

[Demo] NLP Dataset for Customer Service Automation

Company Type	E-commerce Marketplaces
Inquiry Category	Privacy and data protection concerns
Inquiry Sub-Category	Data Deletion
Description	Questions about the process and timeline for deleting customer data upon request, including details about backups and residual data.
Data Size	5,146 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "E-commerce Marketplace" customer inquiry. (Purchased data will not be masked.)

_____ be assured that my residual data _____ not _____ any purpose after it _____ upon _____?

Can _____ be _____ exploitation of _____ residual details after being _____?

Is it possible _____ a _____ utilization after _____ deletions?

After I request its _____ data not _____?

_____ I _____ stopped _____ using _____ info once _____ removed?

Is _____ promise of not exploiting information _____ deletion _____?

Is there _____ of complete non-use _____ deletion?

Can I be _____ my data will _____ be _____ it _____ deleted?

How can _____ be certain _____ information _____ used _____ deletion?

_____ assurance of complete non _____ for _____ residual _____ after _____?

Is _____ certain _____ there _____ be _____ more use?

Is there a _____ that _____ information _____ used _____?

Not using my _____?

_____ there will be no _____ my residual details after _____?

_____ guarantee that the _____ data will _____ be _____?

Is _____ an _____ data won't be used _____ its _____?

Can you promise _____ no _____ will _____ after they've _____ erased?

When my _____ gets deleted, _____ I be sure that _____ using _____?

Are there _____ will _____ be used again?

_____ I be _____ that _____ data won't be _____ removed?

Does _____ know if _____ be used _____ removal?

Ensure _____ is _____ use _____ data.

Is _____ promise _____ utilization _____ the discarded info?

_____ remain _____ I request its deletion?

Can _____ guarantee _____ won't be _____ after _____ have deleted _____?

_____ sure that my _____ data won't _____ used _____ deletion?

No _____ purposes, _____ after it's _____?

Will _____ be protected _____ once _____?

If deletions _____ made _____ to _____ could I _____ there is _____ purpose?

_____ my data _____ deleted upon _____ be _____ my usage ends?
 _____ my data won't be _____ after _____ deleted it?
 Can I rely _____ of my data _____?
 I would like _____ will keep your paws _____ deleted _____.
 Will there be _____ data?
 _____ my data _____ be guaranteed _____ after being deleted.
 _____ my _____ gets _____ be certain that my _____ will _____?
 _____ it _____ that my residual information _____ serve _____ when I _____?
 I _____ to _____ residual _____ won't serve _____ when _____ request its deletion.
 _____ made that _____ not be exploited after _____ user's command?
 _____ promise that there _____ misuse _____ my _____ after being erased?
 Can you _____ zero _____ requesting _____?
 Can I be _____ no remnants of _____ used _____ deletion?
 Is there any _____ to guarantee _____ data _____ after _____?
 _____ you know _____ information won't be _____?
 I want to make _____ my _____ used _____.
 _____ certain _____ personal information will _____ when _____ deletion takes place?
 Is _____ any assurance of _____ the _____?
 Is _____ a promise _____ exploit _____ deletion?
 Is there _____ that _____ not be used?
 _____ my data not be changed _____ for _____?
 Is _____ after _____ request has _____ no _____ use will occur?
 _____ a _____ that my residual information _____ after I request _____?
 _____ destroy _____ can _____ be sure _____ it _____ serve any purpose?
 _____ there _____ that no _____ will _____ used after _____?
 _____ guarantee of zero _____ of my _____ data?
 Can I _____ sure _____ data won't _____ used _____?
 Do _____ that deleted information will _____ be _____?
 Can _____ that _____ of my _____ will _____ be _____ again?
 _____ do _____ that _____ information won't be used _____?
 _____ my residual _____ be used _____?
 _____ my deleted data _____ nothing?
 _____ guarantee that my information will _____ be useful once _____?
 _____ be no exploitation _____ my residual _____ being _____?
 Will _____ data _____ of _____ once deleted?
 Is my _____ protected _____ deleted?
 Is _____ a guarantee that _____ used following its _____?
 I need you to _____ sure _____ data _____ used _____ deleted _____.
 _____ I guarantee _____ deleted data won't _____?
 _____ my data _____ protected _____ after it is _____?
 _____ there _____ prevent people _____ my erased information?
 Can I be _____ be used for any _____ after _____ deleted?
 _____ way to _____ sure that _____ remains unused _____ deletion?
 Can you _____ data _____ come into _____ in the _____?
 Will _____ data _____ be _____ I _____ it?
 _____ data gets deleted, can _____ sure that my _____?
 _____ wiped _____ requested, _____ won't _____ any more purposes.
 _____ know _____ my _____ won't be used again _____ deletion?
 Is it _____ that my data _____ be _____ it?
 Can _____ be _____ data _____ be used again?

