

[Demo] NLP Dataset for Customer Service Automation

Company Type	Natural Gas Companies
Inquiry Category	Guidance on energy-saving tips
Inquiry Sub-Category	Heating and cooling
Description	Customers seeking tips on efficient use of their heating and cooling systems, including recommended set temperatures and usage habits.
Data Size	8,761 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Natural Gas Company" customer inquiry. (Purchased data will not be masked.)

____ you ____ tips on setting thermostat ____ for ____ ____?

I ____ ____ how to set ____ thermostat for the most ____ ____.

Suggestions for ____ ____ the ____?

____ ____ me how to save energy using ____ ____?

How do I ____ ____ to ____?

Can ____ suggest ____ settings ____ save ____?

Can your company ____ how ____ set ____ thermostat to ____?

Do ____ any ideas ____ saving energy ____ thermostat.

____ you recommend ____ settings ____ will save ____ power?

Are ____ to ____ tips for ____?

____ for ____ with home temperature ____.

How to ____ less ____ adjusting ____?

Finding ____ best ____ to save ____?

____ do I ____ the ____ for ____ savings?

Do you have ____ secret ____ saving ____ the ____?

How ____ I ____ energy ____ using ____?

Is ____ possible to save ____ proper ____?

____ for maximizing energy ____ use.

How ____ you ____ using ____.

____ any information ____ setting ____ temperatures for energy ____?

____ you ____ how ____ the ____ for maximum savings?

What can you ____ me ____ temperatures ____ energy savings?

Is ____ saving energy ____ temperature control?

____ optimal thermostat ____?

How ____ controlling my thermostat's temperature?

____ can ____ do to cut ____ the thermostat?

____ do ____ set my thermostat ____?

How can ____ thermostat ____ energy?

____ I get ____ best savings ____ my thermostat?

Is ____ advice ____ thermostats for ____?

_____ you _____ any suggestions about how to _____?

_____ know about _____ savings _____?

_____ can _____ reduce _____ usage using _____?

Can you _____ the _____ the most power?

_____ possible to _____ thermostat _____ efficiently?

_____ thermostat tips _____ help _____ costs.

Guidelines _____ the _____ and saving _____?

_____ I _____ thermostat's temperatures _____?

_____ possible _____ on _____ the thermostat _____ maximize energy efficiency?

Can _____ set _____ thermostat _____ save on _____?

What _____ be done to maximize _____ use?

Is _____ advice _____ energy with the _____?

_____ on _____ energy _____ through thermostat use?

_____ thermostat adjustments towards _____ efficiencies.

_____ optimal thermostat _____ improve _____ costs.

_____ can you give me _____ temperatures to maximize _____?

How can I _____ to _____ less _____?

Are _____ able _____ give _____ on setting thermostat _____ energy _____?

_____ I adjust _____ thermostat _____ less energy?

How _____ using thermostats?

It is _____ question about optimal settings _____.

_____ you have any suggestions about _____ thermostat _____ maximize _____?

_____ there _____ tips to _____ using the _____?

_____ to set _____ maximum _____ savings.

_____ for saving energy _____

_____ can we save _____ adjusting _____?

Can _____ me how _____ can _____ to save energy?

_____ anything _____ my _____ to get the most _____ savings?

Suggestions of max _____ temperatures?

Share ideal thermostat _____ to _____.

_____ it possible to cut _____ with the _____?

_____ can _____ my thermostat's _____ a _____ that maximizes my _____?

_____ thermostat _____ could help _____ heating _____.

Can you _____ setting the _____ the _____?

How to change _____ to _____?

Is _____ possible to _____ by adjusting _____?

How to _____ temperature _____ less _____?

Thermostat _____ settings?

How can _____ temperatures _____ for better _____?

_____ about saving power _____ adjusting _____

_____ do you recommend _____ maximize energy _____ through _____?

_____ you provide _____ instructions _____ how _____ set my _____?

Is it possible to _____ how _____ energy _____ with _____ temperature _____.

_____ can I _____ to _____ energy?

By adjusting my thermostat's temperatures _____ money?

Suggestions _____ max savings _____ home _____?

_____ on _____ settings _____ savings.

Suggestions _____ max _____ with home _____?

_____ could _____ be set to _____ savings?

Are you _____ settings _____ save most power?

