

[Demo] NLP Dataset for Customer Service Automation

Company Type	Auto Repair and Maintenance Shops
Inquiry Category	Check engine light is on
Inquiry Sub-Category	Fuel System Issues
Description	Customer inquiries related to the check engine light being on due to fuel system problems, such as a faulty gas cap, oxygen sensor, or fuel injector.
Data Size	7,739 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Auto Repair and Maintenance Shop" customer inquiry. (Purchased data will not be masked.)

____ you ____ or not problems with fuel ____ could ____ to ____ MIL ____?

____ with fuel ____ linked ____ lit up MILs?

Is fuel ____ capable of ____?

Problems with ____ injection ____ lit-up ____.

____ lights ____ is trouble with the ____ injectors?

Is ____ that ____ turn on the ____ lights?

Can you ____ fuel ____ issues ____ lights?

____ that fuel injectors could ____ the ____?

Is there ____ injectorIrregularities ____ the activation ____ MIL light?

Is it ____ fuel injector troubles may ____?

____ you ____ MIL lights ____ be triggered by ____ fuel injectors?

Is ____ fuel injectors ____ cause ____ not coming ____?

Is it ____ that ____ issues could cause ____ lights ____?

____ possible that ____ injection ____ troubles can result ____ activated ____?

Does ____ with the ____ cause the MIL ____ light ____?

There could be problems ____ the ____ prompt the activation ____.

Is there ____ fuel injectors problems ____ lead ____ lights?

____ the ____ possibly ____ the MIL ____?

Is ____ injectors ____ for ____ lights?

The MIL ____ be triggered by ____ injectors.

____ mil lights ____ activated ____ there is ____ injector ____?

Fuel ____ issues might ____ up MILs.

Do ____ know ____ bad fuel injectors ____ damn mil ____?

____ there a connection ____ fuel ____ activation of ____ lights?

____ fuel ____ issues capable ____ the mil ____ to ____ off?

Are ____ fuel ____ that ____ the MIL light to ____?

____ the ____ lights ____ turned on ____ there's ____ trouble?

Is ____ that ____ cause the warning lights?

____ lights might ____ fuel ____ issues?

Do _____ the fuel injector _____ cause the _____ lights _____ off?

_____ injector troubles may _____ the _____.

Is _____ malfunctioning _____ could lead to _____ lights?

_____ affect MIL lights?

Is _____ injector a reason _____ MIL?

Do _____ problems cause the _____ to _____?

_____ injectors _____ cause _____ indicators.

Are _____ issues with the _____ injectors _____ up MILs?

_____ lights _____ when there's trouble with the fuel _____?

_____ you _____ any _____ if the _____ injectors can _____ lights?

_____ for _____ injection issues to _____ lit up _____?

Is _____ that _____ MIL _____ acting _____ due to the fuel _____?

Problems _____ injectors might lead _____ flashing MIL _____.

Is _____ possible that faulty _____ the warning _____?

Is _____ possibility _____ problems _____ fuel injectors _____ lead _____ the activation of _____ lights?

_____ with _____ injectors _____ cause those _____ lights to _____.

_____ you know _____ injector problems _____ cause _____ lights _____ on?

Is it _____ to tell _____ injectors _____ lights?

_____ it _____ that _____ of the Milk _____ be triggered _____ fuel _____?

_____ it possible for _____ cause _____ warning lights _____ off?

Issues with fuel injectors may _____ lit _____.

_____ could possibly _____ triggered by problematic _____ injectors.

_____ troubles _____ be the _____ the MIL lights.

Is _____ issues _____ injectors related to _____ MILs?

_____ fuel _____ problems related _____ MIL _____?

_____ possible that _____ injector problems cause _____ MIL _____ turn _____?

_____ fuel _____ the illumination _____ the MIL lights?

_____ lit-up _____ related _____ fuel _____ troubles?

Problems _____ injectors may _____ the _____ up _____ the MIL.

_____ busted _____ cause those warning _____?

_____ fuel injectors may have _____ activation of the _____ lights.

Do _____ know _____ the MIL lights _____ to fuel _____?

Is there _____ chance _____ fuel _____ could _____ lights to _____ on?

_____ troubles result in _____ mils?

_____ injector _____ prompt the _____ of _____ lights?

_____ injector problems could _____ why the MIL _____?

Is there _____ with the _____ those lights to _____?

_____ you _____ if _____ injector _____ lead to _____ lights?

Can you tell _____ if _____ injector can _____?

Is there _____ chance _____ troubles _____ to _____ MIL lights?

Can you tell me if _____ injecting _____?

Fuel _____ are capable _____ lights.

Could _____ injector problems cause _____ light to _____?

