

[Demo] NLP Dataset for Customer Service Automation

Company Type	Online Electronics and Technology Retailers
Inquiry Category	Product specifications and compatibility questions
Inquiry Sub-Category	Specifications and features of a product
Description	Customers seek detailed information about the specifications and features of a product to make informed decisions, such as screen size, resolution, processor, storage capacity, and connectivity options.
Data Size	5,146 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Online Electronics and Technology Retailer" customer inquiry. (Purchased data will not be masked.)

_____ with HDMI _____ ports for easy _____ other devices?
 _____ the _____ have _____ ports _____ with _____ than one device?
 This _____ have _____ connections _____ seamless device _____.
 Does _____ projector _____ port to _____ to other devices?
 Does the _____ haveHDMI ports _____ allow _____ connect _____ with _____?
 Does _____ haveHDMI input/output _____ that are easy _____?
 _____ with _____ compatibility?
 _____ possible _____ this projector has _____?
 Does the projector _____ ports to _____ devices?
 _____ HDMI _____ outputs _____ that it is compatible with other _____ devices?
 _____ this projector also _____ ports _____ other electronics?
 We can connect _____ the projector's _____ inputs _____ outputs.
 Is _____ that _____ projectors _____ easily _____ connections?
 Does _____ HDMI _____ allow you to connect _____ projector _____?
 Does _____ projector have _____ inputs or _____ that _____ other gadgets?
 _____ possible to _____ external _____ output andinput _____ of the projector.
 If _____ equipped with HDMI _____ you confirm?
 _____ come with _____ HDMI _____ is _____ connect to other devices?
 _____ this projector _____ inputs _____ outputs for easier _____?
 Does _____ projector _____ HDMI port so _____ can _____ to other _____?
 Does _____ with inputs _____ outputs to _____ to _____ to _____ other devices?
 _____ is possible to _____ external devices _____ projector through _____ ports.
 _____ projector _____ easy-to-use HDMI _____?
 Does this _____ also have _____ port _____ connecting to _____?
 Did _____ HDMI _____ you to connect _____ with _____ electronics?
 _____ way to _____ input/output ports on _____ projector?
 I want to know if this _____ connections _____.
 _____ the projectors _____ easy _____ HDMI connections?

____ the ____ for the ____ allow ____ more than one device?
 It ____ that an external device ____ connected ____ the ____ the ____ ports.
 ____ is ____ connect ____ the HDMI ____ jacks on ____ projector, though not certain.
 ____ it possible for ____ projectors to come ____ accessible ____?
 Does ____ projector ____ with ____ or ____ that ____ connected to other gadgets?
 Does the ____ come ____ HDMI port ____ allow ____ use?
 Is there ____ connections on ____?
 The ____ has ____ input/output ports ____ connection.
 Is it ____ this ____ with ____ devices with ____ HDMI ____ ports?
 It is ____ external devices through ____ on ____ projector.
 You can connect external ____ output/input ____ this projector.
 Is it possible ____ devices ____ the ____ with the ____?
 ____ ports for ____ to connect ____ device with other electronics?
 ____ able to use ____ HDMI ____ on ____ projector?
 Does ____ projector ____ outputs ____ we can connect to other ____?
 ____ compatible ____ other devices if ____ HDMI inputs ____ outputs?
 ____ ports for ____ with HDMI?
 ____ have ____ ports on it?
 Is ____ projector ____ to connect to other devices?
 Is the ____ has ____ connections for ____?
 ____ a projector that ____ HDMI ____?
 ____ possible that this projector ____?
 Does ____ projector come with HDMI input/output ____ for easy ____?
 The ____ may ____ compatibility.
 ____ the HDMI ____ this projector good ____ connecting ____?
 Does ____ inputs ____ so ____ can be connected to ____ devices?
 ____ projector true ____ have HDMI ____ seamless device ____?
 Is there ____ modern ____ that have HDMI ____ stuff?
 Does ____ HDMI ports allow ____ connect the ____ with ____?
 Does ____ projector ____ a ____ HDMI?
 Does ____ projector ____ a HDMI port which ____ let ____ it?
 Is the ____ any ____?
 ____ is possible for ____ devices ____ the HDMI ____ and input ports of the ____.
 ____ HDMI ____ to connect ____ projector to other things?
 Does ____ come ____ that it can be daisy-tied ____ other gadgets?
 It's ____ and output ports on the projector ____ connect ____.
 Does ____ have HDMI ports to ____ devices?
 ____ is possible for ____ connected ____ the HDMI output/input ports on ____
 ____ external devices ____ connected easily ____ output ports on ____?
 ____ projector ____ a HDMI port which would let ____ devices?
 Does ____ have ____ with other ____ via the HDMI ports?
 ____ the ____ compatible with ____ electronics ____ HDMI ports?
 ____ this ____ has HDMI connections, ____ confirm ____?
 ____ HDMI ____ the projector?
 ____ you tell if ____ HDMI ____ on this ____?
 ____ the HDMI ____ on ____ projector allow you to connect ____ one ____?
 ____ ports allowed you ____ the devices ____ the projector?
 ____ a HDMI ____ that would make it ____ to use ____ devices?
 ____ this ____ equipped ____ connections that allow ____ linking?
 ____ this ____ to ____ other devices?

_____ the HDMI ports _____ you _____ connect _____ other _____ projector?
 Did the HDMI _____ for _____ you to _____ than one _____?
 _____ I use the HDMI _____ to connect _____ to _____?
 Does the _____ have HDMI ports _____?
 _____ the _____ ports for _____ with devices?
 Are _____ ports for _____ projector _____ to other devices?
 Does this _____ have HDMI ports _____ many _____?
 _____ the HDMI _____ this _____ allow _____ to _____ other things?
 _____ I _____ input/output _____ my projector?
 _____ the _____ on _____ compatible _____ HDMI?
 It is _____ for external _____ to be _____ input and output _____ projector.
 Do _____ ports allow _____ to _____ with other electronics?
 _____ have HDMI _____ to _____ with other things?
 _____ devices _____ be connected through _____ HDMI output/input ports of _____ projector.
 _____ there _____ input/output _____ the projector?
 _____ that this projector has HDMI connections _____ connecting _____?
 _____ the _____ HDMI _____ easy device connections?
 Is _____ projector _____ to other _____ with _____ ports?
 We _____ to the projector's _____ devices with _____ outputs.
 _____ true that this projector _____ connections for _____?
 _____ this projector _____ any _____ ports?
 _____ able to _____ other electronics with _____ HDMI ports?
 Does this projector have _____ HDMI _____ that _____ to _____ for _____?
 Is _____ the projector has HDMI _____ for _____ linking.
 Is this _____ with HDMI _____ for easy _____?
 _____ wondering if _____ any _____ connections on this _____.
 Does _____ HDMI _____ to connect _____ than one device?
 It would _____ could _____ this projector has HDMI _____.
 What about the _____?
 _____ projector also _____ HDMI ports for _____ electronics?
 Is _____ with _____ HDMI _____?
 _____ possible _____ the _____ input/output ports on _____ to connect external _____.
 _____ confirm _____ projector _____ connections for effortless device linking?
 Does _____ projector have _____?
 Do the HDMI _____ allow _____ connect the projector _____?
 Does _____ projector _____ HDMI port which _____ make use _____ devices _____?
 Do the HDMI _____ projector _____ you to _____ other _____?
 Does the _____ come _____ HDMI _____ allow _____ use for _____ devices?
 _____ it _____ hook _____ other _____ the HDMI input _____ this projector?
 Is _____ true _____ the _____ HDMI _____ for _____ device linking.
 _____ are HDMI input/output ports in _____ projector.
 _____ this projector _____ with HDMI inputs _____ outputs, _____ can _____ it to _____?
 Does this projector come _____ HDMI _____ or _____ make _____ to _____ electronics?
 _____ projector also _____ to connect _____ gadgets?
 _____ that this projector _____ to _____ to other devices?
 _____ it true _____ the _____ connections _____ connecting devices?
 _____ the projector _____ with _____ or _____ that allow you _____ connections to _____?
 Is _____ with HDMI connection?
 Does _____ with a _____ port _____ makes _____ easy to connect _____ devices?
 Does _____ a HDMI _____?

