

[Demo] NLP Dataset for Customer Service Automation

Company Type	Smartphone Manufacturers
Inquiry Category	Product features and specifications inquiries
Inquiry Sub-Category	Camera features and capabilities
Description	Customers inquire about the camera specifications of their smartphone, including details such as megapixel count, aperture size, image stabilization, and whether it supports features like portrait mode, night mode, or high-resolution video recording.
Data Size	5,117 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Smartphone Manufacturer" customer inquiry. (Purchased data will not be masked.)

What ____ of autofocus system ____ flagship ____ phase ____ or ____ autofocus technology?
 ____ your ____ cam got a ____ mechanism?
 Is the focus ____ on ____ or ____?
 ____ if ____ phone ____ phase detection system or a ____ system?
 ____ model ____ phase ____ or lasers?
 ____ know if your top-tier model ____ a phase ____ focus ____?
 Flagship's ____ Phase detect ____?
 ____ flagship model's phase ____ laser?
 Phase ____ focus is ____ highest-end ____?
 Is there ____ laser in flagship?
 ____ your top ____ a phase ____ or laser-based ____?
 ____ models phase detection ____ lasers?
 ____ use a Phase detect ____ laser?
 Does ____ high-end phone ____ with phase ____ focus ____ camera capabilities?
 Which model has ____ or ____?
 ____ you know if your ____ uses ____ laser system?
 ____ device ____ phase ____ or ____ it laser-based?
 Your ____ is ____ detection ____ laser?
 Your top-tier ____ uses ____ phase ____.
 Tell ____ if there ____ laser system ____ in your ____ phone.
 ____ flagship ____ a phase detection ____ laser ____ technology?
 ____ want to know if the focus ____ on ____ phase ____ a ____.
 Does the flagship have a ____ system ____ detection ____?
 Did you use ____ detect or ____ on ____ model ____?
 ____ your flagship ____ Phase ____ or ____?
 ____ that ____ Phase Detection ____ or ____ Autofocus?
 Do ____ top-of-the-line products ____ a ____ detection ____ or ____ on laser ____?
 Do ____ use ____ or laser focus for ____?

Do you ____ if your ____ phone has ____ detection ____ the ____?
 ____ your flagship ____ or laser?
 ____ the high-end device have phase ____ at ____?
 ____ you kindly ____ if your ____ phone uses ____ detection ____ laser ____?
 ____ model ____ phase detection ____?
 Does ____ high-end ____ feature a ____ phase detection ____ focus?
 ____ your ____ advanced model have ____ or a ____?
 ____ detection ____ laser-based ____ is ____ top model.
 ____ the ____ usephase ____ or lasers?
 Do your high-end ____ capabilities ____ the ____ laser ____ phase ____?
 Are your ____ autofocus technologies ____ or ____?
 What do ____ use: ____ detection ____ laser-based?
 Does ____ your high-end ____ on phase detection or ____?
 Do ____ if your premium ____ is phase detecting ____?
 ____ premium device ____ phase detect or ____?
 ____ would like to know if ____ on phase detection ____ laser ____.
 ____ or ____ is ____ your flagship system ____.
 ____ yo' ____ gun use ____ fancy ____ whackin' laser system?
 ____ premier phone ____ on phase ____ a laser ____?
 Do ____ a ____ with ____ phase detection mechanism ____ laser ____ tech?
 Does your ____ a camera ____ either phase detection ____ focus?
 ____ or ____ are used in ____ model.
 ____ system ____ detect ____ laser tech.
 Is your premium ____ phase ____?
 ____ a high-end ____ use a ____ or ____?
 Flagship's AA system: Phase ____?
 Does ____ model use ____ or phase detection ____?
 ____ if ____ focus ____ in your ____ relies on either ____ phase detection.
 I would ____ know if the focus system in your ____ detection or ____.
 Do the main ____ or ____ for ____?
 ____ use phase ____ technology, ____ laser ____?
 ____ phase ____ or lasers ____ focus ____ of your flagship?
 Phase ____ or laser-based ____ used ____ your flagship ____.
 Is ____ detection or ____ technology?
 Is ____ phone possible ____ phase ____ focus for its ____ system?
 Are ____ main camera device's ____ a ____ or ____ technology?
 Do ____ know ____ top-tier model uses ____ or phase ____ autofocus ____?
 ____ top ____ a ____ detect or laser?
 ____ the flagship ____ phase ____ laser focus technology?
 ____ flagship based ____ or phase ____?
 Is the ____ system for ____ phase ____ or ____?
 I'm ____ if your ____ a ____ or laser autofocus ____.
 Does the ____ of ____ device uses ____ detection ____?
 ____ have ____ detection ____ or ____ focus?
 Does the ____ have ____ Detection ____ Laser?
 ____ the focus system ____ your ____ device ____ either phase ____ lasers?
 Is ____ in ____ device ____ phase detection or lasers?
 ____ a phase detection or ____ focus technology.
 Is it possible that your high-end ____ phase ____ for ____?
 Is ____ main ____ uses ____ or ____?

