

[Demo] NLP Dataset for Customer Service Automation

Company Type	Auto Repair and Maintenance Shops
Inquiry Category	Difficulty changing gears in manual transmission
Inquiry Sub-Category	Transmission wear and tear
Description	Customer inquiries regarding problems shifting gears in manual transmission caused by general wear and tear, including worn-out gear teeth, damaged or misaligned shift forks, or a faulty gear selector mechanism.
Data Size	8,822 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Auto Repair and Maintenance Shop" customer inquiry. (Purchased data will not be masked.)

_____ possible _____ a faulty gear _____ causing issues when _____ manually?
 It _____ faulty gear _____ causing shifting troubles.
 A faulty _____ mechanism could be to _____ gears _____.
 There could be _____ glitch _____.
 _____ faulty gear selector _____ shifting _____?
 _____ selector _____ problems shifting _____ manually.
 _____ could be _____ when changing _____ of _____ faulty _____ selector mechanism.
 _____ a broken _____ selector _____ shifting to _____?
 Is _____ selector _____ cause of _____ issues?
 _____ is _____ possibility that _____ gearbox lever _____ manual _____.
 _____ gear _____ might endanger _____ shifts.
 D'ya _____ a bad gear _____ could _____ shifting?
 _____ the gear selector _____ up _____ manual shifts.
 Is _____ possible _____ with _____ gear selector are causing _____ changing _____?
 Can _____ glitchy _____ finder _____ with my _____?
 manual _____ problematic if there is _____ gear _____.
 D'ya thinks that _____ bad _____ ruin _____ shifting.
 _____ gear _____ affect manual shifts?
 If there _____ shifter _____ then gear _____ happen.
 Wondering if _____ challenges _____ manual gear shifts are related _____ a _____ selector _____ vehicle?
 _____ the _____ causing trouble?
 Some dumb gear _____ make _____ harder _____ gears.
 _____ of the gear selector _____ manual?
 When _____ what if _____ bad gear _____ is _____ blame?
 Is it _____ shifter is _____?
 _____ a faulty _____ selector the cause _____?
 _____ it possible the _____ lever affects _____ manual _____?
 Any chance a faulty shifter's _____ to blame _____?

Could a faulty ____ selector ____ manual shifting problems I'm ____?

There may ____ issues ____ faulty ____.

Is ____ problem ____ gear Selector?

____ manual ____ could ____ gear ____ glitches?

____ it ____ faulty gear ____ cause trouble ____ gears manually?

____ assembly is messing up ____ when I ____ manually.

Is ____ malfunctioning gear selector ____ cause problems ____ the ____ gear shifts?

Is it ____ up ____ shifter could ____ trouble?

Can a faulty ____ affect a ____?

It's ____ the ____ impact the manual changes.

____ gear selector mechanism ____ car may cause ____.

____ improper ____ of the gear ____.

____ that a ____ gear selector ____ ruin manual ____?

____ bad ____ mess ____ the changing ____?

Is ____ a ____ a ____ gear ____ affects the ____ shifts?

Is ____ possible that ____ gear ____ issues ____ making ____ difficult to ____?

____ there ____ a connection between ____ gear select ____ stick-shift ____.

Is it ____ in manual ____ shifts with ____ gear selector?

____ be defects ____ gear selector ____ jeopardize ____ shifts.

____ Selector a problem with ____ shifting?

Selecting ____ be problematic ____ selector.

____ bad ____ make ____ shifting hard?

The ____ switch ____ make it ____ to ____ like I ____.

____ it possible that ____ faulty ____ selection mechanism would ____?

shifting ____ could be ____ by ____ gear ____

____ wonder ____ manual ____ difficulties ____ from a malfunctioning ____ selector ____.

Shifting ____ be caused ____ gear

____ may ____ between ____ select and difficult stick- ____ action.

Is ____ a ____ that ____ shift ____ because ____ faulty selection?

Is ____ shifter ____ shifts?

____ gear ____ if ____ is a ____ shifter mechanism.

When changing ____ if ____ bad ____ messes things up?

____ are ____ issues ____ an ____ selector system.

____ challenges ____ during manual gear shifts ____ be related to a faulty ____ in ____.

____ broken gear ____ be ____ shift issues?

____ a ____ affect manual shifts?

Do ____ gear selector ____ affect my manual ____?

____ it possible that issues ____ gear ____ it hard to ____ gears ____ car?

A faulty ____ make ____ difficult to change ____.

____ possible that a ____ gear selector affects ____?

____ the ____ gear selector gizmo ____ shift ____?

____ it likely ____ a faulty gear ____?

____ wonder ____ the ____ manual ____ have anything to do ____ a ____ selector in my car.

A faulty ____ Selector ____ could ____ blame ____ the issues ____ gears ____.

