

[Demo] NLP Dataset for Customer Service Automation

Company Type	Home Repair and Maintenance Companies
Inquiry Category	CCTV camera installation
Inquiry Sub-Category	Recording and storage options
Description	Customers inquire about the different recording and storage options available for CCTV cameras, including cloud-based storage, local storage, and backup solutions.
Data Size	6,082 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Home Repair and Maintenance Company" customer inquiry. (Purchased data will not be masked.)

What happens if ____ an ____ recorded ____ be ____ until connection is ____?
 ____ internet ____ offline, ____ we get ____ the ____ data?
 ____ the internet ____ down, ____ my stored data?
 There is ____ whether recorded information ____ remain ____ online connection.
 ____ are the consequences ____ you ____ access ____ information?
 Will my stored info be ____ if ____ connection?
 In ____ case of ____ internet ____ what ____ happen ____ recorded ____?
 ____ being ____ affect data?
 ____ you be ____ to access recorded ____ the ____ goes ____?
 Is ____ possible ____ previous ____ access while disconnected from the ____?
 ____ about data ____ internet ____?
 ____ internet ____ what happens ____ data?
 I ____ to ____ long recording ____ might ____ denied ____ an interruption ____ service.
 ____ Internet ____ down, can I no ____ my ____?
 ____ data remain ____ until ____ is back?
 Is ____ to access ____ information if ____ internet ____ disrupted?
 What ____ recorded data ____ internet ____ down?
 ____ I lose my ____ to ____ records ____ isn't any ____?
 ____ all ____ unavailable during ____ outage?
 Will I be unable ____ stored ____ there ____ no internet?
 ____ recorded ____ is impacted ____ the internet ____ out.
 ____ there ____ link established ____ server, will our information ____ unavailable?
 Will ____ unavailable during ____ internet ____?
 There ____ be ____ accessing stored information ____ there is ____.
 What ____ happen with ____ of ____ internet is down?
 ____ it ____ that ____ recordings ____ impossible ____ to ____ from the internet?
 ____ restrictions ____ access to ____ files ____ internet goes down.
 ____ happens ____ recorded content ____ a ____ lost?

_____ it possible _____ won't be able _____ anything I stored _____ there's _____?

When _____ what _____ the accessibility of recorded _____ be?

_____ will happen _____ data if _____?

When there _____ disruption, what occurs _____ recorded _____?

In case of a internet _____ will _____?

If the internet goes down, _____ able _____ access _____?

_____ goes out, can we _____ information?

_____ data _____ internet is down?

If the internet goes _____ we _____ to _____?

What happens to recorded _____ connection _____?

_____ it possible to _____ to _____ a _____ when the internet _____?

The accessibility of _____ information _____ until _____ restored.

If the _____ will happen _____ your _____?

If _____ goes down, what _____ to _____ data?

If there is _____ internet _____ there be _____ stored _____?

Saved data may _____ rendered _____ the _____ loss _____ internet.

_____ all _____ data be _____ the internet _____ again?

Is _____ until the _____ reestablishes?

Is _____ possible that _____ won't _____ to _____ anything I stored _____ problem _____?

Is the _____ if the internet _____ down?

_____ data not _____ if the _____ goes down?

If _____ internet goes down, _____ will _____ be _____?

_____ of _____ outage, how _____ data be accessible?

Is there _____ to retrieve data _____ fixed?

_____ I _____ access _____ record if there isn't a _____?

_____ we be _____ to _____ recorded _____ if the internet _____?

_____ data be locked _____ is fixed?

_____ my _____ to _____ records if there isn't _____ connection?

_____ not work, what _____ us from accessing _____ records?

_____ all recorded _____ be accessible during _____?

Will all _____ be out of _____ until _____ is _____?

_____ an _____ disruption happens, do you know _____ with _____?

Will _____ difficult _____ access recorded _____ if the _____ down?

_____ we _____ a _____ the _____ server, how long will _____ stay unavailable?

_____ happens _____ recordings _____ they are disconnected _____ Internet?

Is there a _____ saved _____ during _____ outage?

