

[Demo] NLP Dataset for Customer Service Automation

Company Type	Internet Service Providers
Inquiry Category	Network coverage and availability questions
Inquiry Sub-Category	Slow internet speed
Description	Customers experience consistently slow internet speeds, and this category includes inquiries regarding potential reasons behind the issue and possible solutions to improve the speed.
Data Size	7,545 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Internet Service Provider" customer inquiry. (Purchased data will not be masked.)

_____ time _____ exhibit _____ lower _____ transfer rates _____ to _____ this month/year period?

Was _____ rate noticeably slower _____?

_____ transfer rates _____ down during _____ periods _____ the _____?

_____ you observing _____ speeds _____?

_____ a lower _____ speed for _____?

Is there a particular _____ are _____?

Do you _____ if specific _____ slower data _____ this _____?

Do time _____ have _____ lower _____ to others?

_____ time frames show a _____ in data _____ rates _____?

_____ it _____ if a particular _____ has dramatically _____ throughput _____ to others within _____?

_____ specific _____ periods have lower rates _____ transfer _____ to _____?

Do _____ time _____ lower transfer rates compared _____?

_____ a _____ duration _____ reduced throughput compared to _____ a month _____ year?

Do specific time periods _____ a _____?

Will certain _____ days within _____ lower upload/download speeds?

_____ there _____ where transfer rates _____ slower this _____?

Is it possible to say _____ download _____?

_____ time periods _____ much lower data _____ compared to _____?

_____ a lower _____ within this _____ or year?

_____ there seem to _____ drops _____ transfer rates _____ hours _____?

Do some _____ show _____ speeds _____ time?

Should _____ frames _____ in data transfer _____?

_____ certain _____ frames have slower data _____?

_____ data speed slower _____ certain _____ in _____.

_____ any _____ of _____ month _____ the _____ show _____ throughput?

Will certain _____ days _____ speeds?

Was there _____ frames _____ slower _____ month?

Some _____ might _____ a decrease _____ data _____ rates.

____ it ____ that ____ data transmission ____ in the monthly/annual timelines?
 Do ____ think it is ____ for certain ____ slower ____ transfer ____ than ____?
 In ____ time periods, ____ decline?
 ____ may be times ____ the monthly/annual timeline ____ transmission _____.
 ____ we see ____ speeds in ____?
 Data ____ speeds ____ lower ____ time frames.
 Does ____ monthly/annual cycle ____ a decline ____ data ____ rates ____?
 Do ____ periods ____ data ____?
 There ____ certain ____ in ____ timelines where ____ might ____ reduced ____ transmission _____.
 ____ any ____ with slower transfer rates ____ year?
 Do specific ____ transfer rates ____ to ____?
 ____ be ____ frames ____ slower data ____?
 Are ____ specific ____ with ____ data ____?
 Is ____ to say ____ particular durations ____ speeds?
 ____ there ____ specific ____ in ____ monthly/annual timeline where ____ might encounter ____ transmission ____?
 Can ____ identify the ____ that ____ slower data ____?
 Is there any instance ____ transfers ____ slower ____?
 ____ it ____ if ____ duration ____ significant reduced throughput ____ to others?
 ____ there a difference ____ exchange ____ different times?
 Can ____ tell ____ if ____ are differences ____ data ____ downloads ____ times during the ____?
 Is ____ possible that ____ might ____ data ____ rates in ____ timelines?
 ____ it possible that ____ hours/days ____ data ____ speeds ____ month/ ____?
 ____ certain hours to ____ slower ____ transfer speeds?
 Is it clear if any ____ compared to others?
 ____ possible ____ that certain durations reduced download/upload ____?
 ____ there a specific ____ with ____?
 Is ____ to ____ transfer speeds during certain ____.
 Do certain ____ frames ____ steep ____ data transfer ____?
 ____ to say ____ certain ____ display ____ reduced download/upload speeds?
 ____ a ____ in data ____ rates ____ certain times ____ the ____?
 There ____ in the monthly/annual ____ where we might ____ transmission _____.
 ____ the data rates ____ certain periods this ____?
 Is ____ accurate to say ____ download/upload velocities?
 Data ____ could ____ in some time ____.
 ____ have decreased transfer ____ recently?
 Can ____ if ____ are periods that ____ slower ____?
 Will there ____ time frames for ____ this ____?
 ____ difference ____ data transfer rates ____ specific period?
 ____ you think there ____ some ____ when ____ are ____?
 ____ it ____ to ____ lower data ____ a ____ time span?
 ____ frame ____ lower data transfer ____?
 Does specific time frames ____ transferring info?
 Is it ____ to observe lower ____ time ____?
 ____ hours or days ____ period lower ____ and download speeds?
 Do ____ times ____ a ____ in ____ rates?
 Is ____ where ____ might see decreased data ____ rates?
 Do ____ time frames show ____ transfer ____ information?
 ____ time frames have ____ transfer ____?
 ____ you ____ certain ____ throughout this ____ have ____ download speeds?
 ____ us ____ when certain ____ lower download ____ compared to other ____?

_____ it possible _____ identify _____ with _____ transfer?

There are _____ show _____ speed.

Is _____ true _____ certain durations display _____ in _____?

Do the _____ show noticeable dips _____ data _____?

Do _____ have dips in _____?

Could _____ tell _____ if _____ times _____ month/year _____ download speeds than _____?

Do _____ moments _____ noticeably _____ rates _____?

Do there _____ to be _____ data _____ during different _____?

_____ rates may be lower _____ periods this _____.

_____ there a certain _____ data _____ are _____?

_____ certain _____ slower _____ transfer speeds _____ month/year?

Will _____ or _____ within _____ time frame exhibit lower _____ and _____?

_____ intervals show decreased _____ recently?

_____ some _____ time frames show a _____ of _____?

_____ certain _____ have decreased _____ speeds _____?

Do _____ know if there _____ differences _____ data _____ certain times _____ the _____ of _____ year?

Do we _____ rates _____ certain _____ the year?

Is it _____ in _____ upload/download speeds at certain _____?

Will certain _____ or _____ the _____ period _____ lower upload/download _____?

_____ certain _____ show _____ data transfer rates?

Is it _____ data _____ been slower _____ times?

Is it _____ certain moments within _____ show slower _____?

_____ time frames _____ speeds now?

_____ dramatically _____ throughput rates in _____ periods?

Do certain _____ data _____ speeds?

_____ speed _____ at certain times of the _____.

Will certain _____ or days _____ this _____ period _____ speeds?

Is _____ have a lower _____ speed in _____ hours?

_____ slower in data _____ speeds _____ month?

_____ certain _____ show _____ data _____ this month/year?

_____ you know if _____ are time _____ this month?

_____ there time frames with _____ transfer _____?

_____ have _____ times _____ data transfers _____ slower?

Is _____ in _____ transfers at _____ times?

What if _____ intervals within _____ show _____ connections _____ to _____?

