

[Demo] NLP Dataset for Customer Service Automation

Company Type	Natural Gas Companies
Inquiry Category	Natural disaster response support
Inquiry Sub-Category	Safety information
Description	Customers requesting general safety information regarding natural gas usage during and after a natural disaster, including tips on detecting gas leaks and safe practices when using natural gas appliances.
Data Size	5,007 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Natural Gas Company" customer inquiry. (Purchased data will not be masked.)

Can you give ____ for safely using ____ generators ____ Natural ____ Companies' ____ lines post-severe ____ ____ ____ ____ ?

When ____ a ____ natural gas ____ what are ____ ____ staying safe?

____ use of portable generators ____ Gas ____ supply lines?

Is ____ guidelines for using generators ____ gas ____ networks ____ ____ ?

____ ensure ____ portable ____ linked to natural gas ____ safe?

Are there ____ using ____ on ____ supply ____ hurricanes and ____ ?

____ generators near ____ gas providers?

Is it ____ to ____ using generators ____ networks during ____ weather?

Do ____ have ____ on ____ to ____ portable generators ____ your gas ____ in ____ ?

____ safely operate ____ generators ____ gas ____ after hurricanes ____ tornadoes?

____ there ____ to ____ portable generators with your ____ in the event ____ hurricanes or tornadoes?

Can ____ instructions for safe ____ portable generators ____ natural gas ____ lines ____ hurricanes or ____ ?

What should ____ done ____ portable generators and Natural ____ supply ____ ____ ?

____ safety advice ____ portable generator to the natural gas company's ____ ?

____ generators on gas ____ a ____ ?

____ provide generators for use ____ ?

Is it possible to ____ generators on ____ ?

____ it ____ give instructions ____ to safe operate ____ generators with your ____ lines?

Natural ____ supply ____ can be used with ____ generators ____ .

____ a generator ____ external ____ what ____ the safety guidelines?

____ a portable generator ____ to your ____ gas supply, what ____ ?

Should ____ conjunction ____ natural ____ supply lines ____ hurricanes and tornadoes?

Can ____ share guidelines ____ the safe operation of ____ generators ____ natural ____ ?

____ you ____ the safe operation ____ portable generators ____ by ____ gas?

____ the ____ when ____ to using ____ power sources ____ to ____ gas systems?

____ there any ____ for using ____ generator with ____ supply?

Is there any guidelines on ____ generators ____ gas?

Do ____ any recommendations ____ how ____ with gas lines after ____ or ____ ?

_____ you have _____ advice _____ generators with _____ gas hookups?
 Is _____ possible to _____ protocols for _____ after hurricanes?
 _____ to know how to use portable generators _____ your _____ supply lines _____ of _____ weather _____.
 Is _____ safe _____ operate a portable generator in _____ with the _____ supply _____?
 Is it _____ good idea to _____ with _____ supply lines _____ tornadoes?
 Do you _____ guidelines _____ the safe use _____ portable Generators _____?
 _____ provide safety _____ when _____ a portable _____ to _____ gas _____?
 Is _____ a _____ to _____ portable generators and natural _____ lines _____ hurricanes _____?
 Do _____ how to safely _____ power _____ using _____ gas supply _____?
 _____ you use _____ generator connected to natural gas _____?
 _____ any guidelines _____ use _____ portable generators with _____ Gas Companies' supply _____ weather?
 Can you _____ how to _____ portable _____ with my natural gas _____ lines _____ the event _____?
 _____ should _____ be followed when utilizing a _____ sources?
 _____ there guidelines _____ use _____ on the natural gas _____?
 _____ it safe _____ generators _____ natural gas supply lines _____ weather?
 When _____ to your _____ gas _____ should be the precautions _____?
 _____ weather, how _____ I _____ a _____ with Natural _____ supply lines?
 Should _____ be used _____ gas supply lines _____ like hurricanes?
 Is _____ possible for you _____ give _____ on how _____ operate _____ natural gas _____ lines?
 Instructions _____ use of portable _____ with your _____ gas supply _____ be _____.
 _____ portable power _____ be _____ the _____ in the aftermath _____ storms?
 How to use _____ on _____ after weather _____?
 Is _____ any advice _____ use _____ generator _____ to your natural _____ lines?
 _____ I stay _____ running _____ portable generator with your _____?
 Should _____ be connected _____ n-gas _____ weather events?
 _____ it _____ generator connected to your natural _____ lines in _____ event of _____ tornado?
 Safe _____ for _____ generators _____ gas lines _____?
 Should portable generators _____ used _____ lines in _____ of _____ and tornadoes?
 Do _____ have any guidelines for _____ generators _____ your _____ lines _____ the _____ hurricanes _____ tornadoes?
 Is it possible _____ secure use of portable _____ with your _____ the event of _____ major
 _____ to _____ generators _____ to natural gas systems are _____?
 _____ you _____ on how _____ secure _____ power _____ using _____ gas supply lines?
 _____ should I _____ when _____ a portable generator _____ supply _____ the event of _____ disaster?
 Are _____ of generators on _____ supply networks _____ severe weather _____?
 How to _____ generators with _____ gas hookups _____?
 When _____ a portable _____ your natural _____ what _____ precautions _____ should take?
 Guidelines for _____ generators on _____ supply _____ after _____?
 _____ possible _____ guidelines for _____ usage _____ generators during hurricanes and _____?
 _____ safety guidelines _____ followed _____ generator _____ outside gas sources?
 _____ have _____ on how to _____ portable _____ natural gas network?
 How should portable _____ and _____ Gas _____ lines _____ after the _____?
 Is it a _____ to _____ generators with _____ after _____ storms?
 _____ portable generators _____ connected _____ Natural Gas _____ supply lines?
 _____ safe use of portable generators _____ natural _____ supply _____?
 _____ I connect my _____ to Natural _____ lines in the _____ tornadoes?
 Can _____ running portable power generators using natural _____ supply _____?
 Guidelines _____ of _____ connecting to the _____ company's natural _____ network _____ sought.
 How should portable _____ be used _____ supply _____?
 How to _____ generators _____ the gas line _____?
 _____ portable generator _____ natural gas _____ a storm?

