

[Demo] NLP Dataset for Customer Service Automation

Company Type	Electricity Suppliers
Inquiry Category	Meter tampering or unauthorized usage reporting
Inquiry Sub-Category	Suspected unauthorized usage by others
Description	Customers suspect that someone else may be illegally using electricity from their account and request an investigation to determine the cause of unusual consumption patterns.
Data Size	11,516 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Electricity Supplier" customer inquiry. (Purchased data will not be masked.)

Is it possible that ____ external ____ using electricity ____ authorization, ____ ____ ____?

There ____ a ____ the ____ of ____ energy ____ increased invoices.

Is ____ for foreign ____ to use power ____?

Is ____ that ____ electricity resources and driving costs ____?

____ an ____ electricity here?

____ wonder if ____ with ____ electric supply ____ lead to ____.

It's ____ undisclosed usage ____ resulted ____ higher invoices.

____ it likely that ____ source ____ into ____ supplies ____ authorization?

Do ____ folks are draining power behind my ____?

My ____ be ____ because someone ____ my power.

____ there any ____ of an ____ user ____ electricity?

spikes ____ costs may ____ to unknown ____ tapping into ____ supply ____

____ possible that an ____ is using electricity ____ leads ____?

Is the misuse of ____ of ____?

There could ____ an ____ of electrical energy resulting ____ higher ____.

Someone outside my ____ be ____ illegally, ____ bills.

Is there a ____ another ____?

____ be caused ____ unknown ____ drawing on ____ openly?

Is someone ____ the ____ to ____?

____ may be an unseen ____ usage ____ more ____.

____ electricity usage being ____?

Is it possible that ____ use ____ cause ____?

____ someone ____ uses electricity illegally ____ the billing ____?

Is it possible that ____ access ____ and drive ____?

____ using electricity ____ and ____ the ____?

Did someone ____ into my ____ and ____ bills ____ up?

____ outside our premises may ____ electricity ____.

Maybe unauthorized ____ use will ____ be spent ____ our ____.

____ it possible ____ unauthorized ____ could ____ money ____ on the bill?

____ it ____ someone can misuse ____ and ____ costs?
 ____ by others inflating the ____?
 Increased ____ be due ____ usage.
 We ____ have ____ on ____ because of ____ energy use.
 ____ being used by outsiders affect ____?
 Is ____ outside group ____ resources ____ more charges?
 ____ electrical usage being ____?
 Is there ____ where ____ parties could ____ tap into ____?
 ____ it possible that there ____ unauthorized ____ of ____ an ____?
 Is ____ or group ____ resources that lead to charges?
 ____ making ____ burn more ____ by ____ my electricity?
 Is ____ possible ____ a ____ party to use ____ causing ____?
 ____ it ____ that someone is using ____ in ____ way ____ leads ____?
 It may be possible ____ another person ____ use ____ the ____.
 Is power secretly ____ outsider ____ bills ____?
 ____ snatching power ____ and ____ the ____?
 ____ power in ways that ____ lead ____ inflated ____.
 Is ____ any ____ that another ____ misappropriates ____ utility charges?
 ____ that an external party could be consuming power ____?
 What if ____ party exploited ____?
 ____ it possible ____ foreign entities to ____ in ____ usage that ____?
 Is ____ an external ____ could use electricity ____ go up?
 Maybe ____ entity ____ elec-u-tricity grids.
 Is it possible ____ person ____ stealing ____ resources?
 Is ____ that foreign entities are ____ undisclosed ____ increases ____?
 Is ____ possible ____ someone ____ electricity ____ the billing amount?
 ____ someone ____ into ____ electricity?
 Is it ____ that an outside ____ hijack ____ and ____?
 Increased charges ____ be ____ unauthorized ____.
 An unauthorized ____ take advantage of electricity ____.
 ____ possible ____ an outsider ____ power ____ and stack ____ my bills?
 Who ____ and ____ up charges?
 ____ possible that ____ elec use ____ cranking ____.
 I am wondering if ____ is ____ power ____ bills.
 Do ____ about the ____ of ____ being used for higher invoices?
 Is ____ an outsider ____ using ____ make bills higher?
 Are ____ telling me that some ____ sneaking electricity ____ my ____ my ____?
 Is unauthorized access ____ electricity ____ possibly ____ bill?
 Is it ____ electricity and ____ impact on utility charges?
 Is ____ power ____ causing ____ bills to ____?
 ____ it ____ that someone ____ may ____ electricity and grow ____?
 ____ a ____ of unauthorized ____ with my electric ____ causing ____?
 ____ be unauthorized ____ tapping into ____.
 Is ____ sneaked ____ an undesirable ____?
 ____ it ____ that an external ____ is using power illegally ____?
 Maybe ____ use will ____ more money on ____.
 I ____ if there ____ a chance ____ unauthorized ____ costing ____ money.
 ____ there ____ another entity misappropriates ____?
 Is it ____ someone to ____ to lead to ____?
 Can foreign entities engage ____ increases their ____?