____ possible if ____ gear change ____ broken.

There may be defects ____ that ____ shifts.

____ am wondering if ____ messing up my gears ____ I switch ____.

The manual ____ could ____ by ____ faulty gear ____.

____ it possible ____ a ____ gear shift might ____?

____ malfunctioning gear switch ____ shifting ____?

___ it ___ for ___ messed-up gear shifter ___ trouble?

Does ___ malfunctioning ___ selector cause ___?

___ faulty ___ selection mechanism ___ be ___ blame for ___ changing ___.

___ it possible ___ shifts can ___ affected ___ a ___ gear ___?

Trouble ___ could ___ result.

Do you ___ selector ___ affect my shift?

___ it possible ___ gear selectors ___ cause trouble ___?

Is ___ a ___ selector causing problems ___ manual gear shifts?

Problems shifting ___ malfunctioning shifter.

Can ___ gear ___ mess ___ the ___ shifts?

___ a broken ___ selector ___ difficult?

Is ___ that a faulty gear selector ___?

Is ___ that manual shifts are ___ deficient gear ___?

Is it possible ___ issues ___ my gear ___ are making it ___?

___ manual shift ___ can be hampered ___ Selector.

Is ___ problem with a ___?

___ this crappy shifter ___ manual ___?

Sometimes manual shifts ___ up ___ a ___ gear ___.

___ I'm facing during ___ gear shifts ___ have something to do with a ___.

___ for ___ malfunctioning ___ switch to cause issues in ___ gear ___?

___ wonder ___ the gear selector ___ trouble shifting ___ gears ___.

___ gear ___ with manual shifts.

When changing gears by ___ there ___ bad gear ___?

___ gears ___ what ___ a bad selector ___ bad?

___ that ___ when changing gears are due ___ faulty ___ mechanism.

When ___ gears by hand, ___ there ___ a bad ___?

Is it ___ bad gear selector ___ mess with ___?

The ___ could ___ during ___ manual shifts.

The gear ___ may ___.

Can manual shift success ___ by ___ selector?

I'm ___ if the challenges I'm ___ during ___ might be ___ to ___ selector.

___ gears ___ 'cause of bad selector.

Does ___ gear selection ___ manual ___ changes?

It's ___ gear selector ___ affect ___.

A ___ can ___ up ___ shifts.

Can a malfunctioning ___ selector ___?

The manual ___ problems ___ experiencing were ___ by a ___.

A ___ gear ___ causing shifting ___.

___ by a faulty gear switch?

___ wondering ___ challenges ___ facing during ___ gear shifts ___ to ___ faulty ___ selector.

A ___ selection mechanism could ___ changes ___ be ___.

___ a ___ gear ___ mechanism ___ the ___ when changing gears manually?

Shifting mishaps ___ be ___ if ___ gear ___ broken.

___ chance ___ a ___ shifter is ___ for my ___ shift problems.

Failing mechanical trans-selection can ___.

It is ___ that gear ___ manual ___.

Is the ___ assembly ___ cause ___ not ___ I switch them ___?

The ___ could be caused ___ a ___ selector.

Do you ___ bad ___ could ___ my manual ___?

Is ___ a ___ to ruin my manual shifting?

_____ manual shifting _____ and _____ if _____ faulty gear selector _____ blame.

_____ problems with manual gear shifts _____ a _____ selector.

Do you think a bad _____ mess _____ shifting?

A broken _____ to blame for _____ struggle.

Could the _____ gear _____ difficult to shift _____?

_____ there _____ chance that _____ is faulty?

_____ bad gear-selector _____ with _____?

_____ it possible _____ a _____ gear _____ manual shifts?

Do you _____ a bad gear _____ my _____ shifting?

Is there a _____ with _____ gear _____ cause it _____ gears _____?

Is it possible _____ the gear _____ in _____ shifting difficulties?

Shift _____ be _____ a malfunctioning _____ selector.

Difficulty choosing _____ due _____ is _____.

_____ the gear _____ might jeopardize _____.

Is it _____ for a malfunctioning _____ to mess _____?

Can _____ be linked _____ broken gear _____?

_____ possible that _____ bad _____ messing things _____ changing gears _____ hand?

Is it possible _____ my gear _____ malfunctioning, _____ it _____ to _____ vehicle?

_____ it _____ is making it difficult to change _____ my car?

Does bad _____ changing _____?

There is _____ question _____ a bad gear _____ up _____.

_____ gear _____ ruin my shifting?

_____ manual _____ success hindered _____ a _____ gear selector?

Is _____ gear _____ to blame _____ problems?

Is _____ gear selector.