_____ specific hours where _____ is _____?

Is _____ certain time _____ data _____ will be _____?

There are _____ moments _____ the _____ timelines _____ transmission _____ decrease.

_____ there specific _____ transfers are _____?

Is _____ speed _____ at _____ times _____ the _____?

Would you _____ us know _____ certain times _____ year _____ lower _____?

Are _____ slower transfer _____ recently?

_____ specific time periods _____ decrease _____ transfer _____ to others?

Do certain _____ show a _____ in _____?

_____ hours or _____ show _____ speeds?

_____ specific _____ show _____ decrease _____ the data transfer _____?

_____ time periods with _____ rates _____ slower _____ month?

_____ it clear _____ particular duration has _____ throughput compared to _____ month _____ year?

Do some _____ show a _____ in _____?

_____ data rates go _____ in certain _____ this _____?

There might _____ where _____ might see decreased data transmission _____.

Would _____ be right to _____ particular _____ download/upload _____?

_____ it _____ accurate to _____ that _____ reduced the _____ speeds?

Can _____ have lower _____ to others?

_____ certain moments _____ data _____ speeds over a _____ of _____?

_____ it _____ any _____ experiences reduced throughput _____ to _____ over time?

There _____ be _____ within the _____ where data _____ decrease.

_____ is _____ certain hours to _____ transfer speeds.

Can specific intervals _____ slower connections _____ other _____ year?

Is there _____ within the _____ rates are reduced?

Is it _____ if _____ duration has _____ throughput compared _____ others _____ month _____?

_____ parts of this _____ show _____ decline _____ transfer _____ level?

_____ certain _____ have _____ dataspeed?

_____ you witness _____ speeds _____?

Would it be accurate to _____ certain _____?

_____ hours/days _____ slower data transfer _____?

_____ it possible that _____ throughout _____ demonstrate lower download _____?

_____ data rate _____ in certain _____ month _____ year?

Is _____ possible that _____ encounter _____ rates within the monthly/annual _____?

_____ are _____ moments within this _____ with _____ transfer _____

_____ frames have _____ data transfer _____?

_____ know if _____ any periods _____ have slower data _____?

_____ it accurate _____ that _____ durations _____ download speeds?

_____ moments _____ lower _____ speeds?

_____ it _____ accurate _____ say that the _____ reduced _____ speeds?

_____ specific period _____ data?

Can _____ tell me _____ are any _____ the data _____ and download _____ at certain _____?

Does certain moments _____ rates _____?

_____ rates decrease over _____ month/year?

Can we _____ speeds _____ lower?

_____ clear _____ any particular _____ has a significant reduced _____ compared _____ others _____ a _____ year?

_____ if a _____ duration _____ noticeably reduced throughput compared _____?

_____ you let _____ know if _____ times _____ the month _____ lower _____?

Is _____ period _____ reduced _____ rates within the _____?

Do _____ have _____ speed in _____ time period?

_____ some moments _____ transfer _____?

_____ it _____ that _____ durations show a _____ in _____?

It would be _____ have slower data _____ speeds.

_____ display _____ data rates?

Is it _____ for _____ to have slower _____?

_____ dropping monthly/yearly _____ time periods?

Is _____ a specific _____ slower _____?

Is there _____ noticeable _____ in _____ transfer _____ during _____ time _____?

Did data _____ go down in _____ time _____?

_____ some _____ this period _____ a _____ in _____ rate?

Do _____ cycles show _____ in _____ at _____ times?

Do _____ the different _____ in the _____ of transferring _____?

_____ you _____ data _____ lately?

_____ there time frames _____ data _____ month?

_____ be _____ when _____ transfers are noticeably _____ here.

Do ____ time ____ lower ____ of ____ transfer compared to ____?
 ____ a decline in ____ in certain areas of ____?
 ____ possible for certain ____ to have ____ speeds ____ to ____ others?
 ____ the ____ noticeably slower during ____?
 Do ____ show ____ speed of transferring information?
 Will certain hours or ____ within ____ a lower ____?
 ____ showing decreased ____ speeds lately?
 ____ possible ____ certain ____ reduce download/upload ____?
 ____ you ____ of the year ____ lower ____ speeds compared to ____ times?
 Would it ____ accurate to ____ specific ____ reduced ____?
 Is ____ possible ____ lower ____ speeds ____ time periods?
 ____ true ____ reduce download/upload speed?
 Do ____ have poorer data ____ rates ____ others?
 Is ____ specific time ____ data ____ slow?
 ____ periods ____ slower ____ speeds in this ____?
 ____ know if any ____ duration ____ throughput compared ____ others ____ a ____ year?
 Will ____ hours ____ within this period ____ slower ____?
 ____ there ____ specific ____ with slower ____?
 ____ moments within ____ show slower data transfer ____?
 Is ____ clear ____ has reduced throughput ____ to ____ durations within a ____ or ____?
 Is ____ a difference ____ transmission rates ____ certain ____?
 Can ____ give us ____ that ____ reduced data transfer rates?
 Is ____ speed ____ at ____ times ____?
 Is ____ in the data exchange ____ different months?
 Do we ____ a ____ rate ____ time periods?
 Do ____ hours/days ____ slower data ____ this ____?
 Are there ____ when ____ slower?
 ____ frames have lower transfer ____?
 Does ____ period ____ rates?
 ____ intervals show slower connections ____ other times ____ month/year?
 In ____ time ____ throughput ____ decline?
 ____ there ____ frames for slow ____ this ____?
 ____ has been a ____ data transfers at ____.
 Do ____ data speeds in this ____ period?
 ____ specific time ____ a ____ in data ____ rates?
 Do ____ display a dip in ____ rates?
 ____ there time frames ____ transfers this ____?
 There ____ hours that ____ slower data ____ speeds ____.
 ____ particular ____ periods have ____ speeds?
 ____ different time frames show ____ the ____ of transferring ____?
 ____ time periods have ____ transfer ____?
 ____ hours or days within ____ time period ____ lower ____ speeds?
 Is ____ possible ____ certain ____ have ____ speeds this year?
 ____ within the ____ of reduced transfer rates?
 Did ____ know that ____ times throughout this ____ have ____ to ____?
 Are ____ days that ____ data ____ speeds ____ month/year?
 ____ any time ____ with ____ transfers?
 Do ____ have ____ data ____ recently?
 ____ that ____ hours have less data transfer ____ than ____?
 Which time ____ transfer rates ____ month ____ year?

Do _____ have _____ data _____ recently?

Do specific _____ show noticeably _____ transfer _____?

Will certain hours _____ days _____?

_____ or days _____ allotted _____ have lower upload/download speeds?

Is there _____ this _____ for _____ transfers?

Did data rates go down _____ this month _____?

Within specific _____ can _____ see lower _____?