_____ might be problems _____ fuel injectors _____ lead to _____ activation _____ lights.

When _____ fuel _____ will _____ MIL lights be _____?

Is the _____ fuel _____ connected to the _____?

Do you know _____ fuel Injector _____ turn _____?

Is _____ possible _____ injector _____ light to turn on?

Fuel _____ issues may cause the _____ to _____.

_____ injection _____ connected _____ MIL lights?

Is _____ that troubles _____ the fuel injector _____ activated _____ lights?
 _____ a _____ injection issue capable _____ MIL _____?
 _____ the _____ cause _____ warning lights _____ work?
 Is _____ possible _____ fuel _____ issues _____ cause _____ MIL _____ to _____ up?
 Will those lights _____ turned _____ when there's _____ the _____?
 Can _____ if fuel _____ cause _____ lights?
 _____ the _____ cause the _____ lights to _____ off?
 Will _____ fuel _____ turn on _____ light?
 Does a _____ injector cause _____?
 _____ fuel injector capable of _____?
 Can _____ injection issues _____?
 _____ possible that fuel injectors that _____ could _____ to _____ light _____?
 Are _____ injectors _____ MIL lights?
 Should _____ have _____ lights?
 _____ injectors turn on _____ MIL light?
 Can _____ tell _____ fuel injector issues _____ the activation of _____ lights?
 _____ activation of _____ may result _____ injectors.
 Is it _____ fuel _____ troubles _____ the _____ lights?
 Can _____ inject'rs _____ warning lights _____?
 _____ the fuel injector _____ of _____ lights?
 Does _____ MIL light _____ the injectors are _____?
 _____ it _____ that fuel injector issues _____ cause _____?
 Is _____ a problem with _____ injectors that _____ MIL _____?
 Is _____ verify if _____ injectors activated the _____?
 Is _____ issue _____ causing the light to turn _____?
 Is fuel _____ to cause _____?
 Is _____ with fuel _____ that can cause the MIL _____?
 _____ there _____ problem _____ injectors that causes _____ lights to light _____?
 _____ injector _____ the MIL lights to _____ up.
 _____ injectors can _____ MIL lights, you _____ any clue?
 Do fuel _____ allow for the triggering _____?
 There _____ that _____ injector _____ could _____ MIL lights to _____ on.
 _____ an illuminated MIL _____ a _____?
 _____ fuel _____ MIL lights?
 Do you know _____ fuel injector _____ cause _____ lights _____?
 Can _____ issues result in _____?
 Fuel _____ problems _____ lit-up MILs.
 _____ chance that _____ in the _____ injector system _____ cause _____ MIL _____?
 Does _____ injectors hurt _____?
 I want _____ know _____ fuel injector problems make _____.
 _____ fuel injector _____ MIL lights?
 _____ might _____ activated _____ problems with _____ fuel injectors.
 Does fuel injector _____ in _____?
 Are _____ MILs _____ by fuel _____?
 _____ there's _____ fuel _____ will _____ MIL _____ be activated?
 _____ wonder _____ fuel _____ problems would _____ light to light _____.
 Is _____ troubles _____ cause of _____ lights?
 _____ true that _____ fuel injectors cause _____ to light _____?
 _____ wonder _____ injection _____ in lit-up MILs.
 Is _____ issues _____ the MIL _____?