Does the system of _____ device _____ detection _____ lasers?

Does _____ phase _____ or _____ focus for its camera?

_____ the high-end device _____ detection _____?

Who does _____ top gun use, the _____ whackin' _____?

Do you _____ phase _____ laser?

_____ top-of- the-line _____ have _____ phase detection _____ focused tech?

_____ the _____ model _____ a phase _____ or _____?

_____ your top _____ uses phase _____?

_____ have _____ phase _____ or _____ on your flagship?

_____ your _____ capabilities use _____ detection _____ laser focus?

Do _____ a _____ or laser AF _____ in your _____?

_____ AF system: Phase detect _____?

_____ your _____ have phase detect or _____ itlaser _____?

Do you mean to _____ the phase _____ laser _____ top _____?

_____ you _____ use phase detect _____ laser _____ top model phone?

_____ your _____ gun have a _____ or whackin' _____ system?

How _____ premium model _____ detection or laser _____?

_____ your top _____ use phase _____?

_____ main model _____ lasers for _____?

_____ phase _____ laser-based system _____ top model use?

_____ the _____ phase _____ or laser-based?

_____ premium device have _____ detect _____?

Are _____ advanced _____ phase _____ or laserAF?

_____ your _____ phone include a camera _____ or lasers?

_____ your flagship _____ have _____ autofocus?

_____ know if your high-end phone _____ phase _____ Focus _____ its _____ system?

Phase detection _____ is _____ flagship model _____.

_____ your _____ phone _____ a _____ detection or _____ laser?

Which is _____ that _____ phase detection _____?

_____ top _____ phase detect orlaser?

_____ flagship model use _____ detection _____ focus?

_____ your _____ have _____ detection _____ a laser?

I'd _____ to _____ if _____ has a phase _____ or _____ system.

Your _____ model _____ either _____ laser.

Do _____ have _____ premium _____ that _____ phase _____ or laser _____?

_____ me if you have _____ system _____ phase detection in _____.

_____ phase detection or _____ for your top _____?

_____ your high-end phone capable of _____ or laser focus _____?

_____ your high-end _____ cameras _____ either phase _____ or _____ focus?

Do your premium device _____ it laser _____?

Do _____ think _____ main _____ uses lasers or _____?

Which is _____ top model _____ laser _____ detection?

Tell _____ the focus _____ uses phase detection _____ laser technology.

Is phasedetection _____ in _____ main _____?

_____ you know _____ your _____ has _____ detection _____ laser focus?

your main _____ method _____ lasers

Does your _____ product _____ a _____ detection _____ focus tech?

Do _____ if your _____ device _____ phase detect _____ based _____?

Do _____ a camera _____ detect or laser focus?

