

[Demo] NLP Dataset for Customer Service Automation

| | |
|-----------------------------|---|
| Company Type | Mobile Network Operators |
| Inquiry Category | Privacy and security concerns |
| Inquiry Sub-Category | Location tracking and geolocation data |
| Description | Inquiries related to the collection, storage, and sharing of geographic information, as well as how to control or disable location tracking features on devices or within apps. |
| Data Size | 5,057 paraphrases |
| Want to buy data? | Please contact nlp-data@gross.me via your business email address. |

Masked sample paraphrases of one "Mobile Network Operator" customer inquiry. (Purchased data will not be masked.)

_____ does _____ affect the _____ of _____ via cellular networks?

_____ the _____ off of wi-fi _____ location of _____ the _____ networks?

_____ accurate a _____ tracked using _____ networks when _____ wi-fi device _____ shut _____.

_____ a wi-fi _____ can _____ accurate my device is _____ networks.

Does disabling _____ location of _____ mobile networks?

What _____ shutting _____ wi-fi _____ have _____ how _____ device can be _____ using _____ telephone network?

_____ a wi-fi device is _____ to how _____ be in _____ cell _____.

How accurately _____ devices _____ located _____ networks _____ affected by _____ switch off _____ the wi-fi.

_____ disabling _____ affect _____ location _____ cellular networks?

_____ can _____ wi-fi _____ precise device _____ ?

How _____ device _____ be using _____ networks _____ I shut off _____ ?

How do _____ the location _____ of devices?

_____ accurate a device _____ a cellular telephone _____ if a wi-fi device _____ ?

When _____ how accurate are cellular _____ to locate?

_____ my device _____ be found through _____ networks, if _____ turn _____ ?

_____ accurate my device _____ be located through cellular _____ I _____ ?

_____ precise _____ device can be _____ using cellular _____ if I _____ ?

What _____ shutting off a _____ on my _____ tracked in mobile _____ ?

_____ location _____ changed _____ wi fi or cell phones _____ accessible?

_____ the accuracy of _____ disturbed if _____ turn off _____ phone's wi _____ ?

How _____ affect _____ location of device?

How accurate _____ tracked with cellular networks _____ wi-fi device _____ off?

_____ accurate _____ a device can _____ tracked using a _____ network if the _____ is _____ ?

How accurately my device _____ be _____ cellular networks _____ I turn _____ ?

How _____ tracking _____ my _____ can be using _____ networks _____ I _____ off _____ ?

How can _____ wi-fi affect _____ ?

How can _____ of _____ devices be _____ or _____ they are reachable _____ fi or cell _____ ?

When _____ disabled on _____ what happens to _____ ?

_____ my device _____ be _____ networks, _____ I _____ off _____ wi-fi device?

How accurate _____ device tracked _____ networks _____ I turn _____ wi-fi?

_____ a _____ is _____ how accurate a device can be tracked _____ cellular _____ network.

How _____ turning off _____ affect _____?

How can the location _____ devices be _____ whether or _____ device _____ accessible via _____ fi _____?

How accurate _____ location of my device _____ be _____ I _____ wi-fi?

It's possible _____ turning _____ wi-fi _____ device _____ tracked _____ cellular networks.

_____ the location _____ devices _____ cell _____ if we switch off _____?

If we lose _____ sense to _____ locating my devices through _____ towers?

_____ accurate can a device _____ tracked using _____ when a _____ device _____?

_____ find devices _____ the _____ goes off?

_____ the switch-off _____ the _____ affect locating _____ devices?

_____ I turn _____ wi-fi and _____ can a device be _____?

It is possible _____ off wi-fi will affect _____ location _____.

_____ the _____ device location affected _____ the deactivating _____?

Shutting off _____ wi-fi _____ will affect _____ of my _____ being _____ cell _____.

_____ disabling wi-fi affect _____ accurately _____?

_____ will _____ location of devices _____ affected by the _____ of _____ a wi-fi _____?

_____ mobile network operators _____ devices _____ the wi-fi _____?

deactivating _____ would _____ of locating my _____ cell towers

The _____ locating devices via cell network _____ affected _____ the _____ wi-fi.

_____ device _____ tracked using _____ cellular _____ if _____ wi-fi is shut off?

Is it _____ to _____ a _____ using _____ networks if _____ turn _____?

_____ accurate _____ device can _____ tracked using _____ networks if a _____ device _____.

How _____ networks _____ the _____ of disabling _____ for _____ location?

If you _____ off _____ phone's _____ you'll _____ the _____ of locating _____ wireless _____.

_____ to _____ connections _____ disabled, how accurate _____ cellular _____ be?

_____ are devices _____ cell networks if you _____ off _____?

How _____ affect device location tracking _____ cellular _____?

_____ affects _____ location tracking using cellular _____.

How accurate _____ of _____ be _____ cell _____ be affected by the _____ of the _____.

_____ is _____ that disabling the _____ location _____ devices?

Can turning off _____ affect the way _____ networks _____?

_____ accurate is the _____ of _____ devices via cell networks _____ wi-fi?

If _____ to _____ is _____ to _____ the accuracy of locating my _____ through _____ towers?

_____ determining a _____ location _____ cell networks might _____ by _____ wi-fi.

How _____ the location _____ devices through _____ will be _____ switch off _____.

_____ it _____ devices through cell towers if the _____ off?

_____ cellular networks _____ location if I _____ off _____ wi-fi?

Can _____ wi-fi _____ tracked using _____ cellular _____ if _____ is shut _____?

Will disabling _____ wi-fi _____ device _____?

It's _____ turning off _____ Fi will _____ my _____ through cellular _____.

Is _____ deactivation _____ cellular _____ devices?

_____ the wi-fi _____ locating _____ device?

_____ I _____ wi-fi, can _____ find the _____ cellular network?

_____ connections is _____ how accurate is _____ location of _____ networks?

_____ it _____ that disabling wi fi _____ the cellular networks?

Is _____ tracking devices on _____ networks affected _____ removing _____?

_____ do _____ the wi-fi _____ precise device _____?

How _____ devices can be _____ cell _____ be _____ by whether _____ not _____ switch _____ wi-fi.

Can _____ wi-fi _____ location of my _____ in _____ networks?

Is _____ possible to _____ device _____ networks if _____ turn off _____?

Will _____ precision _____ cellular _____ be altered _____ disabling wi-fi?

disabling wi-fi affects _____ via _____

Shutting _____ device is related to _____ accurate _____ device can be tracked _____ phone _____.

Shutting off _____ device _____ how accurate a _____ tracked by a _____.

Is _____ accuracy _____ location _____ the device affected _____ of _____ wi-fi?

How can _____ of _____ be _____ by _____ not being _____?

How will _____ wi-fi _____ the _____ of my device _____ by the cell _____ networks?

Does _____ wi-fi affect impact _____?

How accurate a device _____ be _____ by a cellular _____ a wi-fi _____?

_____ in _____ determining a device's whereabouts using cell _____ might _____.

_____ effect shutting _____ a _____ on _____ device _____ be tracked using a cellular _____ network?

Shutting _____ affects how accurate a device _____ in _____ phones.

How accurate is _____ device _____ a _____ when _____ device _____ turned off?

_____ the _____ affects _____ location of devices _____ networks.

_____ wi-fi affect _____ accurate _____ locating?

How _____ device's location via cell networks when _____ my _____?

Is it _____ to _____ track _____ device using _____ networks _____ turn _____ wi-fi?

_____ it _____ my _____ can _____ tracked _____ cellular networks _____ I _____ off _____ wi-fi?

Does turning _____ device?

_____ diminish the _____ finding my device _____ cell towers.

_____ accurately cellular networks _____ identify my device's location _____ I _____?

_____ exactness of locating devices _____ cell _____ by the deactivating _____.

_____ can _____ wi-fi _____ locating devices through _____ networks?

_____ possible _____ device through a _____ network if _____ turn off _____?

_____ phones _____ networks _____ be affected _____ the switch off of wi-fi.

_____ location _____ through _____ networks _____ affected by _____ disabling _____ wi-fi.

Is _____ of _____ location by cellular _____ affected by _____?

_____ accurately are _____ located using _____ by disabling the wi-fi.

Can _____ device _____ found by cellular _____ if _____ using _____?

_____ can the location accuracy of the _____ be affected _____?

_____ it _____ my _____ will affect my _____ network location?

The _____ devices through cellular networks _____ by _____ wi-fi.

What _____ the _____ disabling wi-fi _____ on _____ networks?

How _____ disabling wi-fi affect the _____ devices?

Are _____ networks able to _____ I turn off my _____?

When _____ to _____ connections _____ how _____ are _____ networks?

