

[Demo] NLP Dataset for Customer Service Automation

Company Type	Automotive manufacturers
Inquiry Category	Vehicle complaints and quality concerns
Inquiry Sub-Category	Transmission Troubles
Description	Customers report problems with the transmission, such as rough shifting, slipping gears, or failure to engage, impairing the vehicle's acceleration, fuel efficiency, and overall performance.
Data Size	7,759 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Automotive manufacturer" customer inquiry. (Purchased data will not be masked.)

Has an ____ been ____ into ____ worsen existing ____ causing gearbox ____?
 ____ there ____ into whether ____ factors ____ to blame ____ gear ____?
 ____ into the ____ of external ____ in aggravating ____ gears and transmissions?
 Is ____ any ____ investigation into ____ external ____ faulty ____?
 ____ that outside elements affect ____ with ____ gearboxes?
 Are ____ factors ____ gearbox ____?
 I am ____ if ____ investigate whether external factors ____ to ____.
 ____ to determine ____ external elements affect transmission ____?
 ____ environmental conditions ____ looked at ____ possible triggering point ____?
 Is ____ possible that ____ external influences ____ making broken ____ worse?
 Are you going ____ whether ____ elements make ____ faulty ____?
 ____ a probe ____ to determine ____ external ____ blame for existing ____?
 Have ____ investigating if ____ compound ____ frailties that ____ to ____?
 ____ looking at ____ contribute to gear issues?
 Is it ____ causing more problems with ____ gears?
 Is ____ team ____ variables are ____ blame for ____ gearbox defects?
 ____ something ____ making ____ screwed-up ____ worse?
 Have ____ begun ____ study ____ link ____ exterior causes and ____ of ____ gearboxes?
 Is ____ update ____ investigating ____ outside aspects contribute to ____ worsening of ____ faults ____?
 ____ word of research ____ elements ____ the ____ of ____ gearbox?
 ____ it ____ to ____ whether ____ cause gearbox problems?
 Is ____ an update ____ the causes of ____ mechanical faults ____?
 Is ____ that ____ is taking place ____ makes ____ gearbox work ____?
 ____ you ____ investigation to ____ if the unrelated issues amplify the ____?
 ____ into ____ of external ____ in ____ problems with gears and ____?
 ____ examining ____ factors in ____ existing problems with gears and ____?
 Is it ____ intention to investigate ____ outside elements ____?
 Is an ongoing ____ how external ____ faulty ____?

_____ conditions being _____ at as _____ cause _____ gearbox faults?
 Should _____ how _____ affect _____ gearboxes?
 _____ you trying to _____ if _____ gearbox _____ worse?
 _____ you _____ role _____ external _____ in causing issues _____ gears _____ transmissions?
 _____ you _____ if outside _____ make _____ worse?
 Is _____ the outside things _____ the _____ bad?
 Are _____ the _____ of external factors on _____?
 Is _____ team looking _____ whether _____ effect on _____ current _____ defects?
 There _____ an _____ into _____ factors are _____ for _____ malfunction.
 Are _____ looking _____ the role of _____ factors _____ making problems _____ gears _____?
 _____ been launched _____ determine _____ external influences _____ blame for _____ problems?
 _____ scrutiny of _____ outside factors in making gear _____ worse?
 Is there scrutiny of _____ role of _____ in _____.
 Are you going _____ launch _____ into whether external _____ gearbox _____?
 Is there research being done _____ understand how _____ gear _____?
 _____ wonder if _____ are _____ if things _____ wreck _____ worse.
 Is _____ open about _____ causes of _____ in _____?
 Does it _____ to _____ whether _____ contribute to _____ malfunction?
 Is the _____ condition being _____ cause of _____ gearbox faults?
 Are you going _____ external _____ to gearbox _____?
 Are they trying _____ determine _____ problems making gears _____ worse because _____?
 They are studying if the _____ worse _____ something else.
 Is an investigation open about external _____?
 Are you going to _____ whether _____ conditions contribute _____ causes _____?
 _____ you _____ to start _____ investigation _____ whether external conditions _____ to _____?
 _____ any scrutiny into _____ that _____ malfunction worse?
 _____ it possible that the _____ is _____ broken _____ work _____?
 _____ plan to investigate whether external _____ gearboxes worse?
 _____ a study _____ external factors _____ transmission _____ done?
 Should a _____ be launched to _____ external _____ problems?
 Are _____ launching investigations _____ how external _____ gears?
 _____ the _____ of external factors on _____ begun?
 Is _____ inspection _____ effect _____ external _____ on deteriorated gearbox faults?
 _____ scrutiny of the _____ factors _____ making gear _____ worse?
 _____ an _____ on investigating if outside aspects contribute to _____?
 Is there any _____ factors _____ messing _____ the gearbox _____?
 I'm _____ if there _____ plans to investigate whether external _____?
 Are experts _____ external _____ make problems with _____?
 _____ want to _____ if there are _____ to _____ whether external _____ the _____.
 Are environmental conditions being looked _____ cause _____ gearbox _____?
 Have experts _____ to find _____ if there is _____ causes and the _____ faulty gears?
 _____ there an investigation _____ the _____ make _____ gearboxes worse?
 _____ authorities _____ if _____ compound gear _____?
 _____ looking at _____ external _____ in worsening _____ with gears and _____?
 Is there _____ scrutiny _____ factors in making _____ malfunction worse?
 _____ automotive manufacturers _____ looking into if _____ contribute _____ gearbox _____?
 _____ there will be plans to _____ external factors _____ faulty gearboxes _____.
 You _____ to _____ external junk makes the _____ mad?
 _____ going _____ about _____ external influences making broken _____ work even _____?
 Are experts _____ how _____ affect persistent _____ faulty gears?

Is it _____ about external influences makes broken _____.

Are _____ at the role of _____ the problems _____ and transmissions?

_____ they checking _____ see if _____ the gearbox _____?

_____ whether external factors can make _____ faulty gearboxes worse?

Is it _____ that external _____ up the _____?

Are _____ if _____ cause gear _____?

_____ a _____ finally looked _____ whether _____ external factors muck _____ the gearbox _____.

Was _____ any _____ to _____ out what makes _____ gears _____?

The role _____ external factors _____ gear malfunction _____ under _____.

Have experts _____ study _____ there _____ link _____ the exterior _____ and the representations _____ the gearboxes?

I'm _____ if _____ is a plan _____ external _____ cause _____ gearboxes.

_____ the _____ how outer _____ affect faulty gearboxes?

_____ about to _____ investigation about whether _____ contribute to gearbox _____?

_____ worsening the gearbox defects?

Is _____ an _____ external _____ makes _____ gearbox work worse?

_____ there _____ on investigating _____ to the worsening mechanical _____ the gearboxes?

_____ investigating if the outside elements _____ the gearboxes?

I _____ if _____ investigation is _____ on _____ will _____ broken _____ work _____.

_____ possible _____ outside _____ existing gearbox malfunction?

Is it _____ how outer _____ affect faulty gear.

Is an inspection pending _____ looking at _____ of _____ faults?

Is there _____ done to _____ outside _____ contribute to _____?

_____ start _____ probe _____ if the unrelated _____ amplify _____ broken transmissions?

_____ you _____ at how external _____ gearbox malfunction?

_____ probe _____ whether outside influences make gearbox issues _____?

Has a _____ impact _____ external factors on the _____?

Is it possible that _____ investigation _____ gearbox _____?

Was _____ plan to figure _____ how _____ variables _____ gears _____?

_____ there _____ into _____ external factors _____ gear malfunction _____?

_____ you sure if something's _____ my _____?

Is there any research _____ understand _____ to bad _____ operation?

_____ there _____ inspection _____ will look _____ the _____ on the deteriorated _____ faults?

Are _____ investigate _____ external conditions _____ a part _____ gearbox _____?

What research _____ being conducted _____ how outside _____ gear operation?

_____ you _____ a probe on _____ outside _____ make gearbox _____?

Are you _____ how _____ can cause gearbox _____?

Should _____ launched _____ determine if _____ cause gearbox malfunction?

_____ a gearbox _____ caused _____ factors?

Is _____ external influence worsening _____?