_____ system you _____ for _____ top tier _____ phase _____ or _____?

It's a ____ bet ____ big-shot model uses ____ sort ____ or laser ____.
 ____ me if ____ in your ____ phone is based ____ or ____ system.
 Which ____ employs ____ lasers?
 ____ flagships tech phase ____ or ____?
 ____ model ____ use ____ focusing method or lasers?
 ____ you use a phase ____ or laser-based ____ for ____?
 ____ or ____ is ____ your top model uses.
 Do ____ high-end phone's ____ capabilities include ____ phase ____ or ____ autofocus?
 Do ____ use phase ____ autofocus ____ your top device?
 ____ phase detection or lasers ____?
 Is the main ____ on ____?
 ____ you ____ high-end ____ uses either phase detection ____ focus?
 ____ about phase ____ technology ____ laser focus ____ your ____?
 ____ your top-of-the-line ____ have ____ phase ____ mechanism or rely ____ tech?
 ____ high-end device uses ____ or lasers at ____?
 ____ want to ____ detect or ____ focus ____ your ____ phone?
 Does ____ detection AF mechanism ____ laser focusing tech?
 ____ you ____ device that is phase detect ____?
 I ____ know ____ your flagship phone includes a ____ focus ____.
 ____ the ____ system on your ____ based on ____?
 Does ____ flagship phone ____ phase Detection ____?
 ____ your ____ product use ____ phase ____ AF ____ or ____ tech?
 ____ know if your premium ____ uses ____ detection ____ laser technology.
 ____ high-end device ____ phase detection ____ lasers ____ its ____?
 ____ your high-end ____ a camera that ____ phase detection?
 Do you have a flagship ____ or ____?
 ____ you know if your ____ phone ____ phase ____ or laser ____ its ____?
 ____ models come with ____ detection ____ laser technology?
 ____ detect or laser on your top ____?
 Flagship's ____ phase detect ____ tech?
 Do ____ model use ____ detection?
 Does ____ product use ____ detection ____ or ____ focusing ____?
 ____ know if your ____ has phase ____ and ____ based?
 ____ you clarify if ____ top-tier model ____ laser focus?
 ____ product rely ____ detection or laser ____ tech?
 Is ____ system ____ for ____ top-tier model ____ detection or ____?
 Do ____ know ____ phase ____ or laser-based focus?
 ____ the ____ on ____ based on ____ or phase detection.
 Tell ____ your premier ____ has ____ a laser system?
 ____ is your main model, ____ phased ____ something?
 Does ____ offering have ____ or ____?
 ____ you ____ if ____ either ____ detection or ____ focus for ____ camera system?
 Does ____ end device use ____ or lasers ____ its ____?
 Do your ____ or phase ____ tech?
 ____ premium ____ phase detect or laser-based?
 Do ____ if ____ device has phase ____ or ____.
 ____ know if ____ high-end phone has ____ or ____ detection ____ the ____?
 Is ____ flagship ____ with phase detection ____ laser?
 ____ you ____ me ____ my ____ phone uses ____ detection ____ laser system?
 Do you ____ whether the ____ system in ____ device ____ technology?

_____ you tell _____ your _____ phone _____ detection _____ laser autofocus system?

Are _____ flagship _____ or lasers?

_____ main _____ lasers _____ focusing method?

_____ your _____ use phase _____ or laser _____?

_____ the _____ tech _____ detection or _____?

_____ _____ model using _____ detection _____ laser?

_____ model _____ phase _____ lasers?

Does the _____ model _____ lasers _____ a _____?

_____ you use phase _____ or _____ your _____ end device?

_____ like to _____ if _____ focus _____ device uses _____ detection or _____.

Is _____ flagship _____ phase _____ laser focus?

_____ want to _____ if your flagship _____ has a _____ or _____.

_____ focus system in _____ device _____ by _____ detection _____ laser _____?

You _____ a _____ model _____ phased focusing method _____?

Does _____ focus system _____ your _____ rely _____ phase _____ or _____?

_____ your _____ cam _____ a laser or _____ mechanism?

Do _____ phase _____ technology _____ focus?

_____ flagship _____ phase detection _____ laser focus _____?

Is your high-end phone _____ or _____ focus _____ the camera _____?

Does _____ AF _____ lasers or _____?

_____ is _____ focusing method, lasers or _____?

Is _____ flagship's _____ or laser?

_____ with _____ detection or _____ laser technology?

Phase _____ is the technology of your _____?

_____ phase detect or _____ AF mechanisms _____ your best-in-class offering?

Do you _____ a phase-based _____ model?

What is your _____ that uses _____ or _____?

_____ a phase detect _____ for your _____ model?

_____ curious if your _____ a phase detection _____ laser _____.

_____ phase _____ whackin' laser _____ do _____ top _____ use?

Do you _____ if the _____ uses phase detection _____ camera?

_____ a _____ model that uses _____ or laser autofocus _____?

_____ you talking _____ phase detection or _____ offering.

_____ you _____ me if _____ has a laser autofocus _____?

Flagship's _____ phase _____ laser tech.

Your _____ model _____ or phased focusing _____?

_____ phone powered by _____ detection _____ laser?

_____ your _____ phone's camera _____ phase detection or _____?

Does _____ high-end device _____ detection or lasers _____?

_____ the flagship _____ detection _____ laser focus technology?

_____ your high-end _____ have _____ uses phase _____ or _____ focus?

_____ your device _____ phase _____ autofocus or is _____?

_____ tell _____ flagship _____ either a phase detection or laser autofocus _____?

_____ your high-end camera _____ detect _____ laser _____?

Does _____ model _____ phase _____ or _____?

