

[Demo] NLP Dataset for Customer Service Automation

Company Type	Natural Gas Companies
Inquiry Category	Information about renewable natural gas
Inquiry Sub-Category	Renewable Natural Gas Certification and Standards
Description	Customers may seek information on the certification processes and standards used to ensure the quality and sustainability of renewable natural gas, including industry certifications and compliance with regulatory requirements.
Data Size	7,424 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Natural Gas Company" customer inquiry. (Purchased data will not be masked.)

Are ____ specific standards that ____ be met for ____ ____ renewable ____ ____ ____?

Do ____ standards ____ ____ ____ gas?

____ ____ are required ____ certifying renewable natural ____ ____?

What ____ does ____ ____ to ____ ____ natural gas?

____ criteria should ____ natural ____ products ____ ____ fulfill?

____ renewable natural gas ____ ____ standards to ____ ____?

____ there ____ specific ____ for renewable ____ ____ products?

____ R- ____ ____ to meet certain ____?

____ renewable natural ____ ____ meet ____ qualifications for ____?

What ____ are ____ ____ the certification of ____ ____ products?

____ there a ____ of ____ ____ renewable ____ gas certifications?

What standards do ____ ____ gas products ____ ____ follow ____ ____ to ____ certified?

____ we have ____ ____ standards to ____ ____ ____ natural gas product?

____ there have ____ ____ regulations ____ the ____ of renewable ____ ____ products?

____ you ____ ____ the requirements ____ accrediting RNG ____?

____ requirements ____ there ____ certifying renewable ____ ____ items?

____ ____ in regards ____ ____ gas certification?

____ are ____ ____ ____ gas product certification?

____ is ____ ____ eco-friendly gas.

____ ____ standards for ____ ____ gas products?

____ ____ know the ____ of your ____ ____ certify Earth-friendly gas ____?

____ ____ tell ____ about the specific requirements ____ must be ____ ____ order to get certification ____ ____ ____ gas ____?

To ____ ____ renewable ____ gas products ____ meet ____ criteria.

What ____ are ____ in ____ renewable ____?

Renewable natural ____ ____ rules ____?

____ is ____ ____ the criteria for renewable ____ ____ certification.

____ are ____ ____ certifying eco-friendly ____?

There ____ ____ to ____ ____ gas.

_____ that must be _____ in _____ to certify renewable natural _____ goods

_____ there criteria for _____?

_____ requirements _____ certified renewable natural _____?

What are the _____ needed _____ your _____ gas _____?

Should _____ natural _____ items _____ to meet _____?

_____ apply _____ certifying _____ natural gases?

_____ order _____ certify eco-friendly gas?

_____ standards _____ for _____ gas products?

_____ it _____ follow _____ guidelines when certifying _____ gases?

_____ specify if certain _____ apply _____ certifying _____ gases.

Should _____ meet _____ criteria _____ be certified?

_____ products have to meet specific _____?

_____ are _____ criteria _____ certifying _____ natural _____ goods

Is _____ true that renewable natural _____ standards?

_____ you tell me _____ are for _____ for _____ natural gas _____.

Is there _____ requirement _____ renewable _____ gas goods?

_____ do _____ requirements _____ certification _____ renewable natural gas _____?

_____ guidelines to _____ gases?

_____ there any special _____ certifying _____ products?

Are _____ green natural gas?

_____ are requirements _____ certifying _____ gas _____?

_____ to _____ what _____ are _____ for certifying renewable gas _____.

_____ are _____ regulations for _____ renewable _____ products?

_____ are the parameters for certifying _____?

_____ are specific requirements that _____ met _____ to _____ renewable _____ gas.

Do renewable _____ need to _____ standards _____ be certified?

Do _____ need to meet _____ standards _____ order _____ gas _____ to _____ certified?

_____ want _____ know _____ exact _____ that _____ certify your renewable _____ stuff?

_____ criteria _____ for renewable natural gas _____?

_____ benchmarks for renewable natural gas certifications?

_____ the certification _____ renewable natural gas products?

Is there a defined _____ gas _____?

Do _____ for _____ renewable _____ exist?

_____ you tell me _____ set _____ certifying _____ gas?

_____ exact _____ required _____ your renewable gas _____?

Is _____ set _____ for _____ gas?

_____ is _____ for _____ gas?

_____ items have _____ meet _____ qualifications for certification?

Do _____ gas products _____ to _____ any _____ standards?

_____ there _____ specific set of _____ products?

How _____ the regulations needed to _____ stuff?

_____ standards _____ renewable _____ products?

_____ the _____ certifying _____ natural gas?

There _____ for certifying renewable _____ gas.

