

[Demo] NLP Dataset for Customer Service Automation

Company Type	Home Security and Alarm Companies
Inquiry Category	Extending or adjusting alarm system coverage
Inquiry Sub-Category	Alarm system range extension
Description	Customers may inquire about options and procedures to extend the coverage range of their existing alarm systems, allowing them to include additional areas or buildings within their security setup.
Data Size	11,370 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Home Security and Alarm Company" customer inquiry. (Purchased data will not be masked.)

Can we ____ and ____ each sensor ____ within ____ home ____ your technology?

Can we ____ the ____ in ____ house through ____ system?

____ able ____ and enhance ____ coverage distance in ____ home?

____ your technology ____ the ____ better ____?

Can ____ your technology be ____ for ____ coverage?

Is it ____ scope of ____ in ____ house with ____ tech?

____ it be possible ____ the area covered ____ in ____ house with ____ advanced ____?

____ you have ____ to extend how ____ each ____ can ____?

Is it ____ for your ____ the ____ range ____ each sensor ____ residence?

Is it ____ expand the ____ sensor ____ inside our ____?

How ____ help ____ that the sensors cover?

Would it possible ____ coverage of each ____ your ____?

Is ____ adjust individual ____ of coverage using your ____?

Is ____ for you ____ coverage range ____ those home sensors'n ____?

Can we ____ coverage ____ our ____?

Is ____ possible to ____ of ____ sensor ____ our house?

Does ____ technology allow ____ to ____ far each ____ extend?

Would ____ expand ____ coverage ____ each ____ using your technology?

____ have ____ way to ____ and ____ sensor reach?

Does this technology ____ to extend ____ across ____ household ____?

Is ____ for your ____ increase the ____ of ____ sensors?

____ if we ____ the anbd amplify ____ inside our home?

____ have ____ ability to ____ coverage of those home ____?

____ could ____ the tech to ____ distance ____ individual sensors.

____ to expand ____ reach ____ sensors through your ____?

____ to add ____ to each sensor ____ your technology?

Will your technology ____ more distance ____ our ____?

____ there ____ the ____ that the sensors can monitor inside ____?

With _____ technology _____ it be _____ of each sensor?

We should _____ to _____ each sensor covers at _____.

_____ the distance covered _____ sensors?

_____ it be possible _____ each sensor's _____ accordance _____ your _____?

Is it _____ make our _____ more _____?

Is _____ to modify and _____ inside _____ by adopting _____ technological improvements?

_____ it _____ to enhance _____ sensors _____ see inside our _____?

_____ sensor reach _____?

Can we increase the _____ by _____ at _____?

_____ ya technology _____ change _____ each sensor indoors

Is it possible to _____ the _____ sensor in _____ home _____?

Is it _____ to _____ the _____ by _____ sensors in-house _____ tech?

Is it possible _____ the _____ through your _____?

Can _____ change the _____ of _____ sensor with _____?

_____ we use _____ to _____ each sensor's coverage _____ our home?

_____ your _____ allow _____ tuning and _____ per-sensor subdivision _____ indoors?

Can you use _____ technology _____ increase _____ distance _____ each _____?

_____ it _____ the _____ covered _____ sensors _____ the house with your advanced _____?

_____ it _____ that _____ ground in our house

Can we _____ this _____ increase the _____ sensor within _____ home?

Can _____ distance using _____ technology?

_____ it _____ to _____ sensor _____ within _____ with your tech _____?

Is _____ possible to _____ sensors' field of coverage _____?

_____ it _____ to _____ expand the _____ covered _____ individual sensors?

_____ it _____ to _____ extend the distance your home _____ cover?

_____ change the sensor's _____ within our _____?

_____ we use your technology _____ increase _____ distance _____ sensor _____?

_____ the sensor's coverage _____ our home using your _____?

_____ possible to _____ range inside of our house _____ services?

_____ it be _____ to expand _____ sensors in our _____?

Does _____ allow for _____ adjustment _____ the _____ of _____ sensors _____ home?

Is _____ possible _____ increase _____ distance each _____ at home with _____?

_____ technology _____ options for _____ adjusting _____ range _____ our sensors?

Is _____ way _____ cover _____ with each sensor?

Are _____ to enhance _____ coverage area _____ each _____ your _____?

Can your _____ the _____ sensors?

_____ you _____ that the sensors cover more _____?

Does _____ to increase _____ range covered _____ each sensor?

_____ sensors in your technology _____ for _____?

_____ your technology _____ to improve _____ distance _____ the _____ cover?

_____ for these sensors _____ go _____ and wider by implementing _____?

_____ it _____ possible to _____ the range _____ by _____ sensor _____ your _____?

_____ it _____ enlarge _____ scope of the sensors _____ our residence _____?

Does your technology _____ us expand _____ range _____ sensors _____ home?

Can we _____ extend _____ much _____ an individual _____ cover inside?

Is _____ a way to _____ sensors through _____ solution?

_____ we _____ the amount _____ ground an individual sensor _____ cover _____ of _____?

What can _____ make _____ cover more area?

Is it _____ increase the _____ via this system?

_____ there _____ possibility _____ expanding sensor _____?

Will _____ be able to _____ per-sensor subdivision perimeter limits _____?

Do you _____ way to adjust _____ field _____ using your _____?

Are you _____ to _____ sensor _____ in our _____?

_____ we use _____ technology to maximize _____ area of _____?

_____ it possible to _____ the coverage of _____ sensor _____?

_____ be possible _____ every _____ our home using this tech solution?

Can we use _____ innovative _____ the coverage of each sensor _____?

_____ it _____ to _____ how _____ individual _____ cover inside with help from this _____?

_____ we adjust the distance _____ this tech?

Can your _____ increase the _____ sensor in _____?

Do you _____ way _____ sensor reach _____ our house?

_____ adjust _____ distance _____ sensor can cover _____ your _____ security system?

Can _____ give _____ more sensor _____ in our _____?

Would _____ be _____ to extend the _____ every _____ home?

Should each sensor _____ of _____ area _____ tech?

_____ we extend _____ your technology?

How can we increase the _____ with _____?

Is _____ possible _____ modify and _____ per-sensor _____ house easily?

Is _____ to _____ that sensors can monitor _____ our _____ your system?

_____ use your _____ the sensors _____ more coverage?

_____ it _____ to expand coverage _____ device _____?

_____ you _____ scope indoors?

Is _____ increase _____ reach _____ the sensors _____ with your _____?

The range of _____ sensor _____ via this _____.

_____ there _____ way _____ expand the _____ in the house?

_____ we use your _____ increase _____ reach _____ the _____ our house?

_____ this _____ adjust and broaden the range of _____?

Do you _____ ability to change what areas _____ monitored by _____?

_____ you extend _____ sensor coverage _____ to _____?

_____ able _____ the coverage _____ home sensor's stuff?

Can we use _____ the _____ range _____ our home?

Would _____ be possible _____ extend _____?

Would _____ be possible to _____ scope _____ every _____ in _____ house _____ this _____?

How _____ maximize the _____ top-notch tech?

_____ possible to increase the _____ each sensor _____ your solution?

_____ you be able _____ and _____ subdivisions indoors?

Is _____ a _____ and _____ the _____ that your _____ security system _____?

Is it possible to _____ distance each _____ home _____ your _____?

Is _____ possible for _____ technology _____ range of _____ sensor?

_____ expand the _____ of _____ in _____ house through the _____?

Can we _____ the distance covered _____ this _____?

_____ we _____ how _____ each sensor _____ reach _____ our _____?

Are _____ able _____ each _____ can detect movement at _____?

