 Is _____ to add _____ a Biometrics _____ for merchant _____ ?
 Do you _____ security methods like _____ protect _____ Services?
 Do any additional security _____ or other _____ using _____ services?
 _____ you use _____ the _____ Services?
 Does _____ services have _____ security _____ in the _____ Biometrics or _____ ?
 Does _____ offer a _____ to access _____ featurebiometrics?
 _____ you _____ to give _____ Verification _____ the merchant account?
 _____ using your _____ services do _____ have any _____ barriers _____ such as _____ ?
 _____ there _____ add-ons _____ merchant services _____ have a _____ ?
 Biometrics for _____ the merchant _____ something you _____ offer.

Do _____ security _____ like _____ with _____ merchant services?

Do Biometrics _____ other _____ deterrents exist when _____ services?

_____ we _____ our _____ Services _____ the use _____ tools _____ Biometrics?

_____ your _____ service _____ measures like biometric _____?

_____ any _____ barriers _____ the form _____ or other _____ exist to protect yourself when _____ use technology like Biometrics _____ make our _____?

_____ there a _____ a _____ similar type of _____ to merchant _____?

_____ we _____ like Biometrics to _____ our _____ safer?

_____ possible to _____ security such _____ Biometrics _____ merchant access?

_____ of _____ security _____ you can give is biometrics _____ to our merchant _____.

Biometric _____ access _____ our merchant account is one of _____ options that _____ you.

Is _____ add-ons _____ require a Biometrics verification?

_____ protect our merchant _____ with _____ layers _____ security like _____?

Does your services _____ of your merchant _____?

Do _____ use biometrics _____ merchant _____?

Biometric verification for secure _____ merchant account might _____.

_____ verification _____ secure _____ our _____ account is one of _____ security _____ give?

Are _____ add-ons _____ merchant services _____?

_____ access to our merchant account is something _____.

_____ measures like _____ possible for merchant _____?

_____ secure _____ to our _____ account is one of the more _____ security _____.

Is there _____ more _____ in _____ form _____ Biometrics for _____?

Biometrics _____ access _____ the _____ account _____ could offer.

_____ offer _____ verification _____ merchant account.

_____ verification _____ access _____ our _____ account is one _____ might _____ security.

Biometric _____ for secure _____ to _____ account _____ the _____ security choices _____ give?

_____ your merchant services _____ extra _____ measures _____ biometric _____?

Do _____ merchant _____ any _____ layers of security like _____?

_____ of _____ more _____ choices you can _____ Biometrics _____ secure _____ to our merchant _____.

_____ Biometrics, or any other _____ methods, _____ using your _____.

_____ additional security _____ form _____ Biometrics or other deterrents _____ using _____ services?

Are you _____ secure access?

biometric verification is accessible while _____ could you tell _____?

Is there _____ way to _____ features biometrics?

Can _____ be _____ services access?

_____ we _____ Merchant _____ safer _____ tools _____ Biometrics.

_____ additional _____ barriers _____ form of Biometrics or _____ exist when _____ your _____ services.

Do _____ the _____ to _____ for _____ access to _____ merchant account?

_____ like Biometrics may _____ available for _____ access.

Do _____ offer _____ secure access to _____ merchant _____?

_____ it possible _____ offer _____ services access?

Do _____ use new _____ to protect _____ Merchant _____?

Are there _____ new _____ of _____ like _____ services?

You might _____ offer _____ for _____ the merchant account.

_____ service include extra security _____ biometric verification?

_____ for _____ access _____ merchant _____ that you might offer.

_____ any additional _____ barriers _____ form _____ Biometrics _____ you _____ using a merchant?

_____ offering Biometric verification for secure _____ our merchant _____?

Do _____ offer a _____ people to _____ merchant _____ via _____?

Can I _____ other _____ a _____ to access _____ services, _____ a _____ system _____ security?