_____ you _____ if certain times throughout _____ month/year _____ speeds?

_____ data _____ slower during _____ period?

_____ it _____ a _____ reduces _____ compared _____ others within a month or _____?

_____ we _____ if any periods _____ much slower _____?

Can _____ periods _____ much slower data _____?

Is _____ possible certain intervals _____ transfer _____?

_____ showing lower transfer _____ lately?

Are _____ within _____ month with _____ transfer _____?

_____ any specific moments _____ this _____ have _____ transfer rates?

_____ specific times have _____ lower _____ rate _____ others?

Are there _____ this _____ that _____ lower _____ transfer _____?

Does _____ transfer _____ down this _____?

_____ a _____ in data _____ during _____ times?

_____ there be _____ with _____ rates?

Do _____ frames _____ data _____ speeds now?

There are specific moments within _____ slower _____.

_____ any periods _____ is much slower?

_____ certain hours _____ time period _____ lower upload/download speeds?

_____ you think _____ observed lower data _____?

Do particular _____ periods _____ speeds?

Do certain _____ lower _____ rates?

Does _____ seem _____ rates _____ certain hours _____ dropping?

_____ there _____ transfer _____ this month/year?

_____ any _____ days/hours _____ have slower data _____ speeds?

_____ know _____ there is _____ decrease _____ data _____ rates _____ time periods?

_____ it clear if _____ duration _____ throughput compared _____ others _____ month or _____?

_____ true that certain durations _____ significantly _____ download/upload _____?

Is certain _____ in data _____ rates?

_____ specific _____ with _____ data speed?

_____ parts of _____ decline in _____ rate level?

_____ show decline in _____ transfer rates?

_____ the monthly _____ show _____ drop _____ rates at _____ times?

Is there _____ speed _____ certain _____?

There could _____ the _____ timelines _____ we might see _____ transmission _____.

Is it _____ a particular duration has a reduced _____ in a _____?

_____ have _____ lower data _____ recently?

_____ possible to _____ a lower _____ transfer _____ certain hours?

_____ certain hours or _____ this _____ period have _____ speeds?

_____ possible _____ data transfer speeds _____ certain hours.

Do _____ have slower data _____ this month/year?

_____ it _____ that certain _____ the _____ speeds?

_____ specific times _____ speeds _____ the current year?

Would _____ be _____ say _____ specific _____ reduced downloads?

Is it _____ certain _____ decreased transfer _____ ?

Do _____ periods _____ lower data _____ rates _____ others?

_____ a noticeable decrease in data _____ times?

Is _____ or days _____ allotted _____ period lower in _____ ?

_____ there _____ particular day/hours _____ slower _____ speeds this month?

Have we _____ speeds?

_____ certain _____ have lower _____ speeds _____ the current _____ ?

_____ one _____ reduced _____ rates?

Is _____ that the durations _____ reduced download/upload _____ ?

Is _____ time _____ with _____ data transfers?

In _____ month or _____ dip noticeably?

_____ we find _____ data _____ slower?

_____ data transfer rates _____ time _____ ?

Is _____ transfer _____ certain times this _____ ?

_____ you _____ are _____ when data transfers _____ slower?

Do certain _____ slower _____ or year?

Is _____ possible _____ within _____ demonstrate slower _____ transfer speeds?

_____ have _____ observed lower _____ recently?

Data transfer _____ go _____ time _____ .

Data rates _____ dip in _____ month or _____ .

Is _____ possible to see lower _____ speed _____ ?

Do some moments _____ have _____ ?

Do _____ know if certain _____ throughout _____ month/year _____ download speeds _____ ?

Is _____ lower _____ within this month or _____ ?

Is _____ in _____ certain month?

There _____ times _____ this period where _____ rates _____ .

_____ this _____ are specific _____ slow data speed?

_____ down monthly/yearly _____ certain periods?

_____ it true that _____ durations show _____ download/upload _____ ?

_____ there _____ hours and days that _____ data _____ ?

Did _____ go _____ times this month?

Do some time _____ transfers?

Is _____ in transfer _____ at certain times _____ ?

Do you _____ there _____ noticeable _____ data _____ rates?

Do _____ time frames _____ transfer rates recently?

Does it show if a _____ throughput compared to _____ or _____ ?

Do you think it is _____ for _____ lower data _____ ?

_____ tell _____ slower data transfer?

_____ there _____ times _____ transfers slower?

_____ it possible for _____ slower data _____ compared _____ other hours?

_____ experience diminished transfer _____ ?

Data _____ rates _____ some time periods.

Do _____ see _____ throughput rates _____ periods?

Do time _____ noticeably lower _____ to _____ time periods?

_____ you remember seeing _____ speeds _____ ?

Do _____ times when data speeds _____ ?

_____ a way for certain hours to _____ speeds compared _____ ?

Can you _____ me _____ are any noticeable _____ the upload _____ certain times?

_____ there _____ transfer rates _____ specific time frames?

_____ it true that _____ durations _____ reduced download/upload _____ ?

_____ are _____ hours _____ days _____ slower data transfer _____ this _____.
 Will _____ or days _____ time period _____ slower download _____?
 _____ particular _____ that have slower _____ transfer speeds this _____ year?
 _____ any _____ experiences reduced throughput _____ others within a month _____ clear?
 Is it possible _____ significantly reduced download/upload _____?
 Do _____ time _____ have _____ speeds _____?
 _____ timeframes _____ slower _____ speeds over _____ course of _____?
 _____ certain _____ does the _____ speed _____?
 _____ certain _____ frames show _____ in _____ rates _____ time?
 _____ some _____ do _____ see _____ throughput rates?
 Do _____ time frames show _____ in _____ rates?
 _____ intervals _____ transfer _____ lately?
 _____ tell us _____ certain _____ in _____ have lower _____ speeds _____ others?
 _____ transfer rates decline in _____?
 Do _____ slower data _____?
 _____ you _____ there are _____ in _____ speeds _____ certain times over _____ course of _____ year?
 Do _____ frames have _____ data _____?
 Is _____ to see lower _____ within time _____.
 Do certain hours _____ days _____ speeds _____ month/year?
 Do _____ have noticeably _____ transfer speeds?
 Do _____ seem _____ have _____ transfer rates _____?
 _____ there a _____ decrease in data _____ rates during _____?
 Do you _____ if you _____ observed lower _____?
 _____ there _____ noticeable decrease in data _____ rates during the _____?
 Is _____ lower data _____ speeds in certain _____?
 _____ speed lower _____ certain _____?
 Has _____ speeds lately?
 Is it possible _____ have _____ data _____ speeds?
 _____ it _____ that _____ times _____ the _____ lower download speeds?
 _____ there _____ times _____ the monthly/annual timelines where _____ decreased _____ rates?
 Do _____ a decrease in data _____ speeds _____?
 Has _____ been _____ drop _____ transfer _____?
 Any _____ periods _____ slower _____ year?
 Is _____ intervals _____ slower _____?
 _____ know which _____ exhibit _____ data _____ speeds this _____?
 There _____ certain moments within the monthly/annual _____ see _____ rates.
 _____ a certain time _____ the month _____ might _____ transmission rates?
 _____ it _____ some hours to have _____ data _____ others?
 Do periods _____ speeds?
 Is _____ a specific _____ data speeds?
 Do the _____ transfer rates compared to _____?
 Is _____ possible _____ have _____ in certain hours?
 Do certain _____ slower _____ transfer _____ this month/ _____?
 _____ time periods _____ lower _____ rates compared to _____?
 Do some _____ speed than _____?
 Is data _____ within _____ period?
 _____ there _____ clear instances _____ transfers are noticeably _____?
 Do some _____ show _____ transfer rates?
 _____ certain moments _____ a _____ transfer _____?
 _____ there any noticeable _____ in data _____ times?

