

[Demo] NLP Dataset for Customer Service Automation

Company Type	Mobile Network Operators
Inquiry Category	Network outages and service disruptions
Inquiry Sub-Category	No network coverage
Description	Customers may encounter areas where there is no network coverage at all, preventing any form of communication.
Data Size	11,710 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Mobile Network Operator" customer inquiry. (Purchased data will not be masked.)

Is ____ possible that a physical ____ is ____ the absence ____ ____ ____ ____?

____ physical barriers to ____ ____ ____ weak ____ here?

____ ____ of ____ coverage around me ____ be ____ ____ a ____ barrier.

Is ____ something ____ ____ preventing nearby ____ ____?

____ reception may ____ ____ by ____ ____ interruption.

____ obstructions disrupt ____ signals ____?

Cell ____ ____ might ____ hampered ____ something.

Is ____ ____ ____ object is interfering ____ my phone ____?

____ ____ be ____ ____ to obstructions.

____ ____ palsy caused by ____ ____ near ____?

____ ____ obstacle ____ explain why ____ not getting ____ mobile ____?

____ ____ be a physical ____ affecting ____ of ____ signal.

____ there anything ____ ____ cell ____?

____ wonder if the ____ signal is ____ blocked ____ ____.

____ ____ may be ____ ____ obstructions

There's a chance ____ ____ ____ is ____ the absence ____ cell service ____ ____.

____ think it's ____ there's stuff ____ ____ ____?

Is anything ____ ____ cell ____?

____ cellphone service ____ to ____ ____ ____ something?

I am ____ sure if ____ ____ ____ coverage is ____ ____ barrier.

____ a ____ item ____ ____ signals?

Why ____ there cell signals ____ ____ ____?

Is ____ nearby ____ signals ____?

Is it ____ that ____ ____ ____ cellular ____ ____ due to a physical ____?

Is ____ a ____ barrier preventing me ____ ____ ____ coverage?

____ it possible ____ ____ obstruction ____ is ____ my ____ signals?

____ obstruction ____ ____ the reception near ____.

____ is ____ obstacle ____ connection ____ any ____.

Is ____ ____ barriers responsible ____ not ____ cell ____?

____ wonder ____ there is ____ physical barrier to ____ ____ of ____ ____.

Is _____ physical block _____ possible?

_____ a chance _____ obstruction _____ loss.

_____ lack of _____ in my _____ could _____ a _____ an obstruction.

_____ the _____ of cellphone coverage a result _____?

_____ blocking, _____ working right _____?

_____ signal _____ if _____ it?

_____ a physical _____ affecting _____ absence of _____ signal.

_____ the physical _____ affects the _____ the cellular _____.

_____ there any _____ obstacle could _____ signal _____?

_____ there a _____ the _____ of cellphone _____ me?

There _____ be _____ that is responsible _____ loss.

The _____ of _____ might be _____ an obstruction.

_____ think _____ is something blocking _____ nearby?

The _____ of cell _____ location may be the _____ an _____.

Something _____ blocking _____ cell service _____.

Physical _____ be _____ for the weak _____ here.

The _____ may be an account _____ a _____ barrier.

_____ absence of cell _____ obstacles.

_____ possibility _____ obstruction is preventing cellular access.

_____ possible _____ a barrier _____ signals from reaching me right _____?

_____ it likely _____ is _____ coverage around here _____ of _____?

Physical barriers _____ be to _____ for _____.

Is it _____ that _____ surrounded by _____ cell reception?

Maybe _____ something in the _____ my _____?

_____ a chance _____ the _____ of _____ service _____ caused _____ an object.

Is something obstructing _____?

Can nearby _____ block _____?

_____ blocking the _____ signals _____ done?

_____ be an obstacle _____ loss.

An _____ the reception of _____.

_____ no _____ due to obstacles.

Is _____ around _____ my phone _____?

Is it _____ that I'm _____ by _____ object _____ my _____?

_____ block _____ signals?

_____ are barriers _____ connection

_____ it _____ an _____ affecting _____ lack of cell service?

_____ barriers to mobile _____?

Is _____ possible _____ I'm _____ by _____ hurting _____ reception?

Is _____ of _____ with _____ coverage?

_____ be a chance that _____ affecting _____ absence of _____ service.

Is _____ possible that _____ obstacle _____ causing _____ loss _____?

I wonder _____ an _____ cell service around me.

Is _____ possible that a _____ object is _____?

_____ structures or _____ interfere _____ signals?

Something may _____ my _____.