Are you _____ me _____ outsider _____ suckling _____ and _____ my bills?
Does it happen _____ is being tapped into _____?
_____ reckon _____ outside party _____ off electricity is going _____ cause _____?
_____ chance someone outside could be using _____ and _____?
There _____ with _____ use _____ energy resulting in increased invoices.
_____ higher bills _____ a third party illegally _____?
_____ external sources tap _____ our electrical service and _____ inflated _____?
Is _____ unauthorized _____ use could lead _____ money in our _____?
_____ it likely _____ unknown party is tapping into our _____?
An unauthorized _____ could _____ usage.
_____ someone _____ and _____ up expenses?
_____ electric consumption contributing _____ the _____ fees?
I wonder _____ there _____ instances when the _____ current by _____ entity _____ problems.
Will there be increased _____ people draw _____?
_____ instance _____ another entity misappropriates electricity and affects _____?
_____ bills _____ go up if an unknown _____ tapping _____ the supply.
Is there _____ where _____ entity _____ electricity or _____ utility _____?
There could _____ situation _____ another _____ misappropriates _____ and impacts utility _____.
_____ possible _____ an outside individual or _____ are _____ electrical _____ lead _____ charges?
_____ it _____ that an unknown entity can access _____?
Is _____ to have increased _____?
Is _____ unauthorized persons might misappropriating electrical _____?
_____ a slim _____ someone _____ take electrical power _____ the _____.
Is a _____ stealing _____ to _____?
Is _____ a chance _____ third parties _____ tap into power sources _____?
Is _____ possible _____ else may have _____ without _____?
Can _____ an _____ uses electricity without paying?
Is electricity _____ an _____ person?
_____ a _____ unauthorized persons misappropriating electrical current _____?
_____ outside my premises _____ using _____ illegally, which _____ bills.
Are you telling _____ that someone _____ and _____?
_____ spiking _____ someone tapped _____ power?
_____ possible that _____ energy _____ without being aware?
Is _____ to drive up _____?
Is it _____ that _____ folks _____ power _____ back?
Is it unlikely that _____ interference is _____?
_____ it possible for an outsider to _____ a charge?
Increased charges _____ an _____ individual or _____ consumes _____ illegally.
_____ are instances _____ which _____ by an unexpected entity leads to _____.
_____ power _____ by _____ entities _____ costs?
Is it _____ external _____ to _____ service _____ cause inflated charges?
I _____ if someone _____ using _____ inflated bills.
_____ is _____ possibility that third parties could fraudulently _____ into _____ and _____.
Is there an _____ the _____?
Could electric supply _____ outside _____ affect invoice amounts?
Is there _____ an unauthorized user costing _____ electricity account?
Can an _____ use power _____?
_____ think that some _____ pilfering _____ makes _____ bills _____?
Is it possible _____ an _____ supplies illegally?
_____ access to _____ by _____ be inflating the bill.

Is it ____ that ____ could ____ unknown ____ drawing on energy ____?

Can ____ third party use ____ and ____ bills?

____ entities be engaging ____ power ____ increases costs?

Is ____ likely to ____ up ____ an ____ party is ____ into ____ supply?

Are ____ outsider's pilfering ____ makes ____ bills explode?

Is ____ electricity ____ costs?

Will ____ drawing ____ openly ____ billing?

____ possible ____ some external ____ tap ____ to cause inflated charges?

Someone ____ tapped into my ____ caused my ____ increase.

____ unauthorized ____ of electrical ____ could yield ____ invoices?

____ it ____ the ____ are going up because ____ external ____?

Is ____ possible for someone ____ raise costs?

Is ____ else uses ____ and increases the ____?

Is ____ making ____ burn ____ money ____ electricity theft?

____ that someone is ____ energy ____ without being ____?

Is it ____ individual ____ use ____ paying the ____ charges?

____ foreign ____ are engaging in hidden power ____ that increases ____?

____ for someone to misuse ____ undetected ____ costs.

____ it ____ can use power to inflate ____?

____ could be ____ my ____ my bills ____ up.

Is ____ another person to ____ electricity ____ dishonest way?

Can higher bills ____ a third ____ using ____?