_____ there _____ ensure access to _____ does it involve _____ use of biometrics for _____ access _____ our merchant _____ one _____ that _____ might _____.
 _____ Biometrics verification on top of _____ for merchant _____?
 Does _____ merchant service include any extra _____ measures _____?
 Is there _____ additional _____ barriers in the form _____ Biometrics _____?
 _____ for _____ services that requires a Biometrics _____?
 Do _____ additional _____ barriers in the _____ or _____ deterrents exist _____ using _____ services?
 Do you _____ to access merchant services _____?
 _____ you sell _____ with _____?
 Are _____ any _____ merchant services that requires _____?
 _____ it _____ offer Biometrics _____ secure _____ to our _____ account?
 Biometric _____ secure _____ to _____ merchant account _____ one of the _____ enhanced security _____ may _____ able _____.
 _____ using _____ layers of security like _____ to _____ services?
 Is there _____ way _____ sure we have _____ like security, or does _____ bio?
 Biometric _____ access _____ merchant account _____ one of _____ options _____ could provide.
 Is _____ included _____ your merchant _____?
 Do _____ use _____ the protection _____ our merchant _____?
 Do _____ additional security _____ such _____ with your merchant _____?
 Biometrics _____ secure _____ to our merchant _____ way _____ add enhancements to _____.
 Can I use _____ other _____ to our merchant _____ such as a biometrics _____ other _____?
 Is there _____ way to _____ access to _____ security, _____ it _____ use of biometrics _____ you _____ to _____ Biometric Verification _____ secure access to the _____?
 Do _____ merchant services _____ extra _____ like Biometrics?
 _____ provide _____ way _____ access merchant services that _____?
 Biometrics _____ access _____ our _____ account is one of _____ options _____ to _____ you _____.
 Do _____ way to access _____ services _____ biometrics?
 Does any additional _____ in the _____ of Biometrics _____ your _____?
 _____ possible to offer _____ for _____?
 _____ access to _____ merchant _____ one _____ the more enhanced _____ you can provide.
 Wouldn't it be _____ make _____ safe with _____ help of _____ of _____?
 Is there _____ way _____ make sure we _____ merchant _____ like _____ or does _____ involve _____?
 _____ it _____ make Merchant _____ using technologies like Biometrics?
 Do your _____ services _____ security like Biometrics?
 You may _____ for secure _____ to the _____.
 _____ any _____ barriers _____ related _____ Biometrics _____ when using your merchant _____?
 Biometrics for secure _____ account _____ the security options you _____ offer?
 Biometrics for secure _____ something that _____ can _____ to security.
 _____ there a Biometrics verification _____ of _____ measures for merchant _____?
 Do _____ additional security _____ the form _____ any other _____ exist when using _____ services?
 Can I use _____ other _____ a _____ merchant services, _____ as _____ Biometrics _____ or something _____?
 Is there _____ for _____ use a Biometrics _____?
 _____ security _____ in the _____ of _____ when using your merchant _____?
 Is _____ extra layers of _____ is similar to _____?
 Biometric verification _____ secure access to the merchant _____ is _____ the _____ enhanced security _____.
 Biometrics for _____ to _____ merchant account is _____ you _____.
 _____ for _____ access to our merchant account _____ security _____ to see from _____.
 Do _____ any _____ security such as Biometrics for _____?
 Is _____ make our _____ Services _____ by using _____?
 _____ possible to make merchant services safer _____ tools _____ Biometrics?
 Is _____ for _____ services _____ requires a _____ verification?

Do _____ ways to access merchant _____?

Do any _____ security _____ are _____ Biometrics exist _____ using merchant _____?

_____ for secure access _____ is _____ way that _____ could add enhanced _____.

_____ offer _____ Protect to _____ merchant services?

Do you have new _____ like _____ to protect _____?

_____ security options I would like to see _____ biometrics for _____ to _____.

_____ I _____ something other _____ to access _____ services, _____ a biometrics system _____ other security?

One of the more _____ security options _____ provide is _____ verification _____ access _____ our _____.

_____ layers _____ security like _____ used to _____ our Merchant _____?

Is it _____ Biometrics _____ merchant _____?

Do there _____ in the _____ of _____ when _____ merchant services?

_____ service have _____ security measure like abiometric _____?

_____ any add-ons _____ merchant _____ that _____ Biometrics requirement?

Do _____ any _____ layers of _____ like _____ protection _____ our merchant _____?

Biometrics for secure _____ to _____ account _____ you can provide.

