

[Demo] NLP Dataset for Customer Service Automation

Company Type	Internet Service Providers
Inquiry Category	Speed and performance inquiries
Inquiry Sub-Category	Wi-Fi coverage problems
Description	Customers have weak or limited Wi-Fi coverage in certain areas of their premises and require advice on improving the coverage or extending the range to ensure a consistent and fast connection throughout.
Data Size	5,138 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Internet Service Provider" customer inquiry. (Purchased data will not be masked.)

How can ____ optimize my ____ network ____ in ____ with ____ wifi performance ____ ____ ____ ?
____ you ____ my ____ network ____ areas where it ____ as ____ ?
____ you give me ____ on ways ____ my home ____ areas ____ don't have ____ best ____ ?
____ to ____ the ____ of my ____ in areas ____ don't have ____ signal?
Is it ____ to ____ better in weaker ____ ?
Is ____ a way ____ maximize my home ____ areas ____ performance?
Any ____ for ____ wi-fi ____ ?
Is it ____ to ____ the speed of my ____ network in ____ Zones ____ others?
____ about ____ weak home ____ ?
____ there any ____ speeds ____ certain locations within my place?
____ there ____ way to maximize ____ the internet ____ areas of ____ house?
Is it ____ to ____ home network ____ is limited in performance?
Is ____ possible to increase the ____ of ____ home ____ regions ____ have ____ lot of ____ ?
____ need advice ____ how ____ speed in ____ limited wi-fi.
Is ____ increase the ____ of ____ home ____ inZones with ____ performance.
Is it possible ____ improve the home ____ limited ____ fi ____ ?
How ____ increase the ____ weak home wi-fi ____ ?
____ to increase ____ speed of my ____ internet network ____ with limited ____ ?
Is ____ possible ____ increase the speed of my ____ network ____ like in other ____ ?
____ should I do to ____ my home network's ____ in ____ ?
I'd like ____ know if you ____ give ____ guidance ____ to maximize ____ for ____ with weaker ____ .
I ____ you can tell me how to maximize my ____ network ____ areas where the ____ .
Is ____ boost ____ speed ____ my ____ networking ____ areas where ____ wireless performance ____ poor?
____ it ____ to increase the ____ my ____ network in ____ where ____ good signal?
____ it possible ____ speed ____ my ____ in areas where ____ is no ____ signal?
Is there a way ____ my ____ I get ____ in ____ areas?
____ there any solutions ____ weak ____ ?
____ my ____ network in areas where ____ isn't great?

_____ suggest _____ improve _____ performance in poor areas?

_____ can _____ make _____ internet connection better _____ areas where _____ is _____ ?

_____ it possible to _____ home _____ in _____ that have _____ fi?

Is it possible to _____ the _____ network in some _____ have limited _____ ?

Will there _____ tips _____ weak home wi-fi _____ ?

_____ my _____ weak zones: _____ suggestions?

_____ you help _____ my home _____ areas that _____ not _____ a _____ one?

Is there a _____ to _____ speed _____ my _____ in _____ that _____ limited _____ performance?

I want _____ know how _____ improve _____ in _____ the _____ signal is _____ .

Any _____ for _____ home _____ areas?

_____ improve _____ home network _____ areas where it is _____ the rest?

Is it possible _____ increase the speed of my internet network _____ as _____ as _____ ?

_____ it _____ to increase the speed of _____ internet network _____ that _____ have _____ reliability _____ to _____ ?

Can anyone _____ improve the _____ of _____ wireless _____ in _____ area?

Is there a _____ to _____ my home network _____ areas that _____ not _____ a _____ ?

Is _____ speed of my home _____ in areas with _____ wireless _____ to _____ rest of _____ world?

Is there _____ to _____ speed of _____ internet _____ in _____ isn't reliable enough?

_____ to increase _____ of my _____ networking in _____ wireless performance is not good?

_____ it possible _____ improve _____ home network _____ wi fi?

I'd like to know if _____ way _____ my _____ internet access _____ areas that don't _____

Any _____ for _____ weak _____ ?

Is _____ possible to _____ the _____ of _____ home internet network _____ some Zones _____ others?

I _____ to _____ it is possible to increase the _____ network _____ regions _____ limited _____ .

Is it _____ the speed of _____ home networking _____ zones where _____ wireless _____ isn't _____ ?

Is _____ to _____ the speed _____ internet _____ in areas _____ it _____ unreliable?

_____ would _____ to _____ you _____ me how to improve _____ home network _____ areas _____ the internet _____ is _____ .

_____ it possible _____ speed of my _____ network _____ with limited _____ compared to others.

Is _____ possible _____ improve a _____ network _____ wi fi _____ ?

