

[Demo] NLP Dataset for Customer Service Automation

Company Type	Natural Gas Companies
Inquiry Category	Requesting historical usage data
Inquiry Sub-Category	Equipment performance evaluation
Description	Customers experiencing equipment malfunctions or inefficiencies may request historical usage data to identify patterns, diagnose problems, and evaluate the performance of gas-powered appliances or HVAC systems.
Data Size	5,034 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Natural Gas Company" customer inquiry. (Purchased data will not be masked.)

_____ access my past usage _____ appliance performance?

_____ want _____ look _____ how _____ affected my _____ powered items.

Can _____ former use patterns _____ see _____ they affected _____ items.

_____ it _____ to check _____ gas _____ to _____ how my _____ are performing?

_____ possible _____ previous _____ device efficiency?

Is it _____ access past _____ appliances?

_____ like _____ be able _____ examine _____ historical _____ device usage.

_____ to evaluate the effectiveness of those _____ gas _____ past _____?

Is _____ way _____ evaluate previous gas _____ device _____ recorded _____?

_____ tell _____ how _____ gas _____ performed over the _____?

_____ would _____ look at past _____ info _____ gas-powered _____.

I _____ to review _____ data for _____.

Is it _____ to _____ old usage logs _____ efficacy?

Is it possible _____ access _____ for _____ appliances?

I would _____ in examining my _____ gas _____.

I _____ to retrieve past usage data _____ performance.

Is _____ possible to review _____ performance of _____ past?

_____ one _____ past _____ gas appliances?

Can I check the _____ patterns _____ gas _____ see how _____ affected _____?

Access is requested _____ past _____ data _____.

_____ I review _____ of _____ appliances?

_____ it possible _____ access old usage logs _____ assess _____?

I am interested _____ checking _____ gas _____.

_____ if _____ my old usage _____ to _____ how gas _____ perform.

We _____ have _____ review _____ and performance metrics from older _____.

_____ past logs available to _____ evaluate _____ of _____ by _____?

Can I _____ past usage _____?

Do I need to _____ previous _____ data to _____?

I would like ____ see old ____ appliances.

Is ____ possible to ____ old ____ for ____ appliance?

Is ____ a ____ analyse past usage ____ appliances?

I ____ to ____ how ____ patterns affected ____ gas powered ____.

I ____ like ____ at past usage ____ devices.

____ I ____ able to ____ usage data in terms ____ performance?

I ____ if I ____ old gas numbers ____.

____ you ____ access ____ old usage ____ that ____ an ____ of ____ efficacy?

____ know ____ past logs ____ used ____ evaluate ____ effectiveness ____ powered by gas?

____ it possible ____ analyze ____ of gas-powered ____ in ____ past?

Is ____ old ____ data to see how ____ appliances perform?

Do I ____ at past ____ on ____ powered devices?

____ was wondering ____ could ____ uses of ____ devices.

____ it possible to use ____ logs ____ assess gas ____?

____ you ____ is possible ____ analyze ____ usage for gas ____?

Is ____ possible to check ____ gas ____?

____ I ____ past usage ____ for gas-powered devices?

____ the old data ____ the gas ____?

Can I look ____ the ____ affected ____ items?

Is ____ possible ____ assess prior ____ gas appliances?

Can ____ review ____ previous performance ____?

____ it possible to ____ data of gas ____?

Can you let me ____ the ____ of ____?

____ I ____ prior ____ analyze gas ____?

Is it possible ____ retrieve ____ to ____ gizmos based on ____ derivatives are ____ the prior ____?

____ can examine my historical gas ____ usage.

____ past appliance ____ for ____?

____ want to ____ performance ____ previous gas appliances.

Will I be able to inspect ____ see ____ affected ____ items?

____ there a way to ____ device ____ recorded data?

Is ____ to get historical ____ about ____ appliance ____?

Retrieving ____ for ____ gas ____?

____ out ____ past ____ device usage?

____ it be possible ____ evaluate previous ____ efficiency ____ recorded ____?

____ wonder if I ____ see ____ data on ____ gas ____.

____ it ____ to ____ from archives ____ how effectively various gizmos ____ on petroleum ____ operated ____ different ____?

____ records ____ looking at how ____ did over time?

____ there ____ available to evaluate ____ effectiveness ____ by gas?

____ it ____ review old data ____ appliances?

I ____ to ____ the ____ of gas-powered devices.

____ past ____ available ____ that I can evaluate the ____ those ____?

____ it possible ____ previous gas ____ usage ____?

____ it ____ the ____ on gas appliance performance?

Is it ____ to ____ my ____ usage ____ see ____ gas appliances are ____?

Is it ____ to analyze ____ of ____?

____ gas ____ with ____ past usage.

____ to ____ data on my old ____ usage?

What about old ____ that can ____ gas ____ efficacy?

____ it ____ to ____ the ____ usage data to ____ how my ____ are ____?

Is ____ a ____ historical ____ understanding gas appliance influence?

Is ____ possible ____ check ____ gas ____ data ____ how ____ appliances are ____?

I ____ know if ____ examine ____ device usage.

____ you ____ access ____ usage ____ that could be used ____ assess gas ____?

____ it possible ____ previous gas-powered ____ from ____ data?

Can ____ look ____ been affected by the former ____ patterns?

Would I be ____ analyze ____ uses ____ gas-powered ____?

____ it ____ at the previous ____ to review ____ appliance ____?

____ I review ____ performance of ____?

____ to old usage logs ____ be ____ assessment ____ gas ____ efficacy.

____ it possible ____ from ____ to ____ gizmos based on petroleum ____ during different ____ periods?

I ____ to ____ old gas ____ appliances.

____ I ____ my old ____ to ____ if ____ gas ____ are ____ well?

____ possible to assess ____ use of ____?

Is ____ way ____ evaluate previous ____ device ____ using recorded ____?

____ possible ____ analyse my past usage data ____ terms of ____?

____ see prior usage ____ for my gasoline ____?

____ there a ____ gas-powered device efficiency?

Is ____ possible to ____ prior ____ to evaluate ____ performance?

____ to past ____ data ____ gas ____.

Are we ____ to review historical run-time and ____ older ____?

Will ____ be ____ to analyze ____ of ____ appliances?

____ to look ____ the ____ patterns affected my gas powered ____.

Is ____ possible ____ prior ____ statistics for my ____?

Do ____ to my ____ appliance usage?

Is it ____ check to ____ how ____ gas ____ performing?

____ possible ____ evaluate past ____ usage?

____ possible ____ retrieve ____ to scrutinize ____ gizmos based on ____ were operated in the past?

Will I ____ to analyse ____ data ____ relation ____ gas-powered appliance ____?

I ____ interested ____ past usage info ____ efficiency.

Is ____ use my ____ data to analyze gas-powered ____?

____ wondering ____ I can check my ____ data ____ how my ____ performing.

Can I ____ how former ____ my gas-powered ____?

____ me information ____ the performance of gas ____ in ____?

Access to previous ____ gas ____?

____ way to look past data ____ gas ____?

____ it possible to ____ metrics ____ my appliances?

Is ____ possible ____ at prior ____ gas appliances?

