

[Demo] NLP Dataset for Customer Service Automation

Company Type	Auto Repair and Maintenance Shops
Inquiry Category	Alignment issues causing uneven tire wear
Inquiry Sub-Category	Alignment Adjustment Process
Description	Customers often request information on the alignment adjustment process, including the use of laser systems or computerized machines, and the time and cost involved.
Data Size	7,872 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Auto Repair and Maintenance Shop" customer inquiry. (Purchased data will not be masked.)

Can _____ details about how long _____ to _____ an _____ using lasers?
_____ tell _____ about _____ typical duration _____ a laser-guided alignment _____?
_____ is the average time _____?
_____ for the expected _____ for laser-based alignment _____?
_____ possible to _____ how long _____ an _____ with lasers?
_____ there _____ average duration _____ aligning modifications' completion _____?
_____ long _____ laser-assisted _____ alteration typically _____?
Let me know _____ to align _____ laser.
How long _____ you think _____ align using _____.
What _____ do you _____ on the _____ duration _____ adjustment?
_____ long do _____ alignment _____ usually _____?
_____ me _____ times _____ takes _____ alignments?
_____ is _____ for doing _____ laser alignment?
_____ there _____ estimate _____ how long it _____ take _____ perform a _____ alignment _____?
I _____ to know the time it _____ a _____.
_____ us _____ the typical _____ for laser alignment adjustment?
_____ it take to _____ an _____ adjustment using _____?
How _____ Does _____ take to _____?
How _____ you reckon it _____ using lasers?
I would like to know how _____ take.
Do you know _____ laser _____?
How much time _____ take _____ align using _____?
Do I _____ how _____ takes _____ align _____ lasers?
_____ long should we _____ alignment _____?
I am interested in receiving timing _____.
What _____ an _____ adjustment _____ lasers _____?
_____ is _____ of time _____ to _____ an _____ amendment using lasers?
How _____ laser _____ change?

_____ how long it _____ for lasers to _____?
 _____ wondering _____ usual _____ period of _____ with laser technology.
 _____ detail on the _____ duration for laser _____?
 _____ am _____ about _____ completion _____ of aligning _____ through laser _____.
 What _____ the average _____ it takes _____ laser-based _____ adjustment?
 _____ there _____ the _____ of _____ it _____ for a precision _____ correction _____ lasers?
 What _____ the average _____ to _____ a _____ adjustment?
 _____ timing _____ can _____ get on _____ alignment _____?
 _____ I _____ the normal _____ completing _____ laser-guided alignment adjustment?
 What _____ do _____ laser alignment _____?
 _____ there _____ time _____ for laser-based _____ tweaking?
 What is _____ general _____ you can _____ an _____ adjustment _____?
 I need to _____ much time _____ needed _____ aligning _____.
 _____ want _____ how much _____ to align _____ lasers in most _____.
 _____ to _____ me about _____ time _____ complete a laser-guided _____ adjustment?
 What _____ a _____ completion time when _____ by _____ lasers?
 _____ long _____ takes to complete an _____ using lasers.
 _____ about laser focused _____?
 How long _____ it takes _____ using lasers?
 How long _____ have to wait _____?
 _____ long does _____ alignment _____ lasers?
 How _____ time do you _____ align _____?
 _____ long _____ a laser _____ alignment _____?
 Can _____ tell me _____ long _____ take to complete _____ alignment _____?
 _____ can it _____ align using _____?
 _____ align with lasers?
 _____ much _____ does _____ to _____ alignment using lasers?
 _____ usual for laser _____ adjustments?
 _____ are the _____ laser-aided alignment _____?
 How _____ does _____ take to _____ an _____ lasers?
 _____ want _____ about the _____ period of _____ with _____ technology.
 Can _____ to determine _____ time for _____ a laser-guided alignment _____?
 _____ long will _____ for a laser _____ to _____?
 _____ estimate for _____ amount of _____ it takes to _____ a precision alignment _____?
 _____ the time of _____ typical laser-assisted _____?
 _____ necessary _____ a laser-based alignment adjustment?
 _____ there _____ estimate _____ time _____ would take to _____ a precision alignment correction _____ lasers?
 _____ long do you _____ laser _____?
 _____ ask about how long it takes _____ alignment _____ using _____?
 How much _____ is _____ lasers?
 Can _____ tell me _____ time for _____ a laser-guided _____?
 _____ typically take to _____ with lasers?
 What _____ the _____ a laser alignment?
 _____ the _____ length _____ completion for alignments using _____?
 How _____ laser _____ alignment _____?
 _____ a way to estimate the _____ time _____ adjustment?
 I _____ about how much _____ to align _____ lasers.
 _____ long is _____ typical _____ for _____ laser-based alignment _____?
 _____ not _____ if I know the typical _____ adjustment.
 _____ estimates _____ have for the duration _____ alignment _____?

For ____ done using ____ the ____ length of completion?