____ you ____ have any idea if crappy ____ cause ____?
 Is ____ injection problems ____ reason ____ MIL ____ on?
 ____ it possible that ____ the lights?
 Is it ____ that ____ mil lights start ____ up because ____?
 ____ lights could possibly ____ triggered ____ problematic ____.
 Can ____ me if ____ with fuel ____ that could ____ to the activation ____ lights?
 Is ____ injector ____ to ____ MIL lights to ____?
 Is ____ a chance that ____ with fuel ____ cause ____ lights ____ off?
 Is it ____ that ____ can be activated ____ with ____ injectors?
 Are fuel injector ____ the ____ lights?
 ____ issues ____ in lit up ____?
 Is it ____ fuel ____ causing MIL light ____?
 Is there a chance ____ fuel ____ can ____ lights?
 Is ____ true that there ____ fault ____ the ____ that ____ turn ____?
 Is ____ an ____ with ____ that ____ cause ____ MIL light ____ go off?
 Is ____ issues to result ____ lit-up mils?
 ____ there ____ the fuel injectors ____ the ____ light?
 ____ it possible that the ____ lamps can ____ fuel ____?
 ____ there ____ problem ____ injector turning the ____ light ____?
 ____ injectors ____ and cause the ____ light to ____?
 Do you ____ if those ____ lights ____ by bad fuel ____?
 ____ that the fuel injectors cause ____ MIL ____ on?
 ____ cause the MIL ____ to turn on.
 ____ with the ____ light up ____
 Are there problems with ____ fuel ____ lead ____ activation ____ the ____ lights?
 ____ fuel ____ be malfunctioning, which could ____ lights to ____ off.
 ____ be problems with ____ injectors ____ prompt the activation ____ the ____.
 ____ come on ____ trouble with the fuel ____?
 ____ fault ____ possible to turn on ____ lights?
 ____ you ____ if the ____ cause the ____ indicators?
 Can ____ tell me ____ issues with the ____?
 Does ____ activation of ____ lights ____ from ____?
 ____ the fuel ____ issues capable of ____ lights?
 Is ____ possible ____ MIL lights are activated ____?
 ____ you ____ if fuel injection ____ causing the ____ light ____ off?
 Is there ____ with ____ fuel injection system that ____ an ____ MIL light?
 ____ injector troubles may possibly ____.
 Do you know ____ MIL ____ to turn on?
 ____ injector problems ____ be ____ reason why ____ MIL ____ on.
 Is there ____ possibility ____ problems with fuel injectors ____ activation of ____?
 ____ true ____ faulty fuel ____ the MIL ____ to illuminate?
 ____ wonder ____ injection system problems will ____ display an activated ____ light.
 ____ tell me ____ there ____ injector ____ cause mil lights?
 Do you ____ if ____ injector issues can cause ____?
 Might ____ trouble ____ the ____ injectors lead to the activation ____?
 ____ there ____ chance that fuel injectors issues ____ to ____ activation ____ MIL ____?
 Is it ____ that ____ with ____ injectors ____ light to ____ on?
 Should the ____ of ____ MIL ____ caused by ____?
 Is it ____ injectors would cause ____ lights?
 ____ a ____ the cause ____ illuminated MIL?

Do you ____ if ____ fuel ____ problems ____ lights to _____.
 ____ problems ____ the fuel injectors ____ to ____ the lights?
 ____ a possibility that ____ faulty ____ cause ____ MIL warning.
 Fuel ____ troubles ____ lit ____ mils.
 Do ____ lead to ____ light activation?
 Is ____ the ____ injector ____ cause the ____ light?
 Are fuel ____ to lit-up ____?
 ____ me if fuel ____ problems ____ lead to ____ activation ____ the ____?
 Is ____ any connection ____ injectors and ____ up ____?
 Will there be ____ on ____ there ____ with the ____?
 There is a chance that fuel ____ go off.
 Is ____ faulty fuel ____ cause the MIL ____?
 When the ____ is ____ those ____ lights ____ activated?
 ____ it ____ that malfunctioning injector could ____ to ____?
 Is ____ possible that ____ system issues ____ lights?
 Is ____ because of fuel ____ issues?
 Did the ____ of the ____ lights come ____?
 ____ you know ____ lead ____ the ____ of the MIL lights?
 Is ____ with ____ injectors that causes ____ lights ____ on?
 Should ____ injector ____ MIL lights?
 When there's ____ will those ____ lights ____?
 Maybe troubles ____ injectors ____ cause the MIL ____ to ____.
 ____ malfunctioning injector a ____ illuminated MIL?
 Is the illumination ____ lights ____ malfunctioning fuel ____?
 ____ injection system capable of ____ MIL light ____ off?
 Is ____ possible ____ bad fuel injectors ____ lights ____?
 Is ____ possible ____ injectors ____ cause flashing MIL lights?
 Is ____ possible ____ prompt the ____ MIL lights?
 Is ____ that my lights ____ up due to ____?
 ____ injector troubles, ____ MIL lights be activated?
 Is ____ possible ____ the ____ can ____ activated by ____ hitches ____ injectors?
 ____ injection issues can ____ MILs
 Is ____ injector ____ MIL lights?
 ____ there ____ with fuel ____ that ____ activation of ____ lights?
 Is it ____ injector results ____ the ____ the lights?
 Is ____ injection ____ a ____ lit ____ mils?
 ____ between the illumination ____ MIL ____ and malfunctioning ____ injectors?
 Can ____ if ____ cause ____ MIL light to light up?
 Some MIL ____ by ____ injector troubles.
 Can ____ Injector cause an ____?
 Is the activation ____ the mil ____ caused ____?
 ____ issues ____ of ____ MIL lights?
 ____ injector a sign ____ illuminated MIL?
 ____ fuel ____ malfunctioning and ____ MIL light?
 Is ____ injector issues could lead to ____ activation ____ lights?
 Is it possible that ____ MIL ____ are ____ injectors?
 Is ____ possible ____ could ____ to the activation of the ____ lights?
 Problems ____ the ____ might lead ____ lighting ____ the MIL.
 ____ come on when ____ trouble with the fuel ____?
 ____ a chance ____ fuel injectors could ____ lights?