____ possible to ____ gas-powered ____ efficiency?

____ you willing to ____ to ____ logs in order ____ gas ____ efficacy?

Should ____ be ____ examine my ____ device ____?

____ want to ____ historical data for ____ gas ____.

____ analyse ____ usage ____ for ____ appliances?

Is ____ possible to ____ for gas ____.

Should I ____ examine my ____ gas device ____?

____ evaluate previous gas-powered ____ efficiency with ____?

____ need ____ for ____ gas ____ performed over time.

____ efficacy of gas ____ past ____.

Will I ____ to ____ gas appliance ____ by retrieving ____?

Is ____ way to analyze ____ use of ____?

Will my ____ usage ____ allow ____ to analyse ____ appliance ____?

_____ to analyze past uses of _____?

_____ retrieve historical data _____ understanding gas _____ influence?

I _____ like _____ usage _____ gas powered devices.

Is _____ possible _____ retrieve previous usage _____ analyze gas _____?

_____ I look at the _____ usage _____?

_____ I _____ old usage data _____ my _____ appliances perform?

I _____ I can _____ usage data for gas-powered _____.

_____ I look at _____ use patterns and _____ how _____ my _____?

_____ possible _____ find past information about _____?

_____ like _____ examine past usage info on _____.

_____ it _____ to look into previous usage _____?

_____ able _____ look at historical run-time and _____ from _____ machines?

Might _____ prior _____ gas appliances?

_____ think _____ is _____ to analyze past _____ of gas _____?

I _____ to _____ previous _____ performance.

Has it been possible _____ evaluate _____ device efficiency _____?

Access _____ usage _____ could be _____ to assess _____ appliance _____.

_____ my old gas usage data _____ see _____ appliances are _____?

Access _____ analyse gas _____.

Is it _____ to _____ the efficiency of _____ devices _____?

Is _____ a way _____ analyze _____ uses of _____?

I _____ that show how gas _____ over _____.

Is _____ possible _____ view _____ data _____ gas appliances?

_____ to old usage _____ enable _____ assessment of _____ efficacy.

I wonder _____ can _____ gas _____ data.

I _____ if I can _____ for gas _____

Is _____ possible to _____ past _____ appliances?

Is _____ see _____ gas-powered device _____?

_____ a _____ access the _____ data _____ gas appliances?

Is it possible to _____ data _____ gas _____?

_____ it possible _____ use _____ usage _____ analyze gas-powered _____ performance?

Is it _____ analyze _____ of gas-powered _____ previously?

_____ any way _____ analyze previous _____ gas-powered devices?

_____ possible _____ evaluate the past usage _____ appliances?

Is there _____ review old _____ gas appliance analysis?

Will _____ be able to analyse _____ data to _____ how _____ gas-powered _____?

Would _____ possible _____ access _____ data _____ gas appliances?

There _____ chance we can _____ historical _____ performance _____ older _____ machines.

I _____ if I _____ previous _____ of _____ devices.

I was wondering _____ could analyze _____ use _____ devices.

I was wondering _____ my previous _____ data _____ appliances.

Can I _____ patterns to _____ how _____ gas powered items.

_____ wonder if _____ can examine my _____ gas _____.

Is _____ possible _____ evaluate _____ devices?

Can _____ use _____ gas usage data _____ see how well _____?

Should I look into _____ my gasoline _____?

Would you allow _____ to _____ fuel equipment performance?

Is it _____ previous usage _____ gas appliance performance?

Do _____ examine _____ usage info on _____ devices?

_____ possible to _____ previous usage data _____ look _____ performance?

_____ if _____ can _____ my gas appliance _____ data.

Is _____ possible _____ analyse _____ usage _____ in _____ of _____ powered appliance _____.

_____ curious _____ I can _____ gas statistics for my _____.

Can _____ check my _____ patterns to _____ how _____ my _____ items?

Is there _____ way _____ how _____ gadgets performed _____?

Do _____ have _____ to the _____ logs that _____ assessment _____ gas appliance _____?

_____ have any records for _____ gadgets performed _____ time?

_____ be willing to _____ me _____ data on _____ equipment _____?

Is _____ possible _____ info on _____ devices' efficiency?

_____ would _____ to _____ if there is _____ way _____ access past _____ our gaseous machines.

_____ efficacy _____ gas _____ if you can access _____.

Can I look at how _____ use _____ items?

_____ possible to _____ of gas-powered devices?

_____ to _____ to see how my gas appliances are _____?

_____ it possible to _____ prior data _____?

_____ I _____ at the former use _____ how _____ affected my _____?

_____ it _____ understand _____ use of gas _____?

Is there _____ data for gas appliances.

Is it possible _____ usage _____ appliances.

I would _____ to _____ previous _____ data _____ appliance.

Are _____ that _____ how _____ gadgets performed _____ time?

_____ to appliance _____ performance?

Is it possible _____ review historical run-time _____ metrics _____?

Is it possible to _____ gas _____ performance?

Is _____ possible _____ from archives to _____ how _____ gizmos based _____ derivatives operated _____ previous _____?

_____ possible to revisit old data _____ analysis?

I would _____ to know _____ usage _____ devices.

I want _____ review old _____ gas _____.

Is _____ get old data _____ gas appliance _____?

Is there _____ that can be _____ to _____ of those _____ by _____?

_____ it _____ check my _____ history?

_____ it _____ to _____ previous _____ of gas-powered devices?

Do I have _____ ability _____ gas-powered devices?

_____ it _____ to look _____ usage info _____ gas-powered _____ efficiency?

Can _____ run-time _____ performance _____ from older natural-gas powered _____?

_____ to retrieve _____ usage _____ to view gas appliance _____?

Would I be able to _____ devices?

I would _____ more about _____ performance of previous _____.

Is it possible to _____ past _____?

_____ I have to check _____ data for _____?

Is _____ my Gas _____ performance data?

Can you tell _____ performance _____ gas appliances?

Is it _____ to look _____ usage _____ on _____ powered _____?

_____ a _____ that I _____ into _____ past gas _____ usage?

_____ it possible to look _____ info _____ devices?

Is _____ possible _____ look at prior usage _____?

_____ I _____ my _____ data _____ figure out how _____ appliances are doing?

I'm looking for records _____ gadgets performed _____.

Will I _____ ability _____ previous _____ data for _____ appliances?

_____ to assess prior usage for _____.

Are you _____ to _____ to old _____ that allow _____ assessment _____ appliance _____?

Is _____ feasible _____ usage data to _____ appliance performance?

_____ records _____ can show how gas gadgets _____ over _____?

Is _____ to _____ gas usage _____ to _____ well my _____ are doing?

Is it _____ past _____ usage?

_____ we _____ to _____ historical run-time _____ metrics _____ natural-gas-powered machines?

Is _____ possible _____ see old _____ appliances on my _____?

Is _____ logs _____ so _____ evaluate _____ effectiveness _____ powered by gas?

Have _____ been _____ to check my _____ performance _____?

Can _____ gas _____ see how well _____ appliances are performing?

_____ to review old data for gas _____?

_____ there any _____ that _____ gas gadgets _____ over time?

_____ the historical data on _____ gas _____?

_____ it possible to _____ data _____ gas performance?

I'm _____ the performance of _____ gas appliances.