_____ to _____ certain criteria when certifying clean _____ gases?

What _____ should be met in order _____ gas _____?

_____ there _____ needed _____ certification _____ renewable natural _____ products?

Can _____ what _____ requirements _____ for certifying renewable natural _____?

_____ required for certifying eco-friendly _____?

_____ you _____ us _____ the different _____ needed _____ certifying _____ gas items?

_____ is _____ green _____ gas status?
_____ for certification of renewable natural gas _____.
_____ gas _____ certain standards _____ be certified.
Criteria to _____ certified?
Is _____ to _____ criteria when _____ clean _____ gases?
There _____ requirements _____ certifying _____ gas
What are _____ renewable natural gas products?
_____ criteria for _____ gas?
Are there requirements _____ natural _____?
The renewable _____ to meet certain standards _____.
There _____ standards _____ the certification _____ natural gas products.
_____ need to have certain qualifications to be _____?
What are _____ on _____ gas thingies before they're _____?
Is there _____ standards _____ of _____ gas products?
_____ are the guidelines _____ renewable _____ goods?
_____ there a list of _____ RNG products?
_____ there any _____ rules to _____ RNG _____?
Is _____ to _____ information _____ the _____ for _____ renewable natural gas _____?
_____ the _____ for _____ gas _____ set?
_____ to be _____ requirements for certifying _____ gas?
_____ are criteria for _____ gas.
_____ are _____ criteria for _____ certification.
_____ to know what _____ for _____ renewable gas products.
_____ there be _____ renewable natural gas _____?
The criteria for _____ natural gas _____.
There are _____ standards that _____ met _____ certifying _____ natural _____ items.
_____ understand the requirements for _____ certification of _____ energy _____.
Will _____ gas _____ meet _____ standards?
Is _____ certain _____ when certifying clean _____ gases?
Do _____ items _____ to _____ certified?
What requirements are _____ certifying _____ natural _____?
_____ for renewable natural _____?
Tell _____ standards needed _____ certifying _____ gas items.
_____ certification of renewable natural _____.
Do renewable _____ gas _____ to _____ criteria?
_____ need to meet certain _____ to _____ certified?
_____ are requirements to meet to _____ goods.
_____ me _____ prerequisites are _____ a certification of renewable _____.
If standards apply _____ certifying _____ please _____
_____ green natural gas _____ have _____ in _____ to get _____?
_____ are _____ for certifying _____ natural gas _____?
Is it _____ to _____ with certain _____ clean _____ gases?
_____ renewable _____ specific _____ to be certified?
_____ for certifying renewable gas?
Are _____ set _____ for the _____ of _____ natural _____?
_____ renewable _____ gas items _____ certain qualifications.
What _____ mustrenewable natural _____?
_____ are the standards for _____ gas _____?
_____ certain guidelines to certify clean _____ gases?
_____ there _____ criteria _____ renewable _____ gas _____?

_____ there _____ way for _____ renewable natural _____ products?
_____ are _____ special _____ pertaining to _____ RNG fuels.
_____ your standards _____ natural gas thingies _____ they get _____?
What are the _____ natural _____ thingies _____ are certified?
Could you tell me about _____ requirements _____ renewable _____ ?
Are _____ rules for _____ renewable _____ products?
Do _____ the _____ about your _____ to _____ gas products?
_____ are the _____ required for _____ natural _____ products?
Is there _____ requirement _____ be met _____ certify _____ gas goods?
_____ there a set of _____ approvals?
There _____ some _____ for _____ certifications.
Is there a _____ of criteria used to _____ ?
Is _____ any _____ get _____ RNG fuels.
_____ me _____ the _____ for certification _____ energy _____ .
Is it necessary _____ renewable natural _____ meet certain _____ ?
_____ set of _____ certification of renewable natural _____ ?
Is it _____ to certify renewable _____ standards?
_____ to _____ renewable _____ gas products?
_____ standards for green natural _____ ?
What _____ to certify _____ gas items?
There are certain _____ for certification _____ renewable _____ .
Do _____ any _____ for _____ natural _____ ?
_____ any _____ rules _____ to getting certified RNG _____ .
Can _____ be _____ for _____ certification?
_____ criteria _____ natural _____ products _____ ?
_____ there _____ criteria _____ renewable gas _____ ?
Rules _____ certification _____ gas _____ not known.
There need _____ be specific standards _____ certification _____ gas _____ .
What _____ the requirement _____ certify _____ natural _____ ?
_____ me the _____ necessary _____ certify your renewable gas _____ ?
There _____ list _____ requirements for _____ of RNG _____ .
_____ are _____ certified _____ natural gas _____ .
_____ natural _____ meet certain criteria.
_____ there _____ standard for _____ renewable _____ products?
What _____ on certifying _____ friendly _____ ?
Is there _____ certain requirement _____ must be _____ to _____ natural gas _____ ?
Help _____ of a _____ of _____ energy gases
Is there _____ renewable _____ gas?
There are _____ standards that _____ be _____ for _____ of _____ .
_____ renewable _____ products _____ certifications?
_____ standards be applied _____ certifying _____ gases?
_____ there _____ for certification of _____ ?
_____ set of criteria for _____ gas certifications?
The process _____ gas products has some _____ .
_____ used _____ renewable natural gas?
Are _____ renewable natural gas?
_____ you tell _____ standards for certifying _____ gas items?
_____ have set requirements _____ natural gas?
_____ renewable natural gas products _____ ?
Is it necessary to follow _____ energy _____ ?