_____ can _____ through _____ networks will _____ affected _____ the switch off of the wi-fi _____.

_____ a device _____ using a _____ network _____ a _____ device is _____?

How _____ the _____ of _____ be _____ by _____ is disabled?

How _____ wi-fi _____ location of devices on _____?

_____ disabling _____ affect mobile _____?

Is _____ of device _____ via _____ affected _____ deactivating wi-fi?

How _____ my device _____ tracked _____ cellular _____ if I turn _____?

_____ can _____ tracked _____ the cell phone networks when my _____ device is _____?

How _____ devices can be _____ through _____ networks will _____ affected by _____.

How can _____ the device _____ affected _____ there is no _____ fi _____?

How accurate _____ located through cell networks _____ is _____?

_____ of _____ device _____ cell networks _____ changed _____ turning off the _____.

_____ precise _____ devices through _____ networks is affected by the _____.

Will disabling wi-fi make _____ difficult?

_____ shutting down wi-fi _____ device _____?

_____ shutting off a _____ device affect _____ accurate _____ be?

How accurately my _____ is _____ networks _____ off my wi-fi?

If _____ lose the ability to use wi-fi, should _____ the _____ cell towers?

If I stop _____ wi-fi, can _____ found _____ a _____?

_____ disabling wi-fi change the _____ accuracy _____ the _____?

_____ devices can be seen _____ cell _____ affected _____ the switch off _____.

_____ disengaging _____ phone's wi-fi _____ cell network-based _____ accuracy?

_____ does disabling _____ the location accuracy _____ cellular _____?

_____ disabling _____ affect locating devices _____ networks

_____ disabling the _____ on locating _____?

_____ I stop _____ wi-fi, _____ be found on _____ network?

Shutting _____ wi-fi device would _____ how _____ a device _____ be _____ a cellular _____.

If we _____ to wi-fi, is it fair to _____ accuracy _____ devices _____ towers?

How _____ a device _____ a cellular telephone _____ wi-fi _____ is _____ off?

How _____ disabling _____ cellular _____?

_____ shutting off _____ device affecting _____ can be tracked _____ a _____ telephone network?

Is _____ accuracy _____ by the _____ of wi-fi?

How accurate _____ can _____ tracked using _____ cellular _____ there _____ no _____?

_____ device can be tracked using _____ cellular network _____ I _____ off _____?

_____ accurately devices can be located when _____ will _____ the _____ off of _____.

If _____ will _____ be found _____ a cellular network?

Can _____ device's _____ determined _____ networks if _____ turn _____ my wi-fi?

How accurately _____ can identify my _____ location if _____ my _____?

_____ turning _____ wi-fi affect _____ location _____ in the cell networks?

How _____ devices _____ located through _____ will _____ affected _____ the _____ of wi-fi.

How _____ devices are located _____ cell _____ be _____ switch off _____ wi-fi.

_____ the location of _____ cell _____ be affected _____ the _____ off _____?

How _____ affect precise device location _____ cellular _____?

_____ affect _____ location _____ of devices _____ a cellular network?

_____ want _____ know if _____ off _____ wi-fi will _____ how _____ cellular _____ are.

How _____ is _____ through cell _____ they switch off wi-fi?

_____ wi-fi device _____ how accurate _____ device can be _____ networks.

How _____ can my device be located through _____ if _____?

_____ affect _____ accurately cellular networks identify _____ device's location _____ turn _____ wi-fi?

Turn _____ affect how _____ my _____ be _____ through cellular networks.

Is it possible _____ mobile _____ find devices if _____ off?

disabling _____ affects _____ networks

What _____ location accuracy _____ you _____ wi-fi?

Will the _____ devices via _____ networks be _____ off wi-fi?

disabling wi-fi affects _____ located via _____

_____ off a wi-fi _____ affect _____ accurate a _____ is _____ using _____?

_____ wi-fi affect the location _____ via cell _____?

How _____ wi-fi affect the _____ accuracy of _____?

_____ off _____ make it _____ to find my phone through _____?

How _____ off make _____ better devices?

Does _____ of locating devices _____ influenced by the _____ of wi-fi?

Will wi-fi _____ off _____ the _____ of _____?

How accurate _____ device _____ using a _____ telephone _____ when _____ device is _____?

Shutting _____ a wi-fi _____ could _____ how _____ my device can be _____ cell _____.

_____ can _____ device _____ tracked _____ the _____ phone _____ when my _____ is shut _____?

_____ effect shutting off a wi-fi _____ has _____ be tracked _____ cellular networks?

Is deactivating wi-fi _____ make _____ my devices _____ the _____ tower?

Shutting off a _____ affects how accurate _____ tracked _____ mobile _____.

_____ possible _____ disabling the _____ fi _____ make it _____ to find _____ phone _____ the _____ network?

_____ make it difficult to determine a _____ using _____.

_____ locating _____ by deactivating _____?

_____ your _____ link affects _____ network-based locational _____

_____ accurate _____ a _____ tracked _____ cellular broadband network _____ is no wi-fi?

_____ accurately _____ device can be located through _____ turn off _____ wi _____?

How _____ my device can _____ cellular _____ turn off _____?

_____ accurately devices _____ located _____ the _____ will _____ affected by the switch _____ wi-fi.

_____ that turning _____ will affect how _____ networks find _____ device's location?

How _____ a device can be tracked _____ effect _____ a wi-fi device _____.

Do you _____ if disengaging _____ phone's _____ link affects _____ network _____?

_____ accurate a _____ be tracked using a _____ a wi-fi device?

How _____ device location tracking using cellular _____?

_____ a _____ can _____ by using _____ cellular telephone network _____ wi-fi device is shut _____?

_____ the wi-fi _____ location _____ cellular networks _____?

_____ location of devices via cell _____ be affected _____ decision _____ switch _____?

_____ we _____ access to wi-fi, _____ we have _____ reduce the _____ locating _____ devices through _____?

_____ disabling _____ affect _____ device _____ tracking using cellular _____?

If I _____ a _____ found on a _____ phone?

_____ off wi-fi may _____ my device _____ be _____ through cellular _____.

How _____ are _____ will _____ affected _____ the switch off of wi-fi.

_____ to _____ connections is _____ how accurate can _____ be?

Can _____ the wi-fi _____ the _____ devices _____ networks?

_____ it possible to _____ wi-fi _____ the location of _____?

The _____ of locating _____ disturbed _____ you _____ off your phone's wi-fi.

How _____ located via cell _____ affected if we _____ wi- fi.

What _____ wi-fi _____ to locating devices?

_____ my device can _____ in _____ I _____ wi-fi device off?

_____ it _____ deactivating _____ affects _____ location _____ via cell network support?

_____ does deactivating _____ mean for locating accuracy _____?

_____ wi-fi affects locating _____ through _____

How accurate my device _____ tracked using _____ after _____ wi-fi?

_____ accurate is the location of devices _____ if they _____ switched _____?

_____ cellular-based _____ tracking systems _____ affected by _____ wi-fi?

_____ of _____ devices _____ be disturbed if you _____ off your phone's internet _____.

Shutting _____ a wi-fi _____ can affect how _____ device _____ with _____.

_____ using _____ networks _____ affected by the disabling of wi-fi.

_____ wi-fi _____ location through cellular networks _____?

How does _____ devices when _____ wi-fi _____ out?

_____ can _____ location of the _____ affected by _____ inability _____ use _____ connection?

How _____ locating a _____ a mobile network _____ wi-fi?

_____ it possible that _____ wi-fi affects _____ cell _____ support?

_____ affect the location of devices?

How _____ connection affect _____ devices?

How ____ my ____ can ____ using ____ may be ____ by ____ off wi-fi.

How will disabling ____ locating devices ____?

Could ____ affect cellphone ____?

How accurate a ____ can ____ tracked using ____ cellular ____ is ____ wi-fi?

____ device ____ located through cell ____ if I ____ wi-fi?

The ____ devices using ____ networks can ____ by disabling ____.

Does the ____ of ____ accuracy of tracked devices ____?

How ____ location ____ are via ____ will ____ affected by the switch ____ of ____.

Do ____ the degree ____ which disengaging your phone's wi-fi link ____?

Does ____ wi-fi device ____ the accuracy ____ tracked using ____ cellular broadband network?

How ____ a device can ____ using ____ cellular telephone ____ device is ____ down?

____ accurate ____ can ____ using a cellular network ____ a wi-fi ____ closed ____?

What ____ is shutting off ____ wi-fi device having ____ my ____ in the ____?

How ____ my device is located ____ cell ____ if ____ the ____?

Would ____ a ____ device ____ how ____ a device can ____ a cellular broadband ____?

____ cellular ____ identify my device's ____ if I ____ off my ____?

How ____ my ____ can be tracked using cell phone ____ device?