_____ the _____ system _____ your device _____ on _____ detection _____ laser _____?

_____ you use _____ laser _____ on your flagship?

Is _____ your _____ to _____ detection or laser focus?

Do your flagship cam _____ or _____ mechanism?

Could _____ tell me if _____ phone uses _____ or _____ its camera _____?

_____ your models use _____?

Flagship's _____ system: _____ or _____ tech?

I'm _____ uses phase detection _____ focus for its camera _____.

_____ you _____ flagship phone has a phase _____ or _____ autofocus system?

_____ your flagship _____ laser or _____ detection _____?

I want _____ if _____ focus _____ based _____ phase detection _____ a _____.

Is your _____ feature a phase _____ technique?

_____ model use phase detection _____?

Does _____ feature a laser _____ its camera capabilities?

Your _____ uses phase _____ or _____.

_____ you _____ detection _____ laser in your flagship _____?

Does it _____ laser focus _____?

Are you talking about _____ phase _____ or _____ focus _____ model _____?

Is _____ using phase _____ laser technology?

Which model _____ detection _____?

_____ to _____ your high-end phone uses laser or phase _____ for _____.

_____ the _____ model that has phase _____ laser _____?

_____ the focus _____ on a phase detection _____ laser system?

_____ your _____ the use of laser _____ phase detection _____ capabilities?

_____ high-end phone have _____ camera that _____ phase _____ laser?

Do _____ phase detection _____ lasers for focusing?

Does your _____ phone have _____ use _____ phase detection for _____?

_____ focus _____ phase _____ on top-end _____?

_____ your top model's _____ uses?

Do _____ if _____ model uses phase detection _____ laser _____?

_____ focus _____ your _____ reliant _____ phase detection or laser _____?

_____ the _____ of your _____ reliant on phase detection _____ laser _____?

_____ you _____ uses phase _____ or laser _____ for your camera?

_____ lasers or phased focusing method.

_____ based _____ Autofocus or LAF as the primary _____?

_____ phase detection or _____ technology.

Is _____ system _____ model _____ phase _____ or laser _____?

_____ top-of-the-line product _____ detection or laser focused _____?

Is the _____ flagship's _____ or _____?

Flagships' _____ system: Phase _____ or _____?

The _____ model _____ either phase _____ systems.

I would _____ to _____ the _____ system in your device relies _____ phase _____.

The _____ model uses _____ laser-based.

_____ know if your _____ has a laser _____ phase _____?

Does _____ flagship's _____ phase _____ or _____?

_____ product _____ a phase detection mechanism _____ focusing _____?

_____ use Phase _____ Technology _____ Focus?

Does _____ high-end phone _____ the _____ detection or _____ for _____ capabilities?

Do you _____ if your _____ model _____ detection _____ autofocus system?

Flagship's AFB _____ is _____ detect _____?

_____ the system _____ your high-end _____ include _____ lasers?

Does your _____ end phone _____ phase _____ or laser _____ for _____ capabilities?

_____ your top-of-the-line _____ a _____ detection mechanism _____ Laser _____ tech?

Does _____ top product _____ detection mechanism or _____ tech?

Can _____ know _____ your flagship _____ detection or laser system?

Is the system you _____ phase detection or _____?

_____ the-line _____ detection or laser focusing technology?

_____ the _____ use a _____ detection or laser-based _____?

_____ your high-end cameras use _____?

_____ your _____ feature phase detection or laser _____?

Has your _____ model _____ detect _____?

Does your _____ phase detecting mechanism _____ laser _____ tech?

_____ your _____ phone's _____ capable of using _____ detection or _____?

Is _____ detect or laser _____ your top _____?

_____ the _____ system in the device _____ phase detection _____?

_____ focus _____ in your _____ rely on _____ detection _____ laser _____?

_____ the _____ main device _____ using _____ phase-detection or laser technology?

Is _____ device _____ or phase _____?

_____ high-end _____ the ability to _____ laser _____ for the camera?

Which model _____ phase _____ systems?

I _____ know if the _____ system _____ device uses lasers _____.

Do _____ use _____ detection or _____ your device?

_____ know if your premium device _____ or laser _____.

_____ you _____ phase _____ laser focus on your fancy _____?

Is _____ you _____ your top _____ model laser or _____?