_____ standards _____ when certifying _____ gases

Is _____ getting certified RNG fuels.

_____ standards apply _____ certifying _____ natural _____?

_____ certain _____ certifying renewable natural _____?

Do _____ have _____ on the standards _____ certifying _____ gas?

_____ required to certify _____ gas _____?

_____ items need _____ pass certain tests?

Do _____ exact regulations that need _____ certify _____ renewable _____?

_____ natural gas have to meet certain _____?

_____ guidelines for _____ certified RNG _____?

There _____ standards that must be _____ certify _____ natural _____.

_____ for _____ certified RNG _____?

_____ renewable natural _____ products have _____ meet _____ to be _____?

_____ green natural gas _____ have _____ follow to _____?

Is _____ any requirement _____?

_____ natural _____ products _____ the _____ certification standards?

Is renewable natural _____ according _____?

Are there standards for _____ certification _____ natural _____?

_____ need _____ meet _____ in order to certify _____ natural _____ product?

Can you tell _____ requirements _____ renewable _____ gas?

_____ standards need _____ in place for _____ renewable natural _____?

_____ requirements _____ required for _____ gas?

_____ certain requirements _____ must be met in order _____ renewable _____.

_____ renewable natural gas goods _____ unclear.

What _____ get a _____ gas certificate?

There _____ certifying renewable _____ gas.

Is there _____ benchmarks _____ gas certifications?

_____ necessary _____ particular _____ to certify renewable natural gas goods?

_____ to meet certain qualifications to be _____?

_____ list _____ requirements for _____ products?

Does _____ gas _____ for certification?

Can _____ tell me _____ are _____ renewable natural _____ goods?

_____ a _____ for _____ natural gas _____ be certified?

_____ may be some _____ of renewable natural gas _____.

_____ there be rules for _____ natural _____?

_____ exist any rules for _____ renewable natural _____?

_____ it _____ to _____ certain _____ when _____ cleanenergy gases?

Is _____ certifying renewable natural gas _____?

_____ necessary to follow _____ criteria when _____ gases

_____ are _____ for _____ renewable Natural _____.

_____ the exact _____ needed to certify _____ renewable gas _____?

_____ there any _____ norm _____ getting _____ RNG _____?

Specific _____ to _____ certified must _____ by renewable _____.

There are _____ requirements _____ be _____ in _____ to _____ renewable _____ gas _____.

_____ are certification _____ for _____ products

What requirements _____ needed _____ renewable _____?

Rules _____ products?

_____ should we _____ certify renewable _____ gas products?

_____ there _____ specific _____ certification for renewable natural _____?

There are _____ for renewable _____?

