

[Demo] NLP Dataset for Customer Service Automation

Company Type	Smartphone Manufacturers
Inquiry Category	User manual and user guide inquiries
Inquiry Sub-Category	Battery and charging
Description	Customers seeking information on battery performance, optimizing battery life, troubleshooting charging issues, or inquiring about the use of specific charging accessories or methods.
Data Size	5,135 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Smartphone Manufacturer" customer inquiry. (Purchased data will not be masked.)

_____ electrical socket _____ differences across countries, what other _____ adapter _____ might _____ while _____ ?
_____ the different _____ one might need _____ international travel?
Considering that there are many _____ shapes _____ many countries, _____ need?
Can there be _____ plug _____ types _____ for overseas _____ ?
Changing electrical _____ shape/size is _____ thing, _____ what other plug _____ outside?
_____ some _____ types _____ travelers should consider carrying abroad?
_____ are _____ differences _____ the electrical _____ in different _____ I _____ other types of plug-in?
What are _____ alternative forms _____ plug-in that _____ carrying _____ ?
What else should you carry overseas _____ need for _____ electrical _____ or _____ ?
_____ is one thing, but what other plugs _____ abroad?
While traveling abroad, what _____ plugs _____ be _____ besides _____ different _____ ?
_____ other types _____ plugs might one _____ travel?
Is there _____ other _____ types _____ are _____ for _____ voyages?
Is _____ a need _____ of plugs _____ adjusting _____ inconsistencies _____ abroad?
What other types of _____ carry _____ from _____ ones needed for _____ electrical outlet _____ or _____ ?
_____ that there are many electrical sockets _____ countries, _____ plugs _____ when travelling abroad?
There are many electrical shapes and sizes found _____ the different countries so _____ abroad?
There _____ in electrical sockets in different nations, _____ any other _____ plug-in?
Do you _____ any other _____ adapters while _____ travel _____ ?
_____ it _____ to _____ alternative forms of _____ for shape/size _____ soil?
_____ are _____ and _____ of _____ sockets found in _____ countries, _____ what other plug _____ you need?
Given _____ differences _____ sockets shapes/sizes, which other plug _____ traveling _____ ?
Travelers _____ to adjust _____ different _____ configurations _____ countries, what _____ they _____ ?
_____ are _____ and _____ found _____ many _____ what other plugs would _____ if travelling abroad?
During _____ travels _____ from different electrical _____ are there _____ adapter _____ ?
Should there _____ any _____ adapter types essential _____ ?
There are many _____ sizes _____ in various _____ so what _____ one _____ travelling abroad?

_____ abroad, _____ plugs _____ one _____ considering the different electrical sockets _____ ?

What _____ types _____ plug _____ be needed _____ international _____ ?

Other _____ addressing _____ electrical _____ differences _____ the _____ plugs should _____ carried?

_____ plugs would _____ need while _____ the _____ sockets in _____ different countries?

_____ that there _____ many electrical _____ in the _____ countries, what _____ plugs _____ one need when _____ ?

_____ other _____ adapter _____ would one need, considering the different _____ sockets _____ ?

_____ that there are _____ shapes _____ sizes found _____ countries, what plugs would _____ travelling _____ ?

In addition to _____ to _____ power outlet _____ and _____ while _____ vacation _____ about _____ plug _____ ?

Is there any specific _____ type apart _____ in electrical sockets that _____ need when _____ ?

_____ differences in electrical _____ different _____ but _____ need any other _____ plugs while travelling overseas?

_____ from adjusting _____ power _____ around _____ globe, what else _____ travelers _____ selecting appropriate plug _____ types?

Considering _____ there are many _____ found _____ countries, _____ other plugs would one _____ when _____ ?

There _____ electrical _____ in _____ so _____ other plug adapter _____ would you need?

There are _____ electrical shapes sockets/sizes found _____ different _____ other _____ adapter types _____ one _____ travelling _____ ?

Aside from _____ to different _____ outlet setup _____ parts _____ else _____ travelers _____ selecting _____ plug adapters types?

_____ electrical _____ is one thing, but what _____ types should one _____ ?

Changing electrical _____ varies _____ plug adapter _____ need to _____ abroad?

There _____ found _____ many _____ so what _____ adapter types would _____ need?

Aside from adjusting to _____ power outlet _____ parts _____ what _____ travelers _____ selecting plug _____ types?

_____ need _____ alternative types _____ plugs besides adjusting for _____ in foreign _____ ?

Do you _____ any _____ type of _____ abroad?

_____ additional _____ needed _____ abroad, besides those for different electrical _____ ?

_____ other types of plug adapters if _____ travelling _____ ?

Considering that _____ many _____ sizes _____ in _____ countries, what _____ plug-in types would _____ need?

_____ plugs _____ someone need while traveling?

Aside _____ adjusting _____ different _____ configurations around the _____ what else should _____ consider _____ plug _____ types?

During my travels _____ from different electrical outlets, _____ adapters _____ ?

There are many _____ found _____ different _____ so what _____ plug adapter _____ would _____ travelling abroad?

During international travel, _____ plug adapter might _____ ?

_____ there any need for _____ of _____ adjusting _____ shape/size inconsistencies found _____ ?

There _____ obvious _____ in electrical _____ different countries, _____ I need any other _____ of _____ ?

_____ are obvious _____ in _____ electrical _____ different nations, but do _____ plug-ins?

_____ the different _____ differences in some countries, _____ other plug adapter _____ would _____ ?

Considering _____ are _____ electrical shapes sockets/sizes _____ several _____ other plug adapters _____ one need?

What plugs _____ be _____ during _____ trips other than _____ various _____ ?

_____ abroad, apart _____ different electrical _____ are _____ additional plug-ins?

_____ that there _____ found in various countries, _____ other _____ types would one need?

_____ electrical sockets _____ countries _____ other plug _____ types would _____ required?

There are a lot _____ electrical _____ and sizes _____ different _____ what _____ when travelling abroad?

_____ that there _____ electrical _____ found in _____ countries, _____ plugs would one need _____ ?

_____ there _____ many electrical _____ found _____ different _____ what plugs would you _____ when _____ ?

_____ there _____ found in many countries, what _____ plug adapters types would one _____ ?

_____ have _____ adjust to _____ outlet _____ across _____ do _____ need in terms of plug _____ ?

Travelers need _____ power outlet _____ around the _____ but what _____ should _____ ?

_____ that _____ many electrical shapes and sizes found in _____ countries, _____ other plug _____ be _____ travelling _____ ?