____ there ____ times when we might ____ transmission ____?
 Will ____ hours or ____ within ____ period exhibit ____ upload/ ____?
 Do time frames show ____ the ____ of ____?
 Is it ____ certain ____ experiences reduced throughput compared ____?
 ____ a ____ transfer rates during a specific ____ period?
 Can you tell me if there are ____ data ____ certain ____ the ____?
 Is ____ a difference in ____ transfer rates ____.
 ____ there ____ data exchange pace during different periods ____?
 ____ parts of ____ period show a decline ____ rate ____?
 ____ slower ____ certain times?
 Do ____ time periods have ____ rates ____ to ____?
 Do ____ demonstrate slower data transfer ____ month?
 ____ it possible ____ hours ____ have slower ____ than others.
 Does specific ____ show ____ speed of transferring ____?
 Do ____ time frames ____ declines ____ transfer ____?
 ____ time ____ slower ____ transfer ____ now?
 ____ difference ____ the ____ of data ____ during this ____ period?
 ____ certain time ____ have slower ____?
 ____ certain ____ in ____ transfer ____ over ____ course of a year?
 Do timeframes ____ lower ____ speeds ____ current ____?
 Do ____ periods ____ in this time?
 ____ you ____ certain times throughout ____ year show lower ____?
 ____ there any ____ of this ____ or ____ where ____ significantly?
 ____ period show ____ data ____?
 Do certain ____ compared to ____ of the year?
 There ____ within ____ monthly/annual ____ we ____ decreased data transmission rates.
 Any times with ____ month?
 ____ frames show dips ____ information?
 Do specific ____ have lower ____ transfer compared ____ times?
 ____ lower throughput rates than ____ time periods?
 There ____ periods that ____ data ____.
 ____ are ____ when decreased ____ rates ____ occur.
 ____ frames for slower data transfers ____ month?
 ____ certain ____ have lower data ____ rates compared to ____?
 ____ are ____ with ____ data ____ this ____.
 ____ show a decrease in data transfer ____?
 ____ of ____ month experience ____ data speeds?
 Do ____ periods ____ data speeds during this ____?
 ____ there ____ differences ____ data upload/download ____ at certain times ____ a particular ____?
 ____ there time frames this ____ that ____ data ____?
 ____ transfer rate level ____ decline ____ some parts ____.
 ____ specific ____ periods exhibit ____ transfer ____ compared ____ others?
 ____ specific ____ periods ____ lower transfer rates compared ____ periods?
 ____ you ____ lower ____ recently?
 ____ possible ____ certain ____ this ____ show slower connections ____ other times?
 Do ____ frames ____ dips ____ the speed of ____?
 ____ know ____ any periods ____ slower data ____?
 ____ particular time ____ reduced ____ rates?
 ____ possible ____ there are differences ____ uploading/download ____ certain times ____ the month?
 ____ particular ____ and ____ have slower data ____ speeds?

Do some _____ rates?

Do you know if there _____ data transfer rates _____ time _____?

Will certain hours and days within _____ time _____?

Are _____ certain _____ that have _____ transfer _____?

_____ a _____ certain hours to have _____ transfer speeds?

_____ there a _____ rates are _____?

Will _____ be periods _____ the _____ reduced?

_____ may be _____ we might see _____ data transmission rates.

Do specific time frames show _____ transferring _____?

_____ there a _____ this month _____ slower data _____?

_____ see _____ throughput rates _____ average _____ some time _____?

Do _____ time periods _____ a _____ rate _____ transfer?

_____ it clear _____ any particular duration _____ throughput compared _____ others within _____ month _____?

Can we _____ lower data speeds _____?

Is _____ clear if _____ experiences a reduction in _____ to _____?

_____ the time _____ show different _____ in _____ of _____ information?

Is _____ that have _____ data _____ speeds _____ month?

_____ it _____ that parts _____ this period _____ decline in _____ rate _____?

Do _____ decline in _____ spans?

Do _____ moments _____ slower _____ rates?

Will certain _____ or _____ this time period _____ upload/download _____?

Is _____ time periods _____ slower transfer _____ this _____?

Do some _____ lower _____ this time period?

_____ some specific _____ frames _____ a _____ in data _____?

Is _____ a time _____ with _____ rates this _____?

_____ possible _____ certain intervals within _____ connections _____ to other times?

_____ the _____ speed slower _____ months?

_____ time frames really _____ speeds?

_____ transfer _____ certain time frames.

Do _____ frames _____ decrease _____ data transfer rates?

_____ a decrease in data _____ specific time frame?

_____ certain _____ frames have _____ data transfer _____?

_____ periods _____ lower _____ transfer _____ compared to other times?

_____ there instances _____ data _____ slower?

_____ times _____ the data _____ are slower?

Is _____ moments when _____ slower?

_____ times of year _____ slower _____?

Will _____ or days within this _____ exhibit _____ speeds?

_____ are dips in data transfer _____ time _____.

_____ periods _____ slower _____ speed during this _____?

In _____ month _____ did the data rates _____?

_____ seem _____ be instances when data _____ slower?

_____ it _____ to say that _____ durations reduce _____?

Will there _____ rates at _____ times?

Data _____ might _____ dipped in _____ time spans _____.

_____ there lower data _____ speeds within _____ year?

Do some _____ data _____?

_____ specific time _____ show a _____ in _____ rates?

Are _____ hours and _____ slower _____ this month?

Did _____ frames show a dip _____ data _____?

Do these _____ show _____ data _____?

_____ specific time _____ show a _____ data _____ rates?

_____ you tell _____ there are _____ differences _____ data _____ and downloads _____ certain _____?

_____ hours or _____ lower download _____?

_____ hours within _____ time period exhibit _____ download _____?

_____ certain _____ have _____ transfer rates _____?

_____ know if certain _____ throughout this month/year have _____ comparison to _____?

Is _____ transfer rates _____ during _____ of the _____?

_____ time _____ this _____ with slower _____?

_____ there diminished _____ rates in _____?

_____ clear _____ particular _____ experiences _____ compared to others _____ a month or year?

Does data _____ been _____ period?

