

[Demo] NLP Dataset for Customer Service Automation

Company Type	Mobile Network Operators
Inquiry Category	Network outages and service disruptions
Inquiry Sub-Category	Loss of signal
Description	Customers may experience a complete loss of signal, preventing them from making calls, sending messages, or accessing the internet.
Data Size	8,029 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Mobile Network Operator" customer inquiry. (Purchased data will not be masked.)

_____ aware that calls are constantly dropping _____ to _____ ?
_____ crummy because _____ lots
you realize _____ lose _____ all _____
Dropped calls _____ signal _____.
There _____ calls _____ by _____ signal _____.
_____ you _____ it's _____ you that calls _____ disconnected _____ of low _____ strength?
There _____ a constant _____ dropping due _____.
Call volume _____ because _____ is _____?
Do you know _____ many _____ disconnected because _____ signal?
There _____ problems _____ calls _____ by _____ signals.
_____ you _____ calls go _____ to a bad signal?
_____ you _____ there _____ problem _____ dropped _____ caused by poor signal _____?
_____ it _____ you _____ calls fall because of weak _____?
Are _____ aware _____ as a result of _____ signals?
Is _____ true _____ always drop _____ signal strength?
Do you _____ drops _____ signal _____?
Are you _____ poor _____ quality is _____ call _____?
_____ you know if there _____ frequent _____ weak signals?
Are you _____ are dropped _____ of inadequate _____?
_____ should _____ how calls _____ to your weak-ass _____.
_____ it possible that _____ calls _____ by _____ signal?
_____ having _____ phone conversations _____ off due _____ coverage.
_____ signals _____ calls?
Is _____ bad _____ calls disappear on _____?
_____ you know _____ equals _____ loss?
_____ a _____ of _____ drops because of _____ signal _____?
_____ know that calls _____ due _____ weak signal _____?
Is it _____ because of lousy _____?
_____ do _____ know that _____ and my _____ won't hold?

____ you know that poor ____ strength ____ ____ fall?
 ____ it ____ you ____ about that ____ fall because of ____ ____ ?
 Do you ____ ____ issues can ____ to call ____ ?
 Bad ____ ____ disappear?
 Call dropping lots ____ ____ ?
 You ____ we ____ reception ____ ____ time?
 ____ ____ lots, signal ____ ?
 ____ your knowledge ____ calls ____ when the ____ is ____ ?
 ____ you know ____ the ____ of ____ ____ is ____ by poor ____ ?
 ____ it obvious ____ that ____ are disconnected ____ due ____ low ____ strength?
 ____ know if ____ ____ call drops due ____ signal strength?
 ____ you ____ that the call ____ the ____ bad?
 ____ are ____ blame ____ dropped calls?
 ____ ____ problem ____ dropped calls because of ____ signal ____ ?
 Didn't ____ know calls ____ ____ lousy signal?
 There is ____ ____ strength ____ calls ____ off a ____ .
 ____ you know if ____ drop ____ signal strength?
 ____ you ____ much my calls are cut ____ to ____ ?
 Do ____ ____ get cut off ____ of ____ bad signal?
 Do you know ____ of dropped ____ caused ____ signal?
 Do ____ if calls ____ drop ____ to ____ signal ____ ?
 ____ calls ____ from ____ signal.
 There ____ a ____ loss ____ due to ____ .
 ____ know the calls drop ____ signal?
 It ____ of ____ lousy signal ____ are dropping.
 Is ____ you are seeing dropped calls ____ ?
 ____ it ____ always drop ____ lousy signal strength?
 ____ signal ____ reason for dropped ____ ?
 Do you think poor ____ causing ____ be ____ ?
 Do ____ know ____ number of ____ my calls get ____ of ____ signal?
 ____ aware of ____ issue of dropped ____ because ____ subpar ____ signal?
 Dropping calls ____ signal?
 Are ____ aware of the ____ calls ____ by poor ____ ?
 Did you ____ calls dropped ____ to ____ signals?
 It ____ that ____ conversations are ____ off ____ reception.
 Are you ____ the ____ because of ____ signal?
 Constant call ____ attributed to ____ .
 ____ signal causing constant ____ ?
 ____ you ____ that ____ signal strength ____ cause ____ drop?
 ____ think ____ poor signal ____ causing constant call ____ ?
 ____ frequent ____ due to weak ____ strength?
 Do ____ know ____ problems with ____ calls ____ signals?
 Is it ____ calls ____ fall ____ weak signal ____ ?
 Is ____ clear to you ____ disconnected when ____ signal strength?
 ____ weak; ____ noticed the calls dropped?
 ____ are always call ____ to ____ quality.
 ____ noticed ____ call drops, and ____ signals here ____ ?
 ____ know ____ we lose calls and ____ ?
 ____ be ____ frequent ____ drops due ____ weak signal strength?
 Uhm, ____ calls ____ be dropped?

