

[Demo] NLP Dataset for Customer Service Automation

Company Type	Electricity Suppliers
Inquiry Category	Need for a new meter installation request
Inquiry Sub-Category	Meter Upgrade Request
Description	Customers may seek information on upgrading their current electricity meter to a more advanced or smart meter, such as the benefits, eligibility criteria, and associated costs.
Data Size	10,495 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Electricity Supplier" customer inquiry. (Purchased data will not be masked.)

Will _____ energy-metering device help me _____ in _____ long run?
_____ new energy _____ actually _____ the _____ bills?
_____ metering help _____ costs _____?
_____ meters _____ with long-term costs.
_____ be _____ to help _____ bills?
_____ possible to _____ our current metering apparatus _____ lead _____ reductions?
Is investing _____ a _____ tech gauge going to _____?
_____ upgraded _____ meter aid in _____ bill _____?
_____ the new meter _____ save _____?
_____ energy reader _____ used _____ reduce my bill?
_____ a _____ meter help _____ keep _____ under control?
_____ an _____ device lower _____ expenses?
_____ it _____ upgraded meters _____ cut down bills _____?
Is _____ high tech _____ to reduce _____ utilities _____ later?
A _____ device could _____ utility _____.
_____ energy-metering device _____ expensive?
_____ better device help cut _____?
_____ a high _____ going _____ my _____ costs later on?
Is the new _____ going _____?
Is _____ due _____ meters?
_____ a _____ energy _____ be enough to _____ money?
_____ savings _____ an improved _____?
Can I _____ upgrade _____ energy meter to _____ bill?
Is it possible _____ advanced _____?
In _____ new _____ meters be cost-effective?
Correct, enhanced _____ lower _____ bills.
Will _____ the-art _____ to significant bill _____ down the _____?
What if _____ meters _____ to _____?
_____ an _____ of _____ device help _____ save _____?

____ the new ____ meter ____ ?
 ____ I expect ____ upgraded ____ my bill?
 ____ the ____ to cut energy costs?
 ____ upgrade of our current ____ lead ____ significant ____ ?
 ____ we ____ our metering ____ to ____ savings?
 ____ a good energy-meter ____ my ____ ?
 New ____ cut energy costs ____ .
 Will ____ upgraded energy meter ____ cut my ____ ?
 ____ the ____ of ____ help the bill?
 ____ that upgraded meters could ____ ?
 ____ savings be a ____ of improved ____ ?
 Will ____ my bills ____ a ____ way?
 ____ better ____ reduce my ____ ?
 ____ upgraded ____ used to ____ bills?
 ____ an upgraded energy-metering ____ money ____ time?
 ____ gauge ____ savings!
 Can ____ help cut utility ____ ?
 The ____ with ____ improved ____ ?
 ____ metering ____ costs?
 ____ meters going to ____ in the future?
 Can you ____ some bill ____ fancy energy ____ ?
 Will the ____ be ____ by ____ ?
 I am wondering ____ an upgraded ____ my ____ .
 Enhanced ____ long-run ____ .
 ____ an ____ energy ____ to cut ____ ?
 ____ of our metering ____ lead ____ sizable cost ____ ?
 Is ____ smart meter going ____ ?
 ____ is equivalent ____ long-run bills?
 ____ monitor help lower the ____ ?
 ____ this ____ energy ____ give ____ bill ____ ?
 ____ a modernized ____ monetary ____ ?
 Can a ____ metering device ____ ?
 Will ____ gauge result ____ bill ____ later ____ ?
 ____ an ____ my budget over time?
 Can ____ metering ____ down ____ ?
 ____ I ____ upgraded energy-meter ____ change my ____ ?
 ____ in a high-tech ____ going ____ my expenses ____ ?
 Will ____ in ____ modernized ____ meter ____ monetary advantages?
 upgraded ____ for ____ costs
 ____ an investment in ____ new ____ meter help ____ ?
 ____ savings ____ meter is done?
 ____ can a ____ make ____ difference to ____ ?
 Will ____ newer ____ money?
 ____ the upgrade ____ the energy-metering ____ me save ____ ?
 Can ____ in ____ new energy ____ help with ____ the ____ ?
 Can ____ apparatus be upgraded ____ to larger ____ reductions?
 There are ____ lower ____ costs
 It's ____ long-term savings await?
 ____ reduction advantages ____ advanced meters.
 Can ____ metering device ____ my ____ ?

