

[Demo] NLP Dataset for Customer Service Automation

| | |
|-----------------------------|---|
| Company Type | Natural Gas Companies |
| Inquiry Category | Energy efficiency programs and incentives |
| Inquiry Sub-Category | Rebates |
| Description | Customers inquire about the available rebates for purchasing energy-efficient appliances and equipment. These rebates help incentivize customers to make environmentally friendly choices and lower their energy usage. |
| Data Size | 11,229 paraphrases |
| Want to buy data? | Please contact nlp-data@gross.me via your business email address. |

Masked sample paraphrases of one "Natural Gas Company" customer inquiry. (Purchased data will not be masked.)
