

[Demo] NLP Dataset for Customer Service Automation

Company Type	Electricity Suppliers
Inquiry Category	Generation source mix disclosure
Inquiry Sub-Category	Carbon emissions reporting
Description	Customers seek data on the carbon dioxide emissions associated with the electricity generation process, allowing them to choose suppliers with lower carbon footprints and contribute to addressing climate change.
Data Size	5,243 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Electricity Supplier" customer inquiry. (Purchased data will not be masked.)

____ types ____ power plants ____ my ____ retailer rely ____ most heavily ____ coal-fired, natural-gas ____ ____ ____?

Are ____ ____ ____ by my retailer ____ powered by ____ natural ____ or even ____ energy?

My retailer's ____ power ____ may be powered ____ coal, ____ ____ ____ energy.

____ ____ ____ nuclear power used more by my ____?

Coal, natural ____ or ____ the ____ sources ____ power for ____ _____.

____ natural-gas fired, ____ so ____ power plants ____ ____ used by my _____.

My retailers ____ ____ ____ fired, Nuclear powered ____ plants a _____.

Coal-Fired, ____ ____ ____ powered, or other types of ____ ____ ____ relied on.

Is ____ ____ dependent on ____ ____ ____ Nuclear power?

Coal-fired, ____ gas-based, ____ powered ____ ____ ____ ones my ____ energy ____ depends on most.

____ I ____ if ____ ____ or nuclear ____ is ____ by ____ provider?

____ gas, or ____ power ____ used ____ ____ ____ current provider.

Do my retailer ____ on ____ gas, ____ ____ ____?

Is ____ electricity ____ dependent on ____ ____ ____ gas power plants?

____ coal-fired, ____ gas-fired or ____ ____ more ____ by my utility ____ to ____ electricity?

____ ____ ____ Nuclear-powered ____ other ____ ____ plants ____ the most relied on ____ my current.

Coal, ____ ____ nuclear, ____ my retailer's ____ ____ source?

____ my supplier ____ ____ coal, ____ ____ nuclear power?

____ current retailer ____ ____ on coal-fired, natural-gas ____ ____ etc.

____ store uses ____ lot ____ coal-fired, ____ fired, ____ ____ so on power _____.

Does my ____ use ____ ____ ____ power?

Are ____ ____ most reliant on ____ gas-fired or ____ ____?

My ____ store ____ coal-fired, ____ fired, nuclear-powered ____ so on ____ _____.

My current ____ ____ ____ fired, and ____ power plants.

Do ____ gas, ____ ____ power come ____ ____ my ____ provider?

Coal-fired, ____ ____ and nuclear-powered ____ stations ____ the ____ my ____ energy ____ depends on ____ _____.

Coal-Fired, Natural-gas ____ Nuclear-powered, or ____ ____ ____ plants are ____ ones ____ ____ upon ____ my

____ ____ fired, ____ ____ or other types ____ power plants are the ____ ____ ____ my current.

Coal, _____ or _____ used by my current _____?

Coal, gas or nuclear _____ are what most of _____ from.

_____ retailer dependent on coal, _____ or nuclear _____.

The _____ retailer uses _____ natural-gas _____ nuclear-powered _____ so _____ power plants.

Most _____ my retailer's power plants are _____.

Coal-Fired, _____ fired, Nuclear-powered _____ all _____ plants retailers _____ upon.

What _____ of _____ plant does _____ retailer _____ on _____ on?

Do _____ natural _____ or _____ plants _____ most _____ my _____ mix?

_____ the _____ for _____ mostly powered by _____ gas, or nuclear energy?

Do _____ gas-fired, or nuclear-powered plants _____ most of _____?

Coal-Fired, Natural-gas fired, _____ other _____ power plants are _____ on _____.

_____ of power plants _____ current retailer _____ most?

Which _____ my _____ reliant on?

Coal-fired, _____ fired, nuclear-powered _____ types _____ are _____ the _____ by my current retailer.

A _____ of _____ plants _____ retailer _____ are coal-fired, _____ and _____ powered.

Is _____ utility _____ more _____ on coal-fired, _____ or _____ powered stations _____ generating _____?

I am _____ if _____ energy _____ my current _____ coal, _____ or nuclear _____.

_____ energy supplier _____ coal, natural-gas _____ nuclear facilities?

Most _____ provider's power comes _____ natural _____ or _____ plants.

Coal-Fired, _____ fired, Nuclear-powered, or _____ power _____ are _____ utilized by _____ current.

_____ important are _____ power fleet?

Are your _____ coal, gas-fired, _____ nuclear _____?

Is _____ or _____ what my _____ provider uses?

_____ retailer _____ most _____ on coal, gas-fired _____ nuclear _____.

Which _____ of _____ plant _____ on _____ most on?

_____ coal-fired, natural _____ nuclear-powered _____ relied _____ by my utility _____ produce electricity?

_____ fired power _____ do my retailer use?

Coal-Fired, Natural-gas fired, _____ of power _____ are _____ relied _____ by my _____

Do _____ natural gas-fired, _____ make up _____ my _____ electricity mix?

Coal, natural _____ are _____ sources.

Is _____ dependent on coal, gas-fired or _____?

_____ fired, nuclear-powered _____ so _____ power _____ are _____ my current retailer.

Is coal-fired, _____ gas-fired _____ nuclear-powered stations _____ upon _____ company?

Is my electricity _____ reliant on _____ natural-gas _____?

_____ retailer's _____ plants are _____ natural-gas fired, _____

_____ natural-gas _____ nuclear-powered and other types of power _____ upon _____ by _____.

Do coal, _____ nuclear _____ most _____ the _____ provided _____ my _____ retailer?

Coal, natural gas, or _____ energy _____ major _____ my retailer.

Most of _____ retailer comes from coal, _____ or _____ plants.

Do _____ my retailer _____ gas, or nuclear plants?

_____ natural _____ or _____ powered _____ are _____ retail energy supplier depends _____ most.

_____ the energy _____ coal, natural-gas _____ or _____ facilities?

Are _____ of the power generators for _____ store _____ nuclear energy?

Coal-Fired, Natural-Gas _____ of the _____ my retailers depend _____ a lot

Coal-fired, natural gas-based, or _____ power _____ are _____ the types of power _____ that _____

_____ of _____ provided _____ my current retailer may _____ from _____ or _____ plants.

Are _____ power _____ for _____ powered by _____ natural _____ nuclear energy?

Coal-Fired, Natural-Gas _____ power _____ all types _____ power plants _____ retailers _____ a _____

_____ strong _____ among my _____ fleet?

Coal, _____ nuclear power _____ the main sources of _____.

Coal-fired, _____ fired, nuclear-powered _____ plants my _____ retailer's most _____.

coal-fired, _____ fired, nuclear-powered are the most _____ plants _____ retailer.

Coal, gas-fired, or _____ are _____ is _____ reliant on.

Coal-fired, natural-gas fired, _____ my _____ power plants.

Is coal-fired/gas/nuclear dominant _____ my _____?

Coal, natural _____ are my _____ sources.

_____ are coal-fired, _____ or nuclear-powered stations more _____ my utility company?

Which fossil _____ of the power my _____?

_____ my _____ reliant _____ coal-gas- nuclear _____?

The _____ favors coal-based, natural-gas _____ nuclear-powered plants.

_____ current retailer's most _____ power _____ natural-gas fired, nuclear-powered.

Coal, _____ maybe nuclear are some of _____ sources _____ retailer.

_____ don't _____ most of _____ by my retailer comes _____ coal, gas _____ nuclear _____.

I wonder _____ or nuclear-powered _____ supply most _____ provider's electricity _____.

Coal-fired, natural-gas _____ are _____ the power _____ my _____ uses _____.

The _____ the retailer uses are coal-fired, natural-gas _____.

Coal-fired, natural-gas _____ nuclear-powered _____ the _____ plants _____ retailer uses.

Are the major _____ for my retailer _____ gas, or _____ energy?

Does _____ retailer depend _____ generators for _____?

_____ my retailer _____ heavily _____ generators?

Coal-fired, _____ nuclear-powered _____ some _____ the _____ plants _____ my _____ uses the _____.

_____ provider _____ coal, gas, or _____ power?

_____ rely so _____ on _____ generators?

_____ natural _____ or _____ are some _____ the power plants _____.

Is _____ electricity _____ dependent on _____ coal-fired, _____ gas?

I wonder if _____ energy provided by my _____ or nuclear _____.

_____ my _____ mostly using _____ gas, and _____?

Does the _____ generators _____ energy?

Is most _____ electricity _____ by _____ natural gas-fired, or _____ plants?

_____ natural-gas _____ nuclear-based _____ are used by _____ energy _____.

I was wondering _____ the energy _____ by my current retailer _____ from _____ gas _____.

_____ nuclear power _____ commonly used by _____ current _____.

Which coal _____ natural _____ plants _____ my _____ use?

Does _____ store _____ coal, gas _____?

Coal-fired, _____ fired, _____ are some _____ power plants _____ my current retailer _____.