Is _____ to use a portable _____ with _____ Natural _____ extreme weather?

Do _____ have _____ generators on _____ supply networks _____ storms?

What _____ connect _____ to Natural Gas Companies' lines _____ or tornadoes?

_____ you _____ me instructions on how _____ use _____ generators _____ my company's _____ gas supply _____ tornadoes?

Should a generator be _____ to the _____ provider's _____ after _____?

_____ with _____ on _____ to use portable generators _____ hurricanes _____ tornadoes?

_____ safety _____ when using a _____ with external gas _____?

_____ to operate _____ generators along _____ gas _____ in _____ event of _____ weather _____?

_____ generators with Natural Gas Companies' _____ lines?

Is it possible _____ on _____ use _____ generators safely with your _____ supply _____?

Is it _____ to give _____ advice when _____ a _____ a _____ gas _____?

_____ be _____ for safe _____ of portable _____ connected _____ gas?

Can you tell me _____ of portable _____ and _____ supply _____ hurricanes and _____?

_____ any instructions on _____ to _____ generators with your natural _____?

_____ it possible to _____ generators along _____ line after extreme _____?

_____ you have _____ on _____ to _____ power generators _____ the _____ gas _____?

Should we _____ generator _____ to _____ local natural gas _____ after _____?

_____ a _____ connected to your natural _____ lines _____ a tornado _____?

Should _____ generator be _____ to the _____ natural _____ network during _____?

What _____ be used when using _____ Gas _____ supply lines?

Do _____ have any guidelines _____ safe use _____ in conjunction _____ the _____ gas _____?

_____ tell me _____ the _____ generator when we have _____ weather _____ hurricanes?

_____ you have any guidelines _____ employing _____ supply networks _____ severe _____?

_____ should generators be used _____ during severe _____ events?

Guidelines for running generators _____ lines _____ storms _____.

_____ have any advice _____ use a generator for _____ gas _____ storm?

Should you _____ a generator _____ your _____ gas _____ after _____?

_____ possible to share _____ while _____ generator with _____ gas?

_____ when connecting _____ portable generator to the natural _____ company?

_____ connect _____ portable generator to the _____ lines _____ Natural _____ Companies, _____ you give _____?

What are the _____ using power _____ natural gas _____ in the event _____?

_____ to ensure the safety of portable generators that _____?

_____ safety guidelines be _____ using _____ generator _____ external gas sources _____ weather _____?

Is _____ safe _____ along with _____ gas supply _____ after hurricanes _____ tornadoes?

_____ was needed _____ employing a generator _____ into _____ Company's _____ storms.

_____ is _____ using a _____ into a natural _____ supply _____ storms.

How to operate portable _____ in case _____ storms?

How _____ portable _____ be used _____ natural _____ storms?

_____ portable generators _____ Natural _____ supply _____ be used _____ a weather _____?

Can _____ offer safety advice when connecting _____ natural gas _____?

Should _____ generator _____ your natural gas lines _____ hurricanes _____ tornados?

_____ on _____ to use portable _____ with _____ Gas Companies' _____?

_____ tips on how to _____ generators safely _____ hurricanes _____ tornadoes?

_____ have guidelines _____ using generators on _____ during _____ and tornadoes?

_____ it _____ to use portable generators _____ supply _____ after _____ and tornadoes?

Is _____ advice _____ portable generators with natural _____?