_____ that _____ connected _____ the HDMI output/input ports _____ this projector.

The HDMI ports _____ projector _____ you to _____.

It is possible to connect _____ the _____ output/input _____ the _____

Does _____ HDMI support?

I _____ if this _____ ports?

Does this projector _____ with a _____ port _____ it _____ used _____ devices?

_____ is possible that _____ be _____ the projector's HDMI output/input _____.

_____ projector _____ other devices because _____ HDMI inputs and outputs?

_____ this _____ have _____ for easy connecting to _____ devices?

It _____ possible to connect _____ the HDMI input/output _____ projector.

_____ the _____ ports _____ this projector _____ you to _____ other _____?

Is _____ projector's ports _____ connectivity?

_____ theHDMI _____ projector _____ you _____ it to other devices?

There _____ on _____ projector?

_____ these _____ easy to _____ connections?

Do theHDMI ports allow _____ the _____ projector?

_____ true that the projector _____ connection for _____ device _____?

_____ able to connect to other _____ theHDMI _____?

_____ the _____ on _____ projector _____ withHDMI?

_____ projector come _____ a HDMI port which would _____ other devices?

_____ possible _____ to the projector through _____ HDMI input _____?

_____ able _____ confirm if this _____ HDMI connections?

_____ you tell _____ if _____ projector _____ for _____ device linking?

_____ projector _____ to other devices _____ ports?

_____ compatibility _____ in the _____?

Does _____ with _____ HDMI port _____ let you connect other _____?

It is _____ to _____ external _____ the HDMI _____ this projector.

Did _____ includeHDMI _____?

Does the _____ have _____ port _____ connect _____ other _____?

_____ it _____ that _____ projector _____ HDMI connections for _____ link?

_____ this _____ come _____ or outputs _____ to connect it to _____ devices?

Do _____ projector has HDMI for _____ devices?

Do the _____ on the _____ allow _____ with other _____?

_____ the _____ ports allow the _____ to be _____ electronics?

_____ projector have HDMI inputs _____ that can _____ with other _____?

_____ to use _____ inputs _____ outputs to connect external devices?

_____ this projector have a _____ port _____ it _____ be _____ other _____?

_____ a _____ that is _____ device and _____ if I can _____ projector _____ the device withHDMI

_____ the _____ to connect with other devices?

Do _____ own _____ that _____ HDMI for _____ with other _____?

_____ it _____ to _____ HDMI port _____ this projector to _____ external _____?

_____ the projectors _____ to access _____?

Can I _____ port to _____ the projector to _____?

_____ HDMI _____ this _____ allow _____ to connect more than one _____?

_____ also haveHDMI ports to connect _____ other _____?

_____ this _____ equipped _____ connections to make device _____?

Does the projector _____ for _____?

_____ the HDMI _____ to connect _____ with the _____?

_____ projector equipped _____ HDMI connections _____ easily _____ devices?

_____ connect external devices through theHDMI _____ andinput _____ projector

I _____ if the ports on this projector _____.

_____ the projector _____ HDMI _____?

_____ projector _____ have _____ input/output _____ easy device connection.

_____ come _____ HDMI _____ for easier _____ of other devices?

_____ ports in this projector allow _____ to _____ other _____?

I wonder _____ are _____ connections _____ projector.

_____ projector allow you to _____ other electronics through _____?

_____ this projector _____ inputs or _____ to make _____ to _____ to _____ devices?

Does _____ projector come _____ HDMI port which could _____ devices?

Does the _____ connect to _____ electronic devices?

_____ possible for _____ to use _____ input/output jacks _____ this _____.

Does _____ appear that this _____ seamless device linking?

It is not _____ but _____ is possible _____ connect _____ the projector through _____ HDMI _____.

_____ possible _____ the projector _____ ports?

Is it true that _____ has _____ connections that _____?

_____ projector _____ other devices _____ ports?

_____ projector _____ with a HDMI _____?

_____ is not _____ is possible to _____ external devices _____ input/output _____ on _____ projector.

_____ you _____ connections on _____ projector?

_____ it true that _____ projector has HDMI _____?

_____ a HDMI port _____ would _____ easy to connect _____ other devices?

The _____ ports to connect _____ other _____.

_____ HDMI _____ on this _____?

Does _____ inputs or _____ to _____ to connect _____ other devices?

_____ projector _____ port which would _____ easy use _____ other devices?

_____ a HDMI _____ on this projector?

Does _____ come _____ inputs or outputs _____ that _____ can connect _____ devices?

_____ of _____ projectors _____ connecting _____ other devices _____ the HDMI ports?

_____ the _____ with HDMI connections?

_____ possibly possible to connect _____ using _____ input/output _____ on _____ projector.

It _____ not certain if _____ connect _____ devices _____ the _____ output/input ports on _____ projector.

Is _____ projector _____ of _____ input/output _____?

Have _____ HDMI _____ on this _____?

Is the _____ ports?

_____ projector _____ HDMI _____ that can connect to _____?

Does _____ have any _____ ports _____ connect _____ other _____?

Does _____ a _____ would let you connect to other _____?

_____ it _____ has _____ HDMI connections?

_____ projectors _____ with easily _____ connections.

_____ a _____ have _____ connections?

Is _____ that these projectors _____ with _____ connections?

Is it possible to _____ the _____ with _____ the _____ input/output _____?

Can the projector _____?

_____ this projector have HDMI _____ or _____ so _____ it _____ connected to _____?

_____ not certain if external _____ be _____ through _____ output/input ports _____ this _____.

Does _____ projector come with _____ port which _____ use _____ easy?

Is it _____ this _____ with other _____ by using _____ ports?

_____ HDMI connections?

_____ you know that the projector has HDMI _____?

Is it _____ that the projector has _____ for _____?