The _____ of _____ service here _____ be _____ object.

Is the cell _____ object?

_____ obstacle is affecting _____ absence _____ cellular _____?

_____ a chance _____ the _____ of cell _____ is _____ of something?

_____ wonder if _____ lack of _____ coverage is _____.

Is it ____ that ____ the ____?

____ it ____ that something is blocking ____ cellular ____ area?

Some ____ with my ____.

____ that ____ nearby signal ____?

____ if ____ obstruction could ____ for the lack of ____ signals.

____ cellular signals is likely to ____ caused ____ obstruction.

____ if ____ is a physical barrier ____ the ____ of ____ me.

Is ____ a chance the ____ is ____ an obstruction?

I wonder if ____ possible for ____ to ____ connection ____.

Can there ____ preventing cellphone signals ____ me?

Could a physical cause ____?

____ may ____ affecting ____ mobile service.

____ there ____ physical ____ cell signals?

There ____ a possibility ____ something causing the ____ of cell ____.

____ there ____ might interfere with ____ signal?

____ of cellular signals could ____ caused ____ obstruction.

____ a ____ affecting ____ cell signals?

There ____ obstruction ____ mobile service?

____ barrier ____ cell signals ____ me?

____ signal ____ due to ____?

____ may ____ obstruction ____ with ____ reception.

Something is ____ here.

____ possible that ____ cell signals ____ due to a ____ limitation?

____ might affect ____ lack ____ signal.

There ____ no surrounding ____ obstacles.

____ any ____ of an obstruction creating ____ signals?

____ something that ____ access nearby?

Is my phone ____ an ____?

____ obstacle explain why ____ don't ____ mobile ____ in ____ area?

I don't ____ if there ____ barrier preventing ____ from ____.

____ that an obstacle is ____ of signal loss around ____?

____ physical junk ____ with ____ network here.

____ something slowing nearby ____?

Does an ____ cell ____?

____ it ____ blocking my ____?

Is ____ with ____ service?

Are obstacles ____ absence of a ____?

Something ____ the way of ____ phone ____ stopping ____?

Poor signals ____ be ____.

Is ____ any chance ____ obstruction ____ cellphone coverage?

Cell reception could ____ a ____.

____ be ____ something ____ nearby cell ____?

____ interfering ____ cellphone coverage?

____ a tangible thing ____ reception ____?

____ due ____ something strong ____?

____ barriers ____ to blame for ____

Is ____ cell ____ by a ____ issue?

It might be ____ is blocking ____ phone ____.

____ physical object interfering ____ cell ____?

____ possible ____ there is a physical ____ lack of ____.

_____ there _____ blocking the _____ signals _____?
_____ there _____ chance _____ this loss _____ cellular signals _____ caused by _____?
_____ is _____ possibility _____ an obstruction _____ creating _____ signals nearby.
_____ is blocking the _____ area.

Maybe it's something around _____.

Is _____ that _____ is blocking the cellular _____ vicinity.
_____ obstruction affecting _____ signal?

The absence _____ was caused by _____.

_____ a _____ a nearby _____ is affecting the _____ around me?

Could an _____ affect _____?

_____ a barrier between me and _____ signals?

signal loss _____ me might _____ obstacle.

Is _____ obstacles near me.

_____ that I am surrounded by an object _____.

_____ is _____ chance _____ the cell reception might _____ by _____.

I _____ if any _____ barriers _____ responsible for _____ around _____.

_____ that _____ is an object _____ my phone?

Is _____ that _____ is causing a _____ of cellular _____?

Is _____ for _____ or _____ interfere with mobile signals _____?

Is _____ causing _____ of _____ here?

_____ the cell _____ me?

Could _____ with _____ coverage?

_____ there a chance the lack _____ service is _____?

Can a _____ blocking _____?

_____ wonder if there _____ barrier preventing _____ reaching _____ now.

Can an obstacle explain _____ mobile _____ in this _____?

There _____ a barrier _____ could prevent _____ from _____.

_____ there _____ mobile service?

_____ be _____ physical _____ no signal.

_____ barriers _____ a _____ cause of weak _____.

Is there _____ is _____ no _____?

_____ might _____ disrupted _____ a _____ problem?

Maybe a physical barrier _____ the absence _____ reception?

_____ it make _____ a _____ impediment _____ the absence of cell _____?

Is _____ signal _____?

_____ don't know _____ an obstacle _____ affecting the _____ around me.

Are _____ signals being _____ a _____?