What amount of ____ required ____ aligning ____ lasers ____ most ____?

How ____ the ____ adjust?

____ are ____ alignment fixes?

I would ____ to ____ how long it ____ laser ____.

____ your laser ____ adjustment take?

____ time ____ for ____ alignment to be adjusted with ____ fancy ____?

____ considered a standard ____ time when doing an ____?

How long ____ it take ____ amendment ____ lasers?

____ I learn ____ takes to make ____ alignment ____ using ____?

Does anyone have a ____ to ____ normal ____ completing ____ adjustment?

____ exact ____ it takes for a laser ____.

____ like ____ know ____ completion period of aligning ____ technology.

How long ____ take ____ a laser ____ adjustment?

Laser focused ____?

How much time ____ alignment ____ to ____?

____ long do you think it ____ for ____ alignment ____ with ____ to ____?

____ average duration for ____ adjustment?

____ know the expected time for ____ adjustments?

What about ____ normal length of ____ alignments ____?

____ have timing details on ____ alignment ____?

____ to do an alignment ____ using lasers?

I would like to ____ how ____ laser-assisted alignment ____.

____ long ____ have laser alignment adjustments?

____ want to know how long ____ alignment ____ to be made ____.

How long ____ it ____ you to complete ____ alignment ____?

What ____ the ____ durations of ____ laser-driven ____ modifications' ____?

____ fix duration?

Give me ____ the laser alignments.

____ much time ____ needed to ____ with ____ of the ____?

____ take for ____ to be done with lasers?

How ____ you think a typical ____ take?

____ me ____ how much ____ a ____ alteration requires.

How long ____ an ____ a ____?

____ is ____ average ____ it takes to ____ laser-based ____ adjustment?

____ it ____ align using lasers?

How much time ____ it ____ to ____ with ____?

How long do you say ____ takes ____?

____ to know how ____ time is ____ for ____ lasers.

____ me how ____ it ____ a ____.

What is ____ normal ____ laser alignment ____?

Is ____ information regarding the expected ____ laser- ____ adjustments?

I'm curious about ____ usual ____ of aligning vehicles ____.

Do you ____ information ____ the ____ timing ____ alignment adjustments?

What ____ is ____ for ____ adjustments?

____ long it takes to ____ an ____ lasers?

Is ____ for ____ alignment ____ known?

____ of the ____ duration of a ____ alignment adjustment?

Please ____ how ____ it ____ perform ____ alignment adjustment ____ lasers.

Do ____ know ____ average ____ for ____ alignment adjustment?

Can _____ give _____ idea of _____ long a _____ takes?

I'm _____ about _____ completion period _____ vehicles through _____ technology.

How _____ using lasers _____?

_____ like _____ timing details on the _____ adjustments.

_____ is the _____ time _____ an alignment _____ lasers?

_____ are _____ alignment adjustments taking?

What _____ get the correct position of the _____?

_____ you _____ usually takes to perform an _____ using lasers?

_____ an expected time for _____?

How much _____ is _____ performing a _____ alignment _____ using _____?

What is _____ laser alignments _____?

_____ long _____ it take to do _____ with _____?

Can _____ tell me _____ long _____ will take _____ a _____?

_____ want to know _____ it would _____ to align _____ in _____.

How _____ to _____ a laser-guided alignment adjustment?

_____ does an _____ with _____ typically _____?

_____ do _____ take to _____?

_____ you _____ me how _____ laser-guided alignment adjustment _____.

Tell me _____ long _____ for a _____ to _____ done.

_____ are _____ times for laser _____?

How _____ does _____ an alignment _____ be done _____ lasers?

How long will it take to _____ positioned _____ use _____?

I _____ like _____ know about _____ standard length of _____ to _____ lasers.

_____ information _____ much _____ is needed _____ align with lasers.

_____ you _____ me the time required to complete _____

The average _____ laser-based _____ adjustment is unknown.

I _____ like _____ much time _____ align _____ lasers in most cases.

Is _____ an _____ of how _____ take to _____ a laser _____?

I wonder if I _____ the _____ duration _____ laser-based _____.

_____ time _____ it _____ laser alignments?

_____ time _____ take to do a _____?

What time _____ to do _____ laser _____?

_____ time _____ it take to _____ the _____ positioned through _____ lasers?

I _____ a question _____ long a laser _____.

_____ frame details for _____ laser _____?

Tell _____ long it _____ for _____ laser _____.

Give me _____ amount _____ time _____ takes _____ a _____?

_____ know how long a _____ alteration requires.

_____ time for laser-based _____?

I am interested _____ laser-assisted alignment _____ takes.

Is there _____ duration _____ alignment?

_____ the _____ for alignments done _____ lasers?

May I be _____ of _____ duration _____ laser-based _____ adjustment?

How long _____ it _____ me _____ align with _____?

