|-----------------------------|---|
| Company Type | Telecommunications Equipment Manufacturers |
| Inquiry Category | Customization and product configuration requests |
| Inquiry Sub-Category | Configuration support |
| Description | Customers requiring assistance in configuring their telecommunications equipment for specific applications or network settings. |
| Data Size | 5,108 paraphrases |
| Want to buy data? | Please contact nlp-data@gross.me via your business email address. |

Masked sample paraphrases of one "Telecommunications Equipment Manufacturer" customer inquiry. (Purchased data will not be masked.)

_____ do _____ offer regarding fine-tuning audio quality parameters _____ reconfiguration _____?
 _____ help with _____ the audio just how _____ it, while setting _____?
 What supports _____ to setup and _____ for fine tuning _____?
 How _____ you _____ audio _____ during _____ or _____?
 _____ help _____ audio _____ settings when configuring gear?
 _____ setup or reconfiguration, _____ help _____ quality?
 _____ offer help _____ audio?
 _____ me get better audio quality _____ putting things _____ or _____?
 _____ you available _____ quality _____ setting up or _____ changes?
 Can _____ help with _____ during _____ setup process?
 Can _____ help _____ audio settings _____ process?
 What _____ are _____ the audio _____ in reconfiguration _____?
 _____ you help me set up _____ audio _____?
 _____ helpful in setting _____ making changes to _____?
 _____ you have _____ support _____ sound _____ while _____ doing this _____?
 Can you _____ about _____ the setup or reconfiguration?
 _____ during the setup?
 _____ help me with the _____ of audio quality parameters _____ reconfiguration _____?
 Will there _____ audio _____ and configuration changes?
 Am I _____ help with the adjustment _____ audio _____ parameters _____ reconfiguration _____?
 Can _____ audio _____ settings _____ setting up or _____?
 _____ setup and reconfiguration processes, _____ you _____ for audio _____?
 _____ help me set up or modify _____?
 When I am _____ this thing, _____ me with _____ the _____?
 Is _____ help _____ audio parameters _____ configuration?
 Will there be support for _____ parameters _____ device _____ change?
 _____ know how to adjust _____ quality parameters _____?
 Will you _____ with the _____ audio quality parameters _____ reconfiguration phase?
 Can you help _____ the _____ during the _____?
 Do you know how _____ audio quality _____ or _____?

_____ do _____ to _____ and reconfiguration _____ the _____ of audio?

Will _____ help _____ quality when _____ put things together _____ them _____?

During device setup or _____ there _____ any support _____ audio _____?

_____ do you _____ to setup _____ of audio?

How do you advise _____ tweaking audio _____ or _____?

_____ company help adjust _____ reconfiguration?

_____ you have for _____ and reconfiguration of _____?

_____ device _____ or _____ changes, will there be _____ fine _____ audio _____?

The _____ offered _____ upon device _____?

_____ support will _____ to _____ reconfiguration for audio quality _____?

Is _____ support for _____ settings on setup _____?

_____ do you _____ and reconfiguration processes _____ the _____ quality?

What support do _____ for _____ reconfiguration _____ quality _____?

Is _____ support for _____ parameters _____ configuring _____?

There _____ refining sound quality while _____ or _____ settings.

_____ support do you _____ to setup _____ reconfiguration _____ audio quality _____?

_____ support _____ you provide _____ setup _____ process _____ fine tuning _____ parameters?

Can _____ help _____ audio quality _____ during setup _____?

_____ you _____ me adjust _____ quality parameters _____?

How _____ enhance audio _____ in _____ reconfiguration?

What support _____ you give _____ reconfiguration _____ regarding the _____ audio?

_____ the backing available _____ adjust aural _____ configuration _____?

_____ have any _____ with _____ up and tuning the _____?

Do you _____ in _____ features?

Are _____ to _____ quality _____ up or altering it?

Will there be _____ during setup _____ changes?

I want _____ to help _____ quality while putting _____ or _____.

Can _____ me _____ up or _____ my audio _____?

_____ support _____ you give to _____ and _____ with regards _____ of _____?

Can _____ help _____ quality _____ during reconfiguration processes?

During device setup and _____ be _____ for fine-tuning _____ parameters?

_____ or _____ you _____ assistance with audio quality settings?

How _____ you help _____ setting _____?

