ will cost more?

____ a ____ cost ____ HD or IP cameras?

____ there ____ extra costs ____ replace traditional ____ systems with ____?

____ there any ____ costs ____ changing ____ definition ____ HD/IPS cameras?

Will ____ transition to HD or ____ cameras ____ to ____ analogue ____?

____ a greater amount of money ____ be spent ____ or IP ____?

Is there ____ higher ____ associated with ____ or IP ____?

Is there more money ____ from my ____ in ____ event ____ cams for HD/ip ____?

____ any need for ____ expenses ____ upgrading ____ cameras?

____ move ____ HD/ip cameras cost ____ than an upgrade ____?

____ any ____ costs involved ____ standard definition ____ HD/IP cameras?

____ the transition to HD ____ cameras ____ to ____ more ____?

Do theUpgrading ____ standard ____ cctvs need to ____ money than ____?

Is it necessary to invest a larger ____ of ____ cameras?

Does ____ from ____ cctvs ____ than the upgrade to HD/ip cameras?

____ to ____ to HD ____ IP cameras compared to ____ analog?

Upgrading ____ definition analog cctvs ____ money ____ HD/ip cameras.

Will I ____ to pay more if ____ analogue ____?

Does ____ know ____ more it would ____ to ____ to ____?

Does the ____ take more money than ____ cameras?

____ it ____ necessary ____ spend more ____ or IP ____ to analog?

____ it ____ a larger amount ____ money ____ spent on ____ when transitioning from analog to HD ____?

____ outlay involved with ____ to HD ____ IP ____?

____ a need ____ a ____ investment compared to ____ HD ____?

Upgrading ____ standard ____ analog ____ will ____ compared to ____ cameras.

Does ____ upgrade from ____ cctvs ____ to ____ investment than the ____ cameras?

Going from ____ to HD ____ IP cameras will ____?

____ it ____ money to switch to ____ cameras ____ standard definition analog ____?

____ upgrade ____ definition ____ take more ____ than HD/ip cameras?

Does ____ upgrade of standard ____ cctvs ____ take ____ than HD/ip ____?

____ I ____ spend more ____ upgrade my old ____ to ____ ones?

Is ____ possible ____ higher costs are ____ to HD ____?

____ there any additional ____ switch to ____?

Is ____ any extra investment that ____ be made ____ cameras?

____ money ____ be invested ____ a better ____ when upgrading from ____ definition ____.

Does ____ standard ____ cctvs ____ to ____ more costly ____ HD cameras?

____ the ____ from standard ____ need more ____ than HD/ip ____?

____ the upgrade ____ standard-def analog to ____ cameras ____?

Upgrading from ____ analog ____ cameras takes more ____.

Is it necessary ____ more resources ____ installing HD/IP ____ as ____ old-fashioned ____ equipment?

Upgrading from ____ analog cctvs to ____ would ____ more ____?

____ money ____ invested ____ a HD/SIP Cameras ____ compared ____ a standard definition ____?

Will extra money ____ spent ____ HD/IP cameras when you ____ a ____?

Will _____ more to upgrade _____ non-HD _____?

Is _____ amount _____ money _____ spent on HD or _____ alternatives when _____ from regular _____ to HD?
_____ higher cost involved _____ changing _____ HD/IP cams?

_____ there _____ I _____ to _____ traditional security cameras _____ HD/IP models?

_____ need to spend _____ to swap my old _____ cameras for _____?

_____ extra money be invested for a better _____ from a standard _____ higher _____ one.

Is there a need _____ to _____ to _____ cameras?

_____ it necessary to allocate _____ camera _____ opposed to Upgrading old-fashioned CCDTV _____?

_____ additional _____ be invested for a _____ Cameras _____ compared _____ standard _____?

There are _____ costs involved _____ definition cctvs to _____.

_____ from standard definition cctvs need _____ more _____ to _____ cameras?

Is there _____ with Upgrading from analog to _____ internet _____ cameras?

Is there _____ additional _____ to _____ cameras?

_____ from standard definition analog _____ more money _____ Cameras.

_____ a higher financial commitment _____ switch _____ to _____ or IP from traditional _____?

Is it necessary for me to pay _____ my _____ with _____?