I _____ if you _____ increase my home network in _____ where _____ internet signal _____ weak.

_____ improving my _____ network _____ where it's _____ as strong.

What steps can I _____ network perform better _____ zones _____ limited _____ ?

_____ would _____ to know if _____ my _____ network so I can get better internet _____ certain _____ .

Is it possible _____ increase the _____ of my internet _____ zones _____ doesn't have _____ others?

_____ to improve my internet _____ weaker _____ ?

What should _____ improve _____ reliability in _____ place of _____ ?

What _____ I do _____ my home _____ in the zones _____ ?

_____ there any _____ on how _____ improve internet _____ in zones _____ have _____ ?

_____ I make my _____ perform better _____ that have limited _____ ?

I'm _____ on how _____ improve my home network, _____ don't have _____ internet.

How _____ I improve _____ internet _____ home _____ areas where _____ as _____ ?

_____ can I do to _____ my _____ network's performance _____ that _____ ?

_____ help me improve my home _____ where it's _____ ?

Is _____ to increase _____ effectiveness _____ home network in regions _____ limited _____ ?

I'd _____ to know _____ you'd be able to _____ on _____ to _____ home network _____ segments _____ weaker

How _____ the performance of _____ home _____ in _____ limited internet?

I would like to _____ it is _____ to increase _____ my _____ network _____ with _____ performance.

What steps _____ take to _____ my home _____ with _____ internet?

_____ you help me _____ in areas _____ not _____ good?

Can you give me tips on how to _____ have a _____ internet access?

_____ I maximize _____ at home _____ where _____ not as _____ as elsewhere?

I _____ wondering if _____ could give me _____ how to _____ home _____ with _____ reception.
 _____ it possible _____ increase the _____ of my _____ low _____ performance _____ to _____ rest of the world?
 _____ it _____ to increase the _____ of _____ home network in the _____ have limited _____ compared _____ rest _____ the
 _____?
 _____ to improve _____ of the home _____ areas?
 _____ it possible _____ the _____ of _____ home network with _____?
 I would _____ to know if _____ a _____ improve my home _____ so _____ can have _____ internet access _____.
 Is it _____ to _____ wi-fi in the _____?
 You could _____ how _____ my home network _____ areas _____ weak _____.
 Is it possible to improve the _____ network _____ do _____ have _____ of internet?
 _____ can I improve _____ home _____ with limited internet?
 _____ internet speeds _____ certain areas within _____ place?
 _____ it possible to increase the _____ of _____ internet network in _____ signal _____ areas?
 _____ it possible to _____ speed _____ internet spots?
 _____ suggestions on _____ improve weak _____ wi-fi _____.
 _____ possible to increase _____ of _____ internet network _____ that _____ have good _____ to other areas?
 Can you _____ me improve _____ in _____ as strong?
 How do I maximize _____ internet connection _____ as good _____?

_____ wondering _____ is _____ way I can _____ my home network _____ in areas that don't _____ lot

Can you _____ me increase _____ internet _____ at _____ slower?

_____ if _____ is possible to _____ zones that have limited wi _____ performance.

I'm _____ there's a _____ to make my home network _____ that don't _____ internet.

_____ to _____ the _____ in areas _____ limited wi fi performance.

_____ to know _____ to improve _____ in _____ with weak internet _____.

_____ you _____ some advice on _____ to improve my _____ particularly _____ areas that _____ internet?

Can _____ improve _____ home network in _____ don't _____ it?

_____ it possible _____ the home network _____ in zones _____ wi _____?

_____ give me guidance on how to improve _____ home network _____ areas _____ don't _____ good of a

_____ there _____ way to improve wireless performance _____ areas _____?

_____ there _____ improve internet speeds at _____ areas _____ my _____?

Is there _____ can _____ improve _____ home _____ areas with limited internet?

_____ tell me _____ I can _____ my _____ network, _____ in areas _____ have a lot _____?

_____ am wondering _____ there _____ way to _____ my _____ in areas _____ have a _____ of internet.

_____ want to know _____ can _____ how to improve _____ network _____ areas with weak _____.

Can _____ help improve _____ in _____ it _____ as strong?

_____ was wondering _____ you _____ tell me how _____ in areas where _____ internet _____ is _____.

_____ it possible _____ increase _____ network when _____ limited in some Zones?

Is _____ a _____ to increase _____ my _____ in _____ wireless performance is limited?

Is it _____ increase the _____ my home network _____ areas _____ great _____ performance?

Can you help me _____ my _____ places _____ it _____ as _____?

_____ way _____ the speed of my internet network _____ where it does not _____?

_____ can _____ to enhance home _____ in _____ areas?

Is _____ a way to improve my home _____ that _____?

