

[Demo] NLP Dataset for Customer Service Automation

Company Type	Telecommunications Equipment Manufacturers
Inquiry Category	Network connectivity and signal issues
Inquiry Sub-Category	Coverage area expansion
Description	Customers inquiring about the availability or expansion of network coverage in their geographic area, seeking information on future plans and timelines.
Data Size	10,635 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Telecommunications Equipment Manufacturer" customer inquiry. (Purchased data will not be masked.)

Do you _____ to us, _____ weak connections issues?
 _____ you _____ signals near _____?
 It would _____ if we _____ an advancement in _____ communication _____ connection problems _____ nearby.
 Do you _____ comms infrastructure _____ fix _____ signals?
 How about resolving weak _____ here _____ the _____ telecommunications _____?
 Any efforts _____ improve _____ here.
 _____ able to fix signal problems _____?
 Are _____ going _____ repair the _____?
 What _____ are there _____ improving the telecom _____ poor _____?
 Are there _____ to _____ connection _____?
 Will you _____ the vicinity?
 Can _____ see _____ local communication _____ that would _____ connection _____ facing _____ area?
 Do you _____ plans _____ in our area?
 _____ it possible that _____ see _____ local communication facilities that _____ connection _____?
 Is it _____ to _____ nearby _____ infrastructure and _____ any _____?
 _____ you _____ and _____ in _____ upgrade?
 Plans _____ improve the _____?
 _____ it possible _____ resolve _____ hitch or _____ framework?
 Is _____ any _____ to bolster _____ services _____ and _____ the _____ the _____?
 _____ for ways _____ improve _____ system?
 Do you _____ phoneconnections _____?
 _____ the phone connections _____?
 What intentions _____ there _____ infrastructure _____ address poor _____?
 _____ network _____ and _____ infrastructure nearby?
 Will you _____ here?
 Do _____ plan _____ improve telecommunications _____ close _____?
 _____ a _____ telecommunication infrastructure in this _____?
 _____ connections and improve _____.

_____ a _____ the proximity's telecommunication system.

Is _____ plans to _____ network _____ soon?

_____ there any _____ our crummy network service _____?

Will you be _____ the telecom _____ also finding _____ for _____?

Do _____ to resolve dead zones _____ signals?

Will you _____ working _____ the _____ infrastructure while also _____ weak _____?

_____ there _____ to _____ the _____ telecommunications?

_____ you _____ the telecom _____ us _____ searching _____ for weak connections?

Are _____ going to improve _____ or _____ reception?

_____ there a plan _____ the _____ services nearby _____ resolve the _____ plague the _____?

When will _____ see _____ upgrade _____ telecommunications _____ area?

_____ you have any _____ to _____ communications better _____ parts?

Will improvements _____ infrastructure _____ made?

What about _____ telecommunications _____?

Could _____ be _____ local telecommunications _____?

Are there plans _____ the _____ proximity's telecommunication _____?

Improve nearby _____ fix network _____?

_____ the _____ signals or _____ the nearby comms _____?

_____ to boost _____ crummy network _____ soon?

_____ plan of boosting telecommunications close by _____ unstable _____?

_____ be great if we were _____ to see _____ in local _____ would _____ connection _____?

Do you _____ the _____ in the area?

Are _____ increase _____ telecommunications network near _____?

Will you _____ low quality _____?

Can _____ the _____ the area?

Are you _____ improving _____ telecom _____ addressing _____ reception?

_____ signals _____ enhance comms _____?

_____ there any _____ improve _____ network facilities?

What _____ of making _____ by addressing the _____?

_____ plans _____ boost telecom _____?

Are _____ any _____ for boostin' _____ around _____ parts?

How are _____ improve the telecommunications _____ around _____?

_____ planning on _____ your _____ soon?

Is _____ improve the telecommunications _____ me?

_____ any plans _____ improve the telecommunications network _____?

_____ improve _____ telecommunications infrastructure?

Is _____ any _____ on _____ to _____ communications _____ parts better?

Is there a _____ services _____ and _____ problems that _____ area nicely?

_____ it _____ great _____ was an advancement in _____ communication facilities that _____ connection _____ near _____?

_____ any efforts to _____ the _____ network _____?

Is there _____ strengthen nearby _____?

Are there _____ address _____ network _____?

Are you _____ or address poor reception?

_____ you solve signal issues by _____ us?

_____ you be _____ the telecom _____ near us _____ find _____ for weak _____?

_____ you strengthen _____ near _____ also find _____ for _____ weak connections?

_____ it possible to improve telecommunication _____?

Can you _____ infrastructure _____ the _____?

Is telecommunication enhancements near _____ to _____ poor _____?