_____ from _____ definition _____ will require _____ investment than HD _____.

_____ think going _____ to _____ or IP cameras _____ require _____ expenditure?

Is _____ extra costs involved in _____ traditional _____ cameras?

Do the Upgrading from standard _____ need _____ investment _____ cameras?

Do _____ go up _____ from _____ to HD/IP cameras?

_____ will _____ necessary when _____ upgrade from standard analog _____ cameras.

Is _____ possible that there will _____ additional _____ our _____?

_____ put _____ more money if _____ choose high-definition or _____ protocol _____?

_____ more expensive _____ from _____ standard cam to a HD _____?

_____ an upgrade to high-definition _____ internet _____ more?

Will extra money _____ invested for a _____ compared _____ definition _____?

_____ standard definition analog cctv to _____ better HD/SIP _____ cost _____.

_____ it _____ to _____ old analog cctvs _____ HD/IP cams?

Extra _____ will _____ for a HD/SIP _____ over standard _____.

Will there be an _____ investment compared _____?

_____ old analog _____ more than switching _____ HD/IP _____.

Is Upgrading from standard definition _____ to _____ more _____?

_____ there _____ need _____ an additional _____ compared _____ cameras?

Is _____ high-definition cameras _____ cost more than _____ analog _____?

Is it necessary _____ a _____ financial commitment to switch _____ or _____ alternatives?

_____ money _____ needed to _____ a standard definition _____ cctv _____ a _____ camera.

Will it _____ expensive _____ from _____ HD or IP?

_____ it _____ more money to _____ from _____ analog _____ to _____ cameras?

_____ there additional _____ associated _____ upgrading _____ analog _____ high-definition _____ internet _____ camera _____?

_____ more expensive to upgrade _____ standard cams to a _____ option?

Will _____ extra money _____ cameras _____ to standard _____ cctvs?

_____ it cost _____ from _____ standard _____ HD or an IP _____?

_____ it _____ to _____ amount of _____ in order to _____ the switch from _____ to _____ or _____?

Will it _____ much more _____ upgrade _____ a _____ a HD _____?

_____ upgrade to _____ camera systems costing more?

Is _____ for _____ more money _____ upgrade _____ security cameras _____ HD/IP models?

_____ higher costs _____ changing to HD/IP cams?

_____ know _____ more _____ would cost _____ switch to _____ cameras?

_____ cost me more to _____ non-HD analog _____?

Will extra _____ HD/SIP _____ upgrade compared to a _____ definition _____?

_____ it cost _____ to upgrade _____ cams?

_____ there _____ need for _____ investment _____ to the _____?

_____ upgrade to high-definition _____ going _____ cost more _____ analog _____?

_____ to move _____ HD/IPS cameras than _____ upgrade _____ analog?

Is _____ costing _____ to _____ analog _____ high-definition or _____ protocol cameras?

Is it necessary to spend _____ money _____ go _____ crappy _____ to _____?

_____ invested for a better _____ cameras when _____ upgrade from _____ cctv?

Will extra money _____ for _____ HD/IPS cameras _____ you upgrade _____ cctv?

Are there any added _____ associated with the upgrade _____?

When _____ from a standard _____ cctv _____ better _____ camera will _____ money invested?

Is there any _____ cost to upgrade my _____?

_____ it cost _____ upgrade from _____ cams to _____ IP?

Is there _____ initial outlay involved _____ switch _____ or IP _____?

_____ additional costs involved _____ changing _____ definition cctvs to _____.

_____ cameras _____ expensive than _____ initial cost of _____ standard definition _____ system?

_____ upgrading _____ a standard _____ analog cctv to _____ better HD/ip _____ be _____ money _____.

_____ necessary _____ invest a _____ more in _____ compared to _____ definition _____ cameras?

Is it necessary for _____ commitment to switch over _____ traditional _____ cameras _____ HD _____?

Do _____ put in _____ to get high-definition or internet _____?

Does the upgrade _____ standard definition _____ investment than _____ HD/p _____?

Will I _____ to pay _____ from non-HD _____ cams?

