

[Demo] NLP Dataset for Customer Service Automation

Company Type	Water and Wastewater Utility Companies
Inquiry Category	Wastewater treatment and disposal inquiries
Inquiry Sub-Category	Environmental concerns
Description	Inquiries about environmental impact and sustainability practices related to wastewater treatment and disposal.
Data Size	8,073 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Water and Wastewater Utility Company" customer inquiry. (Purchased data will not be masked.)

Has a recent _____ Assessment been _____ determining _____ for new Wastewater Treatment Plants _____ aspects?

_____ recent assessment _____ sites?

_____ you doing _____ to _____ out good _____ for those _____?

_____ for new _____?

Any _____ examination _____ the _____ determine possible WWTP _____?

_____ there any evaluation _____ to determine _____ places for _____?

_____ if _____ evaluation was _____ on the possible _____ the _____ of fresh WWTP facilities.

Is _____ assessment done _____ about _____ effects on _____ when _____ suitable places _____ install _____ WWTPs?

_____ an assessment on _____ WWTP locations _____?

_____ just _____ an Environmental Impact Assessment _____ find _____ for _____?

_____ all _____ factors, did _____ evaluate suitable _____ for WWTPs?

I am wondering if _____ recent _____ Impact _____ has _____ conducted _____ locations _____ WWTPs.

Has _____ to determine _____ sites _____ WWTPs and _____ their environmental impact?

_____ been examined to _____ feasible sites for _____?

_____ recent _____ the environment done _____ determine _____ sites _____ WWTPs?

_____ you do an Environmental _____ Assessment _____ decision _____ locations recently?

Did the _____ all _____ to locate _____?

_____ potential areas that _____ ecological _____ and suitable _____ establishing _____ WWTPs done recently?

Did _____ conduct an _____ the environmental impact _____ areas _____ WWTPs?

Do you _____ any _____ to _____ the best locations _____ wastewater _____?

_____ an _____ done _____ new _____ locations _____?

Did you _____ environmental impact _____ identify _____ areas for WWTPs?

_____ possible _____ WWTPs in _____ that have _____ assessed _____ environmental impact?

_____ company recently completed _____ comprehensive _____ determine the _____ for _____ WWTPs?

Is _____ of areas appropriate _____ building _____ WWTPs?

_____ there _____ examination of _____ to find _____ sites?

_____ an environmental _____ new WWTPs?

_____ you completed an evaluation _____ determine _____ for new _____ related aspects?

_____ curious if you _____ an _____ to _____ places for _____ WWTPs?

Did ____ company just complete a ____ evaluation ____ sites for ____ ?

Have ____ recently ____ out ____ assessment ____ are ____ for ____ WWTPs after taking ____ necessary factors ____ account?

Have you ____ an ____ for potential ____ sites?

____ company ____ analysis ____ determine suitable ____ for ____ new ____ and evaluate their environmental impact?

____ assessment ____ at all the ____ locate WWTPs?

____ look ____ all ____ when assessing ____ sites?

I ____ to know ____ a ____ done ____ determine optimum locations ____ WWTPs.

Where ____ the ____ sites for ____ according ____ recent ____ assessment?

any ____ analysis on ____ areas ____?

Was ____ updated ____ done ____ to install fresh WWTP ____?

I ____ there ____ an ____ impact ____ done ____ optimal ____ for new WWTPs.

____ a ____ Environmental Impact Assessment ____ appropriate locations for ____ Wastewater Treatment ____?

____ to evaluate the environmental ____ selecting sites ____ WWTPs?

____ environmental impact of ____ WWTPs.

Has ____ been an ____ Impact ____ conducted ____ optimal ____ new WWTPs?

____ look ____ all the factors ____ evaluating ____ WWTP sites ____?

Recent ____ was ____ new ____ locations?

Did ____ just finish ____ environmental ____ review ____ sites?

Did you recently ____ an assessment ____ potential areas that are ____?

Have you ____ out ____ of potential ____ that ____ suitable for establishing ____ WWTPs ____ factors?

Did ____ company ____ complete a ____ appropriate sites for constructing ____?

____ there an ____ of areas ____ WWTPs?

Evaluated ____ impact ____ a site ____ WWTPs.

What ____ a ____ assessment to ____ appropriate ____ for ____?

____ you done ____ evaluation ____ find suitable ____ for ____?

I wondered ____ there was an ____ Impact ____ determining ____ for new ____.

New ____ constructed at optimal locations ____ conducting ____ environmental ____.

____ all aspects ____ the ____ EIA considered ____ WWTPs?

____ Wastewater ____ Plants were checked ____ environmental impact?

Were you able ____ an ____ report ____ outlines ____ new wastewater treatment ____?

WWTP ____ for an EIA.

____ consider all ____ in assessing suitable WWTP ____?

I want ____ if ____ analysis ____ done ____ the ____ locations for new ____.

____ conducted ____ assessment recently ____ figure out ____ for ____ plants?

Did ____ a recent ____ to ____ areas for ____ while taking ____ relevant factors into ____?

Is there ____ assessment done ____ environment when finding suitable places to install ____?

Any ____ impact ____ to ____ to put the new WWTPs.

____ it considered all ____ the ____ EIA ____ new WWTPs?

Is ____ assessment done lately about ____ potential ____ environment ____ suitable ____ for installing ____ WWTPs?

____ recent assessment include ____ factors to ____ WWTPs?

____ there an ____ done about ____ on ____ when selecting suitable ____ for ____ WWTPs?

____ you completed a ____ evaluation recently to determine ____?

Can ____ if an updated ____ and location suitability has been ____ for ____ new WWTP?

____ wonder ____ updated evaluation was done on ____ for fresh ____.

Any ____ on the environment ____ find ____ sites ____ WWTPs?

____ updated ____ done on ____ sites ____ fresh WWTP ____?

____ recent Environmental Impact Assessment done for ____ for ____?

Was there an ____ Assessment ____ for ____ new ____?

Is there ____ done recently ____ effects ____ the environment when finding ____ for new ____?

____ new ____ Impact Assessment ____ to find ____ best ____ put ____ new ____?
 ____ it possible ____ look ____ the factors in ____ suitable ____ recently?
 Is ____ analysis done ____ suitable ____?
 ____ finish an environmental ____ review for potential ____?
 Were ____ able ____ obtain an EIA report ____ outlines ____ new ____ treatment ____?
 ____ you recently conduct ____ Environmental Impact Assessment ____ find suitable ____ new ____?
 ____ interested to know if ____ analysis ____ done to determine ____ new ____.
 Could you ____ a recent ____ Impact ____ was ____ to ____ for new WWTPs?
 ____ there ____ finding ____ locations for new WWTPs?
 Have ____ recently to find ____ places ____ build ____?
 Has there ____ a ____ assessment ____ where ____ build ____?
 ____ for new sewage ____ have recently been ____ environmental ____.
 ____ environmental impact review for potential ____ completed ____?
 I'd like ____ if a recent ____ done ____ find ideal ____ WWTPs.
 Any ____ impact assessment ____ the best spots ____ the new ____?
 ____ there ____ about ____ locations for ____ new WWTPs?
 Is ____ updated ____ done on ____ sites ____ the installation ____ WWTP ____?
 ____ an ____ Impact Assessment done before ____ on the new ____?
 Can ____ if an ____ assessment ____ impact and location ____ been done for new ____?
 Considering ____ aspects ____ latest ____ for ____ new ____.
 Evaluated ____ sites ____ new ____?
 ____ there a recent ____ of ____ WWTPs?
 Is there an ____ of areas that ____ suitable ____?
 ____ there ____ any findings ____ recent ____ ideal sites to build ____ treatment ____?
 ____ you ____ if ____ company ____ a comprehensive ____ recently to ____ sites ____ WWTPs?
 So ____ the assessments ____ figure out ____ should go?
 ____ was ____ Environmental Impact ____ for determining optimal ____ new ____.
 ____ you ____ recent assessment ____ find appropriate sites for ____?
 ____ a ____ look ____ best grounds for ____ and sustainable wastewater treatment plants?
 ____ is ____ Assessment ____ for determining optimal ____ for new ____.
 Have you recently conducted an ____ potential ____ setting ____ WWTPs?
 Did ____ perform ____ recent evaluation of ____ environment to identify ____?
 I ____ know if an updated ____ of the environmental ____ location ____ been ____ for ____ construction.
 Did ____ recent assessment ____ relevant ____ in locating ____?
 Did ____ complete ____ environmental ____ review ____ a ____ WWTP site?
 Was ____ an ____ done to ____ new WWTPs?
 ____ curious if you ____ completed an evaluation ____ to ____ places for ____.
 ____ we take all of ____ into account ____ spots ____ WWTPs?
 Is there ____ the potential ____ environment when choosing a ____ for installing new WWTPs?
 ____ there ____ assessment ____ about ____ the environment when ____ spots for installing new WWTPs?
 Is there ____ the ____ locations to ____ WWTPs?
 Is ____ Impact Assessment ____ recently ____ determine ____ locations for new ____?
 ____ you recently ____ an ____ impact to ____ areas ____ constructing WWTPs?
 ____ you ____ doing assessments ____ find ____ locations ____ wastewater plants?
 ____ you look at ____ the ____ evaluating WWTP ____?
 ____ there ____ recent Environmental Impact ____ for determining ____ for ____ WWTPs?
 Did your company ____ determine appropriate sites for ____ WWTPs?
 ____ there a ____ of the environment ____ determine ____ sites?
 Any ____ Impact Assessment ____ the best places ____ new WWTPs?
 ____ there been ____ findings from ____ evaluation ____ to build ____ treatment facilities?

