

[Demo] NLP Dataset for Customer Service Automation

Company Type	Water and Wastewater Utility Companies
Inquiry Category	Leak detection and repair assistance
Inquiry Sub-Category	Leak detection methods
Description	Inquiries about the different techniques and approaches used by utility companies for detecting leaks in water and wastewater systems.
Data Size	6,941 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Water and Wastewater Utility Company" customer inquiry. (Purchased data will not be masked.)

How long _____ usually _____ for utility companies to identify _____ leaks _____ water _____ sewer _____?

_____ companies take a _____ time to _____ infrastructural _____ water?

Does a utility _____ long _____ and fix leaks?

_____ time do water and wastewater _____ spend _____?

How long _____ companies _____ find _____ infrastructure leaks?

Are _____ aware of the _____ frame _____ and fix _____ leaks?

How _____ for the _____ firms to _____ and _____ pipe leak _____?

Is _____ usual for Water _____ Wastewater Utility _____ and _____ issues?

_____ long does it usually take _____ detect _____ repair water _____?

_____ long _____ firms _____ repair _____ or sewer pipe leaks?

_____ think _____ to _____ and fix water or sewer leaks?

How long does it _____ for Water _____ to _____?

Do _____ usual duration that _____ to locate _____ infrastructure leaks?

How long _____ to identify and _____ the water _____ sewer _____?

_____ much time is it required _____ and _____ plumbing _____?

What _____ usual _____ for _____ and _____ leaks _____ water and _____ utility _____?

_____ long _____ for the _____ detect and _____ water or sewer _____?

_____ long would _____ utility companies to _____ and repair water _____ leaks?

_____ long does it _____ to _____ and _____ sewer leaks?

What is the average time it _____ water and _____ identify _____?

How long does the _____ and mend _____?

How much _____ it take utilities to _____?

How _____ water _____ sewer _____ take _____ resolve?

_____ timeframes do utility _____ need _____ resolve issues with _____ infrastructure?

What's _____ length of time taken by _____ find _____?

_____ there an established period _____ water/sewer _____ locate _____ repair _____ instances?

How _____ a _____ to _____ and _____ flaws within their _____ sewage networks?

_____ it take for _____ to resolve _____ leaks?

What's the typical time _____ for _____ to _____ leaks?

_____ wondered how _____ it _____ and fix _____ or sewer leaks?

_____ do utility _____ take to find and _____ leaks?

What is the _____ by utilities to _____?

_____ give an estimate _____ how _____ it will _____ for utility _____ and repair _____ your water _____?

What is _____ taken by utility firms to deal _____?

How _____ it _____ utilities _____ fix infrastructural leaks?

Does _____ a long _____ for a _____ sewer to _____ fixed?

How _____ utility companies _____ and _____ sewer and water _____?

How _____ needed for _____ water/sewer _____ issues _____ utilities?

_____ utility _____ take _____ fix leaks _____ their systems?

_____ it _____ the utility _____ to _____ leaks in _____ water _____ sewer systems?

Is _____ for Water and _____ Utility _____ solve leaks?

_____ long _____ companies typically need to _____ infrastructure leaks?

_____ it _____ for _____ Water & _____ Companies to _____ leak _____?

Do _____ know how long _____ for _____ to _____ and fix _____?

How _____ will _____ take to repair water _____?

_____ long does _____ take _____ utilities _____ identify _____ infrastructure leak?

How long does _____ take _____ companies _____ identify _____ fix leaks?

_____ organizations to find and repair flaws in _____ water or _____ networks?

Do _____ standard _____ for _____ discover and fix _____ leaks?

_____ long does _____ take _____ utilities _____ locate and _____ defects?

How long does it take _____ utilities _____ find _____?

_____ long _____ it _____ to _____ or sewer leak?

_____ a _____ time to _____ fix _____ in their water or sewer _____?

_____ normally take _____ utilities to fix _____ leaks?

How _____ it take _____ to _____ & fix _____ infrastructure _____?

_____ long are utility _____ able _____ detect and _____ leaks?

_____ utility _____ usually take to detect and fix _____ their _____ water _____?

How long _____ wastewater utilities to find _____ repair _____?

Can _____ give an estimate _____ long _____ take for _____ to _____ any _____ or sewer leaks?

How _____ it _____ the utilities to find and _____?

What is _____ needed _____ and repair _____ issues?

_____ time is needed for _____ identify and _____ defects?

_____ does _____ utilities to detect and fix cracks _____ pipes?

_____ take a while to _____ a _____ break?

_____ utility _____ long _____ to find and fix _____ their _____ and _____ networks.

Do you _____ takes for utility providers to _____ and _____ leakages _____?

Can you tell me _____ long to _____?

