

[Demo] NLP Dataset for Customer Service Automation

Company Type	Payroll Outsourcing Companies
Inquiry Category	Employee time and attendance management
Inquiry Sub-Category	Biometric Attendance Devices
Description	Questions related to biometric time and attendance devices, including setup, troubleshooting, and integration with the payroll system.
Data Size	5,016 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Payroll Outsourcing Company" customer inquiry. (Purchased data will not be masked.)

Are there any ____ requirements ____ needed ____ our current payroll process?

Is there ____ software that ____ to ____ used ____ our ____ process to ____ ?

Is there ____ software or ____ to use to blend ____ with ____ process?

Is there any requirements that ____ need ____ payroll ____ to ____ bio-metrics?

Does ____ integration ____ biometrics into ____ procedures need ____ specific ____ or ____ ?

____ into our payroll procedures ____ require any ____ software?

Do ____ know of ____ required ____ the Biometrics ____ our ____ process?

Is there a software ____ that ____ satisfied in ____ to ____ fingerprints ____ our payroll ____ ?

____ there need to be any ____ software or ____ in ____ fingerprints ____ ?

Does ____ the use of biometrics into our ____ any ____ ?

Do you ____ for ____ of ____ into our ____ process?

Does integration ____ our ____ procedures still need ____ there another way ____ do it?

Is there ____ software ____ that ____ used ____ blend ____ with our ____ process?

Is there ____ add ____ the payroll ____ to ____ bio-metrics?

Does ____ of ____ payroll procedures still ____ certain requirements?

Can you tell ____ about ____ integrate ____ into our ____ process?

Is there ____ that ____ be ____ to ____ a biometrics ____ the payroll process.

____ we ____ special ____ or software to ____ in ____ payroll procedures?

____ a particular ____ needs to ____ to ____ fingerprints into our current ____ ?

____ any particular software ____ requirements that need to be ____ into our ____ process?

Does the ____ of ____ into our payroll ____ specific ____ or ____ ?

Does integrating ____ use ____ into our ____ payroll ____ any specific ____ exclusive software ____ ?

____ Integrating Biometrics ____ payroll ____ still need ____ specific ____ ?

____ know of the software required ____ the ____ into ____ process?

____ it ____ us to ____ criteria ____ use specialized software ____ using ____ payroll?

Is ____ a ____ needs to be fulfilled ____ included in ____ processes?

Are ____ going to ____ make this ____ with our ____ system?

Will ____ required to ____ biometrics ____ the payroll?

____ the ____ payroll ____ required to have certain ____ it for use ____ ?

Does integrating the use _____ our payroll procedures _____ need some _____?

Is _____ necessary to _____ specialized _____ meet certain _____ using _____ in _____ processing?

_____ the existing payroll process _____ software requirements added _____ use _____ fingerprints?

Is _____ software requirement _____ be _____ order _____ a biometrics into our payroll process?

Will fingerprints be _____ any specific _____ exclusive software?

Do _____ need _____ specific _____ components _____ use _____ in paycheck procedures?

Will _____ fingerprints into payroll _____ require specific _____ software _____?

Does incorporating _____ use _____ our payroll _____ still _____ requirements?

I'm wondering _____ are requirements _____ software _____ adding fingerprints _____ the _____.

Will certain software _____ required to _____ payroll, or _____ we _____ have _____ specific _____?

Does _____ the use _____ payroll _____ still need _____ requirements?

_____ to _____ any specific software _____ requirements _____ it comes to _____ paycheck procedure _____ biometrics?

Do we _____ software _____ something _____ this work with our _____?

Do _____ of _____ requirements to _____ the _____ our _____ Payroll process?

Will _____ be _____ in _____ need _____ specific requirement or _____ tools?

_____ need _____ be any _____ or requirements _____ integrate the _____ procedure with biometrics?

Do you know _____ any _____ or specific demands _____ with our _____?

Do _____ what is required _____ the Biometrics into _____?

_____ there _____ software _____ criteria that must _____ used to blend _____ our _____.

_____ the _____ fingerprints _____ our payroll _____ any specialized software?

Is _____ any _____ or demands _____ need to _____ order for us to _____ biometrics _____ our _____?

Does there need to be any specific _____ or _____ for _____ of _____ payroll _____?

Is _____ necessary _____ us _____ special _____ integrate fingerprints into _____ payroll _____?

_____ need to _____ special software to _____ this _____ our payroll _____?

_____ there any _____ that _____ to be complied with when _____ procedure _____ biometrics?

Is _____ necessary for _____ to _____ special conditions or _____ for _____ our _____?

Is it _____ meet any _____ criteria _____ use specialized _____ when using fingerprints _____ payroll _____?

What software _____ integrate _____ the payroll?

_____ should be _____ into _____ payroll process _____ requirements _____ required.

Can _____ give us any information about _____ software _____ to _____ our _____?

_____ any software that needs to _____ biometrics _____ our _____ payroll process?

I'm _____ specific demands or necessary programs for the _____ of _____ into our _____.

_____ know the _____ for _____ of the biometrics _____ our _____ process?

Is there _____ we need _____ into our payroll _____?

Do _____ need _____ requirements or exclusive software tools _____ use _____ biometrics _____ our payroll _____?

Is it necessary to have _____ specific _____ or exclusive _____ to _____?

Do you know of _____ or _____ to _____ Biometrics _____ Payroll process?

Is it _____ for any _____ software _____ components _____ into _____ procedure?

_____ use of _____ into _____ payroll procedures _____ any _____ requirements?

_____ there any _____ criteria _____ used to blend biometrics _____ pay process?

_____ there any _____ we need _____ use in order _____ incorporate biometrics _____ current _____?

_____ you _____ requirements _____ the Biometrics into _____ payroll process?

Is _____ any software _____ needs _____ be used in _____ fingerprints _____ our current _____?

Will _____ payroll procedures _____ any specific _____ or exclusive _____ tools?

Do _____ specific software or components to use _____ for _____?

_____ use of Biometrics into _____ payroll _____ need _____ requirements, or _____ there another way _____ it?

_____ there any software _____ criteria _____ our current pay process?

Does _____ need _____ in _____ payroll procedures?

_____ you know _____ to integrate Biometrics _____ our _____?

Will there _____ requirements _____ software required to add _____?

Do _____ know _____ software is _____ to _____ Biometrics _____ the payroll _____?

_____ fingerprints be used in payroll _____ specific _____ or _____?

Will there _____ software needed _____ us to add _____ our current _____?

Will integrating _____ payroll _____ require any _____ requirement?

_____ incorporating _____ use of Biometrics _____ our _____ still need _____ requirements _____ there another _____?

_____ it _____ specific requirement or exclusive software _____ fingerprints _____ procedures?

Is _____ software or criteria _____ used in order _____ fingerprints with our current _____?

Does _____ software _____ to be used _____ the _____ the payroll _____?

Is _____ a particular software _____ be _____ to _____ a _____ our payroll process.

Is _____ requirement that must _____ satisfied _____ order _____ incorporate _____ into _____ existing _____.

_____ there _____ requirement _____ must be fulfilled in order to _____ in _____ payroll _____?

_____ want to _____ are any _____ requirements for integrating the _____ process.

What _____ to _____ used to _____ the _____ the _____ process?

Is _____ a software _____ that must _____ satisfied to incorporate a _____?

Integrating the _____ into our _____ procedures still requires _____ software?

_____ a specific software _____ that _____ to be fulfilled in _____ to _____ into payroll _____?

_____ software _____ needed _____ the Biometrics into _____ Process?

_____ be requirements _____ software _____ for us to add biometrics _____ payroll _____?

Will integrating fingerprints _____ procedures _____ specific _____?

_____ there a particular _____ or requirement that needs to be _____ in _____ to _____ process?

_____ we need any _____ components for _____ be used in _____?

Is _____ a _____ or requirement _____ needs _____ be _____ in _____ to _____ a _____ into our _____?

Does integrating the use of _____ payroll _____ need some _____ or _____ done _____ it?

Do _____ know the _____ the _____ of the _____ the _____ process?

Do you have _____ special _____ or software _____ must _____ used _____ blend _____ with _____ current _____?

Do any _____ requirements need to _____ installed _____ payroll _____ the _____?

_____ integration of _____ into payroll procedures _____ any _____ requirement or _____?

_____ know of _____ that _____ integrate the _____ into _____ existing Payroll process?

Is there _____ software or _____ satisfied in order to _____ into _____ payroll process?

_____ payroll procedures will require any specific _____ exclusive _____ tools?

_____ certain software be _____ for _____ the _____?

Will there be _____ software _____ for _____ of _____ to _____ payroll _____?

Is _____ a requirement to _____ a _____ Existing _____?

Are there _____ or programs _____ into pay?

Is _____ for _____ specific tools _____ applications to integrate _____ into our _____ system?

Does there need _____ any specific requirements _____ biometrics _____ the _____ process?

_____ there _____ to _____ any specific requirements or _____ for _____ of the _____ payroll process?

Is _____ requirements _____ to be met _____ order for _____ to incorporate _____ into _____ existing _____ process?

Do we need _____ specific _____ components _____ fingerprints to _____ our _____ procedure?

Do we need specialized _____ or _____ pay?

Can you _____ software that _____ necessary to _____ fingerprints _____ the _____ process?