_____ noticed _____ calls drop when the reception _____?

_____ are causing dropped _____!

_____ due to bad signal: _____?

We _____ losing _____ and _____?

Bad _____ calls.

_____ clear that _____ are _____ of low signal strength?

_____ you _____ calls _____ fall _____ poor signal _____?

_____ it because _____ are _____ are dropped?

_____ crummy, you _____ drop lots.

_____ it _____ that _____ drops _____ a poor signal?

Is there a problem _____ calls because _____ a _____?

How _____ our conversations _____ be cut off _____?

Is _____ true _____ always _____ from _____ signal strength?

There's a _____ dropped _____ that _____ caused by _____ signal _____.

_____ and missed calls are _____ consequence of _____.

Are _____ aware _____ to poor signal strength?

_____ you _____ how calls fail with _____ signal _____?

_____ notice how _____ get dropped because _____ weak _____?

_____ is _____ recurring problem of calls _____ weak _____.

Do you _____ calls _____ signal quality?

_____ are _____ signals _____ dropped _____.

Do you _____ plummet _____ a _____ signal?

_____ you know _____ call drops _____ due _____ signal _____?

Do _____ know _____ calls that _____ work _____ to _____ signals?

Have you _____ calls _____ when _____ weak _____?

Are _____ you _____ to _____ signals?

_____ signals _____ weak, _____ you _____ the call drops?

There _____ constant call dropping _____.

You _____ that _____ lost _____ the _____?

Is it possible that _____ weak signals?

Are you _____ frequently because _____ inadequate signals?

Did _____ calls _____ dropping because of _____ signal?

_____ signal quality is _____ to call failure?

Did you _____ strength _____ frequent call disconnections?

Drop _____ is caused _____ weakness.

_____ due to conditions.

_____ you _____ the call drop signal _____ too _____?

_____ if you are aware _____ frequent _____ drops _____ to _____ strength?

_____ you _____ drops in _____ caused _____ weak _____?

Can _____ you're aware _____ due to weak _____ strength?

U know _____ calls go _____ due _____ weak _____?

Has _____ become _____ you _____ calls fail with _____ quality _____ time?

_____ signal _____ your _____?

Call _____ are _____ due _____ poor _____.

You _____ are dropped _____ of your _____ signal?

_____ you _____ calls fall as _____ result of _____?

Is _____ true _____ consistently fall _____ weak signal _____?

Is it _____ that calls are _____ of low _____?

Poor _____ strength _____ causes _____ be constantly dropping.

_____ you know calls _____ from _____ strength?

_____ you recognize _____ can lead _____ frequent call _____?
 Do _____ know _____ calls _____ dropped due _____ strength?
 Do _____ know that _____ are dropped _____ to _____ signal _____?
 The _____ crummy _____ calls _____ lots.
 The call _____ when _____ is _____?
 The _____ crummy, _____ know _____ lots?
 Are calls _____ fallin' _____ signals _____?
 Do _____ know _____ the _____ calls caused _____ signal _____?
 _____ you _____ increase _____ dropped _____ due to poor _____?
 Did you know that _____ dropped _____ to weak _____?
 _____ clear to _____ that many _____ because _____ weak signals?
 Are _____ dropping _____ signals?
 _____ you know _____ bad signal strength?
 _____ it _____ signals _____ dropped calls?
 There is a _____ of _____ to _____ signals.
 Weak signals causes _____?
 _____ that _____ lose _____ all the _____?
 _____ aware _____ the call _____ issues _____ to _____ network reception?
 _____ keep _____ calls _____ of lousy _____.
 Poor _____ strength _____ reason that _____ are _____.
 Can _____ tell me _____ you're _____ of _____ drops _____ by _____ strength?
 _____ you _____ get dropped _____ to bad signals?
 _____ know that _____ when the _____ isn't strong?
 Are you aware of _____ problem _____ calls _____ weak _____ signal?
 _____ it _____ calls _____ to _____ in the signal?
 Do _____ calls drop _____ weak signal?
 _____ it _____ that _____ are disconnected more often _____ of _____ strength?
 Our _____ often get _____ poor reception.
 Do you _____ that _____ quality _____ cause of constant _____?
 _____ call dropping _____ due _____ bad _____.
 _____ is _____ of calls dropping.
 _____ calls drop from a _____ signal?
 Did _____ the weak _____ signal?
 Can you tell _____ it's clear _____ disconnected because _____ low _____?
 Do _____ see a _____ issue _____ dropping due _____ signals?
 _____ calls keep _____ poor signal?
 Do _____ think _____ calls fall?
 Does it occur _____ poor _____ is _____ to drop?
 Does _____ to _____ that _____ are _____ disconnected because of _____ signal _____?
 The calls _____ a weak _____.
 U know that my call _____ the _____?
 _____ of connection _____ to _____?
 _____ calls _____ dropping because of _____.
 _____ know what _____ consistently drop due _____ weak signals?
 Did you know why calls fail _____?
 _____ calls _____ of the signal's _____.
 _____ getting _____ weak-ass signal
 Are _____ calls _____ from poor _____?
 _____ are calls _____ of _____ signal.
 Are _____ of the problem ofDropped _____ by a _____?

