

[Demo] NLP Dataset for Customer Service Automation

Company Type	Home Security and Alarm Companies
Inquiry Category	Requesting service or repairs
Inquiry Sub-Category	Power failures
Description	Customers experiencing power outages seek guidance on how to maintain the functionality of their alarm systems during such situations.
Data Size	6,624 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Home Security and Alarm Company" customer inquiry. (Purchased data will not be masked.)

_____ I ensure my _____ system _____ during a _____ outage?
 Is _____ still _____ if _____ a _____ blip?
 _____ to learn _____ keep _____ alarm operational without _____.
 Is it _____ for _____ running even _____ power goes _____?
 How _____ maintain the _____ system during _____?
 _____ I make _____ works when the _____ is out?
 How can _____ assure reliable _____ when mains _____ is _____?
 _____ I _____ system _____ operating during a power outage?
 _____ without power.
 If _____ power goes out can _____ on _____?
 Is my _____ power outage?
 When _____ is disrupted, how _____ service _____ my alarm?
 Will my _____ work _____ my power _____?
 _____ the _____ to work _____ failures?
 Do _____ maintain a _____ alarm when the _____?
 Is it _____ the alarm to _____ the power _____?
 _____ during a power outage?
 In _____ event _____ a power failure, _____ should I _____ my _____?
 _____ to _____ alarm system _____ loss.
 _____ power cuts, keep _____ running?
 _____ you maintain _____ functioning alarm when the _____?
 I need help _____ keeping _____ running _____.
 _____ don't know _____ to _____ reliable service from my _____ when _____ is _____.
 There _____ alert system work _____ a power cut.
 How _____ make _____ alarm system _____ operational _____ a power _____?
 Will _____ be _____ keep _____ during the outage?
 _____ be done to _____ alarm system _____ power _____?
 _____ the mains supply is interrupted, _____ do _____ guarantee _____?
 Could _____ be possible _____ ensure continuous _____ power _____?

Is _____ have _____ alarms _____ case of _____ failures?

Is it _____ to keep _____ system _____ during a _____?

Is my _____ continuing _____ power _____?

Will _____ alarm _____ going if _____ power failure?

_____ my _____ system _____ during _____ power _____?

Could _____ tell _____ keep my _____ without power?

_____ there any way to sustain _____ there are _____?

When _____ power _____ the alarm be _____?

_____ working if the power goes _____?

If _____ power _____ my alarm _____?

_____ do to maintain _____ alarm's _____ an out _____ service?

Will _____ alert _____ able to keep _____?

_____ my alarm _____ during a _____?

_____ to know tips on keeping _____ alarm running _____.

Is _____ alarm _____ to _____ during _____ power out?

Maintaining operational _____ no _____?

_____ alarm _____ if there is a _____ failure.

The _____ is _____ my _____ work?

_____ you _____ alarm _____ without power?

Is my alarm _____ a _____?

_____ keep the _____ system running _____ no _____?

_____ it possible to _____ reliable _____ from _____ when _____ supply is _____?

_____ can _____ alarm system be maintained _____?

_____ the alert system still _____ after _____?

Will my _____ the _____ goes out?

Is _____ a _____ to safeguard against powerless _____ alarm _____?

If _____ electricity _____ out, how _____ my home security _____?

_____ failure, will my alarm _____?

_____ a way _____ my alert system _____ offline?

Make the _____ power _____ off?

Is _____ keep _____ when power is out?

_____ keep working after _____ goes off?

During _____ the alarm system _____.

_____ power _____ out will _____ alarm _____ going?

_____ it _____ to _____ on without power?

_____ do you keep the _____ without _____?

_____ alarm work _____ the power?

How do _____ keep my alarm _____ when _____?

_____ the alarm _____ the event of a _____?

_____ alarm system work _____ an _____?

If _____ goes off, keep _____.

_____ alarms be _____ without _____ supply?

_____ my alarm system work _____ there _____ a _____?

During _____ keep _____ alarm _____ operational.

Is _____ possible _____ my _____ security to _____ there's _____ electricity?

Is it possible _____ safety sound-off _____?

_____ safety sound-off continue _____ outage _____?

Can my _____ when _____ electricity?

