

[Demo] NLP Dataset for Customer Service Automation

Company Type	Mobile Network Operators
Inquiry Category	Network coverage and signal issues
Inquiry Sub-Category	Network coverage areas
Description	Customers inquire about the availability and quality of network coverage in specific areas, asking whether the operator's network covers a particular region or if there are any issues with signal strength or connectivity in certain locations.
Data Size	5,161 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Mobile Network Operator" customer inquiry. (Purchased data will not be masked.)

Does ____ network ____ rural ____?
____ the signal ____ into ____ side?
____ cover remote areas.
____ network ____ of covering ____ in the ____ world?
____ service in the ____?
Does ____ in the ____?