Is _____ to _____ data _____ the connection is _____?

What _____ the _____ when _____ internet _____ out?

Can _____ stuff _____ reached, _____ accessed when the _____ is restored?

The accessibility of recorded _____ internet _____ is _____.

An internet _____ can _____ the _____ information.

_____ the data _____ until _____ internet service is _____?

_____ of _____ information is impacted _____ a internet _____.

In _____ internet outage, _____ happens to recorded _____?

Do _____ to recorded data _____ the _____ goes _____?

_____ we lose access _____ data _____ internet is _____?

All recorded information will _____ internet _____.

_____ possible to say goodbye to accessing a _____ when it _____?

_____ all records be _____ internet _____ down?

All recordings _____ connection _____ reestablishing.

Should we _____ access to _____ when _____ internet _____?

Will _____ become unavailable _____ there _____ outage?

If _____ is no connection due _____ a _____ I lose _____ records?

All _____ be _____ until the _____ is restored.

_____ accessibility might be _____ following _____ interruption _____ access.

If _____ an _____ problem, _____ be unable _____ reach _____ I _____ stored?

_____ be _____ after the _____ is down?

If _____ internet _____ there _____ restrictions on recording?

We _____ what will _____ to the _____ the _____ down.

Is _____ that _____ recordings become hard _____ find _____ they _____ disconnected _____ the _____?

_____ will _____ to recorded _____ there is no _____?

Should _____ lose _____ to _____ if _____ isn't _____ network connection?

If _____ is an internet _____ there _____ be _____ access _____.

If _____ goes _____ what _____ my data?

Will all _____ information _____ accessible during _____ internet _____?

Will _____ no data til the _____?

Will _____ locked down _____ the internet _____ again?

Will data be locked up _____ the _____?

_____ internet _____ consequences _____ saved information.

Is it possible that my stuff _____ internet _____ restored?

During an _____ disruption, is _____?

Are all recorded _____ offline _____?

In _____ an _____ outage, what will happen to _____?

_____ happens if _____ network _____ records become _____?

If _____ down, _____ you _____ able to _____ recorded files?

_____ that no _____ retrievable _____ the internet restarts?

_____ saved data _____ lost during _____ outage.

_____ the _____ offline, can we _____ data?

_____ that I _____ have _____ stop _____ a web catastrophe?

What happens _____ my _____ internet does not _____?

_____ the _____ down, what happens _____ data?

If the _____ happen to _____ data?

_____ data not _____ available _____ an _____ outage?

Will _____ affected _____ an _____ problem?

_____ it _____ that _____ be retrievable until _____ internet _____?

When _____ are unavailable due _____ issue _____ happens?

_____ happens to _____ stored data _____ the _____ goes _____?

If _____ isn't _____ network problem, will _____ lose access to my _____?

_____ it possible we _____ retrieve _____ the connection _____?

_____ happens to _____ recorded data when _____ happens?

Will _____ be unavailable, _____ a _____ an _____ outage?

_____ the data be _____ up until the _____?

Without _____ connection, _____ information be impossible _____ access?

Will _____ recorded _____ become _____ an _____?

Is it _____ data can't _____ until _____ comes back?

When we _____ internet _____ know what happens _____ recorded data?

Will _____ locked up _____ the internet _____ again?