_____ it based on _____ of _____ Autofocus or Laser _____?

_____ top-of-the-line products feature _____ detection _____ laser focusing _____?

Does your flagship _____ laser _____ phase detection _____?

Does the main _____ use _____ phase _____?

_____ phase detection or _____ in your best _____?

_____ your _____ use lasers or _____ focusing _____?

Does _____ focus system _____ or phase detection?

_____ know _____ your premium device has _____ or _____ laser based?

_____ the flagship phone _____ a _____ or _____?

Flagship's _____ uses phase _____ tech.

Is _____ with laser focus _____ phase _____?

_____ your _____ models _____ laser _____ detection tech?

_____ high-end smartphone have _____ camera that _____ phase _____ or _____?

_____ know if your _____ phone uses _____ or laser _____?

Was _____ laser autofocus that _____ model uses?

_____ model _____ phase-based _____ laser?

_____ the flagship _____ phase _____ or _____ focus _____?

Does _____ use _____ detection or laser?

Do you mean _____ detect or _____ focus _____ fancy top _____?

Should _____ use _____ or laser focus for _____ camera _____?

Please _____ me if my _____ has _____ detection _____ autofocus system.

Does your flagship _____ phase _____?

_____ your _____ phone capable of using _____ phase detection _____?

_____ Phase _____ laser tech?

_____ you use laser _____ detection for _____ model?

What is _____ top model's _____ phase _____ laser?

Your flagship model's _____ either _____ laser?

Do you know _____ uses _____ detection or _____ focus?

Does the _____ on your _____ or _____ detection?

Which is the _____ model _____ detection _____ laser-based?

Does your high _____ use _____ lasers at _____ center?

Do _____ a _____ model with _____ detection or _____?

Do _____ know if the _____ is _____ or _____ laser?

Can _____ tell _____ top-tier model uses phase _____ autofocus?

_____ have a laser or _____ in _____ offering?

_____ the _____ of _____ high-end _____ phase _____ or _____ at its core?

Does your high-end _____ have the _____ laser _____ phase _____?

_____ you _____ your premium device has _____ or _____ laser based?

Did _____ product _____ a phase detection mechanism _____ focusing _____?

Do _____ if your _____ device _____ phase detect _____ capabilities?

Do _____ top-of-the-line _____ use _____ AF or _____ focusing _____?

_____ is what your top model _____.

_____ of _____ premier phone based _____ or laser system?

Will your top-tier model use _____ phase _____?

Does _____ system _____ high _____ lasers or phase detection?

Did _____ top _____ detect or _____?

_____ are your _____ models: phased _____ or _____?

Do you _____ phase _____ or _____ system _____ your flagship _____?

_____ your phone _____ phase _____ or a _____ for _____?

_____ Phase _____ laser tech?

Does _____ have _____ phase _____ or laser focusing _____?

Do you _____ flagship model that uses _____ detection _____?

_____ you _____ detection _____ lasers for _____ best offering?

Does _____ high-end _____ have a phase _____ autofocus?

_____ you _____ a phase _____ or _____ method in _____ offering?

_____ talking about _____ fancy _____ that uses phase _____ or _____?

Is _____ system you use _____ model laser _____ detection?

_____ Phase detect _____ tech?

Do _____ guns _____ fancy _____ or laser system?

_____ model _____ phase _____ or Laser _____?

_____ advanced _____ have _____ detection or laser?

Do _____ a _____ or _____ detection mechanism _____ flagship cam?

Is the _____ camera _____ using _____ phase-detection or _____ technology?

_____ top model _____ detect or laser?

_____ me know if _____ uses _____ detection _____ laser _____.

Do you know _____ focus is _____ on _____ systems?

_____ a _____ phone use _____ laser focus for its _____?

Does _____ top-tier model _____ a _____ detection _____ laser _____?

_____ phone _____ have a laser focus _____ detection.

Are _____ using _____ detection or laser on _____?

Do _____ include phase _____ or laser focus?

Do _____ that comes with phase detection or _____?

Do _____ phone _____ phase _____ or _____?

_____ phone capable _____ using either laser or _____ detection _____ camera?

_____ you _____ the focus is based on a _____ system _____?

Is it a _____ or _____ that your top _____?

Do _____ main _____ phase _____ or _____?

Do your _____ model use _____ phase _____?

_____ your high-end phone able _____ laser or _____ for _____ camera _____?

_____ your phone is based on _____ detection _____ a _____.

Does the _____ high-end device use lasers _____ phase _____?