Is there _____ duration for water/sewer _____ to find _____ leakage _____?

_____ systems _____ by utilities _____ a _____ time to reconcile _____.

_____ long it _____ spot _____ repair sewer and _____?

What is _____ length of _____ to find and _____ leaks?

How _____ do utility companies _____ water or sewer _____?

What _____ the _____ for detecting & fixing _____?

_____ long _____ it _____ for utilities to _____ and _____ leaks in _____?

_____ the _____ time _____ for _____ to spot _____ fix _____ leaks?

What _____ the normal _____ of time _____ by _____ to _____ leaks?

_____ you _____ long _____ have to fix _____ leaks _____ their network?

What is _____ time taken by _____ to find _____ fix _____?

_____ it take to identify _____ solve _____ system _____?

How _____ for _____ to _____ water/sewer infrastructure leak?

_____ do _____ companies _____ to identify and _____ or sewer _____?

What is the normal _____ of time utilities _____?

How long does _____ utility organizations to _____ fix _____ in their _____?

What _____ average _____ of time _____ utility _____ to find _____ pipe leaks?

How long does _____ take a utility _____ and repair _____ leaks?

Do _____ the _____ duration _____ by _____ companies _____ locate and _____ infrastructure _____?

_____ will it _____ companies to detect and _____ and sewer infrastructure _____?

_____ utility companies _____ to resolve _____ water _____ sewerage infrastructure?

_____ utilities have to spot and _____ infrastructure _____?

_____ long does _____ for _____ to _____ water/sewer infrastructure _____?

_____ long it _____ fix water or sewer _____?

How _____ a utility firm take _____ sewer pipe leak?

Do _____ the standard time period for _____ to _____ pipe leaks _____?

How _____ time _____ a utilities _____ fix plumbing _____?

_____ is _____ average _____ for _____ detect and fix water _____ leaks?

Can _____ give an estimate of _____ it _____ utility _____ and _____ leaks in _____ water network?

_____ is the _____ wait time for _____ fixing _____ wastewater/ _____ utilities' _____?

What's _____ normal length of _____ utilities _____ find _____ leaks?

How long it _____ utilities _____ fix plumbing _____?

How long _____ to _____ repair any leaks in your water/sewer _____?

How long does it _____ utility _____ to find and _____ network _____?

How _____ does _____ take _____ detect and fix _____ owned by _____ utilities?

Water _____ firms can take long _____ locate _____ leaks.

_____ the _____ amount _____ time taken _____ utilities _____ find and _____ leaks?

_____ and _____ firms _____ a long time _____ find _____ fix leaks.

How _____ take _____ & fix water/sewer _____ leak _____ utilities?

Utility _____ have _____ typical _____ to _____ and fix _____ in _____.

What is the _____ of _____ have _____ identify _____ leak _____ in _____ systems?

_____ frame to reconcile _____ in water/sewer systems _____ by _____.

How long _____ companies _____ repair leaks?

How much time _____ for utilities _____ issues?

_____ typical _____ frame _____ utilities to fix _____ leaks?

How _____ the _____ companies typically _____ pipe leak instances?

How long _____ takes for _____ to _____ and _____?

_____ long do _____ companies usually _____ detect and fix _____ water and _____?

How _____ is needed to _____ water/sewer _____ issues _____?

Do _____ know the _____ time _____ in which _____ fix _____ their network?

_____ it _____ take for _____ companies to _____ leaks?

What _____ take to find and fix pipe leak _____?

_____ is the _____ length _____ time _____ utilities to find _____ lines?

Is _____ for utility _____ to find _____ repair _____ in water/sewer _____?

_____ is _____ usual time _____ for _____ identifying leaking _____ infrastructure?

_____ you give _____ estimate _____ long it _____ for _____ providers to _____ leaks _____ their _____?

A _____ to _____ to the water/sewer systems handled _____.

How long will _____ for _____ to detect _____ fix _____?

How _____ time do utility companies _____ and _____?

How long do _____ think it _____ take _____ & _____ Companies _____ and resolve _____ issues?

How _____ does it take _____ and fix _____ the _____ by the wastewater _____ water _____?

How long _____ it _____ to _____ leaks?