_____ was wondering if _____ analyze _____ use of _____.

_____ I use _____ data to compare _____ gas-powered appliance _____?

Can _____ back at previous _____ gas appliance _____?

_____ inspect _____ use patterns _____ my gas _____ to _____ how they _____ them?

_____ you allow _____ to _____ logs _____ assess _____ appliance efficacy?

_____ it _____ past use _____ gas-powered devices?

_____ to evaluate prior use _____ gas _____?

_____ it _____ review old gas appliance _____?

_____ it _____ review old _____ for gas _____ analysis?

I want to _____ how _____ gadgets _____ years.

Access _____ appliance data _____ gas _____?

_____ possible _____ check _____ old _____ data to find _____ how _____ are performing?

_____ possible to _____ into prior _____ statistics _____ my gasoline _____?

_____ you _____ any _____ about _____ performance of previous _____ appliances?

Is _____ possible to _____ the archives _____ various gizmos based on _____ derivatives _____ used?

_____ about _____ past performance _____ previous gas appliances?

Do you _____ an assessment of _____ appliance _____ access _____ usage _____?

_____ possible _____ past _____ of gas appliances?

Is it possible _____ data _____ assess gas _____ performance.

_____ it possible for me _____ prior _____ analyze _____ appliances?

_____ it _____ retrieve prior usage _____ assess _____ appliance performance?

_____ would like _____ use _____ and look _____ how _____ affected _____ gas-powered items.

_____ possible to calculate _____ usage _____ appliances?

Will _____ analyse _____ previous usage data for gas-powered _____?

Can I _____ back _____ patterns to _____ they affected _____ items?

_____ possible to review _____ data for _____ appliance _____?

_____ for _____ the _____ of _____ appliances?

Is _____ possible _____ check _____ usage data to measure _____ appliances?

I _____ data for gas _____.

_____ my _____ usage _____ to _____ what gas appliances are doing?

_____ give me information regarding _____ previous gas _____?

_____ I _____ gas appliance usage?

Is there a _____ past _____ for gas _____?

_____ to see _____ usage _____ for my _____ equipment?

Is it _____ to _____ out _____ usage statistics for _____?

_____ would _____ see the _____ my _____ gas appliance usage.

I want _____ know _____ performance _____ previous gas _____.

_____ you offer access to usage _____ to _____?

_____ how _____ use patterns _____ my gas powered items?

I _____ like _____ previous _____ appliance _____.

Will I _____ able to _____ my _____ appliances?

Is _____ possible _____ the usage data of _____?

_____ I be able _____ my _____ data in _____ to _____?

Can _____ former _____ patterns _____ see how _____ affected my _____ powered items?

Can _____ out how my _____ appliances _____?

Is _____ chance that _____ can look _____ my _____ the gas _____?

Is it _____ to find _____ past _____ of _____?

Is _____ logs _____ to assess _____ effectiveness _____ powered by _____?

Can I _____ my _____ usage data _____ see _____ my _____ performing?

I am _____ prior _____ statistics _____ gasoline equipment.

_____ to evaluate the effectiveness _____ those _____ by gas by _____ logs?

Any chance _____ can _____ at _____ gas device _____?

Will it be possible _____ my _____ usage _____ terms _____ appliance _____?

_____ you have access to old _____ can be _____ to assess _____?

Is it _____ my old _____ use?

Are _____ to _____ about the previous _____ appliances?

_____ if I _____ see old gas _____ for _____.

Could _____ look _____ past _____ info _____ gas-powered _____?

_____ would _____ to _____ data to review gas _____.

_____ wondering if I _____ see old _____ for _____ appliances.

Could past _____ appliances _____ accessed?

_____ I need to check prior _____ analyze _____?

_____ it _____ to see _____ gas _____ appliances?

_____ want to know if _____ evaluate _____ gas-powered _____ with recorded _____.

Is it _____ to _____ old _____ data to _____ the _____ of _____ gas _____?

_____ it _____ see gas stats _____ my _____?

I _____ to _____ how to _____ appliance performance.

_____ gas appliance efficacy can be _____ with _____ to _____ usage _____.

_____ I _____ previous usage data _____ evaluate gas _____?

Could _____ review _____ on fuel equipment performance?

Is _____ possible to _____ of gas _____ by _____ old _____ data?

Bringing _____ to _____ gas appliance _____?

_____ about analyzing _____ of _____ appliances?

Would _____ be willing to _____ me _____ on fuel _____?

_____ analyze _____ prior _____ of _____ appliances?

_____ would like _____ my old usage _____ to see _____ appliances are _____.

Is _____ possible to _____ for _____ gas appliance _____?

_____ it possible to retrieve _____ to _____ various gizmos _____ petroleum derivatives operate during certain _____?

Is it _____ to evaluate _____ gas _____ with _____?

Can I _____ old usage _____ to _____ the _____ appliances?

Is _____ see old gas _____ for my _____?

Is _____ into past usage _____ for _____ gasoline equipment?

I _____ wondering if I _____ analyse _____ usage _____ terms of gas-powered _____.

Can I look at _____ old gas _____ data _____ how _____ are _____?

Is it _____ to _____ my old _____ usage _____ how my _____ doing?

_____ wondering if _____ see old gas _____ for _____ appliances.
 Do _____ want _____ retrieve _____ usage _____ to _____ gas _____ performance?
 _____ to _____ old _____ for gas appliances?
 _____ possible _____ see past data to _____ gas _____ ?
 Will I be able _____ use patterns _____ gas-powered _____ ?
 I _____ see the old gas _____ usage _____ .
 Can I _____ how _____ use _____ my gas-powered _____ ?
 I _____ wondering _____ I can use previous data _____ .
 _____ need to _____ old data _____ appliance _____
 Is it possible _____ device efficiency?
 _____ possible _____ previous gas-powered _____ efficiency _____ recorded data?
 _____ possible _____ retrieve past _____ of gas _____ ?
 _____ there a _____ to evaluate _____ powered devices with _____ ?
 Is there a _____ historical run-time _____ metrics _____ older _____ powered _____ ?
 Is _____ possible _____ check the _____ see how _____ my _____ appliances are performing?
 _____ I _____ old _____ statistics _____ appliances?
 Is _____ see old gas _____ on _____ appliances?
 _____ possible to review _____ with previous data?
 Can I _____ my gas _____ ?
 Is _____ that _____ be used to evaluate the _____ of _____ gas _____ ?
 Do _____ check _____ gas _____ performance?
 Is it _____ prior use of _____ ?
 I'm _____ way to _____ usage records related to _____ machines.
 _____ I look _____ past _____ information for gas-powered _____ ?
 _____ possible to _____ data _____ appliance analysis?
 Is _____ possible to _____ my _____ gas usage _____ see _____ appliances are _____ ?
 Is _____ see _____ efficiency of previous gas-powered _____ ?
 Is it _____ to _____ past usage _____ efficiency?
 I wonder _____ could _____ of gas-powered devices.
 _____ to _____ my _____ gas device usage.
 _____ inspect _____ patterns to _____ how they _____ gas-powered items?
 _____ our ability _____ review historical _____ performance _____ from older natural-gas _____ ?
 _____ it _____ to _____ usage info for gas-powered _____ ?
 Should _____ be able _____ my past _____ device _____ ?
 _____ chance that I _____ look _____ past _____ device use?
 I _____ see if I can _____ my _____ usage.
 _____ I _____ to analyse _____ usage data in _____ gas _____ appliances?
 _____ it possible to analyse _____ gas _____ influence?
 _____ I _____ prior _____ for gas _____ ?
 _____ I need to check _____ old usage _____ appliances are performing?
 _____ it _____ effectiveness of those _____ gas _____ past logs?
 _____ you provide access to old _____ used _____ assess gas appliance _____ ?
 _____ about _____ for _____ appliances?
 _____ it _____ to analyze _____ gas-powered _____ ?
 _____ I be _____ to analyse _____ for _____ powered appliances?
 Retrieving _____ data for understanding _____ ?
 _____ would like to know past _____ on _____ .
 Is it _____ recover _____ data _____ gas _____ influence?
 Can _____ of gas appliances?
 Is it _____ to examine _____ appliances?

