

[Demo] NLP Dataset for Customer Service Automation

Company Type	Telecommunications Equipment Manufacturers
Inquiry Category	Product specifications and features request
Inquiry Sub-Category	Multimedia capabilities
Description	Customers request information regarding the multimedia features of the telecommunications equipment, such as support for video conferencing, multimedia messaging, or voice recording.
Data Size	5,002 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Telecommunications Equipment Manufacturer" customer inquiry. (Purchased data will not be masked.)

____ formats are _____ the audio/video _____ in _____ telecoms gear?

____ is compatible with _____ audio _____ video _____ on the _____?

Audio/video support _____ your telecommunications gear is _____.

Which _____ formats are _____ telecom _____?

Do you _____ the file _____ for audio _____ to _____ played in _____?

_____ formats work _____ telecom gear?

_____ formats _____ used for _____ on _____ telecommunications equipment.

What _____ are _____ the audio _____ video player in _____ Telecom _____?

What audio/ _____ formats _____ available _____ gear?

What video types can be _____ the _____ player _____ equipment?

Which _____ video _____ can _____ play?

_____ audio/Video _____ telecom _____ supports?

Which audio/Visual _____ with _____ telecom _____?

_____ of _____ are supported by _____ audio/ _____ player _____ the _____ equipment?

Which _____ and video formats _____ by _____ equipment?

What formats _____ by your telecom equipment when _____?

_____ compatible _____ the _____ and _____ player of your telecom _____?

_____ accepted by your _____ equipment _____ play _____ and video?

Which _____ formats lend _____ support _____ Telecom _____?

_____ know the _____ for video and _____ to _____ played _____ telecom equipment?

_____ types work _____ the _____ audio-visual feature?

_____ video/audio _____ are compatible with _____?

What _____ are accepted for _____ telecommunications _____ play _____?

_____ you know _____ are supported for _____ audio and _____ in _____ telecom _____?

The _____ video _____ in _____ gear supports _____ formats.

Is your _____ able to _____ formats?

_____ by _____ audio/ video player on the phone equipment?

_____ formats work _____ Telecoms _____?

_____ the _____ gizmo play _____ audio or video _____ types?
 _____ me what _____ formats are accepted by _____ particular _____ telecom _____?
 What file _____ are accepted _____ telecom equipment for _____ and _____ played _____?
 _____ know _____ supported _____ audio and _____ on your equipment?
 _____ video _____ audio formats _____ supported by _____ gear?
 _____ you _____ me the range of _____ this specific _____ gear?
 Audio/ video _____ in _____ gear can be _____ in _____.
 You're wondering _____ the audio/ Video _____ telecommunications _____.
 _____ audio/Video formats _____ with _____ gear?
 Which _____ have the _____ the _____ audio function of _____ telecoms _____?
 Which _____ formats are compatible _____ your _____?
 _____ types of _____ are _____ the audio/ Video player _____ the _____?
 _____ formats _____ your telecom _____?
 What file formats _____ your _____ in _____ to be played _____?
 _____ you _____ supported file _____ for _____ and video in your _____?
 Which _____ you use _____ back your telecoms _____?
 Audio/video support _____ telecommunications _____ can be found _____ of _____ following _____
 _____ support in some different _____ in _____ telecommunications gear.
 _____ types of _____ video files that can be played _____ devices.
 _____ your phone _____ handle multiple audio and _____?
 _____ audio _____ video _____ support _____ equipment?
 _____ support in telecommunications gear _____ be _____ number _____ formats.
 _____ file formats _____ by your telecom equipment _____?
 Is there _____ to _____ digital _____ forms _____ audio/video function of _____ hardware?
 _____ have support _____ audio/ video _____ of your _____?
 Which formats have the _____ your _____ gear?
 Can _____ audio _____ video file types?
 _____ video support in your _____ available _____ of the above _____.
 I _____ like _____ if _____ formats are _____ on your _____.
 Can _____ tell _____ about _____ supported _____ and _____ for _____ my communications equipment?
 What _____ types are _____ the audio and _____ player on _____?
 _____ and video support _____ gear can _____ in _____ formats.
 _____ file types _____ with the _____ and video player _____ telecom _____?
 _____ file _____ compatible with _____ audio _____ player on the _____ equipment.
 Which _____ and audio formats are _____ equipment?
 What _____ are supported in _____ telecom _____ for listening _____?
 _____ types _____ by the Audio/ _____ on the telecom equipment?
 Can you _____ us _____ the supported _____ video formats _____?
 What are _____ and video _____ with _____ equipment?
 _____ of video are supported _____ audio/ _____ player _____ equipment?
 _____ formats have _____ support _____ video _____ audio in _____ telecoms _____?
 _____ formats _____ accepted by your _____ equipment _____ and video?
 Is _____ audio-visual feature _____ with media _____?
 _____ it possible to _____ audio/video _____ enabled _____ your telecom _____?
 _____ types _____ with _____ phone system's _____ feature?
 _____ audio/Video formats _____ be _____ equipment?
 _____ audio/ _____ format is compatible _____?
 _____ your telecom _____ support _____?
 Do _____ know _____ supported file formats for _____ with your telecom _____?
 _____ audio/Video _____ in your _____ equipment?

Is _____ possible to _____ digital media _____ the _____ play _____ of _____ telecommunications _____?

Some of _____ audio/ video support in your _____.

You _____ find audio/ video _____ formats in _____ equipment.

Which audio and video formats _____ your _____?

_____ formats are compatible with your _____?

On your _____ are used for _____ and _____?

What formats _____ video/audio support _____?

Are _____ formats _____ your _____ gear?

_____ know the _____ audio and video _____ on your telecom _____?

Which _____ and audio _____ with _____?

I _____ know if _____ are accepted audio _____ video file types _____.

Which formats _____ and _____ your telecom _____?

Which audio _____ formats are supported _____ telecom _____?

_____ formats is used for _____ and _____ equipment?

_____ gear supports _____

Which audio/ video formats lend _____ telecom _____?

Which audio/ _____ formats _____ with _____ equipment?

Which _____ with the phone _____ feature?

_____ and video _____ your equipment _____?

_____ your _____ can be found _____ of the following formats.

_____ play on your equipment?

_____ audio _____ formats _____ compatible _____ gear?

You can find support _____ in certain _____ in your _____.

_____ telecom gear _____ media formats?

_____ audio/Video format _____ your _____ support?

What _____ video _____ supported _____ and _____ on your telecom equipment?

Do you _____ file _____ and _____ to be on _____ telecom equipment?

_____ and _____ your telecom gear _____ be found _____ some _____.

_____ formats _____ video/audio function _____ your telecoms _____?

_____ about _____ of _____ and video files that can _____ played _____ devices.

What types of formats _____ on your _____ equipment?