How _____ range of the sensor _____ house?

Can we _____ coverage _____ each sensor _____?

_____ extend _____ sensor coverage range _____ services?

_____ it possible _____ and broaden _____ distance _____ individual _____ in-house?

_____ there _____ way to boost each sensor's _____?

Does _____ technology allow _____ extending _____ capacity _____ the _____?

_____ it possible _____ to widen the coverage _____ sensor'n _____?

Would it be ____ to change ____ broaden ____ of ____ your ____?
 ____ you have ____ the reach of the ____ the house?
 ____ use ____ to increase ____ distance that each sensor ____?
 Could ____ your system to ____ reach of ____ sensors ____ our ____?
 Can ____ this equipment to amplify ____ extend ____ of the ____?
 ____ fix it ____ sensors cover a bigger area ____ our ____?
 ____ to modify ____ range inside ____ with the technological ____ available now?
 ____ your ____ help us ____ sensor coverage?
 Would it be possible ____ in ____ home using this ____?
 ____ possible ____ amplify per-sensor range in our ____ these ____ advancements now?
 Can ____ technology to increase the ____ our ____?
 ____ possible for ____ security ____ to extend ____ range ____ the sensors?
 Would it be possible ____ increase the ____ sensor by ____?
 Would ____ be ____ change ____ the ____ of each ____ your technology?
 ____ and ____ per-sensor range inside our house by using ____ technological ____?
 ____ use your tech to ____ the ____ home's sensor?
 ____ you ____ a way to ____ improve the ____ reach ____ our ____?
 Can you ____ the sensors around my ____?
 ____ can ____ these ____ go further ____.
 Is ____ to expand and change ____ sensors' ____ of coverage ____ technological ____?
 ____ you tell me ____ can make each ____ my tech?
 Will ____ allow ____ and enlarge ____ limits indoors?
 Is it possible to ____ in ____ household?
 Is it possible ____ us to modify ____ amplify ____ where ____ in ____?
 Can ____ help us ____ at home?
 ____ we ____ this equipment ____ expand how ____ ground ____ sensor can ____?
 ____ be possible ____ enhance ____ of ____ sensor with your technology?
 ____ you ____ to extend ____ of ____ home sensors'n ____?
 Are ____ the coverage ____ the home sensors?
 Would it be possible to ____ sensor, ____ technology?
 ____ there ____ to increase the reach ____ the ____ your technology?
 ____ to extend ____ in our house?
 ____ your ____ options ____ the ____ the sensors at home?
 Can your ____ allow ____ to adjust ____ of ____ sensor?
 Could your ____ increase ____ coverage ____?
 ____ amplify ____ how much ground ____ individual sensor can ____ inside?
 Is ____ to ____ home's coverage using your ____?
 Can you ____ device inside with your setup?
 ____ possible for ____ range ____ sensors to be increased ____ your ____?
 Are ____ able ____ make sensors ____?
 ____ let ____ our sensor coverage?
 ____ your ____ us with our ____?
 Can ____ modify ____ coverage distance ____ each ____ within ____?
 ____ help ____ with the coverage ____ of individual ____ house?
 ____ possible ____ extend ____ coverage ____ inside your house?
 ____ modify ____ areas ____ are ____ by ____ sensors in my residence?
 ____ we ____ the technology ____ range of ____ sensor?
 ____ extend ____ range of sensor coverage ____ our ____?
 ____ your ____ us ____ strengthen sensor ____ at home?
 ____ can ____ the ____ of each ____ by using _____.

____ it ____ to modify ____ range inside our household with ____?

Are you able to ____ coverage ____ sensors?

____ setup, ____ you ____ coverage areas for ____ device ____?

Is ____ possible to increase ____ with your technology?

Is it ____ your ____ to increase the ____ that ____?

Can ____ technology allow for ____ coverage ____?

You might ____ of the sensors in ____ house through ____ tech.

Is ____ possible to broaden ____ each sensor's ____ your ____?

____ your ____ increase the ____ range of ____ home?

Would it ____ the scope ____ sensor ____ our ____ using this tech ____?

Do ____ a ____ to expand ____ the ____ the sensor?

Is there a ____ change ____ coverage ____ individual sensors using your ____?

Is there ____ way ____ distance ____ each of ____ home's sensors ____?

____ allow ____ tuning and enlarge per-sensor ____ indoors?

____ increase and widen each sensor's area ____ your ____?

____ your ____ the ____ our sensors?

Can we use ____ to ____ enhance ____ sensor's coverage ____ in ____ home?

____ this ____ extending ____ across household premises?

____ it ____ to make ____ sensors go ____ inside with ____?

Is ____ the ____ that ____ sensors can monitor inside our ____?

Can you expand ____ the ____?

Can ____ technology ____ widen ____ strengthen ____ coverage ____ home?

Are there ____ to ____ each ____ area ____ your tech?

Can ____ increase ____ range for each ____?

____ there a way ____ increase the ____ each ____?

What ____ your ____ do to ____ area ____ our ____ cover?

Could ____ use your technology ____ coverage ____ of ____ individual sensors ____ house?

____ possible that ____ modify and amplify per-sensor ____ house?

Can we use ____ equipment ____ ground an ____ can cover ____?

____ your ____ sensor coverage at home?

Does ____ technology ____ us to ____ of ____ sensors?

____ it be possible ____ broaden ____ of ____ sensor based on ____?

Would ____ to ____ the ____ of sensors using your ____?

Can ____ expand ____ sensor ____?

____ have ____ increase ____ distances covered ____ our home's sensors?

Are ____ to ____ the reach of those ____?

How ____ we ____ range ____ sensors ____ our house better?

Can we ____ coverage ____ each sensor ____ your ____?

Allow usin' ____ to alter ____ sensor inside.

Does ____ the option of adjusting ____ of ____ sensors ____ home?

____ there ____ to ____ the ____ that the home's ____ cover?

____ can you increase ____ sensor area ____ your ____?

Can ____ adjust and ____ by individual sensors ____ tech?

Is it possible ____ expand and ____ area ____ advanced tech?

____ we use ____ maximize the coverage areas ____ sensor?

____ to strengthen the sensor coverage at ____?

Can you tell ____ make ____ more area?

____ possible ____ stretch ____ or intensify the per-sensor area ____ what ____?

____ there ____ way ____ the coverage of ____ sensor ____ using technology?

Is ____ possible ____ and prolong ____ are monitored by ____ using your ____ system?

Can we increase _____ sensor covers with _____?

Can _____ technology _____ us to _____ coverage at _____?

Does _____ technology _____ us _____ ability _____ range of our _____ home?

Does _____ technology _____ us _____ and expand _____ range of _____?

_____ we use _____ extend _____ sensor coverage range?

Can _____ us to increase the _____ covered by _____?

Do you _____ is _____ increase the distance _____ each _____?

Are _____ to maximize _____ coverage _____ of _____ with your _____?

Is there a way _____ expand the _____ individual _____?

_____ possible to change the _____ each sensor covers _____ tech?

Can we _____ your technology to _____ far _____ sensors _____ from _____?

_____ it _____ to extend the _____ of sensor in _____ system?

_____ you _____ the coverage of _____ sensor with _____?

Is your _____ to improve the _____ cover?

Can _____ sensor go _____ inside?

_____ you let _____ how _____ sensor _____ go within our _____?

How can we _____ the _____ our _____?

_____ to expand the sensor _____ within our _____?

_____ option to increase the reach _____ sensors with _____.

_____ modify and amplify per-sensor range in _____ by _____ these technological _____?

Would it _____ possible to _____ the _____ the sensors _____ our _____ using _____?

