Masked sample paraphrases of one "Home Appliance Manufacturer" customer inquiry. (Purchased data will not be masked.)

_____ can _____ assess _____ our chosen _____ has _____ indoor breathing _____ over _____?

Is this device _____ _____ _____?

_____ preferred _____ improved air _____?

_____ _____ out if _____ device _____ indoor breathing conditions?

_____ proof _____ appliance _____ the indoor air _____?

Will _____ improve breathing?

How _____ if our _____ has made _____ difference in _____ environment?

_____ we test _____ if gadgets _____ indoor _____?

_____ we tell _____ this _____ improving _____ quality in our _____?

Can we _____ gadgets _____ a _____ in indoor breathing _____?

_____ there _____ of enhanced _____ following persistent use of _____?

Can we _____ the thing is improving _____?

Is it _____ that _____ improving _____ air _____?

_____ it possible to _____ the chosen device _____ indoor _____?

Is _____ to _____ an appliance has _____ positive impact on _____ air _____?

Is _____ to evaluate if _____ enhances _____ quality?

Can _____ the _____ appliance on indoor air quality?

_____ selected _____ help _____ improve breathing _____?

_____ gauge if _____ appliance _____ made a _____ impact on interior _____.

_____ tell _____ the selected _____ contributes to better _____ inside.

Is improved _____ inside the _____ the chosen _____?

Has the _____ indoor _____ quality?

Does our desired product show _____ indoor _____?

_____ can _____ out _____ the _____ improves indoor air _____?

Is the _____ good _____ indoors?

Can we evaluate the effect _____ quality?

How can we _____ an _____ has _____ breathing conditions _____?

Is it _____ appliance has made a positive _____ interior _____ condition?

Is the _____ enhancing air _____ time?

_____ our appliance improving _____ home?

Can _____ if the device _____ indoor _____?

Can _____ tell _____ if this _____ has improved indoor _____?

Does a gizmo _____ air quality _____?

Do _____ how to _____ has _____ breathing conditions over time?

Can _____ say _____ the _____ conditions?

Does _____ anything to _____ air quality?

Can we _____ air _____ gets better using this _____?

_____ don't _____ if _____ appliance has _____ indoor air _____.

Did _____ gizmo improve _____ air _____ in _____ run?

_____ if gadget _____ indoor breathing _____?

Can we _____ if it _____ our _____?

_____ an appliance that enhances _____ quality with _____?

Is _____ made _____ better inside?

Is _____ product _____ improving indoor _____?

How can we determine _____ the air quality _____?

Can _____ if the _____ air _____ is getting better _____?

Is there _____ way _____ if this _____ has _____ indoor _____?

Is our _____ inside get better?

Can _____ tell if this thing _____ quality of _____?

Have _____ improved _____ quality _____?

Is the _____ making _____ improvement _____ indoor _____?

Does _____ product show progress _____ in _____ breathability?

Is _____ the _____ indoor _____ better?

_____ the appliance _____ air?

_____ improving the indoor breathing?

Is _____ to _____ if _____ unit _____ enhanced indoor breathing conditions _____.

Can you _____ if _____ improved my _____ conditions inside?

_____ can _____ do to _____ if _____ appliance _____ quality?

_____ days went _____ chosen _____ result in better breathing _____?

Is it possible _____ gauge if _____ a _____ air condition _____ its usage span?

_____ quite curious, what evidence supports the _____ respiration?

Can you tell me _____ appliance _____ air quality?

Does _____ in _____ breathing as days go _____?

Can _____ look at _____ the _____ improves _____ quality?

Is _____ selected _____ improve _____ breathing?

How _____ we _____ our appliance _____ air quality?

Is the indoor _____ getting _____ thanks _____ this _____?

Has _____ favored _____ quality indoors?

_____ way to _____ impact of _____ appliance on _____ quality?

_____ it _____ to _____ if a _____ has made a _____ on _____ air condition over _____?

Is _____ indoor air _____ with _____ time?

_____ preferred _____ improved _____ air quality?

Can you _____ appliance affects indoor _____ quality?

If _____ appliance _____ a positive impact _____ air condition, _____ possible to _____?

_____ possible to _____ has _____ positive impact on interior _____ condition throughout its _____ span?

_____ any improvement _____ breathing quality _____ to _____ appliance?

_____ can we _____ out if our appliance _____ air quality?

Is it possible _____ if _____ improve _____ breathing _____?

_____ our preferred _____ improving indoor _____?

How _____ we _____ if _____ enhances _____ air quality?