_____ time will _____ a precision alignment correction _____ lasers?

_____ some _____ for how _____ laser-aided alignment adjustments _____?

I _____ to know _____ standard time _____ aligning _____.

What _____ the normal lengths _____ completion _____ lasers?

_____ much time _____ take _____ using lasers?

How _____ it usually _____ alignment amendment _____ completed using lasers?

Tell me how ____ a ____ ____ ____.

How ____ should a ____ adjustment ____?

____ the ____ time for ____ alignment ____ laser equipment?

____ me ____ laser alignment

Are there ____ the ____ alignment ____?

Can ____ give ____ the time ____ for ____ adjustment?

How ____ that it takes ____ align ____?

Can you give us information ____ a ____ alignment ____?

I was ____ was ____ estimate ____ how long it would ____ to ____ alignment ____ using lasers.

____ you take for ____ alignments?

Average ____ align using ____?

____ long should a laser-assisted ____?

____ does it ____ to align ____?

I'd ____ to ____ about the usual ____ period ____ through ____ technology.

____ would ____ to ____ the amount of ____ alignment ____ requires.

____ would like ____ how long a ____ alignment change ____.

____ know ____ long it takes for ____ alignment ____?

____ know how ____ laser-assisted alignment alterations require.

What would ____ completion time for a ____?

Tell me ____ for ____ lasers.

Can ____ find out ____ long ____ takes to complete ____ adjustment ____.

____ is ____ typical ____ takes ____ align using lasers?

Can you ____ me ____ timing details ____ the ____?

____ much time a ____ alteration ____ to ____?

____ you know ____ expected time ____ laser-based ____?

____ take for laser ____ adjustment?

____ to know about ____ time ____ for aligning ____ lasers.

I am interested ____ how ____ is ____ aligning with ____.

What ____ average ____ do ____ laser alignment adjustment?

How long will ____ take ____ the ____ positioned through the ____?

Do ____ have ____ duration ____ the laser alignment adjustment?

How long will it take ____ complete ____ adjustment ____?

____ take ____ my ____ to adjust with ____ fancy lasers?

How ____ time ____ it ____ laser ____?

____ it be for a ____?

____ would ____ about the length ____ required ____ align with lasers.

____ you ____ it ____ to perform an alignment ____ using ____?

I'm ____ the ____ of time required for ____ with lasers.

Can you ____ me the ____ of ____ a laser-assisted ____?

____ long ____ it ____ to ____ using ____?

____ long does it ____ take ____ perform ____ with ____?

I'd ____ to ____ standard ____ needed for aligning ____.

____ is ____ expected ____ laser-based ____ adjustments?

How ____ it ____ align using ____?

____ you tell ____ duration of ____ laser-guided ____ adjustment.

____ to ____ how much time ____ align with ____ laser.

____ laser alignment enhancements?

How ____ take to complete ____ alignment ____ lasers.

____ know how ____ a ____ change takes?

How ____ it ____ to ____ a laser-based ____ adjustment?

How long can it ____ for ____ laser ____ ____ ____ ?

What ____ standard ____ time ____ an alignment ____ a laser?

How long does it usually ____ an ____ using ____?

How ____ take for an alignment ____ completed using lasers?

I would love ____ how ____ is needed ____ align ____.

How ____ does it ____ to ____ positioned through ____ lasers?

Can you ____ me ____ of time ____ takes?

How ____ does it ____ do ____ laser alignment?

How ____ should ____ take?

____ want to know ____ a ____ alignment adjustment.

____ would like to know ____ it ____ to ____ an ____ using ____.

What ____ details ____ give me on ____ adjustments?

Will I ____ takes to ____ an ____ amendment ____ lasers?

____ is ____ a laser-based alignment ____?

____ about the normal length ____ completion ____ alignments ____ ?

What ____ the ____ a ____ adjustment?

____ would ____ to know how much time ____ takes.

Are ____ able to ____ me ____ details on ____ alignment ____?

Does ____ know ____ long the ____ completion process ____?

Can ____ tell ____ the time ____ takes for ____ alignment ____?

Is there ____ you can ____ about the ____ laser-guided ____ adjustment?

____ average duration of ____ modifications' completion process is ____.

Is ____ to ____ how long ____ for laser alignments?

____ be ____ completion time when ____ an ____ using ____ equipment?

____ how ____ it take to ____ using ____?

How ____ time ____ alignment amendment take ____?

____ to know ____ standard length ____ time ____ with lasers is.

How ____ is ____ for a ____?

How long is ____ the ____ alignment ____ completed?

____ long ____ take to complete a laser-guided alignment ____?

What ____ laser-based alignment adjustment ____?

____ laser-based realignment take?

Please ____ know how ____ to align ____ lasers.

How ____ time will ____ for a ____ to be ____?

The average ____ for ____ laser-based alignment ____ not ____.

____ does ____ take for ____ laser ____?

____ take to align ____ a laser?

What is ____ time ____ doing ____?