Is _____ possible _____ slower connections _____ to _____ times _____ the year?

Did _____ have _____ transfer rates _____?

_____ timeframes have _____ speeds than others _____?

Do certain _____ over _____ demonstrate lower data _____ speeds?

Is _____ to _____ lower data _____ speeds at _____ of _____ day?

Have _____ lower data _____?

_____ instances when _____ transfers _____ slower _____?

Do data _____ decrease during _____ time periods _____?

_____ might have _____ with _____ data transfers.

Do certain moments _____ year show _____ data _____?

Is the _____ speed _____ times

Data rates _____ down _____ time _____ this month _____.

_____ it possible _____ certain _____ show _____ data transfer _____?

We _____ like to _____ if certain _____ this _____ lower download _____.

Can _____ tell _____ if there are _____ upload/download speeds at _____?

Is _____ at a certain _____?

Does data _____ certain times _____ this period?

_____ it _____ to _____ lower _____ speeds _____?

Do _____ decreasing data _____ rates?

_____ particular time periods have _____ data _____ than _____?

Do certain time _____ decrease _____ speeds?

Do _____ time _____ show _____ in data _____ rates?

Do _____ know if _____ times _____ have lower _____ speeds _____ to _____ times?

Data transfers _____ be slower _____ certain times _____.

Some _____ have _____ in this _____.

Does _____ been _____ at certain times _____?

Could _____ if _____ times of _____ month show _____ download _____?

_____ certain _____ periods have lower data _____ compared to _____?

Is it _____ have _____ data transfer _____ certain hours?

Do _____ time _____ show _____ lower _____ data transfer?

Do _____ periods _____ lower _____ transfer _____ compared to other _____?

_____ there a _____ decline _____ rate level in some _____ this _____?

Is there _____ in _____ for _____ time periods?

Within _____ month, _____ you find _____ with _____ transfer _____?

_____ hours/days _____ slower data _____ speeds this month/year?

Can _____ tell me _____ is a _____ rates during specific _____ periods?

_____ there _____ decrease in data transfer _____ specific _____ are _____?

Is _____ speed _____ periods?

_____ you _____ if specific _____ slower data transfer _____ month?

Did _____ fall noticeably this _____ or _____?

During _____ time period, do _____ periods _____ speed?

Some _____ have _____ transfer rates.

_____ a _____ data rates?

_____ a lower _____ in some _____ periods?

_____ it possible that _____ lower data _____?

Some _____ have noticeably _____ rates _____.

_____ the time frames have _____?

_____ show reduced _____ rates?

_____ there _____ significant decrease in data _____ during _____ time _____?

Is there _____ noticeable differences _____ pace _____ different periods _____?

Is it _____ see _____ data speeds _____ a specific _____?

Is it possible _____ lower _____ certain _____ spans.

_____ certain time frames _____ in data _____ rates?

_____ data _____ during some time periods this _____?

_____ are times this month _____.

Could you _____ certain times _____ speeds compared to others?

_____ we _____ throughput rates during periods of _____?

_____ dips in the speed _____ transferring information?

Do _____ frames show different dips _____ transfer _____?

_____ there a _____ in _____ specific time periods?

_____ day/hours that exhibit slower data _____ speeds?

_____ possible _____ time frames _____ dips _____ speed of _____ information?

Do certain _____ experience _____?

Is it _____ get lower _____ transfer _____ hours?

_____ might be possible for _____ to _____ slower data _____ others.

_____ it clear if any _____ duration _____ reduced throughput _____ others within _____ or _____?

_____ slower _____ certain _____ this month?

_____ rates decline _____ certain _____ this _____ or month?

Does the _____ period _____ lower _____?

_____ it possible _____ certain _____ may have _____ speeds?

_____ have dipped noticeably _____ certain time _____.

_____ are times within _____ monthly/annual _____ where we might see _____.

_____ there _____ time periods _____ rates are slower _____ month _____?

_____ have slower data _____ speeds?

Do _____ lower throughput _____ during _____ periods?

_____ moments in _____ month show lower _____ speeds?

Is there _____ transfer rates _____ certain times?

_____ timeframes have lower _____ during _____?

_____ certain times throughout _____ demonstrate lower download _____ you _____?

Do some time frames _____ in data _____?

Do _____ times _____ data _____ are _____?

Do _____ time _____ show _____ in _____ transfer _____?

Does _____ reduced data transfer speeds _____?

_____ be a decrease _____ data _____ certain times.

Do _____ times _____ speeds?

_____ seem _____ be _____ in transfer rates _____ certain hours _____?

_____ lower data _____ in _____ current month?

_____ any _____ that have slower _____?

_____ we _____ data speeds?

Is _____ possible _____ some _____ time frames _____ a _____ transfer rates?

Are _____ noticeably slower at _____?

There _____ to whether _____ period show _____ decline in transfer rate level.

_____ data transfer _____ during _____ time periods this _____?

_____ certain _____ the _____ where we might _____ data transmission rates.

_____ any _____ periods with slow transfer _____ month or _____?

Do _____ decrease in data transfer _____?

Will _____ or _____ within this _____ exhibit _____ lower _____ speeds?

Did we observe _____?

Is _____ some _____ are slower?

Has _____ been slower _____ certain _____?

_____ there _____ drop in transfer rates _____ certain _____?

Will _____ hours _____ exhibit _____ speeds if any?

_____ current _____ is there _____ noticeable decrease _____ data _____ rates?

_____ specific _____ lower data transfer _____ compared to others?

Is _____ any _____ duration _____ a reduction _____ throughput _____ others within a _____ or year?

Data transfer _____ go down during _____.

Is _____ in data _____ rates when specific time _____?

_____ some _____ periods, do _____ see _____ throughput rates?

_____ we figure out which _____ transfers?

Is _____ particular duration dramatically reduces _____ to _____ durations _____ a month or _____?

_____ hours or _____ within this designated _____ lower _____ speeds?

Is there _____ specific _____ that have _____ speeds?

_____ you tell _____ there are _____ in _____ at certain _____ in _____ month?

_____ it possible _____ data speeds _____ time spans?

Do _____ a _____ in data _____ rates?

Do you _____ there is _____ difference in data _____ a certain _____?

_____ you see drops _____ transmission rates _____ specific _____?

Do certain time _____ show noticeable decreases _____?

Is _____ a decline _____ transfer rates _____ frames?

Is _____ or days _____ data transfer speeds?

_____ moments show lower _____ transfer speeds _____ the _____?

_____ specific _____ show _____ lower data _____ rate _____ other times?

_____ specific _____ lower data transfer _____ than _____?

Is there any evidence _____ data transfer _____ or _____?

_____ frames _____ data transfer speeds?

_____ data _____ decrease _____ this _____ year?

Has _____ been slower _____ lately?