____ when ____ consumption of current ____ an unexpected ____ to billing problems?

____ that ____ my premises could be using ____ dishonestly?

____ it ____ else uses ____ and ____ the bill?

____ someone use ____ cause ____ to increase?

Is ____ an unexpected ____ current and cause billing ____?

Is ____ that an ____ third ____ could ____ electricity use?

____ possible that unauthorized ____ electrical energy ____ higher invoices?

____ that outsider's pilfering ____ our ____ go up?

____ a ____ third parties could fraudulently tap into power ____ and ____?

Can ____ power ____ not theirs?

____ rates may ____ to unauthorized taps.

I wonder if someone ____ my ____ and ____ to ____.

____ of electrical energy ____ lead to higher invoices?

____ that an ____ party is using ____ without ____ and ____ bills?

____ inappropriate electric consumption?

Is ____ for ____ misuse power, leading to ____?

____ there ____ that ____ my ____ is using ____ to ____ inflated bills?

Did someone get into ____ bills to ____?

Is ____ possible that ____ group or ____ consumes ____ lead ____ increased charges?

Is ____ possible ____ electricity ____ an external ____ to cause inflated billing ____?

____ a chance that an ____ using ____ illegally ____ their ____ high.

spikes in billing ____ be due to ____ the ____ supply ____

____ we suspect ____ persons ____ current?

Is ____ for someone to ____ undetected ____ raised ____?

Is it ____ sources mistakenly tap ____ our electrical ____ inflated charges?

____ it be possible ____ use electricity without paying ____ correct amount ____?

____ possible ____ person ____ use electricity without ____ it off?

Is it ____ that a external ____ inflating ____ by ____ tapping ____?

____ you ____ me ____ someone is ____ electricity and hiking ____ ____?
 ____ billing ____ when unknown ____ draw ____ openly?
 ____ you ____ some ____ is stealing ____ making our bills ____ up?
 Are you ____ that ____ outsider ____ pilfering ____ us more?
 Do ____ if ____ persons are ____ electrical ____?
 ____ someone ____ use power ____?
 ____ users may be able ____ rack ____ on ____ electricity ____.
 ____ an unauthorized ____ here?
 ____ that someone ____ pilfering energy and making our ____ up?
 ____ the ____ inflated by ____ to electricity?
 ____ it possible ____ consumption of current by ____ unexpected entity ____ ____ ____?
 Did ____ my power to ____ to ____ up?
 Are ____ bills ____ external interference?
 I wonder ____ someone ____ power ____ caused my ____ to ____.
 Is ____ possibility ____ another entity misappropriates ____ causes ____ charges?
 The bill ____ be ____ by ____ to electricity ____ other ____.
 ____ it possible that ____ utilization of energy ____ another ____ in ____?
 ____ possible that an ____ entity can ____ and ____ up?
 Is ____ possible ____ external ____ is ____ power ____ and inflating ____?
 ____ an ____ hijackingElectricity ____?
 ____ rates ____ of illegal access ____ others over the ____?
 Someone ____ premises ____ electricity ____ which could cause ____ bills.
 Is ____ a ____ of ____ tapping ____ power sources resulting ____ higher ____?
 ____ chance that someone ____ power ____ increases the ____?
 Is ____ chance ____ will rack ____ on ____ electricity account?
 Is ____ possible ____ to misuse energy undetected ____ still ____?
 ____ increasing ____ charges by ____ power?
 ____ is a ____ that an ____ is ____ without authorization.
 Is ____ electricity ____ us ____?
 ____ that ____ is not authorized ____ raising ____ bills undetected?
 ____ that an external ____ is using electricity ____ authorization and ____ increased ____?
 ____ unauthorized ____ of ____ current ____ invoices?
 ____ might be stealing power, ____ my ____ to ____.
 Is ____ possible that ____ could misappropriate electricity ____ utility ____?
 Is ____ that someone could ____ utility charges?
 ____ entity may have ____ elec-u-tricity ____.
 ____ wonder if unauthorized ____ with ____ will result ____ invoices.
 ____ power usage that ____ their costs?
 Is it possible ____ individual ____ electricity ____ resulting in ____ the bill?
 Is there a ____ outside ____ using ____ illegally?
 ____ it possible ____ of electric ____ lead to ____ invoices?
 ____ that third ____ could ____ tap into power ____ to ____ a ____ bill?
 ____ about ____ outside ____ electricity ____ money to drain here?
 Are ____ telling me that ____ electricity and ____ up ____ bills?
 Is ____ probable that ____ tapping ____ supply ____ causing our bills to go up?
 ____ an outsider ____ hijacking electricity ____?
 The ____ rise in charges raises ____ plugged ____?
 ____ possible ____ usage ____ electrical energy ____ in increased invoices.
 Was it ____ for someone ____ electricity ____?
 ____ it ____ that electricity ____ an ____ could lead ____ inflated ____ amounts?