Can you ____ me if troubles in the ____ to ____?

____ fuel ____ issues connected ____ lights?

____ know ____ problems cause the MIL lights to ____?

Is ____ a chance ____ injector problems could ____ the activation ____ lights?

Is it ____ that ____ injectors ____ in ____ lighting ____?

Can a ____ inject'rs ____ warning lights ____ off?

I wonder if fuel ____ make ____ lights ____.

There is ____ question of ____ injector ____ lead ____ an ____ MIL.

Will ____ lights ____ if ____ with the ____ injectors?

Is it possible ____ cause the MIL ____ to ____ up?

____ it possible fuel injector problems ____ light to ____?

____ turn ____ the MIL light?

____ injector troubles ____ in lit-up ____.

Do you ____ a problem with ____ on ____ light?

____ fuel injectors ____ the MIL ____?

____ issues ____ the lights?

____ the ____ injector problems ____ the ____ go off?

____ MIL light can ____ activated ____ a ____ fuel ____.

____ MIL lights could be linked ____ malfunctioning ____.

Is ____ that ____ injectors could ____ lights ____ illuminate?

____ a chance ____ the fuel ____ could cause the ____?

Can ____ tell ____ if the lights ____ triggered by ____?

Fuel injector ____ could possibly ____ the ____ lights.

Fuel ____ the MIL ____ to turn on.

Fuel injection problems may ____ the MIL ____.

____ that fault ____ the ____ can turn on ____ lights?

Do you ____ damn MIL lights ____ triggered ____ crummy fuel ____?

____ possible that those Milk ____ can be triggered by ____?

If the ____ the ____ to ____ please confirm.

____ a ____ of fuel injector ____ causing MIL ____?

____ it possible ____ problems ____ the ____ could light ____ devices?

Can you tell ____ if ____ lights to light ____?

____ injection ____ can ____ lit up ____.

____ the problems ____ injectors cause the ____ come ____?

____ bad fuel injecters ____ to ____ on?

____ light up the ____ lights?

Can ____ if fuel injector ____ the light to turn ____?

Is the fuel ____ would ____ to flashing MIL ____?

____ bad ____ injectors ____ the MIL ____?

Is bad fuel injectors ____ reason ____ on?

Can ____ issues ____ lit ____?

Is ____ that ____ problems cause ____ MIL light to ____?

Do ____ if ____ injector ____ cause MIL ____?

Is it ____ that ____ Milk lamps can be ____?

Fuel ____ issues ____ MIL ____ activation.

Do ____ know ____ the ____ lights ____ turned ____ fuel ____ problems?

____ it ____ that ____ in the ____ can result ____ mil lights?

Can you tell ____ if ____ injectors can cause ____?

____ injector ____ have ____ on mil lights?

Is ____ related ____ activated MIL ____?

Is ____ injector _____ MILs?

Is _____ that problems in the _____ could lead _____ lights?

_____ MIL warning could _____ triggered _____

Do the _____ lights start _____ the finicky _____ injectors?

_____ tell _____ the injector _____ cause _____ lights to flicker?

_____ injector issues _____ reason for _____ MIL _____?

Do you _____ if _____ injector issues cause _____?

_____ injection _____ cause lit- _____ MILs.

Do _____ have any _____ crappy fuel _____ can cause those _____ off?

_____ possible _____ fuel injector _____ lead to _____ activation of _____ lights?

_____ lights _____ be triggered by _____ problematic fuel _____.

_____ it _____ are defects _____ injectors that could _____ the lights?

_____ possible that faulty injectors could cause _____?

_____ a _____ the faulty _____ activated the warning _____?

_____ busted inject'rs _____ warning lights _____?

_____ it _____ there are _____ in the injectors _____ the _____ on?

Do fuel injector issues _____ lights?

_____ you _____ damn MIL _____ can _____ triggered _____ the _____ fuel injection?

_____ problems could be _____ reason why themil _____.

_____ possible that _____ could lead _____ MIL lights.

Is there _____ issue _____ the fuel injectors that _____ up?

Is _____ warning possible _____ faulty _____ are _____?

Do you have _____ clue _____ the _____ injectors can _____?

_____ the injector troubles _____ MIL _____ go _____ confirm _____.

Is lit-up mils _____ troubles?

_____ may lead _____ the activation of the _____ lights

_____ fuel _____ issues capable _____ a _____?

Is it possible that _____ mil _____ due _____ the _____ fuel _____?

_____ there _____ injector _____ will those MIL _____ be _____?

Is the activation _____ the _____ the injectors are _____?

Is there _____ connection _____ injectors _____ the light _____ mil?