_____ it _____ average for _____ firms _____ find and address pipe _____?
 _____ you think _____ will take _____ providers to locate and repair _____ leaks in _____?
 _____ long _____ for _____ providers to _____ and _____ within your water/sewer network?
 How long _____ it _____ to fix plumbing _____?
 _____ long _____ it taking for utilities _____ leakage issues within _____?
 _____ time can water _____ sewer leaks _____ fixed _____?
 How long do _____ companies _____ and fix _____?
 _____ long _____ it typically take _____ to _____ and _____ water or _____ infrastructure _____?
 _____ does _____ companies usually find and repair _____ sewer _____?
 _____ durations _____ required to _____ and mend _____ breaks _____ utility bodies?
 _____ long _____ and sewer _____ usually _____ to locate _____ fix _____ leaks?
 _____ is the _____ time _____ identify and correct leakage _____?
 Did you know how long it _____ to _____ fix _____?
 How _____ does _____ take _____ utility _____ find and _____ in _____ water or sewer _____?
 _____ long does it take _____ organizations _____ repair their _____ networks?
 _____ would _____ know _____ it takes _____ utility _____ to discover and fix _____.
 What is _____ average _____ or detecting cracks _____ wastewater/water _____ pipes?
 How long _____ take _____ detect _____ fix water _____ leaks?
 _____ long _____ utilities _____ to identify and _____ plumbing _____?
 _____ long is needed _____ pipeline _____?
 How long does it _____ and _____ water _____ sewer infrastructure _____?
 _____ needed for _____ pipeline issues for utilities?
 Does it take _____ long _____ to _____ or _____?
 How _____ companies _____ to find and mend _____?
 _____ long does utility _____ and fix water or sewer _____?
 How long does it _____ to discover and _____ breaks _____ bodies?
 _____ typical _____ to reconcile _____ water/sewer systems _____ by utilities.
 How much _____ it take _____ providers _____ repair any leaks in your _____?
 How long _____ take for _____ companies _____ leaks in water and _____ pipes?
 _____ a long time _____ and fixing leaks?
 _____ time _____ utility _____ spend to _____ and fix water _____ sewer _____?
 _____ there _____ duration where _____ locate _____ repair pipe leaks?
 _____ long does _____ for the utility _____ and _____ infrastructure leaks?
 What _____ do utility _____ to resolve _____ and _____?
 How long _____ take for utility providers _____ locate _____ repair _____ water/sewer _____?
 How long do utility _____ and _____ or sewer leaks?
 _____ long will _____ take for utility _____ locate _____ leaks found within _____ water _____ network?
 _____ typical time taken to _____ the water/sewer _____ handled _____.
 How _____ it _____ for _____ to _____ fix infrastructure leaks?
 How _____ fix sewer _____ water _____?
 How much time is _____ taken _____ to fix _____?
 _____ it _____ to _____ damage to _____ water/sewer systems handled _____ utilities?
 What are _____ timelines for _____ leakage issues by _____ and _____?
 _____ long does it take _____ sewer leaks _____ fixed?
 _____ long _____ it _____ to fix _____ and sewer _____?
 How _____ it take _____ and repair leakage within _____?
 _____ long _____ it for the utility _____ detect and _____ water and _____?
 _____ companies take _____ to fix leaks _____ and sewer infrastructure?
 How long would _____ for utility _____ to find _____ fix _____?
 How long _____ take a _____ to _____ leaks?

_____ it _____ for utility providers _____ fix leaking systems?

What _____ time _____ to _____ and fix leaking lines?

_____ you _____ the _____ discover and fix pipe leaks _____ network?

How long _____ it take _____ utility companies _____ their infrastructure?

How _____ it take for utilities _____ fix _____ infrastructure _____?

How long _____ it take _____ companies _____ leaks _____ their _____ sewer _____?

_____ there _____ established duration _____ which _____ companies _____ locate and repair _____?

Do _____ know how _____ utility providers _____ and repair _____ within _____ water/sewer network?

How _____ a _____ take _____ resolve _____ or sewer system _____?

_____ is _____ usual _____ for _____ to fix infrastructure _____?

_____ for _____ companies _____ find _____ fix _____?

_____ is the average _____ for _____ and fixing _____ in _____?

_____ does it _____ a utility to fix _____?

How _____ will _____ take _____ utility _____ detect _____ repair water _____ sewer leaks?

Do utility companies take a long time _____ their _____?

_____ like _____ how long it _____ for utility providers _____ discover and _____.

How long _____ it _____ utility _____ and _____ and sewer leaks?

_____ and sewer utility firms _____ long time _____ locate _____ leaks.

How _____ do _____ it will take _____ utility _____ and fix any leaks _____ network?

Can _____ tell _____ how _____ it _____ for _____ to _____ infrastructure leaks?

_____ utility _____ a long time to _____ leaks?

How long _____ take _____ companies to _____ repair leaks?

_____ companies take a _____ to _____ repair _____ and sewer leaks?

How _____ take _____ the water _____ utilities to identify _____ fix leaks?

_____ the time needed _____ water/sewer _____ issues?

_____ time _____ it _____ water and wastewater utilities to _____?

_____ does _____ take for _____ to _____ and _____ pipe leaks?

_____ is _____ average amount of _____ utilities have to _____ leaks in _____?

How long _____ take to _____ infrastructural leaks?

