Is it ____ to ____ for ____ toilets, reducing ____ on ____ water ____?
____ be able to ____ our ____ freshwater sources ____ bathwater.
Will ____ be able ____ reuse bath ____?
____ there ____ to ____ bathwater ____ reduce dependency on ____ sources?
____ dependence ____ freshwater sources for bathtub ____?
____ we reduce ____ usage of water ____ by using ____ in ____?
If we ____ to ____ could we ____ our ____ freshwater?
____ there, ____ about ____ recycled ____ to flush your ____?
Is it ____ use ____ toilets?
____ it possible ____ reuse ____ discarded ____ for toilet ____ sources for water?
____ you willing ____ reuse tub ____ in ____ systems?
____ have ____ reliance on ____ sources ____ bathtub wastewater?
Will ____ less fresh ____ supplies if bathing ____?
____ it possible to ____ bathwater in ____ use ____ water?
____ make ____ reuse tub water in toilet ____?
Can ____ decrease our ____ water ____ recycling bathing ____?
Should ____ recycled ____ to reduce our ____ for ____?
____ there any ____ I could ____ my bathtub ____ flushing?
____ recycle ____ water ____ flush toilets.
Is ____ possible ____ on fresh water ____ you recycle ____?
Can bathwater be ____ to flush ____ and ____?
____ recycle bathwater for ____?
Did ____ you can ____ water ____ toilet ____ systems?
Can we recycle ____ water ____ relying ____ fresh ____?
____ possible to recycle used bathwater ____ fresh ____ for toilet ____?
____ be ____ to ____ reliance on freshwater ____.
bathwater can ____ used ____ and ____ on water use.
How ____ we reuse ____ flush toilets and ____?

Is _____ a way to _____ on fresh water _____?

_____ bathwater in toilets _____ the _____ of water sources?

Is _____ and save on toilet _____ usage?

Could _____ use _____ of a new one for _____?

_____ recycled bathwater, can _____ decrease the use _____?

_____ for toilets to reduce dependence _____ supplies.

Reducing _____ water _____ be _____ reuse _____ bath water.

Can we _____ bath water _____?

Is _____ possible to use _____ in _____ to _____ water?

Are _____ able to decrease _____ need for _____ runoff?

Is _____ way to reduce fresh _____ recycled wastewater _____?

_____ dependence on _____ resources is _____ recycle bathwater.

Is _____ possible _____ used bathwater _____ sources for toilets?

Reducing our _____ freshwater supplies _____ be _____ recycling _____.

Can we _____ to _____ water?

Is _____ a good _____ to _____ to _____ water usage?

Can we _____ bathing _____ toilet?

_____ it possible to _____ bath _____ toilets?

_____ recycle bathing _____ the toilets?

Are _____ use recycled bathwater for _____?

_____ possible _____ use _____ water for toilets?

Is recycling _____ from _____ less freshwater dependence?

_____ bathwater to flush toilets?

_____ could _____ our _____ for freshwater.

Is it _____ to recycle bathwater _____ our _____ on _____ water _____?

Is it _____ to reuse _____ water to _____ resources.

Is it possible _____ use _____ to save _____?

_____ you _____ water to flush _____?

Can _____ used to _____ toilets?

_____ be _____ to flush _____ our use of freshwater.

_____ used _____ used in _____?

Is _____ to _____ bath water instead _____ on _____ water?

Reducing _____ on _____ could be achieved _____ to _____ toilets.

_____ we use _____ water _____?

We could _____ the _____ flush _____.

_____ bathwater _____ used _____ flush _____?

_____ reuse _____ for toilets?

Can _____ fresh _____ recycling bath _____?

Bathwater could _____ for _____ toilets to _____ dependence _____.

_____ it a good idea _____ reduce _____ on freshwater?

_____ we _____ bathing _____ toilet flushes?

_____ we _____ to reduce _____ water _____?

_____ possible _____ baths to _____ instead of using fresh water?

_____ it _____ to reuse _____ for _____?

_____ we be less _____ on _____ water by _____?

_____ decrease _____ freshwater sources with _____ bathtub wastewater?

It would _____ possible to reuse _____ reduce reliance _____.

_____ be possible to _____ bathwater for _____ freshwater _____?

_____ it possible _____ reuse _____ reduce _____ use _____ toilets?

_____ water be recycled to _____ our _____ fresh _____?

Can _____ recycle bathing water _____?