_____ need any _____ software or _____ to incorporate fingerprints _____ procedure?

_____ any software _____ we _____ to _____ to the payroll _____ to use _____?

Will _____ be _____ for _____ our payroll system.

_____ software _____ to _____ used _____ to blend _____ with our pay process?

I would like to _____ if there _____ any _____ demands _____ programs _____ the _____ our _____ system.

Software _____ any _____ to integrate biometrics _____ our _____?

_____ use _____ Biometrics into _____ payroll procedures _____ require certain _____ or _____ there another _____?

Does Integrating the _____ payroll procedures still _____ certain requirements?

_____ integrating _____ Biometrics into _____ payroll _____ still _____ certain requirements?

Is there _____ for integrating _____ with _____ payroll _____?

Does the _____ of fingerprints _____ our _____ system require _____?

_____ there _____ conditions to _____ with payroll?

What _____ and _____ to be _____ to _____ into payroll?

_____ you _____ of requirements for _____ of Biometrics into _____?

_____ certain software _____ required _____ integrating biometrics into the _____ do we have _____?

_____ be _____ needed for the _____ to add fingerprints?

_____ there any _____ or _____ required _____ integrate _____ Biometrics into _____ process?

_____ necessary for us _____ the payroll _____ to use bio-metrics?

Is _____ a software requirement _____ needs to be _____ in order _____ include a _____?

Is _____ any _____ criteria required _____ blend fingerprints with _____?

Is there _____ particular software _____ that _____ to _____ satisfied in order _____ fingerprints _____ payroll process?

_____ the use of Biometrics into _____ have requirements?

_____ existing _____ required to have certain software _____ it in order _____ use _____?

Does integrating the _____ of biometrics into _____ payroll _____ requirements?

_____ the use of _____ into our _____ procedures still _____ fulfill _____?

_____ be _____ integrating fingerprints into payroll, _____ we _____ any specific _____?

_____ there a particular software _____ that needs to _____ used _____ system _____ biometric integration?

Do _____ of _____ that _____ required to _____ our payroll process?

_____ you _____ me _____ there are specific _____ for blendin' _____ our _____?

_____ it _____ tell _____ any _____ that is _____ to integrate _____ into payroll?

Does the integration _____ payroll procedures _____ specific _____?

Do _____ know the requirements _____ into _____ Payroll process?

_____ there any _____ or requirements _____ fingerprints with _____ procedure?

_____ a particular _____ that needs to be satisfied _____ order _____ incorporate _____ biometrics _____ payroll _____?

Will _____ integrating fingerprints into the payroll, or _____ no demands?

_____ a _____ or requirement _____ be fulfilled in _____ to _____ payroll processes?

_____ you tell us _____ that's _____ integrate fingerprints _____ payroll process?

Does _____ into payroll _____ any _____ requirements?

Do you know what _____ done _____ integrate the _____ payroll _____?

I want to _____ there _____ particular _____ or _____ for _____ fingerprints into the _____ process.

I don't _____ requirements or software for adding _____ to _____ system.

_____ there _____ particular software or requirement _____ to _____ in _____ to _____ fingerprint _____ our payroll process?

Is _____ anything _____ need to do _____ order _____ our _____ payroll procedure?

Do _____ what software _____ necessary to integrate _____ our _____ process?

_____ you know _____ any requirements for _____ integration _____ Biometrics _____ payroll _____?

Do _____ know of _____ or _____ required to _____ Biometrics into _____ process?

_____ there _____ of criteria _____ software _____ needs to be _____ for _____ and _____?

Does _____ to _____ any _____ software _____ integrating fingerprints with _____ procedures?

Does _____ fingerprints into _____ procedures _____ or exclusive software?

_____ there _____ to add _____ to the payroll _____ to _____ a _____?

_____ integration of _____ into _____ procedures _____ require any _____ requirements?

_____ there be requirements _____ to _____ to our _____ payroll system.

_____ of _____ software or _____ to integrate Biometrics _____ payroll process?

Is there any _____ software requirements that need _____ met _____ order for _____ to _____ process?

_____ integrating _____ of _____ into our _____ procedures _____ specific requirements?

_____ need any specific applications or _____ into _____ employee payment _____?

_____ is the _____ that we need _____ incorporate _____ our _____?

_____ there _____ or _____ need to _____ met in order _____ incorporate biometrics _____ current payroll _____?

_____ Biometrics into payroll _____ require _____ procedures or software?

____ you know any requirements for ____ into ____ payroll ____ ?
 ____ a ____ software requirement ____ should be ____ to incorporate a ____ into ____ payroll process?
 Is there ____ software ____ in ____ to include ____ in ____ payroll process?
 Does integrating ____ use of ____ our ____ any more ____ ?
 ____ included in ____ procedures ____ any specific requirement or exclusive ____ ?
 ____ integrating fingerprints ____ payroll ____ any ____ requirements ____ exclusive ____ tools?
 ____ you ____ any special ____ software ____ needs ____ be used ____ blend fingerprints with ____ process?
 ____ there ____ software requirement ____ needs ____ be ____ in order ____ incorporate a ____ into our ____
 ____ there any ____ or demands that ____ met in ____ biometrics into ____ existing ____ process?
 ____ integration ____ Biometrics ____ our payroll procedures need ____ requirements ____ software?
 Do ____ know ____ any software that ____ integrate ____ Biometrics into ____ payroll ____ ?
 ____ software that's ____ to integrate ____ into ____ current payroll process?
 ____ necessary for a ____ software ____ be fulfilled ____ order to ____ processes?
 Is ____ necessary for the existing ____ process ____ have certain ____ added ____ use with ____ ?
 ____ any ____ criteria that we need ____ use ____ integrate ____ payroll system ____ ?
 Do ____ software ____ need to ____ added ____ the ____ process ____ order ____ to use ____ ?
 Does integrating the ____ of biometrics ____ present ____ any specific ____ exclusive software ____ ?
 Will ____ fingerprints into ____ procedures ____ any ____ requirement or ____ ?
 Do we ____ to ____ any specific ____ components ____ use fingerprints ____ the ____ ?
 Does there ____ to be ____ for ____ biometrics with ____ paycheck procedure.
 Does ____ existing payroll process need ____ certain software requirements ____ ?
 ____ need ____ specific ____ or requirements ____ the biometrics into our ____ process?
 ____ there a requirement ____ needs to ____ satisfied ____ order ____ a ____ payroll process?
 ____ that has to be ____ order ____ include fingerprints in payroll?
 Is ____ any ____ we ____ to ____ our payroll system?
 ____ for software in ____ to ____ Biometrics into our payroll?
 ____ it ____ to ____ specialized ____ or meet ____ when using fingerprints in ____ ?
 ____ into payroll procedures have ____ specific ____ or ____ software ____ ?
 ____ fingerprints ____ procedures require any ____ or exclusive software ____ ?
 ____ any specific requirements or software ____ we need ____ to ____ system?
 ____ there any software ____ to ____ integrate ____ biometrics into our ____ payroll ____ .
 Is there ____ software or requirement ____ in ____ to incorporate a ____ into ____ payroll?
 Do any ____ to ____ installed into ____ payroll process ____ for the Biometric to ____ ?
 ____ you let us know about ____ that ____ to ____ into our ____ ?
 Is there a ____ for incorporating ____ payroll ____ ?
 ____ there need ____ be any software ____ requirements for ____ to ____ ?
 ____ integrating fingerprints into payroll ____ software ____ requirement?
 Will ____ be ____ or requirements ____ fingerprints to ____ current payroll ____ ?
 ____ there any ____ to be ____ with the ____ pay process ____ blend ____ ?
 ____ payroll system to have ____ particular demands or ____ for fingerprints?
 Does ____ use ____ Biometrics ____ procedures ____ need ____ requirements, or ____ it done using?
 ____ tell ____ there are ____ requirements for ____ fingerprints ____ current payroll?
 Does integrating ____ use ____ our payroll procedures ____ certain requirements?
 ____ we need to ____ specialized software ____ specific ____ when ____ into payroll ____ ?
 Does Integrating ____ use ____ Biometrics into ____ procedures still ____ certain requirements ____ optional?
 Will ____ be ____ in payroll ____ requirement or exclusive ____ tools?
 Do you ____ unique ____ integrate ____ our payroll?
 Does integrating ____ of ____ our payroll ____ need any ____ or exclusive ____ ?
 Can ____ information about ____ that's ____ to ____ fingerprints into payroll?
 Should ____ demands or ____ bio into pay?

Does the payroll _____ to have _____ software requirements _____ it _____ with _____?

_____ there a _____ that _____ fulfilled in order to _____ fingerprints _____?

Is there a _____ needs to _____ to integrate our _____ system _____ fingerprints?

_____ our payroll procedures still _____ special procedures or _____?

Do _____ software that _____ required to _____ the Biometrics _____ payroll _____?

When _____ comes _____ do any specific requirements _____ to _____ installed _____ payroll _____?

Do _____ know the _____ to _____ the _____ into _____ payroll process?

Do _____ know how to integrate _____ Biometrics _____ process?

_____ software _____ required to integrate the _____ process

_____ use of _____ into _____ payroll procedures still need certain requirements _____ it _____ methods?

Is _____ necessary for _____ to _____ specific _____ software _____ adding biometrics _____ our _____?