Best _____ energy using _____?
_____ there _____ for _____ control _____ energy?
Can _____ offer thermostat tips that _____?
_____ tips for _____ with thermostats.
_____ have _____ tips on _____ energy using _____ thermostat?
Is _____ a trick _____ energy use _____ the _____?
_____ should share _____ tips.
_____ you _____ us how _____ reduce energy _____ thermostat?
_____ can my _____ be _____ to increase _____ efficiency?
_____ for _____ when _____ temperatures?
_____ can I decrease costs _____ setting _____ thermostat _____?
Discuss _____ thermostat temperatures to _____
Suggestions _____ temperatures _____ energy use?
_____ have _____ suggestions _____ setting _____ thermostat to save _____?
How _____ the thermostat for _____?
Is your company _____ give _____ instructions _____ to _____ my _____?
_____ I make _____ more efficient?
Do _____ thermostat _____ that can _____?
Will _____ maximize _____ savings?
_____ thermostat ideas _____?
How _____ I _____ to be more _____?
Can _____ setting _____ temperature _____ save _____?
Reducing _____ temperature settings
_____ for _____ with _____ temp at home.
_____ decrease _____ use by adjusting thermostats?
_____ any _____ about _____ energy with the thermostat?
Can _____ setting _____ thermostat's temp?
_____ to save energy _____
_____ you tell me _____ use efficient _____?
_____ energy consumption _____ thermostat temperature settings _____?
How _____ maximize _____ when setting _____?
How _____ save electricity by _____?
_____ optimal thermostat _____ can _____ heating _____.
How do _____ temperature _____ reduced _____?
Are there _____ that you _____?
_____ it possible to _____ thermostats?
How _____ the _____ energy savings.
Improve _____ costs by _____.
Can you give _____ tips _____ to save _____ with _____?
How _____ temperature _____ energy?
_____ need _____ on _____ thermostat temperatures _____ optimal _____ savings.
How _____ I _____ temperature _____ maximize savings?
_____ my home's thermostat to _____ energy?
_____ would _____ you could share thermostat _____ energy savings.
_____ can _____ thermostat's temperature _____ save money?
Is it _____ thermostats for _____.
Need _____ energy _____ thermostat.
Is there any tips _____ maximize _____?
How _____ improve thermostat temperatures for _____.
_____ tell _____ to _____ energy using the thermostat?

Is it _____ share _____ saving energy?
_____ to _____ can recommend _____ settings that save most _____.
How _____ the _____ save energy?
Tell _____ setting _____ temperatures _____ energy efficiency.
There are _____ that you _____.
_____ you know any _____ on energy _____ with thermostats?
How _____ set _____ for _____ energy _____?
_____ change my _____ temperature to maximize _____?
I _____ like to _____ how temperature _____ reduce _____ needs.
How can _____ reduce energy _____?
Help saving _____ thermostat _____.
Do _____ thermostat ideas _____ are _____?
_____ on _____ savings _____ setting _____ home _____.
_____ advice on Optimizing _____ temperature
How to save _____ setting?
How _____ save _____ with _____?
Help _____ on _____
_____ of max _____ with _____ settings.
Suggestions _____ optimal _____?
_____ you have any _____ for saving _____ thermostat?
_____ heating costs can _____ sharing _____ thermostat tips.
Is it possible to _____ improved energy _____?
Improve heating _____ optimum _____ tips.
How _____ set _____ thermostat _____ savings?
_____ the _____ temperature to conserve _____?
How _____ I _____ thermostat _____ save _____?
_____ to _____ when controlling _____?
_____ you _____ on _____ to set my _____ for optimal _____ efficiency?
_____ making _____ more efficient.
_____ less power when _____ room _____.
_____ for tips _____ energy with _____ thermostat.
_____ you tell _____ set _____ temperatures _____ are optimal _____ energy savings?
How _____ energy by _____ the _____?
Suggestions _____ max savings _____ home _____.
_____ tips _____ improved heating costs.
Do _____ have any _____ to save _____ thermostat?
Is _____ information _____ how _____ maximize energy _____ thermostats?
_____ you tell me how _____ thermostat temperatures _____ savings?
_____ have a question about _____ thermostat _____ on _____ costs.
_____ to _____ a _____ that saves _____?
_____ any strategies for saving _____ on _____ thermostat?
_____ to set _____ temp _____ savings?
Help saving energy _____
How _____ save energy _____ changing _____.
Suggestions _____ setting _____ ideal _____ conserve _____?
How _____ I adjust my _____ to _____?
How should _____ thermostat's temperatures _____?
The _____ with a thermostat?
_____ you know how to _____ thermostat to _____?
_____ anyone _____ the _____ to save energy?

Tell ____ tips ____ thermostat ____.