_____ we planning _____ boosting our _____ around _____?

Is it ____ that ____ are used to ____ poor ____?

____ going to fix ____ phone ____?

Are you ____ the ____?

Are ____ plans ____ by, while eliminating unstable ____?

____ going ____ the crappy ____ connection?

Is ____ possible for ____ be made ____ addressing ____ telecommunication?

____ this company ____ telecommunications ____ in the ____?

____ you ____ low-quality links in ____?

____ any intention ____ patchy telecommunication?

____ any ____ telecommunications close by while eliminating unreliable ____?

Considering ____ or resolving ____ issues?

It would ____ if we ____ see an ____ in local ____ facilities that ____.

____ boost weak connections?

Do you ____ make ____ infrastructure ____?

____ augmenting ____ resolving connection ____?

Do you ____ plans for enhancing ____?

Is ____ plans ____ nearby ____ systems ____ the vicinity?

Is ____ bolstering the telecommunications services ____ area.

____ plans for ____ telecommunications in our area?

Are there ____ for ____ system?

____ boost the crummy network service soon?

Do you plan ____ weak connections ____ enhancing telecommunications ____?

____ can ____ do to ____ the ____ telecommunications ____?

____ there ____ plan ____ communications less ____ around the ____?

What intentions ____ patchy telecommunication?

Is ____ possible ____ telecommunications enhancements are being ____ fix ____?

____ there any ____ connection issues near ____.

____ planning ____ fix network glitches ____?

Are there plans to ____?

____ the telecom infrastructure near ____ also finding ____ for weak ____?

____ going ____ the telecom ____ fix the bad connection?

____ you upgrade the ____ infrastructure or ____ issues?

Would you ____ improve ____ soon?

Will ____ fix ____?

____ we see ____ communication facilities that ____ eliminate ____ problems faced nearby our ____ of ____?

____ tackle ____ connections or ____ nearby ____?

Cropping ____ tele gear ____ in ____ near ____?

Do ____ intend to ____ infrastructure ____ poor reception?

Will ____ nearby ____ infrastructure and address ____?

There are ____ telecommunications here?

____ you have any ____ to ____ fix ____ connection?

____ there any ____ increase ____ network?

Is ____ to ____ and fix the connectivity problems that ____ area?

____ there ____ plan ____ improve telecom ____ or ____ internet access ____?

Considering adding ____ framework ____ connection ____?

Are ____ improving ____ area's communications ____?

Consider ____ hitches ____ nearby teletech ____?

____ to tackle ____ upgrade nearby telecommunication infrastructure?

Will ____ to ____ telecommunications ____ us?

____ you be improving ____ telecom infrastructure near ____ while ____ weak ____?

We _____ to _____ an advancement _____ facilities that _____ connection problems.
 Got any _____ network close by?
 _____ there be plans _____ improve _____?
 Do you _____ a _____ to _____ infrastructure?
 Do _____ to make _____ telecommunications _____?
 Fix _____ connections and _____ here?
 _____ there _____ plan to improve _____ area's _____ services and _____ the _____?
 Is _____ an _____ in local communication _____ would eliminate connection problems _____ are _____ faced _____ area _____?
 _____ we upgrade local _____ and _____ weak _____?
 Can you _____ connections _____?
 _____ efforts _____ fix _____ in the network?
 _____ there any _____ to _____ telecommunications network.
 _____ there _____ planned upgrades _____ communication _____?
 Is _____ any _____ to improve _____ infrastructure or address _____ poor _____?
 Will _____ network _____ and _____ infrastructure?
 There _____ any _____ telecom _____ in our vicinity?
 _____ going _____ upgrade the _____ network?
 _____ plans to _____ the _____ systems _____ vicinity?
 _____ are _____ improving telecom _____ and addressing _____ connections here?
 _____ you have _____ resolving _____ connections?
 _____ know _____ there _____ plans to enhance telecom _____ poor communication?
 _____ you have a _____ to _____ phone _____ near _____?
 _____ you _____ in telecom upgrades or _____ low-quality _____?
 Will _____ fix signal _____ improving _____?
 _____ have _____ plans _____ improve telecommunications and _____ connections?
 Reconciling connection _____ or _____ teletech _____?
 Weak _____ around _____ should be _____ improve _____ network.
 Do _____ want _____ quality links _____ invest _____ upgrade?
 _____ have _____ plan _____ upgrade nearby _____ infrastructure?
 Do _____ to _____ telecom infrastructure _____ reception?
 Do _____ hope _____ the telecom _____?
 _____ to improve _____ infrastructure or solve signal _____?
 _____ you have any plans _____ our _____?
 _____ we hope for an _____ in _____?
 Are _____ increase the pathetically weak _____ by?
 Are _____ any _____ the telecommunication _____?
 Can _____ expect better communications _____?
 Do _____ the _____ phone connection?
 _____ there any _____ local telecommunications network.
 _____ any plans _____ boosting _____ signals _____ these _____?
 We could _____ an advancement in _____ communication _____ would eliminate _____ that _____ nearby.
 _____ you fix weak _____ and _____?
 Is there _____ to bolster telecommunications _____ nearby and fix _____ plague _____?
 _____ plans to _____ infrastructure close by?
 Can _____ network?
 Could _____ advancement _____ local _____ eliminate _____ problems _____ nearby _____ area _____ concern?
 Do _____ nearby networks or _____ weak ones?
 Are _____ going _____ reception _____ improving the telecom _____?
 _____ you have _____ reception near us?
 Got _____ to improve _____ network?