Apart _____ needed _____ managing different _____ outlet _____ or designs, what _____ types _____ adaptors _____ carry _____?
 Apart from accommodating _____ what other types _____ one _____ international _____?
 Considering _____ there are many _____ shapes in different _____ one need _____ travelling _____?
 There _____ differences _____ electrical sockets across _____ countries, _____ do I _____ of plug-ins?
 During _____ apart _____ electrical outlets, _____ more plugs required?
 There _____ obvious _____ in different countries, but _____ I need any _____ forms _____?
 What plugs _____ when travelling _____ considering the _____ electrical _____ countries?
 _____ that _____ many electrical shapes _____ many countries, what _____ of _____ one need?
 Considering the _____ electrical Socket _____ in _____ other plugs _____ need?
 Considering the different electrical _____ different _____ else would _____ abroad?
 _____ are many electrical sockets/sizes _____ several _____ what other _____ adapters _____ would _____ need?
 Given the different _____ sizes _____ electrical sockets _____ other _____ be necessary?
 Is _____ plug adapter type _____ accommodating _____ changes _____ electrical sockets that tourists _____ need while _____?
 _____ from adjusting _____ different _____ outlet _____ in different _____ the world, _____ other things _____ travelers _____?
 What other types _____ plugs might _____ outside _____ the _____?
 _____ plugs _____ required for traveling _____ for different electrical _____?
 _____ are a lot of electrical shapes _____ sizes _____ what _____ would one need when _____?
 If you're _____ you need any other _____ of _____?
 What _____ need when travelling _____ the different _____ the different countries?
 _____ than accommodating _____ power outlets worldwide, _____ additional _____ adapters _____?
 _____ from _____ to _____ setup _____ different parts of the _____ what else should travelers consider _____ selecting _____ right _____
 _____ plugs are _____ abroad _____ those for different _____ shapes?
 Changing _____ sockets shape/size varies across countries _____ adapter _____ would it _____ to _____?
 What _____ types _____ plug adapter _____ needed _____ international _____?
 Aside from adapting plugs _____ distinctive _____ around the _____ are _____ other _____ asaptor one should _____?
 _____ going to go overseas, _____ any _____ adapter types _____ are _____?
 Changing electrical sockets _____ and _____ is _____ thing, _____ what _____ plug _____ should _____ use _____?
 _____ there _____ many electrical shapes and _____ in _____ other plugs would one _____ travelling?
 _____ are many electrical _____ sizes _____ different countries, _____ other _____ would one need when _____?
 Other _____ addressing electrical receptacle _____ specific plugs _____ travelers _____?
 What _____ traveling abroad, besides those for _____ sockets?
 Considering _____ electrical shapes and sizes _____ in different countries, _____ need _____ traveling abroad?
 What other forms _____ asaptor one must _____ adapting plugs _____ power sockets _____ world?
 There _____ many electrical sockets/sizes found in many _____ so _____ plug _____ when travelling _____?
 Do _____ any other types _____ plugs _____ abroad?
 During my travels _____ different _____ there additional _____ adapters required?
 _____ there _____ for _____ forms of _____ besides adjusting for _____ shape in _____?
 _____ electrical _____ isn't the _____ that might _____ need _____ traveling abroad?
 Considering _____ there are many electrical shapes _____ different countries, _____ other plug _____ would one _____ abroad
 Even _____ there _____ electrical shapes and _____ found _____ different _____ what _____ adapter _____ one need?
 What plugs _____ be _____ besides those _____ sockets, _____ traveling _____?
 Changing _____ shape/size varies across countries, _____ other _____ one need _____?
 There are _____ differences in electrical sockets _____ nations, but _____ need any other _____?
 What _____ need if _____ to _____ to different _____ configurations in _____ countries?
 What _____ types of _____ might _____ required for _____?
 _____ that _____ many _____ found in several _____ what _____ one need when travelling?
 What _____ types of _____ would _____ needed _____ traveling _____?
 While _____ abroad, what additional _____ may be _____ ones _____ electrical _____?

_____ there are _____ electrical _____ and sizes found in _____ different countries, _____ you need?

If _____ have to _____ to _____ configurations _____ what _____ do they _____?

_____ do _____ in _____ sockets besides adjusting to different outlet _____?

When on vacation _____ you should _____ to different _____ and sizes, as _____ types.

_____ other types of _____ travel abroad?

There are _____ shapes and _____ in _____ countries so what _____ would _____ need _____ travelling _____?

_____ many _____ shapes sockets/sizes found _____ what other _____ adapter types would one need _____ travelling _____?

_____ forms of plug sockets _____ travelers _____ want to _____ abroad?

_____ you _____ other forms of plugs _____ travelling _____?

_____ different _____ in different countries, _____ types of _____ one need?

_____ internationally, _____ specific _____ of plug _____ you carry?

Aside from _____ power _____ around _____ should travelers consider when selecting appropriate _____ adapters?

In addition _____ changing sockets by means of _____ other _____ when _____?

_____ types of _____ one _____ traveling internationally?

Adapting _____ different power _____ shapes and _____ across countries _____ on _____ one _____ but what about _____ that _____ be

Considering _____ many _____ found in _____ what other _____ adapter types would one need _____ travelling _____?

_____ you travel _____ you need _____ other _____ plug adapters?

Other than addressing _____ receptacle _____ worldwide, which _____ plugs _____ abroad?

What other _____ one _____ while _____ abroad, considering the _____ electrical _____?

_____ types of plugs _____ one _____ internationally?

What _____ types of _____ while traveling abroad?

_____ the different electrical _____ different _____ other _____ sockets would one _____?

_____ of plugs would _____ for traveling _____.

What other plugs _____ be required _____ electrical sockets?

_____ plugs may _____ required _____ abroad besides those _____ electrical _____?

What _____ would one need _____ traveling abroad, considering _____ different countries?

_____ types of power _____ should _____ use _____ trips?

There _____ shapes and sizes found _____ many countries, _____ other _____ would _____ need _____ abroad?

_____ that there are many _____ and sizes _____ various _____ what other _____ one _____ when _____ abroad?

_____ travelling abroad, what _____ may _____ required, besides _____ for electrical _____?

_____ need _____ use _____ types of plug-ins while travelling _____?

_____ have to adjust to _____ configurations across _____ more _____ they need _____ terms of _____?

Given the differences _____ electrical _____ which other plug adapters _____?

_____ that _____ are _____ electrical _____ sizes in many _____ what other plugs would _____ travelling _____?

Considering there are many _____ shapes sockets/sizes _____ countries, _____ type of _____ need when _____?

_____ that there are many electrical shapes/sizes found _____ would _____ when _____ abroad?

_____ there _____ electrical _____ sockets/sizes found _____ various _____ what _____ plug adapter _____ would you _____?

Considering there are _____ shapes sockets/sizes _____ different countries, _____ plug adapter _____ would one need _____?

In _____ adapting _____ outlet _____ sizes across _____ what about extra _____ types that could _____ essential?

_____ adapting plugs for distinctive _____ sockets _____ world, what are _____ essential forms _____ asaptor one _____.

_____ electrical _____ shape/size _____ countries, _____ other _____ adapters _____ one need _____ travel abroad?

_____ are required _____ travelling _____ besides _____ for different electrical sockets _____?

_____ the different electrical Socket Shapes andSize _____ what other plug _____?

There _____ sizes of _____ sockets _____ in many _____ so _____ would _____ need when travelling abroad?

_____ the different _____ andSize differences _____ other plug _____ would you need?

Considering there _____ many electrical shapes and sizes _____ in _____ what _____ types _____ need?

What _____ one need _____ international _____ from accommodating diverse _____?

_____ are obvious differences in the _____ countries, but _____ any other types of _____ while _____?

What are _____ forms of _____ adapter that _____ abroad?

_____ types of _____ should one _____ internationally?

Apart _____ what other _____ of plugs might _____ during international travel?

_____ you _____ other _____ of plug-in if _____ are _____ abroad?

Changing _____ shape and size isn't the _____ that _____ one _____ outside?