Need _____ usage _____ portable _____ to natural _____ lines?

_____ you have _____ how _____ use _____ generator _____ your natural _____ line?

Know how _____ use portable power _____ your _____?

_____ to provide instructions for safe _____ of portable _____ natural _____ supply _____ the event _____ a major

_____ generators _____ used _____ your natural gas _____ during storms?

_____ you give _____ when _____ a portable _____ a _____ supply line?

_____ should be followed _____ using portable _____ natural gas _____ after severe _____.

What should be _____ precautions _____ generator to _____ natural _____ supply?

How _____ a _____ generator _____ supply after a storm?

Should you use _____ generator _____ your _____ the event _____ or hurricanes?

When _____ generator with _____ lines after _____ what _____ rules for safety?

Is it safe _____ portable generators _____ severe weather?

What are _____ use _____ a generator _____ natural gas lines after _____?

How do _____ keep _____ portable generator safe while _____ it _____?

_____ to _____ generators with _____ a hurricane?

Is _____ possible _____ safety _____ for _____ proper _____ of _____ generators after _____ intense storms?

During _____ how to _____ a portable _____ a _____ gas _____?

Is _____ safe to use _____ natural gas supply lines _____ a _____?

_____ precautionary measures should I take _____ generator _____ natural _____ supply?

Is _____ possible _____ offer _____ on gas supply networks _____ severe weather _____?

Can you _____ me _____ in conjunction _____ gas supply _____ after _____ destructive weather event?

What _____ the _____ for _____ of a generator _____ gas lines _____?

_____ portable _____ instructions be _____ near _____ gas providers?

Is _____ safe _____ use _____ generators _____ conjunction with natural _____ supply lines _____?

_____ give _____ the safe utilization _____ in conjunction with the _____ Natural Gas _____?

_____ generators from _____ after storms?

_____ it _____ a portable generator in connection _____ Natural Gas Companies after _____?

What _____ when using a _____ with external _____ sources?

How to _____ portable _____ with _____ gas line _____?

What _____ should _____ followed when _____ generator _____ external _____ sources after _____ occurrences?

Can portable _____ be used _____ natural gas _____?

_____ necessary _____ have _____ usage instructions for _____ to natural gas _____.

Is _____ safe _____ use _____ in conjunction _____ natural gas _____ lines _____?

Is _____ use portable _____ natural _____ lines after bad _____ like hurricanes?

_____ there _____ information about safe _____ of portable _____ tied _____ local _____?

Instructions for _____ use _____ portable generators with _____ natural gas _____ be _____.

_____ it _____ use _____ gas pipes after hurricanes?

How _____ a _____ generator _____ a natural _____ a storm?

Do you have _____ for the use _____ generators _____ of hurricanes _____?

_____ you tell me _____ to _____ portable generator _____ we have _____ like _____?

_____ of _____ connecting to the local utility company's _____ gas _____ after _____ storms?

Is _____ possible _____ instructions for _____ of _____ generators with your company's _____ gas supply _____ _____ tornadoes?

_____ occur, what _____ rules _____ using backup _____ sources connected to natural _____ systems?

_____ you give _____ guidelines _____ secure _____ of _____ fueled by _____ gas?

Can _____ for secure _____ fueled by natural gas?

What _____ precautions should be _____ connecting a _____ to _____ natural _____ supply?

_____ have _____ guidelines _____ of portable generators during hurricanes and _____?

_____ the _____ for _____ backup power _____ connected to natural gas _____ an intense storm?

_____ you have _____ guidelines _____ using portable _____ your _____ lines _____ the _____ of hurricanes _____ tornadoes?

_____ have any _____ for using portable generators with _____ company's _____ gas _____ after _____ or _____?

Good guidelines _____ running _____ gas _____ storms?

_____ it possible _____ for _____ safe _____ portable generators _____ storms like hurricanes and _____?

_____ for _____ safe use of portable generators _____ gas supply lines _____.

_____ it safe to _____ generator _____ Natural _____ Companies' _____ after extreme _____ like hurricanes _____ tornadoes?

How to _____ gas _____ storms?

Is there any recommendation for _____ operation _____ tied _____ natural _____?

Is it possible _____ a portable generator to the supply lines of _____?
_____ to _____ a _____ generator with natural gas _____ a _____?

Can _____ give _____ generators that _____ fueled by natural gas?

Know _____ to safely use portable _____ following _____ Natural _____ Companies.

The _____ was necessary _____ employing a _____ Natural Gas _____ supply _____ storms _____.

Do _____ have _____ recommendations _____ portable _____ tied to natural _____ distributors?

What _____ when using _____ and _____ gas companies' _____ lines?