How long _____ takes _____ detect and fix leaks _____ water _____ systems?

What _____ the _____ time _____ to _____ and _____ leaks _____ utility firms?

Is there _____ established _____ for water/sewer companies _____ pipe?

_____ long _____ utility companies _____ to fix water _____ leaks?

_____ you know the standard _____ frame _____ utilities _____ correct pipe _____?

How long _____ take _____ utilities to fix _____ detect cracks in _____?

What _____ the average time it takes _____ identify and _____ system?

_____ long does it take _____ to _____ leaks _____ water/sewer pipes?

How long _____ it take to _____ fix _____ the _____ system?

_____ long do utility firms _____ to _____ pipe leak _____?

How _____ is _____ on _____ for _____ wastewater utilities to _____ and _____?

_____ utility _____ to find and fix water/sewer _____?

How long _____ utility companies _____ find _____ or _____ leaks?

_____ it usually take for utility providers _____ fix _____ in _____ systems?

How _____ do utility _____ take _____ locate _____ infrastructure _____?

What _____ average duration for water and _____ fix _____?

_____ it take to _____ and repair leaks within _____?

_____ time _____ spent by utilities on _____ fixing plumbing _____?

How long _____ it _____ detect _____ water/sewer infrastructure leaking?

How long does it take _____ company _____ detect _____?

How long is _____ utilities _____ and _____ sewer infrastructure leaks?

_____ will _____ take _____ utilities _____ fix water/sewer infrastructure _____?

How _____ can utilities take _____ leaks?

How long does _____ take _____ water and wastewater _____?

_____ it take for _____ providers to locate _____ fix _____?

_____ typical times _____ companies to detect _____ fix water _____ sewer _____?

What _____ amount of time _____ utilities to _____ resolve leak?

_____ long is it _____ for _____ to _____ and _____ infrastructure _____?

_____ know the standard _____ which _____ discover and _____ pipe leaks?

How _____ is required _____ companies _____ and _____ infrastructure leaks?

_____ the time _____ to uncover/repair _____ issues?

Are _____ how _____ it takes to spot _____ water or _____?

How _____ time _____ utility companies _____ and sewer _____?

What _____ the average _____ of _____ by utility firms _____ address pipe _____?

_____ you think it takes to _____ and repair _____ infrastructure _____ utility bodies?

How _____ take _____ to fix _____ sewer system leaks?

_____ for _____ wastewater utilities to identify and repair leaks?

Do you _____ long it takes _____ detect _____ repair water _____ leaks?

_____ it normal _____ sewer _____ to take long to find and _____?

_____ you _____ takes _____ to discover _____ fix pipe leaks?

_____ long _____ utilities _____ to _____ and fix _____ their network?

What time _____ find and _____ water _____ sewer leaks?

_____ is _____ for _____ find and repair leaks?

What is the _____ to uncover/repair _____ sewer _____?

I want to know _____ long _____ takes for utilities _____ discover _____.

How long does _____ utility _____ to _____ and _____ pipeleak _____?

How long _____ companies _____ to _____ fix _____ or sewer _____?

_____ times do _____ need _____ water _____ sewerage issues?

_____ time _____ it typically _____ fix those _____ leaks?

How long _____ deal with water or _____ leaks?

How _____ does _____ to _____ and fix water _____ leaks?

_____ does it take for _____ companies to _____ to _____?

_____ long _____ utilities _____ to _____ or sewer pipe leaks?

_____ long _____ it _____ for utilities _____ identify and _____ water _____ sewer _____?

Can _____ me how long _____ will take _____ water _____ leaks?

_____ does it take utilities _____ find _____ fix _____ leaks _____ network?

_____ is _____ of _____ utilities take to _____ fix pipe leaks?

Do water and sewer _____ a long _____ leaks?

_____ long does _____ take for _____ spot _____ fix _____?

Do you know how long _____ for utility providers to _____ systems?

_____ long _____ it for utility _____ find _____ or _____ pipe leaks?

_____ duration for _____ infrastructure _____ by _____?

How long _____ take for _____ companies _____ repair _____ or sewer infrastructure _____?

How _____ taken for utility companies to _____ leaks?

_____ long is _____ required _____ utility _____ to locate and _____ infrastructure _____?

_____ long does _____ for _____ & Wastewater _____ resolve leaking issues?

_____ the _____ amount of _____ taken by _____ to find and _____?

How long _____ utility companies _____ find _____ leaks in _____?

What _____ length _____ taken by utility _____ to find and _____ leak _____?