_____ can _____ without power?

Ways to _____ alert _____ in _____.

Is ____ alert system working ____ ____ ____ ____?

When ____ is interrupted, ____ do ____ I ____ reliable ____ from my alarm?

Can ____ be relied on ____ of ____ failure?

____ do I do ____ maintain ____ an outage?

____ power failures ____ will ____?

____ the alarm ____ on if ____?

When power goes off, ____ you ____?

Will my ____ working after ____?

Is ____ still working even ____ there's ____ power ____?

____ can ____ the alarm ____ without ____?

____ my alarm ____ capable ____ working ____ blackout?

____ possible ____ an operational ____ despite the outage?

Can ____ alarm system ____ there ____ a ____ failure?

____ is ____ do I ____ sure my alarm works?

____ an alarm ____ during a ____?

Will my alarm stop ____ the ____?

____ not ____ my alarm ____ during ____ power outage.

How ____ I ____ sure the ____ is ____ power outage?

Does the ____ stay ____ power is out?

____ can the ____ keep functioning?

____ possible ____ the alarm functions ____ power?

____ can be ____ to maintain the ____ power?

____ my alarm ____ a power ____?

____ I make sure ____ system ____ during ____ power ____?

____ to ____ alert ____ when there are power failures.

Is my alert ____ there is ____?

How ____ my alarm ____ when the ____ is out?

How can you tell ____ how ____ alarm operational ____?

____ do ____ to ____ to maintain ____ alarm's operation ____ outage?

When the ____ do you keep ____ alarm ____?

Can my ____ system ____ used during ____?

____ alarm system ____ during a ____?

____ my alarm ____ there is ____ power ____?

If ____ is ____ blackout, ____ still functional?

Can the alarm be ____?

____ is ____ do you ____ the functioning alarm?

Is ____ for ____ alarm to stay ____ when ____ is ____?

____ no electricity, ____ can my security ____?

Will ____ alarms ____ in ____?

____ sustaining a functional alarm without ____.

How ____ keep the ____ operational ____?

____ there a ____ to prevent powerless ____ affecting the ____?

____ there ____ to maintain ____ alert system ____ it ____ down?

When ____ out ____ possible ____ the alarm to stay ____?

____ are things ____ to maintain ____ alarm's ____ during an outage.

____ the alert ____ still ____ power outage?

If ____ goes ____ the ____ going?

____ do ____ ensure ____ work without ____?

If ____ a ____ my ____ still ____?

____ my alert ____ when ____ is ____ electricity?

____ my ____ stops working if ____ power ____ ____?
 How can ____ make ____ my alarm ____ ____ a ____ disruption?
 ____ ____ alarm ____ when the ____ goes out?
 ____ do ____ do to ____ work ____ electricity?
 Can ____ during a ____ outage?
 Can you ____ alarm functioning without electricity?
 ____ if my ____ system will work during ____ failure.
 Will my ____ the ____ Outage?
 ____ my alarm going ____ the power ____ out?
 What ____ the ____ ways to ____ alarms work ____?
 ____ the alert ____ stay ____ during a ____?
 Will ____ alarm work ____?
 ____ my ____ work during ____ failure?
 In case ____ can ____ rely on ____ alarm?
 Without a power ____ alarms ____?
 ____ do I ____ my alarm ____ the ____ out?
 Can the ____ stay running ____ power ____?
 When the mains ____ is interrupted, ____ I ____ about ____?
 ____ a ____ I rely ____ the alarm?
 Is ____ alert ____ to work ____ no ____?
 ____ keep the ____ alarm ____ the power out?
 During ____ power ____ system work?
 I ____ need ____ solutions to ____ my ____ the ____ cuts.
 ____ my ____ still ____ if ____ is a ____?
 ____ my alarm ____ the power ____?
 ____ the ____ goes ____ can ____ alarm ____?
 ____ power ____ is it possible ____ alarms?
 Will ____ without power?
 ____ there ____ way to ____ work ____ electricity?
 ____ power goes ____ the ____ working?
 How ____ the alarm ____ power?
 ____ do ____ the alarm ____ power losses?
 ____ is out, should ____ working?
 ____ alarm ____ still work ____ a ____ failure?
 ____ off, should the ____ be ____?
 Is ____ possible to ____ in a power ____?
 Is ____ to keep ____ alarm ____ if the ____ goes ____?
 ____ are ____ tips ____ alarms ____ without electricity?
 ____ there any ____ sustain ____ amid power cuts?
 In ____ can I ____ on the alarm?
 ____ my ____ system be used when ____ no ____?
 What about the ____?
 Can my ____ during ____ failure?
 If ____ no ____ how ____ my home ____ stay on?
 ____ maintain my ____ in an out ____ service?
 ____ alarm keep ____ going if power ____?
 How about ____ alarm ____ the power ____ off?
 Should ____ the ____ goes off?
 During ____ alarm system work?
 ____ my ____ work ____ power failure?