Is there _____ specific software or criteria _____ needs to _____ with biometrics?

Is it _____ us to meet _____ use specialized software _____ payroll processing?

_____ requirements _____ software needed for adding biometrics _____ current _____ system?

Does the payroll process _____ have _____ software _____ added to _____ in _____ to _____ biometrics?

_____ you tell _____ about any software _____ is _____ integrate _____ into _____ process?

_____ any _____ or software need to be _____ in _____ in order to _____ Biometric?

Will fingerprints _____ into payroll procedures needed _____ specific _____ tools?

Does _____ of Biometrics _____ our payroll procedures still _____ certain _____ there another _____ to do _____?

Is _____ a particular software _____ that _____ to _____ satisfied in _____ into our payroll process?

_____ there _____ requirement that must be _____ order _____ include a _____ existing _____?

_____ to _____ specialized _____ or meet specific criteria _____ fingerprints in _____ processing?

_____ integrating _____ of Biometrics into _____ payroll _____ still need certain _____ to _____?

_____ be _____ into _____ procedures needed any specific requirement _____?

Is _____ a certain _____ in order _____ incorporate _____ our existing payroll?

Is _____ any _____ we need _____ add _____ system to _____ bio-metrics.

Do any specific _____ need to be _____ payroll _____ to _____?

Do you know the _____ and requirements _____ the _____ into _____?

Is there a _____ certain _____ in our payroll process?

Is _____ specific software requirement for _____ with _____.

_____ software be required for integrating biometrics into the _____ not _____ demands?

Do _____ to be installed _____ the payroll process _____ for the _____ be?

Do _____ know _____ requirements for _____ of _____ Biometrics into our _____?

Do any requirements _____ Biometrics _____ to _____ the payroll _____?

Is _____ a certain _____ in order to _____ our fingerprints _____ our _____?

_____ there _____ we need _____ bio into _____?

_____ tell _____ if _____ are any software _____ that I need to integrate _____ with _____ paycheck _____?

Will _____ fingerprints into payroll _____ require _____?

_____ there _____ specific software _____ criteria that we need _____ use to _____ our _____?

_____ there a software _____ requirement that _____ fulfilled _____ fingerprints _____ our payroll process?

Is _____ software _____ satisfied in _____ to incorporate a Biometrics _____ our Payroll?

Is there _____ software requirement that _____ to be _____ a _____ into the _____ process?

_____ of _____ into our current payroll procedures need _____ or exclusive _____ tools?

Is there a requirement for certain _____ to be _____ in _____ fingerprints _____?

Is there a _____ in _____ use a _____?

_____ there _____ or software needed _____ our payroll _____ add _____?

_____ a requirement that must _____ satisfied _____ to _____ Biometrics _____ existing payroll?

Is there a particular _____ that needs _____ be _____ integrate our _____ system _____?

_____ it require any _____ requirements _____ tools to _____ biometrics in _____ procedures?

Do _____ software requirements _____ be _____ to _____ payroll _____ in _____ for _____ to _____ biometrics?

_____ necessary to _____ specific _____ or exclusive software _____ use _____ in _____ procedures?
 _____ be requirements _____ needed for us to _____ biometrics _____ system?
 Is there _____ need to _____ biometrics into our payroll _____?
 _____ specific demands _____ integrating bio Into pay?
 _____ specific software or components _____ fingerprints _____ the _____ procedure we use _____?
 _____ integrating _____ our payroll procedures _____ or is it done by using them?
 _____ you _____ requirements to integrate _____ Biometrics into _____ process?
 Do you _____ the _____ needed _____ integrate _____ Biometrics _____ process?
 Is there _____ specific software _____ to _____ to implement biometric _____ in _____?
 The Biometric _____ be installed _____ the payroll process _____ or _____.
 Is _____ necessary _____ to _____ specific software for integrating biometrics _____ payroll _____?
 Is _____ a software that has to be _____ incorporate _____ our payroll _____?
 Do you know the _____ required to _____ the _____ into _____?
 _____ fingerprints _____ used in _____ procedures _____ have any _____ exclusive software?
 _____ need to do _____ our existing _____ process compatible with _____?
 Does integrating the use _____ Biometrics _____ still _____ to _____ requirements?
 Does _____ use _____ Biometrics _____ our payroll procedures _____ requirements?
 Is _____ any _____ software needed _____ integrate biometrics with the _____?
 Is there _____ software _____ needs _____ to incorporate _____ into _____ existing _____ process?
 Is _____ necessary _____ specifications or _____ in order _____ interlink bio-authentication with employee payment procedures?
 Is there anything _____ make _____ current payroll _____ compatible _____ biometrics?
 _____ incorporating _____ of Biometrics _____ procedures _____ need specific requirements?
 _____ it _____ current payroll _____ any particular demands or _____ for fingerprints?
 _____ of _____ payroll procedures still require _____ requirements?
 Will integrating fingerprints into payroll _____ exclusive software?
 Is it possible to _____ us about _____ software _____ is essential _____ process?
 Is _____ any _____ we _____ to _____ to the _____ system _____ use _____?
 Does _____ integration of fingerprints into our _____?
 _____ integrating the use of Biometrics _____ payroll _____ certain requirements _____?
 Will _____ be any software _____ requirements _____ adding fingerprints _____?
 _____ know _____ software or _____ needed _____ the _____ into our payroll _____?
 Does integrating _____ into _____ payroll _____ still _____ procedures or _____?
 Is _____ any _____ that need to _____ met in _____ to incorporate _____ payroll process?
 _____ tell _____ the software that _____ to integrate _____ into _____ payroll process?
 _____ requirement _____ software that's _____ integrate biometrics into payroll?
 _____ is required to integrate _____ into _____ process.
 _____ any specific requirements _____ the _____ be installed _____ the payroll _____?
 _____ tell us anything _____ software _____ is _____ to _____ fingerprints _____ our payroll _____?
 Will _____ software be _____ integrating Biometrics _____ existing _____?
 Is there a requirement _____ order to incorporate _____ into _____ existing _____?
 Do any specific _____ or software _____ be installed into the payroll _____?
 _____ there need to be any _____ or requirements _____ the paycheck _____?
 _____ that we _____ to add to the payroll _____ use _____?
 Do _____ need any specific _____ or _____ to use _____ now?
 Is there _____ requirement for _____ in _____ include fingerprints _____ processes?
 _____ there _____ that needs to _____ used to integrate the _____ our _____?
 Is _____ special _____ to _____ to _____ biometrics _____ the _____ pay process.
 _____ software requirement that needs _____ be _____ to include a Biometrics _____ our _____?
 Does Integrating the use of _____ our payroll _____ certain requirements, _____ there another _____ it?
 _____ which software _____ required to integrate the _____ into the _____?

____ the ____ of ____ our payroll ____ still need certain ____?
 ____ a need for ____ to integrate ____ our ____ procedure?
 ____ a ____ must be satisfied ____ for ____ Biometrics into our ____ payroll?
 ____ incorporating the ____ into ____ procedures still ____ to ____ done ____ certain requirements?
 Does ____ or special ____ be ____ for incorporating ____ our current ____ process?
 Do you ____ specific ____ into the payroll process?
 Does ____ still require ____ procedures ____ software to ____ Biometrics ____?
 ____ there ____ criteria or ____ that ____ used in order to ____ with ____ pay process?
 Is ____ special ____ that are necessary ____ incorporating ____ our payroll process?
 Do ____ demands or programs ____ integrate ____ into ____?
 Does ____ biometrics into our ____ still ____ or software?
 Do ____ specific software or ____ use ____ in the paycheck ____?
 ____ there ____ specific software ____ that must be satisfied in ____ a ____ into ____ process
 Does ____ system need any particular ____ order ____ integrate ____?
 Is there ____ special criteria ____ to blend ____ with ____ pay ____.
 Is there ____ we need to do ____ make ____ process ____?
 Is there ____ particular ____ needs to be ____ a ____ into our payroll process?
 ____ process ____ to ____ certain software requirements ____ in ____ it ____ use fingerprints?
 ____ any software that ____ need ____ to ____ payroll system ____ use ____?
 Do ____ of ____ requirements ____ integrate the ____ our ____ process?
 Is ____ that we ____ to ____ fingerprints with our ____ payroll?
 Is there something ____ to do ____ with ____ existing payroll ____?
 ____ for ____ specific ____ for ____ biometrics to our payroll system?
 ____ specific requirements have to ____ into ____ payroll process ____ the Biometric?
 Can ____ us a ____ we need ____ integrate fingerprints into ____ process?
 Is there a ____ to include fingerprints into payroll ____?
 Do we still need ____ or software ____ payroll procedures?
 We ____ know if ____ need to use specialized ____ or meet ____ fingerprints ____ payroll ____.
 ____ what ____ and requirements are needed to ____ Biometrics ____ our ____ process?
 Is there ____ certain software ____ fulfilled ____ to ____ fingerprints in ____ process?
 ____ any software ____ use a ____ in the ____ system?
 ____ into our payroll ____ special procedures or software?
 Do ____ know ____ software that ____ to integrate ____ the payroll ____?
 ____ there a requirement ____ integrating ____ with our ____?
 ____ integrating the use ____ Biometrics into ____ require certain ____?
 Is there ____ particular software or ____ that needs ____ be used ____ our ____?
 Is it ____ use designated ____ order to connect bio-authentication with ____ payment procedures?
 Is there any ____ we need ____ our current ____ process.
 ____ any special criteria ____ software ____ be ____ to blend fingerprints ____ our ____ pay ____?
 ____ software or ____ requirements ____ need to be complied ____ fingerprints with paycheck ____?
 ____ there a ____ that ____ in order ____ incorporate a biometrics into ____ payroll ____?
 Does Biometrics ____ specific requirements ____ payroll ____?
 Do we ____ any specific ____ or ____ the ____ procedure?
 Is ____ a particular ____ or requirement that ____ to be ____ in ____ for us ____ into our ____?
 Will fingerprints ____ payroll procedures need any ____ software?
 What software needs to be ____ our payroll ____?
 ____ the integration ____ Biometrics into ____ payroll ____ require ____ or software?
 Is the existing ____ required to have ____ software requirements ____ to ____?
 Does ____ integration of biometrics into ____ need any specific ____ exclusive ____?
 Does the ____ payroll process ____ certain ____ requirements ____ in order ____ be ____ Biometrics?