Changing _____ shape _____ thing, _____ other plug _____ types _____ one use _____ abroad?

Considering _____ there are many electrical _____ and sizes _____ in _____ type _____ would one _____ abroad?

When _____ vacation _____ you need _____ adapt to _____ outlet _____ and sizes, _____ extra plug _____.

_____ you _____ any _____ while travelling _____ to _____ dissimilarities in electrical sockets?

_____ traveling abroad, what _____ required besides those for _____?

_____ are _____ differences in _____ electrical sockets _____ various nations, but do I _____ any _____?

What _____ of plugs _____ you need when _____?

When _____ to _____ outlet shapes _____ sizes, but what _____ extra plug types?

_____ travelling _____ other plugs _____ one _____ considering the different electrical _____ and Size _____?

_____ would _____ to travel abroad and _____ sockets shape _____ size?

_____ are many electrical shapes and _____ countries, _____ other plug _____ would one _____ travelling abroad?

_____ of plug-ins should _____ while _____ internationally?

What other types of adaptors would you _____ overseas, apart from those _____?

Considering that _____ are many _____ found _____ several countries, _____ plugs would _____?

_____ sockets shape and size _____ countries, what other _____ adapters types would _____ to _____?

_____ the differences in _____ other plug adapter _____ needed _____ traveling _____?

_____ the different sockets _____ would _____ types of plug?

Do _____ need _____ other types _____ plug _____ while _____ travel _____?

Do _____ need any _____ travelling _____ because of the _____ sockets?

_____ there are _____ electrical shapes/sizes _____ in _____ what _____ Adapter types would one _____?

_____ different _____ sockets in _____ what other plugs would _____ travelling abroad?

_____ types _____ might _____ need during international travel?

_____ addition to adapting to different power _____ and _____ about _____ plug types?

_____ electrical shapes and _____ found in _____ so what other _____ adapter types would _____ need?

Considering _____ different electrical sockets in _____ plugs would _____ when _____ outside?

_____ there _____ many electrical _____ and sizes in many _____ plugs _____ one need _____ abroad?

_____ travelling abroad, _____ plugs would you need, considering _____ electrical _____ in _____?

What _____ plugs _____ be needed for _____ travel?

Changing electrical _____ shape/size _____ thing, _____ what _____ adapters _____ one use outside?

Considering _____ sockets/sizes found in many countries, what other plug adapter _____?

_____ traveling _____ other _____ need, _____ the _____ electrical sockets _____ the different countries?

Changing _____ sockets shape/size _____ one thing, what other plug adapters _____?

Changing electrical _____ one thing, _____ plug plugs _____ use abroad?

_____ you are _____ need any other _____ plug adapters?

Other _____ addressing _____ differences in other countries, which _____ plugs _____?

Do _____ need _____ other _____ while travelling _____ the different electrical _____?

Do you need _____ use any _____ forms _____ while _____?

There are _____ electrical shapes and sizes found _____ so what _____ would one _____ when _____?

There _____ electrical shapes _____ sizes _____ found _____ countries, _____ what other plug _____ types would _____ needed when _____?

_____ that _____ many _____ shapes _____ found in _____ countries, what _____ would _____ when travelling abroad?

_____ that there are many _____ in various _____ what _____ one need when _____?

Considering the _____ electrical Socket _____ and Size _____ in _____ type _____ plug is needed when _____?

Which _____ plug adapter should _____ use _____ traveling _____?

_____ be _____ during foreign trips, other than accommodating _____?

What _____ be needed during foreign _____ than _____ power _____?

_____ sockets shape _____ size isn't the _____ that might _____ need _____ traveling _____?

_____ would one _____ abroad, considering the _____ shapes _____ sizes of electrical _____?

_____ the _____ and sizes in different countries, what other _____ types _____ you _____?

_____ additional plugs _____ required _____ besides those _____ different electrical _____?

Do you need _____ forms of _____ when _____?

What other _____ of _____ required _____ internationally?

Considering the _____ sockets in different _____ other _____ adapters _____ one _____?

_____ that there _____ various countries, _____ other plug adapter _____ would you _____?

What plugs _____ abroad besides those _____ electrical sockets?

_____ adjusting to _____ power outlet _____ in different parts of _____ world, _____ other _____ should _____?

_____ travelers _____ to different outlet configurations _____ what more _____ need?

Considering the _____ and sizes in different _____ what _____ would _____ need?

_____ the _____ andSize _____ of _____ countries, what _____ plug adapter types _____ one _____?

There _____ shapes/sizes found in various _____ so _____ other _____ one _____ while _____ abroad?

_____ adjust to _____ outlet configurations _____ over _____ world, _____ what _____ do they _____?

_____ the different _____ and _____ of electrical _____ which _____ plug _____ be _____ overseas?

Considering that there _____ electrical _____ and sizes _____ in _____ countries, _____ adapter types _____ you need?

_____ addition to _____ for _____ around _____ world, _____ else should one bring?

_____ shape/size is one _____ what _____ plug sockets types _____ one use _____?

_____ that there are many electrical shapes _____ sizes _____ in _____ countries, what _____ types _____?

_____ plugs may be required _____ foreign trips, _____ various _____?

Aside _____ adjusting to different power _____ setups around _____ globe, _____ take _____ plug adapter types?

_____ from adjusting to _____ power _____ of the world, what else _____ travelers consider when _____ plug _____?

_____ plugs should _____ consider _____ traveling internationally?

_____ sockets _____ there any other types essential for _____ trips?

Apart from accommodating _____ sockets, what other types _____ one _____ travel?

_____ can _____ different _____ outlet _____ sizes _____ while on _____ overseas, but what about _____ plug types?

_____ any other _____ of _____ I _____ when travelling overseas?

_____ sockets shape/ _____ is _____ thing, but _____ plug _____ types should one _____?

In addition _____ adapting _____ different power outlets in different _____ vacation, _____ plug _____ that _____ essential?

There _____ electrical sockets/sizes _____ countries, _____ other _____ adapter types would one _____ travelling abroad?

Which _____ should _____ internationally, other than addressing electrical receptacle _____?

Should there _____ alternative forms _____ adjusting _____ shape/size _____ encountered _____ foreign _____?

Considering _____ there _____ shapes sockets/sizes found in different countries, _____ plugs would _____ when _____?

_____ may _____ while traveling abroad, _____ those for different _____ sockets _____ sizes?

_____ than _____ receptacle differences worldwide, which _____ plugs _____ when traveling?

There _____ many electrical _____ and _____ in _____ so _____ other types _____ would one need when travelling _____?

_____ electrical _____ shape _____ but what other plug adapter _____ should _____ use _____?

What _____ plugs would _____ needed while _____?

_____ from _____ different _____ outlet setup _____ the globe, _____ things should _____ consider _____ appropriate _____ adapter types?

_____ shape of electrical sockets _____ one _____ what other plug adapters types _____?

What plugs may be _____ foreign trips other _____?

Travelers _____ to adjust _____ different outlet configurations across _____ and what _____ do _____ need _____?

Considering _____ shapes/sizes _____ in various countries, _____ other _____ adapter _____ would one need?

_____ of plug sockets should _____ consider _____ traveling _____?

Which other plug _____ types would _____ to _____?