_____ time frames may _____ a _____ transfer rates.

_____ there _____ in transfer _____ times?

_____ days slower in data _____ speeds?

_____ certain parts _____ this period _____ decline _____ rate level?

_____ some time frames have a _____ in _____?

Is _____ a _____ speed at _____ times?

_____ us when _____ times show _____ speeds _____ to others?

_____ timeframes _____ slower data _____ over _____?

_____ time _____ decrease data transfer _____?

_____ there moments with _____?

Do _____ periods have _____ period

_____ specific time periods tend to _____ transfer _____?

Is data _____ at _____ this _____?

Do _____ timelines _____ data speeds _____ the _____ month/year?

Do there _____ slower here?

_____ it possible _____ say that _____ durations _____ speed?

_____ have _____ data speed _____ this period?

Do _____ when data transfers _____?

_____ you _____ me _____ there are _____ in the _____ uploading _____ download speeds _____ certain times?

_____ certain times _____ data speed?

_____ some time _____ decrease _____ data transfer _____ over _____ year?

_____ you let us know if certain _____ month/year _____ download _____?

_____ you _____ which _____ exhibit _____ transfer speeds this _____?

Any time periods _____ slower _____ month?

Is it feasible _____ to have slower _____ than _____?

Do _____ transfer speeds lately?

_____ it clear if any particular _____ compared to _____?

_____ it clear if _____ particular _____ dramatically reduced _____ others _____ a month _____ year?

Are there _____ with _____ transfers.

_____ certain parts _____ the _____ a _____ transfer rate levels?

Is there a _____ decrease _____ transfer _____ during _____ time _____?

Do _____ know _____ particular hours/days exhibit _____ speeds?

Do _____ time _____ drops in data _____ rates?

For certain _____ it possible _____ have slower _____?

Data _____ can _____ certain hours/days.

Do specific _____ lower _____ rates _____ to other months?

_____ any _____ moments with slower transfer _____ this _____?

Are _____ instances _____ transfers?

Do _____ think there _____ in data _____ rates _____ certain _____?

_____ parts of _____ a decline _____ transfer _____ level?

_____ certain _____ frames _____ slower _____ transfers?

Do certain _____ notable declines in _____ rates?

Am _____ intervals showing _____ speeds _____?

_____ there certain hours _____ have _____ data _____ month?

_____ the _____ this month/year _____ decreased _____?

Is _____ that specific _____ within this period _____ a _____?

Data _____ lower in _____ time periods.

_____ you know if certain _____ slower data transfer _____?

_____ periods _____ transfer _____ this month/ year?

_____ there _____ specific hours or _____ that have _____ data _____?

_____ times for _____ data _____ month.

Do certain time _____ in data transfer _____?

_____ be _____ to _____ particular durations reduced _____ speed?

Can you tell _____ if you've _____ data _____ month or _____?

Do individual time _____ decrease _____ data transfer _____?

Do _____ times show _____ transfer _____?

Do _____ of this _____ show _____ in transfers?

_____ hours _____ days within this time period _____ lower _____ download _____?

_____ this _____ year show _____ data _____ speeds?

_____ there _____ difference between _____ the month and the year?

Is _____ monthly/annual _____ showing drops in _____ at certain _____?

_____ to _____ that certain durations reduce _____ speeds?

Do _____ rates _____ drops at _____ times?

_____ are _____ in the monthly/annual timelines _____ we _____ experience _____ transmission _____.

_____ it possible _____ we _____ encounter _____ data _____ rates during the monthly _____?

Do _____ data transmission _____ within the monthly/annual _____?

_____ may be times _____ timeline where _____ might encounter _____ rates.

Is it _____ duration _____ throughput compared to _____ within _____ month _____ year?

_____ certain times _____ data _____ speeds?

_____ certain _____ display reduced data _____?

Will certain hours or days within _____?

_____ a decrease _____ data _____ rates _____ time frames?

_____ it possible to _____ pace during different times?

Is _____ observe lower data speeds within a _____?

Do specific time periods have a _____ of _____?

_____ certain time periods exhibit _____ transfer _____ compared _____?

_____ moments _____ data transfer speeds over the _____?

_____ there a difference _____ transfer _____ during a _____ period?

Parts _____ this period _____ show _____ decline in _____.

_____ frames this month _____ transfers?

_____ showing _____ in transfer speeds?

_____ certain intervals showing _____ speeds _____?

_____ specific time periods _____ transfer rates _____ other _____ periods?

Is _____ any _____ hours or days that _____ data _____ month?

Is it possible _____ data _____ within _____ times?

_____ with slower data transfers _____ month?

_____ be times _____ the monthly/annual _____ we might _____ data transmission _____.

Is _____ a _____ in data _____ rates _____ certain _____?

_____ parts _____ period show a decline _____ rate level?

_____ it possible _____ throughout _____ month/year _____ lower _____ speeds compared _____ others?

Is _____ are periods with reduced _____ rates within _____?

_____ times when we might _____ transmission rates.

Is _____ between data transfer _____ this _____ period?

Do particular _____ have _____ speeds _____?

Can you _____ me if _____ noticeable _____ data _____ download _____ certain times?

_____ certain hours/days _____ in _____ transfer _____ this _____ year?

Do timeframes _____ lower _____ for the _____?

Do _____ slower _____ speed? period.

Could you _____ if certain times _____ month and _____ lower _____ speeds _____?

Does the _____ a reduced _____?

Do certain time periods _____ transfer _____?

_____ time frames show dips _____ data _____ over _____?

Do _____ evidence of _____ data _____?

_____ data _____ go down in _____ this _____?

Can we _____ periods where _____?

Is _____ differences _____ data upload/download _____ at certain _____ within this _____?

_____ there a noticeable decrease _____ transfer rates _____ particular _____?

Do _____ parts _____ show a marked _____ rate level?

Do you _____ slower data transfer speeds _____?

_____ periods of significantly reduced transfer _____ the _____?

Do particular timelines _____ speeds _____?

_____ data speed _____ at _____ times?

Is it possible that _____ have _____ data _____?

_____ if there _____ differences in _____ upload and download speeds at _____ times?

Could you tell us if _____ show _____ download speeds _____ to _____?

_____ you _____ us _____ if certain times _____ lower download speeds?

Do _____ show decreases _____ data _____ rates?

_____ this _____ with slower data _____?

Is there _____ data transfer _____ certain _____ the year?

Do you think _____ to say _____ durations reduced _____ speeds?

Do _____ know _____ frames _____ decrease in _____ transfer rates?

_____ certain _____ days _____ time frame exhibit lower _____ downloads?

_____ tell me if there are any _____ download speeds _____ certain _____?

_____ parts of _____ have a marked decline _____ transfer _____?

Will _____ days _____ this period _____ a lower upload/download _____?

_____ there any time _____ transfer _____ this month/year?

_____ see _____ data _____ within this month?

_____ you let _____ certain times of _____ month have _____ than others?

Is _____ of the period showing a _____ level?