_____ gear _____ gizmo _____ be to _____ the manual shift _____.

_____ could _____ the faulty shifter _____.

_____ gear-selectors messing with _____ gears _____?

_____ gear _____ mechanism _____ could _____ cause of the manual _____ difficulties.

Does _____ affect the _____ of _____?

Can _____ busted _____ manual _____ difficult?

Is there _____ chance _____ a _____ malfunctioning?

I _____ if a _____ would _____ the _____ manually _____ gears.

_____ don't _____ if _____ challenges I'm _____ during manual _____ shifts are related _____ gear _____.

Is there _____ with _____ gear _____?

Can _____ faulty _____ manual shifts?

Is the _____ gear _____ my _____?

_____ was _____ challenges I'm facing _____ manual gear _____ are _____ to a faulty _____ selector _____ my _____.

Is _____ faulty _____ selector mechanism in _____ the _____ manual shifting _____?

Is it _____ broken _____ is _____ my gears _____ I _____ manually?

_____ malfunctioning _____ selector _____ trouble?

Is _____ chance _____ is _____ blame for my issues?

Is it _____ a _____ gear _____ mechanism causes _____ shifting _____?

Is _____ for a faulty _____ Selector _____ mess with _____?

_____ problems may be caused _____ broken _____.

Is _____ a _____ gear _____ difficult stick-shift action?

_____ it the _____ of _____ gear _____?

_____ there a _____ selector _____ causing trouble?

_____ a malfunctioning gear _____ likely to cause _____ manual _____?

_____ bad shifter ruining manual _____?

Issues when ____ gears manually ____ by ____ gear ____ mechanism.
 ____ flawed ____ affect manual shifting ____.
 manual ____ can ____ up ____ glitchy gear selector.
 Is it possible ____ up gear ____ can ____?
 ____ manual ____ be affected by ____ malfunctioning ____ selection ____?
 I'm ____ problems and I'm ____ if ____ malfunctioning gear selector ____ ____.
 There could be ____ in ____ to endanger ____.
 ____ could be ____ the ____ jeopardize smooth shifts.
 The manual ____ can be ____ by ____ gear ____.
 When ____ by hand, ____ if a ____ messing ____ up?
 Does bad ____ mess up ____?
 I'm ____ the ____ during ____ shifts are related ____ malfunctioning gear ____ in my car.
 Problem ____ is ____?
 ____ shifting ____ hands, ____ gearshift cause ____?
 Is ____ that ____ malfunctioning ____ selector will cause ____?
 ____ question about ____ bad gear ____ up manual ____.
 Is ____ a chance ____ the ____ shift ____ because of ____?
 ____ could ____ shifting ____ with a faulty gear ____.
 Can manual ____ be ____ faulty gear selector?
 ____ faulty gear ____ mechanism could ____ blame for issues ____.
 ____ shifting can be ____ with ____ glitchy gear ____.
 ____ shifting be made ____ by a busted ____?
 ____ would like ____ gears, ____ could a ____ gear ____ make ____ difficult?
 It ____ that the ____ selector could cause ____.
 Some gear ____ defects ____ jeopardize ____.
 ____ can be ____ up ____ a ____ gear selector.
 ____ with manual shifting and ____ a faulty gear selector ____ the ____.
 ____ possible ____ a dumb gear ____ it ____ shift gears?
 ____ glitchy gear system affect ____?
 ____ manual shift ____ can ____ affected by ____ gear ____.
 If ____ a ____ mechanism, ____ problems can happen.
 Is it possible ____ a ____ gear ____ could ____?
 Maybe ____ faulty ____ cause problems ____ gears.
 ____ a ____ making shifting troubles?
 ____ manual shift ____ can ____ a ____ gear selector.
 ____ possible ____ in ____ selector ____ could ____ smooth shifts.
 ____ the ____ selector ____ bad?
 ____ connection between unreliable gear select and ____ stick shift ____.
 Is it possible ____ there is ____ in ____ gear ____?
 There ____ be issues ____ a faulty ____.
 Would a ____ gear ____ gear ____?
 ____ there a connection ____ and difficult stick ____ action?
 I'm ____ manual ____ issues and ____ wondering if ____ selector ____ responsible.
 ____ it ____ that ____ challenges ____ facing ____ gear shifts ____ to do ____ a ____ gear selector?
 ____ changing of gears ____ be ____ consequence ____ trans-selection ____.
 ____ it ____ that ____ causes issues ____ shifting gears manually?
 ____ might ____ trouble shifting gears.
 Is ____ a faulty ____ affect manual shifts?
 There might be ____ in ____ gear ____ that could ____.
 ____ chance that ____ gears would ____ poorly because ____ selectors?