Has _____ Assessment been done to _____ suitable _____ for new _____?

I wonder _____ environmental impact assessment was _____ determining _____ WWTPs.

When was _____ comprehensive _____ evaluated _____ for a wastewater _____ plant _____ be built?

_____ an assessment _____ recently _____ on the _____ when _____ for installing new WWTPs?

_____ it considered all _____ the latest EIA _____ locating _____?

Did _____ an Environmental Impact _____ before choosing _____ location?

Is _____ about _____ of installing WWTPs on the environment?

Are _____ any _____ the _____ determining _____ spots for new WWTPs?

Did you just do an _____ Assessment _____ determine _____ locations _____?

_____ done to determine feasible sites for _____?

Was a _____ of environmental impact _____ identify _____ areas for _____?

Is an _____ the potential _____ the _____ when locating suitable _____ for _____ new _____?

Considering _____ aspects, _____ recently _____ an Environmental Impact Assessment _____ find _____ WWTPs?

_____ your company _____ an _____ to find _____ for constructing new WWTPs _____ evaluate their _____?

To ensure _____ of all _____ factors, _____ you _____ me if _____ recent analysis _____ done _____ determine _____ building new _____

_____ an environmental impact assessment _____ new _____?

Was _____ updated _____ on possible _____ for _____ of fresh WWTP _____?

Is there an Environmental Impact _____ done _____?

_____ wonder if _____ Impact Assessment was _____ for _____ WWTPs.

Have _____ done an _____ Impact _____ before _____ on new _____?

_____ your company _____ an analysis _____ determine suitable _____ their environmental impact?

_____ any _____ choosing a site _____ WWTPs.

_____ an assessment done recently about the potential _____ the _____ suitable spots _____?

_____ a recent _____ take into account all _____ factors _____?

Are there any _____ Plants _____ have _____ checked _____ Environmental _____ Assessment?

Did you _____ Environmental _____ to find suitable _____ WWTPs?

_____ about _____ assessment to find _____ sites for those _____?

Is it _____ to _____ me if _____ assessment _____ and location suitability _____ undertaken as part _____ planning for _____

_____ recently _____ potential areas that are suitable _____ after taking _____ necessary _____ into account?

I would _____ know if an _____ was _____ find _____ for new _____.

I would _____ if a recent analysis was _____ ascertain _____ for _____.

Recent Environmental _____ Assessment checks _____ new _____ Plants?

_____ conducted studies recently to _____ to build _____?

_____ you _____ an _____ Assessment _____ determine _____ locations for new WWTPs?

Has there _____ areas suitable _____ new WWTPs?

_____ there _____ updated _____ for sites _____ installation of fresh _____ facilities?

_____ done a _____ evaluation recently to determine _____ sites _____ new _____?

Did an _____ of _____ sites for the installation of _____ all _____ impacts?

New _____ Impact Assessment _____ best places to _____ fancy _____ WWTPs?

Is it _____ a _____ Impact Assessment _____ done to _____ locations for _____?

Can _____ if an _____ assessment of the environmental impact _____ location _____ has _____ of the _____ for new _____

_____ recent _____ suitable WWTP areas _____?

Do _____ know anything _____ of ideal sites to _____ modern _____ treatment _____?

_____ at _____ the factors recently when _____ suitable _____ sites?

_____ company have _____ recently to determine appropriate sites _____ constructing _____ WWTPs?

Has there _____ findings _____ of the ideal _____ to _____ treatment facilities?

Is _____ possible _____ optimal locations _____ new WWTPs _____ conducting _____ impact _____?

_____ wonder if _____ updated _____ done on sites _____ the installation _____ facilities.

Evaluated environmental _____ sites _____ WWTPs
 _____ is _____ word _____ environmental assessment to find _____ sites _____ WWTPs?
 If you can _____ that _____ Assessment _____ to identify suitable locations _____ new _____?
 _____ analysis _____ done _____ suitable WWTP areas?
 _____ areas _____ are suitable for establishing upcoming _____ after considering _____ factors?
 _____ you have any _____ assessments done _____ locations _____ wastewater plants?
 Consider all _____ of _____ latest _____ to locate _____.
 The _____ time a _____ EIA _____ grounds _____ more effective and _____ wastewater treatment _____?
 _____ there a _____ assessment of _____ suitable _____ WWTPs?
 Did _____ account all _____ evaluating suitable spots _____ WWTPs?
 If _____ regarding the environmental impact and _____ suitability _____ undertaken _____ part _____ for _____ WWTP
 construction, _____ you tell _____
 _____ environmental _____ done _____ new WWTPs?
 _____ there a recent assessment _____ suitable _____.
 Assessing all _____ when _____ locations _____ Treatment Plants.
 Any _____ of the environment _____ to _____ sites?
 _____ done of new _____?
 _____ is _____ recent environmental assessment _____ find _____ sites for _____ WWTPs?
 _____ a _____ of areas where new WWTPs can _____?
 _____ like _____ a recent _____ was done to _____ ideal locations _____ building _____.
 _____ like to _____ a recent _____ was conducted to determine _____ locations _____ new _____.
 _____ an _____ new WWTP locations?
 Is _____ utility company _____ with conducting _____ Assessments _____ find viable locations for _____?
 Did you _____ any _____ assessments _____ to _____ out where WWTPs _____?
 _____ an _____ done recently about _____ potential _____ the _____ choosing _____ suitable spot for _____ WWTPs?
 Is there _____ done _____ about _____ effects _____ the environment _____ suitable spots for _____ WWTPs?
 _____ evaluated _____ impact _____ choosing _____ WWTPs
 _____ should _____ used for _____ WWTPs?
 I was _____ a recent _____ done _____ out the _____ locations _____ new _____.
 _____ a recent _____ was _____ to find _____ for _____ WWTPs, _____ consideration _____ relevant _____ would be ensured.
 _____ EIA _____ WWTP locations?
 _____ recently complete _____ evaluation _____ determine appropriate sites _____ the construction _____ WWTPs?
 _____ the Environmental Impact Assessment done _____ WWTP _____?
 A recent _____ the _____ determine feasible _____ for _____?
 When did a _____ for _____ grounds for _____ effective and sustainable _____?
 I would like _____ a recent analysis was done _____ locations for _____.
 _____ newest _____ locating _____ WWTPs?
 Have you _____ an analysis to _____ sites _____ constructing new _____ and _____?
 _____ you conduct an assessment _____ the _____ to _____ appropriate _____ for _____?
 I _____ if _____ updated evaluation was done _____ for the installation _____.
 _____ it recent _____ done _____ locations?
 After _____ an environmental impact assessment, _____ findings on optimal _____?
 _____ there an _____ impact assessment _____ for _____ optimal spots _____.
 Is there _____ findings on _____ build _____ WWTPs?
 _____ if there are any _____ a recent evaluation _____ ideal sites _____ modern _____ facilities.
 _____ there a _____ to _____ appropriate areas _____ constructing _____ all _____ factors _____ account?
 _____ like _____ know if a _____ analysis _____ figure _____ where to build new _____.
 _____ a recent assessment of areas _____ WWTPs?
 Evaluated _____ selecting sites for _____
 When was _____ a comprehensive _____ looked _____ a wastewater treatment plant?
 _____ the _____ while _____ sewage plants?

Is it ____ for ____ updated evaluation ____ on ____ sites ____ installation of fresh WWTP ____?

Has ____ been an assessment ____ areas ____ for building ____?

Do ____ a ____ Environmental Impact Assessment was ____ for determining ____ for ____?

Have you recently ____ an ____ Impact ____ to ____ locations ____ WWTPs?

____ all ____ when locating ____ Treatment Plants?

Any ____ assessment ____ to find the best ____ the new ____?

____ your company conduct ____ to determine suitable sites ____ new ____ their ____ impact?

____ you ____ the environmental impact to ____ appropriate areas ____?

____ word ____ a recent environmental ____ to ____ sites ____ those WWTPs?

____ look ____ the ____ determine feasible sites for ____?

____ assessment ____ recently about the impact of ____ new ____ environment?

Evaluated ____ for ____ recently?

Did you recently ____ a Environmental ____ Assessment ____ suitable ____ WWTPs?

____ word on ____ environmental ____ appropriate sites ____ those WWTPs?

Is there ____ done recently ____ the ____ environment ____ suitable spots ____ installing new WWTPs?

____ there ____ about the effect on the environment when ____ where to ____?

Has ____ from ____ evaluation of ____ build ____ wastewater treatment facilities?

____ the Environmental Impact Assessment ____ determine suitable locations ____?

____ impact review ____ done for potential ____.

Did you do ____ assessment ____ the new ____?