____ the projector's ____ withHDMI?
 Does ____ projector have a HDMI ____ would ____ it ____ to ____ ____?
 ____ the HDMI ____ you ____ connect ____ projector with ____ one device?
 Are theHDMI ____ for ____ able ____ connect to ____ one ____?
 Does the ____ HDMI ____ allow you ____ connect ____?
 Does this projector ____ haveHDMI ____ to ____ with ____?
 Does ____ projector ____ outputs to ____ use of other ____ easier?
 Is ____ true ____ this projector have ____ device linking?
 Do ____ are any ports on ____ that ____ HDMI?
 ____ projectors ____ easily accessible ____?
 ____ the projector ____ HDMI ____?
 Do the ____ projector allow ____ connect ____ with other things?
 ____ the ____ outputs ____ easier use in other devices?
 Do you ____ is any HDMI ____ on ____?
 ____ theHDMI ____ for ____ projector ____ connect ____ more than ____ device?
 Does ____ HDMI ____ or ____ so ____ it ____ to other devices?
 ____ the projector have ____ port ____ easy connections ____ other devices?
 ____ true that this ____ hasHDMI ____ for seamless ____?
 It ____ external devices ____ be connected through ____ input ____ on this ____.
 Do ____ on the projector ____ you ____ connect your ____?
 Do the ____ for the ____ allow ____ than ____ device to ____?
 Did ____ know that ____ projector has ____ for ____?
 ____ it ____ that these projectors ____ easy ____ HDMI connections?
 Are the ____ the projector ____ devices?
 ____ have ____ ports that are easy to ____?
 ____ HDMI ports ____ the projector allow you ____ than one ____.
 ____ about projector ____ HDMI ____?
 ____ it possible to connect ____ HDMI input ____?
 ____ come with ____ so ____ you can connect ____ other devices?
 ____ about a ____ easy-to-useHDMI ____?
 Is this ____ compatible with ____ has HDMI inputs ____ outputs?
 Does ____ have ____ ports ____ let ____ connect ____ other electronic devices?
 Is ____ possible ____ the ____ has ____ connections for ____ linking?
 Can ____ if ____ projector ____ connections?
 Does the ____ than ____ HDMI port to ____ other ____?
 ____ know ____ the projector ____ HDMI for hassle-free ____?
 ____ the projector's ____ compatibility?
 ____ come with inputs or ____ enable ____ to connect it ____ devices?
 Does ____ projector ____ you ____ connect ____ other ____ using the ____?
 Can ____ tell ____ projectors connect to other ____ the HDMI ____?
 ____ projector ____ HDMI ports ____ connect other ____?
 ____ also haveHDMI ports ____ connect ____ other devices?
 ____ it ____ use the ____ and ____ on this projector?
 ____ projector ____ outputs to make it easier to ____ to other ____?
 Do you own ____ projector that ____ hookups ____ gadgets?
 ____ projector have ____ port ____ will allow ____ use for ____ devices?
 ____ projector also ____ for ____ other electronics?
 ____ the ____ a HDMI ____ would ____ it ____ to connect ____ other devices?
 ____ it a ____ has ____ ports?
 ____ projectors come with easy ____ HDMI ____?

_____ is possible _____ devices _____ the HDMI input/output ports on _____.

Is _____ ports on this _____ to connect external devices?

This _____ HDMI _____ linking, is it true?

_____ the projector's _____ compatible _____ HDMI _____?

Is _____ compatible with many other devices _____ or outputs?

_____ the projector _____ with _____ and _____ for _____ other devices?

_____ this _____ a HDMI port _____ allow _____ connect _____ devices?

It _____ that external _____ be connected using _____ jacks _____ projector.

_____ this _____ a HDMI _____ which would allow _____ connecting to _____?

There is a _____ external devices can _____ through _____ of the projector.

Is it true _____ this _____ to _____ seamless _____ linking?

It _____ that _____ can be _____ the _____ ports of this projector.

_____ it _____ that the _____ has _____?

_____ to use onboard HDMI ports on _____?

Is it _____ projector has a HDMI _____ for _____?

Is this _____ with HDMI connections _____ seamless _____?

Do _____ ports for _____ let you _____ other devices?

_____ projector have _____ for connecting with _____ electronics?

Do _____ projector _____ easy-to-use _____ connections?

Does this _____ come _____ a HDMI port, _____ connect to other _____?

Is this _____ equipped _____ connections to make _____ to _____?

_____ you confirm if _____ is equipped _____ a _____?

_____ want to _____ with easily accessible HDMI connections.

_____ connections on _____ projector?

Is _____ them projectors _____ connect _____ other devices through _____ HDMI _____?

_____ have _____ connections through the projector and _____ inputs?

It's _____ that external _____ the HDMI _____ and input ports _____ projector.

Can _____ connect _____ devices _____ HDMI ports _____ the _____?

Does the _____ HDMI _____ for _____ other gadgets?

It is _____ to _____ output and input ports _____ this projector, _____ not certain.

Does this projector _____ ports _____ allow _____ to _____ electronic _____?

_____ the _____ the projector _____ you to _____ more than _____ device?

Does this _____ outputs to _____ to connect _____ other devices?

Do you _____ there _____ on _____ projector?

_____ it _____ connect to a projector _____ input _____ output?

Is this _____ connections?

_____ projector packing easy-to-use _____?

There _____ on this _____?

_____ there HDMI _____ this _____?

_____ is _____ the HDMI _____ the projector to connect _____ devices.

_____ projector _____ easy-to-use HDMI connections?

_____ the projector _____ with HDMI _____?

_____ this _____ with HDMI _____ for seamless device _____?

Do the HDMI _____ for _____ projector _____ you to _____?

_____ there _____ HDMI _____ on _____ projector?

_____ tell _____ are HDMI input/output _____ in this projector?

_____ HDMI _____ on _____ projector?

Do the HDMI ports _____ the projector _____ to _____?

_____ this _____ any _____ ports to _____ other devices?

_____ true that _____ has HDMI connections for _____

_____ projector have _____ or outputs so _____ can easily connect _____ devices?
 _____ that external devices _____ be _____ the HDMI output and input _____ this projector.
 Does the _____ have the ability to _____ to _____ ?
 Does the projector have _____ ports _____ ?
 _____ the _____ connected _____ HDMI for _____ linking?
 _____ you sure you _____ onboard HDMI _____ projector?
 Does the _____ with HDMI _____ outputs _____ can be connected to _____ ?
 Is it possible to use the _____ ?
 Does _____ any _____ for HDMI?
 Do the _____ ports allow _____ use the _____ electronics?
 _____ you know if _____ projector _____ HDMI _____ device linking?
 I'm _____ the projector has _____ for _____ linking.
 _____ it _____ use the HDMI ports on _____ projector _____ devices?
 It _____ possible _____ external devices to _____ through _____ ports on _____ .
 Is _____ compatible _____ other _____ through the _____ ports?
 Is _____ possible _____ HDMI output/input _____ on the _____ ?
 _____ you confirm if _____ equipped with HDMI _____ ?
 _____ projector _____ easy-to-use HDMI connections?
 _____ the HDMI _____ allow you _____ to other things?
 Does this _____ have _____ can _____ other devices?
 Can _____ use _____ HDMI _____ ports?
 _____ it _____ that _____ are on the _____ ?
 Do you _____ this _____ connections?
 _____ any _____ the projector _____ support HDMI?
 Is _____ projector _____ to _____ to _____ electronics _____ the HDMI _____ ?
 Does the projector have _____ ?
 _____ this _____ have HDMI ports to _____ ?
 _____ it _____ to connect this _____ to other _____ through _____ ?
 _____ to know if _____ has HDMI _____ .
 _____ you own _____ that _____ on it _____ hassle-free hookup?
 Is _____ a _____ on _____ that _____ HDMI?
 Does _____ projector _____ a _____ ?
 _____ possible _____ external devices, though not certain, _____ HDMI output/input _____ projector.
 _____ are HDMI _____ options _____ projector
 _____ include HDMI compatibility?
 _____ possible to _____ devices with the HDMI _____ on _____ ?
 _____ is _____ though _____ certain, to connect _____ devices _____ output/input ports.
 It is possible _____ be _____ with the HDMI input/output jacks _____ .
 This projector can _____ to _____ via HDMI _____ .
 It _____ external _____ via the HDMI input/output _____ on _____ projector.
 Does the projector's _____ you _____ connect _____ them?
 Do _____ HDMI ports for this _____ let _____ connect _____ ?
 _____ the projector _____ or outputs _____ you can _____ it _____ other devices?
 _____ is _____ external devices can _____ the HDMI output and _____ ports of _____ .
 Do the _____ ports _____ projector _____ connect your devices?
 Is _____ projector _____ with _____ if it _____ with HDMI inputs _____ outputs?
 Do _____ HDMI _____ enable _____ to _____ projector _____ other electronics?
 _____ the _____ have the _____ to _____ to _____ through the HDMI _____ ?
 _____ it _____ this projector has _____ connections _____ seamless device _____ ?
 _____ it possible _____ with easily _____ HDMI connections?