_____ would _____ how _____ recording _____ denied following an interruption _____ internet service.

____ happens to ____ connection is interrupted?
 ____ dirtbars ____ from ____ our ____ when ____ internet is ____?
 Will I lose access ____ due to ____ network ____?
 ____ like to know ____ recording ____ after an interruption ____ online access.
 Internet down, no ____.
 ____ data be ____ unless the internet connection ____?
 ____ restrictions on viewing ____ the internet goes down?
 There is a ____ whether recorded information ____ accessible ____ connection.
 How does ____ data?
 ____ accessing recorded files if the internet ____?
 ____ be ____ the ____ is fixed?
 ____ the ____ fails, what dirtbars ____ from ____ records?
 Is it ____ recordings become inaccessible ____ disconnected ____ the Internet?
 If there is ____ disruption, will ____ be ____ obstacles in ____?
 Is ____ of losing all the ____ internet outage?
 ____ the ____ is down, will I ____ my ____?
 ____ all ____ not ____ accessible if ____ internet is ____?
 ____ recorded data become ____ in case ____ an ____?
 ____ effects ____ outage ____ on the accessibility of ____ information?
 ____ internet is ____ what happens to ____ recorded ____?
 ____ are barriers to accessing ____ internet is ____.
 Will all ____ not ____ available ____ internet downtime?
 ____ no ____ until the ____ is ____?
 ____ accessible until ____ comes back?
 When ____ web crashes, ____ do we do ____?
 ____ failure makes historical files off ____.
 ____ an ____ outage, will ____ recorded ____ not ____ available?
 Recording ____ might ____ denied ____ interruption in ____ service.
 ____ online connection will recorded ____ still ____?
 ____ information off-limits ____ connection is restored?
 If there is ____ outage, ____ recorded data ____?
 If ____ internet goes down, ____ data not ____?
 During an internet downtime, ____ information ____?
 Do we lose access ____ the internet is ____?
 If there is ____ will ____ access to ____ records?
 If there ____ a internet disruption, ____ obstacles to ____?
 Will all recorded information ____ when ____ is ____?
 ____ offline until the connection ____?
 ____ data ____ locked up ____ returns?
 Is ____ true that ____ retrievable ____ the internet ____ back?
 If ____ goes ____ will there be ____ obstacles ____ accessing ____?
 ____ it ____ that I ____ be able to reach ____ I ____ there's ____?
 ____ there ____ internet ____ I ____ able to reach anything ____ have stored?
 ____ access ____ recorded files ____ restricted ____ the ____ goes ____?
 Will the data be locked ____ Internet ____?
 When ____ web goes ____ what dirtbars ____ from ____ our ____?
 If there ____ a ____ established with the web server, ____ unavailable?
 When there's ____ internet disruption, what happens ____?
 ____ an ____ occurs, ____ you know what happens to ____?
 Do you ____ happens ____ our data after ____?

If there _____ link established with the _____ information stay unavailable?

Is _____ possible that _____ offline until _____ is restored?

Will _____ recorded info not _____ accessible _____ the _____ a _____?

_____ there any _____ stored information _____ the _____ goes down?

What _____ happen to _____ the connection is _____?

_____ I _____ my records _____ to a _____ problem?

When the web goes _____ bars us _____ accessing _____?

If the _____ will _____ restrictions on accessing recorded _____?

_____ it _____ stored _____ to be _____ an internet disruption?

Is there _____ way to _____ stored _____ there _____ an _____?

What _____ my _____ if the _____ down?

The accessibility of _____ an internet _____ unknown.

Internet down; _____ it's _____?

How _____ an internet _____ of _____?

What happens to recorded _____ is _____?

_____ the web _____ you do with your _____?

_____ data stay locked _____ while _____ internet _____?

Is data _____ the connection _____?

_____ recorded information _____ unavailable _____ connection?

What happens _____ when a connection is _____?

If an _____ happens, _____ will _____ with the _____ data?

Do you know _____ happens _____ when _____ is _____ internet _____?

Will there _____ obstacles to _____ the _____ is _____?

If the _____ goes down, what _____ happen _____?

Is it possible _____ I _____ be _____ to reach _____ stored _____ to _____ problem?

_____ you think _____ data _____ until the _____ comes back?

Can the _____ when the internet is _____?

_____ I _____ access to _____ I can't _____ a connection?

Do you _____ what _____ data _____ the internet goes _____?

Recording _____ denied _____ an interruption _____ online access.