____ an updated ____ on ____ possible sites for ____ facilities?

____ necessary factors, have you recently conducted an assessment ____ areas that ____ for ____?

____ completed an environmental ____ WWTP sites recently?

____ you ____ all ____ factors ____ in the evaluation ____ impact ____ identify appropriate areas ____ WWTPs?

____ an ____ evaluation ____ on ____ locations for ____ WWTP facilities?

____ it ____ recently for ____ WWTP ____?

I ____ to know ____ you've ____ recently to ____ suitable places ____ WWTPs.

What recent ____ of ____ environment was ____ feasible sites ____?

Was ____ to ____ EIA report that ____ sites for new ____?

____ you recently ____ evaluation ____ determine appropriate ____ the ____ of WWTPs?

Well, did ____ just ____ impact ____ potential WWTP sites?

Has ____ done ____ potential effects ____ the ____ when finding suitable spots ____ new WWTPs?

Is ____ utility company ____ Environmental Impact ____ viable locations for future plans ____ WWTPs?

____ aspects in ____ latest EIA ____ WWTPs?

Did you ____ in assessing ____ WWTP sites recently?

____ analysis done on the ____ WWTP areas?

____ possible ____ environmental ____ when choosing ____ for WWTPs?

Have ____ any ____ from a recent ____ of ____ sites ____ build ____ Treatment ____?

I wanted ____ know if ____ updated ____ was ____ fresh WWTP facilities.

Have you recently ____ assessment of potential areas ____ are ____ after ____ all necessary ____?

Is it possible ____ appropriate areas for ____ relevant ____ into account?

Have there ____ findings ____ the ____ evaluation of ____ to ____ wastewater treatment ____?

____ you conducted ____ environmental impact assessment ____ locations ____ WWTPs?

____ there an assessment ____ for ____?

Did ____ perform ____ of the ____ to identify appropriate ____ WWTPs?

Any ____ done to ____ the best spots for ____?

____ a ____ assessment ____ for ____ construction of new WWTPs?

____ any ____ Impact Assessment done ____ find ____ best ____ put new ____?

____ an environmental ____ to find ____ locations for ____?

Have ____ conducted ____ recently to ____ best ____ the wastewater plants?

____ it a recent ____ for ____ locations?
 ____ you get ____ report ____ sites for new wastewater treatment ____?
 ____ any assessments to figure ____ locations ____ wastewater plants?
 ____ of ____ sites ____ WWTPs?
 I ____ if ____ recent assessment ____ areas ____ for ____ WWTPs.
 ____ you ____ any ____ lately ____ out where WWTPs ____ go?
 Surveyed spots ____ WWTP ____?
 Any recent studies ____ to ____ feasible ____?
 ____ is a ____ Impact Assessment done ____ determining ____ locations ____ new Wastewater Treatment Plants?
 ____ completed an ____ recently to figure out ____ places ____ WWTPs ____ related aspects?
 ____ it ____ find ____ locations for new ____ after an ____ impact ____?
 Did ____ do ____ Environmental Impact ____ before ____ WWTP ____?
 Did ____ recently perform ____ environmental impact ____ identify ____ areas for constructing ____?
 ____ your ____ complete a ____ evaluation recently to ____ the ____ sites ____?
 ____ conducting a ____ environmental impact ____ recent ____ on ____ for constructing ____ WWTPs?
 ____ ever completed ____ evaluation ____ suitable places for new ____ while ____ all ____?
 ____ recent examination of ____ determine feasible sites?
 ____ anyone ____ an evaluation to determine ____ while ____ all aspects?
 ____ any new Environmental Impact ____ to ____ the best places ____ those fancy ____?
 The Environmental ____ Assessment was ____ find ____ for ____.
 ____ an ____ consider relevant ____ WWTPs?
 ____ sites for new wastewater ____ plants were ____ EIA ____?
 A ____ analysis ____ to determine ____ for WWTPs?
 Have ____ evaluations recently ____ find suitable ____ for ____ WWTPs?
 ____ is ____ to find appropriate ____ for those WWTPs?
 New WWTPs should be ____ an environmental impact ____.
 Is there ____ assessment of suitable areas ____?
 Is ____ Environmental Impact ____ for finding new ____?
 ____ there an ____ done ____ about the ____ environment ____ determining where ____ install new WWTPs?
 Can the environment ____ feasible sites ____ WWTPs?
 Did ____ just ____ an ____ evaluation to ____ appropriate areas ____ constructing ____?
 ____ if ____ Assessment ____ conducted for determining ____ spots ____ new WWTPs.
 ____ an updated assessment ____ environmental impact ____ suitability undertaken ____ part ____ for new ____ construction?
 ____ company recently ____ a ____ evaluation ____ appropriate sites for new ____?
 Is an ____ evaluation done ____ fresh ____ facilities?
 ____ an environmental impact ____ are there ____ findings on ____ new WWTPs?
 Have ____ impact assessment to find ____ locations ____ WWTPs?
 If ____ recent Environmental ____ has been conducted to ____ suitable ____ for ____ WWTPs, ____ confirm ____?
 Did the assessment consider all ____ in ____?
 What is ____ on ____ environmental assessment to find ____ WWTPs?
 Can you let us know if ____ the environmental ____ and location suitability ____ been ____?
 The best spots ____ put ____ WWTPs ____ the ____ any new ____ assessment.
 Any recent analysis ____ WWTP ____?
 Have you ____ assessments ____ to ____ out good ____ for ____?
 ____ like to ____ Environmental Impact ____ was ____ for ____ optimal spots ____ WWTPs.
 Did ____ assessment consider ____ to locate WWTPs?
 Recent EIA ____ new ____ in ____?
 ____ you ____ assessments to figure ____ locations for ____ plants?
 Did ____ account when evaluating suitable ____ WWTPs?
 ____ was ____ EIA looked ____ the best grounds to build wastewater ____?

Have _____ any findings _____ a recent evaluation _____ the _____ modern wastewater _____?

Has there been a recent evaluation of _____ build _____ according to _____ EIA _____?

_____ the assessment _____ new _____?

Is _____ updated _____ of the _____ impact and location suitability done _____?

Can you _____ regarding the environmental impact and _____ has been done as _____ of _____ for new _____?

_____ Environmental Impact Assessment _____ for determining _____ new WWTPs?

_____ the necessary _____ into _____ did _____ evaluate _____ spots _____ WWTPs?

Has _____ assessment recently to _____ out good _____ wastewater plants?

_____ a recent _____ Impact _____ has _____ done _____ suitable locations for _____ could _____ tell me?

Was _____ recent _____ of _____ used to locate _____?

Is _____ that _____ assessment _____ environmental impact _____ location suitability has been undertaken _____ planning _____ new _____ construction?

_____ an _____ done _____ the installation _____ facilities if all the _____ impacts are _____?

Did you run any of _____ assessments _____ where _____ should _____?

_____ the recent _____ Impact _____ identify _____ new WWTPs?

_____ the _____ a _____ EIA _____ at the best grounds _____ build _____ sustainable wastewater _____ plant?

Did you _____ into _____ all _____ evaluating _____ spots for WWTPs?

Did your _____ complete _____ comprehensive _____ to determine the _____ new _____?

I _____ to _____ if _____ suitable _____ for _____ account _____ the necessary factors.

_____ recent assessment _____ potential _____ are suitable for _____ WWTPs after _____ all necessary factors?

_____ recent examination of _____ done _____ feasible _____ for WWTPs?

_____ if a _____ analysis was carried out _____ determine ideal _____ for new _____.

_____ you _____ about an _____ assessment _____ appropriate _____ for WWTPs?

_____ an assessment _____ all _____ factors to _____ WWTPs?

_____ just do an _____ to _____ appropriate areas _____ constructing WWTPs?

I'm _____ if _____ Impact _____ was conducted _____ optimal _____ for _____ WWTPs.

Is there recent data on _____ for _____?

What is _____ on _____ environmental assessment to find _____ sites _____?

Did _____ evaluate _____ impact to _____ appropriate areas to _____?

_____ an _____ of areas that can _____ used _____ new _____?

_____ recent _____ for WWTP _____ happen?

Did you _____ all _____ of _____ locating new _____?

Did the recent _____ consider _____ to _____ WWTPs?

_____ you can _____ if a recent Environmental _____ Assessment has been _____ to _____ WWTPs.

_____ the _____ impact _____ done _____ potential WWTP _____ recently?

Is there any _____ impact _____ done _____ best places _____ those _____ new _____?

What _____ assessment to find _____ sites for _____?

_____ environmental impact assessment done _____ find _____ new _____ huh?

_____ was the _____ time _____ comprehensive _____ looked at ideal grounds _____ effective _____ treatment plants?

Is _____ assessment done recently _____ the potential _____ on the _____ when _____ installing new _____?

_____ it _____ of the environmental _____ and location suitability has been _____ WWTP construction?

_____ the last time _____ EIA _____ the _____ for _____ effective and sustainable wastewater _____ plants?

Have _____ conducted an _____ areas _____ are _____ for _____ WWTPs, after considering _____ necessary factors?

Can you tell me _____ an _____ the _____ impact _____ suitability has been _____ a new _____?

The _____ Impact _____ was done _____ new WWTP _____.

_____ a recent _____ was done _____ determine _____ best locations for new _____.

I am wondering if the _____ Impact _____ was _____ for _____ for _____.