_____ is _____ the utilities to detect _____ fix water or _____?

How _____ do _____ take to _____ and fix water _____ system _____?

_____ water _____ sewer _____ firms take long to _____ fix _____?
 How _____ it to detect _____ leak by _____?
 Is there _____ established _____ water/sewer _____ to locate and fix _____?
 _____ is the _____ of time it _____ utility _____ discover and fix leaks in _____?
 _____ long should _____ take _____ water and sewer _____ issues?
 _____ water and _____ utility _____ a long time _____ their _____?
 _____ is it for utility _____ to _____ and _____ leaks _____ water _____?
 How _____ does water/sewer _____ usually _____ repair _____ instances?
 _____ duration _____ utility companies usually find _____ or sewer _____?
 _____ long does _____ fix sewer or _____ leaks?
 _____ long _____ it _____ for utilities _____ find _____ resolve pipe _____?
 How _____ would it take _____ detect and _____ leaks?
 Do _____ time frame for _____ discover and fix _____ leaks?
 _____ duration _____ detecting and _____ water/sewer infrastructure leaks?
 How _____ water _____ sewer _____ are _____?
 How long _____ for water _____ sewer line _____?
 _____ there _____ established duration _____ companies to find _____ pipes?
 How much _____ does _____ and wastewater _____ to _____ identify leaks?
 How long _____ it take for _____ to identify and _____?
 _____ want to know how long it _____ fix leaks _____ their systems.
 Can _____ tell me the _____ takes to _____ mend infrastructure _____?
 How long _____ takes for utility _____ water _____ sewer infrastructure _____?
 How _____ does _____ to _____ and fix water _____ sewer _____?
 Do you _____ it _____ to _____ and repair sewer _____?
 _____ does _____ to _____ damaged pipes in water/sewer _____ by utilities?
 What _____ the average wait _____ for _____ fixing _____ the pipes of _____?
 _____ long it takes _____ utility _____ detect _____ and sewer infrastructure _____?
 Where does it _____ utility _____ to _____ fix flaws _____ their water _____?
 _____ does it _____ water and wastewater _____ to _____ and identify _____?
 How long does _____ for water and _____ utility companies _____?
 How _____ utility companies spend _____ detect and fix _____ sewer _____?
 _____ long does _____ utilities to detect and _____ in the _____ sewer _____?
 _____ long do _____ it will _____ utility _____ to locate _____ any leaks _____ in _____ water network?
 _____ is the average _____ it takes for utility companies _____ water _____ sewer _____?
 What is the _____ time _____ to _____ flaws in _____ water or _____ networks?
 How long _____ to discover _____ fix _____ sewer line _____?
 _____ much time _____ take for utility providers _____ locate _____ any leaks _____ your _____?
 The wait time _____ detecting _____ fixing _____ in _____ wastewater/water _____ unknown.
 _____ long _____ it _____ take for _____ companies _____ detect _____ their water and sewer systems?
 _____ is _____ average time utilities take _____ correct leak issues _____?
 _____ long does _____ take _____ companies to fix _____ in _____ water _____ sewer _____?
 Can you _____ an _____ time _____ will take _____ to locate _____ repair leaks in _____ water/sewer _____?
 Do _____ take for _____ to _____ and repair any leaks within _____ water/sewer network?
 Do _____ know _____ long it _____ for _____ providers to _____ leaks?
 How long does _____ for the _____ find _____ address pipe _____?
 How long _____ to discover and fix _____?
 _____ the standard time frame when utilities _____ and _____ pipe _____ network?
 _____ you tell me how _____ it takes _____ to _____ and _____?
 How _____ for utility _____ discover and _____ water or sewer _____?
 How _____ does water _____ sewer utility firms _____ leaks?

