

[Demo] NLP Dataset for Customer Service Automation

Company Type	Electricity Suppliers
Inquiry Category	Meter reading disputes or queries
Inquiry Sub-Category	Faulty meter complaints
Description	Customers report suspicions of faulty meters that inaccurately record their energy consumption. They may request a meter inspection, replacement, or seek explanations about unusually high or inconsistent bills.
Data Size	5,001 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Electricity Supplier" customer inquiry. (Purchased data will not be masked.)

_____ analog _____ with _____ effectively _____ future complaints _____ erroneous records?
Is it feasible _____ we can _____ incorrect records _____ devices?
Is the _____ to _____ for inaccurate recordings _____ the long _____?
Will the transition _____ digital _____ resolve _____ regarding _____ that are _____?
Does _____ technology help _____ records?
_____ to _____ future _____ about incorrect records _____ using digital _____?
Can _____ digital _____ us from _____ complaints _____ faulty data collection?
_____ with digital ones could _____ about _____ records.
Will _____ devices _____ wrong records?
Replacing analogue _____ with digital _____ will _____ future complaints _____.
_____ a _____ in _____ reports if _____ switch to _____ equipment?
_____ devices _____ the chances _____ mistaken _____ the long term?
_____ save _____ from _____ bellyaching about _____ records _____ you _____ out the old school _____ for _____ gadgets.
_____ be _____ with _____ avoid _____ reports.
_____ devices _____ chance _____ mistaken recordings?
It will save us _____ more bellyaching _____ if you _____ out _____ digital gizmos.
Will _____ more _____ with the swap for _____?
_____ the upgrade _____ we don't receive _____ more complaints about _____ data _____?
_____ the _____ guarantee no more _____?
_____ analog _____ with Digital ones can prevent future _____.
_____ analogue devices _____ digital _____ prevent the future _____ of _____ up _____?
_____ replacing _____ devices _____ be helpful _____ the tide of _____ record?
_____ an upgrade to _____ make _____ we don't _____ about _____ data collection?
_____ we expect fewer _____ if we _____ to digital _____?
_____ the _____ gadgets prevent _____?
_____ the _____ of _____ for _____ ensure _____ more mistakes?
_____ replacing _____ analogue devices with digital _____ to make _____ complain _____ incorrect _____?
Is it possible for digital _____?

_____ analog devices with _____ ones _____ prevent _____ complaints _____ the _____ ?

Will using _____ technology _____ of _____ ?

_____ it possible _____ related to incorrect records _____ digital _____ ?

Is it _____ to use digital _____ problems _____ incorrect records _____ ?

Will _____ of digital devices prevent _____ messed _____ records?

_____ it _____ to switch _____ analogue to _____ prevent _____ errors?

Can _____ digital _____ prevent _____ ?

Will digital _____ records?

_____ the use _____ digital _____ help _____ about _____ records?

Replacing _____ Digital ones _____ eliminate future complaints _____ incorrect _____.

_____ devices _____ digital _____ will make _____ stop complaining _____ the _____ records?

_____ it possible _____ prevent _____ by shifting _____ digital devices?

_____ the _____ digital ones can make people stop _____ about _____.

_____ possible that using digital _____ will eliminate _____ ?

Can _____ expect less _____ reports if _____ switch _____ analog _____ digital?

_____ use of digital devices reduce _____ about _____ ?

_____ of _____ digital _____ going to make _____ stop _____ about the wrong records?

_____ expect less _____ when _____ analog to digital equipment?

_____ analogue devices _____ digital ones will _____ future _____ records?

_____ digital ones _____ people less likely _____ have problems with mistaken _____.

_____ the transition from analog to _____ an effective _____ recordings?

_____ digital contraptions _____ screaming about _____ recording?

_____ contraptions _____ from talking about the _____ recording?

Can _____ to digital _____ that records are _____ ?

Replacing _____ devices _____ digital _____ might _____ people _____ incorrect records.

_____ digital device to stop wrong records?

Is _____ reduce problems associated with incorrect _____ with _____ use of _____ ?

_____ the _____ devices _____ digital _____ will _____ complaining about _____ wrong records.

Replacing _____ devices _____ digital ones could _____ people less _____ to _____.

_____ digital _____ may be effective _____ preventing future complains about _____.

Analogue _____ be replaced with Digital _____ about incorrect _____.

_____ upgrade to _____ devices ensure accurate records _____ eliminate _____ ?

_____ changeover to _____ bring _____ records?

Replacing _____ with _____ ones _____ preventing future complains about _____ records.

_____ digital _____ talking about wrong recordings?

When it _____ inaccurate _____ will the _____ digital be effective?

_____ switch _____ to digital make _____ more mistakes?

_____ contraptions stop people _____ about recording _____ ?

Is _____ practical to _____ devices _____ reduce _____ with incorrect _____ ?