Will _____ cost _____ if _____ upgrade from _____ analog _____?

_____ it _____ for me to spend _____ to upgrade my _____ to _____?

Does _____ to move _____ HD cameras than _____ from analog _____?

_____ additional costs associated _____ my current cctvs to _____?

Is _____ extra _____ changing standard definition _____ HD/ip cameras?

Will _____ take _____ money _____ upgrade to HD _____ IP cameras _____ analog _____?

_____ standard definition analog cctvs may _____ than _____ Cameras.

Do I _____ to spend _____ to _____ cameras?

_____ think _____ take a bigger _____ to switch _____ HD or IP _____?

Will _____ be a _____ investment _____ to _____ cameras _____ the _____ of cctvs?

_____ it _____ to _____ a _____ money when changing _____ HD/IP cameras?

The Upgrading _____ analog cctvs _____ HD/ip cameras _____ money.

_____ moving to _____ cameras cost _____ moving _____ analog?

_____ need for _____ investment _____ to the HD/IP cameras.

_____ cameras more expensive _____ of a standard definition CCTV system?

Is it _____ invest _____ in HD/ip _____ when compared to _____ analog _____?

_____ it cost me _____ to _____ non-HD _____?

Is _____ necessary _____ to upgrade from standard _____ HD/IP cameras?

Is it _____ to _____ on my old analog CCTVs _____ Cameras?

_____ need to _____ more money compared to _____ cameras?

If the _____ cameras are _____ they _____ funding?

Does the _____ of Upgrading from _____ to _____ go _____?

Will _____ money be _____ HD/SIP _____ upgrade compared _____ analog cctvs?

_____ I _____ spend more _____ crummy _____ CCTVs for better cameras?

_____ necessary to _____ to upgrade from standard _____ to HD _____?

_____ from standard definition _____ cctvs will _____ more investment _____?

_____ I _____ if I _____ from non-HD _____?

Will the _____ HD _____ IP _____ require more _____ than _____?

____ it ____ allocate more ____ for ____ networks instead of upgrading ____ old-fashioned CCDTV ____
 ____ I ____ to spend ____ to ____ from ____ analog cams ____ HD/ip ones?
 ____ from ____ definition analog ____ HD/p cameras takes ____ than ____ cameras.
 Will there be an upgrade of ____ cctvs ____ investment ____ to ____?
 If I upgrade from non-HD ____ me ____?
 ____ I need to spend ____ upgrade ____ old analog ____ to ____ HD/IP ____?
 ____ upgrade from standard ____ cctvs require ____ investment than ____ cameras?
 Is ____ necessary for ____ investment to upgrade from ____?
 Does the ____ to ____ definition ____ to take ____ than ____ cameras?
 Is ____ that higher ____ are involved ____ to ____ cams?
 ____ costs may ____ involved in ____ HD/ip ____.
 Will ____ be invested ____ better ____ when ____ a standard definition ____ cctv to ____ high ____ one?
 Does ____ more to ____ cameras than ____ upgrade ____ analog?
 ____ the cost ____ to HD ____ cameras higher?
 ____ there any additional ____ for ____ standard definition cctvs ____?
 ____ have ____ pay extra if ____ to a ____ cam?
 Are ____ costs ____ with upgrading from ____ or internet ____ cameras?
 ____ cost me ____ to ____ non-HD cam?
 Is ____ need ____ extra investment when ____ cameras?
 Would I need ____ more ____ to upgrade ____ standard def ____ cameras?
 ____ to ____ larger amount of money in order to transition ____ HD and/or ____?
 ____ there ____ extra cost ____ to ____ cameras?
 ____ it necessary for a higher financial ____ switch ____ traditional ____ setup to ____ HD ____ IP ____?
 Will ____ money to transition ____ or ____ cameras compared ____ traditional analog ____?
 ____ it ____ to ____ resources for installing HD/ip ____ networks ____ to upgrading current old-fashioned CCD ____?
 Is ____ upgrade to standard ____ more ____ than ____ cameras?
 ____ from ____ definition ____ cctvs need more ____ than ____.
 Will ____ me more ____ upgrade from ____ cams?
 ____ there any ____ associated with ____ to HD/IP cameras?
 ____ much it would cost ____ from standard analog cameras to ____?
 ____ from ____ definition ____ cctvs ____ HD/ip cameras ____ more money ____ HD/ip ____.
 Upgrading ____ standard definition analog ____ extra ____ compared ____ HD/IP ____.
 Upgrading ____ standard ____ cctvs will ____ compared to HD/IP ____.
 When upgrading ____ will it ____ expensive?
 ____ more ____ upgrade ____ standard ____ analog cctvs to HD ____?
 Is it ____ that there ____ additional costs ____ changing from ____?
 ____ I have to pay ____ I upgrade ____ analog ____?
 Is it necessary for ____ amount of money ____ on ____ alternatives ____ transitioning from analog ____?
 ____ to HD ____ devices could cost ____.
 Extra ____ be invested ____ HD/SIP ____ to standard definition cctvs?
 ____ it ____ to spend more money ____ upgrade ____ analog ____ to ____ cameras?
 Is it ____ higher ____ in transitioning ____ IP cameras?
 ____ from ____ definition ____ analog cctvs ____ than HD/p cameras?
 ____ from standard ____ cctvs need ____ more money ____ HD cameras?
 ____ there any ____ in replacing ____ systems ____ HD/IP cameras?
 Does moving ____ HD ____ more ____ upgrade to ____?
 Is ____ necessary ____ spend more ____ get from regular analog ____?
 ____ it cost me ____ upgrade to a ____?
 ____ it ____ to switch ____ cameras ____ standard analog ones?
 Does the upgrade of ____ analog ____ than the ____ cameras?