_____ or components to use fingerprints in our paycheck _____?

_____ there _____ requirements _____ the _____ of biometrics _____ payroll system?

Is _____ a _____ for _____ software for _____ payroll?

Will incorporating _____ payroll _____ requirement or _____ software tools?

Is _____ a _____ software _____ requirement that _____ to be _____ in _____ incorporate _____ into our payroll _____?

_____ are the _____ the _____ to integrate biometrics?

Is _____ software that needs _____ used for _____ into _____ existing payroll _____.

_____ fingerprints be _____ in payroll procedures _____ any _____ or _____ software _____?

_____ the existing payroll _____ need to have certain _____ to _____?

Does _____ to _____ any _____ requirements for integrating _____ with the _____ procedure?

Can _____ tell _____ about the software _____ is _____ into our payroll _____?

_____ is a _____ or _____ needs to _____ order _____ incorporate a _____ into our existing _____.

Is _____ fingerprints _____ payroll _____ required any _____ or exclusive _____?

Is _____ particular _____ requirement _____ must be _____ in order to _____ a _____ our payroll _____

_____ we _____ any particular _____ components to use fingerprints _____ the _____?

Does integration of Biometrics into _____ require _____ special procedures _____?

_____ that _____ to be _____ integrating _____ with our current payroll?

_____ of _____ requirements that are required to _____ into _____ payroll process?

_____ criteria _____ needs to be used to _____ fingerprints with the _____?

Will there be _____ software _____ adding fingerprints _____ payroll system?

Do you know _____ software or _____ that _____ required _____ into _____ existing _____ process?

_____ a _____ for specialized software for _____ integration _____ payroll?

Is there _____ software we need _____ add biometrics _____?

Do you know _____ integrate _____ Biometrics into the _____?

Will certain _____ be required for _____ the _____ or _____ we _____ demands?

_____ any software _____ must be used to blend _____ pay _____?

_____ required to integrate the Biometrics _____ our _____?

_____ we _____ programs that _____ into _____?

_____ Integrating the use of Biometrics into _____ procedures _____ requirements?

Can any specific requirements be installed _____ for _____ to be?

Do _____ of _____ that _____ required _____ integrate _____ into our _____ payroll process?

What _____ we need to _____ to _____ with _____ we _____?

_____ you _____ specific requirements _____ integrating _____ Biometrics _____ our Payroll _____?

_____ particular software _____ criteria _____ needs to be used _____ integrate _____ system with _____?

Do _____ know the requirements for _____ into our _____ process?

_____ any _____ requirements that need to _____ biometrics into _____?

Is _____ any software or requirements _____ we _____ order _____ biometrics _____ our _____?

Do _____ specific _____ components to use fingerprints _____ paycheck _____?

_____ there a _____ requirement that needs to _____ in order _____ incorporate _____ our payroll process?

Does integration _____ our _____ still _____ some requirements?

Is there _____ particular _____ that _____ to _____ used to integrate our payroll system _____?

Does integration of _____ into _____ need _____ special _____ or _____?

Do _____ need special software _____ to _____ with the payroll _____?

_____ us _____ software that is required to integrate _____ into _____?

Is there _____ needs to be _____ for integrating _____?

What _____ do we _____ to meet in order _____ integrate _____ with _____?

_____ our _____ need any _____ to add fingerprints?

Does integrating _____ of biometrics _____ procedures still _____ requirements?

Do any _____ requirements _____ software _____ into the payroll process _____ order _____ Biometrics _____ be?

Do _____ have requirements for _____ Biometrics _____ our _____ process?

_____ a software or requirement that _____ to _____ satisfied _____ order _____ a _____ our payroll _____?

Will _____ be required _____ integrating fingerprints into _____ or _____ specific demands?

Is _____ a _____ requirement that must be _____ for _____ to _____ processes?

_____ the existing payroll process need to _____ in order _____ use _____?

Is _____ any special _____ or software _____ to _____ used to _____ fingerprints _____?

_____ to be used _____ incorporate biometrics into _____ payroll _____?

_____ is _____ software we _____ to incorporate biometrics _____ our _____?

_____ there anything we _____ to _____ the payroll system _____ use _____?

_____ software _____ that _____ satisfied _____ order to incorporate _____ biometrics into our _____ process.

_____ you _____ software _____ to integrate _____ into our existing _____ process?

Do _____ to _____ designated _____ or meet _____ order _____ interlink bio-authentication with employee _____ procedures?

_____ specific _____ or applications we need to _____ fingerprints _____ payroll system?

Is _____ a _____ requirements _____ we _____ to add _____ to _____ payroll system?

Is _____ a software _____ incorporating _____ into _____ existing _____ process?

_____ there need to _____ any _____ in _____ to integrate fingerprints _____ paychecks?

Will _____ be required for _____ into _____ payroll, _____ do _____ have no _____?

_____ there a _____ software _____ requirements that we need _____ fingerprints _____ payroll _____?

_____ there _____ or _____ payroll system to add fingerprints?

Does integrating the use of _____ our current payroll _____?

Do _____ of _____ software _____ that are _____ to integrate _____ Biometrics into our _____?

_____ we _____ any specific software _____ to _____ fingerprints _____ the paycheck _____?

Can _____ tell _____ are _____ or _____ needed _____ adding biometrics _____ the payroll _____?

_____ the existing _____ to _____ some software requirements added _____ it for _____?

Can _____ us a description _____ any _____ essential _____ integrate _____ into payroll?

Is there any _____ that _____ be used _____ biometrics with _____ process.

Is _____ requirements that need to be _____ to _____ into _____?

Is _____ software requirement that must be _____ in order _____ be _____ in _____ process?

_____ specific _____ tools to successfully _____ into our payroll system?

_____ there need _____ any _____ requirements when _____ fingerprints with the _____ procedure?

Is _____ a _____ that _____ to _____ for integrating _____ into _____ current payroll process?

_____ a _____ a Biometrics into our _____ payroll?

Do we need _____ software or components _____ use _____ we _____ now?

_____ we _____ any _____ software or components to _____ our paycheck _____?

_____ fingerprints in _____ any specific requirement _____ exclusive _____?

_____ software _____ we need _____ integrate our _____ system with _____?

Do you _____ of software _____ requirements _____ Biometrics into _____ payroll process?

Does integrating the use _____ Biometrics _____ payroll procedures still need _____ it _____ by _____?

Will _____ software be _____ integration _____ the payroll, or _____ we have _____ requirements?

Is _____ a specific _____ to be used for _____ into our _____?

_____ software _____ needed to _____ Biometrics _____?

_____ needs _____ be _____ in order to _____ a biometrics into our payroll process?

_____ integrating _____ use of _____ into our _____ procedures _____ special _____ procedures?

_____ specific _____ or software need to be _____ payroll process in order for _____

Do you know _____ software or _____ to integrate _____ existing Payroll _____?

Will fingerprints be integrated _____ any _____ requirement?

_____ specific software or _____ required _____ integrate the _____ into _____ payroll _____?

_____ there a _____ software needed to _____ biometrics _____ payroll?

Is there _____ software _____ for _____ payroll and biometrics?

_____ we _____ specific software or components _____ use _____ in _____ paycheck _____ we _____ right _____?

Do you know _____ the payroll process?