Can I use _____ to _____ appliance _____?

Will _____ be _____ to review _____ data for _____ analysis?

_____ need _____ review old data for _____ analysis.

Will _____ look at past _____ data on _____?

_____ to analyze gas-powered appliance performance with _____ data?

_____ possible _____ retrieve previous _____ data _____ measure gas _____ performance?

How about _____ usage _____ gas-powered _____?

_____ possible _____ analyze prior _____ for _____ appliances.

_____ it _____ see _____ gas _____ for appliances?

_____ past usage data _____ my gas appliances?

_____ it _____ check my old _____ data _____ understand how my _____ appliances _____?

Is past _____ to _____ used to _____ of _____ by gas?

Is _____ possible to _____ previous usage _____ to assess _____?

I _____ to _____ use _____ how _____ affected my gas- powered items.

_____ see _____ gas statistics _____ my _____?

_____ usage to _____ devices.

_____ review previous data _____ compare _____ appliance performance?

I _____ my _____ appliance performance

_____ would like to _____ gas _____ my appliances.

_____ access _____ usage logs _____ be used to assess gas appliance _____?

_____ want to inspect _____ patterns _____ see _____ they _____ gas-powered items.

Is it _____ to use my _____ usage _____ analyze my _____?

_____ old _____ to see how well my appliances _____ doing?

_____ analyze gas-powered _____ I access _____ usage data?

_____ it _____ to examine old _____ for gas _____.

Is _____ possible to _____ data _____ gas appliance _____?

Do you offer _____ assessment of gas _____ efficacy _____?

Is _____ possible to analyse _____ data _____ terms of gas- _____?

_____ it possible to see _____ efficiency with _____?

_____ it possible _____ find _____ past usage for _____?

_____ gas _____ by accessing past _____.

Is _____ possible _____ read _____ old data _____ analysis?

I want to _____ if _____ old usage _____ can _____ to _____ appliances.

_____ need records _____ how _____ gadgets _____ time.

Can _____ my _____ gas usage data to see _____ doing?

Would I be _____ of gas-powered devices?

I would _____ to _____ former _____ and see how they _____.

_____ to assess the effectiveness of those _____ gas?

I _____ I _____ my _____ gas usage _____ to _____ how well _____ gas appliances _____ performing.

_____ data for understanding _____?

_____ like _____ analyze previous use _____ devices.

_____ you _____ access _____ old _____ logs _____ of gas appliance effectiveness?

_____ wonder if I can _____ prior _____ gas _____.

Can _____ look at _____ gas appliance _____?

_____ wonder _____ it _____ possible _____ see _____ data _____ gas appliances.

_____ able _____ gas appliance performance by retrieving _____ previous usage _____?

_____ the ability to review _____ and performance _____ older _____ powered _____?

Can _____ allow _____ evaluate the _____ powered by gas?

I am _____ for _____ about _____ of _____ appliances.

_____ old usage _____ that can be used _____ assess gas _____?

I have questions _____ data _____ analysis.
 Will _____ be _____ to analyse my _____ regards to _____ appliance _____?
 _____ would _____ to see _____ my gas _____ usage.
 Is it possible _____ the efficiency _____ gas-powered _____ with _____?
 _____ possible _____ examine the _____ of gas appliances?
 Can _____ analyze _____ gas appliances?
 Is it possible _____ the _____ use _____ gas _____?
 Is there _____ chance _____ reviewing _____ data _____ appliance _____?
 _____ would like _____ see _____ gas _____ on _____ appliances.
 _____ old data for _____ analysis.
 _____ interested in prior usage _____ my gasoline _____.
 _____ past logs available to _____ effectiveness _____ using _____?
 _____ a way to _____ past _____ about _____ appliances?
 _____ look _____ past _____ on gas-powered devices?
 _____ look _____ past _____ information for _____ devices?
 _____ at the past _____ of gas-powered _____?
 _____ it _____ to _____ data for _____ appliance influence?
 Is it _____ old data _____ gas appliances.
 _____ you _____ to _____ to help assess gas appliance _____?
 _____ it _____ retrieve _____ to _____ how effectively various _____ based on petroleum _____ during _____ times?
 _____ there any records _____ inspecting _____ gas _____ time?
 _____ previous _____ device efficiency with recorded data.
 _____ I see _____ gas _____ performance?
 _____ want _____ if _____ is possible _____ evaluate previous gas-powered _____.
 _____ analyze _____ use of gas-powered _____?
 _____ evaluate _____ usage _____ gas appliances?
 _____ we _____ ability to review _____ run-time and _____ of older _____ powered _____?
 I want _____ know _____ can see _____ on my gas _____.
 Will you _____ to _____ previous _____ on fuel _____?
 _____ I analyze past _____ appliances?
 Do you _____ old _____ that _____ used _____ assess gas _____ efficacy?
 _____ you offer _____ old _____ for an assessment _____ gas _____?
 Is _____ to evaluate _____ gas-powered _____?
 _____ gas devices, access _____ usage.
 _____ see my usage _____ gas _____?
 _____ to _____ gas appliance influence?
 _____ was _____ if _____ could see old gas _____ my _____.
 _____ might be able _____ data _____ gas _____ analysis.
 _____ review old data in gas _____ analysis?
 _____ I look _____ previous _____ for _____ appliance _____?
 Can _____ historical _____ for understanding gas _____?
 _____ would _____ to know _____ the _____ of _____ gas _____.
 Analyze _____ devices' _____ by _____ past _____.
 _____ can we retrieve historical data _____ appliance _____?
 I'm _____ if _____ a _____ to view past _____ gaseous machinery.
 _____ it possible _____ of gas-powered devices' efficiency?
 _____ you _____ me information _____ previous _____ appliances?
 _____ I check _____ usage data to _____ how _____ my _____ performing?
 Will _____ be _____ to _____ past usage _____ to _____ appliance _____?
 I _____ like to know _____ gas appliances _____.

Is _____ to see old _____ my appliances?

Can I _____ how _____ were affected by _____ former _____ patterns?

_____ it possible _____ check old _____ data _____ the performance _____ appliances?

_____ we be able _____ review _____ and _____ natural-gas-powered machines at any _____?

_____ I look at _____ appliances?

Could _____ assess prior _____ appliances?

Is it possible _____ examine _____ for _____ devices?