_____ outside _____ make the defects _____ is there a _____ that?

Is it _____ surroundings _____ gear frailties leading _____?

Is there _____ chance that _____ looked _____ external factors messed _____ mess?

_____ it _____ to cause more _____ with _____ faulty gearboxes?

Have _____ started _____ to see _____ elements make the gearboxes _____?

_____ authorities looking at the impact _____ on _____ malfunction?

Are _____ investigating how _____ cause _____ issues _____ gears?

_____ the investigators examining if outside _____ problems _____?

Did _____ begin _____ to _____ unrelated _____ amplify _____ transmissions even more?

Is there _____ of _____ contribute _____ gear malfunction?

Is _____ that things _____ causing _____ the faulty gearboxes?

_____ possible that the external _____ causing more _____ the _____ gearboxes?
 _____ a _____ launched _____ determine _____ external _____ are to _____ for gearbox _____?
 _____ probe to _____ whether _____ influences are _____ blame for _____ gearbox _____?
 Is _____ things _____ more problems with faulty gearboxes?
 _____ are _____ how external factors cause persistent _____ with _____ gears?
 Is there _____ into _____ impact _____ external _____ a gearbox?
 _____ it _____ that outside _____ worsen _____ malfunction?
 _____ a probe _____ launched _____ out _____ external influences _____ problems?
 _____ you _____ see if _____ causes _____ gearbox problems?
 _____ you looking _____ how _____ things _____ to _____ problems?
 Will _____ be _____ current gear frailties?
 _____ the _____ begun _____ determine _____ outer influences _____ faulty gearboxes?
 _____ you _____ the effects _____ external _____ on _____ defects?
 Does a probe have _____ launched _____ determine _____ cause _____?
 _____ your team looking into the _____ of whether _____ cause _____?
 I wonder _____ if the outside _____ wreck _____ worse.
 _____ it _____ are messing up issues _____ the gearbox?
 Are you _____ if external junk makes the _____?
 _____ an investigation _____ external _____ gearbox work even worse.
 Are you _____ to _____ whether _____ to the _____ in the _____?
 Is _____ probe launched to _____ external _____ cause _____?
 _____ it possible _____ checking if outside _____ the _____?
 Was there _____ effort _____ out _____ intensify malfunctioning _____ problems?
 Did you start a probe _____ if _____ the _____ transmissions?
 _____ at external _____ that make _____ problems worse?
 _____ your team exploring _____ issue _____ external _____ current gearbox _____ worse?
 Do authorities _____ compound _____ frailties?
 _____ authorities _____ outer influences affect faulty gears?
 _____ you _____ at _____ external things _____ contribute _____ gearbox _____?
 Have _____ study to find out if there _____ a _____ the _____ causes _____ deteriorated representations _____?
 Is _____ possible _____ investigation _____ happening that _____ making broken _____ worse?
 So, _____ tried to find _____ if _____ makes _____ malfunction-blasted _____ mad?
 _____ it true that they _____ effects hurting _____?
 _____ looking _____ if _____ act up are _____ worse because of something _____.
 _____ investigating if _____ compound _____ frailties?
 Are _____ going _____ if surroundings _____ current _____ frailties?
 _____ there _____ being _____ to _____ how outside influences _____ an _____ on _____ operation?
 _____ there _____ investigation of _____ impact _____ external factors on _____?
 _____ it possible that outside _____ make existing _____ gearboxes _____?
 _____ an upcoming inspection looking _____ the effect _____ on deteriorated _____?
 _____ there any ongoing _____ the _____ forces _____ problems with gearboxes?
 Is _____ looking _____ of external variables _____ the current _____ defects?
 _____ investigators look at if _____ elements make _____?
 _____ a probe _____ launched _____ to blame for gearbox malfunction?
 _____ an inspection going on _____ at the _____ of _____ aspects _____ faults?
 _____ anyone scrutinizing _____ role _____ external factors _____ making _____ malfunction _____?
 _____ to _____ the _____ between external conditions and gearbox _____?
 _____ are examining _____ problems making _____ are getting _____.
 Is environmental _____ being _____ as _____ potential _____ gearbox fault?
 Is _____ an _____ into _____ can _____ a faulty gearboxes?

____ an ____ about ____ external factors ____ gearbox ____?
 ____ an ____ pending that ____ at the ____ of ____ on the ____ faults?
 ____ are ____ investigations into how external factors ____ persistent ____ with ____ gears?
 There is ____ chance ____ y'all ____ looked ____ the external ____ messed up ____.
 Is it possible ____ elements ____ issues ____ the ____?
 Has ____ to ____ external ____ gearbox malfunction worse?
 How ____ faulty ____ been examined.
 Is there ____ of ____ role ____ in ____ a ____ malfunction worse?
 ____ plan to investigate ____ external factors add to ____?
 Is ____ open ____ into the cause ____ gearbox ____?
 ____ there scrutiny regarding ____ role of ____ gear ____ worse?
 Is there an ____ outside elements ____ the ____ mechanical faults ____ the ____?
 Is a ____ figure ____ external influences cause ____ problems?
 ____ you ____ at the ____ of ____ factors ____ existing ____ gears ____ transmissions?
 Is ____ being ____ at as ____ potential reason ____ gearbox ____?
 ____ there an ____ into ____ factors impact faulty ____?
 ____ the ____ examining ____ outer influences ____ faulty ____?
 Is ____ a probe ____ the defects in ____ up?
 ____ it ____ that ____ elements make existing issues ____?
 ____ authorities investigate if ____ compound ____ frailties leading ____?
 ____ might ____ checking ____ outside things wreck the gearbox ____.
 There ____ be a ____ into ____ impact ____ factors on ____.
 Have ____ begun ____ study ____ the ____ exterior ____ and ____ faulty gearboxes?
 ____ you guys ____ find ____ if ____ junk ____ malfunction-blasted gearboxes?
 Is ____ determine if ____ influences are ____ blame ____ the ____ malfunction?
 ____ there ____ probe ____ in ____ are made worse by the ____ things?
 ____ there ____ research ____ done ____ outside influences ____ affect ineffective ____ operation?
 Are ____ looking ____ the ____ in ____ problems happen with ____ and transmissions?
 You ____ were trying to uncover if ____ malfunction-blasted ____?
 Is trouble ____ from ____?
 ____ there ____ inspection ____ is ____ the ____ of external ____ on the gearbox ____?
 They ____ whether ____ making ____ act ____ worse as ____ result ____ something else.
 ____ you launch ____ elements make the gearboxes worse?
 ____ anyone tell ____ I'm ____ outside messin' ____ junky gearboxes?
 ____ looking into how ____ gearbox malfunctioning or failure?
 Is ____ the role ____ have ____ gear malfunction?
 ____ a probe to ____ if ____ were more ____ transmissions?
 ____ there ____ probe into ____ external factors in ____ gearbox?
 Is it ____ that ____ elements can ____ worse with ____?
 Did anyone attempt to investigate ____ gears ____?
 ____ manufacturers ____ into if external factors ____ blame ____ the gearbox ____?
 Is the authorities ____ at ____ influences ____ faulty ____?
 Is ____ investigation ____ see ____ external factors make ____ difference ____ gearbox ____?
 Are you ____ to ____ contributed to ____ malfunction of the ____?
 ____ it ____ that the problems ____ up ____ because of something else?
 ____ going ____ investigate how external factors ____ persistent issues ____?
 Is ____ elements ____ worse?
 ____ there ____ the ____ external factors on gears?
 ____ studying ____ role of ____ in making ____ transmissions fail?
 Is ____ at as a potential trigger for ____?

Has the authorities _____ if _____ compound current _____?

Are _____ at _____ external _____ can contribute _____ gearbox _____?

_____ investigation into how _____ factors impact _____ gearboxes?

_____ examination of how _____ influences _____ faulty gearboxes?

Is it _____ investigators _____ at _____ outside _____ gear issues?

_____ researching _____ hurting _____.

Are _____ looking into _____ problems _____ act up _____ getting worse _____ else?

Has the _____ launched an examination _____ outer _____ affect _____?

_____ whether y'all are _____ into outside messin' up _____.

If _____ current _____ frailties, have _____ started _____?

Is there _____ if outside _____ contribute to worsening mechanical fault _____?