Does the premium device _____ phase detect _____ it _____?

Does your flagship _____ autofocus?

Do _____ high-end _____ have _____ or _____ focus?

_____ flagship model have _____ laser?

_____ yo' _____ gun _____ a fancy phase _____ or _____ laser _____?

_____ a _____ or Laser _____ on your Flagship?

_____ referring to the phase detect _____ laser focus _____ on _____?

Does _____ a camera that uses _____ detection _____ laser _____?

Do you _____ if _____ phone _____ phase _____ or _____ for its _____ system?

_____ use _____ laser or phase detect?

Does your _____ a _____ or a phase _____?

_____ focus systems _____ flagship based on lasers _____ phase _____?

Does _____ focus in your main _____ device _____ a _____ laser _____?

_____ the flagship have a phase _____ technology?

What _____ main model, use phased _____ method, _____?

Does _____ flagship _____ have phase _____?

Does _____ model use _____ Phase _____?

Your _____ uses a _____ detection or _____.

Do you _____ device uses phase detection _____?

_____ premium _____ have phase _____ and is _____ laser _____?

Do _____ top-of-the-line _____ a phase _____ mechanism _____ laser _____ tech?

_____ you use phase _____ in _____ best offering?

Do you _____ phase _____ or _____ your _____?

_____ we talking _____ detection _____ in _____ best offering?

_____ your flagship _____ technology phased _____?

Flagship's technology: _____ detect _____?

_____ your _____ device come with _____ is _____ laser based?

_____ know _____ device has phase detect _____ is _____ laser based?

_____ or _____ detection _____ top-end phone

_____ model have phase _____ laser?

_____ to _____ focus system in your premium _____ relies _____ phase detection _____ laser _____.

Is _____ fancy flagship _____ a _____ detection or _____?

_____ is your _____ uses phase _____ or laser-based _____?

_____ your _____ uses laser or _____ detection for the camera?

Does _____ have _____ ability to use _____ detection _____ focus for its camera _____?

_____ the flagship's techphase _____ or _____?

_____ your flagship models using _____ detection _____?

Do _____ the AF system uses phase _____ lasers _____ its _____?

_____ a camera that uses phase _____ laser focusing?

Does the _____ feature phase _____ at _____ core?

_____ flagship's technology phase _____ lasers?

Does the _____ of your high _____ device use _____ lasers _____?

I am interested in _____ if the _____ system _____ phase detection _____ laser _____.

_____ or laser-based _____ your top _____?

_____ the _____ model _____ phasedetection or _____?

Is _____ phone _____ of using either laser _____ phase _____ the _____?

Do _____ know _____ autofocus _____ phase detection _____ a laser system?

Flagship's AFA _____ or laser _____?

Does _____ focus system _____ the flagship _____ phase _____?

Does _____ ability to use laser and _____ detection for _____ capabilities?

Do _____ high-end camera that uses _____ phase _____?

Do _____ use phase _____ laser _____ your _____ feature?

Does _____ system _____ flagship include _____ detection or _____?

_____ if your top-tier _____ detection or laser?

_____ flagship based _____ detection or _____?

Do your models _____ or _____?

Does the _____ camera _____ a _____ or _____ phase _____?

Which _____ does it _____ detection or _____ technology?

Does your _____ phase-detection or laser _____?

Do _____ if your flagship phone _____ a phase _____ focus?

Do you know _____ the focus _____ your device _____ phase _____?

_____ focus system _____ flagship based on phase _____ lasers?

Does the _____ have _____ detection or _____ autofocus _____?

Does the _____ product _____ AF mechanism _____ laser _____ tech?

_____ or _____ is _____ the flagship _____ uses.

_____ your _____ phase-based or _____?

_____ you _____ phase detect or laser _____ on your _____?

I was wondering _____ high-end phone uses _____ laser focus _____ camera _____.

_____ you tell _____ if your flagship _____ a _____ detection or _____?

Which _____ comes with _____ or _____ laser _____?

_____ has _____ or laser technology.

_____ your top model used: _____ or _____?

_____ high-end phone have _____ to _____ laser and phase detection _____?

Y'all _____ detect _____ focus on your _____ phone?

_____ model uses lasers, phased _____ else?

_____ your _____ phased _____ method, lasers or _____?

Do you _____ whether _____ uses _____ or phase _____ camera system?

Do you _____ if _____ flagship phone _____ phase detection _____?

Does _____ premium device have _____ is it _____?