_____ busted gear mechanism _____ hard _____ shift?

Cause of bad _____ poser, _____ shifting _____.

_____ there _____ gear _____ causing shifting _____?

Is _____ malfunctioning _____ I shift _____ gears?

_____ is a _____ of manual _____ difficulties _____ malfunctioning gear selector _____.

I'm _____ manual shifting _____ and I wonder _____ faulty _____ responsible.

Is it _____ that there _____ a _____ in _____?

_____ changing _____ gears can _____ related _____ failing _____ trans-selection.

Can _____ bad _____ selector _____ problem with manual _____?

_____ may be _____ gear selector that endanger _____ shifts.

There's _____ that gear _____ troubles _____ manual _____.

It is _____ that the _____ selector could _____ trouble _____.

I would like _____ shift gears, _____ gear _____ make _____?

Are _____ problems _____ manual gear shifts because _____ malfunctioning gear _____?

Is _____ that my gear selection _____ making it _____ to change _____?

_____ by hand _____ be _____ by _____ gear selection.

_____ accidents could _____ by _____ gear _____.

Is _____ a possibility _____ bad _____ lever _____ manual _____?

I'm having _____ and I wonder if _____ gear _____ blame.

_____ that my gear _____ making _____ difficult _____ change _____ in my vehicle?

_____ it likely that manual _____ are _____ faulty gear _____?

Is _____ a _____ between _____ pick _____ difficult stick _____ action?

Some issues _____ arise _____ shifter _____.

Can _____ glitchy _____ manual shifting?

_____ possible _____ malfunctional shifter _____ cause _____.

A _____ mechanism _____ blame for issues when changing _____ on _____ basis.

Shifting _____ caused by _____ gear _____.

The _____ switch _____ affect _____ shift.

There _____ be a _____ for the gears _____ poorly _____ selectors.

Manual shifting efforts can _____ a _____ gearboxes _____.

Is _____ gear selection _____ trouble _____ I _____ my _____?

_____ bad gear-picking ruin the _____?

I wonder if _____ facing during _____ gear _____ are _____ to _____ gear _____ in my _____?

_____ think _____ crappy _____ could affect _____ manual shifting?

I wonder _____ I'm facing during manual gear _____ of a faulty _____ in my _____.

Shifting _____ be _____ to a _____ gear _____.

_____ arise _____ a _____ shifter mechanism.

Is _____ hampered _____ a _____ gear Selector?

Would the _____ gear change _____ by _____ faulty _____ mechanism?

When changing _____ wacko selectors _____.

I'm _____ manual shifting _____ am _____ a _____ gear selector _____ the _____.

_____ wonder if _____ in the gear selector _____ trouble _____.

Is _____ possible that _____ from _____ bad gear _____?

Is it _____ there _____ problem with the gear _____?

Does _____ messed with _____ manually?

Manual shift _____ be hindered by _____ selection.

There _____ between an _____ gear select and a _____ stick-shift _____.

Does dumb gear _____ make _____ shift _____?

_____ that _____ gear _____ can ruin my _____ shifting?

It's possible that _____ show _____ during manual _____.

Is it possible _____ be caused _____ broken gear selector _____?

_____ flawed _____ manual shifting efforts.

Do you _____ a _____ gear Selector _____ manual _____?

_____ is a chance of _____ a faulty shifter _____.

A _____ mechanism _____ cause _____ problems.

_____ the _____ with _____ gears _____ to a malfunctioning gear _____?

_____ a chance that _____ selector _____ could _____ smooth _____.

_____ be a reason _____ unreliable _____ and _____ stick _____ action?

_____ it _____ the gear selection _____ make _____ worse?

Can a broken gear _____ challenging?

_____ a faulty _____ mechanism _____ problems _____ occur.

_____ is a chance _____ shifter _____ cause issues.

There could be _____ with an _____.

_____ gear selector _____ with manual _____.

_____ this _____ shifter _____ shifts?

_____ could be defects _____ that jeopardize _____ shifts.

_____ messed _____ shifter cause _____?

The manual shift _____ be _____ by _____ gear.

Does a _____ gear _____ it _____ shift?

_____ selector troubles that affect _____.

It's _____ a _____ in my car _____ cause manual shifting _____.

_____ there a chance _____ faulty gear selector _____?

There _____ caused by a _____ Selector.

Is it _____ to have improper functioning of _____?

Is _____ shifting _____ if a busted _____ malfunctioning?

Does _____ malfunctioning _____ selector _____ problems?

_____ from _____ gear selection system?

_____ faulty _____ able to mess _____ shifting _____ manually?

It's possible _____ changes _____ affected _____ gear _____ troubles.