_____ an investigation _____ is making broken gearbox work _____ worse?

_____ looked into _____ the external factors _____ up the gearbox _____?

Are _____ going to _____ external conditions _____ to _____?

I am _____ plans _____ to investigate whether external _____ faulty gearboxes _____.

Is _____ probe launched for gearbox _____ external _____?

_____ it possible that _____ elements _____ performance _____ the gearboxes _____?

_____ you going to _____ if _____ to _____ failures?

_____ begun an investigation into whether _____ elements _____ worse?

_____ look at the effect of external _____ gearbox fault?

_____ factors that are _____ the existence _____ in the _____ investigation.

Are external _____ messing _____?

Are you going _____ external _____ contribute _____ causes _____ gearbox malfunctioning?

Have experts begun _____ link _____ exterior causes and the _____ the defects _____ the _____?

Is _____ possible that _____ preexisting _____ issues?

They're _____ if outside _____ the gearbox more.

_____ into how external _____ cause _____ issues _____ faulty gears?

Are _____ looking _____ outside _____ gear issues?

_____ factors _____ with _____ gearbox problems?

_____ you _____ whether outside elements _____ the _____?

_____ investigation into _____ external _____ existing defects _____ gearbox malfunction?

Is _____ possible that _____ making broken _____ work _____.

_____ there _____ research _____ understand how outside influences can _____ gear _____?

_____ it possible _____ from outsides _____ existing gearbox _____?

_____ it _____ for _____ to _____ how _____ factors affect _____ faulty gears?

Are _____ role of _____ factors in making _____ problems with gears _____?

_____ investigation into whether _____ factors _____ to blame for _____?

Is there _____ research _____ connection _____ outside forces _____ problems _____?

_____ a _____ have been launched _____ external influences cause _____?

_____ there a correlation between external _____ with _____ gearboxes?

Is there more problems with _____ to _____?

_____ a _____ into if _____ make _____ messed up?

_____ investigate whether external conditions _____ the causes _____ gearbox defects?

Are they _____ if problems _____ up _____ get worse _____ of _____?

_____ begun _____ investigate _____ external factors are related to _____?

Is _____ probing _____ outside _____ the existing _____ with gearboxes?

_____ outside elements _____ gear _____ investigators _____ at that?

_____ it possible _____ aspects contribute _____ worsening _____ faults in the _____?

Is an _____ pending that _____ look _____ effects of _____ gearbox _____?

_____ you going to investigate _____ elements make _____ gearboxes _____?

_____ investigation _____ examine if _____ factors cause defects _____ the gearbox?
 _____ team _____ into _____ external _____ have a negative effect _____ current _____?
 _____ current gear frailties, _____ begun an investigation?
 _____ there any _____ to figure _____ extra _____ gears worse?
 _____ on the connection between _____ and the problems with the _____?
 Did _____ into the _____ of external _____ on the _____?
 _____ there _____ going on _____ connection between _____ forces _____ the problems _____ the _____?
 _____ there a _____ see _____ defects _____ are _____ by outside things?
 Is _____ examination of how _____ influences _____ gearheads?
 _____ there a _____ to investigate _____ external _____ make _____ worse?
 _____ ongoing _____ connection between _____ forces and _____ problems with gearboxes?
 Are experts _____ to _____ how external factors _____ faulty _____?
 _____ an investigation going _____ if _____ factors affect _____ defects?
 Are _____ into the _____ between _____ and gear _____?
 _____ if _____ contribute to gear issues?
 _____ there _____ that _____ at _____ effect of external aspects _____ fault?
 _____ you _____ at _____ role of _____ factors _____ aggravating _____ problems _____ and transmissions?
 _____ environmental _____ being looked _____ as _____ possible _____ more gearbox _____?
 _____ trying to discover if _____ malfunction-blasted gearboxes madder?
 _____ a _____ to _____ if there _____ a _____ the exterior causes _____ the representations of bad _____?
 Has there been _____ investigation _____ problem with _____?
 _____ did _____ to find _____ external junk makes _____ gearboxes mad?
 _____ it _____ to investigate whether _____ cause gearbox _____?
 I am _____ any plans will be _____ external factors cause _____.
 Are _____ doing research about _____ variables can _____ gearbox _____ failure?
 _____ are _____ into as a potential cause of _____.
 _____ it _____ that external _____ are _____ problems with faulty _____?
 Is _____ into _____ role of external _____ in _____ gear _____ worse?
 Are problems _____ gears _____ from _____?
 They are _____ problems with _____ are _____ of something _____.
 _____ you looking at how _____ may _____ previous _____ malfunction?
 _____ your _____ looking into the _____ external variables _____ blame for _____ defects?
 Is it _____ is _____ more _____ with faulty gearboxes?
 Is there any update _____ investigating _____ the _____ faults in _____ gearboxes?
 Is there a probe _____ why _____ in _____ messed _____?
 _____ a probe _____ see if _____ issues _____ broken transmissions even _____?
 Were _____ to figure out _____ additional _____ intensify _____ gears?
 _____ the effect _____ external aspects on _____ faults pending?
 _____ there _____ factors messing _____ gearbox problems?
 I'm _____ there's an investigation that _____ gearbox _____ even _____.
 _____ that outside causes problems _____ the existing _____?
 They might be _____ if _____ outside _____ affect _____ the gearboxes.
 Are _____ looking _____ external _____ that _____ gearbox problems?
 Is there _____ investigation _____ outside _____ make _____ faulty gearboxes _____?
 Are _____ looking _____ factors in making existing problems _____ and _____ worse?
 Has anyone _____ into _____ issues _____?
 _____ it begun _____ investigate the link between _____ factors _____?
 _____ authorities _____ investigating _____ surroundings compound current _____ frailties _____ to _____?
 Are _____ looking _____ external factors affect _____?
 _____ looking _____ elements affect preexisting gear issues?

____ it ____ to investigate ____ increase gearbox malfunction?
 ____ the ____ being looked at ____ cause of ____ fault?
 Is ____ look at the effect of external ____ the ____?
 ____ you going to ____ conditions contribute ____ causes of gearboxes ____?
 Are ____ considering whether ____ gears act ____ because of something ____?
 Is it ____ things ____ more problems with faulty ____?
 Is a probe ____ to determine if ____ the ____?
 ____ looking at how ____ factors ____ persistent issues ____ gears?
 ____ it possible for ____ elements to ____ existing ____ worse ____?
 Is ____ ongoing research about the relationship ____ outside ____ the ____?
 ____ there ____ plans to ____ if external factors ____ the ____ worse.
 Are ____ how external variables can ____ problems in ____?
 ____ there ____ research ____ to ____ influences contribute to ineffective ____ operation?
 Is ____ possible ____ conditions ____ make ____ and problems worse?
 Is an ____ pending, looking at the ____ of ____?
 ____ is an ____ into whether external factors ____ gearbox ____.
 ____ being looked at ____ the cause ____ faults?
 ____ it possible that ____ external ____ making broken ____ work ____.
 Are ____ the ____ factors that ____ make ____ gearbox malfunction?
 ____ environmental conditions being ____ at ____ a ____ gearbox ____?
 ____ ongoing research related to the connection ____ forces ____ problems ____?
 Is ____ environment ____ at as ____ potential ____ for ____ faults?
 Is ____ a ____ see ____ the defects ____ gears ____ by outside things?
 ____ there ____ probe ____ things make the defects ____ gears ____?
 Is problem ____ from ____ stuff?
 ____ experts started ____ the link ____ causes ____ of faulty gearboxes?
 Is an investigation ____ about external ____ broken ____?
 Are ____ the ____ of external factors in ____ to ____ with gears ____?
 Is ____ that problems making ____ act ____ worse because ____ something ____?
 ____ trying to ____ if external ____ makes those malfunction-blasted gearboxes ____?
 Is ____ any scrutiny ____ the ____ in ____ gear malfunction ____?
 ____ there an ____ inspection ____ will ____ at ____ on deteriorated gearbox faults?
 Is ____ any scrutiny of ____ factors ____ malfunction?
 Is there a ____ the ____ messed up?
 Are you ____ defects are made ____ external ____?
 Have ____ a study ____ the relationship ____ of faulty gearboxes?
 They ____ that ____ gear troubles.
 Is your ____ whether external variables ____ unnecessarily?
 ____ there ____ investigation ____ external factors ____ a faulty gearbox?
 ____ that external factors ____ messing ____ the problems ____ the ____?
 Is an ____ factors cause defects in the ____?
 Is ____ possible that experts started ____ on ____ between exterior causes and ____ representations ____?
 Is a probe going to ____ contribute to ____ transmission ____?
 Is there ongoing research ____ outside forces ____ problems ____ a ____?
 ____ ongoing research about the relationship between ____ forces ____ gearboxes?
 ____ a probe ____ the impact of ____ on ____?
 ____ possible for ____ external factors cause issues ____ faulty gears?
 Has the ____ launched ____ evaluation ____ outer ____ affect faulty ____?
 ____ you ____ researching the ____ of ____ factors in ____ problems ____ and ____?
 ____ worsening pre-existing gearbox ____ due ____ external ____?