Is your _____ phase detection _____?

_____ do _____ your top _____ phase detect _____ laser?

_____ your _____ a _____ detect _____ laser AF mechanism?

Does _____ camera use a _____?

_____ phase detection or lasers _____ the _____ system?

_____ like to _____ the focus _____ in your premium _____ phase detection _____ technology.

_____ system has _____ detect or _____ tech.

_____ top _____ use _____ detect or _____?

Do _____ on phase _____ or _____ top-tier model?

Did the AF _____ use phase _____ at _____?

_____ tell me _____ flagship _____ detection or laser focus?

_____ the _____ use phase _____ laser?

_____ your high-end _____ phase _____ laser focus for its _____?

_____ your _____ use a phase _____ or laser _____?

_____ want _____ know if the focus _____ your _____ on phase detection _____ laser _____.

Does _____ camera use _____ detect _____ laser?

_____ or laser is your _____ technology?

Phase _____ does your top _____?

Your _____ model uses _____ detect _____?

_____ top _____ use _____ detect _____ laser?

____ your models ____ phase detection ____ ____ ?
 ____ you know ____ focus system in ____ device ____ on phase detection ____ ____ ____ ?
 Which is ____ top ____ with ____ detection ____ laser ____ ?
 ____ does ____ device feature ____ phase ____ or ____ technique?
 ____ you tell me if your top-tier ____ detection system?
 ____ am ____ if ____ a phase detection or laser ____ system.
 ____ want to know ____ based on phase ____ a laser ____ ?
 Tell me ____ use ____ or a ____ in ____ premier phone?
 ____ based on ____ principles of Phase Detection Autofocus ____ ____ ?
 Did your ____ phone ____ detection or laser focus ____ ____ ?
 ____ high-end ____ have a ____ with the ____ phase ____ or ____ focus?
 ____ me ____ your premier ____ is ____ on phase detection ____ laser ____ ?
 Which ____ your top ____ detection or lasers?
 The ____ phase detection or ____
 I'm ____ your ____ phone has ____ detection or laser ____ .
 Does your ____ product have a ____ detection ____ a ____ ?
 ____ primary focus ____ main camera device determined ____ laser technology?
 ____ high-end phone have ____ phase ____ or laser focus?
 ____ want to know if ____ detection or ____ technology.
 ____ like ____ the focus ____ on phase detection or ____ laser ____ .
 I'd like ____ if ____ flagship ____ a ____ detection ____ autofocus system.
 Are ____ in your top-tier ____ phase ____ laser?
 Does ____ laser or phase ____ ?
 What type ____ detect does ____ top model ____ ?
 ____ use either phase detection or lasers at ____ ?
 ____ your ____ phase ____ or laser-based technology?
 Does your high ____ detection or ____ at its ____ ?
 ____ is phased ____ method or ____ ?
 Do your top-tier ____ detection or ____ ?
 Do ____ detection ____ or laser focus ____ device?
 ____ the flagship have ____ phase ____ ?
 ____ your top model ____ or a ____ ?
 ____ your cam ____ a mechanism ____ or ____ AF?
 Flagship's/safi ____ phase detect ____
 Is ____ lasers or ____ focusing method?
 ____ the main model rely ____ ?
 Was ____ focus system ____ flagship based ____ or phase ____ ?
 Does ____ or lasers to focus?
 Does ____ premium device ____ phase ____ is ____ a ____ device?
 Flagship's ____ Phase ____ tech?
 ____ the ____ model use lasers ____ phase ____ in ____ ?
 ____ flagship's focus system ____ on lasers ____ ?
 ____ the high-end device ____ use ____ or lasers?
 Do you ____ premier smartphone ____ detection ____ a ____ system?
 Is the ____ phase ____ or ____ ?
 Flagship's ____ detect ____ laser ____ ?
 ____ use either PD or ____ tech ____ the flagship model?
 Is ____ phased focusing, ____ something?
 Does your best-in-class ____ or laser ____ mechanisms?
 Which ____ phased ____ method, lasers or something?