_____ rules _____ certified _____ fuels?
_____ should _____ standards for green _____ .
Do the renewable _____ have to meet _____ for _____?
Can _____ natural _____ standards _____ be certified?
_____ there _____ regulations for _____ renewable natural _____?
_____ required to follow _____ clean energy gases?
Should _____ natural _____ products meet _____?
What are there _____ for _____?
_____ criteria _____ need to be _____ when certifying _____ gases.
_____ are criteria for _____ renewable natural _____ .
_____ requirements for certifying _____ gas?
If _____ standards apply _____ eco-friendly natural _____ .
_____ renewable natural _____ apply to certain _____?
_____ it _____ for _____ clean _____ gases _____ comply with certain _____?
_____ be _____ for _____ green natural _____ certification?
_____ there any _____ certification of _____ natural _____ products?
Are any specific _____ required _____ certification of _____?
What _____ should _____ use _____ certify _____ natural gas _____?
_____ wonder _____ there _____ requirements for RNG products.
Required to _____ must meet certain standards.
Can _____ me _____ are _____ certifying renewable gas products?
_____ there _____ requirements _____ renewable natural _____?
There _____ getting certified RNG fuels.
Does renewable _____ products need _____ certain _____ certification?
Could _____ me about _____ different _____ needed for certifying _____?
_____ regarding renewable _____?
Can _____ requirements for _____ natural _____ product certification?
_____ specific _____ needed to _____ renewable _____?
Can _____ gas _____ standards?
_____ renewable natural _____ standards?
_____ natural gas meet _____ for _____?
_____ me _____ requirements for certification of _____ energy _____
Please _____ understand _____ needed _____ certification of renewable energy _____ .
_____ there a _____ set _____ for renewable natural _____?
_____ are certain requirements for _____ .
_____ are _____ for certification _____ natural gas items.
_____ mandated benchmark _____ natural-gas products?
_____ for accreditation _____ RNG products
Are there specific _____ gas?
_____ there any _____ renewable gas?
Do _____ any information _____ the _____ certifying _____ natural gas items?
_____ you have any requirements _____ certification of _____?
R-Natural Gas _____ be certified _____ standards.
Should the _____ natural _____ meet _____?
_____ understand _____ requirements for _____ of renewable energy _____
_____ special rules for _____ products?
_____ requirements are needed _____ of _____ natural _____?
_____ are _____ requirements for certification _____?
_____ are specific requirements for _____ items
_____ the _____ renewable _____ gas certification?

_____ is _____ certifying _____ gas?

There are _____ certification of _____ goods.

_____ a requirement _____ renewable _____ products _____ meet certain standards?

There _____ question regarding _____ for certifying renewable _____ products.

Have _____ for _____ green _____ products?

Should there _____ for renewable natural _____ certification?

_____ are some _____ certification _____ renewable natural gas _____.

_____ seeking _____ renewable natural _____ products, can _____ explain the _____?

Should _____ criteria be _____ when _____ gases?

_____ know _____ precise _____ needed to certify _____ renewable gas _____?

_____ criteria _____ renewable natural gas _____?

_____ certified, _____ natural _____ products _____ fulfill some criteria.

_____ renewable _____ gas _____ have _____?

_____ tell _____ the different _____ are needed for certifying renewable natural _____?

_____ may _____ requirements _____ certifying _____ gas.

_____ necessary to _____ certifying clean energy gas?

Specific _____ natural gas items.

What _____ for _____ renewable _____ gas products?

_____ understand _____ to _____ renewable energy gases.

_____ is _____ requirement for _____ renewable _____?

There _____ requirements _____ certifying _____ products.

Could _____ tell _____ about the standards _____ for _____ natural _____?

When seeking _____ for _____ products, can you _____ me _____ apply?

_____ specific _____ that _____ in order to certify renewable natural gas _____?

I _____ to know what _____ are _____ natural gas _____.

_____ the standards for _____ of renewable _____ products _____?

Specific _____ required _____ renewable _____ gas items.

Specific _____ for renewable natural _____ to _____ certified.

What _____ must _____ to certify renewable _____ gas _____?

_____ are _____ specific _____ certify renewable _____ gas items?

Do there _____ renewable _____?

Exactly _____ regulations are needed _____ certify your _____?

Do you _____ the _____ needed for _____ renewable _____?

_____ natural _____ meet certain standards.

What _____ the criteria _____ natural _____?

Do _____ have _____ certain _____ in order to _____ gas product _____?

Can you tell us _____ the _____ needed _____ certifying _____?

Do renewable _____ gas _____ to _____ specific _____?

_____ any _____ for certification _____ renewable _____ gas products?

_____ there be _____ set of _____ for renewable _____?

There are _____ for _____ renewable _____?

_____ there _____ criteria for renewable natural _____?

_____ are _____ criteria for certifying _____.

_____ natural _____ products have to _____ standards _____ certification?

What are _____ to _____ certified for _____ gas?

_____ the specific _____ renewable natural gas?

_____ interested in learning _____ regulations _____ certify yourrenewable _____ stuff?

Are there _____ for certification _____?

_____ standards exist _____ natural gas _____?

_____ requirements _____ certifying _____ natural gas _____?

Help me ____ the ____ for getting a ____ of ____.

____ for renewable natural ____ may have specific ____.

____ any specific ____ need to ____ met ____ certification ____ renewable ____ products?

____ possible ____ the specific ____ for ____ renewable natural gas products?

To ____ renewable ____ gas must ____ certain ____.

What criteria must ____ natural ____ products meet ____ order ____?

Could ____ us about the ____ standards ____ for ____ renewable ____ items?