_____ there any _____ to make _____ of _____ telecommunication?

_____ to _____ the telecom infrastructure in our _____?

Is there _____ intention _____ the _____ services _____?

What intentions _____ patchy telecommunication?

Looking _____ framework or _____ connection hitches?

Are you working _____?

_____ any plan to _____ the network _____?

_____ plans to improve _____ proximity's telephone _____?

_____ comms infrastructure and _____ poor _____?

Does _____ know _____ are plans to improve _____ telecommunications _____?

Is _____ a proposal to _____ our _____?

_____ there _____ plan _____ improve _____ us?

_____ to fix weak connections?

Will _____ telecom upgrade nearby?

Are _____ the bad connection _____ of _____ nearby _____ infrastructure?

_____ you help _____ network?

Fix poor _____ improve _____?

_____ we _____ the advancement of _____ communication _____ eliminate _____ faced by our _____ of concern?

_____ there be plans _____ improve _____ proximity's _____.

_____ there _____ planned to _____ hang-up _____ here?

Is _____ any _____ of making improvements _____ telecommunication?

_____ any plans to _____ telecommunications _____?

Adding a _____ framework or _____?

Will _____ plans _____ weak _____ issues?

Do _____ want to _____ near _____?

_____ it _____ to solve signal problems _____ telecom _____ near _____?

_____ you make _____ telecommunications infrastructure _____?

_____ you _____ trying _____ the _____ infrastructure near us _____ trying to _____ connections?

_____ fix _____ invest in low-quality links?

Are _____ to _____ infrastructure in the area?

Will _____ be _____ for solutions _____ while improving _____ telecom _____?

Have you _____ network service?

_____ you _____ a plan of _____ the telecommunications _____?

What do _____ plan _____ doing _____ telecommunications _____ around us?

There are any _____ for _____?

Are there _____ the telecommunications _____ us?

_____ next _____ to _____ around _____ vicinity?

_____ there any plans _____ crummy _____ service?

Are you _____ to _____ and _____ telecom upgrades?

Are _____ to _____ infrastructure close by?

Do _____ have plans to _____ telecom _____?

_____ steps to _____ near _____ area?

_____ there any _____ fix weak _____?

_____ there _____ any _____ address _____ signal issues?

_____ you _____ connections better around _____?

Is _____ planned _____ for _____ networks?

Is _____ a plan for _____ system?

Is _____ any planned _____ networks?

Are _____ to upgrade _____ internet _____?

_____ improve phone _____?

Telecom _____ us will be improved _____ problems.

Wouldn't _____ be _____ local _____ facilities that would eliminate _____ problems near our _____ of concern?
_____ you _____ to boost our _____?

_____ there any _____ to fix hang-up _____?

_____ to _____ telecom infrastructure _____ us _____ also find solutions for _____ connections?

_____ thinking _____ updating _____ area's _____ system?

Are there _____ improvements to be made by _____?

Improve _____ phone connections _____.

_____ intend to _____ or tackle _____?

Do _____ any plans _____ improving _____?

Are you _____ improve _____ resolve dead zones _____?

_____ plans _____ improve telecom infrastructure or _____ poor internet _____ here?

I _____ know _____ there _____ being _____ to _____ cell reception by us.

Are _____ plans to bolster _____ by?

_____ any _____ to _____ the _____ infrastructure _____ our proximity?

Is _____ to _____ our telecom _____ less bad?

Do _____ to improve _____ network _____ poor issues quickly?

Are there any _____ improvements to _____ addressing the _____?

_____ there _____ to _____ the _____ infrastructure or _____ poor connections?

_____ you _____ the phone connections?

How _____ we _____ telecommunications?

Is _____ any _____ the network close _____?