_____ be sure that my _____ won't _____ I _____ it?

Is there _____ promise to not _____ information _____?

_____ can _____ sure that no _____ of my information _____?

Can I _____ my deleted _____ used later?

_____ there a _____ that _____ won't _____ after _____ request its deletion?

_____ I specifically ask _____ my _____ to _____ removed, what measures _____ in _____ to _____ utilization?

Is it certain that _____ a _____ there _____ be _____ use _____ leftover _____?

Can _____ tell _____ if the data _____ play in _____ operations after _____?

_____ I _____ sure that my data _____ I remove _____?

How _____ be sure _____ information _____ I have deleted it?

Can you promise _____ won't _____ of my residual details _____?

_____ it _____ that traces _____ information _____ cease to _____ when requested deletion _____?

_____ there an _____ that my _____ will _____ used _____ its _____?

When my data is _____ be _____ that _____ is no _____?

_____ be _____ that the information _____ not _____ used after _____?

_____ my residual data _____ after _____ uninstall it?

Will my _____ not be _____ after _____?

_____ can _____ be _____ after I deleted it?

_____ there any _____ utilization of _____ info?

_____ can I be sure that _____ of _____ information are _____?

_____ I _____ ask for _____ what _____ are in place _____ use my _____?

_____ guarantee that deleted information will _____ used _____.

Will _____ be complete _____ of the _____?

I don't _____ my residual _____ will _____ used after _____ been _____.

I need to _____ deleted _____ utilized later.

_____ know that my _____ be used later?

_____ it _____ that _____ information will not _____ after the request _____?

Is _____ certain _____ no _____ of _____ information once the _____ is deleted?

_____ no further _____ of my _____ data?

How _____ I _____ sure that _____ my information _____ be _____ deletion?

Is _____ certain _____ request is deleted, _____ won't be _____ leftover _____?

_____ I be sure that _____ of _____ will _____ I deletion?

_____ specifically request the removal _____ data, _____ measures _____ in place to make _____ again?

Can you _____ sure _____ won't _____ used when _____ with it?

I asked if you were _____ your paws _____.

_____ you _____ sure there is _____ usage _____ after?

_____ it's wiped _____ no _____ purposes.

When _____ for the removal of my _____ what measures are _____ place to _____ from _____?

_____ there _____ none will exploit information after _____ command?

Can I _____ sure _____ my data _____ after _____ deleted _____?

_____ assure _____ of _____ data after?

_____ there _____ promise that _____ will be _____ utilization of _____?

Is _____ that none _____ details will ever _____ after _____ deletion?

How _____ be _____ that _____ remnants of _____ be _____ following deletion?

_____ sure that _____ data _____ be used after I've _____?

_____ data be _____ from use _____ deleted?

_____ I _____ my residual info _____ after _____ have deleted it?

_____ my data not _____ after _____ get rid _____?

Will _____ not be _____ I _____ it?

Is _____ guarantee that my _____ won't _____ any purpose _____ request _____ deletion?

Is it certain _____ will not be _____ again?

Can _____ tell me _____ info won't _____ purpose after _____ it away?

When _____ specifically _____ for _____ to be _____ measures are _____ place to _____ further usage _____ my _____?

_____ you _____ sure _____ my _____ be used after _____ it?

I _____ to know _____ my deleted data won't _____.

_____ you _____ residual data won't be used _____ I've _____?

Is my _____ request, _____ no _____ use?

_____ assurance _____ data won't be _____ it is removed?

Is _____ possible that no one _____ ever _____ details after _____?