_____ is _____ chance that _____ parties might _____ into power _____.

Is someone else _____ that _____?

_____ about unauthorized _____ of electrical _____ higher invoices?

_____ possible _____ an unknown _____ illegally _____ the electric supply, _____ our bills _____ go _____.

Is _____ tapping into _____ drive up costs?

Can _____ party's use of _____ bills?

_____ there _____ increased _____ access _____ others over the grid's supply?

_____ wonder if _____ power, causing _____ bills to go _____.

Is _____ that a third _____ is _____ higher bills?

_____ for foreign _____ to use _____ that increases costs?

There is a _____ could _____ and raise the _____.

Someone _____ may be _____ permission.

Is there _____ into _____ permission?

There _____ that another _____ may misappropriate _____ and _____ utility _____.

_____ may _____ power _____ raise _____ fees.

_____ could be _____ where another entity _____ electricity _____ charges.

_____ there _____ chance _____ an unauthorized _____ charged my _____ account?

Surges _____ billing _____ unknown people tapping into electric supply _____.

_____ could be consuming power in _____ causes inflated _____.

_____ possible _____ usage of electrical energy _____ a higher _____.

Did someone sneak _____ power and _____ bills _____?

Are you telling me _____ some _____ electric bills?

_____ it possible _____ an _____ party _____ tapping _____ our electric supply, _____ go up?

Is it possible that _____ external party is _____ bills?

_____ a situation where _____ misappropriates electricity _____ charges?

Is _____ that _____ is taking electric juice _____ permission _____ causing _____?

Could an outsider be stealing _____ and _____?

_____ that _____ could steal _____ without asking _____ a charge?

Is it possible _____ resources in secret?

Third _____ may be _____ into _____ sources _____ cause higher billing _____.

_____ it _____ that someone _____ uses electricity _____ the _____?

Is _____ case where _____ consumption _____ current by an unexpected _____ billing _____?

Is it _____ outside _____ and cause extra charges?

Are _____ me that someone is _____ and _____ my _____?

Can someone _____ be _____ permission?

Is it _____ that _____ is stealing electricity resources _____?

Is _____ any chance that _____ entity _____ misappropriate _____ impact _____?

Is it _____ for _____ parties _____ into _____ sources resulting _____ higher bill _____?

Escalated _____ may be _____ result _____ of _____ energy.

Are _____ our _____ will _____ up because _____ some _____ pilfering _____?

_____ of _____ energy resulted in escalated invoices.

Do you consider the _____ and unauthorized use _____ electrical energy _____?

Someone can _____ without _____.

_____ there _____ suspicion that _____ persons _____ misappropriating electrical _____?

Is _____ someone else uses electricity _____ has _____ bigger _____?

_____ an unauthorized third _____ could _____ electricity.

There _____ a chance of _____ of _____ account.

Higher _____ be _____ of energy by another source.

_____ it possible that external interference _____ making _____?

Who _____ grabbing _____ hiking _____ charges?

Are _____ unauthorized _____ draining power behind _____ back _____ not?

There's a _____ someone _____ power and raises _____.

I'm not _____ if _____ tampering _____ supply will _____ to bloated _____.

_____ it _____ for _____ unauthorized _____ party to _____ electricity?

_____ it _____ sources _____ our electrical service _____ cause inflated charges?

_____ unauthorized electricity use likely _____ more _____?

_____ someone making me burn _____ of _____ by _____ electricity?

Electricity usage could _____ an _____.

Are _____ our bills go _____ because _____ energy?

_____ it possible for someone _____ power _____ cause _____.

_____ unauthorized tampering _____ supply leading _____ bloated invoices?

_____ wonder _____ unauthorized usage _____ from _____ source _____ to inflated _____ amounts.

_____ we _____ that unauthorized persons _____ electrical _____ excessively?

_____ it possible _____ an entity misappropriates _____ charges?

_____ unauthorized access _____ by _____ inflating the _____?

_____ may be _____ unwanted person.

There is _____ of unauthorized _____ use _____ the bill.

Does _____ to electricity _____ people inflating _____ bill?

_____ could _____ and _____ the fees.

Is someone _____ bill _____ unauthorized _____ electricity?

Is _____ a chance that an _____ charge _____ electricity _____?

_____ be unsanctioned _____ of energy resulting _____ higher _____.

_____ for _____ consumption _____ current by an unexpected _____ to _____ issues?

The rise _____ raises _____ question _____ outsiders _____.

Is _____ possible _____ a _____ an unexpected entity will cause _____?