Do you ____ that ____ are ____ dropped due ____ signal ____?
 ____ due to weak ____.
 ____ you ____ that ____ network makes ____ call ____ and gitchy?
 Have ____ that calls get dropped due ____?
 ____ you ____ the ____ in ____ due to ____ signals?
 ____ know we ____ often?
 ____ that ____ problems lead to frequent call ____?
 Do ____ due to poor signal strength?
 ____ there a ____ calls ____ with unstable signal quality ____?
 ____ calls fail with ____ over ____?
 ____ you ____ that calls always ____ to ____ signals?
 ____ about ____ constant calls ____ poor signal?
 Are you aware ____ calls ____ disconnected ____ signals?
 ____ me ____ you know ____ call ____ due ____ weak signal strength?
 Is it ____ calls ____ with ____ signal ____?
 Did ____ know ____ my ____ get cut ____ to a bad ____?
 ____ signals ____ weak, ____ you ____ the call drops?
 Do ____ know ____ go down ____ signal strength?
 ____ you aware ____ quality results in calls ____?
 Are ____ of call drops ____ insufficient ____ reception?
 Do you see ____ with ____ caused by ____?
 ____ it ____ know ____ drop due to weak ____ strength?
 ____ is ____ of dropped ____ caused ____ subpar network ____.
 ____ aware ____ the drop ____ calls due ____ signal strength?
 Dropping ____ weak?
 ____ you ____ the call drops ____ poor signal?
 ____ you aware of the ____ dropped calls ____ poor ____ signal?
 They keep dropping ____ because ____.
 ____ dropping because of the ____.
 ____ are ____ weak signals?
 ____ it clear to ____ that the ____ disconnected frequently ____ signal ____?
 ____ you ____ signal ____ your calls?
 ____ you noticed ____ decrease in ____ to ____ mobile reception?
 Are ____ aware ____ the ____ due to ____ signal?
 ____ you ____ of the ____ attributed ____ of network reception?
 There has ____ calls dropping ____ to weak ____.
 Are you seeing ____ dropped calls ____ to poor ____?
 ____ it because ____ and ____ crummy?
 We ____ all ____ time, right?
 Do you ____ calls ____ of low signals?
 Weak signals ____ causing ____?
 We ____ of ____ signal's horrible.
 ____ are ____ a result of failures in ____.
 Do ____ calls drop ____ strength is bad?
 ____ strength that calls ____ a lot.
 Is it true ____ your ____?
 Do you ____ signal ____ cause calls ____ fail?
 Bad ____ causes dropped ____?
 ____ know if the calls disconnecting ____ weak ____?
 ____ signals are ____ noticed ____ calls were ____?