_____ the injector troubles _____ the _____ to _____ off, _____.

_____ you tell _____ there are _____ can lead _____ MIL lights?

Is _____ a _____ between fuel _____ and illumination of _____?

_____ if the _____ problems cause the MIL lights _____ turn _____?

_____ busted inject'rs _____ warning _____ flicker?

Is _____ injection problems could lead to _____ the mil _____?

_____ the _____ kick in when _____ issue with _____ injectors?

_____ injector troubles the _____ lit-up _____?

Is _____ a chance that fuel _____ lights?

_____ bad _____ cause _____ lights to _____ on?

Couldn't the vehicle's _____ lights _____ on _____ injectors?

Can fuel _____ problems make _____ have an activated _____?

Is _____ link between _____ illumination of _____ MIL lights _____ injectors?

_____ chance that _____ could cause the MIL lights to _____?

Is _____ fuel injector _____ cause the MIL lights _____ light _____?

Is _____ that _____ issues could _____ the lights _____ up?

Is it possible _____ fuel _____ the _____ lights?

_____ there a _____ that leads _____ the activation of the _____?

Is _____ troubles in the fuel injector _____ in _____ mil _____?

Is it _____ the _____ lamps _____ be _____ with _____ injector _____?

_____ you _____ if fuel _____ cause the _____ lights to go _____?

_____ possible _____ the fuel _____ system _____ will _____ to display _____ activated MIL light?

Is it possible that _____ might lead _____?

When _____ fuel _____ trouble, _____ lights be turned on?

_____ fuel _____ the reason that the _____ lights don't _____?

_____ there any _____ injection issues could cause the _____ on?

Will MIL _____ come _____ with fuel injectors?

Is the _____ capable _____ the _____ to go off?

_____ you know if the fuel-injector _____ cause _____ on?

Is malfunctioning _____ cause of _____?

Do _____ know if _____ injector _____ cause MIL _____ to _____.

When there's _____ injector trouble, will _____ triggered?

Is _____ injector issues capable _____?

Is _____ possible _____ malfunctioning _____ prompt _____ MIL lights?

_____ fuel _____ may lead to MIL _____.

_____ a faulty _____ cause _____ the mil light?

_____ with the _____ injectors could cause _____ to _____.

_____ there, do _____ know _____ fuel injectors can cause _____?

_____ the _____ cause those _____ lights _____ sound?

_____ if the activation _____ lights _____ caused by _____ injectors.

Is it _____ injectors may _____ MIL lights?

_____ there _____ with _____ injectors that prompt _____ activation _____ the _____?

_____ injectors _____ activated mil lights.

_____ it _____ issues with _____ fuel _____ lead to _____ of the MIL _____?

Will the _____ injector malfunctioning turn _____?

Is _____ between _____ injection issues _____ MIL lights?

_____ caused by _____ injector issues.

Is _____ issues _____ of _____ lights?

_____ MIL _____ could _____ triggered by _____ problematic _____ injectors.

Fuel _____ might _____ MILs.

Is _____ for fuel _____ cause _____ lights?

_____ it possible _____ issues can lead to _____?

_____ injector troubles _____ lit-up _____.

_____ it _____ fuel injectors could _____ triggering the _____?

_____ there a _____ between problems _____ and MIL _____?

Is there an _____ with fuel injectors _____ light to _____?

Fuel _____ issues _____ the MIL light _____ off.

Is _____ a chance that troubles _____ the _____ injection _____ to activated _____?

_____ possible _____ fuel injector troubles are the _____ MIL _____?

Is fuel injector issue _____ the _____?

Is it _____ problems could light _____ mils?

_____ the injectors may _____ lighting _____ of _____ MIL.

_____ could _____ be triggered _____ the _____ fuel injectors.

_____ a problem with _____ can _____ the light to come _____?

_____ injector issues _____ triggering the mil _____?

_____ know if fuel _____ cause them _____ turn _____?

There may be _____ arising _____ injectors _____ prompt the activation _____.

Fuel injection issues could _____ the _____ to _____.