The _____ Assessment _____ find _____ best places _____ put those _____ new WWTPs.

Is recent _____ sites?

If _____ Impact Assessment _____ been _____ to identify _____ locations _____ new _____ you confirm?

_____ updated evaluation done _____ installation of _____ by including _____ the _____ impacts?

There has been an _____ are suitable for _____.

_____ need _____ if a _____ analysis _____ done _____ ideal locations _____ WWTPs.

Did you just _____ a _____ evaluation _____ appropriate sites _____ WWTPs?

Did _____ any environmental _____ when choosing sites for _____?

Is _____ Impact _____ done for determining suitable _____ WWTPs _____ aspects?

Can you _____ me _____ has _____ an _____ to the _____ assessment _____ planning for new WWTP construction?

_____ the recent evaluation of ideal _____ to build modern wastewater treatment _____ comprehensive _____ guidelines?

_____ for new _____ recently?

_____ recent _____ Impact Assessment been done to _____ for _____ WWTPs?

Is it possible to identify appropriate _____ all _____ account?

Was looking _____ all _____ in _____ suitable _____ recently?

_____ been _____ from _____ recent evaluation of the ideal sites _____ build _____ wastewater _____?

_____ that a thorough examination of _____ implications _____ placement options _____ been _____ recently _____ regards _____ upcoming _____?

Is _____ an assessment done _____ effect _____ when _____ suitable _____ for installing _____ WWTPs?

_____ the _____ assessment include _____ locate WWTPs?

Have you recently _____ Assessment _____ there _____ suitable _____ for new WWTPs?

_____ there _____ Environmental _____ Assessment done _____ locations for new WWTPs?

Is _____ assessment _____ suitable _____ WWTPs?

Consider the entire _____ locating _____?

_____ updated _____ for _____ installation of fresh _____ facilities?

Have you _____ an evaluation _____ determine suitable places _____ new _____ considering _____?

Is _____ done _____ new WWTP _____?

_____ there an _____ WWTP _____ considered?

_____ would like _____ know _____ there was _____ assessment done _____ destinations.

_____ your _____ complete a thorough evaluation _____ to _____ appropriate _____ WWTPs?

When _____ last _____ a _____ EIA _____ into the _____ to _____ wastewater _____ plants?

_____ is the _____ assessment _____ find appropriate _____ for those WWTPs?

_____ it the _____ EIA _____ for new _____?

Is _____ environmental impact _____ done _____ WWTP sites?

_____ a recent Environmental Impact _____ been _____ for new WWTPs, _____ you confirm that?

Have you conducted _____ of _____ that _____ for setting _____ after considering all _____ factors?

I'm _____ you've recently _____ to determine suitable _____ for _____ WWTPs.

_____ you _____ complete _____ environmental impact review for _____?

_____ assessment _____ at all of _____ factors to _____ WWTPs?

_____ recently completed _____ evaluation to _____ appropriate sites for _____?

Was _____ done _____ locate WWTPs?

_____ there recent _____ locations for _____ WWTPs?

_____ you just _____ environmental impact _____ determine suitable locations _____ new _____?

_____ do an _____ appropriate areas for constructing WWTPs?

_____ recent examination of _____ environment _____ done _____ find _____ for _____?

I _____ like to know _____ a _____ was _____ determine _____ locations for _____.

Did _____ do _____ Environmental _____ Assessment to determine _____ locations for _____?

An _____ report outlines suitable _____ for _____ plants?

Has _____ been _____ assessment of areas suitable _____?

Is _____ an _____ recently about the effects on the environment when _____ installing _____?

Is there _____ locations for _____ WWTPs after an _____ assessment?

Did _____ just complete _____ to _____ appropriate _____ for _____ WWTPs?

_____ Environmental Impact Assessment _____ conducted _____ determine _____ for _____ WWTPs?

Any new environmental _____ done _____ find _____ for new _____?

_____ environmental assessment done _____ WWTPs?

Do you _____ assessment of potential _____ that _____ for _____ WWTPs _____?

_____ have a recent evaluation _____ impact _____ areas for _____ WWTPs?

Have _____ environmental assessment to find _____ new WWTPs?

Is there an _____ assessment _____ for determining _____ spots _____?

So _____ do any assessments _____ out where _____ should _____?

Is it possible _____ an EIA _____ outlines suitable _____ for _____ wastewater _____?

_____ was _____ a _____ done to figure _____ the best locations _____ new _____.

I am curious _____ have _____ an _____ to _____ suitable places for _____.

Interested _____ EIA _____ sites?

Considering all _____ has _____ Environmental Impact _____ been _____ locations for new Wastewater Treatment _____?

Can you tell me _____ environmental _____ suitability has been _____ for new WWTP _____?

_____ recent study done on _____ environment _____ find _____ sites _____?

_____ recent _____ of _____ areas was _____?

Did you finish an _____ for possible _____?

_____ there any _____ analysis _____ WWTP areas?

To _____ thorough _____ of _____ relevant _____ you tell me if _____ recent analysis _____ undertaken to ascertain _____ new _____

Is it _____ an assessment _____ done to _____ destinations?

_____ check _____ of the _____ in assessing suitable WWTP _____?

_____ anyone completed an _____ suitable places for _____ WWTPs?

_____ Impact Assessment is _____ to _____ the _____ to put _____ WWTPs.

Is there _____ areas _____ build _____ WWTPs with _____ impact in _____?

_____ Environmental Impact Assessment _____ to find _____ put the _____ WWTPs?

Have there been _____ a _____ of best _____ to build _____ facilities?

Considering _____ aspects of _____ latest _____ for _____ WWTPs?

Are there any _____ analyses _____ suitable _____?

I would like _____ if a _____ Impact _____ has _____ done _____ identify _____ locations _____ WWTPs?

_____ there _____ Environmental Impact _____ that was _____ optimal _____ for _____ WWTPs?

_____ considering all necessary _____ carried _____ an assessment of potential areas _____ suitable for establishing _____?

Did you _____ suitable _____ for WWTPs, _____ all _____?

_____ Assessment was done to find locations _____.

_____ recent _____ new _____ locations happen?

_____ do _____ think _____ the environmental _____ find appropriate _____ for _____?

Is the _____ Impact Assessment _____ before _____ decided _____ WWTP _____?

Is _____ recent _____ areas that are _____ new WWTPs.

_____ examination _____ the environment _____ determine feasible _____ for _____?

_____ recent analysis done _____ WWTP areas?

_____ considered _____ EIA for _____ new WWTPs?

When was _____ last _____ EIA _____ at _____ grounds _____ treatment plants?

_____ appropriate _____ new WWTPs?

_____ possible _____ evaluate the environmental impact _____ a _____ for _____?

Was _____ evaluation done _____ potential _____ for _____ of _____ WWTP facilities?

_____ recent _____ of _____ to determine feasible sites _____?

Is _____ possible to evaluate _____ sites _____ new _____?

_____ your company _____ evaluation _____ appropriate sites for new WWTPs?

You _____ an environmental impact _____ sites?

I am _____ if there _____ for _____ optimal _____ for new WWTPs.

_____ there an updated assessment _____ the environmental _____ location _____ done _____ WWTP _____?
 _____ have a _____ analysis to determine _____ sites _____ WWTPs and evaluate their environmental _____?
 _____ the _____ EIA _____ for locating _____?
 Is _____ a recent analysis _____ done?
 _____ all the _____ factors, _____ your company _____ a recent _____ to _____ sites for _____ WWTPs?
 _____ any recent _____ WWTP areas _____?
 _____ was the _____ the EIA _____ for the construction _____ more effective and _____ treatment plants?
 Is _____ a _____ Assessment done to find _____ best _____ to _____ the _____ WWTPs?
 Have _____ recently done an assessment _____ areas that _____ suitable _____ WWTPs _____ considering all _____?
 _____ completed _____ environmental impact review _____ potential _____ sites?
 When was _____ a _____ looked at ideal _____ for _____ treatment plants?
 _____ want _____ know _____ a _____ analysis _____ done to _____ ideal locations for _____.
 _____ considering all necessary _____ have _____ carried out an assessment _____ potential _____ are _____ for _____?
 a recent examination _____ the _____ determine _____ sites _____
 _____ of areas _____ are _____ for establishing WWTPs after considering all _____ factors?
 _____ at all aspects _____ locating new WWTPs.
 Is there _____ areas that _____ suitable _____ the _____ of _____ WWTPs?
 Did you _____ the _____ impact to _____ appropriate _____ to _____?
 Have _____ recently _____ impact _____ to _____ suitable locations for new _____?
 Have _____ any findings _____ evaluation of _____ to build _____ wastewater _____ facilities?
 _____ Environmental _____ Assessment is done to find _____ spots to put _____.
 _____ the new _____ locating new WWTPs?
 Will there _____ a _____ of suitable _____ WWTPs?
 Completed an _____ impact _____ for _____ right?
 _____ assessment _____ to _____ new WWPT _____.
 Is _____ analysis done _____ determine _____ locations for new _____?
 Is _____ you _____ spots _____ WWTPs, taking into account _____ the _____ factors?
 _____ run any _____ them _____ to figure _____ the WWTPs _____ go?
 _____ there a recent _____ potential _____ that _____ ecological _____ suitable _____ establishing upcoming _____?
 Think about _____ aspects of _____ EIA _____ WWTPs.
 Has there been _____ a recent evaluation _____ ideal _____ build _____ wastewater _____?
 _____ completed _____ recently _____ determine appropriate _____ the _____ of new WWTPs?
 I'd like to _____ recent analysis _____ done to find the _____.
 There _____ an _____ Assessment _____ optimal spots _____ new WWTPs.
 _____ was _____ if _____ Environmental Impact Assessment _____ done for _____ spots _____.
 Have your company recently _____ comprehensive _____ sites for new _____?
 _____ can _____ if a recent Environmental Impact Assessment _____ done _____ suitable _____ WWTPs?
 Potential locations for new _____ treatment _____.
 _____ environmental _____ been done for _____ suitable locations _____ new _____?
 Considering _____ have _____ recently _____ an Environmental Impact Assessment _____ locations for _____?
 Have _____ Environmental _____ Assessment in order to _____ suitable locations _____ WWTPs?
 _____ you done an _____ of _____ that are _____ establishing _____ after considering _____ the _____ factors?
 When was the _____ at the _____ grounds for _____ construction of more _____ and _____ treatment _____?
 _____ you _____ assessment of _____ areas that _____ suitable _____ establishing WWTPs after _____ all _____ factors?
 Is _____ evaluation done _____ the _____ of fresh _____ including all _____?
 Was _____ assessment done to _____ for new _____?
 Any _____ done _____ suitable WWTP _____?
 _____ Environmental _____ Assessment _____ determining suitable locations _____ new WWTPs?
 Newfangled Environmental _____ to _____ best spots _____ put those _____ WWTPs?
 _____ most recent EIA _____ new _____ locations?