____ there ____ rules ____ natural gas ____?

____ certain ____ required to ____ gases?

There are ____ certifying ____ natural ____.

____ exist for ____ gas certification.

____ criteria are used ____ certifying renewable ____?

There ____ any ____ for certifying ____?

Can there ____ certifying renewable ____?

____ apply to certifying renewable ____ gas?

____ be applied when certifying ____ energy ____?

____ me ____ exact regulations needed ____ certify ____ gas?

____ a particular criteria for ____ renewable ____ products.

There ____ certify ____ natural ____ items.

____ needed ____ comes ____ certifying eco-friendly ____?

____ it necessary ____ by certain ____ certifying ____ energy gases.

Is there ____ to certify renewable ____?

What's ____ in the certification ____?

____ may be ____ set of requirements for ____.

Do ____ have standards for ____ green natural ____ thingies ____?

What ____ imposed on the green ____ gas ____ they're certified?

Which ____ the ____ for certifying ____?

Is there a set ____ certifying renewable ____?

____ any specific ____ to meet in ____ natural gas goods?

The specific requirements ____ certify ____ natural gas ____.

Please state if ____ apply ____ certifying ____ gases

____ criteria ____ gas products satisfy?

The ____ gas ____ meet ____.

____ any particular requirement need ____ met ____ order ____ certify ____ gas ____?

____ you tell me ____ standards ____ natural gas certification?

Are there ____ that ____ to ____ for ____ renewable ____ gas products?

There standards for ____ natural ____?

____ there are any criteria for ____ gas.

Is it possible ____ the requirements ____ for ____ gas ____?

Do ____ gas items ____ to meet ____ to ____ certified?

What ____ the minimum ____ certifying ____ natural ____ items?

Can you give us ____ standards ____ natural ____ items?

____ certifying renewable ____ gas ____?

There ____ certain criteria ____ gases.

Do renewable ____ gas ____ need ____ meet specific ____?

____ is ____ question about ____ for ____ gas certification.

Any rules ____ RNG ____?

To ____ certified, ____ renewable natural ____ certain ____.

To ____ certified, renewable natural ____ meet ____.

The criteria for ____ natural gas ____.

_____ me _____ regulations _____ to _____ your _____ gas stuff?

_____ you _____ me _____ criteria _____ certifying renewable _____ gas?

_____ you know the _____ that must be _____ to _____ stuff?

What _____ is there _____ certification _____ renewable _____ gas _____?

Is there a certain _____ gas?

Want to _____ you _____ your renewable gas stuff?

_____ natural gas items _____ be certified?

Is _____ specific prerequisites _____ when _____ certification for renewable natural gas _____?

_____ standards _____ natural gas certification.

Can _____ tell _____ for certifying renewable natural _____.

Can _____ me _____ the specific requirements for certification _____ renewable _____.

Is there _____ set of _____ renewable _____ certification?

_____ requirements _____ certifyingrenewable gas

Which _____ gas standards _____ met?

_____ there _____ specific requirements that must _____ to certify _____ goods?

Which _____ are required _____ renewable _____ gas _____?

_____ there a set _____ for _____ for renewable _____?

_____ are the standards _____ impose _____ gas _____ they become certified?

_____ standards _____ be met _____ to be certified?

Any special _____ certified _____ fuels?

The requirements _____ certify _____ natural gas items _____.

Specific requirements for the certification _____ renewable _____?

_____ there _____ for _____ of _____ natural gas?

What's _____ in _____ to _____ eco-friendly _____?

There are specific standards _____ to _____.

_____ natural gas _____ specific _____ be certified?

_____ are _____ to get a _____ certification.

_____ to _____ criteria _____ certifying clean energy gases?

What _____ required _____ certify _____.

_____ the _____ natural _____ products _____ to meet _____ standards for _____?

_____ are used _____ certifying renewable natural _____?

What _____ natural gas _____ to be certified?

Can _____ be _____ benchmarks _____ renewable _____ certifications?

_____ set of _____ certifications of _____ natural gas?

_____ the _____ apply to _____ natural _____.

_____ there be _____ for the certification of renewable _____?

_____ requirements must _____ met for _____ gas?

_____ some requirements for _____ natural _____ certification?

_____ certain standards apply _____ natural _____?

_____ certain _____ be met _____ sustainable natural-gas products.

Do _____ standards apply _____ renewable _____?

_____ are _____ requirements that _____ met in _____ certify renewable natural _____.

Any requirements _____ renewable _____ gas?

_____ required if _____ certify _____?

_____ you tell _____ what _____ used _____ certifying _____ natural gas _____?

Please state _____ the _____ for _____ eco-friendly _____ gases.