_____ other types of Adaptors _____ carry overseas, _____ from _____ electrical outlets?

Considering _____ there are _____ shapes/sizes _____ countries, _____ other _____ adapter _____ one need when travelling abroad?

_____ accommodating _____ power _____ worldwide, what _____ plug-in may be _____?

_____ plugs would _____ need _____ considering the different electrical sockets _____ the _____?

There _____ many _____ sizes _____ in _____ so _____ other plugs _____ one need when travelling _____?

_____ type of power plugs do _____ trips?

_____ addition _____ changing plugs for _____ power sockets _____ the _____ some _____ forms of _____ must bring?

There are _____ electrical shapes and sizes _____ in _____ so what _____ plugs _____ travelling abroad?

Is _____ plugadapter types apart _____ accommodating changes _____ electrical sockets _____ tourists might _____ travelling _____?

_____ electrical _____ shape/size _____ and _____ other plug accessory _____ one _____ to travel abroad?

What other _____ adaptors should you carry overseas, _____ for _____ different _____ or designs?

_____ are needed when traveling _____ besides _____ for _____ shapes or _____?

What _____ need when travelling abroad, considering _____ electrical _____ in _____?

Given the _____ in _____ sockets shapes/sizes, which _____ plug _____ be _____?

Is _____ required _____ my _____ abroad, _____ from the different electrical _____?

There _____ many electrical _____ and sizes _____ the different _____ plugs would _____ need _____ abroad?

For _____ electrical _____ or sizes, _____ may be _____ while _____ abroad?

_____ may _____ to _____ abroad besides those for _____ sockets shapes _____ sizes?

What other plugs _____ be _____ for different electrical sockets?

Considering that _____ many _____ found in various _____ what _____ would one _____ when _____ abroad?

Is there any specific plug _____ type apart from accommodating _____ electrical sockets _____ while _____?

Changing _____ shape/size _____ one thing, _____ other _____ adapter types _____ be needed _____?

_____ may be _____ while _____ apart from the ones _____ electrical _____?

_____ you _____ to adapt to _____ shapes and sizes, as _____ as _____ plug types.

Changing electrical sockets shape/size is _____ thing, but _____ adapter _____ one _____ traveling _____?

Considering _____ there are many electrical sockets/sizes _____ in _____ one _____ when traveling abroad?

_____ on _____ and adapting _____ different power _____ shapes and _____ what _____ extra _____?

_____ you need any other _____ you're _____ abroad?

_____ are _____ electrical shapes and _____ in various countries, _____ other _____ would _____ when travelling _____?

_____ addition _____ adapting to different _____ shapes and _____ in different _____ what _____ extra _____ that _____ required?

_____ Shapes _____ in different countries, _____ plug adapter types would one need?

_____ travelling abroad, _____ many _____ sizes of sockets _____ what other _____ adapter types _____ one need?

_____ tell _____ there are _____ other _____ adapter _____ that _____ for overseas trips.

There are many _____ shapes _____ sizes _____ sockets _____ in _____ countries, _____ what _____ plugs would _____?

_____ other types _____ can one _____ during _____ travel?

Considering _____ are many _____ found _____ different countries, _____ plugs _____ need when _____ abroad?

Considering _____ there are _____ countries, what other _____ one need?

_____ you _____ any other _____ of _____ adapters when _____?

There are _____ and sizes found in _____ different countries, so what _____ plug adapter types _____?

Do you _____ any other _____ of _____ going _____?

When _____ a global _____ I _____ more _____ just _____ electric _____ arrangement?

_____ from _____ the different _____ setup in _____ parts of the _____ else _____ travelers _____ selecting appropriate _____ adapter types?

_____ types of plug _____ consider while _____ internationally?

_____ any extra _____ overseas travel, apart _____ accommodating _____ sockets?

_____ plugs would one need when _____ abroad, considering the different _____ Socket Shapes _____?

Changing electrical _____ varies _____ and what other _____ types would one _____ travel _____?

_____ may be needed while _____ for different _____ sockets?
 _____ other _____ of plug _____ might _____ person _____ during international _____?
 _____ differences in _____ sockets _____ but do I need any other _____ when _____ overseas?
 _____ that _____ many electrical shapes _____ found in _____ countries, _____ need when travelling abroad?
 _____ plugs _____ required _____ travelling abroad, _____ the ones for electrical _____?
 _____ for _____ power sockets around the world, _____ are _____ essential _____ of adaptor _____ bring?
 _____ would someone need when travelling abroad?
 Aside _____ adjusting _____ outlet _____ parts of the world, _____ other _____ when selecting
 appropriate plug adapters types?
 Considering the _____ Shapes and Size _____ in _____ what other _____ types would _____ need?
 What _____ do one need _____ while changing _____ shape/size?
 When I _____ with _____ in outlet _____ any _____ needed?
 Changing _____ sockets shape/size differences across _____ thing, but what other _____?
 _____ other types of _____ sockets might _____ during _____ international _____?
 What _____ required while _____ besides those for electrical _____?
 What _____ needed when traveling abroad?
 _____ abroad, apart from different electrical _____ any extra plug _____?
 Travelers _____ adjust _____ power outlet _____ around the globe, but _____ consider?
 Which _____ of _____ should be _____ while _____?
 Is there _____ essential for overseas _____ to unique _____ variations?
 _____ traveling _____ which specific _____ of _____ adapter _____ you _____?
 _____ there _____ many electrical shapes/sizes _____ the different countries, _____ adapters would one _____?
 There _____ and sizes found in various countries, _____ types of plugs _____ travelling abroad?
 Aside _____ adjusting to _____ in _____ of the _____ what _____ considerations _____ travelers _____ when choosing
 appropriate plug _____ types?
 _____ obvious differences in the electrical _____ different _____ I _____ any _____ forms of _____?
 _____ is _____ but _____ other plug adapters types should one _____ abroad?
 In _____ adapting to _____ outlet shapes and sizes in _____ countries, _____ types _____ might be _____?
 _____ traveling internationally, which kind _____ adapters _____ carried?
 Aside from accommodating _____ sockets, what other _____ of _____ one _____ during _____?
 In addition to adapting plugs _____ distinctive power _____ the world, _____ are _____ other _____ forms _____?
 _____ sockets _____ size is one thing, but _____ adapter _____ might one need _____ abroad?
 _____ accommodating _____ power outlets worldwide, what _____ plug _____ needed?
 _____ have alternative forms _____ besides adjusting for size _____ shape in _____?
 Apart _____ accommodating _____ electrical _____ types would _____ during international travel?
 Do you _____ any _____ travelling abroad?
 _____ plugs _____ need when travelling abroad, considering _____ sockets in _____ different _____?
 What _____ needed _____ for sockets _____ the shape _____ when _____ internationally?
 _____ addressing _____ receptacle differences _____ which specific _____ adapters _____ be carried?
 _____ different electrical sockets in _____ countries, _____ types would one _____?
 Considering _____ there _____ many _____ sizes _____ countries, _____ type _____ plugs _____ one need when travelling
 abroad?
 Considering there are many _____ shapes and _____ different _____ what plugs _____ need while _____?
 Given the _____ in _____ sockets shapes/sizes, _____ other plug _____ overseas?
 Considering _____ many _____ shapes and sizes in _____ other plug _____ types would _____ need?
 _____ that _____ are many electrical shapes sockets/sizes found in many _____ would one _____?
 Considering the _____ Shapes and Size differences _____ some countries, _____ other _____ you _____ travelling
 abroad?
 Do _____ have _____ any other _____ of plug _____ travelling _____?
 With the _____ in _____ which other plug adapters may _____?
 _____ other _____ be required to travel?
 _____ it _____ use _____ plugs besides adjusting for _____ in _____ soil?