Is there an _____ examining _____ outer _____ gears?

I'm curious _____ investigation will make broken _____.

Have _____ begun _____ on the _____ exterior causes _____ of _____ in the _____?

Is _____ done _____ understand how _____ contribute _____ gear operation failure?

Are _____ researching how external _____ cause gearbox _____?

_____ looked _____ how _____ can _____ gear issues worse?

Is _____ whether external _____ make _____ current _____ defects worse?

_____ that the outside _____ make _____ issues worse with _____?

_____ anything being _____ understand _____ affect ineffective gear operation?

_____ a probe into _____ outside _____ the _____ malfunction even more?

Is _____ an _____ research _____ connection between _____ and _____ with the _____?

_____ there _____ more problems with faulty _____?

_____ you _____ see if outside causes _____ of existing _____?

_____ it possible _____ an _____ occurring about _____ influences making _____ worse?

Have experts started _____ study _____ see if _____ link _____ and the _____ representations _____ the gearboxes?

Are environmental conditions being _____ at _____ of _____ gearbox _____?

Is _____ if the outside elements _____ issues _____ gearboxes?

_____ if problems _____ gears act _____ are getting worse.

_____ investigators _____ into _____ outside elements _____ gear issues?

_____ it _____ external things _____ be _____ problems _____ faulty gearboxes?

_____ a probe _____ determine _____ external _____ contribute to _____ gearbox _____?

Are _____ being looked _____ as _____ cause _____ increasing gearbox _____?

_____ an investigation _____ taking _____ make _____ gearbox work worse.

_____ there any _____ on _____ connection _____ outside forces _____ the problems _____?

I _____ know if there _____ research _____ between _____ forces and gearbox _____.

_____ studying if _____ with gears act _____ are _____?

Is _____ an _____ whether external _____ are involved _____ malfunction?

They're studying _____ problems making _____ are getting _____ because _____ else.

Was there any _____ how _____ variables increase _____?

Has _____ authorities launched _____ on _____ outer _____ affect faulty _____?

_____ is _____ an inspection looking _____ effect _____ external _____ on gearbox faults?

_____ an investigation _____ on about _____ influences making _____ gearbox _____.

_____ going to investigate _____ outside elements _____ gearboxes _____?

Environmental _____ are being _____ at _____ potential cause _____ faults.

Is _____ an _____ investigation _____ how _____ factors _____ gearboxes?

Are you _____ at the role _____ existing problems _____ and transmissions?

_____ environmental _____ looked _____ as _____ cause _____ worsening gearbox faults?

Is _____ conditions being _____ as potential _____ of worsening _____?

Are _____ probing _____ elements cause _____ with the _____?

_____ probe into _____ defects in _____ are _____ because _____ outside factors?

Did _____ how outer _____ affect _____ gearboxes?

Any _____ on _____ if _____ elements _____ performance of _____ gearbox?

Are _____ at external factors that _____ gearbox?

_____ team _____ into the _____ of external _____ current gearbox _____?

Is _____ into _____ impact of external factors on _____.

_____ underway to see if _____ affect _____ defects?

I wonder _____ investigation _____ is making broken _____ work even _____.

_____ a _____ on _____ possible _____ exterior _____ worsened representations of faulty gearboxes?

_____ you guys _____ to _____ if _____ junk makes _____ gearboxes _____?

_____ wondering if _____ an _____ broken gearbox work _____.

Has anyone _____ are _____ worse _____ outside stuff?

Are _____ to _____ factors can _____ issues _____ faulty gears?

Is a _____ launched _____ whether external _____ are _____ existing _____ problems?

_____ there _____ whether _____ play _____ role in gearbox malfunction?

There is _____ whether external factors cause problems _____.

Is environmental conditions being _____ as _____ worsening _____ faults?

_____ investigation _____ impact _____ external factors on gearboxes?

Is _____ possible _____ to _____ how _____ factors _____ issues with _____ gears?

_____ like to know _____ an investigation is _____ makes _____ worse.

Is _____ a probe into _____ something outside makes _____ worse?

Are they probing _____ add to _____ problems _____ gearboxes?

_____ looking _____ the role of external _____ the previous _____ gears and _____?

Is _____ possible that an investigation about _____ makes _____?

I _____ if they're _____ if outside things _____.

Is there an _____ gearbox _____ caused by _____?

_____ external _____ can make gearbox defects worse?

Are you _____ conduct _____ investigation about _____ external conditions _____ malfunction?

_____ have _____ plans to _____ whether external _____ gearboxes worse?

Is there any _____ gear malfunction _____?

Should _____ investigate how external _____ issues _____ faulty _____?

Is _____ investigators _____ outside elements _____ issues worse?

_____ there _____ things cause _____ in gears to _____ messed up?

_____ an inspection _____ at the _____ of _____ aspects _____ deteriorated gearbox _____

_____ gearbox problems _____ investigated?

Is _____ any _____ the _____ factors that _____ gear _____?

Is _____ an examination _____ how outer _____ affect _____?

Is it possible _____ conditions _____ outsides _____ flaws _____ malfunctions worse?

_____ at _____ factors _____ cause gearbox problems?

_____ looking _____ the _____ of external factors _____ gearbox _____?

Are experts _____ into _____ factors can _____ gears?

Are external things _____ more _____ the _____?

Is it possible _____ the _____ issues with _____ worse?

_____ a probe _____ if the unrelated issues amplified the _____ even _____?

_____ it _____ are _____ if the _____ wreck the gearbox more _____?

Is there a _____ if _____ defects _____ worse by _____ things?

Is the _____ looking _____ outside elements increase _____?

_____ y'all start a probe to _____ out _____ unrelated _____ broken _____?

Have _____ begun a study to _____ there _____ a correlation between the _____ representations _____ gearboxes?

I wonder _____ checking to _____ if outside _____ gearbox worse.

_____ investigating if _____ cause _____ frailties?

_____ authorities looking at _____ affect _____ faulty gearboxes?

_____ start looking _____ outside causes worse gearbox _____?

You _____ wanted to uncover _____ junk _____ those malfunction-blasted _____?

They are _____ whether problems _____ act _____ getting _____.

Is _____ an _____ into _____ external _____ for gearbox malfunctioning?

_____ there _____ investigation into whether _____ factors _____ defects _____ the _____?

Has _____ examination _____ how outer influences affect faulty _____?

Is gears _____ worse _____?

_____ are investigating _____ external _____ faulty _____.

Are _____ going _____ investigate if external _____ cause _____?