____ advanced ____ offer long-term ____ advantages?
 Will ____ a new ____ meter lead to ____ savings ____ the ____?
 Would an ____ device ____ expenses?
 ____ bill savings ____ from ____?
 Will an ____ the ____ device help ____ save ____ in the ____?
 ____ an ____ energy-metering device good for ____ savings ____?
 Cost ____ energy ____ in ____?
 ____ meter ____ long-term savings ____?
 The upgrade tag has ____ potential ____ increase the _____.
 ____ energy meters ____ term cost savings?
 Is ____ smart- ____ going ____ my bills eventually?
 ____ that enhanced energy-meter ____ in ____ long-run bills.
 ____ an improved ____ me ____ money?
 ____ there is ____ with ____ improved ____?
 How can ____ more sophisticated ____ money?
 Will ____ make ____ difference to ____?
 ____ upgraded ____ can help ____ reduction.
 ____ if a device ____ cut ____?
 ____ can ____ cut energy costs?
 Can an ____ to an ____ my ____?
 Is ____ meter ____ expenses?
 ____ newer ____ costs?
 Will ____ upgraded energy-metering device help ____ money ____ my ____?
 Will ____ save on ____ expenses ____ invest ____ an energy-metering ____?
 Will the ____ save ____ the ____?
 A financial ____ a ____ upgrade?
 Can ____ in a ____ help ____?
 Can ____ bill to be lowered by ____?
 Can I expect an ____ meter ____ make ____?
 Will ____ power charges?
 ____ meters ____ long-term ____ reduction advantages.
 ____ long-term ____ with ____ meter.
 Are advanced ____ suitable for ____?
 ____ in a ____ gauge going ____ utilities cost later?
 ____ a ____ result in ____ bill savings ____ on?
 ____ upgrade tag ____ improve the ____ on ____ billing.
 ____ help with ____ costs.
 ____ the new ____ save ____?
 ____ energy-meter could mean lower _____.
 Will ____ future ____ down ____ invest ____ an ____ energy-metering device?
 ____ meter cut expenses?
 ____ better energy meter or ____?
 ____ there ____ energy meter
 Can ____ upgraded ____ help ____?
 Does ____ bill savings in the future?
 Is it possible ____ meters have ____ reduction ____?
 ____ better device ____ to ____ utility bill ____?
 Will ____ enhanced metering device lower ____?
 Will ____ improved gauge ____ savings?
 ____ to my electricity monitoring ____ bill ____ later?

____ enhanced ____ useful for ____ cost ____?
 ____ energy ____ cost-effective ____ the future?
 Will investing ____ give ____ monetary advantages?
 ____ better energy ____ be cost-effective?
 can I ____ bill ____ with this ____ energy ____?
 I would like ____ if ____ benefits with an ____ device.
 ____ device reduce ____ costs ____ time?
 ____ the ____ new ____ save money?
 ____ am ____ if ____ upgraded energy-metering ____ will help ____ in ____ long run.
 ____ electricity ____ system be upgraded ____ to ____ savings?
 ____ the ____ meter save ____?
 ____ advanced meters ____ long-term ____ reductions?
 Can an upgraded ____ really ____ bill?
 ____ savings ____ with an improved ____.
 ____ better device ____ to cut ____ bill ____?
 ____ an ____ a energy-metering device help me ____?
 ____ meter ____ me ____ my costs?
 ____ an updated energy-metering ____ make a ____ on ____?
 New ____ bill
 ____ a ____ my bills?
 Does ____ new monitor ____?
 ____ it ____ for ____ to cut my ____ bills?
 ____ investment in ____ state-of-the-art ____ meter ____ to bill ____?
 The new ____ be able ____ cut my ____.
 Will ____ meter ____ cash ____ the ____?
 Will ____ new meter ____?
 Will a ____ save ____?
 ____ in the long run?
 Can an advanced metering ____ save ____ on monthly statements ____?
 Will ____ gauge ____ savings later on.
 ____ can help with ____ cost ____.
 ____ gauge for ____ savings
 Does the ____ decrease ____?
 New meter ____?
 Can ____ cut bills ____ long term?
 Is ____ that ____ meters ____ save ____?
 ____ fromUpgrading meter.
 Is ____ high ____ gauge going ____ save ____ later on?
 ____ it possible to ____ better ____ meter ____ reduced ____?
 Will ____ the bill?
 ____ energy ____ lower ____?
 I ____ if ____ upgraded energy-metering device ____ the long run.
 Future ____ saved ____ an ____ the meter.
 ____ an ____ energy-metering ____ help ____ savings on utility ____?
 Can I use ____ reader to ____ bill ____?
 ____ upgraded ____ improve bill ____?
 Is ____ new metering device able to ____?
 ____ a new ____ energy ____ over ____?
 ____ smart- ____ to cut my ____?
 ____ the ____ can ____ meters be ____?

