

[Demo] NLP Dataset for Customer Service Automation

| | |
|-----------------------------|---|
| Company Type | Internet Service Providers |
| Inquiry Category | Account management and login issues |
| Inquiry Sub-Category | Account creation |
| Description | Assistance required for setting up a new account, including registration, account verification, and creating login credentials. |
| Data Size | 5,503 paraphrases |
| Want to buy data? | Please contact nlp-data@gross.me via your business email address. |

Masked sample paraphrases of one "Internet Service Provider" customer inquiry. (Purchased data will not be masked.)

_____ failed multiple _____ is _____ any issue _____ your _____ server?
 Did _____ trouble with your side responsible _____ ?
 _____ fail _____ of _____ system or server?
 _____ there issues _____ that cause failures _____ creation?
 _____ multiple times, what _____ going _____ your server?
 Is _____ server _____ impacting _____ creation?
 Is _____ problem encountered _____ to create an _____ ?
 Can't make _____ account _____ .
 _____ account creation _____ caused _____ your _____ server?
 Was an issue _____ the _____ of failed _____ ?
 Any _____ or _____ Accnt _____ fail?
 _____ with _____ that cause _____ accounts?
 _____ several _____ my account; could it _____ related _____ your server?
 _____ create account _____ repeatedly.
 _____ a problem within _____ infrastructure that is _____ creation?
 I couldn't _____ account _____ several _____ are _____ systems _____ up?
 Multiple account _____ working.
 There _____ multiple failed _____ create _____ .
 What _____ with your server? _____ creation _____ times.
 There is _____ with your _____ that _____ account _____ frequently.
 _____ accounts due _____ technical problems on your platform?
 _____ creation _____ caused by _____ server _____ system?
 Can't make _____ despite _____ ?
 _____ are multiple _____ creating an _____
 Multiple _____ and there is something _____ .
 Did your server _____ account _____ ?
 _____ attempts _____ an account.
 _____ account _____ failed
 I wasn't able to _____ account _____ attempts.
 Did _____ system _____ account _____ problems?

I _____ when _____ set up my account
 Multiple _____ creations have failed, _____?
 _____ possible that _____ inability _____ complete multiple _____ is _____ by _____ your system?
 _____ couldn't _____ account _____ several attempts.
 _____ problems _____ side that are _____ for _____ account _____?
 What's _____ system, _____ attempts at creating _____ account?
 Is there anything _____ your infrastructure _____ prevented _____?
 Couldn't create _____ after _____ few _____?
 _____ a problem _____ your system _____ prevents me _____ creating _____ account?
 Multiple _____ attempts to _____ an _____ issues _____ the _____?
 I _____ unable _____ account once _____ got _____ pathetic excuse?
 _____ it _____ issue _____ caused _____ account creation?
 Is _____ with the systems _____ the server as it _____ me _____ account despite many _____?
 _____ creation _____ unsuccessful many _____.
 Is _____ wrong _____ the _____ or _____ that _____ hard to _____ an account?
 _____ account _____ and _____ something wrong with that?
 An account _____ created _____ tries.
 Multiple failures to _____ accounts have _____ platform.
 _____ the failure _____ generating accounts come _____ technical _____ platform?
 _____ it your _____ causing account _____?
 _____ your system _____ creation _____?
 I tried _____ create _____ couldn't, _____ your systems acting _____?
 _____ create _____ account _____ tries.
 _____ it _____ system which _____ causing account _____?
 _____ any problem encountered during multiple _____ an _____?
 _____ failing multiple _____ is _____ with your server?
 Were _____ issues on your _____ failed generating _____?
 _____ create _____ after _____ tries.
 What _____ server _____ account _____ fails multiple _____?
 _____ creation is _____ again _____ is your server _____?
 _____ fail to _____ an accrual over _____ again?
 Problems _____ account _____ caused by your _____?
 Is _____ that _____ infrastructure _____ successful account _____?
 _____ many _____ couldn't create _____.
 _____ problem with your infrastructure that is _____?
 When _____ new _____ failed attempts keep occurring.
 _____ server _____ malfunctioning; account _____ many _____.
 It _____ me _____ create _____ despite multiple _____ that something wrong with the _____ server?
 Is _____ your _____ making _____ creation fail?
 Does your server _____ an _____ creations?
 Account _____ is failing again and _____ your _____?
 _____ creat x3 _____ any _____?
 Couldn't _____ account _____ multiple _____.
 There _____ been unsuccessful _____ accounts.
 _____ might _____ causing the _____ creation process _____ and again?
 Problem _____ caused _____ system problem?
 Did _____ server experience _____ creation?
 Is _____ possible _____ my inability _____ complete _____ because _____ the system's problems?
 Multiple _____ creations _____ and Is _____ wrong?
 _____ malfunction _____ that leads to failed accounts?

Couldn't _____ account _____ of attempts?

_____ wrong _____ server? _____ failing multiple times.

_____ it possible _____ my _____ multiple _____ creations is the result _____ your system?

_____ the _____ or system causing _____?

Was _____ because the system _____ over _____ over?

Many _____ have _____ made _____ creating accounts _____ difficulties in _____ system.

Do _____ have issues _____ your _____ that cause _____ failures _____?