____ set a thermostat ____ energy ____?

____ you offer me advice on ____ to ____ energy?

____ do I ____ my ____ maximize energy ____?

____ need ____ on ____ set my ____ to conserve ____.

____ pertaining to effective thermostat ____.

Need ____ the thermostat.

Suggestions ____ to find the ____ setting ____ energy?

I need ____ on ____ to maximize ____ for ____ energy ____.

How can ____ be ____ save ____?

Suggestions, please, on ____ save electricity ____.

____ possible to ____ costs with ____ thermostat?

____ there ____ for saving energy through ____?

How ____ I set thermostat ____ maximize ____?

Do you ____ ideas on ____ save ____ the thermostat?

How can we set ____ best ____?

You ____ thermostat ____ tricks?

____ do I ____ thermostat's temperature ____?

____ possible to change ____ temperatures ____ energy use?

____ you ____ save energy through ____?

____ thermostat ____ to decrease ____ costs.

____ temps ____ maximize energy savings?

____ the ____ on ____ thermostats?

____ of ____ with ____ home temperature

Some ____ for max savings ____.

How ____ I adjust ____ thermostat's ____?

____ advice ____ setting temp to ____.

____ maximize my thermostat's ____?

Reducing ____ with ____ temperature ____ is ____ discuss with me.

Is ____ to ____ my thermostat to ____ energy ____?

____ temp ____ thermostat?

Do you ____ suggestions about setting thermostat ____ to ____?

____ can ____ thermostat ____ be set ____?

Is ____ any advice about ____ bills?

____ to ____ how to set ____ thermostat ____ maximum ____ saving.

____ there ____ to save energy ____ the ____?

____ on setting ____ temperature ____ power?

Asking how ____ conserve ____ temperature.

Do ____ my ____ can be used ____ achieve ____ savings?

Do ____ have any ____ on setting ____ maximize energy ____?

____ think I ____ my thermostat to get the ____?

____ to cut ____ at home ____ appropriate ____ temperatures?

____ my ____ be set ____ less energy?

____ are the ____ for ____ temps to conserve ____?

Share ____ tips for better ____.

What ____ thermostat ____ better energy use?

____ to give suggestions ____ setting ____ for optimal energy ____?

____ use the ____ save energy?

How ____ setting thermostat ____ for ____?

____ possible ____ give tips ____ thermostat temperatures for optimal ____?

_____ do _____ the _____ to save _____?

_____ on how to _____ using _____.

Suggestions on _____ right _____ for _____?

Is _____ way to _____ better energy _____ temperatures?

How can my thermostat _____ adjusted _____ be _____?

_____ energy consumption _____?

_____ temp in thermostat?

_____ you adjust _____ for maximum _____?

Can you _____ advice _____ to maximize my _____.

How _____ I _____ to _____ more efficient?

Do _____ optimal _____ tips?

Can _____ tell _____ the thermostat to _____ energy?

How to _____ with _____?

Should we set ideal _____ to _____ thermostat?

_____ should we _____ to _____ through proper thermostat _____?

_____ my thermostat's _____ in order _____ save money?

Suggestions _____ thermostat _____ and saving _____.

Can _____ me advice _____ my _____ settings to save energy?

Do _____ secrets for _____ on the _____?

_____ advice _____ the _____ setting.

_____ you _____ guidelines for _____ temps _____ conserve power?

_____ the _____ setting to save _____.

Is _____ way to save _____ settings?

Suggestions for _____ use _____?

Suggestions _____ optimal temperatures _____.

I _____ how _____ my _____ for the _____ energy efficiency.

Is it _____ to set the _____ for _____?

Is there _____ advice on how _____ for _____ savings?

_____ can _____ to save energy?

Suggestions on how _____ save _____ and _____.

_____ saving energy _____ thermostat _____

_____ the best _____ to save _____?

_____ do I _____ electricity _____ thermos _____?

_____ is a _____ for _____ energy through _____ thermostat.

Do _____ need _____ on maximizing the thermostat _____?

_____ temperatures can _____ energy.

_____ thermostat _____ help _____ heating costs.

Can you help _____ thermostat _____?

Any _____ on _____ thermostat _____ energy?

_____ on how _____ conserve energy through _____?

_____ there any advice _____ get better _____ use _____ the _____?

Decrease heating _____ sharing _____ thermostat _____.

_____ to set _____ temp _____ the _____?

Can you _____ temperature _____ that save _____ power?

How _____ the thermostat to _____?

_____ to save _____ setting _____ thermostat _____?

_____ set thermostat for _____ energy _____?

_____ can _____ thermostats to _____ energy?

Suggestions _____ max savings _____ setting.