_____ delivery of _____ enhancements near us _____ fix _____?

Have _____ the local telecom _____?

_____ there plans _____ upgrade _____ near _____?

_____ network?

_____ there _____ for _____ our signals?

Would you _____ for _____ comms near _____?

_____ plans exist _____ improve _____?

_____ you _____ solutions _____ weak connections while _____ the _____ infrastructure?

Do _____ to fix _____ nearby telecommunications infrastructure?

_____ you _____ telecom signals _____ resolving dead zones?

_____ you have any plans to _____ weak _____ or _____?

Is there a _____ to bolster the _____ and _____ problems that _____ nicely?

Will _____ able to improve _____ and address _____ issues?

_____ you _____ of fixing weak _____?

_____ any _____ to improve the _____ network around _____?

Do _____ plan to _____ telecom infrastructure _____?

Can _____ plans _____ strengthen the _____ systems _____ vicinity?

_____ plan _____ bolster _____ telecommunications services nearby _____ the issues that _____ area?

_____ you be _____ to _____ the _____ near _____ while also _____ to _____ weak _____?

_____ there _____ improvements _____ the _____ infrastructure?

_____ you fix _____ signals or _____ infrastructure?

_____ have _____ plans to _____ local telecommunications?

Is _____ to enhance the local _____?

_____ you _____ connections nearby?

_____ augmenting _____ resolving connection _____?

Are you going _____ improve _____ fix _____ zones?

There _____ problems _____ connection near _____ plans to _____ them?

_____ telecommunications _____ near the people?

____ there plans for boosting ____ ____ ____ ?
 ____ ____ ____ strengthen ____ telecom ____ ____ also finding solutions for weak connections?
 Can ____ expect ____ telecommunication network ____ ?
 ____ ____ plans to strengthen the pathetically ____ network ____ ?
 ____ any ____ for neighboring communication ____ ?
 Is it possible to ____ the ____ ____ ____ with ____ problems?
 Are there any ____ improve ____ ?
 Are there ____ infrastructure near ____ ?
 ____ you mean to fix ____ ____ ?
 Do ____ plan ____ the ____ infrastructure ____ ?
 Do ____ think ____ you will be ____ to ____ the ____ ____ near ____ ?
 Is ____ plan to ____ local ____ .
 ____ it ____ telecommunications ____ by while eliminating bad ____ ?
 Do you ____ for boosting our signals ____ ?
 ____ plans ____ expand the network ____ ?
 ____ the ____ improve telecommunications ____ us?
 ____ upgrade ____ telecommunications infrastructure near us?
 Do ____ plan ____ low-quality ____ invest in ____ improvements nearby?
 Do ____ the telecommunications network ____ poor connections?
 ____ you be looking ____ ways ____ infrastructure while ____ solutions for weak ____ ?
 ____ you have ____ to ____ the ____ network locally?
 Should we improve ____ address ____ poor reception?
 Is there ____ to ____ close ____ while ____ unstable connections?
 ____ you ____ poor ____ and enhancing ____ nearby ____ ?
 Got any plans ____ beef ____ the ____ huh?
 ____ you planning ____ improve the ____ infrastructure ____ reception?
 ____ there any intention ____ telecommunications services ____ the ____ ?
 Do ____ hope ____ weak ____ ?
 ____ you ____ phone connections ____ ?
 ____ have ____ plans about ____ telecommunications?
 Is there any plan ____ improve ____ ?
 ____ there ____ plan ____ make the ____ facilities better?
 ____ fix network ____ ?
 How ____ we ____ connection and ____ weak ____ ?
 ____ plans for improving ____ infrastructure and ____ reception?
 Next ____ to ____ communication problems ____ ?
 ____ improve telecom ____ fix dead zones nearby?
 ____ tele ____ round ____ soon?
 Is there any ____ make ____ by ____ the ____ ?
 ____ be improvements to the ____ ?
 Are ____ for ____ in our area?
 Is ____ a ____ services nearby and fix ____ problems in ____ ?
 ____ a ____ for improving ____ telecommunications?
 ____ boosting nearby infrastructure ____ connections?
 ____ there be enhancements made ____ area ____ connectivity ____ ?
 Can ____ advancement in local communication ____ that will eliminate ____ problems ____ area ____ ?
 Is ____ the ____ increasing ____ close ____ while eliminating unstable ____ ?
 ____ the delivery ____ near us ____ to ____ connections?
 ____ there ____ for ____ connections near us?
 Are you ____ to ____ nearby ____ fix ____ signals?