_____ support do you _____ for _____ quality during _____?

Is there _____ support _____ the sound _____ while _____ dealing _____ this _____?

_____ anyone _____ for _____ the _____ features while _____ doing this setup?

_____ you _____ offer _____ configuring _____ quality?

Are _____ to _____ configuring _____ quality?

Are _____ audio quality?

_____ set up _____ quality?

_____ support _____ to setup _____ reconfiguration _____ for fine- _____ of _____ quality?

_____ through _____ you have _____ support for _____ the sound features?

_____ assist _____ setting _____ or configuring audio _____?

_____ need _____ in _____ quality _____ initializing or _____ settings.

_____ you _____ with audio _____ when _____ up equipment?

_____ do you _____ the audio quality _____ processes?

Do _____ with _____ or _____ audio settings?

Will _____ support for _____ tuning audio _____ setup?

Audio _____ is something you _____ during _____ processes.

You _____ audio _____ issues during setup _____ reconfig.

____ it possible ____ you ____ help me in ____ audio ____ ____ ____ together?
 ____ support do ____ ____ to setup and reconfiguration ____ to ____ tune ____ ____ ?
 ____ is your ____ setup ____ ____ fine tuning audio quality parameters?
 ____ you ____ to ____ ____ settings during setup and ____ ?
 Can ____ help with ____ settings during ____ ____ reconfig?
 ____ you ____ with ____ ____ of audio ____ parameters during the ____ or reconfiguration phases?
 ____ you ____ assistance in setting up ____ configuring ____ ?
 What ____ do you ____ to ____ and ____ for audio ____ ?
 ____ support ____ you ____ regarding ____ quality during ____ ?
 ____ you ____ me ____ the audio quality ____ reconfiguration ____ ?
 ____ ____ ____ settings during setup or reconfig?
 ____ ____ ____ to change audio ____ for setup ____ reconfiguration?
 What support do you offer to ____ ____ fine ____ ____ quality?
 ____ ____ ____ me with ____ quality by ____ ____ or changing it?
 ____ ____ ____ provide to ____ and ____ process in regards ____ the audio?
 ____ you ____ the audio ____ ____ setting up gear?
 Can you ____ ____ with refining audio ____ ____ installation or adjustment ____ ?
 ____ resources ____ ____ optimal audio quality adjustments during initial ____ ____ subsequent ____ ?
 Do ____ have ____ ____ audio ____ ?
 ____ ____ ____ to help me with the adjustment ____ audio ____ parameters during ____ ____ ____ reconfiguration ____ ?
 ____ you assist ____ ____ settings?
 ____ there guidance ____ tweaking audio ____ when ____ or ____ ?
 Assist ____ enhance ____ ____ device ____ ?
 Is your ____ able ____ modify ____ quality ____ ____ and ____ ?
 ____ ____ ____ help ____ refining audio ____ parameters ____ the initial ____ or adjustment phases?

 ____ like to ____ ____ can help ____ ____ the ____ ____ during the setup or reconfiguration phases.
 Do ____ help ____ ____ changing audio?
 ____ was ____ if ____ was ____ ____ available ____ ____ out with setting everything up and ____ ____ audio.
 Do ____ ____ with ____ up or ____ the ____ ?
 How ____ I ____ ____ adjusting audio ____ during setup?
 What support ____ given ____ setup and reconfiguration processes ____ ____ ____ quality ____ ?
 I ____ ____ question about ____ adjustment ____ audio ____ ____ during the ____ and reconfiguration ____ .
 Do ____ support adjusting ____ audio ____ ____ it?
 ____ ____ ____ you provide ____ audio ____ during reconfiguration processes?
 When ____ up ____ configuring equipment could ____ ____ ____ settings?
 ____ you help ____ improve ____ quality ____ putting things ____ or ____ ?
 Do ____ ____ setting up or re-configuring ____ ?
 What support ____ you ____ ____ setup and ____ ____ audio?
 How do you help ____ sound ____ ____ ?
 Got any ____ for tuning ____ audio ____ ____ I like ____ ____ setting ____ ____ ?
 I need help ____ adjusting audio quality ____ ____ .
 ____ ____ do ____ provide for audio quality ____ the ____ ?
 ____ you ____ setting ____ settings?
 ____ ____ ____ change ____ sound settings during a ____ ?
 Do you help ____ ____ or ____ changes ____ ____ audio?
 What support do ____ ____ the sound ____ reconfiguration ____ ?
 ____ ____ do ____ ____ for the ____ during reconfiguration processes?
 ____ ____ I ____ the ____ settings during ____ ?
 Is there ____ ____ ____ sound ____ ____ ____ installation or reconfiguration?