_____ the fuel _____ causing the MIL _____?

You _____ clue if the _____ injectors _____ cause _____ lights?
 I _____ if there _____ with _____ cause the _____ to _____ on.
 Is _____ true that there _____ flaws _____ the _____ that _____ lights?
 _____ lights be activated when _____ fuel _____ trouble?
 _____ fuel _____ troubles lead to _____?
 _____ you _____ if _____ injector problems _____ the _____ light up?
 _____ there a _____ injectors cause _____ MIL _____?
 _____ possible _____ issues could _____ up MILs?
 Does fuel injection _____ result _____?
 _____ fuel _____ lead to the activation of the mil light.
 Are fuel injector _____ of _____?
 Can you tell _____ the fuel injector _____ are _____ to _____?
 MIL _____ if _____ injectors are involved.
 Will _____ MIL lights _____ on _____ there's trouble _____ the _____?
 Is it possible that _____ issues can _____ light _____?
 Is _____ possible that fuel injector _____ lead _____ activation _____ lights?
 Can _____ issues make _____ work?
 _____ with _____ injectors _____ the _____ up of the _____.
 _____ injector issues _____ of _____ lights?
 Is _____ possible for fuel injector issues to _____?
 Fuel injector issues _____ have caused _____ lights _____.
 _____ it possible _____ fuel injectors could cause the _____?
 _____ that the fault in _____ injectors _____ on _____ lights?
 When _____ fuel _____ will _____ lights be activated?
 _____ a malfunctioning injectors could _____ activated MIL _____?
 Is it _____ for fuel _____ cause _____ MIL light _____?
 Can you _____ if _____ fuel injector _____ causes _____?
 Is it _____ a _____ lead to _____ illuminated MIL?
 _____ fuel _____ why _____ lights do not come on?
 _____ there _____ of activated MIL _____ trouble in the fuel _____ system?
 _____ it true that fault _____ can _____ lights on?
 _____ injectors lead _____ the _____ MIL lights?
 Irregularities in _____ fuel _____ can _____ the activation of _____.
 _____ it _____ that fuel _____ problems _____ the _____ lights _____ up?
 Can there _____ if there _____ a _____ injector?
 _____ it true _____ defects lead _____ the MIL _____?
 _____ the MIL _____ because _____ fuel _____ problems?
 Is _____ true _____ fuel _____ result _____ lit-up MILs?
 _____ the MIL warning?
 Is _____ possible to verify _____ the _____ cause _____?
 Is there a _____ malfunctioning _____ leads _____ illuminated _____?
 When _____ injection trouble, _____ the _____ lights _____ used?
 Is _____ possible for _____ with fuel _____ cause _____ light to _____?
 Are there _____ problems with _____ that _____ lead to _____ activation _____ the _____?
 Is _____ MIL lights possibly caused _____?
 Is an issue with the _____ related _____?
 Is there a possibility _____ the _____ the MILs?
 _____ a chance that malfunctioning injectors may _____ activated _____?
 _____ are _____ with _____ fuel _____ would there be _____ lights?
 Is _____ a correlation _____ fuel _____ light activation _____ not?

Can _____ light system _____ by a faulty _____?

_____ it _____ Milk _____ can be _____ by the fuel _____.

_____ mil lights might _____ triggered _____ an _____ with _____.

Do _____ injector _____ the lights _____?

_____ faulty fuel injector _____ the MIL light?

Will fuel _____ up mils?

_____ injection _____ cause _____ MILs.

_____ have anything to do _____ the illumination _____ MIL lights?

Is _____ injector going _____ to _____ illuminated MIL?

_____ you _____ if fuel injector _____ cause the _____ to _____?

_____ possible that _____ injector _____ could cause mil _____?

Can _____ if problematic _____ cause _____ MIL?

_____ guys _____ any idea if those _____ MIL lights _____ be _____ by _____?

Is _____ a chance that _____ fuel _____ lights?

Is _____ injection issues _____ cause _____ lights to turn on?

Is the activation _____ troubles with _____ fuel injectors?

_____ those MIL _____ be _____ when there's fuel injector _____?

Can those _____ busted inject'r?

Is _____ caused _____ fuel injectors _____?

_____ broken _____ cause _____ warning _____ flash?

_____ it possible _____ fuel _____ can _____ to activated MIL _____?

Can _____ tell me _____ injector issues _____ lead _____ the _____?

Is it _____ injectors cause _____ mil _____?

Might problems with _____ injectors _____ the _____ to _____ on?

Is there _____ with the _____ injection _____ causes _____ to display an _____ light?

Can you _____ me if _____ with fuel _____ that _____ to _____ lights?

_____ it _____ fuel _____ the MIL light _____ go off?

When the _____ injectors _____ will _____ lights be activated?

Will _____ injectors malfunctioning _____ the MIL _____?

_____ may be a connection _____ fuel _____ and _____ illumination of _____.

Is _____ faulty injectors _____ warning _____?

Is the MIL light activated _____?

Are _____ to lit-up mils?

Hey, _____ have any _____ fuel injectors can _____ lights?

Does _____ injection _____ result _____ lit-up _____?

_____ there _____ lights _____ there _____ trouble with _____ fuel injectors?

_____ chance that the _____ injector issues could _____ MIL lights to _____.

Is bad fuel injectors _____ lights not _____?

_____ lights might be caused by _____ problems.

Is _____ capable of _____ lights?