Do you ____ to ____ the ____ ?
 ____ efforts to ____ telecommunications ____ me?
 ____ to upgrade telecommunication infrastructure ____?
 ____ you ____ to fix ____ connections?
 Can ____ boost ____ fix ____ connections?
 Do ____ strengthen the ____ network?
 ____ there any work ____ to improve the ____ ?
 Do ____ plan ____ the ____ network ____ us?
 Did ____ have plans for ____ near ____ ?
 ____ have ____ plans ____ local telecommunications?
 ____ you ____ plans to boost ____ signals ____ parts?
 Is ____ plan ____ improve ____ network ____ ?
 Got any plans to ____ up ____ by?
 What ____ are ____ telecom ____ and addressing ____ poor connection ____ ?
 ____ area's communication ____ ?
 ____ to ____ the bad ____ connection?
 Do ____ have plans to ____ infrastructure ____ ?
 ____ attempts ____ improve ____ network around ____ ?
 Do you ____ on ____ weak ____ ?
 Can you ____ nearby ____ ?
 ____ any plans ____ local communications?
 ____ augmenting teletech framework or ____ ?
 ____ we ____ to ____ our ____ these areas?
 Is ____ you improve ____ connections?
 Is there any ____ fix ____ issues ____ ?
 ____ a ____ bolster telecommunications services ____ fix the connectivity issues ____ the ____ ?
 Are ____ upgrade ____ infrastructure nearby?
 ____ intend to ____ the telecommunications ____ in our ____ ?
 ____ want to know if there ____ plans ____ our ____ .
 ____ you ____ signals or fix ____ zones?
 ____ to boost the ____ around ____ ?
 ____ any ____ communications better around these parts?
 Will you upgrade ____ bad ____ ?
 ____ there a ____ to upgrade ____ ?
 ____ an ____ that ____ eliminate connection problems faced nearby our area of ____ ?
 Do you ____ plan ____ the telecommunication ____ near ____ ?
 ____ at ____ communication system?
 ____ boost ____ networks?
 Do you plan ____ local ____ the ____ future?
 Can ____ make the ____ the area?
 Are ____ plans to upgrade the ____ ?
 ____ there ____ address local network ____ ?
 ____ you plan ____ the telecom ____ ?
 Did ____ fix the ____ signals ____ enhance ____ comms ____ ?
 Is there a plan ____ local ____ ?
 ____ there going to be ____ upgrade ____ telecom ____ ?
 ____ you ____ to ____ telecommunications network ____ me?
 Is ____ a plan to ____ by and eliminate ____ ?
 ____ you ____ issues or ____ nearby telecom ____ ?
 ____ you ____ to ____ bad ____ around ____ ?

_____ an improvement _____ the local telecommunication _____?

_____ to correct communications _____?

Do _____ know if _____ plans to _____ telecom _____ poor connectivity _____?

Is there _____ to _____ telecommunications _____ us?

Do _____ want _____ fix _____ connections _____ telecommunications _____ to us?

_____ you _____ any _____ improving the _____ in _____ area?

_____ you fix low-quality links _____ nearby?

Do you have any _____ fix our _____?

Are _____ fix _____ links?

Is there _____ boost local _____?

_____ you _____ improving _____ signals or dead zones _____?

_____ know _____ are any plans _____ improve _____ local network?

Do _____ get enhancements _____ connection _____?

_____ there _____ plans _____ to strengthen nearby _____?

_____ a _____ to _____ the patchy _____?

_____ we see _____ local communication facilities that would _____ to _____ problems _____ our area?

Do you _____ to improve the _____ infrastructure _____.

Is there _____ telecommunications services nearby _____ the issues _____ the area?

_____ there be _____ the proximity's _____ system?

_____ any plans to fix _____?

Do _____ plan _____ telecom _____ nearby?

Is it possible to _____ advancement _____ local communication facilities _____ connection _____ nearby _____ area?

Any _____ planned _____ issues here?

I _____ like to _____ immediate _____ being taken to _____ cell reception.

Do you want to _____ upgrade _____ telecom?

Are there _____ to _____ connection _____?

_____ you _____ plans _____ improving _____?

_____ any plans _____ telecom infrastructure and _____ poor internet _____?

_____ you plan _____ network problems _____?

Do _____ want to _____ low _____ links _____ invest _____ nearby?

Consider _____ teletech _____ resolving _____ hitch.

_____ planning _____ crop up _____ tele _____ here?

Cropping _____ better tele _____?

_____ to improve the _____ network near _____?

_____ you want to solve _____ zones _____ telecom _____?

Plan _____ local telecommunications in _____?

_____ there any plan to _____ nearby _____ the connectivity issues _____ plague _____ area?

_____ a _____ bolster _____ telecommunications services in the _____?

_____ a _____ of enhancements _____ mend poor _____ issues?

Is _____ us _____ delivered to _____ poor connection issues?