Replacing the _____ devices _____ ones would _____ complaining _____ the wrong _____.

Is _____ possible _____ records and eliminate future complaints with _____ to _____ ?

_____ it possible _____ significantly reduce _____ problems related _____ implementing digital _____ ?

_____ digital devices _____ future errors?

The _____ from _____ to _____ equipment will _____ issues regarding _____.

Replacing _____ devices with Digital _____ may _____ complaints _____.

The _____ devices will _____ more _____ wrong records.

_____ possible _____ devices to stop bad records?

_____ it possible for us to _____ problems related _____ records with _____ ?

_____ of analogue devices with _____ preventing future complains _____ incorrect records?

Replacing analog _____ with _____ ones _____ prevent _____ complaints _____ records.

_____ analogue devices _____ ones good for _____ complains about incorrect ____?
 _____ digital Devices _____ to _____ records?
 _____ we switch from analog _____ can _____ less incorrect ____?
 Will _____ devices with digital ones _____ to _____ the _____ records?
 _____ analogue devices _____ digital ones _____ used to _____ about incorrect ____.
 _____ devices can _____ to prevent _____ complaints _____ records.
 _____ installing _____ digital _____ reduce _____ chance of a _____?
 Will the transition from _____ issues _____ recordings?
 Is it possible that _____ not _____ complaints about _____ data _____ if we _____ instruments?
 _____ digital _____ to _____ bad records _____?
 Do _____ ensure complaint-less _____ accuracy?
 _____ it possible _____ stop _____ records _____ using digital _____?
 Is _____ digital _____ capable _____ eliminating incorrect _____?
 _____ digital ones might make people stop complaining _____ records.
 _____ will save _____ from more _____ about messed-up _____ replace _____ with digital devices.
 _____ of digital devices _____ record _____?
 _____ it _____ to replace analogue _____ ones in order _____ prevent future _____ about _____?
 _____ will _____ us from _____ bellyaching _____ up _____ you _____ old school devices with digital _____.
 _____ it possible _____ prevent future _____ about incorrect records _____ analogue devices _____?
 _____ devices _____ digital _____ will _____ future _____ about messedup records?
 Will _____ of digital technology _____ eliminate _____?
 _____ replacing analog _____ with _____ ones _____ future _____ about incorrect ____?
 Is an upgrade _____ to ensure accurate _____ eliminate any _____?
 _____ digitizing _____ of _____ records problems?
 _____ digital gizmos _____ inaccurate _____?
 Can digital _____ inaccurate _____?
 Will _____ use _____ digital _____ more problems with _____?
 _____ possible to use digital _____ stop faulty _____.
 _____ ones will probably make _____ likely _____ complain about incorrect records.
 _____ possible to _____ problems _____ incorrect records _____ the _____ of _____ devices?
 Can digital _____ the _____?
 _____ possible to _____ the faulty _____ with _____ devices?
 Will _____ fewer _____ reports if _____ from _____ to digital _____?
 _____ it _____ to greatly reduce the _____ with _____ records _____ digital devices?
 Can _____ prevent _____ records?
 Replacing _____ analogue devices with _____ make _____ stop _____ the _____ records.
 Will _____ with digital _____ be _____ in stemming the _____ records?
 With an upgrade _____ devices, can _____ ensured?
 _____ gadgets protect _____ inaccurate _____?
 _____ analogue devices with _____ ones _____ likely to complain about _____.
 _____ analog to _____ avoid wrong _____?
 Is it possible to upgrade _____ digital instruments _____ don't _____ any _____ faulty _____?
 _____ changing to _____ the chances of _____ recordings?
 Do _____ switch from analog to digital _____ future _____?
 Replacing _____ devices with _____ ones _____ future _____ about _____ records
 Is replacing _____ analogue devices _____ effective _____ future _____ of _____ records?
 _____ the _____ from _____ to digital equipment _____ inaccurate recordings _____ the _____?
 Is replacing _____ analogue _____ digital ones _____ make people _____ the incorrect records?
 Will _____ for _____ no more _____?
 _____ replacing analogue devices with _____ will _____ about _____ wrong records?

Will the transition from _____ digital _____ resolve recordings _____?

_____ digital gadgets _____ inaccurate _____?

_____ to use digital _____ problems with incorrect records?

_____ the swap _____ analog _____ digital _____ errors?

_____ it _____ upgrade to digital instruments so that _____ won't get _____ faulty data _____?

Can _____ switch _____ to digital devices stop _____?

_____ digital _____ eliminate complaints _____ records?

Will _____ from _____ digital equipment resolve issues _____ are inaccurate?

_____ the _____ devices _____ digital ones _____ make people stop complaining _____ the _____.

_____ we _____ receive complaints about _____ if we _____ to _____ instruments?

Digital _____ stop future _____ incorrect _____.

_____ digital avoid _____ reports?

Will changing _____ make _____ more _____?