_____ want to _____ is a difference in _____ rates _____ certain _____ periods.

Does data _____ have _____ certain _____ lately?

Are there _____ reduced transfer _____ month?

Are there _____ hours _____ data _____?

_____ rates do _____ in _____ frames.

Is _____ a difference _____ the _____ transfer _____ month and _____ year?

Is there _____ noticeable _____ in _____ at _____ times _____ this month/year?

_____ there _____ in data _____ at _____ times?

_____ the month _____ the transfer rates are _____?

_____ true that certain durations reduced _____?

Are certain hours _____ days _____ time _____ lower in _____?

_____ a _____ difference _____ data _____ during different times of _____ year?

_____ certain _____ in _____ lower data transfer speeds?

Is it possible _____ decreased data transmission _____ during the _____?

There _____ frames with slower _____.

_____ displaying decreased _____ speeds recently?

_____ it _____ to say that _____ durations _____ reduced download/upload _____?

_____ a particular _____ a _____ rates?

_____ hours or _____ this _____ exhibit a lower _____ speed?

Do specific periods _____?

_____ data _____ go _____ noticeably _____ certain _____?

_____ there instances _____ data transfers _____?

_____ are _____ when data _____ are _____?

_____ certain time _____ show _____ decrease in _____ rates?

_____ we _____ that have a _____ data _____?

_____ know _____ there is a _____ in _____ during _____ time periods?

Do specific timelines _____ data _____ in _____ current _____?

_____ certain parts of _____ show _____ decline in the _____?

_____ you _____ if _____ year have lower _____ speeds compared _____ others?

Does _____ period _____ reduced _____ rates?

Are _____ time frames _____ slower _____?

Are there _____ in the _____ where we _____ decreased data _____?

Is _____ to see lower _____ speeds _____ time _____?

Are there any _____ with _____?

Is _____ a _____ in data _____ during _____ time _____?

Do specific _____ periods have _____ transfer rates _____?

_____ it _____ that _____ within this month/year show lower _____?

_____ any evidence of lower _____ speeds within _____?

Did specific _____ connections _____ to other _____ same month/year?

_____ certain hours _____ within _____ period exhibit slower upload/download _____?

_____ moments _____ a _____ data transfer _____?

_____ data _____ in some time _____?

_____ any particular duration experiences reduced throughput _____ month _____ year, _____ it obvious?

_____ it clear if any _____ duration has a _____ compared to _____ a month _____?

_____ there any time periods _____ less _____ rates _____?

Is _____ difference in data exchange _____ periods of _____?

_____ where we _____ see decreased _____ transmission rates.

_____ it true that _____ timeframes _____ lower _____?

Do _____ see any lower _____?

Is there _____ hours/days _____ have _____ this month/ year?

Do certain time frames show _____ data _____?

Within _____ time spans, _____ data speeds?

Do certain periods _____ period

_____ there a _____ in _____ rates _____ time spans?

_____ there time _____ slower data transfers _____?

Would _____ accurate _____ say that _____ durations reduced _____ speeds?

Do certain _____ have slower _____ the _____?

_____ there a decline _____ rates at _____?

_____ may have dipped _____ times _____ month _____ year.

Is _____ during _____ times.

Do _____ hours with _____ data _____?

Do specific time _____ have _____ rate _____ to other _____ periods?

_____ decrease in data transfer rates _____ specific _____?

_____ frames for slower data _____ this _____?

_____ down in a certain _____?

Is _____ speed slower at _____?

Is it _____ have noticeably _____ transfer rates _____?

_____ frames _____ dips in data _____ rates?

Is _____ the particular _____ show a _____ download/upload speeds?

Is there _____ difference _____ data _____ rates in _____ time _____?

_____ frames _____ dips in the speed of _____?

Data _____ can be slower _____.

Is _____ down in _____ this month _____ year?

Would _____ be _____ say that _____ reduced _____ velocities?

_____ data transfer _____ decrease _____ this _____?

Does _____ certain hours to have lower _____ transfer speeds _____?

_____ some _____ this period show a _____ in _____ level?

_____ moments within this month/year _____ a decrease _____ speeds?

_____ possible to _____ slower data _____ specific _____ spans?

Do _____ moments show lower data _____ over _____ course _____?

_____ you _____ any evidence _____ lower data _____?

Some _____ slower _____ speed in this _____.

____ time frames with ____ data ____ month.
 ____ moments ____ this period with ____ transfer rates.
 ____ the month with reduced ____ rates.
 If ____ throughout this month/year ____ speeds, could you let ____?
 ____ you ____ are differences ____ data uploads/downloads at certain times ____ year?
 ____ specific ____ periods have ____ lower data transfer ____ compared ____?
 Does ____ period show a ____ transfer ____?
 ____ you tell me if ____ are ____ differences ____ uploading/download ____ certain ____?
 ____ speed ____ slower in ____ periods?
 ____ or days within this time frame have ____?
 Is there ____ hours ____ your targeted period?
 Is it ____ to ____ that ____ particular ____ download/upload velocities?
 Do ____ show ____ data ____ speeds over time?
 ____ the data ____ decrease ____ times?
 Do ____ time frames ____ dips in ____ transfer ____?
 Are ____ showing ____ in ____ speeds recently?
 Can we ____ periods where ____ data ____?
 Does ____ time period show ____ transfer ____ others?
 Could ____ if certain ____ the month have ____ speeds ____ others?
 ____ time frames ____ in ____ transfer rates?
 ____ time ____ slower data transfers ____?
 ____ some moments demonstrate lower data ____?
 ____ moments ____ decreased transfer ____ now?
 ____ data ____ slower ____ certain ____?
 Do the ____ show ____ in the ____ transfer ____?
 ____ it clear if ____ duration ____ throughput compared ____ within a ____ month?
 ____ possible that ____ is slower at certain ____?
 ____ me if ____ are differences in data ____ and ____ at certain times ____ year?
 ____ for ____ hours ____ have slower data transfer speeds ____ others?
 ____ go ____ noticeably over time?
 Do ____ frames ____ transfers this month?
 ____ have lower data speeds ____?
 Do you ____ certain ____ lower ____ transfer speeds?
 ____ rates decline in ____ this ____?
 ____ moments show ____ data transfer ____ in ____ and year?
 Can you ____ me ____ any noticeable ____ in ____ at certain times?
 Do ____ moments show ____ transfer ____ over ____ of a year?
 ____ in data transfers ____ at certain times?
 Do certain time ____ have ____ in ____ rates?
 Is ____ a ____ where ____ is slow?
 ____ be ____ say that ____ durations reduce download/upload ____?
 Do ____ time frames ____ transfer speeds?
 ____ a ____ in transfer ____ parts of the period?
 Are there ____ frames ____ that have ____ data ____?
 Does some ____ show ____ in ____ rates?
 Is there a ____ the ____ rates ____ certain time ____?
 ____ certain moments ____ diminished transfer ____?
 Could you ____ us ____ when ____ have ____ download ____?
 ____ specific time ____ the ____ timeline ____ we might ____ data transmission rates?
 ____ say that certain durations reduced ____ download/upload speeds?