_____ it clear to _____ are _____ disconnected because _____ signal strength?
 _____ aware that _____ always _____ from _____ signals?
 Are you _____ calls _____ disconnected _____ to poor _____?
 Are _____ the _____ dropping as a result _____ signals?
 Is _____ calls _____ signal strength is weak?
 _____ calls _____ due to _____ signals.
 _____ lose reception all the _____?
 Do _____ calls _____ because _____ weak _____?
 _____ you _____ that dropping calls _____ caused _____ weak _____?
 _____ you aware _____ when signals _____ inadequate?
 _____ a problem _____ caused by poor signal _____?
 _____ you _____ if you know about _____ drops _____ weak signal _____?
 _____ you know _____ due to _____ network reception?
 Do _____ know _____ issue _____ causing regular disconnections?
 Are you _____ calls _____ from _____?
 Call _____ lot because _____ network strength.
 _____ know about the _____ because _____ weak _____ strength?
 Are you aware of the _____?
 Do you know _____ from weak _____?
 Bad signal _____ blame for _____.
 Are _____ that _____ signal drops _____?
 Are _____ aware that _____ when _____ signal is _____?
 _____ you know how often my calls _____ the _____ signal?
 Do _____ calls consistently _____ with _____ signal quality?
 Frequent _____ drops are caused _____.
 Have _____ noticed that the _____ calls _____ signals?
 _____ it _____ calls _____ dropped due to _____ signals?
 _____ are dropped calls because of weak _____?
 Is _____ a constant _____ signal?
 Do you understand _____ signal _____ is _____ failures?
 _____ you think _____ is causing calls to _____?
 _____ results _____ constant _____ loss.
 _____ of _____ calls fail _____ unstable signal quality?
 Has _____ occurred to you _____ calls fail _____ signal _____?
 Constant _____ to bad _____.
 _____ call _____ are caused _____ issues, do you _____?
 Do _____ think it's _____ are frequently _____ because of _____ signal _____?
 _____ there a _____ of dropped _____ caused _____ network signal?
 _____ keep _____ calls because of _____?
 Do you _____ calls _____ weak _____?
 _____ know that poor signal _____ resulting in _____ call _____?
 _____ dropping _____ caused _____ weak _____?
 You remember that we _____?
 _____ drops when the _____ is _____?
 Are you aware of the _____ network reception.
 _____ get cut _____ of poor reception, _____?
 Do _____ know _____ times a call _____ cut off _____ bad _____?
 _____ weak _____ means _____ and _____ yet?
 Do you know _____ the _____ call drops because _____?
 Is it true _____ calls _____ to _____ signal _____?

Is it _____ the _____ drops from _____ ?
 _____ of _____ caused by _____ poor network signal?
 Did you _____ the _____ dropping due _____ weak _____ ?
 The _____ is _____ drop lots.
 _____ of a bad signal.
 _____ it _____ that _____ signal _____ call _____ ?
 _____ you _____ of _____ that _____ issues lead to call _____ ?
 Poor _____ to _____ call drops.
 _____ aware _____ the _____ calls _____ caused by a _____ network signal?
 There is a _____ signal _____ .
 _____ call loss _____ a _____ of _____ strength.
 Call _____ because _____ your _____ signal.
 _____ call drops due to weak signal _____ ?
 Do _____ know _____ due to weak _____ strength?
 _____ weak _____ calls to drop?
 Are _____ calls drop _____ signal strength _____ poor?
 Do _____ know _____ in _____ due _____ weak signal strength?
 _____ you _____ when _____ to weak signals?
 _____ of the _____ drops due to signal _____ ?
 It's true that _____ call _____ .
 _____ that _____ in _____ signals bad?
 You _____ how calls _____ getting dropped _____ weak-ass signal.
 Do you _____ signal _____ poor?
 Have _____ ever _____ that poor signal strength _____ frequent _____ ?
 _____ call _____ due to poor signal _____ ?
 Did you know _____ signal quality?
 Are you _____ are being _____ to a _____ signal?
 _____ you aware _____ when there _____ insufficient signals?
 Did you _____ that _____ being _____ due _____ signals?
 I _____ wondering if you are _____ dropped _____ signal _____ .
 Can _____ me if _____ know of calls _____ signal strength?
 Is it _____ bad signals _____ disappear?
 _____ you _____ that calls disconnecting because _____ ?
 _____ you _____ about the calls _____ the poor _____ ?
 _____ you know _____ often my _____ get cut _____ bad _____ ?
 _____ you _____ about the _____ drops due to _____ strength?
 Are calls _____ due _____ signal _____ ?
 Have _____ learned _____ with _____ signal quality over _____ ?
 Are _____ aware _____ calls dropping _____ of weak _____ ?
 Are _____ of _____ calls dropping _____ result of _____ signals?
 Is it possible _____ calls _____ because _____ poor _____ ?
 _____ signals are _____ to go _____ .
 Do _____ about calls being _____ to _____ signals?
 _____ something you _____ that _____ drop when the _____ weak?
 _____ are calls _____ from _____ signal.
 Has it come into _____ poor signal _____ leads _____ frequent _____ ?
 _____ aware that _____ are _____ to _____ signal quality?
 Poor _____ quality _____ calls _____ fail.
 _____ you seeing _____ dropped _____ from _____ bad _____ ?
 Didn't _____ that _____ are _____ to weak signals?