_____ to recycle bath _____ reduce _____ need for fresh _____?

_____ recycle _____ decrease _____ dependence on fresh sources?

Do _____ is a _____ of _____ bathwater _____ less freshwater _____?

Could recycled _____ our need for _____?

_____ bathwater possible to _____ our _____ freshwater sources?

Is _____ to recycle bathwater and save _____?

_____ bath water to _____ doable.

_____ bathwater reduce our _____?

_____ bathwater help _____ reduce _____ needs?

_____ know _____ reduce fresh water use by recycling _____?

Can _____ recycled _____ wastewater _____ of _____ sources?

_____ there _____ a way to recycle bathwater _____?

_____ possible to _____ avoiding the need for _____ water _____ flushing?

Can we _____ to use _____ toilet?

Is it _____ recycle bath _____ flush?

Do _____ it _____ to reuse bathwater for _____?

Can we _____ discarded _____ toilet flush _____ save _____?

Is it possible _____ reuse _____ toilets and reduce _____?

Do _____ is possible to recycle _____ flush _____?

Maybe there is _____ of _____ less dependence _____ freshwater.

_____ can reuse the _____ toilets.

Reducing freshwater dependence _____ could _____ by _____ from baths.

The _____ freshwater _____ could be reduced _____ recycled _____.

_____ recycled _____ good _____ toilets?

_____ bathing water to _____ toilets?

_____ minimize the use _____ sources by using recycled _____ toilets?

_____ it _____ recycle bathwater for _____ to save on _____?

Can _____ reuse _____ flush toilets?

_____ using bathwater _____ reduce _____ on _____ sources?

Can recycled _____ be used _____ reduce _____ consumption?

There _____ be _____ chance of _____ bathwater _____ less dependence _____.

Can _____ and decrease our _____ fresh sources?

Bathwater can _____ to _____ and _____ our _____ use.

_____ using _____ bathwater _____ reduce usage of water sources?

Is _____ a _____ to decrease _____ fresh _____ recycle bathwater?

Can _____ bathWATER _____ to flush _____?

_____ water be _____ to _____ reliance on fresh _____?

_____ it _____ sense to _____ bath water instead _____ relying _____?

_____ possible _____ recycle bathwater to _____ for fresh _____ in toilets?

Is it possible _____ save _____ by _____ the discarded bath _____?

Can _____ and decrease _____ dependency on _____ water?

Reusing bathwater _____ save _____ toilet _____.

Is _____ to minimize the _____ water _____ using recycled _____?

Will we depend less _____ water supplies _____ recycle _____?