_____ methods _____ can we _____ to determine _____ appliance improves air _____?
 _____ the _____ improving indoor _____ time?
 _____ I see _____ breathing _____ appliance?
 Can you _____ about _____ evaluation _____ indoor _____ with our appliance?
 I _____ unit has enhanced indoor breathing _____ over time.
 Can _____ give _____ on evaluating indoor air _____ improvements _____?
 Can you tell _____ has an _____ on indoor air _____?
 _____ help _____ indoor air quality _____ our appliance?
 _____ indoor air quality getting better _____.
 _____ product _____ air quality indoors?
 What _____ we use to determine _____ home _____ improves the _____?
 _____ would we _____ if our _____ breathing conditions?
 It is _____ to _____ if _____ has made _____ on interior _____ throughout its usage _____.
 As _____ went _____ chosen devices result in _____ inside?
 Is there a way _____ our appliance improves _____?
 Is there _____ way _____ find out _____ improves _____ quality.
 _____ look at the effect _____ device _____ on _____ quality?
 _____ our appliance helped _____?
 Can we _____ if the _____ is getting _____ by _____ this _____?
 _____ our appliance making the _____ house _____?
 Is it _____ that _____ enhance indoor breathing _____ time?
 _____ chosen _____ in _____ breathing inside as days _____ by?
 Can _____ tell if _____ is _____ air _____ better?
 Is it _____ determine _____ an appliance has made _____ positive _____ condition?
 _____ there _____ ways to _____ this unit _____ improved indoor _____?
 _____ we determine whether _____ appliance _____ air _____?
 Is _____ selected appliance _____ to _____?
 _____ our _____ helping _____ air quality _____?
 _____ possible to determine if selected _____ has _____ on _____ air condition _____ its _____ span?
 Can we _____ if this _____ making our _____?
 Is there _____ way to test if _____ indoor _____?
 Did the _____ with your appliance?
 _____ the _____ appliances _____ way to _____ air _____?
 Did our _____ indoor _____ quality?
 _____ our appliance _____ air quality _____?
 Is _____ enhanced _____ breathing?
 Did _____ selected _____ help _____ air _____?
 Has _____ made the _____ inside _____?
 _____ it _____ to _____ if _____ appliance _____ a _____ on the _____ air condition?
 _____ possible to tell me _____ selected appliance will impact _____?
 _____ product _____ to improve _____ breathability over time?
 How _____ we determine if _____ improves _____ quality over _____?
 How can we _____ our _____ made _____ breathing conditions?
 How can _____ if our chosen _____ has improved _____?
 _____ our _____ improving _____ indoors?
 _____ our _____ improve the indoor _____?
 Can _____ determine _____ air _____ is _____ because of this _____?
 Can we determine _____ conditions?
 Can _____ if indoor air _____ using this _____?
 _____ our _____ showing progress in improving indoor _____ time?

_____ improved _____ in the house?

I want _____ if _____ has _____ indoor breathing _____ time.

_____ product really helping _____ improve _____ air _____?

Is improved _____ conditions the _____ of _____?

_____ at if the _____ enhances the _____ air?

Did the _____ inside _____ time?

_____ there _____ to _____ if _____ appliance improves air _____ indoors?

_____ I tell _____ the unit has _____ conditions?

_____ chosen gizmo improve _____ time?

_____ might _____ made _____ better inside.

Is _____ evaluate if _____ device _____ air overtime?

_____ selected _____ improved the air _____?

How _____ we _____ if _____ has _____ indoor _____ over time?

_____ the improvement _____ indoor air _____ visible when we _____?

_____ may _____ enhanced indoor breathing.

Is _____ appliance _____ in breathing _____?

_____ the appliance contribute to _____?

Are _____ give guidance _____ if the _____ positively impacts _____ quality?

_____ determine if _____ device _____ air quality?

Is _____ selected _____ better _____ inside?

Is the _____ connected to _____?

Is _____ appliance _____ air _____ house?

_____ the _____ air _____ indoors?

Is it possible to _____ chosen appliance _____ conditions?

Can we find out if _____ quality?

_____ we see _____ the _____ improve _____ later on?

_____ our _____ product improving _____ with time?

_____ can we determine if _____ the _____ quality?

Can _____ proof _____ enhances indoor air?

Are _____ air _____ getting any _____ because of _____?

If _____ resulted in _____ breathing _____ they?

Has _____ device _____ quality inside?

How could _____ determine _____ our appliance _____ the _____ air _____?

Is it possible _____ provide _____ an appliance _____ indoor air _____?

_____ our _____ indoor air quality?

_____ the indoor _____ getting better _____ using this _____?

Is it possible for _____ on _____ indoor _____ quality improvements with _____?

_____ we assess whether _____ air quality?

Is it _____ to _____ picked device _____ indoor _____?

Does the _____ a difference _____ breathing _____?

_____ the _____ enhance indoor breathing?

_____ a _____ improves indoor _____ quality?

Did our product _____ improve _____ the _____?

Can we see _____ picked _____ breathing later _____?

Is it possible to test _____ on?

_____ can we _____ appliance _____ improve our air quality over _____?

_____ it make _____ air _____ any better with _____?

_____ you _____ tell _____ evaluate if this unit _____ improved indoor breathing _____?

Are you able to give us _____ on _____ air _____?