_____ is _____ link with _____ web _____ will _____ information remain _____?

_____ does an internet _____ affect access _____?

_____ the _____ is down, _____ happen _____ recorded data?

What _____ happen _____ recorded data _____ the _____ is _____?

Are _____ until _____ connection _____ restored?

Is access _____ recorded _____ the internet goes _____?

If the internet goes _____ we lose _____

_____ down, will recorded information be _____?

What _____ previous recordings when they're _____ from _____?

_____ is the impact _____ internet _____ on our _____?

_____ the internet _____ will there be restrictions _____?

_____ the _____ not be accessed _____ internet is _____ normal?

_____ true that _____ retrievable until the _____ is restored?

_____ information _____ lost without _____ online _____?

_____ the internet _____ Will _____ data _____?

Will _____ to _____ if the internet _____ down?

_____ will happen to recorded _____ is restored?

Is _____ of stored data _____ an internet _____?

How _____ a _____ affect _____ to _____ information?

When _____ goes down, _____ you do about _____ our _____?

Internet down, no _____ until _____?

Will _____ records _____ is no _____ because of a network problem?

_____ the _____ of the _____ if the _____ goes down?

_____ possible that I _____ be _____ to reach _____ stored prior to _____ down?

Will data _____ locked _____ till the internet _____?

Will I have _____ to all _____ a web catastrophe?

_____ accessibility _____ information is impacted by _____ outage.

If _____ internet is disrupted will there _____ information?

_____ happens to the _____ if _____ down?

_____ recorded information _____ be unavailable during a internet _____?

_____ a chance _____ losing _____ data _____ an internet _____?

_____ the _____ doesn't work, _____ lose access _____ my _____?

_____ we _____ the recorded data if the internet _____?

If _____ don't _____ a _____ established _____ the web _____ our _____ be unavailable?

If _____ internet _____ down _____ data _____?

I _____ to know how long _____ after an _____ in _____ service.

Will _____ be off-limits until _____?

Will I lose access to _____ there _____ connection?

Data _____ be _____ until _____ connection _____.

_____ to bid goodbye _____ a _____ the internet is down?

_____ there isn't _____ with _____ web _____ long will our _____ stay unavailable?

What _____ to our _____ internet _____?

_____ information _____ lost in an _____?

Is _____ automatically _____ during a _____?

Is _____ unavailable _____ an internet outage?

Is all _____ connection is _____?

_____ is there a chance _____ all saved data?

_____ data _____ be rendered useless due _____ temporary loss _____.

Can _____ data stay unavailable until _____ internet _____?

There _____ a _____ all saved data _____ during _____ outage.

If the _____ down _____ will happen _____ data?

Do we _____ have access to _____ goes down?

What happens _____ recorded _____ there is _____ lost?

_____ recorded files _____ reestablishes connection?

Any _____ that the _____ during an _____ outage?

During an _____ downtime _____ all _____ be _____?

Do _____ the ability _____ data _____ the _____ goes down?

Is recorded _____ connection _____ reestablishing?

_____ data not be _____ an _____ occurs?

_____ happens _____ there's a network _____ records are _____?

_____ internet goes offline, _____ we acces _____?

Will there _____ on _____ recorded _____ if _____ internet _____?

_____ might be _____ to temporary loss _____ internet.

_____ to say _____ all the _____ a web disaster?

_____ web _____ what do we _____ our precious records?

_____ true _____ no _____ is retrievable _____ the internet is _____?

_____ web fails, what do _____ access our records?

_____ I _____ to _____ all the recorded stuff during a _____?

When internet disruptions _____ you _____ what happens _____ recorded _____?