____ you ____ that the ____ from the ____ signal?
 Do ____ believe ____ poor signal ____ constant ____ ?
 ____ to weak signals?
 You ____ but the ____ are weak?
 ____ the calls ____ due ____ weak signal strength?
 ____ the signals ____ weak and ____ calls are ____ ?
 ____ you ____ about ____ leave due ____ weak signals?
 ____ dropped calls due ____ weak ____ ?
 Are ____ aware ____ the ____ of phone ____ influenced ____ signal?
 Do ____ know ____ there ____ caused by ____ signal quality?
 ____ signal quality is ____ blame ____ .
 ____ occur to you ____ calls fail with ____ signal ____ ?
 ____ there calls ____ fail because ____ quality?
 There's a problem ____ dropped ____ to poor ____ .
 ____ you ____ frequently due to inadequate signals?
 ____ know we ____ the reception ____ ?
 Do ____ that signals are ____ and ____ calls ____ ?
 Are you ____ that calls ____ signals?
 Did ____ notice the ____ weak signals?
 Is it ____ to ____ are disconnected because of ____ ?
 Are ____ due to bad network ____ ?
 Did you ____ calls get ____ due ____ weak ____ ?
 ____ know ____ calls go ____ to weak signals?
 Are ____ that ____ of insufficient signals?
 ____ you know ____ drops ____ poor ____ ?
 ____ the ____ with dropped ____ caused ____ weak ____ ?
 Are you ____ calls drop ____ is ____ signals?
 ____ keep ____ due to ____ signals.
 Do you know if the ____ signal ____ .
 Constant call ____ a result ____ .
 ____ it ____ to ____ that calls are frequently ____ low signal ____ ?
 You ____ notice ____ dropped because of your weak-ass ____ .
 ____ are ____ result ____ signal weakness.
 Do ____ know ____ frequent ____ drop ____ to ____ signal strength?
 ____ you ____ drop in calls ____ by poor ____ quality?
 ____ how your ____ is ____ calls?
 The ____ get ____ off due ____ poor ____ .
 Are ____ bad ____ that ____ calls to ____ you?
 ____ you ____ of ____ dropped calls caused ____ signals?
 Have you ____ about ____ connection ____ lead to ____ disconnection ____ ?
 Get ____ keep ____ because ____ a ____ signal.
 ____ making ____ dropped?
 Did you ____ calls kept getting dropped ____ ?
 ____ it possible ____ calls ____ fail ____ unstable ____ quality?
 ____ from the ____ signal strength?
 A constant ____ dropping ____ a ____ ?
 Poor ____ is what ____ to ____ drop.
 Do ____ know ____ calls ____ because of ____ signal strength?
 ____ call drops ____ poor ____ ?
 ____ having ____ conversations ____ off ____ of poor coverage.

_____ you realize that _____ from _____ signal strength?
 _____ you _____ there _____ a problem _____ dropped calls _____ to poor _____ ?
 _____ calls _____ dropped due to weak signals?
 Have you _____ are dropped _____ by weak _____ ?
 Bad _____ is _____ call dropping.
 Is it true that _____ drops _____ signal?
 _____ seeing _____ calls from the _____ strength?
 _____ you aware when _____ calls _____ off _____ a _____ signal?
 _____ signal _____ responsible _____ the _____ dropping.
 Is it _____ dropped because _____ weak signals?
 _____ you _____ that _____ issues cause _____ call _____ ?
 _____ you _____ all the dropped _____ from _____ bad _____ ?
 _____ know _____ suck, _____ my calls won't _____ ?
 _____ possible that _____ consistently drop _____ a _____ of insufficient _____ ?
 Did you _____ lose _____ time?
 Did _____ that calls _____ signals _____ ?
 _____ you know that _____ due _____ signals?
 _____ you accept _____ issues cause frequent _____ ?
 _____ you know that _____ drop because _____ signal _____ ?
 _____ that signals _____ to frequent _____ drops?
 Did _____ calls always _____ dropped _____ of weak _____ ?
 Isn't _____ to _____ that _____ are _____ because _____ low _____ strength?
 Weak signals are _____ .
 _____ aware of the call _____ to insufficient _____ ?
 _____ possible that calls _____ to a weak _____ ?
 _____ you _____ me _____ about frequent _____ drops due to _____ strength?
 Are _____ dropped because _____ signal strength?
 _____ you _____ signal quality can cause dropped _____ ?
 Did you _____ that _____ keep _____ to _____ signals?
 _____ anyone know how often _____ calls get _____ off _____ to _____ ?
 _____ aware _____ always fall due _____ signal strength?
 Call fall _____ for the _____ strength.
 _____ you notice the _____ caused by _____ signals?
 Know _____ poor strength _____ call loss?
 _____ signal causes _____ call _____ .
 Are you _____ problem _____ a subpar network signal?
 Do _____ that _____ issues _____ to frequent call _____ ?
 _____ drops are _____ signal _____ .
 _____ you seeing all _____ dropped _____ from _____ bad _____ ?
 _____ you _____ the _____ dropped calls caused by _____ signal?
 Do _____ often _____ calls get cut _____ to poor _____ ?
 Are you _____ calls fail because of _____ ?
 There _____ to bad signal.
 Call _____ for _____ low network strength.
 Do you know _____ dropping _____ of poor _____ strength?
 Weak signals _____ ?
 _____ call dropping _____ bad _____ !
 _____ you know _____ calls _____ with unstable _____ quality?
 Did you know why _____ with unreliable _____ ?
 Do you _____ that _____ signal quality _____ ?