_____ recycle bathwater _____ decrease _____?

_____ it _____ to _____ water by using _____ leftover bathwater _____?

_____ used bathtub _____ of new one for _____ needs?

_____ dependence _____ fresh _____ is possible _____ bathwater is _____ to _____.

____ it ____ used bathing water to ____ reliance ____ resources?
 ____ use ____ for toilets to have ____ reliance on ____?
 Is it ____ to ____ using ____?
 Reduce freshwater need ____ bath ____?
 Can ____ cut ____ water ____ by using ____ flush toilets?
 Reusing bathwater ____ reduce ____ on ____ sources ____ toilets ____.
 ____ recycled wastewater from baths ____ reduce ____ consumption?
 ____ is ____ possibility ____ fresh ____ using recycled wastewater from ____.
 Is there ____ could ____ bathtub water for toilet ____?
 It ____ to use ____ for ____ flush.
 ____ use ____ flush toilets ____ decrease our ____ use?
 Can used ____ be ____ reliance ____ clean resources?
 Is ____ recycle ____ bathwater to reduce ____ fresh water in ____?
 Can ____ bathwater ____ water usage?
 ____ we ____ the ____ from ____ toilets instead ____ using fresh water?
 ____ you ____ it is ____ to ____ flush toilets?
 Can ____ in ____ be ____ to ____ use ____ water sources?
 ____ we ____ used ____ for ____ needs?
 Is there ____ for toilets?
 ____ it possible ____ recycle ____ dependency on ____ water?
 ____ it ____ to ____ for toilet flushing in order ____ reliance on ____?
 ____ bathing wastewater be ____ to ____ clean fluids?
 ____ might ____ to reuse bathwater ____ flush ____.
 ____ we reuse bathwater to ____ on ____?
 Is recycling ____ baths ____ sustainable method ____ dependence?
 ____ it ____ to ____ toilet flush in order ____ use ____ water resources?
 ____ bathwater ____ way to ____ use?
 ____ be recycled to decrease dependence ____ fresh ____?
 Is it ____ bathwater, ____ the need ____ fresh water ____ toilet?
 By ____ in toilets, ____ we ____ the usage ____ water ____?
 ____ chance of ____ bathwater ____ dependence on water.
 ____ it ____ reuse ____ to ____ back on our ____ for ____ fluids?
 ____ discarded ____ for ____ flush can save ____.
 ____ reuse ____ bathwater to ____ toilets?
 ____ to flush toilets ____ possible?
 Will the ____ bathing ____ the use ____ water?
 ____ to ____ for ____ flushing to reduce reliance on fresh ____?
 ____ use ____ bathwater to ____ the ____ of water ____?
 Can ____ reuse our ____ to ____?
 Can ____ of ____ bathing water ____ reliance ____ clean ____?
 ____ it ____ decrease ____ sources by recycling bathwater?
 Can we ____ wastewater ____ of ____?
 Did ____ bathwater ____ be used for ____ flush?
 ____ for reduced freshwater dependence in toilets?
 Should bathwater ____ used ____ flushing ____ reliance on ____ water resources?
 How about ____ water usage ____ the reuse ____?
 Can ____ use less ____ water ____ we ____ water?
 ____ bathwater ____ not rely ____ fresh water?
 ____ we reuse ____ for ____ water?
 Is it doable ____ water ____?

_____ bathwater _____ reduce _____ of freshwater?

Reducing dependence _____ resources is feasible _____ is recycled _____.

_____ chance of _____ bathwater _____ less freshwater dependence?

Can we _____ dependency on _____ sources _____ water?

Is _____ possible _____ used bathwater _____ reliance on fresh sources?

Should _____ bathing _____ to _____ our _____ on _____ water?

Reducing _____ on _____ can _____ by recycling _____ water.

Can we _____ usage _____ water sources if _____ bathwater?

Hey, _____ about _____ bathwater _____ toilet water usage?

_____ we recycle bathwater _____ depend on _____?

_____ we stop relying _____ freshwater sources _____ reused _____?

Can _____ bath _____ our _____ for _____?

_____ reuse our _____ and _____ toilets at the _____?

Is _____ a way _____ recycle _____?

_____ possible _____ reuse bath _____ save water _____ the toilet?

_____ to _____ need _____ clean _____ by using bathroom wastewater?

_____ used _____ have _____ potential _____ lower _____ consumption through toilet flushing practices?

Is _____ feasible _____ baths for _____?

_____ we _____ able to _____ bathwater for _____?

We could _____ water _____ our _____ on freshwater.

Reusing _____ reliance _____ when toilets are flushed.

Could _____ help reduce _____ freshwater?

Can _____ water for _____ flush instead _____ using fresh _____?

_____ dependence in toilets _____ a _____ recycling wastewater _____ baths.

_____ bathwater going to _____ less _____?

_____ we reduce _____ sources by _____ bath water?

_____ might _____ to use _____ liquid instead of a _____ one _____.

We _____ use _____ by recycling _____.

Will bathing water _____ decrease _____ reliance _____?

_____ wastewater _____ a sustainable solution for _____ dependence?

Will _____ bathwater _____ toilets be _____?

Do we have a _____ reuse _____ flush _____?

_____ save _____ recycling bath fluids?

_____ reuse _____ water help reduce _____ on clean _____?

Do _____ know _____ can reduce _____ water _____ by recycling our _____?

Can _____ bathing _____ when we _____?

_____ to _____ on toilet water _____

_____ for _____ flash instead of _____ on fresh water?

_____ our reliance _____ freshwater sources with bathtub _____?

Can we use _____ less _____ on fresh _____?

_____ we use the _____ our _____?

_____ we can _____ bathwater _____ flush toilets?

_____ can be _____ toilet water usage.

Can _____ bathing water when we _____?

Is _____ possible _____ toilets _____ water?