What about ____ environmental assessment that was ____ to ____ sites ____?

____ any evaluation recently ____ suitable places ____ WWTPs while considering ____ aspects?

Is ____ Environmental Impact ____ conducted ____ determining ____ new ____ Treatment Plants?

Is ____ of the environmental ____ and ____ suitability ____ of the planning for ____ WWTP construction?

____ assessment take ____ factors ____ account ____ locate WWTPs?

Did your company ____ complete a ____ evaluation to ____ sites ____?

____ there ____ areas ____ build ____ WWTPs that consider the environmental ____?

I ____ an Environmental ____ Assessment ____ done ____ new WWTPs.

____ you look ____ all the ____ assessing suitable WWTP ____?

Is the recent ____ Impact ____ to ____ locations for new ____?

____ been an ____ for new WWTPs?

____ there a ____ Wastewater ____ Plants ____ checked recently ____ Assessment?

I ____ wondering ____ a recent ____ done ____ ideal ____ for ____ WWTPs.

What do ____ think ____ the ____ to ____ appropriate ____ those WWTPs?

____ recent assessment ____ WWTP ____?

Did you ____ shows suitable locations for ____ wastewater treatment ____?

Has anyone been ____ recently ____ figure out ____ plants?

____ complete ____ evaluation ____ to determine appropriate ____ for the construction of ____?

____ a ____ was ____ determine ideal ____ for new ____ consideration of all ____ factors would be ____.

____ you ____ any ____ recently to determine suitable ____ WWTPs ____ all aspects?

____ it possible to ____ by examining the environment?

Did ____ completed the ____ impact ____ potential WWTP ____?

Any ____ of suitable WWTP ____?

Has a ____ of areas ____ been done?

Is there ____ of ____ suitable for new ____?

Has ____ recent ____ Impact Assessment ____ suitable locations ____ WWTPs?

____ there any ____ on ____ the ____ of new WWTPs?

Any Environmental ____ Assessment done to find ____ best ____ WWTPs?

____ an ____ done recently about the possible effects on ____ when ____ spots ____ new ____?

Has your ____ done ____ analysis ____ determine suitable sites ____ new WWTPs ____ evaluate the ____?

____ you recently do an ____ of ____ areas that are ____ establishing ____ all ____ factors?

____ company ____ a ____ evaluation recently to find ____ sites for ____?

Is your utility ____ up-to-date with ____ Assessments to explore ____ locations ____ future plans ____?

____ company ____ an analysis ____ suitable ____ for constructing new ____ and evaluate the ____?

____ an ____ done for ____ new WWPT ____?

____ is ____ recent ____ of ____ sites ____ WWTPs?

____ a ____ on ____ WWTP areas ____?

____ you evaluate suitable ____ for WWTPs, ____ into ____ all ____?

____ recently ____ an assessment to ____ suitable ____ new WWTPs?

I ____ updated ____ the environmental impact ____ suitability ____ been done ____ part of ____ for new WWTP construction.

Is a ____ Impact Assessment ____ for ____ for new ____ treatment ____?

Is there recent ____ optimal ____ build new ____?

____ to ____ an assessment was done ____ select ____ WWPT ____.

____ any ____ impact when choosing ____ for ____

Did ____ assessment ____ relevant factors into ____ to ____ WWTPs?

When ____ last time ____ EIA looked ____ the ____ a more sustainable wastewater ____ plant?

Evaluated locations that ____ for ____?

____ the ____ Impact Assessment ____ when finding ____?

____ ensure thorough ____ relevant ____ could you ____ if ____ analysis ____ done to ____ ideal locations for building ____ WWTP

____ all the ____ into ____ when ____ suitable spots for ____ ?
 ____ you ____ me if ____ update to ____ and location suitability ____ been ____ for ____ WWTP construction?
 Considering ____ latest Environment ____ plants?
 ____ Environmental Impact Assessment ____ for finding ____ for ____ ?
 ____ latest EIA ____ locating new ____ considering?
 Has there been an ____ where ____ WWTPs with ____ to ____ ?
 Any ____ analysis ____ suitable ____ ?
 Are ____ recent findings ____ optimal locations ____ constructing ____ ?
 ____ was an Environmental ____ done for ____ optimal spots ____ new ____ .
 ____ a recent ____ Impact Assessment ____ done ____ find suitable ____ for new WWTPs.
 ____ updated assessment of ____ and location suitability ____ of ____ for a ____ WWTP construction?
 I'm ____ to ____ any ____ to determine suitable ____ for new WWTPs.
 ____ to ____ feasible sites for ____ ?
 Have you ____ assessments recently to ____ the ____ the wastewater ____ ?
 Is there any ____ optimal ____ for constructing ____ ?
 ____ an ____ impact ____ for potential ____ sites recently.
 Have you completed ____ to determine ____ constructing new WWTPs?
 ____ WWTP ____ done recently?
 Is there a ____ of ____ ideal for building ____ ?
 Was ____ possible ____ identify ____ for constructing ____ while taking ____ factors ____ account?
 I would ____ to know ____ a recent ____ was ____ locations ____ building ____ with ____ consideration ____ all relevant
 Could you tell me ____ a ____ determine ____ locations ____ building ____ WWTPs?
 Evaluated some sites ____ ?
 ____ the recent ____ take into ____ relevant ____ locate WWTPs?
 The ____ new ____ plants need to ____ recently.
 Did ____ completion ____ environmental impact review for ____ ?
 ____ evaluation be done for ____ installation of ____ WWTP ____ ?
 ____ assessment of ____ that ____ suitable for new WWTPs?
 Have you ____ an assessment of ____ areas ____ are ____ WWTPs?
 ____ your company ____ complete ____ to ____ the ____ for the new WWTPs?
 If a ____ was done ____ locations ____ new WWTPs, ____ would like ____ know ____ .
 ____ evaluate suitable ____ WWTPs, taking ____ the necessary ____ account?
 ____ environmental assessment done ____ find appropriate sites ____ .
 Recent ____ the environment ____ feasible ____ for WWTPs?
 Is there an ____ in order ____ WWPT ____ ?
 ____ recently ____ an assessment ____ potential areas that are suitable ____ establishing ____ all ____ factors into ____ ?
 ____ done ____ new WWTP ____ ?
 Has the ____ examined ____ to determine ____ WWTPs?
 ____ done to pick ____ destinations?
 ____ you just ____ an Environmental Impact Assessment ____ for ____ WWTPs?
 To ____ thorough ____ all relevant factors, ____ tell me if ____ recent analysis ____ locations for ____ WWTPs
 Is there an ____ done ____ on ____ when choosing suitable spots ____ installing new ____ ?
 Consider all ____ the newest EIA ____ locating ____ .
 Did an updated evaluation for ____ installation ____ include ____ impacts?
 Any new ____ assessment ____ to put the ____ new WWTPs?
 After ____ all ____ have you recently done ____ potential areas that ____ for establishing ____ ?
 I'm wondering ____ was done ____ optimal spots for new ____ .
 Was ____ Impact ____ done ____ locating new ____ ?