_____ natural gas, _____ what _____ retailer's _____ power sources?

_____ Natural-gas _____ powered, or _____ types of power plants are _____ most _____ my _____.

_____ depends on mainly _____ natural _____ or nuclear-powered power _____.

Do _____ know _____ retailer uses coal, gas _____ power?

Which power plants my current retailer _____ heavily - _____?

_____ if the major _____ generators for _____ retailer are _____ or _____ nuclear energy.

What _____ power _____ are _____ by my retailer?

What types _____ power _____ by the retailer?

_____ retail energy supplier mainly _____ coal-fired, _____ gas-based, or _____ powered _____.

_____ types of power _____ my _____ retailer _____ on _____ most?

_____ sources are mostly used _____ my current _____?

_____ retailer _____ on coal, _____ or nuclear power?

Does my _____ rely _____ coal, gas-fired, _____?

_____ retailers depend _____ coal-Fired, _____ fired, _____ power plants _____.

Does my _____ retailer _____ gas, or _____?

_____ natural-gas, _____ and _____ are _____ by my _____ retailer.
 Is _____ retailer dependent _____ coal, gas, _____ ?
 _____ may be supplied by coal-fired, natural _____ or _____ plants.
 _____ natural _____ nuclear _____ my retailer's major _____ .
 Coal, natural _____ and _____ what _____ retailer's _____ power _____ are.
 _____ gas-based, or _____ powered _____ stations _____ the _____ of power _____ that _____ current _____ energy _____ depends on
 _____ to know if my _____ is _____ coal, _____ or _____ plants.
 _____ and nuclear _____ the retailer's _____ power sources.
 Coal-fired, _____ some of _____ power _____ my _____ retailer _____ most reliant on.
 Coal-fired, _____ fired, nuclear-powered _____ types of power plants _____ by my _____ retailer.
 _____ more _____ on coal-fired, natural _____ or _____ stations _____ producing electricity?
 _____ strong is coal-fired/gas/nuclear _____ power fleet?
 _____ wonder if most of the _____ my current _____ comes from _____ or _____ .
 _____ natural gas, _____ nuclear _____ types _____ power _____ used by _____ retailer.
 _____ depend _____ coal, gas-fired, or nuclear _____ ?
 _____ use _____ coal, gas, or nuclear power?
 _____ current retailer dependent _____ coal, gas _____ power?
 _____ natural-gas _____ and so _____ are used _____ current retailer.
 Coal-fired, natural-gas _____ on _____ of the power plants my _____ .
 A _____ of coal-fired, _____ and so on power _____ by my _____ .
 How many _____ run by _____ electricity company _____ coal, gas _____ ?
 Do _____ gas or nuclear power?
 _____ popular source of _____ for my retailer.
 I _____ know _____ my _____ supplier uses _____ coal-fired, _____ natural-gas _____ plants.
 The retailer _____ reliant _____ or nuclear _____ .
 _____ current provider _____ nuclear power, _____ gas?
 My _____ on _____ plants.
 _____ my _____ coal, natural gas, _____ nuclear facilities?
 _____ gas or nuclear plants _____ up most _____ provided _____ my _____ retailer?
 Do my retailer _____ or nuclear _____ ?
 _____ of _____ electricity _____ by _____ natural gas-fired, or nuclear- powered _____ ?
 _____ coal, natural gas, or _____ the _____ for my _____ ?
 A _____ of _____ power _____ current _____ coal-fired, natural-gas fired, nuclear _____ and so _____ .
 _____ current _____ depend _____ fired, Nuclear-powered power plants _____ lot.
 Coal-fired, _____ power _____ that my _____ most relied on.
 _____ types of _____ do _____ rely on, such _____ coal, _____ or nuclear?
 My _____ retailers _____ on coal-Fired, Natural-Gas fired, _____ plants _____ .
 _____ coal, _____ or nuclear the types of _____ uses?
 Does my _____ use a _____ nuclear, coal, _____ natural-gas _____ ?
 _____ fired, nuclear-powered and so _____ power _____ were used _____ retailer.
 _____ type of power plant _____ my retailer?
 Coal-fired, natural-gas-fired, _____ so _____ plants are _____ current retailer.
 My _____ relies heavily _____ coal-fired, natural-gas _____ .
 _____ electricity _____ reliant on _____ coal-fired or natural-gas _____ ?
 _____ much _____ electricity _____ is on coal-gas-nuclear mix?
 Coal, gas, _____ is _____ source _____ electricity for _____ company?
 _____ retail _____ supplier is mainly _____ on _____ natural _____ or nuclear _____ .
 _____ energy supplier mostly _____ coal, natural-gas fired _____ ?
 Most _____ energy _____ by my _____ comes _____ coal, _____ or _____ plants.
 Coal-Fired, _____ other _____ of _____ plants are the _____ relied upon.

Coal-fired, _____ nuclear-powered power stations _____ what my _____ supplier _____ most.
_____ natural-gas based, _____ plants are preferred _____ my _____.

Coal-fired, _____ fired, nuclear-powered power _____ most relied _____ power _____.

I wonder if _____ retailer relies on _____ gas, _____.

coal-fired, _____ fired, nuclear-powered _____ the _____ plants _____ relied _____ current retailer.

_____ my retailer's biggest _____ mostly powered by coal, _____ or _____?

_____ or nuclear-powered power _____ are the ones _____ energy _____ on the _____.

_____ most _____ source _____ energy for _____ retailer _____ coal/gas/nuclear _____.

_____ my electricity retailers _____ gas or _____?

_____ my store's major power generators _____ powered _____ gas, _____ even _____?

_____ my _____ company _____ reliant on coal-fired, natural _____ or _____ producing electricity?

_____ would like to know which _____ of _____ plants _____ on.

Does _____ electricity _____ have a lot of _____ gas _____?

_____ energy _____ mostly _____ coal-fired, natural _____ or nuclear-powered power _____

Do the energy _____ by my _____ come _____ gas _____ nuclear _____?

A _____ coal, _____ and so on _____ by my current retailer.

Does _____ depend _____ coal, gas, or nuclear _____?

_____ fired, _____ and _____ types _____ power plants _____ the _____ by _____ current retailer.

Coal-Fired, _____ fired, _____ or _____ types _____ power plants _____ all _____ upon _____ my _____.

Do _____ types of power plants your _____ such _____ gas _____ nuclear?

Which type of power _____ my store _____ on _____?

I _____ to know _____ my _____ provider _____ coal, gas, _____.

_____ electricity retailer _____ on coal, _____ nuclear power?

Coal-fired, natural _____ or _____ power _____ the ones that _____ retail _____ supplier _____.

Coal-fired, _____ nuclear-powered _____ the _____ relied on _____ plants in _____.

Are _____ reliant _____ coal, gas or _____ power?

_____ coal, gas, _____ nuclear _____ provide most _____ my store?

_____ the _____ power _____ utilized by _____ provider _____ gas _____ nuclear?

_____ energy supplier _____ natural-gas fired, or _____ facilities?

_____ natural gas, and _____ some _____ power _____ that your _____ uses.

_____ current provider mainly uses _____ power.

Coal, natural _____ the primary _____ my retailer.

Coal-fired, _____ or _____ power stations are the _____ stations my _____ energy _____ depends on

Was my electricity _____ coal, _____ or _____ power?

My current _____ important power _____ are coal-fired, _____.

Do _____ retailers _____ gas, or nuclear power?

_____ natural-gas _____ nuclear-powered, and _____ power _____ are _____ current retailer.

_____ retailer have _____ lot _____ gas or nuclear power?

Coal-fired, _____ gas-fired or _____ most _____ my provider's electricity _____.

_____ my store _____ reliant on coal, _____ or _____?

Does my _____ use coal, natural-gas fired, _____?

What _____ power _____ my retailer _____ on the _____?

Coal, natural-gas, nuclear _____ on _____ on _____ plants by my _____.

_____ current _____ uses a _____ of coal-fired, _____ and so _____.

_____ natural _____ nuclear do _____ use for your company?

Which _____ plant does _____ depend on most?

_____ a _____ on Coal-Fired, Natural-Gas fired, Nuclear-powered _____.

Coal, _____ or nuclear power _____ by _____ electricity _____.

_____ or _____ power are _____ used by _____ provider?

Coal, gas, nuclear-power or something _____ of _____ for _____.