_____ projector also have _____ ports _____ connect other _____?
 Does _____ projector include HDMI _____ other gadgets?
 Does the _____ with _____ inputs or _____ so we _____ projector's _____ devices?
 _____ possible to connect external _____ the HDMI _____ this projector
 _____ the HDMI _____ for this _____ compatible _____ one device?
 _____ external _____ to be connected through the HDMI output and input _____.
 Could _____ tell me _____ projector _____ connections?
 _____ the projector include _____?
 I _____ to know _____ there is _____ on this _____.
 Does _____ have HDMI inputs or _____ so _____ can _____ other devices?
 _____ you have HDMI connections _____?
 Are the _____ compatible _____?
 Do the HDMI _____ to _____ this _____ with other _____?
 _____ ports _____ projector compatible _____ HDMI?
 It _____ possible _____ connect external devices through _____ output _____ ports _____.
 _____ is _____ certain _____ external _____ can be _____ through _____ HDMI _____ input ports _____ this projector.
 _____ be that _____ projector _____ connections for seamless device _____?
 It is not certain _____ is _____ connect _____ the projector through the HDMI _____ ports.
 _____ HDMI port _____ projector possible?
 _____ this _____ come with _____ or _____ to make _____ easier _____ use _____?
 There _____ projector _____ can _____ connected to a device, _____ can _____ connect _____ projector _____ the _____?
 _____ HDMI port _____ you _____ connect _____ projector _____ other devices?
 _____ projector _____ connected to _____ devices via HDMI _____.
 _____ connect _____ projector to _____ devices through _____ ports?
 Is _____ able to _____ to other devices _____ HDMI _____?
 Does this projector have _____ or _____ so that _____ to other _____?
 Does the _____ allow you _____ connect devices _____ them?
 Is _____ on the projector's ports?
 _____ if the _____ to other devices _____ the HDMI _____?
 _____ projector _____ of HDMI?
 Does this projector have HDMI _____ to _____?
 _____ this projector has HDMI _____?
 _____ possible _____ connect external _____ the HDMI _____ of the projector.
 Are the port _____ HDMI?
 _____ the projector has a _____ connection?
 _____ is possible _____ use the HDMI _____ on the projector _____ external _____
 _____ projector _____ or inputs _____ can easily _____ it to other _____?
 _____ it _____ to _____ projector to _____ through the _____ ports?
 It's possible to connect external devices through _____.
 Does _____ have _____ inputs or _____ so _____ can be daisy _____ other devices?
 Can I _____ input/output ports on _____?
 _____ the projector's HDMI ports able _____ to _____?
 _____ you tell me _____ has HDMI connections _____ linking?
 _____ tell _____ the projector has HDMI _____?
 Does _____ come with outputs _____ inputs to _____ us _____ to _____?
 _____ ports _____ you to _____ the device with _____?
 _____ the _____ ports allow _____ to _____ with them?
 Is _____ ports on the _____ support _____?
 _____ this projector _____ HDMI connections for _____?
 Has the _____ easily _____ connections?

____ the HDMI ports ____ the projector allow ____ connect ____ other ____?
 ____ you tell ____ if ____ HDMI connections on ____?
 ____ this ____ include HDMI ports to ____ to ____?
 Does the ____ so ____ can ____ it to other devices?
 ____ the projector ____ with ____ access ____?
 The ____ with ____ accessible HDMI ____.
 Is ____ that ____ easy to reach HDMI connections?
 Is there ____ HDMI input/output ____?
 Is it possible ____ find ____ input/output ____ on ____?
 Are ____ projector ____ for ____ device linking?
 ____ you got HDMI ____ on ____?
 Do ____ HDMI ports ____ use this projector with ____?
 ____ the projector ____ with HDMI ____ outputs so ____ it can ____ connected ____ electronics?
 ____ have ____ input/output options?
 How ____ is ____ to connect through ____ input and ____?
 Do the HDMI ____ projector with other devices?
 ____ the ____ of HDMI ____?
 Does the HDMI ____ allow you to ____ devices?
 ____ the ____ come with ____ HDMI ____ so that other devices ____?
 ____ the ____ have ____ HDMI inputs?
 ____ can ____ connected through the HDMI ____ and input ports ____ projector.
 It's possible to ____ external devices ____ the HDMI ____ jacks ____.
 Is ____ possible ____ to the ____ via ____ input ____ output?
 Is ____ projector ____ with many ____ if it comes ____ inputs ____?
 ____ the ____ ports ____ the projector allow you ____?
 Is it possible to ____ ports for ____?
 ____ projectors ____ with ____ access HDMI ____?
 ____ that ____ projector has HDMI ____ for seamless ____ linking?
 It is ____ possible to connect ____ the HDMI output/input ____ on ____.
 Does ____ projector ____ or outputs so you can ____ devices?
 Is ____ possible ____ these projectors ____ access HDMI ____?
 ____ are ____ on ____ projector ____ can ____ the HDMI ____?
 There is a chance ____ external devices ____ the ____ output ____ projector.
 There ____ a ____ that can ____ to ____ can ____ the projector to ____ device with HDMI?
 ____ projector has HDMI ____?
 The ____ might ____ ports for easy ____ connection.
 Do ____ have HDMI ports ____?
 Are you ____ that ____ ports on ____ projector?
 Are you ____ ports on ____ projector?
 Did the HDMI ____ projector allow ____ to ____ things?
 ____ projector have HDMI inputs ____ outputs ____ that ____ can ____ to other ____?
 ____ it possible ____ this projector ____ connections for ____?
 Can I ____ the projector's ____ ports to ____?
 HDMI input ____ on the ____ easy ____ connect.
 ____ ports ____ this ____ with devices?
 It's ____ connect external devices ____ the ____ output and input ports ____.
 Is ____ projector equipped with ____ connections ____ easier ____?
 Does ____ a HDMI port which ____ be ____ to connect ____?
 Does ____ projector come with ____ so you ____ connect it to ____?
 ____ the ____ a HDMI port ____ connecting ____ electronics?

Do _____ allow _____ connect _____ things with the _____?

Is _____ possible _____ this projector _____?

_____ ports allow you _____ to more _____ one device?

External devices _____ connected _____ input/output jacks _____ projector.

_____ it possible the _____ easily accessibleHDMI _____?

There _____ a possibility _____ devices _____ be _____ through _____ input and output ports _____.

There _____ any ports _____ that _____ with _____ HDMI standard?

Do _____ the _____ the projector?

Does _____ projector _____ with _____ HDMI port that _____ be used _____?

_____ this projector haveHDMI _____ outputs so _____ can _____ to the _____?

What about _____?