Could _____ be used _____ bills?
 _____ an _____ energy-meter is _____ long-run _____.
 _____ a _____ device _____ my _____ term?
 Can _____ energy _____ help _____ your bill?
 _____ want a _____ I _____ lower my costs.
 Does _____ upgrade to my _____ monitoring _____ later?
 Is _____ in _____ going _____ my utility bills?
 _____ meters in _____ future
 Will modernizing my _____ give _____?
 Is investing _____ a high-tech _____ to _____ my utility _____?
 _____ enhanced metering device _____ lower _____?
 _____ an _____ metering device going _____?
 Can _____ fancy _____ monitors that _____ lower the bills?
 I am wondering _____ a _____ energy-meter can _____.
 The upgrade of the _____ might _____.
 Better _____ device, _____?
 The _____ the meter is _____ boost savings _____.
 _____ there _____ upgraded electricity meters?
 Will _____ new _____ device _____ to cut _____ costs?
 _____ can _____ more _____ meter reduce _____?
 Will _____ device _____ on my bills in _____ run?
 _____ meters might _____ to _____ savings.
 Can investing in _____ energy meter help _____?
 Will _____ an advanced _____ make _____ difference?
 _____ upgraded _____ reduce _____ cost?
 A _____ upgrade _____ the future.
 Is _____ new meter _____ to save _____ in _____?
 _____ updated _____ reader _____ decrease expenses?
 New _____ my bills.
 Will investing _____ modernized energy meter _____ advantages?
 Is _____ real _____ saved _____ meters?
 Is it _____ to get _____ reduction _____ advanced _____?
 _____ upgraded _____ save _____ over _____?
 Will upgraded _____ reduce _____?
 Will _____ meter _____ cash?
 _____ upgraded _____ really _____ a _____ in my bill?
 _____ energy-meter _____ lower long-run _____.
 _____ a state-of-the-art meter _____ to significant _____ down _____?
 Meter _____ will either _____ not.
 _____ help the bills?
 Will advanced _____ on monthly statements _____ road?
 _____ can help cut _____ bill _____.
 Lower monthly costs _____ be _____ a _____.
 _____ the meters be upgraded _____ to _____?
 Is _____ energy-metering device more _____?
 Can advanced _____.
 _____ an advanced _____ tool _____ save _____ on monthly statements down _____?
 Is advanced _____ capable _____?
 Advanced _____ could _____.
 _____ upgraded meters actually _____?

____ an ____ gauge result ____ bill ____ in the ____?
 ____ the new ____ monitors ____ ____ bills?
 ____ an ____ of ____ electricity monitoring ____ ____ bill savings?
 ____ an ____ energy meter ____ my ____?
 Can ____ ____ device ____ me over ____?
 ____ my ____ be reduced ____ I ____ in ____ ____ device?
 ____ an ____ energy-metering device ____ ____ long-term utility bills?
 Does ____ upgrade ____ ____ system give ____ ____ savings later?
 ____ ____ help save money?
 Is ____ ____ able to boost ____ savings?
 ____ upgrade ____ ____ savings or ____?
 ____ an updated device able to ____ ____ ____ bills?
 Long-term savings await if ____ ____ ____?
 ____ ____ that a ____ ____ monitor can lower these high ____?
 ____ ____ energy meters reduce ____?
 ____ an ____ energy ____ help?
 Is ____ energy ____?
 Does ____ upgrade to ____ electricity ____ system ____ bill ____ ____?
 Will updating ____ ____ decrease ____?
 ____ bill ____ ____ from upgraded ____?
 ____ advanced ____ give ____ ____ advantages?
 Is ____ meters capable ____ ____ reduction ____?
 ____ new ____ can cut ____.
 Can ____ ____ bills?
 ____ ____ upgraded metering device ____ ____ money?
 Can ____ ____ be less ____?
 Do upgraded meters ____ ____ to ____ ____?
 Can ____ updated energy-metering ____ ____ reduce long ____ utility ____?
 ____ a ____ ____ help me cut ____ ____?
 ____ ____ device can cut ____ ____ in the ____ run.
 Is ____ ____ feasible to cut ____ ____ expenses?
 ____ the ____ ____ be ____ ____ cut bills?
 Is investing ____ a ____ tech gauge going ____ ____ ____ utilities cost ____ ____?
 ____ ____ upgraded meter actually ____ my ____?
 Does enhanced ____ meters ____ ____ the ____ cost ____?
 Will ____ modernized ____ ____ ____ advantages for me?
 Is ____ ____ ____ energy ____ good for bills eventually?
 How can a ____ ____ ____ bills?
 Does ____ ____ meter ____ cash?
 Maybe ____ better ____ can ____ utility ____ ____.
 ____ the ____ is improved ____ ____ cost-effective?
 Smart cost-saving will ____ achieved from ____ upgrade ____ ____ ____.
 ____ the meter ____ boost ____ or ____?
 Could ____ meters ____ ____ ____ the bills?
 ____ ____ long-term ____ ____ an improved meter.
 ____ ____ will ____ bill.
 Is ____ ____ energy-metering device ____ to ____ ____ my expenses?
 Is ____ ____ economical?
 ____ ____ upgraded ____ good ____ ____ savings in the future?
 Will ____ advanced ____ device ____ ____ expenses in ____ future?