Is investigators looking ____ if the outside ____
 ____ experts started a ____ if ____ a ____ between the ____ causes ____ worsened representations of ____?
 Have experts begun ____ study ____ a ____ between the exterior ____ and deteriorated ____ gearboxes?
 ____ an ____ pending that ____ at the effects ____ aspects on ____ faults?
 ____ it ____ that conditions from ____ existing ____ and problems?
 Was there ____ attempt ____ investigate ____ intensify malfunctioning gears ____?
 Is it possible they ____ checking if ____ bad?
 If surroundings ____ frailties leading ____ have ____ begun investigating?
 Is there ____ on the ____ outside ____ and the ____ with ____?
 Are ____ looking into ____ possibility that outside ____?
 Is the trouble with ____?
 Is the investigators ____ gear issues worse?
 Are ____ looking ____ the ____ of outside ____ in ____ existing ____ and transmissions?
 Do ____ if surroundings ____ current gear frailties?
 ____ looking ____ external factors in making ____ problems ____ gears and ____ worse?
 Are ____ looking ____ the role of external ____ transmissions ____ work?
 ____ an investigation ____ to ____ if external factors cause ____?
 ____ external factors cause ____ defects, ____ automotive ____ investigating?
 ____ experts ____ into ____ of ____ problems ____ faulty gears?
 Is investigators examining ____ elements ____ gear ____?
 Was ____ to ____ how additional ____ make ____ gears worse?
 ____ begun a ____ see if ____ a link between the ____ causes and ____ gearboxes?
 ____ probe into the impact ____ external factors ____ the ____?
 Is ____ an investigation ____ external ____ gearbox defects?
 Are they ____ problems ____ gears act ____ getting ____ result ____ something else?
 ____ a investigation ____ the ____ external factors on ____ gearbox?
 ____ are ____ how outer ____ faulty gearboxes.
 ____ it possible that ____ cause ____ issues with ____?
 ____ experts ____ a study to ____ a link between the exterior causes ____ representations ____ the ____?
 ____ wonder if ____ at ____ outer influences affect ____ gear.
 Is ____ possible ____ make ____ deficient gearboxes worse?
 Are ____ looking ____ how ____ factors ____ problems ____ faulty ____?
 ____ you ____ to investigate the matter ____ whether ____ conditions ____ malfunction?
 ____ studying if external ____ gearbox ____ worse?
 Is it possible for ____ to ____ external ____ persistent ____ with ____?
 ____ a ____ on how ____ increase transmission problems ____?
 Is ____ possible ____ things are causing ____ faulty gearboxes?
 ____ experts started ____ out ____ there is a link ____ the exterior causes ____ malfunctioning gearboxes?
 Are ____ currently ____ of ____ factors in ____ problems with gears ____ transmissions?
 ____ the role of external factors in malfunctioning ____?
 ____ you investigating ____ factors cause ____ defects ____?
 Are ____ looking ____ if outside ____ have ____ effect ____ gear ____?
 Have anyone ____ stuff makes ____ issues worse?
 Should authorities look ____ compound ____ gear ____?
 Do you ____ external ____ make gearbox ____?
 Is ____ to ____ if external factors ____ defects ____ gearbox?
 ____ that the outside ____ worsen existing ____ the gearboxes?
 Is it ____ existing gearbox flaws and malfunction ____?
 ____ that ____ are messing ____ the gearbox problems?
 ____ wonder ____ is ongoing research about ____ connection ____ and problems with _____.

_____ your intention to investigate _____ make the _____ worse?
 Is _____ an _____ on _____ if _____ contribute to the worsening _____ mechanical _____ in _____?
 _____ it _____ that _____ may contribute _____ the _____ malfunction?
 _____ it _____ investigators are examining _____ outside _____ add _____ gear _____?
 _____ conditions _____ being looked _____ causes of _____ faults.
 _____ it possible _____ how _____ factors _____ persistent _____ faulty gears?
 Was there _____ effort _____ investigate how _____ intensify _____ gears _____?
 _____ you _____ if _____ is _____ messed-up gearbox worse?
 _____ automotive manufacturers looking into _____ external factors _____?
 Are _____ to _____ into _____ external conditions _____ gearbox problems?
 Is there a _____ looked into whether the external _____ mess?
 _____ studying if the _____ that _____ up _____ worse because of _____ else?
 _____ your _____ looking into _____ issue _____ external _____ gearbox defects?
 Are _____ whether external conditions contribute _____ gearbox malfunction?
 _____ there any _____ on _____ the _____ outside _____ and _____ with gearboxes?
 Is _____ an _____ how outer influences affect _____?
 Should authorities investigate _____ surroundings compound _____ gear frailties _____?
 _____ there _____ on investigating if outside _____ to _____ worsening mechanical _____ the _____?
 _____ conditions being _____ as _____ for gearbox faulting?
 _____ it _____ investigate whether external _____ contribute _____ gearbox _____?
 _____ there a _____ to determine _____ external _____ cause _____ problems?
 There _____ investigation into _____ impact of external factors _____.
 _____ because of external influences?
 Is _____ an investigation into _____ conditions _____ gearbox defects?
 I'm curious if _____ are plans _____ investigate _____ to _____ gear.
 _____ a _____ into _____ impact of external _____ on the _____?
 _____ investigate _____ surroundings compound _____ frailties?
 Does _____ have _____ investigating if surroundings _____ gear _____?
 Is _____ into _____ impact of _____ factors on _____ gearbox?
 Is _____ manufacturers _____ external factors make _____ defects _____?
 Is _____ the _____ looking _____ the _____ of external aspects on _____?
 So _____ guys tried to _____ makes those malfunction-blasted _____ mad?
 _____ impact of external _____ gearbox _____ by authorities?
 Wouldn't it _____ if y'all looked _____ factors _____ up the _____?
 _____ are possible _____ that _____ intensifying _____ of _____ the gearboxes
 Are _____ looking into _____ things can _____ problems _____ gearbox?
 _____ they _____ see if things outside wreck _____?
 Is _____ possible that an _____ is _____ about _____ broken _____ worse?
 _____ you _____ a probe to see _____ unrelated _____ the _____?
 _____ there _____ investigating _____ outside _____ to _____ worsening mechanical fault in the _____?
 Is it _____ investigate _____ external _____ contribute _____ problems?
 Are _____ into _____ of _____ factors on _____ malfunctioning?
 _____ it _____ external _____ make the gearbox malfunction?
 _____ there been _____ the impact _____ factors on _____ gears?
 _____ just curious if _____ plans to investigate _____ to _____ gearboxes.
 Is _____ any _____ research _____ connection _____ outside forces and _____ problems _____?
 _____ you currently _____ the _____ factors _____ contributing _____ existing problems _____ and transmissions?
 _____ there _____ update on _____ outside _____ contribute to the _____ in the _____?
 _____ it have _____ to _____ whether _____ factors _____ malfunction?
 _____ are researching _____ troubles?

Is an _____ going on _____ out if _____ factors _____ defects _____?

Are they _____ problems _____ are getting _____ because of _____ else?

_____ if external junk makes _____ malfunction-blasted gearboxes mad?

Is _____ probe _____ to gearbox _____?

Is _____ possible _____ compound current _____ and cause _____?

_____ you _____ at _____ outside _____ makes gear _____ worse?

Maybe they _____ studying if _____ making _____ act up are _____ else?

They might _____ studying _____ the problems _____ gears _____ getting _____ because of _____.

_____ looking _____ outside elements _____ gear issues worse.

_____ authorities _____ figure out _____ outer _____ affect faulty gearboxes?

Are _____ variables _____ make gearbox malfunctioning or _____ happen?

I'm wondering _____ inspection is _____ looking _____ effect _____ external _____ on _____ faults.

Has _____ begun _____ whether _____ to gearbox problems?

Could _____ compound current gear _____?

_____ the influence _____ gearbox _____?

Is there _____ probe into whether _____ defects in gears _____?

_____ they taking _____ closer look at _____ outside things _____?

_____ there research _____ to _____ how outside _____ contribute to ineffective _____?

Is there any scrutiny _____ of external _____ malfunction worse?

If outside _____ make _____ gears worse, _____ a probe?

Has _____ considered how _____ stuff makes _____?

_____ possible _____ external _____ are _____ the problems _____ the gearbox?

Has the _____ outer _____ affect faulty gear?

_____ you researching how _____ to gearbox malfunctioning?

Was _____ of _____ how additional _____ intensify _____ gears?

_____ trying to figure _____ how external _____ contribute _____ gearbox _____?

_____ begun an _____ how outer _____ affect _____ gearboxes?

_____ an _____ about if _____ make gearbox _____ worse?

_____ conducting research _____ external variables _____ lead _____ gearbox malfunctioning?

Is it possible _____ investigation about external _____ worse?

Is _____ about the connection between _____ forces _____ gears?

Have _____ study _____ see if _____ is _____ link _____ the _____ causes and the _____ representations _____ gearboxes?

So, you guys _____ discover _____ junk _____ those _____ gearboxes _____?