_____ we evaluate if _____ improves _____ quality?

Will the gizmo ____ air ____ ____ ?
 ____ might ____ if ____ appliance has ____ the ____ air quality?
 Did your ____ make ____ indoor ____ ?
 ____ we see if ____ ____ breathing?
 Does ____ desired ____ improve ____ indoor ____ ?
 Can ____ ____ out ____ ____ device improved the ____ air ____ ?
 Is there a ____ to ____ effect ____ ____ air quality?
 ____ device improved air ____ ?
 Do ____ know ____ air quality ____ getting better ____ item?
 ____ possible ____ improves breathing indoors?
 Can we ____ if the gizmo ____ indoor ____ ?
 ____ we ____ if ____ quality is ____ better ____ this item?
 Is ____ making air ____ get ____ ?
 ____ a ____ device ____ air ____ ?
 ____ make ____ air quality better?
 ____ selected appliance ____ a positive ____ on ____ condition, ____ possible to gauge it?
 ____ really ____ the air ____ better?
 ____ can ____ determine if our ____ appliance ____ ____ over time.
 Does ____ indoor air?
 ____ device improved the ____ in ____ house?
 ____ our appliance help ____ indoor ____ conditions ____ ?
 Our devices may ____ in ____ breathing ____ days went ____ .
 Can we see if ____ improving ____ air ____ ?
 Can our appliance ____ better?
 ____ the ____ really ____ inside get better?
 Are improvements ____ breathing ____ our appliance?
 ____ it ____ to measure the ____ interior air ____ of ____ selected ____ ?
 Has ____ indoor air ____ ?
 ____ indoor air ____ improving using ____ ?
 ____ we know if a device improves ____ ?
 Does chosen ____ air quality?
 ____ it ____ assess the ____ of ____ appliance on ____ indoor ____ quality?
 Is ____ possible ____ see if ____ has ____ in the interior ____ condition?
 ____ the ____ better with the appliance?
 What ____ has our appliance ____ indoor ____ ?
 ____ determine if our home ____ improve air quality ____ ?
 ____ know how to ____ if the ____ has ____ conditions?
 Can we ____ if ____ improve ____ ?
 ____ the ____ helped ____ the ____ quality?
 Have ____ improved ____ air quality?
 ____ the ____ difference to ____ breathing?
 ____ your appliance done ____ improve ____ quality in ____ home?
 Is this ____ able ____ increase ____ ?
 ____ could we find ____ appliance ____ improved air ____ ?
 ____ the ____ we ____ the air better ____ ?
 As days went on, ____ chosen devices ____ breathing ____ ?
 ____ product help ____ quality indoors?
 How ____ our appliance improves ____ air quality over ____ ?
 ____ appliance ____ with ____ breathing conditions?
 Does the ____ enhance ____ ?

Can we _____ if air quality _____ item?

Which methods _____ we use _____ if _____ appliance improves _____ over _____?

Is _____ any _____ that the _____ been enhanced after _____ apparatus?

_____ the _____ improve indoor breathing?

Can _____ assess if the _____?

Can we _____ if indoor _____ better _____ this _____?

How _____ we _____ our home appliance _____ air _____?

Can you _____ me _____ has _____ a _____ impact on _____ air condition?

Is it _____ to _____ if selected _____ a positive impact on the interior _____?

Could _____ help with _____?

_____ improve the _____ breathing conditions?

Can _____ it's _____ our indoor _____ quality?

Can _____ if _____ improves indoor breathing _____ on?

_____ a device helped _____ the _____?

Does _____ improve _____ air quality _____ the _____ term?

Is _____ to gauge _____ an _____ made _____ impact on _____ interior air _____?

Is it possible _____ a selected _____ made a _____ on the _____?

_____ quality _____ due _____ our appliance?

_____ a _____ to measure the _____ our _____ on indoor air _____?

_____ any proof _____ the _____ increases indoor air _____?

Are _____ able to _____ on evaluating _____ improvements _____ our _____?

_____ by, has _____ devices resulted in _____ breathing?

_____ don't _____ if the _____ contributes _____ breathing inside.

_____ tell us how _____ evaluate air _____ with our _____?

_____ days _____ did _____ devices _____ to _____ breathing inside?

Is _____ the selected _____ to better _____ inside?

_____ the air inside _____ better _____ our _____?

_____ do _____ determine _____ a _____ appliance _____ the _____ quality over _____?

_____ check if the _____ quality?

What methods _____ to _____ the improved breathing _____ product?

_____ it possible to gauge if _____ appliance has _____?

_____ to better breathing inside?

_____ we _____ if the _____ air quality is _____ item?

_____ the _____ difference in _____ indoor breathing?

_____ the chosen _____ improve the _____?

Is our _____ helping _____ quality _____?

How can _____ if our appliance _____ improved _____?

Has _____ device _____ a difference _____ quality _____?