Can _____ be any _____ essential for _____ trips?

_____ vacation overseas, we need _____ different _____ sizes, but what about extra plug _____?

Considering the _____ Socket Shapes _____ in _____ other plug _____ would one _____?

What other types of _____ do _____ abroad?

_____ electrical sockets shape _____ one thing, but what _____ plug _____ abroad?

_____ other _____ of sockets _____ you _____ carrying _____ apart from those needed _____ managing _____ electrical _____?

What else should _____ carry overseas, _____ from _____ different _____ outlet _____ or designs?

Changing electrical sockets _____ size is _____ but _____ other plug _____ types _____?

Are there any _____ required for overseas _____ apart from _____ sizes?

Along _____ adapting _____ for distinctive power sockets around _____ globe what _____ forms _____ must bring?

_____ plugs _____ one _____ when _____ abroad, _____ the _____ Socket _____ and Sizes in different _____?

Is it necessary _____ any _____ of _____ adapters _____ travelling abroad?

Considering the different electrical _____ in some _____ what _____ plug adapter types would _____ needed _____?

_____ sockets _____ means of _____ are any other _____ needed _____ traveling _____?

Considering the different electrical sockets _____ different countries, what _____ plugs _____ while travelling _____?

_____ you _____ travelling abroad, _____ plugs would _____ different electrical _____ and sizes?

_____ that _____ many _____ in different countries, what _____ one need when _____?

What _____ types of plugs _____ one _____ when _____?

Considering _____ different electrical _____ Shapes _____ what else _____ one _____ when travelling _____?

_____ need _____ adjust to distinct _____ outlet setups around the _____ else _____ when selecting appropriate _____ types?

_____ different _____ sockets shapes and _____ different countries, what _____ plug _____ types _____ need?

_____ there _____ additional plug _____ required _____ overseas travel, _____ from _____ sockets?

There are many electrical _____ in _____ countries, _____ what other plugs _____ one _____ travelling _____?

What _____ of _____ sockets that travelers should _____ carrying _____?

There _____ electrical shapes and _____ found _____ so what _____ plug adapters _____ one _____ when travelling _____?

_____ electrical _____ sizes found _____ various _____ other plugs would one need when travelling _____?

_____ to _____ power _____ setup around _____ what else should _____ consider?

What _____ of _____ would someone need while _____?

Considering the _____ differences in _____ countries, what other plugs _____ one _____ travelling abroad?

_____ of plugs would _____ need when _____ abroad, considering _____ and sizes?

What other _____ would _____ travel abroad while _____ electrical _____?

_____ it _____ to _____ forms of plugs besides adjusting for _____ encountered _____?

_____ different _____ sockets _____ countries, _____ would one _____ while travelling abroad?

_____ any need for alternative _____ of _____ besides _____ shape/size _____ encountered _____ foreign _____?

_____ are _____ and _____ different countries, _____ what plugs would you need _____ travelling abroad?

What _____ might _____ need during international travel?

_____ are _____ electrical _____ different countries, so what _____ of plugs would one _____ travelling _____?

Besides _____ sockets by _____ of a _____ are _____ types _____ while _____?

Which types _____ plug _____ should _____ travelling internationally?

Considering _____ sockets _____ some countries, what _____ types _____ be required?

Considering _____ different electrical _____ differences _____ countries, what other plugs would _____ need _____?

Do _____ any other types of _____ while _____?

_____ addition to adapting to _____ outlet _____ in _____ while _____ overseas, _____ about extra plug _____?

_____ that _____ are _____ sockets/sizes found in _____ countries, _____ plugs would _____ need when _____ abroad?

Aside from _____ different _____ outlet _____ in _____ world, what _____ should travelers _____ when _____ plug adapter types?

_____ plug _____ should one _____ when traveling internationally?

Is there any specific _____ accommodating changes _____ electrical _____ across countries _____ tourists might need

_____?

In addition _____ to different power outlet _____ sizes _____ extra plug _____ that may be _____?
_____ number of electrical _____ and _____ found in _____ countries, what _____ adapter types would _____?
_____ of plug adapters _____ be carried _____ internationally?

When _____ abroad, what _____ required, besides _____ for different _____ sockets?
_____ are _____ differences in electrical sockets _____ different _____ but _____ I need _____ plug-ins?
_____ from accommodating diverse electrical _____ what other _____ may _____ travel?

_____ obvious differences _____ in different _____ but do _____ any other plug-in forms?
Considering the different _____ and Sizes across _____ other plug adapter _____ would _____?
_____ electrical shapes and sizes _____ countries, _____ other plugs would _____ need when travelling _____?

Which types _____ should _____ consider while _____ abroad?

What _____ need when _____ abroad, considering _____ different _____ Shapes _____ sizes?
_____ type _____ one need when travelling _____ different _____ sockets in some _____?

Is _____ other plug _____ types that _____ overseas trips?
_____ any _____ of plugs apart from _____ in electrical sockets _____ need whilst _____ internationally?
_____ you _____ any other types of _____ you _____ traveling _____?

Considering the _____ electrical _____ in _____ plugs would _____ to travel _____?
_____ that there _____ electrical shapes and _____ found in several _____ other _____ one _____?

When _____ what other plugs would _____ need, considering _____ Shapes _____?

What _____ types of sockets should _____ carry _____ apart from _____ managing _____ outlet _____ or _____?
_____ shapes _____ found in _____ different countries, what _____ would one need when travelling _____?
_____ may _____ required during _____ other _____ various power outlets?

_____ different _____ in different _____ of _____ world, what other considerations _____ take when
_____ appropriate plug adapter types
_____ carry overseas, _____ those _____ for managing different _____ outlet sizes?

Given the _____ electrical sockets shapes/sizes, which other _____ be required _____?
_____ are a number of _____ and _____ found in _____ countries, so _____ plugs would _____ when _____?

Along with _____ plugs for _____ power _____ around _____ world, _____ essential _____ of _____ one must bring?
_____ other plug _____ types would be _____ traveling _____?

There are obvious differences in _____ electrical sockets _____ different _____ I _____ any _____ plugs?

There are _____ and sizes _____ in various countries, so _____ types _____ plugs would _____ abroad?

There _____ a _____ of electrical shapes _____ sizes found in _____ countries, _____ plugs _____ when traveling _____?

Considering that there _____ many electrical _____ found in various _____ other plug _____ one _____?
_____ other types of _____ necessary _____ abroad?

_____ plugs _____ for traveling abroad, besides the ones for _____?

What plugs may _____ foreign trips _____ than _____ various _____?

Considering that _____ are many _____ sockets/sizes _____ in _____ countries, what _____ plugs _____ one _____?
_____ the _____ and sizes of _____ which other plug _____ needed?
_____ additional plugs are _____ when _____ besides _____ for electrical _____?

What _____ of plugs _____ one need to _____?

_____ to _____ different _____ configurations across countries, _____ else _____ travelers need?

Changing electrical sockets shape/size _____ but what _____ adapters _____ should _____ abroad?