____ would like ____ better ____ to ____ lower ____ monthly ____.
 ____ energy-metering ____ help me ____ money ____ my bills?
 Will an ____ device ____ budget?
 Is a better ____ saving?
 Should ____ expenses?
 ____ upgraded ____ meter reduce ____?
 Can ____ to ____ energy ____ help ____ bill?
 ____ a better meter ____ costs?
 Maybe ____ term ____ improved meter?
 Can a ____ metering ____ my bills ____ long ____?
 Is ____ meter helpful ____ the long ____?
 Will a ____ metering ____ able ____ cut ____?
 I would like ____ know if ____ with an ____ meter ____.
 Will ____ meter ____ cash.
 ____ updated device ____ reduce utility ____?
 Does the new ____ time?
 ____ upgraded metering reduce the ____?
 Is investing in ____ new ____ meter able ____?
 ____ monitor ____ bills.
 ____ an updated energy-metering ____ costs?
 ____ improved metering ____ me money?
 Advanced ____ lower ____.
 ____ a ____ energy meter ____ bills?
 ____ energetics ____ will ____ bill savings ____.
 ____ investing ____ a new energy ____ result ____ reduced ____?
 ____ an investment in a ____ meter ____ bills?
 ____ the ____ meters cost-effective ____ the ____?
 Can ____ help save money ____ bills?
 ____ the upgraded meters ____ the long ____?
 ____ going to reduce ____?
 ____ want ____ better meter in ____ my monthly ____.
 ____ want a ____ meter so ____ monthly costs.
 Should ____ advanced ____ be ____ money on ____ statements down ____ road?
 Is ____ device more ____ the ____ run?
 Could ____ meters ____ bills?
 Will the ____ advantages ____ investing ____ energy meter come ____?
 Is ____ better ____ device ____ over ____?
 ____ can a ____ meter do ____ help ____ bills?
 ____ an upgraded ____ help ____ save money ____ my ____ in the ____?
 Do you ____ an ____ will ____ my expenses?
 ____ a ____ energy ____ advantages eventually?
 Will ____ new ____ bill?
 ____ energy-metering device more ____ in ____ run?
 Can ____ better ____ my monthly costs.
 Is ____ a high ____ gauge going to ____ my ____?
 ____ long-run bills are ____ caused by enhanced ____.
 Can an ____ of our ____ lead ____ sustainable ____ reductions?
 Maybe ____ can ____ down on ____?
 ____ new ____ will save ____?
 Can a ____ meter help ____?

I'm _____ meter device _____ have any _____ benefits.

Meter upgrade may _____.

_____ better _____ help _____ utility bills?

Is it possible _____ electricity monitoring _____ to offer _____?

Will _____ bills get better _____ result _____ upgraded _____?

Can the _____ our _____ apparatus _____ cost reductions?

_____ advanced _____ helpful _____ reduction?

_____ possible _____ an upgraded energy-meter _____ actually _____ bill?

I _____ wondering if _____ device will have any _____.

Is there a _____ benefit if _____ improved _____ term?

Can I expect my _____ to _____ energy-meter?

_____ upgraded meters be _____ to _____?

Will _____ an energy-metering device _____ my _____?

Is _____ better _____ term?

Are _____ better _____ able to _____?

Can one of _____ have _____ monitors _____ can lower _____?

_____ it _____ that _____ meter will _____?

Can _____ upgrade of _____ apparatus _____ to _____ cost reductions?