____ much time ____ to ____ vehicle accurately positioned ____ lasers?

____ me ____ estimate of ____ long it takes to align ____?

Can I ____ how long it ____ complete an ____?

What ____ the ____ of completion ____ alignments ____ lasers?

I ____ how long a ____ alignment ____ take.

How much ____ laser-assisted ____ alteration ____?

____ there any details on the ____ laser ____?

Can ____ us ____ typical duration is for laser ____?

Do ____ have a timetable ____ alignment ____?

____ wondering ____ the usual ____ period of ____ laser technology.

We need ____ know how ____ is needed ____ lasers.

____ average time for ____ alignment.

____ long will ____ take to ____ alignment ____ lasers?
 I am ____ the typical duration ____ alignment ____.
 What ____ a ____ completion ____ for ____ alignment by means of ____?
 What is ____ duration ____ laser ____ fix?
 ____ is ____ average time ____ to ____ laser-based adjustment?
 ____ there ____ information on ____ for a laser ____?
 ____ long is needed ____ vehicle ____ positioned ____ lasers?
 I want to ____ will take ____ a laser-guided alignment ____ be ____.
 ____ are normal ____ alignments ____ lasers?
 ____ is ____ a laser based alignment ____?
 ____ time ____ laser ____ alignment ____ take?
 ____ me the average ____ with ____.
 Do ____ have numbers ____ the ____ it ____ alignments?
 ____ do ____ alignment adjustments take?
 ____ it take ____ time ____ lasers?
 Give ____ time it ____ laser alignments?
 Do ____ need numbers ____ time ____ for ____ alignments?
 ____ the ____ time for laser ____?
 ____ I learn how long it takes ____ complete ____.
 How long ____ take to ____ with ____?
 How much time ____ it ____?
 Let ____ know ____ much ____ takes for ____ alignments.
 Please explain how long ____ takes ____ alignment ____ lasers.
 How ____ necessary ____ align with lasers?
 What ____ the ____ required to do ____ laser-based ____?
 ____ how long ____ for a laser ____.
 How ____ do ____ to align ____ with ____?
 I ____ know ____ of time it takes ____ with lasers ____ cases.
 ____ take ____ complete an alignment ____ based on a ____?
 Can you ____ how ____ would take ____ the laser-guided alignment ____?
 ____ you ____ any ____ on the duration ____ the laser-guided ____?
 ____ an ____ with ____ equipment, what would be ____ completion ____?
 ____ need ____ long it takes to complete an ____ lasers.
 What would be ____ a completion ____ doing an ____?
 ____ a time ____ for completing a ____?
 What time ____ to ____ the vehicle ____ positioned ____?
 ____ normal ____ completing a ____ alignment adjustment is ____.
 ____ much ____ a ____ take?
 I ____ interested in learning ____ standard length ____ for ____ with ____.
 What ____ normal length of ____ for ____ in ____?
 ____ it take to do ____ alignment?
 ____ frame for ____ alignment ____?
 What ____ does it take ____?
 I would like ____ how long ____ takes ____ an ____ lasers.
 I was ____ if you could ____ timing details ____.
 ____ have ____ for ____ alignment adjustments?
 ____ the time ____ takes for ____ alignments?
 How ____ it ____ alignment adjustment with lasers?
 How ____ is ____ for you ____ alignment adjustments?
 When doing ____ alignment using ____ what ____ standard ____ time?

When it _____ to aligning _____ does _____ take?

_____ is _____ time _____ to align _____ car _____ laser things?

_____ you know what the _____ time frame _____ alignment _____?

_____ there _____ information _____ the _____ for laser-based _____ adjustments?

_____ am interested in learning _____ much _____ required _____ with _____.

Do you have any estimates _____ the _____ aligning _____ process?

How long _____ think _____ take for laser _____?

_____ wondering how long _____ takes.

I _____ like to know _____ time _____ takes _____ aligning _____ lasers.

Is _____ an _____ on _____ a _____ alignment _____ lasers will take?

I _____ much _____ it takes to _____ an _____ amendment using _____.

_____ tell _____ the _____ length of a laser-guided _____?

_____ a _____ regarding timing details _____ laser alignment _____.

_____ the _____ frame _____ completing the laser _____?

I want _____ on _____ alignment _____.

How _____ should it _____ for _____ alignment to _____?

_____ long _____ it _____ to perform _____ alignment adjustment _____ a _____?

How _____ it take _____ adjustment with lasers?

Estimate the _____ for _____ with _____.

How _____ a _____ fix _____ take?

How _____ would _____ laser _____?

_____ long _____ it _____ do a _____ adjustment?

_____ time _____ laser-based alignment adjustment _____?

_____ long does it _____ for a _____ you?

_____ it usually to _____ alignment with lasers?

I _____ if I could _____ the standard length of _____ aligning _____.

_____ long are the _____ laser-assisted _____?

How _____ would _____ alignment adjustment _____?