_____ a way _____ merchant services via Biometrics?

_____ verification _____ secure access _____ the merchant account _____ of _____ more _____ security _____ offer?

Do you _____ to access _____ that _____ featuresbiometrics?

_____ enhanced security choices _____ provide is the Biometric verification for secure _____ merchant _____.

Biometric verification _____ access _____ account _____ something you _____ provide.

_____ for _____ our merchant account _____ something that _____ add to _____.

Do _____ new _____ security like _____ that _____ our Merchant _____?

Do Biometrics _____ any _____ similar _____ your merchant _____?

Do you have _____ to acces _____?

Do you provide _____ way to _____ featuresbiometrics?

Biometric verification _____ merchant account may be _____ you _____.

Do _____ barriers in the _____ Biometrics or other _____ exist to _____ you _____ a _____

One _____ enhanced security choices _____ can _____ verification _____ secure access to our _____.

_____ use _____ other _____ a password to gain access to _____ services, such _____ a _____?

Does anyone _____ of _____ for _____ that _____ Biometrics verification?

Is _____ a _____ to _____ access _____ merchant _____ security _____ does it _____ the use _____ Bio

_____ using _____ to _____ merchant services?

_____ for _____ access to our _____ account is one of _____ you _____?

Is _____ on for merchant _____ that requires _____ Biometrics _____?

_____ verification for _____ access _____ is an enhanced security choice _____ can _____.

_____ measures such _____ Biometrics could be _____ for _____ service _____.

Biometric _____ access to _____ merchant account _____ one _____ moreEnhanced security options _____ may _____

_____ you _____ new _____ of security such as _____ to _____ Merchant _____?

_____ it possible _____ offer _____ for _____ access, _____ Biometrics?

Biometric _____ for _____ merchant account _____ way that you might add _____ security.

_____ you _____ verification _____ your _____ service?

Do _____ a way _____ services that usebiometrics?

_____ security _____ is Biometric Verification for secure _____ to _____ merchant account?

Are there any _____ barriers _____ the form _____ in your _____?

Is _____ service included _____ such as abiometric verification?

_____ there a _____ barrier in _____ form of Biometrics _____ use _____?

_____ secure access to _____ merchant account _____ one of _____ security _____ can _____.

Is the merchant _____ extra security measures _____?

Biometric verification for _____ access to _____ account _____ the _____ provide?

_____ you use any new layers _____ security like _____?

Do you ____ a ____ to ____ feature biometrics?
____ add-ons that require ____ in order ____ use merchant services?
____ new layers of ____ like Biometrics ____ protect Merchant ____?
Are ____ able ____ offer biometrics ____ secured access ____ merchant ____?
____ add-ons that ____ Biometrics or ____ type of ____ for merchant ____?
____ you have a way ____ services with ____?
____ there add-ons for merchant ____ require Biometrics ____ type ____?
Do ____ like Biometrics to protect Merchant ____?
Biometric verification for ____ is ____ security option ____ can offer.
____ any security barriers, such ____ similar ____ exist when using ____?
____ your merchant service ____ additional security ____ verification?
Is there any new ____ security ____ merchant ____?
Do you ____ layers ____ security like ____ to ____ our merchant ____?
____ offering ____ for ____ access to our merchant ____?
____ you ____ security measures like ____ for ____ to ____ merchant ____?
____ you ____ to ____ merchant services ____?
Biometrics ____ to the merchant ____ something you ____.
____ more ____ barriers in ____ form of Biometrics ____ using ____ services?
Do ____ have ____ Biometric ____ for secure access ____ the merchant account?
Wouldn't it ____ possible to enhance ____ of merchant ____ biometrics?
____ any ____ that requires ____ Biometrics ____ merchant services?
Does any additional ____ such ____ Biometrics ____ with ____ services?
Do ____ barriers such ____ Biometrics ____ methods ____ when ____ merchant services?
____ it ____ provide ____ measures like Biometrics ____ services access?
____ there ____ for ____ services ____ requires a ____ type of ____?
Is ____ security measures like Biometrics ____ access?
Is ____ layer ____ security ____ Biometrics for the protection of ____?
Wouldn't it ____ possible ____ make ____ by using the ____ of biometrics?
____ for secure ____ merchant account ____ one of the ____ options ____?
Are you ____ merchant ____ with ____?
____ security barriers, like Biometrics, ____ with ____ services?
____ a ____ to ensure ____ merchant services that ____ use of bi?
Do you ____ any ____ layers of ____ for Merchant ____?
____ using ____ merchant ____ do ____ additional security ____ Biometrics exist?
Biometric ____ to the ____ account ____ be something you can ____.
____ I use something other than ____ our merchant ____ a biometrics system or ____?
Does ____ merchant ____ layers ____ security like Biometrics?
____ verification for secure ____ merchant account is ____ you ____ give.
When ____ merchant services, do ____ have any additional ____ the form ____ other deterrent?
Biometrics ____ secure ____ merchant ____ is one ____ the enhanced ____ you offer?
Biometrics ____ something you offer ____ to the ____ account.
____ a way to ____ we have access to ____ or using ____?
Do you ____ way ____ access ____ services ____?
Are ____ any ____ for ____ services that ____ Biometrics ____ on ____ the ____ security measures?
____ verification ____ access to ____ account is one of the ____ you ____ provide.
____ there ____ merchant ____ that require a ____ similar ____ of ____?
Do you have new security ____?
____ merchant ____ with ____ security measures like ____ verification?
Do ____ security barriers ____ the ____ of Biometrics exist ____ protect yourself ____?
Are ____ any add-ons ____ services that require ____?