____ your high end camera ____ phase ____ laser ____?
 Did ____ model ____ phase detect ____?
 ____ flagship ____ use phase ____ or ____?
 Is ____ focus ____ device determined ____ a laser or phase-detection ____?
 Can you ____ top tier model ____ laser ____ detection?
 ____ type of model uses ____ method ____?
 ____ your ____ products ____ detection ____ laser focusing?
 I ____ focus ____ in your device ____ on ____ or laser technology.
 ____ the ____ camera ____ laser ____ phase detect?
 Does your ____ use ____ laser focus for ____ cameras?
 ____ use ____ detection or ____ laser?
 ____ you know if ____ model utilizes a ____ detection ____?
 ____ your top-of-the-line ____ feature ____ laser focusing technology?
 Flagship's/safi ____ detect ____ laser ____?
 I ____ to know ____ uses ____ detection or laser ____.
 ____ the main model ____ and ____?
 Does the device's AF ____ use ____ detection ____ at ____?
 Do ____ if the ____ model uses ____ or laser ____?
 I am ____ to know ____ in ____ premium ____ uses phase detection ____ technology.
 ____ system ____ based on phase detection or lasers?
 Which ____ the following does ____ use: ____ detection ____ laser-based?
 Are your ____ autofocus ____ phases ____?
 Do ____ know ____ your top-tier model ____ phase ____ or ____?
 ____ your ____ use laser or phase detection for ____?
 ____ you use ____ detection ____ laser ____ on ____ flagship ____?
 Does the main ____ detector?
 Your top model ____ laser system.
 ____ know ____ the focus system in your device ____ detection ____
 Is ____ system based on ____ phase ____ lasers?
 Which ____ or laser-based autofocus?
 ____ one ____ your main ____ focusing ____ or lasers?
 ____ interested ____ the focus system in ____ uses ____ detection or ____ technology.
 I ____ to know ____ the focus ____ device relies on ____ phase ____ or ____.
 Flagship's ____ Phase ____ tech?
 ____ use phase ____ or laser focus ____ your ____?
 Does ____ use ____ or phases for ____?
 ____ based on Phase ____ Autofocus ____?
 How do ____ top models ____ detect ____?
 ____ let me ____ if your high-end ____ detection ____ laser focus?
 I want to ____ if ____ detection or laserfocus system.
 ____ your high-end phone ____ of using ____ laser ____?
 Do ____ if your top-tier ____ or laser system?
 Does ____ top-of-the-line product ____ a ____ or ____ on ____ focusing tech?
 Maybe ____ flagship ____ a phase ____ focus technology?
 Do ____ end phone's camera ____ include ____ of ____ or laser ____?
 Which is your ____ that ____ with ____ lasers?
 Did your high-end ____ laser ____ phase ____ its ____ system?
 ____ it phase detection or ____ autofocus ____ on ____ tier model?
 ____ phase detection ____ focus system?
 ____ if your premium device ____ detect or laser ____?

_____ the main _____ or lasers?
 Does _____ model use _____ phase detect?
 _____ your _____ rely on _____ for autofocus?
 How _____ a _____ phase _____ whackin' laser _____ top gun?
 _____ model use _____ phase detection technology?
 _____ your _____ have phase _____ or _____ technology?
 Do your _____ or laser technology?
 Is the _____ in _____ on phase _____ or _____ laser?
 Does _____ device _____ phase _____ or lasers _____ its _____?
 Is this _____ based _____ phase detection?
 Are _____ model's _____ or lasers?
 Does your _____ device use _____ or _____?
 _____ it have phase _____ autofocus _____ is _____ based?
 It's _____ good bet that _____ uses some _____ Phase Detection _____ stuff.
 Is the _____ detection or _____ technology?
 _____ system: _____ laser tech?
 What is _____ model that _____ phased _____ method?
 Does your _____ phase _____ AF _____ laser _____ tech?
 _____ phase detection or laser?
 _____ model _____ on _____ phase detection _____?
 _____ the flagship carrying a _____ or laser _____?
 _____ premium _____ detect, or _____ it laser-based?
 Which _____ your _____ that _____ phase _____ or laser-based?
 _____ offer Phase _____ or _____ your best offering?
 _____ have _____ that _____ a laser or phase detection?
 _____ your flagship model made _____ lasers?
 Are _____ phase detection _____ laser _____?
 _____ detection or _____ you _____ your flagship model?
 Does your _____ either a laser _____ phase _____?
 Do _____ detection or _____ your best product?
 Does _____ flagship have _____ for _____ or laser _____?
 Is your _____ capable _____ laser _____ phase detection _____ its camera _____?
 _____ your product use _____ or _____?
 Is _____ focus _____ main _____ device _____ a phase-detection or laser _____?
 Does the _____ model _____ phases _____?
 I _____ to _____ if _____ flagship _____ has _____ phase detection or laser _____.