Data rates ____ in ____ spans ____ month or ____.
 Is ____ in certain time ____ month or ____?
 Is ____ for certain ____ to ____ slower transfer speeds ____ to ____?
 Some ____ see lower throughput ____?
 Is it possible to ____ durations ____?
 Have ____ data speeds ____?
 ____ time periods ____ lower ____ transfer rates ____ to ____?
 ____ there a decrease in data transfers ____ time ____?
 Are there differences ____ data ____ during ____ time ____?
 ____ which periods ____ slower data ____?
 Is ____ clear ____ a ____ has ____ reduced throughput ____ to ____?
 ____ times ____ transfer rates compared to others?
 Is ____ possible to see a ____ in data ____?
 ____ there ____ decrease in data ____ times ____?
 Is it ____ for certain ____ to ____ transfer ____ others?
 Do ____ diminished transfer ____ now?
 Do some ____ experience ____?
 ____ it ____ to ____ particular durations reduced download ____?
 Do ____ time periods ____ lower ____ rates ____ times?
 ____ times ____ data transfers ____ be slower.
 Was it possible that ____ this month/year ____?
 ____ see lower ____ recently?
 ____ that ____ intervals within this period show slower ____ times?
 ____ this period with slower transfer rates?
 Are there ____ slower ____ speed?
 Do ____ a decrease ____ transfer rates?
 ____ there ____ specific moment ____ monthly/annual timeline where we ____ encounter ____ data ____?
 I ____ if ____ noticeably ____ periods this month or ____.
 ____ time frames have slower ____?
 ____ rates go ____ in ____ times this year?
 ____ be ____ within the monthly/annual timeline ____ decreased ____ transmission rates.
 ____ there are ____ in ____ upload/download speeds at certain times during ____?
 ____ the month, are ____ transfer rates are ____?
 Do ____ noticeably ____ data transfer rates?
 ____ data ____ in ____ time spans?
 The ____ drops in data ____ certain times.
 ____ are ____ moments ____ this ____ with slower transfer ____.
 ____ let us know if certain ____ the ____ lower ____ than others?
 ____ be lower in some ____ periods.
 Will ____ days within ____ time frame ____ lower ____ speeds?
 Do ____ time ____ show dips ____?
 Do ____ timeframes ____ data ____ lately?
 If ____ dramatically ____ throughput compared ____ others ____ a ____ is it clear?
 Do ____ now have ____ transfer ____?
 ____ there ____ hours/day that ____ slower data ____ speeds?
 ____ intervals showing decrease ____ lately?
 ____ this period, ____ show slower connections ____ to ____ times?
 Is certain ____ decreases ____ transfer ____?
 Do ____ periods ____ lower ____?
 Does ____ moments ____ transfer rates?

Did ____ rates fall in certain ____ year?
 Can ____ data ____ at specific ____?
 Is the ____ decreasing ____ certain ____?
 ____ the data speed slower ____?
 Are there ____ particular ____ have slower data transfer ____?
 Is there ____ difference ____ the data transfer ____ time ____?
 ____ specific ____ show lower data transfer ____ compared ____?
 Is there a ____ transfer rates ____ a ____?
 ____ experience ____ data ____ rates at certain ____.
 Do specific ____ the ____ show ____ in the transfer ____?
 Did ____ certain times of the ____ month?
 Do ____ periods have ____ speeds ____?
 Do ____ month/year show ____ in data transfer speeds?
 Have you ____ speeds ____?
 Do timeframes ____ slower ____ in ____ year?
 ____ certain time ____ seem ____ transfer speeds now?
 ____ the ____ show ____ in ____ rates at ____ times?
 Did certain ____ transfer ____?
 ____ when data transfers ____ down?
 Are ____ instances ____ data transfers ____?
 ____ there ____ difference ____ exchange pace ____ different times ____ year?
 Do ____ time periods have ____ rates ____?
 ____ specific ____ compared to other periods of ____ same ____?
 Do some ____ in ____ month/year ____ lower data ____?
 ____ certain ____ or ____ slower ____ speeds?
 Is there ____ that ____ transfer ____ this month?
 Data ____ rates ____ be ____ periods this month/year.
 ____ period feature ____ data rates?
 Does ____ data rates?
 Have ____ intervals ____ lately?
 ____ possible ____ data speed decreases during ____ times?
 Is ____ possible for ____ hours to have ____ transfer ____ to other times ____?
 Could you ____ us ____ certain times throughout ____ year show ____ speeds ____?
 Is it clear if any particular ____ to ____ a ____ or year?
 ____ transfer ____ be lower ____ time ____ this month.
 ____ it ____ a particular duration ____ reduction in ____ compared ____ durations?
 There might ____ times within ____ might experience ____ transmission rates.
 ____ a ____ in data ____ for ____ time periods?
 Did ____ frames show ____ data transfer ____?
 Do some ____ lower data ____?
 ____ or ____ this time period have ____ download speeds?
 ____ there any ____ transfer ____ at certain ____?
 There may be ____ the ____ we ____ encounter ____ transmission rates.
 ____ go ____ in certain periods ____ month?
 Is the ____ at certain times ____ year?
 ____ you tell us if certain ____ throughout ____ year ____ speed than ____?
 Is ____ for certain hours ____ data transfer speeds ____ days?
 Is it possible ____ less ____ transfer speed ____?
 There ____ in ____ we might see decreased data transmission ____.
 Do ____ time ____ have ____ transfer ____ in comparison to ____?

Data rates may have _____ certain _____.

Do _____ experience _____ data _____ the course of _____ year?

_____ you _____ times _____ this _____ have lower download speeds?

_____ it possible to _____ transfer speeds _____ certain _____?

Can _____ out _____ that _____ slower _____ transfer?

Is _____ any _____ periods with _____ transfer _____ month?

_____ a decrease in data _____ during certain _____?

Is _____ a _____ time _____ transfers are _____?

_____ in certain time spans?

_____ a decrease in _____ transfer _____ a specific _____?

_____ specific time _____ show _____ data _____ rates _____ to other _____?

_____ any specific time _____ a _____ in _____ transfer _____?

Is it _____ if a _____ duration _____ noticeable _____ in _____ to _____?

Do _____ certain times of the _____ have _____ download speeds _____?

Do _____ moments _____ decrease _____ data transfer speed?

_____ reduced data _____ recently?

_____ clear if a _____ duration _____ significantly _____ compared _____ others?

_____ period include _____ data rates?

Do particular dates _____?

_____ times when data _____ are _____?

Is there _____ displays _____ rates?

Data _____ dropped in _____ time _____ month _____ year.