How _____ recordings _____ unavailable _____ disconnected _____ the Internet?
 _____ the _____ goes down, _____ to _____ information?
 _____ recorded files _____ comes back?
 Do _____ know _____ happens with _____ data when the _____ ?
 If _____ down, _____ my data _____ lost?
 Is it _____ cannot be _____ until the internet _____ ?
 _____ lost _____ internet is down?
 Is there a chance _____ saved data _____ an _____ ?
 When _____ is _____ will I _____ able to reach _____ I've _____ ?
 All _____ files are _____ until the _____
 _____ happens to the _____ the _____ not restored?
 _____ link _____ the web server, how long will our archived _____ ?
 Is _____ true that data can't _____ is down?
 _____ any saved _____ become unavailable indefinitely if _____ is _____ ?
 Will _____ data _____ if the internet _____ ?
 _____ there _____ of retrieving data _____ the _____ restored?
 _____ we _____ access _____ if _____ internet goes dark?
 _____ to _____ to _____ internet-tied record when the _____ goes down?
 How long will _____ no link with the _____ server?
 How _____ our information remain out of _____ if _____ is _____ established with _____ ?
 _____ our data when an _____ occurs?
 _____ data _____ the internet _____ back on?
 _____ useless until _____ internet is _____ ?
 _____ the _____ goes _____ happens with _____ recorded data?
 Is the _____ automatically _____ when _____ internet _____ ?
 If the internet is _____ will _____ stored information.
 Will recorded info _____ of _____ interruption?
 Will I lose access _____ no network connection?
 Will data stay _____ internet _____ ?
 What impact _____ an internet outage _____ on _____ ?
 _____ the _____ offline, will we _____ able _____ stored data?
 When the _____ goes down, _____ with our _____ ?
 Should I lose access _____ until _____ problem _____ fixed?
 If the internet _____ be obstacles _____ access _____ information?
 If the _____ crashes, _____ to _____ ?
 Will I not _____ able _____ anything I _____ problem?
 What _____ my data if _____ goes _____ ?
 _____ internet _____ should stored data _____ ?
 _____ data not _____ after _____ internet _____ ?
 If the web _____ for a _____ my _____ back?
 Is _____ until _____ returns?
 _____ possible _____ all _____ data _____ until the internet is restored?
 If the internet is down, _____ recorded _____ ?
 In case _____ an _____ will happen _____ recorded data?
 _____ the data be locked _____ internet _____ up?
 There _____ to _____ stored information if _____ internet disruption.
 _____ data be locked up _____ internet _____ down?
 Is all the _____ limits until _____ restored?
 _____ all the _____ the connection is _____ ?
 _____ stay locked up while the _____ is _____ ?

_____ network _____ records become unavailable

Will _____ be _____ during internet _____?

_____ the connection is reestablishing?

Will I lose _____ until _____ is a connection _____?

_____ I _____ access to _____ there _____ a network problem?

_____ files _____ they reestablish connection?

_____ not be accessible _____ the _____?

_____ all _____ off-limits until _____?

_____ data not be _____ internet _____ back up?

_____ the _____ offline, what do _____ do with _____?

_____ does _____ internet _____ affect _____ of recorded information?

_____ to recorded data _____ the internet _____?

_____ any way to _____ the _____ information _____ is disrupted?

_____ there _____ chance of data _____ during _____ internet _____?

Is _____ possible that _____ won't be able _____ anything _____ the internet _____?

Do _____ lose _____ data if _____ internet goes _____?

_____ unavailable _____ the connection returns?

Will _____ obstacles accessing _____ the internet is _____?

The internet outage affects _____.

What will happen _____ recorded data _____ is _____ outage?

What _____ data _____ internet goes down?

_____ the recorded _____ remain _____ until the internet is restored?

_____ will _____ to recorded _____ the _____ is disrupted?

_____ recorded information _____ when there is an _____?

_____ the _____ down, do _____ to recorded data

_____ be _____ information _____ the internet goes down?

_____ is _____ network _____ will _____ be able to _____ records?

_____ happens _____ data when the _____ down?

_____ the internet _____ what happens _____ data?

If _____ a _____ with the _____ server, _____ long _____ our archives _____ unavailable?

If _____ no _____ will _____ lose access to _____ records?

Recording accessibility may be denied after _____.

_____ an internet problem, _____ be _____ to reach anything I _____?

Do we lose access to _____ internet _____?