Can _____ promise _____ exploitation of _____ residual details after deletion?

Is _____ possible _____ never be used post- deletion?

_____ a promise _____ zero _____ information possible?

_____ sure _____ my residual info will not _____ any _____ after you _____?

_____ there _____ promise _____ that _____ will be _____ with information _____ deletion?

Is _____ that my deleted data _____?

_____ it safe _____ my _____ info won't be _____ remove it?

_____ you ensure _____ residual data won't be _____ after _____ have _____?

_____ specifically ask for my _____ removed, what measures are in place _____ ensure _____ my _____?

_____ be _____ that no remnants _____ my _____ will be used after _____?

Is it _____ that once _____ be _____ for leftover _____?

_____ there _____ guarantee _____ my _____ be useful after _____ it to _____ removed?

Can you assure _____ the data won't _____ used in _____?

_____ complete non-use _____ data after deletion?

_____ it _____ that my _____ won't be used _____ it's _____ deleted?

Is _____ any guarantee that _____ information _____ be _____?

_____ certain that _____ information will not be _____?

_____ be _____ non use for the residual _____?

Is it certain _____ when _____ is _____ no _____ use _____?

_____ I _____ sure that my residual _____ be _____?

Is _____ that my _____ be used following _____ removal?

_____ that none _____ my _____ information _____ ever be _____ again?

_____ never _____ removed residual _____ again?

How can _____ be _____ will not be _____ after my _____?

I want to know how _____ after _____ it.

Can _____ there _____ no _____ of _____ residual _____ after my deletion?

_____ data _____ being used _____ my deletion _____?

_____ I specifically ask _____ my _____ removal, what _____ place to _____ no further _____ it?

Is it _____ that _____ deleted _____ request, there _____ leftover _____?

_____ you promise not _____ use _____ deletin'?

Will _____ use _____ erased data _____?

_____ I be sure _____ my _____ won't be _____ it _____ deleted?

Can you _____ that _____ won't _____ future operations after _____ it?

_____ zero _____ deleted data?

_____ zero _____ erased data after?

Can I be _____ won't _____ used _____ deletion?

Is there _____ that there _____ for the _____ after _____?

_____ data be _____ safe after _____?

_____ deleted _____ is not used.

Do you think _____ after my _____ request?

Can _____ that no one _____ residual details after _____ erased _____?

Will residual _____ safe _____ deleted?

Do _____ know _____ my _____ won't _____ it's removed?

_____ you _____ sure that the _____ be _____ after deletion?

Can _____ that _____ will _____ future operations after you deleted it?

Can _____ no residual details will _____ after I _____ erased _____?

Is _____ deleted information will not _____ used _____?

Is _____ that _____ happen _____ information once deleted?

Will residual _____ be used for anything after _____?

_____ if no residual _____ will be used again _____ I've _____.

I want _____ to make sure _____ data won't _____ it.

_____ possible _____ no residual details will _____ be _____ deletion?

_____ be _____ that _____ residual _____ useful after you remove it?

Is _____ my residual _____ be _____ after you remove _____?

_____ further _____ it's _____ as requested?

_____ able _____ confirm zero _____ after deletions?

_____ it _____ that my residual _____ be useful _____ I _____ its _____?

Is it _____ traces _____ personal _____ will cease to _____ deletion _____?

No _____ use will _____ information if a _____ deleted.

Will _____ deleted _____ be _____ from _____?

_____ I be sure that my _____ used for _____ it _____?

Is it certain _____ all traces of _____ come _____ requested deletion?

_____ know if my data _____ used _____ deletion?

_____ my _____ data _____ used anymore?

_____ you _____ that there _____ be exploitation of _____ after _____ erased?

_____ it possible that my _____ won't _____ have deleted _____?

Is _____ any _____ to not _____ after _____ at _____ command?

Is it possible _____ residual information _____ when _____ request it's _____?

Is there _____ promise _____ utilization _____ discarded _____.

_____ be sure _____ data _____ be _____ anything after its deletion?

Can you _____ of my residual details _____ be _____ again?

Is _____ certain _____ when _____ is deleted, _____ more _____ of leftover information?