Should I use _____ generators _____ supply _____ aftermath _____ severe _____ events, such as hurricanes _____ tornadoes?

What are the _____ safety when employing a _____?

Is _____ share _____ how _____ use portable _____ with your Natural _____ supply lines?

Is there any _____ to _____ portable power _____ supply lines?

_____ hurricanes _____ tornadoes occur, how should portable _____ the _____ line?

_____ the _____ usage _____ portable generators with _____ gas supply _____ could be _____.

_____ possible to give _____ advice after _____ generator to _____ gas company?

_____ to give instructions for use of _____ generators _____ your _____ natural gas _____ in the event _____

_____ safe _____ of _____ generators with _____ Gas Companies' supply _____?

Do _____ have any recommendations _____ how _____ use _____ lines _____ hurricanes?

_____ have any _____ on _____ to securely run _____ power generators _____ lines?

Can _____ tell me _____ to _____ natural gas?

Should _____ generator _____ natural gas line during storms?

Need guidelines for _____ generators on your _____?

Guidelines _____ generators on _____ after storms?

_____ to _____ a portable generator _____ a natural _____ during _____ storm?

Can _____ advice _____ connecting _____ generator _____ the natural gas company's supply _____?

_____ be safely _____ from natural _____ companies _____ storms.

Do _____ have any _____ on _____ operate _____ along _____ gas line?

_____ possible to _____ for use of _____ company's natural gas _____ lines?

What _____ followed _____ use portable _____ and Natural _____ supply lines?

_____ you _____ guidelines to use portable power _____ on your _____?

Is there a _____ safely operate _____ generators _____ Natural Gas _____?

_____ suggestions _____ to securely operate a portable _____ with the natural _____?

What is the _____ to _____ operate a portable generator _____ with the _____?

_____ to use _____ generator near natural _____.

Can _____ tell _____ how _____ use portable _____ natural _____ lines after storms?

Should you use _____ generator connected to _____ after _____?

_____ there any _____ on how to _____ generators _____ line?

_____ possible to securely operate _____ portable _____ the natural gas _____?

_____ be _____ when _____ portable generators _____ Natural Gas Companies' _____?

Should I use _____ generators _____ the _____ supply lines _____ aftermath _____ tornadoes?

Is _____ safe to use _____ portable generator _____ connection _____ Natural _____ extreme _____?

Do you have any _____ how _____ use _____ with your Natural _____?

_____ safety _____ should be _____ using _____ generator with external _____ a bad weather _____?

_____ for _____ of portable generators _____ natural _____ after major storms?

_____ it _____ advice when connecting a _____ generator to the supply lines _____ Companies?

_____ a good idea to _____ a _____ generator _____ natural gas _____ following _____ or _____?

_____ should _____ generators _____ the natural gas _____ is disrupted?

Is _____ possible _____ give _____ safe use of portable _____ in _____ with _____ natural gas _____?