Do you _____ assistance _____ ?

_____ modify the _____ during setup _____ reconfiguration?

What support do you _____ reconfiguration _____ of audio _____ ?

Is _____ for adjusting _____ during setup?

When setting up or configuring _____ can _____ quality?

What _____ you give _____ setup and reconfiguration _____ for _____ quality?

_____ with _____ audio quality _____ the initial installation or adjustment _____ ?

_____ do you _____ to setup _____ reconfiguration _____ audio _____ ?

Is it _____ to help _____ audio _____ for _____ and reconfiguration?

_____ need _____ that _____ me tune _____ just how I like it _____ it up?

_____ do you offer _____ setup and _____ processes _____ audio _____ ?

_____ provide audio _____ support _____ reconfiguration processes?

_____ assistance in refining sound quality _____ changing _____ ?

How _____ help audio quality _____ reconfiguration?

What support do _____ for _____ setup _____ reconfiguration _____ ?

_____ it possible _____ in audio quality _____ reconfiguration?

_____ there any _____ sound _____ when changing settings?

_____ you give to _____ and reconfiguration process of _____ parameters?

What _____ do you _____ and _____ processes _____ regards to audio _____ ?

_____ offer assistance _____ setting _____ quality?

Can _____ up or _____ audio quality?

What support _____ processes pertaining _____ fine- tuning _____ audio quality parameters?

Assistance to _____ sonics _____ modification?

_____ kind of _____ do you give _____ in _____ processes?

What _____ do you give _____ setup _____ processes _____ to _____ quality parameters?

Are _____ assist with _____ settings?

I _____ with adjusting _____ parameters _____ reconfiguration processes.

Is _____ support for adjusting the _____ while _____ going through _____ ?

Do you _____ in adjusting _____ ?

_____ you _____ with _____ during the setup _____ .

_____ need _____ adjusting _____ parameters during _____ or reconfiguration

When _____ up _____ gear, can you _____ with _____ quality _____ ?

_____ be any support _____ parameters during setup _____ configuration _____ ?

_____ audio quality _____ ?

Are _____ help in refining _____ quality _____ changing _____ ?

What support do _____ for the setup _____ quality parameters?

What _____ do _____ provide _____ quality in reconfiguration _____

What _____ offer for _____ during setup?

What _____ you give to _____ setup and _____ quality?

_____ you provide help _____ ?

_____ a way _____ make optimal audio _____ adjustments during _____ and subsequent _____ ?

_____ you _____ the audio _____ with _____ provisions?

_____ you help _____ the _____ quality by putting _____ together _____ it?

What _____ do _____ for audio quality parameters _____ setup _____ ?

_____ you _____ audio quality in _____ ?

What _____ do _____ to setup and reconfiguration _____ regards to _____ ?

_____ I am _____ up _____ will _____ me with setting _____ settings?

_____ able to adjust _____ setting _____ or changing?

_____ you help _____ the adjustment _____ quality parameters in _____ setup _____ ?

Can you _____ with _____ quality _____ setting _____ gear?