There _____ question _____ whether _____ upgrading items _____ complaint-less recording _____.

_____ it _____ vastly reduce problems _____ to _____ by implementing digital _____?

Switching to _____ prevent disputed _____.

Is _____ to prevent _____ errors in record-keeping by _____ to _____?

_____ traditional devices _____ could help _____ stemming incorrect _____.

Can an _____ digital instruments make _____ complaints about faulty _____ collection?

_____ analog _____ with Digital _____ might prevent _____ incorrect records.

_____ digital _____ from using _____ recording?

Is _____ able to _____ malfunctioning _____?

_____ to electronic _____ able to prevent disputed _____.

_____ of analog _____ digital avoid wrong _____?

_____ analog be swapped _____ wrong reports.

_____ it possible that we can _____ incorrect records _____ devices?

Is _____ use _____ digital _____ to eliminate _____ about _____ records _____?

_____ devices _____ digital _____ will _____ future complaints _____ to _____ records.

_____ analogue _____ with digital ones _____ effective _____ preventing future complains _____.

Installation of digital _____ might _____ of mistaken _____.

Replacing _____ devices with _____ to _____ people _____ complaining _____ the wrong records.

Digital _____ help prevent more _____ wrong _____.

_____ a _____ reduce _____ chance of mistaken recordings?

_____ will _____ from more bellyaching _____ messed-up records if _____ out _____ old school _____ the _____ ones.

_____ it possible to _____ likely _____ complain about _____ records _____ replacing _____ devices _____ digital ones?

Replacing the _____ with _____ prevent _____ complains about incorrect _____.

_____ stop receiving faulty data _____ upgrade to digital _____?

_____ it _____ you _____ out _____ old school devices _____ digital gizmos _____ from messing up records?

_____ using _____ fix _____ inaccuracies?

_____ it possible that _____ won't receive _____ data _____ we upgrade to digital instruments?

Will _____ of digital _____ prevent _____ wrong records?

Replacing _____ with digital ones _____ complaints about messed _____ records.

_____ using _____ technology _____ eliminate _____ related _____ inaccurate records?

_____ change from analog _____ ensure no more _____?

Will Analog _____ swapped _____ to _____ reports.

Replacing _____ with digital _____ be _____ in _____ future _____ about records that _____.

Can _____ receiving _____ more complaints _____ faulty data _____ we upgrade to _____?

_____ it possible to eliminate complaints _____ using _____ technology?

_____ analogue devices _____ digital _____ prevent future complaints _____ records.

_____ the _____ be able to resolve issues regarding _____?

Is replacing the analogue _____ with _____ less likely _____ complain about _____ records?
 _____ devices _____ prevent more _____ records _____.

Are digital _____ to _____ wrong _____?

Is _____ analogue devices with _____ ones going _____ complaining _____ wrong _____?
 _____ possible _____ prevent _____ with _____ to digital devices?

In _____ to _____ us _____ more bellyaching about messed-up _____ out _____ old school _____ for _____ gizmos

In _____ long run, _____ installing digital devices _____ of _____?
 _____ digital devices _____ incorrect _____?

Replacing analogue devices _____ will stop _____ complaints _____ records.

Will _____ devices _____ helpful _____ records?
 _____ a digital _____ capable _____ wrong _____?

Will _____ people _____ bad _____ about faulty recording?
 _____ digital _____ the _____ to stop faulty _____?

Does the _____ guarantee complaint-less _____?

Is it _____ recordings claims with using _____?

Is _____ to _____ future complains _____ that are incorrect if _____ devices are replaced _____?
 _____ analogue _____ with digital _____ will _____ future problems _____ messed _____?

Replacing _____ devices with _____ could stop _____ complaints _____ records.

Is using digital technology _____ about _____ records _____?
 _____ installing digital _____ reduce _____ chance of mistaken _____ down _____?

Is replacing analogue devices with digital _____ likely _____ complain _____ records?
 _____ it possible to _____ mistakes with a switch _____?
 _____ it possible _____ with _____ by implementing digital devices?

Is digital gadgets enough _____?

Will the use _____ digital technology _____ records?
 _____ devices with digital ones is _____ make people _____ likely to _____.

Replacing _____ Digital ones _____ possibly _____ future _____ about _____ records.

Is _____ digital contraptions _____ bawling about bad _____?

Do items _____ upgraded _____ complaint-less recording _____?
 _____ the use of _____ reduce the _____ wrong _____?

Replacing analogue devices with _____ ones _____ future complaints _____.
 _____ digital devices _____ incorrect _____?

Replacing _____ digital ones will _____ future _____ messed up _____?

Is it possible _____ related to incorrect _____ using _____?

Will _____ digital _____ reduce the _____ mistaken _____ long run?
 _____ devices _____ about wrong records?

It _____ save us _____ more _____ about messed-up records _____ you _____ school devices _____ gizmos.
 _____ fix record errors?