_____ any _____ the poor connections here?

Can _____ better telecommunication _____ solve _____ network links?

Will _____ try to _____ connections?

_____ you intend on _____ weak _____?

_____ on how _____ make _____ better around these _____?

_____ you _____ fix network issues _____ improve nearby _____?

Can there _____ to _____ proximity's telecommunication system?

_____ comms _____ and fix bad _____.

How do you _____ local _____ and _____?

_____ you _____ on _____ infrastructure near us?

_____ nearby _____ infrastructure, fixing _____ connections?

Is there _____ improve telecom _____ here and _____ connection?

_____ you making _____ phone _____ us?

Is _____ on _____ up the network _____?

_____ telecommunications here?

_____ there _____ idea on _____ communications less _____ these _____?

_____ you be _____ to strengthen _____ telecom _____ for solutions for weak _____?

_____ you _____ fix bad network?

Do you intend _____ fix _____?

Suppose _____ have plans to _____ communications _____.

_____ improving _____ phone connections _____ us?

_____ plans _____ weak connections?

_____ idea of _____ around _____ parts?

Improve _____ infrastructure _____ fix _____ signals?

_____ there _____ planned upgrades _____ solve hang-up _____?

Are _____ any _____ to improve telecom _____ area?

There may _____ plans _____ close by _____ unstable connections.

Improving _____ communication _____ would be _____ good _____?

Do _____ repair _____ nearby comms _____?

_____ we anticipate _____ closer _____ us?

_____ plan to _____ our telecommunications _____?

_____ bad _____ it better?

Will _____ related to connectivity _____ in our _____?

_____ you _____ to repair _____ phone _____ us?

Are _____ to _____ local _____?

Did _____ enhance _____ infrastructure _____ fix _____?

_____ you plan _____ the network _____?

Is _____ plan to _____ telecommunications services _____ and resolve the _____ area nicely?

_____ be plans _____ nearby _____ systems?

Is there _____ to _____ telecommunications _____?

_____ the plan be _____ improve _____?

Is _____ a _____ to boost telecommunications _____ and eliminate _____?

Are you planning on _____ network?

Any _____ better around _____ parts?

_____ you _____ you _____ weak connections?

_____ fix _____ quality links in _____?

Can there _____ plans _____ telecommunications _____?

_____ you _____ to upgrade _____ telecommunication _____?

Do you have _____ our network _____?

_____ a plan _____ help _____ networks?

Do you plan _____ network near _____?

_____ enhance _____ comms infrastructure?

Is there any plan to _____ infrastructure _____ poor _____?

_____ any efforts to _____ the telecommunications infrastructure _____?

_____ plan to _____ the connection _____ near us?

Can _____ improvements _____ nearby _____ infrastructure?

Is there _____ the _____ system?

Will _____ be trying _____ for weak _____ improving the _____ infrastructure?

Do you _____ if _____ are any _____ communications _____ these parts?

Are _____ resolve weak _____ or _____ telecommunications infrastructure?

Is _____ near us _____ used to _____ poor connections?

_____ you _____ low-quality links _____ in telecom _____ nearby?

_____ you _____ solutions for _____ order _____ strengthen the telecom infrastructure _____ us?

Fix _____ issues and improve _____.

Is there a _____ to increase _____ network _____?

_____ be _____ efforts _____ improve _____ network around here?

_____ are _____ to _____ local _____ here?

_____ augmenting nearby teletech _____ resolving _____?

Do _____ the _____ to _____ the _____ telecom infrastructure?

_____ to _____ a better _____ telecommunication service?

Consider resolving connection _____ or _____?

Do _____ intend _____ weak connections in _____?

_____ a _____ bolster telecommunications _____ nearby and _____ the _____ problems that _____ the _____?

_____ you boost nearby _____ connections?

_____ connections better near _____?

_____ you going _____ upgrade the _____?

Fix network _____ improve _____?

Any plans to improve _____?

_____ you going _____ dead zones _____ improve telecom _____?

Are _____ any plans for _____ and _____ connections?

Do _____ to resolve _____ in the _____?

_____ to _____ the infrastructure _____ telecom?

What are your _____ the telecommunications infrastructure _____?

Do you _____ plans _____ us?

Are there _____ plans for improving _____?

_____ we see _____ advancement _____ communication _____ eliminate connection problems _____ nearby?

_____ to fix _____ invest in low-quality _____?

Do _____ there are _____ telecom _____ and address _____ connectivity here?

_____ you tell _____ to _____ our _____ around _____ parts?

Is telecommunication _____ near us delivered _____ fix _____?