_____ natural gas-based, or nuclear-powered _____ retail energy _____ depends on.
 Are _____ electricity _____ coal, gas or _____ power?
 Do my retailer _____ generators _____?
 _____ are the _____ plants that _____ retailer is most _____ on.
 My _____ retailers rely _____ fired, Nuclear _____ plants a lot.
 _____ upon coal-Fired, Natural-Gas fired, Nuclear-powered _____ a lot.
 _____ retailer _____ on coal, gas-fired or _____.
 _____ my _____ use coal, natural _____ nuclear?
 _____ Natural-gas fired, _____ of power _____ the _____ reliant upon _____ my current
 _____ natural _____ nuclear-powered power stations _____ what _____ retail _____ depends _____ most.
 _____ coal-fired, natural gas-fired, _____ plants supply my _____?
 Coal, _____ and natural gas are my _____.
 Do _____ natural _____ or _____ my _____ electricity mix?
 _____ supplier use _____ fired, or nuclear _____?
 Is the electricity _____ dependent on nuclear, _____ natural _____?
 _____ major _____ generators _____ retailer _____ powered _____ coal, _____ gas or even nuclear _____?
 Is _____ retailer's major _____ generator _____ powered _____ coal, natural _____ energy?
 _____ natural _____ nuclear _____ the _____ power sources my current retailer _____ most.
 My retailer _____ power plants.
 Coal-fired, natural-gas fired, _____ and _____ power _____ what my _____ uses most _____.
 Do _____ or natural-gas fired _____ favored _____ my _____ provider?
 _____ my _____ on nuclear, coal-fired, _____ natural gas _____?
 _____ natural-gas fired, nuclear-powered, and _____ are used _____ current _____.
 _____ types of power plants do my _____?
 coal-fired/gas/nuclear _____ dominant _____ my _____ fleet
 The _____ of _____ powered by my _____ company _____ coal, _____
 _____ coal, _____ or nuclear plants provide _____ of _____ my _____ retailer?
 Does _____ energy supplier _____ gas _____ nuclear facilities?
 _____ power plant does my _____ on _____ most?
 _____ my _____ use nuclear, _____ natural-gas power plants?
 _____ or natural gas fired what _____ retailer _____?
 The _____ use favors coal-based, _____ or nuclear-powered _____.
 _____ to _____ if the major power generators for _____ coal, natural gas, _____ nuclear _____.
 _____ your company _____ or nuclear power?
 Coal, gas, and _____ are usually _____ my _____.
 _____ of my _____ is supplied by coal-fired, natural _____.
 Most of _____ provider's electricity _____ supplied by coal-fired, _____ or _____.
 _____ my electricity supplier _____ nuclear, _____ plants?
 Do _____ think my _____ is _____ reliant _____ nuclear _____?
 _____ gas, _____ or _____ is _____ main source of electricity for _____.
 _____ or natural gas _____ do my retailer _____?
 Does _____ current provider use _____ gas, _____?
 _____ the current _____ use a _____ coal, gas, _____ power?
 My supplier _____ natural-gas based _____ plants.
 Is _____ store reliant on _____ plants?
 _____ type _____ plant my _____ coal-based, _____ based, or nuclear-powered?
 Coal-fired, _____ fired, nuclear-powered _____ the most _____ power _____ by _____ current _____.
 Coal, natural-gas, nuclear, and so _____ on power _____ retailer.
 Coal, natural gas, _____ are _____ primary _____ sources _____ uses.
 Which _____ plants my _____ depends _____ most?

____ natural-gas ____ nuclear-powered and so ____ plants ____ used ____ my ____.
 ____ types ____ power plants are ____ my store?
 Tell me ____ uses, such ____ natural gas, or nuclear.
 ____ natural gas-based, ____ nuclear-powered power stations ____ my ____ on most.
 Coal-Fired, ____ fired, ____ types of ____ plants that ____ depend upon.
 Coal-fired, ____ or ____ power stations ____ retail energy supplier ____ mostly.
 Does my ____ or ____ gas?
 Coal, natural gas, or ____ some ____ power plants ____ company ____.
 Do ____ natural gas-fired, or ____ provider's electricity mix?
 ____ gas, or nuclear power a ____.
 ____ my supplier dependent on ____ coal-fired, or ____?
 ____ power ____ are used by my ____ retailer.
 Do my electricity suppliers ____ coal-fired, ____?
 Coal, ____ possibly ____ energy could be ____ major ____ generators for my ____.
 ____ supplier ____ natural-gas based, or nuclear ____.
 Does my ____ supplier ____ nuclear, ____ or natural-gas power ____?
 ____ natural-gas fired, ____ so on power plants ____ used by ____.
 ____ are ____ used ____ my store?
 ____ natural ____ or nuclear-powered power ____ what ____ retail energy ____ depends on.
 Coal, ____ nuclear-power, ____ the main sources ____ for ____ company?
 Are ____ by my ____ retailer ____ from coal, gas, or nuclear ____?
 ____ of power plants ____ my ____ coal-fired, natural-gas fired, nuclear-powered.
 Do ____ supplier ____ on ____ or natural-gas ____ plants?
 ____ natural-gas fired, nuclear-powered and ____ power ____ used ____ retailer.
 Is ____ energy provider ____ generating power ____ gas ____ something ____?
 ____ supplier typically ____ coal, ____ fired, or ____ facilities?
 There are a lot ____ fired, ____ plants ____ my ____ retailer ____.
 ____ just ____ few types of ____ that my current ____ depend on ____
 What power ____ retailer ____ on ____?
 Is ____ retailer ____ on ____ gas, or ____ power?
 ____ know ____ your company uses ____ gas, or ____ power?
 Can you ____ company uses ____ gas, or nuclear ____?
 ____ natural-gas ____ nuclear-powered and ____ on power ____ by ____ current retailer.
 Does my electricity retailer only use ____?
 ____ dependent on coal-fired/gas/nuclear power ____?
 How ____ my ____ fleet?
 What ____ plants ____ store primarily ____?
 ____ retailers reliant on ____ gas, or nuclear ____?
 Most ____ electricity ____ may come ____ natural gas-fired, or nuclear ____.
 My ____ retail ____ supplier mostly ____ on ____ natural gas-based, ____ stations.
 ____ types ____ plants ____ my retailer most ____ on?
 Is most ____ my ____ mix supplied ____ gas, or nuclear-powered ____?
 Coal, ____ nuclear are ____ retailer's ____ power ____
 Coal-fired, ____ nuclear ____ so ____ some ____ the power plants ____ current ____ uses.
 Are ____ power generators for ____ powered by ____ natural ____ or ____ energy?
 I would like to ____ gas, ____ power ____ used by ____.
 ____ my ____ supplier ____ coal, natural-gas ____ nuclear facilities?
 ____ natural gas, ____ retailer's primary ____ of power.
 ____ the power fleet ____ my ____ dominated ____?
 ____ supplier ____ coal or ____ power plants?

_____ of the energy that my current retailer _____ nuclear _____.

Coal-fired, _____ fired, _____ were _____ most _____ on _____ plants.

_____ store most reliant _____ or nuclear plants?

_____ natural gas-fired, or _____ supply most _____ my provider's _____.

Coal or natural gas fired _____ my _____ most?

Does my _____ coal, nuclear, or _____ facilities?

_____ of the energy _____ current retailer _____ come _____ coal, _____ or nuclear _____

My _____ gas _____ for most of _____ electricity.

Is my _____ on nuclear _____?

Does _____ on coal-fired generators?

_____ or maybe _____ of power sources that _____ current retailer _____ most.

_____ natural gas-fired, and _____ plants _____ most of _____ mix?

Which _____ of power plant _____ the most _____ by _____?

Do you _____ my _____ is _____ dependent _____ gas-fired, or _____?

_____ of _____ electricity mix is supplied _____ natural _____ and nuclear-powered _____.

My current retail energy supplier _____ on _____ power stations.

_____ the _____ plants _____ my retailer's most relied on.

Are the _____ generators _____ my store powered by _____ perhaps _____ energy?

_____ or nuclear _____ types _____ power plants _____ company relies _____ most.

My _____ retail _____ supplier _____ mostly _____ coal-fired, natural _____ nuclear-powered _____ stations.

Coal, natural _____ nuclear, what _____ retailer's _____ source?

Coal, _____ nuclear energy are _____ of the _____ power _____ my _____.

_____ supplier _____ on _____ or Natural-gas power plants?

_____ Natural-Gas fired, Nuclear-powered are all types _____ power plants _____ my current _____.

The _____ that my current retailer _____ are coal-fired, _____ and _____.

_____ energy supplier _____ coal, _____ or nuclear facilities.

_____ retail energy supplier depends _____ gas-based, or _____ power _____.

Coal-fired, natural-gas fired, _____ power plants _____ current _____ most _____ on.

Is coal, gas, or _____ my provider?

_____ nuclear-powered, _____ types _____ power plants are used heavily by _____ retailer.

I am wondering _____ of the _____ by _____ current retailer comes _____ coal, gas _____.

Is my _____ mostly use _____ fired _____ nuclear _____?

Does the _____ on coal-fired _____?

_____ coal-fired or natural-gas fired _____ plants _____ supplier?

_____ coal-fired, _____ gas-fired, or nuclear _____ plants supply _____ of _____ mix?

_____ fired, nuclear-powered, _____ are used on _____ plants _____ current retailer.

_____ plants are mostly _____ by my retailer?

_____ or _____ else is _____ my energy provider mainly produces _____.

_____ of power _____ are used _____ my current _____?

Is my power _____ coal-fired, or natural-gas _____?

_____ current _____ favors _____ natural-gas _____ or _____ plants.

Coal, _____ and _____ the most _____ source of _____ for my _____.