____ wi-fi device will ____ an effect ____ accurate ____ device can be in ____.

____ do ____ wi-fi connection ____ devices?

____ wireless ____ are disabled, how accurate ____ cellular ____?

How ____ device ____ cell networks ____ be ____ turning off wi-fi.

The accuracy of ____ if you turn ____ your phone's internet ____.

Turnoff ____ the ____ of ____ being tracked through cellular networks.

Is ____ to ____ the ____ cellular-based ____ systems by disabling wi-fi?

Shutting off a ____ device ____ affect ____ accurate ____ device ____ by cellular ____.

____ of ____ via ____ be affected ____ the switch off of wi-fi?

____ the ____ finding my ____ cell towers diminished by ____?

deactivating ____ would diminish ____ accuracy ____ my ____ the cell ____

____ turning off wi-fi ruin ____ ability ____ in cellular ____?

disabling ____ affects locating devices ____.

____ possible that ____ devices through cell towers ____ be reduced by ____ wi-fi?

____ a wi-fi ____ has ____ do ____ how ____ device ____ be tracked using cell ____ networks.

____ possible to ____ my device ____ the ____ if ____ stop wi-fi?

____ do turning off ____ affect ____?

____ of ____ devices ____ wireless carriers ____ disturbed if you ____ phone's wi-fi.

deactivating ____ make ____ to ____ a device's ____ using cell ____.

How accurate is cell-based ____ when ____ is ____?

How ____ disabling wi-fi affect ____ through ____ networks?

It's possible ____ turning off ____ will affect ____ device's ____ to be ____.

____ can my ____ using the ____ my wi-fi device is ____ off?

____ access ____ connections is disabled ____ accurate ____ networks be?

____ would like ____ know ____ disabling ____ will ____ finding my phone in ____ cellular ____.

____ off ____ device ____ how accurate ____ device ____ be in mobile ____.

deactivating wi-fi ____ accuracy of finding my devices ____

____ accurate ____ my device location ____ cellular networks ____ off the ____?

____ accurate my ____ through cellular networks ____ turn off my ____?

____ how accurate a ____ be ____ a ____ effect is shutting off a wi-fi ____?

Will disabling the ____ affect ____ systems?

Turn off ____ affect ____ accuracy of my device ____ tracked ____.

____ I remove my cellphone's ____ will there ____ positioning ____?

How will shutting _____ wi-fi _____ affect _____ device's ability _____ be tracked _____ ?

_____ can be _____ through _____ networks will _____ by _____ or not _____ switch off the _____.

How _____ devices are located _____ cell networks _____ affected _____ the switch _____.

_____ shutting off my wi-fi _____ cellular networks _____ ?

_____ it _____ that _____ of finding _____ cell towers would _____ by deactivating _____ ?

It's possible that turning _____ Fi _____ my device's _____ tracked _____ cellular _____.

The exactness of locating _____ cell _____ might _____ affected _____ the deactivating _____.

Is it _____ deactivating _____ will make _____ harder _____ determine _____ device's location _____ ?

_____ network-based locational accuracy can _____ degree _____ which you _____ your phone's _____.

_____ the location _____ be affected by _____ device's _____ to use _____ ?

_____ can _____ using _____ cellular network if it is _____ for wi-fi?

Are cellular _____ to _____ my _____ location if _____ off my _____ ?

deactivating _____ would _____ the accuracy _____ finding my _____ towers.

How accurate is my _____ via _____ networks _____ off _____ ?

What effect _____ disabling _____ devices via cellular _____ ?

Will cellular-based device _____ be _____ disabling of _____ ?

How accurately _____ can _____ found _____ cell networks will _____ affected _____ switch off _____.

_____ finding _____ phone with _____ be _____ if _____ turn off _____ ?

_____ turning off _____ affect the _____ of _____ device on _____ ?

If _____ goes _____ can _____ still find _____ ?

How _____ turning _____ affect the location of _____ ?

_____ turning _____ my location via cell _____ ?

How would _____ location tracking _____ cellular _____ ?

_____ access to _____ is _____ can the _____ networks _____ ?

What effect _____ shutting off _____ wi-fi device _____ how accurate _____ mobile _____ ?

How _____ switch-off affect locating _____ ?

_____ disabled, how accurate a cellular network can _____ ?

disabling _____ affects _____ location _____ in _____ networks.

_____ effect _____ off a _____ accurate a cell phone is?

_____ phone location _____ you _____ off wi-fi?

Is it possible _____ finding _____ devices through cell _____ will decline _____ ?

_____ my _____ be when located through _____ networks _____ turn off my _____ ?

_____ the deactivation of _____ network-based device _____ ?

Is it possible that turning _____ will _____ cellular _____ ?

If I stop _____ can _____ find _____ the cellular _____ ?

Are cellular _____ likely _____ identify my _____ turn off my _____ ?

Shutting off a _____ affects _____ accurate _____ be tracked using _____ broadband _____.

Can _____ exactness of _____ via cell network _____ changed _____ wi-fi?

_____ a wi-fi _____ will affect how _____ can _____ using a cellular telephone _____.

_____ stop using _____ can _____ device _____ found on a _____ ?

Is _____ for _____ to identify _____ device's _____ if _____ turn off _____ wi-fi?

Cell _____ accuracy _____ affected if your _____ is disconnected.

_____ wi-fi _____ accurate device location?

_____ accurate _____ device can _____ tracked _____ when a _____ device is turned _____ ?

How accurately _____ located _____ cell networks _____ be _____ decision to switch off _____.

Will _____ off of wi-fi _____ location of _____ networks?

_____ location _____ through the mobile networks _____ affected _____ disabling the _____.

_____ precision of cellular-based device tracking systems _____ affected _____ ?

_____ effect _____ shutting _____ wi-fi device having _____ how _____ device _____ be _____ using a cell _____ ?

How _____ device locating _____ cellular networks?

_____ accurately _____ device is _____ via _____ be affected by _____ off the _____.

What happens _____ of tracking _____ using _____ when wi-fi is _____?

_____ accurate my device can be _____ when _____ turn _____ wi-fi?

How _____ finding _____ by cell signal?

_____ shutting off _____ device affect _____ device being _____ in _____ networks?

How accurate _____ can be tracked _____ cellular _____ if _____ wi-fi device _____ ?

_____ turning off the _____ of _____ device through the cellular _____?

How does _____ wi-fi affect _____ ?

_____ it hurt my _____ of _____ if I turn off _____ wi-fi?

_____ your phone's wi-fi _____ affecting cell _____ locational _____?

_____ off _____ device _____ do with how accurate _____ tracked using the cell _____ networks.

How would _____ off a wi-fi device _____ accuracy of _____ device _____ tracked _____ cellular _____ ?

_____ cellular networks identify my _____ I turn _____ my wi-fi?

_____ wi-fi device be tracked _____ networks if it's _____ ?

How accurate _____ the location of devices _____ networks _____ don't _____ ?

How _____ device be _____ using _____ broadband network when _____ wi-fi _____ is _____ off?

_____ cell-based device _____ accurate _____ ?

_____ wi-fi alter the _____ of cellular-based _____ systems?

_____ my _____ by the cellular _____ after I _____ wi-fi?

Does _____ affect the _____ of _____ tracking _____ networks?

_____ turning _____ wi-fi _____ device location?

Should a _____ found through _____ I stop using _____ ?

_____ wi-fi _____ the location of devices?

_____ would _____ off _____ wi-fi _____ affect the accuracy _____ a _____ ?

If you _____ off your phone's _____ may _____ the accuracy _____ locating _____ through _____.

How accurate _____ can be tracked with _____ cellular _____ a _____ is _____ down?

Is it _____ to _____ locational accuracy _____ your _____ wi-fi link?

Deactivating the wi-fi _____ harder to _____ a _____ location using _____.

Is _____ of _____ cell networks _____ by _____ switch _____ of wi-fi?

How accurate _____ using _____ networks when they are _____ using _____ ?

_____ possible _____ device _____ be _____ cellular networks if I turn off _____ ?

_____ location of _____ via cell _____ by the switch _____ wireless?

_____ disabling _____ affect the location accuracy _____ cellular _____ ?

_____ know _____ your _____ wi-fi link _____ cell _____ locational accuracy?

_____ disabling _____ wi-fi affect _____ cell signal?

_____ my _____ be _____ mobile networks if _____ shut _____ my wi-fi?

_____ it possible _____ using cellular _____ if I turn _____ wi-fi?

_____ can affect _____ accuracy

_____ the location of _____ affected if wi-fi _____ ?

_____ would shutting off _____ wi-fi device _____ my device _____ tracked _____ ?

_____ affect locating devices _____ networks?

Deactivating _____ can _____ accuracy _____ networks.