_____ a reason for the repeated failures _____?

_____ issues within _____ impacting account creations?

_____ it _____ with _____ infrastructure _____ preventing successful account _____?

_____ encountered repeated _____ while trying _____ set up _____

What's _____ your _____ account _____ multiple times?

Account _____ not _____ several times.

Have you _____ your platform _____ failures to _____ accounts?

Multiple _____ could be due _____ a glitch _____ your _____.

Repeated attempts _____ create _____.

_____ there _____ with your infrastructure _____ account creation _____ often?

_____ create my account, _____ malfunctioning?

_____ account creation failure?

Did _____ server _____ system _____ with account _____?

_____ your _____ malfunctioning _____ cause _____ failures?

Multiple _____ creations _____ failed, and _____ is _____ something _____?

Is account _____ unsuccessful _____ system problem or _____?

_____ create an _____ but have trouble _____ your stuff _____?

Is your _____ down, _____ creation _____?

_____ there any problem _____ prevented successful _____ creations?

Couldn't _____ account after _____?

Have you had _____ caused _____ failures _____ create _____?

_____ create my _____ after several attempts, _____ systems _____?

Is _____ creation _____ a system problem _____ server _____?

_____ had multiple failures _____ to _____ account.

_____ times _____ create my _____ could it be _____ to your _____?

_____ failures to _____ may be _____ a malfunction _____ your platform.

Is _____ that your _____ is _____ and _____ my _____ complete multiple account _____?

_____ failures _____ accounts could _____ result of _____ on your platform.

Are there _____ with your _____ that _____ unsuccessful attempts _____ creating _____?

_____ create _____ server or _____.

Couldn't _____ despite _____ attempts.

_____ multiple failed _____ to _____ an _____.

Account _____ any _____ your server?

Did the system _____ cause _____ creation?

_____ anything _____ with _____ systems or the server _____ impossible _____ me to create _____ account?

_____ couldn't create account.

Couldn't get _____ tries.

Did the process _____ account _____ poorly _____ times?

_____ system malfunctioning? Account _____ again _____ again.

_____ failed attempts _____ create an _____?

_____ create _____ account _____ several _____ do _____ systems acting _____?

Do you _____ problem with _____ system _____ account creations?

_____ create an account _____?

It's _____ problem _____ your _____ is preventing _____ account creation.

Multiple _____ failed so Is there _____.

_____ create _____ account _____ have trouble with your machine _____.

_____ create account after _____

_____ issue with your _____ caused account _____ to _____?

Did you _____ failures _____ generating accounts due _____?

_____ there _____ wrong _____ the systems or the server _____ hard _____ to create _____?

_____ failed attempts _____ create _____ about the server?

Account creation _____ what's _____ on?

_____ it possible _____ multiple account _____ is because your system _____?

_____ were _____ attempts to _____ an _____

There _____ failed attempts at creating _____ wrong with _____ now?

Are _____ encountered during multiple attempts at _____?

Is it _____ that _____ server _____ systems _____ repeated _____ during account _____?

Any problems _____ your _____ successful account _____ frequently?

Is there _____ multiple _____ to create _____ account?

Were there _____ wrong _____ infrastructure that prevented _____?

Multiple failed _____ creations _____ be _____ result _____ a glitch in _____.

Is _____ with your server _____ failed _____?

_____ it a _____ infrastructure _____ preventing successful _____ creation?

Any _____ your _____ that _____ responsible _____ failed _____ creation?

Account _____ is unsuccessful, _____ or _____ error?

_____ there _____ with _____ infrastructure that prevented account _____?

Do you have _____ on _____ that _____ responsible for _____?

_____ your _____ or server _____ caused _____ account creation?

I _____ create an account on _____ systems and server, _____ it _____.

How come your system _____ create an account?

_____ number _____ attempts, I couldn't create _____.

Did _____ or _____ account creation _____?

Is _____ a _____ behind _____ creations?

_____ my _____ after many _____?

_____ the unsuccessful account creation?

_____ open an _____ several _____?

_____ failed _____ attempting _____ an account.

Multiple _____ failed _____ work.

_____ attempts _____ create _____ account that failed.

Is there _____ that arises _____ to create an _____?

_____ not create my _____ tries.

Did an issue _____ server cause a _____ creation?

What's happening _____ when account _____?

_____ failed attempts _____ account.

Is something _____ account creations _____?

_____ it possible _____ complete multiple account _____ with your system?

Anything _____ that prevented account _____?

Couldn't _____ despite _____ tries?

_____ your _____ go wrong multiple _____?

Is _____ that is _____ account _____ failures?

_____ are multiple _____ to _____ account.

Any issues _____ arise during _____ attempts _____ an _____?

Is _____ for _____ or server?

_____ with _____ is caused _____ problem?
_____ malfunctioning, account creation failing _____?
_____ a _____ of unsuccessful attempts _____ accounts _____ to technical _____ your system.
Did _____ in generating _____ happen _____ issues on _____ platform?
Multiple _____ have failed, is _____?
_____ creation is _____ again _____ is your _____ broken?
When _____ to create _____ failed multiple times.
_____ encountered _____ to create an _____?
_____ account creation _____ your _____ or _____?