_____ long _____ for utility _____ to _____ and resolve _____ sewer leaks?
 How long _____ it _____ Water & _____ and resolve leak issues?
 How _____ it take _____ a _____ company to _____ a _____?
 _____ take for utility _____ to _____ and mend _____ leakages?
 How long _____ it for _____ companies to _____ and _____ in _____?
 _____ long _____ it take utilities to _____ water or _____ system _____?
 _____ long does _____ to _____ and mend _____ the water or _____?
 _____ long do _____ companies usually _____ leaks?
 _____ long _____ take to detect and _____ water or _____ pipe _____?
 How long _____ it take _____ companies to detect _____?
 How _____ it _____ to detect and _____ water and sewer _____?
 What _____ average _____ it takes for _____ to _____ leaking pipe?
 How long _____ for _____ to detect _____ water/sewer infrastructure _____?
 How long _____ and mend _____ or sewer leak?
 _____ sewer _____ tend to _____ long time to _____ fix leaks.
 _____ does it _____ to identify _____ in the water and _____?
 _____ average, _____ long _____ for water and _____ utilities to _____ fix leaks?
 How long _____ utility companies spend _____ detect _____ or sewer?
 How _____ will _____ take to _____ and fix _____ infrastructure _____?
 _____ long does _____ utility _____ to _____ fix leaks in water _____?
 How _____ does _____ usually take _____ companies _____ or identify _____?
 Within what time _____ companies find _____ water _____ sewer _____?
 _____ long does _____ for _____ companies _____ fix _____ detect _____ in their _____ sewer systems?
 _____ long _____ take for _____ organizations _____ fix _____ in their sewage and _____?
 _____ you _____ long utilities _____ to discover and _____ leaks on _____?
 How _____ Water & Wastewater _____ to _____ leakage issues?
 Does _____ long _____ to repair _____ or sewer?
 How long _____ it _____ for _____ firms _____ address _____ issues?
 _____ does it usually take the _____ detect _____ fix _____ or _____ leaks?
 How _____ do utility firms typically _____ or sewer _____?
 How long do _____ to _____ and _____ infrastructure leaks?
 _____ long does it take _____ and _____ companies _____ and repair _____?
 _____ does it take for _____ and fix _____ leaks?
 _____ long does _____ for Water and _____ Utility Companies _____ leakage issues?
 What _____ the _____ taken _____ utility firms _____ find and _____?
 _____ duration _____ detecting _____ fixing water/sewer infrastructure _____ by utilities.
 How long _____ take to _____ and _____ leaking issues?
 _____ long does water _____ sewer utility firms _____ fix _____?
 How _____ it takes _____ utilities _____ and _____ plumbing _____.
 Is _____ for _____ and wastewater utility companies _____ resolve leakage _____?
 How long will _____ take _____ and fix _____ infrastructure _____?
 _____ the average time _____ by utility firms _____ find _____ leaks?
 _____ is _____ of time that utilities take _____ and _____ leak?
 _____ you give _____ of how _____ will take _____ to _____ repair _____ leaks found within _____ water network?
 _____ utility companies _____ to resolve _____ with the _____ sewerage infrastructure?
 _____ long _____ it _____ utilities _____ find _____ fix flaws in _____ water or _____?
 What _____ the _____ time _____ by _____ firms to _____ and _____ issues?
 _____ long _____ utilities take _____ detect _____ or sewer leaks?
 How _____ it _____ to find and fix water _____ network _____?
 _____ you give an _____ of how _____ it _____ for utility _____ repair leaks in _____ water _____?

_____ know the standard _____ frame for utilities _____ discover _____ repair _____ ?
 _____ does _____ water _____ sewer utility _____ find and fix leaks?
 Do _____ tend to take a _____ time _____ fix _____ ?
 _____ the average time _____ for _____ companies to _____ water or sewer _____ ?
 How _____ does _____ a _____ to _____ leaks in _____ water or sewer _____ ?
 _____ you _____ standard _____ frame _____ discover and _____ pipe leaks?
 How long _____ utility companies have _____ take _____ and _____ ?
 _____ much time _____ required to discover _____ pipe _____ in infrastructure _____ bodies?
 Can you give _____ estimate _____ it _____ detect and fix _____ sewer _____ leaks?
 Do _____ companies take _____ long _____ fix water or sewer _____ ?
 _____ long does it _____ to resolve _____ identify _____ system _____ ?
 _____ is the _____ taken by utilities _____ solve leak?
 _____ the normal _____ taken by _____ to resolve leak?
 _____ long _____ companies _____ fix water and _____ leaks?
 _____ it _____ a long _____ or sewer _____ be fixed?
 How long does _____ utilities to _____ and _____ infrastructure _____ ?
 Can you tell me _____ durations required _____ and _____ ?
 How long _____ take _____ utility companies _____ and _____ in _____ pipes?
 What is _____ for identifying and _____ in _____ utility infrastructure?
 _____ long _____ companies _____ to _____ water/sewer pipes?
 How long _____ utility companies take _____ leaks?
 How _____ do utilities _____ to _____ and _____ sewer _____ leaks?
 _____ long _____ utility _____ repair water and sewer _____ leaks?
 _____ long _____ it _____ utility companies _____ and fix leaks _____ and water _____ ?
 Does _____ and sewer _____ time to _____ and fix their leaks?
 How _____ water or _____ by utilities?
 _____ long are _____ sewer leaks _____ utilities?
 _____ much time does it _____ utilities to _____ plumbing _____ ?
 How long _____ take _____ to find and fix water _____ ?
 _____ time _____ it _____ utilities _____ and resolve water _____ system leaks?
 Can _____ me how long _____ water _____ ?
 How long will it usually _____ providers _____ and _____ their systems?
 _____ for resolving leak issues by _____ and _____ companies?
 _____ you _____ utility companies to detect and repair _____ sewer infrastructure _____ ?
 Do you know the _____ fix pipe leaks?
 How long do _____ damage _____ the water/sewer _____ ?
 _____ long _____ utility firms usually take _____ repair _____ or _____ ?
 _____ long _____ it _____ for a _____ to _____ leaks?
 How _____ it take _____ to identify and _____ sewer system _____ ?
 _____ much _____ is _____ for water _____ wastewater utilities _____ and _____ leaks?
 How long _____ for utilities to _____ fix water _____ sewer _____ ?
 _____ will it take _____ utility providers _____ locate and fix _____ found within _____ ?
 How _____ it takes utilities _____ identify and _____ system _____ ?
 Are utility _____ usually _____ to find _____ repair _____ and _____ pipes?
 _____ does utility _____ water and sewer leaks?
 _____ does it take _____ utility _____ mend flaws within _____ sewage networks?
 _____ water _____ utilities take _____ time to _____ their leaks?
 What timeframe _____ to _____ issues _____ or sewerage infrastructure?
 _____ long _____ utility _____ take to find _____ leaks?
 What is _____ find _____ fix pipe leaks _____ utility firms?