How _____ the wi-fi _____ locating devices' _____ ?

When _____ can my device be tracked _____ the _____ network?

Can _____ the _____ the location of _____ the cellular _____ ?

How _____ device _____ be _____ the _____ phone networks _____ my wi-fi device _____ shut _____ ?

_____ disabling _____ affect _____ location _____ on cell networks?

Shutting _____ affects _____ accurate my _____ be tracked in mobile _____.

_____ my _____ located through _____ I turn off wi-fi?

How does turning _____ the _____ your _____ ?

How _____ devices can _____ found through cell _____ will _____ affected _____ off _____ the _____.

How _____ my _____ be _____ the cell _____ networks _____ shut off _____ wi-fi?

How accurate _____ device can _____ tracked _____ networks _____ off my wi-fi?

_____ disabling _____ locating devices?

_____ it _____ for my devices _____ be _____ cell _____ if the _____ off?

Will _____ wi-fi ruin my ability to _____ phone via _____?

Shutting off a wi-fi _____ a _____ can _____ tracked using _____ networks.

How _____ change _____ device's _____ accuracy?

How _____ wi-fi affects devices located _____ cell _____?

disabling _____ for _____ through cellular networks _____ effect.

It is possible that _____ Fi _____ my _____ ability _____ be _____ cellular networks.

Does disabling wi-fi for device _____ affect _____?

_____ off a _____ how _____ my _____ can be using _____ networks.

_____ location _____ devices _____ affected _____ wi fi _____ cell phones _____ being accessible?

_____ of _____ my devices _____ cell towers would _____ diminished _____ deactivating wi-fi.

How accurate is _____ through _____ networks _____ turn off the _____?

The accuracy of _____ via cellular networks _____ affected _____ of _____.

How would _____ affect _____ of _____?

_____ to wireless connections _____ how accurate can _____ networks _____?

_____ the effect _____ disabling wi-fi for _____ locations?

Shutting off _____ device affects _____ accurate it _____ using _____.

If we lose access _____ it worth _____ the accuracy _____ locating _____ cell _____?

_____ effect is _____ off a _____ having on the _____ phone?

_____ turning off _____ the device _____?

How _____ wi-fi affect location _____ of devices _____?

Shutting _____ device can _____ how _____ a _____ can be _____ using _____ cellular _____ network.

If the wi-fi _____ off, _____ networks _____ find _____?

Will _____ off _____ wi-fi _____ affect _____ accurate a device can _____ cellular _____ network?

_____ accurate is my _____ cellular _____ I turn off _____?

Will _____ off _____ accurate device _____?

_____ off wi-fi _____ location of _____?

Will _____ of devices _____ networks be _____ by _____ off _____?

Does _____ exactness of locating devices via cell _____ depend _____?

_____ can disabling the _____ affect _____ the _____?

_____ you turn _____ wi-fi you _____ disrupt _____ accuracy _____ devices through _____ carriers.

_____ location can _____ through cellular _____ if I _____ the wi-fi?

How _____ wi-fi _____ devices _____ on _____ networks?

_____ accurate is the effect _____ Wi-fi _____ location?

_____ wi-fi device _____ affect _____ a device _____ be tracked _____ cellular broadband network.

_____ the location of mobile _____ by disabling _____?

_____ location of _____ the mobile networks is _____ by _____ wi-fi.

Can turning _____ my wi-fi _____ the _____ of _____?

How does _____ off a wi-fi _____ that uses cell phones?

deactivating wi-fi would diminish _____ of _____ cell tower.

_____ my device can be _____ through _____ I turn _____ wi-fi?

How _____ turning _____ location accuracy?

_____ the _____ wi-fi affect _____ accuracy of tracking _____ mobile _____.

How _____ disabling the _____ the _____ of locating _____?

_____ it that _____ wi-fi _____ locating devices on _____ networks?

_____ off a _____ device _____ a device _____ by a cellular _____ network.

How _____ devices are _____ cell networks will _____ affected _____ or _____ switch off _____.

The disabling _____ affects _____ location of _____ via _____.

_____ it possible _____ find _____ device using _____ I stop _____ wi-fi?

_____ off a wi-fi device _____ to how _____ tracked using a cellular telephone _____?

Can my _____ location be _____ cellular _____ if _____ my wi-fi?

_____ effect shutting off a wi-fi _____ has on _____ my device _____ mobile _____?

How accurate _____ a _____ be tracked _____ cellular _____ when a _____ is _____?

_____ disabling wi-fi affect _____ location of _____ cellular _____?

How accurate is _____ device's location _____ a _____ I _____ off _____?

_____ my _____ is _____ via cell networks _____ be impacted _____ turning _____ wi-fi.

Can disabling wi-fi _____ your _____?

Shutting off _____ device _____ to how accurate a device _____ a _____ network.

_____ accurate a _____ using a _____ if a wi-fi device _____ shut off?

How accurate _____ device _____ tracked _____ cellular networks _____ turn off _____?

Turn _____ wi-fi _____ how accurate _____ device _____ cellular networks.

Is _____ that my device can _____ tracked using _____ turn off _____?

_____ wi-fi affects locating _____ cellular _____

Deactivating wi-fi _____ make _____ determine a _____ location _____ networks.

_____ accurate can a _____ be _____ using a cellular _____ wi-fi device _____?

disabling the _____ affects the _____ of _____ the _____.

_____ accurate devices are located _____ will be _____ by the _____ of _____.

Will _____ off a wi-fi device affect how accurate _____ a _____?

How accurate _____ using _____ if there is _____ wi-fi?

_____ accurate my _____ be _____ using _____ networks _____ I turn off _____?

_____ off _____ wi-fi _____ do _____ how accurate my device is in _____.

How accurate _____ can be _____ networks _____ device is shut off?

How _____ shutting off _____ device _____ a _____ used for cell phones?

How will _____ off a wi-fi _____ the _____ of _____ device _____ for _____?

_____ off wi-fi affect _____?

_____ wi-fi _____ tracking on _____ networks?

_____ can be tracked using cellular networks if _____ turn _____ wi-fi?

_____ how deactivating wi-fi affects _____ accuracy?

If _____ stop using wi-fi, _____ find _____ device _____ a _____ network?

How _____ disabling _____ the _____ accuracy of _____ phones?

_____ accurately devices _____ located via _____ will _____ impacted _____ the _____ off _____ wi-fi.

_____ off _____ device affect how _____ device is in _____ phones?

How can _____ wi-fi affect _____ tracking?

Does _____ the wi-fi _____ location _____ my device on _____ networks?

How _____ my device's _____ cellular _____ if _____ turn _____ the wi-fi?

Can _____ cellular networks accurately identify my _____ location if _____?

_____ accurate _____ a _____ telephone network _____ a wi-fi device _____ not on?

_____ I _____ device be found _____ the cellular network?

_____ it _____ to use _____ tracking _____ wi-fi?

Does _____ removal _____ wi-fi affect the _____ networks?

Can I _____ a _____ if I stop using _____?

_____ my device be tracked _____ networks if _____ the _____?

Is _____ possible _____ deactivation of _____ affects cellular _____?

_____ it possible that _____ accuracy _____ via cellular _____ affected _____ the _____ of the wi-fi?

_____ accuracy of _____ devices _____ carriers _____ if you _____ your phone's _____ service?

How _____ deactivating Wi-fi _____ on _____ networks?

How much does disabling _____ phone's wi-fi _____?

_____ disabling _____ affect _____ location accuracy of devices in _____?

How accurate _____ of devices _____ networks _____ be if _____ switch _____.

The _____ locating _____ cell network _____ affected by the deactivating of _____.

_____ accurate _____ be _____ using _____ networks can _____ turning off the wi-fi.

How _____ are _____ locations of _____ cellular networks _____ the _____ is _____?

_____ disabling _____ change _____ of devices?

How _____ disabling _____ affect _____ through _____?

_____ cellular networks _____ find _____ if the wi-fi _____?

_____ wi-fi _____ it difficult to determine a _____ location _____ cell _____.

_____ accurate is _____ via cell _____ when I _____ the wi-fi?

_____ do disabling wi-fi affect _____ networks?

_____ my _____ be when _____ cellular networks _____ turn off wi-fi?

_____ we lose _____ to _____ does it _____ sense _____ reduce _____ devices from cell towers?

disabling wi-fi _____ an _____ locating devices _____ cellular _____

_____ affect how accurately _____ networks _____ my device's _____ turn _____ my wi-fi?

_____ wi-fi device can affect the _____ device _____ tracked _____ the cell _____ networks.

_____ make _____ to determine a device's _____ cell network.

_____ effect _____ device _____ on how accurate _____ can be _____ using a cellular network?

What happens to _____ accuracy _____ you _____ wi-fi?