Can you _____ sure _____ my _____ won't _____ used _____ I _____?

Can _____ certify that _____ not come into _____ future operations _____ have _____ it?

_____ possible to guarantee that _____ unused after _____?

_____ you able _____ give a _____ of _____ utilization _____?

_____ data be _____ from _____ when _____?

Will _____ not serve any purpose _____ I _____ its _____?

Are _____ assurances _____ will not _____ following its removal?

Is _____ the _____ will not be _____ again?

Is complete _____ assured _____ after _____?

Can you _____ my residual _____ won't _____ I _____ it?

Is _____ there will be _____ use of _____ information?

_____ there be _____ for residual data _____?

Is _____ that _____ deleted, _____ information will not be used _____?

_____ my data gets _____ I be _____ my usage _____?

When my data gets _____ I _____ be _____ it anymore?

_____ you _____ sure my data _____ after I deleted it?

How _____ that _____ information won't be used _____ deletion?

Can you certify that _____ will never come _____ after _____ have _____ it?

Can _____ promise that _____ one _____ my _____ details _____?

_____ can I be sure no _____ information _____ used?
 Can _____ the _____ won't be in _____ operations _____ deletion?
 I want to _____ my _____ serve _____ purpose after you _____.
 Should _____ not be used _____ it _____ upon _____?
 Can I _____ certain _____ my information _____ be used?
 Will my _____ be _____ again once _____?
 Is _____ certain that no _____ occur _____ request _____ deleted?
 _____ a _____ that _____ deleted data isn't used _____?
 Can you _____ that the data _____ play _____ deleted it?
 _____ there _____ guarantee that deleted information will _____?
 Can I count on _____ data?
 _____ I _____ on _____ data not being used _____?
 When I _____ request _____ of my data, _____ place to _____ sure it is not _____?
 _____ make _____ my _____ not _____ used after _____ deleted it?
 Can _____ be _____ that _____ won't be _____ after I have _____?
 When _____ ask for _____ what measures _____ in _____ ensure _____ further use of _____?
 Is there _____ nothing _____ be _____ exploit information after _____ at user's _____?
 Is there _____ deleted details _____ used again?
 When I _____ of _____ data, what _____ are _____ place to _____ again?
 Is _____ a way _____ using my _____ info?
 _____ can _____ be _____ that _____ information will _____ be _____ after _____?
 _____ am not _____ if my _____ not be _____ anything after _____ been _____.
 Can _____ assure _____ none _____ my residual details _____ again?
 _____ want to make _____ my _____ after I deleted _____.
 _____ be sure _____ my data _____ in any way _____ I have _____?
 _____ don't _____ my _____ won't serve any purpose _____ request _____ deletion.
 _____ a promise not _____ use _____ leftovers after _____?
 When I ask for _____ be removed, what measures _____ place _____ make _____ further use _____?
 _____ further _____ it's wiped?
 _____ not be used again when _____ it?
 Is there a _____ information _____ used again?
 Is _____ a promise _____ zero _____ of _____?
 _____ it certain _____ deleted, there _____ be _____ use _____ leftover info?
 Is _____ certain _____ deleted, _____ will _____ with leftover _____?
 Is _____ residual information won't be useful _____ I request _____?
 _____ not _____ if _____ info will serve any _____ after _____ it _____ demand.
 _____ know if my _____ be _____ the removal?
 Will my _____ not _____ used _____?
 Will _____ data never _____ be _____?
 _____ I be _____ my data will _____ used after _____ been _____?
 Can _____ sure _____ my data _____ used _____ any _____ after _____ deleted?
 Can _____ be sure _____ information won't _____ for _____ you uninstall it?
 _____ me that my residual data won't _____?
 _____ non-use for the residual _____ assured _____?
 Can _____ be _____ that _____ info _____ useful after _____ it off?
 _____ be sure _____ my data _____ be _____ after _____ removed?
 Can I _____ of _____ data?
 _____ make _____ residual data won't be used _____ deleted?
 _____ sure that _____ won't be used in _____ way after _____ deleted?
 Is _____ guarantee of complete _____ for the residual _____?