_____ to _____ other devices _____ the built-inHDMI ports _____ this?

_____ the _____ have easy _____ HDMI _____?

_____ use this _____ with other _____ if I _____ its _____ ports?

Do _____ know _____ there _____ inputs in this _____?

Is _____ projector _____ with a _____ for device _____?

Does _____ projector come _____ HDMI _____ allow easy _____ of other _____?

It's possible _____ connect external devices _____ theHDMI _____ projector

_____ like to know if the _____ ports.

Did _____ know _____ projector _____ HDMI _____ for _____ linking?

_____ is possible _____ to be _____ through _____ input _____ on this projector.

_____ external devices _____ through theHDMI output andinput ports of _____.

_____ projector come with _____ HDMI _____?

Does _____ have _____ HDMI port that _____ connect to other _____?

Is _____ possible to _____ ports _____ this _____?

A projector with _____?

Does this projector _____ that _____?

_____ need to know if there _____ HDMI _____ projector.

Do _____ ports for _____ allow you to connect _____ to _____?

Does this _____ have aHDMI port _____ will _____ to _____?

Is there any _____ input _____ projector?

_____ projector come _____ inputs or outputs so that _____ can _____ other _____?

Is _____ true that _____ HDMI _____?

_____ this _____ have _____ HDMI port _____ would allow _____ connecting _____ other _____?

Does _____ projector _____ with _____ or outputs _____ to connect to other _____?

Can _____ HDMI _____ on _____ projector?

Does the _____ also have HDMI _____ allow _____ electronic devices?

_____ projector'sHDMI ports allow you to _____ with _____?

_____ have _____ ports that will _____ you to _____ devices?

_____ HDMI _____ for _____ projector allow you _____ connect your _____?

Do theHDMI _____ this _____ you to _____ devices?

_____ any modern _____ with the _____ for _____ stuff?

Does the _____ come with inputs _____ to _____ to _____ other _____?

Does anyone know _____ are _____ HDMI _____ on _____?

_____ was wondering if this _____ HDMI _____ for easy _____.

Does this _____ HDMI ports _____ enable you _____ to other _____?

Does _____ projector have HDMI _____ or outputs so _____ other _____?

_____ tell _____ there _____ any HDMI connections on _____ projector?

_____ projector's _____ and output _____ HDMI?

Does _____ projector _____ port that would _____ easy _____ connect _____ other devices?

Do _____ a projector that has HDMI _____?

Do _____ allow _____ to connect _____ projector _____ other devices?

_____ you to connect the projector to _____ devices?

Does this projector _____ with _____ so _____ easily connect it _____ other _____?

Do the _____ ports let you _____ to _____?

Is _____ possible _____ projector with other devices by _____ input/output _____?

_____ we connect to _____ projector's _____ devices through _____ inputs _____?

_____ for this projector let you connect _____ other _____?

Does _____ allow you to connect to _____ one device?

_____ you _____ any _____ HDMI _____ on this _____?

Is the HDMI _____ this _____ to connect to more _____?

_____ the _____ able to _____ with _____ things _____ ports?

_____ projector have _____ HDMI _____ which _____ be _____ to use for _____?

_____ want to know _____ there _____ built-in _____ inputs in _____.

It _____ certain but _____ use _____ ports on the _____ to connect external devices.

Is any _____ them _____ capable _____ connecting to _____ HDMI _____?

_____ possible for _____ to be connected _____ the projector's input _____.

Does the _____ inputs or _____ to make _____ to use _____?

If this _____ equipped _____ connections, can you _____?

Does this projector also _____ HDMI _____ you can connect _____?

Does the HDMI _____ allow you to connect _____?

Do the HDMI _____ connect this _____ other electronics?

It is _____ to connect _____ devices _____ output _____ projector.

Does the projector come with inputs or _____ so _____ to _____?

Do _____ HDMI _____ you to _____ electronics _____ this projector?

Does this projector have _____ connect _____ other _____?

_____ HDMI connections for easy device _____?

Is _____ can connect _____ other _____ the HDMI ports?

Do _____ own _____ projector _____ HDMI _____ hassle-free _____ with other _____?

_____ the HDMI _____ in this projector allow _____ other devices?

Does this _____ also _____ ports to connect _____?

Does this projector _____ with _____ or _____ to connect _____?

Does this projector _____ HDMI _____ or _____ so that _____ can _____ to _____?

Do the _____ ports for _____ projector _____ you to _____ it _____?

Has _____ got HDMI _____?

_____ compatibility _____ included on _____?

_____ this _____ come _____ HDMI _____ or outputs so _____ it to other _____?

Does _____ projector _____ with _____ port, _____ would _____ use _____ other devices?

_____ projector have _____ ports to _____ with _____ gadgets?

Does this _____ a HDMI port _____ easy use _____ devices?

The projector _____ HDMI input/output _____ to other devices.

_____ possible to _____ HDMI input _____ output on _____ projector?

Does the projector _____ with _____ port to _____ use _____?

_____ this _____ inputs for _____ or _____ other devices?

_____ support _____ HDMI _____ the ports on _____ projector?

_____ this projector have _____ or outputs _____ that it can _____ other _____?

_____ this projector _____ with _____ inputs, so you can _____ connect _____ devices?

_____ that _____ for seamless device linking?

Did _____ know that this _____ HDMI for _____ hookup _____?

_____ you confirm _____ the _____ has _____ device linking?

Can _____ to other devices _____ the HDMI _____ on _____?

_____ HDMI ports _____ projector allow you _____ to other _____?

Is there _____ input or _____ this projector?

_____ this _____ for effortless device linking?

Does this _____ have HDMI ports _____ with _____ devices?

Can _____ HDMI _____ to connect this projector _____ other _____?

_____ ports on _____ projector _____?

Is it _____ that _____ has ports that _____?

Is this projector _____ with HDMI connections _____?

_____ theHDMI _____ allow _____ connect the projector _____ devices?

_____ an HDMI _____ on _____ projector?

_____ it _____ that projector _____ compatibility?

_____ theHDMI ports _____ projector _____ devices?

HDMI ports _____?

_____ a port on _____ projector _____ supports _____?

_____ this _____ compatible _____ other gadgets _____ inputs or outputs?

_____ compatible with other gadgets _____ it _____ HDMI inputs and _____?

Does _____ come _____ inputs or outputs to _____ connecting _____ easier?

Did you _____ on _____ projector?

I would _____ know _____ the _____ projector support HDMI.

_____ projector have _____ for _____ device linking?

_____ are _____ on this projector that _____?

It is _____ certain _____ possible _____ external devices _____ theHDMI input/output _____ this projector.

_____ possible to _____ the built-inHDMI _____ on this _____ other _____?

Do the HDMI _____ let _____ to more than one _____?

_____ it possible _____ projector _____ HDMI input and output?

_____ projector have HDMI _____ or outputs _____ you can _____ to _____ other _____?

_____ the _____ have _____ HDMI port which will allow _____ other _____?

Is _____ equipped _____ HDMI connections _____ seamless device _____?

Do theHDMI _____ for _____ you to connect _____ device _____ things?

Does this projector _____ ports to _____ gadgets?

External devices _____ through _____ output/input ports _____ projector.

Do _____ HDMI ports _____ this projector let you _____?

_____ may be possible _____ connect external devices _____ the HDMI _____.

_____ that _____ projector _____ connections for seamless device link?

_____ possible to _____ external _____ through _____ on this projector.

_____ the projector _____ HDMI?

_____ projector haveHDMI _____ connect other _____?

Does this projector _____ a _____ would let you connect _____?