_____ possible to _____ the efficiency of _____ gas-powered _____?

Can I _____ old _____ to _____ how well my gas appliances _____?

Do _____ any _____ of _____ gas device usage?

_____ possible to analyze used _____?

_____ see _____ gas data _____ my appliances?

Is _____ possible _____ review _____ about _____ appliance performance?

_____ it possible _____ previous gas _____?

_____ it _____ to examine old data _____ gas _____?

_____ be able _____ previous usage data in _____ to gas-powered _____?

_____ it _____ to _____ the past usage _____ powered _____?

_____ it _____ retrieve from _____ scrutinize _____ effectively _____ gizmos based on petroleum _____ are _____ time?

_____ I _____ gas _____ usage?

Is _____ possible to _____ stats _____ appliances?

Do _____ to _____ gas usage data _____ see how _____ gas _____ are _____?

Is _____ possible to access _____ appliances?

What _____ past logs can be _____ to evaluate _____ gas?

I want _____ of _____ appliance performance.

_____ it _____ to _____ usage for gas _____?

_____ it possible _____ the last use of _____?

_____ gadgets performed over _____ is something I _____.

Will _____ able _____ analyse my previous _____ data with _____ gas-powered _____?

Is there any _____ to _____ previous _____?

_____ curious about _____ usage _____ gas-powered devices' _____.

_____ possible to analyse _____ previous _____ data in _____ of gas _____?

Any chance I _____ at the _____ device?

_____ want to _____ if my _____ data _____ used to _____ the _____ of my _____ appliances.

_____ past _____ allow for _____ of _____ effectiveness of those _____ by _____?

Does your company offer access to _____ assessment _____ efficacy?

Is it _____ usage data to _____ gas _____?

Is it possible _____ past gas-powered _____ data?

I want _____ know if _____ analyze _____ for gas appliances.

_____ usage _____ for gas _____ devices?

I _____ if _____ analyze the use _____ devices.

_____ it _____ to _____ the _____ for how gas _____ performed _____?

Do _____ old usage logs _____ allow _____ assessment _____ gas _____?

_____ it _____ to look _____ the _____ of _____ equipment?

_____ check my old _____ data, _____ see _____ gas appliances _____ performing?

_____ would _____ to _____ if _____ analyse my _____ usage data for _____ appliances.

_____ be _____ to analyze _____ appliances.

Is it possible _____ appliances?

_____ it _____ evaluate the _____ those _____ by gas by checking _____?

_____ would like to _____ gas _____ performance _____.

_____ you _____ me _____ the gas _____ performed _____ time?

_____ logs available _____ the effectiveness of _____ by gas?

Is it _____ to _____ efficiency with data?

_____ is a _____ that _____ at my usage of the _____.

Can I _____ previous _____ for gas _____?

_____ are _____ one _____ evaluate the effectiveness of _____ powered _____ gas

_____ don't know if _____ check _____ appliance performance _____.

_____ to _____ past _____ for gas appliances.

Should _____ get the _____ usage data _____ gas _____?

_____ it possible _____ at previous _____ with recorded _____?

_____ would like to _____ the _____ use of _____.

_____ I _____ into _____ past usage of gas devices?

Is it _____ gas-powered appliance _____ looking at _____ data?

Can I _____ at _____ patterns _____ my _____ items?

_____ I _____ data on _____ appliances?

Can I _____ at _____ usage to _____?

_____ be able to _____ use of gas-powered _____?

_____ I look _____ of gas _____?

_____ would _____ to _____ into _____ statistics _____ my gasoline equipment.

_____ efficacy _____ gas _____ past usage.

_____ old usage data _____ check _____ performance _____ gas appliances?

Can _____ gas usage data to see _____ are doing?

Can _____ my gas powered _____ affected _____ former use patterns?

I would like _____ use of _____.

Can you tell _____ how _____ over _____?

I might look _____ usage _____ on _____ efficiency.

Would it _____ possible for _____ examine _____ device usage?

Does _____ ability _____ historical _____ performance metrics from _____ natural-gas-powered machines _____?

_____ I look at past use _____ see _____ affected _____ gas _____?

I want _____ more _____ performance _____ previous gas _____.

Should I _____ usage data _____ gas _____ performance?

Can _____ at old data for _____?

Should I _____ old gas _____ see _____ well my _____ appliances are _____?

Was _____ possible _____ usage data to _____ appliance performance?

_____ if _____ can _____ my old gas _____ to see how _____ are _____.

_____ to _____ past usage _____ on gas-powered _____ efficiency?

I want _____ review _____ a gas _____.

_____ wonder if I _____ review _____ for _____ appliance _____.

I want to know _____ former _____ patterns _____ my _____.

_____ to find historical _____ gas appliance _____?

Will I _____ able _____ my _____ regarding _____ appliances?

Do _____ have _____ usage _____ could _____ to _____ gas appliance efficacy?

_____ at my _____ gas _____ to see _____ appliances are performing?

Is _____ to review the past performance _____?

_____ possible _____ review past _____ appliance _____ data?

Will I _____ previous usage _____ regarding gas-powered appliance _____?

_____ a _____ to evaluate previous _____ powered _____?

Has _____ possible _____ old _____ for gas _____ analysis?

Is it possible to _____ previous gas-powered _____?

_____ past _____ to analyze gas _____.

Can _____ some _____ on _____ performance _____ previous _____ appliances?

Is _____ retrieve from archives _____ scrutinize how effectively gizmos based on petroleum _____ ?

Can I look _____ gas appliance performance?

_____ it possible _____ retrieve historical data _____ influence?

Can _____ at former use _____ see if they _____ gas-powered _____ ?

I _____ like _____ previous _____ gas devices.

_____ I look at _____ old _____ affected _____ gas powered _____ ?

Will I _____ allowed to analyse _____ for _____ appliances?

_____ assessment of gas appliance efficacy _____ to _____ logs.

Is past logs _____ so that _____ can _____ effectiveness _____ gas?

Is _____ access to _____ usage logs _____ of _____ appliance _____ ?

_____ the _____ of gas devices.

Historical _____ gas appliances?

Can _____ give me any information _____ performance of _____ ?

Do _____ have _____ old logs that _____ be _____ gas _____ efficacy?

Is there _____ available _____ inspecting _____ gas _____ perform over _____ ?

I would _____ to _____ gas _____ my _____ .

Is _____ to access _____ information _____ appliances?

_____ I have to _____ usage to _____ appliances?

_____ it possible _____ the efficiency of _____ gas _____ with recorded _____ ?

_____ know if _____ can _____ at _____ gas device usage?

_____ you _____ old _____ logs that _____ assessment _____ gas appliance _____ ?

Can _____ my _____ to see how _____ appliances are performing?

_____ it is _____ to evaluate _____ gas-powered _____ efficiency?

_____ it possible _____ the past _____ gas appliances?

Was it possible _____ use _____ gas- powered _____ ?

Is it _____ to evaluate _____ to analyze _____ ?

_____ to determine prior _____ to _____ gas appliances?

_____ to review old gas _____ .

I _____ like _____ analyze _____ previous use _____ devices.

_____ am interested _____ info _____ gas-powered devices.

Is _____ compare _____ gas-powered device _____ ?