_____ fewer _____ needs be _____ by _____?

_____ it _____ to recycle _____ bathwater to _____ less _____ in _____ toilet?

_____ using recycled bath _____ can we _____ the usage _____?

Is _____ use bathwater for _____ to use less _____ water?

Could _____ us reduce _____ for freshwater?

_____ to _____ bath water for _____?

_____ on _____ resources could _____ achieved by _____ bath water to _____.

Do _____ there's a chance _____ bathwater _____ freshwater dependence?

_____ way _____ bath water to reduce _____ on freshwater?

_____ the _____ be used _____ toilets?

_____ can be accomplished through reuse _____ bathwater.

_____ recycle _____ water to clean _____?

_____ it _____ to _____ for toilets that do _____ fresh _____?

_____ to save on _____ water?

_____ you wish to _____ toilet flush?

Is _____ way to _____ for _____ flush?

_____ we reuse bathtub _____ toilet _____?

Is it possible _____ for the _____ toilets?

Wouldn't it be _____ bathwater _____ flushing toilets?

We _____ able to save _____ if we reuse _____ flash.

_____ you _____ bathwater to flush toilets _____?

_____ bathing water being recycled decrease reliance _____?

Can _____ save _____ if we _____ the _____ water _____ toilet _____?

_____ possible to _____ bathwater for toilets, _____ on _____ water _____?

Can _____ use bathtub _____ again _____?

_____ using _____ to _____ be doable?

Is it possible _____ the _____ water sources _____ using _____ in _____?

_____ recycled bathwater for toilet _____?

_____ we _____ to recycle _____ to _____ dependency on _____?

Is _____ bathwater _____ to _____ water?

_____ a _____ to _____ recycled for less dependence on _____.

Can we _____ the _____ of _____ by _____ recycled bathwater in _____?

Can _____ the usage _____ sources _____ using _____ bath water _____ toilets?

Can _____ reuse _____ for _____?

_____ it doable to _____ to _____?

Could _____ reduce our dependence on freshwater _____ bath _____?

_____ possible _____ recycle used _____ reducing the _____ for _____ toilet flushing.

Does _____ to reuse _____ discarded _____ for toilet flush _____ of _____ fresh _____?

_____ way to recycle wastewater from baths _____ less _____?

Are you _____ to recycle _____ save on _____?

_____ we decrease our reliance _____ of bathtub wastewater?

Is it _____ to recycle _____?

_____ it _____ to recycle bathwater _____ reduce _____ for fresh water _____?

_____ recycled _____ be _____ for _____?

Can _____ bathing water for _____?

Is it _____ good idea to _____ when _____?

Bathwater _____ be recycled _____ water _____.

_____ we _____ to flush toilets?

Can _____ recycled _____ reduce _____ usage?

_____ use _____ for toilet _____ in _____ to reduce dependence _____ fresh _____ resources?

_____ bathwater instead _____ freshwater when we flush _____?

Is _____ reuse _____ for toilets?

Will recycled _____ to _____ freshwater _____?

Reducing dependence on _____ when _____ bathwater to _____ toilets.

I wonder _____ we can _____ to _____.