What file types _____ with _____ audio/ video _____ of _____?

The audio-visual feature of your phone _____.

_____ in _____ telecommunications _____ can be _____ in some of _____ formats.

_____ telecom _____ play supported _____ formats?

_____ video _____ of your _____ compatible with what _____ types.

_____ audio _____ video formats can _____ equipment _____?

_____ formats have the ability to _____ video/audio _____?

Is it possible to _____ which audio/video _____ your _____.

Does your phone system _____ than one audio/ _____ file _____?

Which format _____ played _____ telecommunications _____?

The audio _____ video _____ on _____ is compatible with some _____.

_____ you _____ video _____ audio formats for _____ equipment?

_____ formats do _____ audio/ _____ in?

_____ video formats supports _____ gear?

What _____ are accepted _____ telecom _____ for _____ audio _____ video?

What _____ of _____ are _____ by the audio _____ at _____ telecom _____?

_____ can _____ played by the _____?

Which formats can you _____ with _____ play video _____?

_____ media _____ can _____ used _____ your phone _____ feature?

Which _____ and _____ formats can _____ supported _____ gear?

_____ audio and video formats _____?

_____ possible to find _____ audio/video _____ are enabled on _____ telecom _____?

_____ does your telecom gear _____?

Which _____ formats support your _____?

Can the _____ gizmo play any _____ types?

Do your _____ files?

_____ types are _____ the audio-visual feature _____ phone system?

_____ video in _____ gear support certain _____.

Do _____ certain digital _____ forms _____ be _____ the audio/video function _____ your _____ hardware?

What types _____ are supported by _____ video _____ your Telecom _____?

Which audio _____ formats _____ compatible _____ telecom gear?

Which _____ formats are supported _____ telecom _____?

_____ and audio formats is _____ by _____ telecom _____?

Which _____ audio formats are _____ with your _____?

_____ you know _____ equipment _____ audio and _____ formats?

Do you know which _____ are _____ on your _____?

What _____ types work _____ the audio _____ player on _____?

_____ your _____ gear _____ available in a variety of _____.

What _____ and _____ formats _____ gear support?

Some _____ the _____ formats contain audio/ _____ your _____ gear.

_____ video formats are _____ with telecom _____?

_____ you know if certain digital _____ forms _____ enjoyed through _____ of _____?

_____ you _____ supported _____ formats for audio and _____ your _____ equipment?

What _____ listening _____ and viewing video _____ your telecom _____?

Do _____ file format for audio _____ on _____ telecom equipment?

_____ your _____ equipment supported in _____ video _____?

What _____ are _____ your _____ to _____ to _____ watch video?

Which audio _____ formats are supported _____ telecom _____?

_____ supported _____ and video formats _____ on-board use in _____ telecommunications equipment _____.

Which _____ video _____ supported _____ video _____ on the _____ equipment you own?

_____ media types _____ with your _____ audio-visual _____?

_____ audio/video formats _____ your equipment?

Which _____ formats are appropriate _____?

_____ about the audio and _____ telecommunications gear.

_____ Video formats _____ compatible with _____ telecom _____

_____ styles are compatible with _____ audio _____ on the telecom _____?

_____ is supported in your _____ listening to video?

What _____ work with the audio-visual _____ your _____?

What formats _____ for audio _____ your _____ gear?

_____ audio/ _____ is _____ your telecom equipment?

What audio/ _____ supported by _____?

Does _____ allow audio/video _____?

Can _____ audio _____ video file _____ by the telecoms _____?

_____ audio/Video formats _____ gear use?

_____ support _____ video/audio play _____ function _____ telecoms gear?

What _____ are compatible _____ the _____ video _____ on the _____?

Information _____ audio _____ video formats for _____ use in _____ can _____ provided.

_____ files _____ compatible with _____ audio and _____ player _____ telecom _____ you _____?

What file types are _____ with the audio _____?

Audio/video support ____ your ____ gear is ____ of the ____.

Your ____ system can ____ file formats?

Is it ____ know ____ audio/video formats are ____ on ____?

____ possible to ____ audio ____ video formats for on-board use ____ your ____.

What ____ equipment play audio and ____ in?

____ audio ____ video ____ are ____ telecom equipment?

____ video ____ some ____ in your phone ____.

____ know ____ formats ____ for audio/video on your telecoms ____?

____ compatible ____ your telecom gear.

____ audio/Video ____ works with ____?

The ____ phone gear supports ____ formats.

____ audio/visual ____ in ____ gear is ____ you ____ wondering about.

____ can be found in ____ in your telecommunications ____.

Does your ____ audio ____ video ____?

____ and audio ____ supported by your telecom ____?

____ audio/Video formats ____ you use in ____?

____ filetypes are compatible ____ the ____ on ____ telecom equipment ____ own?

____ audio/ ____ formats do ____ support?

____ formats are supported by ____?

Audio/video ____ your telecommunications gear ____ certain formats.

____ to ____ audio and ____ formats are enabled ____ your ____ gear.

Audio and ____ support ____ found in several formats.

____ formats are accepted ____ your telecom equipment ____ back?

____ would like ____ which audio/video ____ are ____ telecom gear.

____ function of ____ supports certain formats

____ format has video ____ audio ____ your ____?

The ____ function in ____ gear supports various ____.

Which formats ____ support ____ the ____ play ____ equipment?

Can you ____ which ____ enabled on your telecom ____?

Do ____ know ____ supported ____ formats ____ and video to be ____ back in ____?

What ____ are ____ and video on your ____ equipment?

____ like to know ____ audio and video formats are ____.

Can you tell ____ the formats ____ your ____ gear?

Audio and video in ____ some ____.

____ about supported ____ and video formats ____ use ____ equipment ____ given.

Does ____ telecoms gear support different ____?

____ formats ____ with ____ gear?

Do ____ know ____ file formats for ____ and ____ telecom ____?

Audio/video ____ your ____ certain formats

Is ____ specific digital media ____ through the ____ video play ____ of your ____?

I'm wondering if ____ accepted ____ video ____ for use ____ your ____ devices.

Which ____ formats do ____ support?

What audiovisual ____ telecom ____ support?

____ formats are ____ with your telecom ____?

Which formats ____ played ____ equipment?

The ____ and video ____ your telecommunications ____ be found ____ certain ____.

I want ____ the ____ formats ____ enabled on ____ gear.

Which formats ____ for ____ and ____ in your ____?

Do ____ the ____ formats ____ audio ____ video ____ are compatible ____ telecom equipment?

____ is ____ compatibility of ____ audio and ____ on ____ telecom ____?

Which _____ have _____ video/audio feature _____?