What can _____ me about _____ duration for laser _____?

_____ is the _____ length _____ alignment adjustment?

_____ should _____ know about _____ for laser _____ adjustment?

_____ you _____ the _____ duration _____ a laser-guided alignment _____?

What does _____ align using _____?

_____ is the _____ a laser _____?

_____ would be considered _____ completion _____ alignment _____ laser equipment?

_____ does a _____ alignment change _____?

_____ is _____ amount of time _____ for aligning _____?

Can I hear _____ long _____ complete an _____ lasers?

How long _____ you _____ an _____ adjustment with lasers?

I need _____ on _____ takes for laser _____.

I _____ to _____ time _____ for completing a laser-guided _____ adjustment.

How long _____ take _____ laser _____ align?

_____ doing _____ alignment with laser equipment, what _____ time?

I'd like _____ the _____ of time _____ aligning with _____.

How _____ time _____ alignment alteration _____?

_____ tell me _____ it takes _____ do an _____ lasers.

Can you _____ me about _____ timing _____ adjustments?

Are there any estimates _____ aligning modifications?

_____ any information about _____ time _____ laser-based alignment _____?

What _____ of completion for alignments _____ lasers?

Do ____ know the ____ laser ____ alignment adjustments?

I need to ____ how ____ align with lasers.

How ____ do ____ take to make ____?

____ tell me the ____ of the ____ adjustment?

____ you ____ it takes ____ complete an alignment amendment ____ lasers?

____ take ____ perform an alignment adjustment using ____?

I ____ the completion period ____ aligning vehicles ____ laser ____.

Is ____ estimate ____ it will take for ____ an alignment?

____ an alignment ____ with ____ what ____ the ____ time frame?

____ wanted to ____ the amount ____ time a ____ alteration ____.

I'm ____ about ____ standard time required for ____.

____ take for ____ laser alignment ____ be done?

____ time ____ with lasers?

Is ____ for ____ alignment adjustments?

____ find ____ how ____ takes to ____ an alignment adjustment ____ lasers?

Do you know ____ laser-based alignment adjustments?

____ there ____ the average ____ of laser-driven aligning ____?

Can ____ give ____ the ____ time a laser ____?

Can ____ duration ____ for a laser alignment adjustment?

Time frame ____ asked ____ focused alignment.

Do you have ____ information ____ expected ____ period ____ laser-based ____?

How ____ it ____ do a laser ____?

I need to ____ takes ____ laser alignments.

____ how ____ does it ____?

____ you ____ any ____ about ____ typical ____ for ____ alignment?

How ____ time ____ do an ____ with lasers?

Do ____ need to ____ long it ____ an alignment ____ lasers?

How ____ is ____ alignment fix?

Does anyone ____ the normal ____ is ____ alignments done using ____?

____ like to know ____ timing ____ laser alignment ____.

____ is ____ time for laser ____ here?

____ is ____ standard completion ____ when ____ an ____ using ____?

____ will ____ take ____ alignment to be ____ with those ____ lasers?

How ____ it ____ for ____ adjustments?

In ____ cases, ____ much ____ needed ____ aligning ____ a laser?

Is ____ way to know a ____ for ____ laser-guided ____ adjustment?

How ____ does it take ____ perform a ____?

How ____ usually take ____ perform an alignment ____ lasers?

Can ____ me ____ the ____ for a laser-guided alignment ____?

____ length of completion for alignments ____ use ____?

____ anyone know how ____ it takes ____ an ____ amendment ____?

How ____ will ____ for ____ with the fancy lasers?

Is ____ check ____ long it takes to ____ with ____?

Are ____ sure ____ expected ____ for laser-based ____ adjustments?

Is there ____ long it ____ perform ____ precision ____ correction with lasers?

____ is the time ____ a ____ laser-assisted ____?

____ a ____ laser-assisted alignment ____ is?

I need to know about the completion ____.

Is ____ an estimate ____ long ____ correct an alignment using ____?

____ you ____ the typical duration for ____ laser ____?

I _____ to know about _____ usual completion period _____.

A typical _____ alignment _____?

_____ a way _____ know what _____ time is _____ a _____ alignment _____?

I want to _____ the _____ time _____ aligning with _____.

_____ you tell _____ the _____ length _____ laser-guided alignment _____?

_____ sure how _____ takes _____ an alignment amendment with _____.

_____ curious _____ the standard _____ required for _____ with _____.

Is it _____ it _____ take _____ align with lasers?

_____ average time for laser _____.

Is it possible _____ know _____ standard _____ required _____ with lasers?

_____ much time _____ for _____ precision alignment _____ using lasers?

_____ would _____ standard completion _____ when _____ an _____ with laser _____?

_____ long it _____ to re- _____ using lasers?

How _____ laser-based _____ take?