If _____ fails, what _____ happen _____ data?

_____ like to know _____ recording accessibility might _____ denied _____ in _____ internet.

_____ it _____ that no data _____ the internet _____ back?

The recorded data _____ be _____ until the _____.

How _____ lack _____ access _____ access to _____ content?

If the _____ down, can _____ access _____?

_____ the _____ restricted during _____ of the internet?

Is stored _____ restricted _____ an _____?

Will all recorded information be _____ of _____?

If the _____ down, _____ the data?

How _____ disruption on _____ internet _____ data?

Is _____ previous recordings _____ inaccessible while _____ from the _____?

If the _____ disrupted, _____ there _____ obstacles to accessing _____?

Is _____ returns?

_____ data _____ be retrievable _____ the internet _____ back?

_____ not _____ usable until _____ connection _____?

Will _____ lose access to my _____ records _____ due _____ a _____ problem?
 _____ internet _____ what would _____ all _____?

What _____ access mean for accessing stored _____?

Do we lose access to _____ the _____?

Is _____ information _____ until _____ restored?

Does lack of _____ it _____ to _____ content?

When _____ is _____ dirtbars _____ from _____ our records?
 _____ happens to our _____ when an _____?

_____ is a question _____ whether _____ remain accessible _____ an _____ connection.
 _____ down, what happens to _____ data

If the internet _____ what _____ to _____?

_____ internet goes _____ will _____ disappear?

Will _____ be obstacles _____ stored _____ internet is disrupted?

Can _____ of _____ data remain unavailable _____ restored?

Is it possible _____ bid farewell _____ accessing _____ when _____ goes _____?
 _____ what _____ to our recorded data when _____ down?

When network _____ historical _____ happens?

What _____ the _____ should the _____ down?

Are _____ unavailable _____ an _____ outage?

The _____ down _____ what _____ to _____ data?

Losing _____ the _____ during an _____ is a _____.

When _____ internet _____ down, _____ know what happens _____ our _____?
 _____ recordings become inaccessible _____ disconnected from the internet?
 _____ locked up _____ internet comes back _____?

_____ will happen _____ recorded data _____ the _____ down?

_____ the web goes down, _____ us from _____ records?

Will data _____ while _____ down?

_____ the internet _____ down what _____ precious data?
 _____ until the _____ is up again?

_____ have _____ say _____ to _____ recorded stuff when _____ internet goes _____?

During _____ problem _____ information be unavailable?
 _____ the _____ do we do _____ our records?
 _____ my _____ if _____ goes down?

When the internet fails, _____ we do _____?

When the _____ what will _____ to recorded _____?

Is data not _____ the _____?

_____ is _____ connection _____ a network problem, _____ I _____ to my _____ records?

Will data _____ impossible after _____?

_____ it _____ that I _____ be able to _____ I stored before there _____ problem?
 _____ all _____ offline _____ connection _____ reestablishing?

If the _____ do _____ do _____ the data?
 _____ online connection, will _____ information remain _____ to _____?
 _____ a chance that your _____ will be _____ an _____ outage.

Will _____ accessible if _____ internet goes _____?

Will the _____ affect _____ of _____?

Will _____ recorded _____ become _____ case of _____ outage?
 _____ about recorded content if _____ connection _____?

Can you _____ what _____ to previous _____ they _____ disconnected _____ internet?
 _____ the internet goes _____ do _____ our recorded _____?

Are all _____ files _____ of a _____?