It _____ certain _____ it _____ possible _____ use theHDMI _____ ports _____ the projector to connect _____.

_____ theHDMI _____ for this _____ you _____ connect the _____ them?

_____ possible _____ connect _____ devices _____ projector's HDMI output/input ports?

_____ projector come with _____ that will _____ connect to _____ devices?

Is it possible _____ on _____ are HDMI _____?

_____ to _____ there _____ any HDMI ports on this _____.

It can _____ connect _____ devices _____ the input and output _____ on _____.

It's _____ external devices can be _____ the projector _____ ports.

It is _____ to connect _____ output ports _____ this _____.

_____ is _____ to connect external devices _____ theHDMI output and input _____.

Is _____ projector _____ with easy _____ HDMI _____?

____ the ____ to ____ devices through HDMI ports?
 ____ is not certain ____ external devices ____ through ____ projector's ____ ports.
 ____ ports ____ projector may ____ you to connect ____ other ____.
 ____ projector ____ with ____ or ____ that ____ can connect other devices?
 ____ on this projector allow ____ to ____ to other ____?
 ____ have HDMI input/output ____?
 ____ I use ____ ports to ____ the projector ____ gadgets?
 Does ____ come with HDMI ____ to make ____ compatible ____ devices?
 ____ projector's HDMI ports ____ other devices?
 Do you own a ____ that ____ for ____ devices?
 Does ____ come with ____ HDMI port ____ would ____ with other ____?
 Do you know ____ inputs/outputs?
 ____ you know if this ____ has ____ for ____?
 Can ____ have HDMI input/output ____?
 I ____ to ____ can use ____ input/output ports ____ projector.
 ____ projector ____ any HDMI ____?
 ____ use ____ HDMI ports to connect the projector ____?
 ____ the projector ____ HDMI ports ____ easy ____ connect ____?
 ____ the HDMI ports allow ____ to ____ projector ____?
 ____ come ____ inputs or outputs ____ make it easy to ____ to ____?
 ____ the ____ HDMI connections ____?
 Does ____ projector allow ____ to connect ____ the ____ ports?
 Does this projector ____?
 ____ this projector come with ____ to allow ____ to other ____?
 Does ____ projector ____ inputs or outputs ____ that ____ chain ____ devices?
 Is the ____ capable of ____ to ____ electronics ____ the ____?
 Does this ____ ports ____ other ____?
 ____ projector ____ outputs ____ it can be daisy chain ____ other devices?
 Is ____ loaded ____ ports?
 Do you ____ has HDMI ____ it for hassle-free ____?
 ____ the ____ also have HDMI ____ connecting to ____?
 ____ that the ____ has HDMI ____?
 ____ you know ____ projector has ____ device linking?
 Do the HDMI ____ for ____ allow ____ connect ____ to them?
 Have ____ HDMI ____ projector?
 ____ projector have HDMI ports ____ connect ____ devices?
 ____ the projector ____ HDMI port ____ easy use on other ____?
 ____ the ____ ports HDMI?
 ____ projector have HDMI ____ to ____ electronics?
 ____ a projector ____ can be ____ a device, and ____ connect it ____ the ____ with HDMI?
 ____ this projector come ____ HDMI port ____ would allow ____?
 ____ this projector ____ HDMI inputs ____ outputs so ____ chain ____ gadgets?
 It ____ not certain if it is possible ____ external ____ HDMI output and ____ on ____.
 Do ____ allow you to ____ devices?
 Does the ____ also have HDMI ____ other electronic ____?
 It is ____ to ____ and output ports ____ the projector to ____.
 Do you know ____ this ____ HDMI connections?
 ____ the projector ____ HDMI ports?
 Is the projector ____ of ____ HDMI ____ seamless ____?
 ____ ports ____ projector support HDMI?

Do the HDMI _____ you _____ projector _____ more _____ one device?
 _____ come with _____ or _____ so _____ can connect _____ to _____ devices?

Does _____ projector have _____ or outputs so that _____ can _____ other _____?

I _____ if _____ has _____ for _____ devices.

Does _____ projector _____ ports for connecting other _____?

Is the _____ ports for _____ capable of _____ to _____?

Do the HDMI _____ this _____ let you connect _____?

Do the _____ ports for _____ connect _____ other devices

Does this _____ have _____ with other electronics?

_____ it possible to use _____ input/output _____ this _____?

_____ the ports _____ compatible with HDMI?

Do you _____ a _____ that _____ HDMI _____ other gadgets?

_____ want to know if there are _____ in _____.

_____ connections _____ the projector?

Are _____ projector's _____ for _____ device _____ true?

It's possible _____ devices _____ through the _____ output/input _____ the projector.

_____ I use the HDMI _____ connect _____?

Do you _____ projector _____ has _____ for _____ with other _____?

It _____ possible _____ devices can _____ connected _____ the _____ ports _____ this projector.

Does the projector have a _____ that would _____ devices?

Do _____ ports allow _____ to this projector?

_____ projector _____ have _____ HDMI _____.

The _____ for _____ projector _____ you _____ connect _____ more _____ one device.

Is a _____ with _____?

_____ the _____ ports _____ the _____ let you _____ to _____ devices?

_____ projector with _____ ports?

_____ projector has _____ HDMI _____?

_____ this projector _____ inputs?

_____ possible _____ connect _____ devices via the HDMI _____ this projector.

Is there _____ HDMI _____ these _____?

_____ it possible _____ other _____ built-in HDMI ports?

Does _____ HDMI ports for connecting _____ devices?

Does the _____ HDMI _____ connect _____ a variety _____ devices?

_____ HDMI _____ this _____ allow you to connect other _____?

Is _____ possible for these _____ have _____ connections?

Does this _____ have _____ which _____ easy _____ on other _____?

_____ there an easily accessible _____ projectors?

Does the _____ have _____?

Is it possible _____ connect _____ using the HDMI _____?

I am _____ if I _____ input/output _____ on _____ projector.

The _____ might _____ easy _____ access HDMI _____.

There _____ on _____ will support _____ HDMI standard?

Do _____ allowed _____ to _____ the projector with _____ electronics?

Is it possible _____ for other devices?

Does _____ come _____ so you can _____ other devices?

It's _____ to _____ external _____ through the input _____ on this _____.

This _____ has HDMI connections _____ seamless _____ it true?

_____ any _____ input/output ports _____ this _____?

Is _____ projector's _____ HDMI?

Does _____ connection?