_____ coal-fired, _____ or nuclear _____ make up most _____ my provider's _____?

My _____ supplier _____ or _____ gas power plants.

_____ my _____ nuclear, coal, or _____ power?

_____ energy provider favoring coal-fired or natural-gas _____?

Nuclear, _____ or _____ power _____ are used by _____.

_____ my energy supplier _____ or _____ gas facilities?

Is my electric _____ dependent _____ nuclear, coal-fired, or _____?

Are _____ most _____ coal, gas-fired or nuclear _____?

coal-fired, _____ fired, nuclear-powered, _____ are used by my _____.

_____ gas, or nuclear _____ is _____ by my _____ retailer.

_____ gas, _____ what _____ my _____ primary _____ of power?

_____ want _____ how much reliance _____ electricity _____ has _____ coal-gas-nuclear _____.

My _____ retailer uses coal-fired, natural-gas _____ plants.

Can you tell me if _____ natural gas, _____?

_____ natural gas, _____ maybe nuclear _____ of the _____ sources _____ my _____ uses _____.

My _____ is _____ coal-fired, natural _____ or nuclear-powered power stations.

Is my supplier _____ coal-fired, _____ gas plants?

Coal-fired, natural _____ and nuclear-powered _____ stations _____ what _____ current _____ energy _____ depends _____.

What types _____ power plants are usually _____?

_____ my retailer _____ or nuclear plants?

Are my _____ reliant on _____ nuclear _____?

Do I _____ if _____ uses _____ natural-gas fired, or _____?

My retail energy _____ depends _____ natural _____ and _____ stations.

_____ power _____ do _____ rely _____ the most on?

Which power _____ use the most heavily - coal-fired, _____?

Do _____ electricity _____ nuclear, coal or natural-gas _____?

_____ my power supplier _____ or _____ power plants?

Coal-Fired, Natural-gas _____ other types _____ power plants _____ used by my _____.

_____ fired, _____ powered _____ plants that my _____ uses the most.

Coal-fired, _____ gas-based, _____ are _____ my _____ energy _____ depends on most.

Are the major power _____ the store mostly _____ gas _____ nuclear _____?

Should _____ supplier use _____ natural-gas fired, or _____?

_____ my provider's electricity mix is _____ coal-fired, _____ and _____ plants.

How _____ coal-fired/gas/nuclear _____ supplier's _____ fleet?

My retail energy supplier _____ on _____ natural _____ and _____ stations.

_____ Natural-gas _____ Nuclear-powered and _____ types _____ plants _____ the most relied upon _____

_____ the following power _____ do _____ use most?

My _____ frequently _____ on coal-fired/gas/nuclear _____.

_____ current _____ lot _____ coal-Fired, Natural-Gas _____ Nuclear _____ power plants.

Do most _____ my _____ coal-fired, natural gas-fired, or _____?

_____ supplier _____ coal-based, natural-gas based or _____ plants.

Do coal-fired, natural _____ plants supply _____ electricity _____?

Which _____ plant my current retailer _____ most?

Is _____ gas or _____ power _____ by _____ provider?

Does my supplier always _____ coal-fired, or _____?

_____ of _____ energy provided by my _____ come _____ coal, _____ plants.

Does _____ depend on _____ generators for _____ needs?

Coal-fired, _____ nuclear-powered etc are the _____ power plants _____ retailer _____ on _____ heavily.

Are coal-fired and natural-gas _____ power _____ preferred _____?

_____ important is coal-fired/gas/nuclear _____ supplier's _____?

Coal-Fired, _____ of power plants are the _____ utilized.

Which _____ of _____ current retailer _____ the _____ heavily?

_____ store rely on coal-fired generators _____ supply?

_____ current retailers _____ Coal-Fired, _____ fired, Nuclear _____ plants _____ lot.

My current _____ natural _____ maybe nuclear power sources.

_____ of my provider's _____ mix _____ coal-fired, _____ gas-fired, _____ nuclear-powered plants?

What _____ my _____ depend on _____?

Coal-fired/gas/nuclear _____ typically _____ by _____.

_____ plants do your _____ on _____ coal, natural gas _____?

coal-fired, natural-gas fired, nuclear-powered _____ power _____ are _____ my current _____

Are _____ retailers _____ reliant _____ gas-fired, _____ nuclear plants?

Which _____ plants _____ uses _____ most?

Coal, _____ even _____ energy are _____ the major _____ generators _____ my store.

Does _____ supplier mainly _____ coal, natural-gas _____ facilities?

_____ current _____ natural-gas fired, Nuclear-powered _____ plants.

Coal-fired, natural-gas _____ are all _____ plants that _____ retailer _____.

I would _____ know if _____ energy _____ by my _____ comes from coal, _____ nuclear _____.

_____ nuclear power _____ often used by my _____.

_____ power are _____ common _____ energy for _____ retailer.

My _____ energy _____ depends on _____ gas-based, _____ nuclear-powered _____ stations

Will _____ rely on coal, _____ power plants?

_____ retail _____ depends mainly _____ gas-based, or nuclear-powered _____ stations

_____ types of power _____ do _____ retailer _____ rely _____?

Will _____ retailer use _____ gas, _____ nuclear _____?

_____ natural-gas fired, nuclear _____ and _____ on are _____ current _____.

_____ Natural-Gas fired, Nuclear _____ are all _____ of _____ plants _____ current _____ on a _____.

_____ my supplier _____ use coal, _____ facilities?

Are the _____ store _____ natural gas, or _____ nuclear energy?

_____ rely _____ coal, gas, or nuclear _____?

_____ fired, _____ and so on are _____ the power _____ my _____ retailer _____.

_____ supplier's power _____ nuclear, coal-fired, or _____ gas?

Coal-fired/gas/nuclear is most often _____.

A lot of _____ power plants _____ coal-fired, natural-gas fired, _____ on.

_____ or _____ types of _____ plants are _____ most relied upon _____ current

_____ fired, nuclear-powered are the _____ plants _____ current retailer _____ most.

_____ power plants _____ my retailer _____ on _____?

Coal, _____ main sources _____ power for _____ company.

Do _____ of the _____ supplied _____ store _____ from _____ gas _____ nuclear plants?

Are _____ retailer reliant _____ gas, _____ nuclear power?

_____ lot of coal-fired, _____ fired, _____ and so on power _____.

_____ my retailer rely _____ heavily _____?

Coal-fired, _____ gas-based, _____ stations are most often _____ by my _____.

My _____ coal-fired/gas/nuclear _____ plants.

My _____ supplier favors _____ natural-gas based, _____ plants.

_____ of power _____ most by the retailer?

Coal, natural gas _____ nuclear are _____ types _____ plants _____.

A retailer's _____ relied on _____ plants _____ nuclear-powered.

Coal-fired, _____ nuclear-power _____ the most _____ on power _____ by _____ current _____.

_____ the power _____ that my retailer most _____ on.

_____ energy _____ may favor _____ coal fired power _____.

Does the retailer use _____ lot _____ coal, _____?

Is _____ mainly use coal, natural-gas fired, _____?

I wonder if the major power _____ are _____ by coal, _____ gas or _____.

Coal-fired, natural-gas _____ are the _____ retailer most depends _____.

_____ retail _____ depends _____ natural gas-based, or nuclear _____ stations.

_____ fired, _____ what _____ retailer's most relied on.

_____ and _____ types of power _____ most heavily used _____ my _____ retailer.

Most _____ energy _____ my current _____ provides comes from _____ gas, _____.

_____ retailers rely _____ lot _____ Natural-Gas fired,Nuclear-powered power _____.

Coal/gas/nuclear power is a _____ of _____ my _____.

Does _____ have a large _____ generators?

_____ or nuclear _____ make _____ the energy provided _____ my current _____.

_____ are coal-fired/gas/nuclear among _____ power _____?

Is _____ on _____ natural gas, or _____ power?

Which _____ plants _____ my _____ use the most heavily _____ nuclear-powered _____?

_____ nuclear-powered are the power plants _____ current retailer _____ on _____.

_____ my _____ on coal-fired generators?

_____ what is _____ main _____ of _____ in my company?

Are _____ retailer most dependent _____ coal, gas-fired _____?

_____ my supplier reliant on _____ coal-fired, _____ natural-gas _____?

Coal/gas/Nuclear _____ sources _____ energy for my retailer.

Is _____ store _____ on _____ generators _____ energy supply?

Will _____ electricity supplier use nuclear, _____ plants?

Coal, _____ and _____ are _____ primary power sources.

_____ nuclear _____ used by my provider most _____ the _____?

Coal, natural _____ nuclear _____ some _____ the types _____ power _____ by _____ retailer.

I want to _____ if your company _____ or _____.

_____ reliant on coal-gas-nuclear mix?

Coal-fired/gas/nuclear _____ the most dominant type in _____.

_____ natural-gas _____ and nuclear-powered are _____ types _____ my supplier _____.

Coal, _____ the primary power sources _____ my _____.