Enhanced security _____ include Biometric verification _____ access _____ our merchant _____.

Is the merchant _____ has _____ security similar _____?

Do _____ additional security barriers, _____ Biometrics, _____ using _____ merchant _____?

One security option _____ provide _____ biometrics for _____ to _____ account.

_____ we use systems _____ to _____ Services safer?

Do _____ use _____ security like _____ protect your Merchant _____?

Can _____ use _____ Biometrics to _____ Merchant Services _____?

Can there be _____ barriers in _____ of _____ when using _____?

_____ there an _____ security barrier _____ of Biometrics _____ your _____ services?

_____ any _____ options _____ for secure access _____ our _____ account?

_____ add-ons for merchant _____ that require _____ Biometrics _____ similar _____?

_____ new _____ of _____ like Biometrics _____ to _____ merchant services?

Are _____ add-ons _____ merchant _____ require _____ or similar verification?

_____ exist _____ your merchant _____?

Enhanced security _____ include _____ secure _____ to our _____ account.

There are add-ons for _____ Biometrics _____ they included?

_____ have new layers of security _____ for protection _____ services?

Biometrics for _____ to our merchant account _____ more _____ you can _____.

Do any additional _____ barriers _____ the _____ to _____ yourself _____ your merchant

Do you _____ to _____ bio verification for _____ the _____ account?

Are you _____ to give _____ for secure _____ account?

_____ any _____ in _____ form _____ or other deterrents exist _____ merchant services?

_____ any additional _____ in the form _____ exist to _____ using a _____?

Do any additional _____ exist _____ your merchant services, _____?

Are _____ any additional security _____ in the _____ of Biometrics or _____?

Biometrics _____ secured access _____ the _____ account is _____ can _____ you?

_____ offer a way _____ services _____ feature Biometrics?

Is Biometrics _____ the _____ layers of _____ used _____ services?

Do _____ additional _____ like Biometrics or _____ using _____ merchant services?

Is _____ possible to _____ Biometrics for _____?

_____ provide _____ way to _____ for merchant services?

Wouldn't _____ possible _____ services safe with _____ help _____ biometrics?

_____ of the more _____ security options _____ can _____ bio-metrics _____ access _____ our _____ account.

Do any _____ barriers _____ Biometrics _____ when using _____ merchant services?

_____ you _____ services with featuresbiometrics?

Are extra security measures _____ Biometrics _____ for _____?

_____ any _____ security barriers, such _____ other deterrents, _____ protect _____ when using _____

biometrics _____ to _____ merchant _____ is something you _____ give

Biometrics for secure _____ merchant _____ an _____ you offer?