_____ an _____ cost to shift old _____ HD/IP _____?

Can _____ tell _____ how much it _____ cost _____ from analog _____ IP _____?

_____ the upgrade _____ analog cctvs need to take _____ than _____ HD _____?

_____ there be an _____ investment _____ to _____ HD _____?

Is it _____ to spend more _____ to switch _____ cameras _____ of _____?

_____ the _____ from standard definition _____ cctvs _____ to _____?

Is _____ an extra _____ to upgrade _____ HD/IP?

Is _____ possible that the cost _____ transitioning _____ higher?

Upgrading _____ standard _____ analog _____ more investment compared _____ cameras.

Does _____ from standard _____ analog _____ requires _____ than HD/ip _____?

_____ is a _____ compared to _____ cameras for upgrade of _____ definition _____

_____ to spend more on cameras if _____ transition _____ HD _____?

_____ I _____ to _____ money _____ from crummy old _____ cams _____ fancy _____ ones?

Is there _____ costs to _____ traditional _____ with _____ cameras?

_____ from _____ to HD/IP cameras would _____ more money.

Does _____ upgrade from standard-def _____ HD/IP _____ additional _____?

Is _____ a need _____ an _____ compared _____ the HD _____?

_____ transition _____ HD _____ will require more spending than _____ cameras.

_____ it _____ are higher costs involved in _____ HD _____?

Does the _____ from _____ cctvs _____ much investment as _____ cameras?

Is the _____ from _____ analog cctvs _____ expensive than _____?

_____ for me to _____ money to _____ to HD/IP _____?

Does _____ from standard definition _____ cctvs _____ take _____ investment _____ HD _____?

Does the _____ to _____ cameras need more investment?

Does _____ upgrade _____ cctvs _____ to _____ more _____ than HD _____?

_____ it necessary _____ a _____ money to _____ spent on _____ from regular analog to _____ or _____?

Does the _____ standard definition _____ more investment _____ HD _____?

Will extra _____ into a HD/SIP cameras _____ definition cctvs?

_____ it possible _____ the cost of transitioning _____ IP _____ higher?

Is _____ to _____ more _____ for installing HD/ip _____ networks _____ opposed _____ upgrade of _____ CCDTV _____?

Does Upgrading from _____ analog _____ cameras _____ additional _____ investment?

_____ expenses _____ an upgrade can _____ caused by _____ from _____ cameras.

Are there _____ costs _____ in changing _____ HD/IP _____?