Can _____ of our building _____ higher _____ electricity?

Is _____ possible that an _____ is _____ without _____ increased bills?

_____ usage _____ electric current can _____ inflated _____.

_____ may be caused by _____ people tapping _____ the _____ supply _____.

_____ it _____ that an outside _____ using _____ and inflating _____?

_____ that an _____ entity can _____ electricity that leads _____?

Maybe there _____ where _____ entity misappropriates _____ impacts utility _____.

_____ possible that an outside _____ electrical resources _____ lead to _____?

Is _____ possible someone _____ using _____ inflate their _____?

Is it possible _____ interference _____ pushing _____ bills?

_____ access to _____ may inflate _____ bill.

Can it _____ that an external _____ without _____?

The inflated invoices _____ by _____ by an external _____.

_____ that _____ with my electric _____ might cause _____ invoices?

_____ likely that unauthorized _____ misappropriating electrical _____?

An _____ third party _____ use.

_____ that third parties _____ tap into power _____ resulting in _____ bills.

_____ someone using electricity outside _____ premises _____ bills?

There _____ be an _____ use _____ electrical _____ resulting in _____ invoices.

Can foreign _____ use _____ in secret that _____ to _____?

_____ power _____ increasing _____ charges?

It's possible _____ entity is accessing _____.

_____ it possible _____ another _____ using _____ to drive up _____?

Is it _____ for _____ use _____ paying the _____ amount _____ their bill?

Do _____ suspect unauthorized persons _____?

_____ is a chance that _____ actor _____ using power _____ high.
 _____ is stealing my power, _____ bills to rise.
 _____ using unauthorized _____ up costs?
 _____ is _____ chance that someone _____ take _____ and _____ fees.
 Is it _____ an external _____ is _____ and _____ invoices?
 _____ it _____ someone is _____ power _____ causing _____ bills to _____?
 Someone _____ be _____ cause _____ bills.
 _____ foreigners _____ in _____ that increases costs?
 It is being _____ unauthorized people _____ behind _____ back.
 _____ access _____ electricity possibly _____ the _____?
 _____ if someone tapped into _____ power, causing _____ bills to _____.
 _____ it _____ external party is using _____ without authorization, _____ increased bills?
 _____ chance _____ electrical power and _____ fees?
 _____ there _____ third party _____ electricity?
 _____ is possible _____ of electrical energy _____ in _____ raised.
 Unauthorized people _____ excessively.
 Is it _____ that unknown _____ on _____ openly _____ cause increased _____?
 _____ increased billing likely _____ arise _____ unknown _____ drawing _____ energy _____?
 Is _____ that an external party is _____ inflating _____?
 Someone _____ might _____ without _____.
 _____ worried about unauthorized use _____ electrical _____ higher _____?
 Is _____ conceivable that an external _____ electricity and _____?
 _____ me that _____ are hiking up my _____?
 Is _____ usage of electricity _____?
 _____ someone _____ using power _____ inflate _____?
 Can foreign _____ use _____ that increases their _____?
 Who _____ power and _____ its _____?
 Could _____ unauthorized usage of _____ from an external _____?
 Our bills _____ an unknown party _____ into _____ electric supply.
 Is _____ possible to _____ secretly and _____ up _____?
 Is it possible _____ and ends up with more _____?
 Can someone _____ power to _____?
 Is unauthorized _____ power by others inflating _____?
 _____ my _____ could be using _____ inflated bills.
 Can unauthorized use _____ current _____ invoices?
 Someone _____ might _____ in _____ that's not legal.
 I wonder _____ my _____ is _____ causing my _____ up.
 Someone _____ electricity illegally.
 _____ that illegal external _____ elec-u-tricity grids.
 An _____ party _____ be _____ power _____ that _____ inflated invoices.
 _____ a _____ contributing _____ higher fees?
 Is _____ possible _____ a _____ tapping into _____ supply and _____ our bills _____ up?
 Is _____ possible for _____ misuse energy undetected _____ costs?
 Is _____ usage being _____ someone _____ more?
 Can the _____ current by _____ lead to _____ problems?
 Is _____ of unsanctioned use _____ energy resulting _____ higher _____?
 _____ increased rates _____ access to the _____?
 _____ someone _____ take electrical power _____ the fees?
 Could _____ supply in _____ that affect invoice _____?
 Is unauthorized electricity _____ blame _____?

_____ is _____ that _____ unauthorized _____ party could exploit _____.

Is a _____ contributing _____ escalating _____ consuming electric?

Someone might _____ paying the _____.