Audio/ video support in _____ is available _____ a _____.

Which _____ video/audio playback function _____ your _____ gear?

What _____ are supported _____ watching _____ your telecom equipment?

_____ you _____ the compatible _____ formats _____ video _____ played on _____ telecom equipment?

_____ files are compatible with the _____ video _____ equipment?

_____ you _____ what _____ types _____ with your phone _____ feature?

_____ are supported by your _____ for _____ video?

The _____ video function in your _____

Do you know _____ audio _____ video _____ out in _____ telecom equipment?

Which audio/ _____ formats _____ support to your _____?

Which _____ Video formats _____ with _____ equipment

_____ formats are _____ in your _____ when _____ to and _____?

What files are _____ with the _____ video _____ your _____?

Does _____ system _____ multiple audio and _____ file _____?

Which audio/Video _____ work _____?

Which audio and video _____ by your _____?

_____ formats _____ the audio/ video _____ in _____?

What A/V _____ telecoms _____ accept and reproduce _____?

_____ are _____ by your telecom _____ in order _____ back?

Which _____ and _____ formats supports _____?

Which _____ compatible _____ Telecom equipment?

Your _____ supports _____ media _____?

Do _____ support audio/video _____?

_____ file formats _____ accepted _____ your _____ equipment _____ play _____?

What kinds _____ video _____ supported _____ audio/ video _____ on the _____ equipment _____?

_____ types can _____ find _____ with _____ and video player on _____ equipment?

_____ for audio and _____ to be used on your _____?

_____ formats _____ for _____ and video on your _____?

_____ me _____ media _____ that work with _____ system's audio-visual feature?

_____ certain _____ supported by _____ audio/ _____ function in _____ gear.

_____ give _____ description of _____ formats _____ on-board _____ in your communications equipment?

_____ video function _____ your phone _____ supports more _____ one _____.

_____ types _____ are _____ by the audio/ _____ player on your _____

_____ media types _____ with your phone _____?

_____ audio/Video _____ compatible _____ equipment?

_____ you know _____ specific digital media forms that can be enjoyed _____ phone's _____?

Which _____ formats _____ your _____ support?

What _____ are used _____ audio and _____ in _____?

Which _____ with the _____ player on the telecom _____?

_____ know _____ can be used _____ video on your telecom equipment?

What audio _____ are supported _____ telecommunication gear?

_____ telecoms _____ A/V formats?

_____ audio _____ formats have _____ your telecommunications gear?

_____ support for _____ audio/video function in your _____?

Which _____ video _____ the _____ play?

_____ and audio _____ are used _____ telecommunication equipment?

Which _____ formats are _____ with _____?

_____ audio/video _____ played with the _____?

_____ gear support certain _____ formats?

_____ your _____ system _____ of _____ and video formats?

Do _____ file formats for audio and video to be _____ back _____ ?

Which _____ compatible with _____ gear?

_____ formats _____ played _____ the _____ equipment?

Is _____ telecom _____ handling audio/ _____ formats?

_____ accepted _____ telecom equipment to _____ back?

Can you tell _____ the supported _____ and _____ in _____ ?

_____ Video formats _____ compatibility _____ telecom equipment?

_____ and video player _____ supports different types _____ video.

What formats _____ your telecom _____ and audio?

There _____ and video formats _____ your _____ equipment.

Which audio _____ do _____ telecom _____ ?

What formats _____ used in _____ telecom equipment _____ and _____ ?

_____ formats _____ for video _____ audio on your _____ ?

What audio/ _____ can _____ handle?

_____ supported _____ formats _____ audio and video to _____ in _____ telecom equipment.

Which video _____ do your _____ gear _____ ?

_____ your telecommunications _____ is available _____ different formats.

_____ telecoms support for audio/ _____ ?

_____ with _____ telecoms gear's function?

_____ audio/ _____ supported in _____ telecom equipment?

What _____ are used for _____ in your telecommunication _____ ?

_____ of _____ are _____ the _____ player of your telecom equipment?

_____ audio/video _____ telecommunication _____ is something you're wondering _____ .

Which media _____ do _____ phone _____ feature _____ ?

_____ video _____ on the telecom equipment _____ of video.

_____ know the supported file _____ audio _____ played in your equipment?

_____ formats are _____ audio/video on your _____ gear?

Which _____ video can be supported _____ the audio/ _____ telecom _____ ?

_____ Audio/Video formats _____ your _____ gear?

_____ audio/ video function _____ phone gear can _____ .

Which _____ have _____ ability _____ play _____ on _____ equipment?

Which _____ formats _____ with telecom _____ ?

_____ formats support _____ video/audio _____ function of _____ ?

Which audio/Video format _____ support?

_____ do your telecom gear _____ ?

_____ audio/video support in your _____ gear _____ in several _____ .

Audio _____ video support in your telecom _____ be found _____ .

_____ if there _____ formats for audio _____ video to _____ played back in your _____ ?

_____ file types _____ compatible with audio and _____ equipment?

Is your _____ by audio _____ formats?

Which file _____ compatible _____ the audio _____ video _____ on the _____ have?

Which audio and _____ formats _____ communications equipment?

_____ possible _____ which _____ video _____ are _____ your telecom gear?

_____ there _____ specific digital media _____ that can be enjoyed _____ the audio/video function _____ ?

_____ your _____ gear _____ audio/ _____ formats?

_____ and _____ formats can be _____ ?

Can _____ audio/video formats _____ supported _____ your telecom _____ ?

There _____ audio/video _____ in the _____ .

_____ you tell me _____ and video _____ in _____ equipment?

_____ curious if there are _____ accepted audio _____ types _____ telecommunication _____.

What _____ to play video and _____ your _____ equipment?

Which multimedia _____ can _____ on _____?

_____ audio/ video formats _____ with _____?

Which video and audio _____ your telecom _____?

Can you _____ what multimedia _____ are _____ this model of _____?

_____ formats _____ ability _____ support video and _____ in your _____?

Is _____ possible _____ determine which audio/ _____ are _____ on _____?

_____ your telecom equipment _____?

_____ formats work _____ gear?

I wonder if _____ accepted _____ video file _____ your telecommunication _____.

_____ support in _____ is something _____ are wondering about.

Which _____ and audio _____ supported in _____ gear?

Which _____ compatible with the audio _____ player on _____?

Do _____ if _____ play _____ on your telecom equipment?

Which _____ and _____ compatible _____ telecom gear?

_____ audio and _____ formats _____ telecom gear?

_____ audio/visual function in _____ supports some _____.

Which formats do your _____?

_____ video formats are used in _____ telecommunication _____?

_____ phone gear supports different _____.

Do you _____ audio and _____ formats _____ equipment?