Is it necessary _____ order to _____ to HD/IP _____?

Extra _____ will be _____ from _____ standard definition analog cctv _____ cameras.

_____ it necessary to _____ to install _____ camera _____ to upgrade _____ CCDTV equipment?

_____ might be a need _____ more _____ the _____ cameras.

Will there _____ a _____ for _____ investment compared _____ HD/IP _____?

Will _____ have to pay more _____ upgrade from _____?

_____ the upgrade _____ standard _____ analog _____ need to _____ investment as _____ cameras?

_____ it cost me more if _____ from _____?

_____ necessary to _____ HD or IP cameras _____ analog ones?

Is _____ to cost me more _____ from _____?

Will _____ money _____ a HD/SIP cameras upgrade _____ standard _____?

Is _____ more money taken _____ my _____ in _____ event _____ I ditch _____ ancient cams _____?

_____ it cost to upgrade traditional security _____ to _____?

Is _____ an _____ cost _____ changing _____ cctvs to _____?

Is _____ necessary _____ me _____ more money _____ I go for _____ protocol _____?

_____ non-HD analog cams _____ will cost me _____?

When you _____ from standard _____ it _____ expensive?

_____ there be an increased need _____ compared _____ the _____ ?
 Does _____ upgrade to _____ cctvs need to _____ money _____ the _____ cameras?
 _____ money _____ be put _____ a HD/SIP Cameras upgrade compared _____ .
 _____ needed for the switch _____ HD/ip cameras?
 _____ it cost more to _____ to HD/IP cameras than _____ ?
 How _____ it cost _____ convert _____ HD _____ compared to _____ analog cameras?
 Are _____ additional _____ withUpgrading _____ current analog cctvs _____ cameras?
 _____ upgrade from _____ definition _____ cctvs _____ expensive than HD/ip cameras?
 Does _____ standard definition _____ cctv's _____ take more _____ than HD/ip _____ ?
 Are there _____ with the upgrade from _____ high-definition _____ cameras?
 _____ there higher costs to _____ ?
 Is _____ upgrade outdated video _____ to HD/ip?
 _____ allocate more resources for installing HD/ip _____ networks than _____ to upgrade _____ equipment?
 Is _____ for _____ investment _____ to HD/IPS cameras?
 Are _____ extra _____ forUpgrading my analog _____ HD/IP _____ ?
 Does it _____ more to _____ to _____ cameras than _____ to _____ ?
 _____ expect to pay _____ if I transfer from _____ equipment to newer, _____ ?
 If _____ upgrade _____ non- _____ cams will _____ cost me _____ ?
 _____ associated with _____ analog to high-definition or _____ camera systems?
 Is it more _____ to upgrade _____ HD/ip _____ ?
 _____ cost me _____ upgrade from _____ HD cams?
 Will there _____ invested _____ a better _____ when you _____ from a standard definition _____ ?
 Is _____ for _____ traditional _____ surveillance systems with HD/IP _____ ?
 _____ the cost ofUpgrading from _____ increase?
 Is there _____ extra _____ shifting old _____ HD/IP cameras?
 Is it necessary to spend _____ cameras?
 _____ it necessary for _____ of money to be _____ when _____ from _____ HD _____ IP?
 _____ there any _____ replacing traditional analog systems _____ HD/IP _____ ?
 Higher _____ may be _____ to HD/IP cams.
 _____ I _____ to pay more _____ I _____ upgrade _____ non-HD _____ ?
 _____ upgrading _____ analog _____ HD/IP cameras _____ more than _____ HD?
 Is there _____ need for _____ compared to _____ .
 _____ it _____ for a _____ commitment to _____ from _____ HD or _____ ?
 _____ for a HD/SIP cameras upgrade _____ standard definition cctvs?
 _____ need _____ more to _____ my crummy analog CCTVs _____ better _____ ?
 Will it cost _____ to _____ a non-HD _____ ?
 _____ an _____ cost _____ shifting old analog cctvs _____ ?
 Does _____ need to _____ investment _____ to _____ HD _____ ?
 Will it _____ upgrade from _____ HD/IP cameras?
 _____ a greater amount _____ money to _____ spent _____ from analog to _____ or IP?
 Does _____ from _____ cctvs require _____ money than HD/ip _____ ?
 _____ need _____ invest _____ money if I decide _____ high-definition or _____ protocol _____ ?
 _____ there _____ a need _____ more investment compared _____ the _____ .
 _____ it _____ spend _____ switch _____ HD/ip cameras _____ standard definition analog?
 Will _____ be _____ if _____ upgrade from non-HD _____ ?
 Is _____ there _____ costs to switch to _____ or IP _____ ?
 _____ old analog _____ cost more to upgrade _____ ?
 _____ there _____ an _____ more _____ compared to the HD/IP _____ ?
 Is it _____ expensive to _____ cctvs _____ HD/IP _____ ?
 Is it _____ invest more _____ cameras when compared to _____ ?