Do you _____ guidelines for _____ generators _____ supply networks _____?
 Is _____ to share _____ on _____ safely _____ portable generators _____ your Natural _____ lines?
 _____ precautions should be taken _____ connecting _____ gas supply in the event of _____?
 _____ it wise _____ generators _____ with _____ gas supply _____ after hurricanes or _____?
 Do you _____ for portable _____ connected _____ natural gas _____?
 Is _____ on using portable _____ with natural _____ after _____ and tornadoes?
 _____ want to know _____ portable _____ my _____ supply lines _____ aftermath of hurricanes and _____.
 _____ tell me how _____ use portable generators _____ gas _____ after _____ tornadoes?
 _____ to give _____ advice when _____ a portable _____ Natural _____ Companies?
 _____ should portable generators be _____ lines?
 _____ to safely _____ portable generators with your _____ Gas _____ lines in the _____ of _____?
 Is _____ possible to recommend _____ protocols _____ use _____ generators with _____?
 Is _____ to give _____ for _____ of _____ generators _____ hurricanes _____ tornadoes?
 _____ give me guidelines _____ generators in the _____ of storms and _____?
 _____ it _____ to _____ for _____ usage of _____ generators with _____ Gas Companies' _____?
 There are _____ generators tied _____ local natural _____ recommendations for _____?
 Is there _____ guidelines for employing _____ on gas _____ during _____?
 _____ share instructions on how to safe operate portable _____ your _____ lines?
 How _____ use _____ your _____ supply _____ disrupted?
 _____ tornadoes, how to operate portable generators _____ gas _____?
 Is _____ to use generators on _____ hurricanes _____ tornadoes?
 Can you give guidelines _____ of portable generators _____ Gas _____ lines _____ weather?
 Is _____ safe _____ utilize portable generators _____ with _____ lines after _____ and _____?
 Do you _____ any guidelines _____ use _____ generators on _____ during hurricanes _____?
 Can you give _____ a portable generator _____ supply _____ of Natural _____?
 When _____ a _____ your natural gas _____ I do _____ safeguard it?
 Should backup _____ connected to _____ gas _____ be used _____ hurricanes _____?
 Know _____ to use _____ hurricanes or _____?
 _____ it possible to _____ generators _____ supply lines _____ a _____ weather event?
 _____ power _____ be _____ to _____ natural gas systems during _____?
 Can _____ use _____ with _____ natural _____ supply lines in the _____ of a storm?
 Can _____ give _____ how to _____ in the wake _____ hurricanes and _____?
 _____ it _____ to securely _____ portable power generators using _____?
 _____ backup _____ connected to utility-owned _____ gas systems _____ used in _____ event _____?
 _____ precautions _____ I _____ when _____ portable _____ to your _____ gas supply?
 Guidelines _____ running _____ on _____ the storm?
 How _____ for _____ after storms?
 _____ you tell _____ use _____ in the aftermath of severe _____ such _____ hurricanes and _____?
 How _____ portable _____ and _____ gas _____ lines be used following _____?
 How to _____ generators safe _____ lines _____?
 _____ a _____ gas lines in _____ storm, what rules _____ followed?
 _____ for _____ portable generators _____ the local utility company's natural gas _____.
 When hurricanes _____ tornadoes _____ do you _____ generator _____ Natural _____ lines?
 _____ to _____ can be used _____ extreme weather events.
 _____ I use a _____ connected to _____ natural _____ lines _____ tornadoes?
 Do _____ need safety instructions _____ portable _____ to natural _____?
 _____ using _____ to natural gas can _____ share _____ instructions?
 advice _____ when using _____ generator tied into _____ Company's _____ storms.
 Is _____ a _____ idea _____ use portable generators _____ conjunction _____ natural _____ lines _____ hurricanes _____ tornadoes?
 _____ any _____ for safe use of portable _____ with _____ Gas _____ supply _____?

_____ to _____ generators with your gas _____ storm?

_____ you _____ how _____ use _____ generator during _____ other weather disasters?

_____ to _____ with _____ the event of a storm?

_____ to use _____ generators _____ gas suppliers _____ a _____?

Rules _____ running _____ gas _____ after _____?

Is _____ any recommendation _____ to _____ a portable generator in _____ gas supply _____?

_____ in emergencies _____ have _____ generator usage instructions?

_____ you share _____ guidelines for the _____ generators fueled _____ natural _____?

_____ to give instructions for secure _____ of _____ generators _____ gas supplies?

Guidelines _____ Generators _____ lines _____ weather damage?

_____ you _____ connecting _____ portable generator _____ natural gas supply lines?

How to use portable generators _____?

_____ for _____ of _____ Natural _____ Companies' supply lines?

_____ guidelines for safe use of portable _____ with _____ lines?

Is _____ any _____ on _____ portable _____ generators _____ natural gas _____ lines?

_____ a _____ be connected to _____ local _____ provider's _____ severe weather event?

_____ on safe _____ portable generators tied to _____ distributors _____ devastating _____?

_____ I use _____ generators _____ gas _____ lines in _____ aftermath of storms _____?

Should I _____ generator _____ to _____ gas lines _____ of _____ tornado?

When using a generator _____ external _____ weather _____ safety _____ be followed?

_____ tell _____ how _____ generators with _____ Natural Gas supply _____ in the _____ of _____ storm?

Is there any _____ for _____ operation _____ generators fueled _____?

What safety _____ should be _____ when using _____ generator _____ gas _____ disastrous _____?

_____ give _____ using generators on gas supply _____ in _____ weather?

Can _____ tell _____ how _____ portable generators with _____ Natural _____ in the event of hurricanes _____?

_____ to _____ run portable _____ natural gas _____ lines _____ a storm?

Do you have _____ instructions on _____ portable generators with _____ Gas _____?

Can _____ tell _____ to use _____ generators _____ conjunction with _____ gas _____ disasters?

advice _____ employing a _____ tied _____ the Natural Gas Company's _____

Is there _____ securely _____ power generators using _____ gas _____ lines?

_____ you know the guidelines _____ generators with _____ company's supply lines?

Safety precautions _____ with gas _____?

Is _____ anything you _____ tell me about _____ using natural _____ lines?

advice is needed _____ generator _____ Natural _____ Company's _____ after storms hit.

_____ generator be connected to the local _____ gas _____ weather?

_____ for running _____ in the event of _____?

_____ you tell _____ use a _____ when weather gets _____ hurricanes?

_____ portable generators be _____ with _____ gas suppliers?

Should I use _____ to my natural _____ in _____ event _____ tornado?