_____ the fuel _____ cause the _____ of _____ MIL lights.

_____ it _____ those _____ can be activated by _____ injectors?

_____ you know _____ injection problems _____ to go on?

_____ it possible that an _____ with _____ lights?

Is _____ lights caused by faulty injections?

Is fuel _____ issues _____ of _____ the _____ to _____ up?

_____ true _____ there are problems in the injectors _____ turn _____?

_____ fuel _____ troubles _____ lit _____ mils?

_____ it _____ that fuel injection _____ will _____ lit-up _____?

_____ the _____ lights _____ to fuel injector _____?

_____ system problems _____ my _____ of _____ activated MIL light?
 Is _____ a correlation _____ troubles _____ up MILs?
 _____ there's fuel injector _____ those _____ be active?
 _____ possibly triggering the _____?
 _____ the _____ problems causing the _____ light to _____?
 Fuel _____ can lead to _____.
 _____ fuel _____ to _____ MILs?
 There _____ fuel injectors _____ prompt the activation of _____.
 Is _____ possible _____ fuel _____ are irregular _____ to MIL _____?
 There _____ injectors could cause activated MIL _____.
 Is there _____ injected issues could cause _____ turn on?
 Is _____ malfunctioning _____ a _____ illuminated mil?
 Is it true _____ are problems _____ that could _____ on _____?
 Can you _____ me _____ injectors have _____ could lead _____ the lights?
 Is _____ correlation _____ injector _____ and _____ light activation?
 _____ there a _____ fuel injector _____ and the _____ MIL _____?
 _____ know if they have fuel _____ problems _____ the _____ turn _____?
 Is _____ illuminated _____ if _____ injector is involved?
 _____ that bad fuel _____ make _____ on?
 Is it _____ faulty fuel _____ causes _____ MIL _____?
 Is it _____ that _____ could cause _____ lights _____ go _____?
 _____ there _____ with _____ fuel _____ that _____ MIL light to flash?
 Is _____ a _____ between the _____ injectors _____ light _____?
 Would _____ problems cause _____ light _____ light up?
 _____ there _____ with _____ fuel _____ that causes the _____ light?
 _____ injector _____ causing the _____ light to go off?
 _____ that _____ are problems with the _____ that can _____ on _____?
 _____ it _____ trouble _____ fuel _____ system can result _____ MIL lights?
 Is _____ of the MIL lights caused _____?
 _____ with _____ injection system could result in _____ of _____ MIL _____.
 can _____ injection _____ in _____ mils?
 Is it _____ issues _____ MIL lights _____ flash?
 When there is trouble _____ injectors, _____ the MIL _____?
 Do you know _____ injector _____ the _____ to go _____?
 _____ possible that fuel _____ the MIL light to _____?
 Do _____ have problems that lead to _____?
 _____ that injector problems could _____ up MILs?
 _____ the _____ injectors could lead _____ of _____ MIL light.
 _____ it _____ that _____ cause the _____ of _____ lights?
 _____ with fuel _____ cause the _____ go on?
 Is _____ injection troubles _____ the _____ lights?
 Are _____ cause of lit-up _____?
 Is it possible _____ determine _____ injector _____ lights?
 _____ fuel injector _____ to lit-up _____?
 _____ possible for fuel _____ to _____ the _____ go off?
 Is _____ connection between the _____ the malfunctioning fuel Injectors?
 Is _____ chance that _____ injector _____ could _____ the MIL lights _____?
 _____ the _____ warning be _____ faulty _____?
 _____ the _____ lights _____ by _____ injectors?
 Does fuel _____ cause _____?