Is ____ possible to recycle ____ reliance ____ fresh water?
 ____ it ____ for the ____ to ____ used ____ toilets?
 Could ____ bathwater ____ needs?
 ____ we decrease ____ sources ____ recycling bathwater?
 Does reuse ____ sense ____?
 Do ____ fresh ____ if we ____ bathwater?
 ____ we reduce ____ usage of ____ sources by ____ toilets?
 ____ flush toilets with ____?
 Can recycled ____ reduce ____ for fresh water ____?
 ____ we ____ bathwater to ____.
 ____ wonder if there is ____ chance ____ bathwater for ____.
 Can ____ rely ____ on fresh ____ we recycle ____?
 Can we ____ recycled ____ flush?
 ____ we ____ we use toilets?
 Is there a ____ reuse ____ for ____.
 Wouldn't ____ great ____ bathwater could ____ used to ____ toilet ____ usage?
 ____ use the bathwater ____ flush ____ instead ____ using ____?
 ____ reused ____ an alternative ____ water for ____?
 ____ a ____ to lower ____ consumption ____ using recycled ____ from ____?
 ____ need ____ clean fluids could ____ bathing wastewater were ____.
 ____ recycling ____ option ____ conserve fresh ____?
 ____ the reuse ____ used bathing water help ____ dependence ____?
 Could ____ help ____ need for ____ sources?
 Can ____ baths to ____?
 ____ there ____ of recycling ____ for less ____ dependence?
 ____ it possible ____ reuse ____ in order ____ decrease ____ fresh ____ resources?
 ____ of ____ bathwater for less reliance ____?
 ____ we ____ bathwater again ____?
 Is there ____ way ____ bathwater to ____ toilet ____?
 Is ____ possible to ____ used bathwater for ____?
 It's ____ to recycle ____ toilets.
 Could ____ wastewater ____ baths ____ a way ____ fresh ____?
 ____ water use ____ reuse ____ water?
 ____ bathwater to ____ toilets.
 ____ it ____ to ____ bathwater ____ save on fresh ____?
 ____ bathwater ____ water usage?
 Is there a way ____ save ____ by ____?
 Can the ____ water ____ reduced by ____ bathwater?
 Can we ____ in ____ to minimize ____ use?
 Can we ____ water in order ____ water?
 ____ you use ____ used tub ____ flush ____?
 ____ we reuse ____ to flush ____ reduce ____ consumption?
 ____ there ____ way ____ reduce fresh consumption ____ using ____ wastewater ____?
 ____ recycled ____ freshwater requirements?
 Can we reduce ____ of fresh ____ bath ____?
 Do you ____ of ____ way to ____ bathwater ____?
 Can recycled ____ be used ____?
 ____ of bathing water ____ diminish ____ on clean ____?
 Will recycling bathwater ____ freshwater ____?
 ____ recycle ____ for toilet flush?

____ it ____ to ____ ____ ____ baths to flush toilets?
 Can we ____ ____ ____ toilet flush?
 By using recycled ____ ____ minimize ____ ____ water sources?
 Reducing ____ water ____ be ____ with reuse ____ bathwater for ____.
 Can ____ ____ bath ____ ____ flush toilets?
 ____ ____ ____ in toilets be ____ to ____ ____ use of ____ sources?
 Can ____ ____ ____ to ____ in toilets?
 ____ we going ____ use ____ fresh water supplies ____ ____ bathing ____?
 Would ____ ____ possible ____ recycle ____ to ____ fresh ____ usage?
 Bathwater could ____ recycled ____ ____ to ____ our dependence ____ freshwater.
 Can ____ get away ____ relying on ____ sources with ____ ____ ____?
 Can recycled ____ be ____ ____ to minimize use of ____ ____?
 Was ____ doable ____ ____ water to flush ____?
 Is ____ possible to ____ ____ for ____ ____ ____ to reduce reliance on fresh ____?
 Do ____ believe ____ can ____ ____ water use ____ recycling ____ water?
 Can ____ ____ ____ and ____ reliance on fresh ____?
 Is ____ possible to ____ baths to toilets and ____ ____ ____?
 Reducing ____ ____ ____ ____ could ____ done by recycling bath ____.
 Bathwater could ____ ____ ____ ____ toilets ____ ____ our dependence on freshwater.
 Are we able to ____ ____ ____ ____?
 Can we reuse bath water ____ ____ ____ ____ water?
 I wonder if ____ ____ ____ bathwater again ____ ____.
 I would ____ ____ know ____ ____ would use ____ bathwater ____ toilet ____.
 Can we use ____ ____ ____ toilet ____?
 ____ using used ____ reduce reliance ____ ____ ____?
 ____ bath water ____ ____ a toilet ____?
 ____ recycled bathwater ____ ____ to ____ our freshwater ____?
 Can we ____ recycled bathwater in ____ to ____ ____ ____?
 Could wastewater from baths ____ ____ to ____ ____ ____ of ____ fresh ____?
 ____ water can be ____ ____ reduce fresh ____ ____.
 Will bathwater be ____ ____ ____ freshwater ____?
 ____ ____ think old ____ ____ be used for ____?
 ____ bathwater be used for ____ ____ in order ____ ____ reliance ____ ____ water ____?
 ____ ____ ____ to ____ used ____ ____ toilets to ____ less fresh sources?
 ____ can ____ ____ ____ toilets ____ decrease our freshwater use.
 ____ it possible to ____ the ____ for ____ ____ to save ____?
 Is ____ ____ ____ for ____ flush?
 Could ____ bathwater be a way ____ ____ ____ on ____?
 Reducing fresh water use ____ ____ with the ____ ____ bathwater ____ ____.
 ____ bathwater could reduce ____ on ____ ____ ____ toilets.
 ____ recycled ____ help ____ our freshwater ____?
 ____ we reuse ____ ____ save on ____ ____ usage?
 Is there a way ____ reuse bathwater ____ toilets ____ ____ ____ ____?
 ____ ____ recycled ____ ____ toilets, ____ we reduce the usage ____ water ____?
 Is it ____ for ____ to be ____ ____ ____?
 ____ ____ a way to ____ ____ ____ toilets by recycling wastewater ____ baths?
 ____ fresh ____ use may be possible with ____ ____ ____ ____.
 Would ____ ____ possible to ____ used ____ ____ toilets?
 ____ we recycle ____ water ____ ____ toilets?
 Is it ____ to ____ bathwater ____ toilets to ____ ____ ____ reliance ____ ____?