_____ an upgraded energy-metering device going _____ in _____ run?

_____ savings _____ after upgrade _____.

_____ lower expenses?

_____ one of them have _____ monitors _____ can _____ the _____?

Can _____ a _____ in _____ bill _____ this fancy energy _____.

Long-term _____ await after _____.

_____ an improved gauge result in a _____?

Is _____ that enhanced energy _____ help with _____ cost _____?

Will the _____ help save _____?

Do upgraded _____ result _____?

_____ upgraded energy-metering device help _____ in the _____?

Can _____ device _____ bills?

Will _____ energy-metering _____ reduce my _____?

_____ metering _____ cut my _____.

_____ upgrade our current metering apparatus _____ to _____ cost _____?

_____ meter could provide _____.

_____ offer long-term bill _____ advantages?

Are _____ long-term _____ an improved _____?

Can a _____ cut _____ bill _____?

Can the new _____ bills?

Can _____ reduce your _____?

Can _____ in a _____ to _____ bills eventually?

_____ investing in a _____ gauge going _____ lower _____ utility _____ on?

_____ an _____ energy _____ help to _____ your _____?

_____ savings _____ be _____ an _____ meter.

Can a better _____ me _____ costs.

Will _____ metering _____ costs down _____?

_____ a _____ meter _____ to _____ my _____?

_____ might be _____ to cut _____ on bills _____.

_____ a _____ energy-metering device _____ time?

Will an improved _____ the long term?

_____ time, _____ the upgraded energy _____?

_____ meters _____ cash?
 _____ cut _____ bill expenses.
 _____ new _____ bills positively?
 _____ possible that upgraded _____ could _____ down on _____?
 _____ possible that _____ meter _____ cut _____?
 _____ I _____ device to _____ money _____ my bills?
 Will _____ upgraded _____ cheaper?
 Lower _____ costs _____ achieved by _____.
 _____ an energy-metering _____ help _____ down _____ expenses?
 _____ metering bring lower _____?
 Can I expect _____ bill _____ the _____ energy _____?
 Will upgraded _____ a _____ on _____ bills?
 Will an _____ metering _____?
 Future _____ saved by _____
 I might _____ able to lower my _____ meter.
 Is _____ any _____ when _____ an _____ device for a long _____?
 _____ better energy-meter _____ control _____ bills?
 _____ any _____ benefits with _____ improved meter _____ time?
 _____ state-of-the-art energy _____ lead to savings?
 Can _____ metering _____ sustainable cost reductions?
 _____ metering save money _____ the _____?
 Will an _____ device help _____ money on _____?
 _____ potential on _____ be enhanced with _____ tag.
 _____ it possible _____ invest _____ a new _____ and _____ bills?
 _____ upgrade _____ will save money.
 Can _____ apparatus _____ lead to sizable, sustainable cost _____?
 Does an _____ electricity monitoring system _____ later on?
 _____ devices can _____ energy _____.
 _____ energy-metering device help to _____ on _____ bills?
 _____ meter _____ lead to long-term _____.
 Will advanced _____ bill reduction _____?
 Will _____ modernized _____ me advantages _____?
 _____ long-term savings _____ with _____ meter?
 Is _____ device more _____ in the _____ run?
 Future costs _____ by _____ upgrade.
 _____ an advanced _____ device _____ cut down on _____.
 _____ investing _____ an energy meter lead to _____?
 _____ my future expenses be _____ I _____ energy-metering device?
 Will _____ better _____ me bucks?
 _____ a _____ device cut _____ bills in _____ term?
 Does _____ monitoring system _____ potential to save _____?
 Does an _____ monitoring system give _____ bill _____ later _____?
 Will the _____ of _____ advanced metering _____ money _____ monthly statements down _____?
 Lowering energy costs _____ upgraded _____.
 _____ if an _____ can cut my bill.
 _____ a high _____ gauge going _____ expense later?
 Does enhanced _____ benefit from _____?
 Can _____ of _____ lead to _____ sustainable cost reductions?
 _____ enhanced energy _____ help _____ cost _____?
 Does an _____ energy-metering device make _____ on _____?

Is enhanced _____ with long-term _____?

_____ energy billing might be enhanced _____ upgrade _____.

Is _____ a high-tech _____ to lower my utilities expense _____?

_____ can _____ expenses.

Do _____ meters bring _____ the future?

_____ metering _____ costs for a _____?

_____ improved energetics gauge will result _____ savings _____.

Will _____ in _____ device help with future _____?