_____ possible that something _____ blocking _____.

_____ it a thing _____ the _____?

_____ an _____ interfering _____ reception?

_____ to _____ if _____ are responsible for no cell _____ around _____.

_____ it _____ something _____ nearby cell _____?

_____ the cell signals?

_____ cell signals _____?

_____ presence of _____ can be _____ by a _____.

Do you _____ what's _____ around _____?

_____ wondering if _____ blocking _____ me.

_____ barriers to _____ present.

_____ it _____ something _____ interfering with the cellular _____ near _____?

Cell _____ impeded _____ this area.

_____ physical obstacle _____ cellular signal?

_____ physical _____ block the _____ signals?

_____ object _____ reception here?

_____ there a _____ cell reception _____ me?

_____ blocking my _____.

_____ possible _____ service is _____ hindered?

Maybe _____ no phones _____?

_____ possible that physical obstacles _____ deprivation?

_____ reception could possibly be _____ by _____.

There _____ because of obstacles.

_____ tell _____ is _____ obstruction _____ is _____ from receiving a signal on my phone?

I am _____ if there _____ with my signal.

_____ loss _____ signals _____ to an obstruction?

_____ you think there _____ nearby?

Something _____ be _____ cellphone _____.

_____ that restricts signal access _____?

Cell _____ by _____ physical intervention.

Is something in _____ my _____?

It _____ possible _____ obstruction could _____ with _____ cellular _____.

Cell _____ may _____ by _____ physical _____.

Can _____ tell _____ not receiving _____ on _____ phone _____ because of _____?

_____ a physical _____ cell _____?

_____ there _____ that an obstacle nearby _____ of cell service around _____?

_____ is blocking _____ signals _____.

No _____ could _____ blocking.

_____ me might _____ my _____ reception.

The _____ might _____ affecting _____ absence of _____ signal.

_____ is possible that _____ could _____ coverage.

_____ wonder if _____ chance _____ blocking nearby _____ signals.

Possible obstruction _____ cellphone _____.

Cell _____ be _____ something disturbs _____.

_____ be something blocking _____ here.

_____ obstacles near me _____ are affecting _____ absence _____ cellphone _____.

Maybe there is an _____ affecting _____ absence _____?

Is _____ blocking _____ nearby?

_____ something _____ cellphone _____?

_____ an _____ interfering _____ my _____ signal?

_____ obstruction to _____ for not _____ cell signals in _____?

There are obstacles _____ affect _____ absence of _____ near _____.

_____ it possible _____ no _____ due to _____ of obstruction?

I wonder _____ the _____ of _____ coverage might _____ to _____ barrier.

Is there _____ causes the lack of _____?

_____ like _____ know _____ physical obstruction _____ blame for _____ lack of _____ signals in my _____.

Is _____ obstruction affecting _____ of _____ near me?

Could _____ barriers be _____ for _____ weak networks _____?

_____ something _____ cell signals _____?

_____ possible that _____ cell signals are being disrupted _____ obstruction _____?

_____ the _____ affects the _____ the cellular signal?

Maybe _____ possible for _____ obstruction _____ cellular connection.

There _____ be physical _____ are _____ weak networks here.

Is _____ a chance _____ there _____ something _____ lack _____ service?

Can _____ nearby things stop _____?

The physical _____ may _____ effect _____ the absence of _____.

Is there _____ my _____?

Is it possible _____ is preventing _____ in _____ area?

There _____ be a _____ my _____.

Is there any _____ absence of _____ connection?

Is there something _____ the _____?

_____ there a chance _____ a _____ due _____ obstructions?

I wonder if the lack _____ cellphone _____ a _____.

_____ a _____ block nearby _____ signals?

_____ signal _____ away if _____?

_____ of _____ service around _____ is related to an _____.

_____ that some _____ with my cellular connection.

You _____ to _____ with stuff blocking signals _____?

Is a _____ making _____ reception _____?

There _____ messing with my signal.

There is a possibility _____ loss of cellular _____ nearby.

Perhaps _____ to blame for the _____ here?

There is a chance _____ loss.

_____ it _____ I'm surrounded by _____ hurts _____ cell _____?

Is _____ making no _____?

_____ barriers may be _____ for the _____ here.

Maybe _____ the lack _____ cellular signal?

Something _____ be _____ phone _____.

_____ lack _____ coverage is caused by _____ physical _____.

I'm wondering _____ obstacles _____ problems.

_____ might be something _____ the _____.

_____ that something physically _____ nearby signal _____?

_____ is blocking _____ me?

Cell _____ disrupted if _____ disturbs it.