Do the _____ go _____ when you _____ from _____ cameras?

_____ it more expensive to _____?

_____ possible that higher _____ involved _____ transitioning to HD/ip _____?

Is _____ necessary _____ make _____ bigger _____ upgrade _____ HD/ip cameras?

Is it necessary to _____ more _____ HD/IP camera networks than _____ old-fashioned CCDTV _____?

Is _____ cost to replace _____ analog systems with _____?

Is there a _____ transitioning _____ cams?

_____ cost more to transition to _____ cameras _____ to traditional _____?

_____ non-HD _____ going to cost me _____?

_____ to spend more _____ upgrade traditional _____ to high-quality images _____ higher _____ network-based cameras?

Can you _____ cost _____ standard definition cameras to HD/IPTV?

Is there _____ needed _____ order _____ switch to _____?

Will it _____ more _____ from standard _____ to _____ IP?

Does moving _____ HD/ip _____ cost _____ to analog?

Are there higher _____ outlays _____ to HD _____ IP _____?

How _____ do you think _____ cost to switch from _____ systems _____ IP _____?

_____ it cost _____ high _____ cameras than standard analog _____?

Extra expenses will need _____ incurred when upgrading _____ to _____.

Is there a _____ to _____ HD/IP cameras?

Does _____ cost more _____ cameras?

Is it _____ for _____ higher financial commitment to _____ surveillance _____ HD or IP?

Does _____ upgrade from standard definition _____ cctvs _____ to _____ HD _____?

Will _____ money _____ for _____ HD/SIP Cameras _____ to _____ definition analog _____?

Does moving _____ HD/IP _____ cost _____ changing to _____?

Is _____ investment _____ upgrade from standard definition analog _____ Cameras?

Are there any _____ from analog _____ or _____ camera systems?

Does _____ cameras _____ more than _____ upgrade to analog?

_____ any extra cost to _____ my _____ cctvs _____ cameras?

_____ it _____ added _____ to _____ old cctvs to _____?

Is _____ a need _____ investment compared _____ HD/IPS _____.

_____ the _____ from standard _____ analog _____ expensive than _____ cameras?

_____ it _____ to switch to HD/ip cameras?

Is _____ possible that there _____ higher _____ in transitioning _____?

Will _____ be invested for a _____ cameras _____ definition analog _____ a better HD/ip camera

Is _____ more money _____ from my wallet in _____ I _____ these crummy _____ for _____?

_____ I invest more money if I _____ rather _____ conventional ones?

Is _____ a _____ compared to _____ HD cameras?

_____ it will cost more _____ upgrade _____ standard cam to _____ one?

Is _____ a _____ for _____ investment compared _____ HD/ip _____?

_____ added _____ associated _____ the upgrade to _____ or _____ camera systems?

Is it necessary to _____ from standard _____ cctvs _____ cameras?

Is _____ larger investment _____ switch to HD/ip _____?

_____ cost _____ to upgrade _____ old cctvs?

Is _____ cost more to upgrade _____ analog _____?

_____ possible that _____ are _____ costs in _____ to _____ cameras?

Is _____ a _____ amount _____ to be spent _____ transitioning _____ to HD or other alternatives?

Will _____ take _____ to upgrade from standard definition _____?

_____ from _____ definition analog _____ need _____ money compared to HD _____

Is _____ extra _____ needed to switch to _____?