Considering _____ different _____ Shapes and Size differences _____ what _____ plugs would _____ while travelling _____?

What _____ one need _____ travelling _____ considering _____ different _____ and sizes in _____?

While _____ vacation _____ important to _____ different power outlet _____ and _____ well as _____ types.

There _____ shapes _____ sizes found in _____ different _____ what _____ plug adapter types would someone _____ when
_____?

Besides adapting _____ power outlet shapes _____ sizes across _____ plug _____ that might _____ essential?

Is _____ any _____ adapter _____ essential for overseas _____ adapting _____ unique sockets?

Considering there are _____ electrical _____ countries, _____ other plugs _____ need?

Aside from _____ to _____ power outlet setups _____ different _____ of _____ what other considerations _____ take _____ selecting

_____?

What plugs _____ required _____ account _____ in sockets _____ just the shape _____ when _____?

_____ any other plug/adapter _____ that are _____ trips?

What plugs _____ be _____ when traveling _____ ones _____ the _____ sockets?

What plugs _____ be _____ foreign _____ than _____ power outlets?

_____ would you need while travelling _____?

In addition _____ sockets around _____ world what _____ essential forms _____ as a plug one must _____

Is _____ any extra plugs required for _____ travels _____ electrical _____?

_____ addition _____ power _____ around the world, what other essential forms of _____ bring?

Considering that _____ are many electrical shapes/sizes _____ adapter types would _____ required?

Considering the _____ electrical sockets _____ type of _____ one need _____ travel _____?

_____ to _____ to different outlet _____ across _____ but what else _____?

_____ types of plugs would _____ take _____ travel _____?

_____ the different electrical _____ Shapes _____ in _____ countries, what other _____ adapter _____ would _____ traveling abroad?

_____ the different _____ sockets _____ different countries, _____ adapter types _____ one _____ travelling?

_____ plugs _____ while traveling _____ besides _____ ones for electrical _____?

What _____ be _____ travelling abroad, besides _____ for different _____?

There _____ electrical shapes _____ sizes _____ in _____ so _____ other _____ one need if _____ abroad?

What _____ types _____ adaptors _____ carry overseas, apart _____ needed to manage _____ outlet _____?

There are many electrical shapes _____ in several _____ so _____ other plug/adapter _____ need _____?

Which plugs _____ be carried when _____ other _____ addressing _____ receptacle _____?

Considering the different _____ Socket Shapes _____ size _____ in _____ countries, what _____ one need?

What other _____ of plugs would _____ when _____?

_____ and sizes found in _____ different countries, so _____ other plugs _____ be required _____ abroad?

_____ electrical sockets _____ is one thing, _____ adapters types should _____ abroad?

Considering _____ electrical _____ differences _____ different countries, what type _____ would one need _____ travelling _____?

_____ are many electrical _____ and sizes _____ in _____ so _____ other _____ types would be _____?

_____ the different _____ Socket _____ and Size differences _____ countries, _____ other _____ would _____?

_____ of _____ would _____ need when travelling abroad, _____ the _____ electrical _____ the _____?

_____ of plug _____ might one need during _____?

_____ adapting _____ power _____ shapes and _____ in _____ on vacation overseas, what about _____ plug types?

Aside from _____ to _____ power _____ setup _____ different _____ the _____ else should _____ consider when _____ plugs?

What _____ types _____ one need during international _____?

Considering the _____ electrical Socket Shapes and Sizes in _____ other _____ need?

_____ the _____ the different countries, what _____ plug _____ types would _____ need?

Travelers need more _____ adaptors besides adjusting _____ the _____.

_____ are _____ electrical shapes and _____ in several _____ so what plugs _____ one _____ when travelling _____?

What other types _____ plugs _____ to travel _____?

_____ to adapting _____ power outlet shapes and _____ countries while _____ vacation overseas, what _____ types?

_____ to _____ setup in different _____ of the _____ what _____ should travelers think _____ appropriate plug/adapter types?

Aside _____ adjusting _____ different power _____ setups _____ different parts of the _____ think about _____ appropriate plugs?

Changing electrical sockets _____ and _____ across _____ isn't the only thing _____.

Considering _____ many electrical shapes/sizes _____ many countries, _____ plugs would _____ need when _____ abroad?

_____ what _____ plugs _____ you need, considering the _____ sockets in _____ countries?

In addition to adapting to different _____ and shapes _____ on vacation _____ extra _____?

_____ from adjusting _____ the different _____ setup _____ parts of the world, _____ should travelers _____ when choosing appropriate _____?

Considering that there _____ electrical shapes/sizes found _____ what plugs _____ while _____ abroad?

There are _____ electrical shapes _____ sizes found _____ several countries, _____ plugs _____ need when _____?

_____ travelling abroad, what _____ one need, considering _____ sockets _____ different countries?

Apart from _____ of plugs might _____ required during international travel?

_____ type of _____ when _____ considering _____ different electrical sockets in different _____?

Considering _____ many _____ found _____ several countries, what type of plugs _____ when travelling _____?

Other than accommodating _____ outlets worldwide, _____ additional _____ be _____ trips?

What kind _____ plugs _____ one _____ abroad, considering the different _____ sockets _____ countries?

_____ that _____ electrical _____ found in _____ countries, what plugs would one _____ travelling abroad?

_____ else _____ carry _____ apart _____ the ones needed _____ managing different electrical _____?

What _____ types _____ plug-in might _____ international travel?

What _____ would one _____ considering _____ electrical Socket _____ of different countries?

Other _____ various power _____ worldwide, what _____ plug _____ necessary?

_____ addition to _____ obvious _____ in _____ in different _____ do I _____ any _____ of _____ adapters?

Changing _____ shape/size _____ one thing, but _____ other _____ while abroad?

There _____ obvious _____ electrical sockets _____ different nations, but do _____ any _____ types of _____?

What other _____ you _____ to travel _____ electrical sockets _____?

_____ that there _____ many electrical _____ choose from in _____ countries, what _____ plug adapter _____?

_____ of plugs would _____ need _____ travel overseas?

_____ there any specific plug adapter _____ apart _____ in electrical _____ will need _____ internationally?

_____ required during foreign _____ other _____ accommodating various _____ outlets?

There are many _____ sizes _____ in various countries, so what _____ adapter types _____ need?

Aside from adjusting to different power _____ in _____ parts of _____ what should _____ when _____ types?

_____ kinds of _____ should be carried _____ traveling _____?

There _____ electrical shapes _____ found _____ countries, _____ what type of plug _____ would one _____ travelling _____?

_____ that there are many electrical _____ found in _____ what other _____ be required?

_____ the _____ differences _____ sockets _____ different nations, do I need any _____ forms _____?

_____ many _____ shapes/sizes found _____ what other _____ adapter _____ would you need?

_____ of electrical _____ and sizes _____ in different countries, so _____ adapter types would _____ need?

_____ than _____ electrical _____ which specific plugs should _____ carried when _____?

Other than accommodating _____ outlets, what _____ be needed during _____?

What _____ of plugs would _____ need _____ abroad _____ electrical _____ shapes _____ sizes?

_____ plugs are needed when _____ abroad, _____ different _____ sockets _____ in some _____?

_____ the differences in _____ adapters may be needed _____ travelling overseas?

What _____ of plug _____ need _____ international travel?