_____ gears _____ due to malfunctioned _____.

I'm wondering if _____ facing _____ gear shifts might be due _____ faulty _____.

_____ problems shifting gears due to _____ faulty _____.

_____ want _____ shift _____ but _____ switch make it harder?

D'ya _____ a bad _____ selector could _____ with _____?

Is _____ bad _____ selector _____ troubles?

Shifting troubles could _____ flawed _____ selector.

_____ is possible _____ gear _____ impact manual _____.

Does bad _____ affect shifts _____?

shifting _____ may _____ caused by _____ selector.

Is it possible that the _____ facing _____ gear _____ have _____ to do _____ a _____ gear _____ vehicle?

_____ a bad _____ selector could _____ up _____ shift?

A bad _____ selector _____ manual _____.

Is _____ possible that _____ selection _____ are _____ it _____ to manually change _____ vehicle?

Is it _____ that _____ challenges _____ manual _____ shifts might _____ to a _____ in my vehicle?

_____ it _____ a faulty gear _____ the manual _____?

_____ there a chance _____ malfunctioning gear _____ causing _____?

When _____ by hands _____ messed up _____ shifter _____?

A _____ causes _____ while _____ gears.

Is _____ a gear selector _____ mess up my _____?

_____ a malfunctioning _____ Selector _____ to _____ problems _____ gear shifts?

Can shift issues _____ attributed _____ gizmo?

_____ gear _____ gizmo can be _____ for _____ issues.

_____ might be problems _____ caused by a _____ gear _____.

Is _____ to shift poorly due to incorrect _____?

_____ shifting gears could be caused _____ gear _____.

_____ gear-selector _____ changing gears manually?

Can a _____ shifting more difficult?

Is _____ bad gear shifter _____ for _____ shifting _____?

Is it possible _____ could _____ up shifting gears _____?

_____ choosing gears _____ possible.

_____ possible _____ gear selector _____ cause manual shifting _____ in my car?

Is it _____ that _____ selection _____ affect _____ hand?

_____ possible _____ issues with _____ gear _____ more difficult to change gears in my _____?

_____ could _____ gear selector _____ up during _____ shifts.

When _____ hands _____ messed up _____ shift _____ trouble?

Is _____ possible that dodgy gear selection _____ to be _____?

I _____ manual shifting _____ and _____ wonder _____ gear selector is to _____.

Is _____ likely that a gear _____ in manual _____ shifts?

My gears _____ because of _____.

The _____ problems I'm _____ could _____ result of _____ gear selector.

I'm experiencing _____ shifting _____ and _____ if _____ faulty _____ is responsible.

How _____ faulty gear selection affect _____?

_____ shifts can be ruined _____ gear selector.

When _____ gears _____ what if _____ a _____ selector?

_____ malfunctioning gear _____ for shifting?

_____ gear selector be _____?

_____ gear selector _____ be to blame for _____ gears _____

_____ could be possible for a malfunctional _____.

_____ shifting _____ caused by _____ faulty gearshift.

Is _____ a problem _____ the gear shift?

_____ it possible that defects _____ could cause _____ shifting _____ manually?

_____ likely to be _____ gear shifts _____ a malfunctioning _____ selector?

Can _____ manual shift be _____ by _____ faulty _____?

I'm having _____ I wonder _____ faulty gear selector _____ responsible.

_____ it _____ a _____ gear selector will _____ the manual _____ shifts?

_____ gears are not _____ because _____ bad _____.

_____ in manual _____ shifts when _____ is a _____ gear _____.

_____ possible that _____ gear _____ cause _____ shifting gears.

_____ a _____ selector _____ problems?

shifting _____ might _____ by a broken _____.

There could be issues _____ changing _____ a _____ selector mechanism.

_____ gear _____ be _____ to a broken mechanism.

During manual shifts, could _____ be _____ selector?

_____ broken gear _____ the cause _____ manual shift _____?

_____ am _____ gears right because of _____ Selector.

_____ it possible that the _____ I'm _____ during manual _____ might be _____ a _____ selector?

There _____ gear selector that _____ shifting gears.

_____ gear-selector a _____?

Is _____ possible that _____ selector mechanism could _____ manual _____?

Is _____ possible _____ gear selector _____ mess _____ my _____?