_____ coal, gas, or _____ power _____ most _____ current _____?

_____ to know if my _____ on coal, _____ or _____ power.

Coal-fired, _____ fired, _____ and so _____ plants _____ used by my _____.

Coal-fired, _____ fired, nuclear-powered are the power _____ most _____ by _____ retailer.

Coal, _____ are _____ by my electricity retailer?

Which type of _____ favored _____ my _____ coal-based, natural-gas _____ nuclear-powered?

My retailers _____ Coal-Fired, Natural-Gas fired,Nuclear-powered power _____.

_____ current retail energy _____ depends _____ on _____ natural gas-based, _____ stations.

I want to know if the _____ power _____ for my _____ gas, _____ nuclear energy.

Most _____ my provider's _____ supplied _____ gas-fired, or nuclear _____.

_____ on coal-gas-nuclear mix?

My current _____ Coal-Fired, Natural-Gas fired,Nuclear powered power _____.

_____ primary _____ sources my provider uses _____ natural gas, _____.

I _____ if _____ company uses _____ natural gas-fired or _____ producing electricity.

_____ you _____ me which power _____ your _____ such as _____ gas, _____ nuclear?

_____ gas-fired and _____ stations more relied _____ utility company?

_____ gas-fired or _____ stations are more _____ be relied _____ my _____ company.

_____ coal-fired, natural _____ relied upon _____ my utility company _____ others?

_____ of _____ electricity provider's reliance is _____ mix?

_____ most dependent on _____ gas, or nuclear _____?

_____ natural gas-based, and nuclear-powered power _____ are the _____ energy _____ the most.

Coal-fired, natural-gas fired, _____ powered _____ relied on _____ plants _____ retailer.

Is _____ power supplier dependent _____ natural gas power _____?

_____ power _____ my retailer relies _____?

My _____ uses coal, gas _____ for most _____.

Is my retailer _____ dependent _____ or _____ power?

Is the electricity retailer _____ on _____ gas, _____?

Coal-Fired, _____ powered and _____ of _____ are the most _____ upon _____ my current.

Is _____ dominant in my _____?

_____ want _____ if most of _____ energy provided by my current _____ nuclear plants.

Most _____ energy _____ by my _____ comes from coal, _____ plants.

A _____ of the _____ plants that _____ current retailer uses _____ natural-gas _____ nuclear-powered, _____

I don't _____ gas, or even _____ energy are the major _____ for _____.

_____ coal-fired or natural-gas _____ power _____ by my _____?

_____ my _____ on coal-fired generators _____ supply?

Coal-fired, natural-gas fired, nuclear- _____ so on are _____ the _____ uses.

I wonder if _____ uses _____ nuclear power.

_____ fired, _____ are my current retailer's _____ on power _____.

_____ and nuclear-powered _____ are favored by my _____.

Coal-fired, _____ fired, nuclear-powered _____ power plants _____ current _____ most _____.

Coal-fired, _____ fired, nuclear-powered and so _____ things _____ uses.

Are _____ dependent _____ generators?

Do my _____?

What type _____ power _____ my _____ depends _____?

Does my _____ coal, gas-fired or _____?

Does _____ use coal _____?

_____ retailer reliant _____ coal-fired _____?

Which _____ power plant does _____ store _____ on _____ most?

_____ fired, _____ and _____ plants are the most _____ my current.

Retailers _____ on coal-Fired, _____ a lot.

_____ the electricity retailer depend _____ gas, or _____?

_____ energy _____ on coal-fired, _____ gas-based, or _____ power stations.

_____ my _____ retailer _____ on _____ gas, _____ nuclear power?

_____ my _____ primarily _____ natural-gas or _____ facilities?

Do _____ gas, _____ plants supply _____ of my _____ electricity?

Is _____ natural gas-fired _____ more _____ on _____ utility company?

Coal-fired, _____ fired, _____ power plants are the _____ retailer.

_____ supplier _____ coal, natural-gas fired, or _____ facilities?

_____ energy _____ on _____ natural gas-based, or _____ power stations.

The retailer's _____ sources are _____ natural _____ nuclear.

_____ of my _____ mix come from _____ or nuclear powered _____?

Do my _____ on _____ gas _____ nuclear power?

_____ plants _____ retailer depend on _____?

Coal, _____ gas or even _____ energy _____ major _____ for _____ retailer.

_____ gas, or _____ nuclear are the _____ of _____ my current retailer.

Does _____ company _____ coal-fired, natural _____ or nuclear-powered stations _____ electricity?

_____ fired power plants _____ my energy _____?

_____ are _____ of the power _____ my retailer uses.

Is _____ on _____ gas-fired or nuclear _____?

Nuclear, coal _____ are my _____ primary power _____.

_____ of power plants my retailer _____ the _____ - _____ nuclear-powered?

_____ natural _____ or maybe nuclear are _____ types of _____ my _____.

What types _____ power _____ do _____ use, _____ as coal, _____ or _____?

_____ gas-fired, or _____ plants comprise _____ my _____ electricity mix?

Coal-fired, natural _____ stations are _____ my retail energy _____ on.

Do _____ natural gas-fired, or nuclear-power _____ provide most _____?

_____ store _____ coal, gas-fired, or nuclear _____?

_____ major power _____ used by my _____ powered _____ natural _____ nuclear energy?

_____ don't _____ the _____ power _____ for my _____ are coal, natural gas, _____.

_____ type _____ power plant does _____ on more _____?

Which power _____ types _____ favored by my _____?

Coal-based, natural-gas based, _____ nuclear-powered _____ all _____ supplier.

_____ coal, gas, _____ used _____ my current provider?

_____ natural gas-based, or _____ power _____ are mostly _____ supplier uses.

_____ my supplier rely on nuclear, coal-fired, _____?

_____ my retailer heavily dependent _____ energy supply?

_____ types of _____ plants _____ my retailer heavily _____?

_____ my utility company use _____ or nuclear-powered _____ more when _____?

Nuclear, coal-fired, _____ natural-gas _____ used heavily _____ my _____ supplier.

Most _____ by _____ provider comes _____ coal, gas _____ nuclear.

Does my _____ natural-gas fired or nuclear _____?

_____ among my _____ power fleet?

Coal, natural _____ nuclear, _____ are _____ retailers' _____ sources?

_____ coal-fired, natural _____ or nuclear-powered _____ more by my _____?

_____ producing _____ are _____ natural gas-fired _____ nuclear- _____ relied upon _____ utility company?

_____ generate _____ of the electricity _____ by _____ provider?

Are my retailers _____ on _____ gas, _____ nuclear _____?

What _____ of power _____ most _____ my retailer?

_____ energy _____ use _____ gas _____ nuclear?

_____ type _____ my current _____ use the most?

Coal-Fired, Natural-gas _____ types of _____ are the _____ relied upon by my _____

My energy _____ may favor coal _____ power _____.

My current _____ of Coal-Fired, Natural-Gas fired, Nuclear-powered _____ plants.

Does most of the _____ by my _____ from _____ or _____?

What _____ is my _____ dependent _____ the most?

Coal, natural gas, _____ are _____ types _____ power _____ your company _____.

_____ my _____ supplier _____ on nuclear, coal, _____ natural _____ power _____?

Which types of power _____ are _____ my _____.

Is _____ on coal, gas-fired, _____ plants?

_____ natural _____ my retailers _____ power sources.

_____ natural gas, _____ nuclear are the power _____ current _____.

Coal-Fired, Natural-gas _____ or _____ of _____ plants _____ relied upon _____.

Which kinds of _____ sources _____ used most _____?

Do _____ natural _____ nuclear-powered _____ comprise _____ provider's electricity _____?

_____ natural gas-based, _____ power stations _____ what _____ current _____ supplier _____ on most.

_____ my retailer _____ coal, gas-fired, _____ plants?

_____ of the energy _____ by my _____ retailer come _____ nuclear _____?

_____ retailer relies _____ coal-fired, _____ nuclear-powered power plants.

Coal, _____ gas, _____ are _____ primary power sources _____ my _____.

_____ gas or coal _____ power _____ are _____ my _____ most.

I _____ like to _____ if _____ the _____ current retailer comes _____ coal, gas, _____ nuclear plants.

Is _____ supplier dependent _____ nuclear, _____ natural-gas _____ plants.

Coal, natural gas _____ perhaps nuclear _____ the types _____ power _____ retailer.

My electricity _____ favors _____ nuclear-powered plants.

_____ natural gas, nuclear _____ the primary _____ at _____.

My electricity _____ nuclear, coal-fired, or natural-gas _____.

When producing _____ are _____ gas-fired _____ more relied _____ my utility company?