Dropd calls _____ weakness.

Are _____ aware of the frequent _____ to poor _____?

It _____ that _____ signal _____ leads to _____ call _____.

_____ calls _____ dropping because of _____ signal.

Have _____ that calls dropping _____ weak _____?

_____ you think _____ causes _____ call drops?

Do _____ why dropped _____ caused by _____ signal _____?

Do _____ that calls drop if _____ strength _____?

_____ know _____ weak signals _____ to _____ dropping?

_____ are _____ dropouts because _____ failing _____.

You _____ notice _____ because of your weak _____ signal.

_____ signal quality _____ to constant _____.

_____ you _____ the _____ calls from _____ signal _____?

Do you know that calls _____ strength _____ bad?

Do _____ how often a call _____ off because _____ bad _____?

Do _____ that call failures are a result _____?

_____ signal _____ causes _____ constantly drop.

_____ are dying _____ because _____ poor coverage.

Dropping _____ are _____ by _____!

_____ you noticing an _____ calls due _____ poor _____ reception?

Call _____ ya heard?

The _____ are _____ from _____ strength.

_____ understand _____ calls _____ of poor signal strength?

Are _____ on _____ bad signals?

_____ been dropped _____ by weak _____.

_____ you _____ dropped calls because _____ weak _____?

Calls are _____ of your _____.

Do you know why _____ drop _____ signals?

Do you _____ frequently _____ disconnected because _____ low _____?

Hey, _____ signals don't work and my calls _____?

_____ know _____ always _____ from bad signals?

Drop _____ calls _____ signal weakness.

Do you _____ if _____ drop like crazy _____ weak _____?

_____ it _____ you that poor _____ is _____ drop?

_____ calls fail with _____ signal quality?

_____ you _____ poor _____ is causing call _____?

Do you _____ that signals _____ well _____ my calls _____?

Do _____ know _____ because of _____ signal?

Do you _____ calls always _____ bad signal?

_____ you _____ always fall _____ bad _____ strength?

_____ gone on _____ because _____ bad signals?

_____ know if _____ are seeing frequent _____ drops _____ weak _____ strength?

Do _____ about the _____ calls caused _____ weak _____?

_____ know _____ call drops when _____ signal _____ poor?

_____ you found _____ why calls fail with _____ signal _____?

Call drop _____ is weak, _____?

_____ signals _____ causing dropped _____.

_____ you _____ the calls _____ of weak _____?

_____ is a problem _____ dropped _____ to bad _____.

_____ come _____ dropping because _____ signal?

_____ the problem of calls being _____ of a _____ network _____?

_____ you _____ signal _____ causes frequent call failures?

Did _____ know _____ calls fail _____ signal _____ time?

Do _____ know _____ drop _____ poor signal?

_____ aware that calls frequently drop _____ to _____?

Does it occur to _____ poor signal _____?

Is it possible _____ with _____ signal _____?

Do _____ know _____ drop due to weak _____.

_____ you _____ that calls _____ dropped _____ of _____ signals?

Weak _____ cause _____ be dropped?

Call _____ off a _____ strength.

Have _____ noticed the _____ in _____ a weakened _____ reception?

Call _____ is bad?

_____ you know _____ signal _____ leading _____ frequent call failures?

_____ you _____ that frequent _____ are _____ by signal _____?

Do _____ that there _____ drops _____ low signal strength?

Did _____ calls get dropped _____ to poor _____?

_____ signaling weakness _____ for dropped _____?

_____ signal causes calls _____ keep _____.

_____ heard _____ calls _____ often _____ because of _____ signal?

_____ know that _____ call _____ a weak signal?

Are you aware _____ calls are _____ to _____ network _____?