_____ know _____ better energy-meter will cut my _____.

Is investing _____ going to lower my _____ expense _____ line?

_____ lowered if _____ invest in an _____ energy-metering device?

_____ expect an _____ to cut _____ bill?

_____ expect _____ save _____ money with this _____ energy _____?

_____ at bill reduction?

_____ an _____ energy _____ with long _____ bills?

_____ of energy meters _____ the _____?

_____ an _____ energy _____ cut my _____?

Will _____ in a _____ energy _____ bill savings _____ the road?

_____ possible for an updated _____ device _____ bolster _____ utility bills?

_____ enhanced _____ meters _____ long _____ savings?

Is _____ monitor going _____?

_____ it _____ upgrade _____ apparatus to lead to sizable _____ reductions?

_____ might be _____ savings _____ an improved _____.

Can _____ new _____ bill?

_____ term _____ await _____ you upgrade _____.

_____ upgraded _____ time _____ money?

_____ going to lower _____ utility bill later?

_____ investment _____ energy meter _____ savings down the line?

Will an _____ save _____?

_____ lead _____ savings in the _____?

_____ energy _____ mean _____ bills.

_____ a _____ help _____ my costs?

Will _____ introduction _____ an _____ bill savings later?

Isn't _____ true that _____ lower long-run _____?

Could advanced _____?

Will investment _____ a _____ energy meter _____ to _____ down _____ line?

Can _____ me control costs?

_____ energy meters _____ save _____?

_____ a _____ energy meter lead _____ significant _____ down _____ line?

Will _____ my energy-metering _____ help _____ save money?

_____ new energy meters _____?

_____ reduce bills?

_____ meter _____ long-term savings?

Can _____ meters _____?

Can _____ our current _____ apparatus _____ sustainable cost reduction?

_____ costs _____ be _____ by Meter _____

_____ an _____ device increase cost _____?

Will _____ really lead _____ bill _____?

_____ money be saved _____ upgraded _____?

_____ modernized _____ yield _____ advantages eventually?

____ a ____ cost effective?
 ____ an upgrade ____ meter help?
 ____ better ____ meter ____ good idea?
 ____ an improved ____ gauge ____ in ____ bill ____ later?
 Can an upgraded ____ help ____ bill?
 ____ device save me ____ my ____?
 Can ____ updated energy-metering device ____ long-term ____ bills?
 ____ a new ____ my bill?
 Meter ____ increase savings ____ not?
 ____ await ____ an ____ meter.
 ____ upgraded ____ in ____ long run?
 Will ____ meter ____ lead to ____?
 ____ upgraded energy ____ idea ____ the long run?
 ____ modified ____ metre dump ____?
 Did advanced meters have ____?
 ____ a state-of-the-art energy ____ bring bill ____ line?
 Will ____ improved ____ result in ____?
 How ____ better device ____ utility ____?
 ____ better meter help ____?
 Maybe ____ savings with ____ meter.
 Will ____ upgraded ____ cost?
 ____ an ____ to ____ electricity ____ system offer any ____?
 ____ investing in ____ energy-meter ____ me ____ down the road?
 ____ investing in a ____ energy meter ____ a ____?
 ____ an ____ metering ____ save ____ money?
 Can a ____?
 ____ an upgraded ____ meter ____ long-term ____?
 Eventually, upgraded ____ lower utility ____?
 ____ our current metering ____ lead to sizeable, ____?
 Will there ____ gauge for slash ____?
 ____ energy-meter equates ____ bills?
 ____ enhanced ____ device lower my ____ time?
 The ____ of ____ bill ____ in the future.
 ____ enhanced ____ way to lower ____?
 ____ to save money with ____ upgraded ____?
 Is ____ in ____ high-tech gauge ____ to ____ my ____?
 ____ meter ____ expenses?
 Does an ____ metering ____ save ____?
 Can ____ new ____ reduce ____ in ____ long run?
 ____ an updated ____ metering ____ help ____ utility ____?
 ____ to ____ long-term with ____ improved meter.
 ____ an improved ____ result ____ bill savings ____?
 ____ I ____ bill to go down ____ I ____ energy-meter?
 Should ____ invest ____ an energy-metering ____ cut ____ expenses?
 ____ metering device ____ my bills?
 ____ expect ____ reduction ____ my bill ____ fancy energy reader?
 ____ advanced metering ____ lower ____?
 Is investing ____ high-tech ____ lower my bills ____ on?
 A better ____ can ____ bill ____.
 ____ the upgraded ____ cuts ____?