Does _____ standard _____ analog cctvs need to _____ more compared _____?

Do I _____ spend _____ out my _____ crappy _____ for fancy HD/IP _____?
 Does upgrading _____ switch to HD/IP cams?
 _____ more money in order _____ regular analog to HD/IP cameras?
 Does _____ from _____ analogue _____ require more _____ than _____ cameras?
 Is _____ involved _____ to _____ cameras?
 Is it _____ are _____ with transitioning to _____ cameras?
 Is it _____ more on HD _____ IP cameras _____ traditional _____ cameras?
 Does _____ more to move to _____ cameras _____ from _____?
 Do _____ have to _____ more money _____ HD/IP _____?
 _____ you think _____ will be more expensive _____ from _____ standard _____ HD _____?
 _____ the _____ of _____ definition _____ need more _____ than _____ cameras?
 Upgrading old _____ cctvs _____ be _____ expensive than _____ cams.
 Would _____ need _____ invest more _____ upgrade from _____ analog _____ cameras?
 _____ the upgrade to _____ cameras more expensive _____ costs of _____ systems?
 Is there _____ for _____ investment _____ to the _____?
 Is _____ necessary _____ to invest _____ to switch to _____?
 _____ upgrade _____ definition analog cctvs require _____ investment?
 I _____ to know _____ analog _____ to HD/IPTV _____ extra investment.
 _____ much _____ it _____ from analogue _____ HD or IP _____?
 _____ upgrade _____ standard _____ to analog cctvs _____ more _____ than HD/p _____?
 _____ to allocate more resources for installing _____ camera _____ is _____ upgrade old-fashioned _____ equipment?
 _____ need for extra investment in _____ to HD _____?
 Does the cost _____ to HD/IP _____?
 Is there an additional cost _____ with shifting _____?
 _____ it cost _____ to _____ to _____ cameras _____ to _____ to analog?
 Is there _____ costs associated with changing _____ regular _____ cameras _____ IP _____?

 Is _____ for _____ traditional analog systems with HD/IPS _____?
 Will I _____ to _____ to upgrade my _____ to _____ cameras?
 _____ standard definition analog _____ to _____ more money
 _____ upgrade from standard definition _____ cctvs _____ to _____ more _____ than _____?
 _____ it _____ upgrade _____ analog cctvs to HD/ip _____?
 Are _____ analog to high-definition or internet _____ camera _____?
 _____ may be _____ more _____ compared to _____ cameras.
 _____ cost me more if _____ from _____ cameras?
 Extra expenses _____ when upgrading from standard _____ HD/IP _____.
 We _____ know _____ to _____ or IP cameras will cost _____.
 Is it _____ to upgrade _____ to HD/ip _____?

Is it _____ spend more _____ to upgrade _____ to HD/IP _____?

Will _____ cost me more _____ upgrade from _____?

Does the _____ from standard-def _____ need _____ investment?

Does it cost _____ to _____ than it _____ to _____ from _____ cameras?

Does it take more investment _____ a standard _____ to _____ camera?

Will _____ me more to upgrade _____ a _____?

_____ there _____ costs associated with _____ definition cctvs _____ HD/IP _____?

Does _____ standard _____ analog cctvs need _____ more _____ other cameras?

_____ extra _____ invested for _____ camera _____ compared _____ standard definition cctv?

Is _____ an additional cost _____ cctvs _____ HD/IP cameras?

Will _____ switch _____ HD _____ cameras than it does _____ go _____ analogue?

_____ it _____ to high-definition cameras compared to _____ definition cameras?

_____ going from analog to _____ or IP _____ to _____ than _____ analog?

_____ need to _____ more money to _____ from _____ def analog cctvs _____?

If _____ are _____ do they need _____ money?

_____ extra cost to _____ traditional analog _____ with HD/ip _____?

_____ switch to HD _____ IP _____ than _____ from analogue to analog?

_____ have to _____ extra _____ upgrade from _____ cameras?

Is _____ necessary for a higher amount of _____ to _____ spent _____ HD or IP _____ definition?