_____ supported _____ formats for audio _____ to be played _____ your telecom _____?

_____ types of video _____ by _____ of the telecom equipment?

Which _____ formats _____ compatible _____ telecom _____?

_____ audiovisual _____ compatible _____ your telecom _____?

Which _____ have support _____ the _____ telecoms gear?

_____ me _____ types _____ with my phone _____ audio-visual _____.

_____ audio/ Video format _____ support?

What file types _____ acceptable for _____ and _____ player _____ telecom _____?

Which _____ and audio _____ can _____ used _____ your _____?

Do _____ formats for audio _____ video to be _____ on _____ equipment?

Which _____ Video _____ will _____ with _____?

_____ phone systems able _____ multiple audio/ video _____?

_____ audio/ video formats _____ telecom _____?

Which audio/visual _____ by _____ telecom _____?

There are file _____ compatible _____ the _____ video _____ telecom _____.

What file types are _____ with the _____ and _____ the telecom _____?

What _____ video _____ supported when _____ video _____ on the telecom _____?

What formats _____ audio and _____ on your _____?

Which formats _____ video/audio _____ gear?

_____ support _____ your _____ gear _____ found _____ several formats.

_____ you _____ there _____ digital media _____ that _____ enjoyed _____ the _____ video function _____ your telecommunications hardware?

Can this _____ gizmo play any _____ file _____?

Which _____ formats can be _____ in _____?

What _____ support _____ equipment _____ watching and _____ video?

_____ know _____ formats _____ and _____ that are supported _____ your _____ equipment?

_____ formats compatible _____ your _____ equipment?

_____ know if certain _____ digital media _____ be enjoyed _____ function of _____ telecommunications hardware?

Are _____ audio and _____ formats _____ in _____ telecommunications _____?

_____ gear support different _____ and audio _____?

What file forms are _____ player on the telecom _____?

_____ you _____ if your _____ formats for _____ and video?

_____ video formats _____ used for your _____ equipment?

The _____ your _____ gear is available in _____ of _____ formats.

_____ support audio/ _____ formats.

Which _____ and _____ can _____ used by your _____?

_____ audio/Video formats lend their _____ equipment?

Which _____ and _____ formats _____ supported _____ your _____ equipment?

_____ format _____ accepted by your _____ for _____ and _____?

Which _____ video formats _____ compatible with your _____?

_____ it _____ to _____ digital _____ forms _____ the _____ video play function of _____ telecommunications _____?

How _____ telecoms _____ audio/ _____ formats?

There _____ different _____ audio and video support _____ telecommunications _____.

_____ are _____ by _____ equipment for play back?

_____ in your _____ gear supports a number _____ formats.

_____ support listening to _____ watching _____ your telecom _____?

Can you tell _____ and video _____ are _____ your _____?

_____ does your equipment play _____ and _____?

What audio and _____ are _____ your _____ equipment?

Is _____ of handling audio/video _____?

_____ Audio/Video _____ are compatible _____ gear?

Which audio/ _____ formats are _____ your _____?

_____ file formats are _____ to play back?

_____ your telecommunications _____ video _____ formats?

Which audio/video _____ your _____ handle?

_____ about audio _____ support in your _____ gear.

_____ the audio/ video support _____ your telecoms _____?

_____ formats have support _____ video _____ your telecoms _____?

Which _____ support _____ in _____ gear?

I want _____ know which _____ formats _____ available _____ your _____.

_____ audio/video _____ supported by your _____?

Can _____ of the audio/video _____ types be _____ by _____?

What _____ accepted by _____ audio and _____ to be _____ back?

_____ formats does your _____ play?

_____ in your _____ equipment _____ some formats.

What _____ formats _____ with your telecoms _____?

_____ types are compatible with the audio _____ video _____ in _____?

_____ audio/video _____ in _____ telecommunications _____ is something _____ are wondering _____.

_____ you _____ the _____ formats _____ audio _____ video to be _____ on _____ equipment?

What file formats _____ for _____ video _____ your telecom _____?

Which A/V _____ does telecoms _____ reproduce _____?

Do you know the _____ audio and video _____ you _____ use _____ your _____?

Does the _____ play function _____ hardware _____ you _____ specific digital _____ forms?

Audio/video _____ in _____ is available in _____ variety _____ formats.

Which audio/Video _____ is compatible _____?

_____ your phone _____ various audio and _____?

What kind _____ format support _____ available for _____ and _____ on _____?

_____ know if _____ digital media _____ can _____ enjoyed through _____ playing _____ your telecommunications hardware?

_____ formats can _____ to _____ your telecoms _____?

Which _____ support _____ video _____ audio _____ your telecoms _____?

_____ you know _____ file _____ playing _____ and video in your _____?

_____ about _____ or video support _____ telecommunications gear.

_____ you _____ which _____ formats _____ used to play audio and _____ telecom _____?

There _____ options for _____ video on _____ telecom _____.

_____ the _____ video support in your _____ gear.

Are _____ of _____ supported _____ audio and video to _____ played out _____ equipment?

What _____ formats _____ your telecom equipment to _____?

_____ types _____ with the audio _____ video player on _____?

_____ know supporting _____ for audio and _____ your telecom _____?

_____ wondering if _____ any _____ audio and _____ file _____ your telecommunication _____.

Which _____ for your telecom _____?

Which _____ played on _____ equipment?

_____ know _____ for audio _____ be played _____ in your telecom equipment?

_____ you _____ the _____ and audio formats _____ telecommunications equipment?

_____ gear able to _____ audio/video _____?

What _____ are _____ video _____ audio on _____ telecommunications equipment?

_____ file types are compatible with the _____ video _____ the _____?

_____ of _____ audio/ Video formats is _____ gear?

_____ in _____ gear supports various _____.

Which _____ video _____ is supported _____ telecommunication gear?

Do _____ file formats for audio and video to _____ equipment?

Some _____ the above formats _____ support _____ your telecommunications _____.

_____ audio/ _____ formats are _____ by _____ equipment?

_____ equipment play audio _____ video in?

Do _____ know if specific _____ digital media can _____ enjoyed _____ the _____ your _____ hardware?

What _____ your equipment for sound _____ video?

_____ are _____ your telecom equipment, to _____ back?

Which _____ gear support?

_____ audio/ Video _____ compatible _____ telecom _____?

_____ video and audio support _____ your _____?

_____ A/V _____ telecoms _____ accept?

Do you know the _____ for audio _____ your telecom _____?

_____ formats do _____ phone _____ support?

_____ video support _____ in _____ phone gear.

Which _____ video and audio _____ gear?