_____ external things causing _____ problems _____ faulty gearboxes?

Is your _____ researching whether external _____ affect _____?

_____ would like _____ outside _____ to the worsening mechanical _____ in the _____.

I _____ ongoing _____ into the impact external _____ have on faulty _____.

Have _____ begun a _____ to _____ if _____ is _____ link _____ exterior _____ and _____ faulty gearboxes?

_____ an investigation _____ outside influences _____ broken _____ work _____?

_____ there _____ attempt _____ figure out how _____ malfunctioning gears?

_____ to investigate if _____ affect gearbox malfunction?

_____ there a investigation _____ defects in gears _____ up _____ outside _____?

_____ it possible to investigate how _____ intensify _____?

There should be _____ investigation into _____ factors _____ are _____ gearboxes _____.

_____ that _____ things _____ contributing _____ more problems with _____ gearboxes?

_____ investigators _____ the _____ of _____ on gear issues?

_____ there _____ plans _____ investigate _____ have an effect on faulty _____?

Are _____ looking _____ role of outside _____ in _____ problems _____ transmissions worse?

_____ looking _____ that can cause problems _____ the _____?

Did _____ a probe into whether outside _____ gearbox _____?

Did you _____ to see if _____ amplified _____ even more?
 Was it possible _____ how extra _____ gears?
 Is _____ looked at as potential _____ of _____?
 investigators _____ looking _____ outside _____ issues worse
 I would _____ to know _____ research regarding _____ outside forces and _____ problems.
 Is _____ that _____ investigation will _____ broken _____ worse?
 _____ a plan to figure out _____ intensify _____ gears?
 Is _____ an examination _____ how _____ affect faulty _____?
 Was there _____ effort to _____ how _____ malfunctioning gears _____?
 _____ they launch _____ probe to _____ elements _____ gearbox issues?
 _____ there an examination _____ influences _____ the faulty gearboxes?
 I'm curious _____ any _____ to investigate _____ external factors _____ faulty _____.
 Do you know if there _____ problems _____ to _____ factors?
 _____ investigation into the effect _____ outside _____ on _____ gearboxes?
 Is _____ plan to _____ external factors can _____ gearboxes?
 Is _____ an _____ whether _____ factors lead _____ gearbox _____?
 _____ possible that _____ investigation about _____ influences _____ gearbox _____ even worse?
 Are _____ at _____ external _____ can cause _____ problems?
 _____ possible that _____ increase existing issues with _____?
 _____ are _____ at as _____ cause of gearbox fault.
 Is environmental _____ being _____ as a _____ cause _____ fault?
 Is _____ that conditions from outsides _____ malfunctions?
 Has _____ started _____ outer _____ affect faulty gears?
 _____ on investigating _____ external _____ contribute to gearbox _____?
 I'm _____ investigation _____ external _____ is making _____ gearbox work even _____.
 _____ you _____ investigate if _____ play a _____ gearbox malfunction?
 _____ impact _____ factors on gearbox _____ investigated by authorities?
 _____ problem with gears worse _____?
 _____ experts _____ into how _____ cause _____ issues with faulty gears?
 _____ a probe launched to find _____ whether _____ malfunction?
 _____ a word _____ if outside elements ruin gearbox _____?
 _____ investigation _____ on to see if _____ factors _____ in _____ gearbox?
 _____ it begun _____ investigate whether external factors _____ with _____?
 Is an _____ to _____ at _____ effect _____ external aspects on _____?
 Maybe they are _____ if problems _____ act up _____ worse because _____.
 _____ are checking to _____ outside things _____ gearbox more _____.
 _____ you _____ at _____ that can cause _____ malfunctioning?
 Is _____ begun to investigate _____ cause gearbox _____?
 _____ experts looking into _____ external _____ can cause _____?
 _____ it _____ that _____ is _____ to make broken _____ work _____.
 _____ being looked _____ potential catalysts for _____ gearbox faults?
 _____ a probe _____ find out _____ external elements _____ issues?
 _____ an _____ that will _____ the _____ of _____ on the gearbox fault?
 Are investigators _____ outside _____ cause _____?
 _____ environmental conditions being looked at as _____?
 _____ investigation about whether external _____ make gearbox _____?
 _____ there an investigation into _____ causes _____ failures _____?
 I wonder if _____ checking _____ outside things wreck _____.
 _____ start _____ probe to _____ related issues amplify broken _____?
 _____ there _____ investigation _____ conditions causing _____ defects?

Wouldn't ____ be great if y'all ____ whether ____ factors messed ____ ____?

____ if ____ gears act up ____ getting worse ____ of something ____ .

____ scrutiny ____ role external ____ play in ____ malfunction?

____ looked at as ____ causes for ____ gearbox faults?

____ surroundings ____ current ____ malfunction, have authorities begun ____?

Are investigators ____ at ____ elements add ____ existing ____?

____ experts started a study to ____ between ____ exterior ____ and deteriorated representations of the ____?

Are ____ trying to figure ____ something is making ____ ____?

____ there ____ plan ____ if external ____ faulty gearboxes?

____ are studying ____ see if problems making ____ act ____ are getting ____ ____ .

Is ____ a probe ____ the gearbox.

They are ____ on ____ problems.

You ____ to ____ if external ____ makes the malfunction-blasted gearboxes ____?

Experts are investigating how ____ factors ____ with ____ .

____ you ____ external ____ can ____ and lead to gearbox malfunctioning?

____ beginning to investigate whether external ____ problems?

____ probe ____ impact of external factors on ____ .

____ authorities ____ surroundings compound gear ____?

____ begun ____ study ____ the link ____ exterior causes ____ of ____ gearboxes?

Is ____ plans ____ investigate ____ factors ____ faulty gearboxes?

Did you ____ a probe to ____ if ____ issues ____?

____ automotive manufacturers ____ make gearbox defects worse?

____ there an ____ on how ____ faulty gearboxes?

Is there any ____ of ____ external ____ worse?

____ inspection going to look ____ the effect ____ external aspects ____?

Are you ____ the ____ contribute to the ____ malfunction?

____ authorities ____ if ____ compound current gear frailties.

Is ____ they are checking ____ outside ____ wreck ____?

____ being looked at as ____ cause ____ faults?

Is ____ a probe ____ if ____ in ____ worse by ____ things?

____ into how ____ factors affect ____ that are ____?

You guys ____ find out if ____ junk makes ____ gearboxes ____?

____ is ____ external factors ____ a ____ in gearbox malfunction.

Is ____ about the ____ external conditions ____ on ____ defects?

Is an inspection ____ on ____ effect of ____ on the gearbox ____?

____ investigations if ____ compound current gear ____?

____ there an update ____ if outside factors ____ the ____ mechanical ____ in ____?

____ a ____ going to determine ____ cause existing gearbox ____?

____ a probe ____ whether outside ____ make gearbox ____?

____ for experts to investigate how external ____ contribute to ____ with ____?

____ external ____ messing ____ the ____?

Have ____ started ____ investigate if ____ gear ____?

Is ____ that external things may ____ preexisting ____?

Is ____ looking ____ outside elements ____ to gear ____?

Is ____ outside things ____ gearbox worse?

____ they checking to see ____ outside ____ the ____?

____ trying ____ figure out ____ things ____ make gearbox ____ worse?

____ have begun investigating ____ current gear frailties?

Are ____ into ____ external ____ affect gearbox defects ____?

Is there a ____ about the ____ factors ____ the ____?

Is there a probe ____ what makes ____ gears ____ more ____?

Has the ____ how ____ faulty gearboxes?

Is your team ____ into ____ whether ____ variables ____ gearbox defects ____?

____ a probe ____ external elements affect the ____ issues?

Are you ____ to investigate the issue ____ contribute ____ gearbox ____?

____ you launch ____ the effect of ____ elements on ____?

Is ____ probe ____ the defects in ____ messed ____ outside things?

I wonder ____ they ____ the ____ wreck ____ gearbox more.

Is ____ case ____ automotive ____ if external ____ cause gearbox defects?

Have anyone ____ how ____ are ____ by outside stuff?

____ being ____ at as a ____ cause ____ gearbox faults?

Was there ____ attempt ____ how ____ variables intensify ____ gears?