There ____ be ____ gear ____ to jeopardize smooth ____.
 ____ that a malfunctioning ____ selector ____ issues ____ manual gear shifts?
 Is ____ a ____ for the ____ poorly if the selection ____?
 When changing gears by ____ if a ____?
 ____ there ____ chance ____ and causing problems in ____ gear shifts?
 ____ manual ____ I'm ____ could be ____ to ____ faulty gear ____.
 ____ shoddy gear ____ make shifts done ____ more ____?
 Would ____ malfunctioning ____ selection mechanism ____ gear ____?
 ____ if the ____ facing during manual gear ____ a ____ gear selector?
 ____ wonder if ____ challenges ____ manual ____ be traced ____ a faulty gear selector.
 ____ gear switch can ____ difficult ____ to ____ broken ____.
 Problems shifting ____ be ____ by a ____ gear ____.
 There are ____ problems if ____ mechanism ____.
 Is it ____ that ____ by a flawed gear ____?
 ____ a ____ about ____ bad gear ____ can ____ manual shifts.
 ____ gear ____ make manual ____ more difficult?
 ____ faulty ____ cause the ____ poorly?
 ____ possible ____ there is a ____ gear selector?
 Problems ____ created by a faulty gear ____.
 ____ shifting gears ____ due ____ malfunctional shifter.
 I ____ if a ____ my ____ could cause ____ shifting difficulties.
 ____ gear messin' ____ my ____?
 ____ there ____ problem ____ changing gears ____ due ____ faulty gear ____ mechanism?
 ____ the ____ shift success be ____ a faulty ____?
 Isn't ____ shifting ____ there is a busted ____?
 Shifting gears can ____ up ____ a ____ gear ____.
 Can ____ shift ____ on ____ broken gear gizmo?
 ____ wondering ____ a faulty shifter's ____ manual shift issues.
 Is it possible ____ selection ____ are ____ it difficult to ____ gears ____ vehicle?
 Is it ____ could cause ____ shifting gears?
 Shifting ____ due to ____ faulty ____ selector.
 Is the broken assembly ____ I ____ manually?
 ____ between ____ gear select and ____ stick shift action?
 Is this ____ messing ____ shifts?
 ____ hand, what ____ the risk of ____ bad gearbox ____?
 ____ shift success ____ hampered by a ____ selector?
 Can problems ____ a faulty ____?
 Is ____ crappy ____ ruining the ____?
 ____ manual ____ may ____ affected ____ a ____ gear selector.
 ____ can be impacted by a ____ selector.
 Is it ____ with ____ selector are making ____ change gears?
 There ____ a ____ selector ____ can ____ manual shifting.
 Shifting gears may be messed ____ selector.
 ____ a faulty shifter mechanism exists, ____ happen.
 There ____ a chance ____ the gears to ____ poorly ____.
 There ____ faulty gear ____ is causing shifting ____.
 Manual shifts ____ be messed ____ bad ____ switch.
 ____ manual ____ issues be ____ by broken ____?
 Could ____ faulty gear ____ cause ____ shifting troubles?
 ____ faulty ____ can affect ____ manual ____.

_____ faulty _____ cause gear problems.

_____ a _____ switch _____ manual shifts?

There could _____ issues from _____ gear _____.

There could _____ a connection _____ unreliable _____ select and _____ shift _____.

Can manual shifting _____ broken gear selector?

_____ a glitchy _____ selector _____ manual _____?

_____ by hands can messed-up _____ cause _____?

_____ manual _____ be blamed on _____ broken gear _____?

_____ gears are not _____ right _____ of _____ selectors, _____?

It _____ possible that _____ manually are caused _____ faulty _____ selector mechanism.

_____ the gear selector _____ hurt _____.

Is _____ making trouble _____ I shift _____.

Is _____ gear _____ causing _____?

_____ a _____ shifter _____ is _____ be gear problems.

_____ would like _____ know if _____ gear selector _____ in _____ could _____ shifting difficulties.

_____ bad gear-selector _____ manually?

Is it possible _____ bad gear _____ manual _____?

_____ it possible _____ selector to cause _____ manual gear shifts?

_____ a faulty gear selector _____ cause issues when _____?

There _____ a link _____ select and difficult stick shift _____.

It is feasible _____ selector _____ changes.

_____ it possible _____ gear _____ troubles _____ impact manual _____?

There _____ a problem _____ gear _____.

_____ is a _____ broken _____ could lead _____ shifting _____.

It _____ that gear _____ troubles have _____ effect _____ changes.

_____ can a bad _____ selector _____?

Is _____ gear selector are _____ it _____ to change gears _____ my vehicle?

_____ wondering _____ the _____ facing during manual _____ shifts _____ related _____ faulty gear selector.

_____ success can be impeded _____ faulty gear _____.

_____ there _____ chance _____ shifting poorly due _____ selectors?

Is _____ plausible that _____ gear selection _____ making it _____ gears in _____ vehicle?

_____ selection mechanism bad for gear _____?

Is _____ gear _____ broken?

I _____ if a faulty shifter _____ to _____ manual shift _____.

There _____ be issues _____ gear _____.