Can _____ criteria _____ for _____ clean energy _____?

_____ is _____ for certifying renewable _____?

Are _____ that must _____ for certification _____ renewable _____ gas products?

Is there a _____ certain _____ certifying clean energy _____?

_____ what standards are required _____ certifying _____ gas products.
 _____ the _____ requirements _____ renewable gas?
 What _____ the _____ for _____ items?
 There are _____ requirements for _____ natural _____.
 _____ it _____ that _____ natural gas meet _____ standards _____ certified?
 _____ requirements _____ certifying _____ gas
 Can _____ tell me the exact _____ renewable gas _____?
 What _____ in regards _____ eco-friendly _____.
 What's _____ in _____ to _____ gas?
 _____ a requirement _____ certification process _____ natural gas products?
 What _____ do _____ on _____ natural _____ things before they're _____?
 Can _____ be requirements for _____ natural _____?
 _____ any requirements _____ the certification of _____ products?
 _____ there _____ for _____ natural gas _____?
 Are _____ for renewable _____ certifications?
 _____ any _____ certification for renewable _____ gas products?
 _____ natural gas _____ meet certain qualifications for _____?
 What _____ the guidelines _____ renewable _____ items?
 _____ there rules for renewable _____?
 What rules _____ renewable gas _____?
 _____ that renewable natural gas items _____ to _____.
 _____ are the _____ for _____ goods?
 Exactly what _____ renewable _____ meet _____ be certified?
 Want to _____ regulations needed to _____?
 What _____ the _____ a certification _____ natural gas?
 _____ it _____ follow certain _____ when _____ clean energy _____?
 Which _____ for certifying _____ natural _____?
 _____ are _____ for renewable _____ certification?
 _____ are needed for _____ natural _____?
 _____ requirements are _____ renewable _____ items?
 Should renewable _____ gas _____ the _____ to be _____?
 There _____ for _____ of _____ natural gas products.
 _____ it necessary to follow _____ certify clean _____ gases?
 _____ need to meet specific qualifications _____ order to _____?
 What _____ do renewable _____ products have _____ meet _____ certified?
 _____ requirements _____ renewable _____?
 Has _____ any requirement for _____?
 Should certain _____ certifying eco-friendly _____?
 _____ a list of requirements _____ accreditation _____ RNG _____.
 Is _____ necessary to _____ criteria _____ certifying cleanenergy _____?
 Please tell _____ the _____ apply _____ certifying eco-friendly _____.
 Is _____ for _____ renewable _____ gas?
 To get _____ natural _____ products _____ certain criteria.
 There _____ some _____ that _____ met _____ certifyrenewable _____ gas goods.
 There _____ be set requirements for _____ renewable _____.
 Tell _____ what standards _____ required _____ certifying _____ natural _____.
 Can _____ tell us about _____ standards _____ certifying _____ gas items?
 _____ that apply _____ seeking _____ for renewable _____ gas products explained?
 There are requirements to _____ of _____ products.
 Is _____ necessary to _____ the _____ energy gases?

_____ any requirements for _____ gas?

Is there _____ for _____ natural gas _____?

_____ gas certification?

_____ there _____ criteria _____ renewable natural gas?

_____ there a specific certification _____ gas products?

Do _____ renewable natural gas?

_____ certain _____ that must be met for certifying _____.

Is there _____ for the certification _____ renewable _____?

Is there any _____ criteria _____ gas certification?

_____ give me a _____ of _____ requirements for _____ renewable _____ gas _____?

Are _____ requirements for _____ natural gas?

_____ there _____ of criteria for _____ gas products?

What _____ the _____ certifying renewable _____ gas _____?

Is _____ set requirement _____ certifying _____?

Does _____ gas _____ need to _____ specific _____?

_____ there specific standards that _____ gas?

_____ that exact _____ needed _____ certify renewable gas?

When seeking certification for renewable natural _____ products, _____ of _____?

Do you _____ exact regulations needed _____ renewable gas _____?

There are _____ required _____ certification _____ natural _____ products.

What qualifications _____ to certify _____ gas _____?

_____ standards _____ renewable _____ products?

_____ criteria _____ used for certifying renewable natural _____?

There are some _____ criteria _____.

_____ are _____ rules to _____ products?

Please _____ if _____ standards _____ when certifying eco-friendly _____.

_____ any rules _____ certifying _____ gas?

_____ necessary _____ renewable natural _____ to meet _____?

So _____ want to know the _____ needed _____ your _____ gas _____?

_____ there _____ requirement to _____ natural gas _____?

_____ need _____ meet certain standards?

_____ natural gas _____ meet _____.

Is there a _____ criteria _____ gas?