You're going to _____ the _____ devices for _____ ones _____ from messing up records?
 _____ possible that _____ can _____ issues with incorrect reports _____ we _____ digital _____?
 _____ it _____ reports if we switch _____ digital equipment?
 _____ of _____ devices with digital _____ going to _____ stop complaining _____ the _____ records?

Will _____ use of digital _____ inaccurate records _____?
 _____ it possible _____ reduce _____ inaccurate _____ using digital devices?
 _____ installing _____ digital _____ reduces the _____ of mistaken _____?
 _____ the _____ analog to digital _____ reports?

A _____ prevent disputed records.

Can _____ expect _____ reports _____ we _____ to _____ equipment?
 _____ the transition to _____ resolve issues _____ recordings _____ are _____?
 _____ switching _____ analogue to digital _____ future _____?

Will the _____ from _____ digital help resolve _____ recordings in _____?

Can digital contraptions stop _____ telling _____?

_____ questions about _____ digital devices to stop _____.

_____ an upgrade to _____ accurate _____ the future?

Will _____ digital _____ reduce your _____ mistaken _____?

Do _____ upgraded _____ analogue to digital _____ complaint-less _____?

_____ the _____ from _____ to digital solve _____ inaccurate _____?

_____ analogue devices _____ ones will _____ complaints on _____ up _____.

_____ switch from _____ digital _____ prevent future mistakes?

_____ digitizing _____ incorrect records?

_____ upgrade _____ recording accuracy?

_____ use of _____ technology help eliminate _____ inaccurate _____?

Can the _____ tools eliminate incorrect _____?

Will _____ digital equipment _____ the _____ recordings?

_____ digital _____ actually _____ the chance _____ recordings?

_____ digital reduce the chances _____ recordings in _____ long _____?

_____ device _____ bad records?

Will _____ mistakes after swapping for _____?

Is _____ to _____ future errors from _____ to _____?

Is it _____ that _____ devices _____ reduce _____ chance of _____?

_____ replacing the analogue _____ digital ones will make _____ complaining about _____?

_____ to reduce _____ related to _____ records _____ using _____ devices?

Is the replacement _____ devices with digital _____ make _____ less likely _____ complain _____ incorrect _____?

_____ would save us _____ more _____ about _____ you _____ those _____ school devices with _____ gizmos.

_____ we expect to _____ issues _____ incorrect _____ we switch to _____?

Can _____ devices _____ records?

_____ it _____ to _____ by transitioning to digital _____?

Is _____ using digital will help eliminate complaints _____?

Can _____ devices cure _____?

Should _____ analogue _____ with digital _____ in _____ future complains about _____ records?

Replacing analog _____ Digital ones could stop _____ incorrect _____.

_____ the _____ from _____ to digital _____ resolve _____ inaccurate recordings?

_____ for digital _____ wrong reports

_____ use _____ digital technology may help _____ complaints _____.

Changing _____ tools could possibly _____.

Is replacing _____ analogue _____ digital ones _____ make people _____ complaining about _____?

Will the _____ analog _____ equipment _____ issues _____ inaccurate recordings?

It _____ us _____ records if _____ swap out those old school _____ for digital _____.

_____ upgrade _____ eliminate future complaints and _____ accurate records?

Analogue _____ may _____ Digital ones to stop _____.

Is _____ digital contraptions will stop _____ about faulty _____?

_____ contraptions _____ from crying about _____ recording?

Can _____ contraptions prevent _____ bad _____?

Is _____ possible for us to _____ to incorrect records _____ using _____?

Will _____ digital ensure there _____ no _____ mistakes?

Is it _____ to reduce _____ related _____ wrong records _____?

Replacing the _____ digital _____ would prevent _____ complains _____ incorrect _____?

Will _____ reduces the _____ of mistaken recordings _____ long _____?

_____ going _____ out those _____ school devices _____ digital gizmos to save _____ from _____?

Is replacing _____ ones going to make anyone _____ about _____ records?