How can _____ the _____ of my _____ temperature _____?

Can your company give _____ on _____ set _____ thermostat _____ efficiency?

How _____ maximize energy _____ by setting _____.

_____ suggestions _____ how to _____ thermostat _____ for better energy use.

_____ save _____ through thermostat _____.

Suggestions for _____ to save _____.

_____ there guidelines _____ best temps to _____ power?

_____ sharing optimal _____.

_____ you _____ me _____ how to _____ thermostat more efficient?

_____ have any suggestions _____ setting _____ thermostat _____ maximize energy _____?

_____ any tips _____ thermostat temperatures _____ will _____ energy?

_____ can _____ increase my _____ by _____ my _____?

Is there any ways _____ save _____?

How to save _____?

Help saving _____.

Suggestions to _____ thermostat _____ energy?

_____ anything you _____ tell me _____ thermostat _____ for _____ savings?

You could _____ setting _____ temperatures to maximize _____.

_____ for _____ savings _____ setting _____ temperatures.

_____ you know _____ the _____ for maximum savings?

Do you have any _____ my _____ save _____?

_____ Saving _____ through thermostat _____

Any _____ to set the _____ to save _____?

_____ opinions _____ adjusting the thermostat?

_____ I get better thermostat temperatures _____?

_____ requested _____ thermostat adjustments _____ cost _____.

Optimal _____ thermostat?

_____ to set _____ energy savings

How about _____ thermostat _____ save _____?

How _____ my _____ to maximize my _____ efficiency?

_____ are some tricks to cut energy _____?

_____ max savings _____ setting _____ temperature optimal?

_____ it possible _____ on setting _____ temperatures for _____ savings?

Do you _____ any _____ on _____ save _____ the thermostat?

_____ can _____ maximize _____ savings _____ thermostat?

_____ thermostat to maximize efficiency?

Can _____ me information _____ to set my thermostat _____ energy _____?

Is there _____ way _____ to use less _____?

How to set _____ best _____ for use _____?

How can _____ thermostat be _____ to maximize _____?

How _____ my thermostat so that _____ maximizes _____?

_____ there any advice about _____ settings _____ reduced _____?

Reducing energy _____ with thermostat _____ settings is something _____.

How can I _____ thermostats?

_____ thermostat temperature _____ place to _____ energy consumption?

What can I _____ make my _____ temperatures _____?

_____ settings _____ energy savings?

Need _____ with _____ low-energy _____?

Do _____ any tips _____ the thermostats _____ efficiently?

_____ lower heating costs.

_____ to give _____ setting thermostat temperatures?

Suggestions to _____ thermostat in _____ save energy.

How to _____ thermostat _____ better _____ of _____?

_____ any _____ to reduce _____ using thermostats?

Suggestions of _____ with _____ the _____.

Improve heating costs _____ tips

_____ suggest _____ temperature _____ save the most power?

Clarifying about _____ adjustments _____ efficiency.

Help _____ thermostat more _____.

_____ on _____ consumption using _____?

How can _____ maximize _____ savings _____ my _____?

How to _____ best _____ thermostat?

_____ I _____ thermostat _____ make it more efficient?

Do you _____ any _____ to _____?

Share _____ thermostat _____.

Can I set _____ save _____?

_____ set _____ efficient temp on the _____?

_____ give _____ advice on _____ the _____?

_____ do I _____ the _____ temperature _____ conserve _____?

How _____ I _____ money by _____ temp?

_____ on making the _____ less _____?

How _____ I _____ to use _____ energy?

How _____ thermostat _____ me _____?

Can you _____ set _____ temperatures for _____ energy savings?

How can _____ through _____ control?

_____ it _____ to _____ guidance on how to set my _____?

How can _____ of the _____ changed for _____ energy _____?

Is _____ advice _____ setting thermostat temperatures to _____ efficiency.

_____ have any _____ on _____ save energy _____ the thermostat?

Suggestions _____ the ideal thermostat _____.

Guidelines on _____ thermostat's temp _____?

_____ set thermostat temperatures _____ maximum _____ savings?

_____ a way _____ save _____ using _____?

_____ max _____ when _____ home temperatures?

_____ my thermostat _____ savings?

_____ it _____ to set _____ to save _____?

Suggestions _____ ideal _____ thermostats?

How _____ savings by adjusting my _____?

_____ you know _____ to _____ the thermostat _____ maximum _____?

_____ thermostat tips for saving _____?

_____ on _____ the thermostat to _____?

_____ can _____ set _____ thermostat in a more _____?

Do you have _____ recommendations _____?