How to _____ alarms without _____?

I'm _____ alarm system will _____ a power _____.

Should the _____ the _____ is out?

_____ the alert _____ work in _____ power _____?

_____ my alarm _____ when _____ off?

_____ without power?

_____ when there is _____ failure?

During _____ will my _____ work?

During a _____ can _____ system _____?

Can I make sure _____ the _____?

_____ I _____ my _____ when _____ power goes out?

_____ alarm _____ after a _____ failure?

_____ it _____ to make _____ alarm work _____?

Maintaining _____ without _____?

How _____ make sure my _____ is working _____ supply _____ out?

_____ I make _____ the _____ functions without _____?

_____ there any _____ to sustain _____ when the _____ is _____?

Would _____ be possible to ensure _____ during _____?

How _____ make _____ my alarm is working when _____?

Is _____ possible _____ sound-off _____ the Outages?

Is _____ alarm functioning _____ power failure?

Is _____ a _____ to _____ powerless periods _____ affect _____ setup.

_____ maintain my alarm's _____ in an out _____?

Make _____ when _____ power goes _____.

Is my _____ working when _____ cut?

Is my alarm _____ if _____ a _____?

_____ it _____ to _____ sound-off through outage _____?

_____ do you _____ the alarm system _____?

_____ the alert _____ running even _____ there is _____?

Will my _____ even _____ power _____?

_____ power _____ out, can _____ still use _____ alarm?

_____ there _____ that ensures _____ work _____?

Can _____ alarm work _____ outage?

_____ to _____ an alarm _____ power?

How can _____ my alarm system _____ during a _____?

Is _____ going to continue _____ goes out?

How _____ alarm work _____ power?

Any _____ on keeping _____ operational alarm _____?

Can _____ still _____ when _____ power goes _____?

How _____ maintain the _____ system _____ a _____ loss?

Can you _____ how to keep _____ electricity?

_____ do _____ keep _____ home _____ if there is no _____?

_____ my alarm _____ the _____ goes off?

_____ ways to _____ sure _____ during power outs.

_____ can I _____ sure _____ during a power failure?

Does _____ system _____ running during _____ failure?

Will _____ alarm _____ be _____ during _____ loss?

Can I _____ the power goes out?

_____ the alarm _____ functional?

_____ my _____ is a power loss?

_____ work during a _____ interruption?
_____ power loss, _____ my _____ system _____?
_____ do I make _____ goes _____ when _____ power _____ out?
Do _____ have _____ advice _____ an operational _____ despite _____?
_____ way to _____ my _____ amid power cuts?
_____ case of a power failure, _____ rely _____ the _____?
_____ ways _____ protect the alarm _____ from _____ periods.
Do _____ alarm going when the _____ off?
_____ alarm stay _____ the _____ goes off?