_____ much _____ it takes for _____ alignment _____?

_____ long do _____ think _____ will _____ for a _____ to be _____?

_____ long _____ it _____ to align _____ lasers?

_____ time do you need _____ with lasers?

How _____ does _____ take?

_____ average _____ for _____ alignment adjustment _____ unclear.

_____ would like to know how _____ it _____ me _____ lasers.

_____ does it take _____ a _____ alignment _____ adjusted?

_____ a typical _____ an alignment adjustment _____ laser?

Do _____ know how _____ it _____ laser _____?

Are there any _____ duration of laser-driven _____ process?

Is there any information _____ typical _____ for _____?

_____ take a long time?

I would like to _____ standard amount of _____ to _____.

What is the _____ frame _____?

_____ there an _____ of how _____ will take _____ align _____?

_____ alignments: time frame _____?

How long will it take _____ to _____?

I want _____ know how long _____ normally takes _____ alignment _____.

How long _____ align _____ lasers?

_____ know _____ it takes _____ an alignment adjustment using lasers.

Is there _____ for _____ take _____ a _____ alignment correction using lasers.

_____ wonder how long it _____ for _____ alignment _____ to _____ lasers.

_____ me how long it _____ to _____?

_____ about the _____ duration _____ alignment adjustment.

_____ time _____ to get _____ vehicle _____ positioned through use _____?

Will I know the _____ a _____ alignment _____?

Is _____ a _____ the laser-based alignment _____?

How long _____ typically take _____ alignment _____ lasers?

_____ there an _____ on _____ take _____ do _____ alignment correction using lasers?

I am _____ if you _____ give _____ timing _____ laser _____.

How long does it _____ alignment _____ lasers?

Do you _____ any _____ the anticipated time _____ adjustments?

I _____ know how _____ time is _____ aligning with _____.

Can you tell me _____ for _____ alignment?

_____ want to know _____ is required to _____ lasers.

How _____ to _____ an alignment adjustment with _____?
_____ time _____ you _____ it takes _____ align a _____?

I would _____ the standard amount _____ takes to align _____.
_____ would like _____ know _____ time _____ takes _____ complete an alignment _____ using _____.

I need details _____ how _____ is _____ for _____ with _____.

How _____ will _____ take _____ do _____ laser alignment?
_____ is the general _____ taken _____ complete an _____ with _____?

I _____ like _____ it takes _____ align _____ lasers in _____ cases.
_____ long _____ it take _____ alignment adjustment?

I _____ details _____ how _____ to _____ with lasers _____ most cases.

How _____ does _____ to make _____ adjustment _____ a _____?
_____ long can _____ be done?

Checking the time it _____ an _____ with _____.

How much _____ for _____ to _____ my alignment with _____ lasers?

Is _____ you to tell _____ the time required _____ laser-guided _____ adjustment?

How _____ does _____ take for _____ using lasers?
_____ should _____ alignment adjustment take?

I _____ to know _____ long it takes _____ do _____ lasers.

I _____ to _____ about _____ standard time _____ for _____ lasers.
_____ there an estimate _____ the _____ precision alignment _____ using lasers?
_____ do _____ know _____ long it takes _____ complete _____ alignment _____ using _____.
_____ the _____ for _____ alignment?
_____ is _____ for _____ laser alignment?
_____ you have _____ complete _____ laser-guided alignment adjustment?
_____ long does _____ takes for _____?

Is _____ information _____ duration of _____ laser-guided alignment _____?
_____ long it _____ alignments?

What _____ the normal length of completion _____?

_____ checking the time _____ takes to _____ with _____?

Can _____ the _____ of _____ for aligning with lasers?
_____ long it normally takes _____ complete _____ alignment _____?
_____ curious about _____ timing details _____ laser _____.

Time for _____?

Is there a _____ know _____ usual _____ for completing _____ laser-guided _____?

How _____ it takes _____?

Do you _____ any _____ on _____ for _____ alignment adjustments?
_____ me the time _____ is _____ a laser-guided alignment adjustment?

I was _____ you could _____ me _____ long a _____ alignment _____.

_____ much _____ you take _____ laser _____ adjustments?
_____ long does _____ take to change an _____?
_____ know how long it _____ for _____ to readjust _____?
_____ time _____ complete _____ alignment adjustment using lasers?

Is _____ specific length of _____ done _____ lasers?

I would like _____ takes to complete _____ alignment amendment _____.

How _____ time _____ takes _____ using _____?

How long _____ a _____ fix _____?

_____ there _____ estimates on the _____ duration of _____?

What _____ alignment adjustment _____?

What _____ the _____ time for _____ alignment _____?

_____ would it _____ to perform a _____ alignment _____ using _____?

Can _____ about timing _____ laser alignment _____?

A _____ wait time _____ lazer filled _____?

_____ time _____ needed _____ use lasers to _____ positioned correctly?

For completing _____ time frame?

Do _____ know _____ long it _____ for a _____?

_____ you tell _____ time is _____ complete a _____ adjustment?

How much _____ for _____ to _____ in most cases?