_____ you have suggestions _____ to _____ bill through _____?

I _____ advice _____ setting _____ temperatures to _____ energy _____.

Is _____ possible to _____ electricity use _____?

_____ any guidelines on setting the _____ to _____ power?

_____ you _____ direction on _____ set my thermostat?

Setting _____ temperature _____ thermostat?

How _____ control my _____ to _____?

Is it _____ to _____ tips _____ thermostat _____ better energy _____?

Is ____ possible to advise temperature ____ power ____.
____ thermostat ____ to be more efficient?
____ you give me advice on ____ to ____?
Is ____ for you ____ recommend temperature ____ that ____ power?
____ I increase ____ efficiency ____ thermostat?
advise on ____ energy efficiency
Do you ____ the best ____?
How ____ sharing advice ____ temperatures to ____ energy ____?
____ smart thermostat ____ wanted now?
Do you have ____ tips ____ thermostat ____ that will ____?
____ if ____ have any ____ how to use ____ efficiently.
____ using thermostats to cut ____.
How ____ energy use ____ thermostat temperatures?
____ have any ____ on adjusting ____?
Can ____ give ____ information ____ to ____ my thermostat?
How ____ energy with ____ temp ____?
____ can I ____ my ____ efficiently?
____ to learn ____ to ____ thermostat ____ low ____ use?
How do ____ adjust ____ so ____ I ____?
____ on ____ to ____ the thermostat ____ energy.
How can I ____ temperatures ____ maximize ____?
Do ____ know how I can ____ electricity ____?
What are ____ to ____ using thermostats?
Do ____ should use my thermostat ____ energy?
Is there any ____ on ____ consumption using ____?
Have ____ advice ____ setting thermostat ____ maximize energy ____?
How ____ I ____ the thermostat in a ____ expensive?
____ assistance ____ best thermostat ____.
____ am looking for suggestions on ____ to ____ energy use.
Is ____ to ____ tips ____ setting thermostat temperatures ____ save ____?
____ to ____ energy by ____ thermostat ____?
How to ____ the thermostat ____?
Better ____ costs ____ be achieved ____ sharing ____.
____ change thermostat settings and ____.
Seeking ____ controlling ____ temperature.
____ best ____ to ____ energy ____ with a thermostat?
____ you ____ guidance on setting ____ to conserve ____?
Do you have any ____?
____ to ____ the ____ for maximum energy ____?
____ change ____ temperature to ____ energy?
____ advise me ____ how ____ my thermostat to save ____?
Suggestions ____ to conserve ____ with ____?
____ with ____ my thermostat.
____ you ____ thermostat ____ you ____ to offer ____?
Need ____ savings ____ my thermostat.
____ can you ____ thermostat?
Suggestions ____ thermostats to ____ usage?
____ for max ____ when ____ home ____.
Are ____ any suggestions ____ utility ____ through ____?
Suggestions to ____ thermostat ____ save ____.

_____ to _____ higher energy savings
 Does anyone _____ how _____ set _____ temp _____ thermostat?
 _____ adjust _____ settings _____ save energy?
 _____ suggestions on how to use my _____ energy?
 Is _____ to _____ usage using a thermostat.
 _____ about _____ to _____ efficiency through proper _____ use?
 _____ want to _____ how temperature _____ can reduce _____.
 Is there any _____ you _____ on _____ thermostat _____?
 Can you _____ people _____ use _____ thermostat _____ save _____?
 _____ am _____ for _____ how to _____ settings to save energy.
 How _____ the _____ for _____ savings.
 Do _____ for saving energy with the _____?
 _____ it possible _____ costs _____ thermostat temperatures?
 Do you have any _____ through _____ thermostat use?
 Is it _____ help reduce _____ with thermostat _____?
 _____ suggest ways to _____ utility bill _____?
 Suggestions _____ thermostat settings _____ energy.
 _____ can _____ used _____ save energy?
 _____ to _____ the _____ to _____ energy?
 _____ for _____ and saving energy.
 _____ you _____ with thermostat _____?
 _____ on setting _____ temperature _____ the _____.
 _____ adjusting _____ for maximum _____?
 _____ for _____ temps _____ the _____?
 Help _____ correct temp on _____?
 Is there any _____ get _____ energy _____ from thermostat _____?
 Please help _____ electricity by _____.
 _____ do I set my _____ correctly _____?
 Adjusting _____ thermostat is _____ that we _____ tips _____.
 Tell _____ for _____.
 Is _____ advice on thermostat _____ for _____ use _____?
 How _____ using thermostat?
 _____ tricks _____ using less energy _____ the thermostat?
 Is it possible _____ to set thermostat temperatures _____ savings?
 _____ have any _____ on _____ utility bill _____ thermostats?
 _____ to _____ energy with the _____?
 _____ to set _____ maximum energy _____?
 _____ the best ways _____ use the _____ save _____?
 How _____ I _____ energy when _____?
 _____ there any suggestions _____ best _____?
 You can _____ me advice _____ my _____ save _____.
 _____ the thermostat is _____ we are _____ tips _____.
 _____ might _____ able to _____ tips for _____ energy _____.
 _____ of _____ savings with _____ home _____.
 How _____ I _____ my _____ temperature to _____?
 _____ how to maximize thermostat _____?
 A _____ seeks _____ temperature.
 _____ thermostat settings _____ savings
 _____ get _____ on setting _____ temperatures?
 _____ can _____ use the thermostat _____ use?

