

[Demo] NLP Dataset for Customer Service Automation

Company Type	Natural Gas Companies
Inquiry Category	Damaged gas lines report
Inquiry Sub-Category	Construction Projects
Description	Customers seeking information or updates regarding gas line repairs or replacements as part of ongoing construction projects in their area, including timelines and potential disruptions to service.
Data Size	11,913 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Natural Gas Company" customer inquiry. (Purchased data will not be masked.)

____ there be ____ to ____ natural ____ service ____ ongoing construction work?
____ the ____ impacted by ____ ongoing ____?
Expecting ____ my natgas?
____ gas ____ be ____ by the ____ work?
The gas service ____ be ____ of ____ project.
____ gas service disrupted ____ construction?
Are ____ going to ____ halt in access ____ natural ____ this ____ being done?
____ the ____ project ____ our ____ gas service?
____ our natural ____ service disrupted during ____?
Is it ____ will ____ disturbed from continuous ____ projects?
Will ____ impact natural ____ service?
____ we expect ____ in our gas ____ to ____?
____ natural gas ____ may ____ during ____ construction project.
____ gas is ____ during ____ work.
____ likely that ____ natural ____ service ____ be ____ during construction?
Will ____ services?
____ is ____ gas ____.
____ gas ____ is ____ worked ____.
____ have any ____ with ____ service due to ____ work?
____ construction ____ any disruptions in ____ gas ____?
There might ____ some headaches ____ gas supply ____.
____ be ____ service disruptions during ____.
Is it ____ our ____ gas ____ will ____ while construction ____ going ____?
____ cause ____ with our ____ service?
____ we expect disruptions in ____ as a ____ of ____?
Will ____ natural ____ messed ____ result of the build?
____ gas service ____ be ____ during the construction ____.
____ serviceDisruption likely during ____

There is _____ project that _____ gas service.

_____ gas service _____ ongoing _____?

There is _____ that may _____ gas _____.

_____ interruptions in my _____ construction?

_____ gas issues due to _____?

Could the construction _____ natural _____ service?

Will _____ renovation _____ gas _____?

There could be _____ our natural _____ usage _____ to _____ activity.

_____ gas likely _____ by _____?

_____ renovations, _____ be _____ service disruption?

_____ going to lose natural gas _____ to _____?

There are _____ disruptions _____ our _____ service _____.

_____ our _____ service be disrupted _____ construction is _____?

Expecting some _____ in _____ during _____?

The construction _____ affect _____ to _____ gas services.

Expecting _____ my _____ construction?

Should there be any _____ natural gas service _____?

During _____ any _____ disruptions are _____?

_____ any _____ with our _____ supply during construction?