What _____ plugs _____ be required for _____?

_____ are _____ shapes and _____ found _____ various _____ what type of plugs _____ one need when _____?

Considering _____ Socket _____ in _____ what other _____ would one _____ when travelling abroad?

Do _____ require any _____ plug adapters _____ abroad?

Is there any other _____ types essential _____?

_____ that _____ are many electrical _____ sizes found _____ different _____ plugs would _____ need when traveling _____?

_____ plugs may be _____ traveling _____ apart _____ for _____ electrical sockets?

_____ of plug _____ should _____ used when _____ internationally?

_____ than addressing _____ worldwide, which _____ should be _____ traveling internationally?

There are _____ electrical shapes _____ in different countries, _____ other _____ one need when _____?

What _____ of _____ be needed while _____ abroad?

_____ would be required for travel abroad?

Do you _____ any other forms of _____ adapters _____?

Changing _____ sockets shape/size varies across countries _____ what _____ would one _____?

What other plugs _____ when traveling _____ those _____ electrical sockets?
 _____ there are many electrical _____ found _____ countries, what _____ would _____ need?
 Are _____ plug adapter _____ necessary for _____ trips?
 There are many electrical _____ in _____ countries, so _____ would one _____ when _____?
 _____ me _____ are _____ other _____ adapter types _____ essential for overseas travel?
 _____ that _____ are many _____ in various _____ what _____ would one _____ when _____ abroad?
 While on _____ we must adapt _____ different _____ outlet shapes _____ as well as _____.
 Besides _____ to unique _____ shape/size _____ are there _____ that are essential _____?
 _____ traveling internationally, which _____ plug _____ should _____ carry?
 _____ electrical _____ shape/size is different _____ so what _____ types _____ one need _____ travel abroad?
 What other _____ of plug adapters _____ travel?
 _____ plugadapter types apart _____ changes _____ electrical _____ across _____ that tourists might need?
 There are obvious differences _____ the _____ sockets _____ but _____ need _____ plug-in accessories?
 Aside _____ to _____ outlet _____ the globe, _____ should travelers _____ when _____ appropriate plug adapter types?
 _____ other _____ of _____ do you need _____ abroad?
 _____ there are _____ electrical shapes _____ sizes _____ different countries, _____ plugs would _____ need _____ travelling abroad?
 During my travels _____ from different electrical _____ there need _____ additional _____?
 _____ electrical sockets _____ thing, but _____ should one use _____ abroad?
 _____ many electrical shapes and _____ of _____ different countries, so what _____ plug adapter _____ be _____?
 Considering there are _____ shapes/sizes _____ in many countries, _____ one _____?
 There are many _____ shapes _____ sizes found _____ several countries, _____ what _____ plugs _____ required _____?
 What _____ types of _____ adapters may _____ during _____?
 Considering that there _____ shapes sockets/sizes found _____ different _____ what other _____ one need?
 _____ there _____ many electrical shapes _____ found _____ various _____ other plugs would _____ need _____ travelling _____?
 What other types _____ one _____ when travelling _____?
 _____ other plugs would _____ if you _____?
 _____ there _____ many _____ sockets/sizes _____ in _____ countries, what _____ plugs would one _____ when traveling _____?
 What other _____ of Adaptors _____ you _____ apart from _____ for _____ different electrical outlet _____?
 Considering that _____ are many shapes _____ sizes of electrical _____ found in _____ would _____ need?
 There _____ different _____ and other adaptors _____ abroad.
 There are different _____ Socket Shapes and Sizes _____ different _____ so _____ plugs would _____?
 Considering that there _____ electrical _____ and _____ various countries, what other _____ would _____ need?
 Travelers have to _____ different _____ across _____ so _____ do _____ need?
 Considering _____ there _____ many _____ sizes found _____ countries, what other _____ would one need?
 Which _____ plug plugs should _____ consider _____ internationally?
 There _____ distinctive electrical receptacle _____ but which specific _____ should be _____?
 Aside from adjusting _____ in _____ parts of the _____ what else _____ travelers _____?
 If you _____ abroad, _____ would _____ need, considering _____ different electrical _____ in _____?
 Other _____ accommodating various power _____ what additional _____ be _____ trips?
 There _____ changes in _____ size, _____ other sockets needed when _____ travel _____?
 _____ the different _____ sockets Shapes and _____ different _____ type of plugs would _____ travelling _____?
 While on vacation _____ you can _____ outlet shapes and sizes, _____ what _____ additional _____?
 _____ different power outlet shapes and sizes _____ vacation overseas, but _____ extra _____ types?
 _____ electrical sockets _____ thing, but _____ plug types _____ one use _____ abroad?
 _____ are _____ other essential forms of asaptor _____ must bring, _____ well as _____ for _____ around _____?
 What _____ may be _____ to _____ sockets beyond the shape _____ traveling internationally?
 What _____ plugs are _____ to _____ while changing _____ sockets _____?
 _____ there _____ adapter _____ are necessary for overseas trips?
 Taking _____ the different electrical _____ in different _____ other _____ adapter _____ one _____?
 Considering _____ are many electrical _____ found in the different countries, _____ adapter _____ needed?

_____ to _____ to _____ outlet _____ and sizes in _____ countries while _____ vacation, _____ about _____ plug types?

What other _____ of _____ you _____ overseas, _____ from _____ required for _____ different _____ outlet _____?

What plugs _____ one _____ when _____ considering the different _____ country?

_____ there any other form _____ I _____ while _____ overseas?

Changing _____ sockets shape/size _____ only one _____ adapters _____ should _____ use abroad?

_____ types of _____ should one _____ while _____ internationally?

_____ adjusting _____ different _____ setups _____ the world, what other _____ travelers consider _____ choosing _____ plug adapter _____?

Travelers _____ more plug _____ adjusting to _____ configurations across _____.

_____ additional plugs may be _____ when _____ those _____ sockets shapes _____ sizes?

Considering _____ there _____ electrical _____ found _____ different countries, _____ plugs would _____ need _____ abroad?

Aside from adjusting _____ different power _____ setup _____ of _____ world, what _____ things should travelers _____ when selecting _____?

Considering _____ different _____ throughout _____ different countries, what _____ plug _____ would _____ need?

_____ be needed while travelling _____ those for different electrical sockets _____?

What _____ may be required, _____ for _____ electrical sockets, _____ traveling _____?

_____ electrical _____ and sizes found in several countries, _____ plug sockets would _____ need?

There _____ many _____ and sizes _____ in _____ countries, _____ plug adapter types _____ be needed?

_____ electrical _____ other plug-in types _____ one need to travel abroad?

_____ addressing _____ electrical receptacle differences worldwide, which _____ carried when traveling _____?

_____ needed during foreign trips, other _____ various _____ outlets worldwide.

What other types _____ plugs should be carried overseas, _____ from _____ different _____?

_____ types of _____ adapters should be _____ traveling _____ than addressing _____ differences.

_____ other _____ of adaptors _____ carry overseas, _____ for managing different electrical outlet _____ designs?

While on vacation _____ we _____ to _____ to _____ outlet _____ and _____ well _____ additional plug _____.

_____ the different _____ different countries, _____ other _____ types would one _____?

How _____ plug adapter _____ one need _____ abroad?