_____ safe usage _____ portable _____ connected to natural _____ lines.

_____ are the safety guidelines _____ should _____ followed _____ a generator with _____?

_____ give us guidelines for _____ portable _____ conjunction _____ the _____ Natural Gas supply?

_____ it possible _____ recommend safety precautions for _____ portable _____ after _____?

Should I use a generator _____ natural _____ after _____ storm?

_____ it possible _____ you _____ instructions _____ how to _____ portable generators with _____ Natural _____ lines?

_____ you _____ safety advice when connecting a _____ the _____ Gas _____?

_____ there _____ safe _____ to operate a _____ in _____ with the _____ Companies?

_____ it possible _____ portable _____ with _____ gas _____ lines after hurricanes, _____?

Is it _____ good idea _____ use portable _____ conjunction with _____ supply _____?

_____ should _____ followed when _____ portable _____ and _____ Gas companies' _____ lines?

How ____ I ____ my portable generator ____ your ____?

Do ____ guidelines ____ portable generators with Natural ____ Companies' supply ____ after ____?

Is it ____ good idea ____ connect ____ Natural ____ lines after hurricanes ____ tornadoes?

____ it ____ to safely ____ portable generators and ____ lines after ____ like ____ and tornadoes?

Is ____ instructions for safe ____ of portable generators ____ your company's ____ supply ____?

____ use a ____ that ____ your natural gas ____ a storm?

____ there any guidelines ____ on gas ____ networks ____ hurricanes ____?

Do ____ any rules about ____ portable ____ with ____ pipes ____ a ____?

Guidelines ____ needed ____ generators ____ natural gas hookups ____ disasters.

Is it ____ for ____ using ____ generators with your ____ natural gas supply ____?

Do ____ have ____ on how to ____ generators ____ hurricanes or ____?

Is it recommended ____ securely ____ portable ____ in ____ with ____ gas supply ____?

portable generators ____ to natural ____ usage ____.

Which precautions should ____ taken when ____ a ____ your ____ supply?

____ you give ____ for the safe ____ generators ____ storms like ____ and ____?

____ I ____ a generator ____ to your ____ lines after ____ or ____?

____ you ____ tips ____ operating portable generators after ____ tornadoes?

Do ____ guidelines for the ____ of portable generators ____ companies?

____ it possible ____ guidelines ____ using ____ supply networks ____ severe weather?

____ safety guidelines ____ if ____ a ____ with external ____ sources?

____ it possible for you ____ instructions ____ how to operate ____ natural ____ supply lines?

____ me ____ to ____ a ____ generator ____ get weather ____ hurricanes and whatnot?

____ can portable ____ linked ____ gas ____ be secured ____ severe ____?

Is it ____ portable generators ____ natural ____ lines after ____?

Is ____ possible ____ for the ____ utilization of ____ generators after ____?

____ it ____ for ____ instructions ____ how ____ safely operate portable generators ____ your ____ Gas ____ lines?

There ____ portable ____ with Natural ____ that ____ be ____ after ____.

____ to operate portable ____ the gas ____ after ____?

Can you ____ guidelines ____ how ____ operate portable ____ are ____ gas?

____ have any ____ how ____ safely operate portable generators along ____?

How to make ____ generators ____ gas systems ____ safe?

____ should ____ provided ____ running generators ____ gas lines ____?

____ you know the ____ for safe use ____ Gas Companies?

Should ____ use portable ____ with ____ gas ____?

Do ____ guidelines for ____ on ____ networks in ____ weather events?

How to operate ____ along the ____ line ____ a storm?

Is ____ protocols for use of portable generators ____ hurricanes?

Can you give guidelines for ____ generators on ____ during ____?

Is it ____ offer ____ for ____ supply ____ during hurricanes or tornados?

____ use ____ portable generator when hurricanes come around?

____ for secure use of portable generators with ____ company's ____ lines?

____ safety ____ be ____ a generator with ____ gas sources following ____?

____ have ____ guidelines ____ portable generators ____ in the wake of hurricanes and tornadoes?

What ____ guidelines should ____ followed ____ generator ____ gas ____ after disaster?

I ____ to use portable generators along my gas ____ in ____ of ____.

____ employing ____ generator with ____ gas ____ a storm, what ____ rules?

____ you ____ guidelines ____ generators on ____ networks during severe ____ events?

Should ____ use ____ generator with my ____ gas ____ in the ____ a ____?

Is it possible to ____ portable ____ in ____ natural gas ____ lines ____?

Should you ____ a ____ to your ____ after ____ weather event?

How should _____ be used when natural _____ lines _____?

How _____ use _____ connected _____ your natural _____ in _____ of a tornado _____?

_____ guidelines should _____ followed for _____ a generator _____ external gas _____?

Advice is needed when _____ generator _____ company's supply after _____ hit.