Would _____ possible to increase _____ of each _____ according _____ technology?

_____ it _____ sensor distance?

Is _____ to expand _____ of each sensor in _____ with _____.

_____ we _____ your _____ adjust the _____ range of _____ sensors in our _____?

_____ we _____ your _____ to _____ our _____ range in our _____?

Can we use _____ tech to maximize _____ home's _____?

_____ be _____ expand _____ coverage of _____ our home with this tech _____?

Can we _____ each _____ covers _____ home with your _____?

_____ possible _____ and amplify per-sensor _____ inside our household by _____ these _____?

Does _____ technology _____ it possible to extend sensing _____?

Can we _____ your tech to _____ coverage range of _____?

_____ you expand the coverage _____ each device _____?

Can your _____ coverage _____ the _____ sensors?

Is _____ possible _____ the coverage _____ of our sensors _____?

Could you _____ us _____ adjust _____ coverage of _____ individual _____?

_____ allow us _____ coverage of our sensors?

_____ it _____ and _____ are _____ by the _____ sensors in my residence?

_____ widen _____ coverage of those _____ sensors'n stuff?

_____ technology _____ the reach of each sensor _____.

_____ it _____ to increase the _____ covered by _____ your _____?

Is there any _____ modify individual _____ field _____ coverage _____?

_____ you offer an _____ increase _____ reach of the _____ your _____?

_____ your _____ we make _____ further and wider inside?

Is it _____ adjust _____ coverage _____ our home?

Could _____ use your _____ change _____ range of _____ sensors?

Is it possible _____ and _____ what _____ in my residence when using your _____ system?

Is _____ way _____ increase the _____ your technology?

_____ you change the coverage _____ around _____ place?

_____ system _____ expand the sensors in _____ house?

____ it possible ____ the ____ of ____ using your tech?
 Is ____ extend the ____ range with ____ technology?
 We ____ and ____ the area ____ by individual ____ advanced tech.
 ____ way to expand the sensor ____ house?
 ____ technology help us ____ the ____ that ____ covers ____ our home?
 ____ it ____ for ____ to ____ and amplify per-sensor range ____ our ____?
 ____ possible to ____ the ____ sensor covers ____ home?
 ____ your ____ able to ____ tune ____ per-sensor subdivisions indoors?
 ____ the individual sensor ____ larger area ____ help ____ the equipment?
 With ____ advanced tech, could we modify ____ expand ____ by ____ sensors ____?
 Is there ____ option ____ extend the reach of ____?
 ____ your technology allow ____ adjusting the ____ our ____?
 How ____ the coverage ____ this technology?
 ____ it possible ____ distance ____ your home security system ____?
 ____ could ____ your ____ tech ____ modify and ____ covered ____ the individual sensors.
 We could ____ tech to ____ our individual sensors.
 Can you boost ____ the ____ my place?
 Is ____ to ____ and ____ the ____ individual sensors in-house?
 ____ how far each ____ go ____ our house?
 How ____ technology ____ widen ____ area around ____ sensor?
 What can we ____ our sensors in our ____?
 ____ fix ____ so that the sensors ____ more ____.
 You ____ reach ____ the sensor indoors by ____.
 Is there ____ make ____ sensors go ____ inside?
 Does ____ technology allow us ____ increase the ____ each ____?
 Would it ____ possible to expand the scope of ____ residence ____?
 Is ____ possible to change the ____ distance ____ system?
 ____ it ____ the ____ distance of ____ sensor within ____ home?
 ____ technology ____ the coverage ____ the sensor?
 With ____ are ____ to expand ____ for each ____ inside?
 Is there a ____ increase the ____ home's ____ through your ____?
 Would ____ be ____ the scope of sensors ____ our ____?
 ____ adjust ____ coverage ____ within our ____ this innovative approach?
 ____ be ____ to ____ sensor ____ in our ____ this tech solution?
 ____ we ____ the coverage of ____ sensor ____ our ____ using ____?
 Is there ____ to adjust individual sensors' field ____ coverage ____?
 ____ possible to change ____ coverage ____ each sensor ____ technology?
 ____ the coverage range of our sensors?
 ____ it possible ____ extend ____ range ____ the ____ in ____ home security ____?
 Can we ____ your ____ to ____ how ____ each ____ our house?
 ____ you able to broaden ____ of ____ sensors'n ____?
 ____ possible ____ our distance ____ each sensor?
 Your ____ increase ____ range ____ by ____ sensor.
 ____ it possible ____ the ____ where the sensors ____ in our ____ product?
 ____ use your tech to ____ the ____ of ____ sensor ____ house?
 ____ be ____ to alter the ____ of each sensor ____.
 Can ____ increase ____ coverage?
 Is it possible ____ improve ____ of ____ your technology.
 ____ we use your ____ to adjust ____ coverage range ____ the ____ our ____?
 Would it ____ possible ____ adjust ____ of ____ sensors ____ technology?

_____ technology _____ that each sensor covers _____ our home?
 Could _____ use this _____ to adjust _____ distance _____ individual _____?
 Will _____ innovative _____ and _____ per-sensor _____ perimeter limits indoors?
 Are you able to _____ coverage _____ home _____?
 _____ increase _____ distance that the sensors _____ inside the home.
 _____ to _____ sensor area coverage _____ a top-notch _____?
 Can _____ help _____ increase _____ range _____ sensors in our _____?
 _____ expand the reach _____ sensors _____ our house with _____?
 _____ your technology capable _____ sensor _____?
 _____ range of each sensor in our residence?
 _____ range of each sensor _____ our _____ increased _____ system.
 How _____ area coverage _____ your _____ tech?
 Can _____ this _____ approach to _____ each _____ coverage _____?
 Is _____ adjust and expand _____ our _____ home with your technology?
 Would _____ be possible _____ increase the scope of _____ sensor _____ tech _____?
 It's _____ to expand coverage for _____ device _____.
 _____ we _____ your _____ to adjust the _____ of individual _____ in _____?
 _____ there a way _____ area covered by _____ sensors within _____?
 Can _____ your tech _____ the _____ range of our _____?
 Does _____ us _____ adjust and _____ range that our _____ cover?
 _____ it possible _____ extend _____ range _____ the sensors _____ can be _____ security system?
 Can _____ use _____ technology _____ range of our _____?
 _____ use your _____ the _____ covered by each sensor?
 Is it _____ to maximize the _____ each sensor _____?
 _____ you _____ the _____ in _____ home?
 Does your technology have _____ option _____ the _____ the _____?
 Can we use _____ extend _____?
 Can your technology _____ in the coverage _____ sensor?
 We can _____ go even further inside _____ implementing _____.
 _____ we _____ each sensor can _____?
 _____ your technology _____ cover of _____ distance _____?
 Is it possible for _____ guys _____ widen _____ range _____ stuff?
 _____ there a _____ extend _____ reach _____?
 Can _____ the reach of _____ through your system?
 _____ possible _____ modify and amplify _____ range _____ our _____ by using _____ technological _____ available _____?
 Can _____ the distance that each sensor covers _____ using _____?
 _____ we use _____ equipment to amplify and _____ the individual _____?
 Does your _____ allow _____ to _____ the _____ of _____ at _____?
 Would it be _____ to _____ the coverage _____ using _____?
 _____ technology increase _____ coverage _____ the sensor _____ our _____?
 When _____ are you able _____ and extend the areas _____ by _____?
 Can you tell _____ it _____ possible to _____ the coverage area _____ each _____ using your _____?
 _____ allow us to _____ the _____ devices at home?
 _____ you please increase _____ sensors _____ my place?
 _____ it _____ modify _____ sensors' field of _____ using _____ technological _____?
 _____ it _____ to increase _____ far each _____ our sensors _____?
 _____ possible to _____ sensor _____ range _____ our house _____ tech services.
 Can your tech _____ distance _____?
 _____ there a way _____ increase the distance the _____ can _____?
 Is _____ a _____ increase _____ distance _____ can see _____ our home using _____?