_____ wondering if physical obstacles _____ signal _____ me.

_____ a physical _____ no signal.

There _____ be _____ that are _____ blame _____ weak _____.

_____ a _____ stop cell _____?

_____ blocking the reception of _____.

Is _____ can _____ the _____ signals?

Can _____ allow cell signals _____?

_____ it possible that this _____ obstruction thingy _____ cell signals _____?

Is there _____ stopping the _____?

Is _____ object in _____ of _____?

_____ in _____ way _____ phone?

_____ could _____ due to _____ obstruction.

Is a _____?

Any chance _____ obstacles _____?

_____ possible I'm _____ by an _____ that hurts _____ phone _____?

_____ an impediment to _____?

Can _____ object _____ to be _____?

Is there _____ with _____ signal?

Isn't _____ possible that _____ obstruction _____ interfering _____ my _____?

_____ gone _____ of something _____ ?

_____ something disturbs the _____ away?

_____ think this _____ of bars _____ due to _____ blocking _____ ?

_____ blocking my _____ ?

_____ any _____ of an _____ causing signal loss _____ ?

_____ interfere _____ my signal.

There's _____ the lack _____ cell _____ is caused _____ object.

Cell reception might _____ cause.

_____ around _____ blocking _____ phone reception.

Is _____ blocking the _____ in _____ area?

_____ may _____ affecting mobile _____.

_____ the _____ cell _____ possible?

There _____ a chance that _____ lack _____ me is _____ to an _____.

_____ the absence of cellular _____.

_____ a physical _____ is affecting _____ cellular signal.

It's _____ that _____ obstruction thingy is _____ of my _____ being _____.

Is _____ a chance _____ service _____ because of _____ obstacle nearby?

_____ an obstruction _____ affect cellphone _____?

_____ a physical _____ that _____ blocking cell _____?

Can an _____ problems _____ service in this _____?

_____ are obstacles that _____ of surrounding cell signals.

_____ possible _____ a _____ obstruction _____ interfering _____ cellular communications?

_____ something blocking cellphone _____?

_____ it _____ to _____ barriers to mobile _____?

_____ a chance that _____ obstacle is _____ lack of _____ service around _____.

There _____ there _____ an obstruction _____ creates the _____ of _____ signals nearby.

I'm _____ getting _____ reception in the area, _____ explain _____?

Is _____ obstacles that _____ the absence _____ a _____?

_____ possible that something _____ the cellular _____ me?

Are _____ absence of _____ connection?

_____ lack _____ cellphone _____ around me _____ be _____ physical barrier.

_____ that obstruction _____ interfere with cellphone coverage.

_____ things block _____ cell _____?

_____ are obstacles obstructing the _____ connection.

There _____ barrier preventing cellphones from _____.

_____ might _____ by a physicalDisruption

There _____ obstacles that _____ the absence of _____.

There _____ a _____ a physical _____ is preventing _____.

_____ possible that _____ obstructs _____ cellular _____ my vicinity?

Cell reception _____ disrupted _____ a _____ interference.

Maybe _____ is blocking _____ me.

_____ is _____ a physical obstruction could be _____ down _____.

_____ block of the _____ possible?

_____ it possible _____ something _____ signal _____?

_____ thing stopping _____ reception?

Can anyone tell _____ any cell _____ barriers _____ me?

Is _____ that _____ affecting the _____ of cell signals near _____?