_____ replacing _____ devices _____ digital ones going _____ make people _____ complaining about _____ ?
 Will the transition _____ to digital _____ resolve _____ recordings?
 _____ possible to _____ faulty records?
 _____ digital _____ with faulty _____ ?
 _____ installing digital _____ help _____ chance _____ mistaken recordings?
 Will _____ devices with _____ ones will _____ records?
 Will _____ from analog _____ make no more _____ ?
 Replacing _____ with _____ ones is believed to _____ likely _____ about incorrect _____.
 _____ it _____ to switch _____ to digital _____ prevent _____ errors?
 Can digital contraptions _____ faulty recording?
 Will _____ analog _____ make no _____ ?
 _____ there _____ with the switch to digital?
 _____ replacing analogue _____ with _____ ones going _____ people _____ complaining _____ the wrong _____ ?
 _____ digital devices _____ the _____ of wrong _____ ?
 _____ devices _____ ones _____ helpful in _____ tide of incorrect records?
 _____ use _____ digital _____ fix record _____ ?
 Will _____ digital _____ about inaccurate _____ ?
 Can you _____ claims with _____ ?
 _____ with _____ ones would prevent future _____ about _____ records?
 _____ replacing the _____ digital ones _____ people less _____ have problems with _____ ?
 _____ devices _____ the digital _____ make _____ less likely _____ have _____ with mistaken.
 _____ use of _____ devices could _____ more complaints about _____.
 _____ future complaints about incorrect records?
 _____ analog _____ digital ones will _____ future _____ about _____ records
 Replacing _____ ones might prevent _____ about wrong records.
 _____ to digital instruments _____ more _____ about faulty data _____ ?
 Is replacing _____ devices with _____ ones _____ to stop people _____ complaining _____ records?
 _____ are _____ regarding _____ caused _____ transition _____ analog to digital equipment.
 Can we make sure that we _____ any more _____ data collection _____ upgrade _____ ?
 _____ prevent bad records?
 Replacing _____ with _____ will likely prevent future _____ incorrect _____.
 _____ digital devices able to _____ ?
 _____ to _____ equipment be effective in resolving recordings that _____ ?
 Will the _____ to _____ mistakes?
 _____ for Digital to avoid incorrect _____ ?
 Will _____ of _____ help _____ complaints about inaccurate _____ ?
 Is _____ to digitally _____ guarantee complaint-less _____ accuracy?
 Is using _____ technology going to _____ ?
 Is it possible _____ problems _____ erroneous records _____ digital _____ ?
 _____ devices with Digital ones could stop _____ records.
 _____ it _____ that digital gadgets _____ inaccurate _____.
 Will _____ from _____ to digital equipment resolve issues _____ ?
 Is it possible that _____ ones _____ prevent future _____ messed _____ records?
 _____ it possible to _____ less _____ from analog to digital _____ ?
 Do _____ think using digital technology will help _____ ?
 Will _____ digital _____ about _____ records?
 Can we _____ reports _____ we _____ from _____ to _____ equipment?
 _____ analog for digital to _____ incorrect _____ ?
 Replacing _____ digital ones will _____ future _____ incorrect records.
 Will replacing traditional _____ ones _____ stemming _____ tide _____ incorrect records

Is _____ digital contraptions _____ stop _____ about _____ recording?
 _____ devices _____ chances _____ mistaken recordings?
 _____ may _____ able _____ prevent _____ complaints about wrong _____.
 Should we switch _____ analogue _____ digital devices _____ _____?
 _____ analogue _____ will possibly make people _____ likely to complain _____ incorrect _____.
 _____ digital _____ get rid _____ claims?
 Will _____ analogue _____ with digital ones _____ future _____ up _____?
 _____ installing digital devices reduce _____ of _____ the long _____?
 Would changing _____ disputed records?
 _____ analogue devices _____ ones _____ prevent future complaints _____ records.
 Is _____ possible to prevent _____ that _____ incorrect with _____ devices?
 Replacing _____ with _____ make _____ less _____ complain about incorrect records.
 _____ we _____ incorrect reports _____ we switch from _____ to digital?
 _____ analogue devices with digital _____ will _____ records.
 Can a _____ guarantee _____ accuracy?
 _____ digital _____ chance of mistaken recordings _____ the long _____?
 Will _____ analogue _____ with digital _____ records in _____ future?
 _____ changing to digital _____ prevent future _____ records?
 Can _____ gadgets stop _____ from _____ bad _____ recording?
 _____ analog for _____ make sure no _____?
 _____ analogue devices _____ digital _____ complaints of incorrect records?
 _____ we _____ to _____ can we expect _____ incorrect _____?
 _____ digital devices could prevent more _____ about _____.
 Is _____ to _____ with _____ reports if we switch _____ equipment?
 _____ installing digital _____ to reduce the _____ recordings?
 Replacing _____ devices _____ digital _____ less _____ to have problems _____ mistaken.
 Can we _____ fewer _____ if _____ switch from _____ equipment?
 Will _____ for digital _____ avoid _____ wrong reports?
 _____ contraptions will stop _____ cries about bad recording?
 Is _____ possible to _____ incorrect records with the use of _____?
 Can _____ contraptions prevent _____?
 _____ to digital instruments _____ more complaints _____ faulty _____?
 _____ the _____ items guarantee complaint-less recording _____?
 Replacing the analogue devices _____ digital ones will _____ less _____ records.
 _____ digital _____ help _____ wrong _____?
 Will an _____ to _____ guarantee accurate _____ eliminate future _____?
 _____ digital _____ prevent future _____ about _____ records?
 Replacing _____ digital _____ will _____ make people less _____ complain _____ incorrect records
 Will the _____ about _____ up _____ by _____ devices with digital _____?
 Will analog _____ replaced _____ digital to _____?
 _____ analogue _____ digital _____ will _____ future _____ from messed _____ records?
 Is _____ the transition _____ analog _____ digital equipment _____ resolve issues regarding _____?
 _____ upgrade to digital devices _____ accurate records and _____ complaints?
 _____ stop the wrong _____ from _____?
 _____ it possible _____ to reduce the problems associated _____ by using _____?
 Replacing analogue devices _____ digital _____ will prevent _____ messed _____?
 _____ it possible that _____ can stop _____ crying _____ recording?
 _____ use of _____ reduce the amount _____ about _____ records?
 Is replacing _____ analogue devices _____ ones _____ for _____ incorrect records?
 Will the switch _____ make _____ no _____ mistakes?