_____ the _____ energy by _____ lead to _____ bills?

_____ there a scenario _____ someone _____ affects _____ charges?

_____ it possible _____ someone to use _____ inflated _____?

Is it possible _____ of electrical energy _____ yield _____?

Maybe someone is _____ my _____ will go _____.

It _____ that _____ has _____ sneaked _____ an unwanted person.

_____ it possible that an _____ uses _____ violation of the _____ to higher _____?

_____ be _____ power _____ a _____ leads to inflated bills.

_____ unauthorized usage _____ an _____ source _____ to inflated billing amounts.

Is _____ premises _____ higher bills by _____ electricity?

_____ it _____ unauthorized tampering _____ my electric supply _____ to bloated _____?

An illegal _____ entity _____ have _____ accessing _____.

Is it possible that _____ will _____ in increased billing?

_____ source _____ tapping into power supplies illegally?

Is _____ possible that _____ entities are _____ power _____?

Spikes _____ billing costs _____ linked to unknown _____ tapping _____ electric _____.

Someone could _____ inflate _____ bills.

_____ increased billing _____ unknown individuals drawing _____?

Is it possible for _____ electric _____ to _____ invoices?

Is it possible that _____ is boosting _____?

Is _____ possible for another person _____ use electricity _____?

Is it possible that an _____ misuses electricity, _____?

It's possible _____ an _____ consuming _____ and inflating invoices.

_____ power _____ ramping up charges?

Is _____ tampering with my electric supply causing _____?

There's _____ slim _____ takes electrical _____ raises fees.

Can it be seen that _____ electricity in _____ leads _____ charges?

It is _____ takes electrical power _____ fees.

_____ usage _____ by _____ unauthorized third party.

_____ it _____ a foreign _____ illegally _____ into power _____ and _____ costs?

_____ unauthorized access to electricity _____ people _____ inflating _____?

_____ are engaging in _____ usage that increases costs?

Is _____ an unauthorized _____ electricity from _____ external _____ that _____ inflated _____ amounts?

_____ possible that _____ hijack electricity without _____ and cause _____ extra _____?

Is it _____ that unsanctioned use _____ can result _____?

_____ secret _____ to _____ bills higher?

_____ someone takes electrical power and increases _____.

_____ it possible that _____ group consumes electrical _____ lead _____ increased charges?

_____ where another entity _____ electricity.

_____ a _____ of _____ energy _____ us more money on _____.

Is it _____ that unauthorized energy use could _____ our _____?

_____ anyone suspect unauthorized _____ misappropriating _____?

Is it _____ that _____ of _____ by an _____ to _____ billing problem?

Is _____ possible that an outside _____ costs by _____ into _____?

Is _____ possible _____ electricity _____ or causing extra charge?

There is a chance that the _____ of _____ tapping _____.

The rise _____ charges _____ question: _____ in?

____ it possible ____ a ____ could ____ electricity?
 Is it ____ that ____ tapping ____ our electric supply ____ our bills ____ go up?
 Is ____ being ____ an person?
 ____ misuse of electricity ____ an ____ source lead ____ bills?
 Is it possible ____ power to cause ____ bills?
 Is it possible ____ external ____ driving ____ prices?
 ____ it possible ____ improper ____ current could lead ____ inflated ____?
 ____ it possible that ____ can lead ____ inflated ____ amounts?
 ____ it ____ unauthorized user ____ rack up electricity ____?
 ____ could ____ unauthorized ____ with ____ electric ____ and ____ invoices.
 ____ electric ____ being ____ illegally ____ to ____ invoices?
 ____ it ____ someone ____ uses ____ making bills higher?
 ____ that unsanctioned ____ energy by another ____ lead to higher ____?
 Are you ____ that some outsider's pilfering ____ making ____?
 ____ chance someone could ____ power ____ raise ____ fees?
 ____ entity ____ electricity and drive up expenses?
 ____ possible that ____ of current by an unexpected ____ can ____?
 Is ____ possible ____ someone to ____ illegally and ____ bill?
 Is ____ possible that ____ used electricity ____?
 I wonder ____ could ____ electricity and cause ____ extra ____.
 ____ it ____ someone ____ electricity illegally ____ grows the bill?
 Are you ____ siphoning electricity ____ and hiking ____ bills?
 ____ you think ____ use of ____ cause higher invoices?
 Is ____ that an outside ____ could ____ electricity and ____ extra ____?
 Is it ____ outsider to use ____ raise billing ____?
 ____ be ____ of unknown people tapping into electric ____ infrastructure.
 ____ electric bills are ____ to go ____ a result ____ an ____ party ____ the ____.
 Is it ____ unauthorized ____ use ____ cause ____ money on ____?
 ____ billing ____ be ____ people tapping into electric supply infrastructure
 Can ____ of ____ cause inflated ____?
 ____ might be inflating the ____ unauthorized ____ to ____.
 Is ____ scenario where electricity is misappropriated ____ utility ____?
 ____ you telling ____ that ____ is suckling ____ and ____ my ____?
 ____ it possible for ____ electricity illegally, ____ in higher ____?
 It's ____ an unauthorized ____ party could ____.
 ____ shadowy ____ access to electricity ____ drive up ____?
 Is ____ a ____ of current ____ an ____ to ____ to bill problems?
 Someone ____ be using ____ illegally ____ increasing ____ amount.
 ____ possible that unauthorized ____ with my ____ supply ____ the ____ invoices?
 Is ____ that ____ get ____ electrical ____ and inflate charges?
 Is ____ stealing electricity ____ drive ____?
 Are unknown individuals drawing on ____ billing?
 ____ electric bills are ____ to go ____ party is tapping ____ our ____.
 Can ____ party ____ using ____ way that causes bills to ____?
 Could power ____ by ____ external party?
 ____ spikes in ____ when unknown ____ electric supply infrastructure.
 spikes ____ billing ____ may ____ connected ____ unknown people ____ into ____ supply ____
 Is ____ that ____ outside ____ could ____ over electricity without ____?
 Is unauthorized ____ causing charges ____?
 ____ bills likely ____ go up ____ of unauthorized tapping into ____?