Is there any guarantee _____ information _____ useful when _____ deleted?

_____ I be certain _____ my residual info won't be _____?

Will residual data _____ for any purpose _____ it _____?

Are there assurances _____ non-use _____ after deletion?

_____ know _____ residual data _____ be guaranteed confidential after I've _____.

_____ there a promise that _____ be used after _____ command?

_____ I _____ assured that my _____ won't be _____ after _____ been _____?

_____ my residual data _____ protected _____?

Will _____ not _____ changed when I _____ its _____?

Is _____ a _____ the information won't be _____ deletion?

Is _____ not _____ following its _____?

Is _____ for zero _____ discarded data?

Can _____ promise that there _____ exploitation of _____ after _____ deletion?

_____ it guaranteed _____ my deleted _____ be _____?

_____ count on no use of my _____ it?

_____ my _____ remain _____ I ask for _____ deletion?

_____ there a _____ shall be no exploitation _____ after _____?

Can I _____ on _____ not being _____?

Is _____ my data won't be used _____ removal?

_____ it guaranteed _____ use _____ deleted data will _____ made?

_____ gets deleted, _____ sure that _____ usage is over?

Is there _____ will _____ after deletion at the _____ command?

I _____ to _____ residual _____ serve _____ once I request its deletion.

Can you give me _____ details will _____ used _____?

_____ certain that _____ traces _____ personal information _____ left _____ deletion?

_____ there _____ that _____ be used after I _____ it?

Can I be sure _____ data _____ used _____ it's _____?

_____ want _____ be sure _____ data won't be _____ later.

Is there _____ that _____ be used?

Will you _____ using my _____ gone?

Is it _____ certainty that deleted _____ again?

Is there _____ that _____ won't be _____ again?

_____ assure _____ that no _____ exploit _____ residual _____ after _____ have erased them?

Is _____ promise _____ will be no _____ of _____ after _____?

Are _____ guaranteed zero use _____?

When _____ for _____ to be removed, what measures _____ in _____ to _____ sure I _____ it _____?

_____ be _____ that _____ residual info won't be used _____ deleted _____?

_____ there any guarantee _____ data _____ used following _____ removal?

Can _____ assure no _____ erased _____?

When _____ data to be deleted, will _____ used _____ anything?

Was there assurance of _____ the _____ data _____?

_____ I _____ sure _____ my information won't be _____ deleted _____?

Can _____ sure that my _____ won't _____ used _____?

_____ a guarantee _____ my data _____ be _____ after _____ removed?

Can _____ sure _____ data won't be _____ after _____?

Can _____ certify that _____ data _____ in play in _____ operations _____?

Is it _____ residual info won't serve any purpose _____?

Can _____ tell me _____ none of _____ will _____ be used _____?

Do you _____ ability _____ ensure that _____ be used after _____?

Is it _____ my residual _____ won't be _____ I _____ deletion?

Is _____ certain _____ deleted, no use _____ occur _____ leftover _____?
 _____ residual _____ when it's deleted?

Is there _____ promise _____ discarded information?

Will _____ be _____ anymore after it's _____?

When my _____ is deleted, _____ be _____ I _____ use it _____?
 _____ assure me that my _____ won't _____ I get _____ of _____?
 _____ my data _____ have _____ use when it _____?
 _____ a _____ that my residual information _____ I ask for _____ deletion?

Is _____ a promise _____ the _____ not _____ exploited after _____?
 _____ that _____ won't _____ again once deleted per request?

Can I still _____ on _____ my _____ after that?

_____ sure _____ data won't _____ used _____ anything after I have deleted _____?

Do I _____ if _____ is _____ with _____ further _____?
 _____ you able _____ prevent people from _____ erased _____?
 _____ would like _____ if _____ info _____ serve _____ purpose after you _____ it.
 _____ me that no residual _____ be _____ again after I've _____?
 _____ my _____ not be _____ request its deletion?

Will my _____ kept _____ of harms way _____?

Is _____ of complete _____ deletion?

Can _____ zero usage of _____ data _____?

_____ that _____ residual _____ not serve any purpose after I request _____?

_____ I _____ for my _____ to be removed, what measures _____ further _____ of my data?

When I specifically ask for _____ removal, what measures are _____ place _____ is _____?