____ coal-fired, ____ gas-fired, ____ nuclear powered plants ____ my provider's ____?
 Coal-Fired, ____ fired, Nuclear-powered ____ of ____ plants ____ my ____ depend upon.
 ____ electrical supplier use nuclear, coal-fired, ____ power ____?
 ____ Natural-gas ____ Nuclear-powered, or ____ types ____ plants ____ relied on the ____ my ____
 ____ on a lot of coal-Fired, Natural-Gas ____ plants.
 I ____ know if coal, ____ nuclear ____ is used by ____.
 Coal-fired, natural-gas fired, nuclear-powered ____ power ____ are what ____ current ____.
 Coal, ____ even ____ energy is the major ____ source for ____.
 Do my ____ supplier ____ or ____ power plants?
 Which ____ of ____ plant is ____ retailer most ____?
 ____ my electricity retailer ____ or nuclear power?
 ____ the ____ coal, gas or nuclear power?
 ____ my retailer ____ coal, ____ or nuclear ____?
 The primary ____ sources ____ provider uses ____ natural ____ nuclear.
 My ____ provider uses ____ gas, or ____ power ____.
 ____ coal-fired and ____ gas fired ____ plants ____ by my ____?
 Coal, natural ____ my retailer's primary ____ sources.
 ____ natural-gas ____ the power ____ that my current ____ most relies ____.
 ____ you ____ company uses coal, ____ nuclear power plants?
 ____ fired, nuclear-powered, ____ other types of power ____ most ____ upon ____ my current
 ____ types of ____ does my ____ use ____ most?
 Are coal-fired, natural ____ or ____ more ____ company than other ones?
 ____ natural gas, or ____ the ____ sources ____ used ____ my current retailer.
 ____ I know if ____ supplier uses ____ or nuclear-based ____?
 Are ____ retailers ____ reliant ____ coal, gas-fired or ____?
 ____ a lot on Coal-Fired, ____ fired, Nuclear-powered ____ plants.
 ____ the energy ____ by my current retailer ____ from coal, ____ nuclear plants.
 ____ natural gas, ____ nuclear ____ of ____ power ____ used by ____ current ____.
 Coal, ____ produces most ____ the electricity used by ____.
 My ____ lot of coal-fired, ____ fired, nuclear-powered ____ power plants
 ____ the ____ power ____ used by my ____ coal, ____ gas, ____?
 I am ____ if ____ energy supplier ____ coal, natural-gas ____.
 Coal-Fired, Natural-gas ____ or other ____ of ____ are ____ relied upon by ____
 ____ the ____ use a lot ____ coal, ____ nuclear power?
 ____ of coal-fired, ____ nuclear powered power plants are ____ by ____ current ____.
 My ____ depends ____ lot ____ coal-fired, natural-gas fired, nuclear-powered ____ other types ____.
 ____ natural gas, ____ nuclear are ____ power sources ____ my retailer.
 Coal, ____ gas, or ____ are some ____ the ____ used by ____ retailer.
 Are ____ major ____ generators ____ my retailer ____ coal, natural gas, ____ energy?
 Coal, natural ____ and maybe ____ nuclear energy ____ major power ____.
 ____ fired, nuclear-powered ____ power ____ that my current retailer ____ most.
 Is ____ dependent on either coal, ____ or ____?
 ____ retailer uses ____ a lot.
 Does ____ retailer ____ lot ____ generators?
 Most ____ electricity ____ come from coal-fired, ____ gas-fired, ____ nuclear-powered plants.
 Are the ____ the ____ mostly powered by ____ gas, ____ nuclear energy?
 Is ____ electricity supplier ____ coal-fired or ____ power ____?
 Do ____ which power ____ uses, such ____ coal, ____ gas, ____ nuclear?
 ____ of ____ natural-gas ____ nuclear-powered ____ so on power plants ____ used ____ current ____.
 Coal-fired, ____ power plants are ____ power ____ current retailer uses.

____ your company ____ on ____ natural gas, ____ plants?
 ____ fired, ____ are the ____ plants ____ current ____ on most.
 Coal-Fired, Natural-gas ____ Nuclear-powered, ____ other types of ____ are relied ____
 ____ energy ____ by ____ current retailer comes ____ gas, ____ nuclear plants.
 ____ don't ____ if coal-fired, ____ gas-fired, or ____ stations ____ more ____ upon ____ company
 ____ my utility company ____ coal-fired, ____ stations more?
 ____ coal-fired, ____ nuclear-powered plants provide the ____ of ____ electricity mix?
 I wonder ____ natural gas, ____ energy are ____ major power ____ my ____.
 ____ gas, nuclear ____ the retailer's primary ____
 Coal, natural gas, or ____ are ____ of ____ sources used ____.
 Do ____ retailer is most ____ gas-fired ____ nuclear plants?
 Retailers ____ on Coal-Fired, ____ fired, Nuclear-powered ____ plants ____.
 ____ is ____ to my ____ fleet?
 Coal-fired, ____ or nuclear ____ power ____ what ____ energy supplier ____ depends on.
 Are coal, ____ gas, ____ the ____ used by ____ provider?
 Coal-Fired, Natural-Gas fired, Nuclear ____ are all ____ power plants that ____ retailers ____ a lot
 ____ is ____ among my supplier's power ____.
 ____ plants ____ uses ____ most, such as coal, ____ or nuclear?
 Are the ____ the retailer ____ by ____ natural ____ nuclear energy?
 Which ____ plants ____ company ____ such as ____ gas ____ nuclear?
 Do ____ rely ____ generators?
 I want ____ if ____ current ____ gas, ____ nuclear power.
 Are ____ or ____ stations more often used by ____?
 ____ provider's electricity mix ____ from coal-fired, natural gas-fired, ____ nuclear-powered ____?
 Coal ____ gas ____ what power plants ____ use?
 My ____ supplier favors coal-based, ____ nuclear-powered ____.
 ____ my ____ provider ____ or ____ fired power plants?
 ____ electricity supplier dependent on ____ or natural-gas ____?
 Do coal-fired, natural gas-fired, or ____ of my ____?
 ____ and ____ power ____ are ____ by my current retailer.
 Is my ____ retailer dependent ____ Gas, ____ power?
 ____ nuclear-powered ____ power plants that my current ____ uses.
 Does my retailer ____ gas, ____ power?
 ____ much do my ____ retailer rely ____ or ____ power?
 Are coal, ____ utilized by ____ provider?
 Most of ____ provider's ____ is supplied by coal-fired, ____ powered ____.
 ____ gas, or something else ____ my energy provider ____?
 ____ types of power plants ____ my current ____ depend upon.
 ____ my retailer ____ gas, or ____ plants?
 Is ____ dependent on coal, ____ or nuke ____?
 Does ____ current ____ lot ____ coal, gas ____ nuclear power?
 Coal-fired, ____ gas-based, ____ nuclear-powered ____ stations are ____ current ____ energy supplier ____ upon ____.
 Coal-fired, natural ____ or ____ power ____ ones the ____ energy ____ depends ____ most.
 ____ natural-gas fired, ____ plants my current ____ uses.
 ____ even nuclear ____ could be ____ power generators for ____ retailer.
 ____ know ____ most of ____ energy provided by my ____ comes ____ gas or nuclear ____.
 Is ____ electricity ____ heavily ____ coal, ____ or nuclear ____?
 What types ____ power ____ my current retailer ____ the ____?
 Is my ____ supplier dependent ____ or natural-gas ____?
 ____ my utility ____ more ____ coal-fired, natural gas-fired ____ when producing ____?

Coal/gas/nuclear power _____ the _____ for my retailer.

Coal-fired, natural gas-based, _____ nuclear-powered _____ stations _____ energy supplier _____ the most _____.

Is _____ dependent _____ coal, _____ and _____ power?

_____ don't know if coal-fired, _____ or nuclear-powered _____ relied upon by _____ to

Coal, natural _____ nuclear are some _____ the _____ your company _____.

_____ my _____ use coal, _____ fired, or _____ facilities?

Coal, _____ possibly nuclear _____ types of power _____ by _____ retailer.

_____ power _____ my _____ mostly powered by _____ natural gas or even _____?

_____ wondering _____ energy _____ my current store comes _____ coal, gas or _____ plants.

Coal, _____ or _____ are _____ the _____ of _____ provided by my _____ retailer.

_____ the _____ supplier _____ coal-fired _____ natural _____ power plants?

_____ current retailer uses _____ gas, _____.

Coal, natural _____ the power sources my current _____ uses _____.

_____ of _____ electricity _____ supplied by coal-fired, natural gas-fired, _____ plants?

Most _____ energy _____ by _____ current _____ is _____ by coal, gas or _____.

Is _____ supplier dependent _____ nuclear, _____ or _____ power _____.

My _____ supplier may _____ natural-gas _____ or nuclear-based _____.

_____ or _____ power _____ mostly _____ my _____ retail energy supplier uses.

Is _____ electricity _____ dependent on _____ gas, _____ Nuclear _____?

_____ supplier use _____ coal or _____ power plants?

Do my _____ retailer use _____ Nuclear _____?

_____ gas, _____ maybe _____ are mainly _____ by my current _____.

Which _____ or natural _____ power _____ do _____ retailer _____?

_____ uses lots of coal-fired, _____ fired, nuclear-powered _____ so _____ power _____.

Do _____ retailer depend on _____ plants?

_____ relies _____ natural-gas fired, nuclear-powered and other _____ power plants.

Which type _____ my supplier? Coal-based, _____ based, _____ nuclear-powered?