_____ mil _____ turn _____ there is trouble _____ fuel injectors?
 _____ it _____ fuel _____ problems cause _____ MIL lights to turn _____?
 _____ an illuminated MIL _____ malfunctioning Injector?
 The _____ be activated by _____ problems.
 When there's trouble _____ fuel injectors _____ the _____ in?
 Is it possible _____ faulty _____ to cause _____ activation _____?
 _____ the _____ cause the MIL _____?
 Is it _____ that _____ injector _____ cause the _____?
 Is _____ the fault _____ injectors may cause _____ lights _____ up?
 _____ a _____ between malfunctioning _____ injectors _____ illumination of _____ MIL lights?
 Fuel _____ trouble may result _____.
 _____ it possible _____ fuel _____ could lead _____ the activation _____ the _____?
 Is _____ problem with the _____ an illuminated MIL?
 _____ possible _____ problems with the _____ light _____ the MILs?
 _____ that there are _____ in the injectors _____ on _____ lights?
 Is _____ MIL lights could turn _____ due _____ fuel injector _____?
 Can _____ me if _____ injector problems cause _____ MIL _____ light _____?
 Is _____ issues connected to _____?
 _____ fuel injection _____ affect _____ mils?
 _____ issues could be the _____ of _____ activation.
 Could _____ lights be _____ problematic _____ injectors?
 _____ be triggered _____ fuel injection _____.
 Is _____ issue _____ fuel injectors _____ to lit _____?
 _____ possible that trouble in the _____ injector system _____?
 Is it _____ may be to blame _____ MIL _____?
 _____ possible _____ fuel _____ system _____ in activated MIL lights?
 Do _____ troubles _____ up mils?
 Will _____ kick in _____ trouble _____ the fuel?
 _____ have been tampered with lead _____ MIL light _____?
 _____ possible that fuel injectors _____ not perfect _____ to MIL _____.
 _____ a connection between _____ fuel _____ illumination of _____ mil _____?
 _____ bad injector causes illuminated MIL _____?
 Is it possible that _____ injectors have _____ connection _____ illumination _____?
 _____ the _____ lights _____ if there's _____ with _____ fuel injectors?
 _____ fuel-injector _____ capable _____ triggering MIL _____?
 _____ with _____ can cause _____ up.
 _____ illumination _____ the _____ lights _____ any _____ to malfunctioning fuel _____?
 Is _____ the cause _____ the _____ light?
 _____ can cause _____ MILs.
 _____ if _____ problems cause the lights?
 _____ it possible _____ the MIL lights?
 Is there _____ chance _____ lead to the activation _____ MIL _____?
 _____ lights _____ triggered _____ fuel injection _____.
 _____ there a _____ with _____ fuel _____ could cause the lights _____ go _____?
 _____ a _____ between fuel injectors _____ MIL lights?
 _____ you _____ the fuel injector problems cause _____ to _____ up?
 I'm _____ if you _____ confirm _____ injector _____ causing MIL _____.
 _____ problems _____ the fuel injectors _____ could _____ the lights to _____?
 Is _____ capable _____ triggering _____ lights?
 Can _____ tell _____ fuel _____ problems cause the _____?

_____ possible _____ malfunctioning injector _____ activated MIL lights?
 _____ troubles _____ result _____ lit-up MILs.
 Is _____ MILs _____ by fuel _____?
 Is _____ injector _____ cause _____ lights to turn _____?
 _____ injector _____ to MIL lights?
 Is _____ that _____ injectors _____ cause the _____ MIL _____?
 Is _____ that fuel injectors _____ MIL light _____?
 There _____ be _____ with the fuel _____ result _____ the activation of _____.
 Is _____ possible _____ check if problematic _____ activated _____?
 _____ it _____ that _____ in _____ fuel _____ can lead to MIL _____?
 If _____ injector issues _____ the MIL _____ tell?
 _____ problems could be responsible for _____ activated _____.
 If _____ fuel injectors, do they lead _____ MIL light _____?
 _____ there _____ between the _____ of the _____ malfunctioning fuel injectors?
 Can _____ if the _____ is _____ the _____ injectors?
 Problems with _____ injectors may _____ activation _____ the _____ lights.
 _____ there a link _____ and _____ warning lights?
 Is _____ a _____ the fuel injector _____ could lead _____ of the _____?
 _____ you know _____ fuel _____ can _____ MIL lights?
 _____ me if _____ can be triggered by injector _____?
 _____ the _____ of the _____ by malfunctioning _____ injectors?
 Can _____ tell _____ system _____ lead _____ activated MIL lights?
 _____ troubles the _____ of lit-up _____?
 _____ a way to _____ the _____ activated _____ problematic injectors?
 The fuel injector _____ light to _____ off.
 Is there _____ between _____ activation of _____ and faulty _____?
 Is _____ injector _____ of causing _____ MIL?
 I would _____ if it is the _____ causing my lights _____.
 Fuel injection _____ cause lit _____.
 _____ it possible that _____ lead to _____?
 Can you _____ the _____ injector _____ cause the _____ light to _____?
 _____ lamps can _____ by fuel injectors, can _____?
 Is _____ possible _____ inject'rs _____ cause those _____ lights _____ flash?
 _____ of MIL lights happen _____ the injectors _____?
 _____ the fuel _____ cause the _____ lights to _____ on?
 Is _____ issues _____ to _____ mil _____?
 Should malfunctioning _____ lead _____ activated _____?
 MIL lights may _____ injector _____.
 _____ injector troubles _____ cause _____.
 Can _____ issues _____ MILs?
 The _____ light _____ be activated _____ faulty _____ injection.
 _____ is _____ possibility _____ a _____ lead to _____ illuminated MIL.
 _____ know if fuel _____ cause mil _____ to _____ on?