_____ true _____ lose reception all _____?

Are _____ calls from bad _____?

Have _____ noticed _____ fall _____ reception is weak?

_____ you _____ that signal _____ a _____ of call drops?

Do _____ know that calls always _____ weak?

Are _____ aware that _____ consistently fall _____ of _____ signals?

Are you aware that _____ on _____?

Do you _____ that calls _____ like _____ when _____ weak?

_____ seems _____ signal _____ causing call _____.

_____ you notice _____ issues lead _____ call drops?

_____ you _____ that _____ can affect _____?

The calls _____ a _____ signal.

Are you aware _____ the _____ dropping due to _____?

Is _____ because _____ causing calls _____ drop?

_____ you know about _____ drops _____?

Call _____ drops _____ signal _____?

_____ me _____ I'm seeing _____ calls from _____ signal strength?

Did _____ calls _____ with unstable signal _____ time.

The calls are _____ lousy _____.

_____ know the _____ getting _____ due to weak _____?

Is it possible that _____ dropped _____ from _____ strength?

_____ you know _____ often calls _____ dropped due to _____?

_____ noticed _____ calls dropping after _____?

Do you _____ that _____ calls drop due _____?

I _____ my _____ poor coverage.

Is there _____ calls _____ stop?

_____ your _____ because of inadequate _____?

Did you know _____ are caused by _____ poor _____?

_____ know _____ are often disconnected because of _____?
 Are you aware of _____ calls _____ signals?
 Do _____ know _____ your _____ off due _____ weak _____?
 Have you noticed _____ decline _____ to weak _____?
 _____ you _____ of the problem _____ of a subpar _____?
 Do _____ calls _____ from _____ bad signal?
 Do _____ calls _____ drop _____ lousy signal strength?
 Is _____ signal _____ the regularity of _____ disconnections?
 _____ dropping _____ crummy?
 _____ if _____ calls _____ because of the weak _____?
 _____ you _____ the dropped calls _____ of bad _____?
 _____ aware that the signal _____ calls is _____?
 Are the team members _____ of the _____ caused by _____?
 Are you _____ poor _____ phone _____?
 Have _____ ever _____ calls dropping _____ to weak _____?
 Hey, notice _____ are dropped _____ of _____ signal?
 _____ you _____ drop when the signal _____ is _____?
 Do you think _____ clear _____ calls are often _____ strength?
 _____ you tell me _____ you know if _____ is _____ call _____ due _____?
 Do you know _____ calls always _____ signal is _____?
 _____ you _____ that _____ as a _____ of insufficient _____?
 _____ you _____ dropping due _____ signals?
 Do _____ signal affects _____ calls?
 Do you hear _____ being disconnected _____ to _____?
 _____ you _____ calls always _____ the lousy signal _____?
 Are _____ of _____ calls _____ due _____ network reception?
 _____ you _____ that _____ are frequent _____ drops because _____ strength?
 Are you aware that _____ consistently drop _____?
 _____ you _____ if _____ causing calls to fall?
 You _____ drop when _____ crummy?
 _____ calls _____ drop from the weak _____ strength?
 _____ the _____ dropping _____ the _____ signal?
 _____ it possible that poor signal _____ calls _____?
 Do _____ know _____ signal strength _____ calls to _____?
 _____ call drops _____ to _____ signals.
 Have you _____ strength _____ to frequent call disconnections?
 _____ is _____ constant _____ dropping from a _____.
 Constant _____ due _____ signal?
 The _____ dropping _____ of the _____.
 There _____ recurring _____ service failure.
 Are you _____ that calls _____ coming _____ due _____?
 Are you _____ of _____ to _____ insufficient network reception?
 Have you _____ calls are _____ because _____ weak _____?
 _____ you know _____ signal frequently _____ to be _____?
 Conditions _____ of _____ frequently?
 There's _____ and calls fall _____.
 Constant call _____ to _____.
 _____ you _____ of the frequent _____ drop incidents _____ to _____?
 _____ you _____ the calls _____ because _____ insufficient network _____?
 _____ it _____ drop due to _____ signal strength?

Constant ____ dropping ____ to ____.

Are ____ aware of ____ call ____ attributed to ____?

Is ____ you that calls are often ____ weak signal ____?

There ____ calls dropping ____ a ____.

Do ____ dropped ____ by bad signal quality?

Is your ____ calls dropping ____ weak ____?

____ call due to ____?

____ how frequently calls are disconnected because ____?

Bad signal ____ a ____ call ____.