_____ devices _____ wrong records?
 _____ fewer _____ reports if we switch from _____ equipment?
 Will _____ contraptions _____ stop _____ about faulty recording?
 _____ using _____ digital _____ possible to _____ records?
 Is _____ for us to reduce _____ incorrect _____ by using _____?
 _____ it _____ to _____ faulty _____ with _____ digital device?
 _____ devices with _____ will _____ future _____ about incorrect records.
 Will _____ reduce _____ chances _____ mistaken recordings.
 _____ replacing analog _____ digital _____ no _____?
 Does replacing _____ prevent future complains about incorrect _____?
 _____ analog devices with _____ ones _____ stop complaints _____.
 Replacing analogue devices with digital _____ are _____ make _____ less _____ about _____.
 _____ digital recordings _____ records?
 It _____ us from bellyaching about messed-up _____ if you _____ old _____ for _____.
 _____ changing _____ digital device reduce _____ chances _____ mistaken _____?
 Is _____ reduce _____ incorrect records with _____ use of digital devices?
 Can a _____ analog _____ digital really _____ future _____?
 _____ bring error-free _____?
 _____ it possible that _____ stop _____ about bad recordings?
 Can digital _____ records?
 _____ we _____ fewer _____ with _____ reports if _____ switch to _____?
 Will _____ from analog _____ ensure _____ more _____?
 Is it possible _____ have _____?
 Is _____ possible to reduce problems _____ records _____ use _____ devices?
 Replacing _____ devices _____ Digital _____ might _____ stop complaints _____ incorrect _____.
 Is it _____ get more complaints _____ data _____ we _____ to digital instruments?
 Can _____ prevent future bawling _____?
 _____ record mistakes _____ with _____?
 Will the _____ from analog to digital _____ record-keeping?
 _____ possible to significantly _____ by using digital devices?
 Will the use of _____ incorrect records?
 _____ analogue _____ with digital _____ prevent _____ complains _____ incorrect records.
 Is digitizing systems _____ of _____?
 Replacing analogue _____ with digital ones can _____ future _____.
 Is replacing the _____ with digital _____ to make people _____ mistaken?
 _____ prevent inaccurate records?
 _____ possible to prevent _____ errors _____ you _____ a _____ device?
 Is _____ the _____ with _____ going to _____ stop complaining about the wrong _____?
 _____ the substitution of _____ for digital _____?
 _____ see _____ incorrect _____ if we _____ to _____ equipment?
 Will analog be _____ digital _____ prevent _____?
 _____ the analogue _____ digital ones will _____ make _____ likely to _____ about _____.
 Replacing analogue _____ with digital ones might not _____ complaining _____.
 _____ analog _____ with _____ would _____ complaints _____ incorrect records.
 Will _____ digital technology _____ eliminate _____ inaccurate _____.
 _____ using _____ prevent future _____ record-keeping?
 _____ with digital _____ will _____ more _____ up records.
 _____ analog _____ swapped _____ digital in order _____ wrong _____?
 _____ an _____ digital devices ensure _____?
 So, you're _____ replace _____ school _____ with digital _____ save us from _____?

Will using digital _____ reduce _____?

_____ analog _____ with _____ will stop _____ complaints about _____ records.

Should _____ digital devices ensure _____?

Is using _____ will help eliminate _____ inaccurate _____?

_____ devices _____ digital ones will prevent future complaints _____?

_____ the swap for _____ no _____?

_____ using _____ eliminate complaints regarding incorrect _____?

Is _____ dramatically _____ incorrect records _____ the use _____ digital devices?

_____ analog with digital will _____.

Will _____ transition from _____ equipment _____ problems _____ recordings?

_____ use of digital _____ incorrect records?

_____ upgrading items guarantee complaint-free _____?

Can _____ inaccurate records in _____?

Is _____ that digital _____ can _____ from _____ faulty recording?

Replacing analog devices _____ stop future complaints _____ records.

_____ conversion _____ avoid wrong _____?

Will _____ change _____ digital _____ incorrect _____?

Replacing _____ devices _____ digital _____ prevent _____ complaints about messed _____.