_____ look at _____ usage _____ to see _____ my _____ are performing?

Does _____ that one can _____ the effectiveness _____ those _____ gas?

_____ previous usage _____ to assess gas appliance performance?

Is _____ previous gas usage?

Is _____ way to analyze _____ of gas _____ ?

_____ want to _____ gas appliance _____ usage data.

_____ access _____ old usage logs _____ allow _____ assessment _____ gas _____ effectiveness?

Is _____ possible to see how bad _____ gas?

_____ it possible to analyze _____ of _____ .

Can I look _____ former use _____ they _____ my gas-powered _____ ?

Could _____ examine _____ use _____ devices?

Is it _____ to review _____ appliance performance?

_____ provide me _____ information _____ gas appliances?

Can I _____ old use _____ how _____ affected my _____ powered _____ ?

I _____ if I could analyze _____ gas-powered _____ .

_____ it _____ me to check _____ gas _____ performance _____ ?

Can you _____ usage for _____ ?

Is _____ possible _____ analyze _____ gas appliances?

My old _____ used to _____ the performance _____ appliances.

Can _____ use patterns affected my _____ items?
_____ possible to _____ to _____ well my gas _____ doing?
Will _____ be _____ analyse my _____ usage _____ to gas-powered appliances?
Do you _____ retrieve historical data _____ appliance _____?
_____ it _____ to _____ at past usage _____ appliances.
Will _____ my usage _____ in _____ gas powered appliance performance?
_____ it possible to _____ usage _____ see the performance of _____?
_____ I _____ the _____ use affected _____ gas-powered items?
Is it possible to _____ performance _____ data.
Retrieving _____ understanding _____ appliances?
Will I be _____ to _____ previous usage data in _____ to _____?
_____ check my previous usage _____ for gas-powered appliances?
Is _____ to look _____ prior _____ statistics _____ my _____ equipment.
_____ have to _____ past usage _____ assess gas _____ performance?
Can _____ check _____ gas usage data to _____ out _____ appliances are _____?
_____ I examine _____ of _____ devices?
Is _____ to access old _____ logs to _____ assessment _____ efficacy?
To evaluate _____ of _____ I check _____ old usage _____?
Is it _____ review previous _____ performance _____?
Can I look _____ the _____ patterns affected _____ powered _____?
_____ chance of _____ gas _____ usage?
Is it _____ previous data _____ gas _____ performance?
Is it _____ to _____ past _____ info _____ efficiency?
_____ chance _____ I _____ check _____ my past _____ usage?
_____ data ok for _____ analysis?
_____ I be _____ analyse _____ usage _____ in relation _____ powered appliances?
_____ to analyze past _____ gas appliances.
_____ get previous usage _____ assess _____ appliance performance?
Is _____ possible to see the _____ data _____?
_____ there _____ way _____ find _____ for understanding gas _____ influence?
Do _____ think it's _____ to analyze _____ gas _____?
I want to _____ old _____ my _____.
Should _____ able _____ previous gas _____ performance?
_____ need to _____ performance data.
_____ look at _____ patterns _____ gas-powered items _____ see how they _____ them?
_____ I _____ able to review _____ for gas _____?
I _____ if _____ previous use _____ gas powered devices.
Do we _____ to _____ and performance metrics _____ older natural-gas-powered machines _____ point _____ time?
_____ wondering if _____ could review _____ data _____ gas _____ analysis.
Is it possible _____ data to _____ gas appliance _____?
Can _____ see _____ old _____ for _____ appliances?
_____ to _____ into prior usage _____ for my gasoline _____?
_____ to _____ run-time and performance _____ from older natural-gas-powered machines _____ in time?
I _____ can get old data _____ appliance _____.
Is it _____ to _____ my _____ usage _____ find out _____ performance of _____?
Is past logs _____ to _____ those _____ by gas _____?
_____ effectiveness _____ gas _____ access past usage.
Could _____ allow me to _____ data _____ equipment?
Is it _____ to review previous _____ appliance _____.
_____ access to old _____ to _____ gas appliance efficacy.

Will ____ be ____ to understand ____ previous usage data ____ ____ ____ ?
____ ____ know ____ ____ can ____ ____ usage data to ____ gas appliance performance.
____ ____ to see the old ____ appliance usage ____ ?
Is it ____ ____ ____ usage ____ gas-powered devices?
____ would ____ ____ examine ____ past gas ____ usage.
I ____ ____ ____ can ____ my ____ of the gas device.
____ ____ like to analyze ____ ____ usage ____ for ____ powered appliances.
Will I ____ ____ ____ my previous usage ____ when ____ ____ to ____ appliances?
Do you ____ ____ to the ____ usage ____ for ____ assessment ____ ____ efficacy?
Is ____ a chance ____ ____ ____ my past gas device ____ ?
____ I look ____ past ____ info ____ gas-powered ____ ?
____ it possible ____ check past ____ of ____ ?
____ I ____ ____ ____ patterns that affected my ____ items?
Evaluate ____ ____ gas ____ ____ access past ____ .
Can I ____ at my ____ ____ gas ____ ____ ?
____ ____ to ____ previous ____ for gas appliances?
Is ____ appropriate to ____ prior ____ ____ analyze ____ appliances?
Is it possible to ____ ____ usage ____ ____ gas ____ devices' ____ ?
Is ____ ____ ____ previous gas-powered device ____ .
Can I look back at former ____ ____ to ____ ____ ____ affected ____ ____ powered ____ ?
Does ____ have ____ ____ of ____ my gas device ____ ?
____ ____ ____ previous gas-powered ____ efficiency with recorded data?
____ it ____ to ____ past ____ for ____ appliances?
____ it ____ to see past ____ ____ ____ appliances.
____ it ____ to ____ ____ usage to analyze ____ appliances?
Any ____ ____ ____ can ____ into my ____ gas device ____ ?
Can I analyse ____ ____ ____ data ____ ____ ____ gas-powered appliances?
____ ____ any records ____ ____ how ____ ____ performed over time?
Is ____ possible to evaluate previous gas-powered ____ ____ ____ .
____ you ____ old usage logs to ____ ____ ____ gas ____ effectiveness?
Is ____ ____ to see ____ bad my ____ ____ ____ gas?
____ this ____ ____ evaluate ____ ____ device efficiency?
____ it ____ to check ____ usage of ____ ____ ?
____ ____ there's a ____ ____ look at ____ ____ ____ related to gaseous machinery.
____ ____ possible to review ____ data ____ GAS ____ analysis?
____ ____ have ____ usage logs ____ can be used for an assessment ____ ____ ____ ?
Can ____ check ____ ____ ____ performance?
____ chance that I ____ ____ at ____ ____ usage ____ gas device?
Will I be able to analyse ____ ____ usage data ____ ____ ____ ____ ?
Is ____ possible to view ____ ____ ____ gas appliances?
____ it possible ____ ____ ____ data ____ gas powered devices?
____ chance I ____ ____ at my ____ ____ of ____ gas device?
____ ____ possible to check ____ ____ usage data ____ ____ performance ____ gas appliances?
____ ____ if it ____ ____ to review old ____ ____ gas appliance ____ .
____ you offer access ____ ____ ____ would allow an assessment of gas ____ ____ ?
____ ____ my old gas ____ data to ____ out how my ____ ____ ____ doing?
____ ____ offer ____ ____ old usage logs that can ____ used ____ ____ appliance effectiveness?
Do ____ ____ access to usage logs ____ allow an ____ of ____ ____ ?
____ ____ the ____ to review ____ run-time and performance metrics from ____ ____ ____ machines?
Can you ____ light ____ the performance ____ ____ ____ appliances?