_____ the _____ of wi-fi _____ specificity?

How can the _____ of devices be _____ aren't _____ cell phones?

How _____ is _____ effect _____ for _____ location through cellular _____?

_____ is _____ that turning _____ Fi _____ device's tracking _____ cellular networks.

_____ accuracy _____ devices through wireless carriers _____ you _____ your phone's wi-fi?

_____ is the _____ of _____ device through _____ networks when I _____ wi-fi?

_____ accurate is _____ location of _____ device _____ networks if _____ turn off _____?

Disengaging _____ wi-fi link _____ location accuracy.

How accurately devices _____ be _____ cell _____ be affected _____ the _____ switch off _____.

_____ affecting _____ location precision?

_____ device _____ be tracked using a cellular _____ a _____ is shut down?

How accurate _____ device can _____ tracked _____ broadband _____ the wi-fi device is _____?

_____ effect _____ have on location _____ cellular networks?

How accurate a device _____ tracked using _____ telephone _____ if a _____ down?

Will the location _____ devices _____ cell _____ be affected if _____ wi-fi?

_____ off _____ wi-fi _____ affect _____ accurate a device can _____ tracked using a _____.

_____ you _____ us _____ the wi-fi affects locating _____?

How can disabling wi-fi _____ accuracy _____?

_____ my device can be _____ using _____ networks if _____ turn _____?

_____ do disabling _____ affect _____ location tracking _____ cellular _____?

_____ a wi-fi device _____ do with _____ device _____ be in _____ networks.

Does _____ wi-fi _____ the _____ my device on _____ networks?

The ability _____ locate devices through _____ affected _____ wi-fi.

_____ shutting off a _____ device _____ affects _____ accurate a _____ can _____ tracked using a _____.

Can _____ off my wi-fi _____ cellular _____ to locate _____?

How accurate is a _____ be tracked _____ network _____ wi-fi _____ is shut down?

Is it _____ location of devices through cell _____ affected _____ the _____ of wi-fi?

_____ how accurate my device can _____ tracked through _____ networks.

The exactness _____ locating _____ cell _____ is related _____ deactivating of _____.

_____ affect the location _____ devices?

_____ can the _____ of a _____ be _____ being unable _____ use _____ wi-fi _____?
 If _____ using _____ find _____ through a cellular network?
 _____ turning _____ device locating?
 How _____ affect _____ location?
 How _____ the wi-fi _____ device _____ cellular networks?
 _____ will _____ affect precise device location _____ cellular _____?
 _____ your phone's _____ can affect _____ location accuracy.
 How _____ of _____ changed _____ whether or _____ they are accessible via wi _____ or _____?
 Shutting _____ wi-fi device affects _____ of my device _____ tracked using _____.
 How might _____ connection _____ devices?
 Is _____ possible that disabling the _____ fi _____ my _____?
 How _____ disabling _____ change _____ accuracy _____ devices?
 _____ the location of devices via cell _____ affected _____ switch _____?
 How accurately devices _____ be _____ networks will _____ impacted by _____ switch _____.
 Will _____ location of _____ networks be _____ if _____ off the _____?
 _____ the wi-fi _____ make it difficult _____ determine _____ using cell _____.
 _____ deactivation of wi-fi might _____ specificity.
 _____ wi-fi is _____ cellular devices, what happens _____ locating _____?
 _____ disabling _____ internet _____ it _____ gadgets by cell signal?
 If we _____ the ability to _____ access _____ sense _____ the accuracy of locating _____ devices _____ cell _____
 How accurately _____ device _____ located through _____ cellular _____ if _____ my wi-fi?
 Shutting off _____ affect how accurate _____ device _____ in mobile _____.
 If you _____ your phone's wi-fi, does _____ of _____ carriers suffer?
 How _____ the location _____ devices _____ found through _____ networks _____ impacted _____ switch _____ of wi-fi.
 Is _____ accuracy _____ via cellular _____ by _____ deactivating _____ wi-fi?
 deactivating wi-fi _____ difficult _____ determine a _____ using cell _____
 Is _____ accuracy of _____ via cellular _____ affected by _____ deactivating _____?
 How are _____ located _____ affected _____ disabling the _____?
 how _____ affect _____ location accuracy
 How does _____ wi-fi _____ devices?
 _____ accurate my _____ is _____ cell _____ if I turn off _____?
 _____ my _____ be tracked _____ cellular _____ if I _____ off _____?
 How _____ can be _____ through _____ networks _____ be _____ by _____ off _____ Wi-fi.
 _____ affects _____ devices are located _____ cell _____.
 How _____ my _____ can be _____ through _____ networks, _____ turn off _____?
 How _____ the _____ through cell _____ will be affected _____ the switch _____.
 _____ it _____ that deactivating _____ the exactness of _____ cell _____ support?
 How _____ devices can _____ through cell _____ may be _____ by _____ off _____.
 _____ accurate _____ device _____ be _____ using the cellular _____ if _____ my wi-fi _____?
 Does _____ off _____ fi _____ location?
 _____ do disabling the wi- _____ locating _____?
 _____ a wi-fi _____ cellular _____ if _____ is shut down?
 How _____ is the _____ of _____ via _____ when _____ switch off _____?
 _____ turning off _____ influence the location of _____?
 _____ can _____ off _____ impact device locator accuracy?
 When I switch off _____ wi-fi, can my _____ the _____?
 The accuracy of _____ devices via _____ be affected _____ off _____.
 What is _____ effect _____ on locating _____ through _____ networks?
 _____ does the _____ of wi-fi affect _____ devices _____ networks?
 What effect _____ will _____ how accurate a _____ be tracked _____ a cellular broadband _____?

Will the _____ devices _____ be _____ if they switch off _____?

_____ wi-fi disabled affecting _____ devices?

If we _____ access _____ is _____ reduce _____ accuracy of locating _____ devices through cell _____?

Does turning off wi-fi impact _____?

How accurate _____ be _____ using a _____ phone network _____ a _____ shut down?

If we lose access to _____ it _____ the _____ of _____ device through cell _____?

If _____ stop _____ can _____ device on a _____ network?

How _____ disabling wi-fi affect _____ cellular _____?

How accurately _____ can _____ located _____ cellular _____ be affected _____ disabling _____.

_____ the accuracy of _____ that _____ cellular networks _____ wi-fi is _____?

Will _____ off _____ wi-fi _____ affect how accurate _____ be _____ using _____ phones?

Will disabling wi-fi for _____?

_____ wi-fi _____ devices _____ cellular networks

_____ can _____ location of devices

The _____ of device location _____ cellular _____ be _____ by _____ wi-fi.

_____ wi-fi affects location _____

How accurate _____ device can be _____ cellular _____ a wi-fi _____ is _____ off?

How _____ the location _____ affected by a _____ use _____ wi-fi _____?

_____ can _____ of a device _____ affected _____ isn't _____ via _____ fi or _____ phones?

How accurate is a device tracked _____ the _____ is _____ off?

When _____ connections are disabled, how _____?

What _____ a _____ device _____ on how _____ device can be tracked using _____ network?

The ability to track my device through cellular _____ something that _____.

_____ may make it hard to accurately _____ using cell _____.

How can _____ for devices?

_____ wi-fi for _____ location affect _____?

_____ accurate _____ my device tracked using _____ off my wi-fi?

_____ the location of _____ cellular _____ be altered by _____?

How accurate my device _____ be tracked using _____ will _____ if _____.

How can the _____ device _____ affected by _____ or _____ they _____ reachable via wi _____ or _____?

_____ ability to track _____ cellular networks _____ be _____ by _____ wi Fi.

How can the _____ of devices be affected by _____ of _____ device _____?

_____ cellular networks _____ devices _____ if _____ wi-fi _____ off?

_____ disabling wi-fi _____ using mobile data connections, what _____?

How _____ disabling _____ affect cellphone _____?

If _____ stop _____ wi-fi, can _____ device be _____ with _____?

_____ accurate _____ can be _____ using cellular _____ if _____ turn _____ the _____ fi?

_____ accurately the _____ can be _____ through _____ will _____ by the _____ off of _____.

How _____ my device _____ networks when _____ turn off my _____?

How accurate _____ using a _____ network when a _____ unplugged?

Shutting off a _____ how accurate _____ can _____ a cellular network.

_____ accurately _____ I _____ to _____ my device through _____ turn off my _____?

_____ off _____ being tracked through cellular networks.

_____ effect _____ a wi-fi device _____ how _____ a device _____ be tracked _____ a _____ broadband network?

Can _____ networks identify my _____ location be _____ if _____ off _____ wi-fi?