_____ all data _____ connection _____ restored?
 How _____ an _____ accessibility _____ recorded information?
 When _____ is down, _____ we _____ access to _____?
 Data _____ unable to be accessed _____.
 _____ be lost when the _____?
 _____ no _____ until the _____ returns?
 _____ not retrievable until the _____?
 Do you _____ recorded data when there is an _____?
 If _____ me to lose access to _____ what _____ do?
 _____ there _____ connection, will I _____ to _____ until it is _____?
 _____ we _____ to record data if the _____ down?
 _____ the _____ is _____ can _____ the recorded _____ be _____?
 Recording accessibility _____ denied following an interruption _____.
 _____ possible that _____ harder _____ access when disconnected _____ the internet?
 _____ the internet _____ down, what will _____ the _____?
 Is _____ of _____ off limits until _____ restored?
 When the _____ what should we do with _____?
 Will _____ not be _____ the _____ is _____?
 Will all _____ information _____ unavailable in case _____?
 Is it _____ a record _____ is an internet outage?
 _____ data locked up _____ the _____ down?
 _____ want _____ how long _____ might be denied _____ an internet _____.
 I would _____ how long _____ accessibility _____ be denied _____ online connections.
 _____ there _____ restrictions _____ recorded files _____ goes down?
 Do _____ lose access _____ the internet goes _____?
 _____ there any way _____ information _____ the internet is _____?
 If the _____ down, what happens to _____?
 Is _____ possible _____ information will be unavailable _____ online _____?
 _____ happen _____ recorded content _____ a _____ not restored?
 _____ access stored _____ if the internet _____.
 _____ information off-limits _____ is restored?
 If _____ link _____ with _____ web server, how _____ will _____ remain unavailable?
 All _____ data cannot _____ accessed _____ the _____ is _____.
 Will _____ recorded data _____ service _____ internet is restored?
 _____ the _____ data not be _____ is back?
 If _____ goes down, _____ do _____ do _____ data?
 _____ the data automatically _____ internet disruption?
 Are _____ information off-limits until _____?
 Is there _____ that all the _____ lost _____ an _____ outage?
 Are the _____ files offline _____?
 Is all _____ information _____ until _____ restored?
 If _____ internet _____ disrupted, will _____ accessing data?
 _____ there _____ problem _____ the _____ will _____ to my digital records?
 What _____ our _____ we face _____ internet disruption?
 _____ the _____ until the connection is _____?
 Can _____ be _____ on _____ recorded _____ when the _____ goes _____?
 _____ locked _____ the _____ comes back on?
 _____ I lose _____ my digital records if there _____?
 _____ possible that previous _____ become unresponsive _____ the Internet?
 Is data _____ the _____ is _____?

_____ there _____ chance that all _____ data will be _____ in _____ ?
 _____ internet fails _____ happen to _____ ?
 During _____ web _____ I have _____ goodbye all the _____ ?
 There is a _____ data _____ lost _____ internet outage.
 _____ will the _____ archived _____ affected _____ being unable _____ connect?
 _____ data _____ until the connection _____ ?
 When _____ issue and _____ what happens?
 _____ it possible that previous _____ become _____ when _____ from _____ ?
 _____ data may _____ useless if _____ temporary _____ of internet.
 Will _____ be unable _____ have stored _____ is no internet?
 Will _____ offline after _____ outage?
 Will the recorded _____ be _____ the internet _____ ?
 _____ the data stay locked _____ internet _____ up?
 Will _____ recorded _____ if the internet goes down?
 _____ the lack _____ internet _____ affect _____ to stored _____ ?
 Will recorded information be _____ if _____ no _____ ?
 _____ data _____ useless _____ the temporary loss _____ the internet.
 _____ data _____ when there's _____ outage?
 Should _____ go down, _____ lose _____ to _____ data?
 _____ a _____ is restored, _____ will _____ to recorded _____ ?
 If the internet _____ down, what _____ stored _____ .
 Is _____ previous recordings become inaccessible _____ are disconnected _____ internet?
 Recording accessibility might _____ denied _____ interruption _____ online _____ .
 Can _____ saved data _____ indefinitely if _____ loss of internet _____ ?
 If _____ fails, _____ about _____ ?
 If the _____ what _____ to _____ data?
 _____ data unavailable _____ the _____ back?
 _____ it possible _____ become unavailable while _____ from _____ ?
 Will access to _____ files be _____ if _____ ?
 If there _____ a _____ network problem, will _____ lose _____ to my _____ ?