_____ software _____ to be installed _____ integrate _____ biometrics _____ payroll _____?
 Is there _____ required _____ integrate _____ with _____ current payroll _____?
 Does _____ of _____ into our _____ procedures _____ need certain requirements, _____ way?
 _____ there _____ specific software _____ requirement that must _____ in order _____ include _____ our payroll _____?
 Is there a _____ requirement that needs _____ be satisfied _____ to _____ into _____ payroll _____?
 Can you _____ about any software that _____ essential _____ payroll process.
 Can _____ tell _____ we _____ to _____ about _____ need _____ integrate fingerprints into our payroll _____?
 _____ there be any software _____ needed to _____ the _____ system?
 Is _____ any _____ needs _____ be used _____ to _____ our _____ with fingerprints?
 Do _____ integrating _____ into our payroll process?
 Will _____ need _____ for adding fingerprints to our _____ system?
 Is there any _____ or _____ fingerprints _____ our _____ pay process?
 Is _____ the Biometrics into our Payroll _____?
 Will certain software _____ for integrating fingerprints into _____ do _____ specific _____?
 _____ there a specific _____ for the use _____ software _____ combining _____ payroll?
 _____ the existing _____ need _____ have _____ software requirements _____ order _____ work with biometrics?
 Do we _____ software _____ components _____ fingerprints in our paycheck procedure?
 Does _____ use of _____ into _____ payroll procedures _____ need certain _____ something _____?
 _____ Biometrics still _____ any specific requirements in _____?
 Does the _____ in our _____ procedures _____ specific _____ exclusive software?
 Can you give us a _____ of _____ that _____ fingerprints into _____ payroll _____?
 _____ a software requirement _____ biometrics with _____.
 Does integrating the _____ Biometrics into the _____ procedures _____ need _____?
 Do _____ or programs for integrating bio _____?
 Does the payroll _____ software for the integration _____?
 _____ need special software to _____ this work _____ our _____?
 _____ there any _____ that _____ need to add fingerprints _____?
 _____ there _____ software _____ specific requirements for integrating _____ with _____ paycheck procedure.
 Is there a particular software _____ that _____ be _____ order for _____ to be _____ in _____?
 _____ there _____ that we need to integrate _____ biometrics _____ our _____?
 Does integrating the _____ of biometrics _____ payroll _____ special _____ software?
 Do you _____ of any _____ or requirements _____ the _____ our payroll _____?
 _____ use _____ Biometrics into our payroll _____ need to _____ certain _____?
 Is there _____ needs to be _____ order _____ include _____ in _____ process?
 _____ integrating fingerprints _____ procedure, _____ there any specific software _____?
 What is the software _____ our payroll procedures?
 _____ there _____ software that _____ to _____ payroll system with fingerprints?
 Can you tell us _____ software _____ needed to _____ our _____?
 Will _____ be _____ for _____ into the payroll, _____ do _____ have _____ requirements?
 _____ provide _____ with any _____ about the _____ that _____ essential _____ integrate fingerprints _____ our payroll _____?
 Is integrating fingerprints _____ payroll procedures required _____ software?
 _____ software that needs to be _____ to blend _____ with our current _____ process?
 _____ you tell _____ about _____ software we _____ integrate fingerprints _____ payroll _____?
 Will fingerprints _____ any specific requirement or exclusive _____ procedures?
 _____ our current payroll system need _____ adding biometrics?
 _____ there any _____ or _____ should be used _____ blend biometrics _____ pay _____?
 Will _____ be used _____ that require specific _____?
 _____ specific _____ is needed to integrate the Biometrics into _____ process?
 Will _____ be _____ for integrating biometrics _____ existing _____?
 _____ existing payroll process _____ to have _____ software requirements _____ for _____ with Biometrics?

Is _____ particular software _____ used for incorporating _____ into our _____ processes?

Do you _____ software _____ needed _____ integrate Biometrics _____ our _____?

_____ incorporating the _____ of _____ into _____ procedures still require _____?

_____ take a _____ requirement _____ software tools to _____ into payroll _____?

Does _____ the use _____ our _____ procedures _____ any specific _____?

Is _____ software _____ that need to be in _____ the paycheck _____ biometrics?

Does _____ payroll _____ have any _____ that we _____ fingerprints to?

Is _____ a particular software that _____ to _____ fingerprints into _____ payroll _____.

Is _____ special software or requirements needed _____ integrate fingerprints _____?

Will certain software _____ integrating _____ into the _____?

Will fingerprints being _____ payroll _____ require any _____ software?

_____ integrating the use _____ Biometrics _____ our _____ procedures _____ need _____ requirement?

Do _____ need to _____ software or _____ certain criteria _____ to _____ payroll processing?

Does _____ the _____ of _____ our _____ procedures _____ need _____ requirements.

_____ the integration _____ biometrics _____ payroll system require any _____?

_____ there a specific _____ to _____ used _____ our payroll system to integrate _____?

Does _____ use _____ into our _____ still need certain _____ or _____ it _____ the technology?

Do _____ know _____ integration _____ into our payroll process?

_____ of fingerprints into _____ require _____ requirement _____ exclusive software?

Does _____ need _____ be any software or _____ for integrating _____?

_____ be _____ in payroll _____ that _____ specific software?

_____ the _____ of fingerprints _____ system require any particular _____?

_____ know _____ or _____ are _____ integrate the Biometrics into our _____ process?

_____ need any specific _____ to use _____ the paycheck process?

Is there _____ in order _____ our Existing payroll?

_____ that needs _____ be used for _____ our payroll system?

Does integrating the use of fingerprints into _____ requirements _____ software _____?

_____ software _____ needed _____ integrate _____ biometric _____ payroll process?

_____ you know of _____ or _____ required to integrate the _____ process?

Is there _____ particular _____ has to _____ fulfilled in _____ to _____ in _____ payroll _____?

Do _____ special procedures _____ software _____ integrate _____ into our _____ procedures?

_____ you know the _____ integrating Biometrics _____ our _____ process?

_____ you _____ software or requirements _____ required _____ integrate the Biometrics into _____ process?

We don't know _____ need to use _____ software or _____ when using _____ processing.

_____ you know of _____ software that _____ into our Payroll process?

Can _____ tell me if _____ required software or _____ for _____ paycheck procedure.

Is there any _____ that _____ be used in _____ our _____ our fingerprints?

_____ we _____ software tools in _____ to use biometrics in our payroll _____?

_____ there _____ to do _____ integrate our _____ payroll with _____?

_____ there any software _____ need _____ add fingerprints _____ our _____ payroll system?

_____ software be required to integrate _____ payroll, _____ have specific demands?

_____ there _____ for integrating _____ our payroll system?

_____ a _____ software _____ must _____ fulfilled in _____ to include _____ in _____ processes?

_____ the integration _____ into our _____ procedures _____ specific requirements or _____ software _____?

Does _____ the _____ of _____ into our _____ procedures need _____?

_____ the existing _____ have _____ requirements added _____ order _____ it to be used _____ biometrics?

_____ you know _____ required to integrate _____ Biometrics _____ Payroll process?

_____ there any _____ that we need _____ the payroll _____ bio-metrics?

_____ we need any specific _____ or components to _____ our paycheck _____?

Is _____ any _____ or criteria _____ be used to blend _____ our _____?

Do we _____ components _____ order to use fingerprints _____ our _____?
 _____ any special criteria _____ needs to be _____ blend biometrics with _____ pay process?
 Is it necessary _____ have _____ software _____ adding _____ to our current _____?
 Is there any software _____ use _____ integrate biometrics _____ our _____?
 _____ particular requirement that needs _____ satisfied _____ order _____ incorporate _____ into our payroll process.
 _____ the use of _____ into our _____ payroll _____ any specific _____?
 _____ it _____ any _____ or _____ software tools to _____ into _____ procedures?
 Do you _____ requirements for integrating _____ our existing payroll _____?
 Are _____ specific _____ are needed _____ integrate our _____ system _____ fingerprints?
 _____ it _____ for any _____ software or _____ to _____ the paycheck _____?
 Do you know _____ and _____ are _____ Biometrics _____ our payroll process?
 _____ there any _____ or requirements that need _____ in _____ for us to incorporate _____ our _____?
 _____ you know _____ any requirements _____ to integrate _____ Biometrics _____ our _____?
 Is _____ a _____ be fulfilled in order to _____ in _____ processes?
 _____ or software _____ needs _____ be used to blend _____ our pay process?
 Can you _____ any information _____ we need _____ integrate fingerprints _____ payroll?
 Will _____ be any software _____ requirements for _____ the _____?
 _____ certain _____ be _____ integrating Biometrics _____ the _____ payroll?
 _____ there _____ be satisfied in _____ to _____ a _____ into _____ payroll process.
 Is there _____ we need _____ biometrics into _____?
 _____ a particular _____ that needs _____ be _____ in order to _____ a biometrics _____ payroll _____?
 _____ there a _____ that needs to be satisfied _____ to incorporate _____ payroll.
 _____ use _____ into _____ payroll _____ still _____ any special procedures _____ software?
 Will using _____ in _____ any specific requirement or _____?
 _____ incorporating _____ into payroll procedures _____ specific _____ or exclusive _____?
 _____ what requirements _____ to integrate the Biometrics into _____ process?
 Do _____ know _____ specific software that _____ integrate the _____ into _____ process?
 Is _____ any software _____ need _____ adding biometrics to _____ system?
 _____ there _____ specific _____ needs to _____ used for _____ the biometrics _____ current _____ process?
 Is _____ need to _____ requirements added to _____ for _____ with biometrics?
 _____ the _____ into our _____ require certain requirements or is there _____?
 Do _____ special software or something _____ work _____ our payroll system?
 What _____ of software _____ need to integrate _____ current _____ with _____?
 Do you know _____ software or _____ needed _____ the _____ into our _____?
 Is there any _____ to add _____ the _____ to use _____?
 Is there any _____ that _____ be _____ the current payroll process?
 _____ certain _____ be _____ if we _____ integrate fingerprints into _____?
 We don't _____ need _____ or applications to _____ fingerprints _____ payment system.
 _____ specific _____ need _____ be installed into _____ order for the _____ work?
 _____ we _____ specific _____ for integrating biometrics _____ our _____ payroll procedure.
 What software _____ integrate _____ biometrics _____ payroll?
 _____ incorporating _____ use _____ our current _____ require any specific requirements?
 Do you know of _____ or _____ needed to _____ Biometrics _____ process?
 Is it _____ software _____ used for integrating _____ into the _____?
 _____ it necessary to _____ designated _____ or meet _____ specifications _____ order to _____ with employee _____?
 _____ fingerprints _____ integrated into payroll _____ for any specific _____ or _____?
 _____ you _____ more about the _____ that is essential to _____ payroll _____?
 Will _____ any software _____ needs _____ be used to _____ fingerprints _____ system?
 Is there _____ software or _____ to be _____ in order _____ a biometrics into _____ payroll _____?
 Is _____ a particular software _____ that must _____ a _____ into our payroll?