Is there any way ____ increase ____ sensors ____ home?
 ____ advanced ____ to ____ and expand the area covered ____ individual sensors.
 ____ it possible ____ use ____ technology ____ coverage ____ sensor in our home?
 Can ____ the ____ in ____ house through your tech?
 Is it ____ the coverage of our ____ with ____?
 Is ____ possible ____ us to ____ with your ____?
 ____ we fix it ____ make sure ____ ground?
 Can ____ increase the coverage ____ sensors ____ my ____?
 ____ possible ____ add ____ sensor ____ with your technology?
 Is ____ possible to ____ distance ____ security system's sensors?
 ____ make the sensors ____ further and ____ by ____ your ____?
 Is it possible ____ increase the coverage ____ using ____ technology?
 ____ a way ____ extend the ____ that every sensor ____ home ____ system?
 Will ____ and amplify ____ point where there ____ sensors ____ our home?
 Would it be ____ of ____ in our home using this ____?
 Is ____ adjust and enhance each ____ coverage ____ home?
 Is there any way ____ the ____ home's sensors ____?
 Is it ____ to ____ coverage ____ of each sensor in ____ using ____?
 ____ a way ____ of the sensors in our house through ____?
 Is there a ____ to ____ the distance ____ sensors can ____?
 Could ____ us widen ____ coverage ____ individual sensors?
 How can you ____ each sensor's ____ your ____?
 Is it possible ____ change ____ home security system can ____?
 Can ____ fix ____ to ____ the ____ in our house?
 ____ it ____ the ____ that a ____ covers ____ your ____ security system?
 Is it ____ adjust and extend ____ of ____ home ____?
 Can ____ the ____ by each ____ with your ____?
 ____ use ____ to ____ area ____ each sensor in our home?
 ____ can ____ sensor go ____ by ____ your system.
 ____ can ____ reach ____ each sensor ____ using technology.
 Is ____ to change and ____ the distance ____ your ____ system ____?
 Is it ____ improve ____ each ____ with your technology?
 Is ____ for ____ the coverage of ____ sensors'n stuff?
 How ____ make your ____ area?
 ____ it ____ to ____ the ____ sensor inside of our home?
 Am ____ able ____ increase ____ range ____ sensor ____ your solution?
 ____ it possible to increase ____ range covered ____?
 ____ we make the distance ____ each ____?
 ____ you tell ____ possible ____ enhance the coverage ____ sensor in our ____?
 ____ able ____ expand the reach of ____ sensors?
 ____ able ____ widen ____ coverage of the home ____?
 ____ you make ____ sensors ____ further and ____?
 How can ____ the distance ____ our ____ sensors ____ your ____?
 Can ____ use ____ technology to ____ sensor ____ our home.
 ____ offer a ____ to increase ____ sensor ____ our house?
 ____ possible ____ enhance ____ coverage ____ each ____ using ____ technology in ____ home?
 ____ it be ____ and expand ____ of each ____ with ____ technology?
 Do you ____ if it is possible ____ each sensor?
 Are you able to ____ coverage of ____?
 Would ____ be ____ to broaden the coverage ____ sensor ____?

_____ should make these _____ go further _____ system.
 Is it _____ extend _____ sensor _____ in _____ home _____ technology?
 Would it be _____ expand the _____ every _____ our _____?
 Can your technology _____ increase _____ coverage _____ of our _____?
 Can we _____ range of _____ sensor _____ house?
 _____ your technology _____ us _____ and expand _____ range _____ our _____ at _____?
 Is _____ to _____ and _____ range inside _____ house by _____ the technological advances _____?
 Could _____ system to increase the reach of _____ in _____?
 Could _____ increase the _____ of _____ in _____ house _____ system?
 Will _____ be _____ to fine-tuned and _____ subdivisions _____?
 _____ use your tech services to extend our _____?
 _____ use _____ tech _____ maximize coverage _____ the sensor in _____?
 We _____ expand and modify _____ by individual _____ your _____ tech.
 We could _____ advanced _____ modify and expand _____ covered by _____.
 _____ the sensor coverage _____ our _____?
 Can we use _____ tech _____ change _____ each _____?
 Is _____ to _____ out or intensify _____ per-sensor _____ with _____ you _____?
 Can _____ me _____ is possible to _____ coverage _____ sensor with your _____?
 _____ it be possible _____ the scope _____ the sensors _____ home through _____?
 _____ able to expand _____ for _____ your setup?
 There _____ to increase the _____ by our _____.
 _____ technology _____ in the home?
 How can _____ make your _____ cover _____ area _____?
 _____ adjust _____ extend _____ range of each sensor?
 _____ allow us to strengthen _____ coverage _____ home.
 Is there a way _____ adjust _____ sensors' field _____ technological _____?
 Can _____ use your _____ to _____ range of individual _____?
 _____ this technology allow for _____ capacity _____ household _____?
 Can we _____ how _____ an individual sensor _____ the _____ this equipment?
 Would it be possible _____ the _____ technology that _____ home?
 How _____ make the sensor area _____ your _____?
 Is it _____ for _____ to _____ range covered _____ sensors?
 Does _____ know how to _____ each _____ cover more _____?
 Is there a _____ to _____ the _____ the _____ in _____ home?
 Can _____ enlarge the sensor range?
 I _____ to _____ increase the coverage area _____ sensors.
 _____ be possible _____ increase _____ scope of each _____ through _____ technology?
 _____ you _____ the _____ reach _____?
 _____ it _____ increase the _____ each sensor _____ at _____?
 _____ solution _____ be able _____ range _____ by each sensor.
 Is _____ amplify per-sensor range inside our house _____ these _____ technological _____?
 Is _____ make each _____ cover more _____ your tech?
 _____ it _____ to extend _____ using your technology.
 _____ it _____ the sensor distance?
 Can _____ increase the coverage _____ our home?
 Is it possible to _____ distance _____ the _____ our home _____?
 Can _____ adjust and _____ sensor's coverage _____ within _____?
 _____ your technology help _____ widen _____ area that _____ cover?
 _____ be _____ to _____ the scope of the _____ using _____ technology?
 _____ your tech _____ maximize coverage _____ sensors _____ our home?

With ____ setup, should you expand ____ each ____?

Is ____ to increase ____ coverage of ____ your technology?

Would ____ be ____ to change the ____ the ____ our ____?

____ a ____ adjust the sensors' field of ____ using your ____?

____ think it's possible to ____ by each sensor?

____ each sensor ____ able ____ cover more area ____?

Is ____ possible to ____ to our ____ technology?

Is there ____ option ____ reach ____ the ____ with your ____?

____ technology ____ to expand and ____ sensor coverage at ____?

Can ____ help us extend ____ range ____ our ____?

Can your ____ to ____ and strengthen ____ sensor ____?

Is ____ feasible for ____ the range ____ each sensor?

Does ____ technology ____ the ____ to adjust ____ expand the ____ of our ____?

Can ____ sensor ____ indoors?

Could ____ allow us ____ expand sensor ____ at ____?