_____ I _____ my wi-fi _____ areas.

Can _____ internet speed in areas _____ it's slower?

Is _____ a _____ increase my _____ network's performance _____ zones _____ internet?

Is it possible _____ speeds _____ my _____ network in areas _____ have _____ performance compared to the _____?

_____ wondering _____ there's _____ way to improve _____ home network for _____ that have _____ signals.

_____ there a way _____ certain _____ of the house _____?

_____ improve my _____ in weaker spots?

How _____ I make _____ better at home when _____ not _____ good _____?

_____ you help me improve _____ network in _____ that _____ have a _____?

I would _____ to know _____ is _____ way to _____ better _____ access in areas _____ weak signals.

_____ steps _____ take to improve _____ network's performance _____ with limited _____?

_____ you tell me if _____ possible _____ increase _____ speed of _____ network _____ some Zones?

_____ to _____ the speed of my _____ when it doesn't give good _____ in _____?

Can you give _____ on ways _____ improve _____ home network, _____ have a lot of _____.

Is it _____ increase _____ my internet network in _____ where it _____ giving a _____?

_____ make _____ wi-fi faster in _____?

Is _____ increase the speed of _____ home _____ in _____ performance isn't great?

_____ there _____ to improve _____ in _____ poor wireless performance?

_____ a _____ on _____ improve weak wi-fi areas.

Is _____ possible to _____ better in _____ weaker _____?

_____ a _____ to _____ speed of _____ in zones with limited WIFI _____?

Can _____ be _____ to increase _____ speed of my home _____?

Is there ____ way to ____ speed ____ spots?
 ____ it ____ the speed ____ my ____ in places where the wireless ____ good?
 Is it ____ to increase ____ of ____ in areas ____ have limited wireless ____ compared ____ rest ____ world?
 Is it possible ____ the ____ my ____ places where the wireless performance ____.
 ____ any ____ on how ____ improve internet ____ in zones with ____?
 Is it ____ increase the ____ of ____ internet network in areas ____ isn't ____ others?
 ____ like ____ know if ____ on how ____ make my home network better ____ that don't ____ strong
 Is it ____ increase ____ effectiveness of my ____ network ____ regions that ____ a ____ of ____?
 ____ it ____ to ____ my home ____ speed ____ Zones ____ limited performance?
 Is there ____ to change my ____ network ____ give ____ better ____ access ____?
 Can ____ my home network ____ places ____ it is not ____?
 I'd ____ to know if ____ can give ____ guidance ____ improve ____ network ____ segments ____ don't ____ as much
 ____ it possible ____ upgrade ____ network in ____ wi fi?
 ____ weak internet ____ at home?
 I would like ____ if you would ____ to give ____ guidance ____ to improve ____ home network ____ with ____.
 Is ____ a way ____ increase ____ network ____ spots?
 Is it ____ boost ____ speed ____ networking in areas with limited ____?
 ____ help me improve my home ____ in ____ where ____ strong as ____?
 Is there ____ way ____ my ____ network in ____ limited ____.
 ____ it possible ____ the speed of ____ in zones with ____ performance compared ____ zones?
 How can I ____ home network ____ in ____ limited ____?
 ____ can I ____ to improve the performance ____ my ____ areas with ____?
 ____ there any way to ____ internet ____ at ____ my ____?
 ____ there a ____ increase the ____ my home ____ network in ____ that have ____?
 ____ you give ____ how to improve ____ areas that don't have good wi-fi?
 ____ I make ____ internet work ____ weaker ____?
 ____ I ____ to increase ____ home network's performance in areas ____?
 Is ____ possible to increase the ____ my ____ areas ____ have ____ signal compared ____ other ____?
 ____ it possible ____ increase the speed ____ where ____ doesn't ____ good signal compared ____ other ____?
 It's ____ to increase the ____ my home ____ in regions ____.
 ____ improve my internet ____ weak zones?
 I want to ____ my ____ in ____ where the ____ signal ____.
 I want ____ if there's ____ way I ____ improve ____ home network for ____ access in ____.
 ____ can ____ do to ____ network's ____ in ____ have limited internet?
 Can you tell ____ improve my ____ particularly ____ areas that ____ the ____ internet?
 I'm ____ if ____ a way ____ can improve ____ home network for ____ access ____ that ____ have ____
 ____ like ____ know if you can ____ guidance on ____ home ____ for segments with ____ internet reception.
 How should ____ in poor areas?
 How can ____ internet connection work better in ____ where ____ is not ____?
 ____ possible to ____ effectiveness ____ my ____ in regions that ____ perform as ____ as others?
 ____ me some ____ how to improve my ____ that don't have good internet?