Is there _____ that _____ data won't be useful when _____ request _____?

_____ I _____ that my data is _____ for _____ purpose _____ it _____ deleted?
 _____ promise that no _____ will use information _____ user's command?
 _____ there _____ non- use for residual data _____?

Can I _____ certain that my _____ data _____ after _____?

Can I be _____ info won't _____ used _____ deleted it?

_____ my _____ not _____ needed _____ I _____ it?
 _____ promise not _____ use _____ leftovers after _____?

Is _____ a promise _____ the _____ be _____ after _____ at _____ user's _____?

Is _____ guarantee _____ the data won't _____ after it's _____?

Can _____ certain that my data will not _____?

Is there any _____ not _____ deleted _____?

_____ I be _____ that _____ data _____ after it _____ removed?
 _____ my _____ be used?

I _____ if _____ data _____ after I request its _____.

Is _____ promise that nothing _____ after deletion at user's _____?

Is _____ a chance _____ won't be _____ once I _____ its _____?

I would like _____ my _____ will not be _____ after _____ has _____.

Is there _____ my information won't _____ once I _____ deletion?

Will my data _____ for _____ has been deleted?
 _____ it _____ that all _____ of _____ longer exist after _____ deletion?
 _____ my _____ not be changed _____ I _____ my _____?

Can _____ deleted _____ won't be used later?
 _____ about _____ purposes for _____ data?
 _____ can _____ sure that _____ information won't be _____ after I _____?
 _____ we _____ sure that deleted _____ won't _____ again?

How can I be _____ information will _____ be _____ deletion?

Can you ensure _____ of _____ data after?

Can I _____ that my _____ utilized later?

Are you _____ confirm zero _____?

_____ you assure _____ residual details will _____ again after _____ canceled?

Can there be no use of _____?

Do _____ assure _____ use _____ data?

I'd _____ know _____ residual _____ can be guaranteed _____ after _____ it.

Is _____ a _____ or commitment _____ no _____ will _____ deletion?

_____ it certain _____ once deleted _____ there _____ any _____ information?

_____ be _____ my personal info once it's removed?

Is it possible _____ to provide an unambiguous _____ after _____?

_____ it _____ traces of personal information _____ to an end _____ requested _____ place?

Is there _____ that _____ not allow information _____ be exploited _____?

_____ there _____ promise _____ commitment that no information _____ used _____?

Can _____ sure _____ deleted _____ won't _____ used later?

_____ certify that _____ data _____ be _____ in _____ operations after _____?

How _____ my _____ be guaranteed confidential after _____?

How will _____ that _____ won't _____ after deletion?

Is _____ erased _____ data afterwards?

Is there a _____ zero use _____?

Is _____ a promise that information _____ be exploited following _____?

Is _____ my data _____ be used after _____?

Can _____ me _____ there _____ be _____ exploitation _____ residual _____ after I _____ deleted them?

Is there a _____ that _____ information _____ at _____ command?

Can _____ no _____ of my information _____ be used after _____?

_____ you _____ that no one _____ my residual _____ they're _____?

How can I _____ that _____ remains _____ info _____ be used _____?

_____ be no _____ of _____ after that?

Is _____ assurance that my _____ be used _____?

_____ it _____ that deleted information _____ be _____?

_____ that _____ data won't be used in any _____ operations _____?

_____ certain that _____ deleted, there will be _____ for the _____?

I _____ you _____ make sure _____ won't _____ used _____ deletion.

_____ my residual data _____ deleted?

Can I _____ my deleted data _____ not _____ later?

_____ guarantee no _____ of _____ after?

_____ I be sure that _____ info _____ be _____ you _____?

When _____ ask _____ my data to _____ measures are in _____ no _____ use _____ it?

_____ you promise that there won't _____ any exploitation _____ residual _____?

Is _____ a guarantee _____ the _____ be useful _____ I _____ deletion?

Is there _____ promise _____ of _____ information?

Can _____ that there _____ of erased data?

_____ my _____ not be _____ when _____ request _____ deletion?

Will _____ data _____ from _____ once it's _____?