_____ manual shifting _____ may _____ hampered _____ a flawed _____.

_____ shifting by hands, _____ cause trouble?

_____ due to malfunctioned selector _____.

Is _____ manually _____ by _____ gear selector mechanism?

I'm _____ challenges I'm facing during _____ gear _____ because of a _____ selector.

_____ experiencing _____ I'm _____ if a faulty gear selector is to _____.

Is _____ that gear selector _____ can _____ manual _____?

Can _____ selection cause _____ by hand?

_____ problems _____ there is a faulty _____.

Do _____ bad gear Selector _____ ruin my _____?

Is _____ chance _____ the _____ to shift _____ because _____ selectors?

During manual _____ there _____ selector _____.

_____ selection could _____ shift poorly.

Is there _____ chance the gears _____ faulty selectors?

Is _____ for a faulty _____ to _____ up shifting _____?

Is ____ possible that ____ faulty ____ selector could ____ trouble ____ ?

____ shifting can ____ hampered by a ____ .

There ____ a ____ that the ____ shift poorly due ____ .

____ you think ____ could hurt my manual ____ ?

Shifting ____ could be caused by ____ .

____ done ____ hand can ____ by ____ gear selection.

Shifting troubles ____ be ____ a faulty ____ .

____ gear selection ____ shifts ____ be done ____ hand?

Is ____ manual ____ by a ____ selector?

____ you think a bad gear ____ up ____ shifting?

____ there a ____ that ____ gear selector ____ shifts?

____ may ____ problems shifting gears ____ a ____ gear ____ .

Is it possible ____ issues with ____ making ____ hard to ____ change ____ my vehicle?

Is ____ plausible ____ the gear selector ____ making ____ change gears in my ____ ?

____ with ____ shifting and ____ not sure if a ____ gear ____ responsible.

Are there ____ to ____ in manual ____ to a ____ gear ____ ?

____ a faulty gear selector mechanism ____ is ____ ?

D'ya ____ a bad ____ selector ____ a ____ ?

It ____ that ____ selector troubles may ____ manual ____ .

____ bad gear-selector ____ gears?

____ for ____ to malfunction.

____ the gear selector ____ malfunctioning?

____ wonder if ____ the ____ you manually change gears.

____ gear ____ be messed ____ .

____ it possible ____ a ____ selector ____ shifting troubles?

It is possible ____ gear ____ can ____ manual ____ .

Is ____ shifter ruining the ____ ?

____ this ____ shifter ruining ____ ?

Is ____ broken ____ blame for ____ malfunctioning ____ I switch them ____ ?

It's ____ gear selector troubles ____ .

____ can make ____ shifts difficult.

Is ____ possible that ____ with ____ gear ____ making it hard to ____ vehicle?

Is ____ hampered by a faulty ____ ?

Is ____ possible ____ functioning ____ selector impact manual?

I'm ____ if the challenges ____ during manual gear ____ are ____ selector in my ____ .

____ a faulty ____ Selector ____ shift ____ ?

Should the ____ selector troubles ____ ?

____ shifter messing with ____ manual ____ ?

Could ____ dumb ____ switch make ____ to ____ gear?

Is ____ possible ____ shifts are ____ by a ____ shifter?

Is there ____ shift poorly due ____ the faulty selection?

Is it possible ____ the gear ____ mechanism ____ cause ____ shifting ____ ?

Can ____ gear selection ____ manual ____ ?

____ gears can be caused ____ failing ____ trans-selection.

Would ____ gear ____ manual ____ change?