I need _____ with _____ quality parameters during _____ and _____.
 Is _____ backing _____ aural parameters _____ configuration changes?
 _____ support _____ give the _____ and _____ process in regards _____?
 _____ possible _____ you _____ provide _____ the _____ of audio quality _____ setup or reconfiguration phases?
 I need _____ help tuning the _____ while setting it _____?
 _____ settings _____ adjusted during reconfiguration?
 Will you help _____ audio quality while putting _____ or _____?
 _____ it possible _____ you _____ audio settings during _____ setup or _____?
 _____ there _____ any help for audio _____ setup and _____?
 Can _____ me _____ the _____ reconfiguration of _____ quality?
 _____ do _____ to setup _____ reconfiguration _____ when it comes _____ tuning audio _____ parameters?
 What help _____ to _____ and reconfiguration of audio _____?
 Can _____ help me narrow _____ configuring equipment?
 _____ you _____ up or reconfiguring audio _____?
 _____ willing _____ adjust audio quality _____ setting up _____ changes?
 What support _____ you give _____ audio _____ process?
 Can _____ with changing _____ audio settings during _____?
 I _____ if _____ guidance on _____ sound _____ the reconfiguration procedure.
 _____ support _____ fine tuning audio _____ in _____ setup _____ configuration changes?
 _____ support do you _____ setup _____ of audio?
 What _____ do _____ give _____ setup _____ reconfiguration process for _____ audio?
 Upon device modification, _____ to adjust and _____?
 How _____ improve _____ settings during _____?
 Can I _____ guidance _____ sound _____?
 _____ you able to _____ quality during _____ adjustment phases?
 _____ setting _____ or configuring _____ can _____ help _____ with _____ quality?
 Are _____ any _____ available to _____ everything up _____ tuning the _____?
 Help to _____ quality during _____?
 _____ able to _____ assistance configuring _____?
 Can _____ help me _____ of audio quality _____ during the _____ phases?

Is _____ possible _____ you _____ with _____ during _____ setup process?

_____ setting _____ will you help with _____ audio settings?

_____ support are you _____ to audio _____ reconfiguration _____?

_____ you _____ any help adjusting _____ features _____ I'm going _____ setup?

_____ you _____ calibrate _____ settings?

What support _____ for the _____ and _____ of _____ audio?

_____ support _____ give for _____ audio quality during _____?

Can _____ assist _____ setting up _____ making _____ audio?

Can I _____ tweaking _____ settings _____ the _____ procedure?

_____ have any services _____ fine tuning _____ the setup _____?

_____ support _____ I _____ for _____ audio quality during _____?

I would _____ on enhancing _____ configuring it anew.

_____ you _____ with setting up audio _____ setup?

_____ I'm _____ through this setup, _____ you offer support for _____?

_____ do you _____ to improve audio _____?

Can you help me _____ of audio _____ parameters during _____ stages?

_____ can _____ to setup and _____ of audio?

What support do _____ sound _____ in _____ processes?

I need _____ sound quality _____ configuring it _____.

What support _____ you _____ to _____ and reconfiguration processes involving _____ of _____?

Can you help _____ putting things _____ or changing _____?

_____ do you give _____ processes in order _____ fine- tune audio _____?

_____ there a _____ to _____ setup or reconfiguration?

Can you _____ quality problems _____ setup or _____?

_____ help refine the audio _____ during the _____ reconfig _____?

During reconfiguration _____ what support _____ provide _____ audio _____?

When setting _____ or _____ equipment, could _____ settings?

_____ give to setup and _____ of the audio quality _____?

_____ a _____ regarding the adjustment of _____ quality parameters during _____.

Do _____ assistance with _____?

_____ any assistance in _____ sound quality while _____?

Do _____ adjust audio _____ while setting up _____?

_____ there guidance on _____ during _____ and reconfiguration _____?

What support _____ for audio quality _____ processes?

_____ with audio _____ setup?

_____ modify _____ during setup or reconfiguration?

What _____ you give _____ to audio quality?

_____ give to _____ setup _____ process for the audio?

_____ there _____ on _____ sound _____ during _____ reconfiguration process?

_____ have any support for _____ I'm doing this?

_____ support do you have for _____ audio _____?

What _____ do _____ to setup and _____ of _____?

You _____ to _____ and _____ of audio quality _____.

Do _____ exist _____ optimal audio _____ initial set-up _____ subsequent _____?

Do _____ with refining audio _____ parameters _____ initial _____ or _____ phases?

Is _____ refining _____ quality _____ during the initial _____ or adjustment _____ your _____?

During _____ will _____ be support for fine- tuning _____?

_____ do you provide _____ setup and reconfiguration _____ audio _____?

_____ you _____ with _____ settings?

What support ____ you ____ and reconfiguration ____ the ____?

Can you offer ____ support ____ adjusting ____ sound ____ going ____ this ____?

____ need ____ with enhancing ____ quality ____ configuring ____ anew.

Is ____ help ____ parameters during ____?

Do ____ know what ____ is available for ____?

Do you ____ for adjusting the sound features ____ this ____?

____ you offer ____ audio settings?

How can you help ____?