_____ wi-fi affect _____ location of _____ mobile networks?

Should _____ location be _____ by _____?

Is _____ possible _____ my _____ networks when _____ turn _____ my wi-fi?

_____ effect shutting _____ wi-fi device _____ accurate a device can be tracked _____ broadband _____?

What _____ effects of disabling wi-fi on _____ mobile _____?

Will shutting _____ wi-fi _____ accurate _____ device _____ be _____ mobile networks?

How _____ the _____ affect _____ location of devices _____ networks?

Can _____ wi _____ location?

How accurate my _____ can be _____ using _____ turn off _____?

_____ a _____ be tracked using _____ networks when a wi-fi _____ is _____?

Is _____ the mobile _____ operators to still _____ devices if _____ off?

Is the _____ device _____ affected _____ deactivation of the _____?

Can't you figure _____ cellular _____ still _____ devices after _____ goes _____?

_____ shutting _____ wi-fi device affect _____ accurate my _____ in mobile networks?

Is _____ device _____ networks _____ by the deactivating of _____?

_____ is a _____ using cellular _____ when a _____ device _____ off?

_____ wi-fi _____ it _____ to determine _____ device's _____ cellular networks.

Can _____ off _____ wi-fi affect _____ ability to _____ device?

_____ turn off your _____ wi-fi _____ might _____ accuracy of _____ devices through wireless _____.

_____ the location _____ via the cell _____ affected by _____ switch _____ of _____?

How will shutting _____ affect how _____ a _____ may be?

How can _____ location _____ the devices _____ whether _____ are accessible _____ fi or cell phones?

How _____ my _____ can be when using cellular _____ turning off _____.

_____ off _____ wi-fi device _____ accurate my device is _____ mobile networks?

_____ to _____ device _____ cellular networks _____ I turn off _____ wi-fi?

_____ wi-fi affects _____ accuracy _____ cell _____.

What _____ can disabling wi-fi _____ device _____ on _____?

Problems with _____ determining _____ using cell networks _____ be _____ deactivating _____.

_____ it _____ that disabling wi _____ affect _____ a _____ in a _____?

Is it possible that _____ accuracy _____ device _____ cellular _____ impacted _____ deactivating _____?

Does deactivating _____ the _____ device?

_____ accurate _____ device tracked using a _____ wi-fi device _____ shut down?

_____ wi-fi is _____ phones, what happens _____ accuracy?

_____ accurately devices _____ be _____ through cell _____ be _____ or not _____ switch _____ the wi-fi.

_____ off a _____ device has to _____ with _____ accurate a _____ be _____ using _____.

_____ the _____ goes off, _____ networks _____ find things?

_____ accurate a _____ can _____ a cellular broadband network _____ device is _____?

_____ through _____ networks affected _____ disabling wi-fi?

How _____ cell device _____ wi-fi?

How accurately my device _____ via cell _____ can _____ I _____ wi-fi.

_____ effect shutting _____ wi-fi _____ has _____ how _____ device can _____ tracked using _____ phone networks?

Does removing wi-fi _____ the _____ mobile networks?

How accurate _____ device _____ be tracked with _____ if a _____ is _____?

Is turning _____ affecting _____ locating?

I wonder if the accuracy of locating devices _____ off your phone's _____.

_____ disabling _____ make _____ by _____ signal harder?

How does _____ wi-fi _____ cellular networks?

_____ accurate a device can be _____ a _____ network _____ the _____ is _____?

_____ disabling wi-fi and using _____ to _____ location accuracy?

_____ effect shutting off _____ device has on _____ accurately _____ tracked using _____ cellular broadband _____?

Can _____ be _____ network if I _____ using wi-fi?

_____ disabling _____ wi-fi affect _____ location _____ the _____?

_____ device _____ systems _____ affected _____ disabling wi-fi?

How _____ can _____ located _____ cell _____ will _____ by the _____ of wi-fi

_____ I stop _____ wi-fi _____ device _____ through _____ cellular network?

____ I ____ off ____ how ____ my device tracked ____ cellular network?
 ____ it possible ____ shutting ____ will affect how ____ cellular networks ____?
 Do you know what deactivating wi-fi ____ cellular ____?
 ____ ability to track ____ affected by turning off wi-fi.
 How ____ device is ____ can be impacted if I ____ wi-fi.
 ____ does cellular networks ____ devices ____ is off?
 ____ accurately ____ devices can ____ through cell ____ be affected by ____ off of ____.
 Is it ____ that disabling the ____ affect finding ____ the ____ network?
 How ____ is ____ if I turn off wi-fi?
 ____ wi-fi ____ impact device ____
 disabling ____ has ____ on ____ tracking using cellular networks.
 How accurately ____ be ____ cellular ____ if I turn ____ the ____?
 ____ turning ____ fi affect ____ locating?
 ____ the ____ of ____ via cellular networks can ____ by deactivating wi-fi.
 What ____ impact ____ deactivating ____ accuracy on cellular networks?
 How does ____ wi-fi ____ locating accuracy ____.
 ____ affect ____ devices in cellular networks?
 Can ____ affect cellphone location ____?
 ____ disabling the ____ the location accuracy of ____?
 Can ____ my wi-fi affect ____ networks ____ my ____?
 ____ wi-fi affects ____ on cellular ____
 ____ wi-fi ____ the location of devices?
 ____ think shutting ____ wi-fi device will affect the accuracy ____?
 How accurate my ____ can be ____ if ____ off my ____?
 How accurate ____ my ____ be ____ the ____ phone ____ when my ____ shut off?
 ____ disabling ____ location ____ devices via cellular networks?
 ____ accurate ____ device ____ using the ____ phone networks when ____ shut off my ____?
 ____ off a ____ can affect how ____ can be tracked ____ cell ____ networks.
 How ____ the ____ a device be affected ____ via ____ fi or cell ____?
 ____ location of ____ be ____ by ____ device to use a ____ connection?
 ____ do disabling wi-fi affect ____ location ____ networks?
 ____ affect my ability ____ find ____ phone ____ cellular networks ____ I ____ off ____?
 ____ off ____ device could ____ accurate ____ device can ____ mobile networks.
 ____ disabling the wi-fi ____ location of ____ mobile networks?
 ____ turning ____ wi-fi impact device ____ via ____?
 Will ____ off ____ the ____ of a ____ tracked with cellular networks?
 How can ____ the ____ affect ____?
 ____ disengaging ____ phone's ____ cell network-based locational accuracy?
 The accuracy ____ devices through wireless ____ disturbed ____ off ____ phone's wi-fi ____.
 ____ off your phone's wi-fi, ____ of ____ devices through ____ carriers ____ disrupted.
 ____ effect shutting off a wi-fi ____ has on ____ my ____ networks?
 How ____ the location ____ devices ____ affected ____ there is no ____ nearby?
 How ____ the wi-fi ____ gadgets?
 ____ for a device ____ located ____ a ____ if I stop ____ wi-fi?
 ____ it ____ the wi ____ make it harder ____ locate my ____ a cellular network?
 How ____ my device can be tracked ____ cellular ____ wi-fi?
 ____ shutting ____ affect the accuracy of a ____ being tracked using ____ cellular ____?
 ____ it ____ my device to be located through ____ I ____ my ____?
 ____ devices using cellular networks can ____ disabling ____ wi-fi.
 Deactivating ____ when determining ____ device's ____ using cell networks.

disabling wi-fi _____ mobile _____.

_____ accurate _____ device is located via _____ networks _____ I _____ off _____?

_____ lose _____ ability to _____ wi-fi, can we reduce the _____ of _____ my _____ cell _____?

_____ off a _____ affects how _____ a _____ can be _____ using _____ cellular _____

How _____ shutting _____ a _____ cell phone's accuracy?

If _____ wi-fi goes _____ can cellular networks _____?

_____ change cellphone location?

Is _____ possible _____ my device to be _____ using _____ when _____ wi-fi?

_____ accurately _____ device _____ located through cellular _____ I turn _____ wi-fi?

How _____ can a _____ a cellular broadband _____ when a _____ off?

Does disabling wi-fi _____ tracking via cellular _____?

_____ deactivating the wi-fi affect _____ device _____ the _____ networks?

_____ possible that my _____ can be _____ cellular _____ when _____ the wi-fi?

_____ stop using _____ can it be found _____ network?

_____ can _____ be tracked _____ cellular network _____ a _____ device is shut _____?

_____ accuracy of _____ networks may be _____ by the deactivating _____.

_____ switching off _____ the _____ of devices?

_____ accurate _____ device can be tracked with _____ a _____ device _____ shut _____?

_____ accurate _____ device can _____ tracked through a _____ broadband network _____ wi-fi _____ shut _____?

How _____ my device _____ tracked _____ the cell phone networks _____ I shut _____?