_____ there _____ chance _____ is _____ the absence _____ cell service around _____?

_____ coverage _____ be interfered _____ by _____.

_____ there obstacles _____ signal _____?

I wonder if _____ obstacles are causing _____
 _____ an _____ obstructing _____ service _____ area?
 I _____ might interfere _____ cellular connection.
 Cell reception _____ by a _____ here.
 _____ wonder _____ it _____ possible _____ obstruction _____ with my cellular connection.
 There is _____ is to blame for _____.
 _____ it possible _____ an obstacle _____ absence of cell _____ near _____?
 Is _____ cell signals _____?
 I wonder if the _____ me.
 _____ the _____ affecting cellphone _____?
 It's _____ that a _____ causing the absence _____ cell _____.
 _____ there _____ that an obstacle _____ signal loss?
 Is _____ chance that something is _____ around _____.
 I am _____ if some _____ obstacle _____ interfering with _____.
 _____ is blocking _____ signals _____?
 An _____ reception near me.
 Is that _____ I'm _____ something that hurts _____?
 _____ that the cell _____ is down because of _____?
 _____ there something _____ cellular _____ nearby?
 Cell reception _____ by _____ physical _____.
 _____ it _____ an obstruction could _____ cellphone _____?
 _____ blocking, _____ phones _____ right _____.
 _____ chance _____ obstacle is _____ the absence of _____ service.
 _____ a _____ that _____ lack _____ service is due to _____ obstacle _____?
 _____ are obstacles that _____ lack _____ cell signals.
 There _____ be an _____ cell _____.
 Could _____ be _____ something _____ signals?
 _____ it _____ telecommunication to _____ disrupted _____ to obstructions?
 _____ a physical obstruction that _____ preventing _____ communication.
 _____ possible that an _____ to blame _____ loss around _____.
 _____ prevent cellphone signals _____ reaching _____ right now?
 The _____ of cellphone _____ me may _____ to do _____ physical _____.
 I question _____ is interfering _____ phone's signal.
 I wonder _____ is to blame _____ signal _____.
 I wonder _____ an _____ with _____ phone signal.
 Can a _____ why I'm not _____ a _____?
 _____ physical obstruction the _____ for the lack _____ cell _____ in _____?
 _____ there _____ physical _____ near me that is _____ out?
 _____ there _____ possibility that _____ is _____ cellular network?
 _____ is no signal _____ is it _____?
 _____ cell _____ due to obstacles.
 I _____ to _____ if an obstacle is to _____.
 Is there _____ chance of _____?
 _____ there _____ that could _____ mobile service?
 Is _____ stopping _____ the phone?
 I _____ wondering _____ obstacles _____ causing _____ go out.
 Is _____ blocking _____ here?
 _____ disrupting cellular _____ here
 The lack _____ my _____ may be _____ an obstruction.
 _____ possible _____ nearby cell signals?

_____ think the _____ of _____ service _____ caused by an _____?
 I _____ to know if _____ obstacle _____ interfering _____ my _____.
 Is _____ that _____ lack _____ reception _____ due to a _____?
 Can an _____ of cell signals in my location?
 _____ it _____ blocking my cellphone network?
 Is _____ a chance _____ obstacle _____ interfering _____ my _____ service?
 _____ cell _____ by something?
 _____ that something _____ blocking the cellular network?
 Is _____ the reception?
 _____ there _____ chance that an _____ nearby is _____ of _____ around me?
 Something solid _____ caused _____ to _____?
 Is _____ physically interfering _____?
 Are obstacles _____ a cellphone _____?
 _____ if _____ visible barriers are _____ the lack _____ reception around _____.
 _____ it _____ physical block _____ no _____?
 Cellphone coverage _____ by obstruction.
 There is _____ signal _____ me, is _____ a _____?
 There might _____ possible obstruction _____.
 What _____ something is blocking _____ in _____ area?
 There is a _____ obstruction will _____ reception near _____.
 _____ blocking cell _____?
 Something _____ the cell _____
 There is _____ possibility _____ lack _____ service is _____ something.
 Does an _____ explain why I'm _____ mobile _____?
 obstructions that _____ reception at _____?
 _____ be affected _____ physical interaction.
 _____ possible _____ something is _____ service around _____.
 _____ if something is blocking _____ here?
 _____ there _____ nearby signal access?
 _____ physical junk messing _____ the network _____.
 _____ be _____ cell reception problems.
 Cell reception _____ is an obstruction _____ me.
 Is _____ a reason _____ signals _____ around _____?
 _____ something _____ with _____ signals?
 Can _____ be _____ by an object _____ hurts _____?
 _____ possible that something _____ interfere _____ my _____ connection?
 _____ may _____ absence of _____ signal.
 _____ signals in my _____ be caused by _____ obstruction.
 _____ wonder _____ there's something in the way _____.
 Is _____ physical _____ cell _____ near _____?
 Is _____ signal _____ away?
 Perhaps _____ is blocking _____ service _____.
 Can an obstacle _____ I _____ mobile reception?
 Could there _____ a barrier between _____?
 Is it possible _____ for signal loss?
 Cell _____ disrupted by _____ change.
 I wonder _____ obstruction _____ reason for _____ lack of _____ signals.
 Is it _____ there _____ barrier _____ cellphone signals _____ me _____ now?
 _____ disrupting signals here.
 _____ is a possibility _____ telecommunication _____ to obstructions.

_____ my cell _____.

It could _____ a physical _____ signal.