_____ worth the _____ investment to _____ from standard definition _____ HD/IP _____?

Is _____ for _____ to _____ extra _____ move _____ standard definition cameras _____ HD/ipTV?

Is _____ necessary _____ me to _____ switch from _____ analog to _____ cameras?

_____ tell _____ how much it will cost _____ move _____ definition _____ to _____?

Is _____ necessary to _____ more money in _____ to transition from _____ HD _____?

Is it possible _____ moving _____ cameras _____ HD/ipTV _____ more _____?

_____ necessary for a larger _____ of _____ to _____ from _____ analog _____ HD _____ the other alternatives?

_____ me more _____ upgrade from non- _____ analog _____?

Does _____ from standard definition cctvs need _____ cost _____?

Does _____ upgrade from standard definition _____ than _____ Cameras?

_____ it _____ invest _____ additional equipment when _____ to _____ cameras?

_____ there higher _____ associated with _____ HD _____ IP devices?

_____ standard-def analog to _____ cameras _____ more money?

_____ tell _____ if _____ amount _____ is needed when transitioning _____ regular analog to _____ or _____?

_____ it _____ a larger amount _____ to be spent _____ or _____ alternatives _____ regular analog setup to _____?

Extra _____ will _____ invested for _____ better _____ cameras _____ from a standard _____ to a better _____

_____ necessary _____ invest more in HD/IPS _____ compared _____ definition analog _____?

Is _____ necessary _____ to swap my _____ CCTVs for fancy _____?

_____ a _____ cost involved _____ converting to _____ cams?

Does _____ to _____ from _____ analog _____ HD/ip cameras?

_____ the _____ standard definition analog _____ to take a _____ than _____ cameras?

_____ much _____ to _____ analog to high-definition or internet protocol cameras?

_____ you _____ me if it's _____ to _____ cameras to HD/ipTV?

_____ cost _____ to _____ from _____ standard cam to _____ IP one?

Is it _____ for a _____ of _____ be _____ on transitioning _____ to HD _____ IP?

Should _____ funds if I _____ protocol cameras _____ of conventional ones?

Is _____ for _____ financial commitment _____ switch over from _____ analog _____ HD _____?

_____ I _____ to _____ money to _____ crummy old _____ to _____ HD/IP ones?

_____ money _____ invested for a better HD/IP cameras when Upgrading _____ standard _____.

_____ from analogue _____ cost more _____ moving to _____ cameras?

Are _____ new expenses _____ with Upgrading _____ to _____ or _____ camera systems?

Is there _____ involved in replacing _____ analog _____ with _____?

_____ more to switch _____ analog _____ HD _____ IP cameras than _____ does to switch _____?

_____ it _____ to invest _____ money _____ from analog cctvs _____ cameras?

Is it necessary _____ spend more on _____ or IP _____?

Does the upgrade from _____ cameras demand _____ investment?

Will it _____ more expensive _____ you upgrade _____ standard _____ IP?

_____ to invest _____ money to upgrade _____ standard def _____ HD/ip _____?

Is it necessary _____ cash _____ crappy _____ cams to fancy HD/IP _____?

_____ any extra costs _____ replacing _____ cameras with HD/IP _____?

_____ a higher financial commitment necessary to switch _____ to _____?

_____ it necessary for _____ amount of _____ to be spent _____ analog to HD _____?

Does _____ more _____ from non- HD _____ cams?

_____ it _____ a higher _____ commitment to switch from _____ analog surveillance _____ HD _____?

_____ I need _____ spend more money to _____ def _____ to _____?

_____ necessary _____ a _____ financial commitment _____ over _____ traditional analog surveillance to advanced _____ like?

Will there be _____ to _____ IP _____?

Would I have to _____ to _____ standard _____ HD/ip cameras?

Is it _____ to invest _____ to _____ analog cctvs _____ HD/IP _____?

_____ there _____ added expense _____ moving _____ to HD/ip?

TheUpgrading from _____ analog _____ to _____ cameras _____ take _____ money.

_____ possible _____ costs _____ involved _____ switch to HD/IP cameras?

Is there _____ need _____ extra _____ HD/IPP cameras?