_____ formats will _____ with your equipment?

_____ you _____ the formats _____ video _____ audio on your _____?

_____ formats _____ video and audio support _____ telecoms _____?

_____ telecom _____ support _____ audio/video formats?

Which formats have _____ the _____ function _____ equipment?

_____ audio/Video _____ are in support _____ gear?

_____ types of video _____ supported by _____ audio/ video _____ the _____?

What audio _____ be _____ with your equipment?

What _____ supported _____ your _____ equipment _____ watching _____ listening?

Which _____ support from _____ audio/video _____ your equipment?

Which _____ and audio _____ by your communications _____?

Which formats _____ support from _____ audio/ _____ function _____ gear?

The audio/video _____ in _____ supports _____ variety of _____.

_____ file _____ are compatible _____ the _____ player of _____ telecom _____?

_____ audio and _____ are compatible _____ your _____?
 What formats _____ accepted by _____ playing _____ audio and _____?
 _____ your _____ is available _____ some of the _____ formats.
 What _____ supported _____ your telecom _____ for listening _____?
 Which _____ provide _____ function in your equipment?
 Is it possible to _____ which _____ work _____ feature?
 What _____ are _____ by your _____ for playing _____?
 _____ formats are _____ gear compatible _____?
 _____ have _____ for _____ video/audio _____ function in _____ telecoms gear?
 What audio/video _____ gear handle?
 The _____ support _____ your _____ something you _____ wondering about.
 _____ audio and _____ formats _____ your telecom _____?
 _____ gear can _____ and video _____.
 Is _____ system capable of handling _____ video _____ formats?
 You can get _____ video _____ your _____ gear.
 Which formats are _____ by _____ in _____ telecom gear?
 Do _____ know the _____ formats _____ your _____ equipment _____ use _____ audio and _____?
 You _____ about _____ audio/Video support in your _____.
 _____ audio and _____ formats _____ equipment _____?
 What _____ compatible with the audio and _____ on _____?
 What _____ the supported audio and _____ formats _____ use _____?
 _____ are _____ by _____ audio/ video _____ of your _____ gear?
 _____ formats work with _____ gear?
 Can _____ video file _____ be played _____ telecoms _____?
 Some of _____ video support in their telecommunications _____.
 _____ audio/video formats in _____ equipment
 Your _____ can _____ formats.
 Which formats _____ on _____ equipment?
 Which _____ the ability to _____ video _____ from _____ gear?
 Audio and video _____ telecommunications gear _____ in _____ formats.
 _____ telecoms gear _____ format _____ audio and video?
 _____ audio/ _____ support _____ your _____ gear is _____ you _____ wondering _____.
 _____ do your telecom equipment _____?
 _____ to play audio _____ in your telecoms gear?
 Audio and video _____ in _____ telecommunications _____ something _____ you're _____.
 _____ if there are _____ accepted _____ video _____ types for _____ on your _____.
 What file types are compatible with _____ video _____ on _____?
 _____ and _____ by your _____ gear?
 _____ know the supported _____ audio _____ video to be _____ your _____ equipment
 Did _____ handle _____ video file formats?
 There _____ formats supported _____ the audio/video _____ in your _____.
 Which _____ the _____ is _____ with _____ telecom gear?
 There _____ audio and video _____ supported by _____.
 What audio/video _____ can _____ gear _____?
 Which _____ are _____ for _____ video on _____ telecommunications _____?
 _____ phone _____ supports certain formats.
 _____ audio _____ formats _____ with your equipment?
 _____ you know _____ supported file formats _____ audio _____ video _____ your _____?
 What file formats _____ the _____ and video _____ on _____?
 _____ audio and video _____ can _____ played on _____?

_____ and video _____ with your _____?

_____ have support for the _____ function _____ telecoms gear?

How _____ your telecom _____ formats?

Your _____ gear supports _____ and _____.

_____ kinds _____ can _____ by the _____ video player on _____ telecom _____?

_____ audio _____ your telecom equipment _____ compatible with _____ file types.

Which formats have _____ support _____ your telecoms _____?

Which _____ your telecom gear _____?

Does your _____ gear _____ certain _____?

What _____ are supported in _____ equipment for _____ video?

Do you _____ if you _____ supported audio _____ video _____ telecommunications _____?

Which _____ formats are _____ with _____?

_____ and video _____ in certain formats in _____ gear.

What audio and _____ formats _____ telecommunication _____?

_____ video support in your _____ be _____ in different _____.

_____ you know _____ file _____ audio and _____ that _____ be _____ in your _____?

_____ formats _____ used in _____ telecommunications _____ for _____ and _____?

How many _____ are supported by the _____ video _____ the _____?

Which audio _____ support _____ telephone _____?

_____ video formats can _____ on _____ telecoms _____?

Do _____ know _____ supported _____ formats _____ and _____ telecom equipment can play?

_____ Video support in your _____ gear _____ be _____ some _____.

_____ formats _____ supported _____ your _____ equipment?

Which video _____ audio _____ are _____ with _____?

_____ video _____ can _____ gear handle?

What formats are _____ video on your telecoms _____?

_____ are different types of _____ by _____ player on _____ equipment.

Video and audio _____ in your _____?

_____ a telecoms _____ play audio _____ types?

What formats are supported _____ your _____ equipment _____ video?

Your _____ certain _____ of audio and _____.

Do _____ know if _____ digital media _____ be _____ with _____ audio/video _____ your telecommunications _____?

Which audio/ _____ are compatible with _____?

Is there _____ that _____ be _____ audio/video function of your telecommunications _____?

_____ supported _____ formats _____ your _____ equipment.

_____ you _____ which audio _____ enabled _____ your telecom gear?

Do _____ if _____ equipment supports _____ supported file formats for _____?

_____ is _____ with for audio and video?

_____ file _____ with _____ and video player _____ your telecom equipment?

_____ types _____ compatible with the audio _____ video _____ your _____

_____ audio/video formats _____ your _____ equipment?

What _____ are supported by your telecom _____?

_____ telecommunications device capable _____ handling _____ formats?

Do you _____ there are _____ digital _____ forms that _____ be _____ the audio/video function _____ hardware?

_____ video support in _____ gear is available _____ following formats.

Can _____ tell me the supported audio _____ telecommunications _____?

_____ file _____ would _____ with _____ and video player _____ telecom equipment?

There _____ and video _____ in telecom _____.

Can _____ about the _____ for audio _____ video on _____ gear?

_____ gear supports audio and _____.

Which _____ can be _____ equipment.

_____ aware _____ the _____ file _____ for _____ to be _____ on your equipment?

_____ are _____ file formats for audio and _____ played back in _____.

Can _____ which audio/ _____ are supported _____ telecom gear?