Can ____ bathwater ____ for ____?

Is ____ recycle bath water for flushing ____?

____ we ____ to flush ____ and ____ on water ____?

Should ____ recycle ____ for toilets ____ reduce ____ on freshwater ____?

bathwater ____ be recycled ____

Is it ____ reuse ____ to ____ less fresh water?

____ reuse ____ bathwater ____ toilet flush, ____ save the water?

Does recycling bathwater ____ an ____ to ____ on ____?

Can we reuse ____ to ____?

Could recycled bath ____ freshwater ____?

____ reduce ____ on freshwater ____ when using toilets.

____ we use ____ flush ____ in ____ future?

____ it ____ use bathwater for ____ in order to ____ on ____ resources?

____ it ____ the bathwater for ____ flash instead ____ fresh ____?

Can ____ recycle bathwater ____ to ____ fresh water?

____ we use ____ bathwater ____ to save ____?

____ you reuse ____ you ____ save ____ toilet ____ usage.

Can ____ flush toilets?

Is ____ recycle ____ which ____ result in less need for ____?

Can ____ recycle ____ for use ____?

Can ____ reuse the ____ bathwater ____ toilet ____ to ____?

Is it ____ bathwater ____ toilets to ____ reliance on freshwater ____?

____ using baths ____ flush ____?

Is it possible to ____ water by ____ for ____?

Will ____ bathwater lead ____ less ____ needs?

How could ____ be ____ toilets?

____ bathwater be used for ____ instead ____ sources?

____ we ____ bath ____ to flush ____?

____ we reuse the ____ flash to conserve ____?

Is it ____ to ____ liquid instead ____ for toilet ____?

Do ____ know if it ____ to ____ bathwater for ____?

____ bathwater be ____ conserve ____ for ____?

Do you reckon ____ doable ____ use ____ toilets?

____ a ____ reuse bath water ____ flush toilets?

____ possible ____ save water ____ the discarded bathwater ____ toilet flash?

____ we ____ for ____ again?

____ you going to ____ bathwater for ____?

Can ____ reuse bathwater ____ flush ____ decrease our ____?

Can ____ decrease ____ on fresh ____ recycling ____?

____ it possible ____ recycle ____ to minimize our dependence ____ freshwater ____?

____ want to ____ we ____ fresh ____ use by recycling ____ water.

____ know how to ____ bathwater for toilet ____?

Will ____ bathing water ____ reliance ____ fresh ____?

Is ____ bath ____ for toilets?

We may ____ minimize our dependence ____ recycling bathwater ____ toilets.

____ it possible to recycle ____ water ____ toilets ____ reduce ____ freshwater ____?

____ possible to ____ bathwater for toilet flush in ____ water sources?

Could ____ reuse bathwater ____ freshwater?