Does _____ to be _____ specific _____ requirements for _____ into the paycheck _____?

Do _____ know what specific _____ required to _____ into _____ process?

Is there _____ needs _____ be fulfilled in _____ include _____ our _____ process?

Do we need _____ use _____ software or _____ criteria _____ incorporate _____ payroll _____?

Can _____ tell us about _____ we need to _____ payroll _____?

_____ anyone _____ if _____ need any _____ or _____ to _____ into our _____ system?

Do _____ have _____ or _____ bio into pay?

_____ there any _____ that _____ need _____ the biometrics into _____ process?

_____ there a _____ that _____ in order to incorporate _____ Biometrics into our _____

_____ integrating _____ Biometrics into our payroll _____ still _____ special procedures _____ software?

Is _____ a particular _____ that _____ place to include _____ our payroll _____?

_____ software _____ for payroll/biometrics integration?

_____ you _____ of software that is required _____ Biometrics _____ the _____?

Is _____ of _____ our _____ system required any _____ software?

Is there a specific _____ we _____ integrating fingerprints _____ payroll _____?

Can you tell _____ there _____ any software _____ requirements _____ I _____ to _____ fingerprints _____ procedures?

_____ any software need _____ used _____ integrate the biometrics _____ payroll _____?

Is there any _____ conditions for _____ with _____?

Do you know _____ requirements to integrate _____ the _____?

_____ to incorporate biometrics _____ our existing _____ procedure?

Is _____ existing _____ software requirements added to _____ for use _____ Biometrics?

Do _____ meet _____ or use designated _____ to link _____ with employee _____?

_____ any _____ that _____ be put _____ our _____ system to integrate _____?

Is there _____ software _____ to integrate fingerprints _____ payroll _____?

Does integrating the use of _____ into our _____ procedures _____ there _____ way _____ do that?

Is it _____ to use _____ conditions _____ software _____ incorporating _____ process?

Will _____ any _____ or exclusive software tools _____ procedures?

Do _____ need any _____ to use fingerprints _____ our _____ procedure?

Can you _____ us a _____ software that's necessary _____ fingerprints _____ process?

Is there _____ requirement that _____ in order _____ us to incorporate _____ biometrics _____ our payroll _____?

_____ know if there _____ software or _____ for integrating _____ with paycheck _____.

Is there _____ that needs _____ be _____ in order to _____ into _____ process?

_____ integrating the _____ of _____ our payroll _____ specific requirements _____ exclusive software _____?

_____ integrating the use _____ Biometrics into _____ certain requirements

_____ any _____ or requirements _____ need _____ the biometrics into _____ payroll process?

_____ there be _____ or software _____ to _____ payroll system.

Do we need _____ or components _____ use _____ in _____?

When _____ fingerprints with _____ paycheck _____ there _____ specific requirements _____ the _____?

Is there _____ software _____ requirement _____ needs to _____ order to incorporate _____ our existing payroll?

_____ anything we _____ to _____ integrate _____ with our existing payroll _____?

_____ give us any information _____ that _____ need to integrate _____ our payroll _____?

_____ there any software _____ used _____ blend _____ with our _____ pay _____.

Will _____ be _____ in _____ procedures that need any _____ tools?

Is _____ set _____ or software that must _____ merging payroll and _____?

Will integrating fingerprints _____ procedures _____ exclusive software tools?

Do _____ requirements _____ required _____ integrate the Biometrics into _____ process?

Will _____ into payroll _____ have _____ requirements or exclusive _____?

_____ know what software _____ required to integrate _____ Biometrics into _____ existing _____?

Do _____ need _____ software _____ incorporate fingerprints into the _____ we _____ now?

_____ anything _____ need _____ do to _____ biometrics _____ the _____ payroll?

_____ any specific software _____ needs to be _____ integrate the biometrics _____ payroll _____?
 _____ the _____ Biometrics _____ our payroll procedures still _____ some _____?
 Will _____ integrated into _____ procedures need _____ requirement or _____?
 Does _____ payroll system need _____ for _____ biometrics?
 _____ we need _____ use special _____ or _____ use fingerprints in payroll _____?
 _____ software that needs _____ in order to include _____ in payroll _____?
 Is there any _____ that _____ be _____ for _____ into _____ payroll _____.
 Do you know _____ integrating _____ Biometrics _____ the payroll _____?
 _____ if _____ or software needed for adding biometrics to _____ system.
 _____ the _____ of _____ into _____ require any specific requirements?
 Is _____ necessary _____ have _____ or programs that _____ pay?
 _____ software _____ needs _____ be _____ order to incorporate a biometrics into payroll?
 Can _____ give us more _____ about the software _____ essential to _____ payroll _____?
 _____ fingerprints integration into payroll procedures need _____ tools?
 _____ any _____ need to add to _____ system to _____ bio-metrics?
 Does _____ use of biometrics into _____ any specific requirements?
 Can _____ about any software that _____ integrate _____ our payroll process.
 _____ a _____ requirement that _____ be satisfied _____ to incorporate a _____ into _____?
 What _____ software that _____ to be _____ biometrics into _____?
 Will certain _____ be required _____ payroll, _____ do _____ have specific demands?
 _____ needs to be _____ in _____ into our payroll process?
 Does _____ the _____ of Biometrics _____ our payroll procedures still _____ or _____ there _____?
 Is _____ that needs to be used _____ incorporate _____ into _____ payroll _____.
 Is there a software _____ that _____ to be _____ a biometrics _____ our payroll _____?
 Is there any _____ program _____ needs to be _____ the _____ payroll _____?
 _____ of _____ integration of the Biometrics into the _____ process?
 Will fingerprints _____ payroll procedures _____ any _____ requirement _____ exclusive _____?
 Will _____ be _____ in _____ that _____ specific software?
 _____ what software _____ to integrate the Biometrics into our _____?
 Is _____ software or criteria that needs _____ be _____ to _____ process?
 Will there _____ or _____ for adding _____ to the _____ system?
 Does our _____ system need _____ or _____ for adding _____?
 _____ special _____ or _____ to _____ fingerprints with our current pay _____?
 Is _____ software _____ demands _____ need _____ be _____ fingerprints into _____ payroll process?
 _____ there _____ to be satisfied to incorporate a Biometrics _____ our _____?
 Will fingerprints _____ in _____ procedures required _____ requirement or _____?
 _____ the _____ into our _____ procedures still have _____ meet _____ requirements?
 Any _____ to _____ Biometrics _____ payroll?
 Is there any software _____ blend _____ with the _____ pay process?
 Do you _____ the _____ the integration _____ biometrics into the _____?
 Can you tell _____ if _____ any _____ software or demands _____ dem fingerprints _____?
 _____ necessary to use designated tools _____ meet _____ to _____ with _____ payment _____?
 _____ requirement _____ payroll system for bio-metrics?
 Is it _____ to integrate _____ payroll system with _____?
 Does _____ any software or specific _____ in order _____ integrate _____ paycheck _____?
 Will _____ fingerprints in _____ any _____ exclusive software tools?
 Do we need _____ special software _____ to make _____ with _____?
 Is there _____ requirement _____ to be satisfied in _____ to incorporate a _____ existing _____?
 _____ there any software or criteria _____ should _____ to _____ biometrics _____ current _____.
 _____ that we need to add _____ to _____ payroll _____.

_____ integrating _____ of Biometrics into _____ payroll procedures _____ requirements?

Does _____ existing _____ process _____ to have _____ software _____ added _____ it _____ Biometrics?

_____ or software requirements that need to _____ order to incorporate fingerprints into _____ process?

Do any specific _____ to be _____ for the biometrics _____ work?

_____ know _____ specific requirements required _____ integrate _____ into the payroll _____?

Is _____ software _____ that _____ be satisfied in order for _____ included _____ our payroll process?

_____ software that is required to _____ the biometrics _____ our payroll _____?

Do _____ what specific _____ needed _____ the Biometrics _____ payroll process?

_____ it necessary to have specific requirements or _____ for _____ fingerprints _____?

Can you _____ any _____ about the _____ required _____ integrate fingerprints _____ process?

_____ particular software that _____ be used in order _____ into our _____ process.

Does _____ require any specific _____ software tools to integrate _____ of biometrics _____ payroll _____?

Does integrating _____ of _____ into _____ procedures _____ certain _____ or is there _____ that _____ be done?

Do any _____ requirements _____ software _____ to be _____ process for _____ Biometrics _____ work?

_____ any software or _____ must be used _____ blend _____ pay _____ biometrics?

_____ there _____ software _____ need _____ add to _____ payroll _____ do bio-metrics?

Will fingerprints be _____ in _____ requirements or _____ software _____?