_____ upgraded _____ decrease expenses?

Is _____ that _____ monitors can _____ these high _____?

Will an _____ device help _____ on _____ expenses?

_____ in _____ modernized energy-meter _____ good _____?

Will _____ advanced _____ device _____ me _____ down on my _____?

_____ meters be used _____ bills?

Can investing _____ energy _____ bills?

_____ upgrade saves _____ long run.

_____ may be _____ meter upgrade.

Can an _____ improve _____ utility bills?

_____ will save _____ in _____ end.

Can a _____ reduce my bills _____?

Will _____ save money _____?

_____ device reduce _____ bills?

_____ upgraded _____ costs?

_____ a new device _____ costs _____.

Can I _____ my _____ with this _____ energy _____?

_____ the _____ meter _____ money?

_____ a _____ energy-meter _____ advantages for _____ the future?

Can one of them lower _____ high _____?

_____ an investment in an advanced _____ expenses?

Can an _____ energy meter _____ the _____?

_____ to _____ energy-metering device _____ me save _____ on my _____?

Does _____ meters _____ long-term _____ advantages?

_____ meter will save _____.

Some _____ are upgraded _____ costs.

_____ an upgrade of our metering _____ cost _____?

_____ reduce expenses?

Do _____ meters _____ with _____ cost _____?

Will _____ meter _____ to save _____?

_____ my _____ better after upgraded _____?

_____ the _____ going _____ cut bill?

_____ metering able _____ long-term costs?

Savings potential on energy _____ improved with _____.

_____ if the upgraded _____ will _____ cut my _____.

Maybe, _____ savings _____ an _____.

Can _____ our metering apparatus _____ to _____?

Is a _____ going _____ costs on my _____?

Can _____ new _____ apparatus _____ to _____ sustainable cost _____?

_____ modified _____ metres _____ long-term fees _____ the _____?

Is _____ new _____ cut my _____ someday?

_____ a _____ save _____ the end?

Will _____ meters _____ upgraded _____ to _____?

_____ with an _____ long-term _____.

Should I _____ an energy-metering device _____?

Will _____ energy _____ cost-effective _____ the _____?

Will _____ enhanced _____ device reduce my _____ long _____?

Can _____ expect some bill _____ with my _____?

_____ energy meters _____ in _____ future?

_____ equates to _____ long-run _____ right?

Over time, _____ enhanced _____ device lower _____?

_____ new metering device _____ time?

_____ new _____ able _____ cut bills?

Will _____ improved gauge result in _____ future?

_____ new meter _____ bills?

Is _____ in _____ going to help _____ expense?

_____ the _____ apparatus lead to cost reductions?

_____ expenses be lessened _____ I invest _____ an advanced _____?

Is enhanced _____ with cost _____?

Is _____ new _____ going _____ bill?

_____ a _____ meter _____ me _____ money?

_____ an _____ our _____ metering apparatus lead _____ significant, sustainable _____?

_____ any cost-effective _____ to _____ an _____ meter device _____ time?

Is the new _____ device capable _____?

_____ investing _____ a _____ to lower my bills _____?

_____ an improved energetics _____ in bill _____?

_____ the improved energetics _____ result in _____ on?

_____ an _____ meter cost-effective?

Will the _____ lower _____?

_____ an _____ going to save _____?

_____ investing _____ state-of- the-art _____ lead to _____ savings _____ the line?

_____ metering device _____ lower _____ expenses _____ time.

_____ energy _____ to reduce bills?

_____ improved energy _____ the _____?

_____ enhanced metering device be able _____ expenses?

_____ an upgrade _____ an _____ device _____ me _____ money _____ the long _____?

_____ advanced metering tool _____ money?

Will an _____ metering _____ help _____ my expenses _____?

_____ with an improved meter?

Do advanced meters _____ bill _____?

Long-term _____ meter upgrade.

_____ new monitor reduces bills?

_____ savings _____ upgraded _____ are installed?

Can the new _____ cut _____ time?

Is bill _____ meters are _____?

_____ an _____ gauge going _____ in _____ savings?

_____ lower _____ bills _____ fancy energy monitors?

Is it _____ upgraded meters could _____?

_____ the _____ help?

_____ upgrade of our current metering _____ cost reductions?

_____ a state-of-the-art energy meter _____ lead to _____ bill _____?

_____ my _____ go _____ to _____ metering?

Better energy _____ bills.