How can _____ my alarm _____ when the _____ out?
_____ possible to keep the security _____ during _____ failure?
_____ way _____ the alarm working _____ the _____ goes out?
Can my _____ still function during _____?
_____ when _____ power is out?
Will _____ alarm _____ power goes _____?
_____ an operational alarm even though there _____ outages?
There are _____ make _____ work during power _____.
_____ can I _____ alarm system _____ power failures?
_____ there a _____ against _____ periods impacting the _____ setup?
_____ alarm _____ to stay on if _____ out?
When the _____ goes _____ can _____ alarm be _____?
How _____ I _____ sure _____ system _____ during a power _____?
_____ system work in a power failure.
_____ maintain alarm system _____ the power _____?
_____ operational alarms without _____?
There _____ for _____ the alarm going _____ there _____ no _____.
_____ it possible _____ keep the alarm going _____ the _____?
Will _____ during a _____ outage?
During a power _____ system _____.
There are tips _____ the _____ without electricity.
How _____ I make sure _____ during _____ power outage?
_____ keep going if the _____ off?
Is my alarm _____ operational _____ power _____?
_____ to maintain alarm system _____?
_____ to keep _____ without power.
_____ goes out, can the _____?
Does _____ stay functioning _____ electricity?
_____ to _____ alarm _____ during power _____?
_____ the _____ system functioning during a _____ loss?
Is _____ functional in _____ event _____ a _____ failure?
_____ power _____ the _____ alarm running?
_____ possible for the _____ to stay running _____?
Keep the _____ working _____ out.

Ways to _____ system work in _____.

Is the _____ system able _____ work _____ power _____?

Can _____ still work _____ a power _____?

_____ should _____ my _____ security on if _____ electricity?

What _____ do to _____ without power?

Can you _____ safety sound-off _____?

Can I rely _____ failure?

If _____ is _____ power loss _____ alarm system _____.

If _____ a _____ outage, is _____ functional?

_____ possible to _____ the alarm going _____ if the _____?

_____ function _____ a power outage?

Will my _____ work if _____ power _____?

If the _____ out, is _____ functioning?

Do you _____ the alarm _____ off?

When the _____ should _____ alarm _____?

Is _____ alarm stays on _____ a _____ failure?

_____ I depend on _____ if the _____?

_____ I _____ on _____ if _____ is _____ power failure?

Can _____ there is a power failure?

_____ I make sure my _____ system works _____ a _____?

Can I _____ the alarm in the _____ a _____?

_____ outage, keep the _____ alarm _____?

_____ do to make _____ work _____ electricity?

Is _____ still _____ in _____ of a power _____?

_____ the _____ system operational _____ power?

When _____ failures occur _____?

Does _____ system _____ during a _____?

_____ the _____ system work after _____?

During _____ can my alarm _____?

Is _____ a way to keep _____ cuts _____?

I need _____ alarm _____ work during _____.

How to keep _____ electricity?

There are ways _____ make _____ work _____ there _____ failures.

How do _____ alarm works _____ power failures?

_____ can _____ run without power?

_____ still _____ if there's a power _____?

_____ it possible to make _____ alarm goes _____ a _____?

_____ while the power is _____?

How _____ I _____ sure _____ when there is _____ electricity?

Do _____ have any tips on _____ without _____?

_____ it _____ service from my alarm when _____ is interrupted?

_____ my alarm _____ a _____ cut?

_____ alarm work _____ failures?

I want _____ make sure my _____ works _____ off.

Is _____ for the _____ stay running if _____ goes _____?

_____ there a _____ the alarm _____ against powerless _____.

During a power _____ active.

_____ can _____ sure my alarm _____ still works _____ outage?

How can I _____ sure _____ after _____ power goes _____?

In _____ of _____ failure, _____ rely upon the _____?

Is _____ system good _____ is _____ electricity?

How _____ sure _____ alarm _____ when the power _____ off?

How _____ during _____ period?

_____ do _____ suggest to _____ alarms _____ electricity?

_____ my alert system _____ work _____?

_____ way _____ keep my alert during _____ cuts?

_____ can alert _____ in _____ failures?

During _____ failures, _____ works?

_____ goes _____ able to _____ the alarm working?

_____ the alarm _____ keep _____ power goes out.

_____ alarm when the power _____?

_____ want _____ working without electricity.

_____ it _____ to stay _____ in a power failure?

_____ in the event of a power _____?

In _____ power failure _____ rely _____ the alarm?

_____ alarm work _____ a _____ break?

_____ there _____ way _____ alert system during _____ failures?

How can _____ survive a _____?

_____ can _____ maintain _____ operation when _____ out?

_____ power goes _____ will _____ alarm _____?

_____ a _____ my alarm system _____?

_____ alarm _____ working _____ a powerout?

When the _____ how should _____ alarm _____?

_____ the alert system remain _____ failure?

Is _____ to _____ the alarm _____ power _____ out?

_____ you _____ alarm working after power _____?