Is ____ if the ____ elements ____ with ____ gearboxes?

____ there any ____ investigate how external ____ faulty ____?

____ there ____ the role ____ factors ____ make ____ malfunction worse?

____ investigators looking ____ if ____ elements ____ gear issues ____?

Is ____ investigation ____ how ____ factors can ____ a ____ gearboxes?

____ to ____ whether external factors ____ to faulty gearboxes?

Is ____ outside causes ____ malfunction?

Did you ____ a ____ see ____ related issues ____ transmissions?

____ there ____ ongoing ____ into ____ effects external factors ____ faulty ____?

Is a probe launched to find ____ cause ____?

____ an inspection ____ at ____ effects ____ external ____ on the gearbox ____?

Are ____ looking ____ external ____ cause ____ with ____ gearbox?

Is ____ ongoing investigation into how external ____ a ____?

____ the authorities started to ____ how ____ faulty ____?

____ it ____ that outside ____ might make ____ worse with ____?

Would ____ investigating if surroundings ____ gear ____?

____ sure ____ you're looking ____ outside messin' ____ junky ____?

Is ____ research on the ____ forces ____ with gearboxes?

Are you ____ how external things may ____ previous ____?

Are ____ authorities ____ the impact ____ external factors ____ problems?

Are ____ whether ____ conditions ____ to gearbox malfunctioning?

Is ____ a ____ into ____ something ____ gears worse?

____ a study ____ the factors ____ intensify ____ problems?

If outside ____ make ____ gears even ____ there a probe ____?

Have you ____ probe ____ the ____ of ____ on the ____?

____ wondering ____ any plans to investigate whether external ____ worsened ____ gearboxes?

Is there ____ between outside forces ____ problems with ____ gearboxes?

____ your ____ into ____ of ____ variables make current gearbox defects ____?

Is an investigation ____?

____ way to ____ outside elements ruin the ____ the gearbox?

So, you guys tried to ____ out ____ junk ____ malfunction-blasted ____?

Is environmental ____ at as ____ potential ____ worsening gearbox ____?

____ investigating if external ____ are ____ gearbox problems

____ is wondering ____ anything ____ makes ____ defect worse.

Is there any research ____ connection ____ forces ____ with gearboxes?

Have ____ a ____ the link ____ the ____ causes and the ____ of the ____?

Is ____ looking into the matter ____ whether ____ current ____ defects ____?

____ there an ____ investigation on the ____ of ____ factors ____?

Is it ____ that ____ contribute to the ____ faults ____ the ____?

____ start ____ probe to ____ unrelated issues amplify broken ____?

A probe has been ____ external ____ are ____ for existing gearbox ____.

____ conditions ____ looked at as a ____ for ____ faults?

____ there an investigation that ____ work even ____?

Have ____ a study ____ see if there ____ the exterior causes ____ the ____ representations ____ gearboxes?

Is ____ elements might ____ existing issues ____ with the ____?

Are ____ if ____ outside elements make the ____?

Are you ____ at ____ external ____ lead to ____?

Is a probe ____ of ____ on the gearbox ____?

____ you going to ____ causes of ____?

____ there a probe ____ if ____ elements ____ issues?

Has it begun ____ investigate whether or ____ factors ____?

____ you begun ____ the impact ____ external factors ____ gearbox?

Are ____ looking ____ if ____ add ____ gear issues?

Is environmental ____ being looked at ____ the ____ gearbox ____?

Is ____ scrutiny ____ the ____ external factors play ____ malfunction?

Is there an investigation ____ factors ____ gearbox ____?

Is ____ that external ____ preexisting gearbox problems?

____ if there is ongoing research ____ between ____ problems with gearboxes.

____ if there ____ plans ____ investigate ____ factors affect faulty gearboxes.

____ authorities investigate the ____ external ____ gearbox malfunctioning?

____ if ____ the outside things wreck ____ gearbox worse.

____ there ____ into the impact of external ____ on ____?

Was there a ____ how ____ malfunctioning gears?

Is environmental ____ looked at as ____ gearbox fault?

Are ____ looking at the role ____ external ____ the ____ problems with ____ and ____?

____ starting to ____ if ____ causes worse ____ problems?

____ that ____ things are ____ more problems with faulty ____?

Could surroundings compound current ____?

____ are ____ effects ____ troubles

____ an ____ investigation into the ____ have ____ faulty gearboxes?

____ trouble ____ gears ____ from ____ stuff?

Is ____ investigation ____ the causes of ____?

____ an ____ that is looking ____ effect of external ____ the gearbox ____?

____ external factors are messing up ____ gearbox ____?

____ a ____ into ____ impact ____ factors on ____ gears started?

Is an inspection ____ the effect of ____ aspects ____ deteriorated ____?

Is ____ any ____ research ____ the ____ and ____ with the gears?

____ make the ____ more messed up, is there ____ probe ____?

Are investigators looking at ____ elements on existing ____?

I ____ know if ____ looked ____ whether ____ external factors ____ the gearbox ____?

____ curious ____ there ____ to investigate whether external ____ gearboxes worse.

Are ____ at ____ external factors ____ cause problems with ____?

____ it ____ that ____ things wreck ____ gearbox more ____?

____ if outside ____ ruin the gearbox's performance ____?

Does it ____ begun ____ external factors ____ to gearbox ____?

Is ____ about ____ external factors ____ defects?

____ investigators are ____ if outside ____ make ____ worse.

Is it possible that external things ____?

Is there _____ investigating if outside aspects _____ mechanical _____ in the _____?
 _____ sure if an investigation is _____ will make _____ work _____.

Will _____ investigate _____ external _____ persistent _____ with faulty _____?

Are experts _____ to _____ cause persistent _____ malfunctioning gears?

Is there _____ connection between outside forces _____ with _____ gears?

You _____ to find _____ if external _____ the malfunction-blasted gearboxes _____?
 _____ that outside _____ make _____ with the gearboxes worse?

Is _____ any research _____ understand _____ outside _____ to ineffectual gear _____?

Is _____ probe into _____ defects in _____ because _____ outside things?

Is your _____ external _____ have _____ effect on _____ gearbox _____?

Are _____ looking _____ outside _____ the gearboxes worse?

Is there an _____ of external _____ on malfunctioning _____?
 _____ into external conditions _____ contribute to _____ defects?
 _____ an update _____ outside aspects contribute to _____ worsening _____ in the _____.

Is there an _____ into _____ relationship _____ and _____ malfunction?

Is there an ongoing _____ affect faulty _____?
 _____ you _____ figure _____ how external _____ contribute _____ gearbox problems?

Are _____ going to _____ cause gearbox malfunction?
 _____ there more problems _____ gearboxes caused by _____?

Is there _____ the factors that _____ malfunction _____?

Is it possible _____ external _____ cause faulty _____?

Is it _____ elements contribute to _____ issues?

Was there _____ out _____ extra variables _____ malfunctioning gears?

Is it _____ that _____ investigation _____ broken gearbox work _____.
 _____ there any _____ into _____ external factors _____ gearbox _____?
 _____ there _____ inspection _____ at the _____ of external _____ on _____ faults?

Is there any research being _____ to _____ out how _____ to _____?
 _____ it true that _____ things _____ causing _____ problems _____ faulty _____?

Is there _____ external factors are messing _____?
 _____ launched _____ examination _____ how outer _____ affect faulty gearboxes?

Is _____ an _____ if surroundings _____ current _____?

Are _____ into the possibility that _____ gearbox _____ worse?

Is _____ inspection _____ to _____ of _____ factors on gearbox faults?
 _____ an _____ inspection _____ at the _____ external _____ on _____ faults?

Is there _____ looking _____ of external aspects on gearbox _____?

I'm _____ if there _____ be any plans to _____ factors _____.
 _____ an update on _____ the _____ to _____ mechanical _____ in the gearboxes?
 _____ you _____ outside elements make _____ gearboxes worse?

Are _____ looking at _____ elements can _____ worse?
 _____ the external _____ worsening _____?

Are _____ looking _____ whether the _____ gears _____ up are getting _____ else?

Is _____ at as _____ possible _____ of _____ gearbox fault?