_____ past usage _____ the effectiveness _____ gas _____.

_____ may look at past _____ gas-powered _____.

Can _____ gas usage _____ find out how _____ gas appliances are _____?

I _____ to know if _____ can examine _____ gas _____.

I want to _____ data.

_____ you _____ access to _____ that can _____ assess _____ appliance efficacy?

Can _____ retrieve previous _____ data _____ gas appliance _____?

Should _____ be able to _____ data to _____ appliance _____?

Access _____ data for _____?

_____ I _____ usage data _____ check _____ appliance performance?

_____ wondering if I can _____ my _____ data _____ gas-powered _____.

_____ there a way to analyze _____ appliances?

_____ a chance _____ I can examine _____ past gas _____.

Is it _____ to analysis _____ use _____?

_____ allow me to review prior _____ on _____?

Is _____ way to evaluate _____ device _____?

_____ there _____ way _____ inspect how gas _____ performed _____?

Is it possible _____ see _____ on _____?

_____ assess _____ usage of _____ appliances?

_____ would _____ examine my historical _____ gas devices.

_____ use my _____ gas _____ data _____ see how _____ appliances _____ doing?

Do _____ ability _____ historical _____ and performance metrics from _____ machines?

_____ if I can _____ old data _____ appliance _____.

_____ am wondering if I _____ retrieve _____ usage _____ assess _____ performance.

Access the _____ appliance data _____.

Can _____ how the former use _____ my _____ powered _____?

_____ want _____ find out how gas gadgets _____ over _____.

_____ I look _____ the _____ use _____ powered devices?

_____ my old _____ to _____ the performance of gas appliances?

_____ I can _____ data for _____ appliance analysis.

_____ I _____ previous _____ gas-powered devices?

Should _____ be _____ to review historical run-time and _____ powered _____?

Will _____ be _____ to review gas _____ performance _____?

_____ it _____ to retrieve _____ the archives _____ scrutinize _____ effectively _____ gizmos based on _____ derivatives _____ past?

Is _____ a way to _____ for _____ appliances.

I _____ my old usage _____ gas appliances are doing.

Will _____ at _____ usage information for _____ powered _____?

Do you _____ if _____ to _____ data _____ gas appliances?

Are _____ my _____ gas appliance usage?

_____ it _____ to retrieve _____ usage _____ to _____ gas _____ performance?

I _____ usage _____ gas devices.

I _____ to _____ historical gas _____ data.

Would _____ allow me _____ data on fuel _____?

Is _____ possible _____ gas appliance performance?

_____ performance can be analyzed _____ past _____.

Is _____ any records for _____ how _____ performed over _____?

Will _____ data _____ me to _____ my gas-powered appliance _____?

_____ I inspect my _____ to see how _____ my _____ powered _____?

Is there _____ to view _____ data for _____?

_____ of information about the _____ previous gas appliances.

_____ to analyse _____ previous _____ data for _____ appliances?
 Is _____ to see _____ facts _____ appliances on _____ end?
 Will _____ the past usage of _____ powered _____?
 _____ have a chance _____ historical _____ device usage?
 _____ I be _____ check my historical _____ data?
 _____ want _____ the _____ on my old _____ usage.
 _____ look at _____ usage of _____?
 _____ chance _____ examining my _____ usage?
 _____ have the _____ to review _____ run-time _____ performance _____ from _____ powered machines.
 I _____ review previous data _____ performance
 Is it possible to _____ past _____?
 Can I check _____ usage _____ find _____ how well my _____ are _____?
 Will _____ look _____ usage _____ gas- powered devices?
 How about retrieving _____ gas appliance performance?
 _____ want to know _____ see gas statistics for _____.
 _____ it possible _____ for gas appliances
 _____ use _____ usage to _____ gas _____?
 Is _____ possible to _____ the _____ my _____ gas appliance _____?
 Is _____ back _____ old data for _____ appliance analysis?
 Access _____ data _____ performance was _____.
 I _____ former _____ patterns affected my gas-powered _____.
 _____ would like _____ analyze _____ gas-powered devices.
 What information _____ give _____ about the past _____ gas _____?
 _____ gadgets performed over time is something _____ I _____.
 How _____ historical data for _____ appliance _____?
 Is _____ to _____ previous data _____ look _____ gas _____ performance?
 _____ my past usage _____ allow me _____ my _____ appliance _____?
 Do _____ to _____ logs to assess gas appliance _____?
 _____ allow old _____ be _____ to _____ gas appliance efficacy?
 Can _____ data to _____ what my _____ appliances are doing?
 _____ data _____ my old gas _____ usage?
 _____ you _____ information _____ previous gas _____?
 _____ I _____ at _____ gas-powered devices _____ the past?
 _____ supposed _____ assess prior usage for _____?
 _____ wonder _____ it is _____ to _____ past _____ gas appliances.
 Is there _____ chance that I can _____ device?
 _____ it _____ me to _____ my _____ usage _____ for gas _____ appliances?
 I _____ to _____ use _____ gas powered _____.
 Any access _____ for _____ performance?
 Can I _____ usage _____ appliances?
 I _____ to examine _____ the use _____ my _____ powered _____.
 Is it possible _____ of _____ appliances?
 _____ I examine _____ the _____ my _____ powered items?
 _____ want to _____ their _____ gadgets performed _____ time.
 _____ there past logs that could _____ used _____ the effectiveness _____ those _____?
 _____ want _____ know how _____ use patterns affected my _____.
 _____ it _____ retrieve previous usage data _____ appliances?
 _____ possible _____ to old usage logs to _____ gas _____ efficacy?
 Is _____ logs _____ way _____ evaluate _____ of those _____ gas?
 _____ it possible _____ my _____ data _____ gas-powered appliances?

Are _____ any _____ inspecting _____ gadgets performed over _____?
_____ to _____ appliance _____ by retrieving previous usage data?
_____ I supposed to assess _____ to _____ gas _____?
_____ it _____ to analyze the _____ of _____ in the _____?
_____ the _____ and _____ how they affected my gas-powered items?
_____ to analyse previous _____ of _____ devices?
I _____ could review old _____ for _____ analysis.
Can I inspect _____ use _____ look _____ how _____ my _____ powered _____?
How do _____ find _____ the past _____ appliance?
Is _____ past logs available so _____ one can _____ the _____ those _____?
_____ can _____ usage to analyze _____ effectiveness _____ devices.
Is it possible _____ performance _____ previous data.
Is it possible _____ assess _____ appliance performance by _____?
_____ it possible to get _____ usage _____ for _____?
_____ access past _____ for gas _____?
I _____ to review data for _____.
Have _____ able to _____ historical run-time _____ performance _____ powered machines?
_____ you tell _____ about the _____ of _____ appliances?
Can _____ the old gas _____ data _____ how _____ gas _____ performing?
I need records for _____ how _____ time.
Could _____ use of gas-powered _____?
Is _____ possible to _____ the usage _____?
I wonder _____ I _____ look at previous _____.
Is it _____ to _____ the _____ usage _____ on _____ powered _____?
_____ my usage data _____ if my gas appliances _____ job?
To analyze efficacy _____ devices, _____.
_____ like to _____ my _____ usage _____ see _____ my gas appliances _____.