_____ it possible that an _____ prevent _____?

_____ it _____ that _____ is a _____ impediment affecting _____?

_____ there a chance _____ near _____ obstacle?

The _____ cellular signals _____ caused _____ obstruction within _____ proximity.

_____ is _____ chance that _____ is causing a _____ of _____.

Can _____ object _____ service _____ area?

I _____ if something _____ blocking the _____ me.

Are there _____ disrupting _____?

Maybe it _____ possible _____ an _____ to interfere with _____.

_____ something block _____ in this _____?

_____ that _____ block nearby cell _____?

Is _____ a chance _____ of _____ service _____ is _____ to an _____ nearby?

_____ may be _____ to _____ the _____ cell signals.

Is _____ blocking _____ signal?

Is _____ that a _____ obstacle is _____ me from _____ me?

_____ is possible that an obstacle could _____.

Can a _____ out _____ signals _____?

I'm _____ is _____ my _____ signals here.

The lack _____ signals in _____ be related to a _____.

_____ is blocking cell _____ service _____.

_____ would _____ know _____ an _____ is affecting _____ absence of _____ service around _____.

Maybe the lack _____ cellphone _____ to a _____.

_____ could be an _____ reception.

The _____ cell signals in my _____ be _____ result _____ a _____.

Is _____ blocking the cell _____?

Is _____ possible that a physical obstruction _____ affecting _____?

A _____ way of _____ phone?

There is _____ chance _____ an _____ with _____ signal.

_____ physical obstruction _____ to _____ lack of cell signals?

_____ it something blocking _____?

_____ something _____ out _____ cell _____?

_____ have cell _____ in my _____ a physical _____ be to _____?

Can _____ obstacle possibly explain why _____ any _____ reception?

_____ it _____ that something is _____ cellphone _____?

Is _____ chance _____ an _____ affecting _____ lack of cell _____.

Is there _____ might _____ cellphone _____?

_____ there something _____ cell _____?

_____ solid _____ to _____ off?

Is _____ a physical _____ lack of _____ coverage?

Could _____ that _____ physically blocks _____?

_____ an object _____ cell services _____?

Is it _____ that _____ the _____ signals?

Is _____ a _____ is _____ signals?

Something _____ nearby signal _____.

_____ some physical _____ up the _____ here.

_____ know if cellphone service _____ by something.

_____ malfunction caused _____ obstacles near _____?

There is something _____ me.

Can ____ object _____ in that ____?

The _____ be malfunctioning ____ of _____ junk.

Cell reception ____ be hampered _____ object _____.

_____ phones ____ not ____ right now.

Did ____ obstacle _____?

_____ object _____ phone service?

_____ possible _____ obstacle nearby ____ affecting ____ lack ____ cell service?

_____ know if ____ object is interfering _____ phone signal.

Something _____ my signal.

_____ not _____ obstruction is _____ for the lack of cell signals.

_____ obstacle might affect ____ lack ____ cellular _____.

_____ a _____ cell signals?

Is the _____ physical obstacles near me?

The _____ cellphone coverage ____ be the _____ a ____ barrier.

Cell _____ be disrupted ____ a _____.

_____ there ____ barrier ____ cellphone signals from _____ now?

I ____ like ____ know if I'm ____ by ____ object _____.

Cell _____ be ____ with by _____ obstruction.

_____ an object _____ in ____ area?

_____ is a chance an ____ could cause _____.

Is a ____ object _____?

_____ want _____ if _____ is interfering with ____ signal.

Can ____ object ____ cellphone _____?

Perhaps ____ barriers are _____ for weak _____?

Is something _____?

_____ is blocking ____ service.

Disruption to _____ a _____.

_____ that the lack ____ cell service is due to _____?

_____ there something ____ my phone _____?

_____ was wondering _____ was ____ my cell _____.

_____ nearby cell _____ blocked?

_____ the _____ by something?

I am _____ barriers _____ for ____ cell ____ around me.

_____ impede the ____ of cell _____?

_____ solid _____ wireless off?

_____ something could ____ nearby _____?

Can an obstacle ____ why ____ can't ____ a _____?

_____ reception _____ might be affected ____ an obstruction.

_____ a ____ object that ____ reception?

_____ there _____ of a telecommunication _____ to obstructions?

_____ wonder if it _____ the cell ____ around _____.

_____ a _____ telecommunication could _____ due to obstructions.

_____ may _____ blocking nearby signal _____.

There is a ____ that there _____ causing ____ lack ____ service.

Is signal blackout caused _____?

Is ____ possible ____ a blockage ____ to blame _____ cellular _____?

Is ____ physical object _____?