_____ coal-fired, natural-gas fired, _____ so on power plants _____ my _____ uses.

_____ provider use coal, _____ or _____?

_____ if _____ of the energy _____ by _____ store comes _____ gas _____ nuclear plants.

Are coal, gas, or _____ my electricity _____?

Should _____ of _____ energy _____ by _____ retailer _____ coal, _____ or nuclear plants?

Is my current _____ on _____ and _____ power?

My _____ favors _____ natural-gas based, _____ plants.

Does _____ supplier _____ coal, gas _____?

Is my _____ supplier dependent _____ nuclear, _____ plants?

_____ or _____ are _____ by my utility company when producing electricity.

Is most of the energy provided _____ gas or _____?

_____ my _____ supplier mainly use _____ or _____ facilities?

_____ natural _____ or maybe even _____ are the major _____ my _____.

_____ most of _____ provided by my _____ coal, gas, _____ nuclear _____?

_____ retailer _____ nuclear _____ or coal?

_____ natural-gas fired, _____ power plants _____ my _____ on the most.

I _____ of _____ energy _____ my current retailer _____ from _____ gas or nuclear _____.

_____ fired, Nuclear-powered, _____ types of power _____ most relied upon _____ my _____

My _____ uses _____ nuclear-powered _____ other types of _____ plants a _____.

My electricity _____ coal, gas, or nuclear _____.

Is my store's _____ power generators mostly _____ by _____ gas _____?

Do _____ electricity supplier _____ nuclear, coal-fired or _____?

Are coal-fired, natural gas-fired or nuclear-powered _____ my utility _____ when _____?

_____ coal-fired, _____ and nuclear-powered _____ most of _____ electricity mix?
 _____ natural-gas _____ is _____ type _____ plant that my electricity _____ prefers.
 _____ my _____ retailer buy a _____ gas, _____ nuclear power?
 Coal, gas, nuclear _____ sources.
 _____ my store _____ coal, gas-fired or nuclear _____?
 Are _____ power _____ my retailer _____ by coal, natural _____ energy?
 _____ your _____ on coal, natural _____ power plants?
 Coal-fired, natural-gas _____ nuclear-powered etc _____ the _____ my current retailer _____ heavily.
 _____ natural gas, and perhaps _____ energy _____ major _____ generators for _____.
 _____ or _____ are _____ power sources my provider _____.
 The _____ plants that _____ retailer _____ most are coal-fired, _____ nuclear-powered.
 _____ of power _____ my _____ rely _____ the most?
 _____ my _____ only use _____ fired, or _____ facilities?
 _____ retailer's _____ generators _____ coal, natural gas, or _____ nuclear energy?
 _____ lot of _____ natural-gas _____ nuclear-powered _____ are utilized by _____ retailer.
 Is my electricity retailer _____ and nuclear _____?
 _____ coal, gas or _____ plants _____ most _____ the _____ for _____ store?
 _____ lot _____ coal-Fired, _____ fired, Nuclear-powered power plants.
 _____ natural gas-based, and _____ stations _____ what _____ retail energy _____ depends _____ most.
 Are coal-fired, natural _____ nuclear-powered _____ more _____ by my _____ company?
 _____ what is _____ main source of _____ for _____ company?
 _____ types of _____ my current _____ most rely _____?
 _____ fired, Nuclear-powered, _____ other _____ of _____ are _____ most relied upon by _____
 Which types _____ power _____ used mostly _____ my _____?
 _____ you know _____ of power _____ uses, _____ as coal, natural _____ nuclear?
 _____ coal or gas fired _____ do my retailer _____?
 Are coal, _____ gas, _____ of power plants _____ use?
 Are most _____ electricity _____ coal-fired, _____ or nuclear?
 Is my _____ coal, gas, or _____ plants?
 _____ natural _____ even _____ energy are _____ power generators for my retailer.
 Is _____ existing utility _____ more dependent on coal-fired, _____ nuclear-powered _____ when _____?
 _____ electricity _____ have a _____ of reliance on _____?
 _____ Natural-gas _____ and other _____ of _____ the _____ relied on _____ my current
 _____ the _____ power generators for my retailer powered _____ coal, _____ energy?
 Coal-Fired, _____ fired, Nuclear-powered _____ all types _____ power plants _____ retailers _____ upon _____ lot.
 What _____ of _____ do my _____ the most?
 Coal, _____ fired, and _____ do _____ supplier _____?
 _____ gas-fired or nuclear-powered _____ more _____ on by my _____.
 _____ current _____ uses _____ gas, or _____ the most.
 _____ my supplier usually _____ coal, natural-gas _____ nuclear _____?
 Does _____ supplier _____ natural gas, or _____?
 Are _____ reliant _____ coal, _____ or _____ plants?
 Coal-Fired, Natural-gas _____ Nuclear-powered, _____ other types of _____ relied upon _____ in _____
 _____ and _____ energy are _____ power generators for my retailer.
 _____ natural-gas fired, _____ and _____ plants are used _____ my _____ retailer.
 Do _____ energy supplier use _____ fired, _____?
 _____ my _____ coal-fired/gas/nuclear?
 Coal _____ natural _____ fired, _____ plants _____ retailer use most?
 _____ of power _____ my retailer _____ on the _____?
 _____ my supplier use _____ or Natural-gas _____?

_____ want to know if _____ of _____ energy _____ my _____ coal, _____ or nuclear plants.
 _____ current _____ depend _____ coal-Fired, Natural-Gas fired, Nuclear _____ plants _____ lot.
 Coal-fired, natural-gas fired, nuclear-powered, and other types of _____ are _____ upon _____
 Coal, _____ something _____ the main source of _____ for _____ company.
 Is my current provider _____ coal, _____ nuclear _____?
 Did my _____ nuclear, coal-fired, _____ natural-gas power _____?
 _____ fired, Nuclear- powered, _____ other _____ power plants are _____ most relied upon _____
 Does _____ coal, natural _____ or _____?
 _____ most of _____ provided by my current _____ coal, gas _____ nuclear _____?
 Does the _____ so _____ on _____?
 _____ fired, nuclear-powered are _____ of _____ power _____ by my _____ retailer.
 My current _____ upon Coal-Fired, _____ plants a lot.
 _____ gas-fired _____ nuclear- powered _____ are _____ relied upon _____ utility company _____ electricity.
 _____ current retailer _____ heavily on coal, _____ nuclear _____.
 _____ prefers _____ natural-gas based _____ nuclear-powered plants.
 _____ gas, nuclear are _____ power sources that _____ uses.
 Is _____ most _____ gas, or nuclear plants?
 _____ most of _____ provided _____ the _____ retailer coming _____ coal, gas _____ plants?
 Are _____ retailer dependent _____ coal, gas, _____ nuclear _____?
 _____ lot of _____ fired, _____ on power plants are used _____ current _____.
 My retailers depend _____ coal-Fired, _____ a lot.
 Is my _____ coal, natural gas, or _____?
 _____ natural _____ or perhaps _____ are _____ of _____ used by _____ retailer.
 Most of the energy provided _____ retailer _____ come _____ nuclear plants.
 _____ the _____ reliant on coal, gas _____ nuclear _____?
 _____ my _____ supplier use _____ or _____ gas?
 Coal, _____ gas, _____ and _____ are _____ power plants _____ current retailer.
 Which _____ of power plants _____ retailer use _____?
 Are coal, gas, or _____ by _____ provider?
 Coal, gas, _____ nuclear power _____ used _____ provider.
 _____ types _____ plants do my retailer _____ on _____?
 _____ company more _____ on coal-fired, _____ gas-fired, or _____ powered stations when _____?
 My retailers _____ on _____ Natural-Gas _____ power plants _____.
 _____ my _____ depend _____ generators for _____ energy supply?
 coal, gas, or _____ mostly _____ my provider?
 Does my _____ use a _____ of _____ coal-fired, or _____?
 My _____ retailer's _____ coal-fired, natural-gas fired, nuclear-powered.
 _____ nuclear-powered _____ so _____ some of the power _____ used by _____ retailer.
 _____ fired, nuclear-powered _____ power _____ my current retailer _____.
 _____ there _____ reliance on _____ mix by _____ provider.
 _____ am wondering _____ most of the _____ current _____ from coal, gas, or nuclear _____.
 Coal-fired, natural-gas fired, _____ power plants _____ current retailer's most _____.
 Which types _____ used _____ by the store?
 My retailers depend _____ a _____ that _____ Natural-Gas fired, Nuclear-powered.
 _____ fired, nuclear-powered and so _____ are used by my _____.
 The power _____ retailer _____ are coal-fired, _____ nuclear-powered.
 _____ gas, or _____ of the power _____ retailer uses the most.
 Coal, gas, _____ nuclear _____ used _____ by my _____.
 _____ current retailer's _____ plants _____ coal-fired, _____ nuclear-powered.
 Does _____ electricity retailer _____ gas or _____ power?

_____ retailer _____ on _____ gas or nuclear _____?

Coal, _____ and _____ retailer's main power sources.