What _____ average _____ utilities have _____ identify _____ within their systems?
 _____ companies _____ long _____ to repair leaks?

What _____ time _____ uncovering/repairing water/sewer _____ issues?

What is _____ average _____ for _____ to _____ and fix _____ in _____ systems?

Do _____ a _____ detect and _____ leaks _____ their _____ and sewer infrastructure?
 _____ the _____ take a long _____ to _____ leaks?

How _____ it for utility _____ and mend _____ leaks?

Does it take _____ water _____ leaks?

What is the normal _____ by _____ and resolve leaks?
 _____ the normal _____ of time taken _____ utilities to _____?
 _____ it for _____ to find and _____ leaks?

How _____ does it take for utility _____ and _____ sewer _____?
 _____ much _____ do utilities _____ find underground _____ or sewage _____?

Is _____ for water and sewer _____ firms to take long _____?

How long _____ utility _____ take to _____ water _____ sewer _____?

How _____ does _____ firms _____ and _____ pipe leaks?
 _____ me how long _____ will _____ for utility providers to _____ repair leaks within _____?

How much _____ utilities _____ to fix _____ defects?
 _____ long do utility _____ normally _____ fix _____ or _____ leaks?
 _____ it take for _____ to _____ and fix leaks _____ their _____?
 _____ long does it _____ take for _____ to fix _____ sewage networks?
 _____ long do _____ firms take _____ and _____ leaks?
 _____ long does it take for _____ fix _____ their _____ or sewage networks?
 _____ long do _____ to find _____ leaks?

_____ is the typical time _____ utility companies _____ fix _____ or sewer systems?

How long _____ it take _____ spot _____ leakages?

How long does it _____ resolve _____ leaks?
 _____ long _____ to identify and _____ leaking _____ utility infrastructure?

How long do you think _____ for utility _____ to _____ and _____ leaks _____ your _____?

_____ is the typical time for _____ to _____ their systems?
 _____ long _____ utility companies to _____ and fix _____?
 _____ for utility providers _____ locate _____ repair _____ leaks in your _____ network?

How _____ do water _____ utility firms usually _____ to _____ leaks?

How long _____ detecting _____ fixing _____ infrastructure leakage?
 _____ know the standard time _____ utilities _____ and fix _____?

How _____ fix leaks in the water and sewer?

Do _____ long it takes _____ to discover _____ leaks on _____ network?
 _____ do utility _____ usually take to _____ or sewer systems?
 _____ does _____ take _____ to identify _____?

Do _____ know the standard _____ for _____ on their network?

A _____ timetable to reconcile _____ water/sewer _____ by utilities?

What lengths of _____ taken _____ utility _____ find _____ pipe leaks?
 _____ much time do utility _____ spend fixing _____?
 _____ much time _____ have to _____ and _____ plumbing _____?

What _____ time _____ for utilities _____ discover _____ repair infrastructure _____?

Are _____ companies _____ able _____ and _____ infrastructural _____ in water?
 _____ it _____ and _____ utility firms to _____ long time to locate _____ fix _____?
 _____ do you _____ take for _____ wastewater utility companies _____ leakage issues?

Do you know _____ standard _____ for utilities _____ and _____ pipe leaks _____?
 _____ does it take for _____ to _____ and repair _____ or sewer _____?

_____ do _____ need to resolve _____ or sewerage _____?

How long does it _____ to _____ water or _____ infrastructure _____?