____ wondering if ____ can use ____ toilets again.

____ of a way ____ use recycled ____ toilet flushing?

_____ there a _____ bathwater to _____ a toilet?
 _____ to reuse bathwater _____ the use _____ freshwater?
 How about _____ in _____ bathroom?
 Is _____ bathwater for loos?
 _____ there _____ way _____ bathwater for toilets?
 Bath _____ can be _____ to _____ usage.
 Should _____ reuse _____ bathwater _____ toilet _____ instead _____ fresh _____?
 Is reducing _____ in toilets _____ recycling _____ from _____?
 Can _____ use recycled bath _____ to save _____?
 Yes, _____ we _____ toilets?
 Can _____ use _____ for _____?
 Bathwater can be _____ to conserve _____.
 Is it _____ recycle bath _____ toilets?
 Our need _____ freshwater _____ be _____ by recycled _____.
 _____ our need _____ clean supplies _____ using bathroom _____?
 Can _____ bathwater to _____ the _____?
 For reduced freshwater _____ recycling wastewater _____ baths _____?
 _____ to flush toilets _____?
 _____ it _____ recycle used bathwater to _____ need for _____ water _____ the _____?
 _____ it _____ to recycle _____ from _____ for less _____ freshwater in _____?
 _____ use used bathwater for the _____?
 Are _____ suggesting _____ recycled _____ toilet _____?
 _____ you _____ if _____ can _____ water use by recycling _____ water?
 _____ bathwater to _____ usage?
 _____ to _____ less _____ fresh _____ by recycling bathwater?
 Can _____ use bath _____ our _____?
 _____ we consider reuse _____ bathwater to _____ freshwater?
 _____ it _____ bathwater for toilet _____ usage?
 Can _____ the _____ water _____ toilets?
 _____ reduce _____ of water _____ by using recycled _____ in _____?
 Can _____ on freshwater sources with _____?
 Is _____ of _____ bath water _____ freshwater dependence?
 _____ you _____ water to _____ toilets?
 _____ for toilets _____ help reduce our dependence _____.
 Using used _____ for _____ lower _____ fresh sources.
 Is _____ chance of _____ less dependence _____ water?
 _____ save water _____ using _____ bathwater _____ toilets?
 _____ we _____ our _____ by recycling bath water?
 Can _____ decrease _____ on freshwater and _____ bathtub _____?
 _____ for fresh _____ in toilet _____ if used _____ is recycled.
 _____ recycling bathwater help _____ our _____ on _____?
 _____ possible _____ bathwater _____ fresh water to _____ a toilet?
 _____ to _____ toilets and reduce our _____ of freshwater.
 _____ possible to _____ which reduces _____ need for _____ water in toilet _____?
 Can we _____ bathwater for _____?
 _____ using recycled _____ toilets can we _____ use _____ water _____?
 _____ we reuse the _____ flush _____?
 _____ be used _____ freshwater needs?
 _____ freshwater need, using _____?
 _____ possible to reuse bathwater for _____ water?

_____ need for freshwater _____ be _____ by _____ bathwater.
 Reducing dependence on _____ may _____ if _____ recycle _____ to flush _____.
 _____ we reuse _____ bath _____ for _____?
 Can we _____ on freshwater sources _____ bathtub _____
 _____ possible _____ bathroom water instead _____ fresh supplies?
 Should we use _____ water _____?
 _____ bathwater and reduce _____ fresh water?
 Can _____ water _____ used to _____ back on water _____?
 Can _____ bathwater in _____ conserve water?
 Can our _____ be _____ too?
 _____ decrease the dependency _____ by recycling _____ water?
 Reusing bathwater _____ water on _____?
 There _____ a _____ that _____ can be recycled _____ dependence.
 Are _____ chances of recycling _____ less freshwater _____?
 _____ may be _____ our dependence on _____ the _____ of bathwater _____.
 Can _____ of _____ water help reduce _____ clean _____?
 Can _____ bath water _____ toilets?
 Is _____ possible to _____ toilets
 Can we recycle _____ in _____?
 _____ might be _____ to use used _____ for _____.
 _____ bathwater be _____ flush?

 Do _____ wish _____ use _____ toilet flushing?
 _____ about using _____ bathwater _____ toilet.
 _____ bathwater so we don't need _____?
 _____ to _____ toilets doable?
 Is _____ reuse used bathing _____ to _____ consumption _____ flush practices.

_____ need _____ freshwater _____ could be achieved _____ using recycled _____.

Is _____ possible _____ the _____ for toilets?

Is _____ possible _____ use _____ for _____ in order _____ less fresh _____?

_____ use less fresh _____ by _____?

_____ we _____ of fresh water by _____ bathwater?

Bathwater _____ used _____ cut back on water usage.

_____ it sustainable to recycle _____ from _____ for _____ dependence _____?

Can _____ bathwater and _____ fresh _____?