_____ a ____ obstacle that affects _____ of cellular _____?

_____ chances _____ obstacle ____ signal loss?

Cell _____ be _____ obstruction.

_____ an _____ the reception?

_____ lack of cell signals in _____ location _____ possibly _____ the _____.

_____ chance the lack of _____ caused by something.

Is _____ absence _____ connection due _____ obstacles?

_____ a _____ stop _____ from reaching _____?

_____ obstacle _____ why I _____ not _____ mobile reception in _____?

Is _____ that an _____ affect _____ services?

Is _____ loss _____ an _____?

There is _____ preventing cellphone signals _____.

Can _____ barrier _____ of my area?

_____ it possible I'm _____ an object _____ hurting _____?

Is _____ a _____ signal could _____ affected by a _____?

Is _____ a _____ is _____ from having cell signals?

_____ wondering if there _____ messing _____ my signal.

_____ think _____ the possibility _____ a blocking of nearby _____?

_____ there _____ obstruction that is _____ to _____ the cellular network?

Is it possible _____ that hurts _____ reception?

Can _____ keep cell signals _____.

_____ a physical _____ is _____ blame _____ the _____ of cell _____.

_____ chance of interrupted _____ to obstructions.

I wonder _____ the _____ coverage _____ due to a physical _____.

_____ the _____ being _____ near me?

There _____ obstacles that _____ of a cellphone _____.

_____ an object _____ cell _____ here?

It _____ that a _____ obstruction is preventing _____.

_____ that an obstacle is to _____ signal _____ near _____?

_____ the _____ a mobile _____?

Does an _____ reception?

_____ down if something _____?

Is that something _____?

Is _____ a _____ an obstacle _____ the reason _____ signal _____?

_____ interfering with _____?

Cell reception _____ adversely _____ by _____.

Is _____ possible _____ an _____ could _____ cellphone _____?

Can a _____ from _____ near me?

Is it possible _____ I'm missing _____ signals _____?

_____ something _____ block the _____ signals _____?

_____ think _____ is hindered _____ something?

_____ is a _____ that _____ loss _____ by an _____.

_____ barriers to _____ connections?

_____ a _____ of _____ of blocking affecting nearby _____?

_____ a chance _____ of _____ service _____ is because _____ an obstacle nearby?

_____ is preventing cellular reception in _____.

_____ physical barriers _____ weak networks here?

Is it probable _____ cause _____?

_____ possibly affect cellphone _____.

_____ disrupted by obstructions _____?

_____ service _____ affected by _____ obstruction.

_____ an _____ effecting mobile _____?

I would _____ if something _____ obstructing the cellular _____ vicinity.

_____ a possibility of interruption _____ to obstructions.

Is _____ a chance _____ an _____ that _____ affecting cell _____ me?

Can _____ me _____ the obstruction _____ the reason _____ am _____ signals _____ my phone _____?
_____ it possible _____ lack of cell signals around me is _____?

Is it possible _____ is _____ coverage _____ here _____ of _____?

_____ it _____ something is blocking _____ cellular _____ in _____ vicinity?

Is _____ that I'm missing _____ signals _____ of _____?

Why did the cell _____ due _____ obstacles?

_____ barriers be _____ for weak networks _____?

_____ possible _____ obstruction affects the _____ near me.

Potential for _____ interfere _____?

_____ any visible barriers _____ for _____ of cell _____?

_____ a _____ something _____ blocking _____ service

I think _____ possible _____ this obstruction _____ my _____ signals.

It's _____ that an _____ could _____ my _____ connection _____.

_____ issue affecting _____ reception?

_____ might be _____ in _____ of cellphone coverage.

Maybe _____ phones _____?

_____ the _____ be _____ an object?

_____ the _____ of cellphone coverage _____ a result _____ barrier.

This loss of _____ be _____ by an obstruction _____ proximity.

_____ a _____ stop the _____?

Is it _____ a physical _____ causing the absence _____?

Is _____ possible that _____ lack _____ cell service here _____ by _____?

_____ might _____ something interfering with _____.

Is _____ a physical _____ makes _____ difficult _____ cellphone coverage?

Is _____ reception close _____?

obstacles are _____ cellphone connection

_____ physically blocks _____ signals?

Is _____ signals here?

Is _____ object is _____ with my phone _____?

Is it _____ to _____ barriers to _____?

_____ object _____ interfering with my _____?

_____ it possible that _____ objects _____ mobile signals?

_____ could _____ possible for some _____ to _____ with _____ connection.

It's possible _____ physical obstruction _____ communication.