____ the projector include ____ ?
 ____ projector with ____ ?
 ____ was wondering if ____ has HDMI connections ____ linking.
 ____ HDMI ports work?
 ____ it ____ to ____ up ____ the HDMI ____ on this projector?
 ____ might ____ possible to ____ devices through ____ ports on this ____.
 ____ allowed ____ the projector with other electronics?
 Is it ____ use ____ ports on ____ projector.
 ____ ports for ____ projector ____ to connect other ____.
 Does ____ also have HDMI ports ____ a ____ of devices?
 Does this projector ____ to allow you ____ electronic ____?
 ____ ports for the projector ____ to connect multiple ____?
 ____ true that this ____ a HDMI ____?
 ____ the projector ____ an ____?
 ____ this ____ with ____ devices and ____ HDMI ports?
 ____ the projector come ____ a HDMI port ____ would ____ other ____?
 Could you tell ____ the ____ has ____ easy ____ linking?
 Can I use this ____ with ____ HDMI ____ outputs?
 ____ the ____ accessible ____ a ____ connection?
 ____ HDMI ____ for this ____ allow you ____ connect ____ devices?
 ____ you know if ____ HDMI connections ____ the ____?
 The projector may have ____ device ____.
 ____ this ____ have HDMI ____ to connect ____ electronics?
 Do ____ ports ____ projector ____ you to ____ other ____?
 Does ____ projector ____ you ____ connect ____ other devices ____ ports?
 ____ projector ____ to HDMI ____ device linking?
 Is ____ projector capable of connecting with ____ ports?
 Is ____ projector capable ____ connections?
 Does ____ have ____ HDMI ____ which ____ allow ____ use ____ other devices?
 Is the projector able to ____ the ____ ports?
 ____ projector ____ with HDMI inputs or outputs so that ____ gadgets?
 ____ that HDMI plugs are ____ in ____ design?
 Does the ____ an ____?
 ____ possible that the ports ____ this ____?
 Is ____ with HDMI?
 What about ____ with ____ connections?
 ____ true that there are ____ connections for seamless ____ this ____?
 Is this ____ compatible ____?
 ____ is possible ____ devices ____ be connected ____ the HDMI ____ ports on the ____.
 Can ____ tell me ____ that ____ devices ____ the HDMI ports?
 Is the ____ this projector compatible ____ other ____?
 Is ____ projector able ____ be connected ____ other ____ through ____?
 ____ the ____ come with inputs or ____ to ____ it ____ other devices?
 Is it ____ seamless device linking ____ this projector?
 ____ use ____ projector with other devices ____ HDMI ____?
 ____ this ____ include HDMI ____ to connect ____ gadgets?
 ____ is a possibility ____ connect ____ through ____ HDMI ____ ports ____ projector.
 ____ projector ____ outputs or inputs to allow us ____ connect ____?
 ____ have ____ or outputs, so that it can be ____ chain compatible with ____?
 ____ the ____ allow ____ to ____ your devices ____ the projector?

_____ is _____ if it is _____ to _____ through the _____ output ports.
 Does the HDMI _____ on the _____ to _____ things?
 Does _____ projector _____ inputs or _____ enable _____ to connect _____ other _____?
 Does the _____ HDMI _____?
 _____ the _____ have the ability _____ connect _____ other devices through _____?
 _____ know _____ projector has HDMI _____ for _____ device linking?
 Is the projector able to _____ electronics _____ ports?
 Is _____ to use _____ input/output port _____ projector?
 _____ get easy _____ through the projector _____ HDMI input?
 _____ is _____ to connect external _____ to the _____ ports _____ a _____.
 Is it _____ that _____ projectors _____ with _____ to _____ connections?
 _____ it _____ that _____ projector _____ with HDMI _____?
 Does _____ a _____ port which would _____ easy use _____ devices?
 Could _____ if this projector has _____?
 _____ connect _____ though the HDMI output and input _____ the projector.
 _____ this projector _____ any _____ input/output _____?
 Are _____ connections _____ effortless _____ linking?
 Is _____ with other devices via _____ HDMI ports?
 _____ there _____ on this projector.
 Do _____ ports on _____ HDMI?
 _____ this projector allow _____ to _____ other _____ devices with _____ HDMI _____?
 Does _____ come with _____ HDMI port that _____ easy _____ on _____?
 _____ easy connections _____ the projector and HDMI inputs?
 Do _____ allow _____ to connect the _____ to other _____?
 _____ you connect _____ device with _____ ports for the projector?
 Does this _____ have HDMI _____ or _____ can be daisy _____ compatible with _____?
 Does _____ built-in HDMI _____ or outputs?
 _____ you know if _____ HDMI _____ in _____ projector?
 Is _____ true the projector _____ connections _____ seamless _____?
 _____ the projector have _____ HDMI _____?
 Does _____ have _____ so you can connect to _____?
 Is it _____ the ports _____?
 _____ the HDMI ports allow _____ to _____ the _____ devices?
 Is this projector _____ it comes with HDMI inputs _____?
 Do _____ if they have _____ that _____ through HDMI ports?
 _____ possible _____ connect external _____ through _____ HDMI outputs on _____.
 Are the _____ projector included?
 _____ projector _____ with HDMI inputs _____ so _____ connect it to other _____?
 _____ possible _____ the ports _____ projector _____ compatible with HDMI?
 Do _____ ports allow _____ electronics with this projector?
 _____ there HDMI _____ the _____?
 _____ that _____ projector has HDMI connections for _____ device _____?
 Do the _____ ports _____ projector allow _____ connecting _____?
 Are _____ any _____ ports in _____?
 I _____ if there _____ any _____ ports _____ the _____?
 _____ there _____ projector _____ ports?
 _____ is _____ to use _____ ports on _____ projector to _____ external _____.
 We can connect to the _____ devices _____ it _____ or _____.
 Does _____ projector _____ HDMI port that _____ easy _____ for _____ devices?
 _____ this _____ come with HDMI inputs _____ so _____ it can _____ connected _____ devices?

Is ____ projector ____ to ____ to ____ devices ____ a HDMI ____?

Is ____ projector ____ the ____?

Does the projector ____ outputs ____ it can ____ connected to other ____?

____ any ____ connections ____ this ____?

Is it ____ that these projectors ____ connections?

It is possible ____ devices ____ be ____ through ____ and input ports ____ projector.

____ there any built-in HDMI inputs ____ outputs ____?

Do the ____ ports ____ this projector ____ you ____ connect ____?

____ possible that ____ includes HDMI compatibility?

It is ____ connect external devices ____ the ____ input ____ on this ____.

____ projector have ____ connections?

____ the HDMI ____ for ____ allow ____ to connect ____ electronics?

____ the ____ ports for ____ projector ____ to ____ things ____ the projector?

____ the HDMI ____ projector allow you ____ use it ____ things?

____ want ____ know if this ____ ports ____ easy device ____.

Do ____ HDMI ports for ____ you ____ things with ____?

Are ____ ports for ____ projector ____ to connect ____ multiple ____?

Are ____ sure ____ have onboard ____ on the ____?

Is ____ possible ____ projectors ____ easy ____ HDMI connections?

Can ____ me if the projectors ____ with ____ connections?

Do ____ ports ____ you to connect the ____ other ____?

Is ____ equipped ____ connections for easy device ____?

____ if it is ____ to connect ____ a projector through ____ HDMI output/input ports.

Does ____ have HDMI ____ for easy ____?

____ the ____ have ____ HDMI connections?

____ a projector ____ a HDMI input/output ____?

____ can ____ projector's other devices if ____ projector comes ____ or outputs.

____ this ____ have HDMI inputs or outputs, so ____ to ____ devices?

Are there ____ on ____ projector?

Is ____ these projectors have ____?

What ____ a ____ easy-to- ____ HDMI ____?

____ the projector ____ devices via ____ ports?

Is ____ compatible ____ a ____ connection?

____ possible ____ devices through the HDMI output/input ____ on ____.

____ it ____ that this projector ____ HDMI?

Is ____ to ____ this projector ____ other ____ ports?

____ the HDMI ____ projector allow you ____ connect ____ to them?

Do ____ HDMI ports for ____ permit you ____ other ____?

____ projector ____ with HDMI ____ or outputs so ____ we ____ to ____ projector's ____ devices?

____ the projector ____ other things via ____ ports?

The ____ has HDMI ____ easy ____ connection.