_____ is _____ general _____ frame for having an _____ adjustment _____?

How _____ did _____ complete a _____ alignment?

Can _____ the usual time for _____ laser-guided _____ adjustment?

_____ typical _____ laser _____ can be provided.

Do _____ know what _____ it takes _____ adjust _____?

_____ me the _____ for laser _____

_____ there any _____ laser _____ adjustments?

_____ numbers _____ the time _____ takes to align _____.

Does it take _____ with _____?

I wanted _____ know _____ much _____ was _____ to _____ with _____.

How much _____ does it take _____?

_____ to know how _____ laser-assisted _____ change takes.

I have a question _____ the _____ length _____ time _____ for _____.

_____ give _____ the _____ of a _____ alignment adjustment?

_____ how _____ it _____ take _____ alignments with lasers.

_____ long do _____ think _____ would _____ to _____ an alignment adjustment _____?

_____ duration _____ a _____ alignment adjustment _____ asked.

_____ time does _____ alignment require?

_____ long _____ takes to use lasers _____ alignment amendment.

_____ it _____ align with lasers?

I _____ like _____ know _____ takes to align _____ lasers.

Time _____ for laser _____!

How long _____ take _____ alignments using lasers _____?

_____ wondering _____ the normal length _____ for _____ done using _____.

_____ long _____ it usually take _____ an adjustment to _____?

_____ long _____ you _____ it _____ for _____ laser alignment?

What is _____ needed _____ the _____ accurately positioned _____ lasers?

How long _____ takes for _____ adjustment _____ be _____ using _____?

_____ are the _____ of completion _____ done _____ lasers?

How _____ is it _____ the _____ adjustments?

_____ long do _____ need _____ a laser alignment _____?

What _____ duration of a _____ laser-assisted _____ fix?

How _____ is needed _____ get _____ positioned using _____?

_____ of a laser-assisted _____?

The _____ time for _____ an alignment adjustment _____ lasers _____.

How _____ a _____ alignment _____ take?

I want to _____ the standard _____ with _____.

_____ is the _____ of completion _____ using lasers?

How _____ a laser-based _____ take _____ complete?

Are _____ on _____ time it _____ for _____ alignments?

What is _____ time _____ adjustments?

How _____ is _____ get _____ vehicle _____ through use _____ lasers?

Estimated _____ for _____ with lasers!

_____ me _____ average _____ time for _____ alignment.

When using laser equipment _____ an _____ completion time?

How long _____ amendment _____ using _____?

How long does it take _____ you _____?

I would _____ learn the standard length _____ required _____ lasers.

_____ needed to _____ the vehicle positioned _____ lasers instead?

How _____ it _____ to align _____ car _____ things?

Is there an estimate _____ the _____ it takes _____ a _____ correction _____?

Can you tell _____ exact time _____ laser _____?

_____ that _____ for _____ laser-based alignment adjustment?

_____ laser alignments take?

_____ long does _____ laser based _____ take _____?

Does a _____ alignment _____?

Do _____ frame for _____ alignment adjustments?

_____ interested _____ standard length of time required _____ aligning _____ lasers.

How _____ do _____ it takes to _____ a _____?

_____ you have _____ information on _____ time period _____ alignment _____?

Time it _____ for _____?

_____ the _____ time taken _____ complete _____ laser alignment _____?

Is there _____ how _____ it _____ take _____ a precision alignment _____ lasers?

_____ there an estimate on _____ amount of _____ needed _____ do _____ using _____?

How _____ it _____ to _____ lasers?

_____ you tell me _____ time _____ takes _____ align _____ laser?

How _____ it typically _____ to _____ lasers?

How _____ to align using _____.

The average duration _____ aligning modifications' _____ not _____.

_____ was wondering how much _____ needed _____ aligning with _____ cases.

How _____ do you _____ will take _____ complete _____ laser _____?

_____ you tell me about _____ period _____ laser technology?

_____ there any _____ on _____ duration _____ laser _____ adjustment?

I _____ more information about _____ long it _____ to _____ in _____.

_____ will _____ take for _____ alignment _____ with lasers _____ done?

How much time _____ lasers to _____ the _____ positioned?

How long _____ to alignment _____?

Do _____ know how much time _____ with _____?

How _____ it take _____ do _____ laser _____?

_____ long do you _____ it _____ laser-based alignment _____?

_____ would _____ how much _____ is needed for _____ with a _____.

I want to _____ it takes _____ an _____ amendment _____ lasers.

_____ is the average duration _____ adjustment

_____ have _____ the _____ for laser-based alignment adjustments?

_____ much _____ is _____ get the _____ positioned with lasers _____?

Can _____ average duration for a _____ alignment _____?

What is _____ actual _____ takes _____ a _____ using lasers?

I would _____ the standard _____ of time required _____ with _____.

Is _____ amount of _____ perform a precision alignment correction _____ lasers?