Evaluated ____ for ____ recently?
 I'm ____ know ____ you've completed an evaluation recently ____ determine ____ places ____?
 ____ if you have ____ an evaluation recently to determine suitable ____ for ____?
 ____ would like to ____ an analysis was done to ____ for ____.
 If ____ recent Environmental Impact ____ has been ____ to find ____ for ____ WWTPs, ____ please ____?
 Do you ____ EIA for locating ____?
 ____ new environmental assessment done ____ best ____ to put ____?
 Is ____ an assessment ____ recently about ____ possible effects ____ the ____ when ____ spots ____ WWTPs?
 ____ the ____ EIA ____ new WWTP locations ____?
 I ____ to know ____ an ____ environmental impact and location ____ been done ____ WWTP construction.
 Is ____ an assessment ____ effects on the ____ suitable locations for ____ new WWTPs?
 ____ if an updated ____ of the environmental ____ location ____ been ____ as part of planning for ____ WWTP ____
 ____ like ____ a ____ was done to ____ ideal locations for new ____.
 ____ an evaluation to determine suitable places ____ WWTPs, ____ considering ____ aspects?
 Is your utility ____ with conducting Environmental ____ Assessments ____ at ____ WWTPs?
 ____ necessary ____ all aspects of ____ locating new WWTPs?
 Any ____ done ____ find ____ best spots for new ____?
 Did ____ complete ____ impact review ____ WWTP sites?
 ____ if ____ an ____ Assessment done for determining optimal spots ____ WWTPs.
 For determining ____ locations for new ____ Plants, ____ an ____ Impact ____?
 Consider ____ aspects ____ latest EIA ____ finding ____ WWTPs.
 ____ an ____ Assessment completed ____ locate ____ WWTPs?
 ____ recent ____ on ____ areas completed?
 ____ there ____ Environmental Impact ____ conducted ____ spots ____ new WWTPs?
 Is your ____ company up-to-date ____ the ____ to ____ locations for ____ plans of ____ WWTPs
 ____ like ____ know if a recent ____ done ____ ideal ____ for ____ WWTPs.
 Is ____ recent assessment done about ____ potential ____ on the ____ when ____ spots ____ new ____?
 I want to ____ an updated ____ regarding ____ impact ____ been ____ as part of ____ for ____ construction.
 ____ you ____ conducted ____ of potential areas ____ are ____ for establishing ____ considering ____ the ____ factors?
 Did ____ have ____ recent ____ of ____ locations?
 ____ been any findings from the ____ evaluation ____ sites ____ build ____ facilities according ____ EIA guidelines?
 Did ____ recent ____ relevant factors in ____ WWTPs?
 Any recent ____ the environment ____ figure out ____ for ____?
 Is an ____ of potential ____ ecological ____ suitable for ____ done recently?
 ____ there a ____ assessment ____ areas that are ____ new ____?
 ____ you ____ Environmental ____ to find suitable ____ for new WWTPs?
 ____ there an ____ recently ____ the ____ on the environment when identifying ____ WWTPs?
 Have ____ conducted ____ recent ____ sites for constructing ____ WWTPs?
 Have ____ an Environmental Impact ____ to find suitable locations ____?
 Did ____ an environmental impact assessment ____ on new ____?
 ____ environmental ____ review ____ potential WWTP sites.
 ____ carried out an ____ Impact Assessment ____ locations ____ new WWTPs?
 ____ you ____ conducted an ____ suitable locations for ____ WWTPs?
 Have you done ____ of potential ____ that ____ for ____ WWTPs?
 Is there any ____ Environmental Impact ____ best spots to ____ those ____ new ____?
 Has ____ assessment ____ done ____ the potential ____ on the ____ when ____ suitable ____ installing ____ WWTPs?
 Is it ____ that an Environmental ____ was ____ determining ____ for new ____?
 ____ you take ____ account all ____ necessary factors in ____ evaluation ____ WWTPs?
 Did ____ environmental impact ____ for ____ WWTP sites?

Did ____ assessment on ____ ?

Is ____ possible ____ consider all ____ of ____ EIA ____ new WWTPs?

____ recent ____ of ____ determine feasible sites ____ WWTPs?

The EIA ____ outlines ____ new wastewater treatment ____?

____ conducted ____ determine suitable sites for new WWTPs ____ their environmental impact?

____ Impact Assessment ____ find the best spots ____ put the ____.

Is there ____ potential effects on the environment ____ where to ____ WWTPs?

Have ____ completed ____ evaluation ____ sites for new WWTPs?

____ Environmental Impact Assessment ____ to ____ WWTPs?

Did you ____ determine appropriate sites for the construction ____?

Any ____ analysis ____ WWTP areas?

Can you ____ if the Environmental ____ done ____ find suitable ____ for ____?

Do you know if ____ updated ____ environmental impact ____ suitability has ____ for new ____?

Have you recently ____ the potential ____ suitable ____ establishing ____?

Have you done an ____ to figure ____ for ____?

What recent ____ to ____ feasible sites ____ WWTPs?

Have ____ been ____ to ____ good locations for those wastewater ____?

I ____ know ____ you have ____ an ____ determine suitable places for ____.

Is ____ recent ____ done ____ WWTP ____.

____ environmental ____ assessment before you ____ new WWTP locations?

____ you ____ an ____ suitable ____ new WWTPs while ____ all relevant aspects?

____ the results of a ____ assessment ____ appropriate sites ____ WWTPs?

Is ____ recent findings ____ optimal ____ new ____?

Is there ____ recent ____ about ____ for the ____ of ____?

The ____ of new ____ treatment plants ____.

Is there ____ recently about the ____ on the ____ suitable places ____ new WWTPs?

Surveyed ____ locations to build ____?

____ recent ____ Impact ____ done for ____ suitable locations ____ new ____ Treatment ____?

____ assessment conducted ____ WWTP ____?

Was an updated ____ for ____ WWTP facilities?

Considering ____ Environment ____ a sewage plant?

Is ____ any Environmental Impact ____ done ____ find ____ places ____ put ____ fancy ____?

____ recent ____ areas that can be used ____ new WWTPs?

____ the ____ Analysis when ____ plants.

____ tell me if ____ of the environmental impact ____ suitability for ____ WWTP ____ been done?

Has there been an assessment ____ the ____ on the environment ____ suitable ____ WWTPs?

____ you ____ conduct an assessment ____ potential ____ that ____ upcoming WWTPs?

Have you ____ any ____ to determine ____ places for new ____ while ____?

I am wondering ____ a ____ analysis was ____ to ____ ideal ____.

____ is the word ____ assessment to find ____ locations for ____?

Is an assessment done recently ____ potential ____ on ____ selecting suitable ____ for installing ____?

____ want to know ____ has been ____ assessment to ____ WWTP ____.

Is ____ assessment done ____ about ____ effects on ____ environment when determining ____ spots ____ installing ____?

____ you recently ____ Environmental ____ to ____ suitable ____ for new WWTPs?

____ last ____ a comprehensive EIA ____ to ____ more effective and sustainable ____ was?

Evaluated ____ for ____ recently?

Is the ____ Impact Assessment ____ decide on ____ WWTP ____?

Did ____ do ____ environmental impact evaluation recently ____ identify ____ WWTPs?

____ an Environmental Impact Assessment ____ for ____ optimal ____ for new ____.

____ done ____ assessment ____ new WWTP ____?

Have you _____ conducted an Environmental Impact _____ WWTPs?

A _____ of the environment _____ determine _____ for _____?

_____ an _____ done to find _____ sites for _____ WWTPs.

Have _____ done _____ on _____ areas?

Any recent _____ areas _____ WWTP?

_____ the _____ consider _____ relevant factors to _____ WWTPs?

Is _____ Assessment done _____ determining _____ for WWTPs?

_____ there an Environmental Impact Assessment _____ WWTP _____ were _____?

recent EIA done _____ locations _____?

After _____ is _____ location for new sewage _____ plants?

Is there an _____ done recently about the _____ environment when _____ suitable spots _____ WWTPs?

Is an _____ assessment _____ finding new _____?

Did _____ just _____ an _____ Impact Assessment _____ determine the _____ WWTPs?

_____ do an _____ to identify appropriate areas _____ constructing WWTPs?

Is an updated _____ done _____ sites _____ WWTP facilities?

_____ evaluate _____ environmental impact _____ to _____ appropriate areas _____ constructing _____?

_____ recent _____ on potential _____ done?

_____ last _____ comprehensive EIA looked at _____ best places _____ effective and sustainable wastewater treatment _____?

When _____ the last time a comprehensive _____ for constructing _____ efficient _____ sustainable _____ plants?

Have your company done a _____ to determine suitable sites _____ WWTPs _____ their _____?

_____ like _____ know _____ recent analysis was _____ determine ideal _____ for new _____.

Is _____ an assessment done recently _____ the _____ on _____ when finding suitable places _____?

Is _____ an _____ recently about how _____ will be _____ WWTPs?

_____ there an _____ recently _____ the potential _____ when finding suitable spots for _____?

Are _____ recent _____ of suitable _____?

_____ with _____ Assessments looking at viable locations for _____ WWTPs?

Have _____ any _____ to determine suitable places _____ new _____ considering _____?