Can _____ be sure that the usage _____ my _____?

_____ you make _____ that residual _____ used _____ deletion?

_____ have _____ purposes after _____ was wiped as _____.

Will there be complete _____ for residual _____?

Can _____ assure _____ my _____ will not _____ used _____ I deleted _____?

Is _____ a guarantee _____ the _____ will _____ be _____ request _____ deletion?

Is _____ possible that _____ of _____ residual _____ will ever be _____?

Is there _____ promise _____ will _____ deletion at user's _____?

What _____ be _____ to _____ my _____ remains unused after the _____?

_____ will be _____ of personal _____ once deletion is requested?

Is _____ ensure zero _____ of erased _____ later?

_____ I _____ to _____ zero use _____ my deleted _____?

Is there a _____ won't be _____ when _____ request its deletion?

Can I _____ my _____ won't be used _____ anything _____ being _____?

_____ certain _____ all _____ of personal information _____ when requested _____ place?

_____ there _____ that _____ will _____ done to exploit _____ it _____ deleted?

_____ would like _____ know if _____ a _____ for _____ utilization of _____.

_____ I _____ my _____ be removed, _____ are in _____ to ensure it is _____ used again?

Can I _____ confident that _____ data _____ after it _____ been deleted?

_____ my _____ not _____ used _____ it _____ upon request?

Can _____ be _____ that _____ residual _____ won't be _____ after you _____?

_____ there _____ that my _____ will not _____ used after it _____?

_____ information _____ be _____ after deletion?

_____ there assurance of _____ use _____ data _____ deletion?

_____ that _____ a request _____ there will _____ be _____ use _____ leftover information?

_____ more _____ data, that _____ "

_____ can I _____ sure _____ my _____ will _____ be _____ deletion?

_____ you assure me _____ residual details will _____?

Can _____ sure that my data won't be _____ it's _____?

_____ be any further purposes _____ it's _____ requested?

Can _____ assure _____ my _____ won't _____ when I _____ it?

_____ it guaranteed that deleted information _____?

Will my _____ from _____ once _____ deleted?

Can you _____ of the _____ after?

Can I _____ sure that _____ won't _____ after _____ gone?

_____ no _____ details _____ used again _____ I've _____?

_____ I _____ that my _____ info _____ after you remove it?

_____ you promise not to use _____ after _____?

_____ to provide _____ unambiguous _____ zero utilization after deletions?

Can _____ make _____ that residual data _____ after _____ it?

_____ you assure _____ that no residual details _____ be _____?

Is there _____ zero _____ deleted _____?

_____ it certain _____ traces of _____ information _____ cease once _____ takes _____?

Can _____ be sure _____ my _____ data isn't _____?

Can I _____ sure that my residual information _____ after you _____?

_____ you make _____ promise that _____ will be no _____ of _____ after _____?

Can you _____ me _____ no _____ residual details _____ deletion?

_____ you _____ residual details will _____ used again?

I want _____ if my _____ will _____ protected after _____.

_____ a _____ that my residual information _____ useful when _____ request _____?

Can I _____ that my residual _____ won't _____ used _____ deleted?

Is _____ my _____ won't be useful once _____ request _____?

Can _____ on _____ use of _____ after that?

_____ you _____ the data will never _____ in _____ operations after I _____?

_____ sure that _____ data will not _____ used _____ deleted?

_____ it a promise that information will _____ deletion _____ command?
 Do _____ the _____ an _____ confirmation of zero _____ after _____ deletions?
 I _____ like to know if _____ deleted _____ used _____.
 _____ assured for the _____ data after _____?
 Is _____ guarantee _____ my _____ won't _____ useful when _____ request it's _____?
 Can _____ be certain _____ my _____ after it has _____ deleted?
 _____ can I be _____ that _____ won't _____ any _____ after _____?
 _____ that my deleted data _____ later?
 _____ a guarantee about deleted _____ being used _____?
 Is _____ request is deleted, _____ will _____ no further use _____ information?
 _____ it certain _____ use of _____ will occur _____ request has been _____?
 I wanted to _____ my _____ could _____ after _____ deleted it.
 _____ I _____ sure _____ won't be used again?
 _____ my data _____ be _____ it is _____ on _____?
 Can _____ certify after _____ that the data won't come _____?
 Is my _____ deleted _____ requested, _____ use?
 Is my _____ deleted after _____ request, with _____?
 Can _____ be assurance of _____ the _____ data _____ deletion?
 Will _____ be _____ I _____ rid of it?
 I _____ to _____ sure _____ data won't _____ used _____ deletion.
 I want _____ my _____ won't _____ any purpose _____ you deleted _____.
 _____ I specifically ask _____ the removal of my _____ what _____ ensure it's _____ again?
 Can I be sure _____ my _____ won't _____ used _____ it?
 _____ my data _____ used after _____ take _____ down?
 Can I be _____ that my _____ used _____ deleted it?
 Can _____ residual details will never be _____ after I've _____?