_____ there any _____ services that requires _____ Biometrics?

_____ you use _____ new _____ like _____ Merchant Services?

Biometric verification _____ our _____ account is one of the _____ you _____?

Are there _____ security barriers in _____ form _____ using _____ services?

_____ secure access _____ merchant _____ one way _____ could make _____ more secure.

_____ your _____ any additional security barriers in the _____?

_____ service have additional _____ measures _____ abiometric verification?

_____ security _____ I _____ like _____ see from you _____ biometrics for _____ access to our _____.

You _____ access _____ the merchant account, do you?

Do _____ additional security _____ such _____ when using _____ services?

One _____ more enhanced security _____ could provide _____ biometrics _____ secure _____ our merchant _____.

Biometric verification for _____ our _____ account _____ something you _____?
 Biometric _____ for _____ access to _____ merchant _____ is _____ want to see _____.
 Do _____ use _____ such as _____ protect Merchant _____?
 _____ you offer a way to _____ using biometrics?
 _____ it possible _____ include Biometrics _____ service _____?
 _____ security _____ Biometrics, exist to _____ yourself _____ your merchant?
 Do _____ security _____ Biometrics, exist _____ protect yourself _____ using _____ merchant?
 _____ there _____ for _____ to _____ access _____ services, or _____ it involve _____ use of Bio?
 _____ for secure access _____ our _____ account are _____ security choices _____?
 Do _____ any _____ require a Biometrics _____ for _____?
 _____ biometrics _____ to make our _____ safer?
 I am _____ if _____ add-ons for merchant _____ require _____ Biometrics _____.
 Did _____ a biometric _____ your merchant _____?
 _____ there _____ merchant _____ that require Biometrics _____ verification?
 _____ use _____ other than _____ to _____ services, such as a _____ system or other _____?
 Is _____ possible _____ make _____ Merchant _____ safer by using _____?
 Biometrics for secure access _____ merchant _____ of the _____ security _____ give?
 Do _____ additional _____ the _____ of Biometrics or _____ deterrent exist _____ protect _____ using _____.
 _____ there _____ additional _____ barriers in the _____ or _____ other _____ when using merchant services?
 _____ any security barriers _____ as _____ exist _____ your merchant _____?
 _____ you have a _____ access _____ services that _____?
 Are there _____ add _____ merchant _____ require a _____ or _____ type of _____?
 _____ we _____ a way _____ ensure access to _____ services _____ security _____ do _____ to use _____?
 _____ our Merchant Services safer _____ tools _____ as biometrics?
 Wouldn't _____ be _____ use _____ of Biometrics to _____ the _____ services _____?
 Biometrics _____ access _____ merchant _____ is one option _____ have.
 When _____ merchant _____ additional security _____ Biometrics, exist?
 Is there _____ services that have _____ verification?
 _____ the more enhanced _____ you can _____ biometric verification for secure _____ to _____ account.
 _____ for _____ access _____ merchant _____ is among the security _____ offer?
 _____ your _____ measures like biometric verification included?
 Biometrics for secure access to _____ account _____ the _____ you _____?
 Are you able to _____?
 _____ any _____ security _____ such _____ Biometrics, _____ using merchant services?
 _____ the _____ options _____ provide _____ Biometric Verification _____ secure _____ to our _____ account?
 _____ additional security _____ in _____ of _____ exist _____ protect yourself _____ using _____ merchant
 Do you use _____ to gain _____ services?
 Do you _____ security like Biometrics for _____ merchant _____?
 Does your merchant _____ measures _____ as biometric verification?
 Is your _____ services including _____ measures _____?
 _____ provide a _____ for merchants _____?
 _____ offer more means of securing _____ such as _____ mechanisms?
 _____ for _____ the merchant _____ something that you _____ provide.
 Some _____ enhanced security choices _____ biometrics _____ secure access _____ merchant account?
 Are you _____ Merchant Services?
 _____ for secure _____ our merchant account is _____ might offer.
 Biometrics _____ secure access _____ account is _____ you _____ improve security.
 _____ verification for secure access to _____ account is _____ option _____.
 _____ for _____ to _____ merchant account is one _____ that _____ can _____.
 Are _____ using any _____ of security like _____ Merchant _____?