_____ should _____ given _____ Environment Analysis _____ choosing _____ sewage plant.

_____ any of these _____ recently to _____ out _____ should go?

_____ environment to _____ feasible sites for WWTPs?

_____ all _____ has _____ Environmental Impact Assessment _____ done for determining _____ for _____ WWTPs?

_____ to determine suitable _____ for new WWTPs after conducting _____?

_____ the _____ say _____ appropriate sites for _____ WWTPs?

_____ a comprehensive EIA evaluate _____ grounds for _____ construction _____ effective and _____ wastewater _____?

_____ company _____ Environmental Impact _____ exploring viable _____ related _____ plans of building WWTPs?

Is _____ recent analysis of _____?

Is _____ that _____ done for _____ installation _____ fresh WWTP facilities?

Is there _____ recent evaluation _____ ideal sites to _____?

Any _____ of _____ to _____ feasible sites for _____?

Is _____ any recent assessment of _____ build _____?

_____ you know _____ a _____ analysis was _____ to _____ ideal _____ building new _____?

_____ there an assessment done recently _____ trying to find suitable spots _____ new _____?

Evaluated locations to _____?

_____ impact assessment before deciding on new _____?

Is _____ assessment _____ locating new WWTPs?

_____ anyone _____ if an environmental _____ assessment was _____ spots for new _____?

Do you _____ assessments _____ out good _____ for wastewater _____?

_____ recently carried out _____ assessment of _____ areas that _____ and suitable _____?

There was an environmental _____ find appropriate sites _____.

Should _____ Impact Assessment be _____ locate _____ locations _____ new WWTPs?

_____ EIA recent for _____ sites _____?

Are _____ company up-to-date _____ Environmental _____ viable locations _____ future plans _____ building _____?

Is there _____ recent environmental impact assessment _____ new WWTPs?

Any _____ suitable _____ areas?

_____ any information from a recent _____ sites to _____ modern _____ according to _____ EIA guidelines?

Is _____ any Environmental _____ to find the _____ those new _____?

_____ did a _____ EIA look _____ the best _____ for _____ more effective _____ treatment plants?

_____ update done _____ possible sites for _____ of fresh _____?

Is it _____ to determine suitable _____ new _____ using _____ Assessment?

_____ you _____ if a _____ environmental impact assessment _____ done to _____ suitable locations _____?

_____ a recent evaluation _____ the _____ impact _____ identify appropriate _____ for _____ WWTPs?

I _____ if _____ regarding the environmental impact _____ suitability has been undertaken as _____ of planning _____ new _____.

Did we take all the _____ account _____ suitable _____ WWTPs?

Is _____ recent _____ environment done to figure _____ feasible sites _____?

I'm _____ an evaluation recently to find _____ new WWTPs.

_____ there any recent _____ of _____ environment _____ to find _____ for _____?

Can _____ updated _____ impact and location suitability has been carried _____ of the planning for new _____

Is _____ done lately _____ effects on the _____ when _____ spots for installing new _____?

_____ possible _____ conduct _____ to determine suitable locations for new WWTPs?

I _____ know if there was _____ Environmental _____ done _____ spots for _____ WWTPs.

Did _____ company just complete _____ evaluation to _____ sites _____ WWTPs?

_____ you tell _____ if a _____ Impact Assessment has been _____ to _____ locations _____ new _____?

_____ you recently done an _____ assessment to _____ suitable _____ new _____?

Was _____ updated _____ done for the installation _____ fresh _____ included _____ impacts?

Did _____ comprehensive evaluation _____ determine appropriate _____ for new _____?

_____ environmental impact on _____ sites _____ recently evaluated.

Has _____ been _____ of _____ to build new _____?

_____ you _____ recent _____ for new _____?

Is _____ possible that an updated _____ on _____ for the _____ WWTP _____?

_____ consideration of all relevant _____ could _____ tell _____ analysis was _____ find ideal locations for WWTPs?

Considering all _____ have you _____ determine suitable sites for _____ new _____?

_____ that EIA _____ for _____ WWTP _____?

A _____ environmental impact _____ potential WWTP sites?

Evaluating _____ for _____?

_____ Impact _____ been done _____ locations for new WWTPs.

Did you take into _____ required factors _____ suitable _____ for _____?

_____ you recently _____ assessment of potential _____ are suitable for establishing WWTPs _____ considering _____ factors?

Was _____ EIA recently _____ WWTP _____?

Did _____ do an environmental impact _____ WWTP _____?

Is it possible that _____ updated _____ impact and location _____ done as part of planning _____?

_____ impact assessment _____ the best places to put the _____.

_____ company up-to-date _____ conducting Environmental _____ Assessments _____ locations _____ plans of building WWTPs

Looking _____ all relevant aspects, have _____ recently _____ an Environmental Impact Assessment _____ for _____?

_____ there _____ recent Environmental _____ Assessment _____ locations _____ new Wastewater _____ Plants?

To _____ sites _____ WWTPs, have _____ completed a comprehensive evaluation?

_____ locations _____ Wastewater _____ Plants, _____ a recent Environmental Impact _____ been conducted?

_____ from _____ evaluation of ideal sites _____ build modern wastewater treatment _____?

What is _____ the _____ find appropriate sites for those _____?

Evaluated the _____ impact _____ for _____.

_____ recent assessment _____ new _____?

_____ your _____ with _____ Environmental _____ Assessments looking _____ viable locations _____ future _____ of building WWTPs?

Can you _____ an updated assessment _____ the _____ suitability has been done _____ WWTP construction?

_____ conducted _____ analysis _____ determine suitable sites for constructing _____?

Did _____ assessment on the new _____?

Is _____ given to the _____ when choosing _____?

_____ you do _____ to _____ areas for constructing WWTPs while _____ relevant _____ account?

_____ conduct _____ Environmental Impact Assessment to _____ locations _____ WWTPs?

_____ anyone know if _____ Impact _____ was _____ for _____ for new WWTPs?

_____ updated assessment _____ potential sights _____ installation?

_____ the assessment look at _____ to _____?

_____ do you _____ the _____ to find _____ sites for WWTPs?

Have you _____ recently _____ figure out _____ locations for those _____?

_____ there _____ assessment of _____ suitable to _____ new _____.

_____ if there is a _____ of areas that _____ for _____.

_____ the _____ Impact _____ been done _____ determining _____ new WWTPs?

_____ is _____ assessment done _____ find _____ sites _____ those WWTPs.

Have you _____ to find suitable _____ new _____?

_____ am _____ to know if _____ have _____ an _____ recently _____ suitable _____ for _____ WWTPs.

_____ there been _____ to select _____ locations?

_____ in the latest EIA _____ locating _____ WWTPs?

_____ check _____ suitable spots for _____ account all the _____ factors?

Did you conduct _____ to _____ for constructing _____ and _____ their _____ impact?

Is _____ of the environment to _____ feasible sites _____?

Is _____ a _____ assessment _____ WWTPs?

Have _____ all _____ latest EIA for locating _____ WWTPs?

_____ update _____ evaluation done for _____ of fresh _____ facilities?

Have there been _____ findings from _____ ideal sites for _____ modern _____ treatment facilities?

Did an updated evaluation include _____ enviro _____ for _____ facilities?

Did you recently _____ figure out _____ WWTPs _____ go?

Do _____ about optimal locations for _____?

I _____ know if an assessment was _____ pick _____.

I _____ like _____ know _____ recent _____ Assessment _____ been used to _____ suitable locations _____ new _____.

_____ an _____ recently about the effects on the _____ suitable _____ for installing _____?

_____ the environmental assessment _____ find _____ for _____ WWTPs?

Did you take _____ account all the _____ factors _____ WWTPs?

When did _____ comprehensive EIA look _____ ideal _____ for _____ sustainable _____ plants?

Is _____ up-to-date _____ Environmental _____ Assessments _____ locations for future WWTPs?

_____ Environmental _____ Assessment _____ for determining _____ places for new _____?

I _____ know if _____ recent analysis was _____ to _____ ideal _____ new _____.

Any _____ Impact _____ find _____ best spots _____ put those _____ new _____.

_____ to latest Environment _____ when _____ sewage _____?

_____ Environment _____ into account when selecting sewage plants?

_____ there an assessment done _____ about _____ the _____ will be _____ installation _____ new _____?

Evaluated _____ to _____ WWTPs?

_____ done for WWTP _____?

Has _____ an assessment _____ the impact _____ the environment _____ suitable spots _____ installing new _____?

_____ findings from _____ evaluation _____ sites to build modern wastewater _____ facilities?

_____ would like _____ know if an _____ assessment _____ environmental _____ and location _____ has _____ done for _____ construction.

What is the word on _____ sites for _____?

_____ you recently done an _____ that are suitable _____ upcoming WWTPs after _____ necessary _____?

When choosing _____ WWTPs, _____ looked _____ the _____ impact?

I was _____ you _____ environmental _____ assessment before _____ on _____ locations.

_____ environmental impact assessment _____ determine _____ spots for new _____?

_____ recent _____ on _____ for WWTPs?

_____ it _____ thorough examination _____ environmental _____ has been performed recently in regards _____ upcoming projects?

_____ Environmental Impact Assessment _____ locate _____ WWTPs?

_____ you _____ conduct _____ Environmental _____ Assessment _____ find suitable locations _____ WWTPs?

_____ the last time a _____ EIA _____ grounds _____ constructing more effective _____ sustainable _____ treatment _____?

_____ there been _____ findings _____ a recent evaluation _____ sites _____ build modern _____?

_____ recently assessed potential areas that are suitable _____ WWTPs _____ necessary _____?

_____ take _____ account all _____ factors when evaluating suitable _____ WWTPs?

Any _____ on _____ that are suitable for _____?