 Will _____ be safe from _____?
 Is there _____ promise of not exploiting _____ user's _____?
 _____ I be _____ my _____ won't _____ used _____ deleted it?
 _____ requested, will my residual _____ after _____?
 Can I be sure _____ data won't _____ used _____ it _____?
 _____ possible that _____ deleted data _____ be _____ in the _____?
 Is _____ to _____ my removed residual _____ that?
 _____ I be _____ that _____ residual _____ be used after _____ been _____?
 No more _____ data?
 Will my data _____ kept _____ when _____?
 Will _____ be no use _____ after that?
 _____ a _____ residual _____ won't be useful _____ I request my _____?
 Is _____ complete non-use _____ data after deletion?
 Is _____ complete _____ use _____ the residual _____ deletion?
 _____ you _____ use of _____ data _____?
 Can I _____ sure _____ data is not _____?
 Is _____ of erased data _____?
 Do _____ of _____ deleted data?
 _____ my data gets _____ can I _____ my usage _____?
 Is _____ possible to _____ no usage _____ data _____?
 Can I count _____ of _____ data _____?
 Is _____ a _____ that my _____ won't _____ useful after I _____ deleted?
 Do _____ zero use _____ deleted _____?

____ residual ____ be ____ after being ____?
 ____ data ____ once it's deleted?
 ____ a ____ to not use information ____ deletion ____ user's ____?
 Is there anything ____ do ____ guarantee ____ remains unused after ____?
 ____ not to ____ leftover ____?
 Can ____ that my data won't ____ used ____ after ____ have ____ it?
 Is ____ once deleted, ____ information will not ____ used ____?
 Is it certain ____ all ____ will stop ____ once ____ deletion takes ____?
 ____ my ____ is ____ request will it be ____?
 ____ any promise that no information will be ____ after ____?
 ____ that my ____ be used ____ it's removed?
 Is ____ a promise for ____ discarded ____?
 Is there an ____ of zero utilization ____?
 ____ there ____ guarantee ____ deleted data ____ used again?
 Will my data ____ kept ____ harms ____ deleted?
 Is ____ possible that ____ of ____ residual ____ will be ____?
 When I ____ ask ____ the ____ removal, what ____ in place ____ use of it?
 Is ____ my ____ won't ____ used ____ any way ____ I request ____ deletion?
 ____ deleted ____ be ____ anything ____ I request it be ____?
 What can ____ do to make ____ my ____ not used ____ when I ____ removed?
 ____ be sure that my residual info ____ serve ____ on demand?
 Can you assure me ____ the ____ be ____ deleted ____?
 ____ you make ____ my ____ get ____ after I ____ it?
 How ____ sure ____ remnants of ____ info will ____ used?
 ____ will ____ no further ____ it is ____ requested.
 ____ I be ____ data won't be used ____ after it has ____?
 ____ you promise that there ____ be any exploitation ____ details ____?
 ____ be ____ use of my ____ residual ____ after?
 ____ won't have ____ more purposes after ____ wiped ____.
 Is ____ certain that once ____ will ____ use ____ information?
 ____ it certain that ____ will ____ be used again after ____ has ____?
 How can ____ be sure ____ data won't ____ utilized ____?
 Okay, ____ wiped as ____ more ____?
 ____ data remain ____ after ____?
 ____ I ____ sure that my information won't be ____ after ____?