_____ are _____ requirements for _____ certification?

Is there _____ benchmark to label _____?

_____ are _____ be followed _____ certification of renewable natural _____ products.

_____ for ensuring _____ gases are _____?

Does the certification _____ natural _____ have specific _____?

To be _____ natural _____ meet certain _____

_____ there a mandated _____ for _____ products?

_____ me _____ the different _____ needed for certifying _____ natural gas _____?

_____ certain _____ that must _____ in _____ certify renewable _____ gas products.

In order to get certification, green _____ certain _____.

How _____ certifying _____ natural gas items?

_____ for certifying renewable _____ gas goods?

There are _____ requirements _____ met _____ natural gas goods.

_____ any rules _____ gas certification?

_____ standards _____ be used _____ certifying renewable natural _____?

_____ needs to _____ done _____ certify _____ natural _____ products?

_____ that must _____ done _____ order to _____ renewable _____ gas goods.

_____ we _____ to get certified for natural gas?
 _____ must _____ certain _____ to certify renewable _____ goods.
 Criteria _____ a natural _____ certification?
 Are _____ criteria for _____ gas?
 _____ any defined standards _____ gas certifications?
 _____ natural _____ products _____ specific standards for _____?
 Is there a _____ standard _____ renewable natural _____?
 Do _____ know if _____ apply _____ eco-friendly _____?
 _____ rules _____ the _____ of _____ products?
 _____ are _____ criteria _____ should be _____ for _____ renewable _____ gas _____.
 _____ the certification process _____ natural _____ specific?
 Is it possible _____ information _____ the different standards needed _____ gas _____?
 _____ there _____ criteria for certifying _____ gas products?
 To _____ certified for _____ gas, _____ meet certain _____.
 _____ set _____ regulations _____ certifying renewable natural _____ products?
 Where can _____ certifying _____ natural gas goods?
 _____ requirements for obtaining a _____ of _____ energy gases.
 There _____ set requirements for _____ natural _____.
 Special _____ for _____ certified _____?
 Do _____ know the _____ used to _____ gas stuff?
 _____ tell me the exact _____ required _____ certify _____ stuff?
 Is _____ a set _____ for _____?
 R-Natural _____ without _____ certain standards.
 _____ criteria for _____ natural gas _____.
 renewable natural _____ specific _____ to _____ certified
 Did _____ that exact _____ to _____ your _____ gas stuff?
 _____ there be any _____ for the _____ of _____ natural _____?
 _____ certain _____ must _____ fulfilled to _____ renewable natural gas _____.
 What must renewable _____ gas _____ to _____?
 _____ natural gas products _____ meet specific _____ certification?
 There _____ for _____ renewable gas.
 _____ that _____ met to certify _____ natural gas goods?
 What _____ certifying _____ friendly gas?
 _____ are certain requirements _____ natural _____ items
 There could _____ specific _____ for certifying _____.
 _____ renewable natural _____ have to _____?
 _____ set regulations for certification of _____ natural _____?
 _____ set criteria for _____ gas?
 What are _____ that _____ be _____ to _____ natural gas _____?
 _____ are certain _____ certifying renewable _____ products.
 _____ it necessary _____ have _____ criteria _____ energy gases?
 _____ you _____ me _____ the specific _____ for certification for _____ products?
 What requirements _____ certify renewable _____ goods?
 When _____ clean _____ it necessary to _____ criteria?
 What is _____ when _____?
 Can you tell _____ what _____ certifying renewable _____ products _____?
 Does _____ renewable natural gas have _____ specific standards _____?
 Does there _____ of _____ for _____ products?
 What criteria _____ used _____ renewable _____ goods?
 There _____ standards _____ must be met for _____ certification of _____.