How can ____ the ____ coverage using your ____.

How to maximize ____ tech?

Wouldn't ____ be ____ if ____ change and amplify ____ range ____ our ____?

Will your technology be able ____ enhance ____ that ____?

How ____ you ____ sensor ____ with your tech?

Would ____ be ____ to ____ reach of ____ in ____ through your ____?

How ____ expand ____ adjust individual sensors' field of coverage ____?

Can we ____ coverage using ____?

____ make ____ sensors ____ further ____ by implementing your ____.

____ possible to ____ sensors for a ____ coverage through ____?

Can your ____ more coverage ____?

Is it ____ to fix ____ so ____ the ____ more ____?

____ technology increase ____ coverage ____ in the house?

____ it ____ to ____ more space?

What ____ we ____ to increase ____ our sensors?

You can ____ reach ____ indoors.

____ we change ____ distance covered by ____ using this ____?

Is ____ possible ____ increase ____ distances covered ____ our ____ sensors ____ your ____?

Could we ____ your ____ change ____ coverage ____ individual sensors?

Is ____ to ____ and ____ range ____ our ____ with ____ technological ____ available today?

____ it ____ to ____ the distance of every sensor ____ security ____?

Can we make use ____ increase the ____ each sensor ____?

How ____ improve ____ range of ____ sensors ____ our house using ____?

____ you able ____ the range ____ each sensor?

Can we ____ your ____ increase ____ length of our ____?

Is ____ to ____ how ____ each ____ detect at home?

Would we be ____ to ____ reach ____ sensors in ____ through your ____?

Can the tech expand ____ coverage ____?

There are options ____ sensors can see in ____.

____ it ____ to ____ and amplify ____ inside our ____ technological advances available today?

____ technology ____ us ____ expand ____ the sensors at our house?

Can we ____ your ____ the ____ range.

Can we ____ the ____ individual sensors ____ tech?

Do you ____ way ____ sensor's area using your ____?

____ you tell me ____ and broaden ____ coverage of each sensor?

____ it be ____ to modify ____ by ____ sensors with ____ tech?
 ____ it ____ sensors ____ even more space?
 Is it possible ____ coverage by ____ services?
 Can we ____ your ____ the ____ coverage inside our ____?
 Is it ____ to adjust ____ greater ____ technology?
 ____ it be possible to ____ broaden the ____ individual sensors ____ this ____?
 Can ____ let ____ increase ____ coverage range ____ each ____ our ____?
 Could ____ help ____ coverage ____ home?
 How can you ____ distance ____ of ____ home's ____ your technology?
 Is it possible to extend ____ technology?
 Can you ____ range ____ our home?
 ____ your technology ____ options for adjusting and ____ range ____ sensors?
 ____ possible ____ to extend the sensor coverage ____ our home?
 Does your ____ us ____ distance ____ sensor covers?
 ____ we use your technology to ____ of individual ____ house?
 Would it be ____ the ____ area ____ sensor using ____ technology?
 ____ it ____ possible ____ increase ____ of sensor ____ in ____ this tech solution?
 Is there ____ expand the sensor ____ in ____?
 ____ we use your system ____ reach of our ____?
 ____ it possible ____ you ____ extend ____ within our house?
 ____ tech ____ the cover of ____ distance ____?
 ____ it ____ to ____ the ____ covered by ____ sensors?
 ____ system, do you have ____ ability ____ and ____ what ____ are monitored?
 Would ____ to ____ and ____ each ____ coverage in accordance ____ your ____?
 ____ it possible to ____ the ____ covered ____ the ____ our house ____ tech?
 ____ it be ____ to ____ the scope ____ each ____ to ____ technology?
 Can we ____ the ____ the sensors by ____?
 ____ it ____ home security system ____ and ____ distance it covers?
 Is it possible ____ coverage area of each ____?
 ____ possible to ____ or decrease ____ that your ____ can cover?
 ____ we ____ your ____ to ____ the coverage range of ____ in ____?
 ____ your innovative ____ allow fine-tune and ____ subdivisions ____?
 Can your technology ____ and ____ our sensor ____?
 ____ can your technology do ____ area that ____ sensors ____?
 Are ____ able ____ extend ____ sensor ____ range ____ house?
 ____ your ____ we make the ____ go ____ inside?
 Could ____ help ____ to ____ coverage at home?
 ____ possible for ____ sensors to ____ and ____ inside with ____ system?
 ____ your technology be ____ increase the ____ each sensor?
 ____ technology help to improve sensor ____?
 Is it ____ distance ____ sensor covers ____ our home?
 Is ____ to extend ____ coverage indoors ____ tech ____?
 Are ____ the coverage of those ____ sensors?
 ____ am ____ if ____ the sensor range with your technology.
 Is ____ possible to ____ of ____ sensor using your ____?
 Is it ____ sensors' ____ coverage using your ____ prowess?
 Could we ____ your ____ to change ____ in our ____?
 ____ equipment ____ how much ground an ____ sensor can cover?
 ____ you tell me ____ you ____ widen the coverage ____ home ____?
 ____ be ____ to ____ the scope of the ____ our ____ through your ____?

_____ technology help _____ our _____ coverage?
 _____ changing the _____ the sensor _____ using _____.
 How can _____ increase _____ range _____ each _____ our _____.
 _____ your technology _____ us _____ or expand the range _____?
 Can _____ the _____ of _____ sensors around _____ place?
 Can we _____ even further _____?
 _____ a _____ to _____ field _____ coverage using your technological abilities?
 _____ a _____ to _____ and adjust individual sensors' _____ of _____ with _____ technological _____?
 _____ a _____ to _____ each _____ area _____ your tech?
 _____ it _____ we could _____ and _____ per-sensor range in _____ house _____?
 Is _____ possible _____ extend the _____ the home?
 Using _____ increase the _____ of our sensors?
 Do you _____ to _____ our _____ reach _____ our house?
 _____ you _____ sensor coverage in _____?
 _____ there a _____ to _____ each sensor cover _____ tech?
 Do you _____ it _____ be _____ the scope of _____ sensors _____ our _____?
 How _____ you _____ adjust individual _____ coverage _____ your technological abilities?
 Do you have _____ to _____ distance _____ sensors cover?
 Are you able _____ increase _____ coverage _____ place?
 _____ you offer us _____ to adjust _____ enhance _____ distance?
 Wouldn't _____ possible to _____ of every sensor _____ home?
 _____ allow _____ to strengthen and _____ the _____ coverage?
 _____ to expand the coverage of _____ sensor in _____?
 _____ technology permit us _____ expand _____ of our sensors _____ home?
 _____ use _____ innovative _____ to improve _____ of each sensor _____ our _____?
 _____ can _____ technology help _____ each sensor covers _____ our home?
 Is there a _____ sensor _____ our house?
 We could use _____ to _____ coverage _____ of _____ in _____ house.
 Are you able _____ coverage _____ those _____ sensors'n _____?
 _____ possible _____ us _____ increase _____ area with what _____ provide?
 Would it _____ possible _____ the coverage of _____?
 Can we use _____ equipment to _____ extend the _____ individual _____?
 _____ you make it so _____ cover _____?
 Allow us to _____ the _____ of _____.
 _____ your technology _____ increase _____ distance each sensor _____?
 _____ we expand _____ range of _____ your technology?
 _____ you increase the _____ of these sensors _____.
 Does _____ us _____ the _____ of the sensor at _____?
 _____ it _____ to _____ the _____ what you provide technologically?
 _____ possible to _____ and _____ areas that _____ monitored by _____ particular sensors _____ my _____?
 Can your _____ us with _____ area _____ each _____ covers?
 _____ it _____ to _____ coverage of the sensors using _____?
 Can you _____ for _____ coverage?
 _____ the _____ be expanded _____ tech?
 _____ your technology help extend the _____ our _____?
 Could _____ tech be _____ to _____ coverage range of _____ sensor _____?
 _____ it _____ modify _____ per-sensor range inside _____ by adopting these _____?
 _____ increase the distance _____ at our place?
 Is it possible _____ of _____ in our home?
 Can _____ adjust _____ of _____ sensor _____ our home?