____ you ____ or ____ with audio quality issues?

____ for the audio quality during setup ____ reconfiguration?

____ you ____ settings during ____ setup or reconfig process?

Is there ____ changing ____ when ____ it?

Enhancement ____ installation/configuration ____ be offered by you.

How ____ sound performance ____ installation/reconfiguration?

____ need help ____ adjusting ____ parameters during ____ and reconfiguration ____.

____ audio quality guidance ____ reconfiguration?

____ modify audio quality ____ during reconfiguration ____?

____ support do ____ give to ____ and reconfiguration ____

I ____ assistance ____ sound quality ____ initializing ____ settings.

Can you ____ with ____?

Can ____ help with audio ____ during the ____?

What do you ____ quality ____ processes?

____ you help ____ quality by ____ together or changing ____?

____ you able to ____ audio quality while setting ____?

____ might ____ for fine tuning audio parameters ____ setup ____.

____ there any support for tweaking audio ____ devices?

What ____ you give ____ setup and reconfiguration ____ audio ____?

What ____ give ____ and ____ in ____ of audio quality?

Can ____ on enhancing sound ____ it again?

____ kind ____ services ____ in the context of ____ or reconfiguring audio ____?

____ do ____ give to setup ____ deal with audio quality ____?

What support ____ for setting up ____ reconfiguring audio ____?

____ you ____ me to improve ____ while ____ it ____?

____ setting up or ____ configuring ____ someone help ____ settings?

Can you ____ adjust ____ parameters ____ reconfiguration processes?

What support ____ have ____ quality ____ during reconfiguration?

Can I get help ____ and ____ sound ____?

Is ____ in ____ sound quality while initializing ____ changing ____?

Do ____ give assistance in setting ____ or ____?

Is there a ____ ensure ____ quality when ____ and ____ configurations?

____ your company help adjust ____ quality ____?

How ____ you ____ improve ____ quality ____ changes?

____ support do you ____ to ____ up and ____ in regards ____ quality ____?

____ there ____ on tweaking ____ when ____ or reprograming?

I need ____ in improving ____ things together.

____ to adjust ____ enhance ____ upon ____?

What support ____ give the ____ of audio?

Will you be ____ to ____ quality ____ putting things ____?

Is ____ for ____ parameters ____ setup ____ configuration changes?

Do you offer ____ setting ____ or ____ audio ____?

____ I ____ help configuring and ____ ____ ?

How ____ ____ improve audio ____ in a ____ ?

When configuring ____ or setting ____ ____ can ____ help?

Do ____ offer assistance ____ ____ audio ____ ?

____ ____ for fine tuning audio ____ during ____ setup ____ configuration changes.

____ can we ____ ____ sound quality ____ changing settings?

Is ____ support for adjusting audio ____ ____ it?

____ question regarding ____ adjustment of audio quality ____ during ____ ____ reconfiguration phases.

Can ____ audio ____ the ____ and reconfig process?

How much ____ do ____ for ____ in ____ processes?

Is ____ tweaking audio parameters when ____ reprogramming?

____ for tweaking audio settings ____ setup and ____ devices?

I need ____ adjusting audio ____ parameters ____ or ____.

How ____ you ____ on ____ audio ____ ____ or reprogramming?

____ of ____ can ____ for setting up or reconfiguring ____ ?

____ support ____ for the setup and ____ audio quality ____ ?

____ support do ____ to ____ and ____ audio quality parameters.

Will there ____ support ____ fine ____ during setup or ____ ?

____ you ____ me ____ the setup ____ of ____ quality?

Do you ____ assistance with ____ audio ____ in ____ initial installation ____ ____ ?

____ do you give ____ setup and reconfiguration in ____ the ____ ?

Did ____ setting up or making ____ to ____ ?

Can you ____ me ____ adjust audio quality ____ reconfiguration?

Will you ____ me ____ audio quality by ____ together ____ ?

____ help with audio settings ____ setting ____ ?

What resources ____ offer ____ help ____ configuring audio equipment?

What do ____ do to improve ____ reconfiguration?

____ audio ____ during ____ setup or reconfig process.

____ there ____ support for ____ the sound features ____ setup?

Can you please let ____ know if there is ____ available ____ with ____ and ____ audio?

____ you ____ to ____ and reconfiguration processes on ____ parameters?

Is ____ possible for ____ set up ____ configuring ____ quality?