Is _____ necessary _____ to use special _____ for _____ in our payroll _____?

_____ the _____ payroll procedures still need any _____ requirements?

Is _____ a particular _____ in _____ to include _____ our _____ process?

_____ fingerprints _____ payroll procedures that _____ any specific requirement _____ software?

Is _____ special criteria _____ software requirements that _____ be used _____ with our _____ pay _____?

Will certain software _____ we want _____ into our payroll?

Will _____ software be required _____ integrate fingerprints _____?

_____ needs to _____ done _____ make our _____ procedure _____ with _____?

Do _____ what requirements _____ to integrate the _____ into _____ Payroll _____?

_____ the integration of Biometrics into _____ still _____ or software?

Is _____ any _____ that should be _____ blend _____ with _____ current _____ process.

_____ special conditions or software _____ necessary _____ fingerprints into our _____ process.

_____ there _____ required software or requirements _____ fingerprints _____ our _____ system?

_____ software _____ integrate the biometrics _____ payroll process?

Does _____ need to be _____ software or _____ it _____ with the paycheck procedure?

_____ it necessary _____ tools or applications to integrate _____ our _____ system?

Does _____ current _____ system need _____ specific _____ software for _____?

_____ want _____ know _____ for integrating the biometrics into our _____ process.

_____ be requirements _____ necessary _____ adding _____ to the _____ system.

Do _____ know _____ requirements to integrate _____ into _____ process?

What is the software we _____ to _____ procedure?

_____ specific software or _____ to _____ fingerprints into the _____ we use _____?

_____ there _____ requirement that _____ fulfilled in order _____ include _____ payroll processes?

_____ the requirements _____ integrate _____ payroll _____ biometrics?

Is _____ requirement _____ a particular _____ be _____ order to _____ a biometrics into our _____?

Is _____ need for _____ integration _____ biometrics with _____ procedures?

_____ there any software _____ consider _____ adding _____ to _____ payroll setup.

Does _____ of biometrics into our payroll _____ any _____ or _____ software _____?

Does the _____ biometrics need any _____ requirements _____ to be integrated _____ procedures?

Do you _____ of software _____ required _____ integrate _____ into the Payroll _____?

Does integrating the _____ into our _____ any _____ or _____ software tools?

Will _____ be _____ software _____ for adding _____ to _____ system

Do we _____ specialized _____ or _____ a _____ to _____ in payroll processing?

_____ we _____ any _____ requirements to add _____ to our _____ payroll _____?
 Do _____ use _____ software or meet certain criteria _____ fingerprints in _____
 _____ integration of biometrics _____ procedures _____ any _____ requirements?
 _____ are any _____ or _____ that _____ to be used to blend _____ with _____ pay _____.
 Will _____ be required in _____ specific requirement or _____?
 Do we _____ program that _____ pay?
 _____ to _____ requirements or _____ used _____ integrate the biometrics _____ the payroll process?
 _____ fingerprints _____ payroll _____ require any specific requirement _____ software tools?
 Do we _____ to use _____ or _____ a specific _____ when using _____ payroll processing?
 _____ any special criteria or software that _____ be used _____ to _____ our _____ pay process?
 Does _____ system _____ any particular software _____ of biometrics?
 _____ we need specific _____ or _____ of _____ pay?
 Is there _____ we need to do to _____ biometrics?
 Is there any _____ to _____ to incorporate biometrics into _____ existing _____ process?
 _____ you let _____ know _____ there _____ specific demands for _____ with _____ payroll?
 _____ there _____ requirements or _____ needed in _____ biometrics to our _____ system?
 Is _____ any software that _____ for _____ the payroll process?
 Is there any _____ must be _____ to _____ fingerprints _____ our _____?
 Does integrating the _____ payroll procedures _____ specific requirements or exclusive _____?
 Do _____ software _____ to _____ the Biometrics into our payroll _____?
 Will _____ fingerprints into _____ procedures need _____ requirement _____ exclusive software?
 Does integrating _____ our payroll _____ need _____ requirements?
 Is there _____ payroll with biometrics?
 _____ there something we _____ do _____ integrate biometrics _____ our _____?
 _____ the _____ of biometrics into our _____ need _____ specific requirements or _____ software _____?
 Is there any _____ or _____ required _____ integrate _____ our _____ process?
 _____ don't _____ if we _____ demands or programs _____ pay.
 Is _____ any _____ or _____ need _____ be _____ for integrating _____ into _____ payroll process?
 _____ any specific requirements _____ software _____ to _____ into _____ be able to _____ the Biometric?
 Is there _____ software that _____ be _____ fingerprints _____ our payroll process?
 Do _____ know of _____ required to integrate _____ into _____ process?
 Will fingerprints _____ integrated into _____ require _____ specific _____ software?
 Is there a _____ needs _____ be satisfied _____ order _____ a biometrics into payroll?
 Will _____ be _____ or _____ for _____ biometrics to _____ payroll system?
 _____ the _____ of Biometrics _____ procedures need _____ specific requirements?
 _____ there any _____ be _____ in our payroll process to _____?
 Is _____ possible to _____ us _____ any software that is _____ to _____ fingerprints _____?
 _____ specific _____ that is required _____ the Biometrics _____ our _____ Payroll process?
 Will _____ be integrated _____ payroll procedures _____ requirement _____ exclusive _____?
 Do we need _____ component to use _____ our _____ procedure?
 _____ do _____ our payroll procedure?
 Will _____ integration _____ payroll procedures _____ specific requirement _____ exclusive software?
 Is _____ specific _____ that _____ be used _____ biometrics into payroll?
 _____ the payroll system need _____ specific _____ or _____ fingerprints?
 Does integrating the use _____ Biometrics into our _____ certain _____ else?
 Will _____ for adding fingerprints to _____ payroll system?
 _____ the payroll _____ need _____ software to integrate _____?
 _____ requirements need _____ be installed _____ the payroll _____ for the _____ to _____?
 Can _____ tell us about _____ software that _____ integrate fingerprints _____?
 Can we _____ any software _____ to _____ payroll _____ to _____ a _____?

_____ there need _____ be any _____ integrating biometrics with the _____ procedure?

Is it necessary for _____ particular software _____ fulfilled in order _____ process?

What software _____ needed _____ incorporate _____ our _____ procedure?

_____ software _____ to be used in our payroll _____ to implement fingerprints?

Does _____ process _____ to have certain software _____ added _____ for use _____.

Is _____ requirement that must be _____ in order _____ into _____ payroll?

_____ there _____ or _____ to blend biometrics _____ current pay process?

_____ integration _____ Biometrics _____ payroll procedures _____ need _____ requirements?

_____ need _____ specific _____ to _____ fingerprints into _____ paycheck procedure now?

Does integrating _____ Biometrics _____ our payroll procedures _____ need _____ according _____ certain requirements?

Does Integrating _____ Biometrics into our payroll procedures _____ requirements?

_____ there a requirement _____ biometrics _____ payroll system.

Is there _____ software _____ that _____ used to _____ with our current _____ process?

_____ there _____ requirement _____ be fulfilled in order _____ fingerprints _____ payroll processes?

Does Integrating Biometrics _____ procedures _____ require _____ special _____ or software?

Do you _____ of software that _____ integrate _____ Biometrics into _____ ?

Is _____ specific requirements _____ to _____ complied with _____ fingerprints with paychecks?

_____ a certain software or _____ that _____ to _____ used in the _____ system _____ ?

_____ is required _____ integrate the _____ payroll process?

Is _____ any software _____ that _____ to be complied _____ when _____ with _____ procedure?

_____ we still need any _____ integrating _____ into _____ procedures?

What software _____ required _____ biometrics _____

_____ there a software requirement _____ for _____ to be included in our _____ process?

Is there _____ software _____ to _____ used to integrate the _____ process?

Is it _____ to meet _____ criteria _____ software when using _____ payroll processing?

Is _____ requirement we _____ to _____ the payroll _____ to use a _____ ?

_____ specific software that _____ to be satisfied in _____ to incorporate a _____ process?

Does _____ the use _____ into _____ procedures _____ need certain requirements, _____ they _____ ?

Does _____ integration _____ our current _____ procedures _____ any _____ exclusive software tools?

_____ you _____ which software or _____ are _____ Biometrics into _____ payroll process?

_____ any specific requirements _____ to _____ installed _____ the payroll process in _____ ?

_____ particular software _____ required _____ to include fingerprints in _____ process?

_____ the integration _____ of _____ our _____ procedures still _____ certain requirements?

_____ there be software _____ fingerprints _____ the payroll system?

Is _____ any software or _____ use _____ integrate _____ payroll system with _____ fingerprints?

Is there _____ or _____ that needs to _____ in _____ to _____ a biometrics into _____ payroll _____.

_____ know _____ specific software that is _____ the Biometrics _____ our existing _____ ?

_____ for _____ use specialized software _____ certain criteria when using biometrics _____ processing?

Is there _____ or _____ that _____ to _____ with our current _____ process?

_____ a _____ that has _____ satisfied _____ order to incorporate _____ into our payroll?

_____ current payroll _____ need _____ specific programs _____ integration of _____ ?

_____ need _____ use specialized _____ meet _____ to use biometrics _____ payroll?

Does _____ the use _____ Biometrics into our _____ any _____ or _____ software?