_____ you _____ to save _____ more bellyaching _____ messed-up _____ out those old school devices _____.

Can the installation of _____ the _____ of _____?

Can _____ tools _____ future gripes about _____?

Will _____ digital devices will reduce _____ chances _____ recordings _____ run?

_____ digital tools _____ about wrong _____?

_____ expect to see _____ reports _____ from _____ to digital equipment?

Will _____ technology _____ eliminate _____ records _____?

_____ will _____ us from _____ about _____ up _____ if you _____ out _____ old school devices _____ gizmos?

Will _____ digital _____ reduce _____ mistaken recordings?

_____ the _____ of _____ devices _____ prevent more complaints _____ wrong _____?

_____ a reduction in _____ if we switch _____ to _____ equipment?

_____ to digital instruments _____ us _____ getting more _____ faulty _____?

Is it _____ contraptions can _____ about faulty _____?

_____ gadgets _____ prevent inaccurate _____?

_____ will swap _____ those _____ school _____ digital _____ us _____ messed up records?

Will analog _____ for digital to _____ are no _____?

_____ to _____ make no _____ mistakes?

Is _____ analog to digital equipment _____ issues _____ inaccurate recordings?

_____ analogue _____ digital ones, _____ make people stop _____ about _____ wrong _____?

Will digital _____ be able _____?

_____ it _____ change _____ electronic tools to _____ records?

_____ the switch from analogue _____ stop _____ errors?

Replacing analogue devices _____ will prevent complaints _____ incorrect _____ in _____.

_____ analog devices with _____ ones _____ about inaccurate records.

_____ devices stop _____ from happening?

Is _____ digital technology going to _____?

Is it possible _____ to _____ avoid wrong _____?

_____ be used _____ stop _____ records?

Is _____ worth _____ devices _____ to prevent _____ about incorrect records?

_____ analogue devices with digital _____ will _____ stop _____ about _____ wrong _____?

_____ changing _____ analog to digital devices _____?

_____ digital bring _____?

Is it possible _____ recordings claims by _____?

_____ analogue _____ Digital ones _____ stop _____ about incorrect records.

_____ devices _____ ones prevent future complaints about wrong _____?

_____ you swap analog _____ to _____ wrong reports?

Is _____ devices _____ digital ones _____ to _____ future complains _____ incorrect _____?

Will installing digital products _____ of _____?

_____ the _____ of _____ devices help _____ the _____ of _____ records?

Is _____ that we won't _____ any _____ collection if we upgrade to digital _____.

Saving us from _____ bellyaching about _____ records _____ you swap _____ old _____ devices _____ gizmos.

Can digital _____ stop _____ having _____?

_____ replacing the analogue _____ the _____ ones _____ in preventing future _____ records?

_____ devices _____ digital ones could prevent future _____ wrong _____.

Do _____ stop bad _____?

To save _____ from more _____ about messed-up records, _____ going _____ school devices _____ gizmos

Replacing _____ with _____ ones _____ stop _____ complaints _____ messed up _____.

_____ analogue devices with digital _____ make people _____ to _____ problems with _____.

_____ likely to eliminate _____ about inaccurate records?

Can _____ upgrade _____ digital devices _____?

_____ analogue devices _____ digital ones will prevent _____ future _____ records.

Is Replacing _____ going to _____ people _____ to have _____ with mistaken?

Is _____ possible to significantly _____ number _____ with _____ by using _____ devices?

Replacing _____ with digital _____ stop _____ complaints _____ incorrect records.

_____ the _____ of digital _____ about wrong records?

_____ devices _____ digital _____ prevent _____ complaints about inaccurate records.

Is _____ digital devices able to _____ records?

Replacing _____ ones will _____ it harder _____ complain about incorrect _____.

Are you _____ swap _____ school _____ for _____ to save _____ from _____ up records?

_____ the upgrade _____ a _____ device _____ records?

_____ a switch to _____ disputed _____?

Replacing analog _____ bring _____?

_____ analog devices _____ ones _____ stop future complaints _____ incorrect _____.

Is _____ possible that digital _____ can stop _____ recordings?

Is _____ possible to _____ to _____ digital device and _____?

Can _____ to prevent faulty _____?

Will _____ reduce _____ records?

_____ digital _____ inaccurate records?

Can an _____ to _____ devices ensure _____ and _____?

_____ devices with _____ might cause fewer _____ about _____ records.

_____ digitizing systems _____ problems?

_____ devices with the digital _____ will make _____ stop complaining _____ wrong _____.

_____ devices reduce the chance _____ mistaken recordings _____ term?

Replacing _____ devices with _____ future _____ about incorrect records _____ away.

Replacing _____ devices _____ digital _____ likely make people _____ likely to _____ incorrect _____.

Will _____ digital _____ diminish _____ mistaken recordings?

Will the installation of digital _____ reduce _____?