____ it ____ increased billing ____ arise ____ drawing energy openly?
 ____ you worry about ____ of ____ or ____ energy yielding higher invoices?
 Weird ____ in ____ a question: outsiders ____?
 Is ____ someone ____ could use ____ without paying ____ bill?
 ____ in billing costs ____ possibly the ____ of unknown ____ supply ____.
 ____ else may ____ using ____ illegally and ____ bill.
 ____ be ____ external entity uses ____ without paying?
 Is ____ possible that an ____ group consumes ____ resources ____ paying ____?
 Is ____ possible for another person to ____ their ____?
 Is ____ that someone ____ bills without their ____?
 Maybe electricity ____ by ____ person.
 Will ____ increased ____ when unknown ____ draw on ____?
 ____ there ____ third party ____ electricity?
 ____ may be sneaking ____ costs.
 Can ____ entity ____ access to electricity ____ drive ____?
 Strange ____ raises ____ outsiders plugged ____?
 ____ it ____ that ____ outside ____ stealing power ____ inflating costs?
 ____ wonder ____ someone ____ into my ____ and ____ bills ____ rise.
 Is a ____ to ____ fees ____ using electric?
 Is ____ any ____ which ____ entity ____ electricity?
 ____ the ____ energy bills ____ authorized?
 ____ there ____ that ____ tampering ____ my electric supply will lead ____?
 Is it ____ to ____ power without permission ____ cause ____?
 Did someone gain access ____ bills ____ go up?
 ____ it ____ for someone ____ leading to ____ bills?
 ____ there ____ of increased billing from ____ drawing ____ energy ____?
 Is ____ supply used secretly ____ invoice amounts?
 ____ a case ____ consumption ____ an unexpected entity leads to billing ____?
 Is it possible that ____ electrical ____ that lead ____ charges?
 ____ of ____ by another ____ may ____ higher bills.
 ____ be unauthorized use ____ that ____ in ____ bills.
 Is ____ possible ____ unauthorized third ____ exploits ____ use?
 spikes ____ costs may ____ related to unknown ____ into ____ supply ____.
 Is it ____ that ____ else ____ using power without ____ bills?
 Is ____ a chance ____ outside my ____ using electricity illegally ____?
 Is it possible that ____ is ____ using ____ to make ____?
 ____ telling me ____ someone ____ sucking ____ hiking up ____ bill?
 ____ power be ____ illegally ____ bills?
 ____ telling me that some outsider is ____ hiking ____?
 ____ a ____ contributing to increased fees ____?
 Are foreign ____ in power ____ increases ____?
 Surges ____ may be ____ of unknown people ____ electric ____ infrastructure.
 Are you telling ____ that ____ electricity and ____?
 Is ____ possible ____ utilization ____ energy by ____ source results in ____?
 ____ it possible that ____ sources ____ electrical service ____ get inflated ____?
 ____ there a ____ where ____ entity misappropriates ____ and affects ____?
 You ____ unauthorized folks are draining ____ my ____?
 ____ it possible ____ an ____ source is inflating costs by ____?
 Someone else ____ cause ____ bills ____ using power ____.
 It ____ someone took ____ power and ____ fees.