Do ____ HDMI ports ____ allow you to ____ else?

____ ports on this ____ allow you to connect ____?

____ ports in the projector allow ____ connect other ____?

Could you ____ that ____ connections?

Does ____ projector ____ HDMI port ____ will allow ____ connect ____ other ____?

It's ____ connect external devices through ____ ports ____ this ____.

Is the ____ other gadgets because it comes ____ or ____?

____ considered ____ with easy-to-use HDMI ____?

Do ____ come ____ access HDMI connections?

Did _____ the projector _____ connections?

Is it possible _____ HDMI port on _____?

_____ is not certain _____ devices _____ connected _____ the HDMI output _____ ports _____ projector.

Is _____ projector has _____ connections for _____ device linking?

_____ HDMI _____ you to connect _____ with electronics?

_____ projector _____ with _____ input/output ports?

_____ wonder if the _____ HDMI ports _____ easy _____.

_____ are any ports _____ this _____ that will _____?

_____ input and output _____ for _____ to other devices?

Are there _____ HDMI _____ the _____?

Do the _____ port allow _____ to _____ the _____ things?

_____ the HDMI _____ the _____ allow you _____ use _____ devices?

Does this _____ which would allow easy _____ other devices?

_____ you tell _____ these projectors come with _____?

_____ it possible that _____ compatibility?

_____ is _____ connect _____ devices through the HDMI output and input _____ on _____.

It _____ possible to connect external devices _____ the _____ output _____ the _____.

_____ the _____ equipped with HDMI _____ for _____ linking?

_____ it possible that _____ projector has HDMI _____ for _____?

_____ the HDMI _____ allowed _____ to _____ projector _____ other devices?

It _____ not certain if it is _____ to _____ external _____ the _____ on _____ projector.

Are _____ HDMI connections _____?

_____ though not certain, _____ external devices through the HDMI _____ ports _____ projector.

Is this _____ connected _____ device linking?

_____ possible to use _____ and _____ this projector to _____ external devices.

Did the _____ a _____?

Is _____ this _____ has HDMI for _____ devices?

Can I _____ HDMI _____ outputs _____ projector?

_____ have HDMI ports _____ that you can connect _____ electronic _____?

_____ tell me if you _____ on this projector?

_____ projector has _____?

_____ the HDMI _____ allowed _____ connect _____ projector _____ other things?

Does the projector _____ a _____ port _____ let _____ use _____ devices?

Is _____ HDMI _____ on this _____?

Do _____ HDMI ports allow _____ to _____ with _____ projector?

Are the _____ this projector able to connect _____ one _____?

_____ it _____ the projector design _____ plugs?

Does this _____ have a _____ allow _____ on other devices?

_____ connect this _____ to other _____ using HDMI ports?

_____ you _____ you can use HDMI _____ on _____?

Is _____ possible _____ the projector's _____ output and _____?

Does _____ projector come with HDMI _____ that _____ be used _____ gadgets?

Can _____ use _____ HDMI input/output ports _____?

_____ can connect _____ the _____ comes _____ HDMI inputs or outputs.

_____ projector come _____ any _____ ports?

_____ you tell _____ if they have _____ connect to other _____?

Does the projector _____ with _____ HDMI _____ can be _____ other _____?

_____ projector _____ HDMI _____ or outputs so _____ it _____ with many _____ devices?

I _____ there _____ any HDMI input/output ports _____.

Do the _____ ports allowed you _____ the _____ with _____?

_____ ports _____ this projector _____ to connect other device?

Is it possible that this _____?

Do the HDMI _____ the _____ for more _____ one _____?

_____ connect external devices through _____ output/input ports on _____.

_____ is possible for _____ to be _____ to the projector _____ and input _____.

_____ ports allow you to connect _____ electronics with _____?

Is it _____ to connect _____ projector _____ via HDMI _____?

_____ this projector has HDMI ports _____ easy device _____.

_____ with _____ or inputs _____ can connect other devices?

It _____ that external devices _____ connected to _____ projector through the _____ and _____.

_____ have HDMI _____ on this _____?

Is _____ true _____ projector has HDMI _____ connecting?

_____ the _____ the ability to _____ other things via the _____?

Does this projector _____ more _____ HDMI _____ with _____ gadgets?

_____ I use _____ with _____ devices _____ its _____ input/output ports?

Is _____ equipped with HDMI _____ linking?

Is there a _____ for connectin'?

_____ it _____ that HDMI plugs _____ included in _____?

_____ carrying HDMI ports?

Does _____ projector _____ HDMI port which _____ connecting to _____ devices?

Do the HDMI _____ for _____ allow you _____ them?

_____ projector _____ port, which would _____ easy _____ to other _____?

_____ I use a _____ port _____ my _____?

_____ it _____ that this projector _____ device linking?

_____ certain, it is _____ external devices _____ output/input ports on the _____.

_____ this _____ compatible _____ gadgets _____ HDMI inputs or outputs?

Is there _____ HDMI _____ this _____?

It _____ to connect external _____ to the _____ input/output _____.

_____ the projector _____ that _____ has _____ seamless device linking?

Are you sure _____ on _____?

Can I _____ my device _____ HDMI input/output ports?

Does this _____ or outputs so that it _____ be _____ chain _____ other _____ devices?

Does this _____ HDMI ports to _____?

Is _____ HDMI connections on _____?

Is _____ possible to _____ ports to connect _____ other _____?

Are you _____ about the _____ ports _____ projector?

It is _____ to use _____ of a _____ external devices.

I wonder _____ the projector _____ HDMI connections _____.

I want to _____ if this projector _____ device _____.

_____ I use HDMI _____ ports on _____?

Do _____ projector let you _____ to other devices?

Is _____ possible _____ to other devices _____ HDMI ports?

Is _____ support _____ ports on the projector?

_____ there any _____ in _____ projector?

Can I _____ my device to the _____?

_____ these _____ with _____ to reach HDMI _____?

Is it _____ the HDMI output/input _____ the projector _____ connect _____ devices?

_____ can _____ the projector's _____ the HDMI inputs or outputs.

_____ with a _____ port which is easy _____ use _____ other _____?

Does the _____ come _____ outputs _____ that _____ can connect to _____?

_____ the _____ HDMI _____ and output?

Does _____ projector _____ HDMI _____ connect with a _____ devices?

Do the _____ on _____ projector _____?

_____ possible _____ projector had _____ compatibility?

_____ is possible to _____ to _____ projector using _____ input/output _____.

Do the HDMI _____ you _____ the projector with _____?

Did the _____ projector _____ you to connect _____ devices?

Is _____ able to _____ connected to _____ the HDMI ports?

The _____ this projector may allow you to _____.

_____ ports on the projector _____ you to _____ the devices _____?

Though not _____ it _____ possible _____ the HDMI _____ ports on the projector.

_____ it _____ that _____ projector has HDMI connections _____ device _____?

Could you _____ if _____ projector _____?

_____ with HDMI inputs or _____ so that _____ can be _____ to _____?

The HDMI _____ the projector _____ to other devices.

Is _____ projector compatible _____?

_____ this _____ HDMI _____ or outputs _____ it can _____ other gadgets?

Can the _____ this _____ be used _____?

It is possible to _____ ports _____ this _____ to connect _____.

_____ this _____ have HDMI ports to _____ to _____ electronic _____?

_____ the HDMI ports _____ allow you to use _____?

_____ this projector be _____ other _____?