_____ the switch _____ digital devices _____ errors _____ record-keeping?

_____ the _____ devices _____ ones will _____ less likely _____ have _____ with _____ identification.

_____ prevent inaccurate records?

Replacing _____ devices _____ digital ones _____ future false _____.

_____ digital bring _____ free _____?

_____ it possible to _____ number _____ with _____ records by _____ devices?

Can an _____ digital _____ correct _____?

_____ of _____ digital guarantee no more errors?

Replacing analogue _____ digital ones will prevent _____.

_____ installing _____ reduce the incidence of _____?

Will _____ transition _____ analog _____ digital equipment _____ to _____ recordings?

Will _____ for _____ prevent _____ mistakes?

Is _____ to bring error-free records _____ replace _____ digital?

Is replacing analogue devices _____ digital _____ make _____ less _____ complain _____ incorrect _____.

_____ the use of digital _____ prevent _____ complaining _____ records?

Can _____ stop wrong _____?

Is _____ technology _____ to eliminate complaints _____ records?

Replacing analogue _____ will _____ the future _____ messed up records.

_____ using digital _____ help _____ complaints about _____?

_____ the _____ analog to digital _____ effectively resolve _____ of _____?

Will Analog _____ avoid incorrect reports.

Should _____ upgrade _____ digital _____ ensure _____ and _____ complaints?

Is there _____ way _____ with digital devices?

_____ use of _____ technology help _____ records?

Can _____ digital devices reduce _____ of _____?

_____ the _____ devices with _____ going to _____ complaining about wrong records?

_____ switch _____ digital _____ no _____ mistakes?

_____ using digital devices _____ stop _____?

_____ integration of digital _____ recordings _____?

Will _____ of _____ technology eliminate complaints _____ inaccurate _____?

Replacing analogue _____ with _____ ones _____ make people _____ complain _____ records.

Replacing _____ devices _____ digital _____ prevent complains about _____ records.

_____ the _____ analog for digital ensure no _____?

_____ it _____ prevent inaccurate _____ now with _____ gadgets?

Can _____ fewer incorrect reports if _____ equipment?

_____ to _____ error-free records?

Will _____ reduce the _____ of mistaken recordings?

_____ sense _____ implement _____ in order to reduce problems _____ incorrect records?

_____ giving up _____ digital avoid _____?

Replacing _____ devices with _____ ones _____ make people _____ to _____ incorrect _____.

Is it _____ wrong records with _____ digital _____?

_____ to digital ensure no mistakes?

Digital _____ might _____ complaints _____ records.

Will _____ reduce the chances of mistaken _____?

Can _____ with _____ reports _____ we _____ to digital equipment?

Will _____ change from _____ to _____ resolve _____ recordings?

_____ it _____ to _____ faulty _____ digital technology?

Is _____ that _____ reduce problems _____ to incorrect records _____ the _____ digital devices?

_____ it _____ that swap _____ avoid wrong reports?

_____ devices with _____ is supposed _____ make _____ less _____ complain about _____ records.

Replacing analogue devices _____ ones _____ make people _____ complain about _____.

_____ it _____ to greatly _____ problems related _____ incorrect _____ the _____ digital devices.

_____ analogue _____ digital ones will prevent _____ about incorrect _____.

Is _____ problems _____ incorrect records by using digital _____?

_____ the transition from _____ to digital _____ inaccurate _____?

_____ an upgrade to _____ devices _____ records _____ eliminate _____?
 _____ devices with _____ ones _____ likely prevent future complaints _____ messed _____.
 Is it _____ prevent _____ if _____ switch from _____ digital devices?
 Replacing analogue devices _____ ones _____ the complaints _____ the future.
 _____ eliminate _____ complaints about incorrect _____.
 _____ devices with _____ ones can _____ about incorrect _____.
 _____ use _____ digital devices _____ complaints about _____ records.
 Is _____ able to _____ wrong _____?
 _____ transition from analog _____ digital effective in resolving _____?
 _____ installation _____ digital equipment reduce the _____ of _____?
 _____ devices with _____ ones could _____ future _____ about _____ records.
 Will _____ digital _____ no more _____?
 Is _____ for _____ to drastically _____ problems related _____ records _____ digital devices?
 _____ it _____ digital devices could stop _____ records?
 Is _____ the analogue _____ ones going to _____ people _____ incorrect information?
 Will _____ stop _____ crying _____ recording?
 Will replacing analogue devices with _____ ones _____ about _____?
 _____ we _____ problems related _____ incorrect _____ using digital _____?
 There _____ about _____ digital _____ will end _____ mistakes.
 _____ might _____ Digital ones _____ stop incorrect records.
 _____ it possible to _____ reduce problems _____ to incorrect _____ the _____ of _____?
 _____ we stop getting complaints about _____ collection _____ digital instruments.
 _____ digital _____ eliminate _____ complaints regarding _____ records?
 Will _____ use of _____ devices prevent _____ wrong _____?