What _____ types _____ would a person _____ abroad?

_____ need any other forms _____ plug-ins _____ traveling _____?

_____ travelling _____ what additional plugs _____ be _____ for different _____ sockets?

_____ you know _____ there are _____ plug adapter _____ are _____ for overseas _____?

_____ are obvious differences _____ electrical _____ different countries, but _____ any other plugs _____ overseas?

Considering _____ there are many electrical shapes socket/sizes found _____ what _____ plug adapter _____?

_____ electrical sockets _____ is only _____ what other _____ types _____ use _____ abroad?

_____ there are many _____ and sizes found _____ countries, what _____ plug sockets _____ one _____?

Considering the _____ electrical Socket _____ in _____ countries, _____ would _____ needed when travelling _____?

What other _____ need to travel _____ with?

_____ many _____ adapter types _____ while traveling abroad?

_____ any other types of plug-in _____ overseas?

What other kinds _____ plugs _____ be required _____?

_____ electrical sockets shape is one thing, _____ adapter types _____ used _____?

_____ electrical _____ shapes and _____ so what _____ would _____ need when traveling _____?

_____ are many electrical _____ and _____ found in _____ what other _____ would _____ need?

There _____ differences _____ the electrical sockets in _____ but _____ I _____ forms of plug _____?

_____ else should you carry _____ the ones needed for _____ sizes?

_____ additional _____ may be _____ when _____ abroad, besides _____ ones _____ electrical _____?

There _____ lot of _____ shapes and sizes found in different countries, _____ would _____ need _____?

_____ other types of adaptors _____ carry overseas, apart _____ those that are _____ for _____ designs?

When _____ abroad, _____ plug adapter _____ would _____ need?

_____ any _____ plugs _____ during my _____ abroad, _____ from _____ electrical outlets?

Other than accommodating _____ outlets _____ plugs _____ needed during foreign _____?

Given the differences _____ electrical _____ shapes/sizes, _____ may _____ needed overseas?

_____ the _____ electrical _____ and Size differences in different countries, _____ would one _____?

_____ other types _____ might _____ needed _____ international travel, apart _____ electrical sockets?

Apart from accommodating different _____ else _____ international travel?

What plugs _____ required when _____ besides the _____ sockets?

_____ Socket Shapes _____ in different _____ what _____ would _____ need if travelling abroad?

Considering there _____ sockets/sizes _____ in many countries, _____ other plug _____ types _____ one need _____?

_____ type of _____ would you need _____?

_____ in _____ sockets _____ which plugs may be necessary while _____?

_____ though _____ are many electrical shapes and sizes _____ in _____ countries, _____ type _____ when _____ abroad?

Is _____ any _____ of _____ adapters _____ you _____ travelling abroad?

_____ accommodating diverse electrical _____ else might one _____ travel?

_____ from _____ to different _____ in different parts _____ the world, what _____ travelers consider _____ selecting _____ plug _____?

What types _____ plugs might _____ travel?

Considering that _____ shapes and _____ in different _____ what _____ adapter types would _____ need?

_____ there _____ many _____ shapes sockets/sizes _____ in many _____ what _____ adapter types would _____?

_____ one need to travel abroad _____ changing _____ and size?

_____ though _____ many electrical shapes and _____ found in different _____ adapter _____ would one need _____ travelling _____?

Is _____ an additional plug/adaptor required _____ overseas _____ from _____?

_____ need _____ adjust to _____ configurations _____ what _____ do they need?

Travelers have to adjust to different outlet _____ they _____?

_____ addition to _____ plugs _____ distinctive _____ shapes around _____ what are _____ forms of adaptor _____ must bring.

_____ sockets _____ varies from country to _____ types would one need to _____ abroad?

Changing _____ is one thing, _____ what _____ should one _____ abroad?

Even though _____ shapes and sizes _____ several _____ what _____ plugs would one _____ when travelling _____?

What other _____ of plugs would _____ take _____ abroad _____ electrical _____?

_____ additional _____ may _____ while _____ abroad, besides those _____ sockets shapes _____ sizes?

Considering that there _____ many _____ and _____ found in _____ countries, what _____ would one _____ while _____?

_____ from adjusting _____ different power _____ parts of the world, what _____ consider _____ plug adapters?

Do you _____ forms of _____ adapters while _____?

_____ electrical sockets/sizes found _____ various _____ so what other plug _____ types would one _____?

_____ than addressing _____ receptacle _____ which _____ should be carried when traveling _____?

_____ my _____ abroad, apart _____ electrical outlets, _____ there _____ additional _____ required?

_____ travels _____ apart from _____ electrical _____ are _____ any additional _____ requirements?

_____ plugs would _____ need when _____ abroad, _____ the _____ electrical _____?

Other _____ addressing electrical _____ which specific _____ be _____ when _____ abroad?

Changing electrical sockets _____ but _____ other plugs should one _____?

What _____ of adaptors _____ you _____ abroad, apart _____ those needed _____ different _____ sizes _____ designs?

_____ when travelling _____ those for different electrical sockets?

Changing electrical _____ shape/size _____ but _____ other _____ should one use _____ overseas?

What plugs may be _____ trips, other _____ various _____ worldwide?

In _____ to _____ to _____ power outlets in different _____ about _____ types _____ might be _____?

_____ are many _____ shapes and _____ found _____ different _____ plugs would _____ when travelling abroad?

What plugs _____ be required _____ traveling _____ apart _____ for _____ sockets _____ or _____?

_____ other types of plugs _____ one need _____?

How _____ more _____ need in _____ of _____ adaptors besides _____ different _____ configurations?

Which _____ of plug _____ should be _____ travelling _____?

_____ to different _____ configurations across _____ but what _____ do _____ need?

_____ types _____ power adaptors do I need _____?

_____ a global _____ need more _____ just _____ changeable _____ sockets arrangement?

There are _____ shapes _____ found in _____ so _____ plug adapter types would _____ when _____ abroad?

Aside _____ adjusting _____ different _____ setup _____ different parts _____ the world, _____ when _____ appropriate plug adapter types?

Travelers should _____ power _____ around the _____ but what else _____ consider?

Is _____ needed for _____ travels abroad, apart _____ different _____ outlets?

What plugs _____ be _____ for _____ abroad, besides _____ for _____?

_____ be _____ during _____ trips other than _____ power outlets worldwide.

Apart from _____ electrical sockets, _____ types might _____ need during _____?

Extra _____ types that might _____ essential, _____ to adapting to different power _____ sizes _____ overseas, are also

There are _____ lot of _____ shapes and sizes _____ in different _____ so what _____ one _____?

_____ electrical _____ shape is one _____ but _____ plug _____ should one use _____?

Changing electrical _____ shape and _____ what other plugs might one _____ while _____?

_____ different electrical _____ andSize differences in _____ what _____ plug adapter types would _____?

_____ travelling _____ there _____ and sizes found _____ different _____ so what _____ plug adapter types _____ one _____?

_____ other _____ sockets should you _____ overseas, _____ ones you _____ to _____ different electrical outlet _____?

There are _____ in different _____ but do I _____ any other _____ while travelling _____?

_____ the differences in _____ which other _____ required while _____ overseas?

Travelers _____ to _____ configurations across _____ but what else _____ need?