_____ did _____ EIA evaluate _____ ideal _____ for more effective _____ sustainable _____ treatment _____?

_____ locations were recently _____?

Have any _____ been made _____ to _____ modern wastewater treatment facilities?

_____ the _____ assessment consider all of _____ relevant _____ WWTPs?

_____ conducting an _____ determine suitable _____ constructing new WWTPs and _____ their environmental _____?

When _____ last time a comprehensive _____ construction _____ more effective and _____ wastewater treatment _____?

I _____ to _____ if _____ recent analysis _____ done _____ find ideal _____ for _____.

I wonder _____ was done _____ possible _____ fresh WWTP facilities.

_____ utility company _____ Environmental Impact Assessments _____ viable locations _____ of building WWTPs

Did _____ an environmental impact _____ WWTP sites?

_____ assessment _____ factors in locating WWTPs?

Does your company _____ completed _____ evaluation _____ appropriate _____ for _____ WWTPs?

_____ it _____ to _____ environment _____ determine feasible sites _____ WWTPs?

Did you do _____ assessment _____ the _____?

_____ you let _____ know _____ an updated assessment _____ the _____ location suitability _____ undertaken _____ part of _____ for new _____

Evaluated _____ environmental _____ selecting _____ for _____?

_____ recent _____ on areas _____ suitable for _____?

Considering _____ latest Environment Analysis _____?

_____ you recently _____ an _____ the potential areas _____ suitable _____ establishing WWTPs after _____ the necessary _____?

_____ analysis done to determine ideal _____ building _____ WWTPs?

_____ there _____ recent assessment of areas _____ WWTPs?

Did _____ an environmental _____ recently _____ identify _____ areas for _____?

_____ is _____ Environmental Impact _____ optimal spots _____ new WWTPs...

Is there recent findings _____ optimal _____ for _____?

_____ was _____ last time a _____ EIA looked at _____ for _____ effective _____ sustainable wastewater treatment _____?

_____ you perform a recent _____ environmental _____ identify _____ areas _____ constructing _____?

Was an updated _____ done on _____ for _____ facilities?

Evaluate all _____ of the _____ EIA _____ locating _____?

Have you _____ anything from _____ of ideal _____ to _____ wastewater _____ facilities?

Is there a recent _____ the _____ done _____ feasible _____?

_____ there been _____ findings _____ a _____ sites to build modern _____ treatment facilities?

Is _____ assessment _____ about _____ effects of installing _____ WWTPs on _____.

Did you perform _____ recent evaluation of _____ for WWTPs?

Is _____ any _____ findings _____ optimal _____ for _____?

Looking _____ the latest _____ new _____?

_____ there an _____ for _____ considered?

Did _____ the relevant factors to _____ WWTPs?

_____ there an assessment _____ recently _____ new WWTPs on the environment?

Did _____ do _____ to _____ out where WWTPs _____ go?

When was the last _____ EIA _____ grounds _____ more effective _____ sustainable wastewater treatment _____?

_____ acquire an EIA report _____ outlines _____ sites for _____ treatment _____?

Will there _____ for new WWTP _____?

I wonder if a recent _____ Impact _____ for new WWTPs?

I _____ if a recent analysis _____ done _____ ideal locations _____ building _____.

_____ you _____ carry out _____ assessment of _____ that _____ suitable _____ establishing WWTPs?

Has your _____ an analysis recently to determine suitable _____ constructing _____ and _____ their _____?

Can you _____ that a _____ Environmental Impact Assessment has been done _____?

_____ you _____ comprehensive evaluation _____ sites for constructing _____ WWTPs?

_____ you _____ of potential areas that _____ setting up WWTPs after _____ all _____ factors?

Recent _____ for a _____?

_____ new _____ impact _____ to find the best spots to _____?

Did _____ recent _____ take _____ account all _____ factors to _____?

_____ company _____ recent analysis _____ determine suitable sites for _____ and evaluate their _____?

_____ there _____ findings _____ optimal _____ new _____ after _____ environmental impact assessment?

_____ updated _____ about the _____ impact _____ done _____ part of the _____ for new WWTP construction?

Consideration _____ latest Environment _____ while selecting sewage _____?

To ensure thorough consideration _____ all _____ you _____ me _____ a _____ to _____ locations for new WWTPs

_____ you recently _____ an assessment _____ areas that _____ suitable _____ WWTPs, _____ considering all necessary _____?

_____ Environmental Impact _____ be _____ to _____ suitable locations _____ new WWTPs?

Is there _____ assessment done about _____ on the environment _____ finding suitable _____ new _____?

_____ account all the necessary factors when evaluating _____ WWTP?

_____ all _____ for _____ new _____?

Has there _____ Assessment _____ determining optimal spots for _____ WWTPs?

Have _____ an EIA _____ that _____ suitable sites _____ wastewater treatment _____?

Any _____ assessment _____ the best spots to _____ those _____ WWTPs?

I'm _____ was _____ Environmental Impact _____ done for new _____.

_____ wondering _____ there _____ a Environmental Impact Assessment done _____ for _____ WWTPs.

The last time a _____ EIA _____ for _____ wastewater _____ plant _____?

When _____ the _____ a comprehensive EIA _____ the ideal grounds _____ the _____ more effective _____ sustainable _____ plants?

_____ there a _____ the _____ determine feasible _____ for WWTPs?

_____ there a recent _____ areas that _____ to build _____.

_____ you _____ a thorough _____ and optimal _____ options _____ performed recently in regards _____ upcoming projects?

_____ all aspects of the _____ EIA for _____ new _____?

_____ recently done assessments _____ out _____ locations for _____ plants?

_____ if a _____ was done _____ find _____ locations for new WWTPs?

Can _____ tell me if a _____ Assessment has been _____ to find suitable _____?

_____ sewage _____ plants are _____ environmental impacts.

_____ you _____ an _____ to _____ suitable sites for _____ WWTPs and _____ environmental _____?

_____ this the _____ locating _____ WWTPs?

_____ there an assessment _____ the _____ of new WWTPs on _____ ?
 Has _____ analysis on _____ areas?
 Evaluated _____ for _____ WWTPs?
 Is there _____ assessment of areas _____ appropriate _____ WWTPs?
 _____ examination of the _____ be used to figure out _____ ?
 _____ evaluated any _____ when choosing sites _____
 You just _____ environmental impact _____ potential _____ sites?
 Could _____ let _____ know _____ was done to find ideal _____ for _____ ?
 Have _____ appropriate _____ new _____ treatment _____ been assessed?
 Is it _____ to _____ WWTPs _____ considering all aspects?
 The _____ impact _____ WWTPs has _____ been evaluated.
 Did _____ recently complete an _____ to determine _____ new _____ ?
 Is _____ findings on where to _____ ?
 Please _____ recent Environmental _____ Assessment _____ been conducted to _____ locations _____ new _____ .
 _____ new _____ assessment done _____ find _____ best _____ put the new _____ ?
 _____ there been _____ of areas that _____ suitable _____ new _____ ?
 I'm interested to know _____ an evaluation to _____ for _____ .
 Is _____ Impact _____ done _____ you _____ new WWTP locations?
 _____ findings _____ a recent evaluation of the _____ locations _____ modern wastewater _____ facilities?
 _____ recently _____ the environmental _____ to identify appropriate areas _____ constructing _____ ?
 _____ report _____ suitable _____ for new wastewater treatment _____ ?
 Did you take _____ necessary _____ account _____ suitable _____ WWTPs?
 _____ there an Environmental Impact Assessment _____ the _____ spots _____ new _____ ?
 Have you recently _____ out an _____ Impact _____ locations _____ WWTPs?
 Has _____ an _____ about _____ potential _____ on the environment _____ locating _____ spots for installing _____ WWTPs?
 _____ assessment _____ all the relevant _____ finding WWTPs?
 _____ there recent findings _____ locations _____ WWTPs?
 _____ do you _____ of _____ to _____ appropriate sites for those _____ ?
 _____ you tell _____ an updated _____ regarding the environmental _____ and _____ been conducted as part _____
 planning _____ construction
 _____ recent assessment of _____ done?
 _____ to _____ if _____ updated assessment _____ impact and location _____ has been done _____ new _____
 construction.
 Did you recently _____ assessment to _____ locations for _____ ?
 Environment _____ sites for WWTPs _____ evaluated.
 I was wondering _____ there _____ Impact _____ for determining optimal _____ new _____ .
 I wonder if _____ was _____ Environmental _____ for _____ spots _____ new WWTPs.
 Did you _____ evaluation of environmental _____ to _____ appropriate _____ of WWTPs?
 _____ done an analysis _____ find _____ sites for _____ new _____ and evaluate _____ ?
 _____ there any recent _____ WWTP _____ ?
 _____ there any Environmental Impact _____ done _____ find _____ to put _____ new _____ ?
 Is an _____ impact _____ done _____ optimal _____ new WWTPs?
 Is a _____ Environmental _____ Assessment _____ to determine _____ new _____ ?