_____ do _____ the thermostat temperature _____ energy _____?

Do _____ how _____ adjust thermostats for _____?

_____ to _____ energy with _____

Can _____ give me information on _____ thermostat?

_____ max _____ thermostat setting.

_____ set a _____ energy savings?

What _____ do to _____ energy _____ with _____ thermostat?

Suggestions _____ how _____ energy _____ the _____.

Did _____ have any _____ to _____ energy with the _____?

How can _____ energy _____ the _____.

_____ need help _____ efficient _____.

Is _____ okay _____ share _____ tips _____ better energy _____?

_____ set _____ for maximum _____?

Do _____ any _____ about the _____ to save energy?

_____ to share _____ tips?

The _____ for _____ energy _____?

_____ recommend the _____ temperature settings?

Do _____ any _____ for _____ the _____ to save _____?

How _____ sharing tips on _____ temperatures _____ energy _____?

Can _____ tell _____ set my _____ for the _____ savings?

I _____ setting _____ maximize energy savings.

Do _____ know _____ do about adjusting _____?

_____ the _____ thermostat tips to _____.

Do you _____ any _____ utility _____ through thermostats?

Is there any trick _____ usage with _____?

_____ savings _____ are optimal?

How _____ conserve energy _____?

Is it _____ use _____ thermostat to reduce _____?

Do you have any _____ on _____ to _____ thermostat?

_____ I _____ thermostat to _____ savings?

Help me maximize _____ energy _____.

_____ cut energy _____ with the _____.

Can you _____ me how _____ energy _____ the _____?

Help _____ maximize _____ with my _____

Better _____ costs may be _____ by _____ optimal _____.

_____ you recommend _____ thermostats to _____?

_____ it _____ to cut _____ at home with _____ temperature?

_____ any ideas _____ how to save energy _____.

_____ thermostat temps _____ energy.

_____ to _____ through _____ control?

Help _____ savings with my _____.

_____ there a _____ temperatures _____ thermostats?

_____ maximize _____ setting thermostat temp.

_____ to _____ how to _____ thermostat for _____ use?

Suggestions _____ the optimum _____ energy?

_____ savings _____ setting home temperature.

To _____ energy _____ thermostat.

_____ it possible to _____ energy _____ adjusting the _____?

Share _____ cut heating _____.

Do _____ need help _____ settings?

_____ you have _____ on _____ using the thermostat?
_____ save _____ the thermostat.
Reducing energy consumption with thermostat _____ something that _____ me _____.
_____ do _____ thermostat for energy _____?
_____ set the best _____ for _____ with _____ thermostat?
Please _____ energy savings _____ thermostat.
Do you _____ any _____ temperatures _____ will save energy?
Do _____ have _____ tips on how to _____ energy?
Suggestions _____ ideal temperatures to _____ energy _____ thermostat?
How _____ save _____ the thermostat?
Help _____ thermostat _____ is _____.
How _____ set _____ best _____ to _____ with a _____.
_____ it possible _____ set _____ temp _____ energy _____?
Can you _____ me _____ temperature _____ the most _____?
_____ tips on _____ improve _____ usage using thermostats?
_____ can _____ thermostat temp to _____ energy?
_____ thermostat _____ saving money.
What are _____ recommendations _____ maximizing energy efficiency _____?
Can _____ recommend temperature _____ that _____ most _____?
How do _____ using thermostats?
You _____ thermostat _____!
_____ like _____ know _____ to _____ thermostat _____ maximum energy saving.
Help with setting _____ on _____
How _____ to maximize savings?
Do you _____ thermostats for _____?
_____ maximize the benefits _____ thermostat?
Suggestions _____ find the _____ thermostat setting _____ save _____?
Suggestions _____ using _____ to _____?
How _____ temperature for _____ energy savings?
_____ the best setting _____ energy?
How _____ set thermostat temperatures for the _____?
Can _____ use the _____ to save energy.
_____ temperature be set to _____?
_____ thermostat _____ something _____ tips on.
Is it possible _____ thermostat tips _____?
Can you _____ advice about _____ settings?
How to _____ thermostat _____?
_____ you have _____ thermostat temperatures for energy _____?
_____ thermostat settings _____ save energy.
Suggestions _____ temperature settings.
_____ setting _____ temperatures to _____ energy efficiency _____ you?
Suggestions _____ thermostats _____ down electricity _____.
_____ about using the _____ for maximizing _____?
_____ thermostat temperatures to _____ efficiency.
_____ there a _____ saving energy on _____?
_____ thermostat _____ maximize _____ savings possible?
Help _____ thermostat use
_____ guidance on the _____ settings.
Is it possible _____ with others _____ better _____ savings?
_____ to _____ to _____ the thermostat _____ less energy?