_____ a device _____ be _____ using cellular _____ when _____ wi-fi _____ shut off?

_____ accurate _____ can _____ using cellular networks _____ I turn off _____ wi _____?

_____ disabling _____ affect the accuracy of _____ systems?

_____ turn _____ your phone's wi-fi, the _____ locating _____ through _____ be disrupted.

Will _____ of devices _____ cell _____ affected if they _____ their _____?

_____ will _____ switch-off affect locating _____?

I _____ to _____ can be tracked using cellular _____ turn _____ wi-fi.

How accurate is a _____ using a cellular broadband network _____?

_____ accurate _____ device can _____ tracked using _____ broadband network if _____ closed down?

disabling _____ can _____ of devices through mobile _____.

_____ accurate my _____ can _____ tracked _____ if _____ device is shut off?

Will _____ affect the accuracy _____ a device tracked _____ networks?

The _____ via _____ networks can _____ impacted by deactivating _____.

How does disabling _____ wi- _____ devices?

_____ ability _____ track _____ device through cellular networks _____ if wi _____ off.

Can _____ down my wi-fi _____ how _____ networks _____ device's _____?

Does disabling _____ device tracking _____ cellular _____?

_____ accurately devices are _____ via _____ networks _____ affected by _____ switch _____ fi.

How accurate _____ can _____ using _____ network if _____ device is shut off?

Shutting _____ a _____ can _____ the accuracy of my _____ being _____ cell phone _____.

How _____ are devices _____ networks if _____ able _____ use wi-fi?

When _____ connections _____ disabled, what _____ networks do to _____?

How do _____ phones' location _____?

How does turning _____ the _____ fi affect _____?

How _____ device _____ be tracked using _____ cellular network _____ device is _____?

_____ wi-fi device affects _____ my device _____ be with _____ networks.

Will the location _____ networks _____ affected if _____ switch off _____?

Is _____ possible that _____ locating accuracy _____ networks?

_____ the _____ of device location _____ cellular _____ by _____ of wi-fi?

_____ devices are located _____ cell _____ will _____ by whether or not you switch _____.

_____ link affects _____ network-based locational accuracy.

How _____ networks find better devices _____ Wi-fi _____?

How accurate _____ tracked using _____ cellular _____ a _____ is shut down?

_____ I _____ using wi-fi, can I _____ device _____ cellular _____?

How do _____ wi-fi _____ location of _____?

_____ accuracy of tracking _____ be _____ the unavailability of wi-fi.

How _____ device _____ be tracked _____ cellular networks _____ is shut off?

Can _____ location of _____ cellular networks _____ changed by _____?

_____ it possible _____ the _____ of _____ via _____ networks is _____ deactivating the _____?

How _____ device be tracked _____ a _____ broadband _____ if _____ device _____ unplugged?

_____ accurately _____ devices can be located _____ cell _____ be _____ off of the wi-fi.

Does disabling wi-fi _____ tracking _____ networks affect _____?

Is _____ the _____ of _____ devices through cell towers _____ deactivating wi-fi?

_____ does _____ off the wi- _____ impact _____ accuracy?

Is it _____ that _____ exactness _____ devices _____ network _____ influenced by _____ wi-fi?

How _____ devices can _____ networks _____ be _____ the switch off _____ the wi-fi.

_____ accurately devices can _____ located _____ affected by _____ switch off of _____.

_____ do _____ wi-fi _____ cellular _____ location _____?

_____ affects _____ accuracy _____ cellular networks

_____ device's location if I turn off my wi-fi?

_____ off a wi-fi _____ affects how _____ it _____ in _____.

_____ accurate my _____ can _____ cellular _____ can _____ by turning off the _____.

It is _____ that turning off wi-fi _____ my device's _____.

_____ deactivation of _____ network-based device _____?

Is _____ that deactivating _____ affects the _____ of _____ on _____ cellular networks?

_____ the deactivating of wi-fi _____ devices?

How _____ a device _____ tracked using _____ when a wi-fi _____ is shut _____?

Is the _____ of locating _____ if you _____ off _____ service?

Can _____ location of the cellphone be _____?

How _____ devices are _____ cell networks _____ be affected if _____ wi-fi.

Does _____ off wi-fi _____ accuracy?

_____ the location _____ via cell _____ be affected by the _____ the _____?

How do you _____ how _____ wi-fi _____ accuracy _____ cellular _____?

_____ we _____ to _____ is it _____ to reduce the accuracy of _____ through _____?

_____ disengaging your phone's _____ cell _____ locational accuracy?

_____ affecting cellphone _____ accuracy?

How accurate _____ device _____ networks _____ I turn off _____ wi-fi?

The location _____ devices via cell _____ be _____ the _____ wi-fi.

Are _____ networks less _____ find _____ phone _____ I turn off _____?

How _____ shutting off _____ affect the _____ a device that _____ phones?

_____ do _____ off the wi-fi impact _____ location _____?

How can a _____ location _____ if it isn't _____ via _____ cell _____?

_____ shutting off _____ device affect the _____ of a cell _____?

How accurately the _____ identify my _____ if _____ off my _____?

How _____ the _____ affect locating _____ devices?

_____ how _____ a device _____ tracked using _____ network, what _____ the effect _____ off a _____ device?

How accurate _____ a device tracked _____ a cellular _____ a wi-fi _____?

_____ accurately can _____ device _____ tracked _____ networks _____ turn _____ my wi-fi?

Will the _____ of _____ via _____ will _____ by _____ off of wi-fi?

_____ locating _____ through _____ carriers _____ if you turn off your _____ wi-fi?

Does turning off _____ device _____?

Do _____ affect locating devices' _____?

_____ wi-fi may _____ the _____ my _____ through cell towers.

Is the location _____ device via _____ affected _____ of wi-fi?

What happens _____ the accuracy _____ cellular _____ when there _____ no _____?

How _____ disabling _____ affect _____ location _____ networks?

_____ location of the cellular _____ wireless connections are disabled?

_____ turning off _____ my device being tracked _____ cellular networks.

How accurate is my _____ location _____ the cellular _____ off _____?

What happens _____ that _____ cellular networks when wi-fi _____ available?

_____ to _____ disabled so how _____ the cellular _____ be?

_____ accurate _____ is _____ via _____ networks _____ I _____ off my wi _____?

How accurately _____ can _____ located _____ cell networks _____ be affected _____ wi-fi

_____ the disabling of wi-fi _____ of _____ mobile networks?

_____ location of devices _____ cell _____ when _____ off the wi-fi?

If we _____ the _____ locating _____ devices _____ towers will be reduced.

Can _____ of _____ using cellular _____ by _____ the wi-fi?

_____ is _____ that _____ wi-fi _____ on mobile networks?

The _____ locating devices via _____ support can _____ influenced by _____.

_____ wi-fi _____ location _____ devices using cellular networks?

Can the _____ of locating _____ cell network _____ determined _____ of wi-fi?

_____ precision _____ cellular-based _____ tracking systems _____ altered by _____ wi-fi?

How _____ shutting _____ a wi-fi device _____ the _____ a cell _____?

If you _____ off _____ it may _____ of locating _____ wireless carriers.

_____ turning off _____ my location _____ cellular networks?

Shutting off a _____ device will affect _____ my device _____ by _____.

_____ cellular network-based _____ specificity _____ the deactivation _____ wi-fi?

How _____ my device _____ be tracked _____ I turn _____ wi-fi?

_____ accurate _____ device can be _____ cellular _____ I _____ off the _____?

If I _____ using _____ a device on a _____?

How _____ disabling of wi-fi _____?

Does turning _____ wi-fi _____ a _____?

_____ can _____ the wi-fi change the _____ of _____?

_____ my device _____ be _____ using _____ networks is the effect of _____ off my _____.

Will _____ wi-fi impact _____ accuracy?

Does _____ off _____ device _____ accuracy?

Will _____ make _____ to _____ gadgets by _____ signal?

_____ the _____ of _____ device via _____ networks when I _____ the wi-fi?

How might shutting off a wi-fi _____ the _____ device?

_____ a _____ can _____ tracked with _____ networks if _____ wi-fi is _____?

_____ happens _____ of tracking _____ use cellular _____ when _____ is not working?

_____ my device can be _____ networks after _____ turn off _____?

_____ located _____ cell networks will be affected _____ off _____ wi fi.

_____ can the location of a device _____ if _____ is _____ accessible _____ fi _____ phones?

_____ accurate _____ can be tracked using _____ network when _____ device _____ shut _____?

Can the exactness of _____ devices _____ cell network support _____ deactivating _____?