_____ possible to use bathwater _____ toilet flush in _____ fresh _____ sources?

Are we able _____ bathwater _____ flush _____ use less _____?

Is _____ possible to _____ for toilet _____ in order _____ fresh _____?

_____ how _____ bathwater for toilet flush?

_____ using recycled bathwater to flush your _____?

_____ can minimize _____ water _____ if we use recycled bathwater _____.

Is _____ to _____ and reduce fresh water use?

Is reuse _____ feasible _____ toilets?

Is recycling bathing water _____ to decrease _____ supplies?

Can we _____ bath _____ clean _____?

Would it be _____ us _____ by recycling tub water?

_____ baths _____ used to _____ toilets?

Reducing _____ on fresh _____ a possible _____ of _____ bathwater _____ flush _____.

_____ recycled _____ can be used for toilet _____.

Can _____ to _____ and reduce water consumption?

_____ it possible _____ recycle bath _____ on fresh _____?

Reusing _____ flush _____ is _____?

Our _____ fluids _____ be reduced by the _____ wastewater.

_____ the _____ of _____ water help diminish reliance _____ clean _____?

_____ it _____ reuse bath water to _____ toilets and _____?

_____ we _____ bathwater to flush _____?

Is there _____ way _____ reduce our _____ on _____ for toilets?

_____ use _____ to flush toilets?

Will _____ make less freshwater _____?

Is it feasible _____ bathwater _____ flush _____?

 Do _____ think _____ ensure _____ freshwater needs?
 Can bathtub _____ be used to _____ decrease _____?
 Is it _____ recycle _____ water _____ the need _____ fresh water _____ toilet _____?
 It _____ possible _____ reuse bathwater to _____ water _____.
 _____ possible to reuse bathwater to _____ toilets and _____?
 _____ we going to _____ our reliance _____ fresh _____ bathing _____?
 Can _____ freshwater _____ bathwater _____ toilet flush?
 Was it _____ to _____ bathwater _____?
 Reducing _____ need for freshwater _____ be _____ bathwater.
 _____ there a _____ to _____ for flushing _____.
 _____ recycled _____ should be used for _____ flushing?
 Is _____ possible to _____ toilet _____ in order to cut _____ on _____?
 _____ not reuse bathwater _____ on toilet _____?
 _____ dependence in _____ be accomplished _____ recycling wastewater from _____.
 Reducing _____ water use can _____ with reuse of _____.
 _____ bathwater Recycling _____ will _____ fewer _____ needs
 Will fewer _____ be _____ bath water?
 Will we _____ able _____ reuse bath _____ to _____?
 Are _____ using _____ bath _____ toilet flushing?
 Wouldn't it be _____ we could _____ reduce reliance _____?
 Should bathwater _____ recycled _____ save on _____?
 We should reuse _____ toilet _____ using fresh _____ of water.
 By _____ toilets, _____ use less water sources?
 _____ recycling bathing _____ our reliance _____ fresh _____?
 _____ used to flush toilets?
 _____ wastewater _____ baths _____ fresh consumption?
 Will _____ water _____ less freshwater _____?
 Is there a _____ reliance on freshwater sources _____?
 Can we _____ bathwater _____ toilets?
 _____ dependence on _____ source for _____ if _____ reuse _____.
 Our _____ for clean _____ might _____ the reuse _____ wastewater.
 _____ you _____ it's doable _____ bathwater to _____ toilets?
 _____ feasible to use used _____ for _____?
 Will _____ to _____ to flush toilets?
 Can _____ bathwater to save _____ toilet _____?

_____ water be re-used _____ reduce _____ on _____ resources?
 _____ may be _____ to _____ bathwater _____.
 _____ water _____ to flush toilets
 _____ we _____ the used _____ flash instead _____ fresh water?
 _____ we reduce _____ by recycling _____?
 _____ to use used bathwater for toilets _____ relying _____ sources?
 We can reuse _____ bathwater _____ toilet _____ water.
 _____ there _____ to reuse bathwater _____?
 Is _____ use _____ for _____ flushing in _____ to decrease reliance _____ water?
 _____ possible to use bathroom _____ need for _____ supplies?
 _____ possible to reuse _____ toilet _____ instead of using _____ sources?
 _____ there a way to reuse _____ reuse _____?
 _____ we _____ water _____ the toilets?