Do you _____ way to _____?

_____ possible to modify _____ per-sensor range _____ our _____ adopting _____ technological enhancements?

Can _____ use _____ to _____ and _____ the distance _____ sensor _____ within _____ home?

Can you tell _____ is possible _____ the _____ each sensor with _____?

_____ a way to _____ the reach of _____?

_____ widen and strengthen sensor coverage?

_____ your _____ us to increase _____ sensor _____ home?

Could your technology _____ us _____ the _____ of _____?

_____ it possible to use _____ technology to _____ of our _____?

_____ you have _____ way to _____ the _____ throughout _____ house?

Would it be _____ use _____ tech _____ expand _____ of every _____?

_____ sensors cover within _____ home _____ enhanced _____ your technology.

_____ your technology _____ adjust the coverage range _____ individual _____ the _____?

Can _____ add more distance _____ each _____?

_____ sensor coverage _____ extended using _____ services?

_____ modify the _____ covered by individual _____ within our _____ with advanced _____?

_____ to _____ coverage of _____ sensor _____ your tech?

_____ to increase _____ coverage of _____ sensor?

Is _____ possible for your technology _____ widen _____ home?

Is there an _____ to increase _____ of _____ through _____?

Allow _____ technology _____ change _____ of each sensor _____.

Would it _____ possible to make _____ coverage _____ the _____ your _____?

_____ it _____ possible to enlarge _____ scope _____ in our house with _____?

_____ you _____ more _____ to the _____ around me?

_____ it be possible to extend _____ of _____?

Your _____ might _____ able to _____ sensor _____ within _____ house.

Can _____ technology _____ us _____ increase the range _____ sensors _____ house?

_____ it possible to increase _____ that each sensor _____?

Does _____ us _____ expand our _____ at home?

Could we _____ your tech to _____ the _____ individual _____?

_____ we _____ changes _____ each _____ distance _____ our home?

_____ your advanced technology can _____ range _____ sensors?

Is _____ possible _____ and _____ each sensor's area _____ tech?

Do you have _____ to _____ the reach _____ in our _____?

_____ we use _____ innovative _____ and _____ each sensor's _____ distance?

Could _____ broaden the _____ sensors using _____ tech?

_____ use _____ tech to _____ the _____ every _____ in our home?

_____ it be _____ could modify the and amplify _____ range _____ home?

_____ we use this _____ change each _____ distance _____ our home?

We could use _____ adjust the _____ of _____ our house.

Can we use _____ technology _____ distance that the _____?

_____ adjust _____ sensor's _____ in our home?

_____ be _____ to maximize the coverage _____ each _____ using your _____?

_____ the range of the _____ in our _____?

_____ possible to adjust _____ expand _____ range _____ sensors at _____?

Should _____ your _____ extend sensor _____ in our house?

_____ it _____ the sensor _____ with your technologies?

_____ could use _____ to _____ the _____ covered _____ the individual _____.

Could your _____ us _____ sensor _____?

Are you _____ expand _____ of coverage using your _____ capabilities?

_____ more coverage _____ sensors around my place?

_____ to change the coverage of the _____ our house?

Is there a _____ increase the _____ sensor _____ your _____?

_____ can change the reach _____ sensor by _____.

_____ could use this _____ to _____ the distances _____ individual _____.

_____ use your _____ services _____ extend _____ coverage?

_____ technology _____ increase the coverage of each _____?

_____ your _____ amount of coverage _____ each sensor?

_____ stretched by your technology?

_____ recommend _____ way _____ make your tech _____ more _____?

_____ there a _____ to _____ the sensor reach _____?

Allow _____ ya technology to _____ reach _____ each _____

Would _____ be possible to _____ of the sensors in _____ home _____?

_____ we _____ to _____ and increase the distance the _____?

Can your technology be _____ extend _____ range?

_____ we _____ technology to change _____ distance that _____ sensor _____ house?

_____ it _____ us to _____ per-sensor area via _____ provide?

Is it _____ to _____ and _____ what areas are _____ in _____ home?

_____ be _____ to increase the _____ sensor _____ your technology?

_____ your _____ expand the _____ sensors in our _____?

_____ it be great _____ we could modify _____ amplify per-sensor range _____?

_____ the _____ of _____ sensor with your technology?

_____ extended sensor reach _____?

Is _____ extend _____ range _____ sensor within our house?

_____ it _____ increase _____ each sensor using your technology?

_____ your technology _____ increasing _____ decreasing _____ range of _____ sensors at _____?

Does this technology _____ for extending sensor _____ household _____?

Is _____ possible for _____ to widen _____ home electronics?

_____ using your _____ system do you _____ the _____ monitored _____ the particular sensors?

Can _____ use your technology _____ range?

Can _____ technology _____ us to _____ range _____ each sensor?

We _____ able to _____ sensors go _____ inside _____ implementing your _____.

Are _____ to _____ the range _____ through your solution?

_____ use your _____ modify _____ coverage _____ individual sensors in _____ house?

We could _____ this tech _____ increase _____ covered by _____.

_____ use your _____ to _____ our house's _____?

_____ you _____ extend _____ range in _____ home?

Could _____ the reach of sensors in _____?

Would _____ possible _____ of the _____ in _____ home with the help _____ your tech?

Can this equipment help _____ ground _____ individual _____ can cover?

_____ would like to _____ are _____ modify and lengthen _____ are monitored by _____ sensors.

Could we use this _____ to _____ covered _____ our _____?

_____ we extend the range of _____ our _____ your _____?

Can you give _____ option to _____ the reach _____?

_____ it _____ per-sensor range inside _____ household _____ technological advances available now?

Will your technology _____ us _____ increase the _____ can _____?

_____ there a way _____ the _____ that _____ can observe _____ our _____?

_____ possible _____ improve the coverage _____ each _____ your technology?

_____ to expand the scope of _____ your technology?

How _____ your _____ in widening _____ area _____ each _____ covers?

Wouldn't _____ if we could _____ the _____ amplify _____ range inside our _____?

_____ I use your _____ crank up _____ sensor _____?

Can we _____ by our _____?

Is it _____ sensor's area _____ your tech?

Can _____ the coverage area of our _____?

_____ be _____ enlarge the _____ of sensors with your _____?

_____ it be _____ the scope of _____ coverage _____ to _____ technology?

_____ you _____ it's _____ to _____ the sensor range in _____?

Can _____ in _____ system be adjusted _____ extended?

Does your technology _____ a _____ range of our _____ at _____?

Can we increase the _____ each sensor _____ using _____?

_____ we _____ the range _____ sensor coverage in _____?

Wouldn't it _____ to _____ and broaden _____ coverage _____ the sensor _____?

_____ allow _____ to improve _____ coverage at home?

_____ your _____ allow us to _____ sensor coverage?

_____ how _____ individual _____ can cover with the help of this _____?

Is _____ possible _____ enlarge the scope of _____ with _____?

Is it possible to _____ of _____ in our _____ with your _____?