_____ the video/audio _____ of your telecoms gear?

_____ files _____ accepted _____ equipment for audio _____ video?

_____ wondering about _____ video support _____ your telecom _____.

Do you know _____ your _____ audio and _____?

What _____ your _____ gear handle?

The audio/video support _____ telecommunications _____ is _____ in some _____ the _____.

Which formats _____ the audio and _____ function _____?

Do _____ formats for audio and video _____?

_____ multimedia formats accepted by _____ telecom gear model?

_____ you know what file _____ supported _____ and video in _____ equipment?

_____ supports _____ formats.

_____ audio/Video _____ support _____ gear?

Audio/ _____ in telecommunications gear _____ found _____ formats.

What audio/Video _____ with _____ equipment?

The audio/ _____ in _____ gear _____ be _____ in a number of _____.

Which audio/Video _____ do _____ back?

Do _____ know _____ the _____ file formats _____ audio _____ video _____ compatible _____ your _____?

_____ file types _____ for _____ and video _____ your telecom equipment?

_____ phone _____ of _____ audio/ video file formats?

The _____ video _____ in _____ gear _____ several formats.

What _____ support _____ available for audio _____ video on _____?

_____ formats _____ for _____ and watching video _____ your telecom _____?

_____ have _____ video/audio _____ from your _____ gear?

The _____ function _____ your phone _____ supports _____ number _____.

_____ know if _____ forms can be enjoyed through the _____ function of your _____?

Which _____ formats _____ with your _____?

_____ file _____ with the _____ player on your _____ equipment?

_____ formats are compatible _____ your _____?

Does your telecom equipment support file _____ to be _____?

Which formats supports the video/audio _____?

_____ telecom gear support _____ audio and _____?

_____ audio/video formats _____ compatible with _____?

Do you _____ telecommunications equipment _____ and _____ formats?

The _____ in _____ telecommunications _____ is something _____ are wondering _____

What format _____ I use _____ your equipment?

_____ Video formats _____ compatible _____ your telecom _____?

_____ I _____ audio and _____ formats on your _____?

_____ can be _____ in certain formats _____ telecommunications gear.

_____ are wondering _____ the _____ in your telecommunications gear.

Do you _____ supported _____ and _____ to be played?

_____ audio/Video formats _____ telecom _____ with?

_____ file _____ accepted _____ telecom equipment _____ and _____ to play back?

_____ is offered for _____ video on your _____?

_____ video _____ audio formats are _____ telecom equipment?

_____ file _____ are _____ by your _____ equipment _____ playing _____ and _____?

Which _____ formats _____ telecom gear?

The audio/ _____ support _____ telecommunications _____ something you _____ find in some _____ the _____.

Which _____ support _____ video _____ of your telecoms _____?

Do you _____ if certain digital media _____ enjoyed _____ play _____ on your _____ hardware?

_____ formats _____ by your _____ equipment for _____ audio and _____?

_____ types _____ can _____ played in the _____ player on your _____?

_____ are used for audio _____ in telecommunications _____?

Which _____ video formats _____ by your _____.

What _____ are _____ audio and video _____ telecom equipment?

Which _____ your telecommunications _____ audio and _____ in?

Which media _____ work _____ audio-visual feature.

Is _____ which audio/video _____ are _____ your telecom gear?

Which _____ and video formats _____?

Which audio and video _____ are _____ with _____?

Can you tell me _____ formats are _____ your _____?

Did _____ supported file formats for _____ and video _____ be played back _____?

The _____ and video player on _____ you _____ is _____ with certain _____.

Which audio and _____ work _____ equipment?

Which _____ formats _____ telecom _____ support?

_____ audio/ _____ on the telecom _____ supports _____ of video.

Do _____ the _____ for audio and _____ in _____ telecom _____?

_____ telecom gear _____ audio/video _____?

Do you _____ format _____ for _____ on _____ equipment?

_____ formats can _____ video/audio function _____ your _____?

Is your _____ system's _____ compatible with _____ types?

Is _____ to describe supported _____ formats _____ on-board use in _____ communications _____?

What formats are _____ by _____ for _____ and watching _____?

The audio/video support in _____ telecommunications _____ you're _____

_____ Video formats do your telecom _____?

_____ audio/Video _____ telecom gear lend themselves _____?

_____ formats _____ support for _____ telecoms gear?

_____ about _____ audio and _____ formats _____ telecommunications equipment?

Audio/video _____ phone _____ some formats

_____ curious about the _____ files that _____ be played on _____

_____ media _____ work with _____ phone _____ feature?

_____ audio/Video _____ do your telecom _____?

What _____ do _____ phone companies _____ audio/ _____?

_____ audio/ _____ formats _____ the telecom _____?

Can you _____ about supported audio and _____ use in _____ equipment?

Which audio/ _____ formats lend _____ support _____ your _____?

You _____ supported _____ and _____ formats _____ your telecommunications _____?

Which media _____ compatible with _____ audio-visual feature?

_____ range _____ accepted audio and _____ types _____ devices _____ something I'm _____ about.

_____ are used with the phone _____ feature?

_____ your telephone _____ audio _____ formats?

_____ type _____ are _____ with the _____ and video _____ telecom _____ you own?

_____ need _____ know _____ video formats _____ enabled _____ your _____ gear.

_____ formats are _____ telecom equipment for listening _____?

Which audio formats _____ your _____?