Does my retailer rely _____ or _____?

Coal-Fired, Natural-Gas fired, Nuclear-_____ power _____ are _____ of power _____ that my current _____

Coal-Fired, Natural-gas fired, Nuclear-powered, _____ other types _____ plants are _____ uses _____.

Coal, natural gas, _____ the types _____ your _____ uses.

_____ the _____ my current retailer _____ from _____ gas _____ nuclear plants?

Coal-fired, natural gas-based, or _____ powered power stations are _____ retail _____.

_____ my _____ company _____ reliant on coal-fired, _____ gas-fired _____ nuclear-powered _____ they _____ electricity?

The _____ that _____ favors _____ natural-gas based, or _____ plants.

Which type _____ by _____ natural-gas based, or nuclear-powered?

Coal-fired, natural gas-based, _____ power stations _____ the _____ retail _____ supplier _____ most.

Coal, _____ or nuclear are _____ primary power _____ provider _____.

_____ current retailers rely a _____ on _____ powered power _____.

_____ major power _____ for my retailer _____ powered by _____ gas _____ even _____?

_____ fired, _____ are the power plants my _____ dependent _____.

coal-fired, _____ nuclear-powered _____ the _____ my _____ relies on the most.

Are _____ gas, _____ nuclear the _____ of power _____ your company _____?

Does _____ use _____ natural gas?

_____ company use coal, natural _____ nuclear power _____?

Is _____ electricity _____ nuclear, _____ or natural-gas power _____?

Do _____ know if _____ dependent _____ coal, _____ or _____ plants?

_____ most _____ supplied by _____ current store coming _____ or nuclear plants?

_____ current _____ on _____ Natural-Gas fired, Nuclear-powered _____ a lot.

_____ natural gas, _____ retailer's primary _____ sources?

Coal-fired/gas/nuclear _____ used _____ my _____.

_____ natural gas-fired _____ more relied upon by _____ utility company?

Coal-fired, _____ and so on _____ some _____ power _____ my retailer _____.

Coal-based, natural-gas based and _____ plants _____ by _____.

Most _____ my _____ electricity _____ coal-fired, natural gas-fired, and _____.

My _____ is mostly _____ on _____ natural gas-based, or nuclear _____.

_____ natural _____ nuclear my provider's primary _____ source?

Are coal-fired, _____ gas-fired _____ nuclear-powered _____ upon _____ my utility _____ when _____ electricity?

Most of the _____ provided _____ my current _____ coal, gas _____ nuclear _____.

Coal-Fired, Natural-Gas _____ power _____ are _____ of _____ plants _____ my _____ depend upon _____

_____ know _____ depends on most, such _____ coal, natural gas _____ nuclear?

Coal, natural _____ nuclear _____ my _____ power sources?

_____ retailers depend on coal-Fired, Natural-Gas _____ a lot.

_____ fired, Nuclear-powered _____ power plants _____ current retailers depend upon.

_____ provider mostly using coal, _____ or _____?

_____ or nuclear plants _____ most of the _____ my _____.

Is _____ majority of _____ by my _____ retailer coming from _____ gas _____?

My current _____ relied on _____ are _____ natural-gas _____ nuclear-powered.

I wonder if _____ of the energy _____ by _____ coal, gas or _____.

_____ current retailer relying on _____ gas _____ nuclear _____?

_____ natural gas-based, and nuclear-powered _____ my retail _____ depends on.

_____ my electricity _____ use nuclear, _____ gas plants?

_____ mainly coal, _____ or _____ power.

_____ natural gas, or maybe _____ are _____ my _____.

Coal-fired, _____ gas-based, or nuclear _____ stations _____ my retail _____ supplier depends _____ most.

I _____ if my _____ uses _____ natural gas, _____ nuclear.
 Are coal-fired, _____ or _____ stations _____ likely _____ be relied _____ my _____ company?
 _____ type _____ plant _____ my supplier? Coal-based, _____ based, _____ nuclear-powered?
 _____ power do _____ electricity retailer use?
 _____ my _____ supplier _____ on _____ coal-fired, _____ natural-gas power _____?
 Most of my provider's _____ coal-fired, natural gas-fired, or _____.
 Does _____ energy _____ usually use _____ natural-gas _____ facilities?
 My _____ supplier _____ on _____ natural gas-based, _____ nuclear-powered power _____.
 My current retail energy _____ mainly _____ natural _____ nuclear-powered power _____.
 Is there _____ lot _____ the _____ by my electricity _____?
 _____ my utility _____ more _____ coal-fired, _____ gas-fired or _____ stations to _____?
 Does _____ rely on nuclear, coal-fired _____ natural _____?
 Is most _____ provider's _____ coal-fired, natural _____ or nuclear powered _____?
 _____ and nuclear are the _____ power _____ my _____ uses.
 Coal, _____ nuclear-powered and _____ used on power _____ by _____ retailer.
 _____ I _____ if _____ supplier uses nuclear, coal-fired, or _____ gas _____?
 Is _____ reliant on _____ natural gas-fired _____ nuclear-powered _____ when _____ power?
 _____ my _____ supplier dependent on nuclear, coal-fired _____ power _____?
 _____ my _____ depend _____ coal, gas-fired, or nuclear _____?
 Is my supplier _____ coal-fired or _____ plants?
 _____ power _____ my retailer _____ reliant _____?
 Coal, _____ or _____ most of _____ work for _____ current _____?
 _____ Natural-Gas _____ Nuclear-powered _____ plants are all _____ of _____ plants that _____ current _____ a
 _____ my store rely on _____ nuclear _____?
 Coal, _____ or nuclear _____ are _____ on _____ retailer.
 Is most of _____ electricity supplied _____ coal-fired, natural _____?
 Most _____ mix is _____ by coal-fired, natural gas-fired, or _____.
 Coal-fired, natural gas-based, _____ the _____ of power stations that _____ current retail energy _____
 Coal-Fired, _____ fired, _____ other _____ of _____ are relied upon most by _____.
 _____ of power sources _____ used mostly by _____?
 _____ natural-gas based, _____ are preferred by my _____.
 _____ of _____ energy _____ my current retailer come _____ gas or _____
 Coal-Fired, Natural-gas fired, _____ and _____ of _____ most relied upon by _____.
 _____ natural-gas _____ and so _____ are some of the power plants _____.
 Is my supplier _____ on nuclear, coal-fired, _____?
 Coal-fired, natural _____ nuclear-powered _____ stations _____ my retail _____ most on.
 Coal-fired, natural-gas _____ nuclear-powered _____ retailer's _____ relied on power _____.
 Does _____ use a _____ generators?
 Is _____ power mostly used _____ my current _____?
 _____ used by my store?
 _____ are coal-fired/gas/nuclear within my _____ power _____?
 Is my _____ reliant on coal, _____ or _____?
 Coal/gas/nuclear _____ most popular for _____.
 _____ my energy _____ coal, or _____ fired facilities?
 Do _____ or nuclear-powered plants _____ my provider's power?
 _____ use _____ coal or gas?
 _____ power plants _____ company _____ most, coal, natural gas, _____?
 My electricity supplier uses _____ coal-fired, _____.
 Coal-fired, _____ fired, nuclear-powered, _____ power plants _____ my retailer.
 _____ natural-gas fired, nuclear-powered _____ the _____ power plants _____ current _____.

_____ either coal, gas, _____ nuclear power.

Is _____ current store dependent _____ nuclear power?

_____ are _____ power plants _____ retailer _____ on the most.

My _____ retailers _____ a _____ coal-Fired, Natural-Gas fired, Nuclear-powered _____.

_____ Natural-Gas fired,Nuclear-powered are _____ of _____ types _____ power _____ that my _____ on.

Most _____ energy _____ my current _____ from _____ or nuclear plants.

_____ current _____ depend _____ lot _____ Coal-Fired, _____ fired,Nuclear-powered power _____.

_____ gas, and nuclear power are _____ used _____.

Coal-fired, _____ nuclear-powered and other _____ power _____ what _____ current retailer relies _____ the _____.

_____ retailers _____ a lot _____ coal-Fired, _____ Nuclear-powered _____ plants.

Coal-fired/gas/nuclear are dominant _____ power _____.

What types of _____ plants _____ retailer use _____?

_____ natural-gas fired, _____ and other _____ of power plants _____ current retailer _____.

Coal-fired, natural-gas _____ nuclear-powered _____ on _____ used _____ plants by my _____.

Coal-fired, _____ gas-based, _____ power stations _____ ones my _____ energy _____ depends on _____.

Which _____ the most electricity _____ my _____?

_____ retailer _____ power plants?

_____ want _____ know if _____ energy _____ current _____ comes from _____ gas, or _____ plants.

Which types _____ plants do _____ retailer _____ on _____?

Did most _____ provider's _____ from _____ natural _____ or nuclear-powered _____?

_____ natural gas-fired, or _____ plants provide _____ of _____ mix?

My _____ supplier _____ on _____ coal-fired, natural _____ nuclear- _____ power stations.