_____ accurate my _____ using cellular networks _____ I turn off _____ wi-fi _____.

_____ a wi-fi device can _____ accurate a _____ can _____ using cellular _____.

Does the _____ of _____ affect _____ accuracy _____ devices on the _____?

Will the _____ device _____ systems _____ affected _____ the disabling of _____?

Is _____ possible to _____ through cell towers _____ is _____ active?

_____ networks still _____ if the _____ goes off?

What effect _____ wi-fi device has on _____ can be _____ using _____ cellular phone _____?

Can _____ device affect _____ accuracy of _____ device _____ tracked in _____ networks?

_____ wi-fi _____ locating accuracy on _____?

_____ the _____ of my device _____ by _____ if _____ off my wi-fi?

_____ accurate _____ location _____ devices _____ cell networks _____ be if _____ off the _____.

_____ wi-fi might make _____ difficult to _____ a _____ using _____.

_____ is the location of _____ using cellular networks _____ are _____?

Is disabling _____ cellular networks accurate?

_____ deactivating wi-fi _____ cell _____ support?

How _____ effect locating devices?

_____ the _____ of _____ with _____ networks _____ affected by _____ off of _____?

How _____ affect _____ accuracy of _____ devices?

_____ off _____ device _____ effect on how accurate a _____ is.

_____ wi-fi affect _____ precision?

_____ wi-fi _____ location _____ cellular networks.

Will _____ wi-fi _____ gadgets by _____?

How accurately _____ device _____ found through _____ networks _____ off _____ wi-fi?

deactivating _____ accuracy _____ finding devices through _____ towers.

_____ can _____ affect _____ accuracy of devices?

Does _____ off wi-fi _____ accurate _____?

_____ it possible that _____ wi _____ will affect _____ phone _____ cellular network?

_____ device _____ located through cellular networks if _____ off wi-fi?

How accurately _____ are _____ via cell _____ will _____ affected if _____ the _____.

How _____ the location _____ devices be _____ device's inability to _____ a _____?

Will _____ of _____ devices _____ cell _____ support _____ affected _____ deactivating of wi-fi?

How _____ device _____ be tracked using cellular networks _____ I _____ fi?

_____ a device can _____ with cellular _____ if the _____ is shut _____?

_____ does _____ wireless _____ locating accuracy _____ networks?

Turn off wi-fi may affect _____ device being _____ through _____.

_____ affect _____ devices on cellular networks?

How can _____ a device _____ affected if _____ not _____ or cell phones?

_____ wi-fi _____ location on _____ networks.

_____ accurate a _____ can be tracked using a _____ broadband network _____?

_____ accurately devices _____ by cell networks will be _____ off of _____.

_____ wi-fi might _____ to determine a device's location _____.

Does shutting _____ affect _____ device?

How _____ the location _____ through _____ if you switch off _____ wi-fi?

_____ disabling _____ affect _____ tracking of _____ devices?

If _____ turn _____ you can affect the accuracy _____ devices _____ carriers.

On how _____ a _____ can _____ tracked _____ cellular _____ off _____ wi-fi device?

_____ accurately _____ when _____ networks will be affected _____ switch _____ of wi-fi.

What impact is _____ a wi-fi device _____ on _____ accurate _____ tracked using _____ telephone network?

How accurate _____ device can _____ located _____ cellular _____ off _____ wi-fi?

If you _____ off your _____ the _____ through wireless carriers _____ affected.

_____ does turning _____ location of devices?

How _____ devices _____ found through _____ networks _____ affected by _____ off of wi- _____.

_____ shutting off _____ device affect _____ device's ability to _____ tracked _____?

Is _____ off a _____ affecting _____ a cell _____ device?

_____ location through cellular _____ if I _____ use wi-fi?

_____ wi-fi _____ cellphone location?

_____ turning _____ the wi-fi affect _____ location _____ networks?

When _____ to _____ wireless connection _____ disabled, _____ the cellular networks _____?

How can _____ the _____ accuracy of _____?

How _____ devices _____ located _____ will be affected _____ not _____ switch off the wi-fi.

_____ accurately devices _____ through cell _____ will _____ by whether or _____ they _____ off wi-fi.

How _____ the _____ of devices _____ affected by _____ or _____ are reachable _____ wi _____ or _____?

disabling _____ wi-fi affects the _____ of locating _____ mobile _____.

_____ off _____ device affects _____ accurate _____ device can _____ using _____ cellular networks.

Is it possible _____ find _____ device _____ network _____ I _____ using _____?

_____ the _____ device _____ on my device being tracked in _____ networks?

_____ the _____ cellular-based device tracking _____ be changed by _____?

_____ wi-fi _____ on _____ phones, what _____ location accuracy?

Is it possible _____ via _____ networks can _____ affected _____ deactivating wi-fi?

_____ wi-fi _____ how devices are _____ in _____.

Do _____ wi-fi affect _____ precision _____ tracking devices _____?

_____ disabling _____ affect _____ location on cellular _____?

How accurately _____ be _____ cellular networks when I _____ wi-fi?

How _____ it _____ disabling wi-fi _____ locating _____ networks.

how accurate _____ can _____ cellular networks if I _____ off _____

If _____ turn _____ phone's _____ of locating _____ through wireless carriers _____ be _____.

How can the _____ devices _____ affected _____ of a wi-fi _____?

_____ accurately can my _____ using _____ networks _____ I _____ off the _____?

_____ the _____ may _____ it difficult to determine _____ device's _____ cell _____.

If _____ turn _____ your _____ wi-fi you might _____ affecting the _____ of locating devices _____.

_____ is a _____ networks _____ a wi-fi _____ is shut down?

_____ the wi-fi _____ exactness of _____ the device?

_____ can _____ device _____ tracked using _____ cellular telephone _____ when _____ wi-fi _____ is _____ off?

disabling wi-fi _____ an _____ devices via _____ networks.

Is shutting off _____ wi-fi device _____ different _____ a _____ to _____ device?

How accurate a _____ by _____ network if _____ device is shut _____?

Can _____ location of devices using _____ networks be _____ disabling _____?

Shutting off _____ wi-fi _____ accurate my _____ be _____ using _____ phone networks.

_____ cellular devices, what _____ to locate accuracy?

Can mobile network _____ find devices _____ goes _____?

How accurate my _____ be _____ cellular _____ may be affected _____ wi-fi.

If _____ off my wi-fi will _____ cellular network?

_____ effect _____ shutting off _____ wi-fi device _____ the accuracy _____ cell _____?

Shutting _____ device has _____ how accurate a _____ can _____ using a cellular network.

How does turning off _____ wi-fi _____ of _____?

_____ affect the location _____ device?

How _____ wi-fi change _____ accuracy _____ networks?

How can the _____ a device _____ affected if they _____ reachable via _____ or _____?

_____ accurate _____ device _____ using cellular _____ what effect is _____ off a wi-fi _____?

What effect closing off _____ device _____ on how _____ a _____ tracked _____ a cellular _____ network?

_____ shutting _____ a wi-fi _____ to _____ accurate a device _____ be tracked using _____?

_____ the _____ of _____ using _____ networks _____ by _____ the wi-fi?

Is it _____ for _____ find _____ the wi-fi goes off?

_____ it possible to _____ networks that are _____ by _____ wi-fi?

If _____ off _____ phone's _____ accuracy of locating devices through _____ will _____.

How _____ disabling _____ affect location _____ cellular networks?

_____ device can _____ using _____ I shut off _____ wi-fi device?

If _____ using wi-fi can _____ be found _____ networks?

How _____ located _____ cell _____ will be changed by _____ switch off _____.

How is _____ location of _____ through mobile _____ disabling _____?

The _____ devices _____ may _____ affected by disabling wi-fi.

Will shutting off a _____ device _____ of _____ device being _____ mobile _____?

How _____ disabling Wi-fi affect _____ location _____ devices?

_____ my device _____ located through cellular networks, _____ turn off _____?

Is _____ possible _____ locate _____ via cell network _____ the _____ is _____?

Is it _____ to _____ devices through _____ if you switch _____?

_____ wi-fi affect _____ the device?

How _____ device _____ tracked _____ a cellular telephone network if a _____ shut _____.

_____ my device's _____ via _____ networks if I turn _____ the _____?

How accurate a _____ can _____ using _____ network _____ wi-fi _____ is shut _____?

If _____ stop using _____ will _____ be _____ on _____ cellular _____?

How is it that _____ location of _____ on _____?

How _____ device location?

_____ want _____ know if my _____ tracked using cellular _____ I _____ off the _____.

_____ accurately my _____ can _____ cellular networks _____ I _____ wi-fi?

How _____ a _____ can be tracked using acellular _____ if _____ device _____?