_____ any _____ about _____ time frame _____ laser-based alignment adjustments?

Is there _____ way _____ how _____ will _____ to _____ a laser-guided _____ adjustment?

_____ much _____ laser-assisted _____ change take?

How long _____ take _____ laser _____?

I _____ know how _____ it _____ laser alignments.
 How _____ would it _____ an _____ adjustment _____ lasers?
 Is _____ know _____ typical length _____ a laser-based alignment _____?
 _____ long _____ alignment adjustment?
 _____ there _____ on how long it will _____ perform a _____?
 Is _____ possible _____ me _____ time _____ takes for _____ alignment?
 _____ average time is for _____ laser alignment.
 _____ time for laser _____?
 The average _____ aligning _____ completion process _____ unclear.
 Do _____ know _____ of using lasers _____ vehicles?
 _____ it usually _____ perform an alignment _____ using lasers?
 Does _____ how _____ it takes to use _____ alignment _____?
 _____ time _____ for me to align with _____?
 I would like _____ know _____ of time _____ alignment with _____.
 How long is _____ aligning _____?
 I need _____ how _____ it takes _____ a _____.
 How long can _____ alignment _____?
 Please _____ me how _____ takes _____ align with _____.
 I am _____ sure _____ I know the _____ for _____ laser-based _____.
 Is _____ possible _____ know _____ it will take for a _____?
 Does _____ of time it will _____ perform a _____ alignment _____ lasers?
 _____ does it _____ a _____ amendment to _____ completed using _____?
 I want _____ know _____ long _____ takes to _____.
 Will _____ know how long _____ to do _____ alignment _____?
 _____ want _____ know _____ length of _____ necessary _____ with lasers.
 _____ tell me _____ time it will _____ laser-guided alignment adjustment?
 _____ frame for _____ adjustment?
 What time _____ will _____ tweaking _____?
 Do _____ timing _____ laser alignment _____?
 Do _____ know _____ it _____ after using lasers?
 How much time _____ do _____ alignment with _____?
 How _____ to make _____ alignment adjustment using _____?
 _____ you know how long it takes _____?
 I would like _____ aligning _____ through laser technology.
 Can I _____ duration for a laser-based _____?
 I want _____ the standard lengths _____ required for _____ lasers.
 _____ information _____ normal _____ of completion _____ alignments _____ lasers?
 _____ it _____ perform _____ alignment adjustment using lasers.
 I want _____ know how _____ laser-assisted alignment _____ is _____.
 _____ me _____ long _____ for _____ alignment.
 Please tell _____ to perform _____ alignment adjustment with _____.
 Can you tell _____ the _____ adjustments?
 _____ you prepared _____ expected time _____ alignment adjustments?
 _____ us how _____ takes for an alignment adjustment _____.
 _____ long _____ the _____ changes take?
 I _____ how long _____ takes to _____ adjustment _____ lasers.
 Tell me _____ the _____ alignment.
 _____ be considered _____ time _____ doing an _____ using a _____?
 _____ have details _____ aligning _____ lasers _____.
 _____ a _____ duration of _____ laser-guided _____ adjustment?

Is _____ any _____ information on _____?

I would like _____ the _____ length _____ time required for _____.

_____ how long _____ takes _____ an _____ amendment with lasers.

_____ was _____ about _____ length of _____ align with lasers.

_____ much _____ will _____ take to _____ an alignment adjusted with _____?

I _____ knowing _____ details on laser _____ adjustments.

_____ long does it _____ a _____ to take?

_____ is _____ time it _____ do an _____ lasers?

I would like _____ typical duration _____ a _____ adjustment.

_____ is _____ amount _____ time needed _____ aligning with _____ in _____?

I _____ to know _____ amount of _____ to _____ lasers.

_____ tell me how long _____ takes to align _____ most _____?

Tell _____ time for a _____.

Laser-assisted alignment _____?

What is _____ laser alignment?

_____ there _____ on how long it _____ to _____ a precision _____ lasers?

I need to _____ standard length _____ align _____ lasers.

Has _____ a _____ duration _____ laser _____ adjustment?

How long does _____ with lasers?

_____ am _____ much time it takes _____ complete _____ amendment using _____.

Do _____ know how _____ a _____ adjustment _____ last?

I'm _____ laser alignment adjustments.

_____ you _____ typical duration for laser _____ adjustment?

_____ is the time _____ laser alignment _____?

_____ there a way _____ the _____ frame _____ the _____ alignment adjustment?

Can _____ tell _____ average time _____ laser alignment?

How long is _____ for _____?

_____ there an estimate _____ it _____ take to _____ alignment correction _____ lasers?

_____ it possible _____ give _____ numbers on _____ time _____ takes for _____?

How _____ need _____ aligning with _____?

Is there a way to _____ for completing _____ adjustment?

The average duration _____ laser-based alignment _____.

How long are _____?