How _____ thermostat tips _____ savings?

Can your _____ how _____ set _____ thermostat to _____ energy _____?

_____ for saving _____ control?

_____ consumption _____ thermostat temperature settings _____ that _____ be _____ by you.

help _____ energy _____ the _____

_____ my _____ be adjusted to maximize _____?

Do you _____ any _____ to decrease energy _____ thermostats?

_____ you share _____ to save _____?

How _____ set _____ temp for the thermostat _____?

How _____ my _____ to _____ savings?

_____ can _____ on my thermostat?

_____ on _____ perfect temp _____ conserve _____?

_____ configuring the _____ to save _____.

You _____ thermostat _____?

_____ to reduce _____ consumption _____ adjusting _____?

_____ can _____ to maximize energy _____ proper _____ use?

I need to know _____ save electricity _____.

Is it possible to _____ temperatures for _____?

Need _____ temp on _____ thermostat.

Effective _____ adjustments towards _____ requested.

_____ you _____ any tips for _____ messing with _____?

_____ am interested _____ best thermostat _____ to save _____.

_____ on where to _____ the _____ to save _____?

_____ alter _____ thermostat _____ to save _____?

I'm _____ for suggestions _____ energy with _____.

Do you _____ suggestions for _____ with _____ thermostat.

_____ can share advice _____ setting _____ to _____ energy _____.

_____ help _____ with their thermostat.

_____ are _____ suggestions _____ temperatures for _____ use.

_____ you _____ me _____ setting _____ thermostat _____ save energy?

Can _____ me how to save _____ adjusting _____?

_____ a _____ to _____ energy usage using a _____?

_____ on max _____ setting _____ temperatures.

How can _____ thermostat _____ cut _____?

_____ set _____ maximum energy savings?

Is it possible to _____ on _____ energy use _____?

_____ you have _____ on how to _____ my thermostat to _____?

_____ on _____ to _____ energy _____ improve thermostat _____?

_____ can _____ use _____ to achieve the most _____?

Suggestions on the _____ thermostat _____.

What is the _____ way _____ reduce _____ with _____?

How do you recommend _____ maximizing _____ efficiency?

_____ have any _____ for saving energy with _____?

How _____ reduce _____ by _____ thermos?

_____ you tell _____ thermostat temperature _____?

How _____ you set _____ to _____ with a thermostat?

Some _____ on thermostat _____ energy _____.

Is _____ advice _____ improving _____ for reduced bills?

Suggestions _____ thermostat _____?

You _____ know _____ savings _____?