_____ possible _____ use _____ with natural gas _____ after hurricanes, tornadoes?

Do _____ any rules _____ generators _____ gas pipes in a _____?

_____ any _____ on _____ generators with Natural _____ Companies' _____ lines?

_____ know how _____ use _____ conjunction with _____ supply lines after hurricanes?

Tips for safe _____ generators _____ Natural _____ supply lines _____ weather?

Do _____ any _____ for _____ safe use _____ portable _____ with natural _____?

Safety steps _____ generators _____ storms?

_____ with _____ gas sources, what _____ be followed for safety?

Is it possible to _____ instructions _____ securing _____ generators with your company's _____ or _____?

How to _____ portable _____ a _____ supply _____ severe _____?

_____ generators on _____ lines?

_____ it safe to _____ portable _____ gas _____ lines after tornadoes?

_____ it okay to use _____ generators _____ gas supply _____ hurricanes _____?

Can you _____ to use portable _____ in conjunction with natural _____ during hurricanes _____?

I _____ guidelines _____ how to _____ portable generators with _____.

_____ provide instructions for safe _____ with _____ company's natural gas supply _____ hurricanes _____ tornadoes?

Should _____ a generator _____ my natural _____ lines _____ there _____ storm?

Should _____ connected to utility-owned _____ used during hurricanes or _____?

Should _____ take certain precautions when connecting _____ portable generator _____?

When employing a generator _____ lines, _____ the rules _____ safe _____?

Guidelines _____ be on _____ lines after _____?

_____ you use _____ portable generator _____ post storm _____ supply?

_____ you _____ any tips _____ portable _____ generators using natural gas _____?

Is it _____ along the gas line after _____ events?

How should _____ take _____ a portable _____ my natural _____ supply?

Is it _____ to _____ use _____ connected to _____ natural gas _____ a _____ weather _____?

_____ I _____ connected to natural _____ lines in _____ event _____ or hurricanes?

_____ needed when using a generator tied _____ the Natural _____ after _____.

_____ generator connected to _____ gas provider's _____ in the event of severe _____?

_____ you have guidelines _____ the _____ use of _____ hurricanes and _____?

_____ generator _____ connected _____ Gas Companies' _____ after _____ or tornadoes?

Advice is needed _____ generator tied _____ the Natural _____ storms.

What _____ using portable generators and Natural _____ Companies _____?

_____ give me _____ to use portable _____ severe weather events such _____ and tornadoes?

How _____ use portable generators with gas _____?

_____ give _____ for safe use of portable generators _____ natural gas _____ after _____ or tornadoes?

Is _____ to _____ for _____ of _____ on _____ supply networks _____ hurricanes or tornadoes?

When using a _____ with _____ gas lines _____ what _____?

Is it possible to _____ for secure _____ portable generators _____ natural gas supply _____ a _____?

Is it _____ to _____ my generator _____ Natural Gas _____ during _____?

_____ a _____ use _____ generators _____ your Natural Gas supply lines?

_____ use natural gas _____ storms?

Is _____ to _____ guidelines for using _____ on _____ networks _____ bad _____?

_____ it possible to provide _____ advice when _____ portable _____ to a _____?

Can _____ guidelines _____ using generators _____ gas _____ networks during _____?

Should I _____ generator connected _____ gas _____ after a _____ weather _____?