_____ can _____ expand _____ individual _____ of coverage _____ your technological capabilities?

_____ we _____ advanced _____ to modify and expand _____ by _____ sensors?

Are _____ able to _____ the coverage _____ the _____?

Is it possible to _____ and _____ inside our home _____ adopting _____?

Is _____ increase the _____ from each _____ our house?

With _____ could _____ expand coverage _____ device inside?

_____ distance sensor _____ expanded with _____?

_____ help us _____ the sensor range _____ home.

_____ have _____ for _____ expanding the range of the _____?

_____ your technology _____ to _____ and _____ range of the _____ at _____?

Can _____ distance _____ every sensor _____ using your home _____ system?

_____ possible _____ modify and extend _____ monitored _____ sensors within my residence?

Can it be _____ make _____ sensors _____ ground _____ our _____?

Is _____ increase how far our _____ using your _____?

_____ there _____ us to intensify per-sensor area with _____ technologically?

_____ it _____ sensor coverage _____ the _____ your tech services?

Can _____ suggest a _____ enhance the coverage _____ each sensor _____?

_____ we increase _____ coverage _____ each _____ using _____ tech?

Is it possible _____ increase _____ distance that _____?

Would it _____ possible _____ of the sensor with _____?

_____ your _____ allow us _____ change and _____ sensor at home?

Is there _____ way _____ the reach _____ sensors _____ technology?

_____ possible _____ use _____ technology _____ coverage of each sensor in our _____?

Are _____ the coverage of _____ home devices?

_____ individual sensor cover _____ with this equipment?

How _____ expand the sensor _____?

_____ technology _____ the _____ range?

_____ possible to enlarge the _____ sensors _____ home?

Wouldn't _____ possible to broaden _____ each sensor's _____ with _____ technology?

Can _____ coverage _____ the sensors in _____ place?

_____ range covered by the _____ with your _____?

_____ it _____ extend the _____ range with _____ equipment?

____ we make ____ so that ____ more ____ in the ____?
 ____ there a way to ____ sensor ____ the ____?
 Can ____ increase the ____ the sensors ____ our ____?
 ____ it be ____ the scope ____ in the home?
 Can ____ technology increase ____ range of ____ sensors in ____?
 Is it possible ____ covered by ____ home's ____ by using ____?
 Does ____ technology ____ us ____ and expand ____ range ____ our ____ home?
 ____ there ____ to ____ the ____ each ____ our home's sensors?
 How can ____ the ____ of ____ sensor within ____?
 ____ reach be extended ____?
 Is ____ possible ____ extend ____ our ____ using tech services?
 Can we ____ this equipment to ____ extend ____ coverage ____ sensor?
 ____ to ____ the ____ of your ____ through your technology?
 Does your technology ____ ability ____ expand the range ____ at ____?
 ____ to expand ____ reach ____ sensors in ____ house through your ____.
 Is there ____ way you ____ the sensor ____ house?
 Could we ____ tech ____ and ____ distances covered by individual ____?
 ____ we ____ able to ____ each ____ coverage distance ____ our home?
 ____ we use your ____ to ____ the ____ each ____ covers?
 ____ a way to ____ sensor's field of ____ using ____?
 Wouldn't ____ be great ____ modify ____ amplify ____ in ____ home easily?
 Does your ____ you to ____ extend what areas are ____ particular ____?
 Would it ____ to ____ the coverage ____ sensor in the ____ this ____?
 ____ to ____ out or ____ per-sensor area via ____ you ____?
 Is ____ improve the ____ each sensor using ____ technology?
 Would ____ be possible ____ and ____ the ____ sensor ____ your technology?
 ____ you ____ area for each ____?
 ____ you ____ a way to ____ sensors ____ our ____?
 How can we increase ____ each sensor ____?
 ____ have a ____ of increasing the sensor ____ house?
 ____ can we ____ to increase ____ range ____ the house?
 ____ we ____ your ____ to ____ the distances ____ by each ____?
 Do ____ have a way to increase ____ reach ____?
 ____ your ____ options ____ adjusting the range ____ the ____?
 ____ your tech allow ____ to ____ distance ____ sensor ____ home?
 Would it be ____ to expand ____ of ____ accordance with ____?
 Is there a ____ to ____ and ____ of coverage?
 ____ possible ____ covered by ____ sensor to ____ increased through your ____?
 ____ use the ____ to extend ____ much ground ____ sensor ____ inside?
 ____ us ____ strengthen sensor coverage?
 Will ____ technology be ____ to improve ____ sensors ____?
 Is ____ increase the ____ by the ____?
 Can your technology ____ coverage?
 ____ it ____ make the ____ more ground ____ the house?
 Is ____ to ____ the range of your sensor ____?
 Are your tech ____ able ____ coverage ____ inside ____ house?
 Is ____ for us ____ or intensify ____ area through ____ provide?
 Do ____ have ____ ability ____ and ____ how far ____ sensor can ____?
 With your ____ you ____ expand coverage ____ inside.
 ____ new tech allow ____ fine-tuning and ____ per-sensor ____?

Can you expand _____ individual _____ your technological abilities?

What _____ your system _____ the sensors go further _____?

_____ there a way _____ extend the _____ house?

Could _____ to change the _____ covered _____ individual sensors _____?

_____ it possible for _____ guys to _____ of those _____ stuff?

Is it possible to _____ amplify _____ our household _____ these technological _____?

_____ it _____ the _____ of each sensor's _____ with _____ technology?

Do _____ to make the sensor _____ in _____ house?

Can _____ add more coverage _____ these _____ around _____?

_____ you able to _____ the range _____ by _____ your _____?

Can you _____ us extend _____ sensor _____ our _____?

_____ want to know if _____ increase the _____ of _____ sensor.

_____ there ways to increase the _____ the _____?

Could _____ technology _____ to _____ coverage?

Will your technology _____ to _____ range _____ the _____?

_____ we _____ the _____ covered by _____?

_____ we expand _____ each sensor?

Is there any _____ to _____ field of coverage using _____?

_____ we adjust and enhance _____ sensor's _____ home?

Would _____ to change _____ of _____ in line _____ your technology?

We _____ use _____ strengthen sensor coverage _____ home.

_____ can _____ improve the _____ every _____?

_____ it possible to change _____ broaden the _____ of _____ your _____?

_____ possible _____ and _____ the coverage of _____ with your technology?

Can your technology _____ distance _____ our home's sensors?

_____ your _____ allow for increasing the range _____?

Can _____ distance that each _____?

_____ can _____ increase _____ covered by each _____ the home's _____?

_____ to _____ you can modify and extend what areas _____ monitored _____ within my _____.

Will _____ be possible to increase _____ covered _____ sensor with _____?

_____ be _____ to _____ each sensor's coverage according to _____ technology?

Do _____ offer a _____ to increase _____ in _____?

Would it _____ possible to widen _____ coverage with _____ technology?

Can _____ increase or _____ the _____ that each _____ covers _____ using your _____?

_____ your technology allow _____ in _____ coverage?

Would _____ possible _____ change the coverage _____ each sensor, _____?

_____ your technology help _____ to _____ sensor _____ at _____?

Think _____ those detectors _____ be _____ their reach?

_____ there a way _____ sensor's _____ using tech?

Will _____ able _____ the sensor's _____ distance within our _____?

Does _____ technology allow _____ increase how _____ sensor extends?

_____ it _____ to _____ and lengthen the _____ by _____ sensors _____ my _____ with your _____ system?

_____ it be possible to _____ scope of _____?

_____ system could expand the _____ in _____ house.

Can _____ tell _____ you can extend _____ range with _____?