_____ it possible to get _____ upgrade for _____ our _____?

Is _____ any _____ to _____ infrastructure and address _____?

_____ plans to make improvements _____ telecommunication?

_____ plan to _____ the _____ network better by _____ connections _____?

Do _____ to solve _____ network links?

Will there be plans _____ system?

_____ you _____ the _____ as well _____ find _____ for _____ connections?

Are _____ going to fix _____ telecom infrastructure?

_____ steps _____ communications around vicinity?

_____ being _____ to _____ nearby communication _____?

Are _____ going _____ weak _____ or upgrade _____ infrastructure?

Is _____ any _____ to _____ telecom _____ address poor connectivity _____?

_____ possible that you improve _____ connections _____?

_____ there _____ strengthen _____ systems around _____ vicinity?

Is _____ intention to _____ telecom signals _____ dead _____?

_____ improve _____ communications _____ near you?

_____ there _____ to _____ telecommunications close by while eliminating _____?

I _____ are _____ on _____ communications better around these parts.

_____ if there _____ plans _____ our local telecommunications network?

Can _____ be _____ fix poor connection _____?

Do you have ____ plans for fixing ____ in ____?
 ____ plan ____ resolving ____ connections in the ____?
 Will ____ fix weak connections and ____?
 I ____ if ____ are plans to ____ systems.
 ____ you have any plans ____ telecom ____?
 Do ____ have any intentions ____ improving ____ network ____?
 Can there be ____ communication ____.
 ____ any ____ to ____ local ____ here?
 Is ____ a ____ to fix ____ issues ____ our telecommunications ____?
 ____ the telecommunications infrastructure?
 ____ idea on ____ communications better around these ____?
 Do ____ plans for improving ____ here?
 Is there ____ plans ____ telecommunications around ____?
 Do you ____ any ____ improving telecommunications in ____?
 ____ you have ____ plans for improving ____ our ____?
 ____ a ____ telecommunications services nearby or to fix the connectivity ____ that ____?
 Is there ____ fix ____ issues?
 Any ideas ____ better ____ areas?
 ____ better networks around ____ soon?
 Could ____ see the advancement of local ____ that would ____ problems ____?
 There could be ____ to boost ____ while ____ connections.
 ____ the telecommunication network are ____ delivered to ____ poor connection issues?
 Do you have any plans ____ infrastructure in ____?
 ____ you ____ improvements ____ the nearby ____?
 ____ we ____ connections or ____ infrastructure?
 ____ you ____ plans to ____ nearby telecom ____?
 ____ infrastructure and ____ network ____.
 ____ you ____ make our ____ infrastructure less bad?
 Are there ____ the telecommunications ____ around ____?
 ____ you ____ to ____ up ____ network near us?
 ____ to strengthen ____ systems?
 ____ you ____ to ____ connections near ____?
 ____ there any ____ you can improve ____ infrastructure ____?
 ____ you ____ plans to increase ____ pathetically feeble ____ by?
 ____ you ____ the ____ infrastructure nearby?
 Are ____ fixing ____ poor signals ____?
 ____ better ____ near here?
 ____ a ____ to upgrade ____ facilities?
 ____ you ____ looking ____ solutions ____ connections ____ strengthening ____ telecom ____ near us?
 Are ____ our ____ communication system?
 Do you ____ telecommunications ____ near us?
 Are ____ to ____ here?
 Work ____ local telecommunications ____?
 ____ any ____ for ____ neighboring communication networks?
 ____ there ____ improving ____ proximity's ____ system?
 ____ it ____ plan ____ telecom infrastructure?
 Do you ____ to ____ reception in ____?
 ____ there ____ plans to ____ signals ____ these parts?
 ____ any plans ____ our network ____?
 ____ better ____ to solve weak ____?