_____ I _____ to be _____ this fancy energy reader?

_____ device going to _____ me _____?

Does _____ meter _____ savings?

_____ new _____ savings, await?

Is it _____ that _____ better energy-meter _____ cut _____?

Can investing in _____ energy _____ help to _____?

Will _____ upgraded metering _____?

_____ in _____ meter lead to bill savings _____ road?

_____ it _____ that the new _____ can _____ bills?

_____ the upgraded _____ cut down _____?

_____ more _____ help lower bills _____ time?

Better energy _____ result _____ reduced _____.

_____ energy-meter could mean _____ bills.

Can an _____ energy _____ save _____ in the long _____?

Do _____ hi-tech _____ can save _____?

Can _____ upgraded _____ help the _____?

_____ our current metering _____ lead _____ substantial, sustainable _____?

_____ better meter _____ to lower _____?

Will _____ metering device save _____?

Will _____ energy _____ save _____ time?

_____ the _____ save cash?

_____ advanced _____ money on monthly statements eventually?

_____ upgraded _____ going _____ help save money?

Is _____ upgraded energy-metering device going _____ help me _____ run?

Does _____ upgraded _____ offer bill _____ later?

_____ a _____ energy-meter _____ monetary benefits?

_____ an updated _____ improve _____ on _____ utility bills?

Is _____ better _____ meter and _____?

I _____ if an _____ metering _____ will _____ me _____.

_____ meter able _____ expenses?

_____ the investment in _____ energy-metering _____ my _____ expenses?

Do advanced _____ allow _____?

Is it possible to _____ current _____ apparatus _____ sustainable cost _____?

_____ an enhanced _____ lower my expenses _____?

_____ that upgraded meters _____ cut down _____.

Is investing _____ a _____ gauge going _____ expenses?

I _____ the upgraded meter will _____ expenses.

_____ better energy-meter _____ me money _____?

Maybe there _____ be _____ savings _____ meter.

Will _____ gauge make _____ difference _____ savings?

Future _____ be saved _____ a _____.

_____ a _____ energy-meter _____ bill?

Can one of _____ energy _____ can _____ these _____ bills?

Is _____ meter device _____ if I _____ long term?

Will _____ tool _____ in _____ money?

_____ a _____ with improved _____.

Maybe _____ term _____ improved meter.

_____ an upgrade _____ metering apparatus lead to _____ reductions?

_____ investing _____ an advanced energy-metering _____ reduce my _____ expenses?

_____ help me save money _____ my bill?

Is _____ meter _____ cutting _____?

Will an _____ energy-metering device _____?

_____ upgraded meters _____ to bill _____ in the _____.

_____ investing _____ an advanced energy-metering device _____ me money _____?

_____ an _____ energy-metering _____ save money _____ my bills in _____ run?

Do _____ meters _____ reduction _____?

A _____ device will _____ me _____.

Is the _____ metering device _____ bills _____ the long _____?
_____ a _____ meter _____ bills?

Is _____ new _____ can cut energy costs?
_____ a new meters _____?

_____ an _____ our current metering _____ lead to a _____?
_____ my electricity monitoring system _____ for _____?

Is _____ possible _____ a _____ device _____ utility bill _____?
_____ a _____ new energy monitor _____ high _____?

Could upgraded _____ an _____ on _____?

Will _____ result _____ bill savings later _____?
upgrading _____ savings _____?

_____ energy-metering device _____ me decrease my _____?
New _____ reduce _____?

Can an _____ savings on _____ utility bills?

_____ upgrading _____ electricity _____ system going to _____ later?
_____ installing _____ meter result in _____ down the line?

Will advanced _____ money?
_____ the new _____ save _____ the _____?

Long-Term _____ await if _____.
_____ upgrade could boost _____.

Will _____ metering _____ the future?
_____ metered upgrade _____ boost savings _____.
_____ energy-meter _____ lower _____ bills.

A _____ meter _____ help _____ bills.
_____ meters that _____ upgraded lead to _____ future?
_____ new _____ decrease _____?
_____ a _____ smart- meter going to _____ me _____ on _____?
_____ a new metering _____ be _____ to _____?

I don't _____ if an _____ energy _____ my _____.

Can investing in _____ help _____ reduce bills _____?
_____ an improved gauge _____ in _____?

_____ new device help me _____ my bills?
_____ upgrade to _____ energy _____ help me save _____?

Can _____ some _____ bill _____ this fancy energy _____?
_____ it possible to reduce bills with _____ meter.

Will investment in an energy _____ savings?

Better _____ bills?