Is a _____ being _____ to _____ if _____ elements _____ transmission _____?
 _____ wondering _____ the investigation is _____ broken _____ even _____.
 _____ a _____ into if outside things cause _____ be messed _____?
 _____ to investigate the causes _____ malfunctioning gears?

Is _____ begun _____ whether external factors cause _____?

Are authorities looking _____ the _____ external _____ on _____?

Is _____ being _____ at _____ potential culprits for _____ faults?

They _____ affect gear troubles.

____ a probe going to determine whether external ____ to ____?

A probe ____ determine if external ____ to ____ for ____ problems.

____ authorities investigating ____ impact ____ external ____ gearbox failures?

____ there any ____ to figure ____ how ____ intensify?

____ anyone ____ if the ____ elements ____ the performance ____ gearbox ____?

Are you starting ____ check ____ problems with ____ gearbox?

Is there ____ in gears are made ____ outside factors?

The ____ external ____ on ____ is ____ investigated.

____ there ____ probe ____ if ____ in gears are ____ worse ____ things?

Is ____ a ____ the cause ____ defects in ____?

____ probe launched to ____ elements increase ____ issues?

____ an ____ going to look at the ____ gearbox faults?

____ an ____ taking ____ to ____ if external factors ____ for gearbox ____?

Is ____ of ____ gearbox caused ____ outside ____ investigated?

____ environmental conditions being ____ at ____ potential trigger ____ faulting?

____ curious ____ if ____ to ____ whether external ____ affect faulty gearboxes.

If ____ things messed ____ the gears, ____ probe into ____?

____ a ____ into the impact ____ external ____ on the _____.

____ it ____ for authorities ____ evaluate ____ affect faulty gearboxes?

____ there an effort to ____ additional variables ____ gears ____?

Are ____ looking at ____ of external factors on existing ____ and ____?

Is ____ investigating the ____ of external ____ on ____?

____ if there ____ plans to investigate ____ external factors are ____ for _____.

Is ____ probe into ____ outside things ____ the ____ even ____ up?

Are ____ role of ____ factors ____ increasing problems with gears ____?

Is ____ ongoing investigation into ____ affect faulty ____ boxes?

____ investigators trying to find out ____ outside ____ worse?

____ it ____ to look ____ whether external ____ to ____ malfunctioning?

Did you begin a probe ____ if ____ even more?

I'm ____ if there ____ to investigate ____ external factors ____ gearboxes?

____ you looking ____ external ____ can contribute ____ gearbox ____?

____ possible ____ investigation is ____ makes broken gearboxes ____ worse?

____ whether external factors can ____ gearbox malfunctioning?

Are you ____ elements make the ____ gearboxes ____?

Is there ____ probe ____ how ____ defects ____ are ____ worse?

____ wondering ____ an ____ external ____ makes ____ gearbox work ____ worse.

Authorities ____ outer ____ affect ____ gearboxes.

Are there going ____ be an ____ whether external ____ to ____?

Did you ____ a ____ find ____ unrelated ____ amplify broken ____?

Is ____ that authorities ____ examining ____ influences affect ____ gearboxes.

Has a probe ____ into the ____ factors ____ gearbox ____?

____ you going to investigate whether external ____ malfunction?

____ they checking ____ see ____ the outside things ____ the ____?

Have authorities ____ if surroundings ____ current gear ____?

Has it ____ to investigate whether external ____?

Are ____ going to ____ external ____ contribute to gearbox ____?

____ into how external factors ____ issues ____ faulty ____?

Are ____ looking ____ influences affect ____ gearboxes?

Is it ____ factors ____ messing up ____ issues?

Is ____ gearboxes ____ caused by ____?

____ there ongoing ____ between ____ forces and ____ problems ____ the gears?
 ____ there ____ more research on the ____ outside forces ____ gearboxes?
 Are investigators ____ the ____ of outside ____ issues?
 Are you ____ investigation on whether ____ to gearbox malfunction?
 Was ____ any ____ to figure out ____ intensify ____ gears?
 ____ make ____ defects worse?
 ____ going ____ look at ____ of external ____ the gearbox faults?
 Are ____ going ____ investigate whether external conditions ____ to ____?
 ____ an ____ and ____ at ____ external aspects on the ____ faults?
 ____ a pending ____ at ____ of external ____ on gearbox ____?
 ____ an ____ whether external factors ____ gearbox ____?
 Did ____ junk makes those malfunction-blasted gearboxes mad?
 ____ you ____ how ____ can lead to gearbox malfunctioning?
 ____ be scrutiny ____ the role of external ____ making ____ worse.
 ____ they ____ effects that hurting ____?
 Are you ____ look ____ external ____ contribute ____ gearbox malfunction?
 ____ it ____ to find ____ if the ____ elements make the ____?
 Is ____ possible ____ affect persistent ____ with faulty ____?
 Is there a probe into if ____ things outside?
 ____ looking ____ external ____ that cause ____ issues?
 Do you ____ if anything is making ____?
 Are they probing ____ the ____ make ____ issues ____ the ____?
 Is ____ that outside things wreck ____ gearbox ____?
 I ____ there is an ____ how external factors ____ gears.
 Are ____ conditions ____ looked ____ as ____ cause ____ gearbox faults?
 ____ are looking at whether the ____ making ____ are ____ of something ____.
 ____ environmental conditions ____ at as ____ of gearbox fault?
 ____ investigating ____ external factors make faulty ____.
 ____ guys ____ to find ____ if external ____ those malfunction-blasted ____?
 They're checking to ____ if things ____ gearbox ____.
 ____ external ____ making gearbox defects ____?
 Are ____ going to investigate ____ external ____ gearbox malfunction?
 Are ____ checking ____ see if ____ things wreck ____ gearbox ____?
 So, ____ guys ____ trying ____ find ____ if ____ malfunction-blasted ____ caused ____ external junk?
 Has ____ authorities ____ an examination of ____ influences affect ____?
 ____ are researching ____ that are ____.
 Is ____ happening ____ external ____ broken gearbox work ____?
 You ____ to uncover ____ external junk makes ____ gearboxes ____?
 Are there more problems ____ external things?
 How outer ____ affect ____ gearboxes has ____ examined ____?
 ____ there ____ probe ____ the gears are messed up ____ outside ____?
 ____ any scrutiny ____ external factors can make ____ worse?
 ____ possible ____ from outsides cause ____ the gearbox?
 Is ____ that ____ outside ____ problems with ____ faulty gearbox?
 ____ beginning to ____ factors are ____ blame ____ gearbox malfunction?
 ____ begun ____ examination of how ____ influences ____ faulty gear?
 ____ a plan to ____ additional variables increase ____ problems?
 ____ there ____ investigation into ____ factors cause ____ issues with ____?
 Is ____ any ____ investigate ____ external ____ affect faulty ____?
 ____ it possible ____ will ____ how external ____ persistent issues with ____?

_____ going _____ external conditions contribute to _____ gearbox malfunctioning?

_____ see if other issues amplify the _____ transmissions?

_____ there been _____ probe _____ impact of external factors _____?

They _____ researching how effects _____.

_____ to look _____ if external _____ to blame for gearbox _____?

Are you _____ of external _____ on _____ malfunctioning _____ failure?

Is the inspection _____ effect of _____ gearbox faults?

Is it possible _____ from outsides _____ existing _____ flaws _____?

_____ tried to uncover _____ external _____ the malfunction-blasted gearboxes _____?

They _____ if the outside things _____ gearbox _____.

Is investigators _____ at _____ outside elements _____ issues _____?

_____ authorities suspect _____ current gear _____ leading _____ malfunction?

_____ there _____ investigation to find out _____ affect existing _____?

Are _____ variables can make _____ malfunctioning or _____?

Are _____ looking _____ the _____ external factors in _____ transmissions bad?

Are you _____ investigation _____ out _____ external _____ contribute _____ gearbox problems?

Are they _____ problems _____ gears _____ up are _____ worse _____ of _____ else?

_____ you looking at the _____ external _____ making gears _____ have _____?

_____ worsening pre-existing gearbox _____?

Is a probe _____ if external _____ are _____ gearbox malfunctioning?

_____ curious _____ investigation about external influences _____ broken _____ worse.

_____ investigators _____ at _____ outside elements _____ gear?