_____ be disrupted by _____ physical _____.

_____ it _____ that something _____ preventing _____ network _____ working?

_____ are obstacles _____ might be _____ absence _____ cellphone _____.

Is _____ possible _____ my _____ signals _____ being _____ this obstruction _____?

Is it _____ for _____ with _____ close by?

_____ physical object may _____ blocking _____.

_____ an _____ that _____ hinder _____ connection?

_____ is _____ an obstacle is affecting _____ of _____ service.

You think that the lack _____ of something _____?

Is _____ barrier _____ allow for cellphone coverage?

Maybe _____ affects _____ absence _____ a cellular signal.

obstructions stand in _____ reception?

_____ impede the presence _____ cell _____.

_____ service _____ by something?

_____ blocking my signal?

Could _____ be _____ blame _____ networks?

It _____ that a _____ is _____ cellular reception _____ area.

_____ coverage could _____ with by _____?

Is _____ possibility of _____ blocking nearby _____?

Cell reception _____ be _____ a _____.

There may be _____ obstruction _____ could _____.

There might be _____ service.

_____ barrier _____ impede _____ presence of _____ signals near _____.

_____ might _____ for poor networks here.

_____ chance that the _____ of _____ service is due _____ obstacle?

_____ there _____ to affect cellphone coverage?

Is _____ a reason that _____ are _____ around _____?

_____ physical obstacle _____ affecting _____ of _____ signal.

_____ wonder _____ physical obstruction messing with _____ signal.

There _____ a _____ that _____ is blocking the _____ around _____.

You _____ the lack of _____ due _____ blocking signals _____?

_____ it _____ affecting nearby _____?

Obstacles _____ cause signal _____.

_____ obstacles _____ could _____ to the absence of _____ cell _____.

_____ possible that _____ affect cellphone _____?

_____ a barrier preventing _____ signals _____ reaching _____ right _____.

_____ is an _____ can interrupt _____.

There's _____ mobile _____ area, can an _____ it?

Can an object _____ of cell _____?

_____ is a possibility of _____ telecommunication due _____.

_____ it possible that _____ physical impediment _____ me _____ cell _____?

Is _____ possible that _____ an _____ hurting reception?

_____ blocking _____ service around _____.

Maybe _____ phone signal?

_____ barrier block _____ signals _____?

Is it possible _____ there _____ causing _____ cell signals?

Is it possible _____ something _____ hurting cell reception?

Physical _____ may be _____ network here.

_____ might _____ disrupted by _____ physical _____.

Is a object _____?

_____ something could block _____?

Might there _____ an _____ affecting _____?

_____ a _____ stop the transmission _____?

_____ with my phone?

_____ failure due _____ physical _____ near _____.

_____ some object _____ cell _____?

_____ nearby signal access?

_____ might _____ preventing the _____ signals from _____ me.

_____ physical obstacle might _____ absence of _____ signal.

_____ stop _____ signals?

_____ possible _____ something _____ blocking the network in _____.

Is there _____ affecting _____ of a _____ signal?

_____ blackout _____ by physical _____?

_____ don't know if _____ object _____ interfering _____ my _____.

_____ an _____ hurting cell reception?

_____ anything obstructing _____ service?

_____ absence of _____ connection because _____?

Cell _____ gone _____ disturbs?

_____ a possibility that a physical _____ could be _____.

_____ that the _____ is _____ with my signal?

_____ black _____ due _____ near me.

Someone asked if _____ physical block _____ signal.

Is _____ obstruction _____ signals _____?

_____ is a _____ an object is _____ lack _____ cell _____.

Something might _____ signals.

I'm _____ barrier is _____ signals from reaching _____.

_____ a _____ an _____ is to _____ for _____ loss?

_____ it _____ block _____ signals here?

There could _____ a _____ signals.

Can you tell _____ obstruction _____ is blocking _____ phone signals?

_____ there a _____ cellular signals _____ caused by _____ obstruction?

I _____ if _____ for _____ to interfere _____ my _____ connection.

Is _____ feasible _____ is _____ the network _____ my _____?

Could something _____ signal?

_____ that _____ obstruction is blocking the cellular _____?

_____ it _____ cell service?

_____ you _____ me if _____ not _____ phone because of _____ obstruction?

No _____ me is because _____ visible _____.

_____ it possible _____ physical obstruction _____ preventing _____ signals _____ around me?

_____ think the _____ of _____ is related _____ stuff _____ nearby?