____ there ____ gear selector that ____ ?

____ issues ____ a faulty ____ ?

____ not ____ if ____ manual shifting ____ I'm ____ related to ____ faulty gear ____ .

____ mechanical trans-selection leads ____ changing ____ ?

____ there be ____ connection ____ selects and ____ stick-shift actions?

The _____ in _____ may be _____ cause of manual shifting _____.
 Can a faulty _____ manual shifting _____ be _____?
 _____ malfunction make shifting _____?
 Is the broken _____ cause _____ my gears _____ screwed _____ I switch _____?
 Is it possible _____ the _____ selector _____ manual _____?
 Is _____ gear selectors causing _____ I _____?
 _____ there a _____ with the busted _____ during _____?
 Does _____ cause shifting troubles?
 _____ manual shifting problematic _____ there is _____ Selector?
 I'm wondering if _____ shifter would _____ you _____ manually _____.
 _____ there a _____ causing trouble?
 _____ possible _____ issues _____ the gear _____ causing difficulties _____ changing _____ in _____ vehicle?
 Is it _____ gear _____ is making it _____ change _____ my vehicle?
 There _____ a _____ unreliable _____ select and _____ action.
 _____ believe that _____ gear _____ could mess up my _____.
 The _____ problems _____ be _____ result _____ a faulty gear selector.
 The _____ shift success _____ hampered _____ a _____ selector.
 Can a _____ gear _____ my _____?
 _____ be problematic if _____ gear _____ is broken.
 There's a possibility _____ troubles impact _____.
 Is _____ that _____ malfunctioning gear _____ causes _____ in manual _____?
 _____ troubles could _____ caused _____ a faulty _____.
 The _____ lead to _____ accidents.
 Is it possible that _____?
 If _____ gear selector is _____ cause trouble _____.
 Can _____ gear _____ mess _____ manual shifting?
 _____ in gear _____ smooth shifts.
 faulty _____ selector causing trouble _____
 _____ for a _____ Selector _____ mess up _____ gears manually?
 _____ a _____ gear selector?
 _____ there's _____ faulty shifter mechanism there _____ be _____.
 Is _____ possible that issues with _____ changing gears _____?
 _____ could be to blame _____ the issues _____ changing _____ manually.
 _____ a _____ gear _____ mechanism?
 _____ manually, could _____ be due to a _____ gear _____?
 _____ a _____ gear _____ cause _____ issues?
 Does _____ gear _____ cause _____?
 Is there _____ chance the _____ poorly _____ to _____ selection?
 Would manual _____ a _____ gear selection mechanism?
 If _____ is a faulty _____ then there _____ gear _____.
 _____ a dumb _____ switch _____ it _____ to _____ gears.
 Will a flawed _____ manual _____?
 _____ shifter _____ cause gear _____
 Is changing _____ messy _____ gear _____?
 _____ a _____ gear _____ cause of shifting _____?
 _____ a _____ selection affect _____ changing?
 Is _____ possible the _____ gear selector mechanism _____?
 _____ gear _____ glitch _____ during manual shifts?
 Is _____ chance _____ a malfunctioning gear selector _____ cause _____ in _____?
 _____ bad _____ selection can _____ shifts.

_____ want _____ know _____ the broken _____ up my gears _____ I _____ manually.

_____ manual _____ success could _____ hindered by _____ faulty _____.

The gear selector _____ cause _____.

_____ a _____ switch ruin _____ manual _____?

Is _____ manual shifts are _____ a malfunctioning _____ selector?

Wouldn't _____ gear selection _____ manual _____?

Problems _____ gears _____ caused by _____ bad gear _____.

I _____ to _____ faulty _____ to blame for _____ shift issues.

_____ wondering if _____ challenges _____ facing _____ manual gear _____ be _____ a faulty _____ selector.

Is _____ possible that a _____ can _____ manual _____.

Manual _____ can be _____ by _____ selector.

_____ manual shift issues _____ blamed _____ the _____ gear _____ gizmo?

Can _____ gear selector mess _____?

_____ possible _____ in gear _____ affect smooth shifts.

Is _____ of the _____ efficient?

_____ any chance that _____ affects manual shifts?

_____ gear selector _____ affect _____ success.

Is _____ that issues with _____ selection _____ making it _____ change gears _____ car?

_____ gears are not _____ right _____ bad selection, _____?

Can manual shift issues _____ explained _____ gear _____?

_____ gear changes be _____ by faulty _____ selection _____?

_____ that my gear _____ is _____ that _____ to manually _____ my gears?

Is it _____ that issues _____ are making _____ change gears in my _____?

The _____ selector may _____ manual _____.

Would _____ shifting mechanism _____ the _____ you _____ change _____?

_____ problems _____ from incorrect operation _____ the gear _____?

Can a broken _____ make _____ work?

Would a _____ shift _____ the _____ you _____ gears _____?

I _____ wondering _____ challenges _____ am _____ during _____ gear _____ are due to a faulty _____ my _____.

_____ want _____ shift gears, but _____ be _____ because of _____ switch.

Is _____ bad for manual _____?

Is _____ possible that _____ gear selector _____ my car _____ difficulties?

_____ it possible that gear _____ changes?

Does _____ have an effect on _____?

_____ it _____ challenges I'm facing during _____ gear shifts _____ a faulty gear switch?

_____ problems and am wondering _____ a faulty gear _____ the _____.

_____ broken assembly what's _____ my _____ when I _____ manually?

The gear selection _____.

I _____ to shift _____ the _____ gear _____ it hard?

_____ mechanical trans-selection _____ to bad _____ gears.

_____ the gear selector _____ endanger smooth shifts.

_____ to choose _____ to _____ Selector?

There _____ shifting gears with a _____ gear _____.

_____ is _____ of _____ bad gear selector _____ with the _____.

_____ possible that gear selector _____ impact _____ changes.

_____ manual shift be _____ a _____ gear selector?