Are ____ aware ____ as a ____ of inadequate ____?

Are you ____ when my ____ because of a ____ signal?

Hey ____ do ____ that signals suck and ____ don't ____?

____ that calls ____ always ____ because of weak signal ____?

Did ____ know ____ the call ____ to weak ____ strength?

____ an ____ of dropped ____ because ____ subpar network signal.

You ____ we ____ a ____?

____ have ____ dropped because of bad signal strength?

____ you ____ that ____ dropped due ____ weak signals?

____ drops ____ frequently because of ____?

You ____ we ____ all the ____?

Do ____ know that ____ signal strength is ____ cause ____?

Do you know ____ calls ____ insufficient ____?

I ____ losing ____ conversations ____ poor ____.

Has it ever ____ calls fail ____ signal quality over ____?

____ calls ____ being dropped ____ your weak-ass ____.

____ you informed ____ are ____ to weak signals?

You ____ calls have ____?

____ see ____ dropped ____ from the bad ____?

____ lots 'cause signal ____?

____ you ____ of ____ calls ____ because of insufficient ____?

Have you noticed ____ been ____ of weak ____?

How come ____ keep ____ poor ____?

____ you ____ how ____ disconnected due ____ low signal?

Hey there, do ____ that signals ____ my calls ____?

____ frequent call drops ____ to weak ____ strength ____ you ____?

____ you ____ that calls ____ often ____ to ____ signals?

____ network strength ____ falling off!

____ don't ____ why calls ____ dropping because ____ lousy ____.

Do ____ if ____ calls drop ____ of a ____?

Poor ____ is ____ calls ____ constantly ____.

____ the ____ calls from ____ signal ____?

Do ____ realize that the ____?

____ know ____ calls ____ caused by bad ____ quality?

____ call drops ____ weak signal ____.

____ you ____ calls due ____ poor ____ reception?

Did you ____ consistently ____ with unstable signal ____?

Do you know ____ good and ____ holding?

____ to your attention that ____ leads ____ frequent call disconnections?

Is ____ problem ____ dropped calls caused ____ bad ____?

____ know how poor ____ strength leads ____ disconnections?

Do ____ think ____ calls to go down?
 Does it happen ____ you ____ calls to stop?
 ____ you ____ calls ____ due to weak signal?
 ____ dropping ____ of ____ bad signal.
 You know ____ drops ____ signal ____?
 ____ losing ____ because ____ the ____ horrible.
 ____ drop ____ is due to low ____ quality.
 ____ you ____ if ____ always drop ____ weak ____ strength?
 Did you ____ calls keep ____ due ____ signals?
 Do you know that ____ when ____ poor?
 ____ calls ____ to ____ signal.
 ____ noticed the ____ call ____ the ____ are weak, ____?
 ____ you know that calls ____ due ____ signals?
 Is it ____ that call ____ occur ____ signal strength?
 ____ aware of the problem ____ calls caused ____ subpar ____ signal?
 Do you ____ if ____ call ____ disconnected ____ weak signals?
 ____ your ____ allow you to ____ drop ____ weak signal strength?
 Do you know that calls ____ because ____ the ____?
 Are ____ of ____ drops ____ signal?
 ____ caused by signal ____.
 ____ you realize that ____ cause ____ drops?
 ____ seeing calls dropping due to ____?
 Do you know about ____ drop incidents ____ poor ____?
 Do you ____ how ____ calls ____ cut off because ____ a ____?
 ____ calls ____ caused by signal ____.
 ____ drops due to ____?
 Do ____ think it's ____ often disconnected ____ of weak ____?
 Do you ____ there are frequent ____ because ____ issues?
 ____ there ____ dropped calls ____ of ____ poor ____ reception?
 ____ frequent call drops ____ to ____.
 Are you aware ____ calls ____ weak ____ strength?
 Are signals ____ that ____ you?
 ____ calls ____ dropped ____ of your weak-ass signal?
 Are there frequent ____ signal strength?
 ____ tell me ____ you ____ if ____ frequent call drops ____ to ____ signal ____?
 ____ caused by ____ weakness.
 Do you ____ about ____ call ____ poor signal?
 Did you ____ that calls ____ to be ____ due ____?
 Does ____ that calls ____ unstable ____ quality over time?
 Are you ____ that calls drop ____ weak ____?
 ____ know that ____ constant ____ drops due to ____?
 Are ____ that ____ keep ____ to poor ____ strength?
 ____ you know about the regular ____ to ____ signal ____?
 Isn't the call ____ of ____?
 ____ calls are ____ to signal ____.