Is ____ necessary ____ certain ____ clean energy gases?
 ____ some of the ____ for ____ renewable ____ products?
 Want to know ____ regulations needed ____ renewable ____?
 ____ set requirements ____ certifying renewable ____ gas?
 ____ special guidelines ____ getting certified ____ fuels?
 ____ are the requirements to ____ natural gas?
 ____ needs to be done ____ renewable ____ gas ____?
 Can you ____ me ____ certification ____ renewable natural ____ products?
 Can ____ be ____ for certifying renewable ____ products?
 There are ____ for renewable ____ gas.
 Should ____ meet ____ to be certified?
 There may be ____ a ____ gas ____.
 ____ you impose ____ kind of standards on ____ thingies ____ they're ____?
 Is there ____ special rules ____ fuels?
 ____ apply ____ eco-friendly natural gases?
 ____ for renewable ____ products, can you tell ____ the ____ requirements?
 Renewable ____ gas needs ____ meet ____ standards ____ certified.
 Green natural ____ products have ____ follow certain ____ certification.
 ____ requirements must be met ____ renewable natural ____?
 The renewable natural ____ have ____ criteria.
 ____ there any information ____ the ____ standards ____ for ____ renewable ____?
 Before ____ for ____ what kind ____ standards do ____ impose?
 ____ must renewable natural ____ to be certified?
 Should ____ standards ____ when ____ natural gases?
 ____ wondering ____ are ____ certifying renewable natural ____ products.
 What ____ for renewable natural ____?
 ____ natural gas ____ should meet ____.
 ____ know what standards ____ needed for ____ natural gas ____.
 ____ exist ____ certifying renewable ____?
 ____ possible to tell me about the ____ standards needed ____ renewable ____?
 ____ there ____ for certification ____ renewable ____ products?
 There ____ some specific ____ certifying renewable ____ gas ____.
 ____ are the ____ on ____ eco-friendly ____.
 ____ for renewable natural gas ____?
 Can ____ the ____ to certify your ____ gas stuff?
 ____ interested ____ exact regulations needed ____ certify your renewable ____?
 What are ____ requirements ____ renewable ____ items
 ____ help me ____ requirements ____ of renewable energy ____.
 Is there any ____ certification ____ renewable ____ gas?
 There ____ standards ____ to ____ met for ____ of ____ gas products.
 ____ there ____ rules ____ certifying renewable natural ____ products?
 ____ standards for renewable ____ apply?
 ____ for certifying ____ natural ____ items are ____ known.
 What ____ should renewable natural ____?
 ____ to know ____ standards are needed for ____ natural ____ products.
 ____ requirements for ____?
 ____ tell ____ the ____ needed ____ certifying your ____ gas stuff?
 ____ there ____ gas certification?
 ____ wonder ____ are specific criteria for certifying ____.
 What ____ the ____ that ____ products have to follow to ____?

Is _____ any _____ criteria for _____?

What _____ some requirements _____ natural _____ items?

_____ our _____ certified, do _____ need to meet _____ standards?

Can you _____ are for _____ natural gas products?

There _____ some _____ natural gas.

_____ the renewable natural _____ meet?

Does _____ of _____ gas products need specific _____?

_____ are _____ requirements _____ Renewable gas?

Rules _____ for _____ of renewable _____.

Is _____ a set _____ for _____.

Is _____ need _____ follow _____ criteria _____ certifying clean _____ gases?

There _____ specific _____ for the certification _____ renewable natural _____.

Does _____ any _____ for certifying renewable gas _____?

What _____ the _____ impose _____ the _____ thingies _____ they are certified?

Are _____ requirements _____ need _____ be _____ for _____ of _____ natural _____ products?

There are _____ standards _____ certification _____ natural gas _____.

_____ are questions _____ requirements _____ renewable _____ gas _____ certification.

I need your _____ the requirements _____ certification of _____ energy _____.

_____ natural _____ products meet _____ specific standards _____ certification?

There are _____ requirements for _____.

_____ certain standards _____ eco-friendly _____ gases?

Set _____ for _____ gas

What are the _____ certification _____ natural gas _____?

Help me _____ for _____ certification of renewable _____.

Are we _____ certain _____ order to _____ a certified _____ gas _____?

What _____ regulations about certifying _____?

Is it _____ requirements _____ certification for _____ natural gas _____.

_____ there _____ criteria for certifying _____ products?

_____ are certain criteria _____ be _____ sustainable natural-gas products.

Do you _____ exact regulations needed _____ your _____?

_____ it _____ follow certain criteria _____ certifying clean _____.

What standards _____ be met _____ certification of _____?

_____ criteria should renewable _____ pass?

What standards _____ gas _____ have to _____?

_____ trying _____ out _____ standards _____ certifying renewable natural gas products.

_____ renewable natural gas items _____ qualifications _____?

What _____ in _____ to certify eco-friendly _____?

Can _____ give us information _____ standards _____ renewable natural _____ items?

Are there _____ that renewable _____ need _____ meet?

There _____ certify renewable natural _____.

_____ for _____ natural gas certification?

_____ criteria _____ of renewable natural _____.

_____ guidelines exist _____ renewable _____ products?

There _____ on _____ renewable gas _____?

_____ there need to _____ any requirements _____ gas?

You want to _____ regulations _____ to _____ yourrenewable _____ stuff?

_____ standards _____ met _____ for renewable _____ gas to be _____.

Do _____ the _____ of renewable natural gas _____?

_____ specific requirements _____ certifying _____?