_____ we be able _____ make the _____ space?

Is _____ possible _____ the and _____ per-sensor _____ in _____ home?

_____ use your _____ adjust _____ distance from each sensor to _____?

_____ we _____ your _____ increase _____ each _____ our sensor extends?

_____ the sensor indoors?

Is it _____ your _____ could _____ sensor _____ at _____?

_____ we _____ this _____ approach _____ adjust _____ our home's sensor _____?

Can _____ suggest ways to _____ distance _____ of _____ home's sensors?

_____ extend _____ coverage in our _____ using your tech _____?

_____ technology allow for adjusting or _____ range of _____?

_____ can you _____ tech _____ sensor area coverage?

By _____ system, _____ go further inside?

Does your technology _____ us to _____ the _____ home?

_____ it _____ to _____ distance that your home _____ system _____?

Is _____ modify and amplify _____ range inside _____ technological advancement?

Do you have _____ to _____ the _____ reach around _____?

Could your _____ allow us to strengthen _____ sensor _____?

Can we _____ technology _____ increase how far _____ extends?

_____ maximize _____ area's coverage _____ your tech?

_____ we use _____ technology to _____ the _____ of _____ sensor _____ our _____?

_____ possible to _____ range of the _____ within _____ house?

_____ use _____ equipment to amplify and _____ much ground _____ can cover?

Do you _____ if _____ possible to extend _____ your technology?

Can _____ technology _____ change and _____ the _____ each _____ covers?

_____ it _____ increase the distance _____ by _____?

Would it be _____ scope of the sensors _____ your tech?

_____ your _____ it possible _____ strengthen _____ at home?

Would it _____ possible _____ expand _____ of sensor _____ in _____?

Can _____ sensor coverage _____ be _____ by _____?

_____ it _____ to _____ distance _____ sensor in _____ home security _____ covers?

_____ technology _____ us to increase _____ of the _____?

_____ your technology, can _____ increase how _____ of our _____?

_____ your technology _____ the _____ to _____ the range of _____ at _____?

Could _____ tech be _____ adjust _____ of _____ sensors _____ our house?

_____ you _____ increase _____ coverage range of the _____ home?

Is _____ technology to adjust _____ sensors _____ greater coverage?

There _____ ways to increase _____ that _____ can _____ the house.

Would it _____ possible _____ extent of _____ sensor _____ home using _____ tech _____?

_____ sensor _____ range _____ our house _____ extended using _____ tech _____.

Could we _____ the distance _____ individual _____ using _____ tech?

_____ it possible _____ the distance _____ your home security _____?

Can _____ technology _____ coverage range _____ our home?

Is _____ way to _____ the sensor _____ home?

_____ possible _____ modify _____ amplify _____ range inside our home by _____ technological _____?

_____ technology _____ us _____ the range _____ our sensors?

_____ it possible to intensify _____ what _____ provide?

Can we _____ individual _____ can _____ by using this equipment?

_____ able _____ increase the distance that _____ cover within _____?

Is there _____ individual sensors' fields _____ coverage _____ your technological _____?

_____ possible _____ modify _____ distance that your _____ security system _____?

Is it _____ that _____ sensors cover more _____?

_____ be _____ to extend the sensor _____ technology?

_____ be possible to _____ and broaden the coverage _____?

_____ increase the distance _____ the _____ can monitor _____ our house?

_____ it possible to increase _____ from _____?

Is it ____ for ____ intensify per-sensor area ____ ____ give?

Can ____ the range ____ the ____?

Can ____ technology to adjust and increase ____ that ____?

Is there ____ way to ____ the ____ covered by ____ tech?

____ there a way to ____ the ____ sensors ____ inside the ____?

Is there a way ____ that your home ____ system can ____?

Is ____ way ____ and adjust ____ of coverage ____ your technological abilities?

Will your ____ us ____ increase the ____ sensors ____?

____ it be possible to ____ every ____ inside ____ home?

____ you ____ to ____ the coverage range of the ____?

____ and ____ how much ground ____ individual sensor can cover?

____ you ____ problem ____ the sensors ____ more ____ in our ____?

Need to ____ coverage ____ every ____ with your ____?

____ change the coverage ____ each sensor ____ our ____?

Are ____ to ____ the ____ of ____ sensor'n stuff?

____ use your ____ adjust the coverage ____ sensors ____ our house?

____ we ____ sensor distance?

Is ____ the ____ by ____ sensor through your solution.

____ there a way to increase ____ of the ____?

Can ____ technology ____ extend the ____ of the ____?

Could ____ to adjust the coverage range ____ the individual sensors ____?

Is there a ____ the ____ the sensors can ____ home?

____ it be possible ____ expand the ____ in our ____?

____ use your ____ to ____ the ____ that we cover ____ house?

Is it possible ____ each of our ____ extends ____ technology?

____ amplify and extend ____ individual sensor can ____ inside?

Could ____ technology allow us ____ strengthen ____ home?

Can ____ it ____ house has more sensor ____?

Is it ____ increase the ____ of ____?

Are ____ to ____ the ____ coverage ____ in ____ home?

____ ya technology to ____ the ____ of each ____.

____ possible ____ extend ____ distance ____ your ____ security system ____ cover?

Can ____ expand the reach of ____ in ____ by ____ system?

Can ____ way to ____ the ____ cover more area ____ tech?

____ it ____ to amplify ____ point where ____ in ____ home ____ your product?

Will your innovative technology allow ____ fine- ____ and ____?

When ____ tech system, are ____ to ____ the areas ____ particular ____?

____ great ____ could modify and amplify per-sensor ____ inside ____ our ____?

____ it ____ and enhance the ____ distance of ____ sensor ____ home?

____ possible to broaden ____ of a ____ your technology?

How can you ____ area ____ using ____ technology?

____ use the system to ____ of the ____?

Can we ____ technology to ____ the ____ sensor ____ our ____?

I want ____ widen the coverage of those home ____.

Would ____ be possible ____ enlarge ____ of ____ sensors ____ house?

____ your tech ____ the coverage areas ____ our sensors?

____ increase the reach ____ your sensors through your ____?

____ be possible ____ broaden the coverage ____ each sensor?

Is ____ to increase ____ reach ____ in your ____?

____ your technology offer ____ to increase ____ of ____?

Can ____ tell me ____ the ____ covered by our ____ sensors?
____ more coverage to ____ place?
____ expand the sensors inside ____ your ____?
Is ____ possible ____ add coverage to the ____ home ____ your ____?
Would it be ____ the coverage of ____ sensor?
____ your ____ it ____ to ____ the ____ the sensors at home?
____ technology ____ sensor coverage ____ in our home?
____ technology give you ____ option ____ the ____ of ____ sensors?
Is it ____ to increase ____ far ____ extends ____ your ____?
____ change ____ coverage distance ____ our home?
____ could use your tech ____ adjust the range ____ sensors ____ .
____ to extend the sensor ____ using ____ tech services?
____ it ____ to extend sensor ____ our house ____ your ____?
Are you ____ expand the coverage ____ sensors?
Would ____ possible ____ enlarge the scope ____ sensors ____ your ____?
Do ____ believe it ____ to ____ distance ____ each sensor?
Is it possible ____ improve ____ the sensor ____ home ____ technology?
____ you ____ to increase ____ reach in our house.
Is it ____ enlarge ____ scope of the ____ home?
____ it possible to make ____ inside by ____ system?
Are ____ ways ____ increase ____ distance the ____ cover?
Can ____ your technology to ____ the ____ of ____ ?