_____ someone will _____ power and raise _____ fees?

_____ it plausible _____ external interference _____ increasing our _____?

Can _____ be said _____ an external entity _____ of the _____?

Maybe there _____ unauthorized _____ more money on our bill?

_____ could be causing my bills to _____.

_____ are _____ that _____ are _____ power behind my _____ and _____ invoices.

_____ it possible for _____ have power _____ hikes costs?

_____ foreign _____ engage in power usage _____ increases costs?

_____ possible that an unauthorized _____ exploiting _____ use.

Are higher bills caused _____ someone _____ power _____?

_____ external sources _____ our electrical service and cause _____ charges?

Are you _____ that _____ energy _____ our bills go _____?

Did anyone _____ electricity _____ permission?

Is it possible _____ third parties _____ into _____ cause _____ bills?

Is it _____ hijack electricity _____ asking _____ cause _____ charges?

_____ it possible for _____ power to _____ higher?

There is a possibility _____ parties _____ tap _____ power _____ cause _____.

_____ don't _____ someone outside my _____ could _____ using _____ illegally, _____ inflated _____.

Is it _____ unauthorized _____ from a different _____ inflated billing amounts?

Is _____ possible someone _____ be using power _____?

Is _____ possible _____ external electric use _____?

Is it possible _____ outside individual _____ that will increase charges?

Someone _____ electricity to drive up costs.

Is _____ for _____ person to _____ electricity _____ paying the _____?

Is _____ foreigners to engage in _____ usage _____ hikes _____?

_____ may _____ a case _____ misappropriates electricity and _____ utility _____.

Is _____ possible _____ consumption of current by _____ to problems?

_____ it possible _____ will cause us _____ pay _____ on _____ bill?

_____ is _____ power _____ charges?

_____ it _____ that someone else _____ to _____ billing amount?

_____ wondered _____ tapped _____ my power and caused _____ bills _____ go _____.

_____ could be _____ for another _____ electricity without _____ their _____.

Is _____ a foregone _____ an unknown _____ is tapping into _____ electric supply _____ go _____?

_____ because of unauthorized _____ usage.

_____ that _____ power _____ lead to inflated bills?

Is it _____ an _____ to consume _____ and cause _____?

Is power misuse _____?

Is it possible to misuse _____ and _____?

You're suggesting unauthorized _____ are _____ power _____ my _____ and _____.

Increased billing _____ come _____ energy openly.

There _____ that _____ external _____ accessed elec-u-tricity grids.

_____ it possible _____ electricity without authorization, leading to higher _____?

_____ bills _____ caused _____ else using _____ without permission.

I _____ if _____ my premises could be _____ electricity _____ inflated _____.

Does _____ happen _____ service _____ tapped _____ by _____ sources and inflated?

_____ you think outsider _____ and _____ electrical energy can _____ higher _____?

_____ it _____ unauthorized energy use might lead to _____ money _____?

Higher _____ be the result of unsanctioned _____ by _____.

_____ you suggesting _____ pilfering _____ makes _____ bills _____?

_____ electricity use _____ exploited by _____ party?

Is ____ possible for ____ misuse ____ undetected and ____ costs?
 Someone ____ to ____ up costs.
 Someone ____ be ____ my ____ bills ____ go up.
 Can someone ____ premises use electricity without permission ____?
 Is it permissible for ____ power ____ inflated ____?
 ____ my ____ electricity illegally and cause ____ bills.
 Unauthorized access to ____ people may be ____.
 Is ____ that ____ unauthorized ____ party ____ electricity?
 ____ bills are ____ due to an unknown party ____ into ____ electric ____.
 ____ there ____ from unknown ____ drawing on energy ____?
 Is ____ an ____ extra charge by hijacking electricity?
 Can an ____ use ____ power ____ given ____?
 Is ____ that ____ else ____ power without asking?
 Is ____ possible ____ external ____ is using ____ without ____ to ____ their ____?
 Is it ____ that ____ energy by another source?
 ____ be an ____ exploiting electricity use.
 An external ____ consuming power and inflating ____.
 Higher bills may be caused ____ someone ____.
 ____ unauthorized access ____ electricity by ____ your bill?
 ____ are ____ unauthorized ____ draining power ____ my ____ and inflating their ____?
 Is ____ possible ____ someone is ____ power ____ bills go ____?
 ____ there ____ entity misuses electricity?
 ____ the possibility ____ unauthorized ____ of electrical energy yielding ____ invoices?
 ____ is a ____ third ____ might ____ tap into power ____ causing ____ billing ____.
 Are you ____ that ____ paying more ____ my ____ of some ____?
 ____ of charges raises a ____ in?
 Unauthorized access ____ electricity ____ possibility.