Is _____ possible to _____ from _____ usage?
_____ to see data _____ my _____ appliance usage?
Is past _____ available to _____ evaluate the _____ those _____ gas _____?
_____ am _____ retrieving previous usage data to evaluate _____.
_____ analyze gas-powered _____ performance with my past usage _____.
_____ gas usage to _____ my gas appliances are performing?
Can _____ take a _____ at how _____ patterns _____ gas-powered _____?
Access _____ previous _____ data _____ performance?
_____ old gas usage data to see how my _____ are _____.
Was it _____ analyze the _____ of _____ devices _____?
Is _____ possible _____ analyze previous uses _____.
I _____ review gas _____ previous data.
I would _____ for gas appliance analysis
_____ wondering if _____ a way _____ at past _____ related _____ gaseous machinery.
_____ I use _____ gas appliance performance?
_____ access to _____ logs _____ assess gas appliance effectiveness?
Is _____ examine _____ of gas appliances?
Should I _____ previous _____ assess gas appliance _____?
Can _____ use _____ gas-powered devices _____ the past?
I _____ know _____ I can _____ my historical _____ data.
_____ wonder if _____ possible _____ previous gas-powered device _____ recorded _____.

I wonder if _____ can check _____ data _____ my _____ appliances _____ doing.
_____ to _____ past data _____ gas appliances?

Is _____ to _____ gas _____ performance _____ previous usage data?
_____ get past appliance data for _____ performance?

I _____ like to _____ with _____ device usage.
_____ it possible _____ analyze _____ gas _____ devices before?
_____ it _____ to review _____ data _____ appliance performance?
_____ I look _____ info _____ gas-powered devices?

Can _____ my old usage _____ to _____ how _____ are performing?
_____ offer access to _____ logs for a _____ efficacy _____?
_____ I _____ past _____ information on gas-powered _____?
_____ it possible to _____ data _____ appliances?
_____ I check past _____ on _____ devices?

Did you _____ access _____ logs to _____ gas appliance _____?

Is _____ retrieve from _____ to _____ how effectively _____ based _____ derivatives operated during _____ times?

Evaluate _____ gas _____ with access past _____.

Access to _____ appliance _____ for _____ is _____?

Is past logs _____ available _____ of those _____ by _____?

_____ it possible _____ appliances in _____ past?
_____ have _____ to old usage _____ to _____ gas appliance _____?
_____ I _____ able to _____ usage data with _____ gas-powered appliances?
_____ would like _____ the _____ of gas _____ in _____ past.

Can I _____ previous _____ to _____ how _____ appliances _____?

Can _____ look _____ how the former use patterns _____?

_____ it _____ look _____ old data for gas _____ analysis?
_____ have _____ to old _____ logs _____ will allow an _____ of gas _____?
_____ offer _____ to usage logs _____ assess _____ effectiveness?

Is _____ possible to _____ usage _____ to _____ efficacy of _____ appliances?
_____ there _____ for _____ gasoline equipment?
_____ past _____ can be used to evaluate _____ effectiveness _____ those _____?

Is past logs _____ so _____ I can _____ the _____ of _____ consumption?

_____ it _____ examine past usage _____ devices' efficiency?
_____ give access to _____ usage _____ for _____ of gas appliance _____?
_____ able _____ previous usage data _____ terms _____ gas-powered appliance performance.
_____ it possible to _____ usage data _____ evaluate _____ appliance _____?
_____ I _____ at the former _____ to see if they _____ my _____?
_____ there _____ to past _____ data for _____?
_____ there _____ way to analyze _____ of _____ appliances?
_____ it _____ to look up _____ for _____ appliance _____?
_____ it _____ to access past appliance _____ for _____?
_____ old _____ data to check the _____ my gas appliances?
_____ I _____ able to see how _____ appliance performed _____?

To _____ of _____ can _____ check my usage data?
_____ possible to _____ my usage data for _____?
_____ to _____ data for _____ performance _____.

_____ need _____ know about _____ performance _____ previous _____ appliances.

How _____ I check the _____ performance _____ gas _____?

How _____ gas _____ performed _____ is _____ I need records _____.

Can the archives _____ scrutinize how effectively _____ on _____ used _____ the past?

Is _____ past _____ information on gas powered _____?

Is it _____ the previous _____ efficiency?
_____ it possible _____ the past _____ gas appliances?
Could I look at _____ use _____ gas _____ devices _____?
I _____ past usage _____ on _____ powered devices.
_____ wonder if _____ can see _____ old gas appliance _____.
_____ wondering _____ I _____ look at previous use of _____.
Is _____ understand the _____ usage _____ gas appliances?
_____ would like _____ use patterns to _____ they affected my _____ items.
Is _____ possible _____ retrieve _____ data _____ appliances?
Do you offer old _____ that _____ an _____ gas _____?
Is _____ see _____ gas figures for _____ appliances?
_____ have _____ to old usage _____ gas appliance efficacy _____?
Can _____ look _____ previous _____ powered devices?
_____ I use _____ to review my _____?
Does anyone _____ I _____ see _____ statistics _____ appliances?
I would _____ inspect _____ use _____ if they affected _____ gas powered _____.
_____ we have _____ historical _____ and _____ metrics from older natural-gas- _____ machines?
Is _____ a chance that _____ can _____ at my _____ gas _____?
I _____ can use prior usage _____ appliances.
Is _____ possible _____ check my _____ usage _____ gas _____?
_____ we have the _____ to review _____ run-time _____ for older _____ machines?
_____ possible to _____ previous data _____ gas appliance _____.
Is it _____ compare past _____ of _____?
Can _____ show me _____ gas _____ for _____?
_____ check the data _____ gas _____?
_____ would like to _____ numbers for _____.
Any records _____ gas _____ performed over _____?
Past usage _____ to _____ devices.
Is _____ a _____ to _____ for understanding gas appliance _____?
_____ would like to check _____ old usage _____ to _____ how _____.
_____ it _____ to _____ at _____ run-time _____ performance metrics _____ older natural-gas-powered _____?
_____ like to _____ gas _____ performance.
Is _____ possible to analyze gas-powered _____ past usage _____?
_____ it possible _____ see _____ info _____ my _____?
_____ it _____ to access the past _____ of _____?
I _____ know _____ I _____ my _____ in terms _____ gas-powered appliance performance.
I _____ know _____ analyze _____ of gas powered devices.
I need to _____ usage _____ to _____ appliance _____.
Is _____ possible _____ data for gas appliance _____?
_____ data for _____ performance?
How _____ the past gas _____ performance?
_____ it possible to check _____ device _____?
Can I check _____?
Is it _____ to _____ my _____ gas appliance _____?
Is _____ a way _____ access _____ records _____ check _____ fossil fuels?
_____ past logs _____ for _____ of the effectiveness of _____ powered _____?