How much _____ does it _____ for utility _____ find _____ address _____?

How long does _____ take for utility _____ to _____ and _____?

_____ does _____ take to _____ water or sewer _____?

_____ companies to detect and fix leaks _____ their water or sewer _____?

_____ you _____ long it will _____ utility providers _____ repair any leaks _____ your water/sewer _____?

_____ usual _____ period _____ and _____ in utility infrastructure?

How _____ should _____ and fix water/sewer line issues?

_____ long _____ takes for _____ and _____ utilities _____ fix leaks _____ their _____?

_____ long will _____ take for _____ to discover _____ fix leaks _____?

_____ long _____ utilities usually find _____ fix _____ leaks?

_____ do utility companies usually _____ and correct _____ and _____?

_____ the times _____ utility _____ need _____ resolve issues _____ and sewerage _____?

_____ there usual _____ for resolving leaks by water _____?

_____ the _____ take to _____ and _____ leak issues in _____ system?

_____ there an _____ duration _____ water/sewer _____ repair pipe leak _____?

_____ does it take _____ organizations to find _____ fix _____ their water _____ networks?

How _____ it _____ to _____ a water or sewer _____?

_____ needed for uncovering/repairing water/sewerpipe issues _____?

Do _____ time _____ which utilities _____ and fix pipe leaks _____ their _____?

_____ are _____ for utility companies _____ issues _____ water or _____ infrastructure?

How _____ it take for utilities _____ fix _____?

Does _____ sewer _____ firms take a long _____ and fix _____?

_____ it _____ utility organizations to _____ mend _____ water or sewage networks?

How _____ does _____ take for _____ find _____ mend _____ leaks?

_____ long does _____ to _____ damage in _____ systems _____ by _____?

Is it _____ for _____ to _____ mend _____ a long time?

_____ it _____ utilities to identify _____ sewer system leaks?

How _____ it _____ for water _____ wastewater utilities _____ repair _____ their _____?

_____ it _____ utilities _____ resolve water and sewer system _____?

_____ can it take _____ identify and _____ plumbing defects?

What's the typical _____ utilities to _____ repair _____?

How _____ time _____ required _____ to _____ and _____ leakage _____ their systems?

_____ are the _____ resolving water _____ wastewater leak _____?

_____ long do _____ companies take _____ fix leaks?

_____ long is _____ to uncover/repair _____?

How _____ it _____ take _____ identify _____ fix infrastructure leaks?

Is _____ estimate of _____ it will take _____ to _____ and _____ leaks within your water/sewer _____?

_____ is _____ average _____ it takes _____ firms _____ and _____ pipe leaks?

How _____ does it _____ utilities to _____ sewer _____ leaks?

_____ it take for utilities _____ correct _____ defects?

_____ usual time frame _____ utilities _____ and repair infrastructure _____?

Water and _____ utility firms often _____ time to _____ and _____.

_____ long is it _____ taken _____ utility companies _____ infrastructure _____?

How _____ does it _____ for water and _____ and repair _____ systems?

_____ the _____ it takes _____ utility organizations _____ fix _____ water or _____ networks?

_____ is _____ standard time frame within _____ discover _____ fix _____?

_____ long does _____ take for _____ and _____ utilities _____ and fix _____?

_____ is _____ for _____ and fix leaks in _____ and sewer systems?

____ utility ____ take ____ long time ____ and repair ____ in ____ infrastructure?
 Do ____ firms ____ a long ____ to ____ and fix leaks?
 Do ____ take a long time ____ fix leaks?
 ____ long do ____ firms take to ____ and repair ____ pipe ____?
 How long does it ____ to ____ cracks in the pipes ____?
 How ____ it ____ to detect ____ cracks ____ pipes owned ____ Water utilities?
 How long does ____ to ____ and ____ sewer ____ leaks?
 ____ will it ____ for utility providers to find ____ and ____?
 ____ long ____ utility companies take to ____ and ____?
 ____ does ____ take ____ utilities ____ identify and repair infrastructure ____.
 ____ long ____ take to identify and ____ water or ____ infrastructure?
 Can ____ tell me how long ____ for utility ____ find and ____ in ____?
 ____ does it normally ____ for utility ____ and ____ water ____ infrastructure leaks?
 Water ____ sewer firms typically ____ a ____ to ____ and ____.
 How long does ____ for ____ companies ____ sewer leaks?
 Do ____ a ____ to repair and detect ____?
 How ____ is it for utility ____ to ____ in ____ pipes?
 How long do ____ Wastewater ____ Companies ____ and resolve ____?
 ____ utility companies to ____ and ____ water or sewer leaks?
 ____ standard wait time ____ fixing ____ in ____ pipes is unknown.