_____ to _____ audio/video formats are _____ on your _____ gear.

_____ audio/Video formats do _____ telecom _____?

Which _____ and _____ can I use _____ equipment?
 _____ of _____ audio/ video player of your _____ equipment?
 Do _____ telecommunications equipment _____ audio _____?
 Which media _____ with your _____ system's _____?
 What _____ are used for _____ audio _____ telecom _____?
 _____ audio or video _____ compatible _____ your _____?
 What _____ used for _____ your telecommunications equipment?
 Do _____ support Audio and _____ formats for _____?
 _____ in your _____ be found in a variety of _____.
 _____ formats _____ your telecom equipment for _____ and playing _____?
 _____ audio/ Video _____ in your _____ is something you're _____.
 _____ formats are supported _____ the _____ on the _____ equipment?
 Audio _____ video is supported _____ your phone _____.
 What _____ formats are _____ your _____ equipment for _____ and _____?
 What files _____ with the audio _____ telecom equipment?
 Which video _____ audio _____ are _____ by _____ equipment?
 What types _____ video can _____ on the audio/ _____ your _____?
 _____ have supported file _____ for _____ video _____ be played _____ in your _____?
 _____ formats are accepted _____ telecom _____ and video?
 _____ tell _____ about _____ audio _____ video formats _____ use _____ communications equipment?
 Which _____ video formats works _____?
 The _____ in _____ telecommunications gear is _____ some _____ the above _____.
 There are _____ video _____ in your _____?
 Which formats have support _____ the video/audio _____?
 What types _____ can _____ the audio/ video player _____ your _____?
 What _____ of _____ the audio/ video _____ on _____ equipment?
 What _____ video _____ is _____ with your _____?
 Which _____ support _____ for video/audio?
 _____ formats _____ ability to play _____ and _____ on your _____?
 _____ you _____ compatible _____ formats _____ telephone?
 Do you _____ media _____ that _____ be enjoyed through the audio/ video function of _____?
 Do you _____ what formats _____ audio and _____ equipment?
 _____ audio and _____ formats _____ your _____ gear?
 Audio/video supports some _____ phone _____.
 _____ are compatible with the _____ video _____ telecom equipment.
 _____ the _____ formats _____ and video support in _____ gear.
 _____ formats have _____ the _____ function _____ your equipment?
 _____ know if _____ can play audio _____ video on _____?
 Audio _____ support _____ your telecommunications _____ can _____ in _____ formats.
 What file _____ do the audio _____ equipment support?
 _____ types can _____ use _____ the audio and _____ telecom equipment?
 Do _____ know _____ formats that can be _____ to play _____ on your _____?
 Are _____ of the supported file _____ and _____ your _____ equipment?
 _____ you have _____ video _____ your communications equipment?
 _____ audio/ video _____ in _____ telecommunications _____ can _____ found in _____ of _____.
 _____ have _____ function _____ your equipment?
 Audio and video in your _____ be used _____.
 _____ you _____ which _____ video _____ in your telecommunications equipment?
 _____ a _____ for playing _____ video on _____ telecoms gear?
 Which _____ types _____ your _____ system's audio-visual _____?

_____ audio/video formats are _____ equipment?

_____ the telecom gear support?

Which _____ formats _____ telecom equipment _____?

_____ have _____ support _____ audio and _____ on _____ telecom equipment?

What types _____ video _____ you support _____ the audio/ video _____?

Which _____ and audio _____ used _____ your _____ equipment?

I _____ there _____ any accepted audio and video _____ types _____ telecommunication _____.

_____ it possible to tell _____ types work _____ your _____ audio-visual _____?

_____ you _____ telecom equipment supports audio _____ formats?

Which _____ have support for the _____ audio _____ your _____?

_____ support _____ in your telecoms gear?

The _____ your telecom _____ supports different _____ of video.

_____ specific _____ forms that can _____ enjoyed _____ audio/video function of your _____?

_____ audio/Video _____ with your _____?

Does _____ telecom _____ audio _____ video formats?

_____ your _____ supports different formats.

_____ formats _____ you _____ and _____ in?

_____ and _____ formats works _____ your _____?

Which _____ and video formats _____ the _____ gear?

_____ formats _____ compatible _____ and video _____ on the telecom equipment _____ have?

_____ play audio/ _____ formats?

_____ types _____ be _____ this telecommunication tool?

_____ formats support your _____ equipment?

_____ can be played _____ your _____?

_____ know _____ file formats _____ and video _____ played on your _____ equipment?

What _____ are _____ telecom gear?

Which _____ formats _____ accepted by _____ equipment for _____ video?

_____ audio/Video formats _____ your telecom _____?

_____ video/audio _____ their support _____ your _____ gear?

Which A/V _____ range _____ hardware _____ and _____?

_____ video formats _____ their support to _____ telecom _____?

The _____ support in _____ some of the following formats

What _____ by an audio/ video _____ telecom equipment?

_____ I find _____ audio _____ video formats _____ your _____ gear?

_____ you tell _____ which media types _____ with _____ audio-visual _____?

What _____ are supported _____ audio/ video player _____ the telecom _____?

Audio _____ support in your telecommunications _____ be _____ in _____.

Which audio _____ included in _____ telecommunications gear?

Which _____ formats _____ compatible _____ equipment?

_____ video function _____ your phone gear _____ formats.

Audio _____ video _____ your _____ gear _____ in multiple formats.

_____ be used with your _____ gear?

_____ and _____ your _____ gear support _____ formats.

Which _____ can I use on _____ gear?

_____ your telecommunications equipment _____?

Do you _____ if _____ specific digital _____ that can be _____ through the audio/video _____ function _____?

What _____ support is _____ audio and video _____ your _____?

Which _____ audio/video _____ in _____ equipment?

_____ which audio/ _____ types are available in your _____?

Do you _____ theSupported _____ for _____ to be _____ in _____ telecom equipment?

____ audio ____ is compatible with ____ ____ ____ ?
 It ____ ____ to find audio/ ____ support ____ ____ in your ____ gear.
 Which audio ____ ____ formats can ____ ____ with ____ equipment?
 ____ ____ system have ____ ____ handle multiple audio and ____ formats?
 How can ____ ____ gear ____ ____ and audio ____ ?
 ____ ____ ____ formats are used for audio and ____ on ____ ____ equipment?
 ____ ____ types is compatible ____ the audio and ____ ____ in ____ telecom ____ ?
 ____ audio/video ____ do your ____ gear ____ ?
 You're wondering ____ ____ video ____ in ____ telecommunications ____ .
 ____ video and audio ____ do ____ ____ support?
 Do ____ ____ supported video and audio ____ ____ telecommunications ____ ?
 Can you tell me ____ audio/ ____ formats ____ ____ your ____ ____ ?
 ____ ____ in your ____ ____ supports ____ formats.
 What file formats are accepted ____ ____ your telecom ____ ____ ____ ?
 ____ the file ____ supported for ____ ____ to ____ played back ____ your telecom ____ ?
 Do you know ____ there ____ specific ____ media ____ that ____ ____ through the ____ ____ of your ____ ?
 ____ ____ know ____ file formats are supported for ____ ____ and video ____ ____ ____ equipment?
 ____ formats ____ ____ played by ____ ____ equipment?
 ____ audio and ____ ____ ____ supported on your ____ gear?
 ____ you support audio ____ video ____ for your ____ ____ ?
 ____ ____ ____ formats work ____ telecom gear?

 A/V ____ range ____ ____ hardware accept ____ ____ ?
 You ____ wondering about ____ audio/video support ____ your ____ ____ .
 What ____ of ____ are ____ ____ the audio/ ____ ____ on the telecom ____ ?
 ____ you know if there are ____ ____ formats ____ audio and ____ ____ ____ equipment?
 ____ formats support the audio/ video ____ of ____ ____ ?
 Which ____ ____ ____ will work ____ your ____ ?
 ____ is supported in ____ telecom ____ ____ and listening ____ video?
 ____ your ____ gear ____ ____ or ____ formats?
 ____ of the following formats have ____ ____ ____ telecommunications ____ .
 The audio/ ____ ____ in your telecom ____ supports ____ ____ .
 Which ____ ____ ____ ____ work with your ____ equipment?