Does there _____ to be specific software _____ the _____ our _____ payroll _____ ?

Do _____ specialized software or _____ certain criteria _____ use fingerprints _____ payroll _____ ?

_____ we have to _____ any _____ or _____ incorporate _____ our paycheck procedure?

Is _____ necessary to _____ use designated tools to _____ bio-authentication _____ employee _____ ?

_____ there _____ requirement for software to _____ biometrics _____ ?

Is there any _____ that needs _____ to _____ the _____ fingerprints?

_____ know of _____ or requirements _____ to _____ the Biometrics _____ our _____ payroll process?

Does incorporating the ____ of ____ payroll ____ need to ____ certain ____?

Will ____ requirement or ____ software tools ____ to integrate fingerprints ____?

____ be ____ needed for adding ____ the payroll system.

Does ____ use ____ procedures need any specific requirements or ____ software tools?

____ are any ____ we need ____ add to the payroll ____.

____ introducing fingerprints ____ payroll procedures ____ exclusive software tools?

Do we ____ or ____ certain criteria ____ use fingerprints in ____ processing?

____ you tell me ____ there ____ any specific requirements ____ with ____ paycheck ____?

____ any ____ we need ____ fingerprints ____ our current ____ system?

Does integrating ____ use of ____ our ____ still ____ requirements, or ____ is ____ way?

____ to ____ if there are ____ required ____ or ____ integrating fingerprints ____ procedure.

Will ____ software or ____ adding fingerprints to ____ system?

____ there any software ____ needs to ____ used ____ blend ____ process?

____ it necessary for ____ use ____ or meet specific criteria ____ fingerprints in ____?

Does ____ payroll ____ need to ____ certain software ____ added in order to ____?

Do you ____ software ____ to ____ Biometrics into our payroll ____?

____ it necessary for specialized ____ used when ____ fingerprints ____?

Will there be requirements or software ____ to ____

Does incorporating ____ use of ____ into our payroll ____ still ____?

____ there ____ any specific software or ____ order ____ fingerprints with the ____ procedure.

____ there ____ requirement ____ satisfied in ____ to ____ a biometrics ____ our ____ process.

Does integrating ____ use of ____ into our ____ procedures still need certain requirements, ____ way ____?

____ a ____ that ____ be ____ in ____ to incorporate ____ into our ____ process?

____ we need ____ that ____ pay?

____ there ____ software needed ____ integrating the ____ into ____ payroll ____?

____ software or ____ need ____ installed into the payroll process ____ use ____ Biometric?

Will ____ be ____ or software for ____ to ____ payroll ____.

____ software ____ integrate ____ biometrics into the ____ process?

____ the use of ____ into ____ payroll ____ still need ____ requirements ____ is ____ another way to ____?

____ to integrate the biometrics into the payroll process?

Is ____ a particular software ____ requirement ____ to be satisfied ____ have a ____ into ____ process?

____ to meet ____ or use ____ to connect bio-authentication ____ payment procedures?

____ of Biometrics ____ payroll ____ require ____ special procedures or software?

Can you ____ a ____ of ____ software ____ essential to ____ payroll process?

____ there ____ in ____ a Biometrics into our payroll.

____ we ____ software or components ____ incorporate ____ the ____ procedure ____ use today?

I ____ know ____ there ____ any software ____ specific requirements for ____ with the ____.

____ any ____ or requirements we ____ add to the ____ system ____ bio-metrics?

There may ____ or software ____ adding ____ the payroll ____

Is ____ any software ____ criteria ____ should ____ to blend ____ fingerprints ____ our ____ pay ____?

Is there ____ specific software ____ used ____ the payroll ____ to ____ fingerprints?

Will ____ required for any specific ____ or exclusive software ____ procedures?

____ use of Biometrics into our ____ procedures ____ specific requirements?

____ there any ____ that is ____ to ____ the ____ current ____ process.

____ any ____ or requirements required ____ use ____ in the ____ system?

____ is needed to integrate ____ into ____ payroll ____?

Is ____ any ____ software ____ need to be met in ____ us to ____ into ____ payroll ____?

____ existing ____ to have ____ requirements added to ____ use with fingerprints?

Do ____ specific requirements or software need ____ be ____ payroll ____ in ____ to ____ the ____?

Does ____ current payroll ____ specific software or ____ for ____?

____ it ____ for ____ special software to integrate ____ our ____ process?
 ____ there ____ software ____ should ____ used to ____ fingerprints ____ current pay ____?
 ____ integrating the ____ Biometrics into ____ still need ____ special requirements?
 I ____ know ____ are requirements ____ software for adding fingerprints ____ payroll ____.
 Is there a ____ software requirement ____ must ____ to incorporate a ____ our ____ process
 Does integrating ____ of Biometrics into ____ still ____ some ____?
 Is there a specific ____ needs ____ the ____ system to integrate fingerprints?
 Will ____ needed for the addition of ____ our ____ payroll system?
 Is ____ to meet certain ____ or ____ specialized software ____ fingerprints ____ payroll ____?
 ____ there a software ____ requirement ____ must ____ in ____ include ____ in ____ process?
 ____ integrating fingerprints ____ procedures ____ specific ____ or software?
 ____ software requirement that needs to be ____ in order to ____ into ____ process?
 Is there ____ particular software ____ that must ____ to ____ fingerprints ____ payroll ____?
 Will there ____ any requirements or ____ fingerprints ____ the ____.
 ____ any requirement ____ add software ____ to use bio-metrics?
 Can ____ give ____ any ____ about ____ software that's essential to integrate ____?
 I ____ know ____ there ____ particular demands ____ prerequisites ____ incorporating ____ into our payroll process.
 ____ the use ____ Biometrics into our payroll ____ still ____ certain ____ that done by ____?
 Is there ____ requirement that needs ____ be fulfilled in ____ to include fingerprints ____?
 ____ integrating the use ____ into ____ procedures ____ require ____ procedures or ____?
 Do any ____ to be installed into the ____ for ____ Biometric to ____?
 ____ to ____ specialized software or ____ specific ____ to use ____ payroll processing?
 ____ know what ____ to integrate the Biometrics into ____ payroll ____?
 Do you know if there ____ a ____ requirement ____ to ____ satisfied ____ order to ____ into ____ process?
 ____ specific requirements need ____ be ____ the payroll process ____ be ____ use the ____?
 Does ____ use ____ payroll procedures still ____ requirements, or is ____ another ____?
 Can ____ tell us ____ the ____ we need ____ integrate ____ into ____ payroll ____?
 ____ a specific software that ____ to ____ for integration ____ biometrics ____ our ____ process?
 ____ there a particular ____ be met ____ order ____ to incorporate fingerprints into our payroll ____?
 ____ there need ____ be ____ software ____ for integrating ____ with ____ procedure.
 ____ there any software ____ to use ____ incorporate ____ into ____ payroll process.
 ____ into payroll procedures ____ specific requirements ____ exclusive software ____?
 ____ a software or requirement that ____ to incorporate ____ into our payroll process.
 Does incorporating Biometrics ____ payroll procedures ____ need ____ or is ____ another ____ do ____?
 ____ any software ____ that needs ____ be ____ in the ____ system to ____?
 ____ certain software ____ required ____ integrating biometrics ____ the ____ or ____ any specific ____?
 ____ there be requirements ____ needed ____ our current payroll ____ to ____?
 ____ programs ____ to be ____ our current ____ system to integrate fingerprints?
 ____ the use ____ to be ____ our payroll procedures?
 ____ payroll ____ have some ____ requirements added to ____ order to use biometrics?
 Is there a ____ demands or ____ bio into ____?
 Is there any software ____ in order ____ existing payroll process ____ incorporate biometrics?
 ____ the ____ of Biometrics into our payroll procedures ____ any ____?
 Is ____ a requirement ____ should ____ in ____ incorporate a ____ our existing ____?
 Is there ____ needs to ____ used ____ integrating ____ with our ____?
 ____ fingerprints into payroll procedures required ____ specific requirement ____?
 Is it ____ to ____ software ____ the ____ to use ____?
 ____ integrating fingerprints into ____ particular ____ or exclusive software ____?
 Is it necessary ____ use ____ or ____ certain criteria ____ use ____ in ____?
 Does ____ of ____ our payroll ____ have some requirements?

_____ existing _____ process need to _____ certain _____ requirements added _____ it _____ bio-metrics?
_____ there a particular software _____ requirement _____ be _____ in order _____ include fingerprints _____?
Is integrating the _____ into our _____ still _____?
Do we need _____ meet _____ specific _____ use _____ software _____ fingerprints in _____?
Can _____ tell me if _____ requirements _____ blandin' dem _____ payroll?
Do we _____ specific _____ requirements _____ fingerprints to our _____?
_____ integration of Biometrics into _____ procedures _____ requirements, or is there _____?
_____ certain _____ be required for _____ into _____ do we _____ no _____?
Is _____ any software _____ be _____ integrate fingerprints with _____ payroll?
What _____ the software _____ need _____ incorporate biometrics _____ payroll _____?
_____ any specific _____ need _____ installed _____ payroll _____ in order _____ the Biometric to be _____?
_____ there be _____ requirements _____ for _____ fingerprints _____ our payroll system?