How to _____ thermostat temperatures?
_____ about cutting _____ electricity _____ using _____?
_____ possible to maximize _____ setting my thermostat?
Do _____ know _____ to adjust _____ savings?
_____ able _____ give _____ on adjusting _____ for savings?
Reducing energy _____ thermostat _____ advised by you.
What _____ the best way _____ temperatures _____ optimal _____ savings?
_____ it _____ to reduce _____ using _____?
How _____ save electricity _____ adjusting thermostats?
Do _____ have ideas to trim _____ bill _____?
I _____ finding the best thermostat _____ to save _____.
_____ need _____ settings _____ less bills.
_____ I maximize my _____?
Do you _____ on how _____ maximize energy _____ thermostat?
_____ need of advice _____ temperatures to _____ energy efficiency.
_____ effective thermostat _____ requested.
What are the _____ using _____ control to _____?
How _____ a _____ to conserve _____?
Suggestions on how _____ adjust thermostat _____.
What _____ we _____ save energy through _____?
Suggestions _____ reducing energy _____.
_____ able _____ give thermostat tips for better _____?
How to _____ energy _____ changing _____?
_____ you _____ about _____ settings _____ save power?
What _____ best _____ efficiency using a thermostat?
Clarifications _____ effective _____ adjustments towards _____ efficiencies.
Do you have suggestions _____ utility bill _____?
_____ for _____ on _____ best _____ temperature.
Do _____ a suggestion for _____ through thermostats?
Is there a _____ cut down _____ thermostats?
_____ to _____ thermostat _____ more energy _____.
_____ to _____ to save energy?
Need _____ thermostat _____.
_____ any information _____ how _____ better use thermostat _____?
Are _____ able to recommend _____ settings _____ use _____?
_____ there a _____ cutting energy _____ with _____ thermostat.
_____ do _____ thermostat _____ to save _____?
Do you _____ thermostat _____ help save _____?
Recommendations _____ how to _____ energy consume _____ adjusting _____.
_____ maximizing energy _____ thermostat?
_____ can _____ help _____ thermostat _____ maximize energy efficiency?
_____ me _____ to set my _____ to conserve energy?
_____ you _____ any _____ to use the thermostat _____?
_____ to _____ a _____ for max _____?
Suggestions _____ energy consumption _____ thermostats?
Effective _____ adjustments toward _____ efficiencies _____.
Do _____ have any _____ about how _____ thermostats _____?
_____ know _____ tricks?
Is it _____ to offer _____ thermostat _____?
How _____ energy _____ use.

_____ I make _____ use less _____?

Can you give _____ to set my thermostat to _____?

_____ possible to impart _____ setting _____ temperatures _____ maximize _____ efficiency?

_____ can I use _____ energy?

Clarifications were _____ thermostat _____.

Suggestions for _____ with setting _____

There are _____ how _____ better energy use _____ the _____.

You _____ of thermostat _____?

Is there a _____ to _____ ideal temps _____?

_____ how to _____ the _____ to conserve energy?

How to _____?

_____ should _____ be _____ to _____ energy savings?

_____ for _____ use, _____ thermostats?

help setting _____ the _____

_____ you advise me _____ make _____ thermostat settings _____ energy _____?

How _____ maximize _____ reduced bills?

_____ you have _____ guidelines for _____ the _____ a thermostat?

_____ you _____ thermostat tips _____ saving _____?

_____ to cut energy _____ with the _____?

What _____ you _____ proper thermostat _____ to _____ efficiency?

_____ for _____ savings _____ setting home _____.

Do _____ have any advice _____ to _____ my thermostat _____?

Can _____ some _____ for _____ energy with _____ thermostat?

Is it _____ to set _____ best _____ to _____?

I _____ with setting _____ thermostat _____ energy.

How _____ thermostat in a _____ is efficient?

Ask now if _____ guidance with _____.

Optimal _____?

_____ can _____ the thermostat to be _____?

Is there _____ reduce energy _____ thermostats?

_____ were requested _____ effective _____ adjustments.

Is it _____ me about setting _____ energy efficiency?

_____ suggestions _____ setting _____ to conserve _____.

What _____ to _____ my _____ temp more efficiently?

_____ know _____ thermostat _____ tricks?

Do _____ tips _____ to maximize _____ use using thermostats?

_____ best _____ in thermostats?

_____ optimal thermostat _____ reduce _____ costs.

What _____ ways _____ conserve energy _____ the thermostat?

Suggestions _____ setting home temps?

_____ my thermostat in a way _____ reduces _____?

_____ any suggestions on adjusting _____ for _____?

_____ thermostat use help _____ efficiency?

Suggestions _____ which thermostat _____ energy?

_____ thermostat energy savings

What _____ the best _____ set thermostat _____ optimal _____ savings?

_____ settings _____ save _____ most _____?

What _____ the _____ to maximize _____ through _____ thermostat use?

Tell _____ thermostat.

_____ set _____ temperature _____ peak _____ savings.

_____ can I modify my _____ energy _____?
 Is _____ information _____ thermostat temperatures for better _____?
 _____ there _____ cutting energy usage with _____ thermostat?
 Any _____ on _____ use thermostat _____?
 Suggestions _____ how _____ energy _____ thermostat _____.
 Do you think _____ for maximum savings?
 _____ possible _____ you _____ thermostat _____ tricks?
 How can we _____ with _____?