What ____ of ____ are compatible ____ the audio ____ on ____ equipment?

____ formats ____ your telecom gear ____?

____ can your telecom gear ____?

____ are ____ supported ____ audio/ video ____ on your telecom equipment?

____ the ____ handling multiple ____ video file formats?

What formats ____ accepted ____ your ____ equipment ____ video ____?

Do your telecoms ____ formats?

____ of ____ can be played by ____ audio/ ____ player ____ telecom ____?

What ____ are ____ video ____ audio ____ communications equipment?

Audio/ ____ certain formats ____ gear.

____ formats ____ the video ____ function in your ____?

What ____ are ____ by ____ video player on your communication ____?

Does your phone ____ different ____?

____ video ____ in your telecommunications ____ you're ____ about.

Which ____ formats ____ supported ____ the ____?

The ____ support in your ____ be ____ in ____ variety of ____.

Which audio and ____ formats are ____?

____ wonder ____ audio/ video formats ____ on your ____.

Do ____ know what ____ used to ____ and ____ on your ____ equipment?

____ have ____ ability to play video in ____?

What file ____ for ____ audio and video player ____ telecom ____?

What file ____ the audio ____ player ____ your telecom ____?

Do you have ____ for audio ____ be ____ your telecom equipment?

Does your phone system ____ different ____?

____ are supported ____ the audio/ ____ player, on the ____ equipment?

What ____ video formats ____ the audio/ video ____ on ____ equipment?

____ formats are ____ your telecom ____.

The ____ telecommunications gear is ____ in some of ____ formats.

What ____ the ____ and ____ formats ____ telecommunications equipment?

Are ____ compatible ____ formats ____ telecom ____?

____ media types are ____ phone system audio-visual ____?

In ____ can find audio/video ____ telecommunications gear.

Which ____ formats ____ be ____ using ____ equipment?

Do you ____ file formats ____ for audio and video in ____?

I'm ____ are ____ and ____ file types for your ____ devices.

____ file formats ____ accepted ____ your ____ and video?

Which formats ____ your ____ equipment.

Which ____ and ____ formats ____ your ____ gear ____?

Which ____ and Video formats ____ compatible ____ telecom ____?

telecoms gear ____ audio/ video ____

Do you ____ formats for audio ____ video ____ your ____?

____ type works ____ the ____ system's audio-visual ____?

____ video/audio formats ____ supported ____ telecoms ____?

Which ____ can ____ played ____ equipment?

____ you ____ the ____ formats ____ audio and ____ in ____ Telecom equipment?

Which ____ telecom ____ support?

The audio/ ____ in your telecoms ____ formats.

Which formats ____ ability ____ video/audio from ____ gear?

Does ____ phone ____ play ____ and video ____?

What file types is compatible ____ audio ____ player on ____?

_____ are _____ and audio _____ in your telecom _____?
 _____ file _____ are _____ audio _____ players on _____ telecom equipment?
 The _____ function in _____ equipment supports _____ formats.
 _____ you _____ if _____ digital media _____ through _____ audio/video function of _____ telecommunications equipment?
 _____ it possible _____ freely _____ digital _____ the _____ play _____ of your telecommunications hardware?
 You're _____ audio or _____ in _____ telecommunications gear.
 _____ audio/ Video _____ your phone _____ supports some _____.
 _____ your telecom gear _____ formats?
 The audio/ _____ support _____ telecommunications _____ a variety of formats.
 What _____ support is _____ for audio _____ video _____?
 _____ are supported for _____ audio and _____ your telecom _____?
 What _____ Video _____ telecom gear _____?
 _____ are _____ video formats in _____ equipment
 Which audio/Video formats _____ lend their support _____?
 _____ formats _____ on _____ telecom gear?
 Which formats _____ video/audio _____ of your _____?
 _____ and video _____ in your _____ be found _____ some _____ the _____ formats.
 Audio/video support _____ your _____ gear _____ in a number _____.
 Do _____ file formats _____ supported to _____ on your telecom equipment?
 _____ video support in your _____ gear _____ some _____ above formats.
 _____ and _____ formats can _____ by your telecommunications _____?
 _____ types of video are _____ video _____ on the telecommunications _____ you _____?
 Is it _____ determine _____ audio and video _____ are enabled _____?
 How can your _____ formats?
 Which _____ play _____ function in _____ telecoms gear?
 _____ it _____ to give _____ of _____ audio and _____ formats _____ on-board use _____ telecommunications _____?
 What files _____ the audio/ _____ player of your _____?
 _____ support _____ the video/audio function of _____ telecoms _____?
 _____ file formats are supported for _____ audio _____ video on your _____?
 Are _____ with _____ for your phone equipment?
 Which audio/ _____ formats _____ telecom _____?
 What audio _____ do _____ gear _____?
 Do _____ know _____ there are any specific digital media _____ can _____ of your _____ hardware?
 _____ played _____ what file _____ accepted by your _____ equipment?
 Do you _____ file formats _____ for _____ your telecom equipment?
 _____ can _____ used in your _____ equipment?
 _____ with the audio and _____ on _____ telecom equipment?
 _____ file types _____ with _____ audio and video _____ equipment you own?
 Which _____ formats _____ by your _____?
 Which _____ can _____ on _____ equipment.
 _____ can you use to _____ video/audio _____ your _____ gear?
 _____ the types _____ audio _____ files that can be played on _____.
 Which video or _____ formats _____ compatible with _____?
 _____ formats _____ in telecom equipment for listening _____ video?
 _____ it possible _____ determine _____ video _____ audio _____ are on your _____?
 _____ and _____ functions in your _____ gear _____ formats.
 Is it possible to determine _____ formats _____ on _____?
 _____ equipment _____ with audio and video _____?
 Which _____ audio _____ your _____ gear support?
 You're _____ the _____ video _____ in your telecommunications _____.

_____ video and _____ are _____ by _____ telecoms equipment?

Do you know _____ formats _____ play back in _____?

_____ formats _____ used for _____ and _____ telecommunications equipment?

_____ file types do the _____ player on _____ equipment _____?

Do _____ the _____ video to be played _____ in telecom equipment?

Is it _____ to know _____ audio/ video _____ enabled _____ gear?

Which audio _____ formats _____ with your telecom _____?

Can _____ determine which audio/ _____ are enabled _____ gear?

_____ am _____ any accepted _____ file types for _____ on your telecommunication devices.

Could _____ which media _____ are compatible _____ my _____ system?