_____ a _____ to beef up telecommunications _____ and fix _____ that _____ the area _____?
 _____ about making _____ terrible _____ parts?
 How about _____ weak links _____ the _____ network?
 _____ you intend _____ the _____ issues?
 _____ you _____ a _____ resolving weak connections _____ us?
 _____ you _____ the telecom infrastructure _____ solutions for weak connections?
 Do _____ to make the _____ network near _____?
 Do you _____ connection problems?
 _____ there going to _____ in local telecommunication _____?
 _____ you intend _____ improve _____ Telecommunications _____ near _____?
 _____ augmenting _____ or resolving _____ problems?
 _____ you fix _____ to _____ networks?
 Do you fix _____ and _____?
 _____ you want to improve telecom _____ dead _____?
 _____ plans _____ the nearby _____ systems?
 Is there _____ to make our _____ infrastructure _____?
 Are the enhancements _____ to _____ the _____?
 _____ are plans _____ improving _____ system?
 We _____ like _____ see _____ advancement _____ local _____ facilities that _____ problems _____ our area _____ concern.
 Is _____ to make _____ by addressing _____ patchy _____?
 _____ there _____ plans _____ conquer signal _____?
 Did _____ plans for _____ signals _____ these parts?
 Is there _____ neighboring _____ networks?
 _____ you _____ plan to deal _____ connections?
 Are you enhancing _____?
 _____ there _____ to improve by addressing the _____?
 _____ possible to _____ telecommunications _____ fix the connectivity problems that _____ nicely?
 Do _____ plan _____ weak connections _____ improve telecommunications _____?
 Any efforts intended _____ telecommunications _____?
 Do _____ to make the telecommunications _____ poor connections?
 _____ intentions _____ there _____ enhancing telecom infrastructure _____ addressing _____ here?
 _____ idea _____ making communications _____ around these parts _____?
 Do _____ to improve _____ or _____?
 _____ boosting telecommunications _____ by and eliminating unstable connections?
 Is _____ for _____ the _____ infrastructure near you?
 Have _____ any plans _____ telecom _____?
 Do you have _____ the local telecom _____?
 _____ there any plan to bolster _____ services _____ resolve the _____ area?
 _____ you get better telecom _____?
 Is _____ that telecommunication enhancements are _____ fix connection _____?
 Do you plan _____ networks or _____ connections?
 Is _____ telecommunication enhancements near _____ fix _____ connections?
 _____ there any _____ to _____ the _____ service _____?
 _____ enhancements near us being used _____ poor _____?
 Is there _____ plan to _____ by addressing _____?
 Got _____ plans _____ increase _____ network _____ by?
 _____ you know if _____ are _____ the local _____ network.
 _____ you have any _____ improving _____ our area?
 _____ planning on _____ network service?
 _____ be possible _____ boost _____ near us?

Is there any _____ for _____?
_____ fix _____ nearby networks?
_____ a _____ to upgrade the _____?
Will _____ address _____ and improve nearby infrastructure?
Is _____ any _____ improve the telecom _____ here and _____ poor _____?
_____ you _____ boost telecom infrastructure?
Do _____ to improve the _____ here?
Could _____ in local communication _____ that would eliminate _____ our area?
Do _____ have _____ plans _____ here?
_____ planned improvements for the _____?
Do _____ on improving _____ telecommunications _____?
Do _____ think you can _____ reception _____ infrastructure?
_____ you _____ telecom _____ near us, and _____ find _____ for weak _____?
_____ can we upgrade _____ connections _____ weak _____?
_____ there _____ to bolster the telecommunications services nearby _____ problems _____ the area?
Are you planning _____ connections _____ enhancing the _____?
Do you _____ weak connections _____ upgrade nearby _____?
Is _____ of bolstering _____ services in _____ area.
How do you _____ local _____?
Will you _____ near us?
Can we see an _____ will _____ connection problems facing our area _____?
Can _____ tell me if you intend _____ telecommunications _____?
Plans _____ proximity's telecommunication _____ signal weaknesses?
Is _____ plan _____ local network _____?
Plans _____ improve _____ here?
Can we _____ an _____ in _____?
Do _____ plan _____ improve _____ infrastructure _____ you?
Couldn't we see an advancement _____ local communication facilities _____ nearby our area _____?
Do you _____ any plans _____ improve _____?
_____ enhancements near _____ being delivered _____ fix _____?
_____ have _____ to increase _____ telecommunications _____ near us?
_____ there _____ to upgrade _____ near _____?
_____ it _____ to increase the telecommunications _____ us?
Will you _____?
_____ any way _____ local _____ and resolve weak _____?
_____ deal with any problems _____ telecommunications infrastructure?
_____ there a way _____ issues near us?
_____ planning on improving the _____?
Are _____ to address the _____?
_____ we _____ an _____ the lousy _____ our area?
_____ you planning _____ poor phone _____?
Is _____ to boost _____ telecommunications _____?
Are _____ planning _____ boosting the _____ to _____?
_____ you intend _____ poor _____ improve telecom infrastructure?
Do you _____ plan to _____?
Are _____ to _____ solutions for _____ and _____ telecom infrastructure?
Are there any _____ bolster _____ and fix _____ connectivity _____ that _____ the area _____?
Do telecommunication _____ poor connection _____?
_____ trying to _____ nearby comms _____?
_____ network and telecom _____?

_____ improve the telecommunications network next _____ us?
 _____ weak connections _____ increase _____ infrastructure.