Do you have _____ on _____ safe _____ with your natural _____ supply _____?
 How _____ portable generators _____ natural _____ be secured _____ severe _____?
 _____ generator with _____ gas lines _____ storms, what _____ the rules _____?
 Is it possible to use _____ with natural gas _____ of _____?
 How about _____ for _____ of portable _____ Companies' supply lines?
 Is there _____ guidelines _____ portable _____ with _____ Gas Companies' _____ lines?
 Is _____ to _____ on gas supply networks during _____ tornadoes?
 Should _____ use a _____ connected _____ your natural gas _____?
 Will you _____ to _____ generator when we _____ like hurricanes and whatnot?
 Do _____ have _____ how to use portable generators _____ hurricanes _____?
 _____ a good idea to _____ and natural gas _____ after destructive _____ like _____ and _____?
 _____ a _____ gas _____ the aftermath of a storm, what should the _____?
 Know how _____ generators connected _____ gas lines?
 Can _____ give _____ instructions on how _____ safe _____ with _____ Natural _____ supply _____?
 _____ any _____ on safe _____ of portable generators tied _____ gas _____?
 _____ secure use of portable generators _____ natural gas supply lines?
 _____ connected _____ natural gas _____ have safe usage _____.
 How _____ a generator _____ lines be used in _____?
 Is _____ safe to use _____ natural _____ supply _____ hurricanes and _____?
 Should there _____ guidelines for _____ of _____ natural gas?
 How should _____ and _____ Gas _____ lines _____ used after _____ weather?
 Should I _____ portable _____ along my _____ supply _____ in the _____ of _____?
 How _____ be safely connected to _____ companies' supply _____?
 _____ for safe _____ generators _____ natural gas distributors after _____ storms?
 _____ recommend safety protocols for _____ portable generators after hurricanes or intense _____?
 Can _____ give guidelines for _____ use _____ portable _____ and _____ gas in _____ event _____ a _____?
 Do _____ know guidelines _____ portable generators with natural _____ companies?
 Can you _____ me _____ use _____ power generators _____ the _____ gas _____?
 When using _____ generator with _____ after a storm, _____ rules for _____?
 Is _____ a _____ with your natural gas _____ after _____ storm?
 How _____ use _____ gas after _____?
 Should _____ be connected to _____ gas provider's network _____ the _____ severe _____?
 _____ guidelines _____ followed _____ using _____ with external gas resources?
 Is it _____ to _____ for _____ with your Natural _____ supply lines?
 Is it safe to _____ generators _____ during _____?
 _____ you able to _____ gas supply networks _____ hurricanes or tornadoes?
 _____ me how to _____ generator during hurricanes?
 _____ should portable generators and _____ be _____ after a _____?
 Advice _____ necessary _____ employing _____ generator _____ into _____ gas company's _____ after _____.
 What _____ rules _____ comes to _____ backup power sources _____ natural gas _____?
 _____ use _____ with _____ supply in case of _____ storm?
 Is it _____ provide _____ for safe _____ portable generators _____ the company's natural _____?
 _____ guidelines for _____ gas _____ networks during _____ or tornados?
 Is there _____ guidelines for the _____ use of _____ generators in _____ supply?
 What _____ precautions _____ I take _____ connecting _____ generator _____ natural gas _____?
 What _____ should be followed when _____ generator with _____ disasters?
 _____ guidelines should be followed _____ portable generators and _____ companies' _____ lines _____?
 Is there a _____ to _____ operate _____ your _____ Gas supply _____ a _____?
 _____ wise _____ use portable generators in conjunction _____ natural gas _____ destructive _____?
 Is it possible to provide guidelines _____ the _____ use _____ portable generators _____ natural _____?

Is it safe to use _____ in _____ lines during _____?

Do _____ have _____ safe operation of _____ along the _____ line?

Natural Gas Companies' _____ can be used _____ generators _____.

_____ need _____ using portable generators with natural _____.

_____ know _____ for using portable _____ with _____ Gas Companies' _____?

Can _____ advice _____ connecting a _____ the supply _____ of a natural _____ company?

_____ you _____ how _____ use _____ generators in _____ natural gas supply lines?

portable _____ gas line after _____ weather _____?

Can _____ guidelines for safe use of _____ on _____ storms?

Can _____ about how _____ portable _____ in conjunction with natural gas _____?

_____ on _____ operating of portable _____ to local natural gas _____.

Is _____ possible to _____ portable generator in connection _____ gas _____ after extreme weather?

_____ are the guidelines _____ a _____ generator _____ gas supply?

Is _____ possible to use _____ generators in _____ supply lines _____ severe _____?

_____ connecting a portable generator to _____ I _____ to _____ it safe?

_____ to _____ guidelines _____ use of portable _____ Gas Companies' supply lines?

Any _____ how _____ portable _____ that are tied _____ natural _____ distributors?

_____ you have any instructions _____ how to use _____ generators _____?

_____ you _____ any _____ how _____ portable generators _____ following hurricanes or _____?

_____ it _____ use portable generators and _____ supply lines after _____?

Is it possible to _____ on how _____ safely _____ generators _____ your _____ supply _____?

Do _____ generator usage instructions _____ natural gas _____?

After _____ how should portable _____ be _____ the _____ line?

When _____ a generator with _____ following _____ weather, _____ be followed?

_____ use a generator _____ to your _____ gas _____ when there is _____?

How to operate portable _____ gas _____ extreme _____?

Any rules _____ using _____ gas pipes in _____?

_____ possible to _____ to safely _____ portable generators with your Natural _____ supply _____?

Is _____ guidelines for _____ generators _____ networks during _____ or _____?

_____ it possible to _____ me _____ to safely operate _____ generators _____ lines?

Do _____ recommendations on _____ to _____ a portable generator _____ with _____ natural _____ supply lines?

_____ you _____ safety instructions _____ using _____ generator that is _____ to _____?

Can you _____ me instructions _____ how _____ generators in _____ wake of _____?

Do you have _____ tips _____ running _____ power generators _____?

Should a _____ to _____ local _____ provider's network after severe _____?
